| <i>From D<sup>o</sup>. —</i> Desiring his reasons for considering that the interests of Government will be best consulted by abandoning the present system of local corps in the Vizagapatam and Ganjam districts and employing regular troops in their stead, and observing that the reduction of the local corps may commence at once. Bringing to notice the difficulties and inconvenience experienced from the want of full and accurate maps of the latter district and recommending that the survey be resumed in it as soon as the rains are over and that it be commenced with the hills in Purlah Kemedi and representing that the services of a few Pioneers would be of essential use in opening roads into Kemedi. | 28 <sup>th</sup> . | <i>From the Judge of—</i> . Submitting for the information of Government of the adjournment of the Civil Court.                                                                                                                                                                                                                                                                                                                                                                | 7 <sup>th</sup> . June 1833.  | 1    Diary to Cons. 14 <sup>th</sup> . June 1833. | ....                                                                                | 2411         |
| <i>From the Mag<sup>te</sup>. of—</i> . Forwards a report of the prisoners now in confinement in the zillah jail for stealing grain, states that many petty depredations of this nature being attended with breaking into pits are treated in the same light as breaking into a dwelling house, and that orders have now been issued to discriminate as far as is practicable between known offenders and those whose acts have only proceeded from the pressure of the times. | 11 <sup>th</sup> . June 1833.               | ....                                                                                | 2495         |
| <i>From the Magistrate of—</i> . 1. Forwards copy and translate of an order relative to the manufacture of arms. 2. States his opinion of the building where the treasury is kept and describes the strength of that and other guards. 3. States how the pressure of the military has proved beneficial from its show of protection during this season of distress in a town like Cuddapah. 4. Suggests that the treasury guard (if the only one) should at least be doubled.  | 25 <sup>th</sup> . May 1833.  | 7    21 <sup>st</sup> . June 1833.                | ....                                                                                | 2563         |
| <i>To    Do. —</i> . Directing him to make application to the proper authorities for a guard for his treasury.                                                                                                                                                                                                                                                                                                                                                                 | ....                          | 8    Do.                                          | ....                                                                                | 2505         |
| <i>From    Do. —</i> . With a list of prisoners confined in the Native Criminal Court at Cumbum for the offence of plundering grain.                                                                                                                                                                                                                                                                                                                                           | 19 <sup>th</sup> . | <i>From the</i> — The Military Board submit 3 Estimates with plans for erecting Jails at Guntoor and Berhampoor and for the erection of a Zillah Court House at the latter station. The Board also submit another Estimate with plan which has been approved of by the Judges of the Court of Foujdaree Udalt, as expressed in the accompanying copy of a letter from the 1 <sup>st</sup> . Judge at Masulipatam, and the Board in recommending the adoption in the construction of both the Jails at Berhampore and Guntoor observe that the expence will be somewhat increased in consequence of an enlargement of the wards having been suggested by the Acting Judge since the receipt of the letter from the first Judge. | 9 <sup>th</sup> . | Referred to the Foujdaree Udalt.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                        | ....                            | 12 D <sup>o</sup> .               | ....                                                                                    | 3646         |
| <i>From the—</i> . The Military Board report having passed the indent from the Acting Criminal Judge at Bellary for 6 platform carts for the use of the prisoners at that station and with reference to a Resolution from Government of 28 <sup>th</sup> . August 1819 the Board recommend that whenever carts are required for road or scavengers duty at out stations they should be made up on the spot by the Commissariat Department as by such an arrangement the Ordnance carriages would be reserved for their proper purposes. | 13 <sup>th</sup> .
