<i>From the Deputy—</i> . Stating that the Officer Commanding at Ongole, has been directed to order the attendance before the Criminal Judge of Nellore of certain sepoy charged with the crime of robbery, and to comply in future with the requisitions of the Civil Authorities on similar occasions.	23 ^d . January 1829	4 30 th . January 1829	207
ADVOCATE GENERAL.			
<i>To the—</i> . Requesting his opinion on the questions suggested in the 16 th . Para, of a letter from the Register to the Court of Sudr and Foujdarry Adawlut dated 31 st . December 1828 having reference to clause 1 st . Section XVI and to Sec. XX of the Draft of a Regulation for the better order and discipline of Military Bazzars.	10 th . February D ^o .	5 10 th . February D ^o .	349
<i>From the—</i> . Reporting that Murphy and his wife, whose Prosecution for murder he conducted, have been acquitted at the late Sessions and suggesting a more expedient course in rendering his assistance available towards the effectual Prosecution of cases which may be hereafter committed to his care by Government.	15 th . October 1828	3 24 th . April D ^o .	1061
To be recorded.		4 D ^o .	D ^o . 1082
<i>To the—</i> . Transmitting copy of a letter from the Acting Joint Magistrate of Nellore with its enclosure and requesting him to communicate at his earliest convenience his sentiments relative to the disposal of the Prisoners therein mentioned.	5 th . June 1829	10 5 th . June D ^o .	D ^o . 1413
<i>From the—</i> . In reply to a communication from the Department under date the 5 th . Instant relative to the disposal of certain prisoners in the Nellore District, states that all the parties implicated and all witnesses who can dispose to the transaction should be sent to Madras for investigation before the Superintendent of Police or other Magistrates of this place and for their eventual trial in the Supreme Court in the event of the depositions warranting their commitment, piracy being an offence only cognizable in the Supreme Court under its Admiralty Jurisdiction.	6 th . D ^o .	D ^o . 4 9 th . D ^o .	D ^o . 1423

ADVOCATE GENERAL—cont.			
<i>To the—</i> . Transmitting copy of a letter with its enclosures from the Register to the Court of Foujdarry Adawlut dated 6 th . May last and requesting him to state whether any legal objection exists to the removal of the convict therein mentioned to the Jail at Madras.	3 ^d . July	1829 4 3 ^d . July	1829 1677
<i>From the—</i> . Submits his opinion as to the existence of, or authority in Government of establishing a Jurisdiction in the Zillah Court of Chingleput over suits concerning land revenue within the limits of the Supreme Court and without its own Jurisdiction and strongly recommends the preparation of a rule ordinance and regulation providing for the course and mode of seizing forfeitures under the Revenue Regulations and condemning them and for the recovery of penalties either by a special Jurisdiction or through the Supreme Court.	11 th . June	D ^o . 14 3 ^d . D ^o .	D ^o . 1724
<i>From the—</i> . In reply to a reference from this Department under date 3 ^d . Instant states that the convict Dowling not being a British subject and amenable only to the Provincial Court must be considered in the same light as any native Inhabitant of the Provinces committing an offence therein, if he could be placed in the Madras Jail so could others but by doing this the Supreme Court (which has exclusive jurisdiction over the prisoners confined in the Jail at Madras) would acquire a Jurisdiction denied by its Charter over persons in such situations under confinement by sentence of a Provincial Court and the Provincial Court could not in such a case exercise that Jurisdiction which it legally possess over the party—The Advocate General therefore thinks the measure of removing convict Dowling to the Jail at Madras objectionable. Further, a sentence of perpetual imprisonment is a punishment not recognized by the English Law and could not therefore be carried into execution under the authority of the Supreme Court.	13 th . July	D ^o . 5 21 st . D ^o .	D ^o . 1909
<i>To the—</i> . Requesting him to state whether the oath required by the act of 33 ^d . George III Cap. 52 Section LXI to be taken by persons appointed to collect the revenues must be recorded in the Supreme	10 th . October	D ^o . 20 10 th . October	D ^o . 2506

GUNTOOR—JUDGE AND CRIMINAL JUDGE—cont.			
Extract from the Minutes of Consultation of Government, dated 27 th . May 1828 for the information which led him to form this opinion—On his arrival at Guntoor he thought that the Bungalow and Offices would answer the purpose of a Court House and Jail so well that it would be unnecessary for Government to incur the expense of erecting new ones—Explains the circumstances under which he used as private dwelling the Building rented by Government for the temporary accommodation of the Court and Jail, and states that he acquainted the 1 st . Judge of Circuit with the same.			
<i>To the</i> —. Observing that the explanation given by him of his omission to bring to the notice of Government at an earlier period those circumstances respecting the place the prisoners are confined in does not oblige him from blame on account of that omission, and desiring him immediately to vacate the Bungalow he at present occupies and to appropriate it to the use of the Court and to report his having done so.	22 ^d . May	1829 15 22 ^d . May	1829 1235
<i>From the</i> —. Describing the insecurity of the Hospital tendered to Government for the purpose of a Jail from its having too many windows all without bars, and requesting permission to close one door and four windows and six iron bars to the rest, the expense of which is estimated at 203 Rupees. Further mentioning there are two other Government Buildings opposite and near the above Viz ^t . a Police Office and store room from the proximity of all the three buildings to each other they may be enclosed by a Brickwall in a Quadrangle and save the expense of building a Jail.	9 th . May	D ^o . 16 D ^o .	D ^o . 1237

GUNTOOR—ZILLAH SURGEON.

<i>From the—</i> . Stating that the Zillah prisoners are crowded almost to suffocation in their present place of confinement which is without windows or any means of ventilation. That those sent in for trial are equally sufferers from want of air with criminals during the 30 or 40 days they are usually confined previous to Examination—that there is no probability of the old building lately authorized to be rented as an additional Jail being repaired or of their situation being improved—strongly urges the great want of proper Jail and suggests that in the meantime those condemned to hard labour be sent to work with the convicts employed under the Magistrate which will relieve the others of about a fourth of their number—also suggests that the present place of confinement should be supplied with windows and the price of them deducted from the rent.	17 th .
