FORT ST. GEORGE, 23*d December* 1817.

G. O. BY GOVERNMENT.

1. The Right Honorable the Governor in Council is pleased to direct, with reference to Para. 64, Page 312 of the Code of Pay Regulations, that Memorandums of the Particulars, not only of all Vouchers which accompany the Pay Abstracts of Officers, but also of all Stoppages (of every description without exception), which may be made by Paymasters, from their monthly Pay and Allowances, shall be inserted at foot or on the back of the Abstracts—The aggregate amount of the Stoppages to be deducted from the Total of the Abstracts in the following manner "Deduct amount of Stoppages as per Particulars at foot *(or on the back as the case may require)* of this Abstract"—and the Receipt to be given for the net or actual sum only which Officers receive.

2. The object of the above Regulation being the protection equally of the Officer and Paymaster, it is notified on the one hand, that the insertion on the Abstracts thus directed will, in case of dispute hereafter, be considered as equivalent to a Receipt from the Paymaster for the amount of the Stoppages or delivery of the Vouchers—and on the other hand that, if the insertion should not be found on the Abstracts, and that no separate Receipt is forthcoming, it will be held as conclusive that no such Payments were made or Vouchers delivered.

3. The Governor in Council further directs that the signature at present required to be affixed by Officers to each Pay Abstract *above* the Receipt, shall be dispensed with—the signature to the Receipt being considered to give sufficient validity to the document—the countersignatures, &c. to continue as at present.

4. In like manner the Abstract at the foot of each Muster Roll is in future to be inserted immediately following the Names in the Muster Roll, and the Certificate prescribed by the 11th Para. Page 238 of the Code of Pay Regulations, is to be affixed immediately under the Abstract Muster Roll, by which one signature of the Officer Commanding the Troop, or Company, and one of the Officer Commanding the Corps, or Detachment, will be rendered sufficient.

5. It is directed that all Public Letters in the Military Pay Department shall be written on Foolscap, or other Europe Writing Paper, and that when more than one side of the sheet of paper is written on, the whole sheet is to be sent for the convenience of record.

6. It is also directed that all Bills, Pay Abstracts, Muster Rolls, and Certificates of last Payment drawn and issued by Officers and Paymasters, shall be written (or printed) on Foolscap or other *Europe* Writing Paper, and for the convenience of the Army the Superintendent of the Government Press is authorized to forward, free of postage, to Officers who may be desirous of purchasing them, blank Pay Abstracts and Muster Rolls, the established Forms of which will be furnished by the Office of Audit to the Superintendent for that purpose.

7. Difficulties having arisen from the mode of calculating the Pay, &c. of Individuals for broken periods in a month, as directed by the present Code, Page 312, Paras. 65 and 66, it is considered necessary to cancel those provisions, in lieu of which the following are established—the Pay and Allowances of all Individuals of Non-Commissioned Rank and File, Followers, &c. (which may be the same for any month without reference to the number of days) when drawn for broken periods, are to be issued according to the number of days they actually served, or were employed on the public service, the amount of one day's pay being calculated according to a month of 30 days—but in all cases of Pay and Allowances, Pensions, &c. of Officers or Persons of that Rank for broken periods, the calculations, are to be made by dividing the total monthly allowance by 28, 29 or 31 days, according to the number of days in the month, and multiplying the amount of one day's pay, thus ascertained, by the number of days for which claims may be payable; and all unsettled questions connected with such calculations are to be adjusted in conformity with the Regulations hereby established.

8. The Governor in Council has of late had occasion to notice the inattention of several Paymasters to the established Regulations for their Offices, in discharging unauthorized allowances, particularly in the cases of Non-Commissioned Rank and File, Followers, &c. from whom the amount of such irregular payments cannot without great inconvenience be recovered—the irregular payment of staff and other extra allowances to Officers without due authority, has also on many recent occasions been brought to public notice by the references of the Parties for relief, when the allowances so paid have been objected to on the Audit of the Public Accounts—and the usual plea to support such appeals, being the hardship of requiring Officers to refund sums which from not having been objected to by Paymasters, they were led to consider as their just right---it is deemed necessary to call the particular attention of Paymasters to the 16th and 17th Paras. of the Code of Regulations for the Military Pay Department, Page 325, which direct them to refer all doubtful claims to the Military Auditor General before they discharge them.

9. It is also considered proper to notify, that when appeals on the subject of unauthorized payments may hereafter be made to Government, the conduct of the Paymaster in discharging such demands will be taken into consideration, and the Military Auditor General is accordingly directed, in submitting such appeals, to explain with reference to the responsibility of Paymasters for unauthorized payments, how far their conduct may be defensible or otherwise, under the circumstances of each case, in the improper issue of the Public Money entrusted to their charge.

The Governor in Council considers it further necessary to apprize Officers of the Army that, however culpable it may be in Paymasters to discharge unauthorized claims, the plea above alluded to, of the hardship of refunding sums irregularly drawn, will in future meet with no indulgence, unless circumstances may appear to justify their conduct, as it is the duty of every Officer to make himself acquainted with the Regulations of Government, and not to draw allowances without the prescribed authorities.

By order of the Right Honorable the Governor in Council.

G. O. BY GOVERNMENT.

Ordered that the following Extract from the Honorable Company's General Letter in the Military Department, dated the 16th June 1815, be published in General Orders.

Para. 139.—In consequence of the numerous applications, which have been preferred to us by our Servants, on leave of absence in this country, for advance of money on loan, We think it proper to recal your attention to our orders in the Military Department, of the 26th February 1808, upon this subject.—Those orders declared our determination not to make any pecuniary advances to Officers at home, beyond what they are allowed by the existing Regulations of the Service, and you are required to publish them in General Orders to the Army; but as a Resolution of this description, in order to be generally known to a Body which is continually receiving an accession of new members, should be occasionally republished, and being fully persuaded that a strict observance of this Resolution, will prevent much trouble and inconvenience, besides loss to the Company; we direct that our orders above adverted to, be in future circulated for the information of the Army, in the month of January in every year, and we shall take the necessary steps for reminding Officers who may arrive in England upon furlough, of our determination upon the subject in question.

GENERAL ORDERS,

CHOULTRY PLAIN,

20th January 1818.

ORDERS BY MAJOR GENERAL DYCE.

The Right Honorable the Governor in Council having addressed the subjoined Orders to the Commander in Chief, to be published to the Army, they are accordingly, by order of His Excellency the Commander in Chief, published in General Orders.

FORT ST. GEORGE, 23*d December* 1817.

G. O. BY GOVERNMENT.

The Right Honorable the Governor in Council has received a Dispatch from the Resident at Nagpore, under date the 8th Instant, forwarding an application on the part of the Native Commissioned, Non-Commissioned, and Privates of the 1st Battalion 24th Regiment of Native Infantry, to be permitted to bear the "Number and Facings" of the Corps, to which this Battalion belonged previously to the 31st December 1806.

The highly deserving conduct of this Battalion in the Action at Nagpore on the 26th and 27th Ultimo, has entitled them in common with the other Troops engaged on that occasion, to the cordial approbation of the Government, and to the warmest acknowledgments of it's admiration. Their devotion, their gallantry, discipline and zeal were eminently conspicuous; and "in no instance," the Resident observes, "have interests so important been more nobly or successfully maintained by so small a band."

The Governor in Council has fully appreciated the honourable feeling, which prompted the 1st Battalion 24th Native Regiment to seek to regain it's former position on the strength of the Army of Fort St. George; and while this tribute is due to their meritorious conduct in the late affair at Nagpore, The Governor in Council perceives in the proper spirit, which has made this distinction the aim of their ambition, a certain pledge that the expectations which he forms in according it, and his reliance on the future services of the Corps, will not be disappointed.

The Governor in Council accordingly directs that, from the 31st Instant, the First Regiment of Native Infantry shall be restored to the List of the Army of this Presidency with all it's Appointments; and that the two Battalions now composing the 24th Native Regiment, shall resume their former numbers respectively in the 1st Native Regiment.

His Excellency the Commander in Chief is requested and authorized to give the necessary orders for carrying this arrangement into immediate effect.

By order of the Right Honorable the Governor in Council.

Remarks by His Excellency The Most Noble The Commander in Chief.

The circumstantial evidence on this trial is such as to give to the mind of The Commander in Chief a strong leaning to concur with the Court in pronouncing the guilt of the Prisoner, His Lordship therefore is to be understood as by no means intimating disapprobation of the Finding or the Sentence, still he feels himself bound to apply to this case the jealous caution respecting testimony which is observed in British Criminal Proceedings, but which could not be familiar to the Members of a Native Court Martial.

To render the inferences against the Prisoner conclusive, it was necessary to prove that he was not at home at the time when the murder was committed, only a solitary witness is competent to speak to the point. He is asked whether the Prisoner was, at the particular hour, in the room where they both slept, he answers that he cannot tell, as the room was twenty-one cubits long, the Prisoner's bed being at one end, and his at the other, while it was so dark, he could not see the distance of five paces. The witness in the course of the examination was questioned about another Man belonging to the same room, and answered that the Man was with the Picket, being asked how he knew that Man to be with the Picket, not having been there himself, he replied, "how could I help knowing that he was "not at home when I was alone in the room." It is probable that the inconsistency of his evidence was remarked to him by somebody after the Court adjourned, for the next day, he desired to correct his evidence, and

instead of his first answer to substitute an assertion, that the Prisoner was not in the room, as he saw the clothes of the Prisoner's bed, and observed the Prisoner was not in it. On being reminded of the distance which he had stated to exist between the two beds, he said it was a clear moonlight night and he could see every thing in the room distinctly; whereas he had on the former day sworn, that it was so dark he could not see five paces. The incorrectness of his original testimony he ascribes to his confusion on being examined for the first time before a Court Martial: yet the particularity with which he specified points on the original examination does not indicate embarrassment. A further doubt is thrown on his evidence by his acknowledgment that a quarrel existed between him and the Prisoner, and that they had not spoken to each other for twenty days. A testimony so suspicious cannot be suffered to decide on a Man's life; and without this testimony, the Crime cannot be brought home to the Prisoner. The Commander in Chief is desirous to have these points explained distinctly, not only to the Members of the Court Martial but to the Men of the Battalion, that they may understand on what the decision turns; and His Lordship directs the communication to be carefully made.

The Prisoner is to be released; but is to be turned out of the Battalion as a Man laboring under the heavy suspicion of an atrocious murder. A minute description of his person is to be transmitted to the Adjutant General, that it may be circulated to the several Corps of this Army, and to the Officers recruiting for the Madras Army, in order that Jurbuudun Sing may not be permitted to re-enter the Service of the Honorable Company.

By Command.

SENTENCE.—The Court having maturely weighed and considered all that has been adduced in support of the prosecution, as well as what the Prisoner has alleged in his defence, are of opinion that the Prisoner, Matross W. Burns, is guilty of the 1st Charge preferred against him.

The Court are further of opinion that the 2d Charge has not been proved, and they do therefore acquit him of the same.

The Court are further of opinion that the Prisoner is not guilty of the 3d Charge, and they do therefore acquit him of the same.

The Court having found the Prisoner guilty as above specified, do therefore sentence him, the said Matross W. Burns, to suffer solitary imprisonment for six (6) calendar months.

APPROVED AND CONFIRMED.

(Signed) M. NIGHTINGALL, Lieutenant General.

Remarks.

The Commander in Chief having taken into serious consideration the unofficerlike, intemperate, and extremely reprehensible conduct of the prosecutor, Lieutenent Henry Jackson of the Battalion of Invalids, in having assaulted the Prisoner, Matross W. Burns of the 3d Company of Bombay Artillery, in the most violent and shameful manner, by which the Prisoner was unfortunately provoked to commit the greatest crime a Soldier can be guilty of, by lifting his hand against his Officer; a crime of such magnitude in an Army, as (under any other circumstances) to justly merit the punishment of death; and taking also into consideration the very long confinement which the Prisoner has already unavoidably undergone, The Commander in Chief is disposed to remit one half of a punishment, which (however severe) would under a different view of the case have been far too lenient for the enormity of the offence.—The solitary confinement is therefore to be limited to the period of three calender months from the present date.

The General Court Martial of which Colonel J. Griffith is President, is dissolved.

G. O. BY GOVERNMENT.

The Right Honorable the Governor in Council directs the publication, in General Orders, of the following Regulation.

A. D. 1817. REGULATION VIII.

A REGULATION for expediting the trial of civil suits in which the Native Officers and Soldiers attached to regular Corps on the Military Establishment of the Presidency of Fort St. George, may be parties, and for giving to them certain facilities in the maintenance and recovery of their rights, claims and interests.—Passed by The Governor in Council of Fort St. George, on the 9th December 1817; corresponding with the 26th Karteky of the year Eswara, 1739th year of Salewahan; and with the 29th Mohurrum, 1233 Hijeree.

Preamble.

Whereas the Native Officers and Soldiers on the Military Establishment of the Presidency of Fort St. George are liable to be stationed at places remote from their homes, and families; and whereas the impracticability of granting to such Native Officers and Soldiers frequent or prolonged leave of absence from their military duties, has caused to them material difficulty and embarrassment in maintaining and recovering their just rights, claims and interests; and whereas the fidelity and courage exhibited by the Native troops, in various wars on the continent of India, and the zeal and alacrity which they have uniformly displayed in voluntarily embarking on foreign expeditions, entitle them to the favourable consideration of Government; The Governor in Council with the view of manifesting his sense of their good conduct and of affording to them every facility in the maintenance and recovery of their rights, claims and interests, which can be granted consistently with a due regard to the fundamental principles established for the administration of civil justice, and for the collection of the land revenue, has enacted the following rules, to be in force from the period of their promulgation, throughout the territories dependent on the Presidency of Fort St. George.

Provisions of certain Regulations modified.

II. Such parts of the Regulations in force as prohibit the Courts of Civil Justice from corresponding by letter with parties in depending suits, or direct that no pleadings shall be received in any civil cause except from the parties or their authorized pleaders; such parts of the Regulations in force as require generally, that depending causes shall be brought to trial according to the order in which they may stand on the file; and such parts thereof as prohibit the Courts from

furnishing copies of decrees, or from receiving mokhtarnamahs on any other paper than the prescribed stampt paper, are hereby declared to be subject to the modifications contained in the following Sections of this Regulation.

Native Officers and Soldiers may appoint attornies to transact business for them in the Provincial and Zillah Courts.

III. *First.* Whenever a Native Officer or Soldier on the Military Establishment of the Presidency of Fort St. George shall be desirous of instituting a regular or summary suit in any Zillah or Provincial Court, and shall not be able to obtain a furlough or leave of absence for the purpose of superintending or conducting such suit in person, he shall be at liberty to execute a mokhtarnamah or power of attorney, drawn up according to the Form No. 1 in the Appendix to this Regulation, authorising and appointing any member of his family or other person to institute and carry on the suit, and to perform all acts in the original trial of the cause, and eventually in appeal, in the same manner as if the party were himself personally present and consenting.

The mokhtarnamah not to be on stampt paper.

Second. Such mokhtarnamah shall not be required to be written on stampt paper, but shall be executed by the Native Officer or Soldier in the presence of the Commanding Officer of the Corps or Detachment, to which he may belong, who shall countersign the same in testimony of it's having been voluntarily executed.

The mokhtarnamah to be transmitted in a prescribed form by the Commanding Officer of the party, to the Court.

Third. The mokhtarnamah so executed is to be transmitted by the Commanding Officer under cover of a public letter drawn up in the Form No. 2 of the Appendix, addressed to the Register of the Court in which the suit is to be instituted, and upon the receipt of such letter, a notice shall be issued by the Court for the purpose of procuring the attendance, either personally, or by a constituted vakeel of the person nominated in the mokhtarnamah.

If the person nominated decline or be unable to act, information thereof to be communicated by the Court in a prescribed form.

Fourth. If such mokhtar shall refuse to attend the Court in person, or by a constituted vakeel, or shall decline to undertake the trust, or having undertaken it shall subsequently die, or be prevented by any sufficient cause from discharging the duty confided to him, the Court shall cause information of the same to be communicated to the Native Officer or Soldier, by an extract from their proceedings enclosed in an official letter to be addressed to the Commanding Officer of the Corps.

The mokhtarnamah to be filed of record. The suit to be tried under the general Regulations. If the party be not present, copy of the decree how to be communicated to him.

Fifth. If the appointed mokhtar shall attend the Court in person, or by a constituted vakeel, and shall consent to undertake the duty confided to him, the original mokhtarnamah shall be deposited in the Court and shall form part of the record of the cause. The suit shall be instituted, tried and determined in conformity with the general rules in force for the institution and trial of other similar suits, provided, however, that in all cases where the Native Officer or Soldier, who may be the principal in the suit, shall not be himself present at the time of it's decision, an authenticated copy of the decree written on unstampt paper, shall be transmitted by the Court, to the Commanding Officer of the Corps or Detachment, for the purpose of it's being communicated to the Native Officer or Soldier.

These provisions not applicable to claims originating in loans or commercial transactions.

Sixth. It is hereby explained that no part of the preceding Clauses, or of the subsequent provisions of this Regulation, is intended to be applicable to claims originating in loans granted by a Native Officer or Sepoy, or in pecuniary transactions of a commercial nature.

Rules to be observed with the view of obviating the necessity of ex-parte trials in causes wherein Native Officers or Soldiers are defendants.

IV. *First.* For the purpose of ensuring the due communication to all Native Officers and Sepoys of the summons or other notice of the institution of suits against them so as to prevent as far as possible such suits from being brought to trial ex-parte, it is hereby enacted that in all such suits the plaint or petition of appeal shall contain a declaration that the defendant or respondent is a Native Officer or Soldier, and all plaintiffs or appellants who shall knowingly and intentionally omit to make such statement, are hereby declared liable to be fined in such sum as the Court before whom such pleadings may be filed shall deem equitable, not exceeding one fourth of the institution fee or stamp duty in each case; and it is further provided that the plaintiff or appellant shall state in his plaint or petition of appeal to the best of his knowledge or belief the particular Regiment or Corps to which such Native Officer or Sepoy may belong, or in the event of his being unable to specify the same, then it shall be the duty of the Court before whom the suit is filed, to endeavour to ascertain the point.

A notice in the usual form to be transmitted to the Commanding Officer.

Second. A notice in the usual form, together with a copy of the plaint or petition of appeal on unstampt paper, enclosed in an official letter drawn up according to the Form No. 3 of the Appendix, shall be then transmitted by the Court to the Commanding Officer of the Corps, for the purpose of their being communicated to the Native Officer or Soldier against whom the suit may have been instituted; a similar notice shall be issued, when omitted in the first instance, from ignorance of the defendant's being a Native Officer or Soldier, attached to a regular Corps, if at any subsequent period during the trial of the suit it should appear to the Court, that the defendant or respondent is a Native Officer or Soldier as above described.

The Commanding Officer on receipt of the notice will cause it to be duly served.

Third. The Commanding Officer shall, if practicable, cause the notice to be served on the party to whom it is addressed, and shall then return it to the Court from whom it issued, with the written acknowledgment of the party endorsed thereupon, together with the mokhtarnamah, according to the Form No. 1 in the Appendix, if the party should have appointed an attorney to defend the suit in his behalf. If from whatever cause the notice transmitted to the Commanding Officer cannot be served upon the Native Officer or Soldier, to whom it is addressed, it shall be returned by the Commanding Officer to the Court from whom it had been received, with information of the cause which had prevented the service of it. In such case of non-service of process the Court shall make such further reference or shall adopt such other measures in order to the due service of such process, as may appear to be proper and consistent with the Regulations.

The Court how to proceed if the notice cannot be served.

Communications to be made by Commanding Officers of leave of absence granted to Native Officers or Soldiers to enable them to conduct their own Suits.

V. *First.* When a Native Officer or Soldier may obtain a furlough for the purpose of instituting or defending a civil suit in any of the Zillah or Provincial Courts, he shall be furnished by the Commanding Officer of the Corps or Detachment, with an official letter addressed to the Register of the Court in which the suit is to be tried; such letter shall be drawn up according to the Form No. 4 of the Appendix to this Regulation, but it shall not give cover to any petition, nor contain any statement or explanation of the merits or circumstances of the case.

The Court authorized to nominate a vakeel on behalf of the Native Officer or Soldier.

Second. Such letter shall be delivered in person by the Native Officer or Soldier to the Court, who are hereby authorized, at the request of the party, to nominate a vakeel of the Court to aid in preparing the pleadings and generally in conducting the prosecution or defence of the suit.—The Court shall at the same time cause the Native Officer or Soldier to be duly apprized of the provisions contained in Regulation XIV of 1816, and in any other Regulation in force, relative to the duties, and established fees of pleaders, and of the necessity of conforming thereto in the event of his employing a pleader.

A Native Officer or soldier not prohibited from pleading in person, or appointing their own pleaders.

VI. Nothing contained in the preceding Section shall be construed to prohibit a Native Officer, or Soldier, from pleading his cause in person, or from employing any authorized pleader of the Court, instead of applying to the Court to nominate a vakeel to act on his behalf.

Suits instituted under this Regulation to be tried forthwith.

VII. *First.* The Zillah and Provincial Courts are hereby authorized and required to bring to a hearing without regard to the order in which they may be filed, all suits in which a Native Officer, or Soldier, who may have obtained leave of absence from his Corps, may be a party, and to pass a decision thereon as speedily as may be, consistent with the due administration of justice.

The Courts may extend the Officer's or Soldier's leave of absence under certain rules.

Second. If the cause cannot be brought to a decision previously to the expiration of the furlough granted to such Native Officer or Soldier, the Court before whom the suit may be depending, is hereby vested with a discretionary authority to grant to such Native Officer, or Soldier, an extension of his leave of absence for a period sufficient to admit of a reference being made to the Commanding Officer of the Corps for the purpose of ascertaining whether the furlough can be prolonged for any further specific period.—But whenever a Judge or Register may exercise the discretionary power above vested in him, he shall be careful to make the reference immediately in an official letter to the Commanding Officer of the Corps to which the Native Officer or Sepoy may be attached.

Native Officers or Soldiers quitting the court station before the determination of the suits, may appoint attornies in their benalf.

Third. A Native Officer or Soldier returning to his Corps before a final decision has been passed in his suit, shall be at liberty to leave the further conduct of the suit either to a mokhtar duly constituted under a mokhtarnamah executed according to the Form No. 1 in the Appendix to this Regulation, or to one or more of the established pleaders of the court empowered to act for him by a regular vakalutnamah.

Notice to be given whenever land or other real property belonging to Soldier or Native Officer is attached by Courts.

VIII. Whenever any land or other real property belonging to a Native Officer or Soldier may be attached by a Court of Justice for the purpose of realizing the amount of any judgment, fine or penalty imposed on such Native Officer or Soldier, the Court shall cause notice of the same to be issued in the manner prescribed in Clause Second, Section IV of this Regulation, and shall postpone the sale for such definite period as may appear reasonable, for the purpose of affording an opportunity to the Native Officer or Soldier to discharge the amount of the judgment, fine, or penalty.

Proprietors of malgoozaree estate being Native Officers or Soldiers may register themselves as such on application to the Collector.

IX. *First.* Any registered proprietor of an estate paying revenue to Government, who may be entertained as a Native Officer or Soldier on the Military establishment under the Presidency of Fort St. George, shall be at liberty to notify to the Collector the rank which he may hold and the designation of the Corps to which he may be attached. A record of such notification shall be inserted by the Collector in the public registers and accounts relative to the estate and it's assessment, and in cases in which the estate, or a portion of the estate of a Native Officer or Soldier, who may have made such notification, shall become liable to public sale for the recovery of an arrear of revenue, the Collector shall address an official letter to the Commanding Officer of the Corps, drawn in the form prescribed in No. 5 of the Appendix to this Regulation; and shall enclose in such letter a written notice, signed and sealed by himself and attested by the principal Native Officer on his establishment, specifying the amount of the arrear, and the date on which it became due, and requiring that it be paid at the treasury of the Collectorship within such limited period of time, as on consideration of the distance, at which the Corps may be stationed, and other circumstances of the case, may appear to be proper and reasonable.

Collectors how to proceed if such landed property becomes liable to sale for arrear of revenue.

The Commanding Officer how to proceed on receiving the Collector's notice.

Second. The Commanding Officer of the Corps shall acknowledge to the Collector the receipt of his letter and shall specify the date on which the notice may have been communicated to the party, or the circumstances which may have rendered it impracticable to make such communication.

Collectors how to proceed in cases where arrears may not be discharged within a specified time.

Third. If the Native Officer or Soldier shall omit to discharge the arrear within the term specified in the notice, the Collector shall report the circumstances of the case to the Board of Revenue, transmitting at the same time a copy of the notice and of his correspondence with the Commanding Officer, and shall be guided in his further proceedings by the orders which he may receive in each case from the Board.

Commanding Officers not to correspond with Courts on the merits of cases.

X. *First.* Nothing contained in this Regulation shall be construed to authorize the Commanding Officer of any Corps or Detachment to correspond with the Civil Courts or with the Collectors, regarding the merits of any judgment, or order, passed by those authorities respectively under the provisions of this Regulation.

This Regulation not applicable to irregular Troops.

Second. Nothing contained in this Regulation shall be construed to modify, or to affect the existing rules for the trial of civil suits, in which persons who may have been discharged from the service, or who may be attached to Provincial Battalions, or to local or irregular Corps, or who may be Camp Followers, or non-combatant retainers of the Army, or who may be relations, or members of the family of a Native Officer, or Soldier, may be parties; the foregoing provisions of this Regulation are to be considered as strictly and exclusively applicable to Native Officers, or Soldiers who may be entertained in regular Corps and on the actual strength of the Army, on the establishment of the Presidency of Fort St. George.

Head Quarters of the Army of the Deckan : Camp at Gunny, Monday, 14th December 1817.

General Orders by the Commander in Chief.

The Commander in Chief has received from Brigadier General Smith, C.B. Commanding the 4th Division of the Army of the Deckan, the detailed accounts of an Attack made on the 5th Ultimo, by the Troops of His Highness the Peishwah upon the Bombay Brigade, stationed at Poonah under the Command of Lieutenant Colonel Burr, and of the subsequent defeat on the 16th Ultimo, of the Peishwah's Army, with the capture of the City of Poonah, by the 4th Division, under the personal Command of the Brigadier General.

His Excellency would neither do justice to his own feelings, or to the merits of the Troops employed on this occasion, were he not to express to the Army at large, his high sense of admiration, of the wisdom of the plans, and the gallantry and valour displayed in their execution, which have led to results so important and decisive; and His Excellency embraces this opportunity of offering to Brigadier General Smith his warmest thanks for the manner in which his march was conducted from Seroor to Poonah, under circumstances of no ordinary difficulty, increased as it was by the total absence of regular Cavalry, and the decision and promptitude with which his attack of the Enemy's lines was planned and executed, and their dispersion and overthrow effected, by a perseverance and determined courage which have never been surpassed.

The Commander in Chief notices in this place, with equal satisfaction, and commendation, the exemplary behaviour of the Auxiliary Horse under the command of Captain Spiller, to whom His Excellency desires to offer his best thanks for his gallant, spirited, and successful charges, against such superior numbers of the Enemy's Cavalry.

The passage of the River by the 2 Divisions under the Brigadier General and Lieutenant Colonel Milnes, is worthy of particular notice, and His Excellency has great pleasure in recording his high sense of the gallant and able manner in which that measure was effected, particularly by the Division under Lieutenant Colonel Milnes, to which the most determined opposition was given by the greater part of the Enemy's Artillery and Infantry.

The conduct of the Brigadier General in providing for the safety and protection of the City and Inhabitants after the Victory, is entitled to, and has the highest praise and approbation of the Commander in Chief, and the signal forbearance, and excellent discipline shewn by the Troops, on an occasion so trying and under circumstances of peculiar aggravation and cruelty, reflects a lustre upon their character which must ever be remembered with sentiments of the highest respect, and gratitude; and His Excellency most heartily participates in the feelings which the Brigadier General and his gallant Army must have enjoyed at the moment they planted the British Colours on the Peishwah's Palace, in the Heart of his Capital, which owed to their discipline, subordination, and forbearance, it's preservation from plunder and destruction.

His Excellency requests that Lieutenant Colonel Burr will accept of his warmest acknowledgments for the exemplary gallantry, and determined devotion with which the sudden and perfidious attack of his small Force, by the whole of the Peishwah's Army on the 5th Ultimo, was so resolutely opposed, and successfully repulsed.

The dispositions made by the Lieutenant Colonel on that occasion reflects the highest credit upon his Military character, and the success of his operations against a Force so very superior in numbers, is a convincing proof (if such were required) that coolness and discipline will always be found irresistible opposed to any numerical superiority, if deficient in those essential qualifications.

The conduct of the 1st Battalion 7th Regiment Bombay Native Infantry upon this memorable occasion, demands the particular notice of the Commander in Chief, and although His Excellency feels it difficult to distinguish, where all employed have acted so admirably well, yet the peculiar situation in which this gallant Corps was placed, pressed by severe and repeated attacks of the Enemy, both Horse and Foot, all of which were successfully resisted, entitles this Battalion to His Excellency's special notice, and the Commander in Chief desires that the expression of his highest approbation, may accordingly be communicated to the 1st Battalion 7th Regiment Bombay Native Infantry.

The conduct of Captain Ford and the Brigade under his Command, is also entitled to the Commander in Chief's cordial approbation.

The Commander in Chief desires that Brigadier General Smith will express to the Staff, the Artillery, His Majesty's 65th Regiment, the Bombay European Regiment, and the whole of the Native Troops employed, his highest approbation of their conduct, which His Excellency will not fail to report in the flattering terms of praise it so justly merits, to His Excellency The Most Noble The Governor General; and the Commander in Chief directs that it be particularly explained to the Native Troops, that their courage and discipline, will be no less the theme of his favorable notice to that high Authority, than their unshaken loyalty and incorruptible fidelity, amidst the most artful and active attempts to seduce them from their duty and allegiance.

The Commander in Chief has now the pleasing duty of publishing to the Army a further instance of the admirable conduct of a Detachment of the distinguished Army he has the honor to Command.

Official reports have reached His Excellency from Lieutenant Colonel H. S. Scot, Commanding the Detachment of the 5th Division at Nagpoor, of a most brilliant and decisive Action which took place at that Capital, between the British Troops, and the whole of those belonging to His Highness the Rajah of Berar, on the 26th and 27th Ultimo.

The Detachment under the Lieutenant Colonel's Command, previous to the treacherous attack made upon it by a Chief with whom we were on terms of friendly alliance, did not exceed the total amount of thirteen hundred and fifty Rank and File, and with this small and gallant Band, an Action of eighteen hours in continuance, was maintained, with a degree of perseverance, determined courage, and unconquerable bravery, which has never on any occasion, been surpassed.

It is a peculiarly gratifying part of the Commander in Chief's duty to offer his most grateful tribute of unqualified praise, and admiration, to Lieutenant Colonel Scot and the Officers and Men of his Detachment, for their excellent conduct upon this memorable occasion; and His Excellency may with truth assert, that there never has occurred, an occasion, where praise has been better earned or more justly merited than this.

The gallant perseverance and devoted courage of the small Brigade of Infantry, consisting of the 1st Battalions of the 20th and 24th Regiments Madras Native Infantry, (weakened by a large proportion of Sick in Hospital) place those Corps in the enviable possession of the applause of their Superiors, and the admiration of their brother Soldiers.

The pressure of the attack was sustained by the 1st Battalion 24th Regiment, and His Excellency feels no common pride and satisfaction, in declaring his most unqualified praise not only of it's gallantry, enterprize, and steadiness, but of the high and honorable feelings, which have since been manifested by the Corps in the unanimous request which has been made, that their original Number in the Army, and Facings, may again be restored, in preference to any reward which could be conferred upon them, and which His Excellency feels it due to the Corps, to acknowledge through the medium, of this public record, of their distinguished gallantry and brilliant services.

The feelings which have dictated this request are so highly honorable to the character of the Corps, that His Excellency would be guilty of great self-denial, were he to conceal the pride and gratification he will experience in submitting their Petition to the favorable notice of His Excellency The Most Noble The Governor General, and Commander in Chief; and Lieutenant General Sir Thomas Hislop, ventures to assure the 1st Battalion 24th Regiment, that His Lordship in considering their Petition will not allow it to diminish their other claims upon his approbation and favourable consideration.

The three Troops of the 6th Regiment Bengal Native Cavalry under Captain Fitzgerald, reinforced by a small Detail of the Madras Body Guard, have established a claim to the highest commendation.—The judgment and decision displayed by Captain Fitzgerald, in seizing the happy moment of attack, will ever speak the highest eulogium on that Officer's professional character and ability;—and the gallantry, and perseverance of this small but formidable Body, place it's merits and services in the most distinguished rank; nor is it too much to add, that the arduous contest which had been supported for 18 hours by the persevering gallantry of the Infantry, was decided by the discipline and enterprize of this gallant Detachment led on by Captain Fitzgerald.

The conduct of the small Detachment of Madras Artillery and Pioneers, has been eminently conspicuous, and has added another instance of courage, and discipline, to the well established reputation of the Corps to which they belong.

The important results of this Action, speak forcibly the praises of every individual Officer and Soldier engaged, and The Commander in Chief feels that all have an equal title to his grateful approbation, but the fortune of war frequently prevents opportunities, particularly claiming distinction; and His Excellency feels it an imperative duty to record the Names of the following Officers, who, with the most honorable zeal, have been so fortunate as to benefit by the favorable occasions which presented themselves during the arduous struggle.

Major MacKenzie, Commanding 1st Battalion 20th Regiment Madras Native Infantry.

Captain Lloyd, Bengal Establishment, Commanding the Resident's Escort.

Captain Fitzgerald, Commanding Detachment 6th Regiment Bengal Cavalry.

Captain Charlesworth, Commanding 1st Battalion 24th Regiment Madras Native Infantry.

Lieutenant Jenkins, Bengal Establishment, Commanding Nagpore Battalion.

Lieutenant Maxwell, Commanding Detachment Madras Artillery; and Cornet Smith, 6th Regiment Bengal Cavalry.

The pleasing duty Lieutenant General Sir Thomas Hislop has had to perform, of publishing his sentiments of approbation, and thanks to this gallant Detachment, equally imposes upon him, the melancholy duty, of paying a just tribute to the memory of those who have gloriously fallen on this memorable occasion.

The severe loss in Killed, and Wounded, is a subject of deep regret; but it will be a considerable consolation to the relations, and friends, of those brave Men who have fallen, to remember that they have died in the most devoted and honorable struggle, for the interests of their Country, and the glory of her Arms, and that their memory will be handed down to posterity, with honor, and grateful respect.

The following are the Names of the Officers who have fallen.

Captain Sadler, Commanding 1st Battalion 24th Regiment Madras Native Infantry.

Lieutenant and Adjutant Grant, 1st Battalion 24th Regiment Madras Native Infantry.

Lieutenant Clarke, 1st Battalion 20th Regiment Madras Native Infantry.

Assistant Surgeon Niven, unattached.

The sufferings of the families of the Native Corps during the Action, were unavoidably great; and many, it is deeply feared, have perished from their exposed situation, and the inveterate cruelty of the Enemy.—The Commander in Chief deeply deplores this melancholy event, and assures the Native Army, that the Widows, and Orphans, left destitute, shall have his immediate attention, and consideration, and that he will recommend them in the strongest terms, to the generous protection of Government, which is ever watchful to reward merit, and relieve the wants, and distresses, of it's faithful Soldiers.

Lieutenant Colonel Scot will be pleased, immediately to form a Committee of experienced Officers, to ascertain the persons who have a claim to Pensions, &c. &c. and will lose no time in transmitting the Proceedings to the Adjutant General of the Army.

Adjutant General of the Army.

Head Quarters of the Army of the Deckan: Camp at Mahidpoor, Monday, 22d December 1817.

G. O. By the Commander in Chief.

His Excellency Lieutenant General Sir Thomas Hislop, Bart. Commander in Chief of the Army of the Deckan, congratulates the Divisions under his personal Command, upon the glorious and important results of the Action yesterday, with the Army of Mulhar Rao Holkar.

The expectations which His Excellency had formed of the gallantry, zeal and discipline of this Army, were, if possible, more than realized ; and while His Excellency witnessed with the highest feelings of admiration, the zeal and ardour of the Officers and Troops, he had no less reason to be proudly gratified with their persevering steadiness, and exemplary discipline, under a most destructive, and well directed fire from nearly 70 pieces of Cannon.

The intrepidity and courage of the Troops, cannot be better described, than in the simple fact, that in less than two hours after the arrival of the Head of the Column at the Ford of the Soopra, where the Enemy had taken post, the passage of the River was effected, the Enemy completely driven from their numerous Artillery, and every Gun left in our possession.

The conduct of the Light Artillery Brigade under the Command of Captain Rudyard, covered by the Rocket Troop, was such only as the Commander in Chief expected, but His Excellency could not fail to be particularly struck by the admirable coolness, and steadiness, with which the Battery passed the River, and took up it's position within point-blank Shot of the Enemy's Guns, and to it's well directed fire and promptness in opening it, too much praise cannot be given. His Excellency laments that this valuable Corps, should unavoidably have sustained so severe a cannonade, by which, at one time the whole of it's Guns were disabled.

The Charge of the 1st and 2d Brigades of Cavalry under Lieutenant Colonel Russell, and Major Lushington, consisting of the Detachment of His Majesty's 22d Light Dragoons under Captain Vernon, the 3d Regiment Cavalry under Lieutenant Clubley, the 4th Regiment Cavalry under Lieutenant Maquay, and the 8th Regiment Cavalry under Captain Martin, flanked by the Silhidar Horse under Captain Grant, was most judiciously timed, and admirably executed.

The steadiness of the Foot Artillery Battery under Lieutenant Bennet, was highly conspicuous, and the well chosen position which it occupied, to cover the Troops crossing the River, and to enfilade the Enemy's Artillery, was highly creditable.

The advance of the Light Brigade under Major Bowen gave every possible effect in driving off the Enemy's Horse, and Skirmishers, from the Bank of the River, where the Army was to form, and left on the mind of the Commander in Chief, the most lasting impressions, of the undaunted valour and unquestionable utility, of those valuable Corps.

The order and regularity with which the 1st Brigade of Infantry under Lieutenant Colonel Scot, passed the River and formed for the attack of the Enemy's Guns, was a strong example of coolness, and discipline, and the promptitude with which this Brigade moved forward to attack the left of the Enemy's Batteries, has impressed the Commander in Chief, with the highest sentiments of admiration; and His Excellency must here notice, the undaunted gallantry, with which the Charge was made upon the Guns under the conduct and direction of Brigadier General Sir John Malcolm, K.C.B. &c. &c. in which decisive blow the intrepid courage and animated zeal of the Flank Companies His Majesty's Royal Scots under Captain Hulme, the Madras European Regiment under Major Andrews, 2d Battalion 14th Regiment Native Infantry under Major Ives, the Rifle Corps under Major Snow, the 1st Battalion 3d or Palamcottah Light Infantry under Major Knowles, and 1st Battalion 16th Regiment under Captain Cuffley, were so nobly and eminently displayed.

The Commander in Chief cannot omit to notice in the most favourable terms the 1st Battalion 14th Regiment under Major Smith, which supported the attack with the most ardent zeal and steadiness.

The advance of the 2d Brigade under Lieutenant Colonel M'Dowell, to turn the right of the Enemy's position, was conducted with the utmost order and promptitude; and the Commander in Chief notices, in the highest terms of praise, the steadiness, courage and discipline of the 2d Battalion 6th Regiment Native Infantry under Major Moodie, and the Russell Brigade in the regular Service of His Highness the Nizam, under Captain Hare.

The conduct of the Corps of Pioneers under Captain M'Craith, was highly meritorious and essentially useful.

The general conduct of the whole of the Artillery under the able direction of Major Noble, C.A. reflects the highest credit upon that Officer, to whom the thanks and praise of the Commander in Chief, are particularly due upon this occasion.

The Commander in Chief would be desirous, were it possible within the limits of a General Order, to enumerate the Name of every Individual, to whom some peculiarly favorable opportunity may have been afforded of performing some distinct instance of eminent service, but where such essentially important services have been achieved by the combined valour and discipline of the whole, he feels it his duty to offer to all his grateful sense of their display of those qualities in a form, which every Individual will equally participate.

The Commander in Chief would not, however, feel himself justified, were he to omit his warmest thanks and acknowledgments to Brigadier General Sir John Malcolm, K.C.B. for the important assistance he derived throughout the day from that Officer's judgment, experience and personal exertions, in conducting the assault on the left of the Enemy's line; in like manner to Lieutenant Colonels R. Scot and A. M'Dowell, Commanding the 1st and

2d Brigades of Infantry of the Line; to Lieutenant Colonel Russell, Commanding the 1st Cavalry Brigade; to Major Bowen, Commanding the Light Infantry Brigade; and to Major Knowles who succeeded to that Brigade on Major Bowen being wounded; to Major Lushington, Commanding the 2d Cavalry Brigade, and Major Noble, C.B. Commanding the Artillery, the Commander in Chief's acknowledgments, and thanks, are due; as likewise to

Major Smith, Commanding the 1st Battalion 14th Regiment Native Infantry.
" Andrews, Commanding the Madras European Regiment.
" Moodie, Commanding the 2d Battalion 6th Regiment Native Infantry.
" Ives, Commanding the 2d Battalion 14th Regiment Native Infantry.

" Laridé, Commanding 1st Battalion Russell Brigade.
Lieut. James Currie, Commanding 2d Battalion Russell Brigade.
" Sotheby, Commanding Artillery Russell Brigade.

To the Officers of the General Staff, Lieutenant Colonels Conway and Blacker, Adjutant and Quarter Master Generals of the Army respectively, and Lieutenant Colonel Morison, Commissary General, to Lieutenant Colonel MacGregor Murray and the Honorable Lieutenant Colonel Stanhope, Deputy Adjutant and Deputy Quarter Master Generals of His Majesty's Troops, and the other Officers of the General Staff, also to the Officers of his Personal Staff, the Commander in Chief's obligations for their important services during the Action fought yesterday, can never be effaced from his memory.

The Commander in Chief also requests that Major Agnew, Deputy Adjutant General of the Army, who was immediately attached to his person throughout the Action, will accept his warmest thanks for the services he rendered to him on the occasion.

His Excellency desires also to express his best thanks to Lieutenant John Scott, Assistant Adjutant General of the Army, for the able manner in which he has conducted the Intelligence Department at Head Quarters.

The Commander in Chief cannot conclude this Order without expressing to the Army the deep regret he feels that the glorious and decisive Victory they have to boast, has cost their Country and the Service, the lives of so many gallant Officers and Soldiers.

The Names of Lieutenant Coleman, Madras European Regiment, Lieutenant M'Leod, His Majesty's Royal Scots, and Lieutenant Glen, 1st Battalion 3d, or Pallamcottah Light Infantry, and the brave Soldiers who gallantly fell in Action, will long be remembered by His Excellency and the Army with mingled feelings of pride and regret; and His Excellency anxiously trusts that the wounded Officers, and Men, will soon be restored to the exercise of their professional duties, and the enjoyment of their health, to which event the Commander in Chief looks with the more confidence from the zeal, ability, and humane attention of Mr. Superintending Surgeon Annesley and the Officers of the Medical Staff, to whom, and to the superintending care of their Commanding Officers, His Excellency confides them.

Mr. Superintending Surgeon Annesley will accept the Commander in Chief's best acknowledgments for the able arrangements he has made, and for the prompt assistance he afforded to the wounded.

Extra Batta to be issued immediately to all the European Troops in Camp, on the occasion of the Victory gained over the Army of Mulhar Rao Holkar by the Divisions of the Army of the Deckan under His Excellency the Commander in Chief's personal Command, and a Zeeafut of one Rupee per Man to be drawn immediately on Abstract from the Paymaster, by Officers Commanding Corps and Detachments, for each Fighting Man, European and Native.

Returns from Officers Commanding Brigades and Detachments, of the Killed, Wounded, and Missing in the Action of yesterday,—as also of the Trophies, and Prisoners, taken from the Enemy, must be sent to the Adjutant General immediately.

The Commandant of Artillery will likewise send in a Return of the Ordnance and Military Stores captured.

G. O. By the Commander in Chief.

The Commander in Chief took occasion, on the 14th Ultimo, to express his sentiments of admiration, and applause, of the conduct of the Troops lately engaged, with the Enemy at Poonah, and at Nagpoor, as also his deep regret, at the loss of those Officers and Men, who had fallen on those brilliant occasions; but it remains for His Excellency to express his sorrow, at the fate of some other Officers, who have unfortunately fallen into the hands of a desperate, and cruel Enemy.

Captain Vaughan of the 15th Regiment Madras Native Infantry, accompanied by his Brother, a Cadet, just arrived in the Country, being on their way from Bombay to Seroor, travelling unprotected, in the confidence of profound peace, were surprized at the Village of Tully Gaum, by a Party of the Peishwa's Troops, and cruelly murdered, and the Commander in Chief, while he deplores an event, so shocking to humanity, and all civilization, cannot but execrate the perpetrators of this barbarous proceeding, and trust that their punishment may not be long delayed.

Cornet Francis Hunter of the 1st, and Cornet James Morison of the 2d Regiment Cavalry, travelling near Poonah, were intercepted on the 5th November last, by a strong Party of the Peishwa's Troops, both Cavalry and Infantry, and have also fallen into the hands of the Enemy, after a gallant defence, with a Party consisting only of one Havildar and twelve Sepoys, several of whom, were killed and wounded.

Having taken pos' in a Choultry, and made a breastwork of their Baggage, those Officers defended themselves, with honorable perseverance, against a vast superiority of numbers, for several hours, nor did they surrender until the ammunition being expended, the Enemy had got to the top of the Building which they occupied, and fired upon them, through holes made in the roof, when further resistance was evidently unavailing.

It is due to these Officers to record, that, although offered before the Attack, the means of a safe conduct to the British Camp at Poonah, they declined availing themselves of an advantage, by which their Followers, who had arms to their protection, could not also benefit.

This occurrence, while it evinces what may be done, even, with a handful of disciplined Troops, over a numerous irregular Enemy, shews also the injury which the Public Service may suffer, at any critical moment, by a failure of ammunition, and His Excellency embraces this opportunity to order, that no Guard shall in future be detached from it's Corps, on *any* service beyond the Frontier, without it's full proportion of spare ammunition, the want of which, in the instance above detailed, having forced two brave young Officers to surrender, in a situation, where perhaps they might otherwise have maintained themselves, until relieved.

The loss of the Enemy, was more than four-times the original number of this small Party, and the Commander in Chief, in desiring that his approbation may be expressed to the Sepoys who have survived, has also to express his hope, that Cornets Hunter and Morison, may at no distant period be restored, to liberty, and the Service, an object which His Excellency will not fail to endeavour, by every means, to accomplish.

GENERAL ORDERS,

CHOULTRY PLAIN,

7th February 1818.

ORDERS BY MAJOR GENERAL DYCE.

The Right Honorable the Governor in Council having addressed the subjoined Orders to the Commander in Chief, to be published to the Army, they are accordingly, by order of His Excellency the Commander in Chief, published in General Orders.

FORT ST. GEORGE, *4th February* 1818.

G. O. BY GOVERNMENT.

The Right Honorable the Governor in Council having received from The Most Noble The Governor General, the printed Copy of a Letter from the Medical Officer in charge of the Native Field Hospital with the Centre Division of the Grand Army, relative to the treatment of the alarming Epidemic, which lately visited the Army, in it's course through the Provinces subject to the Presidency of Fort William ; and His Excellency having expressed a wish for the speedy diffusion of this little Tract, as a means of averting much misery and distress:—The same is published for general information.

MY DEAR SIR,

In compliance with your request to give you instructions for the treatment of the disease which prevails in Camp, from the circumstance of your being frequently detached from the Army without Medical assistance, I give you a Statement with much pleasure.

The symptoms are as follows: Violent vomiting and purging of watery matter, spasmodic cramp in the extremities extending to the abdominal and muscles of the chest, a collapsed countenance, the pupil and the white of the eye covered with a thick film, a suffusion of blood and turgidity of their vessels, the eye at length sinks into it's socket and immediately becomes fixed.—The extremities now become cold, and the pulse is not to be felt, and indeed the energy and action of the heart are considerably diminished.

The first man, I saw thus affected, was treated with three grains of Calomel and a quarter of a grain of Opium every two hours with frequent draughts of Brandy and water, and other stimulants, the man died and I opened him on the same evening.

I found the stomach partly filled with muddy water, the bowels were empty and considerably inflated with air, hardly any bile in the gall bladder, none in the biliary ducts, there was general inflammation of the bowels, liver, stomach, and lungs.

These were indications to follow a directly opposite mode of treatment. Consequently, on assuming charge of the Native Hospital for the reception of Camp Followers, and Public Establishments, on the 16th of this month, one hundred and ten patients were admitted with the symptoms I have described.

I immediately gave to each patient 15 grains of Calomel, which I dropped on the tongue and washed it down with 60 drops of Laudanum and 20 drops of Peppermint in 2 ounces of water.

Before I go further, it will be necessary to mention to you, that Laudanum in a large dose of 60 drops is not a stimulant but a sedative, whereas Laudanum from 15 drops to 20 and 30 is a stimulant, the former produces sound sleep, removes spasm and irritability, whilst the latter excites considerable uneasiness and convulsive startings.

It will appear the more remarkable to you when I also mention that the variation of a dose of Calomel has the same effects.

Calomel in a dose from 5, 8, to 10 grains excites lassitude, sickness, irritation of the bowels, and, on account of it's being a stimulant, acts as a good purgative, but Calomel in a dose from 15 grains to 20 is a sedative, allays vomiting, removes spasm, sends the patient to sleep, and produces one or two motions.

You will now observe on what principle I treated my patients, not on a plan of giving powerful stimulants, but on one which at once removes the irritability and spasm, composes the stomach and the bowels, produces sleep and tranquillity of the mind, excites the secretion of the liver, and prevents the progress of inflammation.

On the second day it was indeed a consolatory sight to observe the wonderful change.

The vomiting and the purging had stopped, the spasms removed with general moisture on the skin, they had experienced sound sleep, and the pulse had returned to the wrist.

I now gave 30 grains of Jalap which effected one or two bilious motions.—Of one hundred and ten men I only lost two, and those were decrepid aged men, in whom the vital energies were at once extinguished,—the remaining one hundred and eight I had the good fortune to see all recover.

In the treatment of Europeans, however, I should strongly recommend copious bleeding, and never less than twenty grains of Calomel with 60 drops of Laudanum and 20 drops of Peppermint in 2 ounces of water, and, on the spasm attacking the abdomen, the application of a large blister.

Should the blister fail in drawing and the blood not flow from the veins, immersion in the warm bath will have the most beneficial effects. Should the warm bath not be procurable, warm friction and pots of warm water thrown over the patient will produce an equally favourable result in bringing about the re-action of the circulating system.

When the purging and vomiting are incessant, as well as violent, we ought never to be alarmed in giving as far as 80 drops of Laudanum with 20 drops of Peppermint, and 20 grains of Calomel, and injecting 40 drops of Laudanum in Conjee by Enema.

A few hours determines the safety of the patient, therefore those few hours must not be lost in an undetermined manner and by small and useless doses.

After the first shock is over, that is, after three or four hours, if there's much spasm and irritability remaining, the dose of Calomel and draught must be repeated, the patient will then fall into sound sleep and awaken nearly recovered.

The after treatment will only be to keep the bowels regularly open with Calomel and Jalap, and to give occasionally 60 drops of Laudanum to promote sleep. It is however to be remembered, that it would be an error and do considerable harm to bleed in persons who are weak, worn down by disease, and aged.

The most urgent symptoms in this disease are violent thirst and dreadful sensations of burning heat in the bowels and pit of the stomach; the frequent and lamentable calls for cold water should never be satisfied, for I observed many unfortunate Camp Followers who had died in the act of drinking. I therefore gave warm Conjee, and by the means of Sentries prevented any water being taken into the Hospital.

Hiccough is not a dangerous symptom in this disease, for there was hardly a patient recovered without suffering this spasmodic irritability.

I am of opinion that unless a patient takes these remedies within 6 hours after the attack, the case is hopeless, at least I only recovered ten patients with the regular form of the disease after a greater lapse of time; and in those the symptoms were peculiarly mild.

It is of the greatest importance to bear in mind the necessity of giving Calomel in powder instead of pills, for I have known many instances where pills were passed through the patient in the same state and form they were taken into the stomach. This point therefore is of such high importance, that, in Fever, Dysentery, but above all, in this complaint, by which a patient is carried off in 12, at farthest 30 hours after the attack, from which circumstance it becomes necessary to affect the system immediately, otherwise if this point should be overlooked, the chief object in the operation of the Medicine may be frustrated and the patient lost.

It is on this principle I recommend Laudanum in preference to Opium, one is directly active in it's operation, but the other has to undergo the process of dissolving, or perhaps never dissolving passes through the system in the same state it was taken into the stomach without producing any effect whatever.

I am so convinced of what I now assert and recommend, that for these last three years I have never once used any Medicine in the form of pills. And I look back to the day when I first discovered this error in practice as one great improvement in the treatment of acute diseases.

Reading over the foregoing I find I have neglected to mention the use of Peppermint in co-operation with Laudanum, the reason I prescribed it was, from it's known good qualities in expelling air from inflated bowels and stomach, and I have always found it have that effect in the most desirable manner.

That this disease is not infectious, I am perfectly convinced. All my attendants upon the sick have escaped the disease, and I have more particularly at all hours of the day and night respired the atmosphere of a crowded Hospital with impunity.

But I fancy there have been a combination of causes, perhaps one of the principal was the sudden changes of atmospherical temperature, for I never knew the Thermometer vary so much as it has this season.

In the morning at day break it stood at 52° and at one o'clock 96°—a variation of 44 degrees in 6 hours and a half.

I must beg leave however to decline at present entering into the causes of this disease, from recent investigation and circumstances it has put on more the appearance of being Epidemic, than it did on the commencement; but as I have leisure I trust I shall be able to correct any errors in this Letter, which is written during the pressure of other business.

Believe me,
My Dear Sir,
Your's Faithfully,

Assistant Surgeon, in charge of the Native Hospital, Centre Division of the Army.

GENERAL ORDERS,

CHOULTRY PLAIN,

5th February 1818.

G. O. By Major General Dyce.

The following General Orders issued in Camp by the Commander in Chief, are, by His Excellency's orders, published to the Army.

Head Quarters of the Army of the Deckan: Camp at Eedugherry, Wednesday, 14th January 1818.

G. O. By the Commander in Chief.

The Commander in Chief notifies to the Army, that His Excellency The Most Noble The Governor General, has been pleased to appoint Mr. Assistant Surgeon W. Wilson, to Brigadier General Sir John Malcolm's Mission, on the allowances of a Surgeon in the Political Department.

Matross James Murray, 1st Battalion Artillery, is posted to the Corps of Sappers and Miners.

Ensign Chauvel of the 24th Regiment Native Infantry, is, at his own request, removed to the 2d Regiment Native Infantry, in which he will rank next below Ensign Dowker, and is posted to the 1st Battalion; but will continue *to do duty* with the 2d Battalion 14th Regiment, until further orders.

Lieutenant General Sir Thomas Hislop, feels the highest gratification, in publishing to the Army under his Command, the following General Order, by His Excellency The Most Noble The Governor General and Commander in Chief of all the Forces, expressive of His Lordship's sentiments on the occasion of their distinguished conduct, and gallantry, in the memorable Action of the 21st December.

General Order, by His Excellency The Governor General.

Camp, Oochar, *January* 1, 1818.

The Official Details of the splendid Victory, obtained by His Excellency Lieutenant General Sir Thomas Hislop, on the 21st December, over the Army of Mulhar Rao Holkar, having been received, the sincerest congratulations of the Governor General and Commander in Chief of all the Forces, are offered to His Excellency on the important service, which his zeal, his valour, and his professional ability, have rendered to the Honorable Company, and to his Country.

The decision with which Sir Thomas Hislop resolved, to consider Holkar as an Enemy, and to disperse his Army, is regarded by His Lordship as most just, and expedient. The leaving that Army in an attitude of distinct hostility, while the Ministers of Holkar, were endeavouring to gain time, by unmeaning negociations, would have been deeply injurious to the public interest.

His Excellency is requested to impart to Brigadier General Sir John Malcolm, His Lordship's warm applause, of the ardour, and intrepidity, with which that Officer led the attack on the Enemy's principal Battery. Such an example, could not but infuse invincible spirit into the Troops.

The particular acknowledgments of His Lordship to Officers, must be guided by the specification which their immediate Commander has made; therefore, to each of those individuals Sir Thomas Hislop is entreated to profess, His Lordship's cordial adoption of the sentiments proclaimed by His Excellency.

Finally, The Governor General and Commander in Chief desires, that his praise and thanks may be communicated to all Ranks of the Army, for the admirable exertion which appears to have been made by every description under His Excellency Sir Thomas Hislop's Command.

By Command of His Excellency The Governor General.

(Signed) J. ADAM,
Secretary to the Governor General.

In reference to His Lordship's desire, as conveyed in the 4th Paragraph of the foregoing record, the Lieutenant General informs the Army, that independently of the sentiments of applause, and admiration, which he had the pleasing duty of promulgating, in his General Order of the 22d Ultimo, and of which a transcript was forwarded on the following day, for the information of the Governor General and Commander in Chief, he had, at the same time the honour of bringing to His Lordship's particular notice, the Names of certain Officers, who were prominent, from their Rank, and Situation, and from the superior Duties they had to perform;—to each of those Officers, therefore, it will be His Excellency's immediate care, in obedience to His Lordship's Commands, to communicate the specific terms, in which their respective services have been acknowledged, and he entreats them, individually to believe, that his sentiments on the occasion, have been dictated, with no less warmth, and sincerity, by his own feelings, than they have been adopted with cordiality, by The Most Noble The Governor General.

The Lieutenant General, at the same time, took occasion to state to His Lordship that, having detailed the events of the day, it became unnecessary to dwell upon the conduct of the Troops; that where merit and gallantry were so general, it was impossible, to particularize Corps, or to make distinctions; that every Man had done his duty, and that the whole were entitled to his warmest thanks, and applause.

These sentiments, therefore, His Excellency begs to repeat on the present occasion of conveying The Governor General's thanks and applause to the Army; and the Lieutenant General feels satisfied, that the recorded approbation of The Governor General and Commander in Chief, would be sufficient to stimulate the Officers and Men to continued exertion, were any stimulus necessary to Troops of the description, it is His Excellency's good fortune to Command.

Adjutant General of the Army.

Havildar Syed Hoosman to be Jemadar, *vice* Govindoo promoted; and Havildar Soor Naig to be Jemadar, *vice* Shaick Tippoo invalided;—Date of Commissions, 1st January 1818.

The Commander in Chief directs that the General Order by The Most Noble The Governor General, published yesterday, together with His Excellency's Order on that occasion, may be read and particularly explained to Corps and Detachments at the three next Parades.

His Excellency takes this opportunity of publishing to the Army, that in the General Order of the 22d Ultimo, the name of Lieutenant Spankie, Baggage Master of the Army, was not inserted; an omission entirely arising from the pressure of business, with which His Excellency was at that time occupied: but he desires now, to offer to Lieutenant Spankie, his best thanks and approbation, not only for the manner in which the Department under his charge, has been generally conducted, but particularly for his judicious arrangements, and indefatigable exertions on the 21st Ultimo, to which the Army, is principally indebted for the safety of the Baggage.

Head Quarters of the Army of the Deckan: Camp at Neembakarrie, at the Jow Ghaut, Sunday, 18th January 1818.

G. O. By the Commander in Chief.

Conductor William Brookes, and Acting Conductor Charles M'Carthy, (late promotions,) are posted to the Arsenal of Fort St. George.

The Commander in Chief has much satisfaction in announcing to the Army, the receipt on the 15th Instant, of a Duplicate of Dispatches from Brigadier General Doveton, Commanding the 2d Division of the Army of the Deckan, containing the Official Details of that Officer's operations on the 16th Ultimo, against the Troops of the Rajah of Berar, in the vicinity of the City of Nagpoor.

The original Copy of this gratifying communication, never having reached Head Quarters, the Commander in Chief has been hitherto prevented from publishing to the Army, the sentiments of his applause and approbation, which it would have been His Excellency's duty, no less than his inclination, immediately to have conveyed to Brigadier General Doveton, and the gallant Troops under his Command.

The Brigadier General reached Nagpoor, with the Division under his orders, on the 13th Ultimo, after a rapid and fatiguing march, and formed a junction with the Detachment of the 5th Division already there; having refreshed his Troops, during the 14th and 15th, he prepared to attack the Enemy on the morning of the 16th, which was accordingly done, and the manner in which this important service has been achieved, reflects the highest credit, upon the judgment and professional talent of the gallant Officer who commanded, as well as upon the discipline, and determined valour, of the excellent Troops, who so nobly carried into effect, the able, and well judged plans of their General.

The Commander in Chief cordially concurs in the expressions of approbation conveyed in the Brigadier General's Dispatch, of the distinguished conduct, of Lieutenant Colonels M'Leod, Scott, Gahan, M'Keller, and Crosdill, Commanding Brigades; of Major Munt and Captain Western, Commanding Corps of Cavalry; and of Lieutenant Colonels Stewart and Fraser, and Majors Pereira, Pollok, M'Dowall, Weldon, M'Bean, and Garner, Commanding Corps of Artillery and Infantry, as well as to Lieutenants Poggenpohl and Hunter of the Horse Artillery, and to those Officers His Excellency desires to offer his thanks and praise, for their able and gallant exertions, as described by Brigadier General Doveton.

To Major M'Leod, and the Officers of the General Staff, to Captains Morgan and Edmonds on the Personal Staff, of the Brigadier General, and to the other Staff Officers, The Commander in Chief's acknowledgments are most justly due, for their able conduct and zealous exertions in the Action on the 16th December.

His Excellency desires particularly to express the high sense he entertains of the conspicuous exertions, and

well directed ability, which have been so eminently displayed in the conduct of Lieutenant Davies, Senior Engineer, to whom he offers his best thanks, and applause.

His Excellency also notices, with feelings of the highest admiration, the conduct of Lieutenant Bayley, who, although labouring under a severe wound, received on the memorable 26th of November, volunteered his services with the Brigadier General, on the 16th Ultimo, and has again proved his well earned title, to the warmest acknowledgments and praise of The Commander in Chief.

The Commander in Chief has also received Dispatches, from Brigadier General Doveton, detailing his operations subsequent to the 16th Ultimo, the successful termination of which on the 30th Ultimo, by the Capitulation of the City of Nagpoor, His Excellency has already had the gratification of announcing to the Army in General Orders of the 8th Instant.

The City, it appears, was defended by 5,000 Hindoostanee Troops and 3,000 Arabs strongly posted in the Palace of the Rajah, and other Stone Buildings in the Town.—The arrangements made by Brigadier General Doveton for their expulsion, and the gallantry, steadiness, and discipline of the Troops, in the attack of the 24th Ultimo, are entitled to The Commander in Chief's grateful acknowledgments, and he desires that the expression of his unqualified praise and approbation of the conduct of the Troops employed, throughout the operations against Nagpoor, may be communicated and particularly explained to them all.

His Excellency in conclusion offers to Brigadier General Doveton, his cordial congratulations upon the success, which has crowned his gallant exertions at Nagpoor, which the Commander in Chief will not fail to bring to the notice of His Excellency The Most Noble The Governor General, in the terms of approbation and applause they have so well merited.

GENERAL ORDERS,

CHOULTRY PLAIN,

16th February 1818.

G. O. By Major General Dyce

The following General Orders issued in Camp by the Commander in Chief, are, by His Excellency's orders, published to the Army.

Head Quarters of the Army of the Deckan: Camp at Mahidpoor, Wednesday, 21st January 1818.

G. O. By the Commander in Chief.

It is with feelings of inexpressible gratification, that the Commander in Chief has to announce, one of the most heroic, and brilliant achievements, ever recorded in the annals of the Army, which took place at the Village of Corygaum, between Seroor and Poonah, on the 1st Instant.

The official details of this glorious affair, reached the Commander in Chief yesterday, in a Dispatch from Brigadier General Lionel Smith, c. b. Commanding the 2d or Poonah Division of the Army of the Deckan, and His Excellency is pleased to publish the Brigadier General's Orders, issued on the occasion, that the Army may be placed in full possession of every particular, of an event, displaying so bright, and distinguished an example of devoted courage, and admirable constancy.

Camp near Seroor, *Wednesday, 7th January* 1818.

D. O. By Brigadier General Smith.

The Commanding Officer having received the official accounts of an attack made by the Peishwah's Army, on a small Detachment commanded by Captain Staunton of the 2d Battalion 1st Regiment Bombay N. I. at the Village of Corygaum, has great satisfaction in publishing the particulars for general information, and in holding it up to the Force, as one of the most brilliant examples of gallantry and perseverance, recorded in our Indian annals.

This Detachment, consisting of a Detail of Madras Artillery, and 2 six Pounders, the 2d Battalion 1st Regiment about 600 strong, and about 300 Auxiliary Horse, the whole under Captain Staunton, marched from Seroor for Poonah, at 8 P. M. on the 31st December, and reached the heights overlooking Corygaum, about 10 o'clock on the forenoon of the 1st January, from whence the whole of the Peishwah's Army, estimated at 20,000 Horse and several thousand Infantry, were discovered on the Plain South of the Beemah River.

Captain Staunton immediately moved upon the Village of Corygaum, with the intention of occupying it; and had scarcely succeeded in reaching it with his Detachment, when he was attacked in the most determined manner, by three Divisions of the Peishwah's choicest Infantry, supported by immense bodies of Horse, and the fire of 2 pieces of Artillery.

The Enemy's Troops were stimulated to their utmost exertions, by the presence of the Peishwah on a distant height, attended by the principal Mahratta Chiefs, who flattered His Highness with the prospect of witnessing the destruction of this gallant handful of British Troops.

The Enemy obtained immediate possession of the strongest parts of the Village, from which it was found impossible to dislodge them, and the possession of the remaining part, was most obstinately contested from noon till 9 P. M. during which time almost every Pagoda, and House, had been repeatedly taken and re-taken, and one of the Guns at one time was in possession of the Enemy.

Towards the close of the evening, the Detachment was placed in a most trying situation:—at this period nearly the whole of the Artillery-men, were killed or wounded, and about one-third of the Infantry, and Auxiliary Horse. The exertions which the European Officers, had been called upon to make, in leading their Men to frequent charges with the Bayonet, had diminished their numbers—Lieutenant Chisholm of the Artillery, and Mr. Assistant Surgeon Wingate, 2d Battalion 1st Regiment, were killed. Lieutenants Swanston, Pattinson, and Connelan, were wounded, leaving only Captain Staunton, Lieutenant Jones, and Mr. Assistant Surgeon Wylie, nearly exhausted, to direct the efforts of the remaining part of the Detachment, who were nearly frantic from the want of water, and the almost unparalleled exertions they had made throughout the day, without any sort of refreshment, after a fatiguing march of 28 miles.

Under cover of the night they were enabled to procure a supply of water, and at 9 P. M. the Enemy were forced to abandon the Village, after sustaining an immense loss, in killed and wounded. The British Character was nobly supported throughout the whole of the arduous contest, by the European Officers, and small Detail of Madras Artillery, the Medical Officers who led on the Sepoys to charges with the bayonet, the nature of the contest not admitting of their attending to their professional duties, and in such a struggle, the presence of a single European was of the utmost consequence, and seemed to inspire the Native Soldiers, with their usual confidence of success.

At day-light on the 2d, the Enemy were still in sight, but did not renew the attack, although it prevented the Troops, whose ammunition was nearly expended, from procuring any supply of provisions.

Captain Staunton, however, made preparations for moving, according to circumstances, and the manner in which that Officer availed himself, of the few resources which remained to him, after such a conflict, to prosecute his march, and bring away the numerous wounded of his Detachment, is highly praiseworthy.

The Detachment moved during the night of the 2d upon Seroor, which they reached at 9 A. M. on the forenoon of the 3d, having had no refreshment from the 31st December.

Captain Staunton brought in nearly the whole of the wounded, and both the Guns, and Colours of the Regiment, which the Enemy had vainly hoped, to present as trophies to the Peishwah.

In concluding these details, the Commanding Officer begs to offer to Captain Staunton, and the whole of the European and Native Commissioned, Non-Commissioned and Privates, engaged at Corygaum, his best thanks for their noble exertions, and exemplary patience, under every species of privation, which he will not fail to bring to the notice of Government, and His Excellency the Commander in Chief.

The Commanding Officer thinks it proper to record, the Names of the Officers engaged in this brilliant affair.

Madras Artillery.

Lieutenant Chisholm, killed.

The Commander in Chief having published the foregoing Order, in the sentiments of which he most cordially participates, feels unable to do greater justice to the merits of Captain Staunton, and his gallant Detachment; but in conveying to that Officer, and his brave Troops, the expression of his thanks, and highest admiration, His Excellency entreats them to believe, that the distinguished intrepidity, and enduring fortitude, they have so nobly shewn, under circumstances of the most trying privation will, for ever remain deeply impressed on his heart, and be recorded as one of the brightest deeds, in the annals of our Indian history.

It will be His Excellency's most gratifying duty, immediately to bring to the special notice of His Excellency The Most Noble The Governor General and Commander in Chief in India, the particulars of this brilliant and glorious event.

T. H. S. CONWAY,
Adjutant General of the Army.

G. O. By the Commander in Chief.

The following Native Promotions are ordered.

12th Regiment 1st Battalion.

21st Regiment 2d Battalion.

Mootiah Drill Havildar, to be Jemadar, in succession to Rymaun Khaun Jemadar deceased; Date of Commission, 9th December 1817.

The Commander in Chief has experienced the greatest satisfaction, from visiting the Field Hospital at Mahidpoor; The excellent state of comfort, and cleanliness, in which His Excellency found the sick and wounded Patients, reflects the highest honor on the zealous exertions, able arrangements, and humane attention, which Major Moodie, Commanding at Mahidpoor, has bestowed on this important charge; and no less praise is due to Captain Green, 2d Battalion 6th Regiment, in charge of the Details of Corps, for the indefatigable exertions he has bestowed, in conducting his extensive and important duties.

The appearance of the whole Medical establishment, the comforts, cleanliness, and early progress of the wounded Men, towards recovery, speak most forcibly, the professional ability and unremitting attention bestowed on them, by Mr. Surgeon Stevenson in medical charge, and also of his Assistants Messrs. Boyd and Christie, to whom His Excellency's acknowledgments are also due.

Had any proof been required, beyond the facts which the Commander in Chief witnessed, with such peculiar satisfaction, and applause, of the claims of Mr. Stevenson, as well as of Messrs. Boyd and Christie, to unqualified approbation, none more honorable to their character could be preferred, than the request made by the wounded Patients to His Excellency in the Hospital, "that he would now take care of the Surgeons, who had been so kind and attentive to them," a recommendation emanating from a source, giving it the fullest force, and which will be remembered by the Commander in Chief whenever a favorable opportunity offers.

The following Officers have obtained leave of absence, as specified opposite their Names.

Major Marett	24th Regiment N. I.	6 Months	Presidency, sick certificate.

His Excellency The Commander in Chief has great satisfaction in publishing to the Army, the following General Order by Government.

Fort St. George, 23*d December* 1817.

G. O. By Government.

The Right Honorable the Governor in Council has received a Dispatch from the Resident at Nagpoor, under date the 8th Instant, forwarding an application on the part of the Native Commissioned, Non-commissioned, and Privates of the 1st Battalion 24th Regiment N. I. to be permitted to bear the "Number and Facings," of the Corps, to which this Battalion belonged, previously to the 31st December 1806.

The highly deserving conduct of this Battalion, in the action at Nagpoor, on the 26th and 27th Ultimo, has entitled them, in common with the other Troops, engaged on that occasion, to the cordial approbation of the Government, and to the warmest acknowledgments of it's admiration.

Their devotion, their gallantry, discipline, and zeal, were eminently conspicuous, and, "in no instance" the Resident observes "have interests so important been more nobly or successfully maintained by so small a Band."

The Governor in Council has fully appreciated the honorable feeling, which prompted the 1st Battalion 24th Native Regiment, to seek to regain it's former position on the strength of the Army of Fort St. George; and while this tribute is due to their meritorious conduct, in the late affair at Nagpoor, The Governor in Council perceives, in the proper spirit, which has made this distinction the aim of their ambition, a certain pledge that the expectations he forms, in according to it, and his reliance on the future services of the Corps, will not be disappointed.

The Governor in Council accordingly directs, that from the 31st Instant, the 1st Regiment of Native Infantry, shall be restored to the List of the Army of this Presidency, with all it's appointments; and that the two Battalions now composing the 24th Native Regiment, shall resume their former numbers, respectively, in the 1st Native Regiment.

His Excellency the Commander in Chief is requested, and authorized, to give the necessary orders for carrying this arrangement into immediate effect.

By order of the Right Honorable the Governor in Council.

(Signed) E. WOOD,
Sec. to Government.

The whole of the Officers, Native Commissioned, Non-commissioned, and Rank and File, &c. of the 24th Regiment N. I. are transferred to the 1st Regiment N. I. and posted to the 1st and 2d Battalions as at present.

The Commander in Chief is pleased to direct, that the Facings of the 1st Regiment N. I. shall be white, with gold lace.

Remarks by His Excellency The Most Noble The Commander in Chief.

The Commander in Chief notices with regret the extraordinary misconception by which the Court has been guided. In all cases of trial before a General Court Martial, the offence charged is considered as having been committed against Government: because, altho' it's character may have been contumacy or injury towards an Individual, the Crime is stated and prosecuted as a breach of the law or discipline established by the Supreme Power.—The Judge Advocate General, or the Deputy Judge Advocate, is by his office the Prosecutor on the part of Government for the violation it's ordonnances have suffered, and no other Prosecutor is necessary. For the surer furtherance of justice, the Individual who has been directly affected in his authority or person by the transgression, is usually allowed to act as Joint Prosecutor. This, however, is a matter of convenience and is not essential to the Proceedings. The representation of the Deputy Judge Advocate to the Court, is therefore regarded by the Commander in Chief as having been perfectly correct; and the inattention of the Court to it is consequently deemed erroneous.

Had the Prisoner imagined that his defence would be benefitted by the opportunity of putting questions to Major General Sir Gabriel Martindell, it was competent to him to have required that the Major General should be summoned as a Witness. As it would then have been incumbent on the Court to adjourn till the public service allowed Sir Gabriel Martindell to appear, the principle is manifested which should have prevented the Court from closing it's Proceedings till the means of attending had been given to him, when his evidence was held necessary for the accurate discharge of the duty owed by the Court no less to Government and the Army than to the Prisoner.

Since the decision of the Court amounts to an acquittal, the Commander in Chief will not order a Revisal: But for the reasons assigned, he is obliged to signify his disapprobation of the Proceedings.

By Command.

As Ensigns of Infantry Regiments are posted to Corps according to their standing in the Lists received from the Honorable the Court of Directors, and every advantage allowed to seniority when so posted, The Governor in Council does not consider it advisable to cause any removals of those Ranks of Subaltern Officers, they having already received the benefit of their relative situation with each other, nor does he consider it necessary to alter the Dates of their Commissions as Ensigns for the above reason.

By order of the Right Honorable the Governor in Council.

GENERAL ORDERS,

CHOULTRY PLAIN,

14th March 1818.

G. O. By Major General Dyce.

The following General Orders issued in Camp by the Commander in Chief, are, by His Excellency's orders, published to the Army.

Head Quarters of the Army of the Deckan: Camp at Beigunm, Saturday, 14th February 1818.

G. O. By the Commander in Chief.

The Commander in Chief has great satisfaction in noticing the several decisive and important services, performed by the Reserve of the Army of the Deckan, under the Command of Brigadier General Munro, by whose active enterprize, distinguished ability and general experience, the relief of the Fort of Nawlgoond has been effected at a time when the Garrison was severely pressed, and the Forts of Gudduck, Dummull, and Hoobley, have surrendered within a few days to that part of the Reserve immediately under the Brigadier General's Command.

The Force with the Brigadier General could hardly from it's trifling numerical strength, have been expected to achieve, the reduction of Posts so considerable as those abovementioned, but the character of the Leader, animated his small and gallant Party and equally contributed to produce the submission of the Enemy.

His Excellency also feels considerable satisfaction in noticing that the Detachment of the Reserve commanded by Brigadier General Pritzler, fell in with a Body of the Enemy's Cavalry, on the 8th and 18th Ultimo, on both which occasions the Enemy was successfully charged and dispersed, by a Detachment of His Majesty's 22d Light Dragoons, and 7th Regiment Cavalry, led on by Major Doveton of the latter Corps.

Under instructions from The Most Noble The Governor General, His Excellency Lieutenant General Sir Thomas Hislop, Commanding the Army of the Deckan, directs that the 3d and 5th Divisions, be from this date struck off the strength of that Army, and will henceforth make all Reports and Communications, to The Most Noble The Governor General and Commander in Chief in India, through the prescribed channels.

His Excellency Sir Thomas Hislop, avails himself of this opportunity of expressing the high opinion he has formed of the distinguished gallantry and discipline of the Troops composing the 3d and 5th Divisions of the Army of the Deckan; and His Excellency requests that Brigadier General Sir John Malcolm, K.C.B. &c. &c. and Lieutenant Colonel Adams, C.B. will accept of his sincere acknowledgments for their distinguished services and cordial exertions and support during the time they have served under his Command.

T. H. S. CONWAY,
Adjutant General of the Army.

G. O. By the Commander in Chief.

Lieutenant Cazalet of the 20th Regiment N. I. is removed from the 2d to the 1st Battalion of that Corps.

T. H. S. CONWAY,
Adjutant General of the Army.

Head Quarters of the Army of the Deckan: Camp at Nawulpoora, Tuesday, 17th February 1818.

G. O. By the Commander in Chief.

In consequence of the exemplary good conduct of Subadar Mootoo Sawmy of the 2d Battalion 13th Regiment N. I. who while under Suspension volunteered his services, to do duty with his Corps in Action against the Enemy; His Excellency the Commander in Chief is pleased to remit the further period of that Officer's Suspension, and to direct that he be considered as having returned to his duty, and be entitled to draw his Pay from the 16th December 1817, the date of the Action with the Enemy at Nagpoor.

GENERAL ORDERS,

CHOULTRY PLAIN,

17th March 1818.

G. O. By Major General Dyce.

The following General Orders issued in Camp by the Commander in Chief, are, by His Excellency's orders, published to the Army.

Head Quarters of the Army of the Deckan: Camp at Kuronde, Thursday, 26th February 1818.

G. O. By the Commander in Chief.

Major Brodie is removed from the 1st to the 2d Battalion, and Major Woulfe from the 2d to the 1st Battalion 11th Regiment Native Infantry.

T. H. S. CONWAY,
Adjutant General of the Army.

Head Quarters of the Army of the Deckan: Camp at Talnier, Saturday, 28th February 1818.

G. O. By the Commander in Chief.

His Excellency Lieutenant General Sir Thomas Hislop, Baronet, Commander in Chief of the Army of the Deckan, requests the Officers and Troops engaged yesterday upon the attack of Talnier, will accept his thanks, for their gallant and zealous exertions, during the short but arduous contest.

The professional ability and experience of Major Noble, C.B. Commanding the Artillery, were highly conspicuous, in the judicious application of the very limited means at his disposal for opening a road into the Fort.

The Artillery was most ably served, and it's execution far surpassed what could have been expected to be accomplished with Light Field Pieces.

The Commander in Chief requests that Major Noble, C.B. Captains Rudyard and M'Intosh, and Brigade Major Bonner of the Artillery, as well as the whole of the Officers, Non-commissioned and Privates of that excellent Corps, will accept his best thanks and acknowledgments, for the valuable services they yesterday performed.

The Commander in Chief had on this arduous occasion to deem himself most fortunate in experiencing the able, zealous and valuable services of his Aide-de-Camp, Lieutenant Elliot of the Royal Engineers, of which in consequence of the wound he received early in the Battle of the 21st December last, His Excellency had to lament the privation during the remainder of that day.

The services also of Lieutenant Anderson and Ensign Purton of Engineers, were eminently conspicuous, & His Excellency regrets that the wound which Lieutenant Anderson received, should deprive him even for a moment of that Officer's valuable services.

The want of sufficient means to carry on regular operations against the Fort of Talnier, obliged His Excellency The Commander in Chief to rest much on the well known gallantry of his Troops, on which he had the fullest reason, from previous experience, to rely, and his expectations were as usual most fully realized.

His Excellency regrets that this Army and their Country in general, should have to lament the loss of such distinguished Officers and valuable Men, as Major Gordon and Captain Macgregor of His Majesty's Royal Scots, the former Commanding the Storming Party (which consisted of the Flank Companies of His Majesty's Royal Scots under Captain Hulme, and of the Madras European Regiment under Captain Maitland), and the latter Commanding the Grenadiers of His Majesty's Royal Scots.

Major Gordon and Captain Macgregor fell gloriously at the head of the gallant Storming Party, almost at the moment when their intrepidity and courage had achieved the object of the attack.

To Major Knowles, who with the Rifle Corps, the 3d Light Infantry, and the Picquets supported the attack, the Commander in Chief offers his cordial acknowledgments, for the zeal, decision and intelligence which distinguish that Officer upon all occasions; and His Excellency also requests that Major Snow, Commanding the Rifle Corps, will receive his high approbation of his own exemplary conduct and of the useful services of his Corps.

The Commander in Chief also notices with high satisfaction, the good conduct and discipline of the 1st Battalion 3d Regiment Light Infantry under Captain Agnew, and the Picquets on duty under Captain Guffley of the 16th Light Infantry.

The conduct of the Pioneers during the whole of their arduous duties in the attack of yesterday, was such as to call forth the highest approbation of the Commander in Chief, and His Excellency offers to Captain M'Craith, Commanding the Pioneers, his warmest acknowledgments for his own distinguished and exemplary conduct, as well as to the whole of the Officers, Non-Commissioned and Privates of his Corps.

His Excellency anxiously trusts that he shall not be long deprived of the valuable services of the Officers and Men who were wounded in the attack, and he assures that gallant and distinguished Officer, Lieutenant Colonel Macgregor Murray, Deputy Adjutant General of His Majesty's Forces, and Captain O'Brien, Assistant Adjutant General, as well as Lieutenant Anderson of Engineers, Lieutenant Macgregor, His Majesty's Royal Scots, and Ensign Chauvel, 1st Battalion 2d Regiment N. I. of his most earnest solicitude for their early recovery.

The conduct of Lieutenant Colonel Conway, Adjutant General of the Army, and the unceasing and energetic display of that Officer's personal courage, and able arrangements throughout the day were such, as His Excellency well knew, from former experience, that he should derive the greatest benefit from; Sir Thomas Hislop begs

the Lieutenant Colonel to accept of his warmest thanks, for the great aid he has on the present occasion received from him.

The judicious and accurate reconnoissances made by Lieutenant Colonel Blacker, Quarter Master General of the Army, and the ability and gallantry of that Officer, in conducting the important arrangements of his Department, during the operations of yesterday, were such also as to entitle him to His Excellency's warmest thanks and acknowledgments.

Sir Thomas Hislop desires also to offer his best thanks to Lieutenant Colonel The Honorable L. Stanhope, who with Lieutenant Colonel Murray accompanied the Flank Companies of His Majesty's Royal Scots on the Storm, for his gallantry and conduct on this occasion; and to Major Hugh Scott, Military Secretary, and every Officer of the General, Personal and Divisional Staff, His Excellency tenders his warmest acknowledgments for the display of that energy and promptitude, for which on this, as on former occasions, they have been distinguished.

Adjutant General of the Army.

Head Quarters of the Army of the Deckan: Camp at Pooltamba, Tuesday, 17th March 1818.

G. O. By the Commander in Chief.

The arrangements in progress, rendering it unnecessary to continue the First Division of the Army of the Deckan, embodied, His Excellency the Commander in Chief directs it's discontinuance from this date, and the several Divisional, and Brigade Appointments, and the Departments hereafter specified, will be discontinued and paid up to the 31st Instant.

Brigades of Cavalry, Artillery, and Infantry,
Paymaster's Department,
Commissary of Stores' Department,
Senior Engineer,
Baggage Master's Department,
Superintending Surgeon,
Deputy Medical Storekeeper's Department,
Persian Interpreter,
Provost Marshal and Establishment,
Field Establishment of Guides, Quarter Master General's Department.

The Commander in Chief cannot, on this occasion, omit recording the high sense he entertains, of the merits, and services of the First Division of the Army of the Deckan.—His Excellency has on several proud occasions noticed the zeal, and ability of the Officers, and the patience, discipline, and gallantry of the Troops, but His Excellency now feels it a duty, to notice the highly orderly, and exemplary conduct, of the Division on all occasions, speaking in such strong terms the credit due to the several Brigadiers, Commanding Officers of Corps, and Brigade, and Regimental Staff; while, Sir Thomas Hislop reflects with no common pride on the manner his gallant Troops have maintained the high reputation of the Madras Army, it is a fact to be recorded, equally honorable both to the Officers and Troops, that in no instance, has a General Court Martial been assembled in the Division, for any offence committed by the Troops, since it's formation, or does the Orderly Book record one single instance of censure.

To Lieutenant Colonel Mackintosh, Deputy Commissary General,
Captain Carfrae, Paymaster,
Captain Mackintosh, Commissary of Stores,
Captain Spankie, Baggage Master, His Excellency the Commander in Chief, offers his warmest thanks, and acknowledgments, for the eminent services they have rendered him, not only for their conspicuous zeal, as Officers in the Field, but for the efficiency of their several important Departments, which throughout the service, have been conducted with a well directed ability, as honorable to those Officers, as their exertions have been advantageous to the Service.

To Captain Briggs, Persian Interpreter, His Excellency the Commander in Chief offers his best thanks, and cordial acknowledgments, for the valuable services he has rendered him on all occasions.

The Commander in Chief must again notice, the efficiency of the Medical Department, which has been most ably conducted by Mr. Superintending Surgeon Annesley, to whom, as well as to Mr. Stritch, Deputy Medical Storekeeper, The Commander in Chief offers his acknowledgments, and praises, which are so justly due to their indefatigable exertions, and able arrangements.

GENERAL ORDERS,

CHOULTRY PLAIN,

23d April 1818.

G. O. By Major General Dyce.

The following General Orders issued in Camp by the Commander in Chief, are, by His Excellency's orders, published to the Army.

Head Quarters of the Army of the Deckan: Camp at Aurungabad, Tuesday, 31st March 1818.

G. O. By the Commander in Chief.

Lieutenant General Sir Thomas Hislop having, in pursuance of the authority vested in him, for that purpose, by The Most Noble The Governor General and Commander in Chief, made such arrangements, as were necessary, towards the breaking up of the Army of the Deckan, His Excellency proceeds to issue his final Orders, as Commander in Chief of that Army.

From, and after the present date, therefore, the designation of the "Army of the Deckan" is discontinued, and the Corps commanded by Brigadier Generals Doveton, and Smith, will revert to the footing on which they stood, previously to the Lieutenant General's assumption of the Chief Command.

As the Divisions, of which Brigadier Generals Doveton, and Smith, are to retain the Command, will still for a time exceed the ordinary amount of the Subsidiary Forces, which constituted their original Commands, and will continue to be employed in operations intimately connected with those, in which they have been engaged, since they received that rank, Lieutenant General Sir Thomas Hislop notifies to the Army, that it is not, at present, the intention of His Excellency The Most Noble The Governor General, to recall the Commissions issued to the above Officers; that on similar grounds, Brigadier Generals Munro, Pritzler, Sir John Malcolm, and Sir Augustus Floyer, will also retain for the present, the rank of Brigadier General, and that Brigadier Generals Munro, Smith, and Pritzler, will continue to act in the same relations to each other, as they now fulfil.

Lieutenant General Sir Thomas Hislop, authorizes the General, and Personal Staff, at Head Quarters, to continue to maintain their Field Establishments, until the arrival of His Excellency at Fort St. George.

Sir Thomas Hislop would have deemed it quite superfluous, after the high and flattering encomiums bestowed on the Army of the Deckan, by His Excellency The Most Noble The Governor General and Commander in Chief, to express those which the gallant Army he has had the honor to Command, throughout so eventful a campaign, is in so pre-eminent a degree entitled to, personally from him; Impelled however, by a sense of what is due to them, for their undeviating observance of the most exact discipline, thereby throwing a lustre on their acknowledged achievements, he cannot resist the opportunity which the present moment affords, of bearing the most public testimony of their further just deserts.

Each, and every Division of the Army, having entitled itself to, and received the Lieutenant General's thanks and applause, it becomes unnecessary now to revert to the particular occasions which called forth these acknowledgments; nothing is therefore left to His Excellency to repeat, but that they have all most nobly done their duty, thereby leaving on his mind, an indelible impression of admiration: To have been placed at the Head of the Army of the Deckan, must to the latest period of his life, prove the source of his greatest pride, as the conferring on him, by The Most Noble The Governor General in Council, of so distinguished a Command, must ever claim the acknowledgments of his utmost gratitude.

To Major General Sir William Grant Keir, to Brigadier Generals Munro, Doveton, Sir John Malcolm, Smith, and Pritzler, and to Lieutenant Colonel Adams, who commanded the several Divisions of the Army in the Field, Sir Thomas Hislop once more tenders to their acceptance, the offer of his most sincere, and grateful thanks, for the eminent services they have performed, while serving under his Command, and His Excellency requests they will each do him the favor of conveying the same to the Corps, which have composed their Divisions during the Campaign.

The Lieutenant General avails himself, with pleasure, of the present occasion, to record the high sense he entertains, of the able and energetic assistance he has received, during the whole of the Campaign, from his General, and Personal Staff, in conducting their respective Departments, and duties, which justly entitles them to his unqualified thanks, and approbation: His Excellency at the same time deems it proper to remark, that if the Commissariat arrangements during the short period when the Army was in the Field in 1815, were such as to demand his particular applause on that occasion, the more arduous, and complicated duties required of the Department, during the late service, and which were most satisfactorily fulfilled under circumstances of the greatest difficulty, and embarrassment, give Lieutenant Colonel Morison, aided as he has been, by the indefatigable exertions of Lieutenant Colonel Mackintosh, and the Officers of his Department, the strongest claim to His Excellency's acknowledgments and high commendation.

All Returns, Reports, and Communications from the Army of the Deckan are to be forwarded through the prescribed channels, to Sir Thomas Hislop, Head Quarters, up to this date, inclusive, and His Excellency will reserve to himself, the right of giving such further orders, and instructions, as may be necessary on all points, at present under reference, or requiring submission for approval to superior authority, up to the same period.

G. A. O.

An omission having unintentionally occurred, in not having noticed Captain Ffrench, the Postmaster of the Army of the Deckan, in any of the General Orders conveying the thanks, and acknowledgments, of the Commander in Chief, to the Officers of the General Staff, His Excellency loses no time, since that omission has been brought to his observation, in expressing his entire approbation of the very efficient manner in which Captain Ffrench has invariably conducted that important Department, and surmounted the many difficulties which presented themselves to it's due fulfilment, and for which His Excellency now offers to Captain Ffrench his very sincere thanks.

Captain Ffrench will continue, until further orders, to be Postmaster with the Head Quarters of the Madras Army in the Field.

T. H. S. CONWAY,
Adjutant General of the Army.

CHOULTRY PLAIN, 23*d April* 1818.

G. O. By Major General Dyce.

Private William Shadwell of the Carnatic European Veteran Battalion, is promoted to Serjeant of Effective Supernumeraries, and appointed Barrack Serjeant of Ganjam, from the 25th Ultimo.

Under authority of His Excellency the Commander in Chief and in conformity to the 10th Para. 1st Section of the Commissariat Regulations, Officers Commanding at the different Stations of the Army will assemble Committees for the Survey of the Grain and Provision Department at their respective Stations, the Proceedings of such Committees are to be completed on the 30th Instant, or as soon after as possible, and to be prepared in duplicate, one set to be forwarded to the Commissary General at Fort St. George, and the other to the Office of the Commissariat attached to the Division in which the Committee is held.

The undermentioned Officers have obtained leave from their Corps and Stations.

G. O. BY GOVERNMENT.

It having been represented to Government that on the decease of Native Troops, under circumstances to entitle their Families to Pensions, the latter have been exposed to inconvenience and distress by the discontinuance of their Family Certificates before their Pensions have been authorized; The Right Honorable the Governor in Council deems it expedient to establish the following Regulation for their relief.

On receipt of notifications of the decease of Native Troops their Family Certificates, if they had left any, are in all cases to be cancelled; and, if the families are entitled by the Regulations to Pensions, temporary Pension Certificates are to be issued to them in lieu thereof for the amount of the regulated Pension, according to the Rank, &c. of the deceased, and in the name of the Persons to whom the Family Certificates were payable; the payment to commence from the date on which the Family Certificates may have been discontinued.

The temporary Certificates thus issued are to contain the usual personal description, &c. of the Party, but are never to exceed the regulated Pension, even tho' the Family Certificate should have been for a greater amount; and when the permanent Pensions are afterwards sanctioned they are to be payable, not from the date of the casualty, but from that on which the temporary Certificates have been cancelled.

It is further to be understood that should Persons who may obtain the temporary Pensions not be subsequently recognized as the nearest Heirs of the deceased, the latter when permanently pensioned are to have no claim to any arrear for the interval between the date of decease of the Parties in right of whom they claim, and that of the discontinuance of the temporary Certificates.

On receipt of the notifications of casualties, the Superintendent of Family Certificates and Pensions, in conformity with the above provisions, is to prepare the temporary Certificates and to submit them for the sanction of Government, accompanied by corresponding lists, specifying the dates of the casualties, where they occurred, where the Certificates are required to be paid, &c.; and when approved, the Military Auditor General will receive authority from Government for their payment.

Commanding or Staff Officers of Stations at which Family Certificates may be payable, are accordingly to transmit to the Superintendent of Pensions, &c. the necessary particulars, to enable him to give effect to the above

Regulation; and are also to afford that Officer every information, connected therewith, which he may have occasion to require of them.

As the above provisions are applicable in those cases only in which the Troops may have left Family Certificates, and it being deemed of importance that the right of all Individuals (particularly the Families of the Native Troops) who may have claims to permanent Pensions shall be established with the least possible delay; His Excellency the Commander in Chief is requested to direct that the prescribed Committees for the examination of such claims, shall be assembled as early as may be practicable after, if not prior to, the termination of the service giving rise to such claims.

By order of the Right Honorable the Governor in Council.

T. H. S. CONWAY,
Adjutant General of the Army.

Head Quarters of the Army: Camp at Sonaee, Saturday, 18th April 1818.

G. O. By the Commander in Chief.

His Excellency the Commander in Chief has great satisfaction in expressing in Public Orders, the high sense he entertains, of the spirited, and judicious conduct, of Lieutenant Stott of the 2d Battalion 9th Regiment Native Infantry, which has been brought to His Excellency's notice by Brigadier General Munro, Commanding the Reserve of the Army.

From the Brigadier General's report, it appears that Lieutenant Stott, with a Detachment of 50 Men of the 2d Battalion 9th Regiment Native Infantry, was sent to occupy a position near the Fortress of Hongull, for the purpose of preventing the Enemy's Garrison at that place, from plundering, and laying waste, the adjacent country.—Lieutenant Stott reached the place, and took up his ground on the 8th Instant, about 1,000 yards from the Fort.—In the course of the day, he drove off a Party of the Enemy from a commanding position they occupied, within 200 yards of the Fort, but owing to the fire of the guns from the works, he was compelled to retreat to his former position.

In the evening he was attacked by the whole of the Garrison, and after a gallant contest, succeeded in repulsing them, with considerable loss, at the same time taking possession of a well chosen position, close to the Fort, and covered from the effects of it's guns.

The determined perseverance, and courage, of this small Party, so ably directed by Lieutenant Stott, intimidated the Enemy to such a degree, that they surrendered the place, with a Garrison of 800 Men, next morning.

The Commander in Chief requests that Brigadier General Munro will communicate to Lieutenant Stott, His Excellency's entire approbation, and applause, of his conduct upon this occasion, as well as that of the gallant Detachment under his command.

The Commander in Chief is happy in having it in his power, to correct an omission in His Excellency's G. O. of the 13th Ultimo, noticing the attack of the Army of Bajee Rao, on the 20th February last, by the Division of the Army under the Command of Brigadier General Smith, C. B.

The report of the Brigadier General, stating that the Horse Artillery were kept in reserve, led the Commander in Chief to understand, that they were not actively engaged, but His Excellency having received a subsequent report from the Brigadier General, explanatory of the circumstance, and shewing that the Bombay Horse Artillery, under Captain Pierce, bore an active, and distinguished share, in the dangers and honor of the Action of the 20th February, His Excellency desires to offer to Captain Pierce, the expression of his high approbation, and thanks, for the zealous and persevering exertions, which that Officer made, in bringing his guns into position, and opening their fire, under circumstances of great difficulty, owing to the nature of the ground, and His Excellency requests that Brigadier General Smith, will communicate to Captain Pierce, and to the Corps of Bombay Horse Artillery under his command, the high sense entertained by the Commander in Chief, of their meritorious services, and good conduct.

The Commander in Chief has received from Brigadier General Munro, Commanding the Reserve, a report of the meritorious conduct of a Troop of the 5th Regiment Cavalry, in an affair with the Enemy's Horse on the 8th of February last.—This report, from some mistake, has only now reached Head Quarters, and His Excellency takes the earliest occasion, to express the very high sense he entertains, of the gallantry, and courage, which animated the small Party of the 5th Regiment Cavalry, on the occasion above alluded to, and particularly of the spirited, and prompt decision, which marked the conduct of Captain Munro, 7th Regiment Light Cavalry, Commanding the Troop, whose ready determination, and good judgment, not only saved the Troop, but succeeded in repulsing the Enemy with considerable loss, although posted in an advantageous position, and vastly superior in numbers, to the Party with Captain Munro.

His Excellency offers to Captain Munro, and the gallant Detachment under his command, his entire approbation, and applause, of their conduct, as reported by Brigadier General Munro, and desires that this Order may be particularly explained to the Troop of the 5th Cavalry, engaged with the Enemy, on the 8th February last.

GENERAL ORDERS,

CHOULTRY PLAIN,

8th May 1818.

G. O. By Major General Dyce.

The following General Orders issued in Camp by the Commander in Chief, are, by His Excellency's orders, published to the Army.

Head Quarters of the Army of the Deckan : Camp at Bizapoor, Friday, 13th March 1818.

G. O. By the Commander in Chief.

His Excellency the Commander in Chief, has received the Official Details, from Brigadier General Munro, of the attack, and surrender of the Fortress of Badami, on the 18th Ultimo, to the small, but gallant Detachment, of the Reserve of the Army of the Deckan, under the Brigadier General's command.

The enterprizing spirit, which has marked the whole of the military operations, in which Brigadier General Munro has been engaged, reflects the highest *lustre*, on that distinguished Officer's professional zeal, and conspicuous ability.—The present attack, undertaken with so much promptitude, and decision, has produced the unconditional surrender of the important citadel of Badami, after the Fort was gallantly stormed, without any considerable loss, an advantage which must be attributed, in a very great degree, to the timely, and fortunate arrival, of the reinforcements from the Ceded Districts, without which addition to Brigadier General Munro's very inadequate Force, the results might have been more glorious, but the loss more severe.

His Excellency the Commander in Chief requests, that Major Newall who has conducted the Details of the Division of the Reserve, under Brigadier General Munro's immediate command, will accept his thanks, and acknowledgments, for the very able, and judicious manner, in which he has conducted this, as well as every previous service, in which the Detachment has been engaged.—His Excellency the Commander in Chief also desires, that Captain Rose of the 2d Battalion 9th Regiment, will accept his acknowledgments, for the gallant, and spirited manner, he led the advance of the Storming Party, into the Fort of Badami ;—The expression of His Excellency the Commander in Chief's approbation, and applause, is also due to the gallant Detachment of His Majesty's 22d Regiment Light Dragoons, (dismounted), the Flank Companies of the 2d Battalion 4th Regiment, the Flank Companies of the 2d Battalion 9th Regiment, and the Detachment of Madras Pioneers, for the admirable spirit, and coolness, they evinced in the attack.

The Commander in Chief has received from Brigadier General Smith, Commanding the 4th Division of the Army of the Deckan, the official details of the important success gained by the Troops, under the Brigadier General's command, on the 28th ultimo, at Ashtie, over the Army of Bajeerow, and His Excellency hastens to record his admiration, of the ability, and gallantry, which have led to this most important result.

It appears that after a most persevering pursuit, which the Troops of the 4th Division kept up with exemplary cheerfulness, during a period of three months, their exertions were rewarded by coming up with the Enemy on the above day.—The opposition made by the Mahratta Cavalry, was brave, and resolute, but the successive charges made by our gallant Cavalry, soon compelled them to fly in confusion, with the loss of about 300 men, and a great part of their baggage.

The death of their leader Gokiah, who fell in the action, and the rescue of His Highness The Rajah of Sattara, who, with his Family, is now happily under the protection of the British Government, are among the more striking features of this brilliant affair, and their importance will certainly be fully appreciated, by The Most Noble The Governor General.

His Excellency Lieutenant General Sir Thomas Hislop, begs leave to tender, his grateful acknowledgments, to Brigadier General Smith, for the unceasing energy, and high military character, which have marked that Officer's proceedings, during the short, but, eventful period of hostilities with Bajeerow, and His Excellency assures the Brigadier General, that in the report of the present affair, which will be immediately laid before The Most Noble The Governor General, it will be His Excellency's endeavour, to do justice to his distinguished conduct.

His Excellency Lieutenant General Sir Thomas Hislop notices, with the highest satisfaction, the intrepid, and well timed charge, made by the two Squadrons of His Majesty's 22d Dragoons, under Major Dawes, by which the Enemy were first routed, and the no less admirable conduct of the 2d and 7th Regiments of Madras Cavalry, under Majors Walker, and Doveton, respectively, which gallant Corps, composed the Brigade, commanded by Lieutenant Colonel Colebrooke, C. B., and whose exertions on this occasion, have been such as to excite in His Excellency's mind, the strongest sentiments of approbation, of the skill, and decision, of those Officers, as well as of the gallantry, and discipline, displayed by their exemplary Corps.

The Commander in Chief also desires, that Captain Frith of the Madras Artillery, will accept his acknowledgments, for the very able, and judicious manner, he brought the Gallopers, under his command, into action with the Cavalry.

The important services of Captain Tovey, Deputy Adjutant General, and of Captain Mayne, Deputy Quarter Master General, and the active zeal, and promptitude, of Brigadier General Smith's Personal Staff, Captain Hardcastle, Lieutenant Place, and Lieutenant Billamore, have been brought to His Excellency's notice, in a manner, which entitles them individually, to receive His Excellency's thanks and applause.

The Commander in Chief has also much pleasure, in offering his best acknowledgments, to Major Hull, Deputy Commissary General, whose excellent arrangements, foresight, and assiduity, are represented by the Brigadier General, to have overcome many obstacles to the supply of the Division, during it's recent operations.

The Paymaster of the 4th Division, Captain James, the Commissary of Stores, Captain Griffiths of the Bombay Artillery, and Mr. Superintending Surgeon Phillips, are also entitled to the Commander in Chief's praise, and acknowledgments, for the efficiency which has prevailed in their respective Departments.

The Fort of Singhur having surrendered to Brigadier General Pritzler's Detachment, on the 2d Instant, His Excellency the Commander in Chief, congratulates that Officer, and the gallant Troops under his command, on the possession of so strong a Fortress, with so little loss.

The able and judicious arrangements, made by Brigadier General Pritzler, for conducting the operations of the siege, reflect the highest credit on that Officer's military character, and the Commander in Chief requests the Brigadier General to be assured, that he will report his high estimation, of the services he has rendered, in appropriate terms, to The Most Noble The Governor General.

The professional ability, and experience, of Lieutenant Colonel Dalrymple of the Madras Artillery, (who commanded the Artillery employed at the siege of Singhur,) are reported by Brigadier General Pritzler to have been conspicuous, and His Excellency The Commander in Chief requests Lieutenant Colonel Dalrymple to be assured how duly he appreciates, the value of his zealous services, on this, as well as on every other occasion.

The Commander in Chief also requests that Captain Nutt of the Bombay Engineers, and Lieutenant Grant of the Madras Engineers, will accept his thanks, and cordial approval, of their zealous, and valuable services, during the siege.

The conduct of the Artillery, Pioneers, and Troops in general, was highly praiseworthy, and The Commander in Chief notices, with great satisfaction, the commendation which Brigadier General Pritzler has bestowed on them, for their zeal, and cheerfulness, on all occasions.

His Excellency The Commander in Chief has great satisfaction in announcing to the Army, that the Fortress of Chockum surrendered to the Detachment commanded by Lieutenant Colonel Deacon of the Madras Establishment, on the 27th Ultimo.

The judgment, spirit, and decision, with which the short, but active operations, against the Fort of Chockum, were carried on, speak sufficiently the ability, and character, of Lieutenant Colonel Deacon, and His Excellency The Commander in Chief requests that Officer to accept his praise and acknowledgments, for the important services he has rendered.

The Commander in Chief's approbation, is also due to Captain Thew, Commanding the Bombay Artillery, Ensign Slight of the Bombay Engineers, employed on this service, as well as to the whole of the Officers, and Troops of this Detachment.

Remarks by His Excellency The Most Noble The Commander in Chief.

The Court by finding the Prisoners guilty of having falsely and maliciously deposed upon oath before a Magistrate, that Assistant Surgeon Wray wilfully and intentionally shot at them, have declared each of them guilty of an atrocious act of Perjury.

Suspension for a month from Rank and Pay is so inadequate a punishment for a crime of such turpitude, that The Commander in Chief entirely disapproves the Sentence and orders the Court to be dissolved.

It appearing by the Regimental Books, that Subadar Mayput Sing was deeply impeached in character and had public notice given to him by a former Commander in Chief thro' the Adjutant General, that any future laxity in his conduct would entail his dismission from the Service without a Court Martial, The Commander in Chief deems it fitting to enforce the penalty of which Subadar Mayput Sing was then warned, and His Lordship accordingly, by virtue of the power vested in him, dismisses Subadar Mayput Sing from the Honorable Company's Service.

The Commander in Chief is further pleased to direct that Havildar Major Ajaib Sing be dismissed the Honorable Company's Service.

The Commander in Chief is induced to exercise this severity in the case, because that in addition to the malignant nature of the crime, the Prisoners have endeavoured to support their defence in a way which deserves peculiar reprobation.

Among the grains of shot produced in Court as having fallen on the bed where the Prisoners were lying, there are several of a much larger size than the quality of shot which it was proved Assistant Surgeon Wray was using—Those larger shot are flattened, that it may be inferred with what force they struck the bed frame: But those grains are equally flattened on both sides, so as that it is evident they were put into that state between two hard substances.—This attempt at imposition The Commander in Chief considers in a heinous light. Still it is not so grossly culpable as the other point.—Four Witnesses are brought forward by the Prisoners in their defence against the second Charge: and each of those Witnesses gives his answer to a series of questions, not only to the same effect, but as is observed by the Deputy Judge Advocate, precisely in the same phrase; so that their evidence was word for word the same—this is a coincidence which could not have happened but from the Witnesses having severally been instructed in their lesson before hand; and The Commander in Chief cannot sufficiently express his astonishment that the Court did not comment on so gross and palpable a fact—These circumstances greatly aggravate the original guilt in the contemplation of The Commander in Chief and render a rigorous example necessary.

By Command.

G. O. BY GOVERNMENT.

Ordered, that the following Extract from the Honorable Company's General Letter in the Military Department, under date the 4th February 1818, be published in General Orders.

Para. 276. "We are of opinion, after mature deliberation, that the best mode of combining the encouragement of a knowledge of those Languages (Hindoostanee and Persian,) with other objects of public importance, will be the adoption of the system which prevails in Bengal."

277. "We, therefore, authorize, and direct you, to appoint a Subaltern Officer, in each Battalion of Native Infantry, to be Interpreter of the Hindoostanee Language to that Battalion, who is also to perform the duties of Quarter Master of the Battalion, with the same Staff Salary as we in our Military Letter of the 5th May 1815, fixed for the Adjutants of Native Battalions, that is

Staff Pay per Month, ...	Arcot Rupees 62
Moonshee, and Stationary	 40
A Horse	.. 30
Total per Month,—Arcot Rupees..	132

278. "It will be the duty of the Interpreter and Quarter Master, to officiate as Interpreter of Hindoostanee, not only to all Courts Martial, which may be held in the Battalion to which he belongs, but to any other Court Martial, at which he may be directed to officiate, without any further charge, or expense, to the Company, for

such service, and generally to render all the services which as an Interpreter he may at any time be called upon to perform."

279.—" It will, also, be his duty to act as Quarter Master of his Battalion, and to perform all those duties, which are usually performed by the Quarter Masters of other Corps in your Army."

280.—" We rely upon your care and vigilance that no Officer be selected for the important situation of Interpreter who is not fully qualified to perform all the duties of it, especially the serious and responsible duties to Courts Martial."

281. " We take this opportunity to recal to your recollection, our Orders to Bombay, as contained in our Military Letter to that Government, dated 17th January 1810, Copy of which was transmitted to you, as equally applicable to your Presidency, with our Military Letter of the 23d January 1811."

" We are decidedly of opinion, that no Officer should be appointed to any Staff situation, whatever, unless he have previously acquired a knowledge of the Hindoostanee Language, which is the vernacular language of Hindoostan, and more or less spoken, and understood, throughout the Deccan."

" The means of acquiring this Language, are now much facilitated, and it is so obviously both the duty and the interest of all our Servants at all the Presidencies to obtain a knowledge of it, that we desire you will hereafter consider a competent acquaintance with it, to be an indispensable qualification, in every Candidate for a Staff appointment."

282. " With respect to your Regiments of Native Cavalry, we direct that the Quarter Master of each Regiment of Native Cavalry perform also the duty of Interpreter of Hindoostanee to his Corps, with an allowance of thirty (30) Arcot Rupees a Month for a Moonshee."

The following Extract from the confirmed Proceedings of a General Court Martial held at Vizagapatam, on the 6th day of July 1818, by virtue of a warrant from Major General Dyce, conducting the Details of the Army at the Presidency, under the authority of His Excellency Lieutenant General Sir T. Hislop, Bart. Commander in Chief, and continued by successive adjournments until the 16th day of July 1818, and of which Colonel Simons of the 4th Regiment N. I. is President, are published to the Army.

Lieutenant D. Watson of the 1st Battalion 4th Regiment N. I. placed in arrest by me, on the following Charge.

CHARGE.—For conduct disgraceful to the character of an Officer and a Gentleman, in being intoxicated on the night of the 13th February 1818, when Officer of the Day, and having at that time, at the Mess Table, shook his fist at, and grossly abused, Lieutenant F. Haleman of the same Battalion.

(Signed) W. CLAPHAM, Major,
in charge 1st Bat. 4th Regt. N. I.

By Order.
(Signed) T. H. S. CONWAY,
Adjutant General of the Army.

SENTENCE.—The Court having maturely weighed and considered the evidence brought in support of the prosecution, as well as what the Prisoner, Lieutenant Watson, has urged in his defence, and the evidence in support of the same, is of opinion, that the Prisoner, Lieutenant Watson, is not guilty of the first part of the Charge, viz. "For conduct disgraceful to the character of an Officer and a Gentleman, in being intoxicated on the night of the 13th of February 1818, when Officer of the Day,"—but the Court find the Prisoner, Lieutenant D. Watson, guilty of conduct disgraceful to the character of an Officer and Gentleman, in the following instance, viz. "Having at the Mess Table grossly abused Lieutenant Haleman of the same Battalion," but acquit the Prisoner, Lieut. Watson, of having shook his fist at Lieutenant Haleman, and the Court do, for the part of the Charge which they find him guilty, adjudge him, the Prisoner, Lieutenant D. Watson, to be placed one lower in the List of Lieutenants in his Regiment.

Captain 1st Bat. 6th Regt. N. I.
Officiating Deputy Judge Advocate.

APPROVED AND CONFIRMED.
(Signed) T. HISLOP,
Lieutenant General.

Lieutenant D. Watson of the 4th Regiment N. I. is released from arrest, and will return to his duty in that Regiment, in which, in pursuance of the above Sentence, he will rank next below Lieutenant F. Haleman and above Lieutenant J. Metcalfe.

The Commander in Chief in publishing the foregoing Extracts, cannot omit to notice a deviation from the General Orders of the 24th March 1812, on the part of the Court Martial, in having annexed a recommendation in favor of the Prisoner to their Proceedings, instead of making it the subject of a separate Letter.—His Excellency regrets that the serious nature of the Charge precludes him from paying that attention to the Court's wishes, which under other circumstances he would have been inclined to evince.

Further Extracts from the Proceedings in continuation of a General Court Martial held at Vizagapatam, on the 16th day of July 1818, by virtue of a warrant from Major General Dyce, conducting the Details of the Army at the Presidency, under the authority of His Excellency Lieutenant General Sir T. Hislop, Bart. Commander in Chief, and continued by successive adjournments until the 23d day of July 1818, and of which Colonel Simons of the 4th Regiment N. I. is President, are published to the Army.

Lieutenant F. Haleman of the 1st Bat. 4th Regiment N. I. placed in arrest by me, on the following Charges.

CHARGES.—1st. For unofficer and ungentleman-like conduct, in having submitted to be grossly abused at the Mess Table, by Lieutenant D. Watson of the same Battalion, without taking any steps to clear his character.

2d.—For disgraceful conduct, in having on the night of the 4th December 1817, come out of his Bed-room and listened to a conversation passing at the Mess Table, and having the following morning publicly declared that he had done so, and that he had heard what had passed.

(Signed) W. CLAPHAM, Major,
in charge 1st Bat. 4th Regt.

By Order.
(Signed) T. H. S. CONWAY,
Adjutant General of the Army.

SENTENCE.—The Court having maturely weighed and considered the evidence brought in support of the prosecution, as well as what the Prisoner (Lieutenant F. Haleman) has urged in his defence, and the evidence in support of the same, is of opinion that the Prisoner (Lieutenant F. Haleman) is guilty of the 1st Charge, viz. "For unofficer and ungentleman-like conduct, in having submitted to be grossly abused at the Mess Table by Lieutenant D. Watson of the same Battalion, without taking any steps to clear his character."

The Court further is of opinion that the Prisoner (Lieutenant F. Haleman) is guilty of the 2d Charge preferred against him, viz. "For disgraceful conduct, in having on the night of the 4th December 1817, come out of his Bed-room and listened to a conversation passing at the Mess Table, and having the following morning publicly declared that he had done so, and that he had heard what had passed.

The Court having found the Prisoner (Lieutenant F. Haleman) guilty as above stated, doth therefore adjudge him to be placed at the bottom of the List of Lieutenants in his Regiment.

(Signed) N. H. HATHERLY, Captain,
Officiating Deputy Judge Advocate.

(Signed) J. SIMONS, Colonel,
and President.

APPROVED AND CONFIRMED.
(Signed) T. HISLOP,
Lieutenant General.

Lieutenant F. Haleman of the 4th Regiment N. I. is released from arrest, and will return to his duty in that Regiment, in which, in pursuance of the above Sentence, he will rank next below Lieutenant A. B. Dyce.

The General Court Martial of which Colonel Simons is President, is dissolved.

CHARGE.---For gross misbehaviour, cowardice and disobedience of orders, while on duty at the Battery Guard on the 31st March 1818, in not advancing to meet and repel a Sally of the Enemy from the Fort, although repeatedly ordered so to do by Lieutenant Walker of the 4th Regiment N. I. the Officer Commanding the Battery Guard.

APPROVED AND CONFIRMED.
(Signed) T. HISLOP,
Lieutenant General.

The Commander in Chief having approved and confirmed the foregoing Sentence passed on Jemadar Koodan Ramdoo of the 2d Battalion 9th Regiment, His Excellency directs that his dismissal from the Honorable Company's Service may be dated from the day these Orders are published to the Corps,—but in consideration of the Prisoner's long services and the conviction which His Excellency The Commander in Chief feels that such example is unnecessary in the Madras Army, he is pleased to remit the latter part of the Sentence, and to direct that it be confined to the Prisoner's dismissal from the Service.

G. Commander in Chief of all the Forces in India, &c. &c. &c. &c. under date the 2d March 1818.

President,—Subadar Shaik Emom, 2d Battalion 1st Regiment Madras Native Infantry.

Officiating Deputy Judge Advocate General,—Captain William Stone, 1st Battalion 1st Madras N. I.

Interpreter,—Lieutenant Campbell, 1st Battalion 1st Regiment Madras N. I.

CHARGES.—Mahobut Khan, Jemadar of the Escort with the British Resident at Nagpoor, placed in arrest, on the following Charges.

1st.—For having not reported himself to Captain Lloyd, whom he was ordered to join in command of a small reinforcement, between the hours of 6 at night and 2 in the morning of the 26th and 27th of November last, in the action at Nagpoor, and not exerting himself as became an Officer, in encouraging the Men in their resistance to the Enemy.

2d.---For having not been present with the Escort some time after 1 in the morning of the 27th, when Captain Lloyd, his Commanding Officer, was forming a Party for the support of the left of the Division against the Enemy, and which Party marched off without him.

3d.---For having on the morning of the 27th, during the time that the Escort maintained its position on the Hill, quitted his position without orders and placed himself in the rear of a Powder Magazine, contiguous to the rear of the Post; and when the Hill was charged by the Enemy, and the Detachment compelled to retreat, having not advanced his Party to its support, but on the contrary, having been among the first to retreat to the Hill on the Right Flank, thereby defeating the purpose for which he had been posted.

4th.---That in the forenoon of the 27th, when the Troops stormed and retook the Hill from the Enemy, and during the whole of that arduous conflict, he, the Jemadar, was not present with his Corps, or with any other part of the Troops engaged---such conduct being cowardly and infamous, unworthy of a Soldier, and tending to the disgrace of the British Arms.

By order of His Excellency The Most Noble The Commander in Chief.

(Signed) J. NICOL,
Adjutant General of the Army.

Head Quarters: Camp, 1st *March* 1818.

SENTENCE.---The Court having attentively considered the evidence in support of the prosecution, as well as what the Prisoner has urged in his defence, is of opinion, that the Prisoner, Jemadar Mahobut Khan of the Nagpoor Escort, is "Not Guilty" of the first Charge, viz. "Of not having reported himself to Captain Lloyd, whom he was ordered to join in command of a small reinforcement between the hours of 6 at night and 2 in the morning of the 26th November last, in the action at Nagpoor, and not exerting himself as became an Officer, in encouraging the Men in their resistance to the Enemy," and do therefore acquit him of all and every part of the said Charge.

The Court is of opinion that the Prisoner is "Not Guilty" of the 2d Charge, viz. "For not having been present with the Escort some time after 1 in the morning of the 27th November last, when Captain Lloyd, his Commanding Officer, was forming a Party for the support of the left of the Division, against the Enemy, and which marched off without him," and accordingly acquits him of all and every part of the said Charge.

The Court is of opinion that the Prisoner is "Guilty" of that part of the 3d Charge which states "That when the Hill was charged by the Enemy on the morning of the 27th November last, not having advanced his Party to its support," but acquits him of every other part of the 3d Charge.

The Court is of opinion that the Prisoner is "Guilty" of the 4th Charge, viz. "That on the forenoon of the 27th, when the Troops stormed and retook the Hill from the Enemy, and during the whole of that arduous conflict, he, the Prisoner, was not present with his Corps or with any other part of the Troops engaged"---and the Court is further of opinion, that such conduct is cowardly and infamous, unworthy of a Soldier, and tending to bring disgrace on the British Arms.

The Court having found the Prisoner in part guilty of the 3d Charge and of the whole of the 4th Charge, and which being in breach of the Articles of War, do sentence him to be dismissed the service and declared unworthy of serving the Honorable Company in any military capacity whatsoever.

(Signed) W. STONE, Captain, and Offic. Deputy Judge Advocate Genl.

The X mark of SHAIK EMOM, Subadar, and President.

That part of the Sentence which directs the dismissal of Jemadar Mahobut Khan from the Honorable Company's Service, is approved and confirmed; But the declaration that the Prisoner is unworthy to be employed in any military capacity whatever, is considered beyond the competency of the Court, as it would unduly limit the judgment of Government, and is therefore not confirmed.

With reference to the Government General Orders of the 19th Instant, His Excellency the Commander in Chief is pleased to direct, that the Details of Cavalry Regiments doing duty with the Cavalry Recruiting Depôt, shall be immediately augmented to the following strength from each Regiment respectively.

		N. Officers.	Havildars.	Naigues.	Privates.	Horses.

The above Details to be selected by Officers Commanding Corps from the Men of each Rank best qualified to instruct Recruits and assist in the Drill duties, they must be sent complete with Arms, Accoutrements, Horse Appointments, &c. and Registers, Pay Certificates, &c. must be forwarded to Captain Outlaw.—These Details while attached to the Cavalry Recruiting Depôt are to be returned mustered and paid in like manner as those at present doing duty with it.—Officers Commanding Divisions and Field Forces will be pleased to make the necessary arrangements for the immediate march to Arcot of the number of Men of each Rank, with their Horses, &c. required to complete the above Detail, and Captain Outlaw will order such Men of any Rank as are surplus to the Detail required, to return to join the Head Quarters of the Corps to which they belong.

Several instances having recently occurred of the transmission to Head Quarters of Recommendation Certificates for the promotion of Native Officers, in which the reasons for departing from the Regulations prescribing attention to seniority in the selections for promotion have either been altogether omitted to be mentioned, or when stated have proved very unsatisfactory---The Commander in Chief finds it necessary to call the particular attention of Officers forwarding such documents to this point. In cases where it may be deemed proper to set aside the claim of seniority, a full and explicit statement of the cause, together with the grounds on which a junior may be selected for promotion, is to be made at the foot of the Certificate, to enable His Excellency to form his own judgment on the subject.

The Commander in Chief is further pleased to declare, that he does not consider the spirit of the Regulation which appears to impede the priority of claim to promotion in their respective Ranks to the Havildar Major, Drill Havildar and Drill Naigue, as in the least degree affecting the superior claims which in many cases the other Non-commissioned Officers of the Corps may have justly established for themselves by long and faithful services; and His Excellency therefore directs, that seniority shall only be set aside when the general character and conduct of the Individual shall be such as to render it necessary and expedient for the good of the Service.

Lieutenant Smart of the 1st Battalion 9th Regiment, doing duty with Rifle Corps, will proceed to join his Corps.

Lieutenant Clemons of the 1st Battalion 9th Regiment, doing duty with 1st Battalion 3d Regiment or P. L. I. will proceed and join his Corps.

Serjeants Anthony Roberts and Andrew Murray of Effective Supernumeraries, are appointed, the former Serjeant Major and the latter Quarter Master Serjeant to the Cavalry Recruiting Depôt.

The following Extract from the confirmed Proceedings of a Native General Court Martial held at Trichinopoly, on the 10th day of June 1818, by order of Colonel Dighton, Commanding the Southern Division of the Army, under the authority of His Excellency the Commander in Chief, and of which Subadar Mahomed Saib of the 4th Native Veteran Battalion, is President, are published to the Army.

(Signed) T. H. SMITH, Brevet Major, In charge of the 2d Bat. 9th Regt.

BY ORDER.
(Signed) T. H. S. CONWAY,
Adjutant General of the Army.

OPINION AND SENTENCE.—The Court having maturely weighed and considered all that has appeared before it in support of the prosecution, as well as what the Prisoner has urged in his defence, is of opinion that he is not guilty to the full extent of the 1st Charge set forth against him, and does therefore acquit him of the same—But the Court finds the Prisoner guilty of being in a state of intoxication and of thus appearing before the Sepoys of his Company, thereby shewing them a bad example.

The Court is of opinion that the Prisoner is guilty to the full extent of the 2d Charge, viz. highly insubordinate conduct, in ordering a Sentry to be taken away from his Post, where Lieutenant Dormer had most particularly ordered he should be placed.

The Court finds the Prisoner guilty of the Additional Charge in so far as "Conduct unbecoming the character of an Officer, in being in a state of intoxication on the evening of the 25th of May 1818, he at that time being in arrest on similar Charges"— but the Court acquits the Prisoner of every other part of the Charge. The instances in which the Prisoner has been found guilty being to the prejudice of good order and military discipline, the Court doth adjudge the Prisoner, Jemadar Mahomed Galop, to be suspended from Rank and Pay for (6) six calendar months.

GENERAL ORDERS,
HEAD QUARTERS:
CHOULTRY PLAIN, 1st *September* 1818.

G. O. By the Commander in Chief.

The Commander in Chief publishes to the Army the annexed General Order by His Excellency The Most Noble The Governor General.

GENERAL ORDER, by HIS EXCELLENCY the GOVERNOR GENERAL.

Gorruckpore, 18*th June* 1818.

The Service within the Nagpore Territory having been closed by the reduction of the Fortresses of Mundelah and Chandah, the Governor General has infinite pleasure in professing his acknowledgments to Major General Marshall and to Lieutenant Colonel Adams, under whose able management the captures were respectively effected.

The difficulties which Major General Marshall had to encounter in getting forward his Battering Train, through a Country singularly rough and wholly devoid of roads, were such as, notwithstanding the indefatigable efforts of Captain Case, and of the Ordnance Department under Acting Deputy Commissary Donald, could not have been surmounted by ordinary means. Nothing could have overcome the obstacles but the admirable zeal which appears to have pervaded every branch of the Division. The Sepoys deserve the highest encomiums for their patient and protracted labor in dragging the Artillery and Waggons up the rocky steeps; and the Governor General desires that his warm praise may be communicated to them: but it is obvious that their cheerful perseverance in such severe toil could only flow from the cordial confidence subsisting between their Officers and them—To the Officers, therefore, His Lordship directs it to be explained, that from an effect so beneficial to the public service, he knows how to appreciate justly the habitual tenor of their behaviour towards their Men; for which he offers them his applause and thanks.

The conduct of the siege by the principal Engineer Captain Tickell was marked with the same science and judgment observable at Dhamonnie, and does great credit to the professional skill of that Officer. The high terms in which Major General Marshall represents the exertions of Captain Tickell, as well as those of Lieutenants Pocket and Cheape, Ensigns Colvin and Irvine, and Cadet Warlow of the same Corps, are amply justified by the circumstances attending the fall of the Fort.

The gallant manner in which Brigadier General Watson led the assault, and dislodged the rallying Enemy from various parts of the Town, reflects great honor upon him, and must have materially influenced the success of the attack.

Major O'Brien, in procuring information on which to ground the plan for investing the place, manifested a judicious activity extremely useful.

The zeal and intrepidity of Lieutenant Pickersgill, Deputy Assistant Quarter Master General, in reconnoitring the breach, will remain duly impressed on the Governor General's memory. His Lordship has further to be mindful of the unwearied assistance which Major General Marshall states himself to have received from Captain Watson, Assistant Adjutant General, and from Captain James, Deputy Assistant Adjutant General to the Division.

No exposition of the meritorious service of the Storming Column, nor any proof of the energy of Brigadier Dewar who commanded it, with Majors Midwinter and Thomas under him, can be requisite beyond the fact of its complete success. Lieutenants Lewis and Aitchison with a small Party of Pioneers and a few Men of the 1st Battalion 14th Native Infantry, had the pride of accompanying Brigadier General Watson through the breach, and were eagerly supported by Captain D'Aguilar with a Detachment of the 13th Native Infantry.

In reflecting on this triumph, the speedy prostration of the Enemy's defences, whence the Storm became practicable, exhibits conspicuously the merits of Major Hetzler, Captain Lindsay, and the other Officers and Men of the Artillery. The service rendered by Major Hetzler is highly estimated by the Governor General.

Where every Man whose station gave him the opportunity of taking a special part is stated to have distinguished himself, the Governor General could not without going into a too minute detail express his opinion of every Officer particularized by Major General Marshall; therefore, he must content himself with saying, that he confirms and echoes the praise bestowed on the several Individuals or Corps in the Division Order of Major General Marshall on the occasion.

In adding the reduction of Dhamonnie and Mundelah to that of Hattrass, all achieved with little loss, Major General Marshall has evinced how judiciously he applies the principles of art in sieges; a branch perhaps the most scientific in the Military profession.

The skill with which Lieutenant Colonel Adams made a scanty supply of heavy Ordnance suffice for the capture of a strong Fortress, powerfully garrisoned, fully crowns the conduct that had distinguished him during antecedent operations. The vigorous decision with which he had previously given a blow to the Army of Bajee Row, productive of irremediable distress and despondency in that Force, is not more to be admired than the judgment visible in the attack of Chandah. The gallantry of the Officers and Men serving under him has well seconded the ability of their Leader.

Lieutenant Colonel Scott, of the Madras Establishment, who guided the assault, displayed a courage no less calmly capable of perceiving and securing every advantage, than it was brilliant. His success demonstrates how judiciously his valor was applied. He appears to have been worthily supported by the intrepidity of Lieutenant Colonel Popham and Captain Brook, who led the right and left columns of attack. In noticing this part of the

day's achievement, the Governor General should not forget the animated exertions of Lieutenants Bevan and Fell, (Commanding the Pioneers), or the zeal of Lieutenant Hull, who volunteered to lead the Bengal Grenadiers; nor can he omit noticing the strenuous bravery with which Captain Charlesworth, Lieutenant Casement, and Lieutenant Watson (all wounded on the occasion,) contributed to the fortune of the day.

The rapid demolition of the Enemy's defences and the speed with which a breach was effected, would sufficiently testify the science of Lieutenant Anderson, Field Engineer, and of Lieutenant Crawford of the Bengal Artillery, acting as Engineer, in indicating the positions for the Batteries, even had not Lieutenant Colonel Adams professed his obligations to those Officers so warmly.

It is distressing that Major Goreham has not survived to enjoy the just reputation which his eminent merit in the command of the Artillery challenged for him: Yet, if he sank under his too earnest exertions, he bore with him to the tomb the universal admiration of the Army, and his name will long be quoted to excite similar energy in others. Captain Rodber, Captain Macdowell, Captain Mackintosh, and Lieutenant Walcott, seem to have highly deserved the praise which their Commander bestows upon them. Indeed, the efforts of all the Officers and Men of the Artillery appear to have been proudly laudable; and in particular the successful attempt of Lieutenants Poggenpohl and Hunter, to get one of the guns of the Horse Artillery over the breach, exhibits a spirit and resource of superior tone.

The number of those who would be justified by their behaviour on this occasion to prefer a claim for separate acknowledgments, lays the Governor General under the same impossibility of particularizing every body, which existed with regard to Mundelah: But His Lordship must notice that Major Clarke stands with his usual prominence of distinction; and that special praise is due to Captain Scott, officiating Assistant Adjutant General, and to Captain Sandys, Deputy Assistant Quarter Master General, the latter of whom attached himself to the head of the Storming Column.

In fine, the reduction of the two Fortresses splendidly terminated a Campaign of no ordinary exertion; leaving the Commanders and their Troops with augmented title to that approbation from Government which it is the purpose of this Order to proclaim.

By order of His Excellency The Most Noble The Governor General.

(Signed) J. ADAM,
SEC. TO THE GOV. GEN.

Lieutenant General Sir Thomas Hislop is confident that the feelings of pride and gratification which the perusal of the above General Order has awakened in His Excellency's breast, will be fully participated by every Officer and Soldier of the Army. The gallantry and prowess of the Madras Troops during the late eventful Campaign have frequently called forth the praise and admiration of The Commander in Chief, but the display of those qualities in this instance has added a brilliant page to the record of their achievements, since it has elicited the applause and thanks of the Supreme Authority in India.

His Excellency, in detailing the names of
Lieutenant Colonel H. S. Scott of the 1st Bat. 1st Regt. N. I.
Captain Charlesworth of the 1st Bat. 1st Regt. N. I.
Lieutenant Watson of the 1st Battalion 1st Regiment N. I.
Lieutenant Anderson of the Engineers,
Major Goreham of the Artillery,
Captain B Mackintosh (Commissary of Stores) of the Artillery,
Lieutenant Poggenpohl of the Horse Artillery,
Lieutenant Hunter of the Horse Artillery,
Lieutenant Bevan of the Pioneers,

and the Corps to which they belong, is actuated by a desire to proclaim the honor they have acquired, in the same Orders which have commemorated the triumphs of their Brother Officers and Soldiers.

This Order is to be read at the Head of every Regiment and Battalion on the Establishment.

Private William Brady of Effective Supernumeraries, is promoted to Serjeant, and placed under the orders of the Superintendent of the Powder Manufactory.

Officers Commanding Corps are directed to prepare and forward to the Military Board, Indents for such Arms, Accoutrements, and Small Stores, as may be necessary to complete their Battalions to the establishment fixed by Government in General Orders of the 6th July last.

The Commander in Chief directs, that Officers Commanding Corps will at all times consider it their duty to keep the Second Dressers of Regiments and Battalions complete, by entertaining *Natives of cast*, and respectability. It is of essential consequence to the comfort of the Native Troops and their Families, that the Second Dresser of a Corps should not only be a Man of respectable cast and character, but that he should be well qualified to give medical aid to the Followers and Families of a Corps; the Commander in Chief therefore directs, that previously to any such person being enrolled on the strength of a Corps, that he be examined by the Medical Officer in charge of it, and if found qualified in every respect, the Medical Officer will report the same to the Officer Commanding the Corps, who, on such written Certificate (to be countersigned if possible by the Superintending or Staff Surgeon) will entertain the candidate and place him on the strength of the Corps.

It is to be understood, that a Second Dresser being returned and mustered on the strength of a Corps, his register is to be kept in like manner as that of the Men, and that he cannot be removed, or discharged, without the sanction and orders of the Commander in Chief.

The importance of fixing Second Dressers permanently with Corps, who know the Families of the Native Officers and Men, and in whom they have confidence, renders it essential that no removal shall ever be recommended unless on most urgent and peculiar reasons.

The Commander in Chief further directs, that Commanding Officers of Corps will see that the Second Dressers of Corps apply themselves to the duties for which they are chiefly provided, and that they are not employed in any but professional duties and pursuits.

It having been brought to the notice of the Commander in Chief, that Soldiers are in the habit of passing through the French Territories, and that in some instances, from ignorance of the local Police Regulations, have been guilty of irregularities, His Excellency deems it expedient to prohibit all Soldiers, European and Native, from entering Pondicherry or its dependencies, unless furnished with a Passport from the British Commissioner, to be applied for by Commanding Officers only on the most urgent occasions; and this Order is to be particularly explained to all Guards, Recruiting Parties, Escorts, and Men proceeding on leave, previous to quitting their respective Corps or Stations.

GENERAL ORDERS,

HEAD QUARTERS:

CHOULTRY PLAIN, 22d *September* 1818.

G. O. By the Commander in Chief.

The following Extract from G. O. issued by The Most Noble The Commander in Chief in India, is, by His Excellency's orders, published to the Army under this Presidency.

Extract from the Proceedings of a Native General Court Martial assembled at Nagpore on the 23d day of March in the year of our Lord 1818, convened by virtue of a warrant from His Excellency The Most Noble The Marquis of Hastings, K.G. Commander in Chief of all the Forces in India, is assembled this day pursuant to adjournment.

President,—Subadar Shaik Emaum, 2d Battalion 1st Regiment Madras Native Infantry.

Officiating Deputy Judge Advocate General,—Captain W. Stone, 1st Battalion 1st Regiment Madras N. I.

Interpreter,—Lieutenant Campbell, 1st Battalion 1st Regiment M. N. I.

CHARGE.—Peer Mahomed, Fifer in the Escort with the British Resident at Nagpore, confined for Desertion during or shortly after the Action of the 26th and 27th of November 1817, at Nagpore.

By order of His Excellency The Most Noble The Commander in Chief.

HEAD QUARTERS, CAMP, 1st *March* 1818. (Signed) JAMES NICOL, Adjutant General of the Army.

SENTENCE.—The Court having attentively considered the evidence in support of the prosecution, as well as what the Prisoner has urged in his defence, is of opinion that the Prisoner, Peer Mahomed, Fifer in the Nagpore Escort, is guilty of having Deserted during the Action at Nagpore on the 27th November 1817—which being contrary to the Articles of War, prejudicial to the Service, and subversive of all military discipline, do sentence him, the said Peer Mahomed, to receive (900) nine hundred lashes on his bare back, and afterwards to be publicly disgraced in such time and manner, as His Excellency The Most Noble The Commander in Chief may be pleased to direct, and the Court do further sentence him to be dismissed from the Honorable Company's Service.

Remarks by His Excellency The Commander in Chief.

It appears to His Lordship that no attempt was made to disprove the fact asserted by the Prisoner, of his having been taken by the Enemy while he was seeking water to quench his thirst in the deserted Escort Lines; and of his having been detained until the approach of Brigadier General Doveton's Force caused the Enemy to neglect further care of him—There is no apparent improbability in the fact, nor is it inconsistent with any thing testified by the Witnesses for the prosecution, were it substantiated, it would absolve the Prisoner, therefore, The Commander in Chief is of opinion that, standing unrebutted, the defence should be admitted as freeing the Prisoner from the Charge.

The Commander in Chief is perfectly attentive to that collateral knowledge of circumstances which each Member of the Court, sitting in judgment where the transaction took place, was likely to possess, and thence he should be inclined to think the condemnation of the Prisoner essentially just; but to act upon such presumptions would be to deprive a Prisoner of the ulterior security supposed to exist in The Commander in Chief's weighing the Sentence with the quality and amount of testimony adduced on the trial.

The evidence on the Proceedings not being decidedly satisfactory in the present case, His Lordship has not confirmed the Sentence.—Were he to direct the Court to revise it, the transmission of the result of that sitting to such a distance would entail a painfully long addition of confinement to Peer Mahomed, tho' destined to be freed. The Commander in Chief therefore directs, that the Court be dissolved, and that Peer Mahomed be ordered to return to his duty.

By Command.

SENTENCE.—The Court having attentively and maturely considered the evidence in support of the prosecution, as well as what the Prisoner has urged in his defence, is of opinion that the Prisoner, Ram Sing, Sepoy in the Nagpore Escort, is "not guilty" of the Charge preferred against him, viz.—"For Desertion during or shortly after the Action of the 26th and 27th November 1817, at Nagpore," and the Court acquits him of all and every part of the said Charge.

The following Extracts from the confirmed Proceedings in continuation of a General Court Martial assembled at the Presidency on Friday the 29th day of May 1818, by virtue of a warrant under the hand and seal of His Excellency Lieutenant General Sir Miles Nightingall, K. C. B. Commander in Chief, are published to the Army.

President,—Colonel S. Huskisson, H. M.'s 67th Regiment.

Judge Advocate General,—Captain Vans Kennedy.

CHARGES—Preferred by order of the Right Honorable the Governor in Council against Mr. Assistant Surgeon John Llewellin.

1st.—For disobedience of orders in quitting the Vestal on the 2d Instant, while at anchor below the middle ground, after having been made acquainted by Acting Lieutenant Sawyer that it was necessary he should not be absent from the Vessel as she was on the point of sailing.

2d.—For a dereliction of duty and breach of discipline, in being absent from the Vestal since the second Instant and leaving the Sick unattended, and not having made any communication to the Commander of that Vessel, thereby evincing a marked contempt for the authority of his Commander, and being subversive of every principle of discipline, and shewing a most mischievous example of insubordination.

BOMBAY, 12*th June* 1818.

(Signed) HENRY MERITON,
Superintendent.

BOMBAY, ADJT. GENL.'s OFFICE, 23*d May* 1818.

By order of the Commander in Chief.

(Signed) D. LEIGHTON,
Adjutant General of the Army.

SENTENCE.—The Court having maturely weighed and considered all that has been adduced in support of the prosecution, and what the Prisoner has brought forward on his defence, are of opinion that the Prisoner, Assistant Surgeon John Llewellin, is not guily of the first Charge, and they do therefore acquit him of all and every part of the same.

The Court are further of opinion that the Prisoner, Assistant Surgeon John Llewellin, is guilty of the first part of the second Charge, but they do acquit him of all the latter part of the said Charge.

The Court having found the Prisoner guilty as above specified, do therefore sentence him to be admonished in such manner as His Excellency the Commander in Chief may think proper.

The Court are further of opinion, that Assistant Surgeon Llewellin's conduct in this instance has proceeded entirely from his having been deprived of his usual accommodations on board the Vestal Cruizer, and of others having been assigned to him perfectly inadequate and unsuitable to an Officer and a Gentleman of his rank and situation, the Cabin now allotted to the Lieutenant of the Vessel and Mr. Llewellin being, in the opinion of the Court, barely sufficient for the accommodation of one person.

The Court cannot forbear expressing their disapprobation of the evasive replies of Mr. Meriton, and further express their surprize that there should appear on his part so little preparation to answer questions which occurred on the Prisoner's defence.

(Signed) V. KENNEDY, Judge Advocate General.

(Signed) S. HUSKISSON, Colonel, and President.

APPROVED AND CONFIRMED.

(Signed) M. NIGHTINGALL,
Lieutenant General.

Remarks by the Commander in Chief.

The Commander in Chief has approved and confirmed the above Sentence because it does not clearly appear, with respect to the first Charge that any official order was given to the Prisoner not to quit the Vestal, by the Officer who was directed to make that communication to him; but it is nevertheless clearly proved by his own confession, that he did absent himself without leave from the 2d of June to the period of his being placed under arrest, a line of conduct highly reprehensible and deserving the severest censure, it can be owing solely to the wording of the 1st Charge that the Prisoner has been acquitted.

Of the first part of the 2d Charge the Prisoner has been found guilty and sentenced to be admonished, but there is no part of Mr. Assistant Surgeon Llewellin's conduct so deserving of censure, as the highly indecorous and improper letter which that Gentleman ventured to address to Government on the 28th May, which he has

also thought proper to place on the Proceedings of the Court as part of his defence, and the Commander in Chief has only to express his regret that such an offensive document did not form part of the Charges exhibited against the Prisoner.

With respect to the observation of the Court on the accommodation which has been recently allotted to the Assistant Surgeon on board the Vestal Cruizer, the Lieutenant General cannot but concur, and he will not fail to bring this subject officially to the notice of Government.

In conclusion, the Commander in Chief deems it an act of justice towards that highly respectable Public Officer, the Superintendent of Marine, to observe that the evidence required from Mr. Meriton not immediately applying to the Charges under investigation, it could not be supposed that he should be prepared to answer questions on points on which he did not expect to be examined; particularly as they related to subjects on which no satisfactory reply could be given except by a reference to papers which Mr. Meriton states he had not brought with him into Court,—the other parts of Mr. Meriton's evidence not applying to matters of fact but merely of opinion, there appears to be no grounds whatever for the remark of the Court, as a Witness is at all times at liberty to answer such questions in the manner in which he may think proper—nor can any Court (without being fully informed of every circumstance) venture with propriety to pass an opinion on the correctness or incorrectness of such evidence.

Assistant Surgeon John Llewellin to be released from arrest, and will return to his duty.

Judge Advocate,—Captain J. Bryant, Judge Advocate General.

CHARGE.—Serjeant Patrick Sullivan, of the 3d Company Honorable Company's European Regiment, confined by me for Mutiny, in making several thrusts with a drawn Sword at Serjeant Major Rayner, (by one of which he was slightly wounded,) in the Orderly Room of the European Regiment, on the afternoon of the 6th Instant.

ADJT. GENL.'s OFFICE, PRESIDENCY OF FORT WILLIAM, *30th July* 1818. } (Signed) JAMES NICOL, Adjutant General of the Army.

SENTENCE.—The Court having maturely considered the evidence brought before them, find the Prisoner, Patrick Sullivan, of the Honorable Company's European Regiment, guilty of the Charge of Mutiny preferred against him, and do adjudge him, the said Patrick Sullivan, to be shot to death, at such place, and such time, as His Excellency The Most Noble The Commander in Chief may direct.

(Signed) H. GRACE, Colonel Artillery Regt. & President.

APPROVED AND CONFIRMED.
(Signed) HASTINGS.

(Signed) C. J. DOYLE, Lt. Col.
Military Secretary.

Remarks by His Excellency The Commander in Chief.

The Commander in Chief agrees with the Court that there is sufficient proof of the fact on which the Members unanimously recommend the Prisoner, Patrick Sullivan, to mercy; namely, his being subject to occasional fits of insanity in consequence of an injury formerly received in the head, and that doubts might be entertained whether the act had not been committed under the influence of a paroxysm; His Lordship, therefore, remits the Sentence passed upon Patrick Sullivan: But, as it is dangerous that a Man laboring under such a malady should continue in the Regiment, it is hereby directed that Patrick Sullivan be discharged, and that application be made to the Secretary of Government in the Public Department for his being sent out of this Country.

The Court Martial to be dissolved, should there be no further duty for it to perform.

The Prisoner to be released from confinement, but the Officer Commanding in Fort William will place him under such controul as may be necessary to prevent him from doing any mischief, until measures are taken for sending him to England.

By Command.

OPINION AND SENTENCE.—The Court after the most mature deliberation on the evidence brought forward in support of the prosecution, as well as what the Prisoner has offered on his defence, is of opinion that the Prisoner, Ramasammy, Jemadar in the second Battalion twenty-second Regiment Native Infantry, is guilty of all and every part of the Charges preferred against him, such conduct being subversive of good order and military discipline, and disgraceful to the character of a Native Commissioned Officer, does adjudge the Prisoner, Ramasammy, Jemadar in the second Battalion twenty-second Regiment Native Infantry, to be suspended from Rank and Pay for the space of (3) three calendar months, to commence from such date as His Excellency the Commander in Chief shall please to direct.

CHARGE of complaint preferred by Lieutenant Thomas Tanner, Commander, against Mr. T. H. Graham, Acting Assistant Surgeon, in charge of the medical duties of the H. C. Cruizer Thetis.

Charge 1st.—"Neglect of Duty." By a general remissness and neglect in the discharge of his duties as Medical Officer of the H. C. Cruizer Thetis, since he has been placed under my command, particularly evinced between the 25th of March and 12th April last.

2d. "Disobedience of Orders." Art. 1st. By direct disobedience of my express Commands given him on the Quarter Deck of the Thetis on the 29th Ultimo, at about 10 A. M. when in permitting him to go on shore I distinctly charged him, "To return on board by 3 P. M. in order "to be present, as the Superintendent of Marine intended to visit the Vessel about that time for the "purpose of inspecting the Crew," and which order Mr. Graham altogether disregarded.

Art. 2d. By having acted in defiance and contempt of my orders given personally and thro' the First Lieutenant of the Thetis, to the following effect, "That any appeal from him (as Medical "Officer of the Thetis) to a higher authority, should (according to the Rules of the Service) be "preferred through me, his immediate Commanding Officer; and on no account to transmit it "through any other channel, particularly in the present case, where it referred to my orders "respecting the medical duties of the Cruizer," and that he notwithstanding did afterwards make a formal complaint or appeal against my orders, submitting the same direct to the Medical Board, evincing in his disobedience an example of disrespectful conduct and insubordination highly injurious to the Service, contrary to established usages, and at variance with the discipline and good order, so necessary to be maintained on board a Vessel of War.

1st Lieutenant and Commander.

H. Graham, is not guilty of the Charges preferred against him, and they do therefore fully acquit the said Acting Assistant Surgeon of all and every part of the same.

The Court at the same time cannot avoid expressing their opinion, that the whole of the preceding Charges are frivolous and not tending to the benefit of the public service.

Remarks by the Commander in Chief.

The Commander in Chief conceives it no more than an act of common justice to observe, that the mode in which Mr. Assistant Surgeon Graham appears to have conducted his medical duties on board the Honorable Company's Cruizer Thetis, was correct and proper, nor can His Excellency avoid expressing his sincere regret that such frivolous Charges should have been preferred against an Officer of so much merit and respectability.—Acting Assistant Surgeon T. H. Graham to be released from his arrest and will return to his duty.

GENERAL ORDERS,

HEAD QUARTERS OF THE ARMY:

CHOULTRY PLAIN, 16*th October* 1818.

The Right Honorable the Governor in Council having addressed the subjoined Orders to the Commander in Chief, to be published to the Army, they are accordingly published in Military Orders.

FORT ST. GEORGE, 15*th September* 1818.

G. O. BY GOVERNMENT.

Ordered that the following Extract from the Honorable Company's General Letter in the Military Department, under date the 23d January 1818, be published in General Orders.

Para. 6. "We direct that the whole of our Arms for the Infantry shall be browned; and this, we desire, may "be carried into effect in India without delay. Such Arms, as are hereafter sent out to our several Presidencies, "shall be browned previous to their being shipped."

The Military Board are directed to adopt the necessary measures for having the Arms in use with the Troops, as also those in the several Depôts, browned in the manner enjoined by the Honorable the Court of Directors.

The Military Board will issue instructions to Officers Commanding Divisions relative to the progressive introduction of this system, to the Arms now in use; and the several Commissaries of Divisions or Subsidiary Forces will prepare and transmit to the Military Board Indents for the quantity of materials required in their Divisions, or Forces, respectively, calculated upon the proportions laid down in the following instructions, and with reference to the number of Arms in store and the established strength of each Division of the Army.

The Right Honorable the Governor in Council is further pleased to direct, that an allowance be made to Battalions at the rate of 21 Rupees per quarter, for the purpose of meeting the expense of preserving the colour of the Arms, as required by the present Regulation.

The periodical allowance above alluded to, will not commence until after the expiration of twelve months from the time of the Arms of the respective Battalions being first generally browned, which circumstance must be duly reported by Officers Commanding Corps to the Military Board.

This allowance to be drawn by Quarter Masters and countersigned by Officers Commanding Corps.

Instructions for browning 200 *Gun Barrels.*

The following Ingredients, viz.

Nitric Acid	One Ounce.
Sweet Spirits of Nitre	One do.
Spirits of Wine	Two do.
Blue Vitriol	Four do.
Tincture of Heel	Two do.

are to be mixed together, the Vitriol having been previously dissolved in a sufficient quantity of warm water, to make with the other Ingredients two quarts of mixture, Wine measure.

Previous to commencing the operation of browning the Barrels, it is necessary that they be well smoothed and cleaned from all greasiness and other impurities, and that a plug of wood be put into the muzzle, and the vent well stopped, the mixture is then to be applied with a clean sponge or rag, taking care that every part of the Barrel is covered with the mixture, which must then be exposed to the air for 26 hours, after which exposure the Barrel must be rubbed with a hard brush and rag, or tow, to remove the oxid from the surface---This operation must be performed a second and a third time (if necessary), by which the Barrel will be made of a perfectly brown colour, it must then be well brushed and wiped and immersed in boiling water, in which a small quantity of alkaline matter has been put, in order that the action of the acid upon the Barrel may be destroyed and the impregnation of the water by the acid neutralized.

The Barrel when taken from the water must, after being perfectly dry, be rubbed smooth with a burnisher of hard wood and then heated to about the temperature of boiling water, it will then be ready to receive a varnish made of the following materials (for 200 Barrels).

Spirits of Wine	36½ Ounces.
Dragons Blood Powder	3 Drams.
Shellac bruised	1 Ounce.

and after the varnish is perfectly dry upon the Barrel, it must be rubbed with the burnisher to give it a smooth and glossy appearance.

To repair and retain the brown upon the Barrels.

When the Barrel is much rubbed from use, a little Vitriolic Acid may be applied to it, and then it must receive the treatment that Barrels undergo in browning, care being taken to deaden the action of the acid by means of boiling water.

When Brown Barrels are in constant use, the brown might be continually kept perfect by means of the application of Vinegar, which should remain upon the surface for a day and then be washed well with boiling water.

If this operation be repeated monthly, a Barrel which has been properly browned in the first instance will continue in a perfect state for many years.

G. O. BY GOVERNMENT.

It having been represented to the Right Honorable the Governor in Council that Cavalry Officers, when permitted to transfer their Chargers to the Ranks, experience much difficulty in obtaining repayment thereof, the following rules are to be observed in future regarding such claims.

The stoppages which are made from Cavalry Officers on the above account are to be recorded in the Regimental Books, specifying by what Paymasters, and from what month's abstracts, the stoppages were made.

When an Officer is permitted to return a Charger to the Ranks, his bill is to be made out for the regulated amount, and to be sent by the party direct to the Accountant General in the Military Pay Department, accompanied by a copy of His Excellency the Commander in Chief's permission to return the Charger;—by a certificate that the Horse has actually been received into the Ranks;—and by a statement shewing to what Paymasters, and in what months, the instalments corresponding in amount with the bill, were paid for the Horse.

On receipt of the above documents, certified by the Officer Commanding the Regiment, the Accountant General is to refer to the accounts of Paymasters, or, if those do not shew the payments, to the abstracts of the Officers, which are lodged in his Office;—and if it shall appear that the stoppages were made from the party, the Accountant General is to transmit the bill and accompanying documents to the Military Auditor General, informing him that the price of the Horse has been fully paid, on which communication the latter is to pass the bill for payment—but if, on the contrary, it shall appear that the whole of the stoppages were not made, the bill is to be returned by the Accountant General to the party with a letter particularizing the instalments which appear not to have been paid.

BOMBAY:
ADJT. GENERAL'S OFFICE,

By order of the Commander in Chief.
(Signed) D. LEIGHTON,
Adjutant General of the Army.

SENTENCE.—The Court having maturely weighed and considered all that has been adduced in support of the prosecution, as well as what the Prisoner has brought forward on his defence, are of opinion that the Prisoner, Lieutenant R. White, is guilty of the first of the original and the first of the additional Charges preferred against him; but they are, at the same time of opinion, that he is not guilty of the second of the original and the second of the additional Charges, and they do therefore acquit him of the same.

The Court having found the Prisoner guilty as above specified, do therefore sentence him, the said Lieutenant R. White, to be reprimanded in such manner as His Excellency The Commander in Chief may think proper.

(Signed) V. KENNEDY,
Judge Advocate General.

(Signed) J. GRIFFITH, Colonel,
and President.

CONFIRMED.
(Signed) M. NIGHTINGALL,
Lieutenant General.

The Court think it necessary to observe, that they are fully aware that the preceding Sentence is inadequate to the degree of culpability of which the Prisoner has been found guilty; but they have been prevented from passing a severer one in consequence of there being no intermediate punishment between cashiering and a reprimand, which it was in their power to award.

(Signed) J. GRIFFITH, Colonel,
and President.

Remarks by The Commander in Chief.

The Commander in Chief has confirmed, though he cannot approve, a Sentence so entirely inadequate to the Crime. The Prisoner has been found guilty of disgraceful conduct, highly unbecoming an Officer and a Gentleman, and his conduct has on various occasions been so disgraceful and ungentlemanlike, from his inveterate habits of intoxication, as to render it quite improbable that any reprimand however severe, will prove of the smallest use towards reclaiming a Man so lost to every sense of honorable and gentlemanlike feeling. His Excellency therefore directs, that previous to the Prisoner's release from arrest, he be ordered to pay over the amount of the balance due to the Men of his Company, to the Adjutant of the Corps of Invalids, for the purpose of it's being transmitted to the Fort Adjutant at Tannah, who is to be placed in charge of the Company at that Station so long as Lieutenant White may remain attached to it, who by his unworthy and disgraceful habits has rendered himself totally incapable of such a charge.

Lieutenant R. White, after having paid the amount due to his Company, to the Adjutant of the Native Invalids, to be released from his arrest, and will return to his duty.

The General Court Martial of which Colonel J. Griffith, Artillery, is President, is dissolved.

The following Extracts from the confirmed Proceedings of a Native General Court Martial held in Camp at Poona, on the 4th day of August 1818, by virtue of a warrant under the hand and seal of His Excellency Lieutenant General Sir Miles Nightingall, K C.B. SENTENCE.—The Court having duly considered the evidence adduced on the part of the prosecution, find the Prisoner, Jemadar Shamajee Aaronjee, 2d Battalion 6th Regiment, not guilty of the Charge exhibited against him, and doth therefore acquit him most fully of all and every part of the same.

APPROVED AND CONFIRMED.

(Signed) M. NIGHTINGALL, Lieutenant General.

Remarks by The Commander in Chief.

The Commander in Chief cannot help expressing his regret that Jemadar Shamajee Aaronjee of the 2d Battalion 6th Regiment N. I. should have been brought before a General Court Martial, especially as it appears from the evidence on the part of the prosecution, that there was not the slightest ground for preferring the Charge which was exhibited against him. It is likewise proved, that no previous investigation took place, and that the Jemadar was brought to trial on the mere report of the Native Adjutant, by whom the Jemadar was treated with a degree of harshness not only unnecessary, but highly reprehensible,—had the Commanding Officer of the Battalion paid that strict attention to his duty, which ought always to be observed on similar occasions, the Jemadar would not only not have been brought to public trial, but the respectability of the Corps would have been more becomingly upheld.

Jemadar Shamajee Aaronjee to be released from arrest, and will return to his duty.

The Officer Commanding the Troops in the Deckan will be pleased to dissolve the Native General Court Martial of which Subadar Saul Mahomed, 8th Regiment Madras Light Cavalry, is President.

"We therefore direct that in future no allowances of any kind be advanced to Officers obtaining leave of "absence to proceed to the Isle of France, the Cape, or St. Helena, but in the event of their returning from either "of those places to India, you will order payment of the arrears of Batta and Gratuity due to them on their return "to their duty."

CHARGES preferred by me against Lieutenant and Brevet Captain James Gorton, Quarter Master 5th Regiment Light Cavalry.

1st Charge.—For gross misconduct and unbecoming the character of an Officer some time in the month of January 1818, when ordered out from Darwar with the Right Wing of the Regiment under his Command, by Lieutenant Colonel Newall, Commanding the Detachment of the Division of the Reserve under Brigadier General Munro under such Command, to pursue a Body of Pindaries, in taking no precaution to come upon them by surprise, when from circumstances he was well aware they were in the neighbourhood, and when informed he had passed them, in using much unnecessary delay before he moved back on them, by which he gave them time to make off with the exception of a few only.

2d Instance.—For unofficerlike conduct and exhibiting a great want of zeal for the Service after he had come up with and routed them, in not pursuing them the next morning and using his best endeavours to overtake them, which he had it in his power to do, by such conduct allowing the enemy to plunder at discretion for two days between Caitore and the Mulperbah when he had the means to prevent them.

2d Charge.—For unofficerlike conduct and showing no zeal for the Service, on or about the 12th of February 1818, in not immediately advancing with the Detachment under his Command when ordered to do so by Lieut. Colonel Newall, conducting the Details of the Division of the Reserve under Brigadier General Munro's immediate Command, and doing his best to come up with and attack a Body of Horse that were in our front on the march to Bedamy.

3d Charge.—For conduct unbecoming the character of an Officer Commanding a Detachment, highly prejudicial to the Service and casting a reflection on the conduct of the Officers under his Command, on or about the 8th February 1818, by allowing Captain Middleton of H. M.'s 22d Dragoons, not doing duty with the Detachment, to go out with a Picquet of the Detachment under his command, when he had two Officers for duty present in the Lines.

4th CHARGE.—For unofficerlike conduct and exhibiting a great want of zeal for the Service, on or about the 16th February 1818, by remaining in the Lines at Bedamy under a pretence of indisposition, when a Squadron of the Detachment under his Command was ordered out with H. M.'s 22d Dragoons after a Body of Horse in front of our Lines.

5th CHARGE.—For conduct highly improper in an Officer in Command of a Detachment, prejudicial and contrary to the Regulations of the Service, in allowing an improper use to be made of the Horses of the Detachment under his Command on frequent occasions in the month of February 1818.

6th CHARGE.—For conduct derogatory to the character of an Officer Commanding a Detachment, in making use of the authority invested in him subservient to his private purposes, and taking advantage of his situation as Commanding Officer and insulting and injuring my feelings in the presence of several Officers on or about the 22d February and on the 16th April 1818.

7th CHARGE.—For conduct unbecoming and degrading to the character of an Officer and a Gentleman, in asserting a direct falsehood against me to Lieutenant Mercer of the Pioneers, he knowing the same to be false, on or about the 23d of April 1818.

8th CHARGE.—For conduct incompatible with the character of an Officer Commanding a Detachment, contrary to the Articles of War and subversive of military discipline, on or about the 24th of April 1818, by first endeavouring to irritate me and then challenging me to fight a duel, when in the execution of my duty, making use of the expressions, I am now, Sir, ready to lay aside the Commanding Officer, and give you any satisfaction you require; or words to that effect.

9th CHARGE.—For conduct beneath the character of an Officer Commanding a Detachment, in carrying the Sentence of a Court Martial awarded Shaik Moideen, Sepoy 3d Troop 5th Light Cavalry, into execution at a most improper time, particularly when he had no Surgeon or Medical Gentleman in attendance, and under most marked and malicious circumstances towards the Prisoner, on or about the 20th April 1818.

11th CHARGE.—For conduct unbecoming the situation of an Officer Commanding a Detachment, contrary to the Articles of War, in refusing on or about the 16th of April 1818, to allow a Public Follower of the Detachment to be brought forward against whom I forwarded a Crime.

12th CHARGE.—For conduct highly prejudicial to the Service and inconsistent with the character of an Officer in Command of a Detachment, in neglecting and paying little or no attention to his military duties as connected with the interior economy of the Detachment, particularly in not paying attention to and keeping the Saddles of the Regiment under his charge in a good state of repair, and that the Saddle Contract was most fully and honourably kept up

OPINION AND SENTENCE.—The Court having considered the evidence on the prosecution, and defence, are of opinion, as follows:

On the First Charge,—That the Prisoner is not guilty, and do therefore fully and honorably acquit him thereof.

On the Second Charge,—That the Prisoner is not guilty, and do therefore fully and honorably acquit him thereof.

On the Third Charge,—That the Prisoner is not guilty, and do therefore fully and honorably acquit him thereof.

On the Fourth Charge,—That the Prisoner is not guilty, and do therefore fully and honorably acquit him thereof.

On the Fifth Charge,—The Court find that use, but not an improper use, had been made of Horses on frequent occasions, and do therefore fully and honorably acquit the Prisoner of conduct highly improper in an Officer in Command of a Detachment, prejudicial and contrary to the Regulations of the Service.

On the Sixth Charge,—The Court find that the Prisoner is not guilty, and do therefore fully and honorably acquit him thereof

On the Seventh Charge,—That the Prisoner is not guilty, and do honorably acquit him thereof.

On the Eighth,—That the Prisoner is not guilty, and do therefore acquit him thereof.

On the Ninth Charge,—The Court find that the Prisoner is guilty of so much of the Charge, as refers to his inattention in not waiting for the Medical Officer for whom he applied to attend the punishment, but most fully and honorably acquit him of every other part of the Charge.

On the Tenth Charge,—That there being no prosecution on the Charge, the Prisoner is not guilty, and is acquitted accordingly.

On the Eleventh Charge,—The Court find from circumstances which have appeared, that 'Trial tho' withheld, was so on grounds perfectly justifiable, they find the Prisoner not guilty, and acquit him accordingly.

On the Twelfth Charge,—That the Prisoner is guilty in a minor degree as far as regards the first part of this Charge, viz. for not keeping an Order Book in his Detachment, and not attending sufficiently to the Ball Cartridge being drawn more frequently from the Pistols, but of every other part of the Twelfth Charge the Court fully and honorably acquit the Prisoner.

The Court having found the Prisoner guilty in the instances recorded in their opinion on the Ninth, and Twelfth Charges, do sentence him to receive such admonition, as His Excellency the Commander in Chief may be pleased to direct.

The Court before closing their Proceedings, deem it a justice to the Service, to declare that they have looked in vain, for that zeal and public spirit, which the Prosecutor claims as having been the *actuating motive for his bringing* forward those very serious Charges against his Commanding Officer, and they

are sorry to add, that they have found only, a factious and malicious disposition, set in action by a spirit of insubordination.

Further Extract from the confirmed Proceedings of a General Court Martial held at Bangalore, on the 28th day of December 1818, by virtue of a warrant from His Excellency Lieutenant General Sir Thomas Hislop, Bart. Commander in Chief, &c. &c. &c. and continued by sundry adjournments till Monday, the 18th day of January 1819, and of which Colonel H. Hall of the 19th Regiment N. I. is President, are published to the Army.

CHARGES. I charge and accuse Lieutenant Fireworker Taylor of Artillery, with conduct scandalous and infamous, unbecoming the character of an Officer and a Gentleman, in the following instances.

1st.—In having addressed a letter to Colonel Muttlebury of H. M. 69th Regiment, which was circulated among the Officers of that Corps, wherein he basely traduces my character, and persists in attributing to me guilty intentions, upon a subject which had been before submitted to the investigation of a Court of Enquiry, whose Proceedings were referred to the decision of His Excellency the Commander in Chief, who by a letter which he caused the Adjutant General of the Army to address to Major General Hare, under date the 5th September, gave it as his sentiments, that there were no grounds on which to found a suspicion of any criminality on my part, and directed every publicity to be given to His Excellency's assurance, that he considered me in the same estimation as if the subject under reference had never been agitated.

2d.—For having in defiance of the above sentiments expressed by His Excellency the Commander in Chief, openly declared in the presence of Captain Home and myself, that he was perfectly convinced of Lieutenant Corbet's guilt.

(Signed) P. CORBET, Lieut.
1st Battalion 8th Regiment.

BY ORDER,
(Signed) T. H. S. CONWAY,
Adjutant General of the Army.

SENTENCE.—The Court are of opinion upon the first Charge, that the Prisoner, Lieutenant Fireworker Taylor, Artillery, is "not guilty" of conduct scandalous and infamous and unbecoming the character of an Officer and a Gentleman, in addressing the letter specified in the Charge to Lieutenant Colonel Muttlebury; or, of having in that letter *basely* traduced the character of Lieutenant Corbet.

The Court are of opinion that the Prisoner, Lieutenant Fireworker Taylor, did address that letter to Lieutenant Colonel Muttlebury, not with a view to reagitate the subject upon which His Excellency the Commander in Chief's decision had been made known, but in vindication of his own character from injurious reports which had been circulated respecting his conduct, upon an occasion on which he had certainly not been the aggressor. And the Court therefore most fully acquit him of all criminality in writing that letter.

The Court are of opinion on the 2d Charge, that the Prisoner, Lieut. Fireworker Taylor, did in the presence of Captain Home and Lieutenant Corbet, declare his continued conviction of Lieutenant Corbet's guilt. But it appearing that that declaration arose from his having been called upon by the friend of the Prosecutor to come forward and testify to the innocence of Lieutenant Corbet; that it was made in presence of the Prosecutor and his friend upon the occasion of a meeting called for by the *Prosecutor*; and that the Prisoner did not openly express these sentiments, or in any way reagitate the question subsequently to the promulgation of the Commander in Chief's decision, until thus called upon on the part of the Prosecutor himself: The Court do therefore most fully acquit the Prisoner, Lieutenant Fireworker Taylor, of all and every part of this Charge to which any criminality can attach.

At the same time that the Court fully acquit the Prisoner of having basely or maliciously defamed the character of Lieutenant Corbet, they consider themselves called upon by the very peculiar circumstances of this case, and by the nature of the Prisoner's defence, which has necessarily brought before the Court the whole of the evidence connected with the transaction which originally gave rise to the Charges, to record, as an act of justice to the Prosecutor, their firm and decided conviction, that Lieutenant Corbet was not actuated by the criminal and detestable intentions by which the Prisoner has supposed him to have been influenced: and that the suspicions which were so strongly excited in the mind of the Prisoner are attributable solely to the unguarded and indiscreet conduct of Lieutenant Corbet; and not to any impure or criminal design on his part.

Extract from the Proceedings of a European General Court Martial assembled at Hushungabad, by order of Lieutenant Colonel J. W. Adams, C.B. Commanding the Nagpore Subsidiary Force, under a general warrant from, and agreeably to General Orders by His Excellency The Most Noble The Commander in Chief, bearing date the 23d of June 1818, for the trial of Captain E. C. Browne of the 22d Regiment Native Infantry, and all such Prisoners as may be duly brought before the Court.

Hushungabad, *Saturday, July* 25, 1818.

President,—Lieutenant Colonel G. Macmorine, 1st Battalion 10th Regiment Native Infantry.

Officiating Deputy Judge Advocate,—Ensign R. A. M'Naghten, 1st Battalion 19th Native Infantry.

Interpreter,—Lieutenant E. Fell, 2d Battalion 10th Native Infantry.

CHARGE.—Captain Edward Cave Browne of the 22d Regiment Native Infantry, and lately in Command of a Detachment forming the Guard over Appa Sahib, the Ex-Rajah of Nagpore, placed in arrest by the command of His Excellency The Most Noble The Commander in Chief, on the following Charge.

For having during the night between the 12th and 13th of May last, suffered the escape of Appa Sahib, the Ex-Rajah of Nagpore, a State Prisoner expressly and particularly committed to his charge, thereby evincing a disregard of the important trust reposed in him, a neglect of just precautions for the security of the Prisoner, and inattention to the proper discipline and order of the Troops under his command; the whole or any part of such conduct being a shameful and criminal breach of duty, and disgraceful to the character of a British Officer.

By order of His Excellency The Most Noble The Commander in Chief.

SENTENCE and OPINION.—The Court having maturely weighed and considered the whole of the evidence for and against the Prisoner, together with what he has urged in his defence, and the summing up of the Deputy Judge Advocate, are of opinion that Captain Browne is not guilty of the Charge alleged against him, and they do fully and honorably acquit him of the whole and every part thereof. The Court conceive it their duty to notice the great prevarication which appears on the face of, and throughout the Proceedings, and perfectly concur in the sentiments expressed thereon by the Deputy Judge Advocate.

APPROVED AND CONFIRMED.

(Signed) HASTINGS.

The Commander in Chief concurs in the opinion of the Court as to the justice with which the Deputy Judge Advocate commented on the laxity of some of the Witnesses in delivering their testimony distinct as the fact appears, and painful as are the sensations of The Commander in Chief in recognizing it, His Excellency does not conceive that the character of the latitude is such as could make it matter of substantive charge before a Tribunal, and he must therefore leave it with the degree of punishment which the observation of the Court inflicts upon it.

Captain Browne is to be released from arrest, and directed to return to his duty.

APPROVED AND CONFIRMED.
(Signed) HASTINGS.

The Officer Commanding the Nerbuddah Field Force will be pleased to carry the Sentence of Death passed on Nunda Sing, Sepoy of the 1st Battalion 22d Regiment Native Infantry, into execution agreeably to the instruction and warrant transmitted to him from Head Quarters.

The above Native General Court Martial is to be dissolved, should there be no further occasion for its services.

At a European General Court Martial re-assembled at Fort William, on Thursday the 26th November 1818, and subsequent days, Assistant Surgeon Charles Pears, M. D. doing duty with the Honorable Company's European Regiment, was arraigned upon the undermentioned Charges.

1st.—"For forwarding to His Excellency The Commander in Chief a Letter (or the Copy of it) addressed by him, Dr. Pears, to the Deputy Adjutant General, dated the 2d of January 1818, presumptuously arraigning, and calling in question the justice of an arrangement made by Government for the medical duties at Berhampore, which Letter he agreed to suppress, (and did suppress) and to substitute for it another actually sent, upon the improper tendency of the first being pointed out to him by his Commanding Officer."

2d.—"For arraigning, and complaining of hardships inflicted on himself by the measures of Government, in a Letter addressed to the Secretary of the Medical Board, dated the 4th January 1818, and subsequently calling in question the decision of that Board, in the fragment of a Letter refused to be forwarded through the regular channel, and transmitted by himself, Dr. Pears, to The Commander in Chief."

3d—"For having written a Letter dated the 2d of June last, disclaiming an apology made by him to Mr. Surgeon Browne, after he had, in the presence of the Commanding Officer and Staff of the Station of Berhampore, and other Officers, assembled agreeably to the orders of The Commander in Chief, signed, read, and delivered the said apology: and under the false pretence that time had not been afforded to him to peruse, at leisure, the Letter of the Adjutant General, conveying The Commander in Chief's decision upon his reference and His Excellency's orders for him to make the apology in question."

"Such conduct being unworthy of an Officer and a Gentleman, insubordinate, contumacious and subversive of good order and military discipline."

ADDITIONAL CHARGE.—"For having in a Letter under date the 15th Ultimo, to the address of the Adjutant General, made the following assertion; I could have summoned nearly the whole Regiment, instead of such only" (meaning one hundred and three witnesses) "as have thus volunteered without my solicitation," such assertion (of volunteering their testimony) being a positive and deliberate falsehood, disgraceful to the character of a Gentleman."

Upon which Charges the Court came to the following decision.

SENTENCE.—"The Court having maturely considered the evidence brought before them, are of opinion that the Prisoner, Dr. C. Pears, is not guilty of forwarding to His Excellency The Commander in Chief a Letter (or the Copy of it) addressed by him, Dr. Pears, to the Deputy Adjutant General, dated the 2d of January 1818, presumptuously arraigning, and calling in question the justice of an arrangement made by Government for the medical duties at Berhampore, but the Court are of opinion the Prisoner is guilty of irregularly forwarding the Letter, as further described in the Charge."

"On the second Charge, the Court are of opinion that the Prisoner is not guilty, and do acquit him."

"On the third Charge, the Court are of opinion that the Prisoner is guilty of disclaiming an apology made by him to Mr. Surgeon Browne, after he had, in the presence of the Commanding Officer and Staff of the Station of Berhampore, and other Officers assembled, agreeably to the orders of the

Commander in Chief, signed, read, and delivered the said apology ; and of the remaining part of the Charge the Court acquit him."

On the Additional Charge, the Court are of opinion the Prisoner, Dr. Pears, is not guilty, and do fully and honorably acquit him."

The Court having found the Prisoner guilty of part of the first Charge, and part of the third Charge, do adjudge the said Dr. Pears to be reprimanded in such manner as The Most Noble The Commander in Chief may be pleased to direct.

CONFIRMED.

(Signed) HASTINGS.

Remarks by The Commander in Chief.

The Commander in Chief confirms the above Sentence, from observing on perusal of the Proceedings that the quality of the transgression of which Dr. Pears was found guilty by the Court, is only generally stated in the exposition of the Charge against him and is not explained by evidence of the fact which gave it it's particular character. Had it been substantiated to the Court that Dr. Pears formally disclaimed, after a lapse of time, an apology which he had made, rather than have his suspension from the Honorable Company's Service moved in Council, (the alternative left to his option,) the Court would assuredly have regarded very differently the attempt to disavow a confession of impropriety by which Dr. Pears had purchased impunity on the occasion. As the case stands, The Commander in Chief deems a reprimand altogether inapplicable as an amount of punishment to the offence, and will therefore not order it to be pronounced. Dr. Pears is to return forthwith to his duty.

For the bad practice of the Artillery under his command, whereby the defences of the face breached were not destroyed, and the 18 pounder shot passed over the Fort ; and the Court does therefore acquit him thereof.

The Court finds the Prisoner guilty of the 1st part of the 2d Charge ; viz. For irregularly and unwarrantably directing an excess of Liquor to be served to the Men on duty in the Battery. Remarks by His Excellency The Most Noble The Commander in Chief.

The Commander in Chief regrets that, while he confirms the acquittal in the fitness of which he entirely concurs, he should be obliged to notice the unwarrantable attempts at sarcasm and insinuation in which Lieutenant Carne indulged himself against the Officer performing the part of Deputy Judge Advocate—among other improper animadversions Lieutenant Carne has allowed himself to make the following Charge. " The Judge Advocate directed them (certain Soldiers) to attend him privately some days prior to the commencement of the present trial. He then questioned them in all ways ; but finding they could swear positively to my sobriety, and that they did

not answer his purpose. He has attempted to prejudice the Court against their evidence for reasons best known to himself. Had the Gentleman thought the Men in question unworthy of belief, why did he ever attempt to get them to speak in support of the prosecution."

When the Deputy Judge Advocate has the task delegated to him of arranging a Prosecution on grounds defined for him by higher authority, it is strictly his function to enquire what Persons have knowledge of the facts in issue, and to what particulars each of those individuals can bear testimony; so as that he may not unnecessarily waste the time of the Court by adducing witnesses collected at random who may prove wholly incompetent to furnish any information. The Office of Deputy Judge Advocate, when the prosecution rests solely with it, must in its nature be an invidious one. Obligation should therefore be felt to Officers who without the advantage of permanent appointment will undertake it for the furtherance of justice to the accused as well as to the Public: And it will always be incumbent on The Commander in Chief to protect them from forward misrepresentation. In the record of the Proceedings to which The Commander in Chief now adverts, it is visible that the Officiating Deputy Judge Advocate conducted himself with great modesty, with perfect urbanity towards the Prisoner, and with very equitable discrimination in his remarks on the relative weight of opposed evidence. An imputation of personal malignity and insidious management advanced against an Officer who discharges his duty in such a tone, must leave an unfavourable impression as to the judgment of him who hazards it.

Lieutenant Carne is to be released from arrest and directed to return to his duty.

The Commander in Chief approves the above Sentence, but, in consideration of the Subadar's length of service, His Lordship is pleased to remit the penalty and to restore Subadar Soudan Sing, to his rank in the 1st Battalion 13th Native Infantry. It appears on the Proceedings that Havildar Hurdial Sing was reduced to the Ranks by a Battalion Court Martial for neglect of duty in suffering Subadar Soudan Sing to take the Chunam in question. The two convictions cannot stand together: For, if the Subadar obtained the article fraudulently by asserting that he had the authority of the Engineer to take it, the Havildar was imposed on and thought himself justified in submitting to an order which it was at all events difficult to dispute when delivered by his immediate Superior Officer.—Hurdial Sing is therefore to be reinstated as Havildar.

Remarks by The Commander in Chief.

The Commander in Chief cannot refrain from expressing his astonishment that any Officer so recently appointed to the Service, should have obstinately persisted in error, after the mild and friendly manner in which his Commanding Officer had endeavoured to set him right, but that Lieutenant Paterson should have so far forgotten himself as to reject the advice of Lieutenant Colonel Cox, Commanding the Brigade at Poonah, by the adoption of which the necessity of a public trial would have been avoided, exceeds all belief, —the lenient Sentence which has been awarded on this occasion, ought, however, to convince Lieutenant Paterson of the danger he has incurred, and The Commander in Chief trusts that this public reprimand, and marked disapprobation of his disrespectful behaviour towards Major Eldridge, his immediate Commanding Officer, will prove a salutary warning for his future guidance, and render him sensible of the folly, and impropriety of such unofficerlike, and unmilitary conduct.

Lieutenant R. Paterson of the Bombay European Regiment, to be released from arrest and return to his duty.

(Signed) T. NICHOLSON, Cornet H. M. 17th Drags. Officiating Judge Advocate.

(Signed) R. BARCLAY, Lieut. Col. Cavalry,—President.

Remarks by the Commander in Chief.

The Proceedings of the General Court Martial assembled at Kaira on the 24th August, for the trial of Michael O'Donnell of the 7th Company of Bombay Artillery, being illegal in consequence of the Court's having been sworn in according to the Forms prescribed by the Annual Mutiny Act, and the circumstance of the Judge Advocate having been changed during the trial, The Commander in Chief directs that the whole of the Proceedings be set aside, and although the Court might be reconstituted by being duly and legally sworn in, and the Prisoner again arraigned, he not having in point of fact been yet legally tried; but under all the circumstances of the case, and taking into consideration the great length of time Michael O'Donnell has been in confinement, the Lieut. General is disposed to stop all further Proceedings against him, and to direct his being released from confinement on the receipt of this Order at Kaira, in the hope that this act of mercy extended to a Man who unfortunately appears to be so little deserving of it, may yet operate beneficially on his future conduct, and that a sense of gratitude for the extreme lenity with which he has been treated, will induce him to behave with more propriety in future, and that he will never again place himself in the dangerous situation in which he now stands, by a repetition of the disgraceful crime of which he has lately been guilty.

Matross Michael O'Donnell of the 7th Company of Artillery, will return to his duty.

FORT ST. GEORGE, 2d *February* 1819.

G. O. BY GOVERNMENT.

In pursuance of the liberal and gracious intentions of the Honorable the Court of Directors towards the Native Army, and in furtherance of the Honorable Court's desire to manifest their sense of its meritorious services, and to encourage future honorable exertion:—The Right Honorable the Governor in Council has been pleased to establish anew and superior Rank of Native Commissioned Officers, to be denominated "Soobudar Major."

The selection for promotion to the Rank of Soobudar Major will be made by the Commander in Chief, but it is to be distinctly understood that mere seniority, when not illustrated by acknowledged eminent service in the Field, will have no claim to consideration. The Commander in Chief's nomination is to be substantiated by a particular statement of the claims of the Individuals recommended for advancement; and the Commissions for this distinguished Rank will be granted by the Governor in Council.

The Soobudar Major shall not possess any Office, Command or superior Rank, differing from that of a Soobudar, in the Corps to which he belongs—where he will continue to perform his duty as usual, with his Company. But in the case of Detachments from different Corps doing duty together, the Soobudar Major is to have the benefit of his Army Rank, according to the usages in such cases, with regard to Brevet Commissions among the Officers of His Majesty's and the Honourable Company's Army.—Thus Officers holding this Commission will take Rank on general duty above all other Soobudars, and relatively with each other according to the dates of their respective Commissions, as Soobudar Majors.

A Brevet pay of 25 Rupees per month is annexed to the Commission of Soobudar Major, in addition to his ordinary allowances, as Soobudar of a Company.

The Right Honorable the Governor in Council is further pleased to accord the same distinction to the Corps of Artillery; and to direct that two Native Officers shall be selected, under the foregoing regulation, either from the Golundaz or Gun Lascars, for the appointment of Soobudar or Syrang Major, as the case may be, with the same Brevet pay.—These Officers will continue to do the duty of Soobudars or Syrangs with their Companies, but are to Rank in the Army with Soobudar Majors according to the dates of their respective Commissions.

The number of Soobudar Majors in the Army is limited for the present to 58, as follows:—1 for the Body Guard, 8 for the Cavalry, 2 for the Artillery, 1 for the Rifle Corps and 46 for the Infantry.

It will be discretionary at all times with the Commander in Chief to keep up the established complement of this Rank; and in case of a vacancy in the number of the Soobudar Majors of the Army, the selection for promotion will not necessarily take place in the Corps in which the casualty happens.

The Brevet pay of Soobudar and Syrang Majors will be allowed to continue after their transfer to the Invalid or Pension establishments; but in order to prevent any remissness in the conduct of Native Officers after attaining those Ranks, this indulgence, after retirement from effective duty, will, in each case, depend upon the special recommendation of the Commander in Chief.

The Governor in Council has further resolved to authorize the appointment of one Havildar in every Troop or Company of the Body Guard, Cavalry, Rifle Corps, and Regular Infantry of this Establishment, to be "Colour Havildars," under the same regulations for their selection by Commanding Officers of Corps, with regard to merit and qualifications, as directed in General Orders dated 11th August 1817, authorizing the appointment of Colour Serjeants in the Madras European Regiment.

Colour Havildars are to receive an additional pay of 2 Rupees per month; and are to be distinguished by the same badges as ordered for Colour Serjeants.

His Excellency the Commander in Chief is requested to cause these Orders to be explained in the fullest manner to the several Corps of the Army; and further to issue such subsidiary Orders for carrying them into effect, as he may think appropriate and necessary.

By order of the Right Honorable the Governor in Council.

FORT ST. GEORGE, 2*d February* 1819.

G. O. BY GOVERNMENT.

His Excellency the Commander in Chief has recently brought to the notice of the Right Honorable the Governor in Council, the highly meritorious services of

Soobadar Noor Sahib of the 1st Battalion 16th N. I. and
Soobadar Sheer Ally Beg of the 3d Regiment Native Cavalry,

who were attached to His Excellency's person during the late Campaign in the Dukhan, and whose active zeal and enterprize, in that situation, on every duty for which they were selected, are reported to have enhanced the claims to consideration, which their previous exemplary conduct and high character during a long period of service had established for them.

The General Order of 20th June 1809, granting a Palankeen with the usual allowance to the former of these distinguished Native Officers, bears testimony to his good behaviour and his attachment to the Service.—As a further mark of the approbation of the Government, the Right Honorable the Governor in Council has resolved to confer on Soobadar Noor Sahib a grant of fifty cawnies of cultivated Nunjah land, on Shotrium tenure, for three lives; and the Commander in Chief is requested to ascertain in what District he may desire to receive this remuneration.

The Governor in Council is pleased to mark his sense of the merits of Soobadar Sheer Ally Beg, by presenting him with a Palankeen and the regulated allowance of Rupees 70 per month, for the support of that equipage.

By order of the Right Honorable the Governor in Council.

G. O. By the Commander in Chief.

With reference to the General Orders by Government under date the 2d of February last, establishing a new and superior Rank of Native Commissioned Officers, to be denominated Subadar Majors, His Excellency the Commander in Chief is pleased to publish the following Form, to be observed by all Corps in the recommendation of Subadars for promotion to the Rank of Subadar Major.

It is to be perfectly understood, not only by Commandants of Corps, but by the Native Officers in general, that seniority alone gives no claim for promotion to the distinguished Rank of Subadar Major, still the Commander in Chief is desirous that Length of Service when combined with good Conduct, should have it's due weight when the claims for promotion are under consideration, and it being necessary for His Excellency's satisfaction as well as for record, that when the Subadar recommended is not the senior of his Rank in the Corps, the Names, Length of Service, and general Character of the Officers passed over should be before the Commander in Chief, when submitting to Government the Names of those recommended for promotion on account of their superior merit.—The Recommendation Rolls are therefore to include the Names of the Senior Subadars with appropriate remarks, as well as a full statement of the special claims of the Individual recommended.

FORM.

The Commander in Chief having had occasion to notice the want of attention to the General Orders of the 24th of August 1818, prescribing the several points to be attended to in the preparation of Recommendation Certificates for the promotion of Native Officers, is pleased to direct, that the following Form be established, and that every such document shall contain not only the Names as heretofore required, of the Individuals whom it may be proposed to pass over, but the like description of them in every particular, as of those actually recommended for promotion, in order that Length of Service and other circumstances in the cases of Individuals, may be duly weighed against the objections which may be urged to their future promotion.

In preparing Descriptive Rolls of Native Officers and Havildars for promotion, such Rolls are invariably to exhibit all necessary remarks regarding the Individuals concerned, and not to refer to Rolls already furnished, for such information.

FORT ST. GEORGE, 9*th March* 1819.

G. O. BY GOVERNMENT.

The Right Honorable the Governor in Council having had before him frequent applications for Staff allowances on the part of Officers nominated to act as Adjutants to Detachments of Corps, and considering that the selection of Officers for such duties should be viewed rather as affording them opportunities of recommending themselves for permanent Staff employ, than as sources of immediate, pecuniary emolument—Claims of this description are not generally admissible, but as on special occasions circumstances may be found to admit of a departure from this rule, which it is presumed will rarely occur, the following provision is established for such cases.

2.—When the appointment of an Acting Adjutant to a Detachment of a Corps shall have received the sanction of the Government, the principle laid down in the Code of Pay Regulations, Section 16, Paragraphs 59 and 95, will be considered applicable to the case; and the following allowances are authorized to meet the charges for Writers, Stationery, &c. incidental to such temporary Staff duties, viz.

For Detachments of European Corps (including the Horse and Foot Artillery) per month ..70 Rupees.
For Detachments of Native Corps, ...50 „

Officers acting as Adjutants to Detachments are to execute the duties of Quarter Master—And the confirmation of their appointments by Government is to be the authority for drawing the above allowances.

The Governor in Council deems it necessary on this occasion to direct, that when Officers Commanding Field Detachments, to which no Staff have been appointed, may, in future, consider themselves justified in nominating Officers to perform Staff duties, the Officers selected shall be designated "Staff Officer" to the Detachment, subject to the confirmation of Government. Should such nomination be approved, it will be determined whether, the Officers shall be considered as coming under the foregoing provisions, or recognized as entitled to the Staff Pay of Brigade Major or Line Adjutant.—But, when practicable, Officers Commanding Field Detachments are to obtain *previous* authority for such temporary appointments; and the same rule is to apply to all other situations of Command.

By order of the Right Honorable the Governor in Council.

G. O. BY GOVERNMENT.

The meritorious conduct of His Majesty's 25th Light Dragoons and 86th Regiment of Foot in every situation, where they have been employed during the long periods of their service in India, has been brought under the notice of the Government in a particular manner, by His Excellency the Commander in Chief, as establishing for them strong claims to its consideration; and the honourable mention, which has been made of them by His Excellency has been coupled with the expression of His Excellency's anxious wish that their services may meet with the same acknowledgment, on their approaching departure, as, in General Orders dated 27th August 1805, and 11th October 1806, marked the close of the distinguished career of His Majesty's 74th Regiment of Foot and 19th Light Dragoons then returning to England.

GENERAL ORDERS,

HEAD QUARTERS:

CHOULTRY PLAIN, 29*th May* 1819.

G. O. By Lieutenant General Trapaud.

The following Extracts from G. O. issued by His Excellency The Most Noble The Commander in Chief in India, are, by His Excellency's orders, published to the Army serving under this Presidency.

Extract from the Proceedings of an European General Court Martial assembled at Nagpore, on Thursday, the twenty-second day of December, one thousand eight hundred and eighteen, by order of Lieutenant Colonel H. S. Scott, Commanding the Nagpore Subsidiary Force, and in obedience to orders by, and in virtue of a warrant under the hand and seal of Lieutenant Colonel J. W. Adams, C.B. Commanding the Nurbuddah Field Force,

President,—Major P. G. Blair, Artillery.

Officiating Deputy Judge Advocate,—Captain H. M. Cooper, 11th Regiment N. I.

Interpreter,—Lieutenant George Hutton, 11th Regiment Native Infantry.

CHARGE.—Robert Kenyon, Gunner in the C. Company, 1st Battalion Madras Artillery, placed in confinement and charged with the wilful Murder of Matross John Leviston of the same Corps, at Chandah, on the 8th day of October 1818.

By order of Lieutenant Colonel H. S. Scott, Commanding the Nagpore Subsidiary Force.

Camp Nagpore, 20*th December* 1818. } (Signed) RICHARD TAYLOR, A. A. A, General N. S. F.

OPINION and SENTENCE.—The Court having duly considered the evidence brought forward in support of the prosecution, as well as what has appeared in the defence, do acquit the Prisoner, Gunner Robert Kenyon, of the crime of wilful Murder; but the Court do find the Prisoner guilty of having killed in an affray (in which they mutually flew to arms, and fired at each other) Matross John Leviston of Artillery, which act being subversive of order and discipline, and in breach of the Rules and Articles of War; the Court do sentence the Prisoner, Robert Kenyon, Gunner 1st Battalion Artillery, to be placed in solitary confinement for the period of (9) nine months, at such Station as may be directed by His Excellency The Most Noble The Commander in Chief in India.

(Signed) H. M. COOPER, Captain, Officiating Deputy Judge Advocate. (Signed) PATRICK G. BLAIR, Major in the Army, and President.

Remarks by The Commander in Chief.

Tho' The Commander in Chief concurs entirely in the humane and just consideration which influenced the Court, and to which the Court apparently found difficulty of giving effect otherwise than by the terms adopted, His Lordship cannot confirm the Sentence as it stands, lest a dangerous misconception should be entertained from it among the Troops.

Where two Soldiers go out by agreement, as in the present instance, to fight with their Fusees or other mortal weapons, it is not a case of affray which implies unpremeditated contest, but a case of deliberate duel; And in the latter, notwithstanding each Party has voluntarily staked his life, if one be killed, the survivor is in the eye of the Law guilty of Murder. As Manslaughter is a distinction peculiar to the Common Law of England, it is a modification of the Crime which a Military Tribunal would not be competent to pronounce; but the Court would be confined to laying it's sense of the extenuatory circumstances before The Commander in Chief. Probably this restriction on the Court occasioned the judgment now in question, which from the foregoing explanation the Court will perceive to have been incorrect. Agreeing in the essential point with the Court, The Commander in Chief will not subject the Prisoner to the suspense and imprisonment during several weeks which would attend His Lordship's ordering a revisal of the Proceedings, but directs Robert Kenyon to be discharged as acquitted of Murder.

The circumstances, however, which induce lenity, are to be particularly explained to the Men of every Corps: namely, that the deceased had without provocation wantonly assailed the Prisoner with blows; that the deceased gave the immediate challenge; and that there was not time between the irritation from the assault and the criminal act, for the Prisoner to reflect adequately on the nature of what he was about to do.

Extract from the Proceedings in continuation of an European General Court Martial assembled at Meerut, on the 17th November 1818, by order of Major General Marshall, Commanding in the Field, for the trial of John Head, Private of H. M.'s 8th or K. R. I. Light Dragoons, and such other Prisoners as shall be brought before it, and re-assembled on Friday, the 4th day of December 1818, in pursuance of Field Army Orders by the said Major General Marshall, under date the 17th day of November 1818, for the trial of Lieutenant P. D. Pownall of the 2d Bat. 25th N. I.

President,—Major Peter Johnstone, His Majesty's 14th Foot.

Judge Advocate,—Captain W. P. Cooke, Deputy Judge Advocate General 2d and 3d Divisions Field Army.

Interpreter,—Captain H. F. Smith, 1st Battalion 25th N. I.

CHARGE.—Lieutenant Pownall of the 2d Battalion 25th Regiment Native Infantry, charged with disobedience of orders, and contempt of authority, in having absented himself from the Cantonments of Kurnal from the morning of the 4th until the evening of the 5th June last, after leave to be absent from the Cantonment had been refused to him by the Commanding Officer.

By order of His Excellency The Most Noble The Commander in Chief.

Head Quarters: Goruckpore, 2d *July* 1818. } (Signed) JAMES NICOL, Adjutant General of the Army.

FINDING.—" The Court having maturely weighed and considered the evidence for the prosecution, together with that produced by the Prisoner and what he has urged in his defence, find him guilty of disobedience of orders in having absented himself from the Cantonments of Kurnal from the morning of the 4th until the evening of the 5th of June last, after leave to be absent from the Cantonment had been refused

to him by the Commanding Officer ; But the Court acquit the Prisoner of the contempt of authority charged in the Crime.

SENTENCE.—" The Court having found the Prisoner guilty of so much of the Charge as is above recited, adjudge him, Lieutenant Pownall of the 2d Battalion 26th Regiment of Native Infantry, to be reprimanded by His Excellency The Most Noble The Commander in Chief.

" The Court beg permission respectfully to recommend the Prisoner to the lenity of The Commander in Chief, in consequence of his having been in arrest for the long period of six months.

(Signed) W. P. COOKE, Captain,
Deputy Judge Advocate General
2d and 3d Divisions Field Army
conducting the Trial.

(Signed) P. JOHNSTONE, Major,
and President.

In compliance with the wish of the Court, I remit all further procedure against Lieutenant Pownall.

(Signed) HASTINGS.

(A true Extract.)

(Signed) C. J. DOYLE, Lt. Col.
Military Secretary.

The Commander in Chief cannot confirm the Sentence, because there is an undue power inadvertently exercised by the Court in directing His Excellency to give the Reprimand, instead of awarding it to be pronounced in such mode as His Lordship should order.

At an European General Court Martial re-assembled at Fort William, on Monday, the 14th December 1818, Private Mathew Harrison, of the Honorable Company's Sappers and Miners, was arraigned upon the undermentioned Charge.

" Private Mathew Harrison, of the Honorable Company's Sappers and Miners, confined by order of His Excellency The Commander in Chief, for mutinous expressions, in threatening the life of Serjeant Major Michael Monahan, of that Corps, his Senior Officer, when in the execution of his duty on the 8th Ultimo."

Upon which Charge, the Court came to the following decision.

SENTENCE.—"The Court having maturely considered the evidence before them, are of opinion, that the Prisoner, Mathew Harrison, of the Sappers and Miners, is guilty of making use of unsoldierlike and improper expressions, on the 8th November last: but that he is not guilty of using mutinous expressions in threatening the life of Serjeant Major Monahan, his Superior Officer, in the execution of his duty, of which the Court acquit him. The Court adjudge the Prisoner, Mathew Harrison, to suffer one month's solitary confinement.

APPROVED AND CONFIRMED.

(Signed) HASTINGS.

At a Native General Court Martial assembled at Cawnpore, on Thursday, the twenty-sixth day of November 1818, Bowany Sing, Subadar Major, 2d Battalion 12th Native Infantry, was arraigned upon the undermentioned Charges, exhibited against him by Lieutenant Elkin, Commanding a Detachment of that Corps.

" For disobedience of orders, contempt of authority, and gross disrespect to me his immediate Commanding Officer, whilst on the march from Rampoora to Muttra, on the 9th September 1818, in having repeatedly refused to accompany a Party which I ordered out under his command for the purpose of procuring supplies for the Detachment which was in distress for provisions on the banks of a River, which it had not the means of crossing.

ADDITIONAL CHARGE.—" For disobedience of orders and contempt of authority, in having repeatedly appeared on Parade in full dress, whilst the Detachment was under arms, in direct opposition to my orders."

Upon which Charges, the Court came to the following decision.

SENTENCE.—" The Court having maturely weighed and considered the evidence for and against the Prisoner, together with what he has urged in his defence, are of opinion that he is guilty of the Crimes laid to his charge, which being in breach of the Articles of War, they do sentence him, the said Bowany Sing, Subadar Major, 2d Battalion 12th Native Infantry, to be suspended from Rank and Pay for four calendar months."

APPROVED.

(Signed) HASTINGS.

In consideration of the former excellence of character and long service of Subadar Major Bowany Sing, The Commander in Chief, altho' he approves the Proceedings, is pleased to remit the Sentence of the Court.

Remarks by His Excellency The Most Noble The Commander in Chief.

Justly as the punishment of death has been pronounced on the heavy Crime of Shital Sing, The Commander in Chief will not in this case order it to be carried into execution.—The Court with great propriety have left to The Commander in Chief the province of weighing whether any extenuatory circumstances appear in the course of the evidence; and such do present themselves as induce His Excellency to mitigate the sentence.—There was gross injustice in subjecting the cupidity of the Sepoy to the temptation which a number of Ingots of Silver, not secured in any manner, but lying open to his hand during the night, necessarily offered.—The Commander in Chief is pleased to commute the punishment of death into five years labor on the roads.

By Command.

For having on or about the 27th April 1818 and subsequently to it until the 15th May 1818, in the Fort of Mundlah, fraudulently secreted and converted to his own use captured valuables which had become the property of the Division which reduced the Fort of Mundlah.

SENTENCE.—The Court having found the Prisoner, Derriow Sing, guilty of the Crime laid to his charge, do sentence him, the said Derriow Sing, Havildar, to forfeit his share of Prize Property captured during the War and to be dismissed from the Honorable Company's Service.

(Signed) C. J. DOYLE, Lt. Col. M. S.

Remarks by The Most Noble The Commander in Chief.

In the case of Derriow Sing, Havildar, The Commander in Chief has confirmed the sentence in such extent as the Court had the power of passing it. The dismissal from the Honorable Company's Service was within the legitimate authority of the Court; but the former part of the award was beyond it's competence.—No Individual in the Army can have a vested right in Prize Money until the Crown and the Honorable Court of Directors shall have ordered the distribution of Prize Property captured. The meaning of the Court is perfectly just, but they could not deprive the Prisoner of that to which he had as yet no title.—The decision on the pretensions of Individuals to share in Prize having been always hitherto left to the judgment of the Governor General in Council, The Commander in Chief will in this instance take the necessary measures for barring the claim of Derriow Sing (who is to be immediately dismissed the Service) to participate in the Fund.

Reprimand.

The objects of Reprimand are twofold, it is intended to awake the feelings and reform the conduct of the Individual to whom it is addressed, and to act as an example to deter others from falling into the same errors and misconduct.

Lieutenant General Trapaud, Commanding the Army in Chief, is happy on this occasion to declare, that the high spirit of subordination, and discipline which pervades all Ranks of the Madras Army, renders it unnecessary to dwell on the disrespectful, insubordinate, and contumacious conduct of Lieutenant Smith of the 2d Regiment Light Cavalry, with any view to support the general discipline of the Army, for the Lieutenant General is persuaded, that the principles which have governed that Officer's conduct, will be viewed with merited censure by all his Brother Officers.

The spirit of litigation which has been so invariably manifested by Lieutenant Smith of the 2d Regiment Light Cavalry, in all his communications with his Commanding Officer, the disrespectful, and contumacious style of his correspondence, as well as the sophisticated arguments he uses even upon his defence, give but a faint hope, that he will profit by any admonition which may be offered—but, Lieutenant General Trapaud in discharging the duty which devolves on him on this occasion, recommends to Lieutenant Smith to render his future conduct more consistent with his professional obligations and acceptable to the high principles which govern the society of which he is a member, by shewing himself as tenacious of their example, as he has been persevering in mistaken principles, and the most objectionable and reprehensible conduct.

With this admonition Lieutenant General Trapaud, Commanding the Army in Chief, recommends to Lieutenant Smith to indulge in a confident belief, that his future conduct will be the only criterion by which he will be judged at Head Quarters; and the Lieutenant General recommends to Lieutenant Colonel Colebrooke, C. B. and the Officers of the 2d Regiment Light Cavalry, to imitate a principle which every Officer must feel to be dictated by duty, and liberality.

Lieutenant Smith of the 2d Regiment Light Cavalry, to be released from arrest, and return to his duty, after the above Order has been read to him in presence of the Officers of that Regiment.

Lieutenant Colonel T. A. S. Ahmuty is removed from the 8th to the 25th Regiment and 1st Battalion.

Lieutenant Colonel J. Vieq is removed from the 25th to the 8th Regiment and 1st Battalion.

Lieutenant R. Young of the 2d Battalion 23d Regiment N. I. is directed to attend the General Court Martial of which Major General Ross Lang is President, as Interpreter.

Lieutenant Eastment of the 1st Battalion 13th Regiment, is relieved from the duty on which he is employed under Captain Heme; and directed to join his Corps.

Acting Sub Assistant Surgeon Slevin is attached to the Horse Artillery, and directed to join forthwith.

GENERAL ORDERS,

HEAD QUARTERS :

CHOULTRY PLAIN, *3d July* 1819.

The Right Honorable the Governor in Council having addressed the subjoined Orders to His Excellency the Commander in Chief, to be published to the Army, they are accordingly published in Military Orders.

G. O. By Government. Fort St. George, *23d June* 1819.

1. The Right Honorable the Governor in Council is pleased to establish the following Regulation in the Military Pay Department.

2. The Pay and Allowances of the whole, or such part, of each regular Corps of Horse and Foot Artillery, Light Cavalry, and European and Native Infantry as may be present at their Regimental or Battalion Head Quarters at the period of issuing Pay in each month, are to be drawn, equally in the Field as in Garrison, by the Quarter Masters of European Corps, and Interpreters and Quarter Masters of Native Corps, in one General Abstract (including their own, the Adjutant, and Surgeon's Establishment) accompanied by an Abstract Muster Roll—both documents being countersigned by the Commanding Officer.

3. The General Abstracts are to be framed from the Regimental and Battalion Books, in which the separate Pay Abstracts of Troops, Companies and Establishments, are to be recorded as heretofore—and the Abstract Muster Rolls from the detailed Muster Rolls of Troops, Companies, &c., which documents are to be delivered to the Quarter Masters, and Interpreters and Quarter Masters respectively, for that purpose.

4. The General Pay Abstracts, and Abstract Muster Rolls thus prepared, accompanied by the detailed Muster Rolls of Troops, Companies and Establishments, and all other vouchers prescribed by the existing Regulations, the separate Pay Abstracts of Troops, Companies, &c. excepted, being presented for payment, are to be discharged on the receipts of the Quarter Masters and Interpreters and Quarter Masters respectively, if found correct.

5. The Troops, Companies, or Details, which may be absent from Regimental or Battalion Head Quarters when the Pay is issued—as also all individual Officers when absent, whether on Staff duty or otherwise, are to be drawn for as hitherto, on separate Abstracts, viz. the former by Regimental Officers Commanding, or in Charge of Troops, Companies, &c., or by Commanding or Staff Officers of Stations—the latter by the Officers themselves.

6. The Family Certificate Department of Corps is transferred to Quarter Masters and Interpreters and Quarter Masters, respectively, who are accordingly authorized to draw the established allowance of Rupees 35 per month on that account, under the circumstances in which it is at present payable to Adjutants of Corps.

7. Charges for Compensation in lieu of Rice, and of Clothing and all allowances payable at the Head Quarters of Corps, to be drawn by the Quarter Masters, and Interpreters and Quarter Masters respectively, who are to be considered as charged with the duty of regulating and conducting the Pay department generally; the Vakeels of Corps being attached to, and forming part of, their Establishments in that department.

8. The Governor in Council is pleased to authorize an increase of Rupees 50 per month to the present allowances of Quarter Masters, and Interpreters and Quarter Masters, to cover all expenses in the Pay Department, (Peace and Field) including Writers, Stationery, the Carriage of Books and Records, &c., but exclusive of the Family Certificate allowance abovementioned.

9. It being the intention of the Governor in Council that the principle, laid down in page 336 of the Code of Pay Regulations, Paragraph 80, shall apply to the General Abstracts of Quarter Masters, and Interpreters and Quarter Masters, the retrenchments which may be made therefrom are to be in the name of the Officers on account of whose Troops, Companies, &c. the objectionable charges may have been included; and the sums retrenched are accordingly to be recovered from those Officers by the Station Paymasters, under the usual restrictions, by Stoppages from the Abstracts in which their Pay and Allowances for the subsequent periods may be drawn.

10. With respect to the Body Guard, the Corps of Pioneers, the Veteran Corps, Extra Battalions, &c. to which neither Quarter Masters, or Interpreters and Quarter Masters are attached—the duties of the Pay department in such Corps are to be executed by the Adjutants, who are authorized to draw the allowances established by the foregoing provisions for Quarter Masters and Interpreters and Quarter Masters respectively.

11. In establishing the above Regulations the Governor in Council desires it may be understood, that altho' Officers Commanding, or in Charge of Troops and Companies, and the Regimental Staff, are to be held answerable for retrenchments arising from irregular or improper charges included, on their account, or that of those under their immediate Command or Charge, in the General Abstracts; it is notwithstanding to be considered the special duty of the Quarter Masters, the Interpreters and Quarter Masters, and Adjutants conducting the Pay department of Corps, to make themselves minutely acquainted with the Regulations of the Military Pay Department and to reject from their General Abstracts all irregular charges which Officers less conversant in those Regulations may include on account of themselves, their Troops, Companies or Establishments.

12. Commanding Officers of Corps are accordingly to report to His Excellency the Commander in Chief for the information of Government, the cases of any Officers conducting the Regimental Pay Department, whose Abstracts may prove to be generally irregular—the frequency of retrenchments therefrom being the criterion by which the official conduct of those Officers in the Pay department is to be estimated.

13. The annexed Forms of General Abstracts and Abstract Muster Rolls are established, and are to be applicable to the Pay and Allowances due on the 1st of August next, from which date the extra allowances hereby authorized are to commence, the Quarter Masters, Interpreters and Quarter Masters, and Adjutants conducting the Pay department of Corps being authorized to assume the designation of Regimental or Battalion Paymasters in their Signatures to Pay Abstracts and their Communications and Correspondence with Station Paymasters and Departments of Account and Audit; and they are to be addressed accordingly.

Remarks by His Excellency The Most Noble The Commander in Chief.

The Commander in Chief regrets that he could not without injury to discipline, comply with the Court's recommendation for a remission of the Sentence.

All that presented itself in extenuation of the Prisoner's insolent demeanor, has evidently been taken into consideration, (and justly so) by the Court, or a far different judgment would have been passed.

The Commander in Chief concurs in the allowance made for the Prisoner's irritation, under what he deemed unjustifiable insult received from Captain Broughton; whose conduct on the occasion is hereby marked with his Lordship's serious reprehension. But the Commander in Chief regards the Sentence as referring to that period in the Prisoner's behaviour which was antecedent to any provocation; and, as the Prisoner's tone and manner appear to have been at that time decidedly insubordinate and disrespectful, the penalty is lenient as applied exclusively to that part of the transaction.

Payments.—The Copies of Receipts required by the 7th Paragraph of the G. O. 14th February 1815, are also to be discontinued, and the original Receipts to be forwarded to Corps, Detachments or Departments, by the first Tappal, in order that they may be copied in the Regimental Books, and transmitted to the Superintendent as directed in that Paragraph.

It is further directed, that the 14th Paragraph, Page 211 of the Code of Regulations, regarding quarterly adjustments of Paymasters accounts, shall be considered applicable to the Office of Superintendent of Family Payments, with the modification of monthly in place of quarterly adjustments being permitted, in case they shall be found necessary.—The Accountant General in the Military Pay Department will accordingly consider the Regulation of the 23d June 1818, applicable to the accounts of Family Payments; and will require the Superintendent to give an acknowledgment similar in effect to that prescribed in its 3d Paragraph, on each periodical adjustment.

GENERAL ORDERS,

HEAD QUARTERS:

CHOULTRY PLAIN, 25*th August* 1819.

G. O. By the Commander in Chief.

The Commander in Chief has much gratification in publishing a Letter from Major General Sir Henry Torrens, K. C. B. Military Secretary to His Royal Highness The Duke of York, and His Excellency has consequently directed a Letter to be addressed to every Officer who served under his personal Command on the 21st December 1817, and whose Name was submitted to His Royal Highness, to receive the honorary distinction of a Medal.

Copy of a Letter from Major General Sir Henry Torrens, K. C. B. Military Secretary, addressed to His Excellency Lieutenant General Sir Thomas Hislop, Bart. and G. C. B. &c. &c. &c. dated Horse Guards, 15th October 1818.

I have the Commander in Chief's Commands to acknowledge the receipt of your dispatch of the 7th January last, addressed to the Adjutant General, transmitting a Return of Officers personally and particularly engaged in the Battle of Mahidpoor, whom, under an idea of the continued existence of a system of granting Medals of distinction, you consider worthy of bearing badges commemorating that glorious event.

I have His Royal Highness's Commands to assure you, that he appreciates in the highest degree the bravery and discipline which so signally distinguished Sir John Malcolm, and all the Officers under your Command in the Battle of Mahidpoor, as well as the valor, ability, and promptitude, with which you directed their zeal, in leading the Troops, to the accomplishment of a splendid achievement, which has mainly served to the overthrow of a confederacy that aimed at the subversion of the British Power in India; but it is incumbent upon His Royal Highness to acquaint you, that when the Military Order of the Bath was extended, His Majesty's Government thought proper to decide for reasons which it is unnecessary here to detail, that the system of granting Medals of distinction should be abolished, and under these circumstances His Royal Highness is reluctantly compelled to explain the impossibility of his giving effect to the wishes you have expressed in regard to the Officers whose names you have transmitted.

You will find, however, that the Order of the Bath, as far as its statutes and regulations could permit His Royal Highness and the President of the Board of Control to recommend the grant of it, has been conferred on the Officers of the King's and the Honorable Company's Service, who have been principally distinguished under your Command, and should the circumstance of your having recommended the grant of Medals of distinction, have been made known to the Army, His Royal Highness trusts you will give such explanation to the Officers, who were under your Command at Mahidpoor, as may convince them that this kind of distinction is withheld in compliance with General Regulations, and not from any failure in the due appreciation of their distinguished conduct.

I have the honor to be,
Sir,
Your most obedient,
Humble Servant,
(Signed) H. TORRENS.

T. H. S. CONWAY,
Adjutant General of the Army.

GENERAL ORDERS,

HEAD QUARTERS:

CHOULTRY PLAIN, 28*th August* 1819.

G. O. By the Commander in Chief.

The following Extracts from the confirmed Proceedings of a General Court Martial held in Fort St. George, on Monday the 9th day of August 1819, by virtue of a warrant from His Excellency Lieutenant General Sir Thomas Hislop, Bart. & G. C. B. and of which Major General Robert Bell is President, are published to the Army.

CHARGE.—Exhibited against Mr. Surgeon Thomas Hart Davis of the 18th Regiment N. I. by John Douglas White, Acting Member of the Medical Board.

For scandalous, infamous conduct unbecoming the character of an Officer and a Gentleman, in calumniating me, his Superior Officer, in the manner following, viz.

1st. For having on Sunday, the 20th June 1819, in the presence of the Reverend Morgan Davis and the Reverend William Roy, falsely asserted that I had offered a bribe to Doctor Watson, for the purpose of inducing him to retire from the Medical Board.

2d. For having at the time and place abovementioned, falsely asserted, that the offer of a bribe, was reiterated by me by my tender to Doctor Watson, First, of a sum equal to six months Pay. Secondly, of a sum equal to twelve months Pay; and Thirdly, of a sum equal to eighteen months Pay.

3d. For having when questioned respecting the authenticity of the foregoing assertions at the time above mentioned, stated that they were not the offspring of idle report, but matter of fact, which had been communicated to him, by a Member of Doctor Watson's family.

Officiating Deputy Judge Advocate.

APPROVED AND CONFIRMED.

(Signed) T. HISLOP,
Lieutenant General.

The Commander in Chief cannot publish the foregoing Extracts to the Army, without animadverting on the Charge exhibited against the Prisoner, the expression of "Infamous, and scandalous conduct" is so repugnant to every honorable mind, and carries with it such painful sensations, until a full and honorable acquittal is pronounced, that it never should be resorted to as long as there is even a shadow of a doubt that the necessary proof can be produced to establish unquestionably, a Charge so serious in its consequences and effects.

The Commander in Chief directs, that Surgeon Thomas Hart Davis of the 18th Regiment Native Infantry, be immediately released from his arrest, and His Excellency feels it a duty he owes to the Army, not only to express the deep regret he has experienced in the exhibition of such Charges against that Officer, but to declare that he will not fail on any future similar occasion to hold every Officer responsible to the fullest extent of his authority, who may exhibit Charges so seriously affecting the character of another, without establishing them.

The following Extract from the confirmed Proceedings of a General Court Martial held in Camp at Nagpoor, on Monday, the 19th day of July 1819, by virtue of a warrant from Lieutenant Colonel H. S. Scott, C. B. Commanding Nagpoor Subsidiary Force, under authority from His Excellency Lieutenant General Sir Thomas Hislop, Bart. & G.C.B. Commander in Chief, &c. &c. &c. and of which Major Blair of the Artillery, is President, are published to the Army.

CRIME.—Abdul Cawder, Havildar 2d Battalion 13th Regiment N. I. ordered into close confinement by me, for disobeying positive orders, on the 20th June 1818, which he had received the day before from his Commanding Officer, Letchman Sing, Subadar of the same Corps, in the following instances.

1st.—For ordering the Wicket of the South Gate of the Hill Fort of Trimbuck to be opened contrary to the positive orders which he had received on the 19 h June 1818, and knowing at the same time that the Enemy had been collected in considerable force within a few miles of that entrance.

2d.—For cowardly conduct, carrying with it an appearance of having betrayed the service and charge he was placed in, by not using his utmost exertions at the head of his Guard after the Sentry had been killed, by which conduct the Fortress of Trimbuck would evidently have fallen into the hands of the Enemy had it not been for the gallant and timely exertion of the Naigue of the Guard, "Mootoosawmy."

I. is guilty of the Charge as exhibited against him, which being in breach of the Articles of War, they do therefore sentence him to be dismissed from the Honorable Company's Service.

Lieutenant General.

The Commander in Chief has approved and confirmed the Sentence passed on Jemadar Mahomed Husman of the Cavalry Recruiting Depôt, but in consideration of his former good character, and the recommendation of the Court, is pleased to remit the punishment, and directs him to return to his duty.

His Excellency deems it expedient to advert to the Prisoner's defence, on which he pleads the alarm and confusion into which he was thrown by being examined before so many Officers, such a pretence can never be admitted, as every Officer by the time he obtains that Rank, ought to be fully aware of the obligation he is under, to answer every question which may be put to him before a Court of Justice with due regard to truth, and the Commander in Chief desires, that this Order may be most fully explained by Officers Commanding Corps to their respective Native Officers.

The Native General Court Martial of which Subadar Shaik Meerah is President, is dissolved.

Lieutenant J. Cecil is removed from the 1st to the 4th Native Veteran Battalion, and will proceed forthwith to join the Detachment of that Corps at Ryacottah.

FORT ST. GEORGE, 2d *October* 1819.

G. O. BY GOVERNMENT.

The Right Honorable the Governor in Council deems it expedient to cancel the 24th and 25th Paragraphs of the Code of Pay Regulations, Pages 16 and 17, authorizing Sick and Wounded Officers to draw two months full Batta, and travelling Batta when on leave of absence, from actual Field Service, for the recovery of their health,—and to establish the following Regulations in lieu thereof.

2.—Officers under the above circumstances are in future to be entitled to three months full Batta, including travelling Batta, calculated from the date of leaving Camp, provided they remain so long absent, and that their Corps or Departments continue on Field Service,—on their return to their duty, they are further permitted to draw travelling Batta, according to the distance they may have to proceed to join.

3.—Certificates from the Heads of Corps or Departments, of the date on which Officers leave Camp under the above circumstances, are to be written at the foot, or on the back of the Certificate of last payment, which they obtain in order to enable them to draw their Pay and Allowances at the Stations to which they may be permitted to proceed—and the Notifications to the Military Auditor General, of the date of arrival of Officers, directed by the Regulations referred to in the 1st Paragraph, are to be discontinued.

4.—The Governor in Council desires it may be understood by Station Paymasters, that except in cases of Regiments proceeding to Europe the anticipated Audits authorized by General Orders 11th November 1816, are to be confined to the Abstracts of Individual Officers, in which *extra* charges may be included—the Paymasters themselves being held competent to the examination of Abstracts in which Garrison Regimental Pay and Allowances only are drawn.

5.—The examination by the Office of Audit before payment of the Abstracts of Officers on their return from other Presidencies, as directed by Article 3d, Paragraph 6th, Page 383 of the Code of Pay Regulations, being considered unnecessary, is to be discontinued; and the Accountant General in the Military Pay Department, will return such Abstracts, when referred to him by Paymasters, accompanied as heretofore, by a Statement of the advances made, and by the Receipts which such Officers had granted, at the Presidency where they had received them, for the purpose of adjusting their accounts—on receipt of which documents, the Abstracts will undergo the same scrutiny in the Offices of Paymasters previous to payment, as all other demands of an ordinary nature,—any doubtful points being referable, by the Paymasters, to the Office of Audit, agreeably to the 17th Paragraph, Page 325 of the Code of Pay Regulations.

FORT ST. GEORGE, 2d *October* 1819.

G. O. BY GOVERNMENT.

1. The Right Honorable the Governor in Council is pleased to publish for the information of the Army, the following Extract of a General Letter from the Honorable the Court of Directors in the Military Department, dated 27th November 1818.

Para. 2d. " Our attention has lately been directed to the subject of the Pensions granted to Officers for Wounds received in action, and we find it necessary to revise our orders on that head, in so far as respects the continuance of those Pensions in certain cases.

3d. In all those instances where the injury is of a permanent nature, as for example, where the Party has actually lost an Eye or a Limb in action, or has suffered such *permanent* injury as may be equivalent to the loss of an Eye, or a Limb, from a Wound received in action, there can be no doubt of his being entitled to the Pension for life, conformably with the spirit and letter of His Royal Highness The Prince Regent's Regulations, bearing date the 20th June 1812—but cases may occur where, though at the expiration of a year and a day after the Wound has been received, the period at which those Pensions commence, the Individual may to all appearance have sustained an injury deemed equal to the loss of a Limb, yet by a skilful medical treatment and the efforts of a sound constitution, he may in a few years be restored to his pristine bodily strength.

4th. In instances of this kind when we consider the liberal scale of allowances granted to the Company's Officers, it is impossible for us to consent to continue the Pensions, and we therefore direct, that in all cases of recovery, if within three years from the injury originally sustained, the Pension shall be discontinued.

5th.—In order that this Resolution may be strictly attended to, and that a careful distinction may at the same time be made between such cases, and those of Officers labouring under permanent injury from Wounds received in action, and equivalent to the loss of an Eye or a Limb, we direct that every Officer of our Army receiving a Pension for Wounds, shall be examined at the expiration of three years from the time of the Wound being received; by two Medical Practitioners who shall certify upon honor, the actual state of the Wound and its remaining effects, to enable you to judge whether, in conformity with the instructions now conveyed to you, the Party be justly entitled to a continuance of the Pension, and we further direct that you will transmit to us regular reports of all such examinations.

6th.—Application having been made from some of our Officers in this country for an increase of the Pensions granted to them, in proportion to the advanced Rank they have received, conformably with a Regulation adopted in His Majesty's Service, we have to inform you, that, that Regulation has been discontinued in His Majesty's Service, as you will observe on perusal of the Circular Letters of the Secretary at War, dated 30th June and 25th August 1817—of which we herewith transmit you Copies.

7th.—And being of opinion that all the circumstances of our Service duly considered, especially the advantages derived by the Company's Officers from the liberal allowances they receive in addition to their Pay, the Pensions

granted, or to be granted, to our Officers under the Regulations which accompanied our despatch of 28th March 1815, are sufficient in amount, we do not think proper to accede to the recommendation contained in the 257th and 258th Paras. of your Letter of 29th December 1815, for an augmentation of those Pensions.

2. The Commander in Chief is accordingly requested to require and direct, that the Medical Certificate prescribed in the 5th Para. of the Honorable Court's Letter, shall be transmitted to His Excellency's Head Quarters forthwith, in those cases in which the period of 3 years may have already elapsed—and in all others, when that period shall have expired by all Officers to whom the Honorable Court's orders have now, or may hereafter have reference, and His Excellency will be further pleased to submit those documents when received, for the consideration of Government and ultimate information of the Honorable Court of Directors."

OPINION AND SENTENCE.—The Court having maturely weighed and considered the evidence on the part of the prosecution on the different Charges preferred against the Prisoner, as well as what he, the Prisoner, Assistant Surgeon Charles Jones, 2d Battalion 19th Regiment Native Infantry, has adduced in his defence, form their Opinion as follows.

With respect to the Charges marked No. 1, the Court acquit the Prisoner, Assistant Surgeon Jones, of the 1st Charge, which they consider as frivolous and vexatious.

The Court find the Prisoner, Assistant Surgeon Jones, guilty of the 2d Charge, but not to the full extent.

The Court acquit the Prisoner, Assistant Surgeon Jones, of the 3d Charge, as the evidence does not appear of sufficient weight.

The Court find the Prisoner, Assistant Surgeon Jones, not guilty of the Charge No. 2, as the Letter in the opinion of the Court does not bear the construction put on it by the Prosecutor.

The Court find the Prisoner, Assistant Surgeon Jones, guilty of the Additional Charge marked No. 3, but in consideration of the Prisoner having made an apology to Major Hare, and Major Hare having given in evidence that had he received that apology in due time he would not have forwarded the Charge, the Court award no punishment.

The Court acquit the Prisoner, Assistant Surgeon Jones, of the Charge marked No. 4.

The Court find the Prisoner, Assistant Surgeon Jones, guilty of the 1st Charge of No. 5, but not to the full extent, and in consequence of the Prisoner having been already repeatedly reprimanded by his Commanding Officer, the Court can award no punishment.

The Court acquit the Prisoner, Assistant Surgeon Jones, of the 2d Charge of No. 5.

The Court find the Prisoner, Assistant Surgeon Jones, guilty of the 3d Charge No. 5, but not to the full extent.

The Court find the Prisoner, Assistant Surgeon Jones, guilty of so much of the Charge No. 6, as implies disgraceful and ungentlemanlike conduct.

The Court find the Prisoner, Assistant Surgeon Jones, guilty of the 1st Charge, No. 7, but acquit him of the 2d Charge.

The Court having found the Prisoner, Assistant Surgeon Jones, guilty in part of the 2d Charge No. 1, in part of the 1st Charge No. 5, in part of the 3d Charge No. 5, of the Charge No. 6, as far as implies disgraceful and ungentlemanlike conduct, and of the 1st Charge of No. 7, do therefore sentence the Prisoner, Assistant Surgeon Jones, 2d Battalion 19th Regiment, to lose twenty (20) steps, in the General List of Assistant Surgeons on the Presidency of Fort St. George, from his present situation in that List.

(Signed) J. H. DUNKIN, Lieut. Col. 34th Regt. President.

OPINION AND SENTENCE ON REVISION.—The Court having revised their Proceedings, adhere to the Opinion and Sentence passed on the Prisoner, Assistant Surgeon Jones, 2d Battalion 19th Regiment Native Infantry, at their Sitting of the 13th September, but in consequence of the parts of the Prisoner's defence which were deemed offensive or objectionable having been erased, the concluding observation, in the Sentence, on that defence, is no longer necessary or applicable, and it is therefore expunged.

(Signed) J. WILSON, Capt. and Offg. Dep. Judge Advocate.

(Signed) J. H. DUNKIN, Lieut. Col. 34th Regt. President.

APPROVED AND CONFIRMED.

GENERAL ORDERS,

HEAD QUARTERS:

CHOULTRY PLAIN, *7th December* 1819.

G. O. By the Commander in Chief.

The following Extracts from G. O. issued by His Excellency The Most Noble The Commender in Chief in India, are, by His Excellency's orders, published to the Army serving under this Presidency.

Extract from a Native General Court Martial held at Colombo on the 10th, and continued by adjournments to the 31st March 1819, of which Subadar Mohewan Khan, of the 1st Battalion of Ceylon Bengal Volunteers, is President.

Subadar Shaik Fuqueera of the 2d Battalion of Ceylon Bengal Volunteers, was tried on the undermentioned Charges, viz.

1st.—For conduct highly disgraceful to the character of an Officer, in having between the hours of 10 o'clock P. M. of the 7th of February, and 2 o'clock A M. of the 8th of February 1819, been in a state of intoxication, thereby setting a most pernicious example, and introducing a most baneful habit, hitherto almost unknown amongst the Native Troops of Bengal.

2d.—For conduct unbecoming an Officer, in causing a disturbance in the Lines of the 2d Ceylon Volunteer Battalion, between the hours of 10 P. M. of the 7th and 2 A. M. of the 8th of February 1819.

3d.—For neglect of duty in having absented himself from Exercise with the Battalion between the hours of 5 and 9 o'clock A. M. of the 8th of February, being unable from the state of intoxication he then was in, to attend.

4th.—For disobedience of orders and contempt of authority in being absent from his Lines after the Roll Call at 8 P. M. of the 7th of February 1819, such conduct being subversive of military discipline.

(Signed) J. T. KENNEDY, Lieut. & Adjt.
2d Ceylon Volunteer Battalion.

(COUNTERSIGNED.)
JAMES GARNER, Lt. Col.
Comg. 2d Ceylon Volunteer Battalion.

On which Charges the Court have adjudged as follows.—That the Prisoner, Subadar Shaik Fuqueera, is not guilty of the first Charge, and do therefore acquit him thereof.

The Court acquit the Prisoner of the 2d Charge.

The Court finds the Prisoner not guilty of the third Charge, and the Court do therefore acquit him thereof.

And with regard to the fourth Charge, the Court find the Prisoner guilty, and do sentence him, the Prisoner Subadar Shaik Fuqueera, to be suspended from Rank and Pay for the space of three months.

The Commander of the Forces on attentively perusing the Proceedings of this General Court Martial on the 22d Instant, felt it his duty to direct them to be returned by the Deputy Adjutant General to the Officiating Deputy Judge Advocate, with a Letter explanatory of the grounds on which the Court were desired to revise their finding of acquittal on the first and second Charges, which accuse the Prisoner in substance with drunkenness, and making a disturbance at unseasonable hours in the encampment of the Battalion to which the Prisoner belongs.—The facts of such drunkenness and disturbance having been fully proved by the concurring testimony of five respectable witnesses, and whose evidence is in no respect shaken or disproved by the witnesses brought forward by the Prisoner on his defence.—These circumstances as particularly explained in the Deputy Adjutant General's Letter, the Lieutenant General had hoped would have induced the Court to determine on an adjudication more consistent with their public duty as Native Officers.—To the surprize of the Commander of the Forces, however, the Proceedings have been returned to him, the finding of the first and second Charges, being unaltered, but with an entry annexed, that the Court "adhere to their former opinion, with this exception, that "although they found the Prisoner Subadar Shaik Fuqueera not guilty of the first Charge, yet it was clearly "proved his having drank liquor, but not so much as to cause intoxication, and further the Court considering "the evidence in support of the 2d Charge, do not conceive the Prisoner Shaik Fuqueera made noise, which "could be termed a disturbance, but what he could not avoid from the pain he was in;" and the Court further beg leave to state, "that the cast to which Subadar Shaik Fuqueera belongs, is of such a description, that "it is not considered unlawful amongst them to drink in moderation;" and the Court "conceive their former "sentence of suspension from Rank and Pay for three months, an adequate punishment for the offence exhibited "in the 4th Charge."

The Commander of the Forces having duly weighed the reasoning adduced by the Court in support of their judgment on the Charges, is obliged to declare his dissent therefrom, for the reasons before referred to, as communicated to the Court; and considering that the Court has acquitted the Prisoner of the two heaviest Charges directly contrary to evidence, he cannot allow himself to be thought to sanction any part of their judgment, by approving the Sentence passed, on their finding the Prisoner guilty of the 4th Charge, which only followed as a consequence of the others; he therefore records his entire disapproval of the Finding and Sentence of the Court, and will lay the whole Proceedings and Correspondence thereon before His Excellency The Most Noble The Commander in Chief in India, for His Lordship's determination, if any further steps are necessary to be adopted towards the Native Officers composing the Court Martial, who have shewn themselves by passing a judgment as above stated, devoid of those feelings of regard to the discipline of the Service to which they have the honor to belong.

At the same Native General Court Martial, Jemadar Nunkoo Sing of the 10th Company 2d Ceylon Bengal Volunteer Battalion, was tried on the undermentioned Charges, viz.

1st.—For conduct highly disgraceful to the character of an Officer, in having between the hours of 10 o'clock P. M. of the 7th of February, and 2 o'clock A. M. of the 8th of February 1819, been in a state of intoxication, thereby setting a most pernicious example, and introducing a most baneful habit, hitherto almost unknown amongst the Native Troops of Bengal.

2d.—For conduct unbecoming an Officer, in causing a disturbance in the Lines of the 2d Ceylon Bengal Volunteer Battalion, between the hours of 10 o'clock P. M. of the 7th and 2 o'clock A. M. of the 8th February 1819.

3d.—For disobedience of orders and contempt of authority, in absenting himself from his Lines after the Roll Call at 8 P. M. of the 7th of February 1819, such conduct being subversive of all military discipline.

(Signed) J. T. KENNEDY, Lieut. and Adjt.
2d Ceylon Bengal Volunteer Battalion.

(COUNTERSIGNED.)
JAMES GARNER, Lt. Col.
Comg. 2d Ceylon Bengal Volunteer Battalion.

OPINION AND SENTENCE.—That the Prisoner Jemadar Nunkoo Sing, 10th Company 2d Ceylon Bengal Volunteer Battalion, is guilty of the whole, and every part of the Charges brought against him, and the same being in breach of the Articles of War, the Court do therefore sentence him, the Prisoner Jemadar Nunkoo Sing, 10th Company 2d Ceylon Bengal Volunteer Battalion, to be suspended from Rank and Pay for the space of eight months.

The Commander of the Forces approves and confirms the Finding and Sentence of the Court, and directs the suspension of Jemadar Nunkoo Sing from Rank and Pay for eight months from this date, to be carried into execution.

At the same time, the Lieutenant General cannot but remark, that the Sentence passed is inadequate as a punishment to the offences set forth in the Charges, aggravated as they were by the disgusting and infamous language proved to have been uttered by the Prisoner when under the influence of intoxication, and which sufficiently mark him to be a person unworthy to hold a Commission in the Honorable Company's Service.

The Proceedings in this Case will also be transmitted to be laid before His Excellency The Most Noble The Commander in Chief in India, for His Lordship's consideration.

The Commander of the Forces directs the Court to be assembled forthwith, in order that these his sentiments on their Proceedings may be explained by the Officiating Judge Advocate, through Lieutenant Winfield the Interpreter of the Court—when Subadar Shaick Fuquesra is to be released from arrest, and the Court dissolved.—The President and Members thereof proceeding without delay to join the Corps and Detachments to which they respectively belong.

Dep. Adjt. General.

(True Extract.)
(Signed) C. J. DOYLE.

The Commander in Chief esteems himself under high obligation to Lieutenant General Sir R. Browrigg, Bart. C. C. B. for the disapprobation which His Excellency was pleased to express on the Proceedings of the Court Martial before which Subadar Shaik Fuquesra and Jemadar Nunkoo Sing of the 2d Battalion Ceylon Volunteers, were tried.

The Native Officers who composed that Court, are to be apprized of the astonishment and regret felt by the Commander in Chief that they should have been so little sensible to the honor of the Bengal Army, and to the necessity of checking with severity an example so pernicious for the Service, as to have awarded an utterly inadequate punishment upon Individuals found guilty of grossly discreditable conduct, His Lordship considers the Proceedings of the Court Martial, justly censured as they have been by His Excellency the Lieutenant General, to be null, and though in that view the Sentence will not affect Subadar Shaik Fuquesra, His Lordship does not regard the transgression of the Subadar as absolutely requiring the extreme measure of an exercise of the power vested in the Commander in Chief for dismissing Native Officers by his own authority, and His Lordship trusts that a serious reflection on the public discussion which he has incurred, will prevent Shaik Fuquesra from ever henceforth being betrayed into ebriety.

The beastly and execrable language, as well as the behaviour of Jemadar Nunkoo Sing, substantiated uncontradictedly by several witnesses before the Court Martial, render that Person totally unworthy of bearing the Honorable Company's Commission,—The Commander in Chief therefore directs Jemadar Nunkoo Sing to be dismissed from the Army.

I CONFIRM THE SENTENCE.
(Signed) JOHN BAILIE,

REMARKS BY THE COMMANDING OFFICER OF THE FORCES.

Major General Baillie feels himself bound to express his disapprobation of the above Sentence.

It appears on the Proceedings that Conductor M'Ginness sought shelter from the severity of the weather in a Public Bungalow at Candalla previously occupied by Assistant Surgeon Dalgairns and another Gentleman, on being questioned who he was, he replied a Conductor of Ordnance travelling to Satarah, and put similar interrogatories to the Prosecutor, whose dress did not bespeak his being a Military Officer, &c.—there is strong presumptive proof that the Conductor was impressed with an erroneous idea of his Rank, which was rather confirmed than removed by the language used towards him by Assistant Surgeon Dalgairns.

Had Assistant Surgeon Dalgairns been dressed in uniform, which he latterly appeared to consider requisite, or evinced a more decided and less exceptionable deportment when accosted by the Conductor regarding his name, the Prisoner would have been left without excuse had he persisted in error or transgressed the bounds of propriety, but in all probability neither would have taken place, for it appears that he withdrew soon after Mr. Dalgairns put on his Regimental Shell, and the public time and attention of a General Court Martial would not have been taken up by the investigation of a Charge for which there would have existed no grounds.

For the foregoing reasons and the Court having likewise strongly recommended the Prisoner to mercy in consideration of his long and meritorious services, as well as excellent character, the Major General is pleased to remit the Sentence, and to direct that Conductor M'Ginness be released from arrest and ordered to return to his duty.

NOT CONFIRMED.

(Signed) HASTINGS.

Remarks by the Commander in Chief.

The Commander in Chief does not confirm the above Sentence for the following reasons.

The Prisoner pleaded in his defence the fact of his having made several applications to his Commanding Officer for a short leave of absence, and of his having on the strength of encouraging answers, fixed a day for his marriage at his Village.

Supposing this to have been truly asserted, the point of honor among Hindoos which would have made his non-appearance at the time settled for the wedding an indelible disgrace to Gomaun Sing and his family, ought to have been taken into consideration as greatly extenuating the Prisoner's offence.

If the Court disbelieved the statement, the reasons for such disbelief should have been specified, because, otherwise, The Commander in Chief is left bound to admit weight to a defence not only consistent and probable, but uncontradicted when the Court could readily have brought it to the test of evidence.

The Court had it immediately in its power to establish or falsify a point in that defence material as exhibiting the impression under which the Prisoner acted, namely, the circumstance of his having packed up his baggage on a horse in sight of the Company, and having openly quitted the Corps at noon-day. This might not appear to the Prisoner of consequence sufficient to require confirmation by witnesses, tho' it is contemplated by the Commander in Chief as giving an essential character to the transaction; but the Court should have perceived how much the fact, were it true, indicated the sense of the Prisoner (however erroneous) as to what he was doing,

and the construction put upon his behaviour by his comrades, and the Non-commissioned Officers of the Company shou'd therefore have been summoned to disprove the fact if false.

Under all the particulars of the case, The Commander in Chief is pleased to dissolve the Court Martial and to direct that Gomaun Sing be re-enrolled in his Company with his original date, tho' not to receive arrears for the time during which he was absent without leave.

GENERAL ORDERS,

HEAD QUARTERS:

CHOULTRY PLAIN, 14th *December* 1819.

The Right Honorable the Governor in Council having addressed the subjoined Orders to His Excellency the Commander in Chief, to be published to the Army, they are accordingly published in Military Orders.

FORT ST. GEORGE, 30*th October* 1819.

G. O. BY GOVERNMENT.

The Right Honorable the Governor in Council is pleased to establish the following Regulations for the formation, and for the conduct of Regimental and General Military Buzars.

2. Every Corps on the Establishment, European and Native, will be allowed a Regimental Buzar on the 1st of January 1820, and General Military Buzars will be formed at the same time at Bellary, Masulipatam, Cannanore, Arcot and Trichinopoly, and at such other places as may be hereafter determined.

3. Buzars attached to Corps will be under the immediate controul of Officers Commanding, subject to the superior controul of Officers Commanding Stations and Divisions.—Sufficient ground will be allotted at every Station for the accommodation of the Buzar of each Corps, within the Military limits of the Cantonment or Station, and as near as may be practicable to the Barracks or Huts of the Troops. The Servants and Followers paid by Government are to be considered in the Adjutant's Department.

4. A Chowdry and two Peons will be attached to each Regimental Buzar, to be employed on Buzar duties only.—On no account shall the Chowdry be employed in making purchases for any Officer or other person.—As the Chowdries should always be found at their Post in the Buzar, it is desirable that they should not be sent for by Commanding Officers more than once a day, a particular hour being fixed for this purpose, except on extraordinary occasions, and that they shall not be detained longer than may be necessary to receive those orders.—Private Servants of Commanding Officers shall on no occasion be made the channel of orders to the Chowdries, or to any persons settled in the Buzars; and if any such private Servants should be found attempting to exert any authority or influence over the Chowdries or other Servants or People in the Buzar, they shall be liable to such punishment as may be legally awarded against them.

5. The Chowdries will make a daily report of the state of the Buzars, when they wait on Commanding Officers at the regulated hour; and on the 1st day of every month they will give in a state of the same in writing; while on the second day after the issue of Pay to Corps, the Chowdries will report whether any just dues have been withheld from the Buzarmen or others.—In regulating every question of this nature the provisions of Regulation A. D. must be constantly held in view; a copy of the same being entered in every Regimental Orderly Book.

6. The Pay of Chowdries is fixed at Rupees 14 per month, but in the Field or at Stations where Batta is allowed, they will receive in addition to their Pay, Batta at the rate of Annas 2 5 per day.—The Peons in the former case will receive Rupees 6 per month as Pay, and in the latter case Batta in addition thereto at the rate of Annas 1 3 per day.—These allowances are to be drawn in the General Abstracts of Corps' Acquittance Rolls being taken for the same, which are to be filed and registered in Buzar Books to be kept in future by the Adjutants of Corps.—The situation of Chowdries and Peons of Regimental Buzars will be filled up by Officers Commanding, who will be strictly responsible that fit persons are selected.—They will be mustered along with the Corps and included in the Returns the same as the Vakeels and Native Dressers.—In addition to these Servants a Bullock Maistry and a Cooly Maistry will be allowed to each Regimental Buzar; who will receive Rupees 7 per month as Pay, and Batta when allowed to the Corps at the rate of Annas 2 5 per day.—They are also to be appointed by Commanding Officers and paid and mustered as directed with regard to the other Servants of the Buzar.

7. The number of Shops to be opened in the Buzars of Corps will no doubt in time regulate itself; but in the first instance it will be necessary that Officers Commanding should limit them to such an extent as may be likely to enable their Owners to derive the means of subsistence.—The establishment of any beyond this amount, would probably occasion losses to the parties who come forward, and operate as a discouragement to others disposed to do so in future. Care must be taken, however, that the Shops should be of such a number as may admit of a proportion being sent with any Detachment, not less than a Company, or that the Owners of principal Shops should be prepared to provide such as may be required to accompany Detachments of the Corps.

8. Commanding Officers as far as may be consistent with these considerations, will accordingly encourage Buzarmen connected with the Sepoys of the Corps to settle in its Buzar in preference to Strangers, and countenance such relations of the Sepoys as may be disposed to open Shops in the Buzars.

9. It is of great consequence that the Buzarmen should be enabled to maintain, or make arrangements for providing when wanted, such Carriage Bullocks as may be necessary for the movement of their Shops at the earliest notice, and for the conveyance of four or five days supplies for the Corps, when ordered to march.—The Buzarmen will in most situations find it to be their interest to maintain the cattle at all times, that they may employ them in bringing supplies for the consumption of the Buzars; but at all events the Commanding Officer should ascertain that the Buzarmen have the means of procuring the cattle when the Corps or a Detachment of it not less than one Company, may be ordered to march.

10. Buzarmen are prohibited from giving credit to the Sepoys beyond a month's Pay; and all debts incurred in any one month either by the Troops or Followers of the Corps, must be settled at the next issue of Pay.—They are also prohibited from giving any credit whatever to the Sepoys or Followers of other Corps, on pain of forfeiting the debt on being discovered.—All Officers will be responsible that any debts incurred by their Servants shall be settled and paid on the first issue of Pay after such debts may have been contracted; it being understood, however, that such debts are strictly confined to the daily supplies of common Buzar articles.

11. All articles of consumption will be allowed to be sold in Regimental Buzars, with exception of such as may be prohibited by the Revenue Regulations of the District, extracts of which will be communicated to Officers Commanding Stations by the Collectors.—In the Field, beyond the frontier, the prohibited articles will be made known in the Public Orders of the Army or Detachment, to which the Corps may be attached.

12. No tax or duty is to be levied under any pretence whatever in Military Buzars; this prohibition, however, not affecting the town duties or customs, levied on account of Government by the Collectors of Revenue on articles proceeding into Military Buzars situated within the limits, in which such duties or customs are collected under the Regulations of Government.

13. It being for the mutual interest and advantage of all parties, to attach by every practicable means, as many people to the Buzars of Corps as can find occupation, and demand for their services, it is presumed that no particular injunctions are required to promote so beneficial an arrangement combining public advantage and private convenience.—To ensure, however, this most important object, Officers Commanding Corps, their Officers, and Men, must be fully aware that an efficient Buzar cannot be maintained unless they deal with their own Buzar people in all situations, as well when at large Stations where there may be a choice of markets, as in detached and remote situations.

No. 1. 14. All Buzarmen are to be registered according to the Form annexed No. 1, and are never to go from one Buzar to establish themselves in another, without a regular discharge.—

No. 2. And a Quarterly Return of the Buzar according to the annexed Form No. 2, will be made by Officers Commanding to the Commissary General of the Army, viz. on the 1st of February, 1st of May, 1st of August, and 1st of November.

15.—With the view of enabling Commanding Officers to give effectual encouragement to these Followers, advances of Cash are authorized on account of the persons who provide for the wants of the Sepoys and the Followers of the Battalion to the extent hereafter provided—the written requisition of Commanding Officers respectively addressed to Paymasters, accompanied by a sanction for the measure from Head Quarters, being the authority on which the Military Auditor General, to whom applications are to be made for that purpose, is to direct the issue of the advances.

16. As soon as the ground has been allotted to Regimental Buzars at fixed Stations within the frontier, a sum not exceeding Rupees 1,000, will be advanced from the Pay Department, if required, upon Receipt, to Officers Commanding Corps, including the Horse Artillery, each of His Majesty's Regiments of Light Dragoons and each Regiment of Native Cavalry, each Battalion of Artillery, His Majesty's Regiments of Foot, the Honorable Company's European Regiment, the Rifle Corps, and each Battalion of Native Infantry,—the sums so issued to be entered by Paymasters in their Monthly Accounts Current under the head of Lieutenant Colonel A. B.—or Officer Commanding the Battalion Regiment N. I. and to be issued by Commanding Officers as a loan to the Banyans and Butchers, on such security, as the Commanding Officers may consider adequate.

17. These advances will be repaid in six monthly instalments, to commence four months after the advances are made; and no additional advance, beyond Rupees 1,000—is to be made (except on the occasions provided for in the 20th Para.) until the former has been accounted for,—the unpaid instalments to be invariably noted on Certificates of last Pay, as directed in G. O. dated 29th March 1816.

18. On receiving the first instalments the Commanding Officer will pay the same into the hands of the Paymaster on the spot, or in the range in which the Corps may then be placed, who will grant a Receipt to the following effect.

" I do hereby acknowledge to have received from Lieut. Colonel A. B. Commanding
" the sum of Rupees, being on account of a Receipt, stated to have
" been granted by him (*or by here entering the name of the Officer, who*
" *granted the Receipt*) to Captain C. D. Military Paymaster at for 500 Rupees
" to be advanced to the Buzars of the Battalion Regt. N. I."

and the same process to be followed, until the whole amount is recovered.

19. On the Receipts for such repayments being transmitted by Paymasters to the Accountant General in the Military Pay Department, that Officer, will endorse the amount on the original Receipt in his possession; and when the whole amount has been accounted for, in like manner the Accountant General will close the account in his Office, and return the Receipt remaining in his hands to the Officers Commanding the Corps concerned.

20. It will rest with the Officers themselves to set up Bakers, Milk and Buttermen, &c. by making them advances which perhaps will only be required in the first instance, as by proper encouragement from the Corps, these persons will by degrees acquire sufficient capital of their own, to be able to carry on their trade without any such assistance—on taking the Field, however, beyond the frontier, small advances of money may be made by Commanding Officers to these Followers in common with others, and an additional advance will be made by Paymasters in such cases of Rupees 500 on account of the Buzar at large, to be obtained and accounted for, in the manner described in the 15th Paragraph.

21. When Corps are ordered to march from one Station to another or upon Field Service, having no Commissariat Officer attached, Officers Commanding will put up for sale the contract for the sale of Arrack during the march. The same general rules for the conduct of this branch will apply to Camp Buzars within, or without the Company's dominions, will be applicable to Regimental Buzars; the proceeds of such contracts, however, being made over to the Officer of the Commissariat at the Station to which the Corps may be proceeding after the march is over, with a copy of the contract. The Commissariat Officer will grant his Receipt for the amount

No. 3. in duplicate and in the annexed Form No. 3, one copy of which is required to be forwarded to the Commissary General, and the other to remain with the Officer Commanding, to be filed and entered in the Books already mentioned. The Officer of the Commissariat receiving this money, will remit the same to the Commissary General, to be accounted for by him, with the proceeds of other Military Buzars.

22. Every Man residing in the Buzars of Corps whether for the purpose of vending buzar articles, or serving the Troops, shall have his name regularly entered in a Monthly Register to be given in on the first of every month by the Chowdry to the Officer Commanding, to be filed in the File Book to be kept by the Adjutant, as alluded to in the 5th Paragraph of this Order, a translation being entered at length in another Book after the copies of the Register of the Buzar Servants.

23. Every Regimental Buzar, when marching or in the field, shall be designated by a White Flag having the number of the Corps and Battalion expressed on it in large characters by means of Cloth of a dark colour.—The Flag Staff to be 24 feet in height, and it shall be the duty of the Buzar Peons to carry it on the march, and to pitch it on the ground allotted to the Buzar.

24. The further Regulations for Regimental Buzars when incorporated with *Station* and *Camp Buzars*, will be found in the following part of this Order.

25. General Military Buzars will be established at Bellary, Masulipatam, Cannanore, Arcot, and Trichinopoly, and will be conducted under the following general rules.

26. Each of these Buzars shall be under the immediate charge of an Officer of the Commissariat, who will have particular cognizance of all the supplies.—The establishments of Servants will be under his immediate direction, and appointed and paid in the same manner as the other Servants of the Commissariat.—All orders or matters of police, will of course originate with Officers Commanding, who are hereby ordered to be guided by the Regulation — A. D. — in controuling this branch of the Department of General Military Buzars.

27. Each of these Buzars shall be provided with

1 Cutwall,
1 2d do.
1 English Writer,
2 Mooteseddies,
1 Measuring Map, and such a number of Choudries, Deyloyts, and Dundiahs, as may be found to be necessary for carrying on the duties of the Buzars.—The Badges and Belts to be worn by the Buzar Servants, to be determined on by the Commissary General, and the expense of the same to be adjusted from the same fund as the people themselves are to receive their Pay.

28. An outline of orders for the interior regulation of the police details of these Buzars, will in the first instance be communicated to Officers Commanding, by Government, and such alterations on the same, as may appear by experience to be necessary, will be taken into consideration when referred to Government.

29. It is of importance that the Commissary General, already at the head of the Department of Military Buzars, should be minutely informed, of the resources of all General Military Buzars, and he will of course give such orders as he may think proper for this purpose to the Officers of his Department in immediate charge of the same.—But the Commissary General is also at liberty to correspond on all subjects connected with the supplies of Buzars, and the resources of the same, with Officers Commanding Divisions and Stations, who will give him every assistance in their power, in rendering these Buzars as efficient as possible, whether he may require such assistance when upon the spot, or at a distance.—Commanding Officers will also give effect to the orders of the Commissary General for the movement of any part of the General Military Buzars at their respective Stations, when required for Troops in the Field; whether such Troops form or not, a part of the Force, under their immediate Command.

30. The limits of these Buzars will be fixed on and defined by the Quarter Master General of the Army, under the orders of His Excellency the Commander in Chief; and although it may happen that the Buzars of Corps, may not be always within these limits, the same rules which apply to the controul of the General Buzar will be equally applicable to all Regimental ones at the same Station; and the Chowdries of Regimental Buzars will promptly obey all orders received from the Officer in charge of the General Buzars through the Cutwall, concerning supplies, reporting the same to their Commanding Officers respectively.—The same rule will be applicable to Regimental Buzars in Camp; and in either case, the Officer in charge will be at liberty at any time to call on the Chowdries through the Head Cutwall for a return of their respective Buzars.

31. No house or ground rent shall be levied from any persons allowed to establish themselves in any Military Buzar, under the conditions of the Regulation — A. D. — and though no duties shall be allowed to be levied on these Buzars, all authorized articles proceeding for their consumption will be liable to the same duties and customs which are leviable by the Officers of Government in the Revenue Department in the Company's territory.

32. The exaction of fees of every description in money or kind, from Buzarmen or from people bringing in supplies, is strictly prohibited.—Cutwalls have no authority to stop Dealers, &c. at the Choultry, under the pretence of examining the quality of their goods, the payment of nuzzers, &c. to Cutwalls, or any other Buzar Servants on their marriages, feast days, or on any other pretence whatever, is also prohibited; and any infringement of these rules will be severely punished.

33. All public business shall be performed in the Public Offices; and the Cutwalls or other Buzar Servants are on no pretence whatever, to be allowed to call the Buzarmen to their private places of residence; nor are they by way of parade or increasing their suit to be permitted to have parties or crowds of Buzarmen, following them through the Buzars.

34. After ground is once allotted for Shops or Pauls in the Buzar, the holders of such ground are not on any account whatever to be liable to removal to any other part of the Buzar; but in the event of casualties, the Officer in charge of the Buzars will allow the Heirs to establish themselves on the same site, and in the same line of business, provided they maintain their Shops in a state of efficiency.—If there be no such Heirs, and if the site be one much desired, the Officer in charge of the Buzars will be allowed to allot it to one of the old Buzarmen of the greatest claims; provided always he belongs to that description of trade, to which the site had before been allotted.

35. Officers Commanding and the Officers of the Commissariat will see that the Buzarmen make sufficient arrangements for having always at their command, such cattle as may be necessary for the movement of the Buzar.

36. The extent of the advances to be made to the Dealers in General Military Buzars when ordered to march will altogether depend upon the nature of the service upon which the Troops to whom they are attached, are likely to be employed; and will be made by the Officer of the Commissariat in charge under the instructions of the Commissary General.—Good security must be taken for the repayment of the advances within a stated period not exceeding four months, when the amount will be reported to Government, by the Commissary General, and entered in a Buzar Suspense Account, to be kept in future by the Commissary General.—Credit will be taken for such advances in the General Accounts Current of the Commissariat, when approved of by Government; and credit given in the same accounts for all sums recovered from the parties who received the advances in the first instance.

37. A fixed number of Arrack Shops, to be regulated by the Officer in charge of the Buzar with the concurrence of the Officer Commanding, will be allowed to be established in every General Military Buzar, the sale of the Arrack being conducted under an exclusive contract, subject to the following general rules, viz.

1st. No Arrack shall be sold directly or indirectly to any European Man or Woman.

2dly. No Arrack shall be allowed to be carried away without a special Pass signed by the Commanding Officer and for the purposes hereafter described; and all the rest that is sold must be drank on the spot.

3dly. No Native shall be allowed to drink to excess, so as to become intoxicated.

4thly. The Contractor to be answerable that no Spirits are sold but at the established Shops, and that no Strangers be permitted to introduce Spirits into the Buzars.

5thly. The retail price at the Shops is never to be lower than that of the Public Revenue Contractor at the same Station.

6thly. No European will be allowed to hold the contract for the sale of Spirits in Military Buzars, nor shall the Public Revenue Contractor be eligible to hold it.

7thly. Arrack allowed to be carried away from the Shops under the Passes of the Commanding Officer, is limited to one bottle; and this indulgence is only to be granted when the Spirits may be required for sick persons, or to respectable Native families for their own consumption.

8thly. Not more than one Shop will ever be allowed in Regimental Buzars, to which the operation of the contract may extend under the above rules.

9thly. Officers requiring Arrack for their Servants, Horses, &c. to be allowed to procure it on regulated Passes, signed by themselves and by the Commanding Officer; the purpose for which it is wanted being specified in the Passes.

10thly. Any infringement of these rules will subject the Contractor on conviction to a fine not exceeding one day's rent of his contract, and he must be bound for the payment of the same by the terms of his contract.

11thly. Such establishment of Doyloyts and Dundiahs as the Arrack Contractors may require for carrying on their duties, must be paid by themselves; but their number, and their names and persons must be accurately known to the Officer in charge of the Buzars, who will provide them with Belts and Badges, to be returned by the Contractor at the expiration of his contract, unless it shall be renewed by him, when next disposed of.—This rule is also to be strictly attended to in future, in all Camp Buzars.

38. Proposals for renting these contracts will be invited by beat of Tom Tom, and they will be transmitted by the Commissariat Officer as received, to the Commissary General, with a Report specifying the offer which he may deem the most eligible, as well as the grounds of such opinion, when it will rest with the Commissary General to determine which of the proposals should be accepted, agreeably to the mode which already obtains in Camp Buzars.—Circumstances may sometimes occur to render it necessary to make an Araauny arrangement for the conduct of the sales of Arrack in General Buzars, and in such cases the Officers of the Commissariat will receive special orders from the Commissary General; and all arrangements in General Buzars having reference to this object, will extend to every Regimental Buzar on the spot.

39. From the proceeds of the Arrack Contract the Commissariat will defray all the expenses of the Buzars, including such as attend the maintenance of all persons in confinement in the Cutwall's Choultry, and the balance will be remitted as already ordered in the 4th Paragraph of the 10th Section of the Commissariat Regulations, with the exception of Receipts in place of Bills, being obtained from the Paymaster.

40. Camp and other Military Buzars already formed will continue to be conducted agreeably to the 10th Section of the Commissariat Regulations, the scope and tenor, however, of the preceding orders and the Civil Regulation A. D. being made generally applicable to them; and any exceptions that may be deemed necessary will be intimated in special instructions to Officers Commanding.
