8th SEPTEMBER, 1800.

G. O. By Major General Brathwaite.

Major General Brathwaite has recieved from the Officer Commanding in *Mysore* a report of the very spirited conduct of a detachment from his force under

der Lieutenant Colonel Capper of the 2d Battalion of the 4th Regiment of Madras Native Infantry, and compoſed of detachments from that Corps, from the 2d Battalion of the 2d, and 1ſt Battalion of the 4th Bombay Regiments under Captains Lock and Dickenſon, and a detail of Coaſt and Bombay Artillery under Captain Sir John Sinclair:—This force on the morning of the 22d of Auguſt attacked and carried by aſſault the forts of *Hoolly* and *Syrhinghy*.

Report of the attack by aſſault of the forts of *Hoolly* and *Syrhinghy*.

The praiſe with which the Honorable Colonel Welleſley reports the conduct of the Officers of the detachment in carrying a ladder to the walls, and of the troops in general in the courſe of theſe attacks, is ſo favourable to their military character, that Major General Brathwaite deems it his duty to announce it to the Army at large: and to particularize the meritorious exertions of Captain Sir John Sinclair with his detachment of Artillery, in diſmounting and conveying a Gun (which the outer entrance was too ſmall to admit on its carriage) for the purpoſe of burſting the inner gate of the fort of *Syrhinghy*. This ſervice, ſucceſſfully performed under a heavy fire from the place, reflects the higheſt honor on that Officer, and on the gallant detachment under his immediate orders.

The gallantry of Captain Sir John Sinclair and his Detachment of Artillery noticed.

1ſt—The Right Honorable the Governor in Coun-
cil

cil is pleaſed to publiſh in General Orders the following extract of a letter from the Honorable the Court of Directors in their Military department dated the 5th March 1800.

Extract of a letter from the Court of Directors reguarding Cadets.

3d—The Right Honorable the Governor in Council has received with much ſatisfaction a report from the Medical Board by which it appears that Mr. Richardſon Head Surgeon in the ſouthern diviſion had by his perſuaſion, humane attention, and the moſt laudable exertions, ſo far overcome the prejudices of the Natives to the practice of inoculation as to have prevailed upon many of them including Moors, Gentoos, and Malabars to conſent that their children ſhould undergo the operation, and that he has in conſequence within the laſt 20 months attended 225 patients in the ſmall pox, who received the infection from inoculation with ſo much ſucceſs, that not a ſingle caſualty had occurred: His Lordſhip in Council therefore to mark his ſenſe of a conduct ſo humane and public ſpirited is pleaſed thus publicly to expreſs his approbation of it in General Orders; and to deſire that his thanks

The approbation of Government of the Conduct of Mr. Richardſon for introducing the inoculation among the natives, and for his humanity in attending upon them while under the complaint.

thanks may be conveyed by the Medical Board to Mr. Richardſon for his laudable and ſucceſsful endeavours to eſtabliſh a practice from which the greateſt public advantage may be derived by ſaving the great number of lives which without reſorting to it would fall victims every ſeaſon to a complaint ſo dreadful and deſtructive to the Natives.

4th—With a view to make as public as poſſible amongſt the Natives, the calamity which may be avoided by ſubmitting to the practice of inoculation, the Right Honorable the Governor in Council has directed an abſtract from the report of the Medical Board to be publiſhed in the Moor, Gentoo and Malabar languages: and the gentlemen in the Medical line, particularly thoſe attached to Native corps, are hereby called upon and enjoined to uſe their beſt endeavours in imitation of Mr. Richardson's example to remove the prejudices of the Natives to hold out every encouragement to them to ſubmit to the operation of inoculation, and to afford every attention while they are under the influence of the diſeaſe.

5th—The Right Honorable the Governor in Council has been pleaſed to reſolve that Mr. Richardſon ſhall be permitted to draw the ſum of five hundred Pagodas from the paymaſter of *Trichinopoly* as a compenſation for the expences which he may have incurred during his attendance upon ſo many extra patients.

1ſt—Lieutenant Thomas Longan having violated the exiſting orders of the Right Honorable the Governor in Council, and having offered a flagrant diſreſpect to the civil authority, veſted in the Collector of *Ganjam*, by taking on himſelf to puniſh corporally a native inhabitant of that place, not ſubject to military authority, his Lordſhip had ordered that Lieutenant Longan ſhould be brought to trial by a Court Martial for that offence.

2d—Lieutenant Longan having however ſubſequently offered ſuch an explanation, and ſuch atonement for the violence of his conduct, as the Governor in Council conſiders to be ſufficient, His Lordſhip in Council has been pleaſed to direct the Officer

Officer Commanding the Army in Chief to cauſe Lieutenant Longan to be releaſed from arreſt; and His Lordſhip in Council is farther pleaſed to deſire that Major General Brathwaite in publiſhing this reſolution to the Army, will warn Lieutenant Longan againſt the repetition of ſo reprehenſible a conduct, which his Lordſhip in Council will not permit to paſs with impunity.

By Order of the Right Honorable the Governor in Council.

Major General Brathwaite in publiſhing this order to the Army at large, thinks it neceſſary to warn military men, that it ought to be at all times impreſſed on their minds, that the chief authority is veſted by the conſtitution under which they ſo happily ſerve, in the civil powers—to which it is upon all occaſions neceſſary for the Soldier to pay due obedience and to give all requiſite ſupport—and he aſſures not only Lieutenant Longan, but the Officers in general, that whatever may be their merits in other reſpects, if the whole tenor of their conduct does not manifeſt a clear conviction of this great conſtitutional principle—he will never bring them forward as Officers deſerving the favourable notice of Government, and that he will be the firſt, as he is in duty bound to be, to endeavour to bring diſgrace and puniſhment on any Officer or Soldier who ſhall act

in

in any way ſo as to deprive any one under the protection of the Britiſh Government, of thoſe rights and protections which he poſſeſſes in perſon and property from the principle of the Britiſh conſtitution as above ſtated.

Two liſts of the names rank and dates of commiſſions of Subidars in the 2d Battalion of the 3d Regiment of Native Infantry both certified as correct by the Officer Commanding the Battalion to which thoſe Native Officers belong, but differing materially in the rank aſſigned to them, having been received at Head Quarters, the Commander of the Army in Chief has thought it proper to mark his diſpleaſure to that Officer, and now thinks it neceſſary to Order that Officers Commanding corps will cauſe the liſts of Native Officers required by the General Orders of the 11th of July laſt to accompany their monthly returns, to be formed from actual inſpection of the commiſſions of the Native Officers of their reſpective corps; and in all caſes where commiſſions have not been received, the circumſtance is to be reported to the Adjutant General's Office for the information of the commander of the Army in Chief; and the liſt to be formed proviſionally from inſpection of the Battalion books and reference to the letters notifying the approval of the recommendation

G. O. By Major General Brathwaite.

Forms of ſuch general, and regimental, returns as are to be tranſmitted monthly to the Office of the Adjutant General of the army by commanding officers, whether of his Majeſty's, or the Honorable Company's ſervice, will be circulated from that office; and are to be invariably obſerved.

Forms of Returns.

The general return is equally applicable to any body of troops, whether compoſing a diviſion, diſtrict, brigade, or garriſon: to the two latter is to be added a liſt of Officers corresponding.

It is to be underſtood that Officers in ſubordinate commands are to tranſmit returns to the Office of the Adjutant General of the Army: to the Adjutant General, or Deputy Adjutant General, of their particular

ticular ſervice, if belonging to any other than the Fort St. George eſtabliſhment; and to their regimental, diviſion, diſtrict, brigade and garriſon, Commanding Officers, only.

It is eſtabliſhed as a regulation of the ſervice that all returns, reports, and official papers ſent to the Adjutant General's Office ſhall be addreſſed "To the Adjutant General of the Army" "*Fort St. George*," without the addition of his Name.

And that in all official Letters which may paſs between Military Officers, the name, and rank, or official deſignation, of the perſon writing the Letter ſhall immediately follow the concluſion of the ſubject, without any of the phraſes of perſonal compliment hitherto in uſe.

The following mode of correſpondence to be ſtrictly adhered to by all Officers, whether of His Majeſty's, or the Honorable Company's ſervice, and all others exerciſing Military duties, ſuch as to render it neceſſary for them to refer themſelves occaſionally to the Officer Commanding the Army in Chief.

All official Letters relative to matters of detail, or merely Military, are to be addreſſed to the Adjutant General of the Army in the manner above ſtated, always however expreſſing in the body of the Letter that it is intended to be laid before the Officer Commanding in Chief.

The only deviations from the above preſcribed mode of exterior addreſs which can be allowed are that

that when the contents of the Letter have only reference to the interior arrangements, œconomy, and uſages, of His Majeſty's corps, that Letters coming under this deſcription are to be addreſſed to the Deputy Adjutant General of His Majeſty's troops doing duty under the Preſidency of *Fort St. George*; and Letters relative to diſburſement of money, which render an application to Government neceſſary, are to be addreſſed to the Right Honorable Governor in Council, and to be ſent under a flying ſeal, under a cover addreſſed to the Secretary of the Officer Commanding the Army in Chief.

The replies to all Letters will be communicated through the channel of the Staff Officer to whom they have been exteriorly addreſſed; and the Secretary will be directed to return Letters addreſſed to the Right Honorable Governor in Council, if upon inſpection the Officer Commanding the Army in Chief does not think them ſuch as he can with propriety forward, and his objections will be notified to the Officer by whom the Letter has been forwarded.

It is to underſtood that all official Letters which are intended to be laid before the Officer Commanding the Army in Chief, are in the firſt inſtance ſtill to be ſubmitted to the Officer Commanding in Chief on the ſpot, by whom they are to be forwarded through the preſcribed channels, to the Staff Officer of Head Quarters to whom they are addreſſed.

addreſſed, or not, as he ſhall judge neceſſary; and the ſame diſcretionary power may be exerciſed by any other Officer, through whoſe hands the Letter muſt neceſſarily paſs.

Any Officer however who thinks it neceſſary to ſtop the progreſs of a Letter to Head Quarters, muſt ſignify, or cauſe to be ſignified, in writing, his reaſon for ſo doing to the writer of the Letter; and the laſt Officer who forwards the Letter will be conſidered as the reſponſible Officer, and as having ſanctioned, and approved, the contents.

The Medical Board, notwithſtanding any thing contained in this order, is to continue its mode of communication with Head Quarters as heretofore.

24th SEPTEMBER, 1800.

G. O. By Major General Brathwaite.

The operations of the force employed under the Honorable Colonel Wellesley on the frontier of *Myſore* have been frequently marked by circumſtances which demanded, and obtained, the applauſe of the Commander of the Army in Chief: but in no inſtance has judgment in the plan, and gallantry in the execution, of a Military movement been ſo eminently conſpicuous as in the concluſion of the campaign on the 10th inſtant—When the rebel Chief Dhoondiah Waug, baffled by the judicious diſpoſition of Colonel Stevenſon's detachment in his attempt to eſcape in a northern direction, was intercepted on his retreat at *Coonagal* by Colonel Wellesley with the Cavalry of his diviſion only, and forced to a deciſive action, which terminated in his total defeat, and death: Colonel Stevenſon's detachment on the ſame day diſperſing the remnant of his force, then employed in croſſing the *Kiſtna* near *Dooburg*, and ſeizing the remaining Cannon, and Baggage of the rebel Army.

Major General Brathwaite requeſts that Colonel Wellesley will accept his public thanks for the judgment, with which his meaſures have been planned, and the vigour which has marked every movement of his force. He has particular ſatisfaction in publiſhing

ing to the Army at large, the very honorable report Colonel Welleſley has made of Colonel Stevenſon's conduct, and the activity of the detachment under his command, to which that Officer attributes the occurrence of the opportunity he ſeized of forcing Dhoondiah to a deciſive action; and the Commander of the Army in Chief is happy to record in honor of his Majeſty's 19th, and 25th Regiments of Light Dragoons, and the 1ſt and 2d Regiments of Native Cavalry, that thoſe corps, under Colonel Pater—Majors Patterſon and Blacquiere——and Captains Doveton and Price, compoſed the line whoſe rapid charge upon a body of five thouſand horſe formed to receive them, acheived this glorious concluſion to a campaign, diſtinguiſhed throughout every ſtage of its operations by peculiar, and progreſſive energy.

The Honorable Colonel Welleſley, has expreſſed his obligation to Lieutenant Colonel Bowſer, for his ſervices with his detachment from the ſubſidiary force, and reported in the warmeſt terms of praiſe the uniform good conduct of the troops in general, under circumſtances of uncommon fatigue and difficulty, incident to the nature of the recent ſervice.

The advantages derived from the able arrangements of the Gentlemen charged with the department of ſupply, have been pointed out to the particular notice of the Commander of the Army in Chief, and he is happy in adding this record of their merits to the expreſſion of his thanks to the Honorable

Colonel

Colonel Wellesley, and the Army employed under his orders on the recent service on the frontiers of *Mysore*.

Fort St. George, 25th September, 1800.

G. O. By Government.

The Right Honorable the Governor in Council is pleaſed to publiſh in General Orders the following diſpatches received from Colonel the Honorable Arthur Wellesley.

Camp at Yepalperury, 10th September, 1800.

Sir,

After I had croſſed the *Malpurba* at *Jillaball* I marched on the 3d Inſtant and entered the Nizam's territories at *Harramſagur* on the 5th as Colonel Stevenſon was obliged to croſs the *Malpurba* in Boats, he was not able to advance from that river till the 4th. It appeared to me probable that when Dhoondiah ſhould be preſſed by the whole of our force on the Northern ſide of the *Doaut*, he would return into *Savanore* by *Kunnagherry* and *Kopul*, and would thus impede our communication, or if favoured by the Patans of *Carnaul*, and the Poligars on the right bank of the *Tumbudra*, he would paſs that river, and would enter the territories of the Rajah of *Myſore*, I therefore determined to bring my detachment to the ſouthward, and to prevent the execution of either of thoſe deſigns, if he had them; and afterwards to puſh him to the eaſtward, and to take ſuch advantage of his movements as I might be able, while Colonel Stevenſon ſhould move by *Moodgol* and *Noofly* at the diſtance of between twelve and twenty miles from the *Kiſtna*, and the Marratta and Mogul Cavalry collected in one body between his Corps and mine.

I arrived at *Kunnagherry* on the 7th and on the 8th moved with the Cavalry to *Buſwapour*, and on the 9th to this place the Infantry being on thoſe days at *Hoovy* and *Shinnour* about 15 miles in my rear—on the 9th in the Morning Dhoondiah moved from *Malghery* a place about 25 miles from *Rachoor*, at which he had been encamped for ſome days, towards the *Kiſtna*; but on his road, having ſeen Colonel Stevenſon's Camp, he returned, and encamped about nine miles in my front, between me and *Bannoor*. It was clear that he did not know that I was ſo near him, and I have reaſon to know that he believed that I was at *Shinnoor*.

E

I moved forward this morning and met his Army at a place called *Conabgull* about 6 Miles from hence. He was on his march and to the westward, apparently with the design of passing between the Mahratta and Mogul Cavalry and my detachment, which he supposed to be at *Shinnoor*—He had only a large body of Cavalry apparently 5000, which I immediately attacked with the 19th and 25th Dragoons, and 1st and 2d Regiments of Cavalry.

The enemy was strongly posted with his rear and left flank covered by the Village and rock of *Conabgull* and stood for some time with apparent firmness; but such was the rapidity and determination of the charge, made by those four Regiments, which I was obliged to form in one line in order at all to equalize in length that of the enemy, that the whole gave way; and were pursued by my Cavalry for many miles—many, among others Dhoondiah Waug, were killed; and the whole body dispersed, and were scattered in small parties over the face of the country.

Part of the enemy's baggage was still remaining in his camp, about three miles from *Conabgull*; I returned thither, and got possession of Elephants, Camels, and every thing he had.

The complete defeat and dispersion of the enemy's force, and, above all, the death of Dhoondiah Waug, puts an end to this warfare; and I cannot avoid taking this opportunity of expressing my sense of the conduct of the troops; upon this last occasion, their determined valour and discipline were conspicuous; and their conduct, and that of their Commanding Officers Colonel Pater, Major Patterson, Major Blacquiere, Captain Doveton, and Captain Price have deserved my most particular approbation. At the same time I must inform you that all the troops have undergone, with the greatest patience and perseverance a series of fatiguing services.

It is also proper that I should inform you how much reason I have to be pleased with the Gentlemen, charged with the business of procuring supplies for the troops; notwithstanding the distance of the scene of my operations from the usual sources of supplies, and the rapidity of my marches, and the necessity from the species of warfare carried on, of perpetually altering their direction: I have always been well supplied with every thing which the troops could want.

The Mahratta and Mogul Cavalry are now employed in the pursuit of the fugitives; and I propose to draw off towards the frontier of the Rajah of *Mysore* in a few days.

I have the honor to be,

Sir,

Your most Obedient Humble Servant.

Camp at Yepalperury, September 13th, 1800.

SIR,

I have the pleasure to inform you that I have this day received a report from Colonel Stevenson of his proceedings on the 10th Instant, by which it appears that near *Doodroog* he came up with and took the only two remaining Guns the enemy had, a quantity of Baggage, Camels, Bullocks, Brinjarries, &c. and that he dispersed and threw the whole into confusion.—Their object had been to pass the *Kistna*, and to go to *Solapour*; the Guns belonged to the Solapour Polygar, and were destroyed in his country; and Colonel Stevenson found his people employed on the *Kistna* in giving assistance to the Baggage to pass the River—Thus the service, upon which the troops have been employed, has been completely performed.

I attribute the opportunity, which was given of destroying the enemy's Army, to the movements of the detachments under Colonel Stevenson: in no part of the Army has there been greater exertion, or more fatigue, or has it been more chearfully borne; and I conceive Colonel Stevenson, Lieutenant Colonel Bowser, and the Officers and troops under their orders, to be entitled to my approbation, and to the favorable report of their conduct which I now make to you.

I have the honor to be,
SIR,
Your most Obedient Humble Servant,

Adjutant General of the Army.

The Right Honorable the Governor in Council takes this occasion of expressing to Colonel Wellesley the high sense, which his Lordship entertains of the judicious arrangements made by Colonel Wellesley for the supply of his Army, of the indefatigable activity displayed in its operations, and of the distinguished ability manifested in those masterly dis-

diſpoſitions, which terminated in the diſcomfiture and utter defeat of the enemy.

The force of the rebel Dhoondiah Waug having increaſed to that alarming extent, which menaced the tranquillity of the Honorable Company's poſſeſſions, and thoſe of its Allies, in the weſtern provinces of the *Peninſula*, the Right Honorable the Governor in Council attached the greateſt degree of political importance to the ſucceſs of the troops under the Command of Colonel Welleſley; and, although the implicit confidence repoſed in the talents of that Officer cannot be ſtrengthened by the ſucceſsful events of the campaign. His Lordſhip will feel the greateſt pleaſure in reporting to the moſt Noble the Governor General in Council, and to the Honorable Court of Directors, the ſolid extenſive advantages, derived to the affairs of the Honorable Company under this Preſidency, by the able and ſpirited conduct of the war entruſted to Colonel Welleſley.

The Governor in Council has obſerved, with the utmoſt degree of ſatisfaction, the patience, with which the Officers and Troops under the Command of Colonel Welleſley have endured this ſeries of fatiguing ſervice, the ſpirit of zeal which has diſtinguiſhed the operations of the Army, and above all the matchleſs bravery and diſcipline with which the detachment of Cavalry attacked, defeated, and deſtroyed the collected force of the enemy on the 10th of September.

The

The Right Honorable the Governor in Council therefore directs the Officer Commanding the Army in Chief to convey to Colonel Welleſley, and to the Officers and Troops under his Command, the public thanks of the Governor in Council for the important ſervices, which they have rendered to the Britiſh Empire in *India*.

By Order of the Right Honorable the Governor in Council.

(Signed) J. WEBBE, *Chief Sec. to Government.*

Pleaſed as Major General Brathwaite is at all times to carry into execution the Commands of the Right Honorable the Governor in Council, he can not but feel a more than ordinary ſatisfaction and an high degree of profeſſional gratification, in publiſhing to the Army the ſentiments of the Right Honorable the Governor in Council has expreſſed in the General Order of Government, on this day publiſhing the diſpatches, he had the honor to lay before his Lordſhip; and in conveying to the Honorable Colonel Welleſly and the Officers and Troops compoſing the Army under his Command, the thanks of the Right Honorable the Governor in Council.

6th—That for the years 1799 and 1800 for which half mounting is due to the European troops, the Officers commanding companies, shall, on the publication of this order, draw, under the forms before prescribed, for the effective strength actually present, whose names were inserted in the half mounting rolls transmitted to the Adjutant General of the Army; and the men, who have been invalided, or pensioned since

ſince thoſe rolls were forwarded, and who have conſequently been furniſhed with certificates, to ſhew that they are entitled to half mounting for one, or both thoſe years, ſhall be drawn for by the Officer, who may be now in charge of them, and who is to forward the certificates with the abſtracts and roll to the Paymaſter, as a voucher in ſupport of the charge.

7th—And in order to check the above payments for the years 1799 and 1800, the half mounting rolls when paſſed by the off-reckoning committee, ſhall be lodged in the office of the Military Auditor General for that purpoſe.

CHARGES—Jemidar Shaik Bram of Major Leonard's Troop of 5th Regiment Native Cavalry ordered in arrest by me, on the 24th September 1800, for irregular un-officerlike conduct, as follows.

1st—For going drunk to the parade on 22d April last, or about that time, when ordered for duty on the standard guard of the Regiment so much intoxicated, that the Adjutant (Lieutenant Mason) ordered him off the parade in consequence, and another Jemidar was obliged to perform his (Shaik Bram's) duty.

3d—For bringing back to the Cantonments, on the 24th Instant, a woman who had been previously expelled the same for bad conduct, and refusing to have her turned out again when ordered.

4th—For positive disobedience of my orders on the 24th Instant in refusing to come to me, when I sent the Native Adjutant of the Regiment to call him to my Quarters, and obliging me to send the Native Adjutant a second time, with a guard to bring him by force, to explain his conduct.

SEN.

SENTENCE—The Court having with mature deliberation considered what has appeared before it in evidence in the courſe of the proſecution, as alſo what the priſoner has ſaid in his defence—are of the following opinion.

1ſt—They are of opinion that the priſoner Jemidar Shaik Bram is guilty of the 1ſt charge exhibited againſt him Viz "Of going drunk to the parade on 22d of April laſt or "about that time, when ordered for duty on the standard guard "of the Regiment, ſo much intoxicated, that the Adjutant "(Lieutenant Mason) ordered him off the parade in conſe-"quence, and another Jemidar was obliged to perform his "(Shaik Bram's) duty."

2d—That the 2d charge againſt the priſoner, Shaik Bram, has not been proved—and they therefore acquit him of it.

3d—That the 3d charge againſt the priſoner Shaik Bram has not been proved, and they therefore acquit him of it.

4th—That the priſoner is guilty of the 4th charge exhibited againſt him Viz. "Poſitive diſobedience of Commanding "Officers orders, in refuſing to come to him, when he ſent "the Native Adjutant of the Regiment to call him to his "Quarters, and obliging him to ſend the Native Adjutant a "ſecond time with a guard to bring him by force to explain "his conduct."

LASTLY—They are of opinion that the priſoner, Shaik Bram, in theſe inſtances where the Court have judged him guilty is guilty of "irregular un-officer like conduct," which being in breach of the Rules and Articles for the better Government of the Officers and Soldiers in the ſervice of the Honorable Company, they do therefore adjudge and ſentence him the priſoner Jemidar Shaik Bram to be caſhiered, and he is hereby caſhiered accordingly.

(Signed) P. A AGNEW,
Adjutant General of the Army.

SENTENCE—The Court having maturely conſidered what has appeared before it in evidence in the proſecution, as alſo what the priſoner has urged in his defence, and the evidence produced in ſupport thereof, are of the following opinion, Viz.

1ſt—They are of opinion that the priſoner Subidar Shaik Nutter

Nutter is "not guilty" of "contempt of Lieutenant Bell's "authority, as his immediate Commanding Officer, in re-"ing to ſend Poneen a Silver Smith, to him by a Sepoy, "ſent with his orders for that purpoſe, and who he had tak-"en with him from *Columbrum* to *Pylachie*, without Lieute-"nant Bell's knowledge when he was ſent on command to "that place on the 5th September" as ſet forth in the firſt article of the charge againſt him, they do therefore acquit him of the ſame as therein expreſſed: but they are of opinion that he is "guilty" of not ſending Poneen, a Silver Smith, by a Sepoy ſent for that purpoſe.

2d—That the priſoner Subidar Shaik Nutter is "not guilty" "of "defrauding Vellien a Silver Smith, of 40 veroy Fanams, "and refuſing to pay the ſame in contempt of Lieutenant Bell's "authority after he had inveſtigated the circumſtance of the "complaint, and directed the ſaid Subidar to pay the money;" as ſet forth in the 2d article of the charges againſt the ſaid Shaik Nutter, and they therefore acquit him of the ſame as therein expreſſed: but they are of opinion that the priſoner Subidar Shaik Nutter is guilty of "owing 22 veroy "Fanams to Vellien a Silver Smith, and of not paying the "ſame, when ordered by Lieutenant Bell to pay 40 Fanams.

3d—That the priſoner is "not guilty" of "ſending two "Sepoys for Narrain a Braſſman, when ſick, forcing him out "of his houſe to work at the ſaid Subidar's houſe, under "reſtraint about 18 days, and of flogging him ſeverely, being "contrary to the orders of Government, and the Battalion, "and of defrauding him of 17 veroy Fanams" as ſet forth in the 3d article of charge againſt the ſaid Shaik Nutter, and they do therefore acquit him of the ſame as therein expreſſed: but they are of opinion that he the priſoner Subidar Shaik Nutter is "guilty" of "ſending one Sepoy for Narrain "a Braſſman, and of giving the ſaid Narrain two ſlaps."

4th—That the priſoner Subidar Shaik Nutter is "not guil-"ty" of "defrauding Chauſee Chitty, a Cloth Merchant of 5½ "veroy Fanams, and refuſing to pay him in contempt of Lieu-"tenant Bell's authority" as ſet forth in the 4th article of charge againſt the ſaid Shaik Nutter, and they do therefore acquit him of it.

5th—That the 5th charge againſt the priſoner has not been proved, and they do therefore acquit him of it.

6th—The Court acquit the priſoner honorably of the 6th charge.

7th—They are of opinion that the priſoner Subidar Shaik Nutter is not guilty of "neglect of Lieutenant Bell's orders "in not proceeding to *Dinaigul* on the 20th September under "the falſe pretence of being ſick, ſecreting &c." as ſet forth in the 7th article of charge exhibited againſt him, and they do therefore aquit him of the ſame: but they are of opini-on that he the Priſoner "did not proceed to *Dindigul* on the "20th September being ſick.

LASTLY

LASTLY—They are of opinion that the Prisoner Subidar Shaik Nutter in those instances where the Court have judged him guilty, is guilty of a Breach of the Rules, and Articles, for the better Government of the Officers, and Soldiers, in the service of the Honorable United Company, and they do therefore adjudge him the Prisoner Subidar Shaik Nutter to be suspended from rank, pay and allowances for the space of one Calendar Month, to commence from such date as the Commander in Chief may think proper to direct, and furthermore that he the said Prisoner be obliged to make good the sum of 22 veroy Fanams to Vellien Silversmith.

5th JANUARY 1801.

Fort St. George, 29th December, 1800.

G. O. By Government.

The Right Honorable the Governor in Council is

is pleaſed to publiſh in General Orders to the Army the following Extracts of a letter received from the Honorable the Court of Directors, under date the 7th of May laſt.

Para. 19th—By the encloſed copy of the 66th paragraph of our Military diſpatch to *Bengal* of the 6th of June 1798, you will obſerve, that we have expreſſed our entire diſapprobation of the regulations granting an indemnification to Military Officers for the loſs of their baggage and horſes—We therefore direct that the regulations upon this ſubject, eſtabliſhed at your Preſidency, at the recommendation of the Governor General, be upon the receipt hereof annulled.

35th—We concur in the propriety of your determination upon the claim of Lieutenant Colonel Pater to ſucceed to the general charge of the Cavalry, upon the departure of Colonel Dugald Campbell, as contrary to the ſyſtem adopted for the Cavalry corps by our orders of 15th January 1796, and ſince confirmed by thoſe of the 25th July 1798.

50th—On the ſubjects mentioned in theſe paragraphs, we have to inform you, that the period, from which the ſervices of Officers is to be reckoned to entitle them to the full pay of their rank after twenty five year's ſervice, is, with reſpect to Cadets appointed here, from their arrival at the Preſidency to which they are nominated, or at any other Preſidency, at which they enter in actual ſervice, and with reſpect to Cadets who have been appointed

pointed in *India*, and whoſe appointments have been confirmed by us, from the commencement of their ſervice in *India*.

60th—Although by this mode, as noticed by the Commander in Chief, a preference is apparently given to the latter, yet it appears to us to be no more than equitable for the following among other reaſons, Viz. That in many inſtances, Cadets, nominated here, have been indulged with permiſſion to delay their embarkation for *India*, for one or more ſeaſons, ſubſequent to that in which their nominations took place during which time thoſe appointed in *India* as well as other nominations from home who immediately proceeded to *India*, have been actively employed in the duties of their profeſſion.

61ſt—In regard to the ſecond point mentioned in the Commander in Chief's minute, all Officers who have ſerved twenty-two years in *India* (to be computed from the periods beforementioned) are permitted to retire on the full pay of their rank—but if after ſerving that time ſucceſſively they come to *Europe* on furlough, they are to be ſubject to the regulations preſcribed in our letter of the 8th January 1796, relative to Officers wiſhing to retire, *while on furlough*.

62d—With reſpect to the caſes of abſentees mentioned in the 38th Paragraph, as no Officer who has not ſerved twenty two years actually in *India* can be permitted to retire on the full pay of his rank,

a declaration to the effect preſcribed by the regulations by ſuch Officers is unneceſſary, as they muſt return to their duty, in order to complete that period of ſervice, to entitle them to retire on full pay, although they may have been twenty five years or more on the ſtrength of the Army.

90th—We have peruſed the correſpondence, referred to in theſe paragraphs, between Lieutenant John Gourlay and the Deputy Military Auditor General, it appears to us, that Lieutenant Gourlay highly merited the cenſure paſſed upon his conduct by his ſuſpenſion from the ſervice.—But as he at length became ſenſible of his error, and made atonement for the ſame, we approve of your reſolution for removing his ſuſpenſion—The proper ſupport, which has thus been given to an office of great truſt, labour, and reſponſibility, has afforded us much ſatisfaction.

92d—We approve of the allowance to Captain Hill, whom you appointed to the Command of the Extra Battalion of Native Infantry raiſed in 1795; and we have great pleaſure to obſerve, by the inſpection report of the 12th October 1798, that by the uncommon exertions of this Officer, the corps had arrived to a ſtate of perfection.

98th—Under the very peculiar circumſtances ſtated in theſe paragraphs, we have been induced to confirm the appointments of Enſigns Grace, Mears, and Durand, and direct that they take rank in your Army Liſt immediately following the Cadets appointed by us for the year 1795.

132d—

132d.—Reſpecting the ſums to be paid as paſſage money from the *Cape of Good Hope* to *England*, we have to inform you, that by an agreement with His Majeſty's Secretary at war, Government are to pay the Commanders of the Company's freighted ſhips for the paſſage and accommodation of ſuch of His Majeſty's Officers, Non-commiſſioned Officers, Privates and others, who may proceed thereupon, the undermentioned rates being $\frac{5}{8}$ of the ſtipulated allowance granted by the Court's regulations of the 27th July 1796, for correſponding ranks, as recited above on the outward bound voyage to the *Eaſt Indies*, Viz.

Children above five years of age and under ten	each	4	7	6

& for thoſe of five years of age and under—nothing.

And

And we therefore direct, that the remaining ⅓ of ſuch outward bound paſſage money be conſidered as the ſtandard for regulating the paſſage allowance for ſuch of His Majeſty's Officers, and others, proceeding from the *Cape of Good Hope* to *India*, at the Company's expence, being as follows.

For a General Officer, £.	93	15	,,

Children above five years of age and under ten each	2	12	6
And for thoſe of five years of age and under	Nothing.		

133d—We muſt however obſerve, that the *Cape of Good Hope* not being a ſettlement under the charge of the Company, we are decidedly of opinion that no paſſage money ſhould be allowed on account of His Majeſty's Officers and others proceeding to *India* therefrom, unleſs they accompany ſuch Regiments or Detachments of Troops from His

His Majeſty's Regiments, ſerving at the *Cape of Good Hope* or otherwiſe, as may be deemed requiſite for the ſtrengthening of our European forces at our ſeveral Preſidencies in *India*.

148th—Under the circumſtances ſtated in your advices and proceedings reſpecting the appointment of Mr. Shuttleworth, to act as an Aſſiſtant Surgeon on your eſtabliſhment, ſubject to our approbation, we have, agreeably to your recommendation, confirmed that appointment, from the 9th January 1798, the day on which it took place.

194th—Having thus explained our reaſons for extending the allowance of paſſage money to our ſeveral Commanders, by our reſolutions of the 27th July 1796; and the ſums to be paid in future for His Majeſty's Officers coming to *England*, under the circumſtances already within your knowledge; together with the principle which guided our judgement, in determining on what might reaſonably be taken by the reſpective Commanders of our freighted ſhips, agreeable to our reſolutions beforementioned, we hereby poſitively forbid your granting an increaſed rate of paſſage money than is allowed to be received by our aforeſaid regulations, on account of His Majeſty's Officers returning to *England* when the expence thereof is borne by the Company, except in thoſe caſes, wherein our ſubſequent reſolution of the 7th April 1798 refers, and of which you have been previouſly informed, Viz.

G. O. By Major General Brathwaite.

Officers commanding detachments deſtined to enter *Myſore* are hereby directed to give ſuch timely notice to the Reſident of their route and of their approach as may enable them to receive his reply by the time they arrive at the Myſore Boundary.

Officers commanding ſuch detachments, will ſhew themſelves attentive to ſuch recommendations or ſuggeſtions as they may receive from the Reſident in *Myſore*, whether with a view to the accommodation of the troops on the march—the ſecurity of the inhabitants, or the preſervation of the cultivated lands.

Commanding Officers will alſo be particular in giving timely notice of their approach to the Amildars of the diſtricts through which they are to paſs; and in chooſing their grounds of encampment make it their care not to pitch on the cultivated lands or otherwiſe injure the property of the Ryots.

The following rules to be obſerved regarding proviſions and forage.

Sheep or ſlaughter cattle are not to be collected by means of Sepoys, or by any forcible means whatever—All Sheep required for the troops are to be procured by application to the Amildars who are to receive payment for them at the rate of three

ſheep

ſheep for a Star Pagoda according to the Company's eſtabliſhed price.

Proviſions to be paid for at the current bazar rates—and ſhould any articles appear to be unreaſonably dear, a repreſentation ſhould be made on the ſubject to the Officer commanding in *Myſore*.

Straw to be paid for at the rate of four bullock loads for the Rupee.

All Coolies furniſhed by the Amildar to be paid for at the rate of half a Sultauny Fanam per day—and Commanding Officers are directed to intereſt themſelves in ſeeing that this deſcription of people be regularly paid.

Although the above order is addreſſed particularly to Officers marching into and through the Myſore country, the ſpirit of it is ſtrictly to be attended to by all Officers marching through any of the territories under the Honorable Company's protection, recollecting at all times and in all ſituations that they themſelves and the troops which they have the honor to command are in thoſe countries as the inſtruments of Britiſh protection and not of oppreſſion, and that they cannot do greater honor to the Government they ſerve and themſelves, nor give a ſtronger proof of their attachment and good diſcipline than by ſcrupulouſly avoiding to the utmoſt of their power every ſort of conduct that may bear hard upon thoſe on whom the real proſperity of the country depends—namely—the Farmers, Traders, Mechanics, and Labourers—to protect the perſons and

properties

properties of theſe valuable claſſes of ſociety is the peculiar honor which attaches to the character of the Soldier—to preſerve which he ought at all times to be ſcrupulouſly mindful, and it is with concern that the General has been informed that from an ill choſen route a late encampment had been made upon cultivated land.

Fort St. George, 10th February, 1801.

G. O. By Government.

The Right Honorable the Governor in Council is pleaſed to publiſh, for the information of the Army, the following Extracts of Letters from the Honorable the Court of Directors.

LETTER DATED 11th JUNE 1800.

Para. 6th.—The General Officers and Colonels of Regiments, who came home under the regulations of January 1796, having addreſſed us on the alteration in thoſe regulations, ſo far as concerns them, by the ſubſequent Orders contained in our ſeparate diſpatch of the July 1798, and requeſted to be relieved from the operation of thoſe Orders, we have thought proper to comply, in part, with their requeſt, and have agreed that, ſuch of the General Officers or Colonels, abovementioned as have not retired from the ſervice, be indulged with the receipt of their pay and off-reckonings during two years and a half's furlough, from the time they left the Preſidency to which they belonged, or any other of the Company's ſettlements, where they may have been on actual ſervice.

7th—

7th—But if under the controul remaining with us, we ſhall think proper to order any of thoſe Officers to return to their duty before the expiration of that period, and they ſhall decline ſo doing, we have determined that neither their pay nor off-reckonings ſhall be ſubſequently authorized.

8th—With reſpect to the General Officers or Colonels, who have addreſſed us on this ſubject, but have ſince retired from the ſervice, and will not therefore enjoy their off-reckonings for two years and a half before their retirement is notified in General Orders in *India*, we have agreed that, they alſo ſhall be allowed their off-reckonings for two years and a half, from the time of their quitting *India* as above.

10th—We have alſo reſolved that, if any of the General Officers or Colonels who have addreſſed us, and have not already retired from the ſervice, ſhould retire before the end of two years and a half's furlough as above, the off-reckonings of ſuch Officers ſhall ceaſe from the time of their retirement.

LETTER DATED 28th AUGUST 1800.

Para. 2d—Having obſerved that in ſome inſtances, Officers who had received the benefit of the regulations reſpecting furlough, had ſoon after their return to their duty in *India* applied for, and obtained further furlough, we directed that the pay to ſuch Officers, ſhould be withheld after three years receipt

ceipt of ſuch pay, unleſs in caſes of certified ill health.

3d—As the regulations do not appear to have been underſtood by the Governments in *India*, in the manner above ſtated, it may ſeem a hardſhip in ſome inſtances to Officers who have been permitted to come home on a ſecond furlough, under an implied ſanction for drawing their pay, if they are not allowed their pay during their ſecond furlough, altho' the pay altogether drawn, may not exceed three years. But in order to prevent the regulations from being miſunderſtood in future, we have reſolved that, no Officer who has drawn three years pay on furlough ſhall be allowed any further pay on being permitted to come home again on furlough hereafter, unleſs in caſes of ſickneſs under the preſcribed certificate.

By Order of the Right Honorable the Governor in Council.

Fort St. George, 11th February, 1801.

G. O. By Government.

1ſt—In the General Orders of the 16th of February 1798, a reſolution of the Governor in Council was publiſhed to the Army that Major General Geils had failed of executing a very important part of his Military duties; and the ſubſequent orders

of

of the 13th of April 1798 announced to the Army the grounds on which Major General Geils was removed from the Staff of the Army and ſuſpended from the Company's ſervice.

2d—That flagrant breach of the reſpect due to the authority of the Government; and the miſchievous tendency of General Geils, endeavours to encourage and diſſeminate principles, inconſiſtent with Military ſubordination, did not fail of provoking the limited puniſhment to which the power of the Governor in Council is conſtitutionally confined, and it is a cauſe of regret to His Lordſhip in Council, that the intervention of more important affairs ſhould have protracted, to this late period of time, the completion of that puniſhment, which the injured authority of the Government required.

3d—After an attentive conſideration of the proceedings, which terminated in the removal of Major General Geils from the command of the Artillery, and in his ſuſpenſion from the Company's ſervice, the Honorable Court of Directors have been pleaſed, in the deſpatches recently received under date the 22d May 1800, to inform the Governor in Council that it was "Impoſſible for the Court to review the "conduct of this Officer in the various inſtances of "inſubordination and diſreſpect of authority, that "appear in the proceedings, dangerous in themſelves, and pernicious in their conſequences, as "affording an ill example, to others without expreſſing their entire diſapprobation thereof."

The

The Court has therefore approved and confirmed the reſolutions of the Governor in Council already communicated to the Army; and, in conformity to the ſpirit of thoſe reſolutions, has "directed that "Major General Geils ſhall be ordered to leave "*India* by the firſt convenient opportunity after "the receipt of its Letter."

4th—The Governor in Council has already thought it of importance to announce that no rank, however exalted, no pretenſions however ſplendid, can ſhelter an individual from the juſt indignation of injured authority: of this truth, the diſmiſſion of General Geils will afford a memorable example; and it will be a leſſon worthy the obſervation of the Army, that puniſhment, however tardy in its progreſs, ſeldom forſakes the crimes of the offender.

By order of the Right Honorable the Governor in Council.
