By order of the Right Honorable the Governor in Council.

(Signed) G. STRACHEY,

CHIEF SECRETARY.

FORT ST. GEORGE, *24th June* 1817.

G. O. BY GOVERNMENT.

Ordered that the following Extracts of Letters from the Honorable the Court of Directors, in the Military Department, under dates the 20th and 27th November, and 4th and 11th of December 1816, be published in General Orders.

Letter dated 20th November 1816.

Para. 2d—Lieutenant David Donaldson has our permission to remain another year in England after the expiration of his present leave of absence; viz. 12 Months from the period of his quitting India.

3d—We have permitted the undermentioned Officers on your Establishment, to remain in England, viz. Lieutenant

Lieutenant James William Taylor, another year.

Lieutenant Thomas Carmichael, till the departure of the 1st Ships of the approaching Season.

Lieutenant Edward Burgess and Lieutenant Thomas Hadaway, till the departure of the last Ships of the approaching Season.

4th—Mr. Superintending Surgeon W. Ord of your Establishment, has received our permission to retire from the Service.

5th—We have permitted Mr. William Murray Sutherland to proceed to your Establishment to practise as a Surgeon. The Rank of this Gentleman will be settled at a future period.

6th—We have lately received a Communication from the War Office, respecting the issue of an allowance for Hautbois to the Colonels of His Majesty's Dragoon Regiments serving in India, by which it appears that, this allowance, as forming a part of the Colonel's Pay, is drawn for here by the Agents of the respective Regiments on account of the Colonels, while we perceive that the same allowance is included in your Disbursements for the same Regiments in India; hence it should seem that a double issue has been made on this account for several years past.

7th—We therefore direct that immediately upon the receipt of this despatch, you will give instructions for this allowance being discontinued, and since the drawing it in India is wholly unauthorized, we further direct that you will call upon the Commanding Officers of His Majesty's Dragoon Regiments now serving at your Presidency, to refund the sum they may have each respectively drawn upon this account, and that you will by the earliest possible opportunity, convey to us such information upon the subject as may enable us to take the necessary steps for the recovery of the balance unaccounted for in India.

Letter dated 27th November 1816.

Para. 2d—The arrangements which we have lately entered into with His Majesty's Government, respecting the Island of St. Helena, have led to the recall of Brevet Colonel Mark Wilks of your Establishment, who held the Office of Governor of that Island.

3d—That Officer having, since his arrival in England, addressed a Letter to us, calling our attention to the novel and peculiar situation in which he is placed, in relation to the Company's Service, we deem it necessary to convey to you, for your information and guidance, the Resolutions we have come to, regarding his continuance upon the strength of the Army at your Presidency.

4th—In the arrangements which we made for the Island of St. Helena, in the year 1808, it was directed that, the Governor and Lieutenant Governor should be Effective Officers of our Army in India, and remain in those Stations three years, after which, they

were

were to have the option of either returning to their duty in India, or coming Home, as Officers on furlough from the Military Establishment, from which they had been selected for those Offices.

5th.—Major General Beatson, the immediate Predecessor of Colonel Wilks, held the Office for five years, and we have every reason to believe, that, it was the wish of the latter to have continued in Office for the same time, had it been left to his own choice; but the late arrangements with His Majesty's Government, relative to the Island, have caused his removal from his Station, two years and four months prior to that period.

6th.—His Majesty's Government having been pleased to signify in a Communication made to us, under date the 17th July last, their intention of making a compensation to Colonel Wilks for the loss and disappointment he has suffered by his removal from the Government of St. Helena, before the time when he would have voluntarily relinquished it, by either restoring him to the Government, or by otherwise providing for him; and as we conceive that a reasonable time should be allowed for both purposes, until the expiration of which, he may remain exempted from the ordinary rules of the Service, we have resolved:

1st. That Colonel Wilks be permitted to remain in Europe for the period of two years and four months from the time of his arrival in England, the 15th June 1816.

2d. That, at the expiration of two years and four months, provided he be not in the mean time re-appointed to St. Helena, or have some other Office conferred upon him by His Majesty's Government, he be considered as falling under the established Regulations for the Military Service of the Company, and at the expiration of a year thereafter, be required to signify his intention of returning to, or retiring from, the Service, unless he shall have been previously promoted to the Rank of a Major General, to the Command of a Regiment, or have been called to resume the Government of St. Helena, or have received some other Appointment under the Crown.

7th.—This however, is distinctly to be understood as not permitting Colonel Wilks, in the event of his procuring any Employment from His Majesty's Government, to retain that Employment beyond the three years and four months, and afterwards to resume his Rank in the Company's Army, his Rank therein must, in that case, be relinquished.

8th.—We therefore direct that, in conformity to these Resolutions, you will continue Brevet Colonel Wilks upon the List of the Army on your Establishment, until you receive further communication from us upon the subject."

Letter

Letter dated 4th December 1816.

Para. 3d.—" You have already been informed of our having permitted Brevet Colonel Sir John Malcolm to return to his duty upon your Establishment.

4th.—It appears that in consequence of this permission, Sir John Malcolm intended to have availed himself of an offer he had received of a Passage on board His Majesty's Ship Minden, which had been appointed to carry the flag of the Commander in Chief of the Indian Station; and a large proportion of his Baggage had been conveyed to Portsmouth, if not actually embarked on that Ship when the destination of the Minden was changed, by her being ordered on the Expedition against Algiers.

5th.—This disappointment induced Sir John Malcolm to engage a Passage on the licensed Ship Charles Mills, which on the faith of an assurance he had received from the House to which she belongs, he had reason to believe would sail about the middle of September. But owing to various circumstances this Ship did not leave the Downs, till the 12th October, and contrary winds afterwards compelled her to put into Portsmouth, from whence she did not finally sail till the 27th of that month.

6th.—Adverting to the uncertainty of the arrival of the Charles Mills at Madras before the period (viz. the 1st March next) when Sir John Malcolm will have completed his five years absence from India, we have taken the circumstances of his case into consideration, and it is proved to our satisfaction that if Sir John shall not arrive at Madras before the expiration of the fifth year from his departure from India, unless delay which he may have been able to avoid shall have arisen in the course of his voyage, that his absence will have been occasioned by an inevitable accident within the meaning of the 70th Section of the Act of the 33d of His present Majesty, Cap. 52, and under these circumstances and with the proviso abovementioned, we direct that he be considered upon his arrival in India as still in the Company's Service, so that we may not in consequence of a reference to us upon the subject be deprived of the immediate services of this experienced and distinguished Officer.

7th—We notice that in your General Orders of the 17th April 1816, giving an Extract of our General Letter to you in this Department, dated 20th September 1815, Para. 7, that the date of Brevet Major Charles Pasley's retirement from the Service, is from the "28*th February* 1814," we have since ascertained that there is an error in the date of that Officer's retirement, which should have been from the 28*th February* 1815; we direct therefore, that you substitute the latter for the former date accordingly.

8th—We have permitted Brevet Major and Captain George Lambert,

Lambert, and Ensign Joseph George Mitford, to return to their duty on your Establishment.

9th—We have permitted Mr. Francis Affleck to proceed to your Presidency to practise as a Surgeon, and we direct that he do succeed as an Assistant Surgeon. Mr. Affleck's rank will be settled at a future period.

Letter dated 11th December 1816.

Para. 5th—We have already apprized you of the permission which has been granted to Brevet Major and Captain George Lambert to return to his duty on your Establishment.

6th—It appears that immediately upon obtaining that permission, Major Lambert used his utmost exertions to procure a Passage, which he was not able to accomplish until the 6th Ultimo, and then on a vessel (the Sir Stephen Lushington) which has not yet sailed.

7th—Anticipating the probability of Major Lambert's failing to arrive at Madras within the prescribed period of five years, we have taken into our consideration the circumstances which have prevented his return to India at an earlier period.

8th—From a perusal of the applications which this Officer has, from time to time made to us for an extension of his furlough, we have reason to believe that he was unavoidably prevented by a law process from preparing to return to his duty till the 29th September last, and we are satisfied that if he shall not arrive at Madras before the expiration of the fifth year from his departure from India (unless delay, which he may have been able to avoid shall have arisen in the course of his voyage), his absence will have been occasioned by an inevitable accident within the meaning of the 70th Section of the Act of the 33d, George 3d, Cap. 52.

9th.—Under these circumstances and with the proviso above-mentioned, we direct you to consider Major Lambert, who upon his return to this Country in 1812 was strongly recommended to us by Governor Farquhar, as still in the Company's Service upon his arrival in India.

10th—We have permitted Captain Harry Wright of your Establishment, to return to his duty.

11th—Cornet Morgan C. Chase of your Establishment, has our permission to remain in England, until the departure of the first Ships of the Season 1817-18."

By order of the Right Honorable the Governor in Council.

FORT ST. GEORGE, *8th July* 1817.

G. O. BY GOVERNMENT.

Ordered that the following Extract from the Honorable Company's General Letters in the Military Department, under dates 3d and 29th January, 5th and 11th February, and 5th March 1817, be published in General Orders.

Letter dated 3d January 1817.

Para. 9. "In His Majesty's Service two Fifes are only now made use of Bs. and Cs. the former (B.) having a Key, but this can be made to answer perfectly well without the Key, should the Fifers of our Army not practice with it.—These two Fifes are contained in a Case of corresponding size, which with the reduction in weight of one Fife appears to us of great consequence, particularly upon a long march; therefore we have resolved in future to adopt the same in our Army, and have ordered a Case and Fifes of this description to be sent to your Presidency."

10. Adverting to the frequent applications made to us by Military Officers for an extension of furlough, and being of opinion that all such applications preferred on the ground of sickness should be accompanied by the most satisfactory testimonials, to prove that the Parties are unavoidably compelled to make the same, we have resolved that it be required of all Officers whenever they shall find it necessary on account of sickness to solicit a further leave of absence, to transmit with their letter of application, a Certificate signed by at least two Gentlemen, eminent in the medical profession, describing the nature of the Applicant's complaint, and stating it to be their opinion that the circumstances of the case render a compliance with his request absolutely necessary; also, that previously to an extension of furlough being granted, such further proof of the statement made by the Party in support of his application, shall be adduced by personal examination,

examination, or by such other evidence as we may deem satisfactory.

11. We have further resolved that all Officers abroad in any part of Europe applying for permission to remain a further time absent from their duty, on account of sickness, be required to furnish a Certificate signed by at least two eminent Physicians, also the attestation of a Magistrate in support of the fact, that the Persons who have signed the Certificate are Physicians.

12.—Whenever any Officer on your Establishment shall receive permission to come to Europe, whether it be on account of ill health, or of private affairs, we desire you to furnish him with a copy of these orders.

13.—Lieutenant Robert Gray of your Establishment, has our permission to remain in England until the departure of the first Company's Ships of next Season 1817-18.

14.—We have permitted the following Officers belonging to your Establishment, to retire from the Service, from the undermentioned dates.

Para. 2.—We have permitted Lieutenant Thomas Wakefield of your Establishment, to remain in England till the departure of the Company's Ships which it is intended to despatch in April next.

15th ,,	,,	John Stiggall
18th ,,	,,	William Story
22d ,,	,,	Alexander Hay
,, ,,	,,	Edward Y. Hancock
Invalids	,,	John James Utterson.

4.—It appears by your Army List, dated the 1st January last, that Lieutenant William Herring of the 18th Regiment Native Infantry, obtained a sick certificate from the 10th January 1809, but we have not been able to ascertain his arrival in this country; we direct therefore, that he be struck off the strength of the Army, if the fact shall prove as stated in the Army List.

5.—You will also strike off the name of Lieutenant Edward Case

Case from the 12th Native Infantry, who is mentioned in your Army List as not having arrived, but who appears to have returned to this country per Lord Keith in January 1810, and assign his date of Rank to the Officer next in succession.

6.—We likewise direct the discontinuance of the name of Ensign Richard B. Brittridge of the 24th Native Infantry, he having been appointed to the Bengal Establishment.

The correct and complete state of all the Appointments, the expertness of the Men and the steadiness of the Horses, (so recently received from the Remount), could only have been acquired by the most unremitted attention and zealous application of that ability Captain Rudyard so eminently possesses; and Sir Thomas Hislop feels a particular pleasure in thus declaring to the Army his opinion of that Officer's merits.

G. C. BY THE COMMANDER IN CHIEF.

The following Extracts from the confirmed Proceedings of a General Court Martial held at Fort St. George, on the 4th day of November 1816, and continued by adjournments till the 12th day of July 1817, and of which Major General Browne was President, are published to the Army.

CRIME.—Colonel R. Fletcher ordered in arrest by order of His Excellency the Commander in Chief at the instance of the Government of Fort St. George, on the following Charges.

1st.—That Colonel Robert Fletcher was appointed by Government in the month of April 1814, to the Command of a Detachment of Troops to be assembled in the Districts of Ganjam and Vizagapatam, subject to the authority of the Officer Commanding the Northern Division of the Army, and that Colonel Fletcher was required by the Judge and Magistrate of Ganjam to proceed into the District of Goomsur, for the purpose of apprehending the person of Doonjay Bunjee, the Zemindar of that District, who stood charged with the crime of Murder, but whose person it had

been

been found impracticable to secure, by the Process of the Court of Ganjam, to which jurisdiction he was amenable, the said Colonel Fletcher did move into the above District accordingly, and whilst there serving, did some time in or about the month of May 1815, accept from the Zemindar the sum of seven thousand Rupees as a Bribe, for the purpose of preventing the advance of the Detachment against the said Zemindar, and the receipt of which money, as given to conciliate his good offices in his favour, he, Colonel Fletcher, did some months afterwards acknowledge, but not until the transaction was discovered from other quarters.

2d.—And that in the month of May 1815 there were sent by Mr. George Travers, the then Judge and Magistrate of Ganjam, two Chobdars or Messengers of the Court, of the names of Abdullah Beg and Sheik Ally, accompanied by a person of the name of Mahaputrada, Vakeel of the Zemindar, for the purpose of inviting the said Zemindar to surrender himself and to come to Ganjam, whilst the said persons were passing the way of Colonel Fletcher's Camp, he directed them to be brought before him, and became fully apprized of the object of their mission, and was assured by the Vakeel that his Master would come in if the Camp remained where it was and which measure he earnestly besought. Colonel Fletcher nevertheless, with the apparent intention of defeating the object of their mission, did proceed next day with part of his Detachment and after ordering the Chobdars to remain behind, by a forced march came suddenly upon the place of the Zemindar's retreat, who being alarmed at his approach fled, and was thus prevented from delivering himself up.

3d.—That Colonel Fletcher by this forced march became possessed of the Treasure, Jewels and Valuables of the Zemindar to a great amount, but instead of securing the Property from injury as he was in duty bound, and preventing any part of it from being plundered, he divided on the spot betwixt himself and his Detachment the sum of forty thousand Rupees, or Money nearly amounting to that sum and of which he retained half; and did further assign certain Silver Joys, Clothes, and Brass Utensils (but of which the value was not ascertained) to the Sepoys or Troops of the Detachment.

That *Joning*, the place to which the Zemindar had retired, was not a fortified Station, was not taken by assault; the said

said Zemindar was not a public Enemy, and was not declared in rebellion, or outlawed, but was merely a person avoiding the Process of a Court of Justice, whose Property was therefore sacred, and equally under the protection of the Law as that of any other British Subject.

That Colonel Fletcher was, distinctly and fully aware of the illegality of such appropriation of the property of the Zemindar, in as much as he declared to the Officers in the following words, or words to that effect: "I have come to the resolution of dividing the Property found here. I will take two thirds myself, and you divide the remainder amongst you. My Son Tom must share as a Subaltern. This is not to be considered Captured Property, none of us are entitled to any of it, but I take all responsibility on myself by so doing."—Here a pause ensued, when Colonel Fletcher resumed, "I can get the Rajah in here, if I like in half an hour, there is a Man present with me who offers his Son as a hostage or pledge, that he will bring me the Rajah if I secure to him his Property and Effects, in which case you can get nothing; so go and reflect and decide on this immediately."

That by the above expressions, and by others of a similar tendency, as held to different Officers of the Detachment, Colonel Fletcher wished to prevail on them to allow him to take two thirds, or some other large proportion of the Money for his own share, and also to allow his Son, Mr. Thomas Fletcher, a person not in the Service, to share as a Subaltern, and who did so share accordingly.

That it was the duty of Colonel Fletcher to have reported to the Officer Commanding the Northern Division, the circumstance of the seizure and division of the Property, but which he avoided doing until the subject became matter of complaint—that in the above instances Colonel Robert Fletcher was guilty of great abuse of authority, of disobedience of the established orders of Government, and of behaving in a scandalous and infamous manner, such as is unbecoming the character of an Officer and a Gentleman, and in violation of the Rules and Articles of War.

By order of The Commander in Chief.

ADJT. GENERAL'S OFFICE,
CHOULTRY PLAIN, } (Signed) T. H. S. CONWAY,
25th September 1816. } Adjt. General of the Army.

OPINION AND SENTENCE.—The Court find that the Prisoner, Colonel Robert Fletcher, was appointed by Government

ment in the month of April 1814, to the Command of the Troops in the Districts of Ganjam and Vizagapatam, subject to the authority of the Officer Commanding the Northern Division of the Army, and that Colonel Fletcher was subsequently required by the Judge and Magistrate of Ganjam to proceed into the Goomsur Country for the purpose of apprehending the person of Doonajay Bunjee, the Zemindar of that District, who stood charged with the crime of Murder, but whose person it had been found impracticable to secure by the Process of the Court of Ganjam, to which jurisdiction he was amenable, that the said Colonel Fletcher did move into the above Districts accordingly, and it is the opinion of the Court that he is guilty, whilst there serving, of accepting from the Zemindar some time in the month of May 1815, the sum of seven thousand Rupees as a Bribe, given by the Zemindar to conciliate his, Colonel Fletcher's good offices in his favour, the receipt of which sum Colonel Fletcher did about two months afterwards acknowledge, but not until the transaction had been discovered from another quarter.

On the second Charge the Court find the Prisoner not Guilty.

The Court is of opinion that the Prisoner is guilty of the third Charge. In the instances of which Colonel Robert Fletcher has been found guilty, the Court is of opinion that he (Colonel Robert Fletcher) was guilty of great abuse of authority, of disobedience of the orders of Government, of behaving in a scandalous and infamous manner, such as is unbecoming the character of an Officer and a Gentleman, and in violation of the Rules and Articles of War.

The Court do, therefore, adjudge that he, Colonel Robert Fletcher, be cashiered and rendered unworthy of serving again in any military capacity whatever.

(Signed) THOMAS BROWNE, Major General,
and President.

(Signed) T. WREN,
Deputy Judge Advocate.

APPROVED AND CONFIRMED.

(Signed) T. HISLOP,
Lieutenant General.

Extract from the confirmed Proceedings of a Native General Court Martial held in Camp E. S. E. of Outraun, on Monday, the 30th day of June 1817, by virtue of a warrant from Colonel John Doveton, Commanding the Subsidiary Force serving His Highness the Soubadar of the Deccan, under Authority from His Excellency Lieutenant General Sir Thomas Hislop, Bart. Commander in Chief of the Forces serving under the Presidency of Fort St. George, and of which Subadar Noor Saib, 16th Light Infantry, is President.

CHARGE.—Soubarow, Jemadar 5th Regiment Light Cavalry, placed in arrest by me on the morning of the 14th May 1817, on the following Charges, viz.

1st.—For disgraceful and unmilitary conduct, unbecoming the character of an Officer, towards Subadar Shaik Silleman his Superior Officer, when in the execution of his duty as Subadar of the day.—In not making his report to the Subadar when relieved from the Standard Guard, and refusing to attend when called upon by the Subadar so to do, replying in a highly disrespectful, and insolent manner, that he would

not

not report to him, such conduct being subversive of military discipline.

2d.—For persisting in the same disrespectful conduct before me, when called upon for an explanation of his conduct. In replying, that he would make no report to Subadar Shaik Silleman.

3d.—For violent and outrageous conduct when ordered in arrest by me. In taking off his Sword and Sash, and throwing the latter to the Native Adjutant, saying " Here take them both."

Major, 5th Light Cavalry,
Senior Officer in charge.

BY ORDER.
(Signed) T. H. S. CONWAY,
Adjutant General of the Army.

SENTENCE.—The Court find the Prisoner (Jemadar Soubarow) guilty of the whole of the Charges preferred against him.

The Court does therefore, by virtue of the Articles of War established for the better government of the Honorable Company's Forces, sentence him (the Prisoner) to be suspended from Rank and Pay for (6) six calendar months.

(Signed) in the Persian character.
NOOR SAIB, Subadar,
and President

(Signed) J. NIXON,
Deputy Judge Advocate to the Army.

CONFIRMED.
(Signed) T. HISLOP,
Lieutenant General.

The Commander in Chief has confirmed, but cannot approve a Sentence so inadequate to the crime of disrespect and insubordination so distinctly marked as in the present case,—had the Prisoner been sentenced to be dismissed, the Commander in Chief would not have hesitated to confirm it.

The Prisoner, Jemadar Soubarow, has argued in his defence, that the Subadar was too far off, to be considered on Parade, under such circumstances the Prisoner should have *obeyed* the order he received, and if he considered it to impose a duty to which he was not liable, he should have preferred his complaint, such conduct would have been recognized as military, but, the Prisoner placed himself in opposition to his Superior Officer, and for his contumacious conduct towards his Commanding Officer as well as the Subadar, he deserved a more severe award.

The General Courts Martial of which Colonels Graham and Pierce, are Presidents, are dissolved. Lieutenant

Lieutenant Colonels A. M'Dowell and J. Welsh, are relieved from the Off-reckoning Committee of which Colonel Graham is President.

Lieutenant Colonel T. A. Fraser of the 11th Regiment N. I. and Major C. Powell of the 21st Regiment N. I. are appointed Members of the Off-reckoning Committee, of which Colonel Graham is President.

The Commander in Chief regrets the occasion which requires Major Munro, Commanding the Rifle Corps, to return to Europe; but his Excellency hopes, that the loss of that Officer's services will be compensated by the early re-establishment of his health.

The necessity of leaving the Command at the present moment of a Corps which he has raised and organized with so much credit to himself, and advantage to the Service, must be painful to Major Munro; but the Commander in Chief feels convinced, that he will long enjoy the satisfaction of knowing, that in all situations, the Rifle Corps has preserved the high character it established under his command.

The General Court Martial assembled at Bangalore, of which Colonel H. Webber is President, is dissolved.

FORT ST. GEORGE, 8th July 1817.

G. O. BY GOVERNMENT.

The 2d Paragraph of the General Order dated 8th November 1814, which permits payments on account of Cloth, obtained by Officers from the Agent of Army Clothing, to be regulated at the rate of six equal monthly instalments, having been productive of inconvenience; The Right Honorable the Governor in Council is pleased to rescind that Regulation, and to direct that the following Scale of monthly stoppages shall be substituted in lieu thereof.

Regimental	Lieutenant Colonels, and all Officers above that Rank	10	0	0
	Majors	7	0	0
	Captains	5	0	0
	Captain Lieutenants	4	0	0
	Subalterns	3	0	0

but if the amount of the supplies should exceed that, which at the above rates, would be paid in six months, the instalments are to be increased to the sixth part of the aggregate amount, if an even sum of Pagodas; otherwise, the nearest sum, in even Pagodas, *above* a sixth part, is to form the stoppage, leaving the broken sum to form the last month's payment—should the supplies not amount to two instalments, they are to be paid for on delivery, or by one stoppage from the first Abstract of Pay and Allowances drawn by the Party, subsequent to his information of the issue of the articles.

In order to afford Officers the earliest information of the result of their applications for supplies, and to ensure regularity in the payments, the Agent is directed, when he has issued supplies, to transmit a copy of the Indent, (with the amount of the charges specified in it) to the Party indenting, and it will be the duty of the latter to pay the prescribed instalments to Paymasters, altho' the original Indents should not have reached them from the Accountant General.

As the original Indents, to be transmitted by the Accountant General to Paymasters, are always to specify (in a note, at foot, by the Agent) the date on which the copy was transmitted to the Party indenting, if Paymasters find, on receipt of the Indents, that the regulated payments were not made at the prescribed periods, it will be their duty to make a double, or treble stoppage,

as

as the case may require, so as to bring the instalments within the provisions of the preceding Paragraphs.

By order of the Right Honorable the Governor in Council.

(Signed) E. WOOD, Sec. to Govt.

Fort St. George, 14*th July* 1817.

G. O. By Government.

The Right Honorable the Governor in Council is pleased to resolve, that in future all Bills for the hire of Boats employed in the embarkation or landing of Troops, Ordnance and Equipments attached to them, at the Presidency and at other Stations on the Coast, shall be checked and passed, by the Quarter Master General of the Army, and by the Officers of his Department, under his authority, whose countersignature to the Bills is to be considered by Paymasters as sufficient to authorize their being discharged.

As the number of Men to be conveyed in each Boat, will depend on circumstances of a variable nature, no Regulation will be established with reference to that point. It will, however, be the duty of the Officers of the Quarter Master General's Department to satisfy themselves, by means of Correspondence, or actual superintendence, that the numbers embarked are correct. Or should they see reason in any case to question the propriety or accuracy of the charge, they will withhold their countersignature to the Bills, and make a Special Report of the same to the Head of the Department, who will forward it to Superior Authority.

By order of the Right Honorable the Governor in Council.

Ordered that the following Extract from a Report dated the 2d Instant, on the examination of Lieutenant Henry Serjeant of the 21st Native Regiment, in the Hindoostanee Language, be published in General Orders.

"Lieutenant Serjeant went through the usual exercises, with "perfect correctness, and in his translation into Hindoostanee, in "particular, he displayed a very comprehensive knowledge of that "Language. A simple fable from Pilpay, was rendered by him "into Hindoostanee, in a very copious paraphrase, wherein without sacrificing the sense of the original, he exhibited a great "variety of diction and an intimate knowledge of the idiom. We "consider that these attainments entitle Lieutenant Serjeant to a "distinguished rank amongst the several Candidates for the "honorary reward, who have come before us."

"The colloquial part of Lieutenant Serjeant's examination "was not so entirely free from exception, as his written exercises. "His pronunciation, however, was distinct, and he conversed "with tolerable fluency."

"The result of our examination is, that we conceive Lieutenant Serjeant to have fully established his claim to the usual "honorary reward, which we beg leave to recommend, that he "may receive accordingly."

&c. &c. &c.

HONORABLE SIR,

We have the honor to report that Lieutenant Serjeant of the 2d Battalion 21st Regiment N. I. has been examined by us in compliance with the instructions conveyed in Mr. Secretary Wood's Letter of the 26th Ultimo, with regard to his proficiency in the Persian Language, and that he has acquitted himself to our entire satisfaction.

We have great pleasure in stating that both his exercises were entirely free from error, and that his Persian version was further distinguished, by a great command of language, a judicious use of ornament and much facility. In the colloquial part of his examination, Lieutenant Serjeant expressed himself with great fluency; and his pronunciation was both distinct and accurate.

The above acquirements place Lieutenant Serjeant, in our opinion, in the first class of the Candidates who have appeared for examination, and we have therefore no hesitation in recommending that he may be permitted to receive the usual honorary reward to which his proficiency has so well entitled him.

We have, &c. &c.

HEAD QUARTERS, BOMBAY, 28*th May* 1817. (Signed) A. AITCHISON, Adjt. General of the Army.

SEN-

SENTENCE.—The Court having maturely weighed and considered all that has been adduced in support of the prosecution, as well as what the Prisoner has brought forward in his defence, are of opinion that the Prisoner, Major Thomas Thatcher, is not guilty of the 1st Instance of the Charge preferred against him, and they do therefore acquit him of the same.

With regard to the 2d Instance of the Charge, the Court are further of opinion that, although the circumstances alluded to in it did take place, yet as no proof has been adduced to shew that the Prisoner herein acted either deliberately or premeditatedly, they cannot attach to his conduct that degree of criminality implied by this Instance of the Charge, but as they are also of opinion that he has been guilty of unbecoming conduct, they do therefore sentence the said Prisoner, Major Thomas Thatcher, to lose Regimental and Army Rank, so as to rank as Major in the Army and Regiment from the 15th day of February 1817.

Observations by the Commander in Chief.

In consequence of the Court having acquitted Major Thatcher of the 1st Instance and exonerated him from the higher degree of criminality implied by the 2d Instance of the Charge, The Commander in Chief has determined to remit the sentence of loss of Army and Regimental Rank awarded on account of his improper and imprudent conduct; and the Lieutenant General is the more inclined to adopt this lenient measure in consideration of several favorable circumstances recorded in the Proceedings, as well as from the honorable character as an Officer and a Gentleman which Major Thatcher appears to have maintained unimpeached during a service of nearly twenty years.

Major Thatcher to be released from his arrest and to return to his duty.

Should there be no other Prisoners to be brought before the Court Martial of which Lieutenant Colonel C. J. Milnes is President, the Officer Commanding the Poonah Subsidiary Force will be pleased to order it to be dissolved; and the Officers who recently left the Presidency on the above trial are to repair to their respective Corps and Stations immediately.

SENTENCE.—The Court having maturely and deliberately considered the evidence of the prosecution and also that which the Prisoner has brought forward in his defence, is of opinion with regard to the first Charge, that the Prisoner did detach armed Sepoys on or about the 6th November 1816, to the Village of Burry near Gogo, for the purpose of collecting Sheep, but as the Court attaches no culpability to it on

1st.—For disobedience of repeated orders in quitting Camp without leave on the 18th March, and going to a Village distant from it 3½ coss.

CAMP AT BOORGAUM, 19th *March* 1817. (Signed) W. JONES, Captain, Comg. Detachment 2d Bt. 13th Rt. N. I.

BY ORDER. (Signed) T. H. S. CONWAY, Adjt. Genl. of the Army.

SEN-

That he is guilty of the latter part, but acquit him of the former part of the 2d Charge.

That he is not guilty of the 3d Charge.

The Court finds the Prisoner Mootoosawmy, guilty as before stated, and the same being a breach of the Articles of War, and contrary to good order and military discipline, they do sentence him to be suspended from Rank and Pay for six calendar months.

Officiating Deputy Judge Advocate.

APPROVED AND CONFIRMED.

JAULNAH, 25th *August* 1817. (Signed) T. HISLOP, Lieutenant General.

The Commander in Chief has approved and confirmed the foregoing Sentence which he considers most justly merited: and however anxious he must feel, at all times when practicable, to attend to the recommendation of a General Court Martial, still, in the present instance, His Excellency, in consequence of the gross irregularities of which the Prisoner has been declared guilty, feels precluded from indulging in the exercise of mercy towards him, by an entire remission of the punishment awarded.—In consideration, however, of the strong recommendation of the Court, added to the testimonies of the former good character, and faithful services of the Prisoner, His Excellency is pleased to remit one half of the suspension to which he has been sentenced, and accordingly directs that Subadar Mootoosawmy be suspended from Rank and Pay for the period of three months, commencing from the date of the publication of this G. O. to the 2d Battalion 13th Regiment N. I.

The Commander in Chief seizes this occasion to impress upon the minds of Officers and Men the imperious necessity of observing a kind and conciliatory demeanour towards the Inhabitants of the country; and His Excellency at the same time declares, that he will not fail to visit with the most exemplary punishment, any future instance of a departure from that line of conduct which is so essentially necessary to the interests of policy as well as of humanity.

G. O. BY GOVERNMENT.

1. It having been found inconvenient to adhere strictly to the forms prescribed by the General Orders, 16th September 1815 and 1st June 1816, for establishing claims to "Pensions to Officers "losing an Eye or a Limb in Action or sustaining permanent "injury equivalent to the loss of an Eye or a Limb from Wounds "received in action" those Orders are rescinded, and the following is established in lieu thereof.

2. The Right Honorable the Governor in Council in conformity

mity with the resolution of the Honorable the Court of Directors, contained in their General Letter in the Military Department, under date the 28th of March 1815, of the following tenor,

Para. 2. "Our attention having been drawn to a Regulation "by His Royal Highness The Prince Regent for making a "permanent provision for Officers losing an Eye or a Limb in "action or sustaining permanent injury equivalent to the loss of "an Eye or a Limb from Wounds received in action, we have "taken the subject into our serious consideration, and, being "willing at all times, to mark our consideration, and to extend "our indulgence to all the Company's Officers who suffered by "distinguishing themselves in our Service; we have resolved to "establish a similar Regulation in our own Service," is pleased to promulgate the following Regulations, with the view of carrying into effect the benevolent intentions of the Honorable Court, to grant Pensions to Officers of their Army on this Establishment, sustaining serious and permanent injury in action, to have effect from the date hereafter specified.

3. If any Officer shall be wounded in action, and it shall appear upon an inspection made of him by the Medical Board at any period, not sooner than a year and a day after the time when he was wounded, that he has in consequence of his Wound lost a Limb, or an Eye, or has totally lost the use of a Limb, such Officer shall be entitled to a Pension commencing from the expiration of a year and a day after the time when he was wounded, and depending, as to its amount, upon the Rank he held at that period according to the Scale subjoined. This Pension being granted as a compensation for the injury sustained, is to be held together with any other pay and allowances to which such Officer may be otherwise entitled, without any deduction on account thereof.

4. Officers who have lost more than one Eye or Limb shall be entitled to the provision for each Limb or Eye so lost; and as the Pension is not to commence till after the expiration of a year and a day from the date of receiving the Wound, it is to be independent of the allowance of one year's pay granted under the existing Regulations published in General Orders, by the Honorable the Governor in Council, bearing date the 10th September 1811, to Officers who may have lost a Limb or Eye in action.

5. Applications for this Pension to be made to Government through the Adjutant General of the Army, and to be accompanied, if Commanding Officer of the Army or Detachment, by a Declaration upon honor, that he sustained the injury for which the compensation is claimed, in action; if at the Head of the General Staff, by a Certificate by the Officer Commanding the Army or Detach-

Detachment; if an Officer on the General Staff, or if Commanding a Corps, by a Certificate by the Officer in Command of the Corps at the time, or by the Senior Officer on the Staff, that such injury was sustained in action.

6. The application must likewise be accompanied, if the Officer is serving at, or in the immediate vicinity of the Presidency, by the Certificate of the Medical Board, specifying after inspection, that the Officer claiming the benefit of the Regulation has lost an Eye or Limb, or suffered permanent injury equivalent to the loss of an Eye or a Limb from Wounds.

7. If the Officer applying is serving at a more distant Station, or on Foreign Service, a Certificate to the above effect, signed by the Principal Medical Officer, and the Commanding Officer on the spot is to be forwarded; but it will nevertheless be incumbent on all such Officers who may obtain Pensions without having suffered amputation, whenever their duty or other circumstances may call them to the Presidency, to appear before the Medical Board, and to transmit their Certificate to the Adjutant General of the Army, for the purpose of being submitted to Government.

8. All Officers who have sustained such injury as would entitle them to the provision established by the present Regulation by any Wounds received since the commencement of hostilities in Europe in the year 1793, will, upon the production of the Certificates above directed, be allowed a Pension proportioned, according to the Scale, to the Rank they held at the time when wounded, and commencing from the 25th December 1811.

9. This allowance will be granted in general according to Regimental Rank, but in cases, in which in consequence of their Brevet Rank, Officers shall have been employed at the time when they were wounded in the discharge of duties, superior to those attached to the Regimental Commission, it will be given according to the Brevet Rank.

The Accountant to the Military Department will take the necessary measures for the payment of the Balance of Shares of the Off-reckoning Fund due to Officers of the Bengal Establishment for the year 1812, as well as for the recovery of the Balances due from the Colonels of Regiments, according to the foregoing Statements.

The Governor General in Council, adverting to the difference of systems under which the Off-reckoning Funds at the three Presidencies are conducted, to the great delay occasioned in preparing the Accounts of the Consolidated Fund, and to the many other serious inconveniencies resulting from the union of the Funds of the three Presidencies, detrimental to the interests of Colonels of Regiments, is pleased to direct, pending the decision of the Honorable the Court of Directors on this subject, that the union of the Off-reckoning Funds of the three Establishments, shall be considered as abolished from the 1st of January 1816, from which date the management of the Accounts, and the distribution of the Funds, of the several Presidencies, are to be subject only to the control and orders of their respective Governments.

JOHN CRAIGIE,
Assist. Sec. to Govt. Mil. Dept.

FORT ST. GEORGE, *7th October* 1817.

G. O. BY GOVERNMENT.

The Right Honorable the Governor in Council is pleased to authorize

authorize the appointment of a Park Serjeant to the Ordnance Store Department at Bangalore, and His Excellency the Commander in Chief is requested to issue the necessary orders for carrying this measure into effect.

By order of the Right Honorable the Governor in Council.

SEC. TO GOVERNMENT.

FORT ST. GEORGE, 21*st October* 1817.

G. O. BY GOVERNMENT.

Ordered that the following Extracts from the Honorable Company's General Letter in the Military Department, dated 30th April 1817, and from a Communication from the East India House under date the 3d May following, entitled, "Copy Paragraphs which will be inserted in the next General Letter to Fort St. George," be published in General Orders.

Letter dated 30th April 1817.

Para. 4. "We have permitted the undermentioned Officers severally to return to their Rank upon your Establishment, viz.

Captain Narcissimus H. Hatherley
" David Ross
Lieutenant Jeffrey J. A. Willows, and
" John William Taylor.

5. "We have also permitted Lieutenant Thomas Hadaway to return to his Rank to your Presidency.

6. "Mr. J. Macdougall has our permission to proceed to your Presidency to practise as a Surgeon, and we direct that he succeed as an Assistant Surgeon. His Rank will be settled at a future period.

Paragraphs to be inserted in the next General Letter.

"We have lately had under consideration a Memorial, submitted to us by Captain and Brevet Major Brook Bridges Parlby of the 7th Regiment of N. I. on your Establishment, and now at home on furlough, claiming rank above Captain and Brevet Major William Woodhouse of the same Corps.

"On reference to the documents connected with this case, we find that Captains Parlby and Woodhouse of the 7th, and Captain Thomas Douglass of the 5th Regiment, were all Cadets of the year 1798, at which time the Cadets appointed by us took rank as Commissioned Officers according to their standing on the General List of Cadets of the year, and that Captain Parlby, though Junior Cadet to Captain Woodhouse in that List, was Senior to Captain Douglass.

"This latter Officer it appears, was originally posted to the 7th Regiment, and that he and Captain Woodhouse exchanged Corps

on

on the 21st January 1800, coming in as youngest of their rank according to the rule prescribed for Officers exchanging from one Corps to another. This rule, however, appears to have been neglected in the case under consideration when the Regimental Rank was finally settled in 1801, as we perceive that Captain then Lieutenant Woodhouse, was permitted to rank above Officers in the 7th Regiment, under whom he ought in strict justice to have been placed in conformity with the known and prescribed conditions of exchange, and that he retained that rank until the 8th of October 1805. When in consequence of a representation from Captain Wood (since retired from the Service) complaining of the rank thus assigned to Captain Woodhouse, you directed by a General Order of that date, that Captains Parlby and Wood should take rank of Captain Woodhouse.

"Under a misapprehension of the circumstances attending this case and of the date of Captain Parlby's arrival in India, and of his Commission as a Lieutenant in the 7th Regiment, we directed in our Military Letter of the 9th April 1809, that Order to be rescinded, and Captain Woodhouse to be restored to his former rank in the Regiment.

"We are now satisfied, however, upon a minute investigation of the merits of the question, that Captain Parlby has a just claim to rank above Captain Woodhouse in the 7th Regiment, that Officer having by his exchange relinquished the advantage he might have claimed of Regimental Rank from his standing on the List of Cadets, and we do now therefore direct, that upon receipt of this despatch you will restore Captain Parlby to the Rank he held in the 7th Regiment prior to the 22d May 1810, the date of the Order issued by you in consequence of the instructions contained in our Letter of the 9th April 1809.

"The inconvenience arising from altering the relative rank of Officers at a remote date and the time which has elapsed since the supercession of which Captain Parlby complains took place, would have disposed us to enforce the General Order of your Government of the 7th November 1788, had not that Officer adduced satisfactory proof of the delay which occurred in bringing his representation under our notice, not being imputable to him.

"We have permitted the undermentioned Officers severally to return to their Rank upon your Establishment, viz.

Lieutenant Nicol Spence
Lieutenant J. T. Hodge.

"Lieutenant Edward Burgess of your Establishment, has our permission to remain in England until the departure of the first Company's Ships of next season (1817-18).

"We

"We have permitted Mr. Joseph Cox, and Mr. F. Skelton, severally to proceed to your Presidency to practise as Surgeons, and we direct that they respectively succeed as Assistant Surgeons. —Their rank will be settled at a future time.

"Since our appointment of Mr. John Hoare as a Cadet of Infantry on your Establishment, we have transferred him to Bengal; you will therefore direct him to proceed to that Presidency by the first conveyance.

"You will perceive by Para. 9 in our Letter to you in this Department, under date the 3d January 1817, that we have determined upon adopting the same description of Fife and Fife Cases as is now in use in His Majesty's Service, but as these Fifes will not play in unison with the old description, it becomes necessary [to prevent loss to the public] to introduce them gradually, by supplying such Battalions as are nearest to your Presidency with a new pattern and receiving from them those previously in use, to make up the deficiencies in such Corps as may still retain the old pattern.

"We have permitted the undermentioned Officers belonging to your Establishment, to retire from the Service, viz.

Lieut. Col. Sir Robert Barclay, K.C.B. from the 30th May 1816.

Cornet James Goodrich, from the 22d January 1817.

By order of the Right Honorable the Governor in Council.

RESOLUTION OF THE COURT.—It having been clearly proved that, although the Appellant was placed in the Barrack Guard on the evening of Friday, 11th July, and not brought to trial before Tuesday, the 15th July, and that during that time he was not furnished with a Copy of the Crime on which he was to be tried, and it also appearing that although the Evidences against the Appellant were Natives, there was no regular sworn Interpreter to the Court, and the Officiating Deputy Judge Advocate General having declared his opinion that the Proceedings of the Regimental Court Martial are thereby rendered invalid, and illegal—The General Court Martial therefore rest their Proceedings, until this opinion be submitted to The Most Noble The Commander in Chief, and His Excellency's orders be received as to any further investigation.

FORT ST. GEORGE, 21*st October* 1817.

G. O. BY GOVERNMENT.

Ordered that the following Extract from the Honorable Company's Letter in the Military Department, dated 23d April 1817, be published in General Orders.

Para. 2. We have taken into consideration the Memorials addressed to us by the Commandants of our several Corps of Artillery and Engineers at the three Presidencies, requesting a revision of the Orders contained in Paras. 128 and 38 of our Military Letter to Bengal dated 16th February 1814, which prohibited the employment of General Officers of those Corps on the General Staff of the Army, but authorized their continuance at the head of their respective Corps after promotion to the rank of Major General.

3. We perceive that our Orders have been in some instances understood to vacate the authority of General Officers of Artillery or Engineers employed in the Command of their own Corps whenever a General Officer selected for the Staff shall be on duty at the same Station, and that this idea has occasioned much uneasiness in the minds of the Officers of Artillery and Engineers at our several Presidencies.

4. To obviate these apprehensions hereafter, we desire that it may be understood that in all cases in which a General Officer selected for the Command of the Corps of Artillery or Engineers shall meet a General Officer selected for the Staff from the Cavalry or Infantry in any Garrison, Cantonment, Camp or Army, that such General Officers of Artillery or Engineers shall take Rank and Command according to the dates of their respective Commissions.

5. But as it is not our intention that General Officers of Artillery or Engineers, should interfere with the Officers of the Line in General Commands (except from casual causes as above stated) or be appointed to the Command of Stations, we direct that the General Officers of Artillery shall be appointed to the Garrisons of Fort William, Fort St. George, or Bombay, or to the Head Quarters of the Artillery at each Presidency, and that the General Officers of Engineers shall be stationed at those Garrisons respectively.

6. Having also taken into consideration the pecuniary situation in which our General Officers of Artillery and Engineers are placed by our orders of 16th February 1814, and the recommendations of our several Governments that we would put those Officers on the same footing with respect to allowances as the General Officers

Officers selected for the Staff, we authorize you to grant to the General Officers of Artillery and Engineers selected for the command of their respective Corps the same allowances as are now granted to the Officers selected for the Staff at our several Presidency Stations, namely, five thousand Pounds Sterling per annum each, together with the Pay of their Regimental Rank, according to the orders conveyed to you in our Military Letter dated 5th May 1815. But it is to be understood that whenever these Situations are filled by Officers holding an inferior Rank to that of General Officers, their allowances be regulated by the Orders now in force.

7. Such General Officers of Engineers and Artillery will of course be relieved every four years as directed in Para. 134 of our Military Letter of the 16th February 1814, according to the practice which prevails among the General Officers of Cavalry and Infantry selected for the Staff, unless some special reason shall occasionally exist for deviating from this rule, of which of course you will duly advise us.

8. These orders to have effect from the date of their receipt at our several Presidencies.

By order of the Right Honorable the Governor in Council.
