GRASS— <i>cont.</i>	1896.
Office-note of the District Forest office, Kurnool, regarding the proposal to cut and store, and requesting them to encourage the ryots to cut and store, instead of letting it dry up, communicated to Collectors of certain districts.	24th Nov., F. No. 1532, Mis.
Kurnool—Cutting of, in the forests of the district for sale.—Desired that the prohibition to the, ordered by the Collector in his notices of October last should be withdrawn as it is most desirable to utilize the grass available as fully as possible and as the work of grass cutting for sale to the ryots will afford employment on a large scale.	8th Dec., " 1590, Mis.
GRAZING.	
Kistna—Parcellaire system of, adopted in the district.—Orders passed on Collector's report on the first year's working of the,—Collector considers it inadvisable to utilize the services of village heads in receiving grazing fees and issuing permits. Collector requested to report why it is considered necessary to place the unreserved lands under the supervision of the forest subordinates.—Collector's and Conservator's testimony as to District Forest-officer's zeal in the successful working of the scheme, noted with pleasure.—Government Order agreeing with the Board in the success attained in the introduction of the system, communicated to Collector and Conservator of Forests, Northern Circle.—Collector requested to submit the reports called for in paragraphs 5 and 7 of Board's Proceedings, Forest No. 2.—Collector's report and the "Parcellaire" for 1896-97 as revised by the Collector and recommended by two Conservators, approved.—Separate report promised by Collector, awaited.—Board prepared to consider definite proposals for the entertainment of extra supervising staff for parcellaires adjoining aghaharam forests and submission of usual proposition statement called for.—Government Order approving the revised parcellaire system of, in the Kistna district for 1896-97, recorded with remarks.	8th Jan., " 2. 25th Mar., " 141. 28rd July, " 327. 19th Oct., " 486.
Retention of village wastes and their use for grazing purposes.—Board's views on the subject of, submitted to Government.—Government Order concurring with the views of the Board, communicated to Collector and Conservator.	16th Jan., " 17. 16th May, " 215.
Levy of, fees in reserved lands and reserved forests.—Any change in the instructions already issued with regard to the, considered unnecessary pending the examination of the conditions of the various tracts and the collection of data to introduce special rates of fees, the only modification in the present system that the Board would advocate being the imposition of special higher rates in the case of cattle kept by agriculturists in large numbers for breeding purposes and in the case of those kept by non-agriculturists for profit.—Board's remarks on, submitted to Government.—Government Order considering that the Board's proposals are open to objections similar to those which led to the abolition of the distinction between privileged and unprivileged cattle and desiring the Board to reconsider the question and to report how it proposes to overcome the difficulty.—Government Order informing the Government of India	28th Jan., " 123, Mis. 1st Sept., " 1211, Mis. 14th Dec., " 571.

69

GRAZING—*cont.*

that His Excellency the Governor in Council is convinced that it would be inexpedient and impolitic to revive any system of grazing fees based on a classification of cattle, communicated to Conservators.—Conservators requested to submit, in consultation with Collectors concerned, a detailed report on the subject of levy of enhanced rates of, fees in special tracts.

Nellore—rules notified in the District Gazette.—Considering that the, should not have been introduced without the Board's approval and ordering the submission of a report at the end of the year as to the number of cattle admitted to, in each reserve, &c.—Central Circle Conservator's remarks on the Collector's explanation to the Board's call, that it would be premature to regulate the number of cattle to be admitted to particular reserves and that it will be preferable at present only to arrange for a periodical closure of parts of the grazing areas without placing any restriction in the number of cattle to be admitted in the rest of the areas, concurred in with remarks and the Collector's proposal to introduce the parcellaire system into a portion of the Rapur taluk, awaited.

Cuddapah—Maximum, fees ordered to be collected in the district.—Collector's letter recommending the reduction of the, submitted to Government with Board's support.—Government Order approving and sanctioning the proposed reduction, communicated to Collector and Conservator of Forests, Central Circle.

leases.—Board's Proceedings (Land Revenue) communicating to all Collectors and Conservator of Forests, Southern Circle.—Government Order stating that the prohibitive order with regard to the leasing of compounds of public buildings do not apply to, recorded.

Issue of, permits.—Central Circle Conservator's letter forwarding with remarks letter from the Collector of North Arcot forwarding his District Forest-officer's office-note on the draft set of rules for the, recorded.—Draft rules and conditions as revised by the Board, submitted to Government with remarks.

fees.—Collector informed that the maximum rate of, proposed in Government Order on Board's Proceedings, No. 556, dated 23rd September 1895, apply also to sheep and goats.—Board's Proceedings recorded by Government.

Kistna—areas in the villages around Vellatur.—Collector's letter stating that arrangements have been made to prevent agricultural cattle in fasli 1306 from being crowded out of, recorded.

Góddavari—fees.—Collection of, in the agency tracts of the district.—Proposals of the Special Assistant Agent regarding the, submitted for the orders of Government with remarks.—Government Order passing orders on the proposals and issuing an addendum to the Bhadrachalam Forest Rules, communicated to Government Agent, Góddavari, and Conservator of Forests, Northern
