Sir John Cradock therefore requeſts that Major Campell will receive his beſt thanks and be aſſured he ſhall remember with pleaſure the ability and method he invariably diſplayed in the Execution of that Office.

G. O. By the Commander in Chief.

The Commander in Chief has again this year the pleasure of expressing his entire approbation of the appearance and Field Discipline of the Madras Fencibles.—It is superfluous to remark upon

upon the progress or improvement of the Regiment, as they long since have established the value of their aid and efficiency in common with the regular Battalions of the Service.

Composed as this Corps is of Gentlemen, whose avocations in the Civil Line, it might be expected, would necessarily distract their attention from Military pursuits, Sir John Cradock cannot too loudly extol the exertions of Lieutenant Colonel Taswell and the other Officers, and he attributes the present Character of the Madras Fencibles to that spirit of patriotism, which inspires every loyal breast to join the common cause (unweakened by remote position) of *Europe*, in defence and armament against that Foe, whose insatiate views would doom every Nation, but its slave, to destruction.

CHARGE.—Subadar Secunder Khan, of the Light Company 2d Battalion 18th Regiment Native Infantry, Ordered in arrest by me, on the Representation of Lieutenant Blackmore in Charge of the Light Company, in consequence of Complaints preferred to him of various acts of Extortion, and disobedience of Orders, of the said Subadar while in the above Company, as detailed in the following Charges.

1st.—For secreting, and appropriating to his own use, certain sums of Money belonging to men who had deserted during the Months of April and May last, without the knowledge, or sanction, of the Commanding Officer, or of Lieutenant Somerville then Commanding the Company—and also for clandestinely paying the Money, so fraudulently

lently secreted, to Captain Boardman on the 22d September, the very day the transaction came to my knowledge, and at the moment of an enquiry I had ordered into it—when it was his duty, had he detained the money for any open honest purpose, to have paid it over to the Officer in Charge of the Company, on his being removed from it the 7th September.

2.—For disobedience of positive, and repeated Battalion orders of the 20th July, and 15th November, 1801—in extorting for a period of 3 years, and more, 6 fanams monthly from Muniapah, a Sepoy in his Company—being his (the Subadar's) proportion of contribution for the Native Doctor, under the pretence of its being Interest for money he had lent the said Sepoy—being also in defiance of the above orders which prohibit even voluntary Stoppages being received without the Commanding Officer's Sanction.

3d.—For irregular Conduct in defrauding the men of his Company of a proportion of their gratuity Rice, during the extreme scarcity of grain at *Poonah*, when it used to be issued every three days to the Corps at the rate of ½ a Seer per Man.

4th.—For Irregular conduct in taking from Cassim Khan, a Naigue in the Company, 2 Shawls plundered at the storm of the Pettah of Amednughur, and detaining them to this hour under the false pretence that Cassim Khan, had made him a present of them.

5th.—Charged by me with neglect of duty, and irregular Conduct in conniving with Mootalagoo, Jemadar of the light Company, in secreting for several days, a Deserter from the Company, and not delivering him up until the very morning, when he learnt I had been apprized where the man was hid.

SENTENCE

SENTENCE.—The Court having maturely weighed, and considered, the Evidence brought in support of the Prosecution, and what the Prisoner has urged in his defence, is of the following opinion—that he, Secunder Khan, is not Guilty of the Crimes imputed to him in the four (4) first Charges, and they do hereby acquit him thereof.

The Court is also of opinion that, Secunder Khan, Subadar, is guilty of the Crime imputed to him in the 5th Charge, viz.—"Charged by me with Neglect of duty, "and irregular Conduct, in conniving with Mootalagoo "Jemadar of the Light Company, in secreting for seve-"ral days a Deserter from the Company, and not deliver-"ing him up until the very Morning when he had learnt "I had been apprized where the man was hid"—but it having appeared that he had already been punished by removal from the Light Company, and by being reprimanded—the Court is of opinion that he has already received sufficient Punishment for the Crime imputed to him.

HEAD QUARTERS: CHOULTRY PLAIN, 15*th April* 1806.

G. O. BY THE COMMANDER IN CHIEF.

In consequence of a recent reference to the Commander in Chief, which shews that a mistaken opinion on the nature of Rosters is entertained by many in the Army, His Excellency deems it necessary to explain this point in public Orders.

The Regulations of the Service have directed that, "the tour of duty shall be from the eldest downwards"—and on this principle a Roster for all ordinary duties is necessarily kept;—but this Regulation by no means precludes an Officer Commanding, from exercising his discretion in the *Selection* of an Officer to Command a Detachment, or for any other duty; nor is any Officer who may not, have been selected, altho' first on the Roster of ordinary duty, warranted to question such right of selection by any reference or remonstrance on the subject;—nor can he do so, without failing in that respect which it is incumbent on every Military Man, to shew to the Orders of his Superior Officer, and which the Commander in Chief feels himself bound to enforce.

It is by no means the intention of the Commander in Chief, by forbidding unnecessary and improper references grounded on mistaken Ideas of the *Customs* of Service, to discountenance appeals to Superior authority, in cases of *real* grievance. It is on the contrary His Excellency's desire, that such appeals when stated in proper and respectful terms, may always be forwarded through the Regular Channel of communication, accompanied by such comments and observation as the Superior Officer through whom they are transmitted may deem necessary in explanation of the subject.—Officers making such appeals will do so on their personal responsibility; and the Commander in Chief will ever be equally disposed to redress a real grievance, and to check with severity the unnecessary or ill-founded statements of the litigious or the insubordinate.

G. O. By Government.

The Right Honorable the Governor in Council has been pleased to republish the following General Order for the information of the Army.

G. O. By Government, 27th September 1800.

1st—The Right Honorable the Governor in Council is pleased to establish as a Regulation of the Service, that Officers having leave to go to the *Cape of Good Hope*, and eventually to *Europe*, for the recovery of their health, shall be entitled to draw their Regimental Pay and Allowances until the date either of their departure from the *Cape* to proceed to *Europe*, or until they rejoin their Corps from that Settlement; but that in order to guard against applications being made by Officers to go to the Cape, and eventually to *Europe*, with a view of retaining their Allowances, it be made an express condition, that such Officers shall actually reside at the Cape for a period of six months, and that their residence there for that period, shall be certified by a public Officer of the place, to entitle them to those Allowances, otherwise they will not be considered to have a claim to any thing whatever beyond their Pay on Furlough. Should it not be their intention to proceed to Europe after the expiration of that period, and that the state of their health will not admit of their immediately returning to Madras, they are by the first convenient opportunity to apply for an extension of their leave of absence, and at the same time, to transmit to the Adjutant General of the Army, to be laid before Government, a Certificate signed by one or more Surgeons, resident at the Cape, that the state of their health was such as to render it unsafe for them at that time to leave the Settlement.

2d.—It is further ordered, that Officers applying for leave to proceed to the Cape of Good Hope, whether in the expectation of returning to this Country, and not prosecuting a voyage to England, or otherwise, be required to furnish the same Certificate, or in lieu thereof the same security regarding claims in the Pay Department, that are required by General Orders from Officers going from this Coast to England, under a direct or conditional leave for that purpose.

3d.—The Right Honorable the Governor in Council is likewise pleased to direct, that Military Officers, Surgeons, and Assistant Surgeons, who shall obtain the permission of Government to go to the Cape of Good Hope only, for the recovery of their health, under the prescribed Certificate of sickness,

shall

ſhall be permitted to proceed to that Settlement either direct or by the way of St. Helena, without forfeiting the allowances to which they would have been entitled, if they had proceeded to the Cape direct.

4th.—And with a view to accommodate Officers at Sea, the Cape of Good Hope, or at either of the other Preſidencies, for the recovery of their health, and who may be deſirous of having their allowances paid in Madras during their abſence—His Lordſhip directs that they be not included in the Abſtracts of their reſpective Companies, but that ſuch Officers ſhall furniſh the Military Auditor General with Certificates of the pay and allowances they laſt received, and that he be authorized to paſs them on ſeparate bills, drawn either by the Officers themſelves, or their Attornies, to the periods at which it ſhall be duly certified they were alive, provided it does not exceed the limits of their leave of abſence.

G. O. BY GOVERNMENT.

The Right Honorable the Governor in Council has great satisfaction in publishing to the Army of this Presidency, the following Extract of a letter addressed by the late Acting Resident with Dowlut Rao Scindia, to the Secretary of the Government at *Fort William*, containing an honorable testimony of the Meritorious conduct of the Officers and Men composing the Escort of the Acting Resident, under Circumstances of extreme difficulty and embarrassment.

"*Extract from a letter to Mr. Secretary Edmonstone, under date the 19th October* 1805."

"On the present Occasion it is a Solemn obligation of my "public duty, independently of the Sentiments of affection, "gratitude, and admiration, which are impressed on my heart "towards those, whose personal attachment and fidelity have "so uniformly supported me throughout a long period of difficul- "ty and danger, to record my deep sense of the Eminent "merits of the Gentlemen of my family, and of the very de- "serving conduct of the Native troops and servants of the "Residency collectively and individually manifested during "the late unfortunate events."

"From Lieutenant Stewart who Commands my Escort, I "have received on every Occasion the most zealous and use- "ful Assistance—That Officer has been present at almost every "conference which I have held with Dowlut Rao Scindia or "his Ministers, since my accession to the Residency; and his "extensive acquaintance with the Persian and Hindostance lan- "guages, and with the general nature of our relations with the "native Courts of India, having led me to employ him as an "Assistant, I have derived very considerable advantage from "his zeal and information of the performance of the duties "of that Station. I attribute eminently to the activity and "prudence of Lieutenant Stewart aided by Lieutenant Green, "the other Officer attached to the Resident's escort, the me- "ritorious conduct of the Native Troops on this very arduous "and disagreeable Service. I have already had the honor

"to

" to represent for the favourable notice of Government the
" active exertions of these Officers respectively during the
" two attacks upon the British Camp by the Pendarries as
" well as the meritorious services of the Native Commissioned
" and Non-Commissioned Officers and Men composing the
" Resident's escort on those occasions; and I trust that the ser-
" vices of Lieutenants Stewart and Green (the latter of whom
" was severely wounded at *Sagur*) and the exemplary fidelity
" and fortitude which have so uniformly been displayed by
" the Troops under their command throughout a most trying
" situation since those occurrences, will be considered to enti-
" tle them to the particular favor and approbation of Govern-
" ment."

" To Mr. Wise, Surgeon to the Residency, I cannot sufficiently express my gratitude. The active humanity which
" that Gentleman has ever displayed in the duties of his pro-
" fessional Character, under a combination of difficulties to
" embarrass and impede their successful exertion, was particularly
" conspicuous after the last attack upon the British Camp, and
" the chearful assiduity with which, although under the pain
" of a severe wound, that Gentleman continued to afford his
" assistance on so distressing an occasion, has entitled him to
" my warmest acknowledgements, I take the liberty of recom-
" mending Mr. Wise to the favourable notice of the Honora-
" ble the Governor General in Council."

" In expressing my sense of the merits of the Natives who
" are still attached to the Residency, and who have universal-
" ly manifested an attachment and fidelity, which no events
" could impair, I am particularly solicitous to call the attenti-
" on of Government to the services of Ramuppa Bramin, my
" chief Native Servant; Ramuppa, both previously and subse-
" quently to the death of Mr. Webbe, has acted in the Capacity
" of Marhatta Moonshee and has been employed by me in all
" intercourse with the Durbar which did not require my im-
" mediate attendance, he resigned a situation of considerable
" trust and emolument to accompany Mr. Webbe on this ser-
" vice, he is Brother to Kistnapa who accompanied Colonel
" Malcolm on his late mission to the Court of Scindia, and
" whose merits have been rewarded by the grant from the Su-
" preme Government, of a Jaghire in the Ceded provinces
" under the Presidency of *Fort St. George*. I trust that the
" Honorable the Governor General in Council will deem it

" proper

" proper to recompence the particular zeal and attachment of " Ramuppa, by ſome ſolid mark of approbation."

(A true Extract)

(Signed) R. JENKINS,
Late Acting Reſident.

In addition to the foregoing communication, His Lordſhip in Council is pleaſed to publiſh the following extract of a letter from Mr. Jenkins to this Government.

" In that Extract His Lordſhip in Council will perceive " that I have ſtated in general terms my ſenſe of the meritorious conduct of the Troops compoſing the Reſident's Eſcort " —Their ſteady conduct during the two attacks on the Britiſh Camp, and the Extraordinary fidelity and fortitude " which they uniformly manifeſted during a long courſe of " hardſhip, and under the moſt trying circumſtances, ſubſequent to thoſe attacks, cannot be ſufficiently applauded."

" I obſerve that the Right Honorable the Governor in Council has been pleaſed to grant to the families of thoſe Native " Officers and men of His Lordſhip's Body Guard, attached " to the Reſidency, who fell in the attack on the Britiſh Camp " on the 25th January 1805, the ſame indulgence, which is " enjoyed by the families of thoſe, who were killed during " the Mahratta War.—That indulgence was in my opinion, " juſtly due to the brave conduct of the individuals who fell, " and I beg leave to expreſs my approbation of the very excellent behaviour of the party on that, as well as on every " other occaſion, but particularly under the hardſhips which " were ſuſtained ſubſequently to the plunder of the Britiſh " Camp, and which the loſs of their Horſes rendered to them " peculiarly ſevere."

" I ſhould not however be doing Juſtice to the Native " Commiſſioned and Non-Commiſſioned Officers and Men of " the two Companies of the Madras Native Infantry, attached " to my eſcort, did I not bear an equal Teſtimony to their " readineſs and diſcipline. The Merits of Lieutenants Stewart " and Green, I have fully repreſented to this Government; " and I cannot expreſs in terms of too high applauſe, my admiration

" miration of the fortitude and attachment displayed by the " two Companies under their Command, throughout this very " arduous and trying service."

" With this impression, I take the liberty of recommending " to the Right Honorable the Governor in Council to extend " in favour of the Families of those Native Officers and Men " of the Native Infantry, who fell, or who have been disabled " in the attacks of the Pendarries, and on other occasions con- " nected with the late service; an indulgence similar to that " which has already been granted to the party of Cavalry " attached to the escort—Among the severe losses sustained by " the Infantry, I particularly regret the death of Kreperam, " Soobahdar of the 5th Company 2d Battalion 11th Regiment " Native Infantry, who was killed during an attack made " upon the British Residency, on the March from Scindia's " Camp, in the Month of September 1805; the long and " faithful Services of this Officer are of course, duly appretiated, " and I trust that the claims of his Family, likewise will be " admitted by the Right Honorable the Governor in Council.

His Lordship in Council has much gratification in expressing his entire concurrence, in the sentiments stated by the late Acting Resident in the above Extract, and His Lordship has accordingly resolved to make the same provision for the Native Officers and Men of the Native Infantry attached to the Escort of the Acting Resident, who may have been disabled, as well as for the Families of those who may have been killed on that Service, as has been granted to the Troops who have been disabled, or to the Families of those who were killed during the Mahratta War.—The Commander in Chief is accordingly requested to direct the necessary returns to be prepared of the persons who may be entitled to the stated provision.

By order of the Right Honorable the Governor in Council.

The Court proceed to paſs Sentence.

The Court having maturely weighed the whole of the proſecution and Evidence, together with the Priſoner's defence, is of opinion that the firſt charge is not proved—"'Cauſing to be wrote a Letter addreſſed to Sir "Henry Gwillim with my ſignature affixed to the ſame, "and delivering it to Letchmah, a Native Woman, as "written by me, for which he ſtated to her, I had agreed "to receive (100) One hundred Rupees, he at the ſame "time knowing the Letter and Signature to be a forgery.'

But the Court finds the Priſoner guilty of the Second Charge "Scandalous and unofficerlike Conduct, in having "received the abovementioned ſum from Letchmah a "Native Woman under falſe pretences" and the ſame being in breach of the Articles of War, The Court doth therefore Sentence him, the Priſoner Subadar Narrynah to be diſmiſſed the Honorable Company's Service.

CHARGES againſt Subadar Sied Dowd of the 2d Battalion 4th Regiment Native Infantry.

Unofficerlike,

Unofficerlike, Irregular and Diſreſpectful conduct, the latter pointedly towards me on the 9th Inſtant in the following inſtances.

1ſt.—Unofficerlike conduct prejudicial to Military Subordination in upbraiding and checking Cote Havaldar, Shaik Muctoom, of the Light Company, when in execution of a duty, for which he is held reſponſible thereby tending to invert the ſpirit of a Battalion Order.

2d.—Irregular Conduct in taking upon himſelf to order to be confined in the Quarter Guard, Cote Havaldar Shaik Muctoom, of the Light Company on a ſuppoſed Crime previouſly to reporting to me or in my abſence to the Adjutant the degree of delinquency which he thought attached to the ſaid Havaldar.

3d.—Pointed diſreſpectful conduct towards me his immediate, as well as at that time, Battalion Commanding Officer—In ſpurning at, ſhowing and expreſſing an entire diſregard to my Orders Communicated to him by a Havaldar of the Light Company in preſence of ſeveral Non Commiſſioned and Privates of the Company, and in defiance thereof acting directly contrary to them.

By order of the Commander in Chief.

(Signed) P. A. AGNEW,
Adjutant General of the Army.

The Court proceed to paſs Sentence.

The Court having moſt attentively and deliberately conſidered the Proſecution, and the Evidence adduced in ſupport thereof, together with the Priſoner's defence; is of opinion that the Priſoner Subadar Sied Dowd, is not guilty of the firſt Charge "Un-Officerlike Conduct, preju-
"dicial to Military Subordination, in upbraiding, and
"checking Cote Havaldar Shaik Muctoom of the Light
"Company when in the execution of a Duty, for which

he

"he is held responsible; thereby tending to invert the "spirit of a Battalion Order"—It appearing to the Court that the expressions stated in the Evidence to have been used by the Prisoner were excited by the reproachful observations of Havaldar Shaik Muctoom on the Subadar and Jemadar of his Company; and in consequence of his assuming to himself much more, than was consistent with his duty as Cote Havaldar.

The Court therefore acquits the Prisoner Subadar Sied Dowd of the first Charge,

The Court in considering the second Charge, is of opinion that the Prisoner Subadar Sied Dowd,—*did* "order to "be confined in the Quarter Guard, Cote Havaldar Shaik "Muctoom of the Light Company, on a supposed Crime, "*previously* to reporting to the Captain of his Company, "or in his absence to the Adjutant, the degree of de-"linquency which he thought attached to the said Haval-"dar" But it appearing to the Court that the Prisoner, made the requisite Report to the Adjutant, immediately after the confinement of the said Havaldar, the Court is of opinion that no irregularity whatever is imputable to the Prisoner in this particular instance.

But the Court is of opinion that the Prisoner Subadar Sied Dowd is guilty of the third Charge "pointed disrespectful conduct towards me his immediate as well as at that time, Battalion Commanding Officer—In spurning at, shewing and expressing, an entire disregard to my orders, communicated to him by a Havaldar of the Light Company in presence of several Non-Commissioned and Privates of the Company—and in defiance thereof, acting directly contrary to them.

With respect to the fourth charge, the Court is of opinion that the same is not proved, and it doth therefore acquit the prisoner of the fourth charge.

But the Court having found the prisoner Subadar Sied Dowd guilty of the third charge and the same being subversive of good order and Military Discipline and breach of the Articles of War, it doth sentence him the said prisoner Subadar Sied Dowd to be suspended from all Rank,

pay

Captain Lieutenant M. H. West of the 8th Regiment Native Cavalry—ordered in arrest by me this day on the following Charges.

CHARGE 1st.—For Conduct unbecoming the Character of an Officer and a Gentleman and highly subversive of good order, and Military Discipline, in having propagated, and publicly asserted, the most Scandalous, and Infamous falsehoods—highly injurious to my Character, and tending to prejudice the minds of the Officers of the Regiment, as well as those of the station, against me, his immediate Commanding Officer—in the following Instances.—That I had, on or about the 6th May last, given my word of honor to Lieutenant Colonel Martin that, provided he Captain Lieutenant West, signed the Apology, which had been drawn up by Lieutenant Colonel Martin, and approved of by me, I would withdraw the Charges I had preferred against him, to Major General Campbell, and immediately afterwards give him a private meeting or, in other words fight a duel with him; and that it was in consequence of this assurance, communicated to him

him by Lieutenant Colonel Martin that he was induced to sign the Apology.

2.—For Conduct as stated in the 1st Charge, in having publicly asserted that Lieutenant Colonel Martin had called upon me, the Morning after, or some other Morning shortly after, he, Captain Lieutenant West had been released from arrest and delivered to me a verbal Challenge from him, Captain Lieutenant West, but that I had positively refused to give him the Meeting I had pledged my word of honor only the day before, or a few days before, to do, and that he Captain Lieutenant West, was therefore determined to make my Conduct as public as he possibly could.

NUNDYDROOG. JUNE 30, 1806.

REPRIMAND

To be read by Major General Campbell, to Captain Lieutenant Weſt.

SIR,

In conſequence of the Sentence of the General Court Martial held upon your conduct, I am directed by His Excellency the Commander in Chief, to reprimand you—His Excellency deſires me to expreſs to this Court, that from the Proceedings

Proceeding submitted to him, and the proofs upon record of the validity of the Charge, he expected to have read your dismissal from the service, which Sentence, if the Court had awarded it, he would not have hesitated to approve and confirm.

It had fully appeared to His Excellency's conviction, on a former and very recent occasion, that your conduct in the Regiment, was not only insubordinate, but highly contumacious, and His Excellency directed that the General Officer Commanding the District, should severely reprimand, and admonish you;—But it seems to have had no effect, and proves only a waste of forbearance.—His Excellency has not discovered in the prosecution, any oppressive conduct or improper motive, but, on the contrary Captain O'Donnell appears to have equally supported Military discipline, and private character.

His Excellency further desires me to tell you, "Captain "Lieutenant West" that unless he shall be persuaded, from the testimony of your Superior Officers, that a solid amendment of your conduct has taken place at the period of expected promotion, he will not recommend you, and put an end to the supposed pretension, in the Service of the Honorable Company, that Seniority is to have resistless weight, and stand in the place of required merit, and respect.

His Excellency has further commissioned me to advert to the Evidence of Lieutenant Colonel Martin, and Captain Barclay—"That" of both was reluctant, and defective, and more explicit testimony should have been required by the Court —Mystery before a Court Martial cannot be tolerated;—It obscures the judgment and defeats justice;—Captain Barclay assumes the delicate ground of not criminating himself; but "where" this bar arises, it is difficult to understand, and the admission stops the progress of investigation and truth.—Lieutenant Colonel Martin instead of stipulating before the Court for what he would say or what he would not, ought to have sought the fullest disclosure, to vindicate in the most ample manner, that such a "monstrous case" could not exist, as "an engagement to fight a Duel" in order to effect "an Apology" or "if the Apology was made" that oblivion and peace should not be the final result.

(Signed) J. F. CRADOCK,
COMMANDER IN CHIEF.

Fort St. George, 24th July 1806.

G. O. By Government.

The Right Honorable the Governor in Council having had under His Lordſhip's particular conſideration the detailed reports which have been ſubmitted relative to the Circumſtances attending the late unhappy Inſurrection of the Garriſon of *Vellore*, His Lordſhip in Council announces to the Army the deep concern which that diſtreſſing event muſt indelibly fix in His Lordſhip's mind.

It being the wiſh of the Governor in Council, to make generally known the Origin and effect of an event ſo extraordinary in its nature, it is deemed proper to State that early on the morning of the 10th Inſtant, the greateſt part of the Native Troops Stationed in the Fort of *Vellore*, conſiſting of the 1ſt Battalion of the 1ſt (the four Companies at *Chittoor* excepted) and of the 2d Battalion of the 23d Regiments threw off their Allegiance to the Britiſh Government and availing themſelves of the Advantages of darkneſs and Surprize, endeavoured with Circumſtances of Savage ferocity to effect the deſtruction of the European Officers and Soldiers of the Garriſon. In this attempt they unhappily Succeeded to an extent, which muſt excite Sentiments of the utmoſt horror and concern—While however the Mutineers were Succeſsful in Accompliſhing the death of the Commanding Officer of the Garriſon, and of many other valuable Officers and men; it pleaſed Providence to permit that their diſaſtrous progreſs, ſhould be arreſted by the efforts of the brave Troops of H. M. 69th Regiment, who were ſo fortunate as to be enabled to elude and Reſiſt the Murderous intention of the Mutineers, until the Arrival of the Succours which were haſtened for their relief.

To the expeditious arrival of that Aid under the Orders of Colonel Gelleſpie of His Majeſty's 19th Dragoons may be imputed the happy eſcape of the remaining part of the Detachment of His Majeſty's 69th Regiment, and of the Surviving Officers, of the Garriſon of *Vellore*, from the imminent danger with which they were threatened—Intelligence having reached Colonel Gelleſpie in a few hours of the Cataſtrophe at *Vellore*; that Officer with the utmoſt promptitude, proceeded from

from Arcot with a Detachment of His Majeſty's 19th Dragoons and of Native Cavalry (being afterwards followed by a reinforcement of Cavalry,) and having reached *Vellore* at a period of the moſt Critical difficulty, was enabled in perſon to effect a junction with the remaining Detachment of European Troops within the Garriſon, and to Aid by the moſt judicious exertions, the operations of the Reinforcement of Troops, which had been brought under his Orders to the Gates of the place—His Lordſhip in Council will ever reflect with Sentiments of the greateſt Satisfaction on the complete Succeſs, with which thoſe united efforts were attended; the combined attack having been in a ſhort time followed by the overthrow of every obſtacle, which had been oppoſed by the Mutineers to the progreſs of the Troops, by the complete diſperſion of the force of the Inſurgents, and by the Signal Puniſhment of the atrocious Crimes which they had perpetrated.

His Lordſhip in Council in reviewing the events referred to in this Order, conſiders Colonel Gelleſpie to be eminently entitled to public gratitude and applauſe—From the extent of the plans which are aſcertained to have been connected with the Inſurrection at *Vellore*, the early Suppreſſion of that daring Confederacy, became an object of the utmoſt political importance, and as its Speedy overthrow may be in a great degree aſcribed to the bravery, energy and judgement ſo ſignally manifeſted by Colonel Gelleſpie on the morning of the 10th Inſtant, His Lordſhip in Council will always entertain in regard to the conduct of that Officer, Sentiments, proportionate to the Services which have been rendered to his Country by his meritorious exertions.

His Lordſhip in Council deems it proper on this Occaſion, to make known to the Native Army of this Eſtabliſhment, that the late Occurrences at *Vellore*, have tended in no ſhape to diminiſh the confidence of the Governor in Council in that ſpirit of Zeal, Fidelity, and Attachment which the Native Troops have ſo frequently diſplayed in the Service of the Britiſh Government—From the reſult of the moſt careful enquiry; there is every cauſe to believe, that the Inſurrection at *Vellore*, was excited by intereſted perſons, and was foſtered by the deepeſt intrigue, in which the Native Army of this Preſidency had no part with the exception of the Two Battalions compoſing the unhappy Garriſon.

His

His Lordſhip in Council therefore deſires, that the Native Troops will baniſh from their minds, all anxiety on Account of any Suppoſed diminution of Confidence. It will be His Lordſhip's continued wiſh, to evince that Sacred regard which has ever been entertained for their Religious principles and Cuſtoms, and as the Native Troops cannot be otherwiſe than Senſible of the benefits and protection which they and their families enjoy in the Service of the Britiſh Government, His Lordſhip in Council is Satisfied that they will be faithful in the execution of their duty, and that they will Continue to merit that praiſe, which their conduct has frequently and juſtly obtained, on occaſions of trial and Difficulty.

G. O. BY GOVERNMENT.

The Right Honorable the Governor in Council having received from the Commander in Chief a particular Report, which has been Submitted to His Excellency by Colonel Gelleſpie of the Services rendered by the Officers of the Detachment, employed in the Suppreſſion of the Inſurrection at *Vellore* on the Morning of the 10th Inſtant, as well as of the Services of the Officers of the Garriſon of *Vellore*, who ſurvived that Cataſtrophe; His Lordſhip in Council has deemed it proper to publiſh an extract from the Report of Colonel Gelleſpie in General Orders—His Lordſhip in Council is happy at the ſame time to avail himſelf of the Opportunity, to expreſs his Warmeſt approbation of the meritorious Conduct of thoſe Officers, who diſtinguiſhed themſelves on the trying Occaſion, on which they were called to act, and his cordial thanks for the ſucceſs of their exertions.

Extract of a letter from Colonel Gilleſpie of His Majeſty's 19th Dragoons, Dated 20th July 1806.

"Colonel Gelleſpie begs leave to State in a Summary manner, to His Excellency the Commander in Chief, the Sentiments he entertains of the Meritorious Conduct of the Troops under his Command, as well as that of the remains of the

"69th

" 69th Regiment, who compoſed the Garriſon of *Vellore* on " the 10th Inſtant.

" To His Majeſty's 19th Dragoons, and the whole of the " Cavalry Stationed at *Arcot*, too much praiſe cannot be " given and in particular to the Advanced Squadron under " Captain Young conducted by Colonel Gelleſpie in perſon, " and Supported by a Strong Troop of the 7th Native " Cavalry under Lieutenant Woodhouſe.

" To thoſe Troops he cannot ſufficiently expreſs his thanks " for the alacrity, promptitude and Gallantry, with which " they obeyed all his Orders on that perilous Morning in exe- " cuting the neceſſary manœuvres they were employed on " antecedent to the attack on the Fortreſs.

" To the Officers of the 69th Regiment, who in the early " part of the Inſurrection aſſembled their men to make head " againſt the barbarous Enemy, who were attacking them on " all ſides, too much praiſe cannot be given, and Colonel " Gelleſpie has particularly to regret, that the Gallant exerti- " ons of Captains Barrow and M'Lachlan, Lieutenants Mitch- " ell, Cullet, and the other Wounded Officers, were ſo ſoon " loſt to the Regiment, from thoſe Officers being unfortunately " diſabled early in the day—The remains of this valuable " Corps fought Gallantly for ſeveral hours without an Officer, " and the Colonel begs leave to expreſs his admiration at " their undaunted reſolution.

" Colonel Gelleſpie here recurs with much Satisfaction, to " the Good conduct of Doctors Jones and Deane, whom he " himſelf obſerved as he approached the Gates, gallantly ex- " erting themſelves with Muſkets in their hands.

" He alſo underſtands, that early in the Morning Lieute- " nant Eving of the 1ſt Battalion 1ſt Regiment, behaved in a " manner highly Meritorious in aſſembling various Straggling " parties of Europeans, and encouraging them to make a vigo- " rous defence, till Compelled to quit the fortreſs by a Supe- " rior Enemy.

" Colonel Gelleſpie feels particularly obliged to Lieutenant " Blakiſton of Engineers for the prompt and effectual manner, " in which he applied the Guns of the 19th Dragoons to the " Gate, as well as for his unremitting perſeverance and exerti- " ons in almoſt every capacity during this Arduous Service.

" Colonel

" Colonel Gelleſpie cannot but conſider himſelf highly " indebted to Captain Skelton of His Majeſty's 19th Dra- " goons, for the gallant manner in which he headed the rapid " and effective charge of the Advanced Squadron into the Body " of the place.

" To Lieutenant Colonel Kennedy and the Officers and men " of the 19th Dragoons, to Captains Maſon, and Doveton, " with the Officers and men of their Reſpective Corps, Colo- " nel Gelleſpie returns his moſt ſincere thanks, for their prompt " and effectual aſſiſtance—Colonel Gelleſpie cannot help menti- " oning in terms of the higheſt approbation, Serjeant Brady " and the remains of the 69th Regiment who ſo bravely fol- " lowed him in the Sally from the Ramparts, and drove the " Enemy from their lurking places previous to the charge of " the Cavalry. In a detail of this nature, it would be the height " of injuſtice in Colonel Gelleſpie, to overlook the very con- " ſpicuous merits and unremitting exertions of Lieutenant " Colonel Forbes, to whoſe judicious conduct, in taking poſ- " ſeſſion of the hill fort, too much praiſe cannot be given.

" Laſtly, Colonel Gelleſpie, conſiders it his duty thus " publickly to acknowledge, the obligations he is under to " Captain Wilſon of the 19th Dragoons.

" That Officer, who accompanied him as his Aid de Camp " the whole day, acted immediately under his Eye, and was of " great uſe and Aſſiſtance to him, as well from his good under- " ſtanding, as perſonal bravery.

" Colonel Gelleſpie aſſures His Excellency the Commander " in Chief, that the promptitude and valour diſplayed by all " the Troops on this Occaſion, will remain indelibly impreſſed " upon his memory to the laſt hour of his exiſtence."

The long eſtabliſhed Reputation of His Majeſty's 19th Regiment of Dragoons could leave no doubt in the mind of His Lordſhip in Council of the utmoſt exertion of their Zeal and gallantry on any duty where the Services of that Corps might be required, but from the extraordinary energy which was manifeſted in the Suppreſſion of the daring revolt excited in the fortreſs of *Vellore*, and from the happy effects which have been produced by the prompt overthrow and puniſhment of the Inſurgents, His Lordſhip in Council has conſidered the Troops employed on that Occaſion to be particularly entitled to commendation and reward, and has accordingly reſolved that a gra-

tuity

tuity of one Month's pay ſhall be preſented to ſuch of the Non-Commiſſioned Officers and Privates of the 19th Dragoons as were preſent at *Vellore* as a mark of His Lordſhip's public Approbation.

It has been in every inſtance the earneſt deſire of this Government to diſtinguiſh ſuch of the Native Troops as may have particularly Signalized themſelves in the performance of their duty; and the Right Honorable the Governor in Council conſiders the application of this principle to be forcibly called for in the caſe of the Detachment of Native Cavalry which proceeded to *Vellore* under the command of Colonel Gelleſpie.

In adverting to the circumſtances with which the Inſurrection at *Vellore*, was attended, His Lordſhip in Council conſiders the alacrity and Ardour manifeſted by the Native Cavalry in the re-eſtabliſhment of order, to have been in the higheſt degree meritorious; and His Lordſhip has accordingly reſolved to confer on the Native Officers and Troopers of the Cavalry who ſhared in the honor of that Service, a reward proportioned to their Merit.

His Lordſhip in Council has been pleaſed to reſolve that a Gold Medal, with a Suitable inſcription, ſhall be preſented to each of the Native Commiſſioned Officers and that a Silver Medal ſhall be preſented to each Non-Commiſſioned Officer, and Private Trooper who accompanied the party of troops which proceeded from *Arcot* on the Morning of the 10th Inſtant, and it has been at the ſame time reſolved to make a Similar proviſion for the families of thoſe Officers and Troopers in the event of their death as was conferred by the General Order of the 3d September 1804 on the families of the Native Officers and Soldiers who loſt their lives during the late Mahratta Campaign.

The Commander in Chief is requeſted to give every practicable degree of publicity to the intention which has been ſtated in this Order.

By order of the Right Honorable the Governor in Council.

The subjoined Extracts from the confirmed Proceedings of a General Court Martial held in *Fort St. George* on the 14th July 1806, in virtue of authority from the Commander in Chief and of which Major General Fuller is President, are published to the Army:

FORT ST. GEORGE, 3D JULY 1806. (Signed) P. A. AGNEW, *Adjutant General of the Army.*

SENTENCE.—The Court having maturely weighed the whole of the Profecution and the Prifoner's defence, together with the Evidence produced in fupport of each, are of opinion, that the firft Charge is not proved—"Behaving in a Scandalous Infamous manner, fuch as is unbecoming the Character of an Officer and a Gentleman, and fubverfive of good order and Military Difcipline, in having on, or about the 19th of May laft, whilft a paffenger on board the Hon'ble Eaft India Company's Ship *Caftlereagh*, then on the voyage to India entererd his (Captain Kymer's) Cabin, ftruck and grofsly abufed him."

The Court doth therefore acquit the Prifoner of the firft Charge.

The Court is of opinion, that the Prifoner is not guilty of the fecond charge.—"Having repeatedly broke his Arreft, particularly on the 9th of April—2d, 4th and 7th of May 1806," it appearing that the Prifoner did not exceed the privileges generally granted to perfons placed in clofe Arreft, on board of Ship, *that of walking the fteerage*, and which Captain Kymer in his evidence, acknowledges to have been the common ufage of his Ship, and it not appearing that the Prifoner was ever officially defired to confine himfelf to his Cabin, nor have the particular periods ftated in the charges of the Prifoner's having broken his arreft been eftablifhed.

The Court confequently acquit the Prifoner of the fecond Charge.

The Court find the Prifoner guilty of the 3d charge—"Grofsly abufing Lieutenant Nunn of His Majefty's "65th Regiment, his immediate Commanding Officer "on the 10th of April 1806."

And the Court acquits the Prifoner of the fourth "Charge—Striking Serjeant Donovan of His Majefty's "22d Regiment of Foot, when in the execution of his "duty on the 6th of May 1806."

The Court having found the Prifoner guilty of the third charge, and the fame being in breach of the Articles of War—It doth fentence him to be fufpended from all rank, pay and allowances, for the fpace of fix Calendar Months, and to be reprimanded at the diferetion of His Excellency the Commander in Chief.—The Court in paffing this Sentence, have taken into confideration the fevere and unwarrantable treatment the Prifoner met with on board the

Ship

Ship *Caſtlereagh*—he having been confined in Irons during a period of nearly two Months.

The Court feels it it's duty to remark on, and highly diſapprove the very reprehenſible Conduct of the Priſoner; he having adduced Circumſtances in his defence, tending materially to injure the Characters of Captain Kymer and Lieutenant Nunn, but which he has not eſtabliſhed.

G. O. BY GOVERNMENT.

The Right Honorable the Governor in Council is pleased to publish

publiſh in General Orders the following Copy of a Letter from Lieutenant Colonel Lang, late Commanding Officer of the Subſidiary Force of *Hydrabad* addreſſed to the Commander in Chief.

To His Excellency Lieutenant General Sir J. F. CRADOCK, *K. B. Commander in Chief, &c. &c. &c.*

SIR,

By deſire of your Excellency I have now the honor to addreſs you on the ſubject of Butchenah, Private Sepoy in the 2d Battalion 11th Regiment who diſcovered the intrigues in Camp among certain men of the 6th Regiment of Cavalry; and I beg leave to ſuggeſt that the reward of a Penſion, which has been granted to him, or ſuch part of it as your Excellency thinks proper, may be continued to his Family.

Preſuming to ſuppoſe, that at the preſent period Government would be well pleaſed to have opportunities of rewarding Inſtances of zeal, fidelity, and good conduct manifeſted by Individuals amongſt our Native Troops, I take the liberty to requeſt your Excellency's favorable conſideration of the Merits of Syed Noor, Subadar in the 2d Battalion 11th Regiment, of which the late Colonel Haliburton, when in Command of the Subſidiary Force, was ſo ſenſible, that it was his intention, had he lived, to have repreſented them in the ſtrongeſt terms to your Excellency.

This Native Officer, in times of the greateſt ſcarcity during the late Campaigns in the Deckan, was conſtantly detached with the Benjaries in the Collection of Grain for the Army; and on this Service, which required infinite addreſs and was attended with much difficulty and danger, he at all times acquitted himſelf with zeal and fidelity, procuring ſupplies of Grain from diſtant quarters, and eſcorting theſe ſupplies to Camp in ſafety, thro' a country overrun by the Enemy's Pindaries and freebooters.

Theſe eſſential ſervices were performed too, at a time when that uſeful Body of men the Benjaries had been moſt infamouſly deprived of their dues, and had nigh loſt all confidence in the Britiſh Character.

Should your Excellency deem the Services of Subadar Syed Noor worthy of public notice or reward, allow me to requeſt

that

that they may be represented in a favorable light to the Right Honorable the Governor in Council.

I have the honor to be
with the utmost respect
Your Excellency's most obedient
humble Servant,

(Signed) ROSS LANG,
Lieut. Col. Commanding.

WALLAJAHBAD,
11th August 1806.

His Lordship in Council is pleased to direct that on the decease of Butchena, Half of the Pension already granted to him as a reward for his fidelity, shall be continued to his Family, and that on the decease of the Subadar Syed Noor, his Family shall receive a pension equal to the half of the Pay at present enjoyed by that deserving Officer.

By order of the Right Honorable the Governor in Council.

G. O. BY THE COMMANDER IN CHIEF.

The ſtrong inconvenience the Military Service of this Preſidency ſuſtains from the very limited acquirement of the Languages of *India* by the Officers of the Army on this Eſtabliſhment, has recently been moſt forcibly impreſſed on the conviction of the Commander in Chief.—His Excellency at the earlieſt Stage of his Command had noticed this deficiency in ſeveral Inſtances, and he has uniformly endeavoured to impreſs on the minds of the Army the abſolute neceſſity of an early and unremitted attention to this Object.—He has made the acquirement of the Hindoſtannee Language, an indiſpenſable qualification for the appointment of an Adjutant, and by a more recent regulation, the promotion of a Cadet, until he ſhall be reported to poſſeſs ſuch knowledge to a certain extent, has been prohibited.—His Excellency deems it to be his indiſpenſable duty ſtill further to call forth the exertions of the

Officers

Officers of the Army to qualifying themſelves by the ſtudy of Indian Language for the performance of their duty, which, without ſuch knowledge they never can ſatisfactorily or efficiently perform; and he aſſures the Army that he will not recommend, nor will the Government approve any Officer for a Staff Situation in future, who does not poſſeſs the means of diſtinct communication with the Native Army.

To facilitate this eſſential point, His Excellency has been led by an attentive conſideration of the Subject, to reſcind the Orders which prohibit the attachment of the Boys of the Sepoy recruit Eſtabliſhment to the European Officers of Corps, as Orderlies; and to permit, as formerly, at the diſcretion of Commanding Officers, the allotment of ſuch as they may chuſe to attach to the ſeveral European Officer of the Corps;—care being taken that every Boy of ſufficient age, is firſt inſtructed in the various points of the drill of a Soldier, and that his knowledge is maintained by attendance at leaſt once in the Week at drill with the ſquad of Boys.—No Boy is to be permitted to continue with an Officer beyond the Period when he may expect in a few Months to be fit for the Ranks, but on attaining the proper height and ſtrength, he is to be prepared by a regular drill for joining the Battalion.

His Excellency has been induced to adopt this deciſion from conviction that the advantage gained by the reſtriction of the Boys to duties "purely Military," has not balanced the injury the ſervice has ſuſtained by the loſs of that facility to the acquirement of a common Language, and Knowledge of native Cuſtoms, which their former attachment to the junior Officers produced.
