dier, and that of Infantry at 8s. it is to be clearly understood that the Officers who hold these appointments, are to receive only the pay of Adjutant above specified, and that they are to have no claim whatever to the pay of the rank of either Lieutenant, Cornet, or Ensign, which they may at the time hold.

Where the present Adjutant of a Regiment in *India* has no other Commission, he is from the 25th December 1802 to have the rank of Cornet or Ensign, and to rise in seniority with the other Officers of the same rank in the Army and in his Regiment.

("Signed) A. ANSTRUTHER." "(Signed")" FRANCIS GOWDIE,"
"Judge Advocate, "Colonel and President.

CONFIRMED
("Signed") "J. STUART."

The Commander in Chief having confirmed the sentence of the General Court Martial, of which Colonel Gowdie is President, on the trial of Captain Jones Crawford, of His Majesty's 12th Regiment of Foot, thus publicly Reprimands that Officer for neglect of duty, disobedience of orders, and disrespect to Major General Smith; of which offences, as stated in the charges preferred against him, the Court has declared Captain Crawford Guilty.

When Captain Crawford publicly asserted his claims to attention on the merit of twelve years service—spurned at the imputation of irregularity,—complained of private censure, and demanded a public investigation of his conduct, as due to the

the feelings of injured innocence: the Commander in Chief did not expect that his only attempt to refute the Charges preferred against him, would rest on arguments at variance with every Military principle;—yet such has been the case! The Facts charged, are fully admitted; but Captain Crawford, has professed to consider a tardy application for a prolongation of Furlough, as warranting him to exceed the period of the leave which he had obtained,—his nomination to a staff situation, as releasing him from every obligation of his Military Character—and his improper call on the Officer Commanding the Army in the Carnatic, to withdraw a letter of reproof addressed to him for acting on these erroneous principles, as justified by another of equal absurdity—denying the right of an Officer in command to censure the conduct of those under his immediate orders, unless warranted to do so by the sentence of a General Court Martial!

The Commander in Chief trusts that the sentence which a General Court Martial has passed on Captain Crawford, will convince him of his error, and lead him to regulate his future conduct by a surer guide, than the council of those Friends, whose erroneous opinions appear, in the present instance, to have urged him to an act of insubordination.

His Excellency directs that this order be read to Capt. Crawford by the Judge Advocate, in open court, after the promulgation of the sentence—Captain Crawford will then be considered as released from arrest, and is directed to join his Corps without delay.

Charge preferred by Captain Moore of His Majesty's 34th Regiment, against the Honorable Henry Tonson, Lieutenant in the same.

For disrespectful and unofficerlike conduct on the Evening of the 7th of August, by manner and language tending to the subversion of Military Discipline, and Subordination, made use of when spoke to by me as Garrison Captain of the day, respecting a point of duty, in front of a Garrison Picquet, of which he Lieutenant Tonson was Subaltern.

SENTENCE.—The court having duly considered the Evidence against the Prisoner, as well as what he has urged in his defence, and the evidence in support thereof are of opinion, that the prisoner, Lieutenant the Honorable Henry Tonson is guilty of the crime laid to his charge, viz.—"Disrespectful and unofficer-"like conduct on the Evening of the 7th of August, by man-"ner, and language, tending to the subversion of Military "Discipline, and subordination, made use of when spoke "to by me, as Garrison Captain of the day, respecting a point "of duty, in front of a Garrison Picquet of which he Lieu-"tenant Tonson was Subaltern" which being in breach of the Articles of War, doth therefore sentence, and adjudge him the said Lieutenant the Honorable Henry Tonson to be reprimanded by His Excellency the Commander in Chief, in such manner as he may judge best for the good of the Service

APPROVED AND CONFIRMED,
(Signed) J. STUART.

The Commander in Chief has Approved and Confirmed the Sentence by which the General Court Martial of which Colonel Gowdie is President, has so properly marked the very unmilitary conduct of Lieutenant the Honorable Henry Tonson of His Majesty's 34th Regiment of Foot.

His Excellency is pleased to reprimand Lieutenant the Honorable Henry Tonson, in public Orders, for the disrespectful language and manner of his address to Captain Moore, when questioned by him on the General Parade regarding a point of duty.

The Commander in Chief recommends to Lieutenant Tonson to employ the term of his suspension in the study of the principles of his profession; that when he is permitted to resume the rank, from which, in consequence of a deviation from those principles he is now removed, he may be prepared to obey the orders of his superiors without discussing their property, and to receive their commands with that respectful deference which is essential to subordination and the discipline of the Army.

The General Court Martial of which Colonel Gowdie is President, is dissolved.

The following parts of the proceedings of a Native General Court Martial held at *Tellicherry*, under an order of Major General the Honorable Arthur Wellesley, in virtue of the powers and authorities in him vested, and of which Subidar Tannaig of the 1st Battalion of the 2d Native Regiment is President, are published to the Army.

SENTENCE—The Court having conſidered the 1ſt Charge, and the evi- dence in ſupport of the Proſecution, as well as the Priſoner's Defence, is of opinion, that the Priſoner Mr. William Fielder, Cadet of Infantry, is not guilty of the crime exhibited againſt him on the 1ſt Charge, and do hereby acquit him accordingly.

The Court having maturely weighed the proſecution, and the Evidence in ſupport of it, on the Additional charge, as well as the Priſoner's Defence, is of opinion, that, the Priſo- ner, Mr. William Fielder Cadet of Infantry, is not guilty of the Crime with which he is charged, the court doth there- fore acquit him of the ſame, and he is hereby acquitted ac- cordingly.

(Signed) T. BOLES, (Signed) R. M. DICKENS,
Deputy Judge Advocate. *Colonel and Preſident.*

CONFIRMED,
(Signed) J. STUART.

The Commander in Chief in confirming the foregoing ſen- tence, deems it his duty to publiſh his Sentiments relative to the Proceedings of the General Court Martial upon the trial of Mr. Fielder, Cadet.

It is a duty which a Court Martial owes to the Service, and to the obligation under which it acts, to obtain every information that can be procured by evidence regarding the Crime of which a Priſoner upon trial before it may be accuſed: but the Com- mander in Chief is concerned to obſerve a very pointed deviation from this duty in the proceedings of the Court upon the firſt Charge againſt Mr. Fielder.

The

The testimony of five Witnesses has not been recorded because they could not call to their recollection any specific period at which the events, on which the Charge is founded, occurred: but the period stated in the charge is no further specific than being within the time that elapsed during a voyage to *India*; and, in that case, the inability of a Witness to state the exact date of the occurrence of the circumstances touching which he is examined is no just ground for rejecting his evidence, because he may relate facts directly applicable to the state of the case, and which, combined with the testimony of other Witnesses, ought to have considerable weight in determining the judgement of a Court.

If the proceedings of the General Court Martial have been irregular in the foregoing instance, a still greater irregularity appears in the Sentence which it has awarded upon the additional charge.

The Prisoner is accused of having associated, and drank, with Seamen, and of striking, and maltreating, J. Turner, and his Servant.—Three Witnesses, one of whom is an European, the others Natives, swear positively to the first, and second, parts of the charge, viz. "associating and drinking, with Seamen, "and striking, and maltreating, J. Turner"—and two Wit-"nesses swear positively to the third point of striking J. Tur-"ner's Servant."

The Testimony of these Witnesses is not vitiated by any Contradictions, or prevarications—their credibility is not questioned, nor is any part of their evidence controverted by the deposition of the single Witness called upon by the Prisoner in his defence, and yet the Court has acquitted Mr. Fielder of this charge; and, upon a revision of its proceedings, has stated that it sees no cause to change its opinion.

A decision so contrary to the nature of the evidence recorded by the Court, and so repugnant to the law of Trial before a military Tribunal, demands the entire disapprobation of the Commander in Chief.

Upon promulgation in open Court of the Sentence, and of the foregoing Order, Mr. Fielder is to be considered as liberated from arrest, and will join his Company without delay.

The General Court Martial is dissolved.

G. O. BY GOVERNMENT.

The following copy of General Orders issued at *Fort William* by His Excellency the Most Noble the Governor General in Council, and Captain General and Commander in Chief of all the Land Forces serving in the *East Indies*, is published for the information of the Army under this Presidency.

GENERAL ORDERS by His Excellency the Most Noble the Governor General in Council, Captain General and Commander in Chief of all the Land Forces serving in the East Indies.

FORT WILLIAM, THE 1ST OCTOBER 1803.

The returns received by the Governor General in Council of the Ordnance taken on the Field of Battle near *Delhi* on the 11th of September 1803, have completed the Official Settlement of the Military operations conducted under the personal command of His Excellency General Lake, from the 29th of August, to the 18th of September.

In reviewing the rapid and brilliant success of our Arms within that period of time, every loyal subject of the British Empire

Empire muſt be animated by the moſt zealous emotions of juſt pride, national triumph and public Glory.

The Governor General in Council has already expreſſed the ſentiments of gratitude and admiration with which he contemplates the conduct of His Excellency the Commander in Chief, and of the Officers and Troops under His Excellency's perſonal command in the action of the 29th of Auguſt, and in the gallant aſſault of the Fortreſs of Ally Ghur on the 4th of September.

His Excellency in Council highly approves the judicious and early movement of the Army after that important ſucceſs towards the principal Station of the Enemy's Infantry and Artillery, and the poſition whence the moſt ſpeedy relief might be afforded to the unfortunate repreſentative of the *Houſe* of *Timur*, and to His Majeſty's Royal Family.

The deciſive Victory gained in the Battle of *Delhi* on the 11th of September juſtified the firm confidence repoſed by the Governor General in Council in the bravery, perſeverance, and diſcipline of the Army, and in the ſkill, judgement, active ſpirit, and invincible intrepidity of their illuſtrious Commander.

The Glory of that day is not ſurpaſſed by any recorded triumph of the Britiſh Arms in *India*, and is attended by every circumſtance calculated to elevate the fame of Britiſh Valour, to illuſtrate the character of Britiſh humanity, and to ſecure the ſtability of the Britiſh Empire in the Eaſt.

The Governor General in Council acknowledges with the moſt cordial ſatisfaction the diſtinguiſhed Services of Major General Ware, and of the Honorable Major General St. John in the action of the 11th of September, and directs the Commander in Chief to ſignify his particular approbation of the conduct of Major General Ware in the command of the Right Wing of the Britiſh Army, and of the conduct of the Honorable Major General St. John in the ability and ſteadineſs which he diſplayed in the command of the Left Wing, by ſurmounting every difficulty, and by forcing the Right Wing of the Enemy to retire in diſorder with heavy loſs.

The Governor General in Council alſo directs the Commander in Chief to notify to Colonel St. Leger, and to the Corps of Cavalry, employed on this honorable occaſion, the high approbation with which His Excellency in Council has received the report of their gallantry and firmneſs, and of the peculiar ſkill manifeſted under the able Command of Colonel St. Leger in their judicious, rapid, and deciſive movements during the action, and after the flight of the enemy had commenced. His Excellency

in

In Council contemplates with great satisfaction the advanced state of discipline of the Native Cavalry of *Bengal*, and the splendid proofs which that Corps has afforded of its efficiency in active Service against the numerous Artillery of the enemy.

The conduct of Captain Boyce and of His Majesty's 76th Regiment is noticed with the warmest applause by the Governor General in Council; the high reputation established by that respectable Corps in various services of difficulty and danger in *India*, appeared in the Battle of *Delhi* with a degree of lustre, which has never been exceeded even by British Troops; His Excellency in Council signifies his most distinguished approbation of the firmness and intrepidity of the Officers and Men of the Native Infantry who, with His Majesty's 76th Regiment at the point of the Bayonet, forced an enemy considerably superior in numbers, from a powerful and well served Artillery and opened the way for the successful charge of the Cavalry, the conduct of the Native Troops on this memorable day reflects the highest honor upon the discipline of the Army of *Bengal*, and confirms the confidence of the Governor General in Council in the diligence, skill, and courage of the Officers of this establishment and in the eminent character of our Native Soldiers.

To Lieutenant Colonel Horsford and the Artillery, the Governor General in Council repeats the public testimony of approbation which that meritorious Corps has uniformly deserved in every exigency of the Service.

To the Staff of the Army, the Governor General in Council is happy to express the satisfaction with which he learns that they continue on all occasions to merit the warmest approbation of the Commander in Chief.

The Governor General in Council sincerely laments the loss of Major Middleton, Captain M'Gregor, Lieutenant Hill, Lieutenant Preston, Cornet Sanguine, and Quarter Master Richardson; and of the brave Soldiers who fell in the exemplary exertion of deliberate valour, and disciplined spirit at the Battle of *Delhi*—The names of these brave men will be commemorated with the glorious events of the day, on which they fell, and will be honored and revered, while the Fame of that signal victory shall endure.

In teſtimony of the peculiar honor acquired by the Army under the perſonal Command of His Excellency General Lake, the Governor General in Council is pleaſed to order that Honorary colours with a device properly ſuited to commemorate the reduction of the Fortreſs of Ally Ghur on the 4th, and the Victory obtained at *Delhi* on the 11th of September, be preſented to the Corps of Cavalry and Infantry, European and Native reſpectively employed on thoſe glorious occaſions, and that a public monument be erected at *Fort William* to the memory of the brave Officers and Men, European and Native, who have fallen in the public ſervice during the preſent Campaign.

The Honorary Colours granted by theſe Orders to His Majeſty's 27th Regiment of Dragoons, and to the 76th Regiment of Foot, are to be uſed by thoſe corps while they ſhall continue in *India* or until His Majeſty's moſt gracious pleaſure be ſignified through His Excellency the Commander in Chief.

In concluding his Orders on this memerable occaſion, the Governor General in Council is pleaſed to direct that the public thanks of the Supreme Government of the Britiſh poſſeſſions in *India*, be given to His Excellency General Lake, Commander in Chief of His Majeſty's and of the Honorable Company's Forces in *India*, who, with unexampled alacrity, eminent judgment and indefatigable courage, under extraordinary difficulties, has prepared the army of *Bengal* for the field, has conducted it by a rapid ſucceſſion of glorious victories to the complete defeat of a powerful Enemy, and has maintained the honor of the Britiſh Name in *India* by an humane attention towards the Inhabitants of the conquered Provinces, and by a due reſpect and reverence towards the unfortunate repreſentative of the *Houſe* of *Timur*, and towards His Majeſty's Royal Family.

His Excellency the Moſt Noble the Governor General in Council, Captain General and Commander in Chief of all the land Forces ſerving in the *Eaſt Indies*, is pleaſed to direct that theſe orders be publicly read to the Troops under arms at every Station of the Land Forces in the *Eaſt Indies*, and that the

December

December 7, 1803.

Fort St. George, 6th December, 1803.

G. O. By Government.

The Right Honorable the Governor in Council is pleased to publish to the Army of this Presidency the following Copies of General Orders issued at *Fort William*, by His Excellency the Governor General in Council.

GENERAL ORDERS By His Excellency the Most Noble the Governor General in Council.

FORT WILLIAM, October 14, 1803.

The Governor General in Council derives great satisfaction from the intelligence, which he has received of the reduction of the Fort and city of Baroach, on the 29th of August, and of the ability, promptitude and gallantry with which that important service was accomplished by the brave Officers and Troops, under the command of Lieutenant Colonel Woodington of the establishment of Bombay.

His Excellency in Council highly approves the conduct of Lieutenant Colonel Woodington in his judicious and spirited exertions for the early reduction of the place, in directing the Operations of the Siege, in his seasonable determination to assault the Fort, and in the disposition which he made of the Troops under his Command, with a view to secure the rapid success of that Gallant Attack.

The Governor General in Council signifies His particular approbation of the valor and judgment manifested by Major Cuyler of His Majesty's 86th Regiment, throughout the service at Baroach, and in commanding the Storm of the Fort, and by Captain Richardson of the same Corps in leading the Assault. His Excellency in Council also observes with particular satisfaction the conduct of Captain Cliffe of the Engineers of Bombay.

To all the Officers and Troops, European and Native, employed on this honorable occasion, His Excellency in Council signifies His high commendation.

The Governor General in Council laments the loss of Captain W. Semple of His Majesty's 86th Regiment, killed on the 25th of August, and of the few brave Men who fell before Baroach. It is a great satisfaction however to observe, that an acquisition

acquiſition ſo important, ſhould have been ſecured with the loſs of only one Officer, and of ſo few Soldiers.

In bearing a due teſtimony to the merits of the Officers and Troops, employed in the reduction of Baroach on the 29th of Auguſt, the Governor General in Council remarks, that on the ſame day, diſtinguiſhed by the commencement of the victorious career of the Army of Bengal, under the perſonal command of His Excellency General Lake, upon the frontier of Oude, the Army of Bombay at the Weſtern extremity of the Peninſula of India, effected a ſervice of the moſt arduous nature, with a ſimilar ſpirit of Alacrity and Courage.

In the courſe of an extenſive and complicated ſyſtem of Military Operations, the glorious ſucceſs of our Arms ſince the commencement of this War, has been uniform in every part of India: The able and gallant Officers and Troops of his Majeſty's ſervice, and of the ſeveral Eſtabliſhments of the three Preſidencies, have been actuated by equal ſentiments of Public ſpirit and honor, and have co-operated with equal ardor and ſucceſs, in an united effort to accompliſh the juſt objects of the Allies. The Governor General in Council confides in the juſtice of our cauſe, in the unanimous zeal of the three Preſidencies, and in the continued co-operation of their reſpective reſources and power, that the views of the confederate Chieftains will be ſpeedily fruſtrated by the complete reſtoration of peace and tranquillity to the Provinces of Hindooſtan and the Dekhan, which have been diſturbed by the ambition and violence of the Enemy.

The Governor General in Council directs, that Copies of this Order be tranſmitted to the Right Honorable the Governor in Council at Fort St. George, and to the Honorable the Governor in Council at Bombay, to be publiſhed to the Army of thoſe Preſidencies reſpectively.

GENERAL ORDERS by his Excellency the Moſt Noble the Governor General in Council.

FORT WILLIAM, OCTOBER 30, 1803.

The Governor General in Council has this day received from Major General The Honorable Arthur Welleſley the official Report of the ſignal and ſplendid victory obtained by the Troops under the perſonal command of that diſtinguiſhed Officer on the 23d of September at Aſſye in the Dekhan, over the combined armies, of Dowlut Row Scindeah and the Rajah of Berar.

At

At the close of a campaign of the most brilliant success and Glory in every quarter of India this transcendent Victory demands a testimony of Public honor equal to any which the Justice of the British Government in India has ever conferred on the conduct of our Officers and troops in the most distinguished period of our Military History

The Governor General in Council highly approves the skilful plan formed by Major General Wellesley on the 21st of September for precluding the escape of the Enemy, and for reducing their combined army to the necessity of hazarding a general action.

His Excellency in Council also signifies his most cordial approbation of the magnanimity, promptitude, and judgment, with which Major General Wellesley determined upon the instantaneous attack of the Enemy on the 23d of September.

During the severe Action which ensued, the conduct of Major General Wellesley united a degree of ability, of prudence, and of dauntless spirit, seldom equalled, and never surpassed.

The Governor General in Council signifies his warmest applause of the exemplary order and steadiness with which the Troops advanced under a most destructive fire against a body of the Enemy's Infantry considerably superior in number and determined to oppose a vigorous resistance to our attack. The numerous Infantry of the Enemy were driven from their powerful Artillery at the point of the Bayonet with an alacrity and resolution truly worthy of British Soldiers, and the firmness and discipline manifested by our brave Infantry in repelling the great body of the Enemy's Cavalry merit the highest commendation.

The Governor General in Council has remarked with great satisfaction the gallant and skilful conduct of the Cavalry commanded by Lieutenant Colonel Maxwell, and particularly of His Majesty's 19th Regiment of Dragoons, a Corps distinguished in India by a long and uninterrupted course of arduous service, and of progressive Honor.

His Excellency in Council directs Major General Wellesley to signify to all the Officers and Troops employed on this glorious occasion, and especially to Lieutenant Colonel Harness and to Lieutenant Colonel Wallace who Commanded Brigades, and to the Officers of the Staff, the high sense entertained by the Governor General in Council of their eminent and honorable service.

The

The important benefits resulting from the triumph of our arms in the Battle of Assye, are not inferior to the splendour of the action. The immediate consequences derived from the exertions of that day have been the complete defeat of the combined Army of the confederate Chieftains, an irreparable blow to the strength and efficiency of their Military resources, especially of their Artillery in the Dekhan, the expulsion of an hostile and predatory Army from the territory of our Ally the Soubahdar of the Dekhan, and a seasonable and effectual check to the ambition, pride, and rapacity of the Enemy.

The prosperous result of these advantages must be accelerated by the auspicious progress of our Arms in other Provinces of *India*, and it may reasonably be expected that the decisive Victories gained at Delhi and Assye on the 11th and 23d of September, will speedily Compel the Enemy to restore Peace to Hindostan and to the Dekhan.

The atchievements of our Commanders, Officers, and Troops, during this Campaign, and especially in the signal Victories of Delhi, and Assye, must inspire a general sentiment of just confidence in the vigor of our Military Resources, and in the stability of our Dominion and Power; our uniform success in frustrating every advantage of superior numbers of powerful Artillery, and even of obstinate resistance opposed by the Enemy, constitutes a satisfactory proof of the established superiority of British discipline, experience, and valor, and demonstrates that the glorious progress of our arms is not the accidental result of a temporary or transient advantage, but the natural and certain effect of a permanent cause.

From these reflections, consolation is to be derived for the loss of those lamented and honored Officers and Soldiers, who animated by the gallant spirit of their General, and emulating the noble example of his zeal and courage, sacrificed their lives to the honor and interests of their Country.

The Governor General in Council greatly regrets the loss of Lieutenant Colonel Maxwell of His Majesty's 19th Dragoons, who fell at the head of the British Cavalry bravely charging a large body of the Enemy's Infantry,—with the utmost concern His Excellency in Council records the names of the valuable and excellent Officers who have fallen with glory at the Battle of Assye in atchieving the complete defeat of the Enemy, and in establishing the triumph of the British Arms in the Dekhan.

Lieutenant

Lieutenant Colonel Maxwell, Captains R. Boyle, H. Mackay, D. Aytone, A. Dyce, R. Macleod, and J. Maxwell, Captain Lieutenants Steele, and Fowler, Lieutenants Bonomi, Lindsay, Griffith, J. Campbell, J. M. Campbell, J. Grant, R. Neilson, L. Campbell, M. Morris, and J. Douglas, Lieutenants Brown, Maver, Perrie and Volunteer Tew.

In testimony of the high honor acquired by the Army under the personal command of Major General Wellesley at the Battle of Assye, the Governor General in Council is pleased to order that Honorary colours with a Device properly suited to commemorate that signal and splendid Victory, be presented to the Corps of Cavalry and Infantry employed on that glorious occasion. The names of the brave Officers and men who fell at the battle of Assye will be commemorated together with the circumstances of the action upon the public Monument to be erected at *Fort William*, to the Memory of those who have fallen in the public service during the present Campaign.

The Honorary Colours granted by these Orders to His Majesty's 19th Regiment of Dragoons and to the 74th and 78th Regiments of Foot, are to be used by those Corps while they shall continue in *India*, or until His Majesty's Most Gracious pleasure be signified through His Excellency the Commander in Chief.

His Excellency the Most Noble the Governor General, Captain General, and Commander in Chief of all the Land Forces serving in the *East Indies*, is pleased to direct that these Orders be publicly read to the Troops under Arms at every Station of the Land Forces in the *East Indies*, and that the European Officers of the Native Corps, do cause the same to be duly explained to the Native Officers and Troops.

Beſides aſcertaining that the Clothing is well made, and that it correſponds as well in ſize as in every other reſpect with ſealed patterns which will be produced, the Committee will conſider it their duty to ſee the Clothing packed, and to affix to each Package a Seal, with which they will be furniſhed, to denote that the Clothing contained in it has been approved, and paſſed by them.

HEAD QUARTERS: CHOULTRY PLAIN, *Dec.* 29, 1803.

G. O. By the Commander in Chief.

The various unauthorized innovations, which the Commander in Chief has observed in the dress of Native Soldiers of the Army, render it necessary on the present issue of Clothing, to require the attention of Commanding Officers to the subjoined Extract, from the Regulations on that subject.

Extract from "Section 5th," under the head "Native Regiments."

"As the articles of half mounting lodged in the Military "Board Office for public reference, do not exhibit any distinc- "tion in either for different ranks, none will be allowed; "neither are any additional distinctions (beyond those describ- "ed in General Orders to denote the confidential men) to be "made

" made in the Clothing: the several gradations of rank being " sufficiently marked, when delivered by the Contractor."

As patterns of the under Jacket, and of the Drawers, are not exhibited among the Articles of dress, it is notified that the Commander in Chief admits of a standing Collar (which is to button on either side of the Neck) being added to the former, and that the latter of an Infantry Soldier, Gun Lascar, and Pioneer, besides being made according to instructions recently communicated from the Adjutant General's Office, is to reach to the distance of one inch to the upper part of the knee pan.

The Commander in Chief takes this opportunity of declaring that, exclusive of the responsibility which attaches to Commandants for enforcing a strict observance of all Regulations in their respective Corps, he considers Officers holding General Commands, as equally answerable to him, that no deviation whatever, from the established Regulations of the service shall be permitted among the Troops, subject to their immediate controul; and His Excellency trusts, that he shall not again have occasion to remark upon any such irregularity as an infringement of orders.

The Regulation in regard to Recruits to be enlisted for the Infantry, is to be considered as applicable to those for the Pioneer Corps so far as relates to the age of the Recruit.

The following Extracts from the Proceedings of the General Court Martial, which assembled in *Fort St. George* on the 19th of January 1804, and of which Lieutenant Colonel James Innes, is President, are published to the Army.

CRIME—Captain Charles Wilson, of His Majesty's 65th Regiment of Foot, charged by me, with conduct highly unbecoming an Officer and a Gentleman, in writing to me on the Morning of the 29th of December 1803 (without any provocation) a letter containing the most scurrilous and unwarrantable abuse, tending to injure me in my profession.

By Order,
(Signed) P. A AGNEW,
Adjutant General of the Army.

SENTENCE—The Court having duly weighed the Prosecution, as well as what the Prisoner has urged in his Defence and the Evidence in support thereof, are of opinion, that the Prisoner, Captain Charles Wilson, of His Majesty's 65th Regiment, is guilty of the Crime laid to his Charge—which being in breach of the Articles of War, do therefore sentence him, the said Captain Charles Wilson, to be suspended from Pay and Rank, for the space of (6) Six Calender Months, from the publication of this Sentence, and he is hereby suspended accordingly.

Confirmed.
(Signed) J. STUART.

The Commander in Chief has confirmed the Sentence of the General Court Martial on Captain Charles Wilson of His Majesty's 65th Regiment; but in publishing that Sentence to the Army, he thinks it necessary to express his opinion, that the defence brought forward by Captain Wilson, forms, in his mind, a considerable aggravation of the offence of which the Court has declared that Officer guilty.

The suspension of Captain Charles Wilson, of His Majesty's 65th Regiment, to commence from this date.

The Court is dissolved.

Fort St. George, *January* 12, 1804.

1st CHARGE.—For sending an address to His Excellency Lieutenant General Stuart, accusing Colonel Dickens, his Commanding Officer, of individual oppression and private wrongs; expressions tending to vilify the character of his said Commanding Officer, and prejudicial to good order and military discipline; and in the same address, complaining of grievances under seven different heads, which are some of them false, and others are nothing more than requiring the said Paymaster to conform to His Majesty's Regulations, and the custom of the Army.

2d.—For withholding from Captain Dawson, who paid the Colonel's Company, of His Majesty's 34th Regiment, the pay of the Non-commissioned Officers and Men of that Company, after he, the Paymaster, had received it from the Paymaster General's Office; for ordering his Paymaster Sergeant on the same occasion, not to advance more than one hundred Pagodas to each Company, though he at the time had received the pay for the whole month.

The Court find the Priſoner, Mr William Sarjeant, not guilty of the 2d Charge preferred againſt him, and doth fully acquit him of the 2d Charge.

The Court find the Priſoner, Mr William Sarjeant, not guilty of the 3d Charge preferred againſt him, and doth therefore fully acquit him of the 3d Charge; but the Court having found Mr William Sarjeant, guilty (in part) of the ſecond part of the 1ſt Charge, as before ſtated, which being to the prejudice of good order and military diſcipline—the Court do hereby ſentence him to be Reprimanded by the Preſident of the ſaid General Court Martial, at ſuch time as the Commander in Chief may be pleaſed to direct.

G. O. BY GOVERNMENT.

The Officer Commanding the Company of Gentlemen Cadets, having requested the Commander in Chief to cause the Gentlemen reported by him as ready for inspection, to be examined as to their progress in the study of the Hindoostannee Language, and their knowledge of Military duty, by persons deputed from Head Quarters for that purpose, the Right Honorable the Governor in Council is pleased to publish in General Orders, the following Extracts from the report of the Deputy Persian Translator to Government, who conducted the examination of the Hindoostannee Students.

Extract from the Report of the Deputy Persian Translator to Government.

"In consequence of the instructions of Government communicated to me by you, I proceeded to *Tripassore* for the purpose of examining the Gentlemen Cadets in the progress they had made in the study of the Hindoostannee Language, I have now the honor to lay before you, for the information of His Lordship in Council, my report on that occasion.

"Having ascertained from the Commanding Officer of that station, the period of time that had been dedicated by the

"Gentlemen

" Gentlemen Cadets to the ſtudy of the Hindooſtannee Lan-
" guage, I formed a plan of examination, as was adjudged by
" the Commanding Officer and myſelf moſt ſuitable, for deter-
" mining and appreciating their reſpective merits and attain-
" ments—at the cloſe of the examination having moſt ſtrictly
" inſpected the different exerciſes ſubmitted to the Gentlemen
" Cadets for Tranſlation, I am enabled to claſſify them in
" the following order."

1ſt CLASS.

Meſſrs. Blackwood,—Moleſworth,—Salvin,—Bowler,—Green,—Johnſon,—Goodbehere,—Cole,—M'Leane.

2d CLASS.

Meſſrs. Brooke,—Hughes,—Scott,—Patullo,—Norton,—Kelſon,—Cope,—Barclay,—Chatfield.

3d CLASS.

Meſſrs. Bower,—Forbes,—Cunningham,—Home,—Bedoo—Youngſon,—Scoones,—Vaity.

" Mr. Leach was prevented by ill health, from attending at
" the examination,—by the report made to me by the Com-
" manding Officer of Mr. Leach's proficiency, he would be
" entitled to a place in the Firſt Claſs."

" It is with infinite ſatisfaction that I make moſt particular
" mention of the proficiency that the Gentlemen compoſing
" the Firſt Claſs have attained in the ſhort period of a few
" Months, who notwithſtanding their important Military
" duties and ſtudies, have been enabled to prove themſelves ſo
" eminently ſucceſsful in this part of their general inſtruction.
" Their attention having been thus peculiarly attached to
" acquirements totally unconnected with their ſtudies in the
" Hindooſtannee Language; His Lordſhip in Council will find
" additional motives for expreſſing his approbation of that
" vigilant and active induſtry and aſſiduity, of which the Gen-
" tlemen of the Firſt Claſs have afforded ſuch ample and une-
" quivocal teſtimony."

" The progreſs that the Gentlemen forming the Second and
" Third Claſſes, have made in this branch of their ſtudies is
" ſuch, as could only be expected from young men of undoubt-
" ed talents and ſteady perſeverance, I have conſequently
" much pleaſure in recommending them to the conſideration of
" His Lordſhip in Council."

"On

" On a general review of the late examination, I am juſtified " in ſtating that it has terminated in a manner the moſt ſatisfac- " tory, as being in every reſpect highly creditable to the " Gentlemen themſelves, honorable to the director of their ſtu- " dies, and affording a convincing proof that the moſt ſanguine " expectations may be entertained of their future ſucceſs and " advancement."

" As during my ſtay at *Tripaſſore*, it became a part of my " duty to inveſtigate the ſyſtem, which had been adopted by " the Commanding Officer for the inſtruction of the Gentlemen " Cadets in the Hindooſtannee Language, I ſhould be guilty of " the greateſt injuſtice were I to paſs over unmentioned the " meritorious exertions and indefatigable zeal, that the Com- " manding Officer has invariably evinced in forwarding the " ſtudies and enſuring the progreſs and improvement of thoſe " Gentlemen in the acquiſition of this uſeful Language, I feel " myſelf fully authorized to aſſure His Lordſhip, that the " proficiency attained by the Gentlemen Cadets, muſt be chiefly " attributed to the unremitted attention and aſſiſtance of the " Commanding Officer, who by his practical knowledge of that " Language and by the uniform exertion of his judgment and " abilities, has obviated difficulties and inconveniencies, as few " in a ſimilar ſituation would have attempted to ſurmount, and " has been the means of eſtabliſhing an inſtitution, which may " eventually prove of the moſt extenſive benefit and utility, not " only to the individuals, who may reap the advantages of his " immediate inſtructions, but alſo to the Company's Govern- " ment throughout this part of *India*."

The Deputy Adjutant General of the Army, who by order of the Commander in Chief inſpected the Military proficiency of the Gentlemen Cadets, has reported in the moſt favorable terms the qualifications of thoſe, who were, in conſequence of that report, promoted by General Orders of the 18th and 28th of January laſt.

The Right Honorable the Governor in Council has much pleaſure in publiſhing Official documents ſo highly creditable to the Gentlemen who came forward for examination, and truſts that the progreſs they have made in the ſhort period of their reſidence at *Tripaſſore*, will prove an incitement to others for the exertion of ſimilar diligence.

The

The acquirements of the Gentlemen Cadets recently reported, reflect much credit on the zealous and unremitted attention given to their instructions by Captain Bose, Commanding the Cadet Company, and Lieutenants Manesty and Ormsby, who were selected by him to assist in that duty; and the Right Honorable the Governor in Council considers the highly meritorious exertions of Captain Bose, in the discharge of the arduous and important trust confided to his direction, as deserving his fullest approbation.

By order of the Right Honorable the Governor in Council.
