Budget Estimate of the Revenue and Receipts and Civil Expenditure of the Madras Presidency for the official year 1871-72.—A statement of proposed transfers from one Major head of service to another to meet certain charges not provided for in the —, submitted for sanction of the Government of India

The Government of India furnished with explanations called for on certain of the items

The Orders of the Supreme Government on the — furnished to the several Departments and Secretariat and to the Accountant-General, and this officer instructed to communicate to the Heads of Departments concerned the sanctioned grants
