Fort St. George, 3d July 1807.

G. O. BY GOVERNMENT.

The Right Honorable the Governor in Council is pleased to publish for the information of the Army the following Extracts of General Letters from the Honorable Court of Directors.

Letter Dated 29th October 1806.

Para. 9. "We have permitted the following Military "Officers to return to their Rank in your Establishment Viz.

Lieutenant Robert Heming
" Charles Cunningham

10. "We have resolved to appoint forty three Cadets "for the Infantry on your Establishment in the Season 1806-7.

11. "We have appointed the following Assistant Surgeons "for your Presidency in further part of the Number we this "Season (1805) agreed to send thither Viz."

Messrs. James Towel
William Fleet Newlyn
Thomas Sutton
Archibald Spiers

12. "As great inconvenience has arisen from the Cadets "in the Company's Service not usually proceeding till the "latter Ships of the season in which they are appointed, We "have resolved that the Cadets of whose intended Appoint- "ments you are advised in a preceding Paragraph shall proceed "by the first Fleet of the ensuing Season 1806-7 and on their "failure so to do the said appointments shall become lapsed."

13. "In our Military letter of the 2d of May 1806 you

"were

" were directed to Rank Mr. Thomas T. Paske a Cadet for
" the Artillery or Engineer Corps on your Establishment next
" to Mr. James Kitchen; but as Mr. William Thompson
" Brett was reported to us on the 23d of that Month by the
" proper Officer at the Royal Academy at Woolwich as qua-
" lified for a Commission in the Company's Service for either
" of these Corps, We direct that agreeably to the direction
" contained in the 642d Paragraph of Our Military letter
" of the 30th July 1806 Mr. Brett do Rank next to Mr.
" Kitchen; as Mr. Paske was not eligible to rank as a Cadet
" for the Company's Service till the 19th of October last, on
" which day he attained the Age of 17; he will now of
" course rank next to Mr. Brett."

Letter Dated 21st November 1806.

2. " Having taken into Our consideration the Situation
" of Military Officers, who have been at different times
" suspended from the Company's Service by our Government
" abroad, without a previous trial by a Court Martial, in
" regard to their Claim to Pay during such suspension, and
" being of Opinion that it would be desirable that some fixed
" Rule should be established in order to Remove the doubts
" that have hitherto been entertained upon the Subject We
" have Resolved that Officers in the predicament above men-
" tioned shall be considered as entitled to the pay only of the
" Military Rank they held at the time of their being sus-
" pended by order of your Government, from the time they
" were so suspended, until we shall come to a final determina-
" tion upon the Cases of the Officers referred to Our consider-
" ation; provided we shall be satisfied that no unnecessary
" delay in our proceeding to a decision, has been occasioned by
" the Officers themselves."

3.—" Having taken into Our serious Consideration the
" Case of Major William Samuel Davison of your establish-
" ment, who was suspended the Company's Service by the
" Governor in Council at Madras for his improper conduct
" while on board the extra Ship Glory, we have come to the
" following Resolutions Viz."

" Resolved that upon the whole of this Case which has
" been long and maturely considered, the Court are of Opi-
" nion that Major Davison was guilty of a deception upon
" the Committee of Shipping in the Representation which he

" made

" made and upon which the order for Mary Wells being em-
" barked on Board the Glory was obtained, in as much as
" in the opinion of the Court he took her with a view very
" different from what he represented."

" That the Court do not consider that it is neceſſary to
" aſcertain or record any Opinion upon the propriety or
" impropriety of Major Davison's Conduct with reſpect to
" Mrs. Parſons and Mary Wells, whilſt they were on Ship
" board, though it has an appearance very highly unfavour-
" able."

" That the Court are of Opinion that Major Davison was
" guilty of the moſt violent and outrageous Conduct on board
" the Glory and that Captain Taylor's highly improper
" Conduct affords him no juſtification—That the Major's
" Conduct tended immediately to excite inſubordination on
" the part of the Crew, and did produce a ſpirit of diſobe-
" dience, and that it was of a nature therefore to endanger
" the ſafety of the Ship; and the Court are of Opinion, that
" no perſon who can be guilty of ſuch Conduct, is fit to be
" truſted with any Military Commiſſion."

" Reſolved that for the Reaſons above ſtated Major William
" Samuel Daviſon be diſmiſſed the Company's Service.

4. " The Court having thus diſcharged a very painful
" although indiſpenſible part of their duty, which they
" hope is ſufficient to ſatisfy public Juſtice, by holding forth
" example, the great end of Puniſhment; feel deſirous of
" mitigating to the individual the weight of that puniſhment
" as far as may be prudent and proper; and therefore
" Reſolved that an Allowance be made to William Samuel
" Daviſon, Eſq. by way of annuity to the amount of £150
" per Annum."

5. "Since the above Reſolutions were framed We received
" a Letter from Mr. Daviſon requeſting he may receive the
" Pay and Allowances of Lieutenant Colonel from the time
" of his ſuſpenſion, to that of his diſmiſſion."

6. " Having on the 17th June laſt adopted the following
" Reſolution Viz."

" Reſolved that Military Officers who have been ſuſpended
" from the Company's Service by the Governments in India
" without a previous trial be conſidered as intitled to the
" pay only of the Military Rank they held at the time of

" their

" their being suspended until the Court shall come to a final " determination upon the Cases of the Officers Referred to " their Consideration, provided the Court shall be satisfied " that no unnecessary delay in their proceeding to a decision " has been occasioned by the Officer so suspended."

7. " We resolve therefore agreeably to the above Reso- " lution to allow Mr. Davison the Pay only of his Military " Rank from the 1st May 1804 to the 26th March last when " we dismissed him from the Company's Service, and, as it " appears that he was entitled to promotion to the Rank of " Lieutenant Colonel from the 19th January 1804, three " Months prior to his suspension We have agreed to allow " him the Pay of Lieutenant Colonel from the 1st May 1804 " to 26th March 1806."

8. " Lieut. William Robertson of your Establishment, " obtained Our permission on the 18th July last to remain in " England till next Season."

9. " We have appointed the following Assistant Surgeons " for your Presidency in further part of the number We " agreed to send thither in the Season (1805) Viz."

William Stewart Anderson
William Tolme
John Jones
John Norris

Letter Dated 3d December 1806.

2. " We have received a letter from the Governor Gene- " ral in Council of the 30th December last inclosing repre- " sentations from several Officers at the different Presidencies " setting forth the hardship they suffer from the effect of His " Majesty's Warrant of the 10th April 1804."

3. " We have lost no time in endeavouring to provide a " remedy for the inconveniences which have arisen from the " Promotions of some of His Majesty's Lieutenant Colonels " in India in consequence of that Warrant and We trust by " an Arrangement that is now under consideration we shall " succeed in that object."

4. " In the mean time to prevent the recurrence of " similar Difficulties, We direct that when a vacancy in " the Command of a Regiment or Corps takes place, you " refrain from promoting the Lieutenant Colonel in rotation " to succeed to such Command to the Rank of Colonel, " unless

" unless he is previously in poſſeſſion of a Brevet of this " Rank granting him however all the allowances incidental " to the Station, in like manner as if he held the Rank of " Colonel."

5. " We have reſolved to appoint Forty four Cadets this " Seaſon for the Infantry on your Eſtabliſhment, including " the number mentioned in our Letter of the 29th Ultimo."

6. We ſhall alſo appoint Fifteen Cadets for the Cavalry; " and Six Aſſiſtant Surgeons for your Presidency; and ſhall " likewiſe appoint twenty eight Cadets for our Artillery and " Engineer Corps in India, who will receive their education " at the Royal Military Academy at Woolwich—Their " deſtination for the ſeveral Presidencies will depend on the " exiſting deficiencies at each, when they are reported quali- " fied."

Letter Dated 7th January 1807.

3. " We have appointed the following Aſſiſtant Surgeons " for your Preſidency in further part of the number we laſt " Seaſon (1805) agreed to ſend thither Viz."

Meſſrs. Charles Morgan

The following Extracts of a Letter from the Honorable the Court of Directors under date the 23d of December 1806 is publiſhed for the information of the Army.

Para. 6th—As

Para. 6th—As the promotion of Lieutenant Colonel Bell of the Madras Artillery was a principal cause of the grievance complained of by the other Lieutenant Colonels in our Service —Arising from the Operations of His Majesty's Warrant Consequent to that promotion, His Royal Highness the Commander in Chief has signified his Intention to recommend to His Majesty that all the Lieutenant Colonels in His Majesty's Service who have been promoted to the local Rank of Colonel in India in consequence of having been superceded by Colonel Bell, should return to their former Rank of Lieutenant Colonel on condition that the Court shall declare that from the day preceding the date of Lieutenant Colonel Bell's Promotion no Lieutenant Colonel in our Service shall be permitted to hold a higher Rank by Regimental Promotions than that of Lieutenant Colonel Commandant until he is promoted to the Rank of Colonel by the General Brevets granted by His Majesty to the Company's Lieutenant Colonels.

"We therefore direct that the Commissions of Colonel granted to Lieutenant Colonel Bell and to all other Lieutenant Colonels in our Service who may by Regimental Promotion have been subsequently promoted to the Rank of Colonel be recalled, and that they be denominated Lieutenant Colonels Commandant :—but they are to enjoy all the advantages of the Command of Corps they have obtained in like manner as if they held the Rank of Colonel.

8th—And for the entire removal in future of all difficulties and Embarrassments, of a Nature similar to those which have occasioned the late discussions we direct that the following General Regulations be established.

9th—That in future when a vacancy occurs in the Command of a Regiment of Infantry, Battalion of Artillery, Brigade of Cavalry or the Corps of Engineers the Senior Lieutenant Colonel succeeding to such Command shall not in consequence be promoted to the Rank of Colonel, but shall be called Lieutenant Colonel Commandant of the Regiment, Battalion, &c. &c. until by General Brevet Promotion in His Majesty's Army, he become entitled to be promoted to the Rank of Colonel by the date of his Commission, as Lieutenant Colonel in the Company's Service.

10th—The Lieutenant Colonel Commandant is however to enjoy the same emoluments in every respect in obtaining the Command

Command of a Regiment &c. &c. as he would be entitled to if he had been promoted to the Rank of Colonel under the Regulations of 1796.

11th—This Regulation will completely Remove all cauſes of complaint in the King's Lieutenant Colonels regarding the Promotion of Officers of that Rank in our Service, and it appears to us to be the moſt effectual mode of doing ſo; at the ſame time it will have the additional advantage of preventing all ſupercession among the Lieutenant Colonels in our Service by the accidental Promotion that has heretofore occaſionally taken place of a Junior Lieutenant Colonel of one Corps, before that of his Seniors in other Corps.

12th.—By the Eſtabliſhment of this Regulation, we have reaſon to hope His Majeſty's Warrant of April 1804 will be withdrawn as being no longer neceſſary.

In conſequence of the Orders recited in the preceding Extracts, and of the Correſpondent Orders which have been tranſmitted from His Royal Highneſs the Commander in Chief, regarding the local Brevets granted to certain Officers of His Majeſty's Service who had been ſuperceded by the Promotion of Lieutenant Colonel Robert Bell of Artillery, The Right Honorable the Governor in Council is pleaſed to cancel the Commiſſions of *Colonel* granted to the undermentioned Officers of this Eſtabliſhment and to appoint them to be Lieutenant Colonels Commandant of the Brigades, Regiments or Battalions to which they are attached, Viz.

Colonel	Robert Bell	of Artillery.
"	P. A. Agnew	21ſt Regiment N. I.
"	D. Mackay	22d ditto.
"	H. M'Lean	25th ditto.
"	G. Doveton	24th ditto.
"	Thomas Dallas	2d Brigade Cavalry.
"	A. Cuppage	5th Regiment N. I.

Theſe Officers will ſeverally reſume the Rank of Lieutenant Colonels agreeably to the date of their Reſpective Commiſſions as ſuch, whether obtained by regular Promotion in the Honorable Company's Service, or by the operation of General Brevet in His Majeſty's Army.

By order of the Right Honorable the Governor in Council.

The Right Honorable the Governor in Council is pleased to cancel the last Paragraph of the G. O. by Government of the 9th May 1806 which relates to the Pensions to be allowed to European or Native Soldiers who may have lost a limb in the Service by wounds received in Action.

His Lordship in Council is further pleased to publish the following explanation of the term limb, as used in the 7th Paragraph of the 8th and 18th Sections of the Code of Regulations dated 11th March 1806 under the head Invaliding and Pensioning Viz. "It is to be considered applicable to an arm, "a leg, a hand or a foot, and such wounds as deprive a Soldier "bona fide of the use of either, shall entitle him to the pen- "sion of full Pay. Fingers or toes may be separated from "the Body without depriving the Wounded Man of the use "of his hand or foot while in other cases dislocation of a "joint, separation of the tendons—or Stiffness produced by "the effect of wounds may entirely disable the limb from any "useful effort. Of the Nature of such wounds and the extent "of debility they produce, the best judgment may be formed "by inspection, and from the opinion of Medical Officers. "The Case can seldom be doubtful, but where doubt exists "the Bias should be towards the favourable determination."

Under the foregoing explanation his Lordship in Council is pleased to direct that the Mustering Officers at the Stations where Pensioners reside or draw pay, shall at the first convenient opportunity—or at the first Muster of the Pensioners after the receipt of this order—examine each Individual, and under the approbation of the Officer Commanding, aided by the opinion of the Medical Officer, make a report upon the case of each person—in the following form.

Second Additional Charge preferred againſt Lieutenant Allen by me.

For Conduct ſcandalous, and unbecoming the character of an Officer, and a Gentleman, in having aſſerted a moſt palpable falſehood in a public Letter to Lieutenant Irwin, of His Majeſty's 94th Regiment, bearing date the 9th April 1807, thereby further intimidating a moſt Material evidence from appearing againſt him in ſupport of the charges exhibited againſt him by me.

BANGALORE, 15*th June* 1807. (Signed) T. PAGET—*Lieutenant,* 1ſt *Battalion* 15*th Regiment N. I.*

BY ORDER OF MAJOR GENERAL MACDOWALL.
(Signed) W. M'PHERSON,
A. A. A. G. M.

SENTENCE.—The Court is of opinion that the 1ſt inſtance of the 1st Charge viz. "for ſubmitting to indignities prior to his former trial," ought to have been brought forward, and ſubmitted to inveſtigation, when the priſoner, Lieutenant Allen, was then brought to trial at *Hyderabad;* as it appears to have been at that time known; and that, in conſequence of its not being then brought into Notice, the Court has rejected the conſideration of that inſtance of the Charge.

In the ſecond inſtance of the 1ſt Charge "for Conduct unbecoming the character of an Officer, and a Gentleman, in ſubmitting to indignities ſubſequent to his trial at *Hyderabad,* and in degrading himſelf by aſſerting in a public letter to his Commanding Officer, that he Lieutenant Allen was willing to return to the paths of honor, and rectitude, when he requested to be admitted into the Regimental Meſs"—The Court finds the

the prisoner Lieutenant Allen not guilty, and therefore acquits him of the fame.

The Court is of opinion that the 2d Charge has not been proved, and therefore acquits the prisoner of it.

The Court is of opinion that the 1st additional Charge has been proved in part, and finds the prisoner Lieutenant Allen guilty of writing a threatening letter, tending to intimidate an evidence from appearing against him; but that, that evidence was *Material* as ſtated in the Charge, is not proved.

The Court finds the prisoner not guilty of the Second Additional Charge, and acquits him of the fame.

In the inſtance, in which the Court has found the prisoner Lieutenant Allen guilty, it doth Sentence him to be reprimanded by the Officer confirming the Sentence.

(Signed) I. M. COOMBS, *Deputy Judge Advocate.* (Signed) S. GIBBS, *Lieut. Col. President.*

The reprimand is remitted. APPROVED AND CONFIRMED.

(Signed) H. MACDOWALL. (Signed) H. MACDOWALL.

The Court feels itſelf bound to obſerve that the Charges brought forward appear vexatious, and that the proſecutor has been leſs actuated by zeal for the public Service than by perſonal pique.

In future every Paymaster making a Disbursement is to enter it in his own Accounts and is consequently to be responsible for every Disbursement which he makes.

The Pay and Allowances of details of European or Native Troops under the Command of a European Officer, when Absent from the Head Quarters of the Corps are not to be adjusted and entered as heretofore, in the Abstracts of the Corps at Head Quarters but are to be drawn at the Station where they may be doing duty, on regular Vouchers agreeably to the Rules of the Service and supported by the usual Muster Rolls—and in the same manner, the Pay and Allowances to small parties and Escorts not under the Command of a European Officer, of Parties and Individuals proceeding to the Presidency or to the Head Quarters of any Division of the Army in Order to attend Invaliding and Pensioning Committees, and the Pay of Non-Commissioned European and Native Officers and Privates absent on Sick Certificate, Furlough or otherwise, are to be drawn by the Town Major of Fort St. George, or by the Fort Adjutant or other Staff Officers

Officers at the Out Stations where they may happen to be doing duty or residing—the Pay and Allowances to European Officers absent on Sick Certificate, Furlough or otherwise, are likewise to be drawn by such Officers at the Stations where they may reside, the regular Abstracts or Vouchers for those payments are as before directed to be entered in the Accounts of the different Paymasters making the Disbursement, under the Head of the Corps to which the details or Individuals respectively belong—But Paymasters are positively directed not to discharge the amount of any Abstract on the above account unless accompanied with a Certificate from the Paymaster who made the last payment to the detail or Individual and any Officer in Command of a detail of Troops failing to furnish himself with such Certificate, previously to the March of his Detachment, beyond the range of the Paymaster by whom the last payment may have been made will be considered guilty of neglect of duty of a breach of the Orders of Government—And it is hereby also strictly ordered that Officers in Command of Corps, Troops, Companies or small parties and Staff Officers having under them persons in Military Pay shall be equally careful, when any detail or Individual is detached, or permitted to leave the Station where their pay has been drawn, to furnish such detail or Individual with the requisite Certificate from the Paymaster or his authorised Substitute, and to countersign it and if by any occurrence it shall happen that the Certificate from the Paymaster or his Substitute cannot be procured, the Officers above-mentioned are themselves in that case, to grant the prescribed Certificate stating also on the back thereof the cause of the Paymaster's Certificate not having been obtained— And any Officer above described, who shall not obtain for such detail or Individual the prescribed Certificate shall be considered guilty of neglect of duty and a breach of the Orders of Government and it is in the same manner positively enjoined under the same penalties that when details or Individuals return to join their Corps similar documents be produced to warrant their being again included and drawn for in the Abstracts of their Corps and Companies.

The Right Honorable the Governor in Council further directs that all Paymasters upon regular application being made

made, shall without delay furnish the Certificates specified in the foregoing Paragraphs of these Regulations.

Commanding Officers and Officers belonging to Corps or Public Staff Officers in charge of Troops or Companies are likewise to be careful to insert in the Pay Abstracts and Muster Rolls, of their Troops or Companies respectively, opposite to the Names and Ranks of Absentees, the cause of their Absence and to add *Pay not drawn*.

CHARGES.—Major Robert Fletcher of the 17th Regiment of Native Infantry Ordered in Arreſt by me upon the following Charges viz.—Neglect of Duty and Diſobedience of Orders—Irregular, Diſreſpectful, and Un-gentleman-like Conduct—in the following Inſtances, while he held the *Regimental* Command of a Detachment from the 2d Battalion of the aforeſaid Regiment

Regiment doing duty in the Province of *Cuttack*—as alſo after having been relieved from the ſaid *Regimental* Charge thereof at his own requeſt—by a Provincial Order of the 16th of May 1805.

TO WIT—NEGLECT OF DUTY AND DISOBEDIENCE OF ORDERS.—In having neglected the Accounts of the Detachment under his Command to an extent which ſubjected a conſiderable portion thereof to improper Stoppages from their Pay on Account of Family Certificates for a conſiderable length of time, and ultimately amounting to above Two Thouſand and three hundred Star Pagodas, (as per Statement annexed) cauſing thereby diſtreſs to the Families concerned notwithſtanding that he had been repeatedly urged from Battalion Head Quarters to attend thereto as it was his Duty to have done.

2d—Having contrary to the Regulations of the Service, prevented the Iſſue of Pay and Allowances to the Native part of the Detachment under his Command, which had been received from the Pay Office in the Month of February 1805, for their Arrears of November and December 1804, cauſing thereby a delay in the iſſue of thoſe for November aforeſaid of about twelve days—viz.—from the 14th of February to the 1ſt and 2d of March 1805—and of thoſe for December 1804 of above Two Months—viz.—from the 27th February 1805, to the 5th and 8th of May following, as the acquittance Rolls for thoſe Months further teſtify—without ever having ſatisfactorily accounted for ſo unwarrantable a proceedure.

3d—Having abſented himſelf from the Detachment under his immediate *Regimental* Command for about fifteen days in the Month of May 1805—without transferring the Charge thereof or of any of its records; or leaving any inſtruction whatever; to the next Senior Officer preſent, as the uſage of the Army requires, to preclude accidents, and impediment to the Service—and more particularly requiſite when going to the diſtance at which *Cuttack* is from *Khoordah* during a time of War, in an unſettled Country, as he did.

4th—Not

4th—Not having provided himself as it was his Duty to do with a Complete Copy of the Standing Orders of the Corps, from the time he joined it, 27th June 1803, until specifically Ordered to do so in the Month of February 1806.

5th—Not having acknowledged the receipt of a Letter which the Adjutant of the Corps addressed him by my Order dated of the 29th May 1805, in reply to his Letter of the 23d of the same Month, on points of importance and Instruction; although the usage of the Service, and the repeated admonitions he had received from Battalion Head Quarters, for former neglects of Similar natures, should have Sufficed to impress him with the necessity and propriety of so doing.

6th—Not having transmitted to me the Copy of a Letter written by him under date of the 1st of September 1805, for the information of the Commander in Chief in India, which Letter conveyed the most Serious accusations against me, his *Regimental* Commanding Officer—nor having Stated to me for redress, as in the first instance it was his Duty to have done, the grievances which he wishes by the abovementioned Letter to induce a belief that he had laboured under.

IRREGULAR CONDUCT.—In having Subsequently to the publication of the Order by the Officer Commanding in the Province of *Cuttack* dated, as before said, of the 16th May 1805—which Order relieved him Major Fletcher, totally from the *Regimental* Charge of the Detachment—nevertheless continued to exercise an extent of interference with its *Regimental* Duties the most improper and unwarrantable—by refusing to Suffer the Senior Officer with the Detachment to fulfil my Battalion, Orders as Stated in that Officer's Reports of the Circumstance, dated 13th and 14th June 1805, and issuing the Order he did under date of the 21st June 1805.

2d—Having directed the Officer in the Regimental Command of the Detachment (Lieutenant John Lucas) to Communicate to me, his (Major Fletcher's) *Regimental* Commanding Officer, the resolution he had at

at the very moment avowed of thwarting my endeavours to preserve my *Regimental* Authority in the Detachment—as stated in Lieutenant Lucas's Report of the 14th June 1805.

DISRESPECTFUL CONDUCT.—In having expressed himself in terms unbecoming an Officer towards his immediate *Regimental* Commandant, in Two Official Letters, dated, one of the 22d June 1805—and the other, of the 1st of September 1805, hereunto annexed.

2d—Having expressed himself in terms highly improper when my Decisions on points of *Regimental* Duties were communicated to him, *at my desire*, for his information as per annexed Extract from Lieutenant Lucas's Report of the 14th June 1805.

3d—Having continued to act in opposition to my Orders with the Officer in the *Regimental* Charge of the Detachment by obstinately Standing between me and that Officer to the annoyance of both, as well as the Service.

UNGENTLEMANLIKE CONDUCT—In having under date of the 22d of June 1805 transmitted to the Head Quarters of the Coast Army Gross misrepresentations, and downright Untruths, with the Malicious intent to injure his Commanding Officer's professional and personal Character—and having done the same under date of the 1st of September 1805 through the Brigade Major at *Cuttack* for the information of His Excellency the Commander in Chief in India—The whole of the foregoing Charges tending moreover to injure both by precept and Example, due Subordination and good Order.

BY ORDER.

Assistant General of the Army.

SENTENCE.—The Court proceeds to deliberate concerning their Sentence, and are of opinion, after a due consideration of the Charges, the evidence in support of them, and that adduced by the Prisoner in his defence,

That

That the Prisoner Major Fletcher is not Guilty of the 1st, 2d, 3d, 4th, 5th, and 6th, Charges under the head of "Neglect of Duty and disobedience of Orders," and do therefore acquit him of the same.

That the Prisoner Major Fletcher is "Not Guilty" of the first Charge under the head "Irregular Conduct" and do acquit him of the same. But the Court are at the same time of opinion that Major Fletcher carried his interference with the Regimental duties of the detachment to too great an extent.

That the Prisoner is "Not Guilty" of the second charge under "Irregular Conduct" and do acquit him of the same.

That the Prisoner is not Guilty of the first, second and third Charges entitled "Disrespectful Conduct," and do acquit him of the same.

That the Prisoner Major Fletcher is not guilty of the Charge entitled "Ungentlemanlike Conduct:" and do therefore honorably acquit him of the same.

The Court, however, adverting to the Charges, and the mode in which they have been attempted to be substantiated, find themselves compelled to remark that they are frivolous and vexatious, and appear to have originated in feelings, which they consider wholly unconnected with the good of the Service. They think, moreover, that this animadversion deserves peculiar strength from the serious Nature of the accusations, contained in the last Charge "entitled Ungentlemanlike Conduct" the slightest proof in support of which, the Prosecutor was wholly unable to bring forward.

The Honorable the Governor in Council is pleased to republish for the information and guidance of the Army the following General Orders, published at this Presidency on the 8th of July 1796, prescribing the Channel of communication to be observed by Officers in appealing to the Governor in Council from Retrenchments established and confirmed against them in the Office of Military Audit.

Fort St. George, 8th July 1796.

G. O. By Government.

The General Orders of the 3d April 1792, having of late in many instances been deviated from by Officers addressing letters to Government, requesting payment of bills that had been objected to by the Military Auditor General, without transmitting such letters through the Channel of the Paymaster and Military Auditor General, as those orders enjoined—The Right Honorable the President in Council is pleased to notify, that any application made in future contrary to the prescribed rule, will be finally rejected, without farther reference to the Office of Audit.

The orders of Government of the 3d April 1792, on this subject, are now republished for the information and guidance of all Persons whose accounts come under the controul of the Military Auditor General.

" Resolved

" Resolved, that as the Board have found the present mode " of recovering retrenchments to be inadequate, either for the " security of the Paymaster, or the Indemnification of the " Company from unwarrantable charges."

" Ordered, that Paymasters are immediately upon the receipt " of the Auditor General's retrenchments to furnish Copies of " them, to those respectively concerned, requiring them " to repay the amount."

" If this requisition has not been complied with, when the " next Month's allowances are issued, the Paymaster is hereby " authorized and ordered to make stoppages from the Bill or " Abstracts of that and the succeeding months, pay excepted, " until the full amount of the retrenchments is liquidated."

" That in case of the death or removal of any Paymaster, " before the retrenchments from his accounts, has been com- " pletely recovered his Deputy or the succeeding Paymaster " to the Office or Station, is hereby directed to proceed by " the same means for the recovery thereof."

" If previous to the Audit of the Paymaster's accounts, " Officers shall be removed to other Stations, and retrenchments " thereafter made against them, or before retrenchments " against Officers may have been recovered, such Officers shall " have been removed to other stations, the Paymaster is in " that case to make out bills against them, and transmit them " to the Paymaster of the Station to which the Officers have been " removed, who is directed to proceed by the before mentioned " mode, to compleat the recovery thereof."

" But in every instance the responsibility, must rest with the " Paymaster in whose Disbursements the unauthorized charge " has appeared,—Retrenchments must be brought to account in " three Months after they are made, or at the end of every " official quarter."

" As it is not intended by the mode here prescribed for " recovering Retrenchments, to deprive the Officers against " whom they are made of the speediest means of obtaining a " re-audit thereof."

" Whenever an Officer shall have further grounds to " produce in support of the charge which has been retrenched, " he is to state them upon the extract of the retrenchments " with which he has been furnished, and return it to the " Auditor General through the channel of his Paymaster, " within

" within one month accompanied with Copies of such " Orders, Certificates, or other Authority, as he may have to " urge."

" The Paymaster is directed to forward such representation " to the Auditor General within one week, after he shall " receive them, and the Auditor General is strictly enjoined to " enter upon the consideration of them without delay."

" If the Auditor General shall notwithstanding the reasons " that may be so offered, think himself obliged to confirm " the retrenchments, he shall make immediate communi- " cation to the Paymaster, for the information of the party " concerned, of the grounds, upon which he adheres to his " former opinion, to the end that, if an appeal to the Board, " shall afterwards be demanded, the plea upon which the " charge is attempted to be established and the reasons for it's " rejection may come together at one view before Govern- " ment."

" Where Appeals to the Board are afterwards demanded, " they are to be made through the Channel of the Paymasters " and Auditor General and the party concerned is in this last " resort to be aware of the necessity of stating clearly and " fully every additional argument which he may still have to " offer, as the decision of the Board will be final, but the par- " ties must be very careful not to trouble Government with " appeals on insufficient grounds."

" The Auditor General is directed whenever he makes a " re-audit of a charge formerly retrenched, from any Officer, " to acquaint him therewith, the like communication is to be " made by the Auditor General to Officers, who have drawn, " less than what they are entitled to, and which has been allowed " by the Paymaster as a short drawing, upon the first Audit of " his Disbursements."

" If the retrenchment is found to be well grounded, no " hardship is suffered by any party and if there are reasons to " be assigned, and authorities to be produced, upon which the " Retrenchment may be taken off, the mode now prescribed " will necessarily, bring them speedily forth, and the Board are " pleased to assure the Officers of the Army, that they will " interpose their Authority, to prevent any improper delay in

" bringing

" bringing retrenchments which may be objected against, to " an early decision."

"By order of the Right Honorable the Governor in Council."

Fort St. George, 4th December 1807.

G. O. BY GOVERNMENT.

The Governor in Council having taken into his serious consideration the frequent applications for Compensation for Loss upon the fluctuation in the Exchange of different Coins in the Buzar, and the heavy Expence which the Honorable Company have sustained in consequence of paying Compensation on that account and having ascertained that it more frequently occurs, that the current Coin of the Honorable Company in which the Pay and Allowances to the Troops is issued at almost all the Stations under this Presidency, viz. in Madras and Star Pagodas in Arcot Rupees and Fanams that these Coins generally produce a greater Exchange in the Buzar, than the value or rate fixed upon them by Government.—The Honorable the Governor in Council accordingly, deems it not only expedient but just and reasonable that as the individual often gains an Advantage from the Rates of Exchange upon those Coins, any moderate loss therefore which may at times be occasioned by a fluctuation in the rate of Exchange, should not be chargeable to the publick.—And to prevent if possible any Combination upon the part of Shroffs or Money dealers, so as to interfere with or to lower the established currency of the Company's Coin, The Governor in Council is pleased to order and direct that all Collectors and Commanding Officers of Divisions, Stations, &c. shall use every proper and efficient means to enforce the rates of exchange at which Government have fixed their value—It is accordingly resolved that from and after the 1st day

of

of January 1808, Government will not consider itself responsible for any loss on the Exchange of the beforementioned coins or make good the same by Compensation.

It having come within the knowledge of the Honorable the Governor in Council that Paymasters at a distance from the Presidency, have derived Profit by employing the public Money or from an extensive Credit being granted them by Government on the general Treasury or other publick Funds, by which they are enabled to draw Bills payable at the Presidency at an advantageous exchange, which has been of late considered by Paymasters as a perquisite of Office, The Honorable the Governor in Council is therefore pleased to direct that in future such Profit or Gain upon exchange must be brought to the Credit of the Honorable Company and accordingly orders that from and after the 1st of January 1808 all Paymasters when they draw Bills of Exchange payable at the Presidency shall invariably make them out according to the accompanying preseribed Form and shall in their Monthly Abstracts of Receipts and Disbursements give Credit for the Amount of such Gain, under the head of Profit and Loss arising upon Bills of Exchange drawn upon the Presidency.

(Circular.)

(CIRCULAR.)

Horse Guards, May 25, 1807.

SIR,

As the Season of the Year for some Months previous to the month of March, does not admit of the Exercise in the Field, which is necessary to perfect Troops in their duty—The Commander in Chief has considered it expedient to make an alteration with respect to the periods of the Inspection Reports required by the Adjutant General's Circular letter of the 5th of December 1798, and His Royal Highness is in consequence pleased to direct that the General Officers first Confidential Report, shall, in future, be made between the 1st and 15th May, and the second during the month of October in each Year.

The Commander in Chief has directed me to observe, that, as each Inspection Report, in order to be complete, should contain in itself every possible information respecting the Corps reported on, it must, when necessary, repeat such observations as have been made in former Reports, and not refer to those Reports in a general manner (which has in some instances been the case) for the particulars on which these Remarks are founded. His Royal Highness further directs me to observe, that the several objects pointed out in the Circular Letter of the 5th December 1798, are to be respectively reported on by the General Officers in their Confidential Letter, and not blended together with one General Remark, as it is essential that the most detailed and satisfactory information should be given on each separate Head.

I am Commanded to add, when General Officers report any deficiencies in a Corps, it is expected that they will themselves direct that such deficiencies be immediately replaced, and further, that they will take care, that the Regulations and standing Orders of the Army are strictly enforced, whenever they notice any deviation therefrom, without waiting for Orders from Head Quarters.

I am at the same time to remark, that the Commander in Chief does not consider the Form of Report, adopted by some General Officers, so well calculated to answer the purpose required by the Adjutant General's Circular Letter of the 5th

of

of December 1798, as a Confidential Letter prepared by the General Officers themselves, communicating, without reserve, such observations or animadversions, as they may conceive necessary for His Royal Highness's information, on the several Heads to which their attention is directed.

I have the Honor to be with great respect,

SIR,

Your most obedient Humble Servant.

Lieutenant General Hewitt, (Signed) HARRY CALVERT,
&c. &c. &c. *Adjutant General.*

HORSE GUARDS, 1*st June* 1807.

GENERAL ORDERS.

The Office of Inspector General of the Recruiting Service having ceased, it is The Commander in Chief's Commands that the following directions shall be observed in conducting the business of that Department.

The Letters, Applications, and Returns of every description, which have hitherto been transmitted to the Inspector General of the Recruiting Service, by Officers Commanding Regiments, and by the Inspecting Field Officers of Recruiting Districts in England, shall for the future be addressed to The Adjutant General, Horse Guards, *London*, with the words "Recruiting Service" written on the outside of the Cover.—Letters, Applications, and Returns of a similar description from Commanding Officers of Regiments, and from Inspecting Field Officers of Recruiting Districts in *Ireland* and *Scotland*, are for the future to be addressed to the Adjutant General and Deputy Adjutant General in those Countries, who will transmit such Returns and Information as may be required from time to time for His Royal Highness The Commander in Chief.

The Commandant at the Army Depot in the Isle of Wight will be authorized to confirm the Discharges of such Men as are sent Home from Regiments on Foreign stations, and prove unfit for further service; he will also be authorized to give final Approval to such Recruits as are raised for general Service, and for Regiments abroad which have not Second Battalions at Home, or any other Recruits who are sent to the Depot for immediate Embarkation, and will likewise

Superintend

Superintend the Embarkations and Disembarkations which take place at the Army Depot.
