Register of Lands in the Village of Kanchikulam in the Godeparani Taluk
 the Godavari Taluk - Kanchikulam D. C.

and No.

5 - Contd -

The Tank under which the Kanchikulam is situated is solely repaired at the
 expense of the Landholders - so far as the Dry lands are concerned, there is a grant of
 Rs. 14 only, 1837 -
 The grant, and it shows that the Dry Land is 24 Acres - There are no other accounts with the grant
 than a grant of Rs. 14 - In the account this Land is entered as follows -

Total Tank 20-3-6-5

Summation - .. 10-6-0

State .. 17-4-4

Total Tank 18-23-4-1

Dry Land 24 -

The present actual area of the Land as per Carnam's account for present fieldwork is

Total Tank	18-23-4-1	44	44	44
Summation	3-19-3-5	7	16	16
Remaining Land partly cultivated & partly arable	20-4-4-3	37	34	227-3-6
Dry Land	23-54/64	199	81	258-18-2
Total		237	15	477-13-8

The grant by the Tank amounts to the grant of Rs. 14 only, 1837, and says that
 he has no interest in the Kanchikulam so long enjoyed by the Landholders - The entry
 of Rs. 14 relates not to the whole Land Kanchikulam, but to the extent then
 actually cultivated -

The Tank is of 30th July 1867, Rs. 4 - Rs. 21 - the Landholders -

I am therefore no objection to register the present area and of Rs. 14
 as desired by the Landholders - as regards the Dry Land, there is the grant of Rs. 14 only, 1837,
 that the whole of it is Land - as to this entry, the very circumstances of the grant
 having nothing to do with the Tank is, the learned proof that he has nothing to
 do with the Kanchikulam under it the extent may have been differently entered
 in the accounts - It is for the grant object to the registration of the present
 Kanchikulam while he admits that the State has no interest who taxes in the use of
 land hitherto enjoyed -

Should the area be approved of, the case will be confirmed accordingly
 on a 1/8 of Rs. 60 -
