| Letter. Sri Sathiya Kulavarnava Swami Vela Puja Kattai Present holders of the land Balavaya Pavala Swami Mudali, Hoke Kumara Swami Mudali Varnakarta of the temple, Padarudai, Karaimaigram | | | | | | | This is a case of direct misappropriation. The incumbents have been secretly misappropriating the inam under the name of a pretended disputed object. The accounts available are the Survey account of Fasly 1213 and the Jamabandi of Fasly 1217. In both these accounts, the village is described distinctly as a village granted for Sathiya Kulavarnava Swami Kovil Vela Puja Kattai. The Seruvakaranmai village of Kottappachi Register No 2) has been also held for the support of the very object, though very indifferently. The proceeds of that village come to 340 Rupees and the inamdars Vakil and Gumasta have shown accounts of annual expenditure to the extent of 25 Rupees a month or 300 Rupees a year. This inam which has been allowed for the support of the Vela Puja Kattai, has been misappropriated under the pretence of supporting the charity of feeding in the Seruvakaranmai Kilavan or Tuesday Natcam at Tellicherry. The actual expenses incurred there are 2 1/2 Rupees a month or 30 Rupees a year. The annual expenditure to the extent of 10 annas every Tuesday. The annual expenditure on that account is Rs. 300 a year. The remaining sum must undoubtedly go into the Inamdars pocket. No circumstantial records show that this was a grant for Seruvakilavan Natcam. The inamdars Vakil should be able to produce any documents in support of the claim of Tuesday Natcam. The Seruvakaranmai people of Tellicherry say that the Kulavarnava Mudali family Natcam was a private charity of the Kulavarnava Mudali family | Confirmed in so far as title deed to the inamdars for the time being of the original Kattai leaving it to the Commissioner appointed under Act XXXVII of 1858, to guard against the misappropriation of the proceeds hereafter, if any such be found to exist.<br>Sd. This misappropriation and diversion from the original object of the grant is clear and the inam should, for that reason be resumed. But the claim of the Sattur temple to the inam will have also to be Considered.
