Has regarded as adv Jeen of Kallamar. Srinivasa Jeen with remark as Land Enam Case Rel. of Mattair.

The Vidavasthi Service is entitled of a Hereditary character.

The Mahd of the Mahdan of the Kottay urges that this Vidavasthi Enam should be confirmed to Kottay as ground the Inamdar renders no Service. Kallamar Srinivasa Jeen, & his ancestors were in possession as well as Jeen grant. of the Village Jeen F. 1211. & 1270. Enq. June 1860. Enam

the Kallamar Srinivasa Jeen was suspended summarily dismissed under the order of the Pd of Revs. dated. 16 July 1860. at the request of the Jeenmuk Mahajans & the Mahdan Venkata Seeya Jeen Pittan & Mahd as the Agents. states, that no Enam has been allowed to Srinivasa Jeen Jeen F. 1270. Thereon, Kallamar Srinivasa Jeen contended that he should succeed to the Enam of the Jeen F. 1270 & 71. Jeen & that the Hereditary Right of Pittam. The Mahdan on the Kottay has no claim whatever to the Enam. It appears to have all along been held by the Jamil of Kallamar Srinivasa Jeen Jeen receiving Remuneration Services. He was suspended from the Jamil - as per Perayo. He therefore enjoyed the Enam - together with the Jeen of the Village till F. 1270. His connection with the Jamil - was severed since 1860. It does not therefore follow. that he should be deprived of the Enam. held Jeen received for Services. The Mahdans Agents is an irregular Nuisance of Kallamar Srinivasa Jeen. He has under Orders withheld the Enam Jeen F. 1270. according to his own admission, but it appears that the Enam was allowed to Srinivasa Jeen in F. 1270 & 71. Should the Mahdans Agent Recommend does not admit, in order to show that the Enam has to and been held by Srinivasa Jeen Jeen & yrs. Kallamar Srinivasa Jeen can if he chooses, sue the Mahdan for recovery of the Value of the Enam done & Jeen Jeen yrs. The Enam is recommended to be confirmed at Rs. Rupees
