present enjoyer to receive the Title Deed, which will be held good only until any final orders are passed.

Sivasubramania Pillai Complained that there is no chatram now kept up at Danakotta. But it appears from the evidence of persons who had been to Rameswaram on Pilgrimage that at Rameswaram there is a choultry and that about 7 miles between Rameswaram and the Sea shore which is called Dhanakotti, there exists another chatram called Mukkundu Raja's choultry which is building partly of straw thatch, and partly of brick and Chunam and that Brahmins are fed there well. Sivasubramania Pillai points out that to be called a Dhanakottu choultry, the choultry must be at the shore while the present incumbent states that for fear of Sea inundation, the choultry was recently built some 7 miles off the shore and also that the sea has in some measure receded. As however the choultry is kept up, I would Confirm the inam —

Further remarks

Regarding the jodi the amount was chatram, Pagodas 500 or Rupees 1060-9-9 according to Mr Lushington's Kattugutta Register of F. 1211. The Dasakaval was stated therein to be blank. In 1815/21/F. 1231 the jodi was recorded as Rs. 1391-8-0 or Rs. 330-14-3 in excess of 500 chakrams. The Karnam and the inamdar represent that the jodi was only Rupees 1060-9-9 and all the sum above it is the Dasakaval fee payable to Government on the lands of the Kattugutta village. Pattas are not produced but the receipt accounts in the taluk show 1391-8-4 as Kattugutta and the excess as fluctuating Dasakaval. The Dasakaval was a Police fee paid to former Government and it was resumed by Government at the assumption. The Dasakaval is Collected in this village thus.

On wet in the villages of Tappatti Kilkarandai and Vedappatti where recent rent has been raised at Rs as ps 0-10-2 per chain. }

On dry lands at different rates.

I leave it for decision whether the T. D. should include this Desakaval amount also in the Column of jodi — If it might I recommend that the past five years average may be put in as fixed Dasakaval jodi. I wrote to the Collector on the Subject Kattugutta Dasakaval generally on 14th November 1865 & 5th May 1865 and no answer has been as yet received.

It seems that the amount of jodi shown in the accounts of 1815/21 and F. 1231 included Dasakaval also and the average annual Dasakaval on past 5 years is Rupees 754-3-9 —

General remarks of the Inam Deputy Collector

The wet is irrigated
by the Kattu channels
for Mel Nambipur
and by rain fed tanks
for the other villages
The assessment of
the ayan villages
under the same irrigation
is Rs. 8-2-2 per Kotta in
Nanmai and Rs-7-7-3
for Pishanam. The assess-
ment on rainfed irrigation
land is about 8 Rupees – I
would therefore charge the
wet ayakat in this village
with Rs. 8-2-2 per Kotta
All are one ~~Cannugond~~ crop lands.
The ayakat and tanks
are repaired by Kattu-
guttagadars at his
own costs.
Sd/- A.N.
Dy. Collr

This is a Kattuguttaa village – It Consists of Nambipur 1. Mel Nambipur 2
Changilipatti, Vedapatti. KilaKarandai and T-appatti – The village
of Mela Nambipur is again an ardanariyam village between the
Kattuguttagadar and the temples of Vishnu and Siva at Nambipur
The Kattuguttadar's moiety and the remaining 5 hamlets are
appropriated for the Choultry and Sarkar jodi. There are 3
remissions in this village of a Communistic character viz., a general remission
of 5 per cent on the Dry cultivation and 2ndly a further remission of
25 per cent on the holdings of the Brahmins and 3rdly a Duppatti
remission of 1 1/2 Fanams for every 100 Fanams of the Jamabandi
Beriz – All these are remissions in favour of the Brahmin
Mahajanam Community of the village. The Duppatti Kalam
is not the maniyar's fee, but it is also a remission in favour of —
Brahmins for encouragements of cultivation or as Sukavasi – But
these remissions form a part of the administration of the village by
the Kattuguttadar and he fixes his jamabandi after allowing
those remissions which are exclusively Confined to the Dry – There
are no remissions of any kind on the wet lands. The Kattuguttadar allows the
remissions from the Beriz struck on the Dry assessment fixed in Fasli 1213.
The assessments fixed on Dry are shown elsewhere – As these remissions were
introduced in the former Government and on certain understanding between the
Kattuguttadar and the Mahajanams we cannot view them as remissions
intended to be made from the rates of assessment fixed in this Government –
Besides it appears, that in the neighbouring villages of Nagatam and
Rhimanatti of the zettiyapur Palayapat and Chengottai of Nagalapuram and

1836 the village was put in the hands of Mukkunda Row's heirs under orders of Board of Revenue – The Board's order of 1835 is not before me; but it appears from Copy of an endorsement produced of Collector Mr Silver in 1862 – 12th April that Mr Silver sent for the original orders of the Board of Revenue dated 14th December 1835, and that he found from the letter that in the Board's opinion Muttayya Pillai's Claim was not sustainable and that the Board directed the assignment of the villages to Mukkunda Row's people –

Mukkunda Row's heirs have no Parwana or other original grants. The present enjoyer states that the grant was made to Mukkunda Row, that in Consequence of the residence of Mukkunda Row at Madras, the management of the village and choultry was made over to the Rameswara Pandaram and that with his villages this village also was attached and that on representation the village was restored to his family under orders of Board of Revenue as the rightful owners.

Sivasubramania Pillai recently put the matter again before acting Collector Mr Banbury and it appears from an endorsement held by him passed by Mr Banbury on 22nd May 1865 that Mr Banbury has written to Board on the subject – Mr Banbury's endorsement runs thus:– Patta should not be changed until after the Board's orders are received " on this Case in reply to my letter" –

It should be remarked here that the Rameswaram Devasthanam people have not Come forward at any time to Claim the inam as theirs – The present enjoyer of the village – produces a certified Copy of a deposition dated 3rd January 1819 by Setha Ramanad Pandaram the then Dharmakartha of Rameswaram in which he admits that the right of the village belonged to Mukkunda Row – In opposition to this, Sivasubramania Pillai is able to produce a certified Copy of a deposition dated 29th October 1829 given by the then Rameswaram Dharmakarta "Tapomidi Dharmakarta Setha Ramanatha Pandaram – In his deposition he stated that the right of the village and choultry belonged to Iyelliappan Pillai and not to Mukkunda Row –

I Cannot determine which of these two Conflicting ~~testimony~~ testimonies Contained true facts. The Proceedings of 1835, must have touched upon every such discrepancy – Under these Circumstances and because the Case is now pending before the Revenue authorities, I would not interfere in the Case further than Confirming the present enjoyment and waiving the

xx however what person filed the grant in 1814, whether the claimant's ancestor or the Pandaram of Rameswaram, but it seems probable that the Sannad was filed by Rameswaram pagoda people, for the case No 34, in the register in which this grant was registered includes both this village and the village of Poovani and this latter village is held exclusively by the people of Rameswaram pagodas – On the ground of this Parwana Siva Subramania Pillai claims registry – He alleges that from before the survey up to F. 1222, the Inam was enjoyed by the ancestors that in F. 1223 & 24 the Choultry was left to the charge of Rameswara Pandaram owing to the minority of one Nallanayakam Pillai that in F. 1225, the village was attached when all the villages of the Rameswaram temple were attached and that in F. 1227, one Hakkubay Ammal wife of one Mukunda Row got it fraudulently registered in her name and obtained possession of the village for Mukkunda Row's choultry, that his father then

and that since then the Inam has been in the enjoyment of Mukunda Rao's heirs for Mukunda Rao's country. It appears from the exhibits of ~~[illegible]~~ again in 1836 under the orders of the

under Collector's orders ~~of the~~ Board of Revenue that an authenticated copy of an English letter of Collector to Board dated 25th November 1833 is produced by Siva Subramania Pillai.

This report opens with a narrative of the choultry and states about 60 years ago during the Nabob's Government when the Ramnad ~~choultry~~ Country was assumed — Mukkunda Row who had the situation of Bakshi and Killedar together Venkata Row that of Cash-Keeper built 3 chatrams, one at Dhanuskodi of Rameswaram, one in the town of Rameswaram and one at Devipatnam – Two of these were in the name of Mukkunda Row and one in the name of Venkata Row. The letter proceeds to give an account of the disputes in the family of Mukkunda Row describing their enjoyment under orders and refers to the claim preferred by one Mutta Pillai (who is alleged to be Siva Subramania Pillai's great grandfather's brother) and recommended that the village is now under Sarkar management should so Continue (Section regulation VII of 1817) until the proprietary right is satisfactorily determined – As regards Muttaya Pillai's claim it simply records the advancement of the claim and the non-settlement of his claim – This letter is dated 1833, but in 1836 ~~the village was~~

② both parties state the village was made over to Mukunda Rao's people in 1819

Attangarai Kasba and Ayan villages of Kottur, Kadamalaipur, Melakarandai etc., that the rates of assessment on Dry are the same as or higher than the rates prevailing in these villages. I would therefore fix the rates of assessment already prevailing in this village as fixed in F. 1211 – The Kambarundal of F. 1211 does not notice the remission – The accounts available are the Ayakat of F. 1213 and Jamabandi of F. 1211 and the Jamabandi of F. 1235 for Melanandipuram only –

Appeal Petition.

Case 6.

Appeal Petition from Virbahu Pillai No. 192 of 1866 Claiming exclusive registration and asking T.D. in his name as the Trustee and Tahsildar's arzee thereon. 4th April 1867 No. 18.

& 19th June 1867 No. 240.

It is not clear from the Tahsildar's 1st arzee who is the party at present enjoying the Inam and conducting the charity. The Statements of the two rival parties are conflicting and Tahsildar has not tested them by any evidence. It is needless for this Department now to enquire into the merits of the rights asserted on both the sides which will be left accordingly to be decided on by the Courts and Tahsildar will be directed to give the Title Deed to the party holding actual enjoyment. The petition will be endorsed accordingly.
