Same Report of Sumner & Kolan No. 52 in the Buchanan Division of the Engare Valley, Lincoln Co.,
Dakota

This is an Apan Village. There are 6 Paces of the Summer viz 4. Dendayam Pace, 1. Barnadayan and 1. Seivedham.

The beech is fixed on the principle of the Village Savings

The account commenced with the Jamaican account of 1788. The earlier Acts were destroyed by fire.

[illegible]

of the King & Lady Sivaswami

[The page contains handwritten notes and lists, likely related to botanical or geographical specimens. The handwriting is cursive and somewhat faded. There are several columns of text, some with headings like "List of plants" or "Specimens".]
