ADVOCATE GENERAL.				
<i>From the —.</i> Furnishing an explanation of the opinion offered by him formerly on the subject of the committal of Europeans to Goal and to the House of Correction and stating that the remedy suggested by the Honorable Court of Directors of a measure enabling the Magistrates to sentence to Goal Europeans convicted under the Police Regulations will not meet the case of Europeans sentenced to the House of Correction as required by the Act of 5 th . & 6 th . W ^m . 4 Cap. 19 and that no measure of the Indian Government can alter the provisions of that statute.	20 th . November 1841.	1 11 th January 1842.		77
All that seems necessary is to put the House of Correction in a fit state to receive Europeans—The inaptitude of the present building for that purpose and the fact of its not being susceptible of any material improvement have been brought to the notice of the Honorable Court of Directors in the Public Department with a recommendation for building a Penetentiary Justice's Jail—Government resolve therefore to communicate this letter to the Honorable Court.	7 th . January 1842.	2 D ^o .		83
<i>From the —.</i> Stating that he concurs in the opinion expressed by the Collector and Magistrate of Malabar that a Native subject of this Government having been sold by another Native subject as a slave at Judda is not a slave dealing within the provision of the statute 5 th . Geo. 4 Cap. 113 but that he considers this to be a case of that Great personal violence committed by one subject against another	14 th . December 1841.	7 D ^o .		90

<i>From the —.</i> Stating for the reasons detailed that the proceedings in the case tried by Mr Harris could not legally be heard before a Justice of the Peace and that it ought to be treated as a trial before a Magistrate of a Mofussil Court, and that it may be appealed from accordingly.	19 th . February 1842.	27 25 th . February 1842.		438
Communicated to the Foujdaree Udalt who will adopt the necessary measures in view to the convict in the case being treated and appealed from as the conviction of a Magistrate —The Judges will also issue such circular instructions as may appear to be called for by the opinion expressed by the Advocate General.		28 D ^o .		441
