Dorson second
on the 29th March 1847.

Two cups are named, on 2 sides of one cup head. For v. engraved and Nelson's name
June before 1877; & Sept. 1877 ¹⁸⁷⁷ calculated for both cups & natural. in Feb 7.
It is, $\frac{1}{2}$ Sept. is added to Feb of an engr., a second & second engr.
There is another known to be, one ~~known~~ known in the Valley. The whole of
the Agate is under cultivation. The modern holds, & possibly right to land.
The average collection for last 5 yrs is 10000 lbs. Under above circumstances
the collection of the Valley may be fairly taken at 10000 lbs.
