Now Nathadwalleya Durgah therein called Nathadwalleya Durgah not entered in old account nor in any account of recent dates

Nathadwalleya Durgah therein called Nathadwalleya Durgah Trustees Magamed Muniruddin Saib.

Nathadwalleya Dally alias Thatcha Thatcha Rawthar of Trichinopoly Fort, Trichinopoly Taluq.

Nathadwalleya Durgah therein called Nathadwalleya Durgah.

Upon this inam stands the Durga which is endowed with 3 entire Villages which are entered in the old Registers — It is generally called Nathadwalleya Dally and does not appear in the list of Inam or Peishcar Villages owing to its having considered as a portion of the Trichinopoly Fort and its Cawnies, and were assessed at the Mandram of the Durga — It can not therefore be treated as a Freehold tenure as it is surrounded by cultivation as much as its titles prominently in the Taluk and under the eye of the Chief Fiscal authorities of the District — There is no doubt besides that it has been enjoyed as the Durga Inam for upwards of 50 years —

It is therefore confirmed as a Free — do Durga as the Durga exists —

Vide Remarks on Trichinopoly Reg. No (5) as regards the claims of another person to the Trusteeship —

The Reg. of Trichinopoly was prepared in May 1862 as for an entire Village in which I had entered remarks on the claim of one Mahomed Ali Khan to the Trusteeship which claim I then rejected as he was not entitled — But the above Regn. I have now cancelled as the area of the Inam as per that Register was found to have been surveyed by the Survey Dept. into 2 sections one of them as a section of the Syan Trichinopoly and the other in the Syan Mallian parts Villages — and occurred as two entries in those 2 Villages — Mahomed Ali Khan having further been entitled to the Trusteeship declared by an order of the Court, I have now added his name also with the consent of Mahomed Ally Muddeen Saib.
