To the Register of Suddur Adawlut, etc.—Transmitting four copies of Persian Translation of the Hedayah and 4 copies of the Surajeeah.	23 rd . D ^o . D ^o .	5210
To the Judge and Magistrate at Cuddapah, etc.—Desiring him to state number, description, pay and emoluments, duties and responsibility of persons employed in his Zillah in Police Department and reductions of which the Police department may be susceptible—Opinion stated that some magistrates have not fully availed themselves of service of peons etc. deriving support from funds for supporting Police establishment under native Government and whose services are due to the Government—Police establishments ought to be susceptible of reduction—Talliars village watchers Dundasses etc. were originally officers of Police and their services are available for Police purposes as well as those of Revenue—Village watcher ought never to be called away for any considerable period from his village—servants in his district their number employed effective services etc. with best means for regulating their duties, and emoluments in future—Tannah Peons cannot resist incursions of armed banditti, employment of regular troops in such cases is therefore preferable—Government intends that military peons shall be wholly but gradually discharged—desiring him to state period and means by which their discharge may be most speedily and safely effected—In districts where there are no police peons the Military peons may be converted into Police peons, and stationed under Darogahs except in districts where they are useful to guard Collector's treasury and jails and in Ganjam each police jurisdiction should comprise a tract of country paying from 5000 to one lac Pagodas—Revenue Darogahs should be fewer but of wide jurisdiction and respectable character—Directing him to prepare draft of a regulation suitable to situation of his Zillah, explanatory of arrangements for administration of Police and to send reply to this letter through Provincial Court of Circuit who will forward it with replies of other magistrates accompanied by their own observations.	28 th . D ^o . D ^o .	5251
