[illegible] village was included originally in the Madura Dt, & was transferred to Tinnevelly in F 1270. The accts available are the Jamabandi Azabat of F 1211, the Inam Dittam of F 1217, the [illegible] Inam Chittah of F 1209, & the recent Survey Azabat of F 1262. The orig'l Survey Azabat was exhausted, & a new survey was made in F 1262, & the Inams have been allowed only to the extent of the Inams specified in F 1262. No deficiencies arose in the survey, but excesses were generally found, & all such excesses were at once resumed, & the Inams recorded as in F 1217. The reference of all the accts have been noted in the respective Columns.

The lands thus resumed were made over to the Inamdars of the village & their assessment charged as Poruppu & collected from them annually.
