<i>From the—</i> . In explanation of points noticed by the Register to the Sudr. Udalut states that the pay of his Sheristadar was increased to the extent mentioned in the 3 ^d . Parāh. of the Register's letter on account of the additional only which devolved on him in consequence of the inexperience of the other servants of the Court that 52½ Rupees only was paid to complainant as English Translator until another could be procured, on account of the unsatisfactory manner in which he performed his duty—The difference between his pay 52½ Rupees and 70 Rupees from July 1828 to the end of January 1829 being kept in the Court Treasury in deposit—An additional English writer was employed in February 1829 in consequence of the pressure of business at 17½ Rupees and sanction was not applied for as the Moyan Zabitah was not increased thereby—Declares that if the Sheristadar seated himself in his chair in the Zillah Court and took depositions on Oath in his absence it was without his knowledge, asserts that the Criminal Case as stated in the 19 th . Parāh of the Register's letter is false the case having been examined into and the Oaths administered to the Prosecutors and witnesses in his presence, states his suspicion that these witnesses were tampered with by complaint and mentions his very bad and dishonest character and the slight reliance to be placed on his word—Positively denies that the Sheristadar was employed officially by him after he was suspended from his office as stated by Mr. Whish, states that he gave every facility to the investigation and afforded no assistance to the Sheristadar. Insinuates that Mr. Whish was influenced in his report by a private pique.	15 7 th . October	D ^o . 21 st . October	D ^o . 3757

of the present Advocate General at this Presidency obtained—Referred to the Advocate General and to Bengal.			
<i>From the—</i> With Extract from the Court's Proceedings of this date on two letters from the Zillah Judge of Canara, one forwarding a reference from his Assistant, in which he requests instruction as to the proper proceeding respecting costs of suits, when he sends back regular appeals to the Sudr. Ameen Mooftee for further enquiry and decision the <i>De Novo</i> by which proceeding he considers the appeal before himself quashed the other forwarding a reference from his Register who wished for instructions whether in cases where appeal suits on "his File" which were originally tried <i>ex parte</i> are sent back to the Sudr. Ameens for first investigation, he and the Sudr. Ameens are entitled to any remunerations for examining the record in the Original suit. The Court are of opinion with regard to the first that in cases in which it is clearly shewn that the Appellants have from ignorance preferred a regular instead of a summary appeal, the difference between the amount of stamp duty paid by them on the institutions of the regular appeal and that which they would have had to pay for preferring a summary appeal should be refunded to them with regard to the 2 ^d . reference, the court are of opinion that upon the adoption of a certain course of Proceedings the Register and Sudr. Ameen are entitled to a proportion of the fee paid on the institution of certain dismissed appeals—The discussion of these references led the court to consider whether the Assistant Judges, under Regulation VII 1809, and Registers, are competent to dispose of <i>summary</i> appeals. The Court are of opinion that when <i>regular</i> appeals are referred by the Zillah Judge to these authorities, which it is found ought to have been made <i>summarily</i> , they are competent to dispose of them as if they had been <i>summary</i> —To be recorded.	2 15 th . in Criminal Cases where the prosecution is by a third party against a husband or wife either of them is a competent witness against the other, It does not appear to the Court that the question before them can be decided according to the Technicalities of either the Mahomedan or the English Law; they are inclined to think that in the existing state of society in India the safest general rule will be not altogether to include the testimony of either, whether for or against the other, but to let the objection go to the Credit rather than to the Competency of such evidence—To be recorded.

From the— The Judge of Salem recommends that Hazy Fuzul Khan the Moofty of his court be permitted to visit his Native Country with leave of absence for one year and a half, and that an advance of one year's salary be made to him to enable him to defray the expenses of his journey. The Judges of the Sudr. Udalut are of opinion that the leave may be granted to the Moofty but recommend that, in order to remunerate the person who will be appointed to act for him, one half of his salary be deducted during his absence, and that an advance of the remaining half be made to him for the period of one year—Sanctioned.
