Green Village

Experiments. I prepared in each of Pettis Parson's of 6
~~adjacent~~ adjacent by our fields - but I find that the Pettis Parson
are the adjacent by our land, does not materially differ from the
other village average. The cases are better large cases. I have
therefore applied to village Parson. The best evidence will be
Bodley Hall.

I want to
see the order
of Govt of 1851
referred to by the
Storer order.
I believe the
order of 1862
was made
made for the
