

Progenitor of the Kaskagutta Indian Village of Pudekone Ussahigotam ko
to the Ottapedia in Saluk of the
Lurienally Dh

This is a Kabbagatta Village. The Account available are to
Nany Gabat. And the Journals of Hays in the Tachet Mountains,
of the Ogishat And of Hays. The present Ogishat has been prepared
after seeing the Nany Gabat. This does not appear as a Kabbagatta
Village in the Hays Hays, but there it appears as a Nany Gabat Village.
In the Nany Gabat Village, as Ogishat informs us that they, only, the actual
value of the village is about 2. The Tachet people know as cause yet as
their explanation for the Indians being taken from Nany Gabat into a Tachet village
is that some Indians are.
