Estates Land Act—Working—Report for fasli 1360.

T. N. S. RAGHAVAN, ESQ., I.C.S.,

Commissioner for Settlement of Estates.

READ—the following paper :—

Reports from Collectors.

Resolution—Rout. No. 2, Press, dated 12th February 1952.

The Board submits its report on the working of the Madras Estates Land Act of 1908 during fasli 1360.

2. *Suits and applications instituted.*—The total number of suits and applications under the Estates Land Act instituted during fasli 1360 was 20,839 as against 60,657 in fasli 1359 as shown below :—

Fasli.	Suits.	Applications.
1360 ..	7,330	13,509
1359 ..	30,764	29,893

There has been a substantial decrease in the number of suits and applications filed in fasli 1360. The figures relating to the various kinds of suits and applications in each district are furnished in the statements appended (Appendices I and II).

There was considerable decrease in the number of suits in all the districts except in the district of South Arcot where there is a slight increase in number of suits during the fasli under review. There was decrease in the number of applications in all the districts. The tabulation given below explains the position :—

Districts.	Suits.		Applications.	
	Fasli 1359.	Fasli 1360.	Fasli 1359.	Fasli 1360.
Visakhapatnam	658	268	1,249	203
Srikakulam	1,250	204	5,448	4,370
East Godavari	169	15	377	79
West Godavari	742	71	512	178
Krishna	1,509	171	45	3
Guntur	91	90	232	95
Nellore	1,104	139	1,305	99
Chittoor	13,533	739	3,979	836
Chingleput	1,498	601	3,178	141
North Arcot	114	4	368	25
South Arcot	11	15	25	..
Tanjore	1,722	1,480	1,776	1,202
Tiruchirappalli	608	481	711	362
Madurai	4,851	1,548	2,952	2,113
Ramanathapuram	1,853	824	6,473	3,762
Tirunelveli	905	608	1,014	18
Salem	114	72	127	14
Coimbatore	19	..	109	9

3. *The general trend of litigation under the Estates Land Act.*—This is seen from the following figures :—

Fasli.	Total number of proceedings (in thousands).	Fasli.	Total number of proceedings (in thousands).
1346	133 ..	1352	121 ..
1347	105 ..	1356	87 ..
1348	110 ..	1357	86 ..
1349	126 ..	1358	85 ..
1350	138 ..	1359	61 ..
1351	143 ..	1360	21 ..

The figures indicate that the number of suits and applications filed in fasli 1360 was the lowest in the last twelve faslis. This sudden fall in the total number of suits and applications during the current fasli was due to the fact that the Government had taken up the collection of the arrears of rent from fasli 1357 onwards under section 3 (4)

of the Rent Reduction Act and from faslis 1356 onwards under section 55 (1) of the Abolition Act in the cases of estates taken over under that Act. The landholders would file only suits relating to the arrears of the prior faslis.

4. *Different kinds of proceedings distinguished.*—(i) Of the total number of proceedings instituted during fasli 1360, the number of proceedings instituted for recovery of rent was 18,665 or 90 per cent. The rest were for other purposes. The corresponding percentage during each of the faslis 1359 and 1358 was 76 and 83, respectively.

(ii) Of the proceedings instituted for the recovery of rent, those which related to distraint and sale of movables and holdings were 311 or 1.5 per cent. The remaining were either suits for recovery of rent or applications for execution of decrees in such cases. The percentage of suits and execution applications together was 84 in fasli 1358 and 7 in fasli 1359.

Fasli.	Suits under section 77 (in thousands).	Execution applications (in thousands).	Total (in thousands).	Applications under sections 112 and 114 (in thousands).
1360	7	11	18	1
1359	30	11	41	4
1358	24	33	57	13
1357	22	38	60	10
1356	22	39	61	8
1355	33	59	92	10
1351	58	38	96	29
1350	40	37	77	45
1349	43	36	79	33
1348	39	24	63	34
1347	19	27	46	41
1346	29	35	64	44

5. *Disposal of suits and applications.*—The total number of proceedings pending at the beginning of fasli 1360 was 24,615. Together with 20,839 received during the fasli, the total for disposal was 45,454. Out of these, 35,118 were disposed of and the balance pending at the end of the fasli was 10,336.

The balance is compared below with that in three previous faslis for which reports were submitted :—

Fasli.	Suits.	Applications.
1360	4,571	5,765
1359	19,058	5,732
1358	11,006	16,465
1357	10,685	22,368

The pendency has decreased considerably, especially in the case of suits while there is a slight increase of pendency in respect of applications. However when compared to the previous fasli years' figures, there is considerable decrease both in respect of suits and applications. This is partly the result of the decrease in the number of applications filed in faslis 1358 and 1359 and mostly due to the vigorous efforts of the Revenue Divisional Officers to dispose of the maximum number of suits

and applications in the interests of both the landholders and tenants, before the notification of the estates under the Abolition Act.

6. *Particulars of lands sold.*—These are furnished in the appended statement (Appendix III) which has been prepared in two sections, Section I showing the particulars in respect of 'Forced Sales' and Section II 'True Sales'.

The following statement furnishes the more important particulars relating to lands sold for recovery of rent in faslis 1359 and 1360:—

	Fasli 1360.	Fasli 1359.
1 Number of cases in which holdings were sold	108	1,822
2 Arrears to be realized	Rs. 10,468-1-11	Rs. 1,41,744-9-2
3 Extent of land brought to sale, Acres	162.09	Acres 4,221.34
4 Rental value of land brought to sale	Rs. 600-8-8	Rs. 1,02,491-0-8
5 Estimated capital value of land brought to sale	14,923-0-0	1,67,293-6-0
6 Rental value per acre	3-11-0	38-8-0
7 Estimated capital value per acre	92-2-0	39-10-0
8 Do. case	138-3-0	91-13-0
9 Total value realized	9,014-6-11	1,39,086-15-6
10 Value per acre realized	55-10-0	32-15-0
11 Percentage of realization to arrears sought to be recovered.	85.5/7 per cent.	98.12 per cent.

During fasli 1360, lands were brought to sale in 108 cases as against 1,822 in fasli 1359. The total arrears sought to be recovered by sale was Rs. 10,468-1-11 or Rs. 96-15-0 on an average of each case, as compared with Rs. 1,41,744-9-2 or Rs. 77-13-0 on an average of each case during fasli 1359. There was a fall in the number of cases in which holdings were sold.

The margin between the arrears sought to be recovered and the value of lands brought to sale was Rs. 27-8-0 per acre, as against Rs. 14 per acre during fasli 1359.

The value realized per acre in the fasli under review was less than the estimated value by Rs. 36-8-0 per acre as against Rs. 6-11-0 per acre in the previous fasli. The disparity between the estimated value and the amount realized continues to be wide. It is, as usual, due to want of competition among bidders at the sales, which resulted in the landholders themselves purchasing the lands for nominal amounts, just higher than the amounts of arrears including the cost of sale and to over estimation of the value of the properties.

'True Sales' have been separated from 'Forced Sales' and are shown in Sections I and II of the appended statements. According to the figures reported, the estimated value of land shown under 'True Sales' works out to Rs. 97 per acre and the value realized to Rs. 87 per acre. The corresponding figures under 'Forced Sales' are Rs. 91 and Rs. 46 per acre.

7. *Treatment of porambokes.*—No cases of unlawful interference by the zamindars with the porambokes set apart for the common use of the villagers were brought to notice in the fasli under review.

8. *General remarks.*—(i) The main Act continues to work satisfactorily.

(ii) *Act VI of 1936.*—No applications were filed for remission of rent under section 39-A of the Act.

(iii) *Act XVIII of 1936.*—There were generally no disputes about occupancy rights between major inamdars and their tenants.

(iv) *Relationship between landholders and ryots.*—The relationship between the landholders and the ryots was not very cordial during the fasli in the districts of Visakhapatnam and Ramanathapuram. In other districts it is reported to have been cordial. The ryots are anxious to see that all the estates are taken over by the Government under the Abolition Act.

Proceedings No. 4, Press, 20th March 1952

Advances—Loans under the Land Improvement and Agriculturists' Loans Acts—
Business statements—Quarter ending 31st December 1951—Reviewed.

Sri W. R. S. SATTIANATHAN, I.C.S.,
Commissioner of Land Revenue, Madras.

MR. N. C. THOMAS,
Joint Secretary, Board of Revenue, Madras.

READ—the following paper.—

From the Collectors of all districts except Madras, Srikakulam,
West Godavari and North Arcot.

Resolution—No. 4, Press, dated 20th March 1952.

The Board proceeds to review the business statements relating to the advances under the Loans Acts for the quarter ending 31st December 1951.

Punctuality.—The above return was due with the Board on 15th January 1952. It was received late from the Collectors of all the districts. There was inordinate delay on the part of the Collectors of East Godavari, Guntur, Kurnool, South Arcot, Tiruchirappalli, Madurai, Ramanathapuram, Coimbatore and Salem, and particularly the Collectors of Tiruchirappalli, Madurai, Coimbatore and Salem whose returns were received only on 5th, 6th and 10th March 1952 respectively. Most of the Collectors applied for time for submitting their returns as the staff was preoccupied with election work in January 1952. Even after the elections, there was delay in the submission of the returns which necessitated the Board to issue demi-official reminders. The delay in submitting the returns in time in spite of repeated stress on the punctual submission of the returns is not satisfactory. The Collectors concerned do not seem to have exercised proper supervision over the staff and insisted on their subordinates in sending the returns in time. The Board has repeatedly pointed out that the Collectors should get the particulars well in advance to avoid delay in submitting their returns to the Board.

This review is submitted to the Government without the returns from the Collectors of Srikakulam, West Godavari and North Arcot. The Collector of North Arcot in his demi-official reply, dated 28th February 1952, has stated that the statements and review were being submitted to the Board separately. But the statements and review have not been received so far. The Collectors of Srikakulam, West Godavari and North Arcot are requested to send their reviews and statements direct to the Government with a copy to the Board within a week with their explanation for the inordinate delay. The Collectors are also requested to see that such delays do not recur.

Receipts and disposals of applications.—Thirty-three thousand eight hundred and eighty-six applications were received in the quarter under review in all the districts except Srikakulam, West Godavari and North Arcot. Out of 63,338 applications for disposal in the quarter, 20,242 were rejected and 8,879 were accepted, leaving a balance of 34,217 remaining to be disposed of at the end of the quarter. The percentage of disposal is 46 as against 49.4 of the previous quarter. The disposal of applications is unsatisfactory in the districts of Guntur, Cuddapah, Anantapur, Kurnool, Chingleput, Chittoor, South Arcot, Tiruchirappalli and Ramanathapuram, where the percentage of disposal is below 50. No appreciable progress has been shown in the districts of Cuddapah, Anantapur, Kurnool, Chittoor and South Arcot in the quarter under review. Collectors of these districts and particularly of the districts where the famine distress is very acute, are requested to see that applications are disposed of quickly to facilitate the ryots to avail themselves of the loans.

The number of applications pending at the end of the quarter is very large in Visakhapatnam (3,081), Cuddapah (3,892), Chingleput (3,509) and large in Anantapur (2,225) South Arcot (2,403), Tiruchirappalli (1,330), Ramanathapuram (1,396), Tirunelveli (1,785), Coimbatore (1,053) and the largest number pending disposal is in Chittoor (8,316). Except Anantapur, Ramanathapuram, and Coimbatore, the other districts fared badly in the last quarter also. The continued heavy pendency in these districts shows that the Collectors concerned have not taken proper steps to reduce the pendency even after repeated instructions issued by the Board. There is heavy pendency in many of the districts though special staff is being employed in accordance with the sliding scale laid down in the Loans Manual. The Collectors of all the districts and particularly those where there is heavy pendency should issue strict instructions to their subordinates and see that the pendency is reduced quickly. Proposals for the employment of the special staff should be submitted whenever necessary.

There are 2,218 applications pending for over six months and 185 applications pending for over one year. The number of applications pending for over one year is very large in Salem (61) and large in Kurnool (35). The number of applications pending for over six months is very large in Chingleput (620) and considerable in Chittoor (346), Cuddapah (243), South

Arcot (202), Coimbatore (181) and Salem (116). The Collectors are requested to investigate the reasons for the delay and to take immediate and effective steps to dispose of the old applications quickly. Due to the continued failure of monsoon, the ryots are much handicapped in carrying on agricultural operations necessitating the application to Government for loans. Delay in sanctioning the loans at the appropriate time and season would defeat the very object of the scheme. The Collectors should not hesitate to take suitable action against their subordinates for any slackness in this regard.

Disbursement of loans.—Appendix B shows the disbursement of loans under the Land Improvement Loans and Agricultural Loans Acts. Out of the sanctioned allotment of Rs. 1,29,17,060 an amount of Rs. 93,34,782 was disbursed up to the end of the quarter, leaving a balance of Rs. 35,82,278. On a comparison of the figures in column (II) of Appendix A with those in column (3) of Appendix B, it is seen that in the districts of East Godavari, Krishna, Anantapur, Bellary, Kurnool, Tanjore and Salem, the amounts accepted in the quarter are larger than those disbursed in the quarter. This is evidently due to the fact that the loan amounts are not disbursed as soon as they are sanctioned. In the districts of Visakhapatnam, Guntur, Chingleput, South Arcot, Tiruchirappalli, Coimbatore and South Kanara, the amounts disbursed in the quarter are greater than those covered by the number of loan applications accepted in the quarter and this shows that loans sanctioned in the previous quarter were disbursed in the quarter under review. The Collectors are requested to see that the loans are disbursed as soon as they are sanctioned. The scheme of advancing loans particularly in the districts affected by adverse seasonal conditions will provide employment to the labourers. Collectors should deprecate the leisurely way of disposing of loan applications by their subordinates.

Construction and inspection of works.—Inspection of works of the previous fasli is unsatisfactory in all the districts except Chittoor, Madurai and South Arcot. There was no inspection at all in the districts of Visakhapatnam, East Godavari, Bellary and Kurnool. Inspection of the works of the current fasli is unsatisfactory in all the districts except Chittoor, Krishna, South Arcot, Madurai, Tirunelveli and Malabar. The inspection of works is poor in other districts in the previous quarter also. There was no inspection at all in the districts of Nellore and Ramanathapuram. The Collectors of these districts should see that this item of work is not neglected.

Out of 727 completed works to be inspected by the Revenue Divisional Officers only 252 have been inspected by them up to the end of the quarter. There was no inspection in South Arcot district. Inspection by the Revenue Divisional Officers is heavily in arrears in Krishna, Cuddapah, Anantapur and Coimbatore. This item of work requires the personal attention of the Collectors and they should carefully scrutinise the diaries of the Revenue Divisional Officers to ensure prompt inspection of the completed works in their jurisdiction. If the Revenue Divisional Officers ignore the special instructions issued to them in this regard the Collectors should promptly bring it to the notice of the Board for taking necessary disciplinary action.

Resolution—No. 5, Press, dated 21st March 1952.

The Board submits its report on the Settlement of Land Revenue in the State of Madras for fasli 1360 (1950-51), together with the prescribed statements.

Main features.—The main features of the fasli were—

(i) The season during the fasli continued to be unsatisfactory—vide paragraph 2 below.

(ii) The total extent of ryotwari holdings increased by 155,155 acres, i.e., from 28,085,248 to 28,240,403—vide paragraph 7.

(iii) The total assessment on ryotwari holdings showed an increase of Rs. 3,12,013, i.e., from Rs. 6,14,65,209 to Rs. 6,17,17,222—vide paragraph 8.

(iv) The total area cultivated in ryotwari holdings increased by 234,111 acres—vide paragraph 9.

(v) The amount of water-rate and second-crop charge decreased by Rs. 8,48,334.

(vi) Seasonal remissions decreased by Rs. 14,01,402—vide paragraph 11 (i).

(vii) Fixed remissions increased by Rs. 75,617.

(viii) Beriz deductions decreased by Rs. 80,970.

(ix) The total amount of revenue remitted in this fasli under all the heads was Rs. 97,51,109, i.e., 97.5 lakhs as against Rs. 110.3 lakhs (revised figure) in the previous fasli.

(x) Miscellaneous revenue increased by Rs. 18,64,938—vide paragraph 12.

(xi) There was a small decrease in the number of land sales—vide paragraph 26.

2. Seasonal conditions—(1) *South-west monsoon—June 1950.*—The south-west monsoon set in along the West Coast on the 27th May somewhat in advance of the usual date, causing widespread and locally heavy rainfall and was fairly active for about a month. Light to moderate rainfall occurred during the month in the Circars and Southern districts. The rainfall during the month was normal, in the Kurnool district, above the normal in the Visakhapatnam district and below the normal in the other districts of the State.

July 1950.—July was a month of active monsoon. Early in the month, the monsoon strengthened, and by the 10th of July, it had extended over the whole State. It remained active over the country practically till the end of the month. There was widespread and heavy rainfall during the entire month on the West Coast, light to moderate rainfall in parts of most districts of the State. The rainfall in July 1950 was normal in the district of Chittoor, above the normal in the districts of Srikakulam, Visakhapatnam, East Godavari, West Godavari, Krishna, Guntur, Kurnool, Nellore, Malabar, South Kanara and the Nilgiris and below the normal in the other districts of the State.

August 1950.—The monsoon was weak during the first week of the month and revived on the West Coast early in the second week and was active on the 8th and 9th of August, causing fairly widespread rainfall along the West Coast and in parts of the Circars, the Deccan and the Southern districts. Thereafter, the monsoon remained feeble throughout the month. However, widespread and locally heavy rain fell on the Deccan, the Southern and West Coast districts under the influence of a low pressure wave from the Bay of Bengal on the 21st and the 22nd of the month. The rainfall in August was normal in the Anantapur district, above the normal in the districts of Bellary, Nellore, Chingleput, Chittoor, Salem, Coimbatore, Tiruchirappalli, Tanjore, Madurai, Ramanathapuram and the Nilgiris and below the normal in the other districts of the State.

September 1950.—The monsoon revived early in September. It strengthened in the second week, in association with shallow depressions from the West Central Bay of Bengal. The rainfall was widespread along the West Coast, and local in parts of the Circars and the Southern districts. The monsoon was generally feeble during the rest of the month. In the last week of the month, thunder showers occurred in the Southern and the West Coast districts. The rainfall in September was normal, or near normal, in the Chingleput district, above the normal in the districts of East Godavari, West Godavari, Krishna, Guntur, Cuddapah, Nellore, Chittoor, Malabar, South Kanara and the Nilgiris and below the normal in the other districts of the State.

June-September 1950.—On the whole, the total rainfall during the south-west monsoon period (June to September 1950) was normal or near normal in the districts of Chittoor and Coimbatore, above the normal in the districts of East Godavari, West Godavari, Krishna, Bellary, Nellore, Tanjore, Malabar, South Kanara and the Nilgiris and below the normal in the other districts of the State.

Sowings.—Sowings of early dry crops was above the average in the Circars, the Deccan and the Central districts, and below the average in the Carnatic, the Southern and the West Coast districts. Sowing of early wet crops was above the average in the Circars, the Deccan and the Central districts, and below average in the Carnatic, Southern and the West Coast districts.

Crops.—The condition of the standing crops was generally satisfactory, except in parts of the Circars and the Southern districts. Withering of crops was reported from parts of Visakhapatnam, Guntur and Ramanathapuram districts. The crops were damaged in certain taluks of the East Godavari district, due to the heavy rains in the second week of September 1950.

October 1950—(2) North-east monsoon.—Two depressions developed during October, the first in the Arabian Sea, and the second in the Bay of Bengal. Under the influence of the first depression, widespread rain occurred in the West Coast districts from the 4th to the 11th with locally heavy falls on the 8th. Isolated showers occurred in parts of the Circars, and the southern districts. The second depression was formed in the South West Bay of Bengal, with its centre about 150 miles south-west of Madras on the 17th morning and moving northwards initially and north-eastwards later, it weakened. In association with these developments, the north-east monsoon set in along the Coromandel Coast on 16th October, causing widespread rainfall over the various parts of the State from the 16th to the 18th of the month. The monsoon was generally feeble during the rest of the month. The rainfall in October was normal or above the normal only in the districts of Bellary, Anantapur, Nellore, Salem, Tiruchirappalli and Madurai and below the normal in all other districts of the State.

November 1950.—The north-east monsoon continued to be weak during the first nine days of the month, and only coastal districts of the Circars had satisfactory rainfall in this period. However, it strengthened appreciably after the 9th and a depression formed in the Bay of Bengal off the Coromandel Coast on the 16th morning. The depression moved north-eastwards and intensified into a cyclonic storm which was centred on the 18th evening about 150 miles to the south of Calcutta. This was responsible for widespread rain along the coastal districts of the Circars. It weakened rapidly into a deep depression on the 19th morning and passed inland along the east coast. The north-east monsoon weakened during the rest of the month and consequently, the rain was very deficient in the Madras State. The rainfall in November was above the normal only in the districts of Srikakulam, Visakhapatnam and East Godavari and below the normal in the other districts of the State.

December 1950.—Another depression formed in the South Bay of Bengal by the 2nd December. But it weakened rapidly. The north-east monsoon continued to be weak during December also except for a temporary revival between the 12th and the 14th when widespread and locally heavy rain occurred in the

southern districts of the State. But for this temporary revival of the monsoon, the weather was generally dry during the month. The rainfall was below the normal in the districts of Visakhapatnam, South Arcot, Salem, Coimbatore, Tiruchirappalli, Tanjore, Madurai, Ramanathapuram, Tirunelveli and the Nilgiris, and it was little or nil in the other districts of the State.

January 1951.—January 1951 was a month of scanty rainfall. The north-east monsoon continued to be weak during the entire month and the weather was generally dry except for a few isolated showers which occurred during the second and third week of the month in the central and the southern districts of the State. The rainfall was normal in East Godavari (Agency) and Tirunelveli district, and below the normal in the districts of Visakhapatnam, Chingleput, South Arcot, Coimbatore, Tiruchirappalli, Tanjore, Madurai, Ramanathapuram and the Nilgiris. There was little or no rainfall in the other districts of the State.

October 1950 to January 1951.—Over the whole period of the north-east monsoon (October 1950 to January 1951), the rainfall was above the normal in the districts of Visakhapatnam and Bellary, and below the normal in the other districts of the State.

Sowings.—Sowings of late dry crops were above the average in the Circars, and the Central districts, and below the average in the Deccan, the Carnatic, the Southern and the West Coast districts. Sowings of late wet crops were above the average in the Carnatic, the Central, and the Southern districts and below the average in the Circars, the Deccan and the West Coast districts.

Crops.—The condition of standing crops in the Circars was generally satisfactory except in the Srikakulam and Visakhapatnam districts where the paddy crop suffered extensive damage on account of prolonged drought, and in the Guntur district where withering of crops was reported in several parts of the district. As a result of the failure of seasonal rains and the consequent inadequacy of supplies of water in irrigation sources, the crops were severely affected by drought in parts of the Deccan, the Carnatic, the Central and the southern districts. The crops suffered damage also from attacks of insect pests in parts of the Deccan, the Carnatic, Central and the southern districts. Witherings of crops on a fairly wide scale was reported in parts of the above districts.

(3) *Hot weather period—February 1951.*—Dry weather prevailed almost during the entire month of February 1951. Local and scattered light showers fell in parts of the southern districts of the State on the 9th and the 12th of the month. The rainfall in February 1951 was below the normal in Ramanathapuram, Tirunelveli and Malabar districts. There was little or no rainfall during the month in the other districts of the State.

March 1951.—The weather was dry during the first three weeks of March 1951. During the last week of the month moderate thunderstorm activity prevailed in the Deccan and the southern districts. The rainfall was below the normal in the districts of East Godavari, West Godavari, Chingleput, South Arcot, Ramanathapuram, Tirunelveli, Malabar and South Kanara, normal or near normal in the districts of Tanjore and Madurai and above normal in the other districts of the State.

April 1951.—During April 1951, moderate thunderstorm activity prevailed in the Circars, the Deccan, the Southern, and the West Coast districts. Rainfall was fairly widespread in the second week of the month in the Southern and the West Coast districts. Consequently, the rainfall was above the normal in all the districts of the State except in the Anantapur district.

May 1951.—May 1951 started with good thunderstorm activity and fairly widespread thunderstorm occurred in the Circars, the Deccan, the Southern and the West Coast districts. The rainfall was above normal in the districts of Visakhapatnam, Krishna, Kurnool, Anantapur, Cuddapah, Chittoor, North Arcot, Salem, Coimbatore, Tanjore, Madurai and Tirunelveli districts and normal or near normal in Bellary, South Arcot and Tiruchirappalli districts and below the normal in the other districts of the State.

The season during the fasli continued to be unsatisfactory as in the previous years.

3. *Number of ryotwari villages.*—The total number of ryotwari villages in the State was 21,579 as against 21,559 in the previous fasli, resulting in an increase of 20 villages. The increase is due to the following reasons :—

(i) Three enclave villages from Mysore State and twelve villages from Sandur State were attached to the Bellary district.	15
(ii) Five enclave villages in Chittoor district were taken over.	5

Total increase ..	20

4. *Sources of land revenue.*—The land revenue of the State is derived from the following sources :—

- (i) Peshkash or revenue from permanently-settled estates ;
 - (ii) Shrotriyam jodi or quit-rent levied on inam villages ;
 - (iii) Assessment including water-rate on lands held under ryotwari tenure ;
- and
- (iv) miscellaneous revenue.

5. *Peshkash or revenue from permanently-settled estates.*—The total amount of peshkash payable during the fasli was Rs. 16,47,564 as against Rs. 33,91,612, during the previous fasli, the decrease being Rs. 17,44,058. The bulk of the decrease is in Visakhapatnam district where it is Rs. 5,26,349. The Collector reports that this relates to the Vizianagram estate taken over in 1949, but wrongly included in the last year's statement and expunged from the demand this year. The decrease occurs in almost all the districts except the ceded districts of Cuddapah, Anantapur, Bellary and Kurnool and the districts of South Kanara, Malabar and the Nilgiris where there are no zamin estates and therefore no arrears of peshkash to be collected. The demand under peshkash in respect of the estates taken over ceased to accrue with effect from fasli 1359 in the case of estates taken over under the Estates Abolition Act X on 7th September 1949 and from fasli 1360 in respect of other estates taken over in 1950-51 (i.e.) in fasli 1360.

6. *Quit-rent.*—The quit-rent payable on villages held on shrotriyam or on favourable tenure was Rs. 7,26,862 as against Rs. 7,52,815 in fasli 1359 resulting in a decrease of Rs. 25,953. There is a decrease of Rs. 21,973 in Chingleput and of Rs. 12,541 in Ramanathapuram district. The Collectors report that the decrease is due to the reduction in the demand on account of some villages taken over by the Government. In Salem, there is a decrease of Rs. 16,643 under this head when compared with the amount of Rs. 45,685 reported in fasli 1359, while in Krishna there is an increase of Rs. 35,566. The Collector will be asked to explain the reasons for the increase. Large variations are not noticed in other districts.

7. *Ryotwari holdings.*—The total extent of ryotwari holdings during the fasli was 28,240,403 acres as against 28,085,248 acres in the previous fasli, resulting in an increase of 155,155 acres. There was an increase in the following districts :—

Krishna (24,195 acres), Nellore (805 acres), Cuddapah (1,091 acres), Anantapur (1,181 acres), Kurnool (577 acres), Chingleput (5,692 acres), Chittoor (594 acres), North Arcot (700 acres), South Arcot (4,900 acres), Tanjore (3,049 acres), Tiruchirappalli (117,904 acres), South Kanara (1,370 acres) and Malabar (5,657 acres).

The increase in Anantapur, Nellore, Cuddapah, North Arcot, Chittoor, South Kanara and Tanjore districts is due to the fresh assignments made, while in South Arcot, Krishna and Tiruchirappalli it is due to the taking over of estates, while in Malabar it is due to the change of classification.

The decrease in the other districts is due to the acquisition of lands and relinquishments.

8. *Assessment of ryotwari holdings.*—The total assessment on holdings was Rs. 617·17 lakhs as against Rs. 614·05 lakhs in the previous fasli, showing a net increase of Rs. 3 lakhs.

9. *Area cultivated.*—(1) The total area cultivated in ryotwari holdings was 21·02 million acres as against 20·78 million acres in the previous fasli. There was a net increase of 234,111 acres.

(2) The total area cultivated during the fasli including the area under miscellaneous cultivation was 22·52 million acres against 22·79 million acres in the previous fasli, the net decrease being 266,166 acres or 0·26 million acres. There was a decrease of 128,891 acres under waste charged.

10. *Water-rate and second-crop charge.*—The revenue derived from this source amounted to Rs. 49·3 lakhs against Rs. 57·78 lakhs in the previous fasli. There was an increase of Rs. 2,13,005 in some districts while there was a decrease of Rs. 10,61,339 resulting in a net decrease of Rs. 8,48,334. There was a decrease in all the districts except in the following, where there was an increase:—

Visakhapatnam (Rs. 16,178); Guntur (Rs. 6,329); Bellary (Rs. 5,290); Tanjore (Rs. 1,70,632); Tirunelveli (Rs. 12,193) and Srikakulam (Rs. 2,383).

11. *Remissions.*—The total remission granted was Rs. 97·5 lakhs as against Rs. 110·4 lakhs (revised figure) in the previous fasli, of which Rs. 83·97 lakhs relate to seasonal remissions. There was a decrease of Rs. 12·92 lakhs during this fasli when compared with the remission granted during the previous fasli. There was a decrease in certain districts while the increase was marked in the following districts:—

Nellore (Rs. 2,73,005), Cuddapah (Rs. 2,59,530), Anantapur (Rs. 1,28,343), Chittoor (Rs. 3,13,479), North Arcot (Rs. 7,89,348), South Arcot (Rs. 88,229), Ramanathapuram (Rs. 2,31,080) and Coimbatore (Rs. 2,21,085).

(i) *Seasonal remissions.*—The amount remitted under this head was Rs. 83,97,562 as against Rs. 97,98,964 in the previous fasli, resulting in a net decrease of Rs. 14,01,402. There was an increase in some districts while there was a decrease in other districts.

The decrease in certain districts was due to the more favourable seasonal conditions in those districts.

(a) *Waste remission.*—The amount remitted under this head was Rs. 14·07 lakhs against Rs. 8·92 lakhs in the previous fasli, resulting in a net increase of Rs. 6·3 lakhs.

(b) *Shavi or loss of crop.*—The amount remitted under this head was Rs. 33,15,499 against Rs. 46,15,341 (revised figure) in the previous fasli resulting in a decrease of Rs. 12,99,842. The decrease was marked in some districts while there was an increase in other districts.

(c) *Tirvakammi remissions*, i.e., remissions of the difference between the wet and dry rates of assessment on wet lands cultivated with dry crops owing to insufficiency or failure of water-supply. The amount remitted under this head was Rs. 12,40,875 as against Rs. 9,46,396 (revised figure) in the previous fasli, resulting in a net increase of Rs. 2,94,479. There was an increase in all the districts except the following while there was a decrease:—

East Godavari (Rs. 38,452), Krishna (Rs. 180), Bellary (Rs. 2,518), and Tirunelveli (Rs. 67,503).

(d) *Remissions for damages caused by floods.*—The amount remitted under this head was Rs. 1,55,979 against Rs. 6,42,041 (revised figure) in the previous fasli resulting in a decrease of Rs. 4,86,062.

(e) *Remission of second-crop charge.*—The amount remitted under this head was Rs. 23,159 against Rs. 44,613 (revised figures) in the previous fasli resulting in a decrease of Rs. 21,454.

(f) *Short crop or poor harvest*.—The amount remitted under this head was Rs. 18,28,611 against Rs. 22,52,542 (revised figure) in the previous fasli resulting in a net decrease of Rs. 4,23,931.

(ii) *Fixed remissions*, i.e. (Abatement of demand on account of reasons unconnected with season).

The amount remitted under this head was Rs. 2,89,608 against Rs. 2,13,991 (revised figure) in the previous fasli, resulting in a net increase of Rs. 75,617.

(iii) *Beriz deductions*.—Deductions made in favour of inamdars and religious institutions amounted to Rs. 9,51,079 against Rs. 10,32,049 (revised figure) in the previous fasli resulting in a net decrease of Rs. 80,970.

(iv) *Special remission*.—Special remission under B.S.O. No. 14 in addition to the ordinary seasonal remission under B.S.O. No. 13, was granted during the fasli where there was widespread failure of wet and dry crops in the 18 districts of the State which are noted below due to the failure of the north-east monsoon.

The names of the districts affected by the adverse seasonal conditions and the total amount of special remission granted in each district are given below :—

12. *Miscellaneous revenue*.—The revenue realized under this head was Rs. 161·97 lakhs against Rs. 143·32 lakhs (revised figure) in the previous fasli. There was an increase of Rs. 22,45,120 in certain districts while there was a decrease of Rs. 3,80,192 in other districts resulting in an increase of Rs. 18,64,938.

The following are the various items of revenue under this head :—

(i) *Jodi and quit-rent on minor inams*.—The revenue under this head was Rs. 24·67 lakhs against Rs. 24·93 (revised figure) in the previous fasli, showing a net decrease of Rs. 25,572.

(ii) (a) *Second-crop charge on minor inam wet lands in ryotwari villages*.—The revenue realized under this head was Rs. 2·13 lakhs against Rs. 2·61 lakhs (revised figure) in the previous fasli, showing a decrease of Rs. 48,113.

(b) *Water-rate on minor inams in ryotwari villages*.—The revenue derived under this head was Rs. 23·48 lakhs against Rs. 18·69 lakhs (revised figure) in the previous fasli, showing a net increase of Rs. 4,78,621.

(iii) *Charge for water in villages in estates including tirvajasti and fasal jasti*.—The revenue under this head was Rs. 35·61 lakhs against Rs. 26·82 lakhs in the previous fasli, resulting in a net increase of Rs. 8,78,664.

(iv) *Enhanced water-cess on lands irregularly irrigated*.—The revenue under this head was Rs. 5·37 lakhs against Rs. 5·13 lakhs (revised figure) in the previous fasli, showing a net increase of Rs. 23,536.

* Does not include remissions granted in estates taken over by Government.

(v) *Charges levied for occupation (with or without permission) of assessed and unassessed lands.*—The revenue realized under this head was Rs. 10.73 lakhs against Rs. 9.96 lakhs (revised figure) in the previous fasli, showing an increase of Rs. 77,139.

(vi) *Charges levied for occupation of poramboke lands.*—The revenue derived under this head was Rs. 15.19 lakhs against Rs. 13.52 lakhs (revised figure) in the previous fasli, showing a net increase of Rs. 1,67,653.

Taram assessment was levied on an extent of 228,357 acres against 200,190 acres in the previous fasli. Such occupation was extensive in West Godavari, Krishna, Guntur, Nellore, Anantapur, Bellary, Kurnool, North Arcot, South Arcot, Tanjore, Coimbatore and Salem.

(vii) *Revenue from taxed trees.*—The revenue under this head was Rs. 4,75,418 against Rs. 4,47,146 in the previous fasli, showing an increase of Rs. 28,272.

(viii) *Commission for estates under the Court of Wards.*—The revenue under this head was Rs. 7,503 against Rs. 10,578 (revised figure) in the previous fasli, showing a decrease of Rs. 3,075.

(ix) *Revenue from process fees.*—The revenue under this head was Rs. 2,260 against Rs. 6,684 (revised figure) in the previous fasli, showing a net decrease of Rs. 4,424.

(x) *Sale-proceeds of lands sold.*—The revenue under this head was approximately Rs. 0.3 lakh against Rs. 0.4 lakh in the previous fasli showing a decrease of about Rs. 0.1 lakh.

(xi) *Rent of lankas.*—The revenue under this head was Rs. 14.24 lakhs against Rs. 14.20 lakhs in the previous fasli, showing a net increase of Rs. 3,646.

(xii) *Quit-rent and ground rent.*—The revenue under this head was Rs. 3.58 lakhs against Rs. 3.83 lakhs in the previous fasli, resulting in a decrease of Rs. 25,281.

13. *Net ryotwari demand.*—The net ryotwari demand including water-rate, second-crop charge and miscellaneous revenue was Rs. 730.9 lakhs against Rs. 704.7 lakhs (revised figure) in the previous fasli, resulting in an increase of Rs. 26,21,000. The details for the net increase are given below :—

	RS.
(i) Increase in the assessment on holdings	+ 3,12,013
(ii) Decrease under water charge and second-crop charge ..	— 8,48,334
(iii) Increase in miscellaneous revenue	+ 18,64,938
(iv) Increase due to decrease in remission	+ 12,92,383
Total ..	<u>26,21,000</u>

14. *Total land revenue demand (current).*—The demand under the several heads is compared below with that of the previous year :—

	Fasli 1359.	Fasli 1360.
	RS.	RS.
Peshkash on permanently-settled estates ..	33,78,926	16,47,555
Shrotriyam jodi	7,32,796	8,36,948
Ryotwari and miscellaneous	7,13,65,622	7,59,80,087
Total ..	<u>7,54,77,344</u>	<u>7,84,64,590</u>

The variations under these heads have been explained in the previous paragraphs.

15. *Total demand under cesses (current).*—The total demand under cess is given below :—

	Fasli 1359.	Fasli 1360.
	RS.	RS.
Cess on whole inam villages	12,03,867	12,49,975
Cess on ryotwari and miscellaneous	2,15,47,463	2,45,24,986
Cess on permanently-settled estates	32,70,865	15,40,523
Total ..	2,60,22,195	2,73,15,484

16. *Demand, collection and balance of land revenue and cesses (current).*—The current demand under the land revenue and cesses during the fasli was Rs. 10,51,52,485. A sum of Rs. 9,68,12,102 was collected within the fasli. A sum of Rs. 13,20,002 was written off the accounts.

17. *Demand and collection of arrears.*—The total arrear demand under all the heads amounted to Rs. 1,83,41,357. A sum of Rs. 47,61,841 was collected and a sum of Rs. 9,22,854 was written off the accounts.

18. *Balance.*—The balance outstanding under arrears and current at the end of the fasli was Rs. 1,96,77,044 against Rs. 1,82,88,678 at the end of the previous fasli.

As reported by the Collectors in their demand, collection and balance statements for September 1951, the balance at the beginning of fasli 1361 was Rs. 2,14,90,535. Up to the end of September 1951, a sum of Rs. 57,00,794 was collected and a sum of Rs. 25,183 was written off the accounts. A sum of Rs. 30,197 was collected or adjusted after the close of the treasury month, and a sum of Rs. 20,51,165 was covered by orders of suspension or postponement. Further, a sum of Rs. 95,70,131 relates to the arrears of peshkash and cesses due from the proprietors of estates and from the villages notified under the Rent Reduction Act and a sum of Rs. 95,066 is considered irrecoverable or of doubtful recovery. Deducting these amounts the net collectable balance was Rs. 40,17,999 on 1st October 1951.

19. *Adjustments to local boards of cesses collected during the fasli.*—Land revenue and cesses are collected together and the distribution of the total collections between the land revenue and cesses is effected in the Collector's office after the compilation of the accounts relating to the fasli year.

The statements showing the amounts collected during fasli 1359 on behalf of the local boards, the payments made to them during the fasli and the amount to be finally adjusted either to their credit or debit are received from the Collectors. After verification by the Accountant-General of the amounts shown by the Collectors as payments made to the local boards, the recovery of the overpayments, if any, is being watched in accordance with the instructions contained in paragraph 3 of G.O. No. 5197, L. & M., dated 7th December 1926.

20. *Charges debitable to land revenue.*—The charges in the Land Revenue Department are shown in the accounts under the head "25. General Administration—District Administration and Miscellaneous." The District Administration charges excluding village establishments amounted to Rs. 210.75 lakhs during fasli 1360 as against Rs. 207.92 lakhs during fasli 1359. The village service charges including those of the proprietary estates during the fasli under review were Rs. 241.74 lakhs as against Rs. 242.50 lakhs in the previous fasli. The total charges during fasli 1360 amounted to Rs. 452.49 lakhs.

In this connexion it may be mentioned that the above expenditure does not represent merely the cost of collecting land revenue dues. The Revenue Department performs multifarious duties, of which the control and collection of land revenue is one. The village establishment of the Revenue Department in particular is the servant of all Government departments. In addition a considerable portion of the time of Collectors and his subordinate officers is occupied with Magisterial work, Civil Supplies work, and the many post-war reconstruction schemes launched by the Government. The actual cost of collecting land revenue alone cannot be assessed with any degree of accuracy, but it is obviously far less than the amount of expenditure shown:—

21. *Process under Act II of 1864.*—Statement No. 12 gives particulars of coercive processes employed for realizing of Government dues. The number of processes issued during the fasli are compared below with those in previous faslis :—

Process.	Fasli 1357.	Fasli 1358.	Fasli 1359.	Fasli 1360.
Demand notices	147,385	141,138	116,008	105,517
Distrain notices	5,618	5,709	19,991	5,775
Sale notices	2,105	2,072	1,724	926
Sales	64	81	63	40

There was a decrease in all the processes issued during the year.

22. *Percentage of attachment to the total number of demand notices.*—

Fasli.	Personal property.	Real property.	Total. distrain
1357	9.45	0.39	9.84
1358	28.52	0.63	29.15
1359	53.10	0.45	53.55
1360	48.85	0.17	49.02

The percentage has fallen in the fasli under report.

23. *Sale notices.*—A large number of sale notices were issued in East Godavari (243) and Malabar (383).

Out of 51,723 defaulters, all except 926 paid up arrears before the issue of sale notices.

24. *Sales.*—The percentage of sales to sales notices had increased to 4.3 from 3.6 in fasli 1359. The percentage of sales to the total number of holdings was 0.0006 against 0.0008 in fasli 1359.

25. *Value of land sold.*—Immovable property estimated at Rs. 3,296 was sold to realize arrears of Rs. 7,708. In Tanjore and Tiruchirappalli districts the property sold is far less in value than the arrears due. The amount realized by sale of dry lands to private persons is only Rs. 312 whereas the assessment due on them is Rs. 445. In the case of wet lands it is 50 times the assessment.

26. *Extent of lands sold.*—The extents of lands purchased by Government and private persons during the fasli and the previous one are compared below in acres :—

	Purchased by Government.		Purchased by private persons.	
	Wet. ACS.	Dry. ACS.	Wet. ACS.	Dry. ACS.
Fasli 1359	7	24	24	96
Fasli 1360	15	1½	11	53

27. *Process-service Establishment*.—Statement No. 13 gives the particulars of processes served. 39,897 and 3,627 processes were served during the fasli 1360, by the village and specially paid establishments respectively against 1,91,511 and 2,201 in the previous fasli.

28. *Civil suits*.—Statement No. 11 shows the demand, collection and balance of costs awarded to Government in civil suits during the fasli. A sum of Rs. 27,363-3-3 was awarded to Government as costs during the fasli. Including the opening balance, the total demand was Rs. 75,752-14-6 of which Rs. 23,231-5-7 was collected and Rs. 1,544-5-0 was written off as irrecoverable. The net recoverable balance at the end of the fasli was Rs. 50,082-8-11.

29. *Interest on arrears of land revenue*.—Statement No. 14 shows the demand, collection and balance of interest due on arrears of land revenue. The balances are heavy in East Godavari, West Godavari, Chingleput, Tanjore and Tirunelveli. The total demand including opening balance was Rs. 80,904 of which Rs. 13,573 was collected and Rs. 12,733 was remitted leaving a balance of Rs. 54,598.

30. *Sale of lands under Board's Standing Order Nos. 15, 16, 21, 22, 24, 45, 90, 91 and 197*.—An extent of 483.17 acres of land assessed at Rs. 786-12-0 was sold for Rs. 15,066-11-0 under Board's Standing Order No. 15 and 6.15 acres of house-sites and town-sites with a ground-rent of Rs. 204-13-0 were sold for Rs. 19,792-6-0 under Board's Standing Order No. 21. An extent of 141.32 acres of land bought in by Government for arrears of land revenue was sold under Board's Standing Order No. 45 for Rs. 6,045-8-0. An extent of 14.10 acres of land acquired for public purposes, but subsequently relinquished, was sold under Board's Standing Order No. 90 for Rs. 3,347.

There were no disposals of tank-bed lands under Board's Standing Order No. 16 or sales of lands under Board's Standing Order Nos. 22, 24, 91 and 197.

31. *Subdivision of quit-rent*.—There were no cases of subdivision of the joint liability of share holders in enfranchised inam to the payment of quit-rent under Board's Standing Order No. 58 in the fasli under report.

32. *Jamabandi by Collectors*.—The jamabandi was conducted by the Collectors with reference to the instructions in Board's Standing Order No. 12 (2) and the orders of the Government in G.O. No. 356, Revenue, dated 14th February 1949, fixing time-limits for the conduct of jamabandi.

33. *Advances under the Loans Acts*.—The advances made under the Land Improvement and Agriculturists' Loans Acts during the year amounted to Rs. 223.41 lakhs as against Rs. 129.09 lakhs in the previous year. No amount was advanced during the year under the Agriculturists' Loans (Madras Amendment) Act, 1935, for the relief of agricultural indebtedness because this scheme was suspended by the Government in G.O. No. 95 (S), Revenue, dated 11th August 1942 and now no loans are being granted for this purpose.

34. *Loans—Demand, collection and balance (principal)*.—Including the uncollected balance at the end of the previous year, the amount repayable during the year on account of principal under both Land Improvement Loans and Agriculturists' Loan Acts was Rs. 73.39 lakhs as against Rs. 52.22 lakhs in the preceding year. Out of this amount, a sum of Rs. 30.97 lakhs (i.e., about 41 per cent) was collected. A sum of Rs. 10.81 lakhs was repaid by the borrowers on account of loans, the repayment of which had not fallen due, while a sum of Rs. 200 as against Rs. 1.09 lakhs in the previous year was written off as irrecoverable.

The amount repayable during the year under the Agriculturists' Loans (Madras Amendment) Act, 1935, was Rs. 1.54 lakhs out of which Rs. 1.02 lakhs was collected.

The aggregate amount of principal and interest repayable during the year under the Land Improvement and Agriculturists' Loans Act including the balance remaining unpaid out of the sums which fell due in the previous years was Rs. 80.49 lakhs, out of which a sum of Rs. 33.95 lakhs was collected and a sum of Rs. 200 was written off. The balance outstanding at the end of the year was Rs. 46.54 lakhs as against Rs. 31.41 lakhs in the previous year.

35. *Loans—Demand, collection and balance (principal and interest).*—The aggregate amount of principal and interest repayable during the year under the Agriculturists' Loans (Madras Amendment) Act, 1935, was Rs. 2.48 lakhs, out of which Rs. 1.68 lakhs was collected. The outstanding balance at the end of the year was Rs. 0.80 lakh, as against Rs. 0.70 lakh in the preceding year.

36. *Debt Conciliation Boards.*—There were no Debt Conciliation Boards working in any of the districts during the fasli.

37. *Enhanced water-cess on irregular irrigation.*—The system of publishing a general or collective notice in each village with reference to B.P. No. 58, Settlement, dated 10th April 1919, is reported to have worked satisfactorily. The ryots were well aware of the rules and made representations in time to the Jamabandi officers which resulted in prompt investigation of objections and reduction in the number of water-rate appeals. In cases where Government water was taken without permission, deterrent penalties were imposed except in cases covered by Grow More Food concessions.

38. *Cultivation of tank-bed lands.*—There were cultivations of tank-bed lands and abandoned tanks. Objectionable cases were dealt with under the provisions of the Madras Land Encroachment Act. The Grow More Food concessions relating to the cultivation of tank-bed lands, were withdrawn in the beginning of the fasli. In their order G.O. Ms. No. 2618, Revenue, dated 28th September 1950, the Government modified the previous orders and directed that the cultivation of tank-bed lands might be allowed to continue in cases where cultivation had been carried on for the last five years with the permission of the authorities subject to certain conditions.

39. *Cowles.*—During the fasli 301.22 acres of land were held on cowle, on Rs. 418-6-0 as against 317 acres on Rs. 422 in the previous fasli.

40. *Examination of village and taluk accounts.*—The maintenance of these registers was generally satisfactory in all the districts. The accounts were checked at the time of jamabandi by the Jamabandi Officers and by Revenue Divisional Officers at the time of inspection of taluk offices. Minor defects noticed were rectified then and there.

41. *Taluk and village statistical registers.*—The taluk statistical registers prescribed in the Manual of Taluk Accounts (Special) were maintained in the Nilgiris, Malabar and South Kanara districts. The village statistical registers were maintained in all the ryotwari villages.

42. *Minor irrigation.*—Statement No. 19 shows for each district the number of minor irrigation works in charge of the Revenue department, the number repaired and the amount spent on them during the official year ending 31st March 1951. Four thousand one hundred and eighty-five minor irrigation works were repaired in the fasli out of 36,321 works in the State. The statement also shows the number of minor irrigation works proposed for repairs during the official year ending 31st March 1952. Three thousand nine hundred and fifty-five works have been proposed for repairs in fasli 1361.

43. *Ryots' conferences.*—Ryots' conferences were held in all the districts except in Chingleput, Madurai, Coimbatore and Madras. Such conferences enabled the ryots to come into personal contact with the Revenue, Public Works Department and Agricultural Department Officers who explained to them the various aspects of the Government policy.

44. *Extent to which inspection of subordinate offices has been carried out.*—Subordinate offices in all the districts have been inspected by the Collectors and the Revenue Divisional Officers. The Collectors' inspection of the Revenue Divisional Officers' offices was generally thorough. The Board examined the Collectors' notes of inspection of the Revenue Divisional Officers' offices and issued suitable instructions then and there, and took disciplinary action wherever it was called for.

During the fasli, the members of the Board of Revenue inspected the Collectors' offices in the following 14 districts with references to the instructions in G.O. No. 2086, Revenue, dated 17th September 1942, and G.O. Ms. No. 2954, Revenue, dated 22nd November 1943, and found that the administration of the districts continued to be efficient:—

(1) Coimbatore, (2) Krishna, (3) Madras, (4) Nellore, (5) Tirunelveli, (6) Anantapur, (7) Kurnool, (8) Chingleput, (9) Salem, (10) Srikakulam, (11) Visakhapatnam, (12) West Godavari, (13) Tiruchirappalli and (14) The Nilgiris.

45. *Administration of charitable and religious inams.*—The administration of charitable and religious inams continued to be satisfactory in all the districts, and there were no complaints from any districts in the fasli. Action for resumption of inams for default in service, or on the ground of alienation of inam lands, was taken where necessary after giving every opportunity to the inamdars to redeem the lands or to revive the service before resorting to resumption proceedings. It was only in cases where the inamdars failed to avail themselves of the opportunity afforded, that resumption proceedings were put through. In cases where inam lands were acquired for public purposes, the interests of the inamdars were secured by the assignment of revenues in their favour to compensate for the loss of inam privileges. The principles laid down in paragraphs 7 and 8 of Board's Standing Order No. 54 were strictly observed in the reassignment of net assessment in the cases dealt with.

Seventy-six acres and seventy-five cents of religious inam lands bearing the assessment of Rs. 149-7-0 and one hundred and twenty-three acres and sixty-one cents with an assessment of Rs. 149-7-3, were resumed in the fasli for the reasons referred to above. There were no cases of resumption due to disappearance of institutions.

Information regarding the amount of net assessment reassigned to the working incumbents or credited to general revenues has not been furnished in full.

46. *Well Subsidy Scheme.*—Out of the four well subsidy schemes, which were in force in fasli 1359 in the State, the New Well Subsidy Schemes, 1947-48 was closed on 30th June 1950 and the other three schemes were extended in the fasli. As the progress of well works was slow during the fasli due to drought conditions prevailing in certain areas of the State, the Government granted extension of time till 30th June 1952 for the completion of all the pending well works. The New Well Subsidy Schemes was continued during the year, 1951-52, but its operation was restricted to select areas in a few districts where the water table was comparatively high and where the well irrigation was the only feasible and economical mode of irrigation.

Complete statistics in regard to the working of the several well subsidy schemes during the fasli 1360 are furnished in the Annexures A to D.

47. *Inspection of Cattle Census (Quinquennial).*—A cattle census was taken by the karnams during the year. It is reported that the overcheck by the inspecting officers did not disclose any defect in the work of the karnams and that the enumeration was on the whole fairly correct.

48. *Rent Roll (Quinquennial).*—Statement No. 20 shows the number of pattas of various values held in the several districts of the State for fasli 1360 (1950-51), excluding Madras where the land revenue consist mainly of quit-rent imposed on house-sites, the total number of pattas held during the last fasli of the quinquennium was 7,203,923. This was 14,817, more than at the end of the previous quinquennium. Of these 3,942,643 were under single pattas and 3,261,280 were under joint pattas. There was an increase in all the districts except Visakhapatnam, Guntur, Nellore, Cuddapah, Coimbatore, South Kanara, and Malabar where there was a decrease. There was a decrease of (69,443 pattas) in Visakhapatnam, Guntur (254,093 pattas), Nellore (85,694 pattas) and Cuddapah (33,111). The increase was mainly due to the grant of lands on darkhast, and to the splitting of joint holdings resulting in the grant of separate pattas after subdivision to the several former joint holders.

Board of Revenue, Madras

Proceedings No. 6/52, Press. 24th March 1952

Stamp duty—Pauper suits—Arrears—Progress of demand, collection and balance statement—Half-year ending 30th September 1951—Collectors' reports—Reviewed.

Sri V. N. KUDVA, I.C.S.,
Commissioner of Commercial Taxes.

READ—the following:—

Reports from all the Collectors.

Resolution—No. 6/52, Press, dated 24th March 1952.

The balance of stamp duty awarded to Government in pauper suits outstanding on the 30th September 1951 is given in Appendix 'A' to these proceedings. A sum of Rs. 89,437-4-0 which is 6.63 per cent of the total demand is reported to be irrecoverable. Of this, a sum of Rs. 10,761-9-9 represents items exceeding Rs. 1,000 written off under the orders of the Board. The balance of Rs. 78,675-10-3 consists of items less than Rs. 1,000 each. It is presumed that the Collectors have written off the amounts under the powers delegated to them in G.O. No. 2835, Revenue, dated 28th December 1942, communicated with B.P. No. 53-M, Press, dated 18th January 1943, and in G.O. Ms. No. 4591, Home, dated 13th December 1948. If the amounts have not been already written off, the Collectors concerned should take prompt action to dispose of the pending cases soon.

2. Appendix 'D' gives the details of the total recoverable balance of Rs. 10,97,183-10-1 outstanding at the end of the half-year. The collection of Rs. 6,13,804-9-2 which is 55.94 per cent of the total recoverable balance was either pending enquiry or under correspondence. The percentage under this head exceeds the percentage for the State as a whole in the districts of Krishna,

Guntur, Nellore, Anantapur, Chingleput, North Arcot, Madras, Tiruchirappalli, Ramanathapuram, Salem, Coimbatore and Malabar. It is presumed that the Collectors of the districts have taken steps subsequently to reduce the balance under this head. The districts of Anantapur, Chingleput, North Arcot, Tiruchirappalli, Ramanathapuram and Malabar were in a similar state in the last half-year also.

3. Particulars for each district showing the years to which the recoverable balances relate are given in Appendix 'C' to these proceedings. Balances for the years preceding 1940-41 still continue in the districts of East Godavari, Krishna, Guntur, Bellary, Tiruchirappalli, Coimbatore and Malabar. The Collectors of the districts concerned are requested to pay their personal attention to the collection of the arrears, and have the balances reduced or written off if there are no chances of recovery.

4. The percentage of the total collection to the total demand has fallen slightly from 12.62 per cent to 12.02 per cent in the half-year under review. It is hoped that the Collectors will show better progress in the next half-year. They are also requested to adhere strictly to the date in the submission of the returns.

and also in the case of land revenue paid, a description of the land concerned sufficient to identify it. A copy of the judgment is enclosed.

3. Thereupon, the Government considered the question of amending section 56 of the Revenue Recovery Act, in the light of the observations made by the Sub-Court, Kumbakonam, but eventually dropped the proposal. The Government, however, after examining the question, came to the conclusion that the receipt in Form No. 18 of the Village Accounts be amended to satisfy the requirements of section 56 of the Revenue Recovery Act, and accordingly called for proposals. The Board in consultation with the Collector of Tanjore, submitted a revised Form No. 18 of the Village Accounts which was approved by the Government in their order last cited. A copy of the revised Form No. 18 is appended. The Collectors are requested to see that the revised form is used in future. The following amendments to the Manual of Village Accounts (General) will, therefore, be issued:—
