The original house in Mend. was destroyed
 by floods about 25 yrs ago. The house land
 has since been brought under cultivation. By
 the sale of 2 old houses at Ketchikan in Mend. was
 accounted for. Philippe says that the first of
 current date about 12 years ago his land or
 part was bought by 2 old houses. At that
 time the houses were in good shape. The
 new land appears better & better. The house
 was in good shape. Just before the new Mend.
 Jan 1900. The house was in good shape.
