In a case of Rape —
 The last survey had to
 draw into life Deane.
 According to the usual
 course followed in
 the case of life Deane,
 the Deane never to be
 with the deceased's son
 Maria Karayana Thakur
 living at Travancore. He
 wrote a petition to the Board, enclosing
 an endorsement of H. H. the Rajah of
 Travancore. The petition was sent down
 from the Central Office. I reported on the
 matter in letter dated 11th June 1854 No. 63.

As the Deane is remarkable under
 existing circumstances, I have best
 thought to refer to him in the Deane's
 case. On the receipt of a reply to my report,
 I shall take the necessary steps.
