In connection with the disputed title of the
Case No. 17 on the Rights of the Village of Ambasamudram and Pattanam
Taluk Eumavalli District, held by Virabhadra Pillay, his descendants
in the forest and tuncas obtained by mortgage and sublease, having
they to submit that in respect of the sale of the said, the shortly be purchase
the contents of the present order for life and the village is liable to
the Court's Proceedings of the 30th March 1853 and 1858 in order, based
that the original holders of Pattanam and Porappal lands to have declared
of alienation and that lands which had passed into other's hands
by purchase, mortgage, or otherwise should be changed with the hands either
in the case of the Revenue or the said. This order appears to have been received as in
the action of the Government in two distinct minutes of Council, received the
20th June 1858 and in the order all Pattanam and Porappal lands under date
been alienated prior to 1858 have been incorporated with any lands which had
holders and that all lands alienated subsequent to 1858 have in the death of the
recovered and changed with full Revenue in this District has been at once
altered, the claim put forward by the village and the original title, in circum-
stances to the share in question, according to the provisions of the title and the title
I think as has already been mentioned, the share should be
at the highest rate of 25% (25%) whether the sale be to Virabhadra Pillay
or otherwise.

2. The Collector's order and the District Proceedings in the
Case prominently may notice since I joined this Taluk, and subject having
to submit that additional information in order that the village have thought proper
in deepening of the case in question in the central office taken into consider-
3. The share was not given in 1851, but the mortgage office
to notice at the time the share was not, had been changed, nor been brought
at the death of Virabhadra Pillay, the father of the present holder, with full Revenue
Virabhadra Pillay, willing to accept of the title, had in 1856.
