G. O. By the Commander in Chief.

The following General Orders by His Excellency the Commander in Chief in India, are published for the general information of the Army.

Head Quarters: Calcutta, 27th February 1808.

General Orders.

To obviate the serious inconvenience which has been heretofore too frequently experienced by Officers selling their Commissions on retiring from the service, or on promotion, as well as by the purchasers when their promotion has not been confirmed by His Majesty,—His Excellency the Commander in Chief is pleased to direct that the following rules and regulations be henceforth rigidly observed in the sale and purchase of Commissions in His Majesty's Regiments serving in the East Indies.

1st. The most strict attention shall be paid by Commanding Officers of Corps to enforce His Majesty's Regulations in

in respect to the price prescribed for the respective Ranks of Officers in his Regiments on promotion or exchange.

2d. No applications for promotion (with or without purchase) or exchanges will be attended to, which do not pass through the regular channels supported by the usual certificates from the parties concerned and their respective Commanding Officers.

3d. Officers applying to purchase, or exchange from Infantry to Cavalry service, shall deposit the amount of the purchase money, or of the difference between the two services, with the Paymaster of the corps, or some respectable Agent, and shall forward his or their certificate of being in possession thereof, and of its being forthcoming with the interest which may have accrued thereon when His Majesty's confirmation of the promotion or exchange shall be notified in General Orders.—This certificate is to bear the signature of the Officer in Command of the Corps, signifying his belief that the Agent is a person of sufficient responsibility for the fulfilment of his engagement, it being nevertheless clearly understood, that, until the money be paid, the purchaser is to be answerable for the amount the same as if it had been lodged with the Agents of the Regiment.
