10th September, 1805.

Fort St. George, 4th September 1805.

G. O. by Government.

The Governor in Council is pleased to publish for General information, the following extracts of letters from the Honorable Court of Directors, Dated 17th of August 1803 and 18th April 1805.

Letter Dated 17th August 1803.

Para. 78.—"The rule that we have determined upon in "regard to the rank of Officers transferred to the Cavalry "is the same which has been directed to be observed in respect

to

" to actual appointments made in *India*, viz. that the Officers " so appointed shall rank below the Cadets appointed by us in " the same Season, confining it however to those of the latter " description who actually arrive in *India* in that Season, " according to the Regulations contained in our letter of the " 26th August 1801."

79.—"Upon this principle, we direct that the rank of " Officers transferred to the Cavalry shall be established, and " that all the Cadets for that Corps appointed by us in the " Season 1800-1, who arrived in the year 1801, shall rank " above the Officers transferred in that year."

82.—"As to the relative rank of the Officers transferred to " the Artillery which you have referred to us in Paragraphs " 96 and 99 of your letter of the 29th May last, we have on " the most mature deliberation come to the following " determination; they are grounded in general upon the same " principles as those established in regard to Officers transferred " to the Cavalry."

"Lieutenant Court, a Cadet of 1798 who arrived in July " 1800, is to rank above Lieutenant Cleaveland, transferred " the 7th March 1800; Lieutenant Macintosh, a Cadet of " 1798, transferred the 19th April 1800, is to rank next below " Lieutenant Cleaveland."

" Lieutenant Gahagan, a Cadet of 1799 proceeded to his " duty on board the *Queen*, and on the loss of that Ship took " his passage on the *Kent*, by the unfortunate accidents which " happened on both these Ships, his arrival was considerably " retarded and it appears equitable therefore to make due " consideration for this circumstance, by giving him rank " next to Lieutenant Macintosh."

" Lieutenant Pydgood, transferred 6th August 1800, having, " according to the Adjutant General's Statement, produced a " Certificate from the Master at *Woolwich* of his qualification " for the Artillery Corps, is to rank after Lieutenant " Gahagan, Messrs. Paske, Showers, Hopkinson, Kinsey and " Gorenam, Cadets of 1797 and 1798 who arrived in August " 1801 and February 1802 are to follow, it having been " expressly stated in December 1800, on the transfer of Messrs. " Ross, Morrison, Remington, Moorhouse and Purvis, Cadets " of 1799, that they should take rank after the Cadets of " Artillery appointed in *Europe* to that Corps in the same or " any preceding Season with themselves, they are therefore to

"follow Mr. Goreham, and Mr. Palmer transferred March 1801 is to rank after them."

83.—"This arrangement in regard to the rank of Cadets "proceeding from *Woolwich*, is conformable to the "Regulations advised in our letter of and although, some of the Gentlemen who "have been educated at that Academy will hereby experience "an alteration in the rank assigned them when they left this "Country, it will be apparent that most of the transfers made "to the Artillery were not within our knowledge at the time "we gave directions as to their Rank."

Letter Dated 18th April 1805.

Para. 2.—"As a mark of the high sense we entertain of "the extraordinary services rendered to the East India Com- "pany by the late Major General Stevenson of your "Establishment, we have come to the Resolution of granting "to his Widow an Annuity of three Hundred Pounds during "her Widowhood, which Resolution has been confirmed by a "General Court of Proprietors, and by the Board of "Commissioners for the affairs of India."

3d.—We have since received an Application from Mrs. "Stevenson, stating that the funds remaining for the support "of her two Children in the event of her decease will be very "confined indeed if from those funds is to be deducted the sum "of 7,000 Pagodas which she states was borrowed from the "Madras Government by the late General Stevenson to "enable him to pay his passage to *Europe* &c.

4*th*.—We have therefore resolved to exonerate the Estate of "General Stevenson from repayment of the advance to that "Amount made to him by the Madras Government, and "advised in their Military Letter of the 23d March 1804, "Para. 427."

5*th*.—"We have permitted the following Military Officers "to return to their Rank on your Establishment Viz."

Lieutenant Colonel Charles Rumley,
Lieutenant ,, Edward Frafer,
,, Edward Hay.

6th.—"The Education of Cadets for our Artillery, and "Engineer Establishment, in *India*, at the Royal Military "Academy at *Woolwich* is a Measure of such evident utility, "and promises such essential advantages to our Military Service in the superior qualifications thereby attainable for those "branches of it, that we consider it to be indispensible to

the

" the ends in view, that every fair and reasonable encourage-
" ment should be given to young Gentlemen, to prosecute
" their studies in that Institution."

7th.—"It appears to us, however, that these important
" objects would in a material degree be defeated and great
" injustice be done to Cadets who thus remain in *Europe*, for
" the purpose of qualifying themselves in a superior manner,
" at the Royal Academy at *Woolwich*, if their proper Rank
" in the Service were not preserved to them during the
" period of their studies, so far as is consistent with the
" Regulations of the Academy in respect to the precedency
" given thereby to Gentlemen first reported qualified for
" promotion."

8th.—"In this view of the subject, and in consequence of
" Representations that have been made to us thereon, our
" attention has been drawn to the Orders contained in the
" 82d Paragraph of our Military Letter of the 17th August
" 1803, respecting the Rank of certain Artillery Officers
" therein mentioned, and observing that an error has been
" committed in the arrangement of Rank therein detailed,
" we have thought proper to direct that the following altera-
" tions in those Orders shall take place."

9th.—"Lieutenants Parke, Showers, Hopkinson, Goreham,
" and Kinsey, Cadets of 1797 and 1798, are to take Rank
" next after Lieutenant Court in the order abovementioned,
" being that in which they were reported qualified from the
" Royal Academy, this is also the Rank assigned them from
" that circumstance in our Letters of the 11th February and
" 26th August 1801."

10th.—"Lieutenants Cleaveland, and Macintosh, Cadets for
" Infantry of 1798, who were transferred to the Artillery
" the 7th March and 9th April 1800, are to rank next to the
" above."

11th.—"Messrs. Gahagan, and Burton, Cadets of 1799,
" for the Artillery or Engineers are to follow in the Order
" they are here named, being that in which they were report-
" ed qualified from the Academy and Mr. Shairp next to
" Mr. Burton, Mr. Shairp's rank altho' he was a Cadet of
" 1799, being fixed by the Regulation of the Academy
" relative to the Order in which Cadets are reported quali-
" fied."

12th.—"Mr. Poignand a Cadet of 1799, transferred from
" the Infantry the 1st August 1800, is to rank next to Mr.
" Shairp."

13th.

13th.—"The foregoing arrangement appears to us, as nearly "conſiſtent as circumſtances will admit with a due regard to "the rights of the Cadets, educated here for the Artillery or "Engineers, reſpecting the preſervation of their juſt Rank, and "the regulations of the Academy as to the Rank of thoſe "firſt reported qualified; in ſtrict conformity thereto perhaps "all the transferred Officers ſhould have been placed under "thoſe educated here without reference to their Rank of "Cadets, we are, however, unwilling to adopt a regulation "which would appear harſh to the transferred Officers, many "of whom may have ſerved for ſome years in our Artillery "with Credit and Reputation."

14th.—"We have agreed to reſtore to the Service, Mr. "William Betty, a Surgeon on your Eſtabliſhment, who was "diſmiſſed by the Sentence of a Court Martial, and the "General Court have concurred in this our reſolution."

15th.—"We have been influenced in our deciſion upon Mr. "Betty's caſe, by the peculiar circumſtances of his long "Continuance under Arreſt previous to his Trial, and of his "having been acquitted of all the Charges brought againſt "him, except that of breaking his Arreſt, in which he appears "to have acted more from an error in Judgment than inten- "tional diſobedience, and likewiſe by the very ſtrong and "unanimous Recommendation of the Court Martial in his "favour."

17th.—"We have permitted Lieutenant Colonel Samuel "Ogg, to return to his duty on your Eſtabliſhment, and in "conſideration of the long and meritorious ſervices of this "Officer, and the peculiar circumſtances, which occurred to "retard his Promotion on the Augmentation made to your "Army in 1800, we recommend him to the particular notice "and attention of your Government.

SENTENCE.—The Court having maturely conſidered the Evidence in ſupport of the Proſecution, as well as what the Priſoner Enſign H. A. 2dly

2dlly—For falsely denying that he had made the said bargain—It doth therefore honorably acquit the said Prisoner Ensign H. A. Harvey of those Charges.

The Court is of opinion that the Prisoner is Guilty of part of the 3d Charge preferred against him, to wit, For repeatedly striking Captain Elphinstone his superior Officer, in front of a public Guard; but acquit him of the 1st part of that Charge viz. *For abusing*.

The Court is also of opinion that the Prisoner is Guilty of part of the 4th Charge, "Of un-Officer-like Conduct, as far as relates to that part of the 3d Charge of which he is found Guilty—The same being in breach of the Articles of War established for the better Government of the Troops in the Service of the Honorable East India Company, but the Court in Consideration of the Candid Confession, on the part of the Prisoner, and of his youth, and inexperience, and of the unpremeditated nature of his Offence, arising from sudden warmth at the gross provocation that he had received; Doth adjudge, that the Prisoner Ensign H. A. Harvey shall be reprimanded in such manner as the Officer who Confirms the Sentence shall please to direct.

SENTENCE

SENTENCE.—The Court having considered the evidence in support of the prosecution, as well as what the Prisoner Captain Elphinstone has urged in his defence, is of opinion, that he is guilty of the Crime above exhibited against him viz. "For conduct unbecoming the character of an "Officer and a Gentleman, in having, on the evening "of the 25th June last, in rear of the lines of the 1st "Battalion 7th Regt. Bombay Native Infantry, and on "the present ground of encampment, made use of the "most gross, insulting, and unwarrantable language to "Ensign Harvey of the last mentioned Corps,"—which being to the prejudice of good order and Military discipline and in breach of the Articles of War, it doth adjudged and Sentence that the Prisoner, Captain Elphinstone shall be suspended from rank and pay, for the space of nine Calendar Months, and be reprimanded by the Officer who Confirms the Sentence.

(Signed) T. GURNELL, *Acting Deputy Judge Advocate.*
(Signed) JOHN CAPON, *Lieut. Col. and President*

CONFIRMED,
(Signed) J. F. CRADOCK,
Lieutenant General.

The Commander in Chief has not without hesitation confirmed a Sentence which permits an Officer found Guilty of "Behaviour unbecoming the Character of an Officer and Gentleman" to retain a Commission.—The Contrition, however, expressed by Captain Elphinstone, and the circumstances which immediately followed his deviation from propriety, have influenced his Excellency's decision.

The Commander in Chief trusts that, the lenient Sentence of the Court will have a proper effect on Captain Elphinstone's future Conduct, and prevent him from again permitting himself to use expressions unbecoming the station he fills in Society.

The following Letter from Captain Lieutenant Wood, on the ſubject of his rank in the 7th Regiment of Native Infantry, having been laid before the Right Honorable the Governor in Council, His Lordſhip has been pleaſed to direct, that a Copy of it be publiſhed in General Orders together with the deciſion of His Lordſhip in Council on the caſe in queſtion.

Camp near Futtahpoor, 17th Auguſt 1805.

To

The ADJUTANT GENERAL of the ARMY,

Fort St. George.

Sir,

"I beg leave to ſtate to you for the deciſion of His Excellency the Commander in Chief, a claim, by which, I conceive "that I am entitled to rank above Captain William Woodhouſe "in the 7th Regiment of Native Infantry."

"According to the orders of the Honorable Court of "Directors of the 7th January 1796, and the exiſting regulations of

" of His Majesty's and the Honorable Company's service; " an Officer exchanging from one Regiment into another comes " in as Junior of his rank."

" Lieutenant (now Captain) Woodhouse, having exchanged " from the 5th, into the 7th Native Regiment, after the " Officers of Infantry were permanently appointed to Regi- " ments by the General Orders of the 1st January 1800, " ought, agreeably to the Regulations of the Army, to rank " under me in the Regiment."

" Lieutenant Woodhouse, ranked under me in the Regiment " for several Months after his coming into it; but on the " publication of the List of Cadets for the season 1798, he was " placed above me, without attending to the circumstance of " his having forfeited his right to rank, according to the " seniority on the List of Cadets, from having exchanged."

" I am led to suppose that Lieutenant Woodhouse was put " above me in the Regiment through inadverteney, from a " directly opposite course having been pursued in a similar " case, Lieutenant Cuffley who exchanged from the 11th " into the 16th Regiment, was placed under Lieutenant " Edmonds in the latter Corps, though senior to him on the " List of Cadets, the cases are exactly alike, as both exchanges " took place previous to the publication of the List of Cadets."

" If Lieutenant Cuffley has been justly placed under " Lieutenant Edmonds, on account of his having forfeited his " right to rank, according to his seniority on the List of " Cadets, from having exchanged; the same rule must apply " to Captain Woodhouse, and he ought to rank under me in " the Regiment."

" It may perhaps be objected to my now regaining my " rank, that I have allowed my claim to it to lie so long " dormant; this has proceeded from my being aware of the " difficulty of correcting the mistake from Captain Parlby " having been placed between Captain Woodhouse and me in " the Regiment, and partly from my unwillingness to trouble " Head Quarters on a Subject, which I was not without hopes " might on recollection been rectified: seeing no likelihood of " any Change taking place without my pointing out the " mistake, I am at last led to urge my Claim, and trust that if " on examination my statement is found correct, that His " Excellency the Commander in Chief will not find it too " late to do me justice.

(Signed) W. WOOD, Lieutenant,
2d Battalion, 7th Regiment N. I.

The

The Statement of Captain Lieutenant Wood, as submitted in the foregoing Letter, having been found to be correct, on reference to the Records of the Office of the Adjutant General of the Army, The Governor in Council has decided, agreeably to the Regulation eſtabliſhed in General Orders on the 5th of November 1789, that Captain Lieutenant Wood, has been entitled to take rank above Captain Woodhouſe from the date of that Officer's Exchange into the 7th Regiment of Native Infantry.

His Lordſhip in Council is further of opinion, that, in Conſenting to be tranſferred to the 7th Regiment of Native Infantry, with inferior Rank to Lieutenant Wood, Lieutenant Woodhouſe virtually conſented to take rank under all Officers entitled to be placed above Lieutenant Wood in the ſame Regiment, either before or after the Date of the Exchange.

Lieutenant Parlby, having been originally appointed to the 7th Regiment of Native Infantry, took Rank of Lieutenant Wood, in virtue of the ſuperior rank aſſigned to him as a Cadet by the Hon'ble Court of Directors; But the ſuperior rank, Aſſigned to Lieutenant Woodhouſe as a Cadet was reſigned Regimentally by that Officer on his Tranſfer to the 7th Regiment and that Tranſfer agreeably to the Regulations of the ſervice, placed him in the Regiment under Lieutenant Wood, and conſequently under Lieutenant Parlby.

The Governor in Council has accordingly Reſolved, that the following Alteration of rank ſhall take place in the 7th Regiment of Native Infantry.

Lieutenant B. B. Parlby to be Captain Lieutenant, vice Paſley promoted; and Captain of a Company vice Brown tranſferred to the Non-Effective Eſtabliſhment, Dates of Commiſſions the 9th of October 1804, and 19th of December 1804.

Lieutenant P. Wood to be Captain Lieutenant vice Parlby promoted; and Captain of a Company, vice Marſhall promoted, Dates of Commiſſions the 19th of December 1804 and 20th September 1805.

Lieutenant W. Woodhouſe to be Captain Lieutenant, vice Wood promoted, date of Commiſſion the 20th September 1805.

It is not without conſiderable reluctance that the Governor in Council has adopted the foregoing Reſolution for reſtoring Captain Wood to his proper rank at ſo a diſtant a period from the date of his ſupereceſſion. In being diſpoſſeſſed of the rank, to which he had Originally reſinquiſhed his pretenſions, Captain Lieutenant Woodhouſe cannot complain of any

grievance

grievance, but having been suffered to remain in the undisputed possession of it for many years, it cannot be denied, that he has cause for disappointment, arising from the remissness of Captain Wood in the prosecution of his Claim, and as the Reasons assigned for that delay are far from satisfactory, His Lordship in Council has deemed it to be deserving of this public censure.

Under these Circumstances His Lordship in Council would willingly have enforced the General Order of the 7th of November 1788, which was intended to provide against the favorable reception of such dilatory Claims; but that Order having been rendered obsolete by long disuse, His Lordship in Council is precluded from having recourse to it in the present Instance.

This Claim however of Captain Wood having proved the wisdom of the Regulation established in General Orders on the 7th of November 1788, His Lordship in Council is pleased to renew and to confirm the Regulation from this Date; and to direct that a Copy of it be annexed to the present Orders for the information and guidance of the Army.

His Lordship in Council is further pleased to signify his intention of supporting to the utmost of his power the Regulation, which he has Confirmed; and His Resolution not to deviate from it under any Circumstances but such as may be of particular exigency.—His Lordship in Council will under no circumstances authorize a departure from the Regulation, where it shall not be manifest that any delay which may occur in presenting Claims of the nature in question, is in no shape imputable to the persons immediately interested in their determination.

EXTRACT OF G. O. BY GOVERNMENT.

Dated 7th November, 1788.

"Several applications for Rank having lately been made "to the Honorable the Governor in Council, all of which "upon examination have been proved to be entirely groundless, "and as every Officer must be supposed in the Course of one "year to have obtained a thorough knowledge of his proper "situation in the Company's Service and been able in that "time both to make known Claims and to procure every "testimony necessary in support of them—It is the pleasure "of the Honorable the Governor in Council that no Retrospect "on the subject of Rank shall be made beyond twelve months "from the date of the Application."

The following Extracts from the confirmed Proceedings of a General Court Martial, of which Colonel Alexander Keith, of His Majesty's 77th Regiment is President, are published to the Army.

At

At a General Court Martial assembled at Vellore, on Monday the 14th day of October 1805.

CHARGES.—Captain Barrow of His Majesty's 69th Regiment placed under arrest by me on the following charges, exhibited against him by Mr. Paymaster M'Nally.

1st.—For depriving the men of his Company from the benefit afforded them by the difference of Exchange between their Pay rate of 42 Fanams, and the Bazar rate of 44 and 50 Cash per Pagoda, he Captain Barrow having exchanged the Rupees which he received from the Paymaster for Fanams, in which last mentioned coin, he issued the subsistence for his Company for ten or eleven days in the present Month (of August last) at the rate of 42 single Fanams per Pagoda, and did not account for the difference until Paymaster M'Nally had made an official report to the Commanding Officer of the injustice done to the Men.

2d.—For not having given full credit to the men of his Company, or the greatest part thereof, for the Balance due to them to the 24th July 1805, in bringing the Sterling Amount into the Currency of this Presidency, he Captain Barrow having retained to himself all the pence of each man's credit, and accounted to them for the Pounds and Shillings only.

3d.—For having stopped from the half yearly allowance of one Shilling and four pence half penny for each Corporal and Private (commonly called ordnance allowance) for cleaning arms to the 24th June 1804, the amount of which allowance was credited him by the Regimental Paymaster in his abstract to the 24th of July 1804, eight pence from all, or the greater part of the Rank and File of his Company, under pretence of paying for Accoutrements lost by neglect; the amount of which stoppage he has clandestinely retained in his own hands, and appropriated to his own use, being the Colonel's property.

4th.—For having made a shameful and unjust stoppage from Private William Sweetman of his Company for a Regimental cap lost by him, he, Captain Barrow having stopped sixteen shillings and six pence from the Man, being the price of two Caps; and to complete the said William Sweetman in his Clothing Captain Barrow made a demand on the Quarter Master for a second Cap, which he received, and retained the amount to himself, being the Colonel's property

property: (as he took no notice of it in the return of his Company for the two months subsequent to the stoppage being made.)

5th.—For having made stoppages from men of his Company for arms lost, or injured by them, in one instance an unjust stoppage from Private James Matthews, which arms he replaced from public Arms, having obtained several stand in a surreptitious manner, which stoppages, or public Arms, he never took notice of, in the monthly Returns of Arms and Accoutrements of his Company, and the amount he appropriated to his own use.

6th.—For making use of expressions highly unbecoming an Officer and a Gentleman, in coming to Paymaster M'Nally's Quarters at *Wallajabad* on the morning of the 27th instant on Regimental duty, and after he retired to the Street, he Captain Barrow, in the presence of a great part of Captain Muttlebury's Company, without any provocation said, "You" (meaning Paymaster M'Nally) "are a damned Scoundrel"—shaking his stick which he held in his hand at the same time,—evidently with an Intent to provoke Mr. M'Nally to use means of violence, or to excite him to send a Challenge to fight a Duel.

(Signed) CHRISTOPHER CLARGES, *Major*.
Commanding 69th Regiment.

SENTENCE.—The Court having maturely weighed and considered the whole of the Prosecution, and the Prisoner's Defence, together with the Evidence produced in support of each, is of opinion, as follows,—

1st Charge.—The Court is of opinion that the Prisoner Captain Barrow *did not* "deprive the men of his Company "from the benefit afforded them by the difference of "exchange, between their Pay rate of Forty two Fanams "and the Bazar rate of Forty four Fanams and fifty Cash "per Pagoda," as that difference was paid by Captain Barrow to the Men on the 24th of the same Month; the usual day for settling accounts.

The Court is further of opinion that it is not proved that Captain Barrow changed the Rupees he received from the Paymaster into Fanams, (as stated in the Charge) he having made an issue of Fanams from his own private purse, *previous* to his receiving those Rupees from the Paymaster, and that the temporary issue of Pay, at the rate of forty two Fanams the Pagoda proceeded merely from Captain

Captain Barrow's ignorance of the currency of the country, and not from any fraudulent intention.—The Court doth therefore acquit Captain Barrow of all and every part of the first Charge.

2d Charge.—The Court is of opinion that Captain Barrow is *not* guilty of the second Charge, which it considers frivolous and vexatious. The Court therefore acquit Captain Barrow of the 2d Charge.

3d. Charge.—It appears to the Court that the Stoppage of eight pence from the Ordnance Allowance of all, or the greater part of the Men of Captain Barrow's Company *was made*, but not "*retained* by Captain Barrow *clandestinely*," or "for the *purpose of being appropriated to his own use*," but for the purpose of answering Claims, which Captain Barrow had been informed were coming against his Company, on account of Accoutrements lost. The Court doth therefore *acquit* Captain Barrow of the third Charge.—But the Court at the same time finds it necessary to remark upon the *irregularity* of Captain Barrow, in having made *a general Stoppage* from the men of his Company, previous to any demands having been made against them for the loss of Accoutrements.

4th Charge.—The Court is of opinion that the Prisoner Captain Barrow is *not Guilty* of the fourth Charge, and it doth therefore acquit him, of all and every part thereof.

5th Charge.—It appears to the Court that *overcharges have* been made by Captain Barrow against Private James Matthews and others of his Company, for Arms lost, injured by them, but not with an unjust intention. The Court is of opinion that Captain Barrow is not Guilty of having obtained several stand of Arms in a *surreptitious manner* (as stated in the Charge) and that he *did not* appropriate the amount of the Stoppages for these Arms to his own use. The Court doth therefore *acquit* Capt. Barrow of the 5th Charge.

6th Charge.—The Court finds the Prisoner Capt. Barrow *Guilty* of "making use of expressions highly "unbecoming an Officer and a Gentleman, in coming "to Paymaster M'Nally's Quarters at *Wallajahbad*, on "the Morning of the 27th Instant on Regimental Duty, "and after he retired to the Street, he, Capt. Barrow, "in the presence of a great part of Captain Martlebury's "Company said, "You" (meaning Paymaster M'Nally)

are

" *are a damned Scoundrel,* shaking his ſtick which he held " in his hand at the ſame time"—but the Court is alſo of opinion, that the ſame was not "*without provocation*" and not "*with an intent to provoke Mr. M'Nally to uſe* " *means of violence, or to excite him to ſend a Challenge* " *to fight a Duel.*"

The Court having found the Priſoner Captain Barrow, Guilty of part of the ſixth Charge, as before ſpecified; and the ſame being to the prejudice of good Order and Military Diſcipline. The Court doth therefore ſentence him, the ſaid Captain Barrow, to be reprimanded by His Excellency the Commander in Chief, at ſuch time and place, as His Excellency may think proper.

(Signed) J. WATSON, *Dep. Judge Adv. King's Troops.* (Signed) A. KEITH, —COLONEL *and Preſident.*

The Court feel it a duty incumbent on it to obſerve, that this Proſecution appears to have been brought forward more to gratify perſonal reſentment, than through zeal for the good of the Service.

APPROVED AND CONFIRMED.

FORT ST. GEORGE, *4th Nov.* 1805. (Signed) J. F. CRADOCK, LIEUTENANT GENERAL.

The Commander in Chief after an attentive peruſal of the proceedings of the Court on the trial of Captain Barrow of His Majeſty's 69th Regiment, has approved and confirmed the Sentence.

The Court has very properly marked the improper language uſed by Captain Barrow to Paymaſter M'Nally, as a ground of reprimand.—That the offenſive term was not uſed without ſtrong provocation, has been aſſerted, and has not been denied in the courſe of the Trial; but no circumſtance can juſtify an Officer in applying to another groſs epithets and terms of Inſult; It is unneceſſary even in the expreſſion of Contempt or indignation to depart from the language of a Gentleman; and the Commander in Chief therefore reprimands Captain Barrow for applying to Mr. M'Nally the expreſſions which have been proved againſt him.

Much of the matter on which Mr. M'Nally has founded his accuſations of Captain Barrow, appears to have originated in a very reprehenſible practice, of confiding entirely to pay Serjeants,

jeants, the adjustment of accounts and estimate of necessar sloppages. It is the duty of every Captain of a Compan personally to superintend this important Branch of its interio œconomy, and to regulate it with the utmost precision: if he omits to do so, he fails in an essential point of duty, and, as in the present instance, exposes his character to question on the errors or deficient information of his subordinate Agent.

The Commander in Chief has also remarked with much dissatisfaction the extraordinary evidence of Quarter Master Henry on the 4th Charge, and his positi denial of a conversation which the concurrent testimo of two Witnesses proves to have taken place.

Without a rigid enquiry into the regularity of th observation annexed to the Sentence by the Court Martial in respect to the motive of the Prosecution, the Commander in Chief has published it to the Army, under the feeling that while it is the bounden duty of every Officer to bring to light all unjust practices that reflect discredit on his Corps, yet the necessary accusation should be so tempered with moderation, and marked with so direct a spirit, as to remove all imputation that any other Sentiment but the good of the Service, actuated his conduct.

Arcot, 15th October, 1805.

CHARGES.—Quarter Master John Harnett of His Majesty's 19th Light Dragoons put in arrest by me on the following Charges.

1st.—For neglect of duty, in not issuing Subsistence to the Non-Commissioned Officers and Privates of Captain Wilson's Troop at the period it became due, he having received the said Subsistence from the Paymaster on Account of the Troop the 28th September 1805 for 25th September and 24th October 1805.

2d.—For embezzling the Subsistence of the Non-Commissioned Officers and Privates of the said Troop.

3d.—For misapplying the money advanced him by the Captain of his Troop, for the use of the said Troop.

(Signed) J. KENNEDY,
Lieut. Colonel, 19th Light Dragoons.

By Order.

(Signed) P. A. AGNEW,
Adjutant General of the Army.

SENTENCE

TENCE.—The Court having maturely considered the Prosecution, and Evidences on the first and second Charges, and the Prisoner having made no defence, is of opinion that, the Prisoner, Quarter Master John Harfnett is guilty thereof viz.

1st.—" Neglect of duty, in not issuing Subsistence to " the Non Commissioned Officers and Privates of Captain " Wilson's Troop at the period it became due, he " having received the said Subsistence from the Paymaster " on Account of the Troop the 28th September 1805, " for 25th September and 24th October 1805."

2d —" Embezzling the Subsistence of the Non- " Commissioned Officers and Privates of the said Troop."

The Court having also considered the Prosecution and evidences on the 3d Charge, together with what the Prisoner has urged in his Defence, is of opinion, that the "misapplication of the money advanced the Prisoner by " the Captain of his Troop for the use of his said Troop" is not proved; but it appears to the Court, that certain Sums are due by the Prisoner to the Captain of his Troop for Nankeen and other Stoppages.

The Court having found the Prisoner, Quarter Master John Harfnett, guilty, as above specified, and the same being in breach of the Articles of War, it doth therefore Sentence him, the said Quarter Master John Harfnett, to be reduced to serve in the Ranks as a Private Soldier, and to be put under Stoppages, not exceeding half his pay until the amount of the Sums which appear to the Court to be due by him, viz. One hundred and twenty Star Pagodas, eighteen Fanams, and sixty five Cash, on account of Subsistence embezzled; about sixty two Pagodas on Account of Nankeen, and about Sixty Pagodas due to the men of his Troop *be made good.*

Colonel and President.

Deputy Judge Advocate King's Troops.

2d—"For embezzling the Subsistence of the Non-"commissioned Officers and Privates of the said Troop."

The Court having also considered the Prosecution and Evidence on the 3d Charge, together with what the Prisoner has urged in his defence, is of opinion, that the "misapplication of the Money advanced the Prisoner by "the Commanding Officer of his Troop," is not proved, but it appears to the Court that the Sum of Twenty seven Pagodas, thirty nine Fanams, thirty seven and a half Cash is due by the Prisoner to the Commanding Officer of his Troop.

The

The Court having found the Prisoner Quarter Master Thomas Wright guilty as before specified, and the same being in breach of the Articles of War, it doth therefore sentence him the said Quarter Master Thomas Wright, to be reduced to serve in the Rank, as a Private Soldier, and to be put under Stoppages not exceeding half his pay, until the Amount of the Sums which appear to the Court to be due by him, Viz. HEAD QUARTERS: CHOULTRY PLAIN, *14th Nov.* 1805.

G. O. BY THE COMMANDER IN CHIEF.

Lieutenant General Sir J. F. Cradock has eſtabliſhed a Turband for the Native Commiſſioned Officers—Non-Commiſſioned Officers—and Rank and File—of Regiments of Native Infantry—of Companies of Golandauze—and of Gun Lafcars attached to Battalions of Artillery—belonging to the Army upon the Eſtabliſhment of *Fort St. George*.

The Turband ſo eſtabliſhed ſhall be conſidered to be the uniform of the abovementioned Corps, and ſhall be worn as ſuch to the excluſion of every other that may heretofore have been authorized.

Sealed Patterns of the Turband will be furniſhed to Corps; and the Commander in Chief forbids any deviation whatever from thoſe patterns as eſtabliſhed for Grenadiers—Light Infantry

Infantry—and Battalion Companies—either in their Fashion or Trimmings, or in their dimensions or weight.

Besides corresponding in all respects with the pattern Turbands, each Turband shall be made sufficiently large to reach low down upon the head, and to fit it so firmly as to prevent the Turband becoming unsteady when the Soldier moves at an accelerated pace.—The Turband shall be worn even upon the head, and touching the eye-brows.

The expence to be incurred in providing pattern Turbands for distribution to Corps will be charged against the off-reckoning Fund of the year 1804-5.

Commanding Officers of Corps, the Turbands of which require to be renewed, are directed to avail themselves as well of the materials of the present Turband, as of the payment of the compensation in lieu of Clothing for the year 1804-5, to complete their respective Corps with the established Turband; and, when effected, to report it to the Adjutant General's Office.

In Corps which are not in immediate want of new Turbands, the introduction of that now established shall take place gradually, but Turbands of any pattern heretofore in use shall not be repaired, or made up, subsequent to the receipt of this Order.

G. O. BY THE COMMANDER IN CHIEF.

The Commander in Chief feels himself as length obliged, from instances accumulating every day, in respect to the enlistment of Recruits totally unfit for the Service, to signify his Sentiments upon this Subject to the Army in the most pointed manner.

While the Recruiting Officer has had Instructions before him to guide his Conduct, and such as must be believed would prevent his falling into Error, it becomes an important Question, how improper Subjects, to the great amount that has prevailed, could find admission into the Service.

The Commander in Chief is unwilling to attach unworthy motives to the Practice, but rather attributes it to that mischievous Ardor for completing Corps, and other Levies, in despatch, and without consideration—the Officer altogether forgetting that such perverted Exertions add no Force to the Army but on the contrary embarrass all it's Proceedings at incalculable Expense—give, upon Paper alone, a false Strength —and may, on a future day, expose the reputation of the Army, from the highest to the lowest Officer, to very unfounded Imputation.

Sir John Cradock therefore cannot too strongly enjoin in future the most scrupulous attention to this Subject : and, he wishes to impress, that the Inspecting, equally with the Recruiting, Officer will be called to a severe account for any deviation from established Rules and usage of the Service.

CHARGE.—Captain Joseph Watson, Commanding the Malabar Police Corps, ordered in arrest by me, for scandalous and infamous behaviour, such as is unbecoming the Character of an Officer and a Gentleman, in the following instances.

1st.—For having clandestinely taken, from Lieutenant Colonel Hill's possession in *Wynaad* on, or about, the 22d September last, a Private Letter written by me to Lieutenant Colonel Hill on, or about the 16th of the same Month; in which Letter I took occasion, from my knowledge of Captain Watson's Character, to caution Lieutenant Colonel Hill respecting him, and requested the letter to be destroyed after perusal.

2d.—For having kept the said Private Letter in his possession for some time, and perused it; alledging in a note, which he wrote to Lieutenant Colonel Hill when he returned the letter, that his reason for so doing, was "his "being forcibly struck with the words Eulogy on Cap- "tain Watson which appeared in it."

3d.—

3d.—For having made certain expreſſions, contained in that letter (ſuch as that he was deceitful, an Enemy to the Madras Officers, and of having by falſe repreſentation, attempted to injure their conduct whilſt commanding in *Wynaad)* the knowledge of which he thus infamouſly, and ſurreptitiouſly, obtained, the ground of an Official application to me, as Commanding Officer in *Malabar* and *Canara* under date the 20th October laſt, in which, he deſires that I will ſtate the grounds upon which I have repreſented him to Lieutenant Colonel Hill in the aforementioned Private Letter as being deceiful, an enemy to the Madras Officers, and of having by falſe repreſentations attempted to injure their conduct, and demanding a Court Martial to inveſtigate the ſame.

Additional Charge preferred againſt Captain Joſeph Watſon, of the Malabar Police Corps—For conduct utterly ſubverſive of Military ſubordination in the following inſtances.

For having forwarded an application to Government, through the Principal Collector in *Malabar* on, or about, the 10th of November laſt, for leave to proceed to ſea on ſick Certificate without having tranſmitted the Certificate to me, or even notified his intention of quitting the Province, until I ordered him under arreſt, thereby manifeſting a total diſregard for the rules of the Service, and contempt of the Military authority then veſted in me as Officer Commanding in *Malabar* and *Canara.*

CANNANORE, *7th December*, 1805. (Signed) A. Mc. LEOD—*Lieut. Col. 1ſt Bat. 12th Regt. Native Infantry.*

BY ORDER.

(Signed) P. A. AGNEW,
Adj. General of the Army.

SENTENCE—The Court having maturely weighed, and conſidered, the evidence in ſupport of the charges, and what the Priſoner, Captain Joſeph Watſon, has urged in his defence

defence on all, and every one, of the charges—is of opinion that the Prisoner, Captain Joseph Watson, is not Guilty—and do hereby most fully, and honorably, acquit him of all, and every one thereof.

(Signed) J. CAMPBELL, *Captain Officiating as Judge Advocate.* (Signed) A. CUPPAGE, *Colonel and President.*

APPROVED AND CONFIRMED.

(Signed) J. F. CRADOCK,
Lieutenant General.

The Commander in Chief has approved, and confirmed, the sentence of the General Court Martial which has fully, and honorably, acquitted Captain Joseph Watson, of the Malabar Police Corps, of all the Charges preferred against him.

His Excellency thinks it necessary to observe that the investigation terminated by this sentence, has chiefly originated from the very reprehensible practice of mixing in the same Letter Official directions on points connected with the public service, and communications to a private friend intended solely for his private, perusal.—The Existing Orders of the service should have been sufficient to prevent the necessity, His Excellency now feels, for the positive prohibition of this practice, under the penalty attached to disobedience of Orders.

The Commander in Chief views with surprise, and displeasure, the difference of statement that naturally led Lieutenant Colonel Macleod, on the report of Lieutenant Colonel Hill, to resort to a Court Martial; and that which, with so great an alteration of circumstance, appeared subsequently upon the Trial.

On publication of the sentence at *Seringapatam*, the Court to be dissolved.

G. O. BY GOVERNMENT.

The Right Honorable the Governor in Council is pleased to publish in General Orders certain resolutions which his Lordship in Council has deemed it to be proper to adopt for the better regulation of the district Staff serving under this Presidency.

His Lordship in Council has resolved that the Staff of each Division of the Army and of each Superior district, which may require an establishment of this nature, shall consist of the following detail.

1 Assistant Quarter Master General.
1 Assistant Adjutant General.
1 Aid de Camp or Brigade Major,

according as the Command of the Division or district may be held by a Major General or an Officer of inferior rank.

His

His Lordſhip in Council has reſolved that the Aid de Camp or Brigade Major being the perſonal Staff of the Commanding Officer, ſhall continue to be recommended by him, but that the Aſſiſtant Quarter Maſter General and the Aſſiſtant Adjutant General ſhall be conſidered to be attached to the diſtrict in which they ſerve, and that their appointment ſhall be ſolely determined by the Governor in Council, on the recommendation of the Commander in Chief.

His Lordſhip in Council has been pleaſed to fix the allowances of the Aſſiſtant Quarter Maſter and Aſſiſtant Adjutant General according to the preciſe rates eſtabliſhed for ſuch appointments in *England*, and to grant to thoſe Officers one half more pay, and batta than is allowed to Aides-de Camp. His Lordſhip in Council has reſolved that their Horſe allowance ſhall remain the ſame, and that their Tent-allowance ſhall be regulated by the uſage of the Army, according to their rank, with ſuch addition as ariſes when the Troops are in the field.

His Lordſhip in Council will hereafter determine the allowances which it may be neceſſary to grant for Stationary to the diſtrict Staff.

His Lordſhip in Council has reſolved that the foregoing arrangement ſhall be progreſſively introduced in the different diviſions of the Army, according as the vacancies of Commands may render the introduction practicable without injury to the preſent perſonal Staff of Commanding Officers; and His Lordſhip in Council has particularly reſolved that the meritorious Officers ſelected by Major General the Honorable Sir Arthur Wellesley, for ſtaff ſituations in *Myſoor*, in reward for their ſervices in the Field ſhall retain thoſe appointments, until provided in another manner.

His Lordſhip in Council is pleaſed to exclude the Subſidiary Force of *Hyderabad*, from the operation of this Order, and to continue to the Deputy Adjutant General and Quarter Maſter General of that Force their preſent deſignations and allowances.

His Lordſhip in Council has further reſolved that with the exception of the perſonal Staff of the Governor and of the Commander in Chief, the appointment of Secretary ſhall be diſcontinued throughout the Army of this Preſidency, and that all other perſonal Staff ſhall be limited in the manner ſtated in this order.

By order of the Right Honorable the Governor in Council.

(Signed) G. STRACHEY, SEC. TO GOVT.

By order of the Commander in Chief.

HEAD QUARTERS: CHOULTRY PLAIN, 22*d Feb.* 1806.

G. O. BY THE COMMANDER IN CHIEF.

The Right Honorable the Governor in Council having judged it to be of advantage to the Military Service that a new arrangement of the Staff of Diſtricts ſhould take place, whereby the local duties will be performed by Aſſiſtant Adjutant Generals and Aſſiſtant Quarter Maſter Generals, and the Situation of perſonal, or diſtrict, Brigade Major, and Secretary, to the General Officer commanding in future be diſcontinued.

The Commander in Chief, in announcing this alteration to the Army deſires it to be perfectly underſtood that the avocation of the Officers ſelected for theſe appointments is not to be confined to the appropriate duty that may appear, in Name, to mark their reſpective Stations: but as the perſonal Staff of the General Officers is now reduced, theſe Gentlemen are to afford every Military Aſſiſtance their Commanding Officer may pleaſe to require.

The preſent Syſtem of Staff Appointments is founded upon the uſage that prevails in His Majeſty's Commands in *England*, and the Commander in Chief is anxious to impreſs upon the Officers of this Service that the genuine principles of ſelection will ever guide his recommendation, and whenever merit is diſplayed by the attainment of the native Languages, the claim of acknowledged ſervices, the poſſeſſion of thoſe military qualifications that now form the purſuit, and diſtinguiſh the Staff of Europe, he will invariably ſubmit thoſe Characters to the view of Government.
