HEAD QUARTERS OF THE ARMY:

CHOULTRY PLAIN. *4th January* 1815.

The Right Honorable the Governor in Council having addressed the subjoined Orders to the Commander in Chief, to be published to the Army, they are accordingly published in Military Orders.

FORT ST. GEORGE, *20th December* 1814.

G. O. BY GOVERNMENT.

The Right Honorable the Governor in Council is pleased to establish Regimental Canteens, at all Stations where European Regiments are posted; and to direct that the following Regulations, be adopted for their management, and economy.

1st—Wholesome Spirits; in such quantities, as may be indented for under the countersignature of Commanding Officers of Corps, will be issued from the Public Stores, for the use of the Canteens, at thirty (30) Fanams per Gallon, and be retailed in the Canteens at the advanced rate of thirty-six (36) Fanams per Gallon; the profits arising therefrom, to be applied towards forming a General Regimental Canteen Fund, to defray the expenses of Servants, Furniture, &c. &c. required for the Canteen.

2d—The accounts of the Canteen, are to be kept by the Regimental Quarter Master, under the controul of the Commanding Officer; and will be made up monthly, shewing the consumption at the Canteen, and a balance account of the Establishment for the month.

A Quarterly Committee, is also to be ordered for the Inspection of the accounts, and will sign them.

3d—The Canteen accounts, are, at each Review and Inspection of the Corps to be submitted to the Reviewing Officer, who will give such orders as may appear necessary to improve the interior management of the Canteen, and make a report for the Commander in Chief's information of every circumstance connected with the establishment, that may appear to deserve notice.

4th—Govern-

4th—Government will provide separate Rooms at each Canteen for the accommodation of the Non-Commissioned and for the Rank and File; also, Bar Store Room and Godown, with Tables and Benches.

The Buildings will be considered as public property, and kept in repair by Government; but Tables and Benches will only be supplied at the public expense, when new are required. They are to be kept in repair from the proceeds of the Canteen Fund.

5th—The expense of lighting the Canteen, and providing lamps, is to be defrayed by the Fund.

6th—A Canteen Serjeant, with the requisite proportion of Servants, will be appointed and regulated by the Commanding Officer, on such monthly wages, as he may deem proper to fix, the payments being charged to the Canteen Fund.

7th—All articles of Canteen Furniture, will be supplied from the proceeds of the Fund, by order of the Commanding Officer, and all loss from breakage, or otherwise by Persons frequenting the Canteen, will be charged against them, calculated at 50 per cent. on the price of the Articles.—When the articles are replaced, the overplus of this fine, is to go to the Canteen Fund.

The Canteen Serjeant to be charged with and held responsible for the care and safe custody of all Canteen Stores, Furniture, &c. &c. &c.

8th—All expenditure for articles for the Canteen, including Servants wages, is to be authorized by the Commanding Officer and published in the Regimental Orderly Book.

9th—When the state of the Fund will admit of it, Commanding Officers may sanction such disbursements, as they may judge proper, to provide articles for the amusement, and recreation of the Men frequenting the Canteen, such as

News Papers,
Skittles,
Nine Pins,
Quoits,
Bats and Balls and Rackets, Long Bullets, &c. &c. &c. &c. Such articles to be kept at the Canteen under the charge of the Serjeant.

10th—The order of the Commanding Officer, notified in the Orderly Book of the Corps, will be the Quarter Master's authority, to provide, and charge for all articles required for the Canteen.

11th—When the Commanding Officer may think proper to authorize

authorize the purchase of Wine, or Beer or other Spirits than those supplied by the Commissariat, they are to be provided by the Quarter Master, and (after approval by a Committee to be ordered for that purpose,) will be retailed, at a profit to be determined by the Commanding Officer, half of which is to be allowed to the Quarter Master and the other half to go to the benefit of the Fund.

12th—The Canteen Serjeant will be permitted to retail at a moderate and reasonable profit such petty articles of supply, as Sugar, Limes, Bread, Butter, Cheese, Salt Fish, Cold Meats, Fruits, Coffee, Tea, Tobacco, &c. from which profits he will provide the Canteen, with Crockery ware, Kettles, Fuel, &c. receiving such occasional assistance from the Fund, as the state of it may warrant and the discretion of the Commanding Officer may deem proper to afford.

13th—Stamped measures, will be furnished to all Canteens from the public stores in requisite proportions, and on regular Indents signed by the Quarter Master and countersigned by the Commanding Officer.

14th—The Commissariat Department, in communication with Commanding Officers will fix the quantities of Spirits to be supplied from time to time for the use of the Canteens of each Corps respectively, regulating the issues, as conveniently as practicable, without at one time, issuing too large a proportion of Liquor.

15th—All supplies of Spirits by the Commissariat for the use of Canteens, are to be subject to survey, by a Committee, if required previously to being issued; but, such Committees are, where it may be practicable to be General, and not Regimental ones. Should, therefore, Spirits tendered for issue be objected to, the Commissariat Officer will apply to the Officer Commanding the Station, for a Committee to survey and report upon it. Proceedings of such Committees, to be laid before the Officer Commanding the Station, and a *Duplicate* thereof furnished to the Commissariat Officer on the spot.

16th—All accounts, with the Commissariat Department, for Spirits supplied to Canteens, are to be made up and settled monthly, by Quarter Masters of Corps; and the amount adjusted, with the Commissariat Officer, at the Station where the issues are made.

17th—Canteens are to remain open, from 8 in the morning, until 11 of the forenoon; and again from 5 in the evening until Tattoo beating, when they are to be shut up and lights extinguished.

18th—On

18th—On particular occasions, however, Commanding Officers may exercise their own discretion in permitting the Canteens of their respective Corps to be kept open, during such hours as they may fix, and which will always be noted in Orders.

19th—Canteens are invariably to be kept shut, on Sundays, and holy days during the performance of Divine Service.

20th—No credit is ever to be given at any Canteen, but all articles must be paid for on delivery.

21st—The price of every article for sale at the Canteen, shall be fixed by order of the Commanding Officer, and a list of prices in large characters, signed by his order, is to be hung up, in a conspicuous part of the Canteen, for general information.

22d—Canteens are to be considered exclusively for the use of the Soldiers of the Regiment, to which the Canteen is attached, and no Soldiers of other Regiments are to be permitted to enter, without a regular pass; but at all Stations, where European Detachments may be doing duty, and which from their limited numbers, cannot have a Canteen to themselves, the Officer Commanding will make such arrangements with the Corps to which the Canteen belongs, as he may consider most judicious, and best adopted to ensure the Non-Commissioned Rank and File of such Detachments a due and fair participation in the comforts and advantages of the Canteen.

23d—The issue of daily Drams to European Troops will be continued at the fixed rates, but Commanding Officers will be careful to exclude from that indulgence, (for such periods as they may think proper,) all Soldiers who may abuse it by selling or bartering their Drams.

24th—Men confined to the Guard or Conjee house, or such others as Commanding Officers may, as a punishment, exclude from the daily Indents for Arrack, are not to be allowed, during such period, to receive any supplies from the Canteen.

25th—Care must be taken, that the daily Indents for Arrack, include *only* such Men as will make a proper use of it, and Men who may desire *half allowance* from any cause, will be included accordingly.

26th—No Individual who may appear to be intoxicated, is to be permitted to remain longer in a Canteen; and all persons attending a Canteen, are to be cleanly dressed, either in Regimentals or fatigue dress as may be established Regimentally.

27th—Gambling

27th—Gambling is to be strictly prohibited, in every Canteen, but playing and every kind of amusement, consistent with good order and decorum, is to be encouraged as much as possible.

28th—The opening and shutting of a Canteen is to be regularly reported to the Captain or Subaltern of the Day, who will frequently visit the Canteen during their tours of duty, and report to Commanding Officers respectively.

29th—Commanding Officers will establish the most vigilant system of controul over the Canteens, and those entrusted with the accounts, to prevent all unauthorized profit, or advantage.

30th—Canteen Serjeants are to be held responsible, that the greatest attention be observed as well to neatness and cleanliness in the apartments of the Canteen, as in the furniture and utensils of it.

31st—No Canteen Serjeant is to be permitted to hold any other situation, either Regimentally or otherwise.

32d—Canteen Serjeants on particular occasions, and under the authority of Commanding Officers, may furnish Dinners and Suppers at the Canteen; and the charges made on this account will be regulated upon principles of economy, and moderate profit, approved of by the Commanding Officer.

33d—Canteens shall be open to all regular and good Soldiers, but the comfort and accommodation of them, shall be denied to, and withheld from Men of bad character, those in debt, or such as are in the habits of making away with their necessaries.

34th—No Man on duty, is ever, on any account to be permitted to enter a Canteen, unless in the execution of his duty, nor is he to be allowed to receive any thing from it.

35th—The establishment of Canteens being made, with a view to the comfort, recreation and health of the European Troops, it is expected that every exertion will be made to ensure regularity, and a good internal economy in their management. Frequent personal inspections, and a vigilant superintendence by those who may be entrusted with it, can alone ensure these important objects.

The foregoing Regulations are considered sufficiently comprehensive for the general conduct of the Canteen Establishment, but Commanding Officers are authorized, to frame such further Regulations, as, from time, and experience, they may find advisable, to ensure order, regularity and decency of conduct; they will appoint such Visiting Officers, and Guards as may appear necessary, and prescribe such rules for the behaviour

behaviour of Men frequenting the Canteens, as well as for excluding such, as are unworthy from irregularity, and disorderly habits, as may be found useful and judicious.

The general superintendence, and watchful interest of Officers in Command of Divisions, and Stations, will greatly contribute to the fulfilment of objects so very desirable; and it may reasonably be expected, (indeed it can hardly be doubted,) that a wise and careful application of the Funds, procuring for the Soldier every rational comfort, recreation, and amusement, cannot fail of effectually checking, and finally eradicating a vicious propensity to excess, and shameful debauchery by employing the Soldier, and affording the well disposed, an opportunity of spending their leisure hours with pleasure and advantage to themselves.

The Soldiers will be gradually weaned, from fatal intemperance and inclination to vice, and those awful examples of punishment, the certain consequence of Crimes, which but too often arise from the effects of degrading intoxication, will no longer exist, nor tarnish the moral character and virtues of the European Army on this Establishment.

36th—The situations for the Buildings to be erected for Canteens, will be fixed upon without delay by Officers Commanding Divisions and Stations, in communication with, and under instructions from the Quarter Master General of the Army.

By order of the Right Honorable the Governor in Council.

G. O. By Government.

The Right Honorable the Governor in Council, finding that notwithstanding the G. O. of the 20th February 1800 and 10th August 1805, claims of very long standing, continue to be preferred against the Public by Native Soldiers and their families, which if brought forward in proper time might have been ascertained with certainty, and adjusted without difficulty, but at this distant period can only be investigated at much labour, and determined upon on doubtful grounds; is pleased to direct, that all claims originating more than three years ago, for arrears of any description, for compensation for short issues of Provisions to the Native Troops employed in the Eastern Islands, or for any other demand whatever, shall be rejected if not preferred to the proper authorities before the 15th May next, and that in future no such claims shall

shall be admitted if brought forward later than three years after their existence.

This Order is not intended to interfere with those of the 30th November 1812, and 11th October 1814, which have already limited the periods within which claims to Prize Money, and to Pensions on the part of Heirs of Native Soldiers killed in action, or deceased on Foreign Service, will be received.

The Commander in Chief is requested to direct that the provisions of this Order be fully explained to every Native Corps on the Establishment.

By order of the Right Honorable the Governor in Council.

G. O. BY GOVERNMENT.

His Excellency The Commander in Chief having laid before the Government an Extract of a Letter, dated the 3d of August 1814, from the President of the General Court Martial, which had assembled in Fort St. George for the Trial of Major Sir Charles Burdett, Bart. of His Majesty's 56th Foot, wherein serious inefficiency and misconduct were imputed to the Commissariat attached to the Field Force lately serving under the Command of Lieutenant Colonel Dalyse in the Southern Mahratta Country;—it was determined, on His Excellency's recommendation, that the subject should undergo the fullest investigation. The Commander in Chief was accordingly requested to order a Committee of Officers to assemble for that purpose; and further to direct specific and precise charges to be prepared from the record of the Proceedings of the Court Martial, comprising the whole of the matters and circumstances, that were to form the subject of enquiry before them.

PRESIDENT.
Lieutenant General Pater.
MEMBERS.
Lieutenant Colonel Everard, H. M. 34th Regt.
Major Fraser, H. M. Royal Scots.
Major Munro, Rifle Corps.
Capt. M'Leod, Deputy Quarter Master General Hyderabad Subsidiary Force; afterwards relieved by Captain Rudyard, Horse Artillery.

A Committee, consisting of the Officers named in the margin, was appointed by the Commander in Chief; and they were instructed by His Excellency to proceed to the examination of the following points.

1st—"Whether the Meat issued to the European Troops composing the said Force, was at all times such as was wholesome and fit for the subsistence of Soldiers.

2d—"Whether the Meat, particularly the Mutton, was of equal, superior or inferior quality, to what has, in the general course of Service, been issued to the European Troops under this Presidency.

3d—"Whether the animal Provisions issued to the European Troops were, on any occasion during the said service, of a quality which could have conduced to the sickness and mortality which prevailed in His Majesty's 56th Regiment.

4th—"Whether

4th—" Whether the Force was in a country generally favorable for the supply of Mutton, whether it afforded ample supplies of that article without drawing them from a distance; and, if the supplies were exceptionable, whether the Commissariat adopted effectual means of procuring the best supplies of Meat the country afforded.

5th—" Whether the Meat retailed in the Bazars, was procured in the country through which the Force moved; and whether Sheep sufficient for the daily supply of the European Troops were procurable from the Villages or in the Camp Bazars.

6th—" If the Meat issued to the Europeans be considered as wholesome and fit for the Troops, to what cause is the sickness and mortality amongst the Men of His Majesty's 56th Regiment to be ascribed? and to what extent did sickness prevail in the Detachment of His Majesty's 25th Dragoons, the Artillery, and the Detachment of the Royal Regiment, comparatively with His Majesty's 56th Regiment.

7th—" Are the complaints of the Men of His Majesty's 56th Regiment of the bad quality of the Meat, to be ascribed to any want of attention or unwillingness on the part of the Commissariat Officers to furnish to that Corps, Meat of as good a quality as was supplied to the other European Troops; or what circumstances may, in the opinion of the Committee, have originated those complaints.

8th—" Whether the sale of Country Arrack and Spirituous Liquors was regulated according to the usages of the Service, and whether the usual restrictions were duly preserved and enforced as far as depended on the Commissariat; and if proper and effectual means were adopted, to prevent the sale of Arrack, &c. to the European Troops.

9th—" Whether the Police Establishment in Camp was properly conducted and calculated, as far as rested with the Commissariat, to prevent the introduction and sale of Pariah Arrack to the European Troops; and if so, to what cause is to be ascribed, the facility with which it was obtained by the Soldiers."

The Committee, after the most minute investigation, delivered in their Proceedings; which concluded with their opinion on the several points referred for their consideration, as follows:—

" The Court having maturely considered the Evidence and Documents before them, are of opinion as follows:

1st—" That the Beef issued to the European Troops composing the Force lately serving in the Southern Mahratta Country

Country under the Command of Lieutenant Colonel Dowse, was at all times good; and that the Mutton was wholesome, and altho' generally lean, fit to be issued to Soldiers, considering the circumstances under which the Force was situated.

2d—It appears from the testimony of Officers, who have been on Field Service on former occasions in this Country, that the Mutton was of equal quality to what has been hitherto issued to European Troops under this Presidency when similarly situated; nevertheless, the Court are not surprized that the Mutton should have been considered of an inferior quality by a Corps never before on Field Service in this country.

3d—That the animal Provisions issued to the European Troops were, on no occasion during the Service, of a quality which could have conduced to the sickness and mortality which prevailed in His Majesty's 56th Regiment.

4th—That the Force was not in a country favourable for the supply of Mutton, that it did not afford ample supplies of that article without drawing it from a distance, and that the Commissariat Officer used every means in his power to furnish to the Troops the best Mutton to be procured.

5th—That a small proportion of the Mutton retailed in the Bazar of the Camp, might have been procured in the country through which the Force moved; but that a sufficient supply of Sheep for the daily issue to the European Troops, could not be procured either in the Villages or Camp Bazar.

6th—That the sickness and mortality which prevailed in His Majesty's 56th Regiment, is to be ascribed to the following causes, as stated by the Medical Officers who have given evidence.

The immoderate use of Spirits. The difference between Garrison and Field duty, and exposure to vicissitude of climate.

To a large proportion of Recruits having joined the Regiment just previous to its march.

To the Men not reporting themselves when taken ill.

To the very wet weather at first marching, and many of the Men being inflicted with venereal complaints.

To the loss of a great part of the Men's baggage and bedding by the failure of a private Bullock Contractor.

The comparative sickness in the different European Corps in Camp, between October 1812 and March 1813, is detailed in a table furnished by Mr. Fallowfield, Staff Surgeon to the Force, in sheet No. 17 of the Proceedings; and of the whole of the European Troops, including the Royal Regiment, in

Nos.

Nos. 7 and 8 of Appendix received from the Medical Board.

7th—It does not appear to the Court that there was any want of attention or any unwillingness on the part of the Commissariat Officer to furnish to the 56th Regiment, Meat of as good a quality as was furnished to the rest of the Troops; or that there was any preference shewn.

8th—That the sale of Country Arrack and Spirituous Liquors was regulated according to the usage of the Service, and that the usual restrictions were duly enforced and observed as far as depended on the Commissariat Officer; but that all his exertions were ineffectual to prevent the introduction of Arrack into Camp.

9th—That the establishment of 1 Choudry and 12 Dundias employed in the Bazar under the Commissariat Officer, was properly conducted as far as rested with him to prevent the sale and introduction of Arrack; and that the facility with which it was obtained by the Soldiers, is to be ascribed to the great abundance manufactured in the Country, and to the quantity smuggled into Camp, notwithstanding all exertions to prevent it.

In laying their Proceedings before the Government, The Commander in Chief has expressed his sentiments on the subject in the following terms.

"To the CHIEF SECRETARY to GOVERNMENT,
FORT ST. GEORGE.

SIR,

In obedience to the orders of Government contained in their Minutes of Council under date the 16th August 1814, His Excellency the Commander in Chief assembled a Committee for the purpose of enquiring into the alleged abuses in the Commissariat Department with the Field Force lately serving in the Southern Mahratta Country, as set forth in an Extract of a Letter from Major General Hare, President of the General Court Martial assembled for the Trial of Major Sir Charles Burdett of His Majesty's 56th Regiment; and the Proceedings of

of which Committee I have now, by desire of His Excellency, the honor to forward, for the purpose of their being laid before the Right Honorable the Governor in Council.

In forwarding these Proceedings, The Commander in Chief has desired me to remark, that in framing the instructions for the guidance of the Committee, it will be observed, that the investigation was not confined to any specific accusation of neglect or abuse; but on the contrary, that it embraced a most minute and severe scrutiny into the conduct of the Department of the Commissariat under the immediate charge of Deputy Assistant Commissary General J. Stewart; and as the Committee, which was composed of experienced Officers of both His Majesty's and the Honorable Company's Service, have executed the duty confided to them, with great zeal, labour, and impartiality, the result will prove the more satisfactory to Government, and honorable to Captain Stewart; more particularly when it is remembered, that their opinions are founded on the evidence of respectable and experienced Officers, many of whom had not before been examined, and those who were, had been but partially so; although Officers must at all times be more dispassionate judges of abuses in a Provision or Police Department than the Private Soldiers, & the Commander in Chief on these grounds, as well as for the reasons stated in the Letter of Instructions to the Committee, thought proper to notify his opinion, that the examination of Privates should be as limited as possible.

After an attentive perusal of the Proceedings, The Commander in Chief is fully satisfied, that the Commissariat Department under Captain Stewart, was conducted with great ability, zeal and attention to the interests of the Public Service; that the arrangements made by that Officer were well calculated to ensure the issue of good and wholesome Provisions; and there does not exist a doubt on His Excellency's mind, that the Meat was in every respect such as, under all the circumstances of the Campaign, was the best procurable.

The testimony of the Medical Gentlemen, as well as their reports at the period in question, copies of which accompany the Proceedings, are so decisive of the causes which led to the very great sickness and mortality in His Majesty's 56th Regiment, that the Commander in Chief does not find it necessary to touch upon this point further, than to observe, that there is not the slightest grounds to imagine, that the sickness could be attributed, in the most remote degree, to the quality or quantity of the Provisions issued to the Troops.

Ca

On reference to the Proceedings it will be observed, that the Committee have carefully investigated every circumstance connected with the sale of Arrack, and as the facility with which it was procured by the Europeans forms one of the principal points to which the attention of the Committee was directed, The Commander in Chief considers it due to Captain Stewart to state, that every preventive arrangement was adopted that depended on that Officer; and His Excellency, adverting to the nature of the country through which the Force under Lieutenant Colonel Dowse moved, to the vicinity of the Mysore Camp, over which no efficient control could be exercised, is of opinion, that it was not practicable for the Public Authorities effectually to guard against the sale of Arrack to the Europeans beyond the limits of the Camp; and experience proves, that the only preventative against the intemperate use of Spirituous Liquors in Camp, is by restraining the Men from straggling beyond a reasonable distance from their Tents—a duty solely dependent on their Officers.

In conclusion, I have the honor to express the sentiments of His Excellency the Commander in Chief, that there has not appeared a single fact, which can in the least weaken the strong claim of Captain Stewart to the fullest confidence and approbation of Government; and Lieutenant General Sir Thomas Hislop derives much satisfaction in being enabled to record on the result of this investigation, that the Commissariat Department was conducted with the greatest zeal, intelligence and advantage to the public interests; and that there did not exist any just cause of complaint against either the system or its efficiency. I have the honor to be,

THE CHAIRMAN AND DEPUTY CHAIRMAN

GENTLEMEN,

I have to acquaint you, that the Speaker has transmitted to me the unanimous vote of Thanks of the Honourable House of Commons, to the Officers, Non-Commissioned Officers, and Men employed in His Majesty's and the Honourable East India Company's Service, for the meritorious and eminent services they have rendered their King and Country during the course of the war; and although I have transmitted these Thanks to the Earl of Moira, for the purpose of being made known to all the Troops under his Command, yet it appears to me Expedient that you should also be put in possession of the Resolutions of the House, (a Copy of which I herewith enclose) in order that they may be communicated to the several descriptions of Troops in the Service of the Company.

It is with peculiar satisfaction that I avail myself of this opportunity to express through the channel of the Court of Directors, the high sense I entertain of the universal good conduct displayed by the Company's European and Native

Troops during the course of the arduous services upon which they have been employed.

G. O. BY GOVERNMENT.

Lieutenant Fireworker M'Kenzie of the 1st Battalion of Artillery, and Lieutenant James Michael of the 19th Native Regiment, whose proficiency in Hindoostanee was announced in General Orders dated the 23d April 1813, and 18th March 1814, to have entitled them to the usual honorary reward for the acquirement of that language; having on their recent examination in Persian acquitted themselves to the satisfaction of the Committee, who report as follows:

The translations of Mr. M'Kenzie were both free from any error, and his Persian version was distinguished by a very full and happy command of the peculiar phraseology of that language; his attainment, indeed, appeared to us very much above the common standard, and his translations might be considered as not only accurate, but extremely elegant; he converses with fluency, although his pronunciation is not entirely correct.

The attainment of Lieutenant Michael, although of an order much inferior to those of the above named Candidate, are nevertheless such as to enable us upon the whole to say, that he comes within the standard for the usual reward.

The Right Honorable the Governor in Council has much pleasure in conferring upon each of those Officers the additional distinction established by the General Order of 17th November 1812.

The Committee have also, in their examination of Mr. Assistant Surgeon Aitkins in the Hindoostanee language, expressed their satisfaction in being able to bear testimony to the very able and masterly stile of his versions; adding, although the pronunciation of Mr. Aitkins left us something to

to desire in that respect, it is nevertheless superior to that of many of the former Candidates: and the Governor in Council is pleased to direct that the usual reward for the attainment of the Hindoostanee language be presented to that Officer.

By order of the Right Honorable the Governor in Council,

As Ensigns of Infantry Regiments are posted to Corps according to their standing in the Lists received from the Honorable the Court of Directors, and every advantage allowed to Seniority when so posted, The Right Honorable the Governor in Council does not consider it advisable to cause any removals of those Ranks of Subaltern Officers, they having already received the benefit of their relative situation with each other; nor does he consider it necessary to alter the dates of their Commissions as Ensigns for the above reason.

The Pay and Allowances drawn by the Officers whose [illegible]ions are now cancelled, in the Rank to which they had been promoted in succession to those resigned, &c. are not to be refunded, but to be continued to them until the date of this Order cancelling such Promotions.

By order of the Right Honorable the Governor in Council.

FORT ST. GEORGE, 14*th February* 1815.

G. O. BY GOVERNMENT.

The Right Honorable the Governor in Council is pleased to direct, that it be considered a general rule of the Service, that all European and Native Commissioned, Non-Commissioned, Rank and File and Public Followers, proceeding on Foreign Service, shall be authorized to issue Family Certificates, and that the amount of such Family Certificates with exception to those of European Commissioned Officers, shall be paid without reference to Casualties, until the return of the Individuals to their respective Corps, Detachments, &c. to the Coast. This Regulation to have retrospect to the 1st August 1814 (being the date of the commencement of the Office of Superintendent of Family Payments), in order to facilitate the adjustment of the accounts in that Department.

2.—The payments which may take place on the Family Certificates of European Commissioned Officers, who may die or be killed on Service, between the period of their decease and that of the receipt of the notification of the Casualty, shall be considered as public charges.

3.—Doubts having arisen whether the duties connected with Family Certificates should attach to Adjutants of His Majesty's Regiments under the 4th Paragraph of the General Order dated 22d July 1814, it is directed that the above duties shall attach in all cases, as heretofore, to Regimental Paymasters of His Majesty's Service, who will accordingly be held equally answerable in future for paying the prescribed amount of stoppages on account of Family Certificates into the hands of

of the Field or Expedition Pay Masters at the regulated periods, as they have hitherto been.

4.—The Family Certificates of His Majesty's Troops are to be made payable at the same periods as those of the Honorable Company's Troops, and the stoppages corresponding therewith to be paid in like manner to the Field or Expedition Paymasters, without reference to the subsistence of His Majesty's Troops being issued at an earlier date than their Company's allowances; in other respects the General Regulations regarding Family Payments are to be considered equally applicable to His Majesty's as to the Honorable Company's Troops.

5.—The 11th Para. of the General Order of the 4th October last, on the subject of Family Payments, not having been sufficiently understood; The Right Honorable the Governor in Council is pleased to order, that Adjutants of Corps, Commanding Officers of Detachments to which no Adjutants are attached, and Heads of Departments permitted to issue Family Certificates, shall be held responsible for realizing from the pay, and bringing to account, stoppages corresponding with the amount of the Family Certificates granted by all Detachments, Guards or Individuals absent from their Head Quarters, otherwise than on Foreign Service, and shall include the same in their monthly statements to the Superintendent;—To give effect to this system, the following Regulations are established.

6.—No Party of whatever strength, or Individuals whether [illegible] within or proceeding beyond the same range of pa[illegible] shall be allowed to quit the Head Quarters of a Corps, Detachment or Department, permitted to leave Family Certificates (unless they continue under the Regiment[illegible] Command of their own European Officers as hereafter provided for) without being furnished with a Pay Certificate, which shall express whether or not they grant Family Certificates, and have affixed on the back, a Roll in the established form, of every such Certificate which may be issued by any of the Parties.

7.—Staff or other Officers drawing the pay of Detachments, Guards, or Individuals so situated, shall deduct from their Abstracts the Family Stoppages pointed out by their Pay Certificates, and shall obtain from the Paymaster a receipt for the amount in the annexed form, as well as a Copy of the same attested by him, (duplicates being objectionable) both which they will forward to the Corps, Detachment or Department, to which the Men belong, by the two succeeding Tappals, from whence the latter Copy will be transmitted to

the

the Superintendent with the receipts for the remaining stoppages of the month from the Rolls, which must be detained for the time necessary for this purpose.

8.—These Officers will further be responsible for continuing in every subsequent Pay Certificate issued to such Absentees, the required Rolls of their Family Certificates, as a guide to those who may next pay them.

9.—European Officers temporarily absent from their Corps, &c. within the limits of the Presidency, sick, on leave, or otherwise, will be individually responsible to pay into the Pay Office the amount of any Family Certificates granted by them, and to transmit to their Head Quarters the monthly receipts described in the 6th Paragraph.

10.—European Officers absent from their Corps beyond the limits of this Presidency, except on duty as hereafter provided for, will not be permitted to leave Family Certificates.

11.—Pay Certificates to Parties or Individuals not passing from under Regimental Command but marching in charge of an European Officer of their own Corps, Detachment, or Department, are not required to contain any information respecting their Family Payments, as such European Officers will be furnished by the Adjutant or proper Person at Head Quarters, with Rolls of the Certificates granted by the Men proceeding under their command, and will be held responsible for the regular transmission to him of monthly receipts for corresponding stoppages, as laid down in the 6th Paragraph, as also for corresponding with, and conforming to the Instructions received from him on the subject of Family Pay.

12.—In the event of European Officers so detached being removed from or relinquishing the charge of all, or any of the Men in command of whom they quitted their Corps, it will be their duty should they pass under the charge of another Officer of the same Corps, to give him every necessary information and document relative to Family Payments and if otherwise, to grant Pay Certificates of the description specified in the 5th Para.—reporting in all such cases, to their Head Quarters, the steps taken.

13.—In the event of Casualties occurring amongst Absentees from their Head Quarters, Casualty Rolls of their Family Certificates are to be forwarded by the Staff or other Officers, whose duty it may be, as well to the Corps, Detachment or Department to which they belong, as to the Superintendent, and to the Stations where their Certificates are payable. These Officers will likewise note the Casualty in the Roll on the back of their Pay Certificates.

14.—Detache

14.—Detachments or Individuals proceeding on Foreign Service will, from the date of their embarkation, be struck off the Rolls of Family Certificates with their Corps, &c. and from that period will be considered as a separate Body, their immediate Commanding Officer, or Adjutant, should one be appointed, being responsible for the recovery of their Family Stoppages, and for the regular transmission direct to the Superintendent of monthly receipts for the same. European Officers on Foreign Service who are not attached to any particular Corps, Detachment, &c. will individually be similarly responsible.

15.—The rules laid down in these Regulations respecting Absentees from the Head Quarters of Corps, &c. in India, will be equally applicable to Absentees from the Head Quarters of Corps and Detachments on Foreign Service, where circumstances will possibly admit of it.

16.—In all cases of authority being given for the issue of Family Certificates by detached parts of Corps or Departments proceeding on Service, the Officer who is to draw their pay and to become responsible for the recovery of corresponding stoppages, is the Person who shall grant their Certificates and forward to the Superintendent the requisite Rolls; and in the event of the transfer of Men from any Corps or Department to another, information of their Family payments, is to be duly communicated, and they are to be made casualties of with the one and added to the Roll of the other, both reporting the change to the Superintendent.

17.—No European Officer is permitted to grant more than two Family Certificates, and Non-Commissioned, Private or Public Followers, whether European or Native, more than one; and all Family Certificates must be in the names of the Persons who grant them.

18.—All Certificates granted by Individuals are to be included in the General Rolls of the Corps or Departments to which they respectively belong; separate Rolls will not be received from any Individuals who can be so classed.

GT. O. BY GOVERNMENT.

The Committee for the examination of Military Students having proceeded to the examination of Lieutenants Willock, and Hockley, of the Artillery, in the Persian, and of Lieutenant Bonnette of the 7th Native Regiment, in the Hindoostanee Language,—report with regard to the two former Officers, as follows:

"From the distinction which Lieutenant Willock had "acquired on his former examination, in the Hindoostanee "Language, we were led to hope that he would have been "equally successful in his Persian studies; but we are only "enabled to say that his versions afforded a very fair speci- "men of his attainments, being neither distinguished by any "particular excellence, nor defect. This inferiority to his "former examination is ascribable to the interruptions which "his studies have received from the weak state of his health, "and his regimental duties as staff to the 2d Battalion of "Artillery."

"The Persian version of Lieutenant Hockley was executed "with great precision and elegance. His English translation "of two Persian letters, altho' not executed with equal "precision, preserves, however, the general sense of the "writing. His conversation in Persian displayed a ready "command of the language;" and they add

"Lieutenant Bonnette's attainments in Hindoostanee do "not reach above mediocrity, but are such as, in our opini- "on, to render him entitled to the usual reward; which we "accordingly beg leave to recommend for him and the two "other Candidates."

The Right Honorable the Governor in Council is pleased to direct, that the usual reward for the attainment of the Hindoostanee Language, be presented to the latter Officer, and that the additional distinction, established by the General Order of 17th November 1813, for proficiency in the Persian Language, be granted to Lieutenant Willock, and to Lieutenant Hockley.

CHARGE.—Private Walter Scoby, of Captain Ross's Company, 1st Battalion H. M. 34th Regiment, charged with having deserted from a Detachment of the Regiment stationed at the Depôt at Poonamallee, on or about the 2d August 1814, and not returning till brought back a Prisoner on or about the 4th November 1814.

(Signed) T. H. S. CONWAY,
Adjutant General of the Army.

SENTENCE.—The Court is of opinion that the Prisoner is guilty of the Crime laid to his charge, which being in breach of the 1st Article 6th Section of the Articles of War, it doth therefore adjudge him, the said Walter Scoby Private in H. (Signed) J. WELSH, Lieut. Colonel
and Deputy Judge Advocate.

APPROVED AND CONFIRMED.
(Signed) T. HISLOP,
Lieutenant General.

At the particular recommendation of the Court and in consideration of the former good conduct of the Prisoners Privates Gray and Scoby of H. M. 34th Regiment, as well as their long confinement, the Commander in Chief is pleased to remit the punishment awarded them, and to direct their release from confinement and return to their duty.

It is evident, that these young Soldiers had no intention of deserting their Colours, but that they were led to quit their quarters, by the fatal effects of drunkenness, a crime which has hitherto been disgracefully prevalent in this Army, and to which so many Soldiers owe the disgrace of public punishment and the loss of health as well as character. The Commander in Chief however trusts, that the liberal institution of Regimental Canteens, which provide so amply for the comfort and recreation of the European Soldiery, will put an end to this shameful practice; and that the painful duty of inflicting disgrace & corporal punishment, will become less frequent, when the experience of rational enjoyment in the society of their Comrades and the disposal

of

of their money in wholesome drink and manly games shall convince the Soldiers of the advantages of orderly conduct, steadiness and good character.

This Order to be read at the Head of every European Regiment and Detachment.

Ensign W. Langford *to do duty* until further orders, with the 2d Battalion 12th Regiment N. Infantry.

Private John Degrayter is promoted to Serjeant and appointed Serjeant Major to the 1st Battalion 2d Regiment Native Infantry.

Head Quarters of the Army: Camp Turmanoor, 24th March 1815.

G. O. BY THE COMMANDER IN CHIEF.

Lieutenant Jones of the 1st Battalion 16th Regiment or Trichinopoly Light Infantry, has obtained leave to proceed to the Sea Coast for the recovery of his health.

Ensign Gibb of the 1st Battalion 12th Regiment or Wallajahbad Light Infantry, has permission to proceed to Bellary on sick certificate.

The appointment by Colonel Bowness Commanding at Masulipatam, of Corporal Dogherty of His Majesty's 86th Regiment, *to act* as Serjeant Major of that Garrison from 23d February, and the appointment by Captain Frith Commanding a Detachment of Artillery, of Serjeant Yaul to act as Sub-Conductor and Corporals Dod and Pidgeon as Park Serjeants, from the 15th February to the date of the arrival of the Field Train with the Army, are confirmed.

Head Quarters of the Army: Camp Attayamoodrum, 25th March 1815.

G. O. BY THE COMMANDER IN CHIEF.

Extract from the confirmed Proceedings of a General Court Martial held at Secunderabad on Monday the 27th day of February 1815, and continued by adjournments until the 6th day of March 1815, and of which Lieutenant Colonel Boardman of the 8th Regiment Native Infantry, is President.

Lieutenant William Thompson 2d Battalion 24th Regiment Native Infantry, placed in arrest by me, on the following Charges.

1st.—For un-officer and un-gentleman-like conduct in having degraded himself by forwarding to me a Memorandum, regarding the tearing of a Public Letter which was circulating amongst the Officers of the Corps, knowing at the same time that what he mentioned therein was false. 2d—For

2d—In making use of highly indecorous and improper language to me his immediate Commanding Officer, on the evening of the 16th of September 1814, by telling me, that my conduct regarding the tearing of the Public Letter mentioned in the 1st Charge, was shabby and infamous, and that I might take it as I liked, thereby attempting to subvert all good order and military discipline.

SECUNDARABAD, 16th September 1814. (Signed) JOHN EWING, Lieut. and Adjt. 2d Bat. 24th Regt. S. C. in Charge.

BY ORDER,
(Signed) T. H. S. CONWAY,
Adjutant General of the Army.

SENTENCE.—The Court finds the Prisoner Lieutenant William Thompson 2d Battalion 24th Regiment, "not "guilty" of the 1st Charge preferred against him, and do therefore fully and honorably acquit him of the same.—But the Court finds the Prisoner guilty of the 2d Charge as preferred against him, and the same being to the prejudice of good order and military discipline, do by virtue of the Articles of War for the better government of the Honorable Company's Forces, adjudge the Prisoner Lieutenant William Thompson, to be suspended from rank and pay for three calendar months, from the date of the confirmation of this sentence by His Excellency the Commander in Chief.

(Signed) E. BOARDMAN, LIEUT. COL.
2d Bat. 8th Regt. President.

(Signed) T. WREN,
Deputy Judge Advocate.

APPROVED AND CONFIRMED.
(Signed) T. HISLOP,
Lieutenant General.

The Commander in Chief remits the punishment.

In remitting the punishment awarded Lieutenant Thompson, which the Commander in Chief is only influenced to do, in deference to the recommendation of the Court; His Excellency feels it his duty to express his opinion, that the highly insubordinate and contumacious conduct of Lieutenant Thompson, as set forth in the 2d Charge, would have justified a severer sentence, and that had the Court cashiered that Officer, such sentence would not have been more than an appropriate example of the consequence which should result to those, who forget, on any occasion, the distinction between the Commanding and Subordinate

Subordinate Officer. The principle can never be admitted, that the feelings may be overcome by the conduct which a Superior may have adopted. Such excuse is no palliation; but, on the contrary, an admission of the existence of that spirit of insubordination, which, in the present instance, has hurried Lieutenant Thompson into the situation in which he now appears to his Brother Officers.

By the Officers of the Army at large, the Commander in Chief feels confident that these sentiments are known and acted upon; & every rank must be aware, that neither their feelings nor their honor can be injured with impunity. The feelings of an Officer and a Gentleman, and the honor of a Soldier, will never be disregarded by the Superior Officers of the Army; and when redress is to be sought, the mode and channel are clearly defined; in seeking it, the respect due by a Junior to his Superior Officer can never be permitted to be forgotten.

Lieutenant Thompson of the 2d Battalion 24th Regiment, is released from arrest and will return to his duty.

Head Quarters of the Army: Camp Bellary, 27th March 1815.

G. O. BY THE COMMANDER IN CHIEF.

Private Soldier Samuel Davis is promoted to Serjeant and appointed Serjeant Major to the 2d Battalion 8th Regiment Native Infantry.

Head Quarters of the Army: Camp Bellary, 28th March 1815.

G. O. BY THE COMMANDER IN CHIEF.

The Commander in Chief was highly gratified by the military appearance and correct performance of the Bellary Brigade this morning in the Field.

The steadiness of the Troops and correctness of the Officers proves, that great care and attention has been given to preserve discipline, and the Commander in Chief requests that Colonel Martin will receive his acknowledgments for the highly respectable state of his Brigade, reflecting credit alike on himself, and the Commanding Officers of Corps under his orders.

The following Extracts from the further confirmed Proceedings of a Native General Court Martial held in Camp at Ellickpoor on the 20th January, and continued by adjournments until the 4th day of March 1815, by virtue of a Warrant from Colonel John Doveton Commanding the Hyderabad

Hyderabad Subsidiary Force, under authority from His Excellency Lieutenant General Sir Thomas Hislop, Bart. Commander in Chief, and of which Subadar Moymodeen 1st Battalion 24th Regiment, is President, are published to the Army.

Approved

Approved and Confirmed, but execution suspended until the pleasure of His Royal Highness The Prince Regent shall be known.

(Signed) T. HISLOP,
Lieutenant General.

The Commander in Chief having determined, to suspend, until the pleasure of His Royal Highness The Prince Regent, in the name and on the behalf of His Majesty, shall be known, the Sentence of Death awarded to *Owen Haslem*, Private of H. M. 84th Regiment, with a view to obtain the Royal Mercy on the condition of the Prisoner's being transported for life; His Excellency feels bound to declare to the Army, the motives which have influenced him, to adopt a measure of such lenity towards a Prisoner, whose life has been so justly forfeited, and whose immediate execution would be but a just and proper example of the fatal consequences which must inevitably result to any Individual who may hereafter be guilty of a Crime of such enormity.

The present, being however, the first instance of a capital punishment being awarded to any Soldier of this Army, since Sir Thomas Hislop has had the honor to Command it, His Excellency is led to hope, that an act of mercy, being extended as far as the powers vested in him by his Sovereign will admit, may not be productive of evil consequences, and, that the private feelings of humanity will not be embittered by any future reflection, that an act so grateful to his mind, has failed in producing those beneficial effects, which he has a right to look for, in Soldiers of an Army composed of British Subjects, whose sense of gratitude and duty it is meant to awaken.

The Commander in Chief, having so recently assumed the immediate Command of the Army of Reserve, and feeling as he does, that its exemplary efficiency, steadiness, order, and subordination, can only be the result of a regular and well supported system of discipline, is naturally indisposed, to mark the commencement of it's operations, by an act, which, as an example, he feels disposed to assure himself, is not indispensably required, and he feels confident, that it will not only gratify the Soldiery, but stimulate them to persevere in orderly and subordinate habits, when they reflect that to their conduct and character, the Prisoner *Haslem*, however unworthy of being classed with them as a brother Soldier, yet, as a fellow-creature, is indebted for his life, which, but for the confidence, the Commander in Chief feels that example is not indispensably required, must have been forfeited.

The Commander in Chief has now taken a great responsibility

bility upon himself, but his gratification would have been more complete, could he have discovered any palliating circumstances in the Prisoner's conduct, or found his character less marked and disgraceful than it is.

The punishment of being banished for life from his country, his relatives and friends, is in itself little less than the termination of existence to a Man who possesses either the feelings or reflection of a Briton, and if example be wanting to deter other Soldiers from acts of mutiny and insubordination, an ample lesson may be read in the instance now before them, where the Prisoner's life has cost him his liberty, and the extinction of all hope of ever again being cherished in the bosom of his family.

The Prisoner *Owen Haslem* will be immediately forwarded to the Depôt at Poonamallee, under a Guard, where he will be confined until further orders are issued regarding him.

CAMP AT SAGOOR, 22*d April* 1815.

For conduct highly irregular and unbecoming the character of an Officer and a Gentleman, having repeatedly and loudly, in the presence and hearing of Ensign Clansy and many Officers of the Royal Scots, said that his, viz. (Ensign Clansy's) conduct was tyrannical and ungentlemanly, and to take it in what manner he pleased, or words to that effect.

(Signed) N. M'KELLAR,
Lieut. Colonel, Royal Scots.

BY ORDER,
(Signed) T. H. S. CONWAY,
Adjutant General of the Army.

SENTENCE.—The Court having well considered what has been produced before it in the course of the prosecution, and the evidence in support of the same, as well as what the Prisoner has urged in his defence, finds the Prisoner (Ensign Joseph Crowther H. M. Royal Scots,) *guilty* of irregular and unofficer-like conduct, but acquits him of every other part of the Charge exhibited against him.

The Court having found the Prisoner guilty in the above instance,

instance, does therefore sentence him (the Prisoner) to be reprimanded in such manner as His Excellency the Commander in Chief may be pleased to direct.

(Signed) J. NIXON, Dep. Judge Advocate of the Army.

(Signed) N. M'LEOD, Lieut. Col. Royal Scots, President.

APPROVED AND CONFIRMED.

2d. With

2d. With conduct subversive of military discipline, in joining in a combination with Lieutenant Beely and others (who were not Members of the Mess), for the purpose of disturbing the harmony of the Corps, by promoting and abetting each other in constant disputes on the most trivial subjects.

BY ORDER.

(Signed) T. H. S. CONWAY,
Adjutant General of the Army.

SENTENCE.—The Court having maturely considered the evidence on the part of the prosecution, as well as what the Prisoner has urged and adduced in his defence, is of the following opinion.

That the Prisoner, Lieutenant C. Newman, is not guilty of either of the Charges exhibited against him, and it doth therefore most fully and honorably acquit him of the same.

The Court is further of opinion that the Charges are malicious, frivolous and vexatious, and that the Prosecutor, Lieutenant Heude, appears to have been influenced alone by motives of private animosity in bringing them forward.

(Signed) J. WELSH, Lieut. Colonel, and Deputy Judge Advocate.

(Signed) J. SIMONS, Colonel and President.

APPROVED AND CONFIRMED

(Signed) T. HISLOP, Lieutenant General.

Lieutenant Newman is released from his arrest and will return to his duty.

BY ORDER. (Signed) T. H. S. CONWAY, *Adjt. Gen. of the Army.*

SENTENCE.—The Court finds the Prisoner guilty of the Crimes charged, which being to the prejudice of good order and military discipline, the Court does therefore, by virtue of the Article of War, sentence and adjudge the said Prisoner, Matross William Smith of Horse Artillery, to receive (600) six hundred lashes on his bare back, with a cat of nine tails, at such time and place as His Excellency the Commander in Chief may be pleased to direct.

(Signed) F. P. STEWART, Dep. Judge Advocate General. (Signed) ROSS LANG, Major General, and President.

Approved and confirmed, but punishment remitted, on account of the excellent character given of the Prisoner by his Commanding Officer, and the other Officers of his Corps, as likewise at the recommendation of the Court.

The Commander in Chief cannot however refrain from remarking, that the circumstance of the Prisoner being in liquor, when he committed the act of which he is found guilty, is an aggravation of his misconduct; and His Excellency desires that it may be understood, that so far from ever considering drunkenness as a palliation of offence, The Commander in Chief will in every instance, view it as an aggravation.

(Signed) T. HISLOP, Lieutenant General.

Surgeon Jones of the Staff, will afford Medical aid to His Majesty's 22d Regiment Light Dragoons, until further orders.

CHOULTRY PLAIN, 8TH MAY 1815.

ORDERS BY LIEUTENANT GENERAL WETHERALL.

The following Extracts from General Orders issued in Camp by the Commander in Chief, are by His Excellency's Orders published to the Army.

Head Quarters of the Army: Camp near Mustoor, Friday, 31st March 1815.

G. O. BY THE COMMANDER IN CHIEF.

His Excellency the Commander in Chief having arrived in Camp,

Camp, all Reports, Returns and Communications will be addressed to Head Quarters accordingly.

The Commander in Chief was highly gratified with the steadiness and military appearance of the Line this morning, and His Excellency feels every confidence, that its discipline, internal economy and orderly conduct, is equal to its imposing appearance.

The healthy state of the Troops reflects credit on themselves, and is a strong proof that they have not indulged in intemperance or irregularity; and the Commander in Chief will expect a continuance of that forbearance from liquor and unnecessary exposure to the climate, which are the surest means of preserving their character and constitution.

In assuming the personal Command of the Army in the Field, His Excellency Sir Thomas Hislop assures the Generals, Field Officers, Officers and Troops, that he duly appreciates the honor of Commanding them; and while his exertions will be given to their efficiency, health and comfort, in every possible way, he will expect from them a cheerful obedience and a patient and orderly conduct, particularly towards the Natives of the country, with whom in all their transactions the Troops must act with kindness, temper and forbearance.

The Commander in Chief will no longer dwell upon his expectations from the Army, supported as he is by such able and zealous General Officers and Brigadiers, commanding veteran Troops, long famed for their discipline, valour and subordination, His Excellency can have no apprehension that he shall be less fortunate than his predecessors, in acquiring a participation in the long established character of the Madras Army, should events require their services in the Field.

The Commander in Chief requests, that Major General Close will accept his acknowledgment for the very able and satisfactory manner in which he has conducted the duties of his Command, and His Excellency cannot better express his approval of all the Major General's measures, than by assuring him how much he is gratified by the military and healthy appearance, cheerfulness and orderly conduct of the Troops.

Head Quarters of the Army: Camp near Mustoor, Monday, 3d April 1815.

G. O. BY THE COMMANDER IN CHIEF.

Picquets and Outposts will invariably parade for that duty in Marching Order; the *European* and *Light Troops* in Light Marching Order. Officers

Officers Commanding will give particular attention to the important duty of having frequent Regimental and Brigade Inspections in Marching Order, not only to ensure, a proper attention to the preservation of the Arms, Accoutrements and Ammunition, but to accustom the Men to pack and [illegible] on their Packs with neatness and ease. Care must be taken to prevent their being overloaded, and to have them well put on, high upon the shoulders, with the Cloaks laying rather *above* the bend of the neck, all straps neatly turned in, so that the points may be concealed and the Cloak, &c. neatly rolled and placed on the top of the Knapsack.—The attention of Commanding Officers is requested to the Circular Letter from the Adjutant General's Office on this subject, under date 30th September 1811.

Particular attention must also be given to uniformity and correctness in fixing the Flints, as directed in the Memorandum issued in G. O. 3d March 1810.

It is also of importance that the upper tins in the Men's Pouches should be *frequently* taken out, and that the leather part of the Pouch (except the flap) should be kept well greased to prevent it's contracting and fixing the upper tin so tight as to preclude its being taken out, a consequence which may in time of need deprive the Soldier of the use of the Ammunition in the lower tin, and is therefore an object for the particular and constant attention of Officers.

The upper leather or flaps of the Men's Pouches must, to preserve them, be well cleaned with beef gall, and it is recommended to Commanding Officers to have covers made for the whole, either of the remains of old Clothing or some light Bazar Cloth.

All Buff Belts are to be kept whitened with pipe clay, as it appears from the result of experience, that washing destroys them.

The Prisoner Patrick Fearnon, will proceed with his Company as a Prisoner to it's Station, where he will be placed in solitary confinement, for four months from the date of his arrival.

On the occasion of the Army of Reserve returning into quarters, the Commander in Chief seizes the opportunity afforded him, to express the high degree of gratification he has derived, from being enabled by the assembly of so large a portion of the Madras Army, to become personally acquainted with the Officers and Troops.

The high credit and reputation of the Army had prepared Sir Thomas Hislop to expect much from it, but its efficiency and discipline have surpassed his expectations, and he confidently assures them, that he has derived every gratification which it is possible for a Commander in Chief to feel, placed at the Head of an Army from which any service may be expected, that the Government may require it to perform.

To the General Officers, Brigadiers, and Officers Commanding Corps and Detachments, the Commander in Chief feels indebted, for the zeal and harmony with which they have employed their talents and experience, and His Excellency cannot avoid remarking in terms of high commendation the orderly and steady conduct of the Troops, to whom it is honorable to record, that only one complaint has reached Head Quarters of any irregularity having been committed against the Inhabitants of the Country.

The Commander in Chief recommends to Commanding Officers to preserve the present high state of discipline and equipment of their Corps, as the reassembly of the Army at no distant period, is not improbable; and His Excellency assures himself, that the Army of Reserve will never disappoint the confidence he has in them, or the expectations they have themselves raised.

The Commander in Chief cannot conclude without the declaration of the high sense he entertains of the able and [illegible] assistance he has received from his general and personal

personal Staff in the conduct of their several departments and duties, and would feel it to be an injustice to their merits, were he not to mark their indefatigable zeal and exertions by this public expression of his entire approbation.

The various and complicated arrangements which have been so rapidly and effectually completed by the Commissariat, have attracted His Excellency's particular notice, and it is with sincere pleasure, that he feels enabled from personal observation, to bear decided testimony to the excellence of a system which under the able management of Lieutenant Colonel Morison, aided by the Officers of his department, has not only left this Army without a want, but in the full enjoyment of every supply a Soldier can expect in the Field, and with such arrangements formed as would have ensured success, had the most active operations become necessary.

The state of the Ordnance and Stores, has left the Commander in Chief nothing to wish for in that department, and he feels greatly indebted to the zeal and ability of Lieutenant Colonel Dalrymple Commissary General of Stores, and the Officers under him, for the excellent conduct of an extensive Magazine, and the general able management of so important a branch of the equipment.

The conduct of the Medical department reflects the highest credit on the professional skill, abilities and assiduous zeal of Mr. Surgeon General Boswell, Mr. Staff Surgeon Annesley, and the other Medical Officers of the Army, and the present healthy and efficient state of the Troops, and cleanliness, order, and interior economy of the hospitals, are the best proofs the Commander in Chief can produce of the unceasing and humane exertions of the Medical department, to promote the comfort and convenience of the sick committed to it's care.

Extract from the Proceedings of an European General Court Martial assembled at Cawnpore on Wednesday the twenty-first day of December 1814, by order of Major General Stafford Commanding 1st Division Field Army, in pursuance of the instructions and by virtue of a warrant under the hand and seal of His Excellency The Earl of Moira, K. G. Commander in Chief of all the Forces of India, for the trial of Brevet Major Robert Hetzler, Captain of the Honorable Company's Regiment of Artillery, and all such Prisoners as may be brought before it:

1st CHARGE.—Disobedience of the Orders of Colonel Grace Commanding Artillery in the Field, conveyed to him in a Letter No. 303, from Lieutenant Forrester, Adjutant and Quarter Master, and dated Cawnpore, May 12, 1814; wherein he, as Commanding the 3d Division of Field Artillery at Allahabad, was called upon to reply to certain queries and give information in particular points distinctly specified therein, by omitting in his Answer to the aforesaid Letter, to reply to such queries, and give such information, and notwithstanding he acknowledged having received such Letter, by evading a compliance with its directions, by a general remark, that the Orders contained in it should be strictly attended to; whereas it was the duty of Brevet Major Hetzler immediately to have obeyed them, such conduct being highly insubordinate, evincing a culpable disregard of Colonel Grace's authority particularly unbecoming in an Officer of Brevet Major Hetzler's standing in the Service, and in breach of the Articles of War.

2d.—For

2d—For persisting in his disobedience of Colonel Grace's Orders conveyed to him in Lieutenant Forrester's Letter as specified in the 1st Charge, in simply acknowledging the receipt of another Letter from that Officer, No. 313, under date May 20th, 1814, wherein his attention was particularly drawn to the necessity of his fully answering all points that either had been or should hereafter be referred to him, and wherein he was desired to explain, whether by stating in his reply that the several Orders contained in that Letter, should be strictly attended to, he meant not he intended to give the information required, such simple acknowledgment of a Letter, to which it was Brevet Major Hetzler's duty, to have given the most full and explicit reply, and which was in refutation of a previous Order evincing a most perverse and unbecoming disposition, to persist in disobeying the Orders of Colonel Grace, and a contempt of that Officer's authority, such conduct being subversive of discipline and in breach of the Articles of War.

3d—Disobedience of the Orders of Colonel Grace conveyed in Lieutenant Forrester's Letter No. 313, under date May 20th, 1814, wherein he was called upon to state whether a Box containing Caps (distinctly specified in the aforesaid Letter) had been announced to him for delivery, and if so, to state his reason for not receiving it, by omitting to give the information required, such conduct being highly insubordinate and disrespectful, and in breach of the Articles of War.

4th—For still further obstinately persisting in his disobedience of Colonel Grace's Orders, conveyed in Lieutenant Forrester's Letter No. 303, under date May 12th, 1814. In as much as in his reply to a Letter to his address from Colonel Grace under date 28th May 1814, wherein he was reminded that the points to which the Staff Letter of the 12th May demanded answers, had not yet been replied to, that another Letter on the same subject had only received a simple acknowledgment and wherein Colonel Grace declared that should his reply not contain the information required, he would report his conduct to Head Quarters, he, Brevet Major Hetzler, notwithstanding this second repetition of a previous Order, and the warning thus given by Colonel Grace, did nevertheless again omit to give the information so repeatedly called for, evincing thereby the utmost disregard for, and contempt of the Orders and authority of

of Colonel Grace, and manifesting the most perverse and un-officer-like disposition, to withhold those replies, and that information, which it was his obvious duty promptly to afford, such conduct being highly insubordinate, prejudicial to discipline, & in breach of the Article of War.

5th—For conduct greatly in aggravation of his repeated disobedience of Colonel Grace's Orders, and contempt of his authority, as set forth in the foregoing Charges, in having sent a very improper reply to that Officer's Letter, under date the 28th May 1814, by entering into a discussion of subjects altogether irrelevant, endeavouring to justify his non-compliance with Colonel Grace's Orders, by enumerating the various Papers and Books by him required to be sent up and forwarded; and manifesting throughout the whole of the aforesaid reply, bearing date June 1, 1814, a total disregard of the admonitions and directions of Colonel Grace, and an unyielding spirit of litigation, such conduct being highly insubordinate, prejudicial to good order and discipline, and in breach of the Articles of War.

6th—For most unwarrantably and falsely asserting in his reply to Colonel Grace's Letter, as specified in the 5th Charge, that Colonel Grace in calling upon him for his answers to certain Letters, to enable him to complete a series of documents for reference to Head Quarters, on the subject of Brevet Major Hetzler's conduct, had called upon him to furnish them, for his, Brevet Major Hetzler's, own destruction, such assertion being injurious to Colonel Grace, equally reflecting on his public and private character, highly prejudicial to good order and discipline, and in breach of the Articles of War.

SENTENCE BY THE COURT.—The Court having duly weighed and considered the evidence in support of the Charges, and what the Prisoner, Brevet Major Robert Hetzler, has urged in his defence, are of opinion, that he is not guilty of any or any part of the said Charges, of which they do therefore acquit him, the said Brevet Major Robert Hetzler, and he is hereby most fully and most honorably acquitted accordingly; and the Court do further consider it an act of justice to declare, that the

the Charges are frivolous, vexatious and malicious.

REMARK on *The Right Honorable The Commander in Chief, upon the Sentence of the Court Martial on Major Hetzler.*

The Commander in Chief inferring that the Court are satisfied the apparently contumacious disregard of orders exhibited in Major Hetzler's correspondence with his Commanding Officer was unintentional, confirms the sentence of acquittal.

His Lordship is not able to express the same concurrence in the opinion declared by the Court, that the Charges were frivolous, vexatious and malicious; the neglect of Major Hetzler to answer in his Letter of the 15th May, to points on which information upon matters of duty was specifically required from him by his Commanding Officer, might have been regarded as oversight had that Letter stood alone, but when the omission was indicated to Major Hetzler, and the repetition of the demand for information was met by him with only a bare acknowledgment of the receipt, a marked colour of disrespect was thrown upon even that first Letter. The Letter of the 23d May had so much the complexion of a deliberate and persevering contempt of his Commanding Officer, an appearance which Major Hetzler in no shape removed by his complaints in the Letter of the 1st June, as that nothing short of the judgment of the Court could in the apprehension of his Lordship have divested it of that character.

The Commander in Chief conceives it to have been natural, nay unavoidable, that the Prosecutor should have regarded the procedure of Major Hetzler as a wilful defiance of his authority; His Lordship is therefore under the necessity of signifying his entire dissent from the Court, on the grounds of the prosecution. (Signed) MOIRA.

The following Extracts of the Proceedings of a General Court Martial assembled in Camp near Musla, on the 8th day of February 1815, by virtue of a warrant from Major General Charles Hové, Commanding His Majesty's and the Honorable Company's Forces under the Presidency of Bombay, and continued by adjournment, until the 20th of the same month, of which Lieutenant Colonel Thomas Nuthall, 3d Regiment Madras Native Cavalry, is President, are published to the Army.

CHARGES preferred against Major David Prother, Commanding the 2d Battalion 9th Regiment, by Captain Thomas Thatcher of the same Corps.

1st—"For behaving to me in a most improper and "violent manner in presence of the 2d Battalion 9th "Regiment, on the morning of the 8th December 1814; "and then on the most frivolous pretences, placing me "in arrest while the Corps, forming at that time, part "of the Poonah Subsidiary Force then on Field Service, "was actually on its march."

2d—"For afterwards maliciously preferring Charges "against me on insufficient grounds, & of which Charges "I was fully acquitted by the General Court Martial "before whom the same were investigated."

3d.—"For directing the Adjutant on my being ordered "to be released from arrest, to return me my Sword "by an Orderly, thereby shewing the Men of the Corps "that he had treated me with marked disrespect, and "tending to encourage them to behave to me in a "similar manner."

CAMP NEAR JAFFERABAD, 5th January 1815. } (Signed) T. THATCHER, Captain, 2d Bat. 9th Regt.

By order of the Commanding Officer of the Forces.

BOMBAY, ADJT. GENL'S OFFICE, 6th February 1815. } (Signed) GEORGE LLEWELLIN, Acting Adjutant General.

SENTENCE.—The Court having maturely weighed and considered all that has been adduced in support of the prosecution, and what the Prisoner has brought forward on his defence, are of opinion with regard to the first Charge, that the Prisoner, Major David Prother, is guilty of "behaving to me in an improper manner in presence of the 2d Battalion 9th Regiment, on the morning of the 8th December 1814; and then on frivolous grounds placing me in arrest, while the Corps forming at that time, part of the Poonah Subsidiary Force, then on Field Service

Service was actually on its march;" but acquit him of all other parts of the said Charge.

With regard to the 2d Charge, the Court are of opinion, that the Prisoner, Major David Prother, is guilty of the said Charge, with the exception of "Maliciously," and the Court do therefore fully acquit him of all malice in having preferred the Charges therein specified.

The Court are further of opinion, that the Prisoner, Major David Prother, is not guilty of the 3d Charge, and do therefore most fully acquit him of all and every part of the same, and that the same time declare the said Charge to be groundless, frivolous and vexatious.

The Court having found the Prisoner, Major David Prother, guilty to the extent above specified, do therefore sentence him, the said Major David Prother, to be reprimanded in such manner as the Officer approving the sentence may think proper.

(Signed) VANS KENNEDY, Officiating Judge Advocate.

(Signed) T. NUTHALL, Lieut. Col. Comg. 3d Rt. Lt. Cavalry, & President.

The Commanding Officer of the Forces in approving the Sentence of the General Court Martial, conveys to Major David Prother the awarded reprimand, in expressing his decided disapprobation of that improper conduct, which he is found guilty of in the 1st and 2d Charges, to the extent specified, and recommending a more temperate deportment in the future exercise of his Command.

At the same time as Major Prother is most fully acquitted of all and every part of the 3d Charge, and as the Court have thought proper to record on the face of their Proceedings an opinion that they consider it groundless, frivolous and vexatious, the Major General therefore cannot pass over the conduct of his Prosecutor unnoticed. Under this impression, the Commanding Officer of the Forces feels himself called upon to express his marked displeasure of Captain Thatcher's conduct to his immediate Commanding Officer, as proceeding more from prejudice and resentment, in that instance, than from those considerations which are creditable to the Soldier and the Service.

Major General Boyé trusts, that these sentiments will have that effect on the future conduct of those Officers, so as to obviate any further disputes at a time, when the services of the Force under the Command of Colonel Smith are required on more important duties in the Field.

The Officer Commanding the Poonah subsidiary Force will

will be pleased to direct that Major David Prother be immediately released from arrest, and ordered to return to his duty. The General Court Martial of which Lieutenant Colonel Thomas Nuthall is President, is dissolved.

G. O. BY GOVERNMENT.

With reference to the General Order by Government dated 14th May 1812, directing a monthly allowance of 15 Fanams, to be drawn from the 1st of that month, by the Lieutenant Colonels, or Officers Commanding His Majesty's Regiments of Dragoons on this Establishment, for each Saddle & set of Horse appointments; The Right Honorable the Governor in Council is pleased to publish for the information of the Army, the following Extract of a Letter dated 30th September 1814, from the Honorable the Court of Directors.

To England 29th February 1812. 254 & 5. The allowance for repairing the Horse equipments of H. M. Regiments of Dragoons, fixed at 15 Fanams each set, on

28.—" As the Colonels of Cavalry Regiments in His Majesty's Service, are paid out of the Off-reckonings of their respective Regiments, for the provision and repair of Saddles and all Horse Furniture whatever, and as the whole expense of His Majesty's Regiments in India,

Recommendation of the Commander in Chief. Lieut. General Sir Samuel Auchmuty's remarks on the great expense incurred by Colonels of H. M. Regiments in transporting Clothing, particularly brought to Court's notice.

India, including the Off-reckonings of those Regiments, are defrayed by the Company, it is quite clear, that any allowance to the Officer at the head of one of His Majesty's Regiments in India, for keeping the Saddles and Horse Furniture in repair, is a double charge to the Company, and ought to be discontinued."

29.—With respect to the arguments of the Commander in Chief, that the wear and tear of Saddles and Horse Furniture, is greater in India, than in Europe, and that consequently an extra allowance ought to be made to Corps serving in India; we have to remark, that we believe the expense of repairing those articles is considerably less in India, than in Europe, from the comparatively greater cheapness of labour and materials there."

30.—"We have also no doubt, that in calculating the Off-reckonings granted to Colonels of His Majesty's Regiments of Cavalry, due allowance was made for the probable wear and tear of Saddlery in all countries, in which those Regiments might serve, whether in the East or West Indies, or on the Continent of Europe; we therefore see no reason whatever, for making a double allowance for the same thing, and we consequently direct that no allowance whatever be hereafter made for the repair of Saddles and Horse Furniture of His Majesty's Regiments of Cavalry serving in India.

31.—"With respect to the expense incurred in conveying Sadlery from the Ports of India to the several Stations at which His Majesty's Cavalry Regiments may be serving, we shall, as a matter of indulgence, not object to your providing such conveyance at the public expense, through the medium of your Commissariat.

The following Extracts from G. O. issued by The Right Honorable The Commander in Chief in India, are by His Excellency's orders published to the Army serving under this Presidency.

Extract from the Proceedings of an European General Court Martial, assembled at Meerut on Tuesday the 13th day of September 1814, at 10 o'clock in the forenoon, by order of Major General Gillespie, Commanding 2d Division Field Army, in pursuance of General Orders by His Excellency The Commander of the Forces, and by virtue of a warrant under the hand and seal of His Excellency The Right Honorable The Earl of Moira, K. G. Commander in Chief of all the Forces in India, for the trial of Captain John Gibbs, of the 16th Regiment Native Infantry, and all such Prisoners as may be brought before it.

President,—Colonel Sebright Mawby, H. M.'s 53d Foot; Lieutenant W. P. Cooke 1st Battalion 3d N. I. *Officiating Judge Advocate General.*

CHARGES.—Captain John Gibbs of the 16th Regiment Native Infantry, placed in arrest by orders from His Excellency the Commander of the Forces, on the following Charges.

1st—For conduct scandalous and infamous, such as is unbecoming the character of an Officer and a Gentleman, in having submitted to a threat of being publicly stigmatized as a scoundrel, by Major E. P. Wilson of the 16th Regiment

Regiment Native Infantry, which threat was conveyed to him at Delhi on or about the 14th September 1813, without having taken any suitable steps to vindicate his Honor and character from such an opprobrious appellation.

2d—For scandalous and infamous conduct, unbecoming an Officer and a Gentleman, in having endeavoured at Rewarrie, on or about the 26th of October 1813, to prevail on the Wife of Major E. P. Wilson to quit her Husband's protection, and to fly to his, at a time when it was known that Major Wilson was very dangerously ill.

By order of Major General R. R. Gillespie, Commanding 2d Division Field Army.

Meerut, 8th September 1814. } (Signed) W. P. COOKE, Acting Major of Brigade.

FINDING.—The Court having maturely weighed and considered the evidence adduced on the part of the prosecution, and what the Prisoner has urged in his defence, find the Prisoner not guilty of the first Charge, the same not being sufficiently proved, and do therefore acquit him of the same accordingly.

On the 2d Charge, the Court find the Prisoner guilty of "having endeavoured at Rewarrie, on or about the 26th "of October 1813, to prevail on the wife of Major E. P. "Wilson to quit her Husband's protection, and to fly "to his, at a time when it was known that Major "Wilson was very dangerously ill." But the Court acquit the Prisoner of scandalous and infamous conduct, unbecoming an Officer and a Gentleman.

SENTENCE.—The Court having found the Prisoner, Captain John Gibbs, guilty of so much of the 2d Charge as aforesaid, do sentence him, the said Captain John Gibbs, to be suspended from rank and pay for six calendar months.

Colonel & President.

(Signed) W. P. COOKE, Lieut.
Officiating Judge Advocate Genl.
conducting the Trial.

Remarks by The Right Honorable The Commander in Chief.

The Proceedings of the Court were sent back for revision on account of an inaccuracy which appeared to have escaped the attention of the Court: but as much time has elapsed, and as no probability appears, that the state of the Public Service will admit of the reassembling the Members, The Commander in Chief cannot think it reconcilable to justice,

justice, that the question should remain hanging over the head of Captain Gibbs: The Court in declaring the improper act proved against Captain Gibbs not to come within the description of scandalous, infamous, and unbecoming the character of an Officer and a Gentleman, divested itself of all power (in the opinion of The Commander in Chief) to award punishment: Because the act cannot stand within military cognizance but in as much as it may be considered to come under the above specific definition: The Commander in Chief must therefore, regard the Court as having returned a verdict of acquittal generally. In this view of the case, his Lordship directs that Captain Gibbs shall return to his duty.

G. O. BY THE COMMANDER IN CHIEF.

The following Extracts from G. O. issued by The Right Honorable The Commander in Chief in India, are by His Excellency's orders, published to the Army under this Presidency.

Extract from the Proceedings in farther continuation of a Native General Court Martial, assembled in Camp near Bowhurwah, at 10 o'clock, on Monday morning the 17th day of April 1815, by order of Major General George Wood, Commanding the Dinapore Division of the Army, in pursuance of instructions, and by virtue of a warrant, under the hand and seal of His Excellency The Earl of Moira, K. G. Commander in Chief of all the Forces in India, for the trial of Shaik Meerwau, Jemadar 2d Battalion 22d N. I. and such other Prisoners as shall be brought before it.

President,—Jugguenath Sing, Subadar 1st Battalion 25th N. I.

Officiating Deputy Judge Advocate General,—Lieutenant and Adjutant John Hay, Pioneers.

CRIME

CRIME.—Abdhoot Sing, Sepoy 6th Company 2d Battalion 25th N. I. confined by me, for having deserted when the Battalion was on service on or about the 10th of December last.

CAMP BEARHIRWAH, 15th April 1815. (Signed) T. P. SMITH, Captain Comg. the 2d Bat. 25th Regt. By order of Major General George Wood, Commanding a Division of the Army.

(Signed) W. L. WATSON,
Asst. Adjt. Genl.

SENTENCE.—The Court having duly weighed the evidence in support of the prosecution, and the Prisoner, Abdhoot Sing, Sepoy 2d Bat. 25th N. I. having nothing to say in his defence, the Court are of opinion, that he is guilty of the Crime preferred against him, which being in breach of the Articles of War, the Court do sentence the said Prisoner, Abdhoot Sing, Sepoy, to suffer death, in such manner, and at such time and place as His Excellency The Right Honorable The Commander in Chief may be pleased to direct; and he is hereby sentenced accordingly.

(Signed) J. HAY, Lieut.
Officiating Deputy Judge Advocate General.

APPROVED AND CONFIRMED.

(Signed) MOIRA.

Remarks by The Right Honorable The Commander in Chief.

The Commander in Chief has approved the above Sentence. That in this case as well as in the case of the Sepoy Mujjoor, the magnitude of the Crime called forcibly on The Commander in Chief to inflict the punishment of death so fitly awarded, his Lordship has been desirous of testifying his sense of the general good conduct of the Sepoys, by sparing the lives of these men who have been their comrades. The honorable fidelity, however, of those who have stood firm to their colours must not be disgraced, by the continuance of wretches like these in the ranks with them. The Commander in Chief therefore, directs that a remission of the punishment of death be signified to the Prisoner, Abdhoot Sing, in front of the Troops assembled; but that he shall be afterwards led out of the Cantonment, by a Halter round his neck, and be ignominiously dismissed.

The enormity of the Crime of desertion on actual service having been justly exhibited to the Native Troops by the proper and conscientious judgment of the Court Martial, The Commander in Chief warns the Soldiers, that no man must expect

expect mercy who, after so awful a lesson, shall abandon his colours.

G. O. BY THE COMMANDER IN CHIEF.

The following Extracts from G. O. issued by The Right Honorable The Commander (in Chief in India, are by His Excellency's orders, published to the Army under this Presidency.

Extract from the Proceedings of a Native General Court Martial assembled at Cawnpore, on Tuesday the 16th day of May 1815, by order of Major General Marshall, Commanding Cawnpore Division, and by virtue of a warrant under the hand and seal of His Excellency The Earl of Moira, K. G. Commander in Chief of all the Forces in India, for the trial of Abdeol Serong, Gun Lascar, and all such Prisoners as may be brought before it.

President,—Newadge Sing, Subadar 2d Grenadier Battalion N. I.

Captain

Captain S. Tickell, *Deputy Judge Advocate General* 1st Division Field Army, conducting the trial.

CHARGES.—Abdool Serong in the 40th Company of Gun Lascars, placed in arrest by order of Colonel Grace, Commanding Artillery in the Field, on a Charge originally preferred by him, and subsequently revised under the sanction of Major General Marshall, Commanding 1st Division Field Army.

Conduct highly seditious and insubordinate, on or about the nineteenth day of April last, he having charge of a working party of Gun Lascars of the new Levies, in the following instances, viz.

First—In the presence, and within the hearing of Sookd Nundun, Chaudee Persaud, Kissery, Ramkisson, Gunga Deen, and Bhowanee Deen, Gun Lascars of the new Levies, and Shaikh Noorah, Gun Lascar 8th Company; *or* in the presence, and within the hearing of one, or more of them, (they belonging to the aforesaid working party), he, Abdool Serong, uttered expressions tending to prevent such Gun Lascar, or Gun Lascars, from performing the duty directed; to create a belief that such was not the duty of Gun Lascars, and that a general refusal to perform it, would not only secure the refusers from punishment, but exempted them from its performance for the future.

Secondly—He, Abdool Serong, in the presence and within the hearing of all, or one, or more of the persons above named, did persuade Kissery Sing, Gun Lascar, to go among his comrades and dissuade them from doing the duty on which they had been ordered.

Such conduct, or any part of it, being subversive of military discipline and subordination, and in breach of the Articles of War.

By order of Major General Marshall, Commanding 1st Division Field Army.

(Signed) W. N. FOUNTAINE, Major of Brigade.

ADDITIONAL CHARGE preferred against Abdool Serong, by order of Major General Marshall Commanding 1st Division Field Army.

Conduct highly unbecoming a Native Officer and evincing a total unfitness for the situation he holds, in having failed to exert himself, with proper spirit and energy, when the Gun Lascars placed under his immediate orders, and assembled as a working party, at the Cawnpore Maga[illegible]ine,

Magazine; on or about the nineteenth day of April last, refused to perform the duty upon which they have been ordered, and on the performance of which it was the Serong's bounden duty to have insisted by every means in his power.

Such conduct being most disgraceful, prejudicial to the service and in breach of the Articles of War.

By order of Major General Marshall Commanding 1st Division Field Army.

CAWNPORE, May 12, 1815. } (Signed) W. N. FOUNTAINE, Major of Brigade.

SENTENCE.—The Court having duly weighed and considered the evidence in support of the prosecution, and what the Prisoner, Abdool Serong, has urged in his defence, are of opinion, that he is guilty of the whole of the Charges exhibited against him, which being in breach of the Articles of War, they do sentence him, the said Abdool Serong, to be dismissed the Honorable Company's Service.
