No. 213.

DESCRIPTIVE MEMOIR OF PERURSETTIPALAYAM OF THE COIMBATORE TALUK.

SITUATION. This village is situated 4 miles South-west of Coimbatore and on the road thence to Bolamampatti.

AREA. The areas given below have now been merged in this village by Settlement :—

No.	Name of Village.	Portion merged.	Area. Acres.	Area. Cents.	Remarks.
1	Srinivasapuram	hoWle.	796	56	These uninhabited villages have now been transfered to Perursettipalayam.
2	Thimmaraiyapuram	Do.	506	21	

The area prior to Settlement was, omitting fractions, 1,767 acres ; by Settlement it is 1,995 acres ; increase 228 acres.

It must be distinctly borne in mind that a deduction of 20 per cent. has been made in calculating the rates of assessment, on all fields, wet or dry, on account of any roads, channels, paths, banks, &c., that may have been measured in with the cultivated area and on account of vicissitudes of season. The fact of the inclusion, therefore, of any such Government poramboke, in any Survey field, does not confer on the cultivator of that field, the right of entering on such poramboke, or of, in any way interfering with it, and any unauthorized encroachment on it will be severely punished. This applies to both Government and Inam lands, Survey excess to the extent of 10 per cent. being allowed to Inamdars free of charge under Board's Circular No. 127.

DEMARCATION. This village contains 1 Kandam or sub-division and 339 Survey fields.

The demarcation marks erected are :—
