A close-up photograph of a blank, aged, cream-colored page, likely an endpaper or flyleaf of a book. The paper has a slightly textured appearance with some minor discoloration and faint vertical lines near the right edge, possibly from the binding or scanning process. The lighting is even, highlighting the subtle variations in the paper's tone.

This is a D. W. by an College -
The last are Cassin King of Cass. In the William Republer
there are 3 Cass. & the Cassin King Republer there exists only one Cass.
The whole Commences with the General Land of 1800
