G. O. BY GOVERNMENT:

The Right Honorable the Governor in Council is pleased to publish for the information of the Army the following Extract

Extract of a General Letter from the Honorable Court of Directors to the Governor General in Council—dated the 21st May 1806.

Para. 2. "By our Letter of the 10th July last you were "informed that we had taken into Serious Consideration "the state of our Artillery Corps in India, relative to the "Establishment of Field Officers attached to the Battalions; "and of the Reference made to the late Marquis Cornwallis "on the Subject of an Increase of that Establishment."

3. "We have learned by a Communication from G. A. "Robinson, Esq. the Private Secretary to the late Governor "General, that His Lordship had discussed the Subject, and "from a Conviction of the propriety and fairness of the "Measure we had Submitted to his Consideration, had de- "termined to adopt it—We Conclude however from the ever "to be lamented death of the Noble Marquis so soon after "his Arrival in *Bengal* no Steps had been taken to give effect "to His Lordship's Sentiments."

4. "Under these Circumstances as our Conviction of the "Expediency and Justice of the Augmentation remains un- "altered, and as in their Letter of the 25th July last the "Governor General and Council very Strongly recommend- "ed an Increase of Field Officers to the Artillery, with a "view, to prevent the Slow Promotion and frequent Super- "cessions of the Officers of that Corps, we now direct that a "Second Lieutenant Colonel and Second Major be added to "each of the Artillery Battalions in our Service at the se- "veral Presidencies; and that the necessary Promotions do "accordingly take place on receipt of our Orders—and in "Consideration of the great delay that has unavoidably oc- "curred in these Promotions, and of the Augmentations made "to the Infantry and Cavalry Regiments in 1804, and 1805, "by which the Hardships Complained of by the Artillery "Officers respecting their relative Promotion to those of the "other Corps of the Army, have been increased in a Consi- "derable degree we have resolved that this New Establish- "ment of Field Officers for the Artillery shall be Considered "as taking effect from the 21st September 1804, at which "period four Regiments of Native Infantry were added to "each of the Armies of *Bengal* and *Fort St. George*."

5. "In regard to Allowances we can only permit of "the difference of Pay being drawn, by the Officers of "Artillery,

"Artillery, to be promoted from the 21st September 1804 in "Consequence of our present Orders."

G. O. By Government.

The Conduct of the Native Troops, who on the 10th of July last formed part of the Garrison of *Vellore*, has, since that period, occupied the most serious attention of the Right Honorable the Governor in Council; the circumstances of the case have been deliberately investigated;—whatever could bear the appearance of infringement on the Religious observances or customs of the Native Troops has been corrected with the utmost attention to their prejudices; and it is now incumbent on His Lordship in Council to publish to the Army the deliberate determination of the Government regarding those Corps which disgraced the Character of the Army by staining their hands in the Blood of their Officers and Fellow Soldiers in the Garrison of *Vellore*.

The Commander in Chief has already exhibited to the Army a Severe but most necessary example of Military Justice, in the execution of 3 Native Officers and 14 Non Commissioned and Privates whose activity in Mutiny was clearly established by the Sentence of a General Court Martial.

But

But it is neceſſary to the Honour of the Army to remove from its ſtrength thoſe Corps which have diſgraced themſelves by conduct ſo atrocious: and the Right Honorable the Governor in Council directs that from the 31ſt of December 1806, the 1ſt and 23d Regiments of Native Infantry ſhall be reduced, and ſtruck out of the Liſt of the Army.

Two Regiments of Native Infantry, to be denominated the 24th and 25th Regiments, ſhall be formed to replace the reduced Corps.—The European Officers of the late 1ſt Regiment to be transferred to the 24th—and thoſe of the late 23d Regiment to the 25th Regiment of Native Infantry with the Rank they held in their former Corps—this arrangement to take effect from the 1ſt of January 1807.

Such Native Officers & Men of the late 1ſt and 23d Regiments of Native Infantry as ſhall be found free from all imputation of diſaffection or previous knowledge of the intended mutiny at *Vellore*—ſuch as from abſence or other cauſe are aſcertained to have taken no part in that diſgraceful event—with the very few who being preſent endeavoured to oppoſe its progreſs and thus proved their fidelity and attachment, ſhall be incorporated in the new formed Regiments—thoſe of the 1ſt Regiment forming the 1ſt Battalion of the 24th, and thoſe from the 23d the 1ſt Battalion of the 25th Regiment of Native Infantry.

The deſtination of the Native Officers and Soldiers of the reduced Regiments now in Confinement will be hereafter publiſhed; thoſe of the late 1ſt Battalion of the 1ſt Regiment, and 2d Battalion of the 23d Regiment who are not in confinement (with exception of thoſe who at the period of the mutiny were abſent, or who being preſent took an *Active part* on the ſide of duty) ſhall be diſcharged from the Service.

This determination the Right Honorable the Governor in Council has adopted to impreſs fully on the minds of the Native Army, the fixed Military principle, that in all caſes of *Mutiny* or *diſaffection*, thoſe who conceal their previous knowledge of ſuch intention, or who do not at all times and in every ſituation uſe their utmoſt exertions to oppoſe and ſuppreſs it, are deemed equally guilty with thoſe actually engaged in Revolt and are ſubject to ſimilar puniſhment.

The Commander in Chief is requeſted and authorized to give the neceſſary orders for carrying this arrangement into immediate effect:—and, on the principle above ſtated, for diſmiſſing

from

from the Service the following Native Officers, not included in the immediate transaction at *Vellore*, but implicated in circumstances inconsistent with their duty as Officers in the Honorable Company's Service, viz.

Subadars	Sied Hamed	2d Battalion 1st.
"	Aliverdeen	late 2d Battalion 1st.
"	Shaik Ebram	late 2d Battalion 1st.
"	Peer Mahomed	1st Battalion 6th.
"	Mahomed Isoop	1st Battalion 6th.

Jemadars	Shaik Ahmed	2d Battalion 1st.

G. O. BY THE COMMANDER IN CHIEF.

The Commander in Chief feels it an incumbent duty to bring to the view of the Native Commiſſioned Officers, an Extract from the Standing Regulations of the ſervice, which defines a part of their duty, moſt eſſential to the Proſperity of the Army.

His Excellency is induced to have recourſe to this Order, in conſequence of the recent Occurrences which have taken place, ſo ſhameful in themſelves, and ſo very diſreputable to the Army.—Theſe Tranſactions have originated in the miſconduct of certain Native Commiſſioned Officers;—Men who from being more enlightened, ſhould have, at once ſeen through, and explained to the Sepoys, the falſity of the abſurd Reports that have been ſpread through the Country by the Enemies of the Britiſh Government; but who, on the contrary, forgetful of the many Advantages and Comforts they had enjoyed in the Service, inſtead of arreſting the Progreſs of theſe inſidious Rumours, made uſe of them as Inſtruments to promote diſcontent and diſobedience, in the minds of their Fellow Soldiers.

In their baſe Efforts, theſe miſguided men may have partially ſucceeded, but the Reſult has been fatal to them, by leading to their own downfall and diſmiſſion from an honorable Profeſſion, with a certain livelihood, to diſgrace and poverty.

The Credit and future Proſperity of the Service require, that the Native Commiſſioned Officers ſhould peruſe with the deepeſt attention, and conſtantly bear in mind, the meaning of the preſent Order, and which has had a place in the Standing Regulations

Regulations so far back as the Year 1786.—They will observe, that it enjoins them to report to the Commanding Officer of the Battalion, every Species of information, that they may obtain from other Sources, as well as by their own Observation and Vigilance.

The Commander in Chief will therefore hold the Native Commissioned Officers, in future, responsible for the faithful conduct of the Corps to which they belong.—They must consider themselves equally the medium of Representation to the Commanding Officer, of the Requests or Complaints of the Sepoys, as of communication of every other description; and any Officer conscious that a Sepoy has a complaint to prefer, and should neglect to convey it; or who has reason to know that improper Conversations or secret meetings are held among the Soldiers, and does not immediately report the same to his Commanding Officer, will be punished with the utmost severity, and discarded from that Service, of whose advantages such conduct will render him totally unworthy.

EXTRACT from the Standing Regulations, by Sir Archibald Campbell: Governor and Commander in Chief 1786—*still in force under the G. O. of* 11*th March* 1806.

6th—It is to be considered as the special duty of the Subidars and Jemidars of each Company, to make themselves acquainted with the private Views, attachments, and Connections of the men of their Companies.—Subidars manifesting either Neglect, or Indifference to this essential part of their duty, are to be reported to Head Quarters, that in case the Commander in Chief shall judge Example necessary, the Subidar complained of may be dismissed the Sevice, and Jemidars offending as above, shall in like manner be reported to Head Quarters, and accounted improper men to be promoted to the Rank of Subidar.

7th—In order to ascertain to the Commander in Chief the delinquency of Subidars and Jemidars, in the matters of duty stated in the preceding Article, a Court of Enquiry composed of European Officers shall be ordered, consisting of a Captain and four Subalterns, when this number can be conveniently assembled, or of three Subalterns in other Situations.

The

The appearance, of the Madras Fencibles at the Review this Morning, gives to the Commander in Chief the Satisfaction of repeating, with undiminiſhed Force, the Praiſe ſo juſtly due to that Corps.

Lieutenant Colonel Capper, of the 16th Regiment Native Infantry, is appointed a Member of the General Court Martial which has been ordered to be assembled in the Exchange of *Fort St. George* at 11 o'clock of the forenoon on Tuesday the 24th day of February 1807, instead of Colonel Davis of His Majesty's 22d Regiment Light Dragoons, who is released from that duty for the purpose of proceeding to his station at *Bangalore*.

HEAD QUARTERS: CHOULTRY PLAIN, 21*st Feb.* 1807.

G. O. BY THE COMMANDER IN CHIEF.

The Commander in Chief cannot deny himself the satisfaction of expressing his extreme approbation, upon the appearance of the Brigade assembled in Line this morning for Field exercise—His Excellency returns his warmest acknowledgements to Major General Fuller for his ability and Exertions so apparent in their effect, and he requests the General to communicate the same sentiment to the several Commanding Officers of the Horse Artillery, the Right Honorable the Governor's Body Guard and the Infantry—It has long been the ardent wish of the Commander in Chief to view the Forces of this Presidency, collected in sufficient Bodies to admit the name of Field Movements, and give a scope to that active and Martial spirit, for which the Troops of the Coast Army have long been so justly distinguished, but the extensive Range of Quarters and perverse accident too often frustrates the attempt.

Prevailing Difficulties, however it is hoped may pass away; and this desired object so entirely sanctioned and supported by Government be now allowed to take full effect.

To attain that Height of Perfection, in Field usage and Exercise of the Line, which the Army of *Fort St. George* (reflecting upon the Character they possess) may, if they please, command, it is only necessary to be sensible, that Regimental excellence and exertion is the Ground-work of all Distinction, and—that the Officer who brings his Corps to the place of assembly in good Order, and well taught, has just cause for

Pride,

Pride, as, really exercising that profession He asserts, and, that such a mind and spirit give to him the solid and superior Claim for Staff Employment; the Commander in Chief alludes to those of the higher and more active order in the Field, for there are others, however required in the Military Arrangements, that cannot be supposed to equally interest the Feelings of a Soldier.

At the Request of the Court Martial, the Commander in Chief dispenses with the Reprimand Sentenced by the Court Martial on Lieutenant, and Quarter Master, Maitland of the Madras European Regiment, on being found Guilty of the 4th Charge.

It would have appeared more Satisfactory to His Excellency had Lieutenant Maitland solemnly denied the utterance of the Offensive Words as Stated in the Seventh Charge, as, to establish Conviction against the positive Testimony of an Oath, it seems required that the opposition should rest on stronger ground than Improbabilities, or extrinsic Defect of Recollection —To meet an Oath, a rebutment of Similar Force is necessary to leave the Question in the exact balance of Doubt.

The Commander in Chief must express his Concern that it was supposed necessary by the Commanding Officer to institute a Court Martial against Lieutenant Maitland upon Charges, the great Majority of which have appeared to be without Foundation.

To The Adjutant General of the Army.

SIR,

I do myſelf the honour to requeſt you will be pleaſed to Submit the following circumſtance to his Excellency the Commander in Chief.

During the period of my late Arreſt at *Trichinopoly* from 26th Auguſt until the 8th November Captain Lieutenant Court has thought himſelf intitled to retain a Sum of about 21 Pagodas Monthly of my uſual allowances. At two other periods when he has been in temporary Charge of the Artillery of the Garriſon, he has done the ſame viz. in December 1804, and January 1805, when I was on Detachment under M. G. Macdowal, in the Southern part of the Diviſion and from February 1805, until September of the ſame Year, both inclusive, when

when I was absent on sick Certificate, by leave of Government.

This sum arises in the following manner; there is a Monthly allowance, of about 50 Pagodas drawn by the Commissary at *Trichinopoly*; on the Countersignature of the Officer Commanding the Artillery; for 1 Serjeant and 16 Matrosses employed in Laboratory work. The Serjeant Only is effective, (the Laboratory Serjeant) the remainder of the money has been usually divided between the Commissary and Commanding Officer of Artillery, when separate. On these 3 separate occasions, Captain Lieutenant Court has drawn and retained the whole. The two Months that I was in the field, there was not one Artillery man, sick expected, left in Garrison. I suppose I need not enlarge on the littleness of such Conduct on the part of Captain Lieutenant Court. He 5 or 6 Years in the Service, receiving upwards of 200 Pagodas Monthly—I 14. or 18. receiving 100, exclusive of this Sum.

If I am asked why I did not sooner make a representation on this Subject; I can only say that every thing of this kind from me has been so uniformly unsuccessful, I have been deterred from doing so, but now that I am about to leave India, I venture to make it the Subject of a reference to his Excellency for the purpose of its being laid, (if he has no objection) before Government.

SENTENCE.—The Court being cleared say that the Prisoner is Guilty of the above charges: And the Court adjudge the said Captain Lieutenant Henry Court to be Cashiered the Service of the Honorable Company agreeably to the Rules and Articles of War for the better Government of the Officers and Soldiers in the Service of the United Company of Merchants of England trading to the East Indies.

Acting Judge Advocate General. *Major General and President.*

APPROVED AND CONFIRMED.

(Signed) J. F. CRADOCK,
Lieutenant General.

The Commander in Chief most fully approves the Sentence passed by the General Court Martial of which Major General Campbell is President, on the Trial of Captain Lieutenant M. H. Court, of Artillery, and publishes it to the Army as a strong example of the punishment which should ever attach to a breach of public Confidence when proved against an Officer charged with an important Trust.

His Excellency has observed with much concern that the frequent prior occurrence of Similar Acts of imposition on the Store Department, has been pleaded in extenuation of Guilt on the present occasion!—To a practice decidedly at variance with the regulations established for the conduct of the Store Department, no frequency or antiquity of precedent can give the Colour of propriety; and, even had the import or intention of the Regulations admitted of doubt, the demand made by Captain Gourlay (as Stated in the paper read before the Court) for a Moiety of the Amount to be drawn, as the price of his collusion in the Act, should have shewn at once to Captain Lieutenant Court the true Character of a transaction which could expose *a Gentleman* to receive so insulting a proposal!

The General Court Martial which has passed Sentence on Captain Lieutenant Court, has considered him "as having been betrayed into irregularity by the inadvertency of youth and inexperience," and on this ground, and on his established good Character on every other occasion the President and Members have unanimously recommended him to Clemency—The Commander in Chief cannot but attach much weight to such a recommendation

recommendation from a Court Composed of Officers of such high Rank and experience; and thence is induced to lean to a Measure which on no other grounds could he admit.

The Commander in Chief therefore remits, *at the unanimous request of the General Court Martial*, the punishment awarded by their Sentence, which adjudges Captain Lieutenant Court "to be Cashiered the Service"—trusting that the publication of the strong punishment which properly attaches to the system of conduct which that Officer has permitted himself to adopt, will, tho' not in this instance fully enforced, operate as a Salutary example to deter others from Similar error.

His Excellency will at the same time deem it necessary to adopt measures for the removal of Captain Lieutenant Court from the situation of Acting Commissary of Stores at *Trichinopoly*;—and by a Communication of the Proceedings of the General Court Martial to the Military Auditor General to cause the sums drawn on fictious pretences by the Acting Commissary of Stores at *Trichinopoly*, to be received from Captain Lieutenant Court by Retrenchment on the Reaudit of the Official Abstracts in which they were included.

The following extracts from the confirmed proceedings of a General Court Martial aſſembled in *Fort St. George* on the 24th February 1807 in virtue of authority from the Commander in Chief and of which Major General Dugald Campbell is Preſident are publiſhed to the Army.

CHARGES.

CHARGES.—Major James Welsh, of the 3d Regiment of Native Infantry placed in Arrest by order of the Commander in Chief for un-Officer-like and precipitate conduct, disreputable to the Military Character, inconsistent with his duty as an Officer in Command, and highly injurious to the public interests, in the following instances.

1st.—In having on the 19th day of November 1806, when Commanding as the Senior Officer present in the Fort of *Palamcottah*, caused 20 Native Officers of the 1st Battalion 3d Regiment of Native Infantry to be confined, and a large proportion of that Battalion to be disarmed, without any justifiable cause—adequate necessity, or deliberate investigation of the allegations on which a measure of such extremity was adopted.

2d.—In having on the 19th day of November 1806 expelled from the Fort of *Palamcottah* the Mahomedan Troops of the Garrison, whom he had previously caused to be disarmed, on vague suspicion of their general disaffection: thus tending to produce disunion, and mutual distrust, in the various Classes of men composing the British Army in India.

3d.—In having addressed various Letters written in terms not warranted by the occasion, but tending to excite alarm, to Ceylon—to Trichinopoly—and to Travancore: and particularly in having addressed a Letter, dated the 20th of November 1806, to the Officer Commanding the Troops at Quilon, asserting, as consistent with his positive knowledge, the existence of designs the most alarming, and urging distrust of the Mahomedan Troops; thus creating false alarms in the Quarters of the Travancore Subsidiary Force, and stimulating measures of the most injurious tendency to the general Interests of the State.

By order of the Commander in Chief.

22d March, 1807.

Fort St. George, 20th March 1807.

G. O. BY GOVERNMENT.

The Commander in Chief—has laid before Government the Proceedings of the Court Martial held upon Lieutenant Colonel Grant

Grant and Major Welsh and his Lordship in Council has seen with great satisfaction, the honorable Vindication which the opinion of the Court, has afforded to the reputation of Lieutenant Colonel Grant and Major Welsh, His Lordship in Council is disposed entirely to concur in the purity of intention and Zeal for the Public Service by which these Officers were actuated.

While the Court Martial have done justice to the Officers who have been arraigned before them, it is also the peculiar duty of His Lordship in Council, the Guardian alike of the honor of all, of the Soldier as of the Sepoy, of the European as of the Native Officer, to express his deep concern that the effect both of Lieutenant Colonel Grant's and Major Welsh's Conduct, must necessarily tend to the degradation and distrust of a large portion of a most loyal and faithful Branch of our Army. His Lordship in Council responsible for the Public Welfare, feels it his duty to make known to the Officers of the Army, his decided opinion that such acts are most injurious to the best Interests of the State. To involve the innocent with the guilty and include in a sweeping implication of guilt a numerous body of Men, on the ground of general suspicion or apprehension, is a mode of proceeding which on the immutable Principles of Justice, as well as on the soundest maxims of established Policy, no just Government can tolerate and which every wise Government must condemn. No fidelity however Staunch can withstand such marked distrust, His Lordship in Council therefore, while with the Court Martial he gives full Credit to the honorable motives of Lieutenant Colonel Grant and Major Welsh, cannot but deeply lament the impression which such acts must make upon the minds of the Native Troops.

To estimate the effects of such Conduct to the Interest of the British Empire, is the peculiar province of the Governor in Council. The present occasion appears to demand from Government the declaration of these general Principles, wise and salutary in themselves and most impressively inculcated by the highest authority in India, in the spirit of which His Lordship

ship in Council requires the cordial co-operation of all the Military and Civil Servants of the Company.

By order of the Right Honorable the Governor in Council.

Fort St. George, 24th March 1807.

G. O. BY GOVERNMENT.

1st. It has been represented to the Right Honorable the Governor in Council, that much inconvenience to the public and to Individuals, as well as great confusion in the adjustment of Paymasters accounts, have arisen from a misconstruction and Neglect of the Orders about Transfer Vouchers, which are contained in the 5th Paragraph of the 16th Section of the printed Code of Regulations, published by Government on the 8th September 1801.

2. In order, therefore, to remedy the evils represented, and with a view to Accommodate Details and Individuals, when absent from their Corps, the Right Honorable the Governor in Council has been pleased to cancel the Paragraph of the Code above stated, and in lieu thereof, to publish the following Regulations, to which all Officers Commanding Stations or Corps, Public Staff Officers, and Paymasters are hereby most positively injoined to pay the strictest attention.

3. Details not under an European Officer, and Individuals of whatever Rank, when temporarily absent from their Corps, upon

upon Duty, Furlough or Sick Certificate, are to be returned *as such* in the Muſter Rolls; and their Pay is to be drawn in the Abſtracts of the Corps to which they belong.

4. The amount of Pay, thus drawn for Abſentees, is to be returned to the Paymaſter, who will grant Bills at Sight, either for a part or the whole as may be required on the Military Paymaſter General, and in favour of the Commanding or Public Staff Officer of the Station where the Abſentees may happen to be at the time.—Theſe Bills are to be forwarded by the Officers Commanding Corps to the Stations where their Abſent Men may be, and it ſhall be the duty of the Commanding or Public Staff Officers at thoſe Stations to loſe no time in drawing from the Paymaſter the Amount of the Bills, and paying the parties.

5. In the caſe of an European Commiſſioned Officer Abſent from his Corps, the Bill for the Amount of his Pay may be made out in his own favor, and tranſmitted direct to him; but it is to be obſerved, that every Voucher hitherto required is to be conſidered equally neceſſary in future to Warrant the iſſue of Pay and Allowances; and that therefore in caſes when the Regular Reports of Muſter of Camp Equipage may not have been received (which is likely often to occur) the Tent Allowance for each Month is not to be drawn—The want of a Certificate of laſt payment muſt in like manner prevent any pay being iſſued, until the receipt of ſuch Voucher, when the arrears will become iſſuable in the following Month—Officers abſent from their Corps, who may have their Camp Equipage with them, will therefore be particular in tranſmitting to their Corps the regular Reports of Muſter as early as poſſible in each Month to prevent the inconvenience which they muſt otherwiſe be put to.

6. Paymaſters are hereby directed to grant Bills, as ſtated in the preceding Paragraphs, taking care to inſert in each the purpoſe for which it has been drawn; and the Paymaſters at the Stations, where the Abſentees may be, are directed to diſcharge ſuch Bills at Sight, taking Credit themſelves for the amount, and debiting the Military Paymaſter General.—

The

The Paymaster of Fort St. George may grant Bills for the pay of Men absent from the Presidency, but he is on no account to pay any bills of that description, which will always be discharged at the General Treasury.

7. As Bills transmitted by land are liable to miscarriage, Paymasters are directed to grant them in Triplicate, the First and Second to be forwarded by Commanding Officers the same day on which they received them, but under Separate Covers, and the third as soon after as may be convenient. The Commanding or Public Staff Officer of the Station is immediately on the receipt of the First and Second Bills to present them to the Paymaster, who having paid them will transmit the first by letter to the Military Paymaster General, the Second along with his Account Current as a Voucher; and the third, which is also to be delivered to him, he is to retain as a record in his Office to refer to in case of Accidents happening to the other two.

8. As it is desireable, however, that Officers and Men Absent from their Corps should receive their Pay as early as practicable after it becomes due, Commanding or Public Staff Officers of Stations are authorized, in the event of the Bills not arriving, to take up Cash on their receipts from the Paymaster at the time the regular Troops of such Stations may be paid, for the purpose of paying Absentees, and they will adjust the amount with him when they shall have received the Bills as directed in the preceding paragraphs of this order.—Such transaction being considered as a matter of accommodation between the Commanding or Public Staff Officers, and Paymasters of Stations, and solely for the convenience of Absentees, is on no account to appear in the disbursements of Paymasters.

9. In the event of the death or desertion of any European or Native Soldier (including Native Commissioned Officers) when absent from his Corps, and for whom full pay may have been drawn and remitted agreeably to these orders, it is directed, that the Commanding or Public Staff Officer of the Station, to whom the remittance was made, do immediately report the circumstance to the Officer Commanding the Corps to which the deceased or deserter belonged.—He is then to take the earliest opportunity of returning the surplus pay, arising

arising from the casualty, by the same mode in which it was conveyed to him, viz. by a Bill on the Paymaster of the Station where the Corps is serving in favor of the Officer Commanding it, who will thereby be enabled to meet the retrenchment, which must unavoidably take place on that account.

10. The reports of the casualties above alluded to, are invariably to be annexed to the Muster Rolls of the Companies, which they concern.

11. Officers absent in *Europe* or at any of the other Presidencies, and Officers on the Staff, or employed in situations which prevent them from joining their Corps, are not to be included for pay in the abstracts of their Troops or Companies; but their names, Rank and Staff, designations are to be inserted as heretofore in the Muster Rolls and Pay Abstracts—Officers of the two latter descriptions are to draw their *Regimental* and Staff allowances in separate abstracts from the Paymasters of Stations where they may be employed; and the amount of the Regimental Abstracts is to be entered in the Paymaster's Disbursements, under the heads of those Corps, to which the Staff Officers belonged.

12. The foregoing Regulations are to be considered to take effect from the 1d April next.

By order of the Right Honorable the Governor in Council.

G. O. BY THE COMMANDER IN CHIEF.

The Subjoined Extracts from the confirmed Proceedings of a General Court Martial holden in the Cantonment near Hussain Saugur on Monday the 9th day of March 1807, and continued by several adjournments, in virtue of a Warrant from Colonel T. G. Montresor Commanding the Subsidiary Force serving His Highness the Nizam under authority from His Excellency Lieutenant General Sir J. F. Cradock, K. B. Commander in Chief of the Forces serving under the Presidency of *Fort St. George*, and of which Lieutenant Colonel Arthur Gore, of His Majesty's 33d Foot, is President, are published to the Army.

CHARGE

CHARGES Against Captain H. O'Donnell, Commanding the 8th Regiment Native Cavalry.

CHARGE 1.—For un-Officerlike, and un-Gentlemanlike, Conduct towards all ranks of the 8th Regiment Cavalry, but particularly towards Certain Native Officers, thereby tending to destroy Subordination, and Create disgust and discontent, in the minds of the Regiment.

2d.—For Tyranny, and oppression, in numerous instances towards the Native Officers, Non Commissioned Officers, &c. of the 8th Regiment Cavalry: but particularly towards Subadars Shaik Muddeen, Mahomed Cossim, Shaik Nutter, and Sied Abdul Nubbie, by abusing, and degrading, them on Several Occasions, and particularly by striking the latter, and thereby failing in what was due to Commanding Officers, when it was his duty to support, instead of Degrade, the Officers of his Corps.

3d.—For uttering in a Violent, and un-Officerlike, manner Dangerous, and unjust, aspersions against the Character of the Regiment on Parade saying, that they looked more like people inclined to Mutiny than Soldiers on Parade [or words to that effect] and thereby acting in Defiance of a Confidential letter from the Adjutant General of the Army under date 6th December 1806.

4th.—For having in the above instances acted to the Detriment of the Service, and injury of the Corps.

CANTONMENTS HUSSAIN SAUGUR, *11th February* 1807.

(Signed) ALFRED BARNBY,
Lieutenant and Adjt. 8th Regiment Cavalry.

BY ORDER.

(Signed) T. H. S. CONWAY,
Deputy Adjutant General.

SENTENCE 1st.—The Court do not find the Prisoner Guilty of the 1st Charge to the full Extent, and acquit him of all un-Gentleman-like behaviour, as therein Expressed.

2d.—The Court do not find the Prisoner Guilty of the 2d Charge to the full extent, viz. "Tyranny and Oppression;" Tho' the Court have not found the Prisoner Guilty of the 1st, and 2d, Charges to the full Extent, they

they are however of opinion from what has appeared in evidence before them, in ſupport of the above charges, that Captain O'Donnell has been Guilty of abuſing His Authority as Commanding Officer of the 8th Regiment Cavalry, not only in making uſe of unwarrantable, and unbecoming, Expreſſions in various Inſtances in the Execution of his duty to the Native Commiſſioned Officers, but has alſo acted with Improper Severity, violence, and Intemperance, on many Occaſions to the Native Commiſſioned, Non-Commiſſioned, and Privates, of the Regiment, Particularly to the Native Officers ſpecified in the 2d Charge, thereby failing in what was due to them as Commiſſioned Officers when it was his duty to ſupport them.

In the above inſtances, the Court are of opinion that the Priſoner's Conduct has tended to Create Diſcontent, and Diſſatisfaction, in the Minds of the Regiment; and that he has failed in that Reſpect which was due to Native Commiſſioned Officers, and that his Conduct upon the whole has been un-Officer-like, and particularly unbecoming in his Station of Commanding Officer.

3d.—The Court do moſt fully acquit the Priſoner of any Criminality in uttering the words mentioned in the 3d Charge, and do moſt fully, and Honorably, acquit him from all, and every, Imputation of having acted in Defiance of a Confidential letter from the Adjutant General of the Army.

4th.—The Court are further of opinion that the Priſoner has, in the Inſtances above ſpecified in the 1ſt and 2d Charges, acted to the detriment of the ſervice, and Injury of the Corps, all which being in Breach of the Articles of War, and Contrary to good Order and Military Diſcipline, they do Sentence him to be Reprimanded by the Commander in Chief, in ſuch manner as his Excellency may think proper.

The Court have taken into Conſideration, that had the Grievances which have been Complained of, and which were known to exiſt by the European Officers, been ſtated to the Commanding Officer, Captain O'Donnell, at the time they occurred, His Violence might

might thereby have been Checked, and consequently the discontent that had been raised in the Minds of those who felt themselves injured, might have been appeased.

(Signed) ARTHUR GORE—*Lt. Col. 33d Foot, President.*
(Signed) W. ORMSBY, *Deputy Judge Advocate.*

APPROVED, AND CONFIRMED.

(Signed) J. F. CRADOCK,
PONDICHERRY, *April* 16, 1807. *Lieutenant General.*

The Commander in Chief has little to add to the above Sentence.

"That the Conduct of a Commanding Officer should "be declared by a General Court Martial to be of "detriment to the Service, and of injury to the Corps "he Commands," carries with it an extent of reprehension that further Animadversion becomes feeble, and the Punishment, according to the feelings of a Military mind, has already gone the whole length of the Offence.

It is to be hoped that Captain O'Donnell will find consolation in his own mind [and the Commander in Chief is willing to admit this alleviation] that his Intention may have been good, and that he imagined he was advancing the cause of Discipline but he seems to have entirely mistaken the true principles of controul, and to have been ignorant of the inevitable result of Violence, and Passion.

The Commander in Chief does not think fit to comment in detail upon parts of the Conduct of the Commanding Officer of the 8th Native Cavalry, where the want of discernment, and Knowledge of the true Interests of the Native Service, chiefly prevailed, but they are too obvious to require Explanation; and the Commander in Chief is persuaded that every Commanding Officer of understanding will admit the necessity of supporting all the Officers of the Corps under his Command, both European and Native, and treating each, throughout their Several Classes and Gradations, with the Respect and Attention due to their Stations: which Conduct can alone ensure one common Interest, and mutual Attachment.

By order of the Commander in Chief.

HEAD QUARTERS: CUDDALORE,
SUNDAY, 19TH APRIL 1807.

GENERAL ORDERS.

The Commander in Chief was highly gratified, at the general appearance, Order and Diſcipline of the Cadet Company at the Review of this Morning—The knowledge of their duty evinced by the Gentlemen Cadets, in the different Ranks, in which they officiated, proves to his Excellency, independant of other circumſtances, the great attention and Care, that has been beſtowed on the Charge, by the Commanding Officer, Captain Pollok, and his Aſſiſtants, Lieutenants Trewman and Wilſon—His Excellency requeſts that Captain Pollok, and thoſe Officers will accordingly accept his warmeſt acknowledgements—To Lieutenant Stewart, he is much indebted; Every Tribute of Praiſe is due to him, for the arduous and unremitting attention he has manifeſted in his ſuperintendance of the Studies of the Cadets, in the Native Languages.

The Commander in Chief has much Pleaſure in expreſsing his general ſatisfaction at the report made by Lieutenant Colonel Munro, upon the reſult of his examination of the three Senior Claſſes, and of publiſhing his approbation of the proficiency made by Meſſrs. Higgins, Agnew, Alves, C. Dun, Saunders, and H. Smith, which together with their uniform good conduct and Diligence, (as reported by Lieutenant Stuart,) reflects the higheſt Credit on thoſe young Gentlemen. His Excellency is however concerned to be compelled to notice in Public Orders, the Total Incompetency in the Hindoſtanee Language, of Meſſrs. Colebrooke, Dore, Maltby, Bolton, Henderſon, Poulton, Gilbert, Duheaume, Keatinz, and Townſend, and it is particularly painful to his Excellency's Feelings, from being informed, that the ignorance of theſe Gentlemen (with the Exception of Mr. Henderſon) has not proceeded from Inability to learn, but from a perverſe Reſiſtance and Diſlike to Improvement.

The Commander in Chief requeſts that Captain Pollok will ſignify to the above named Cadets how extremely diſpleaſed he is with this Conduct; It betrays in itſelf a Diſpoſition to Inſubordination, incompatible with the true ſpirit of a good Soldier, and is in every reſpect degoratory to the Principles of the Profeſſion, in which they have engaged. Theſe Gentlemen

may

may reſt aſſured, that unleſs a very favorable Change and amendment takes place, the diſpleaſure of His Excellency, will not be limited to this Reprehenſion.

It is almoſt unneceſſary for the Commander in Chief to enjoin Captain Pollok, and the other Officers attached to the Cadet Company, to endeavour by every poſſible Incouragement, to promote Emulation in the acquirement of the Native Languages—It ſhould be impreſsed on the minds of the Gentlemen Cadets, that Independant of enabling them to fulfil the duty, which they owe the Service, in a juſt and faithful manner, a knowledge of the Native Languages, holds out incalculable advantages to the individual in his Military courſe, in as much as it renders him (what otherwiſe he would not be) eligible to fill high, and reſponſible, ſituations in the Army.

Although Meſſrs. Henderſon, Lewis, Douglas, Moore, and Newland, have not exactly arrived at that ſtate of Proficiency in the Hindoſtanee, which by His Excellency's Regulation, entitles Cadets to leave the Inſtitution at Cuddalore, yet from the circumſtance of theſe Gentlemen having ſerved in Regiments belonging to His Majeſty, and from other conſiderations, it appears expedient, that they ſhould be included in the Liſt of Cadets, now about to be ordered to join their Regiments.

The Commander in Chief cannot conclude theſe orders without adverting to Captain Pollok's Report of the Indecent Figures, and illiberal attacks upon him, which have lately appeared in Pencil upon the walls of the Guard Room—ſuch Proceedings are ſo extremely low, and ſo far beneath the Characters of Perſons educated as Gentlemen, that His Excellency will hope that the Tranſgreſſion is confined to one author, as he will not admit the Idea, that more than one of a ſociety, compoſed as the Cadet Company is, would have been concerned in ſo diſgraceful, and Un-Gentlemanly, a tranſaction.—Was the Author to be diſcovered, that very act itſelf would point out his Puniſhment, by rendering him at once a ſubject unworthy of holding a Commiſſion in the Service of the Honorable Eaſt India Company.

In abſence of the Adjutant General.

MILITARY SECRETARY.

CHARGE.——Lieutenant Heude of the 1st Battalion 25th Regiment of Native Infantry placed in Arrest by me upon the following Charge.

For coming to my Tent in the Evening of the 21st of February 1807, without his Gorget, Belt, Sword or Sash on, though he was Subaltern Officer for the Day, and for then, and there, conducting himself in the most unjustifiable, Un-Officer-like and Un-Gentleman-like Manner, highly prejudicial to good Order and subversive of all Military Discipline, and Subordination, in making use of the Most Gross, and insulting Language with a view of provoking me to fight a Duel with him, because I had lately been under the necessity of placing him in Arrest, in consequence of his irregular Conduct when Officer of the Main Guard at *Gooty* the 25th December 1806.

GOOTY, *February 21st*, 1807. (Signed) R. STANLEY, *Captain 1st Bat. 25th Regt. N. I.*

ADDITIONAL CHARGE preferred by Captain Stanley against Lieutenant Heude, the 24th of February 1807.

For breaking his Arrest on the 23d Instant by passing a great part of the day with Captain Crosdill of the Artillery,

CHARGE by Lieutenant Colonel Bowness, against Lieutenant Heude.

Lieutenant Heude 1st Battalion 25th Regiment Native Infantry placed under an Arrest by me on the 23d February 1807,

CHARGE.——"For Un Officer-like and Un-Gentlemanly Conduct on the Evening of the 21st February 1807 in the following instance, viz.

"For Boxing with Captain Stanley of the same Corps in a Public part of the Pettah of *Gooty*."

GOOTY, *23d February* 1807. (Signed) GEO. BOWNESS, *Lieut. Col. Commanding.*

BY ORDER OF MAJOR GENERAL CAMPBELL.

(Signed) W. C. CAMPBELL,
M. B.

SENTENCE.—The Court having duly weighed and considered the Evidence brought in support of the Prosecution and what the Prisoner has urged in his Defence, is of the following opinion—viz. That he Lieutenant Heude is Guilty in part of the Charge preferred against him by Captain Stanley—viz.

"For coming to my Tent in the Evening of the 21st of February 1807, without his Gorget, Belt, Sword or Sash on, though he was Subaltern Officer for the day."

The Court acquit him of the remaining part of the Charge, for want of Evidence.

That he Lieutenant Heude is not guilty of the Additional Charge preferred against him by Captain Stanley, and acquit him accordingly.

The Court although it cannot find him guilty of actual Boxing with Captain Stanley as stated in the Charge preferred

preferred by Lieutenant Colonel Bowness—yet it is of opinion that he Lieutenant Heude is guilty of un-Officer-like and un-Gentlemanly conduct in throwing Down and Struggling with Captain Stawley of the same Corps, in a public part of the Pettah of *Gooty*.

The Court having found the prisoner Guilty as above specified, which being a Breach of the Articles of War doth Sentence him to be Cashiered.

CONFIRMED:

(Signed) J. F. CRADOCK,
Lieutenant General.

CHARGE—Captain Richard Stanley 1st Battalion 25th Regiment Native Infantry, placed under an Arrest by me on the 22d February 1807.

CHARGE.—"For un-Officerlike, and un-Gentlemanly conduct on the Evening of the 21st February 1807, in the following instance, viz.

"For boxing with Lieutenant Heude of the same Corps in a public part of the Pettah of *Gooty*."

GOOTY, *23d February* 1807. (Signed) G. BOWNESS—*Lieut. Colonel Commanding.*

BY ORDER OF MAJOR GENERAL CAMPBELL.

(Signed) W. C. CAMPBELL,
M. B.

SENTENCE.—The Court having duly weighed and considered the Evidence brought in support of the Prosecution and what the Prisoner has urged in his defence is of opinion,

That he Captain Richard Stanley is Guilty of the Crime laid to his Charge, which being a Breach of the Articles

Articles of War, doth sentence him to be Cashiered.

(Signed) J. CAMPBELL, *Captain*, *Deputy Judge Advocate.* (Signed) G. MARTIN, *Lieut. Colonel and President.*

CONFIRMED.

(Signed) J. F. CRADOCK,
Lieutenant General.

The Commander in Chief has Confirmed the Sentence by which the General Court Martial assembled at *Bellary*, and of which Lieutenant Colonel Martin was President, has declared Captain Stanley and Lieutenant Heude of the 25th Regiment of Native Infantry Guilty of un-Officerlike and un-Gentlemanly conduct and awarded that they be "*Cashiered.*"

With the Sentence on Lieutenant Heude the Court has addressed to the Commander in Chief a recommendation for Pardon, founded on the youth and inexperience of the Prisoner: —in the case of Captain Stanley this plea could not be urged in extenuation of his Guilt.

The Commander in Chief is always unwilling to refuse attention to the recommendation of a General Court Martial in favor of a Prisoner deemed deserving of Pardon; but in the present instance it is with exreme reluctance that he remits the Merited punishment which attaches to un-Officerlike and un-Gentlemanly conduct! At the particular recommendation of the Court however, he pardons Lieutenant Heude; but as the discussion which led to the disgraceful event that has produced these Trials was sought for by that Officer; as an unjustifiable expression from him occasioned the scuffle which ensued, and as the culpability of Captain Stanley and Lieutenant Heude appears inseparable, from the Nature of the transaction, the Commander in Chief cannot in equity pardon the offence of the latter without extending to Captain Stanley equal consideration:—The punishment awarded is therefore in both Cases remitted, and the Commander in Chief expects that the future Conduct of those Officers will give him no cause to regret the indulgence which feeling, perhaps at variance with duty, has induced him to extend to them.

1.—For making or taking false Musters during the period of his Commanding the Fort and Garrison of *Gurrumcondah*.

2.—For drawing Pay for men falsely included in the Returns and Musters of the Garrison of *Gurr mcondah*, and appropriating the same wholly or in part to his own private use during the Months of June, July, and August 1806.

(Signed) T. H. CONWAY,
Deputy Adjutant General.

SENTENCE.—The Court having considered the Evidence that has been brought forward in support of the Prosecution as well as what the Prisoner has urged in his Defence are of opinion that the Prisoner Captain Hay is not Guilty of the 1st Charge produced against him and do therefore acquit him thereof—The Court are likewise of opinion that he is not Guilty of the 2dCharge preferred against him, and the Court do most fully and Honorably Acquit the Prisoner of any Conduct in the above instances unbecoming the Character of an Officer and a Gentleman.

The Court could not help observing from Circumstances that came before them in the course of the Trial that the Motives of Captain Seton in preferring the above Charges against Captain Hay arose in their opinion more from

personal

personal pique and resentment towards the Prisoner, than any laudable Zeal for the public Service.

Fort St. George, 26th May 1807.

G. O. By Government.

The Right Honorable the Governor in Council is pleaſed to publiſh for the information of the Army the following Extracts of a General Letter from the Honorable Court of Directors Dated 30th July 1806.

To England 23d March 1804.
34 & 36—Mr. Head Surgeon Watſon's Claim for Pay &c. as ſuch on his return from Europe.

Para 13. Although we have agreed to allow Head Surgeons of Hoſpitals, when permitted to come home on Furlough, the Pay annexed to the Rank of Major, it is not to be underſtood that they

are

are thence entitled to draw the allowance of the Station of Head or Superintending Surgeons, on their return to India, until they are actually re-appointed to such Stations.

14. And having thought proper to rescind our Orders of the 18th April 1800 respecting the return of Officers of the Medical Establishments to the Stations, they held when allowed to come home on Furlough, we coincide in the Opinions of your late Commander in Chief on the case of Mr. Watson.

15. The Certificate of our Secretary, referred to by that Gentleman, is to be construed merely, as authorizing his return with proper Rank, in view to giving him an immediate Claim not to any appointment formerly held by him nor any Claim at all to the Allowances which were annexed to such former Appointment, but only a Claim to fill up any vacancy that may occur in a Station suitable to his Rank.

To England 23d March 1804.

199 & 200—Profits from Sale of Spirits thrown into a General Fund, and divided among Officers in Command of Stations &c.

116. For the reasons stated in the late Commander in Chief's Minute on consultations the 25th November 1803, We approve of the Regulations established for forming the Profit on Spirits into a general Fund.

244 & 5—Application of Ensigns appointed at Madras in 1783 for Brevet Rank of Captains from January 1798.

129. Conformably with the Spirit and intention of our Orders of 29th May 1799, by which the Cadets appointed by us in the Season 1782, were to be promoted by Brevet to Captain from the 1st January 1798, it seems reasonable that the Officers appointed Ensigns by the Madras Government in 1783 whose application is referred to our decision should likewise have the same Rank; for few of the Cadets appointed here in the Season 1782 could arrive at Madras until 1783 at a time when the Officers who have signed the address referred to had been some time actually employed, You will therefore grant these Officers the Brevets of Captain for which they have Applied.

To England 23d March 1804.

266—Compensation to Officers for loss of their Horses, Killed &c. in Battle.

143. Your late Commander in Chief has correctly understood our intentions in regard to the Orders contained in Our Letter of the 25th June 1793, Paragraph 32—by which it was not meant to rescind

the

the Regulations eſtabliſhed by your Government in June 1792 granting to Cavalry Officers a Compenſation for their Horſes loſt in battle or otherwiſe.

144. Under this explanation we do not object to the Compenſation you allowed to Officers whoſe Horſes were Killed at, or died in conſequence of the Battle of *Aſſaye*, the General Order you publiſhed at the recommendation of General Stuart the 27th April 1804 has Our Approbation.

To England 23d March 1804.

270 and 1—Claim of the Officers of the Diviſion of the Army under Major General Campbell, to Share in Prize Money of the Army referred to Bengal.

146. We obſerve by the 202d and 203d Paragraphs of your Letter in this department of the 16th October 1804 that the deciſion of the Governor General in Council was adverſe to this Claim, and we think from a peruſal of the Letter from the Supreme Government on the occaſion that deciſion was correct.

273—Subadar of the Governor General's Body Guard, penſioned on full pay with the uſual allowance for Palanquin.

148. The length of Service of Subadar Manowar Khan, and the highly favorable Reports of Captains Daniel and Montgomerry of his good Conduct and exertions juſtify the rewards you have beſtowed upon him.

306—Regulations to enforce the tranſmiſſion of Medical Journals.

174. As it appears to us to be eſſential, that the Journals of the Medical Servants ſhould be regularly, tranſmitted, We approve of your determination to withhold Payment of the allowances to the Surgeons who omit to forward the documents, unleſs they ſhall be able to exculpate themſelves to your ſatisfaction from the charge of neglect.

331. We direct that in like manner as at *Bengal*, it be eſtabliſhed henceforth as a General Regulation at our other Preſidencies, that Officers when employed in any ſituation out of their uſual Military Capacity be allowed only the Pay of their Regimental Rank.

To England 16th October 1804.

313 & 14—Referring to memorial from the Head Surgeons—requeſting to be allowed Batta.

413. After the liberal addition made to the Salaries of the Superintending Surgeons by our Orders of the 26th Auguſt 1801, We did not expect to find the Gentlemen who Signed the memorial referred to complaining of the Hardſhip of being deprived of Batta—

Batta—before they addreſſed you on the Subject, they ſhould have recollected that their Salaries much exceed the Pay, and full Batta of Military Officers of the Superior Rank to that with which their Situation is conſidered to correſpond.

414. We are of opinion their requeſt is highly unreaſonable, and direct that you ſignify the ſame to the Surgeons who have ſubſcribed the Memorial.

To England 8th March 1805.
117 & 23—Loſſes ſuſtained by the 2d Regiment Native Cavalry in conſequence of a flood which deſtroyed the Cantonment where it was ſtationed.

508. From the peculiar circumſtances of the calamity by which the loſſes of the 2d Regiment of Native Cavalry were incurred, we yield to your recommendation in favor of the Officers of that Regiment, and authorize you to make good the loſſes they have declared were ſuſtained by them, amounting to Pagodas 1368 —provided you are ſatisfied of the accuracy of their declarations. We likewiſe approve of the advance of one Month's Pay made to the Native Officers, and Privates of the Regiment and of the reimburſement to Lieutenant Colonel Strachan.

To England 8th March 1805.
(305 & 6)—Meſſrs. Johnſtone and Hume late Surgeons of the Captured Ships Princeſs Charlotte and Admiral Aplin appointed Aſſiſtant Surgeons until Court's pleaſure is known.

579. In conſideration of the diſtreſſed Circumſtances of theſe Gentlemen in conſequence of their having been Captured, and of the want of Medical Aſſiſtance ſtated by you, we acquieſce in their appointments as Aſſiſtant Surgeons on your Eſtabliſhment, they are to take Rank after the appointments made by us in the ſeaſon 1804.

307 & 10—Requeſting the Court's immediate attention to the demand for medical Aſſiſtance—Eſtabliſhment deficient 12 Surgeons, 13 Aſſiſtants immediate appointment, of 25 Aſſiſtants recommended excluſive of fifteen annually required for Caſualties.

580. Of the deficiency of Medical Servants herein pointed out, it muſt be evident that twelve are accounted for by the recent Augmentation made to the Military Eſtabliſhment of four Native Regiments, nevertheleſs you will have ſeen that we laſt ſeaſon appointed Twenty Aſſiſtant Surgeons, and in the preſent ſeaſon we have reſolved to appoint twenty eight, theſe will therefore fully ſupply the want of Medical Aſſiſtance noticed in theſe Paragraphs.

596. We

To England 8th March 1805.

330 & 1—Representation of Officers of Native Cavalry of hardship Sustained by the Court's Orders relative to their Rank

596. We have already fully explained the motives by which we were influenced in directing that the appointment of Cadets made by us for the Cavalry should not be injured by the transfers of Infantry Officers to that Corps by your Government, and we have seen no reason in the representation referred to in these Paragraphs to alter our determination on this subject.

597. With regard to the alternative applied for by the Officers who have addressed you, of being permitted to resume their Rank in the lines of service held by them previous to their transfer to the Cavalry "on the pledge of Government that their Rank in the Cavalry would be permanent" it is impossible for us to accede to their request upon such grounds, no act of our Governments abroad can be considered as final until it receives our Confirmation, and as the Orders for transferring these Officers were made without being subject to our sanction, the Government acted reprehensibly in issuing such orders, if the Cavalry Officers in question were now to be returned to the Corps which they quitted, on being transferred to the Cavalry, there would be just reason for Complaint on the part of the Infantry Officers who would be superseded. We cannot therefore comply with the request of the Cavalry Officers.

632. The following Officers on your establishment have our permission to remain in England till next season, Viz.

Lieutenant Colonel	Keith Macalister
" "	John Cappapage
" "	Charles Corner
Captain	Joseph Knowles
Lieutenant	Robert Kilbye Cox

638. We have appointed Mr. Thomas Cother an Assistant Surgeon for your Presidency, in further part of the number we last Season (1804) Agreed to send thither.

639. Mr. Robert John Anstruther a Cadet for the Infantry at your Presidency having remained behind, when the Lady Jane Dundas sailed with the first fleet of this Season, and afterwards proceeded by the Tottenham, we direct that you strike his Name out of the 1st Class of Cadets and place him in the 4th Class next to Mr. Gilbert William Eccles.

640. The following Cadets likewise for your Presidency having

having taken their passage on board the undermentioned Ships after the Lists of Rank were made up, we direct that you place them in the said Lists as follows, viz.

Mr. Robert Gray for the Infantry in the 3d Class next to Mr. Salomon Mathews.

Mr. Henry Harkness for the Infantry in the fourth Class between Mr. Henry Douden and Mr. William Thompson.

Mr. John Logan for the Cavalry in the 4th Class next to Mr. Morgan Charles Chase.

641. Mr. George Agnew, an Assistant Surgeon for your Presidency having proceeded to his destination by the Lord Castlereagh, We direct, that you place him next to Mr. George Adams in the 1st Class of Assistant Surgeons of this Season.

642. Having thought proper to Suspend our resolution of the 4th December last, that all Cadets who might be reported to us qualified from Woolwich this Season, for the Company's Service should proceed to *Bengal* (of which Resolution you were acquainted in Our Letter of 12th February 1806) in favour of Mr. William Thompson Brett who has been reported to us by the proper Officer at the Academy as qualified for a Commission in the Company's Service, we have permitted Mr. Brett to proceed to your Presidency as a Cadet for our Artillery or Engineer Corps, on your Establishment, and direct that he rank next to Mr. James Kitchen.

644. We have likewise appointed the undermentioned Gentlemen Assistant Surgeons for your Presidency in further part of the number we agreed to send thither in the Season (1804) viz.

Messrs. John Macleod,

G. O. BY THE COMMANDER IN CHIEF.

THE following Copy of a communication from His Royal Highness the Commander in Chief of all His Majesty's Forces is published for the General Information of the Army.

At a General Court Martial held at *Fort George, Madras*, on the 12th August, 1805, and continued by adjournments to the 24th of the same month, Captain R. L. Yeaman, Lieutenant J. A. Ellard, Lieutenant A. Browne, and Lieutenant R. Sandys, of the 34th Regiment of Foot, were arraigned on the following Charges, viz.

1st. "For behaving in a scandalous, infamous manner, "such as is unbecoming the Character of Officers and Gen- "tlemen, in having conspired against the Life of Captain "James Bull, of HIS MAJESTY'S 34th Regiment of Foot, "and in having cast lots to decide which of them should Fight "a Duel with the said Captain James Bull, after mutual ex- "planations had pass'd between them and that Officer on the "Subject of their Difference; and after they had declared "by a written document addressed to their Commanding "Officer that every thing on that subject was settled to their "satisfaction."

2d. "Lieutenant A. Browne, and Lieutenant R. Sandys, "are further charged with behaviour unbecoming the Cha- "racter of Officers and Gentlemen, in having in the course "and in furtherance of the aforesaid conspiracy, used Ex- "pressions in the Guard Room at *Vellore*, regarding the late "Captain James Bull grossly reflecting on his Character and imputing

" imputing Cowardice to him, in reference to a tranſaction in " which they were parties, and which they had acknowledged " to have been ſatisfactorily adjuſted."

3d. " Lieutenant R. Sandys is further charged with neg- " lect of Duty and irregular conduct, in having on the " Evening of the 5th June 1805, in the courſe and in further- " ance of the aforeſaid Conſpiracy quitted the *Fort of Vellore* " when on duty, for the purpoſe of Fighting a Duel with the " late Captain James Bull then alſo on duty, an act, con- " trary to the eſtabliſhed Diſcipline of the Army.

4th. " Lieutenant R. Sandys and Captain R. L. Yeaman " are further charged with giving, ſending, or accepting a " Challenge in furtherance of the ſaid conſpiracy, and in con- " ſequence thereof going out to Fight a Duel with Captain " James Bull, Lieutenant Sandys as Principal, and Captain " Yeaman as ſecond, on the Evening of the 5th June, 1805, " and Lieutenant J. A. Ellard, and Lieutenant A. Browne " are charged with having promoted the ſaid Duel."

The Court have found the Priſoners Captain R. L. Yeaman; Lieutenant J. A. Ellard, Lieutenant A. Browne, Lieutenant R. Sandys, Guilty of the Firſt charge.

Of the Second Charge the Court have found the Priſoners Lieutenant A. Browne, and Lieutenant R. Sandys, Guilty of " Behaviour unbecoming the Character of Officers and Gen- " tlemen, in having in the courſe and in furtherance of the " afor ſaid conſpiracy, uſed expreſſions in the Guard-Room " at *Vellore*, regarding the late Captain James Bull of the " ſame Regiment, grossly reflecting on his Character in im- " puting Cowardice to him, in reference to a tranſaction in " which they were Parties;" but the Court have given it as their opinion, that thoſe expreſſions were uſed previous to the tranſaction alluded to, having been ſatisfactorily ad- juſted.

The Court have found the Priſoner Lieutenant R. Sandys, Guilty of the Third Charge.

Of the Firſt Part of the Fourth Charge, the Court have found the Priſoners Lieutenant R. Sandys and Captain R. L. Yeaman, Guilty, viz. " giving, ſending, or accepting a " Challenge, in furtherance of the ſaid conſpiracy, and in " conſ quence thereof, going out to Fight a Duel with Cap- " tain James Bull, Lieutenant Sandys as Principal, and Cap-

" tain

"tain Yeaman as Second, on the Evening of the 5th June, "1805." And Lieutenant J. A. Ellard, and Lieutenant A. Browne, Guilty of the latter part thereof, viz. "promoting "the ſaid Duel."

And the Court having found the Priſoners, Captain Yeaman, Lieutenant J. A. Ellard, Lieutenant A. Browne, and Lieutenant R. Sandys Guilty as before ſpecified, and the ſame being in breach of the Articles of War, have adjudged them to be *Caſhiered*.

The Court have recommended an entire remiſſion of the Sentence upon Lieutenant J. A. Ellard, it appearing that there were alleviating circumſtances in the caſe of that Officer which rendered him an object of clemency, in ſo far as he ſeemed not to have been actuated by any violent degree of rancour or animoſity againſt the late Captain Bull; but, merely as a member of the Regimental Meſs, he had been drawn in to caſt Lots which of the Priſoners ſhould Fight the Deceaſed.

His Majesty has approved of the Sentence of the Court with regard to Captain Yeaman, Lieutenant Browne, and Lieutenant Sandys, but as there did not appear to be ſufficient evidence to convict Lieutenant Ellard, His Majesty has not thought fit to confirm the Sentence of the Court Martial againſt that Officer, and taking into conſideration the circumſtances of Lieutenant Ellard's Caſe, together with the Recommendation of the Court, has directed that he be pardoned and reſtored to the Functions of his Commiſſion as Lieutenant in the 34th Regiment of Foot.

His Royal Highneſs the Commander in Chief directs, that the Charges above ſtated, together with the Sentence of the Court, and His Majesty's Pleaſure thereon, ſhall be read at the head of every Regiment, and entered in the Regimental Orderly-Books.
