Mrs. Hamilton connects 2 works,
 in 9 of which, there are scenes which
 came on this paper. In the remaining
 six - Chippewagon, there are only scenes - I send

This man seemed to be in excellent long ago - The Dr. Case
thinks it can not be confirmed because the original man
is not kept up, and a recent shed has been created -
The last series report which are the parties that have
built the new shed; whether are they connected with
Trinella Paddy by whose named the Mattam gas, or
whether the new shed was intended as a substitute
for the Mattam. & whether there is any party claiming
the man
