The Honorable the Governor in Council is pleased to direct, that the following reports submitted by the permanent Committee of Examination appointed by General Order of the 5th April 1811, respecting Cornet Macnaghton of the 4th Regiment Native Cavalry, who has obtained the honorary reward held out in the General Order of the 9th October 1810, as an encouragement to the study of the Hindoostannee language, be published in General Orders.

To WILLIAM THACKERAY, Esq.
Chief Sec. to the Government,
*at Fort St. George.*

Sir,

*Para.* 1. We have the honor to acknowledge the receipt of your letter dated the 5th instant, constituting us a Committee for Examining Officers, Gentlemen Cadets, and Assistant Surgeons who may become candidates for the reward held out by Government, to promote the study of the Hindoostannee language; and to acquaint you that we have in conformity to the orders conveyed therein proceeded to examine Cornet Macnaghton, and beg leave to report the result, for the consideration of the Honorable the Governor in Council.

2. Mr. Macnaghton was required to translate from English into Hindoostannee, and from Hindoostannee into English without having recourse to a Dictionary, Grammar, or other book of reference whatever.

3. The specimens selected for translation into Hindoostannee consisted of a Tale from the College Exercises at Fort William, and a number of English Sentences compiled, with a view to the prevailing idioms in respect to kindred and relationship, marriage, sale and purchase, and other common occurrences of life—a Hindoostannee Story from the Exercises abovementioned, was given for translation into English.

4. The

4. The uncommon degree of proficiency evinced by Mr. Macnaghton, renders it unnecessary for us to enter into further detail of his examination than to state, that his translations of the specimens abovementioned, were executed with a facility, dispatch and correctness which could alone be the result of a most accurate, extensive and well grounded knowledge in Hindoostannee. He is critically versed in the idioms of the language, reads with fluency, and has a correct pronunciation.

5. On a review of these several circumstances; and considering the comparatively short period of Mr. Macnaghton's studies, we have the greatest satisfaction in reporting to the Governor in Council the very extraordinary extent of that Gentleman's acquirements in Hindoostannee, and can with confidence recommend him, as fully deserving the reward, which Government have been pleased to announce it to be their intention to bestow on the successful exertions of the Junior Officers of the Army, in acquiring a knowledge of the Hindoostannee language.

To W. THACKERAY, Esq.
CHIEF SECRETARY TO THE GOVERNMENT,
*Fort St. George.*

SIR,

In conformity to the directions contained in your letter of the 1st instant, we have completed the examination of Cornet Macnaghton in the Persian language, and beg leave to report for the information of the Honorable the Governor in Council, that we consider his attainments in this language, of nearly equal extent to the degree of proficiency manifested by him in the Hindoostannee at the examination he underwent before us some few days since.

The specimens selected for translation into Persian consisted of a number of sentences on various subjects; those for translation

slation into English, were an extract from the Jushai Ab-ool Fuziel and a short original letter in Persian, which latter we required Cornet Macnaghton to read and translate on the spot.—The translations were executed with considerable accuracy, and a large choice of Persian terms made use of by that Gentleman in his translations from English, shewed, that he possessed a knowledge in that language beyond the bounds of ordinary acquirement: The letter he read off and translated at sight with facility.

In concluding this succinct report of Cornet Macnaghton's progress, it may be permitted us to express our regret, that the regulations of the service will not in this instance allow of our recommending a reward being bestowed on that Officer for his proficiency in the Persian language, similar to that, which his acquirements in Hindoostannee have already obtained for him.

We have the honor to be,

G. O. BY MAJOR GENERAL PATER.

The following parts of the confirmed proceedings of Native General Courts Martial, assembled under the authority of Major General Pater Commanding the Army, are published to the Army.

Extracts of the proceedings of a Native General Court Martial held at *Trichinopoly*, on Monday the 24th day of June and continued by several adjournments 'till Saturday the 6th of July 1811, and of which Subadar Syyud Abdullah of the 2d Battalion 19th Regiment N. I. is President.

2dly,

2dly.—For having falsely and maliciously charged and accused, Mootoo Sawmy Jemadar, of having obtained his commission by a bribe, and for grossly and shamefully abusing Jemadar Mootoo Sawmy, on the night of the 7th instant, without provocation, having been pre-informed, by Jemadar J'apah, that Jemadar Mootoo Sawmy had neither ill-treated or abused his nephew.

3dly.—For infamously, falsely, and maliciously accusing Subadars Ramdoo and Shaike Ally and Jemadars J'apah and Mootoo Sawmy, of having been in a most disgraceful and shameful state of intoxication, on the evening of the 7th instant.

*Comg. 1st Bat. 14th Regt. N. I.*

BY ORDER.

(Signed) T. H. S. CONWAY,
*Adjutant General of the Army.*

SENTENCE.—The Court having well and maturely deliberated upon the whole of the evidence produced before them, both in support of the prosecution and of the defence, are of the following opinion.

Upon the 1st charge, for falsely accusing Jemadar Mootoo Sawmy of having beaten, abused, and ill-treated his nephew Maree Mootoo son of the late Chokerlingum Havildar, deceased, the Court find the Prisoner, Subadar Chungleroyah, guilty.

Upon the 2d charge, in having falsely and maliciously charged and accused Mootoo Sawmy Jemadar, of having obtained his commission by a bribe, the Court are of opinion, that the prisoner is guilty of having made use of expressions to that effect during the heat of the quarrel in which they were engaged, that such accusation was false, but made without any malicious intention.—The Court are of opinion, that the prisoner is guilty of the latter part of the second charge, for grossly and shamefully abusing Mootoo Sawmy Jemadar, on the night of the 7th instant without provocation, having been pre-informed by Jemadar J'apah that Jemadar Mootoo Sawmy had neither ill-treated, nor abused his nephew.

Upon the 3d and last charge, for infamously, falsely, and maliciously accusing Subadars Ramdoo and Shaike Ally, and Jemadars J'apah and Mootoo Sawmy, of having been in a most disgraceful and shameful state of intoxication on the evening of the 7th instant, the Court are of opinion, that the Prisoner is not guilty of that part of the charge

charge which applies to his having accused Subadars Ramdoo and Shaike Ally and Jemadar J'apah, but find him guilty of having accused Jemadar Mootoo Sawmy, which accusation the Court consider to have been infamous, false and malicious.

The Court find the Prisoner in the instances abovementioned guilty, of irregular, disorderly and un-officer-like conduct, and do therefore sentence him, Subadar Changleroyah, to be suspended from rank and pay for six calendar months, from the date of the confirmation of this sentence, by the Officer Commanding the Army in Chief.

BY ORDER,
(Signed) T. H. S. CONWAY,
*Adjutant General of the Army.*

SENTENCE.—The Court having well & maturely deliberated upon the evidence produced in support of the prosecution and defence, are of opinion, that the Prisoner Jemadar Mootoo Sawmy is guilty of the charge exhibited against him, viz. irregular, disorderly and un-officer-like conduct, in having made use of insulting, abusive, and threatening language towards Subadar Chungleroyah on the evening of the 7th instant, which being to the prejudice of good order and military discipline, they do adjudge the said Jemadar Mootoo Sawmy, to be suspended from rank and pay for the space of six calendar months from the date of

of the confirmation of this sentence by the Officer Commanding the Army in Chief.

SYYUD ABDULLAH, SUBADAR,
*and President.*

(Signed) J. M. COOMBS, CAPTAIN,
*Officiating Judge Advocate.*

I CONFIRM.

(Signed) J. PATER,
MAJOR GENERAL.

The Officer Commanding the Army, hath confirmed the sentences appertaining to the Subadar Chungleroyah and Jemadar Mootoo Sawmy of the 1st Battalion 14th Regiment Native Infantry, he nevertheless feels impressed with a conviction, that the censurable example they both disreputably exhibited, by the most disgraceful and un-officer-like conduct to each other, merits a much more severe punishment than what the above sentences have awarded,—and under that conviction, he thinks it his duty, in support of that good order he is determined to maintain, to warn the Subadar Chungleroyah and Jemadar Mootoo Sawmy against the like shameful conduct in future, on pain of meeting with a result, more applicable to the like offence.

CHARGE.—Droog Sing, Subadar in the 5th Battalion company of the 1st Battalion 14th Regiment, ordered under arrest by me, for irregular and un officer like conduct in the following instances, viz. 1st. For addressing me in a disrespectful manner upon the subject of a complaint which had been submitted to me, by Lieutenant Gray (the Officer of his company,) and my sentiments thereon explained to him, by that Officer, viz. "That I "would not interfere, but referred the parties to the "decision of the Civil Court, and which I again re-"peated," and desired him to be silent, instead of which, he persisted in addressing me, in a clamorous, loud and disrespectful manner, contrary to good order and military discipline.

2dly.—For presuming to discuss the propriety of my orders, and for making use of gross and abusive language to Subadar Rangapah, the acting Native Adjutant, while in execution of his duty, explaining to the prisoner the nature and purport of my orders, agreeably to my desire.

3dly.—For having gone to the houses of Takoo Sing Drill Havildar, and of Rangapah Subadar, between the hours of eleven and twelve o'clock, on the night of the

16th

16th instant in a riotous, disorderly manner, and for falsely asserting he had been sent for by Subadar Rangapah.

4thly.—For disrespect to a Court of Enquiry, consisting of European Officers, and of which Captain Moore was President, assembled by my orders, to investigate into the grounds of a complaint made by Subadar Rangapah, of the prisoner's improper conduct.

And lastly, for falsely accusing (before the Court of Enquiry) Subadar Rangapah of suborning false evidence, and of retaining a Sepoy (viz. Rungiah of the light company) about his house, for the purpose of employing him as a menial servant.

BY ORDER.

(Signed) T. H. S. CONWAY, *Adjt. Gen. of the Army.*

SENTENCE.—The Court having well and maturely deliberated upon the whole of the evidence produced in support of the prosecution and defence, are of opinion, that the prisoner Subadar Droog Sing, is guilty of the whole of the first charge exhibited against him.

The Court are of opinion, that the prisoner is guilty of the 1st part of the second charge, "in presuming to "discuss the propriety of Major Smyth's orders," but acquit him of the remaining part of that charge.

The Court acquit the prisoner of the third charge, as it appears to the Court, that tho' he went to the houses of Havildar Takdo Sing and of Rangapah Subadar, he did not go there in a riotous disorderly manner; the Court acquit him also of the latter part of that charge.

The Court find the prisoner guilty of the 4th charge.

The Court also find the Prisoner guilty of the fifth and last charge exhibited against him.

In the instances in which the Prisoner has been pronounced guilty, the Court consider his conduct to have been irregular and un-officer like, and contrary to good order and military discipline, and do therefore adjudge him, Subadar Droog Sing, to be suspended from rank and pay for the space of (8) eight calendar months, from the date of the confirmation of this sentence, by the Officer Commanding the Army in Chief.

SENTENCE.—The Court having attentively considered the evidence

evidence in support of the prosecution, as well as what the prisoner has urged in his defence, are of opinion, that he, Veragoo Naidoo, is not guilty of the 1st charge preferred against him, as stated in its full extent, as it appears, that he never was entrusted with the charge of a guard, but they are of opinion, that he Veeragoo Naidoo is guilty in a lesser degree, in as much, as he knew that some Brass was stolen from the stores, and did not make known the same.

The Court are further of opinion, that the second charge preferred against the prisoner, is not proved, and do therefore acquit him, Veeragoo Naidoo, of the same.

HORSE GUARDS : 25th October 1810.

SIR,

Having had the honor to lay before the King the proceedings of a General Court Martial held at *Trichinopoly*, *East Indies*, on the 9th March 1810 and subsequent days, for the trial of Mr. Assistant Surgeon Griffin of the 30th Regiment of foot, who was arraigned upon the undermentioned charge, preferred on complaint of R. H. Lathom, Esquire, His Majesty's Justice of the Peace of the Zillah of *Trichinopoly*,

" For conduct unbecoming the character of an Officer and a " Gentleman in the following instances, viz.

" 1st.—For having on the night of the 19th February 1810, " between the hours of eight and nine o'clock, armed with a " sword and bamboo, or stick, entered the private bed room " of the house of the said R. H Lathom, Esquire, while in " bed, and for refusing to quit it when desired by him to do so."

" 2d.—For having made use of opprobrious and insulting " language to the said R. H. Lathom, Esquire, and otherwise " menacing him with an assault."

Upon

Upon which charges the Court came to the following decision.

"The Court having found the Prisoner *guilty* of both the "charges; it doth sentence and adjudge the said Mr. "Assistant Surgeon Griffin to be cashiered."—While the "Court passes the above sentence, it feels itself called upon "from the character given of the Prisoner, from his having "tendered an apology, and from his length of service, to re- "commend him in the strongest manner to mercy."

I am to acquaint you, that His Majesty approved and confirmed the finding and sentence of the Court; but in consideration of all the circumstances of the case, as they appear on the face of the proceedings and particularly of the strong recommendation of the Court in favor of the Prisoner, His Majesty was pleased to extend his most gracious pardon to Assistant Surgeon Griffin, and to command that he should be restored to the functions of his Commission, after having been most severely reprimanded by the General Officer under whose command the 30th Regiment is placed, and admonished of the consequences which may follow a repetition of such intemperate conduct.

## 31st *August* 1811.

Fort St. George, 27th August 1811.

G. O. By Government.

In conformity with the orders of the Honorable the Court of Directors, contained in the 90th, 91st, and 92d paragraphs of their general letter to *Bengal*, dated the 31st May 1809, for equalizing the allowances of the Field Officers and Captains of His Majesty's Regiments of Dragoons and Infantry, with the allowances of Officers of corresponding ranks in the Honorable Company's service; and which have been found to exceed the latter, in consequence of the non-effective and contingent allowances drawn by Field Officers and Captains in His Majesty's service, as appears by the annexed comparative statements, Nos. 1 and 2; the Honorable the Governor in Council is pleased to pass the following regulations to take effect at this Presidency from the 25th June last.

1st.—The non-effective and contingent allowances hitherto drawn for Field Officers and Captains half yearly, shall from the 25th June last be drawn by the Regimental Paymaster in his monthly distribution of subsistence, according to the correct proportion for each month for the number of Officers entitled to such allowances, actually present in *India*.

2d.—That corresponding deductions shall be made by the Regimental Paymaster in his monthly regimental abstract for the Honorable Company's allowances, on account of the Officers for whom the non-effective and contingent allowances shall have been drawn in the subsistence abstracts.

2.—The following are the rates at which the non-effective and contingent allowances are to be drawn monthly for the different ranks, and as the excess in the pay and allowances between the King's and Company's Officers is owing entirely to the non-effective and contingent allowances drawn by the former, the deductions from the monthly abstracts for the Company's allowances are to be made at precisely the same rates, viz.

*DRAGOONS.*

3.—The allowance established by His Majesty's Regulations for a riding house, being granted for purposes unconnected with personal emolument is continued, but to be drawn in the monthly subsistence abstract, in the same manner, as the contingent and non-effective allowances are directed to be drawn.

*INFANTRY.*

| Average monthly amount of the non-effective and contingent allowance granted by His Majesty's Regulations to Captains of companies at the rate of *l.*56 10 per annum Pagodas | 11 | 34 50 |

4.—In cases however, when by vacancy or the absence in *Europe* of the Captain of a company, a Subaltern or other Officer takes upon himself the command and payment of such company, the contingent allowance only, viz. *l* 36 10 per annum, or Pagodas 7 25 30 per month is to be drawn, the difference, being the non-effective allowance of *l.* 20 per annum can only be received (according to His Majesty's Regulations) by the Captain of the company.

5.—The Officers in command of regiments of Dragoons and Foot having returns, reports, &c. to prepare for the Deputy Adjutant General of the King's Troops, as well as of the Company's Army, and being consequently exposed to a greater expense, the allowance at present granted for stationary for the Commanding Officer, Paymaster and Staff of each Regiment, viz. *l.* 30 per annum, to be continued.

6.—The Governor in Council has also been pleased to resolve, that a Pay Serjeant at one Pagoda per month, and 30 Fanams per month for stationary, shall be drawn for each troop or company in His Majesty's service, as allowed for companies of European Infantry in the Honorable Company's service, and that the regulations of 1788, whereby it is ordered that "Every Soldier, whether of European Infantry, "Cavalry, or Artillery, who may die on or before the 15th of "the month shall be struck off the pay rolls at the end of "the month, but if he dies after the 15th of the month, he "shall

The following further extracts from the confirmed proceedings of a General Court Martial held in *Fort St. George* on the 1st of June 1811, by order of Major General Pater Commanding the Army, and continued by several adjournments until the 31st day of August 1811, and of which Major General Trapaud of the corps of Engineers, is President, are published to the Army.

Lieutenant Cecil of the Madras European Regiment, late in Command of the Fort and Garrison of *Condapilly*, ordered under arrest, upon the following charges.

1st.—For violent and oppressive conduct, in having, on or about 16th of August, confined under a guard at *Condapilly*, Naugarauze Curnum of *Cottoor*, to which place he sent him back on the following day under charge of two Sepoys, and for having forcibly caused the pits containing grain in the said village to be opened, a part of which grain he ordered the inhabitants to convey to *Condapilly* upon their own bullocks, at 9 o'clock on that evening.

2d—For having maltreated Veerauze brother to Naugarauze Curnum of *Cottoor*, whose house he forcibly entered and took therefrom a carpet, without having received permission so to do, from the owner of it.

3d.—For having beat with a horse whip, and otherwise maltreated, Unoomolee Parental, a Kop in the village of *Cottoor*.

4th.—For

4th.—For having obtained supplies of different kinds from the Kops and Curnums of *Roynepaudoo* without paying for the same and for sending the Sepoys of the garrison under his command with dustucks to the several villages, for the purpose of procuring supplies, without payment.

5th.—For conduct subversive of good order and unbecoming an Officer, in having, on or about 30th of August last, ordered five Sepoys together with other persons to surround the house of Gollapoody Narsiah, a resident at *Condapilly*, by which means the inhabitants of that house were prevented from going out, and others were not permitted to enter, and for having himself entered the house of the above named person, and directed several things the property of the said Gollapoody Narsiah to be taken therefrom.

6th.—For conduct derogatory to the character of an Officer and a Gentleman in having sold to the zemindar of *Condapilly* a quantity of Lead, which was discovered in the Fort, and appropriating to his own benefit the money which was paid for that Lead, the property of the Honorable Company.

By Order.

Fort St. George, 20*th May* 1811. (Signed) T. H. S. CONWAY, *Adjutant General of the Army.*

SENTENCE.—The Court are of opinion, on a full consideration of the evidence, which has been brought before them, that the Prisoner Lieutenant Cecil is guilty of the first charge preferred against him, that he is guilty of having maltreated Veerauze the brother of Naugarauze Curnum of *Cottoor*, but the Court acquit him fully of all and every other part of the 2d charge. The Court are of opinion, that he is guilty of having maltreat d Unoomolee Parental as stated in the 3d charge, and that he is guilty of having obtained supplies of different kinds from the Kops and Curnums of *Roynepaudoo* without payment, but they acquit him of having sent the Sepoys with dustucks to the several villages; The Court think it necessary to remark in their sentence, that it has appeared by the evidence before them, that the prisoner Lieutenant Cecil only obtained the same supplies which it had been customary at *Condapilly* (however irregular the custom) for many years past, for the inhabitants to furnish the Offi ers in Command at that station, and that the custom is continued to the present day. On the 5th charge the Court are of opinion that the prisoner is guilty of having employed Sepoys improperly in surrounding the house of a Native Inhabitant at *Condapilly*, but they acquit him of all and every

every other part of that charge. With respect to the 6th and last charge, the Court are of opinion that the prisoner is guilty of having disposed of a quantity of Lead which was discovered in the Fort of *Condapilly*, and that he appropriated the money arising from the sale of it to his own benefit; the Court however are of opinion, that Lieutenant Cecil, in disposing of the Lead, acted under the erroneous impression, that it was his own property, and that the Honorable Company had no claim to it. The Court having found the Prisoner guilty in the several instances above stated, do sentence him, the said Lieutenant Cecil, to be suspended from rank and pay for the space of six calendar months, and further, that he shall refund, the sum of Rupees 298½ two hundred, and ninety eight and a half, the amount which it appears he received for the Lead. The suspension to take effect from the date of the publication of this sentence.

Fort St. George, 6th September 1811.

G. O. BY GOVERNMENT.

The following extract of a general letter from the Honorable Court of Directors dated the 23d January 1811, and copy of a letter from the Adjutant General of the Army dated the 4th ultimo, are published for the information of the Army.

*Para.*

*Para.* 307.—Lieutenant George H. Isaacke, of your establishment who has returned to *England* in consequence of having been cashiered by sentence of a Court Martial, has laid before us a memorial, praying to be restored to the service, to which he has annexed copy of a letter addressed to Major General Gowdie by the Court Martial which tried him, recommending him in the most earnest manner to the clemency of the Commander in Chief.

308.—We have not received any notification of such a letter from you in the duplicate copy received per Sarah Christiana of the proceedings of the Court Martial which sat on Lieutenant Isaacke, and the original proceedings of the Court have not yet reached us.

309.—It appears however from the proceedings of the Court Martial, that the prosecutor Captain Vicq desired to withdraw the original charge against Lieutenant Isaacke, upon Lieutenant Isaacke's offering an apology for the conduct which had given offence, and that Lieutenant Isaacke, was mistakenly led to suppose, that the rigour of his arrest had been, in consequence removed.

310.—But the Court Martial which sat on Lieutenant Isaacke, very properly in compliance with the regulations of the articles of war, sentenced him to be cashiered for breaking his arrest.

311.—Under these circumstances, and adverting to Lieutenant Isaacke's youth and inexperience, we cannot doubt that the Commander in Chief will be disposed to view the recommendation of the Court Martial, in a favorable light.

312.—We are induced therefore to restore Lieutenant Isaacke to the service, from the date of his dismissal; provided that the Commander in Chief shall not see any strong objection to it.

To the CHIEF SECRETARY to GOVERNMENT,

*Fort St. George.*

SIR,

Mr. Isaacke late Lieutenant in the 8th Regiment Native Infantry, who was by the sentence of a General Court Martial which was held at *Secunderabad*, sentenced to be cashiered, and which sentence was confirmed by Major General Gowdie, having reported to this office his return to *India*, and produced the enclosed certificate of the permission of the Honorable the Court of Directors to resume his "Rank on the "establishment provided the Commander in Chief sees no "strong objection." I am directed by Major General Pater to state his opinion, that no circumstances of the case appear to him to require his recommending to Government, to make

use

use of the latitude given by the Honorable the Court of Directors, and the Major General has therefore the honor to request the commands of the Honorable the Governor in Council on the subject.

I have the honor to be,
Sir,
Your most obedient Servant,
(Signed) T. H S. CONWAY,
*Adjutant General of the Army.*

ADJT. GEN.'s OFFICE,
FORT ST. GEORGE,

In witness whereof I have hereunto set my hand at the East India House, London, this thirty-first day of January, in the year of our Lord one thousand eight hundred and eleven.

(Signed) W. RAMSAY, SECRETARY.

The Honorable the Governor in Council is pleased to direct, that in obedience to the orders of the Honorable the Court of Directors, Lieutenant George Hutchinson Isaacke of the 8th Regiment of Native Infantry, shall be considered as restored to the service of the Honorable Company, from the date of his dismissal, viz. 7th March 1810.

G. O. BY GOVERNMENT.

The following extracts of letters from the Honorable Court of Directors in the Military Department, dated the 2d November 1810, and 23d January 1811, are published for the information of the Army.

*Extract of a General Letter from the Honorable Court of Directors in the Military Department, dated 2d November 1810.*

*Para.* 3.—"We observe by a copy of General Orders "sent a number in one of the last packets, that on the 18th "August 1809, you appointed Messrs. Arthur King, John "West, Thomas Brunton, and John Chadwick, of the Corps "of Artillery, to be Lieutenant Fireworkers, in that corps, the "date of their rank to be settled hereafter, and that you at "the same time promoted Mr. Thomas Edwards, Acting Adjutant to the Extra Squadron of Horse Artillery, to the rank "of Lieutenant Fireworker in the corps of Artillery, to take "rank next below Lieutenant Fireworker Arthur King; we "also observe, that by the General Orders of the 8th Septem-

"ber

" ber 1809, Mr. Gleadow O'Connell was promoted to the " rank of Lieutenant Fireworker in the Corps of Artillery, " to take rank next below Lieutenant Fireworker Derville.

4.—" In our letter in this department dated 4th May 1810, " (Para. 7 to 11) we informed you of our having established " a Seminary at *Addiscombe*, under our own immediate " superintendence, for the purpose of educating young men " for the Engineer and Artillery branches of our service, and " you must be aware, that the appointment to commissions in " these branches of service, of other persons than those thus " educated and qualified is inconsistent with our views in " forming the expensive establishment, above alluded to."

5.—" Whatever therefore may have been the urgency of " the motives which induced you to appoint Officers from " the inferior ranks in the Artillery to commissions in that " corps, we must as well in consistency with our own regula- " tions, as in justice to the young men educated at our College " at *Addiscombe*, direct all such appointments to be imme- " diately cancelled and revoked."

*Extract of a General Letter from the Honorable Court of Directors in the Military Department, dated 23d January 1811.*

313.—" In our Military Letter of the 2d November 1810, " we transmitted to you directions to cancel the appoint- " ments which you had made of Messrs. Arthur King, John " West, Thomas Brunton, John Chadwick, Thomas Edwards, " and Gleadow O'Connell to be Lieutenant Fireworkers in " your Artillery."

314.—" We have no doubt of the urgency of the occasion " which induced you to make these appointments, nor of the " merits and qualifications of the persons appointed, and al- " though, for the reasons stated in those paragraphs, we cannot " permit the appointment to remain valid, we shall yet not be " displeased to find, that you have been able to make some " provision for the persons in question, other than that of " granting them commissions in our service, in compensation " of the disappointment which they must necessarily suffer " by the revocation of their respective appointments."

The Honorable the Governor in Council is pleased to direct that in obedience to the orders of the Honorable the Court of Directors, the appointments of Messrs. Arthur King, John West, Thomas Brunton, John Chadwick, Thomas Edwards and Gleadow O'Connell, to be Lieutenant Fireworkers, shall be cancelled from this date.

The Honorable the Governor in Council is pleased to make the following appointments, Mr.

Mr. Gleadow O'Connell to be a Commissary of Stores, and Messrs. Arthur King, and Thomas Edwards, to be Deputy Commissaries of Stores, from this date.

Mr. Commissary O'Connell and Mr. Deputy Commissary Edwards, are stationed at the Arsenal of *Fort St. George*, until further orders, and Mr. Deputy Commissary King is appointed to *Goa*.

The Honorable the Governor in Council has also been pleased to appoint Messrs. John West, Thomas Brunton and John Chadwick, Lieutenants on the invalid establishment, from this date; and to post them to the Carnatic European Veteran Battalion.

## 23d September 1811.

Fort St. George, 17th September 1811.

G. O. By Government.

The Honorable the Governor in Council is pleased to publish the following extracts of a letter from the Honorable Court of Directors, dated the 22d February 1811.

2.—" We have permitted the following Military Officers to " return to their rank on your establishment, viz."

Captain C. Robert Lester,
" Alexander Stewart,
Lieutenant H. G. S. Crosdaile,

7.—" We have resolved this season, 1810-11, to appoint " forty-three Cadets for the Infantry, and seventeen for the " Cavalry, on your establishment."

8.—" We shall also appoint thirteen Assistant Surgeons for " your Presidency this season."

11.—" Being satisfied that Major Francis A. Daniell of " your establishment, has been prevented by illness, from " returning to *India*, within the period prescribed by the " act of Parliament, we have permitted him to return to his " rank at *Fort St. George* by the ships which are appointed " to be in the *Downs* on the 1st March next; such permis- " sion having received the approbation and consent of the Right " Honorable the Board of Commissioners for the affairs of " *India*, agreeably to the act of the 33d of His present Ma- " jesty, Cap. 52. Sect. 70."

12.—" Having deemed it proper before we enter into a " detailed review of the circumstances attending the case of " each individual Officer whose suspension from the service " was announced in your letter to the Secret Committee of the " 13th May 1809, and of Lieutenant Colonel Martin, to " come to some decision upon the case of Major Boles, we " shall now proceed to state to you our opinion upon it."

13.—After an attentive perusal of all the documents which " you have transmitted to us, and paying due attention also " to the further explanations which have been given by Major " Boles, we are compelled to declare, that the impression " conveyed to us by your original statements, of the reasons " which induced you to suspend that Officer and the Adjutant " General from our service, and which impression we de- " scribed in general terms in our letter to you of the 15th " September 1809 has not been removed, and accordingly " we still think that those Officers ought not to have been sus- " pended.—We must also state, that when in our letter to

" you

" you of the 29th September 1809, we confirmed the sus-
" pension of Major Boles, we came to that resolution on the
" authority of Sir George Barlow's Minute of the 1st May
" 1809, and Major General Gowdie's circular letter of the
" which is referred to in that Minute,
" and considering the difficult and dangerous situation in
" which your Government was then placed, we thought it
" our duty to discountenance by a strong mark of our displea-
" sure, any conduct which appeared at that critical period to
" encourage discontent, and to weaken authority, reserving to
" ourselves of course, the ultimate decision respecting the
" future situation of Major Boles, 'till the receipt of further
" information."

14.—" It appears that you suspended Major Boles from the
" service, because having authenticated by his signature and
" circulated to the Army in his official capacity, an order
" from his Commanding Officer, Lieutenant General Mac-
" dowall, which you consider to be an *illegal* order, and to
" which therefore in your intimation Major Boles did not owe
" obedience, you viewed him in the light of an accomplice
" with Lieutenant General Macdowall in his attempt to insult
" the Government and resist its authority."

15.—" It is not necessary for us on the present occasion to
" discuss the propriety of Lieutenant General Macdowall's
" conduct, in taking measures to bring the Quarter Master
" General to trial before a Court Martial, and in issuing the
" order of the 28th January 1809."

16.—" Our opinion on those points has already been stated
" to you in our letter of the 15th September in that year,
" and we see no reason to depart from it; we consider the order
" to have been a flagrant abuse of his authority and violation of
" his duty, but we cannot discover in it any such inherent
" and obvious *illegality* as could justify the Adjutant, or De-
" puty Adjutant, General in refusing to obey the command
" they had received from Lieutenant General Macdowall that
" the said order should be circulated to the Army, we do not
" mean to dispute that cases *may* occur in which an inferior
" Officer would be justified in declining to obey an order of
" his superior; but those cases are very rare, and must be
" strong indeed which can warrant the former in taking upon
" himself the severe and perilous responsibility of judging the
" acts of his superior and debating with himself, whether he
" will yield obedience to the orders of that superior; and
" though we concur entirely in most of the principles incul-
" cated in the very able letter which the Governor General in
" Council

" Council addressed to you on the 27th May 1809, we " cannot by any means coincide in all the sentiments express- " ed in that letter on the subject, which we are now discussing. " It is equally impossible for us to concur in the opinion of " the Judge Advocate General on the same subject, and we " have not been convinced by the numerous legal authorities " which he has cited in support of his doctrine, as applicable " to the case now under consideration. We therefore con- " tinue of opinion, that Major Boles ought not to have been " suspended from the service; although it might have been " proper to remove from so confidential a situation, a person in " whom, consistently with the opinions you entertained re- " specting his conduct, you could no longer place your confi- " dence "

17 —" Having thus stated to you the reasons which induce " us to think that you ought not to have suspended Major " Boles from the service, we shall next advert to your pro- " ceedings in regard to him subsequently to his suspension; " we allude particularly to Major General Gowdie's com- " munication with him, and your refusal to permit his proceed- " ing to *England* on the Lushington."

18 —" Thinking that Major Boles did not act culpably in " being merely the ministerial instrument of circulating the " General Order of the 28th January, in obedience to the " commands which he received to that effect, we must con- " fess that we are not surprised at his having declined to " apologize for his conduct on that occasion, in any manner " which might imply an admission that he was conscious of its " criminality, and we consider his explanation on that part " of the subject, to be satisfactory."

19.—" Major Boles has complained of your refusal to allow " of his proceeding to *England* on the Lushington, you pro- " bably had some strong reason for that determination on your " part; but you do not assign any special cause, except the " nature of the service, on which that ship was to be em- " ployed: We are not aware however, that there could have " been any objection to his being allowed to take his passage " in the Lushington, and we think this refusal imposed upon " him an unnecessary hardship."

20.—" It only remains for us now to advert to the conduct " of Major Boles himself, subsequently to the period of his " suspension."

21.—" It would have been very satisfactory to us, if, with " the view which we have taken of this case, we could have " expressed our sense of the propriety of his subsequent con-

" duct;

" duct ; but, although the account which he has given of his " behaviour previously to his departure from *India* removed " from our minds the impression that he had become, with " his own consent, one of the rallying points for systematic " resistance, we are compelled to notice with considerable " disapprobation, other permanent circumstances in his case."

22.—" It is almost unnecessary for us to declare our entire " concurrence in the sentiments contained in Sir George " Barlow's Minute of the 1st May 1809, with reference to the " address to Major Boles, and the criminality of any military " combination with a view to control and censure the acts of " the Government, and to give a general indemnity to those " persons whose conduct, in the opinion of that Government, " may be deserving of punishment. It makes no difference, " in our estimation, whether the conduct of the Government, " has, or has not been such as we can entirely approve. They " are responsible only to us for their actions, and we feel it " to be our bounden duty to uphold their legitimate authority. " If any one of our servants conceives himself aggrieved by " an act of the Government in which he is personally interest- " ed, we are at all times ready to afford redress, when the " circumstances of the case appear to us to require it; but the " case must rest on its own merits, and any attempt to strength- " en it by military combination, must be decidedly resist- " ed."

23.—" It does not appear from any of your proceedings, " that Major Boles took any part in promoting the address " and subscription in his favour, and in a memorial which he " addressed to us on the 19th November last, he positively " denies any such interference ; admitting the truth of this " statement (and we see no reason to doubt it) he certainly is " not responsible for the criminality of that proceeding in " others, and if the whole of his conduct had been regulated " by the same unqualified forbearance, he would have been " entitled to the full benefit of it, when his case came finally " to be decided. In the memorial however, there is no " denial of his having accepted the subscription ; on the " contrary, we presume from the statement contained in it, " that he has actually enjoyed the benefit of that most unmi- " litary proceeding."

24.—" We cannot suppose it possible, that our meaning " can be so far understood, as that we condemn, or would be " disposed to censure in the slightest degree, every pecuniary " assistance which individual Officers may be inclined to afford " to a Brother Officer in circumstances of embarrassment and " misfortune ;

" misfortune; but when that assistance is offered and accepted
" on such principles and from such motives as were publicly
" promulgated in a paper so reprehensible as the address of
" Major Boles, the person consenting to receive it makes
" himself in a great degree a party to the act."

25.—"We have already referred to Major Boles' memorial of
" the 19th November last, and we have allowed him the full
" benefit of every thing contained in it; but there are several
" passages in that paper which it has been impossible for us
" to peruse without considerable dissatisfaction, and we regret,
" that in defending himself, and in pleading his own cause,
" Major Boles should have thought himself at liberty to advert
" in offensive terms to the conduct, not only of his superior
" Officer Major General Gowdie, but also of the Governor
" General. We cannot admit that there existed the least
" necessity for his adopting language of the description and
" his conduct in that particular has contributed to produce an
" unfavorable impression on our minds."

26.—" Having thus explained to you the view which we
" have taken of Major Boles' case, we have now to signify to
" you, that we have resolved that his suspension from that
" service imposed by our letter of the 29th September 1809,
" be removed, but that he is not to be permitted to return to
" *India*, till he shall have received our special permission so to
" do."

34.—" By this conveyance we take the opportunity of trans-
" mitting you the order of rank for such Cadets who appear to
" have been omitted in former lists under the circumstance
" before stated, viz."

" Mr. Alexander Macarthur, next above Mr. William Cun-
" ningham, in the 2d Class of the season 1809."

" Mr. John Henry, next below Mr. Robert Gibbings, in
" the same Class."

" Mr. James Macdonald, between Mr. W. Mackintosh
" and Henry Frederick Bowness, in the 4th Class of Cadets,
" of the season 1809."

36.—" Having come to the resolution to restore to our
" service Mr. Thomas Kelly, who was dismissed by our orders
" in consequence of his former appointment having been ob-
" tained by purchase, you will find his order of rank inserted
" in the 5th Class of the season 1809 beforementioned."

HEAD QUARTERS: CHOULTRY PLAIN, 17th October 1811.

G. O. BY MAJOR GENERAL PATER.

The intention of the orders of His Excellency the Commander in Chief dated 13th March, relative to the employment of the Officers of the Commissariat Department on general duties, not having been universally understood, the Officer Commanding the Army thinks it necessary to direct, that, these Officers shall not be considered to be liable to be employed as personal Staff or Field Aides, except when that measure may be absolutely necessary; for, it is considered, that a proper execution of their own immediate duties, must require that all their time should be exclusively devoted to them.

The following parts of the proceedings of Native General Courts Martial assembled under the authority of the Officer Commanding the Army, are published to the Army.

Further extracts of the proceedings of the General Court Martial assembled at *Bellary*, on the 6th August 1811, and

CRIME.—Jemadar Shaik Hussian of the 4th Company, 1st Battalion 12th RegimentN. I. ordered into arrest by me on the following charges, preferred against him by Lieutenant & Adjutant Reid of the same corps.

1st.—For, being in a shameful state of intoxication whilst on regimental duty, on the 10th instant.

2d.—For, grossly abusing Jemidar Shaik Emaum of the 1st Battalion 12th Regiment, on the 10th instant.

*Comg. 1st Bat. 12th Regiment.*

BELLARY, 10*th September* 1811.

BY ORDER. (Signed) T. H. S. CONWAY,
*Adjutant General of the Army*

SENTENCE.—The Court having maturely considered the whole of the evidence in support of the prosecution, as well as that produced by the prisoner Jemadar Shaik Hussian 1st Battalion 12th Regiment N. I. in support of his defence, is of opinion, that he is not guilty of the 1st crime laid to his charge, viz. "For being in a shameful "state of intoxication whilst on regimental duty, on the "10th instant," and do therefore fully acquit him of the same.

The Court doth further adjudge and find the said prisoner, Jemadar Shaik Hussian, guilty of the second charge above preferred against him, viz. "For grossly abusing "Jemadar Shaik Emaum of the 1st Battalion 12th Re-"giment on the 10th instant;" but is of opinion, that the prisoner had received most unwarrantable provocation, but who should (especially as Regimental Native Officer of the day) have reported such provocation to the Officer Commanding or Adjutant of the corps, instead of entering into a public controversy, disgraceful in the extreme, with the character of a Native Officer; it doth therefore sentence him, Jemadar Shaik Hussian to be reprimanded, in such manner as the Officer confirming the sentence, may be pleased to direct.

The Prisoner Jemadar Shaik Hussian is hereby reprimanded according to the sentence of the Court, and is to be released from arrest.

Extracts of the proceedings of a General Court Martial held at *Fort St. George*, on the 4th of October 1811, and continued by adjournments till the 12th day of the same month, and whereof Syrang Nella Tomby, of the 1st Battalion Artillery, is President.

Abram Beg, Jemadar 4th Battalion Company Madras Volunteer Battalion, ordered under arrest by me, on the following

CHARGE.—For un-officer-like conduct, in having without due authority, on or about the 15th June when detached on duty from *St. Benoit* on the *Island of Bourbon* to *St. Denis*, for treasure for the use of the detachment of the Madras Volunteer Battalion, directed the writer of his company, to take from the treasure two months pay in cash for him the Jemadar's own use, and also having directed the writer of the 1st company, to pay two months pay to two Sepoys, thereby having acted contrary to the usage of the service and in breach of the trust reposed in him.

Madras, 18*th September* 1811.

By Order.
(Signed) T. H. S. CONWAY,
*Adjutant General of the Army.*

SENTENCE.—The Court having maturely weighed the nature of the charge exhibited against the prisoner, Jemadar Abram Beg, and the evidence in support of it, as also what the prisoner has brought forward in his defence, is of the following opinion, viz. That Jemadar Abram Beg is guilty of part of the first part of the charge, viz. "In "having without due authority on, or about the 15th June "1811, when detached on duty from *St. Benoit* on the "*Island of Bourbon* to *St. Denis*, for Treasure, for the "use of the detachment Madras Volunteer Battalion, "directed the writer of his company to take from the "treasure, two months pay in cash," but the Court acquit the prisoner of the remainder of the first part, viz. "For un-officer-like conduct," and likewise of that part, which sets forth that the cash "was for his own use."

The

The Court is further of opinion, that the prisoner Jemadar Abram Beg is not guilty of the 2d part of the charge, viz. For, "also having directed the writer of the 1st "company to pay two months pay to two Sepoys," and he is hereby acquitted of the same.

The part of the crime preferred against the prisoner Jemadar Abram Beg, of which he has been found guilty, being contrary to the usage of the service and subversive of good order, the Court doth sentence him to be suspended from rank and pay for the space of one calendar month, from such period as the Officer Commanding the Army in Chief may please to direct, and he is hereby sentenced accordingly.

(Signed) In Tamul Characters.

NELLA TOMBY, SYRANG,
*1st Bat. Artillery, President.*

(Signed) W. M. ROBERTSON,
*Acting Deputy Judge Advocate.*

From the evidence recorded on these proceedings, it appears, that the prisoner received authority, from necessity, to take a sum equal to one Rupee per man in his detachment and that he only took the amount of the pay which was due to himself, which he distributed among the men under his command; under the circumstances therefore, that this was done, I cannot attach any criminality to his conduct, and in consequence remit the punishment awarded him by the sentence of the Court.

(Signed) J. PATER,
MAJOR GENERAL.

His Royal Highness the Commander in Chief having laid before the Prince Regent, the proceedings of a General Court Martial held at *Bangalore*, on the 17th August 1810, and continued by adjournments to the 10th of September following, for the trial of Lieutenant Steele of the 25th Light Dragoons, who was arraigned upon the undermentioned charges, viz.

1st.—"For conduct subversive of good order and disgraceful to the character of an Officer, in having employed himself gambling with Captain M'Gregor, late of His Majesty's 56th Regiment, from the afternoon of the 27th June, ultimo, till near 7 o'clock the following morning."

2d.—"For accepting a challenge from the said Captain M'Gregor to fight a duel in consequence of a dispute, which arose relative to the transactions of that night, the 27th June, and for fighting a duel with Captain M'Gregor on the 1st July 1810."

ADDITIONAL CHARGE.

"For neglect of duty in absenting himself without permission from the line duty of the Regiment on the evening of the 27th June 1810, for the purpose of devoting that time in the manner stated in the 1st original charge."

Upon which charges the Court came to the following decision.

"The Court after mature deliberation on the matter before it, is of opinion that the prisoner, Lieutenant Steele of H. M. 25th Light Dragoons, is guilty in part of the 1st original charge, viz. of playing with Captain M'Gregor from the evening of the 27th June, till between 3 or 4 o'clock the following morning, but acquits him of the rest of the charge."

"On

" On the 2d original charge, the Court is of opinion that " the prisoner is guilty in part, viz. His Royal Highness the Prince Regent, in the name and on the behalf of His Majesty, has been pleased to approve and confirm the finding and sentence of the Court.

From all the circumstances attending the case of Lieutenant Steele, as they appear upon the face of the proceedings, the Prince Regent was pleased to command that it should be expressed in General Orders, the disapprobation of His Royal Highness at the practice of duelling; and at the same time that Lieutenant Steele be admonished of the consequences which will undoubtedly follow a want of circumspection in his future conduct, which appears to have been hitherto tarnished by a disgraceful spirit of gambling, equally subversive of those principles of good order and propriety which must be considered essential to the discipline and respectability of the service.

The suspension of Lieutenant Steele of H. M. 25th Light Dragoons, from rank and pay is to commence from the day upon which this Order shall be published in the Orderly Book of that Regiment.

His Excellency the Commander in Chief directs that this order be read at the head of each of His Majesty's Regiments in *India* and entered in the Regimental Orderly Books

G. O. BY THE COMMANDER IN CHIEF.

The following parts of the confirmed proceedings of General

ral Courts Martial, held under the authority of the Commander in Chief, with His Excellency's sentiments thereon, are published to the Army.

Extracts of the proceedings of a General Court Martial, assembled in *Fort St. George*, on the 8th of August 1811, of which Major General Trapaud of the corps of Engineers, was President, and continued by adjournments 'till the 10th day of September 1811.

CHARGES preferred against Lieutenant Wigan of the 2d Battalion 18th Regiment Native Infantry, by order of Major General Pater.

For conduct prejudicial to good order and subversive of Military discipline, in having, under date the 6th and 8th of May last, addressed two letters to Lieutenant Colonel Hall Commanding the *Travancore* Subsidiary Force, expressed in the most insubordinate, unofficer-like and disrespectful terms, charging his Commanding Officer Captain Crompton with *injustice, un-officer-like, and ungentleman-like conduct*, and with having joined in a conspiracy against him, Lieutenant Wigan, which he, with many other insulting disrespectful expressions and insinuations, terms a foul and malicious conspiracy against him, Lieutenant Wigan.

By Order.

SENTENCE on REVISION.—The Court being fully of opinion, that the prisoner is guilty of the charge preferred against him, and having reconsidered the whole of the evidence which has been brought before them, do sentence the prisoner Lieutenant Wigan, to be cashiered. The Court having performed their duty in passing sentence upon the prisoner, feel it to be indispensible to the due discharge of the duties with which they have been entrusted, to record their opinion, that the prisoner's Commanding Officer, Major Boardman, did by his conduct in sending for two Officers of the Battalion to his quarters, and communicating to them a message which he stated he was authorized to do, afford some grounds to the prisoner for the supposition that a combination had been formed against him, Lieutenant Wigan, and the Court think it further necessary to record their sentiments, that Major Boardman departed from that line of duty which he should have observed, as the

Senior

Senior Officer in charge of a Battalion, under the peculiar circumstances in which the prisoner and Major Boardman were then placed; and moreover, that it has not appeared to the Court, that Major Boardman did receive authority from the Officers of the corps to deliver the message which has been detailed in evidence.

HEAD QUARTERS: SERINGAPATAM.

I approve and confirm the revised proceedings.

*Lieutenant General.*

In confirming the above sentence, the Commander in Chief feels obliged to declare, that the conduct of Major Boardman, as noticed by the Court in the sentence passed on Lieutenant Wigan of the 2d Battalion 18th Native Regiment, would have been noticed by him in strong terms of disapprobation, had not Major General Pater already marked his sense of that Officer's injudicious and improper line of conduct, by appointing a Senior Officer to the command of the corps.

Further extracts of the proceedings of a General Court Martial assembled at *Bangalore*, on Wednesday the 28th of August 1811, and continued by adjournments 'till Thursday, the 28th day of November 1811, of which Lieutenant Colonel Campbell of His Majesty's 84th Regiment, is President.

2d.—For disobedience of my orders, in having neglected to forward to me a correct weekly report of the sick in hospital, tho' ordered by the Adjutant sent officially by me for that purpose, to do so, within one hour after receiving the message.

SENTENCE.—The Court having maturely deliberated on the evidence produced on the prosecution, as well as what the prisoner has urged in his defence, are of opinion, that he, Mr. Assistant Surgeon Agnew is not guilty of the 1st charge in its full extent, but that he is guilty of the following part of it, viz. G. O. BY GOVERNMENT.

The Honorable the Governor in Council is pleased to publish for the information of the Army, the following extracts of a general letter from the Honorable the Court of Directors, dated the 23d January 1811.

Letter to England dated 24th December 1807.

47. "We highly approve the correct "example set by your Military Auditor General, Major Bruce, in reducing the expenses of his own office within the utmost practicable limits, and we are duly sensible of his continued zealous exertions

" exertions to effect every practicable reduction in the " Military expenses of your Presidency."

(158) Reductions in the Military expenses proposed by the Military Auditor General.

58. " We highly approve the conduct " of Major Bruce, your Military Auditor " General, in suggesting these reductions.— " We consider it to be the peculiar pro- " vince and duty of the Military Auditor General, to watch " over the Military expenses, and at all times to suggest to " Government such reductions in them, as may appear to " him to be practicable and proper."

(161) Assistant Surgeon Hendry's rank fixed.

73. " Upon reference to our list of rank " of the 2d Class of Assistant Surgeons for " Madras appointed in the season 1803; " you will find Mr. Thomas Hendry's name inserted be- " tween Mr. Alexander M'Caskill and Mr. James Cuddy, " which is the rank he is entitled to, according to the date of " his departure from *England*. His having been appointed " in the room of Mr. Robert Davis of the season 1802, " gives him no greater claim than a priority of rank over " others of a subsequent season, who took their departure " in the same fleet with himself.

74. " Your removal of him therefore from the rank we had " assigned him, and placing him next Mr. G. Robinson Rose, " is a supercession of several other Gentlemen who sailed " from this country nearly 12 months before him, and is a " preference we can by no means agree to."

75. " We therefore direct that Mr. Hendry, be removed to " the rank originally assigned him in our list of the 2d Class of " Assistant Surgeons, appointed in season 1803."

(162) Mr. Surgeon White, having been absent more than three years, his name struck off the Medical list.

76. " Officers and Surgeons on furlough, " have frequently on their application an " extension of furlough, on account of ill " health; their names should not therefore be " struck off the Military and Medical lists " without authority from us.—The names " however, of all absentees should be annually " reported to us, and a remark made opposite " the names of those Officers and Surgeons, whose cases " seem to claim our particular notice.—With regard to Mr. " White, we observe that he had our permission in August " 1806, to remain in *Europe*, until the following season, " but as he did not return to his duty under that permission, " nor has since made any application to us, either for an " extension of leave, or permission to return, we acquiesce in " your having struck his name out of the Medical List of your " establishment."

135. " We

Para. 122 to 6. Report of the Military Board on the damage done by the storm.

135. " We are glad to find by your subsequent letters, that the repairs to the fortifications and buildings which you deemed necessary were made at a less expense than was at first apprehended, we desire that you will express to Lieutenant Fraser the Superintending Engineer, our approbation of the skill and zeal for our service which he has displayed, in executing the works entrusted to him, at an expense considerably under the estimates, and we further desire, that this our sense of his honorable services, may be marked in a substantial manner, whenever a proper opportunity shall occur for that purpose."

295. " Mr. Henry Moberly having been educated at *Marlow*, his rank was not inserted in the general list; as by the regulations under which he was appointed he should take rank from his completing the age of 15 years and six months."

296. " The rank of Mr. William Macleod will be found in the 5th Class of Cadets of the season 1806, between Mr. John Douglas Fearon and Mr. Edward Thurlow Hibgame."

To England 28th June 1808. (21) Archibald Macleod admitted a minor Cadet conditionally.

297. " Mr. Archibald Macleod was allowed to proceed to your Presidency as a Passenger under the care of his Uncle, Lieutenant Colonel Macleod, with the view to his being appointed a Cadet upon his attaining the age of 15 years, and his friends having transmitted us the necessary certificate of his birth and baptism, we now direct, that he take rank next to Mr. Eyre Evans Bruce, in the 5th Class of Cadets of the season 1807."

315. " We have appointed Mr. John Besley now abroad, and acting as a Midshipman on board His Majesty's Frigate Le Blanche, a Cadet for the Infantry on your establishment.—The friends of Mr. Besley have produced to us the necessary certificates of his age, and his order of rank will be transmitted you by the first opportunity."

317. " We have to call your particular attention to the principles we have adopted in ranking the Artillery or Engineer Cadets for your Presidency, during the last year, as also the line of conduct we shall pursue hereafter, respecting this subject."

318. " Since December 1809, several young men have been permitted to embark for *India*, who had received their education at our own Military Seminary at *Addiscombe*, and had passed a highly creditable public examination, and we likewise sent you several from the Royal Academy at *Woolwich*, wo had been educated there for two years, as

" also

" also some Cadets who had qualified themselves under Pri-
" vate Tutors."

319. " In arranging the rank of the above Cadets under " the several regulations to which their original appointments " were applicable, we have to observe, that we have ranked " them; 1st—According to the date of their being reported " qualified from our Seminary. 2d—As to the date when " others educated at *Woolwich*, were actually discharged " from thence; and lastly, with reference to the date when " those educated under Private Tutors, were eligible by age " to rank; the following therefore is the order in which " we direct, the several Cadets alluded to, should now rank."

1. Charles Claude Nattes. — " For the Corps of Engineers, reported " qualified 29th December 1809, but al- " lowed to remain in *England* without " prejudice to his rank."

*For the ARTILLERY or ENGINEERS.*

2. Duncan Sim
3. John Coventry
4. Robert Hopper
5. Alex. Anderson
6. James Gamage — " Reported qualified from the Company's " Seminary 29th December 1809."

7. Thomas Kennan
8. Henry Gregory
9. Thomas M. Sandby — " Discharged from *Woolwich*, 20th February 1810."

10. Patrick Montgomery. — " Under Private Tuition, of age to rank, " 16th March 1810."

11. John George Proby. — " Under Private Tuition, of age to rank, " 20th March 1810."

12. William Aston. — " Discharged from *Woolwich*, 31st March " 1810."

13. Alexander Grant — " Under Private Tuition, reported qualified " 8th May 1810."

14. Alexander M'Gillivray. — " From the Company's Seminary, reported " qualified 31st August 1810. This Gentleman " was lost on board the Elizabeth, country ship."

320. " Having thus determined the rank of those who have " actually sailed for your Presidency, with the exception of " Mr. Charles Claude Nattes we have now to acquaint you, " that we shall hereafter look solely to our own establish- " ment for a sufficient number of well educated young men, " for our corps of Engineers, and Artillery, and we have re- " solved, that in future, there shall be two public examinati- " ons during the year, viz. One in the month of October; " the 2d in the month of April following. By this arrange- " ment, those who are found qualified for the Artillery at " the public examination in October, will be enabled to " proceed to *India*, by the early ships of the season, and

" those

" those reported qualified in April, by the latter ships."

321. " With the view to encourage genius and superior talents, and to stimulate our young men to exertion, close application, and good behaviour during their residence in the institution, we have further resolved, to select, from the most promising among those who are reported qualified at the public examinations before mentioned, a certain proportion expressly for the corps of Engineers, and we have determined, that they shall be permitted to remain at our Seminary (without prejudice to their rank) a further time beyond the said examination, to render them more eminently qualified for that particular line of service, and which according to all experience, requires more time for instruction than the Artillery service; It is therefore our express desire that, you should in no case, fill up from the inferior ranks of the Artillery, or from the Cavalry, or Infantry, the vacancies which may occur among the commissioned Officers, either in your Artillery or Engineer corps, but that upon the receipt of the list of Cadets intended for the latter service, you do immediately post them to such vacancies, as shall appear to have existed at the time when the said list was dated."

322. " This regulation we have resolved shall commence its operation from the public examination in October last, with the exception of Mr. Charles Claude Nattes, who was reported qualified on the 29th December 1809, but was permitted to remain in *England* until the sailing of the ships of the present season without prejudice to his rank, we accordingly attached him to the corps of Engineers, and we direct, that in the event of your having posted any of the Cadets beforementioned to that corps, you will upon the arrival of Mr. Charles Claude Nattes give him the precedence as pointed out in the former part of this letter."

323. " We have further to acquaint you, that in consequence of the very gratifying report which we have received of the talents, industry, and exemplary conduct of Mr. William John Nattes and William Wotherspoon, we attach them at once to our corps of Engineers at your Presidency, but have allowed Mr. Wotherspoon to remain at our Seminary a short time, without prejudice to his rank as before stated, in order to qualify himself still further for that branch of the service."

William John Nattes.

324. " Mr. John William Nattes will of course proceed to his destination by the early ships of the present season."

*For the ENGINEERS.*

William John Nattes. 325. "From the Company's Seminary, "29th December 1809; but not being of "age to take up his appointment, he was obliged to remain "at our institution until the ships of the present season; "his rank therefore is determined by the period at which "he attained the proper age for admission into our military "service."

W. Wotherspoon. 326. "Reported qualified, 22d October 1810."

327. "We have posted the following Cadets to the corps "of Artillery at your Presidency, viz.

George Conran.
James Jop.
Duncan M'Kenzie.
William Lewis.
Frederick Bond.
Thomas Biddle.
John Lamb.
Alexander Coull.
John Ley.

*For the ARTILLERY.*

"From the Company's Seminary, reported qualified 22d October 1810."

"As we are under no apprehension but, that in "future we shall be able to send annually a sufficient "number of well qualified young men, to meet every contin- "gency which may occur in the corps of Artillery or Engi- "neers at our several Presidencies, we again desire, that it "may be clearly understood, that the case must be urgent "indeed, which can warrant our admitting of the removal "of Officers, even pro tempore, from any other corps to the "Artillery or Engineers."

329. "In conclusion, we have only to add, that as we have "been guided by strict justice, in the rank now assigned to "those Cadets who may have arrived at your Presidency "during the last year, and who will hereafter embark, and "with due reference to their respective merits and claims, "we direct, that no application for rank may be transmitted "to us, which may tend to disturb the arrangement now "made."

The Commander in Chief having received reports that in some of the Transports, Officers Commanding on board have directed issues of provisions considerably exceeding the allowed proportions of particular articles, thinks proper to mark in public orders his disapprobation of such very inconsiderate proceeding. He is persuaded, that in the particular instance alluded to, the order was given from the best intentions—but

Officers

Officers should recollect, that provisions are furnished to last a certain time on calculations formed from the supposed expenditure of specified quantities, and that every deviation from those calculations, must be productive of inconvenience, if not distress. He does not disapprove in particular occasions, when the quantities on board will allow it, of the substitution of one article for another, but the proportion must always be observed, and the regular ration of what is issued must not be exceeded. Such irregularities may also have the effect of creating discontent in those, who have received in other Ships only the regulated rations, or regular equivalents. The Commissary is hereby directed to charge against the personal account of the Officers who have authorized, or may hereafter order such irregular issues, the amount of the surplus expense thereby incurred, and to report the names of such Officers to Head Quarters—and the Paymaster is directed to pay such bills, deducting their amount from the several Officers against whom such charges may be made.

Until provisions can be regularly obtained from the country after the landing of the Army, the Commissary is authorized to issue to such European Officers as desire to be supplied, one ration of European provisions daily, which will be charged at the rate of one Rupee per ration. The demand to be made in a separate indent, from each corps or detachment daily. The indent particularizing the names and rank of the Officers, and to be presented to the Commissary at the fixed hours for the issue of provisions to the European Troops. This indulgence to cease when the markets shall be regularly supplied.
