G. O. BY THE COMMANDER IN CHIEF.

The following Men of the Corps of Artillery having wilfully disabled themselves, with a view of obtaining their Discharges, and

and being sent to *England*; the Commander in Chief being determined to discourage so infamous a practice, has resolved that those Men who have thus disgraced themselves, shall be sent to the following stations (where they will be excluded from the society of European Soldiers) and placed under the Orders of the Officers Commanding

1st Bat. Artillery—John Daly,—Hill Fort of *Nundydroog*.

“ “ “ Joseph Noland,—Hill Fort *Bellary*.

“ “ “ P. Dawling,—*Chingleput*.

This Order to be read at the head of every European Corps; and it is to be hoped, that a knowledge of the mode in which these delinquents are disposed of, will deter others from following so wicked and shameful an example.

The above men to be sent immediately under a sufficient escort to their respective stations, and to be strack off the strength of their respective Corps on the 31st of the present Month; from which day they will be received on the Rolls of the 3d Garrison Company; Correct Registers of them will be forwarded from the Head Quarters of the 1st and 2d Battalion of Artillery to the Deputy Commissary in Charge of that Company at *Vellore*, as well as to Officers Commanding the several Stations the above individuals are ordered to.

The inconvenience and distress that Individuals daily suffer, and by which the public Service is impeded, renders it necessary to call to the attention of the Officers to whom they particularly relate, the Government General Order of the 8th September 1807, respecting Pay Certificates; and to that published on the 3d December 1807 on the same subject, by the Commander in Chief.

His Excellency requests that Officers Commanding Divisions will

HEAD QUARTERS · CALCUTTA, 27th FEBRUARY 1808.

G. O. BY GOVERNMENT.

The Honorable the Governor in Council having had under his Consideration the result of an enquiry which was instituted under the Authority of the Commander in Chief, with respect to the Irregularities which lately occurred in the Company of Gentlemen Cadets at *Cuddalore*, the Governor in Council observes with great Concern that the conduct of many of the Gentlemen Cadets was of a nature highly unmilitary and disreputable to the institution to which they are attached.

The conduct of those Gentlemen would have justified the severest rigor of punishment; and the Governor in Council has only been restrained from the exertion of such punishment by the contrition which the Gentlemen Cadets concerned in those proceedings have in general expressed for their reprehensible behaviour—From this forgiveness however the Governor in Council deems it necessary to except the following Gentlemen.

Messrs. Jansen

Dun

John

and

M. James.

As

As the conduct of the above Gentlemen was marked by circumstances of particular violence and outrage, the Governor in Council has resolved that they shall be suspended from the Service of the Honorable Company, and required to proceed to *England* by the first Ships—They will be accordingly placed under the charge of the Town Major of *Fort St. George* until an opportunity for their embarkation shall occur.

The Honorable the Governor in Council trusts that the Resolution announced in these Orders will be attended with a salutary influence on the future conduct of the Gentlemen Cadets at *Cuddalore*—It has been at all times the endeavour of the Government to signalize and to reward those Gentlemen, who have distinguished themselves in the prosecution of their Studies, and by the progress of their Military duties; but an opposite course of proceeding will not fail to excite the serious displeasure of the Governor in Council, who will be not more prepared to reward merit, than to punish insubordination and irregularity.

The Commander in Chief is requested to make known these sentiments to the Company of Gentlemen Cadets at *Cuddalore* in such manner as His Excellency shall deem most proper.

By order of the Honorable the Governor in Council.

21st May 1808.

Fort St. George, 20th May 1808:

G. O. BY GOVERNMENT.

It having been resolved that His Majesty's Warrant under date the 7th of October 1806 for granting an Increase of Pay to certain ranks of His Majesty's Army shall take effect at this Presidency and Orders having accordingly been given that the Increased rates of Pay to the Non-Commissioned Officers and Privates therein described of His Majesty's Regiments of Dragoons and Infantry serving under this Presidency shall be issued in Conformity to the abovementioned Warrant and according to the periods of Service therein stated agreeably to the annexed Tables of Pay—The Honorable the Governor in Council is now pleased to direct that the Monthly distributions of Subsistence to His Majesty's Regiments of Dragoons and Infantry serving under this Presidency in which are included the Increased rates of Pay as Authorized by His Majesty's said Warrant, must be Certified by the Officer in the immediate Command of the Regiment that the periods of Service stated in the Monthly Distributions Correspond with, and are extracted from the Monthly Returns of the Battalion or Regiments and in pursuance of the beforementioned Warrant which Authorizes the said Increased rates of Pay to Commence from the 25th day of June 1806, The Honorable the Governor in Council is further pleased to direct that the Arrears shall be drawn from the said 25th day of June 1806 for which purpose Officers in the
Command

Command of His Majesty's Regiments of Dragoons and of Infantry shall direct long Rolls to be made out for Troops, or Companies of their respective Regiments, which are to include the Arrears of the Increased Rates of Pay due to each Individual of the Troop or Company, stating also (where requisite) the period of Service of such Individual—These long Rolls are to be signed by the Adjutants and certified by the Commanding Officers of the respective Regiments that the Amount of Arrears drawn and periods of Service stated correspond with the Monthly Returns of the Regiment, adding thereto such Remarks relative to former Service as may tend to establish claims to the Increased Rates of Pay under His Majesty's Regulations as stated in letters from the Secretary at War dated 29th July 1806 as follows.

“ In regard to the additional allowance to Corporal and Privates after 7, 14 and 17 years Service respectively, it is to be understood that previous Service in any Corps of Regulars or in any Corps of Fencible Regiments liable to serve out of Great Britain, Ireland and the Islands in the Channel is to be taken in estimating the claims of the Men to the said additional Allowance.”

“ It is also to be understood that Men discharged at the late peace or at any other period and who have since enlisted into the Army are entitled to claim the benefit of their Antecedent Service in corps of the above description.”

“ But Service in the Militia or in any Corps of Fencible not liable to serve out of Great Britain, Ireland and the Channel Islands is not to be considered as making any part of the Service entitling the Men to the said additional Allowance.”

“ Former desertion is not to affect a man's claim to the Allowance in question, but desertion occurring subsequently to the 25th June 1806 will deprive a Soldier of all title to the said allowance arising from Antecedent Service.”

“ In the case of Men formerly discharged and re-admitted to Chelsea and who have since entered into the Army, the time during which such Men were on the Chelsea Pension is to be taken into Account in estimating their claims to the additional allowance two years thereof being reckoned as one of actual Service and the same in proportion for any longer or shorter period.”

The

The Rolls beforementioned when thus completed, are to be transmitted to the Deputy Paymaster General of the King's Troops, who will forward them to the Military Auditor General for the purpose of being examined and passed for payment, if found Correct.

And in order to equalize the Pay of the Honorable Company's European Troops with that of the same ranks in His Majesty's Service under this Presidency—The Honorable the Governor in Council is pleased to direct, that the Increased rates of Pay as specified in the Annexed Tables shall be issued to the Non Commissioned Officers and Privates of the Honorable Company's European Infantry agreeably to their periods of Service from the 1st of June next.

The Governor in Council also directs, that the Arrears of Pay to the Honorable Company's European Infantry conformable to the Increased rates shall likewise be drawn from the said 25th of June 1806 on Vouchers as herein before prescribed for drawing the Arrears to His Majesty's Troops, which vouchers are to be forwarded to the Military Auditor General thro' the Channel of the Paymaster of the Station.

The Commanding Officers of Regiments are enjoined to pay the strictest attention to the foregoing rules by which the claims of the Non Commissioned Officers and Privates respectively, according to the length of Service, are to be determined, and to satisfy themselves as far as may be practicable of the just pretensions of each Individual to receive the Augmented rate of Pay founded upon his former Service in the Corps, and when such claim cannot be exactly ascertained, payment thereof is to be suspended until the necessary information or special Authority shall have been obtained.

G. O. BY GOVERNMENT.

The Honorable the Governor in Council is pleased to direct that Officers who may take charge of the effects of deceased Military Persons, shall in future apply for information respecting any demands of a public nature which may exist against them to the Military Paymaster General, and not to the Military Auditor General as directed by the General Order of the 18th. of April 1806.

Captain J. Keasberry of the 9th Regiment of Native Infantry having produced a Certificate of his Exchange as a Prisoner of War, the Honorable the Governor in Council is pleased to direct that Captain Keasberry shall resume his duty as an Officer on this Establishment.

Fort St. George, 31st May 1808.

G. O. BY GOVERNMENT.

The Honorable the Governor in Council has been pleased to establish the following Regulations for drawing the Pay of small Guards or details when temporarily detached from their Corps or Station.

1st. The Pay of small details of European or Native Corps not under the command of an European Officer, when temporarily detached is to continue to be drawn in the Abstracts of their respective Troops or Companies provided the Station to which they are detached is *within the range of Payment* of the Paymaster who pays the Corps.

2d. When details of the above description are detached to stations *out of the range of Payment* of the Paymaster who pays the Corps, their Pay is not to be drawn in the Abstracts
of

of their respective Troops or Companies, but at the Stations to which they may be so detached, and they are consequently to be furnished with Certificates of last payment as directed in the G. O. of 8th September 1807, in order that their Pay may be drawn by the Commanding or Public Staff Officer of the Station to which they may be detached.

3d. In the Muster Rolls of Troops or Companies it is to be particularly noted opposite the name of each Individual, the Station or Post to which they are detached on Command, as well as the words "Pay drawn" or "Pay not drawn" as it may happen to be.

4th. As the Pay of the details mentioned in the first Paragraph of these Regulations is to continue to be drawn in the Abstracts of their respective Troops, or Companies, it is unnecessary to furnish them with Certificates of last payment, and Paymasters of Stations are to be particularly careful, not to furnish Certificates to such details.

The Honorable the Governor in Council is also pleased to direct, that the Staff Pay and allowances of Division, Garrison, Cantonment, and Regimental Staff Officers, are only to be drawn in future at the Stations or Head Quarters of Corps where the duty is performed, Staff Officers, when absent from their Stations or Corps, are however permitted to draw their Regimental Pay and allowances, at the Station where they may reside, and they are to be furnished with Certificates of last Payment accordingly—the Staff Pay and Allowances of absent Staff Officers are to be drawn by the person acting for them, and who upon obtaining a receipt for the amount, will lodge it in the hands of the Paymaster, who will pay it to such Staff Officers on their return to their Corps or Station, with the exception however of the Allowances granted for Office Establishments, or other public Servants, the amount of which should be immediately disbursed to the Individuals entitled to receive it, by the acting Staff Officer in the same manner as if the Staff Officer was present with his Corps or Station.

2d. For disobedience of the orders and Contempt of the Authority of the Commander in Chief signified to him by Brigade Major George Bristowe on the 11th January last, in which he was directed "to join without delay" and communicating "His Excellency's astonishment at his not having
already

already done so" in utter disregard of which he remained in *Calcutta* till the 20th or 21st of the same Month.

4th. For scandalous and Infamous Behaviour, such, as is unbecoming an Officer and a Gentleman, in having basely violated an Engagement he had made with the Gentlemen of the Committee of the Orphan Society at *Berhampore*, promising to abstain from any further Intercourse with Miss Charlotte Fuller, the Daughter of an Officer whom he had for most unworthy and sinister purposes taken from the Orphan School at *Kidderpore* by which scandalous breach of Promise, the said Charlotte Fuller has forfeited all claim to that maintenance and support, which the Liberality of the Managers of the Orphan Society were still willing to accord.

By order of His Excellency the Commander in Chief.

(Signed) G. H. FAGAN,

Acting Adjutant General.
