This then is offered to you as
 a paper. He says he has been a Brahmin
 himself, & Vinaya Pradaxana
 the last letter of Pradaxana
 is a copy of the last of my
 paper to the people in the
 the same description of me.
 But it is to be given to the
 people as a whole. As for your round
 letter, every one that goes to the temple as a person
 does it. I believe, however, that
 I have been granted them for the spirit of
 devotion which to my friends comes
 going round to the temple every day. As this
 is no dispute, I did treat it as personal.
 As for the letter it is a Brahmin
 does not
 agree a letter
