Register No 3 to 15

Inam Register of the whole Kattugutta Villages of Yelavarasanendal first and Second Parts in the Sankaranayinarkoil Taluq Tinnevelly Dist

The Tahr returns the two T Deeds issued for the two parts of the Kattuguttaga Villages and brings to notice the objections of the Holders to the ~~manner~~ mode in which the Minor Inams have been settled by this Dept by making the Jodi pd on them to themselves directly payable to Govt & by allowing to them a corresponding deduction in the Kattuguttaga Beriz in which the above Jodi is included — They pray that the Q R on the Minor Inams may be made payable ~~through~~ to themselves, a corresponding addition being made in their Q R — Vide Arzee from Tahr 30th July 1866 No 68 —

I see no objection to this Course — & if it is approved by the Commissioner, the Two T Deeds in question will be amended by giving the Kattuguttaga Beriz as it is, & simply adding the Q R on the Minor Inams to their Q R — The T Deed for the minor Inams will also be amended by making the Q R on them payable through the Kattuguttagadar

The Kattugutta [illegible]

It appears from the Kattugutta Register of the District sent to the Board of Revenue in 1821 that the Hamlet of Yelavarasanendal comprising the 13 Villages named in Col. 2 & 3 was granted on Kattugutta tenure to Ravala Kasturi Rangappa Naik by Mofuz Khan under a Parvana dated 17th Shaban Hijiri 1169 / AD 1752 the Kattugutta amount being Rs 297-9-3. This Parvana is not now forthcoming. In the column opened for Remarks for which the Village was granted in the Kattugutta Register of F 1230, it is stated that "as the grantee was a very clever soldier in fighting the Sarkar permitted him to enjoy the Village as Shrotrium."

The 2nd Part Kattuguttagadar Naik has produced a Certified copy of Coppendeed dated 5th Tai of Sindu 816 / AD 1641, a document which was produced in 1828 before the Collector, from which it appears that the 5 Villages of Konnai Pitambarpatti, Ladanpatti, Sappipparai, Kuruli patti & Solappatti in addition to the 13 Villages named in the margin making in all 18 Villages were granted on Saiva Maniyam tenure by Tirumala Naik to Ravala Tirapa Appasami Naik in Sindu 816. Of the 5 Villages named above, Konnai Pitambarpatti & Ladapatti are held by the Agraharamdars of Lakshmiyammalpuram Venkatapuram, & they form hamlets of the Kasba Yelavarasanendal; Sappipparai has been a Govt Village from the ~~date of~~ British assumption; & the last two Kurulipatti & Solapatti form a portion of the Maniyatchi Zemindary. This Coppendeed has no connection whatever with the Kattugutta tenure on which the Village has been held from 1752.

In 1805 Kasturi Rangappa Naik No 2 in Col 14 complained to the Collector that he was wrongfully dispossessed of a moiety of the Village by Appasami Naik No 3 in Col 14. The Collector instituted an enquiry into the case & decreed that Kasturi Rangappa Naik & Appasami Naik were both claimants to the Village & that both of them should enjoy it in equal shares.

But Appasami Naik having nevertheless refused to allow the proceeds of a half of the Village to Kasturi Rangappa Naik, the (Kasturi Rangappa Naik) sued Appasami Naik on the 9th Dec 1806 in the Zilla Court of Tinnevelly in No 39 for the recovery of a half of the Village of Yelavarasanendal of which he had been wrongfully dispossessed by the said Appasami Naik in 1803, together with the amount of Pagodas 1070 being the amount of one half of the profits during the time he had been dispossessed. The Zilla Court by a decree dated the 30th July 1807 awarded the restoration of the half of the Village to Kasturi Rangappa Naik with a moiety of the net receipts from the Village from the 23rd July 1805 the date of the Collector's decree to June 1806. Appasami Naik appealed from this Decision to the Provl Court for the Southern Division, & the original Plaintiff dying, his grandson Kasturi Rangappa Naik a minor appeared by his guardian Venkatasami Naik to give answer to the appeal. The Provincial Court on the 21st Jany 1811 gave judgment annulling the decree passed by the Zilla Court, & directing the costs of suit to be recovered from the Respondent Kasturi Rangappa Naik, & the grounds of this judgment were that the Respondent was a minor & consequently incompetent in any case to take charge of or administer to his own affairs during the period of his minority. Kasturi Rangappa Naik on attaining his majority appealed from the decision of the Provincial Court to the Court of Sudr Adalat by Petition dated 26th Jany 1814. The Sudr Court were of opinion that the Decree of the Provincial Court was founded on erroneous grounds & that the decision of the Zilla Judge was founded on a decree passed by an authority having competent jurisdiction & must therefore be supported. The Sudr Court accordingly held a Decree on the 5th Dec 1816 confirming the Decree of the Zilla Court setting aside the Decree of the Provincial Court.

Under a Receipt of the Court the Kattugutta of Yelavarasanendal was sub Divided into two Parts in 1817 & 1818. The six Villages of Tevarkolam, Pitchatalavanpatti, Kolakatta kuruchi, Mukkuttumalai, Puliyangolam & Appaneri, together with a moiety of the Kasba Village of Yelavarasanendal forming the 1st Part was put in possession of Kasturi Rangappa Naik No 2 in 14 Col; the six Villages of Ayyaneri, Pilliyanattam, Nadakkapatti, Naduvapatti, Nakkalamuttampatti & Chittarampatti ~~[illegible]~~ together with the other moiety of the Kasba of Yelavarasanendal forming the 2nd Part was put in possession of Appasami Naik No 3 in 14 Col. In sub dividing the Kasba of Yelavarasanendal, all the lands of the Village inclusive of the Nattu, Kovil & [illegible] & Inams were remeasured & [illegible]

Appeal dated 27th Novr 1867 No 118 from the Holders of Minor Inams by Vakeel praying that the Jodi as well as the Q R on these Inams may be made payable ~~to~~ direct to Govt. Rejected as on a reference to the Regr the Offg Commr sees no ground to alter the Decision already passed on 15/7/67

W. M. B. 11/12/67

[illegible] Minor Inams.

The Jamabandi Acct of Fusly contains chiefly Iron Inams.. all of which are now in existence. In the Ayakut account of 1212, all Land Inams & Nunjah Inams are clearly entered; all the Inams relating to the 2d Part are now in existence; but of those which relate to the 1st Part the following are not now in existence:

W. 6 - 6 1/8 is entered in the Ayakut Accts of Village of Yelavaraisenendal in the name of Yellamman Kovil. No Pagoda has been in existence for the last 35 yrs. The land has been held as a portion of the Kattagutage.

W. 2 - 2 3/4 is entered in the Ayakut Acct of the Village of [illegible] for last 35 yrs as Gopalayyan Maniyam, Appasami Naicker Naik. It has not been in existence since 1212.

In the Ayakut Acct of Appanairi, Dy 11 - 3 - 1 1/2 is entered ~~as~~ Gnanamuttoo Yogi Niti Maniyam. One Subbaraya Yogi Niti styling himself to be the brother's daughter's son of the said Gnanamuttoo Yogi Niti claims the Inam, but produces no document in support of ~~[illegible]~~ his ancestors having ever held the Inam. This Inam does not appear in the Acct of Fusly [illegible]. It appears to have been discontinued & since included with the Kattagutage lands about 55 years ago, & upwards of [illegible] in 55 [illegible].

In the Village of Nallijangolam 1 - 1/2 Dy is entered as [illegible] Appaya naicker [illegible] Inam. No [illegible] has been in existence for 50 yrs. The Inam appears to have been held by the Kattaguttagedar as a portion of his Kattagutage land for upwards of 50 yrs.

In the same Village Dy - 8 - 3 is entered as Nandavanam Inam. No Nandavanam is in existence. The Inam appears to have reverted to the Kattaguttegedar about 40 years ago.

As these Inams have been held by the Kattaguttegedar for more than 50 yrs I think the reversionary right of Govt to them is well secured by 1/8 Quit Rent upon which the whole Village is enfranchised.

1/8 rent is fair, ~~[illegible]~~ on the ground that ~~[illegible]~~ there is no clear proof that these Inams are ~~[illegible]~~ older than the Kattagutage ~~[illegible]~~ Village, in which case alone the Govt can strictly claim their reversionary right

5/5/65 H.C.

Approved 5/5/65 W. [illegible]

× Rangappa Naicker; & the other portion called the Kasba 2d Part was put in possession of Appasami Naicker, making good in this Village for the deficiency in the other six Villages of each Part, of Dry lands for the 1st Part & Wet lands for the 2d Part. To be clear, the total area of the Dry lands of the six complete Villages of the 1st Part having fallen short of the total extent of the Dry lands of the six complete Villages of the 2d Part by 149 - 7 - 3 1/2, this sum was allowed to the 1st Part Kattaguttegedar in the Kasba Village, & similarly the total area of the Wet lands of the six complete Villages of the 2d Part having fallen short of the total area of the Wet lands of the six complete Villages of the 1st Part by 78 - 9 - 3/8 was allowed to the 2d Part Kattaguttegedar in the Kasba, together with Dry Poramboke of 40 - 12 - 3 1/2 to make up for a similar deficiency in the Poramboke lands of the six complete Villages of the 2d Part. It will thus be seen that every inch of land, every tree, every well, every Pagoda &c was divided into two Parts. In fact the whole Kattagutta of Yelevaraisenendal was divided into two [illegible] or two Kattagutta or Shrotrium Villages. It will be observed that a moiety of the ~~area~~ of the Kattagutta Nunjah minor Inams of the Village of Yelavaraisenendal was thrown into the Ayakut of the Kasba 1st Part & the other moiety into the Ayakut of the Kasba 2d Part, inasmuch as the Jodi thereof was payable by both the Kattaguttegedars in equal shares, & thus two distinct Villages Kasba Yelevaraisenendal 1st Part & Kasba Yelevaraisenendal 2d Part were formed in the room of Yelevaraisenendal. The Kurnams of the 1st Part are distinct from those of the 2d Part. The Kattaguttegedar of the 1st Part pays to Govt a moiety of the Jodi Rs 248-12-8-5 & the Kattaguttegedar of the 2d Part pays to Govt the other moiety Rs 248-12-7. The affairs of one Part are in no way connected with those of the other Part. They have been treated as two distinct Parts since 1818. Each Part is therefore now separately settled.

Copy & translation of the Decree of the Sudr Court sent to the Collector by the Zilla Judge affecting the ~~[illegible]~~ right of possession & enjoyment of the Shrotrium Village of Yelevaraisenendal were forwarded to the Board of Revenue on the 24th Dec. 1857 in conformity with Sec XI of Reg. III of 1802.

In October 1828, Venkata Rama Naik & Narasappa Naik, [illegible] of Nelliyanattam & Colakattikuricchi presented a Petn to the Board of Revenue, stating that ~~[illegible]~~ Castouri Rangappa Naik & Appasami Naik were not as they represented themselves to be, the Kattaguttegedars of Yelevaraisenendal & other Villages, & praying to be allowed to pay their Kists direct to the Taildar. The Petns were referred to the Collector of Tinnevelly. The Collector enquired into the case & passed the following endorsement:

"From the first period of the Company's Govt the Villages in question were enjoyed under a Copper Deed dated 5th Tai of Hindu 886, granted by the Hindu Govt to the late Apparasami Naik, on a rent of Pns 4006 per annum & the present renters enjoy them upon the same terms. The present Appasami Naik is the son of the late Appasami Naik & Castouri Rangappa Naik is entitled to a share of the estate by a decree of the Sudr [illegible] Adalut dated 5th Dec AD 1826 & reported to the Bd of Revenue under date the 24th Dec. following. In the Statement of the Kattagutta Villages submitted to the Presidency under date the 10th Feby 1815 the name of Appasami Naik is entered as the proprietor & in that submitted under date 10th April 1821 the name of Castouri Rangappa Naik is also entered according to the Decree of the Sudr Adalut. The Statement of the Petitioners is therefore unfounded."

This statement is not correct for under a Copper Deed dated 5th Tai of Hindu 886, 18 Villages, this included above, were granted in [illegible] tenure by the Hindu Govt to [illegible] Naik. The Grant appears to have been resumed by the Mahomedan Govt, & under a Kavilnamah of [illegible] dated 1752 the Villages now held by [illegible] appear to have been granted on a rent of 4006 Chakrams [illegible]

N.B. This occasion to observe that when called upon by the Taildar to render accounts for the preparation of the Inam Registers of the Kattagutta Villages agreeably to the instructions of the Collector in pursuance of the general Circular of the Inam Commissioner, the Jemindar-like Kattaguttegedars of the 1st & 2d Parts of Yelevaraisenendal sent Yadasts to the Taildar under date 5th & 6th August last respectively intimating that their Villages were Maniyam Kalipatti, & that they had not been in the habit of rendering accounts to the Sirkar & that their Villages were held on Zemindary tenure. This example was followed by the Kattaguttedar of Kanivikolam, who sent an Yadast to the same effect to the Taildar on 31st August last. The authority vested in the Taildar appears to have shuddered at the [illegible] of these glittering [illegible]. He took no notice of the matter. The [illegible] reported the case to the Collector & [illegible] Officer of Inam Comm. I joined the Taluk of Sankaranainarkoil on the 24th October & found to my surprise that no attempt was made by the Taildar to get the [illegible] Registers of these large estates prepared. The Taluk Sheristadar, when called upon to account for the non-preparation of these Registers, reported that the Kattaguttegedars had sent in Yadasts declining to render accounts, upon which the Taildar forwarded to my office with his Arzee of the 26th Oct last the 3 Yadasts of the Kattaguttedars of Yelevaraisenendal 1st & 2d Parts & of Kanivikolam with a request that peremptory orders should be sent to them from my office. I have adopted the Inam Rules for my guidance. I sent individual Inam notices to the said 3 Kattaguttegedars who obeyed my call & appeared in person, but contended for a time with the aid of their Vakeels that their estates were on the same footing with Zemindaries. I explained to them their fallacy & showed them that their wealth might raise them to the rank of Zemindars, but that their Villages were held on Kattagutage tenure, & that no riches could convert it into Zemindary tenure, & that the opportunity afforded them by the concession of Govt of enfranchising their Villages would certainly ameliorate the condition of their estates. They saw their folly & yielded [illegible]

⊗ The correspondence & the entries in the various Jumma Registers quoted above will show at one glance that the Kattagutage Villages of Yelevaraisenendal 1st & 2d Parts & of Kanivikolam are no better than the other Kattagutage Villages of the Distt & the numerous Shrotrium Villages of the [illegible] Taluk & [illegible] Distt. They appear to have been set up by some Taluk Official to advance the plea alluded to above for a time to their own detriment, but I am glad that they were wide awake at the proper time at least.

O. S.

R. B.

Yelavarisenendal 1st Part

1 Ravula Appasami brothers Naiken son to W. S. A. 23. No 2 in 14/d.

Kasturi Rangappa Naik of Sept No 2 in 14/d. died in 1830. The then Collector continued the Kattugutta 1st Part to his brother Appasami Naik, who held it for 18 months. Lakshmi Ammal widow to the said Kasturi Rangappa Naik claimed the estate. The Collector in March 1832 continued the 1st Part to Lakshmi Ammal, referring Appasami Naik to the Civil Courts.

The said Appasami Naik accordingly sued for the recovery of the estate in the Zillah Court in No 7 of 1835 & obtained a Decree in his favor. On appeal in No 6 of 1837 the Sudr Court confirmed the Decree of the Lower Court, & declared that Lakshmi Ammal was entitled to a maintenance of 20 Rs per mensem. Under a Receipt of the Court the estate, Kattugattege 1st Part, was put in possession of Appasami Naik, who died in 1852, leaving behind him a son Appasami Naiken the party with whom he was then a minor of 13 yrs of age. The estate was under the Collectors order No 13 of 1852, placed under the management & guardianship of the deceased's uncle's son Rudrappa Naik & his eldest brother Venkata Naik. On the minor Appasami Naik attaining his majority, the Collector in his order of the 12th Feb 1859 continued the estate to him. Ravula Appasami Naik the party with whom is the Kattugattegidar of the 1st Part.

Venkatasami Naik & other ryots of the 1st Part Kattugattege complained that the Kattugattegidar Appasami Naik the father of the party with whom, was levying extra assessment; that he was not the legal proprietor of the Village, & requested that the Kists might be levied from them direct. The Collector in his order of the 18th Dec 1821, observed that no extra Collection was made by the Kattugattegidar & that Appasami Naik was the Kattugattegidar of the 1st Part; & imposed a fine of a Rupee on each of the complainants for having preferred such vexatious complaints, directing them to pay Kists to the Kattugattegidar their Zamindar or Master.

Venkata Pelasami Naik, grand father's brother's grand son to the father of the party with whom, sued in the Court for ½ of the 1st Part in No 173 of 1847 in the Principal Sudr Amin Court, but the Court dismissed the Suit on 29th May 1849, declaring that the Plaintiff was entitled to a maintenance & that the estate was not liable to partition having been always held by right of primogeniture. The contending Parties entered into a Razinamah No 173 of 1847 in virtue of which 3 Kottas of land & 26 Sengilis of Dry were granted to Venkata Pelasami Naik for his maintenance. The Kattugattegidar has similarly granted lands to his other cousins for their maintenance.

The Kattugattegidars of the 1st & 2d Parts disputed each other's right to a piece of land of the extent 1-10-2 or Dy 6-03. This long standing inveterate animosity carried the dispute to such a pitch that one party attacked the other in gangs, & that the result was that both parties were grievously hurt. The Case was committed to the Court for trial. The Parties were acquitted for want of proof by the Session Court, who held the proceedings under Sec 14 of Reg V of 1822, directing the resumption of the disputed tract of land, which has accordingly been incorporated with Ayan & is held on Ayan Patta by one Kandasami Naik, the land having been forfeited to Govt. The same degree of animosity still exists between the present Kattugattegidars of the 1st & 2d Parts in a concealed shape.

The Kasba Yelavarisenendal 1st Part is the demesne of the Kattugattegidar of the 1st Part in the Lingaghal side Village of ~~Kasba~~ Yelavarisenendal. There are two Tanks in this Village. The whole of the Wet lands is under cultivation. The whole of the Dry Waste 3-75 is Sengi ghal, unfit for cultivation. The whole of the garden waste is also unfit for cultivation.

The assets of the Village are 3205-11-5
Deduct by land of Tank [illegible] 5 Nos } 5-0

Reg. No 4 – Jevarkolam

The survey Dry rates of this village are the same as those of the Kasba Yelavarise mendal 1st Rate.

This village of Jevarkolam is situated one mile west of the [illegible] village of Lingapet whose average grain value is Rs 3-14-6 per seed kottah but the lands of Jevarkolam are somewhat ~~[illegible]~~ superior to those of Lingapet. 4 Kottas of grain are therefore taken as grain value of a Kottah of land & value of this at the commutation price of 10½ Rs per garce is Rs 84-14-6 per seed Kottah or 52 Rs per acre.

The average garden rate is Rs 5-7-4 per Kottah or 2-12-0 per acre.

Extras per Ayakat of F 1272

Revised quit rent with reference to the decision on appeal, excluding the Jodi payable on minor Inams. DR 5889 RB 2/4/68

The Kattugattigar of the 1st Part states, ~~he~~ he maintains the following establishments for the management of the estate and the collection of assessment:

1	Sthanapati on a salary	of 180 Rs per annum
1	Nakkal on Do	of 120 Rs per annum
1	Sampratti	of 120 Rs per annum
1	Shroff	of 84 Rs per annum
1	Rayasam	of 84 Rs per annum
9	Peons	of 324 Rs per —
1	Sweeper	of 36 Rs
	Pádavandal	of 75 Rs per annum
		1023

This establishment appears quite unnecessary for the management of so small estate as the Kattugattigar's. He should set aside the pompous habits of a Zemindar & make better arrangements. The village officers should be made to collect the revenue. I think the large establishment, as it appears, the maintenance in imitation of the Zemindary pomp & splendour. The proprietor of the estate is of course at liberty to make his own arrangements. I think a Revenue Inspector on a salary of 20 Rs per mensem will be able to manage the estate.

Under all the foregoing circumstances, the valuation of the estate may be fairly taken at 17000 Rs. It must be observed that the Dry lands of this estate are steadily cultivated even in the absence of rain. The wet lands of the estate are not valued as much as the Dry lands which yield a permanent revenue. The estimated annual value of the estate is as given in the Shrotrium Register of 1821 as 5,200 Rs. In 1821, the Kattugattigar paid the present Jodi of 4,248-12-8. The estate has since been improved & there is every prospect of the estate being improved still further. Under the circumstances, the sum of 17,000 Rs fairly represents the value of the village, irrespective of the management & other charges.

The Kattugattai Estate of Yeleravirsunendal 1st Part is recommended to be confirmed. The Kaval to [illegible] same [illegible] under Rule 7. DR 43

Agreed.

The Nakkal has expressed his consent in writing.

Deduct
Jodi payable to the Kattugattigar by the holders of minor Inams 371-3-1
3877-9-7

The quit rent is to be calculated on the difference between 17000 Rs & 3877-9-7.

18th February 1865

K. B.

The holders of minor Inams have to pay their Jodi to 2 masters, i.e. the Kattugattagars of the 1st & 2nd divisions, & then quit rent to Govt. It would save much complication, if the Jodi is charged to the Inamdars directly with a corresponding deduction in the quit rent of the whole village. I would recommend accordingly.

~~Paid by Religious or [illegible] Inams [illegible] quit rent [illegible]~~

Confirmed as recommended in one T.D. for the 7 villages forming the Kattugattai Yeleravirsunendal 1st part. The particulars of extent of each of the villages will be shown on the reverse of the T.D. Combined Q.R. Rs 5518 – 5/5/65 WMS

Yelavarasanendal 2nd Part

2. Ravula Narasimha Appasami Naicker adopted son of the eldest son of No 3 in 14 file.
18. 1 Rd Kr. 1 Inde.

Appasami Naick No 3 in 14 file died in 1823. The Collector in his order dated 10th Dec. 1823, continued the estate to the deceased's eldest son Appasami Naicker, who adopted his undivided brother's son Narasimha Appasami Naick privately in Madras in 1829, a few months before his death. He died on 17th May 1829. On the 16th May 1829, he sent an Arzee to the Collector intimating that he had adopted his brother's son a boy of 3 years old, & entrusted the management of the estate to his brothers Appasami Naick & Sivappa Appasami Naick, appointing the former as the Manager & the latter as the Guardian of the Estate. The Collector in his order dated 16th July 1829 confirmed the arrangements of the deceased & directed the deceased's brothers to manage the estate during the minority of the adopted son. The Guardian Sivappa Appasami Naick died in 1860. At the request of the Manager, the Collector nominated Venkata Row Naick, son-in-law of the Manager, as the Guardian in 1860. The minor Appasami Naick is now in his 18th year of age. He is about to take charge of the estate in the course of a few months.

It may be added, that the late Kattugattegedar Appasami Naick, who was held in high estimation by the native as well as the European gentlemen of this part of the Country, constructed at Kovilpatti near the high road leading from Tinnevelly to Madura a Stone Choultry at an expense exceeding 20000 Rs from his private funds. The Most Noble the Governor in Council, in acknowledgement of his obligation & thanks to Appasami Naick for the liberality displayed by him in the institution, was pleased to direct in G.O. dated 10th Jan 1826 that the sentiments of Govt. regarding Appasami Naick be made known to him & that an inscription be made in stone in front of the Choultry. The Court of Directors in their Despatch of the 3rd June 1826 approved of the measures proposed by Govt. & desired that the expression of their approbation be communicated to Appasami Naick through the Local officers. The Choultry is now but tolerably maintained.

Narasimha Naick & 4 other residents of Yelavarasanendal state that they are the cousins of the Kattugattegedar & that they enjoy certain lands free of assessment granted to them for maintenance. The Kattugattegedar's Vakil urges that they are no cousins, but that they are relatives & members of the caste of the Kattugattegedar's family & that the assessment of 2 or 3 Kottahs of land is annually allowed for each out of favor at the discretion of the Kattugattegedar. Narasimha Naick &c. are at liberty to establish their cousinship, if any, in the Courts of Adalat.

The present Manager of the estate Appasami Naick has sent in a Petition on the 12th Instant, calling in question the legality & validity of the Decree of the Sudr Adalat dated 5th Dec. 1816, in virtue of which the estate of Yelavarasanendal was subdivided into two Mittahs or Parts, & a moiety of the Estate or the 1st Part was adjudged to Ravala Kistna Rungappa, the grand father of the present Kattugattegedar of the 1st Part. He has ~~[illegible]~~ the audacity to state that the Decree of the Sudr Court of 1816 was founded on wrong data fraudulently furnished from the Collector's Office, that in Mr Lushington's Register of 1802, the Estate is entered in the name of Appasami Naick alone, & requests on these grounds that a Joint Title Deed may be given for the two estates of the 1st & 2nd Part, cancelling the Decree of the Sudr Court. The Manager Appasami Naick, being a brother of the late Kattugattegedar Appasami Naick, whose liberality & public spirit were prominently noticed by the Govt. & the Court of Directors, he must be ashamed to find fault with the Decree of the Sudr Court held in 1818. This is the index of the natural hostility which the 2nd Part Kattugattegedar bears towards the 1st Part. There is no reason for granting a Joint Title Deed in contravention to the spirit of the Sudr Court Decree, in virtue of which every portion of the estate was divided into two distinct parts in 1818. The granting of a Joint Title Deed would, I am afraid, result in serious affrays, like the one alluded to in the Register of the Kasba Yelavarasanendal 1st Part. The 1st Part Kattugattege is as distinct from the 2nd Part as any other Kattugattege village in the world.

The assessment of the village is	2528-11-
Land crofts at 5 Rupees	7-8
	2521-3

The whole of the Part is under cultivation. The average Collection amounts to 2419-4-6.

The present Value of the Kattugattege Yelavarasanendal 2nd Part is 17620 Rs (Seventeen thousand six hundred & twenty).

Land classed as Garden 257 - 8 - 1.
0 - 3 - 1 which is equal to A. G. 0 - 9 - ½.
257 - 5 - 0 = 936·63.
add
Jarib Godu or excess 94 - 4 - 1 = 343·13 which 2·70 within the established boundaries of the Village increase
351 - 9 - 1 = 1279·76

In the Ayakut acct. A. G. 20 - 13 - is entered in the Kada Yelavarasoonendal 2nd Part as Ramalinga Mudaliar Bhatavrutti Paramaram Taram. It is land covered with Jungle. In the [illegible] of the Abstract it is included with the Kattuguttapatti Ayan lands. In 1868 the Jarib made it one of the Pillaiyar gattugudam together with the other Kattugutta Ayan lands. Vide remark in the Inam Register of [illegible] Nadam [illegible] Bhatavrutti case 20.

The Survey Dry rates of the Village are the same as those of Kada Yelavarasoonendal 2nd Part.

The average Garden rate is 4-7-4 per Seed Kottah or 2-12-0 per acre.

The Dry Waste 4½ Acres consists of portions of fields. It is Negligible Taram. Fit for cultivation.

The average Collections amount to 1897-14-10.

The Assessment of the Village is 1933-12-10.

The Total Revenue collections of the 2nd Part Kattugutta estate for the last 5 years as per accounts rendered by the Kattugattegadar's Karnam amount to 16934-1-9.

Total of the above 7 Villages

Net assessment of the Kasba Yelavarasanendal 2nd Part	2521-3-9
Ayyaneri	2970-7-2
Pillaiyarnattam	2587-5-4
Nadakkupatti	1987-12-6
Nadavapatti	2170-1-3
Nakkalamuttanpatti	1933-12-10
Chittirampatti	1693-15-6
Total	17864-9-7

The Kattugattegadar of the 2nd Part states that he maintains the following establishment for management of the estate.

1 Stanapati on a salary of 180 Rs per annum	
1 Gomasta	120
Sampradi	120
Shroff	84
Rayasam	84
9 Peons	324
1 Sweeper	36
Aadiavanl	75½
	1023

This establishment appears quite unnecessary. A Peshkar on a salary of 20 Rs per mensem with the aid of the village officers will be able to collect the Revenue of the estate. The Proprietor is of course at liberty to maintain a large establishment for his own grandeur.

The Dry lands of this Estate are steadily cultivated. The Estate has been in pawn to a large extent since 1821. The estimated annual value of the Estate as given in the Shrotrium Reg of 1821 is 5200 Rs.

Under all the foregoing circumstances the valuation of this Estate (2nd Part) may be fairly taken at 17,620 Rs irrespective of the management & other charges.

The Kattugutta Estate of Yelavarasanendal 2nd Part is recommended to be confirmed on ⓧ 43.

The Stakeel has expressed his consent to enfranchisement in writing. Agreed.

The four Neravas of Ándikolam Sádampetta, Veppangolam Konnechitambara petta, Nirávinayakankolam & Venkatáchalapuram form the whole Kattugattage hamlet known by the name of Lakshmi Ammálpuram Venkatáchalapuram, which is attached to the Kattugattage of Yelavarasanendal inasmuch as the Kattugattage jodi of Lakshmi Ammálpuram Venkatáchalapuram is payable to the Kattugattagedars of the 1st & 2nd parts of Yelavarasanendal. The amount of Kattugattage is 300 Pons, which are equivalent to 636-5-5. No Sannad is forthcoming; but it appears from enquiry that the hamlet was granted to the Mahájanams about 150 years ago by Lakshmi Ammál. In the Ayakat account of Fasli [illegible] the hamlet is entered as Agraháram Sikharam Rama Ragha [illegible]. In the Sub Division account prepared by the Survey [illegible] in 1858 the hamlet is exhibited as being in the enjoyment of the Agraháramdars, the Jodi being payable to the Kattugattagedars of Yelavarasanendal. No Paimaish accounts have been prepared for the hamlet by the Survey [illegible]. The extent of the hamlet consisting of 4 Neravas, is given in reference to the Ayakat account of Fasli [illegible], which corresponds with the Sub Div. account prepared by the Survey in 1858. There are Tarwar rates for the Dry lands. The wet rates adopted for the Parent village of Yelavarasanendal are adopted. For the hamlet being [illegible] the Dry rates are,

1st Sort [illegible] 7-9- per Kuruni or 2-5-4 per acre
2nd do [illegible] 6-5-10 do or 1-12–
3rd do [illegible] 4-12-4 do or 1-5–
4th do [illegible] 3-9-8 do or –13-10
5th do [illegible] 2-8-9 do or –11-3

The Dry lands of 1st, 2nd & 3rd Sorts are of a superior description. They are generally cultivated with Kambu, Ragi or Cotton; Sámai, Cholam, Varagu; Kánam &c.

The Wet lands are dependent on Manávári Kalams or Tanks fed by the drainage of rain. The soil of the wet lands is of an inferior description. The rates now adopted are [illegible]. The wet rate is 7-11-11 per Seed [illegible] or 4-12-6 per acre, the average grain value being 3-10 per [illegible]. The Mahájanams state that the whole area is under cultivation. No second crop is raised on wet lands. There are 3 Tanks in this hamlet, the area of which is 78-17-4½ or 127·72. The shares in which each Neravam is held by the Mahájanams are shown above.

The Beriz of the hamlet is 2665-–2.
Deduct on account of Tank repairs at 5 per cent 20-—
2645-–2.

The valuation of the hamlet may be fairly taken at 2640 Rs.

Title confirmed under Rule V/63.
Agreed

The Kattaguttegedars of the 1st & 2nd Parts are the managers of the Pagoda. A moiety of its Inam was first included in the Ayakut of the Kasba Yelavarasanindal 1st Part & put in possession of the Kattaguttegedar of the 1st Part in 1828 by the founder, & similarly the other moiety was included in the Ayakut of the 2nd Part & put in possession of the Kattaguttegedar of the 2nd Part in 1828.

Each Kattaguttegedar manages the Pagoda for 6 months; each has his own distinct set of Pagoda servants & Pagoda utensils. But as the whole Inam is entered in the Ayakut account in the name of the Pagoda, it is now entered as one Case, but the Kattaguttegedars request separate Title Deeds. Each of the Kattaguttegedars claims the possession of the Ticket. No Ticket has therefore been issued to either party. The granting of separate Title Deeds appears objectionable, the Inam being attached to the Pagoda. The delivery of the Joint Ticket or Title Deed to ~~one of the~~ either of the Kattaguttegedars would create quarrels which would lead to affrays. I recommend, in the Special case, ~~the duplicate~~ Title Deeds in duplicate may be prepared & delivered to both the Kattaguttegedars.

6. Sitaramayyan 20.	brother's son of No 2 in abl.	1W-1M-	

It appears from the original Cadjan Kattayam produced by Ramaswami Bhagavatar that Dy 50 Kurukkums of land in the Village of Nakkala muttanpatti & that 10 Kottas forming the Ravara of Periya Kadambakolam were granted in Inam for tenure by Ravila Sivrappa Naidu son of Venkatapati Naidu to Rama Linga Bhagavatar on the 13 Febr. in Andu 874 AD 1698.

Rama Linga Bhagavatar appears to have held the Inam for a time & died leaving behind him a daughter Venkata Raghavammal whose son Kannaya Bhagavatar abandoned the Inam & proceeded to Tanjore, where he resided for 60 years in the service of Raja. Kannaya Bhagavatar's son Subba Raya Bhagavatar came over to this part of the country in Dundubhi 1802 & requested the Kattuguttagadars to restore the Inam to him. The then Kattuguttagadars Kastoori Rangappa Naiker & Narasimha Naiker the ancestors of the present Kattuguttagadars executed a Mile vole or foolenama to Subba Raya Bhagavatar on the 5th Chittrai of Dundubhi (1802), making over to him the Dy lands of Nakkala muttanpatti & the Ravara lands of Periya Kadamba Kolam, as particularized in the original Kattayam, subject to a Rusoom of 25 Panams which are equivalent to 5 Rupees. But the lands were allowed by Subbaraya Bhagavatar to lie waste as usual for some time. At the survey of Fasli of the Village of Yelavarisenendal the Ravara of Periya Kadamba Kolam is entered in the month of Avani of Andu 978 Dundubhi, as "Odakolam Anadi Nalla Savisi" & the rest of the Ravara is included in Ayan Dy lands of Yelavarisenendal, & the Nakkalamuttanpatti Dy lands are entered (in 1802 Fasli 213) as "Rama Linga Bhagavatar Bhatvritti Paramarim Savisi", exhibiting their extent 20-13 as Inam. Subba Raya Bhagavatar died in 1802 leaving behind him a son Ramaswami Bhagavatar the present writer, & two undivided brothers Venkata Rama Bhagavatar & Muthayyan Jaya Bhagavatar. Venkata Rama Bhagavatar improved & cultivated the Ravara lands of Periya Kadamba Kolam, as well as a few portions of Nakkalamuttanpatti. A few years after, the Nakkalamuttanpatti lands appear to have been abandoned. In Fy 1818, the Kattuguttage of Yelavarisenendal was sub divided under a Decree of the Sudr Court. In the Sub Dn. Acct. all the Rusoom Inams with the Rusoom payable thereon are given in detail. In this account the rest of the Periya Kadamban Kolam lands is entered as the lands formerly held in Bhatvritti but having been abandoned & Inam granted newly on a foolenama, subject to a Rusoom of 25 Panams, & classed as Dy at the survey, the Tank having been breached (Odakolam). In the Sub Dn. Account the Inam of the Periya Kadamba Kolam is entered in the name of Muthayyan Jaya Bhagavatar. In the Sub Dn. Account the Nakkalamuttanpatti Inam lands of 20-13 are not entered as Inam, but included with the Ayan lands of the Village of Nakkalamuttanpatti & made over to the Kattuguttagadar of the 2nd Part. In short, the said 20-13 were treated as Ayan. In 1818, the Periyakadamban Kolam lands were resumed by the Dt. Moonsiff & put in possession of Muthayyan Jaya Bhagavatar.

According to the measurement of the Moonsiff the cultivation is as follows

These lands are Dy as per Beyahat Acct of Fasli, Dy 8-6-2, Wet 8-17-1 which is equivalent to 3.15-2, Total 12-6 –

& they have been from 1818 cultivated with Dy only. This is a Manual Inam having been originally granted in 1698 but the Inamdar having subsequently abandoned the Inam; it was renewed in 1802 on Kattuguttage Rusoom tenure.

In No 339 of 1842, Ramaswami Bhagavatar filed a suit in the Zilla Court of Madura for the recovery of the Nakkala muttanpatti lands of 20-13 alluded to above from Appaswami Naiker alias Venkata pati Naik the Kattuguttagadar of the 2nd Part & 11 others. The Sudr Ameen Court non suited the claim of Ramaswami Bhagavatar, who appealed to the Zilla Court, by whom the case was referred to the Principal Sudr Ameen Court for enquiry & judgement. The Prin. Sud Ameen confirmed the original Decree in 1845. In 1850, Ramaswami Bhagavatar again moved the Court for instituting fresh enquiry into the case under the orders of the Civil Court; the Principal Sudr Ameen of Tinnevelly held a Decree in favor of Ramaswami Bhagavatar. Decree dated 20th Aug 1850 to the effect that the said lands in dispute should be made over to Ramaswami Bhagavatar by the Kattuguttagadar of the 2nd Part, setting aside the former Decrees of the Sudr Ameen & Prin. Sudr Ameen in 1842 & 1845. The Kattuguttagadar appealed & the Court sent an Ijadast to the Prin. Sudr Ameen, desiring that the lands should be left undisturbed in the possession of the Kattuguttagadar under Cl. 3 Sec 11 of Reg XII of 1809 pending the result of the appeal.

As regards the other Parva now engaged by the Kattuguttagar I do not think we need [illegible]

107. 3/18

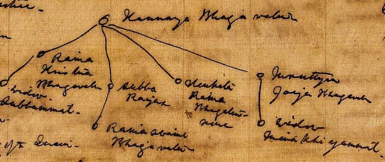
The result of the Appeal was a Razinama Decree. The contending parties entered into a compromise before the Court with the advice of certain mediators, & filed a Razinama dated 22nd June 1852, in virtue of which Ramaswami Bhagavatar relinquished his claim to the Nakkhilamattam patti (20-13-) in favor of the Kattugattegadar; & the Kattugattegadar promised to grant six Nungitis of land in the Village of Ayyampeti to Ramaswami Bhagavatar to be held by him & his ~~[illegible]~~ heirs hereditarily free of rent. The Compromise appears to have been made under the following circumstances. The Appellant Kattugattegadar having urged that the suit filed by Ramaswami Bhagavatar should be dismissed under Sec XVIII Reg III of 1802, certain respectable persons as well as Mr Douglas the then Civil Judge requested the Appellant to compromise the matter, in view to make some provision for Ramaswami Bhagavatar who was poor. The Kattugattegadar personally agreed to pay 3 or 3½ Rs. ~~monthly~~. On asking the Appellant to assign land for that amount, he agreed to give 6 Chains of Separate Nanja land. ~~Thus the~~ dispute about the Nakkhilamattam patti lands was finally disposed of. The said 6 Nungitis in the Village of Ayyampeti were made over under a Muchalka & Cowle to Ramaswami Bhagavatar in 1855.

1/8th has been charged on the Panna in other village that the Govt. lose nothing by Rasi

Settlement

Now to return to the Periya Kadambakulam Inam under notice.

Subbammal uncle's widow to Ramaswami Bhagavatar is under his protection. His other uncle's widow Meenakshi Ammal who is childless states that her husband Mrutyunjaya Bhagavatar & his brother's son Ramaswami Bhagavatar divided the Inam & other property in Andu 1006 (1830), in virtue of the division a moiety of the Inam was allotted to Mrutyunjaya Bhagavatar who died in 1842; & that she has since been enjoying 3/8th of the Inam & requests that it be confirmed to her. Ramaswami Bhagavatar pleads that no such partition took place between him & his brother Mrutyunjaya Bhagavatar & that the document now produced by Meenakshi Ammal as a Deed of Division is a fabricated one; that he & his brother were all along undivided; that as she is in destitute circumstances, he has allotted to her a portion of his house to live separately; that the Kattugattegadar has been for some years against his consent ~~paying~~ allowing her the proceeds of a Nungiti of the Inam by force; & that she is no doubt entitled to receive maintenance from him being an undivided ~~co~~ coparcener; & in refutation of the statements of Meenakshi Ammal, he produces copy of a ~~[illegible]~~ Petition filed in the Court in 1843 by Meenakshi Ammal when he filed a suit against the Kattugattegadar for recovery of the Nakkhilamattam patti lands. In the Petition Meenakshi Ammal declared that her husband Mrutyunjaya Bhagavatar & Subba Raya Bhagavatar the father of Ramaswami Bhagavatar divided the ~~[illegible]~~ property long ago & that she was the proper claimant to the Inam. The Court directed her to bring a regular suit. This Petition of 1843 certainly throws much suspicion on the document now produced by her. Moreover the ~~whole~~ Rusappa has been annually paid by Ramaswami Bhagavatar. There is no proof of her enjoying 3/8th of the Inam. She is referred to the Civil Court.



Ramaswami Bhagavatar holds ½ of the Inam & the other ½ is held by Ramabhadrayyan & his brothers & brother's sons. Ramabhadrayyan ~~alleges~~ that in compensation for the trouble his father Sitarama Bhagavatar had taken for the renewal of the grant to Subbaraya Bhagavatar the father of Ramaswami Bhagavatar by the Kattugattegadar in Andu 978 (AD 1802), ¼ of the Inam was given to his father in virtue of an Odambadikkai by Mrutyunjaya Bhagavatar uncle of Ramaswami Bhagavatar in Andu 985 (AD 1808); that the document (Odambadikkai) was destroyed by fire; that he & his brothers have been since 1808 enjoying ½ of the Inam & paying the Rusappa thereof (6½ Panams or 1-5-2) direct to the Kattugattegadar of the 1st Rasi & in proof of his enjoyment he produces receipts for the payment of the Jodi from Andu 1003 (AD 1828). These receipts show that he has paid annually 1-5-2 being the Rusappa of ½ of the Inam. Ramaswami Bhagavatar while admitting the enjoyment of a portion of the Inam by Ramabhadrayyan & his brothers, contends that ~~[illegible]~~ was given & understood by his uncle Mrutyunjaya Bhagavatar that he had mortgaged ½ Nungitis of the Inam to Sitarama Bhagavatar the father of Ramabhadrayyan about [illegible] years ago. His statements about the mortgage are indeed vague. He does not know when & on what conditions it was mortgaged. The Kattugattegadar of the 1st Rasi states that Ramabhadrayyan & his ancestors have been enjoying ½ of the Inam for more than 50 years & paying ½ of the Rusappa for which receipts have been granted. Ramaswami Bhagavatar has entirely failed to prove the mortgage affair. He states that it was with the aid of the Kattugattegadar that Ramabhadrayyan has been furnished with receipts for ½ of the Rusappa which ought to have been levied from him instead of from Ramabhadrayyan. But Ramabhadrayyan has produced receipts from 1828. Ramaswami Bhagavatar states that all the Kattugattegadars in succession were his ~~[illegible]~~ adversaries. The statements of Ramaswami Bhagavatar, it will be observed, are deserving of little or no consideration. It is clearly established that ½ of the Inam has been for upwards of 50 years in the enjoyment of Ramabhadrayyan & his family, & that the ½ Rusappa has been paid by them independently of Ramaswami Bhagavatar. In the Petition of Meenakshi Ammal of 1843 filed in the Civil Court, she alluded to the fact of the ½ of the Inam having been held by Sitarama Bhagavatar the father of Ramabhadrayyan. Under these circumstances & in reference to actual enjoyment, I would recommend that ½ of the Inam be confirmed to Ramaswami Bhagavatar & ½ to Ramabhadrayyan & his brothers & brother's sons all under Rule V 3 in one joint Title Deed. If aggrieved Ramaswami Bhagavatar is at liberty to have recourse to Law & establish the alleged mortgage affair if he can.

appears to the light of Govt. ... Ako ... alone, the Govt. is the only claimant

~~2~~ as 2 6-8.

~~Jodi~~. 52-2-10- Payable to the Kattugattegadars of 1st & 2nd Rasis of Yelavarasanendal.

No alteration — This Inam is known as Kurukkulkolam & Nangayandan Virani Bhatavarti Inam. It is held on a Kattuguttage or fixed Jodi of 7 Rs 5 Kanans which are equivalent to 15-14-6-.

No Sannad is forthcoming.

At the Survey of Fusly 1212 the Inam is distinctly measured as a Bhatavarti Inam in the name of Vengamun Tata Ayyangar in the Manitam of Yelavarisamendal.

The date of the grant is not known but it appears that it was granted by Lakshmi Ammal about 150 years ago.

These lands by which the lands are irrigated are maintained at the Cost of the Inamdars.

In the Act dividing the Kattuguttage of Yelavarisamendal in 1818 by the Civil Courts, these lands were made over to Venkata Ayyangar the father of the present holder, declaring the Jodi thereof payable to the Kattuguttadars.

The whole of the Inam is under cultivation.

To be confirmed under Rule 7 he is agreed

Nos... This Inam is known as Vadamannar Kolam Bhatvarti Rowappa Inam.

This Inam is measured at the Survey of 1212 as a distinct hamlet. Its Ayakat is not included in the Ayakat of any of the Villages of the Kattegattage of Yelavarisanindal. But it is attached to the Hanitam of Yelavarisanindal ~~[illegible]~~ inasmuch as the Rowappa is payable to the Kattegattegadas. This Inam is now treated as a Minor Inam for the sake of convenience.

The Receipts produced by the Inamdar shows that the Inam has been in the enjoyment of himself and his family ~~from~~ from 1785.

The whole of the Inam is under cultivation.

The Tank by which the lands are irrigated is maintained at the cost of the Inamdar. It appears from enquiry that the Inam was granted about 150 years ago.

To be confirmed under Rule V. 3. Agreed.

Rs. 30 - 0 -

Jodi - 31 - 13 - 1 - Payable to the Kattegattegadars of the 1st & 2d Parts of Yelavarisanindal.

2 - 4

The spot of land measuring 28-3-3 is not included in the Ayakat of any of the Villages of the Kattegattage of Yelavarisanindal. It appears that it was surveyed in 1212 distinctly by itself as all other Bhatvarti Kolam Inams attached to the ~~[illegible]~~ Hanitam of Yelavarisanindal. The Ayakat of this spot is not forthcoming. In the Sub Division account of 1818, prepared by the Sadr Adalat Court, the area of this spot is included in the Ayakat of Vadavarpattu, deducting it again in favor of Vadamannar Kolam Bhatvarti (meaning this Inam). The Inamdar has all along been enjoying this Vada manna Kolam Inam ~~[illegible]~~ consisting of the spot of land 28-3-3, the whole of which is subject to the Kattegattage Rowappa of 15 Pons on 31-13-1. In 1824, Appasami Naicken alias Venkata Pati Naicken the Kattegattegadar of the 2d Part attempted to take possession of a moiety of this spot (14 Cawnies). Srinivasa Tata Iyengar the father of the present holder filed a suit in No 403 of 1824 against the Kattegattegadar for the recovery of the land & the produce. The contending parties subsequently entered into a Razinama or compromise before the Court in March 1825 in virtue of which the Kattegattegadar relinquished all claim to the land. It has since been in the uninterrupted enjoyment of the Inamdar being a portion of the original Inam. In subdividing the Kattegattage Villages, in 1818, the Court ~~[illegible]~~ had the lands inclusive of the spot under notice regularly measured & put them in possession of the Inamdar as a portion of this Rowappa Inam, furnishing him at the same time with the field war particulars of this Inam. The extent of 28-3-3 is equal to 102.77.

For the personal benefit of the holder

Kattuguttage or Jesiad Jodi 42-6-8.

Do

Granted by Sri Perumal Alagham Perumal alias Vira Rama Pandiyan in S.S. 1518 or the cycle year Yamuna (AD 1595)

Copper Plate Pattayam. Ayakat Account of 1212. Sub Div. Acct of 1828 as per decision of the Sudder Court.

Senkarana Narayana Bhattar. Do of 1212. Kalyana Sundaramayyan, a descendant in the 10th generation.

Yilepparani Sattur Taluk

1. Kristnayyan 36. great grandson [illegible]
2. Rajangamayyan 32. great grandson [illegible]
3. Vedamayyan 67. grandson [illegible]

Not alienated

Do. [illegible]

Do. Do.

The lands & boundaries of the Inam are described in the Copper Plate Pattayam of 1595 since granted by [illegible] alias Vira Rama Pandiyan in 1595 to Senkarana Narayana Bhattar in Sarva manyam tenure. ~~[illegible] Jodi~~. It was converted into Kattuguttage tenure prior to Fasli 1211. When it is not known. The amount of Kattuguttage Rorappu on 20 Pons is equivalent to 42-6-8.

To be confirmed on Rule V

U 3. Agreed

~~2 2~~/8 = 18 - 4 -

This Inam is known as Puvani Kavalan Kolam Bhatvarti Rorappu Inam. The Tank by which the lands are irrigated is maintained at the cost of the Inamdar.

In the Survey acct of Fasli, the Dry yeduppu of the extent of 3-1 or 72 is entered as Natta Karuppa Iyengar, & [illegible] of the extent of 7-1-1 1/2 or 1.72 are entered 6 - 3/8 as Natta Karuppa Iyengar, 5 - 1 3/4 as Ramanathan Pillai Iyengar & 11-2 as Natta Karuppa Ramanathan Pillai Iyengar. Under the decree of the Sudder Court dated 5th Dec 1856, & said [illegible] Mt 1.74. Total 2.48 was included in the Bhatvarti Inam [illegible] & made over to the Inamdar of Puvani. It appears from enquiry that the said 2.48 had been granted before F. 1211 to the father of Natt Karuppa Ramanathan Pillai by one of the ancestors of the present holders of the Puvani for personal benefit. The Ramanathan Pillai [illegible] gave it back to the Inamdars of Puvani about 55 years ago. It has since been [illegible] the family of the grantees [illegible]
