Budget, 1951-52—25. General Administration—District Administration and Miscellaneous—Sections I and II—Allotments—Distributed to districts.

SRI W. R. S. SATTHIANATHAN, I.C.S.,
Commissioner of Land Revenue.

READ—the following paper :—

G.O. Ms. No. 358, Finance, dated 31st March 1951.

Resolution—No. 20, Press, dated 18th May 1951.

A statement showing the distribution by districts of the budget allotments sanctioned for the year 1951-52 under the following heads of account is circulated to the Collectors :—

(i) 25. *General Administration—District Administration and Miscellaneous.*—
s. General Establishments—Collectors and Magistrates—t. Subdivisional Establishments—
u. Other Establishments.

(ii) 47. *Miscellaneous Departments*—d. Examinations—A. Village Officers Special Tests.

(iii) 57. *Miscellaneous Departments*—c. Donations for charitable purposes—k. Items controlled by the Board of Revenue—e. Rents, Rates and Taxes—K. B. Rewards for the destruction of wild animals.

(iv) 7. Land Revenue—d. Assignments and Compensations.

The distribution is based on the actual expenditure during 1950-51, the estimates of the Collectors and the appropriations sanctioned by the Government.

2. The Board observes that most of the Collectors submit their proposals for additional allotment or surrender of funds very late and piecemeal, resulting in inconvenience to the Board and causing delay in the submission of its consolidated report to the Government. They are, therefore, requested to see personally that their applications are submitted to the Board in time and in complete form. They are also informed that it will not be possible for the Board to consider the proposals for additional allotment and surrender of funds if they are received after the due date or without a satisfactory and detailed explanation for every item contained in it. Their attention is, in this connection, invited to B.P. Mis No. 910, dated 3rd July 1948, and they are requested to follow the instructions contained therein very closely.

Board of Revenue, Madras

Proceedings No. 23, Press, 27th June 1951

Advances—Loans under the Land Improvement and Agriculturists' Loans Acts—
Business statements—Quarter ending 31st March 1951—Reviewed.

Sri W. R. S. SATHIANATHAN, I.C.S.,
Commissioner of Land Revenue.

N. C. THOMAS,
Joint Secretary, Board of Revenue.

READ—the following :—

Statements from the Collectors of all districts except Madras.

Resolution—No. 23, Press, dated 27th June 1951.

The Board proceeds to review the business statements relating to the advances under the Takkavi Loans Acts.

Punctuality.—The above return was due with the Board on the 15th April 1951. It was received late from the Collectors of all the districts except South Kanara. There was inordinate delay with the Collectors of Visakhapatnam, West Godavari, Nellore, Ramanathapuram, Salem and Srikakulam, and particularly with the Collector of Visakhapatnam whose return has been received only on 25th June 1951. The long delay in the receipt of the returns from these Collectors necessitated the issue of demi-official reminders. It is extremely disappointing that the Collectors still continue to delay the submission of the returns in spite of Board's repeated adverse remarks in every review. The Collectors should take suitable action against the persons responsible for the delay and see that the returns are submitted to the Board on or before the due date in future. Recurrence of the delay might entail Board's recommendation of suitable action against the Collectors concerned. The Collectors should, therefore, see that the submission of the returns is not delayed on any account.

Receipt and disposal of loan applications.—Forty-four thousand one hundred and three applications were received in the quarter ending 31st March 1951. Out of the total number of 105,422 applications for disposal in the quarter, 34,573 were rejected and 20,283 were accepted, leaving a balance of 50,566 applications remaining to be disposed of at the end of the quarter. The percentage of disposal during the quarter is 52. The disposal of applications is unsatisfactory in the districts of Guntur, Cuddapah, Kurnool, Anantapur, Chingleput, Chittoor, North Arcot, South Arcot, Tirunelveli, Coimbatore and Salem. The Collectors of these districts should investigate the reasons for the poor disposal and see that the applications are disposed of as quickly as possible. A large number of pending applications is in Srikakulam (3,676), Visakhapatnam (3,341), Chingleput (3,614), Chittoor (1,461), North Arcot (4,064), South Arcot (2,607), Tiruchirappalli (1,528), Ramanathapuram (1,443), Coimbatore (2,303), Salem (1,554) and the largest number is in West Godavari (20,245). The Collectors of these districts, particularly the Collector of West Godavari, should take special steps to deal with the pending applications quickly. All these districts except Chittoor and West Godavari fared badly last quarter also. Proposals for the employment of the special staff should be submitted, wherever found necessary.

There are 6,231 applications pending for over six months and 1,847 applications pending for over one year. The number of applications pending for over one year is very large in West Godavari (1,512), and considerable in Chingleput (118). The number of applications pending for over six months is considerable in Visakhapatnam (362), Anantapur (124), Chingleput (240), Salem (226) and very large in West Godavari (4,750). It is very unsatisfactory to note that such long delays have been allowed to occur in the disposal of the applications in spite of the fact that the special staff applied for by the Collectors is being sanctioned automatically without any delay. The Collectors are requested to take immediate and effective steps to dispose of these old applications urgently. Slackness on the part of the subordinate officers in the disposal of loan applications should be severely dealt with. The attention of the Collectors is also invited to the instructions issued in Boards Proceedings No. 3447, dated 22nd May 1951, regarding the particulars to be furnished in respect of the applications rejected and they are requested to furnish those particulars without fail in their future reports.

The number of applications pending at the beginning of the quarter ending 31st March 1951 and the amount covered by them do not agree with the corresponding figures at the end of the quarter ending 31st December 1950 in respect of the following districts as shown below :—

Districts.	Quarter ending 31st March 1951.		Quarter ending 31st December 1950.	
	Number.	Amount.	Number.	Amount.
		RS.		RS.
East Godavari	50	25,000	282	143,450
Srikakulam	..	17,17,195	..	17,22,595
West Godavari	38,628	2,53,86,920	32,795	2,18,24,555
Krishna	..	5,95,655	..	4,89,313
Guntur	..	22,100	..	6,200
Cuddapah	..	3,05,170	..	3,02,670
Bellary	..	2,41,100	..	4,41,100
Chittoor	..	2,19,360	..	2,16,360
North Arcot	1,302	6,85,940	1,341	6,10,940
Tirunelveli	..	1,50,280	..	1,48,840

The Collectors of these districts are requested to reconcile the discrepancies before submitting the return for the next quarter. Meanwhile, the figures furnished for the quarter ending 31st March 1951 have been adopted for the preparation of the Board's consolidated statements to the Government.

Disbursement of loans.—Out of the sanctioned allotment of Rs. 2,55,35,385, an amount of Rs. 2,33,68,125 was disbursed up to the end of the quarter, thus leaving a balance of Rs. 21,67,260. On a comparison of the figures in column (11) of Appendix A with those in column (3) of Appendix B, it is seen that in the districts of West Godavari, Kurnool, Bellary and South Kanara, the amounts covered by the applications accepted in the quarter are larger than those disbursed in the quarter. This shows that the loan amounts are not disbursed as soon as they are sanctioned. Again in the districts of Srikakulam, Visakhapatnam, East Godavari, Krishna, Guntur, Nellore, Anantapur, Chingleput, Chittoor, North Arcot, Tanjore, Tiruchirappalli, Ramanathapuram, Tirunelveli, Coimbatore, Nilgiris, Salem and Malabar, the amounts disbursed in the quarter are more than the amounts covered by the loan applications, accepted in the quarter. This also shows that the loan amounts sanctioned in the previous quarter were disbursed in the quarter under review. As such delays in disbursement nullify the very object of granting these loans, the Collectors are requested to see that the loans are disbursed soon after they are sanctioned. As prompt utilisation of loans especially in the districts adversely affected by the seasonal conditions, will provide employment to the labouring classes, the Collectors should deprecate their subordinates' leisurely performance of this important item of work.

Construction and inspection of works.—Inspection of works of the previous fasli is not satisfactory in the districts of Visakhapatnam, East Godavari, West Godavari, Krishna, Guntur, Nellore, Cuddapah, Bellary, Anantapur, Chittoor, South Arcot, Madurai, and Salem. There was no inspection at all in the districts of East Godavari, West Godavari and Anantapur. Inspection of the works of the current fasli is unsatisfactory in all the districts except Kurnool, Bellary, Nilgiris, South Kanara and Malabar. There was no inspection at all in the districts of East Godavari and West Godavari, during the quarter under review. The Collectors should see that all the uninspected works are inspected without any further delay.

Out of 770 completed works to be inspected by the Revenue Divisional Officers, only 308 have been inspected by them up to the end of the quarter. There was no inspection at all in the districts of North Arcot and South Kanara and this is unsatisfactory. Inspection by Revenue Divisional Officers is heavily in arrears in Krishna, Bellary, North Arcot, South Arcot, Salem and South Kanara. The Board considers that this is due to want of sufficient control by the Collectors over the Revenue Divisional Officers in regard to this branch of work. Prompt inspections, soon after the completion of works, are of great value in correctly estimating the quality of work done. Collectors should, therefore, scrutinise the diaries of the Revenue Divisional Officers carefully and deal suitably with the Revenue Divisional Officers who do not pay due attention to this item of work. Continued neglect by the Revenue Divisional Officers should be promptly reported to the Board for disciplinary action.
