Remarks and further orders by His Excellency The Most Noble The Commander in Chief.

The Commander in Chief entirely concurs in the approbation of Captain Morgan's procedure which has been so justly expressed by the Court.

The respective sentences upon Lieutenant Grant and Lieutenant Pownoll are approved: but in the cases of those Officers there is a difference which may justify a degree of mitigation relatively to the former of them. Lieutenant Pownoll has twice before been found guilty by a General Court Martial of offences against discipline, therefore the operation of the present sentence is confirmed in his instance. Respecting Lieutenant Grant, the Governor General in Council will be solicited to replace the commission which the sentence cancels by a new one bearing a date which will place Lieutenant Grant as youngest of the Lieutenants in the 26th Regiment of Native Infantry.

OPINION AND SENTENCE.—The Court is of opinion, that the Prisoner Degumber Sing, Sepoy 2d Battalion 20th Regiment Native Infantry, is guilty of the Crime laid to his charge, and does sentence him to be shot to death, at such time and place as His Excellency The Most Noble The Commander in Chief may be pleased to direct.

Officiating Deputy Judge Advocate.

SHAICK CAMERALLY, Subadar,
President.

Approved, yet hoping that the promulgation of this sentence will, without its absolute infliction sufficiently impress upon the inexperienced among the Native Troops the heinous light on which a sentry's breach of trust must ever be regarded, the punishment is commuted into labor on the roads in irons during life.—Degumber Sing is to be delivered to the Magistrate under that adjudication.

(Signed) HASTINGS.

OPINION AND SENTENCE.—The Court is of opinion that the Prisoners Deriow Sing, Loll Khan and Mool Chand, Sepoys 2d Battalion 20th Regiment Native Infantry are guilty of the Crime laid to their charge, and does sentence them to receive each 800 lashes on the bare back in the usual manner, and to be drummed out of the Service with a halter round the neck.

The Court is of opinion that the Prisoner Sewlockhan Sing, Sepoy 2d Battalion 20th Regiment Native Infantry is not guilty, and does therefore acquit him.

(Signed) J. SEPPINGS, Captain,
Officiating Deputy Jude Advocate.

(Signed) in Nagree character.
SHAIK CAMERALLY, Subadar,
President.

The acquittal of Sewlockhan Sing is approved. It is clear from the evidence that Loll Khan contemplated the plunder of the Treasure Chest some short time before the robbery took place, and that he attempted seducing servants to steal the key that he might effect the purpose: but it does not appear to me that there is sufficient proof of his having been a participator in the actual commission of the Crime, or even of his having abetted the robbery at the precise period of its perpetration. The award of corporal punishment is therefore, in his case not confirmed. Loll Khan is, however, to be turned out of the Corps with disgrace, for the endeavour to debauch the servants which remains fully substantiated. The sentences on Deriow Sing and Mool Chand are severally approved and confirmed.

The following extracts from General Letters from the Honorable the Court of Directors to the Government at Fort William, are published in General Orders.

Extract General Letter, dated 14th April 1813.

Para. 162. "We direct you to notify in General Orders to the Army, our resolution to dismiss from our service every Officer who shall be proved to have been guilty of cruelty to any Native, either by violently and illegally beating or otherwise maltreating him, and we desire that you will be very particular in bringing to our notice any instances of that kind that may hereafter occur."

Extract General Letter, dated 20th October 1815.

Para. 110. "We are extremely sorry to find that the proceedings on the trial of Lieutenant Samuel Moody exhibit proofs of the most ungovernable rage and cruelty on the part of that Officer, ending in the murder of the Native, Subahee, by whom he suspected himself to have been robbed.

111. "We hereby dismiss him from the Service, and direct that his name be struck off the list of the Army.

112. "We also direct that you cause these orders to be published to the Army."

Extract General Letter, dated 30th May 1821.

Para. 3. "From the documents to which reference is made, the conduct of Ensign Charles Hodges appears to have been of the most wanton and unprovoked description, and this does not appear to have been the first offence, of a similar character, of which that Officer had been guilty.

4. "With a view to mark our sense of such atrocities with a view to the protection of the people committed to our care, as well as with a view to the protection of the honor, happiness, and safety of our Officers themselves, we direct that Ensign C. Hodges be dismissed from our Service and sent to England, immediately on the expiration of his imprisonment.

6. Having signified our Resolutions upon the immediate case before us, (the occurrence of which we had hoped our orders of the 14th April 1813 (Para. 162), and 20th October 1815 (Para. 110 to 12), would have prevented) we desire that you will take immediate measures for making our Orders of 14th April 1813, and 20th October 1815, as well as those now transmitted to you, known to our Military Servants."

By order of the Honorable the Governor in Council.

G. O. BY GOVERNMENT.

FORT ST. GEORGE, 11*th January* 1822.

All Clothing prepared for the Army of this Presidency, shall be examined, previously to its being packed, by a Committee at Fort St. George, to be composed of five Members, namely.

1 Field Officer	To be furnished by the Garrison of Fort St. George.
1 Captain	
1 Quarter Master	
1 do	from St. Thomas's Mount.
1 Officer	To be furnished from the Quarter Master General's Department or the Adjutant General's Department.
5	

The Senior Officer to be President of the Committee.

Whenever Clothing may be ready for inspection, the Agent, (or other Officer by whom Clothing may be supplied) will give at least two days notice to the Town Major and to the Adjutant General of the Army, specifying the time and place at which the Clothing is to be viewed, in order that due warning may be given to the Officers who may be detailed for the duty.

For the guidance of the Committee, Patterns of each article supplied in India, shall be established by His Excellency The Commander in Chief, under the authority of Government, and these patterns shall be authenticated by the seals and signatures of the Adjutant General of the Army, and the Secretary of the Clothing Board; the Committee will accordingly compare the articles furnished, with the established patterns, they will carefully examine the workmanship, see all Jackets fitted on the blocks of the sizes specified in the View Certificates, and will peremptorily reject every article which may be found not to correspond with the patterns.

It will likewise be the duty of the Committee after having examined and approved the Clothing furnished for any Corps or Department to see the same counted, and packed in Bales, accompanied by an invoice specifying the number and description of articles in each bale, which invoice is to be signed by the Members of the Committee. The bales are then to be sealed in presence of the Committee, and delivered to the executive Officer for dispatch.

For all Clothing approved and passed, the Committee shall grant certificates of survey in triplicate, one copy to be transmitted to the Clothing Board for record—and the others to be delivered to the executive Officer in order that one may be sent by him with the Clothing—and the remaining one be kept in his Office for reference.—The certificates or reports of survey are to be made out according to the annexed Form.

N. B.---Corps at the Presidency may receive their Clothing directly from the executive Officer in the presence of the Committee, if this arrangement would at any time be attended with greater convenience to the parties.

It may be expected that a due attention to the provisions contained in the foregoing paras. will effectually secure the supply of Clothing of good workmanship, and in all respects corresponding with the patterns established by authority—but as a great part of the Clothing of the Army must be conveyed to distant stations, and will be thereby liable to injury—It is accordingly directed, that all Clothing dispatched from the Presidency, shall upon reaching its destination, be opened and carefully examined in presence of a Committee to be formed for the purpose, and if such Clothing or any part of it, shall upon examination be found objectionable, from injury received on the road or from other cause, a report of the circumstance is to be immediately made to the Officer Commanding in the Division, who will direct such further enquiry as he may think proper, and eventually report to the Head Quarters of the Army should he consider that measure necessary.

Duplicates of the established patterns will be sent to the Head Quarters of the several Divisions of the Army where they are to be kept, for the greater facility of reference and comparison, in cases when Clothing may be objected to, by the receiving Committees.—These duplicates will be authenticated in the same manner as directed for the original patterns at the Presidency.

GENERAL ORDERS,

HEAD QUARTERS:

CHOULTRY PLAIN, 22*d February* 1822.

G. O. By the Commander in Chief.

The following Extracts from the Proceedings of a Native General Court Martial assembled at Bangalore on the 19th June 1821, by virtue of a warrant from His Excellency General Sir Alexander Campbell, Bart. and K. C. B. Commander in Chief, are published.

CRIME.—Dassoo, Private No. 25, Grenadiers, 2d Battalion 9th Regiment N. I. confined by me,

1st.—For stealing, or having in his possession certain implements, stolen from the Battalion Stores, on or about the 20th Instant, viz. a chisel, a small saw, a large clasp knife, and a pair of pinchers.

2d.—For using the above implements together with a bayonet of Gooriah's, Private No. 31, Grandiers 2d Battalion 9th Regiment N. I. on or about the 21st Instant, and breaking open the Battalion Paymaster's Cash Chest, and stealing therefrom certain bags of money, containing in gold and silver coins about 659 Rupees, he, the Prisoner Dassoo being at the time on duty, as one of the Guard for its protection, and sentry over the same.

Camp near Rottabungee, September 23, 1821.

(Signed) R. MARKLOVE, Lieut. & Paymaster, 2d Bat. 9th Regt. N. I.

(Signed) THOMAS SMITH, Major, In charge 2d Bat. 9th Regt. N. I.

By Order.

(Signed) EDWARD SNOW, Deputy Adjutant General of the Army.

SENTENCE.—The Court having maturely weighed and considered the evidence given in support of the prosecution, as well as what the Prisoner has urged in his defence, is of opinion that he, Dassoo Private in the 2d Battalion 9th Regiment Native Infantry is guilty of both charges preferred against him, and do therefore adjudge him to receive (1000) one thousand lashes, on his bare back, at such time and place as His Excellency The Commander in Chief may deem fit, after which to be drummed out of the Service with a rope round his neck in the most public manner.

(Signed) H. O'BRIEN, Captain, Offg. Dep. Judge Advocate.

The X mark of Subadar SHAIK HOMED, President.

Approved and confirmed.

(Signed) A. CAMPBELL, General, Commander in Chief.

The Commander in Chief remits five hundred lashes, and directs that the remainder of the Sentence awarded Private Dassoo of the 2d Battalion 9th Regiment N. I. be carried into effect in front of the Corps to be paraded at its Battalion Head Quarters.

The following Extract from the Confirmed Proceedings of an European General Court Martial assembled in Camp at Nagpoor on the 6th day of August 1821, by virtue of a warrant under the hand and seal of His Excellency General Sir Alexander Campbell, Bart. and K. C. B. Commander in Chief of the Forces serving under the Presidency of Fort St. George, are published to the Army.

CHARGE.—"John Conner, Private No. 17 in the A. Company Madras European Regiment confined by me to the Quarter Guard for mutiny in the following instance, viz.

"For having wilfully and maliciously stabbed with a Bayonet Serjeant Joseph Trapp, of the A Company Madras European Regiment his superior Officer, in the Barracks at Nagpoor between the hours of 11 and 12 o'clock on the forenoon of the 30th of August 1821."

Camp Nagpoor, 12th September 1821.

(Signed) JAMES A. KELLY, Major, S. O. in charge of Madras European Regiment.

By Order.

(Signed) T. H. S. CONWAY, Adjutant General of the Army.

SETNENCE on REVISION.—The Court in obedience to the Orders of His Excellency the Commander in Chief having reconsidered its Sentence finds the Prisoner John Conner, Private in the A Company of the Madras European Regiment guilty, in having wilfully and maliciously stabbed with a Bayonet, Serjeant Joseph Trapp of the A Company Madras European Regiment his superior Officer, in the Barrack at Nagpoor between the hours of 11 and 12 o'clock on the forenoon of the 30th of August 1821—but acquits him of mutiny in the above instance, it being the legal opinion of the Judge Advocate General, that Serjeant Trapp should have been in the execution of his duty to constitute mutiny agreeably to the Articles of War.

The Court in as much of the Charge as it has found the Prisoner John Conner guilty, sentence him to two (2) years solitary confinement in such place as His Excellency The Commander in Chief may be pleased to direct, and afterwards to be discharged from the Honorable Company's Service.

(Signed) D. OGILVIE, Officiating Deputy Judge Advocate.

(Signed) J. WISSETT, Lieut. Col. and President.

CONFIRMED.

(Signed) A. CAMPBELL, General, and Commander in Chief.

The sentence awarded Private John Conner of the Madras European Regiment, will be carried into effect at the Head Quarters of the Regiment on its arrival at Masulipatam, where he is to suffer the sentence of two years solitary confinement.

His Excellency The Commander in Chief has to notice an error, which the Court has fallen into, in ascribing to the Judge Advocate General the opinion alluded to, in its sentence,—no sentiments to that effect were advanced by that Officer, but merely a reference to an opinion of a former Judge Advocate General, of Bengal, that in a charge for striking a superior Officer it should be stated that he was in the execution of his Office, in order to constitute the penalty of death.

G. O. BY GOVERNMENT.

The Honorable the Governor in Council has great satisfaction in publishing to the Army the following Extract from a Letter addressed by the Resident at Nagpoor to Colonel H. S. Scott, C. B. (copy of which has been communicated by Mr. Jenkins to this Government) "on the occasion of the departure of the "Madras Troops hitherto forming the Subsidiary Force of His Highness the Rajah of Nagpoor."

EXTRACT of a Letter from the Resident at Nagpoor to Colonel SCOTT, C. B. Commanding the Nagpoor Subsidiary Force, dated 13th January 1822.

"The period of their (the Madras Troops) service in this quarter has been distinguished by events and transactions of no common importance and it is unnecessary for me to repeat what the public records will testify both with regard to their exploits and to the commendation they have uniformly received from the Supreme Government.

"As being more immediately within my province, it is a pleasing duty to me to offer my testimony to the constant good conduct and strict discipline of the force, both European and Native, whether stationary or marching within the territories under my superintendance. I can assert with perfect conviction, that during the whole time of their service, now a period of five years and upwards, not a complaint of any consequence has been made of their irregularity or maltreatment of the natives of the country, and this alone is sufficient to stamp the high character of the troops in general, and in particular reflect a degree of credit on yourself and the Officers of the force, to which no panegyric can add.

"In conclusion, I cannot refrain from offering to you personally the expression of the high satisfaction which I have derived from all our intercourse whether public or private. Our earlier connection in the public Service was distinguished by a crisis of peculiar danger to the British interests in this quarter, which will never be forgotten for the brilliancy of the actions it gave rise to, so honorable to yourself and the troops under you, and I owe it to you to say that the cordiality of your co-operation on all occasions, and the spirit of accommodation and friendliness which you have maintained throughout our long public correspondence have essentially contributed with the bravery and discipline of the troops, and the judgment and activity of the different Officers employed, to the establishment of the present order and tranquillity subsisting in every part of these territories."

By order of the Honorable the Governor in Council.

GENERAL ORDERS,

HEAD QUARTERS:

CHOULTRY PLAIN, 28*th March* 1822.

G. O. By the Commander in Chief.

The following Extracts from General Orders issued by His Excellency The Most Noble The Commander in Chief in India, are by His Excellency's Orders published to the Army serving under this Presidency.

At a General Court Martial assembled at Bombay on the 31st day of October 1821, by virtue of a warrant under the hand and seal of His Excellency Lieutenant General The Honorable Sir Charles Colville, G. C. B. Commander in Chief of the Forces serving under the Presidency of Bombay, of which Lieutenant Colonel Warren of His Majesty's 65th Regiment is President, Lieutenant A. P. Hockin of the Honorable Company's European Regiment was arraigned upon the following charges, viz.

1st. For conduct highly irregular, contrary to good order and tending to the subversion of all harmony and good understanding among the Officers of the Regiment, in publicly threatening to pull Ensign Cox out of his chair while sitting as President of the Mess on the evening of the 19th Instant.

2d. For disobedience of orders in refusing to apologize to Ensign Cox for the above insult, when directed to do so by me, his immediate Commanding Officer, agreeably to the Articles of War.

Fort George Barracks, 23d October 1821. (Signed) E. G. STANNUS, Major, Commanding Bombay European Regt.

By order of Major General Bailie.

Bombay, Adjt. Genl.'s Office, 30th October 1821. (Signed) D. LEIGHTON, Adjutant General of the Army.

Upon which Charges the Court came to the following decision.

FINDING and SENTENCE.—The Court having maturely weighed and considered all that has been adduced in support of the prosecution, as well as what has been brought forward on the defence, are of opinion that the Prisoner Lieutenant A. P. Hockin, of the Bombay European Regiment, is guilty of the 1st charge which has been preferred against him.

With respect to the 2d charge, the Court are of opinion that the Prisoner did refuse to apologize to Ensign Cox when directed to do so by his immediate Commanding Officer, but the Court are at the same time of opinion that under all the circumstances of the case, and the impressions under which he acted, the conduct of the Prisoner in this instance, does not amount to a positive disobedience of orders, and they do therefore acquit him of the other parts of the charge.

The Court having found the Prisoner guilty as above specified, do therefore sentence him the said Lieutenant Hockin to be reprimanded in such manner as His Excellency The Commander in Chief may think proper.

(Signed) VANS KENNEDY, Judge Advocate General.

(Signed) N. WARREN, Lieut. Col. His Majesty's 65th Regt. and President.

CONFIRMED.

(Signed) CHARLES COLVILLE, Lieutenant General.

Reprimand by the Commander in Chief.

Head Quarters: *Hutteegaum near Beejapore, 11th November* 1821.

1st.—The Commander in Chief entertains more of hope than expectation, that Lieutenant Hockin's future conduct will be beneficially influenced by the result of this Court Martial.

To this opinion His Excellency is led by the style adopted by him in his written defence.

He commences it by a peremptory assertion that he had entirely absolved himself from the consequences of the offence stated in the 1st charge, by his immediate retraction of the expression used by him, though he adduces no proof that such concession was made, in the hearing of the Officer offended; and instead of leaving the decision of the point to his legally constituted judges.

2d.—In regard of the 2d charge, Lieutenant Hockin prefers opinions against the usually admitted spirit of the Articles of War and authority of a Commanding Officer founded upon them, most unbecoming of his years, and little experience.

3d.—There is an appearance of something like a crossing out of some of the most offensive part of this matter, and which bears the inference of an intention not to persevere in it, but whether this was done voluntarily by the Prisoner, or on the recommendation of the Court Martial, there is no note or memorandum to shew, and it in its present shape at all events proves an indifference to the opinion to be formed by the reader of it, and is corroborative of the spirit in which it was originally written.

4th.—Testimony similar to that of Major Stannus before the Court Martial, was verbally given by him, three or four months since to the Commander in Chief when asking his opinion on a point of discipline in which conduct at the Regimental Mess was concerned, but to a character of conspicuous zeal and attention to his duty, in Lieutenant Hockin's violence, and it is feared a share of obstinacy were added.

5th.—Lieutenant Hockin is admonished that a peaceable and orderly demeanour not only at his Mess but in all other relations of society is as much required to make the services of an Officer respectable or beneficial as are those other good qualities that have been accorded to him.

6th —These orders are to be read after the opinion and sentence of his Court Martial to Lieutenant Hockin, by the Adjutant General, in the presence of the Officers of the European Regiment and two Battalions of Native Infantry, as well as of the Cadets and young Officers doing duty at Bombay, to be assembled for the purpose, under the superintendance of the Senior Officer of the three Corps in the Mess room of Fort George. Lieutenant Hockin will then be released from arrest and return to his duty, and the Court Martial of which Lieutenant Colonel Warren is President, be dissolved.

(Signed) CHARLES COLVILLE,
Lieutenant General.

The following Extract from the Proceedings of a Native General Court Martial assembled at Poonah on the 15th day of November 1821, by order and in virtue of a warrant from his Excellency Lieutenant General Sir Charles Colville, G. C. B. and K. T. S. Commanding His Majesty's and the Honorable Company's Forces serving under the Presidency of Bombay.

President,—Subadar Ballnac Ramnac, 1st Battalion 1st or Grenadier Regiment.

Officiating.—Judge Advocate Captain Spiller, 3d Regiment.

Interpreter.—Lieutenant Rollings, Quarter Master 1st Battalion 1st or Grenadier Regiment.

CRIME.—Jemidar Purdashew Kokunkur placed under arrest by order of Lieutenant Colonel Elrington, on complaint of Captain A. J. O. Browne, in charge of the 1st Battalion 10th Regiment Native Infantry.

1st. For neglect of duty in omitting to report to the Subidar Major (though ordered to do so) whether four Sepoys whom he was sent to ascertain were in their Houses or otherwise, on the evening of the 28th September 1821.

2d. For neglect of duty in withholding from me his immediate Commanding Officer, his knowledge of certain tamperings with the men of the 1st Battalion 10th Regiment Native Infantry tending to seduce them from their allegiance, the same having been known to him for a period of one month previous.

CAMP POONAH, 12th October 1821. (Signed) A. J. O. BROWNE, Captain, S. O. in charge.

By order of The Commander in Chief.

BOMBAY, ADJT. GENL.'s OFFICE, 29th October 1821. (Signed) D. LEIGHTON, Adjutant General of the Army.

SENTENCE—The Court after the most mature deliberation of what has appeared on the part of the prosecution, together with what the Prisoner Jemidar Purdashew Kokunkur has adduced in his defence, are of opinion with regard to the first instance, viz.

"For neglect of duty in omitting to report to the Subidar Major (though ordered to do so) whether four Sepoys whom he was sent to ascertain were in their houses or otherwise, on the evening of the 28th September 1821"—that he is guilty.

With regard to the 2d instance, viz. "For neglect of duty in withholding from me his immediate Commanding Officer, his knowledge of certain tamperings with the men of the 1st Battalion 10th Regiment Native Infantry, tending to seduce them from their allegiance, the same having been known to him for the period of one month previous"—that he is guilty of withholding for some time, after it came to his knowledge, certain tamperings with a few men of the 1st Battalion 10th Regiment Native Infantry, but from the whole of the circumstances they do not attach any blame to him for having done so.

The Court having found the Prisoner Jemidar Purdashew Kokunkur of the 1st Battalion 10th Regiment guilty as above stated, which being in breach of the Articles of War in such cases made and provided, they do sentence him to be placed at the bottom of the list of Jemidars in the Battalion to which he belongs, at such time as His Excellency the Commander in Chief may direct.

(Signed) W. SPILLER, Captain, 3d Regiment N. I. and Officiating Judge Advocate.

The Signature of BALLNAC RAMNAC, Subidar, and President.

CONFIRMED.

(Signed) C. COLVILLE,
Lieutenant General.

1st.—The Commander in Chief cannot agree with the Court that the Prisoner is blameless in having withheld the information in question, and trusts that no individual of it will ever in his own person fall into an error that might be productive of such bad consequence.

2d.—The Prisoner to be placed according to his sentence at the bottom of the list of Jemidars of his Battalion from the date of the receipt of this order at its Head Quarters, and released from his arrest.

Adjutant General of the Army.

FINDING AND SENTENCE.—After the most mature deliberation on what has appeared on the part of the prosecution, as well as what the Prisoner has urged in his defence, the Court comes to the following decision.

With regard to the first charge, that the evidence produced in support thereof, is insufficient to prove the same against the Prisoner, of which it therefore "acquits him."

With regard to the second charge, that he is "guilty"—which, being prejudicial to good order and military discipline, as well as degrading to the character of a Commissioned Officer, the Court does hereby by virtue of the Articles of War, sentence the said Jemidar Shaikh Daud, G. Company 1st Battalion 18th Regiment, to be suspended from rank and pay, for two calendar months, from such date, as His Excellency The Commander in Chief may be pleased to direct.

and President.

APPROVED AND CONFIRMED.

(Signed) A. CAMPBELL, General,
and Commander in Chief.

The Commander in Chief has observed by the proceedings of the foregoing Court Martial that a great irregularity has occurred in Jemidar Shaikh Daud of the 1st Battalion 18th Regiment having been confined to the Main Guard, a measure that never should be resorted to, except in cases of outrage or great disorder, which in the instance now before His Excellency does not appear to have been the case.

The suspension awarded Jemidar Shaikh Daud of the 1st Battalion 18th Regiment is to commence from the date of the receipt of this order at the Battalion Head Quarters.

The General Court Martial of which Subidar Major Seyd Khauder of the Rifle Corps is President, is dissolved.

3. In the event of a deficiency in the Stoppages continuing in succeeding months, or should the communications of Stoppages be omitted altogether, the above course is to be pursued by separate communications, so that the particulars of each month's deficiency may at all times, be known—and the same rule is to be observed when Corps, &c. happen to receive several months arrears in one payment : as in such cases, the abstracts of each month are always separate, and of course the deductions therefrom on account of Family Certificates can be kept equally so.

4. If the Regimental or Battalion Paymaster does not adjust the amount of such deficiencies in one month from the date on which the notifications reach the Corps ; or otherwise shew, by his explanation to the Superintendent that its non-payment has been occasioned by circumstances over which he had no control, and that the necessary measures are in operation for its recovery, the Superintendent is to transmit a copy of each notification to the Paymaster of the Field Post or station where the Corps may be serving, who is to proceed to recover the amount, under the Regulations applicable to retrenchments (Code of Pay Regulations, page 330, para. 43 ; and page 336, para. 80) the sums so recovered to be credited in the Paymaster's accounts under the head of the Superintendent of Family Payments.

5. When Officers may desire to appeal against demands on account of Family Payments, their representations are to be addressed to the Superintendent, who will forward them, accompanied by any remarks and observations he may deem necessary for the consideration of Government ; but as the decisions thereon will be final, the parties must be aware of the necessity not only of stating their cases clearly and fully, but at the same time of not troubling Government with appeals on insufficient grounds.

6. The foregoing rules are to be considered applicable, in every respect, to heads of Departments and Staff Officers on Field Service.

7. In cases of Officers who may have unadjusted accounts of Family Payments obtaining leave to proceed to Europe, the Superintendent, on the publication of the furlough in General Orders, is to notify the demands to the Accountant General in the Military Pay Department, in order that the party may be required to adjust the amount, or otherwise to deposit the requisite security prior to embarkation agreeably to General Orders 19th September 1820.

8. It is to be understood by the Superintendent, as well as by all Officers concerned that when any question arise for reference to Government, in regard to unadjusted Family Payments of Troops on Field Service, they must invariably be brought forward in the form directed in the 2d paragraph and never as a balance of a general or running account.

G. O. BY THE COMMANDER IN CHIEF.

"Officers reported sick are "to confine themselves to "their quarters; and not go "beyond them but for such "air, and exercise as may be "prescribed by the medical "person attending them."

With reference to the General Regulations, Part the 2d, paragraph 12, noted in the margin, His Excellency the Commander in Chief deems it necessary in relation to recent irregularities brought to his notice, to require the attention of Officers sick absent from their Corps, or sick in quarters, to this rule prescribed for their guidance.

His Excellency the Commander in Chief directs, that Medical Officers attending sick Officers at the Presidency, who may not strictly observe these injunctions, will report the same to the Adjutant General of the Army for the Commander in Chief's information, and those at out-stations, to the Commanding Officer of the Division, or Station, and such Officers will be ordered to return to their duty, forthwith.

General Sir Alexander Campbell, Baronet and K. C. B. takes this occasion to notice the practice which too generally obtains, of removing sick Officers from their Corps and Stations to the Sea Coast, and particularly to the Presidency on trivial cases; which with proper care and attention, might be equally efficaciously treated without such inconvenience to the individual, and the service.—It is difficult to prescribe any defined rules for such cases; but Regimental Surgeons, as well as the superior Medical Officers, who countersign Sick Certificates, will hold in mind, that such removal should only obtain their recommendation when the Patient may require change of climate or the sea air; or when medical consultation, or further medical advice, and treatment is important to the case.

The undermentioned Officers have obtained leave from their Corps and Stations.

FORT ST. GEORGE, 14*th June* 1822.

G. O. BY GOVERNMENT.

The Honorable the Governor in Council is pleased to publish the following Extract of a General Letter from the Honorable Court of Directors, in the Military Department, dated the 7th November 1821, regarding the mode of future payment of Out-Pensioners of Chelsea Hospital, and to direct that strict attention be paid thereto—it being however understood that where no Magistrates are present the affidavits prescribed by those Regulations are to be sworn before the Commanding Officers of the Stations at which the Pensioners reside.

EXTRACT. 14. In the Packet you will receive the several Documents noted in the margin for the purpose of enabling you to authorize the discharge of the amount of Pension due to the several Out-Pensioners from Chelsea Hospital, who have been permitted to reside at Madras.

List of Out-Pensioners residing in Madras.
Certificates of admission of the several Out-Pensioners.
Copies of the Papers of Instructions for the guidance of the officer who makes the payments.
Forms of Receipt.
Copies of the Scale of the several Rates of Pension.

15. Great care must be taken in paying these Pensions, that the forms prescribed are observed, and that the receipts and affidavits properly executed are forwarded to us in duplicate, in order that payment of the amount issued in India on their account may be received by us from the Commissioners of Chelsea Hospital.

16. It is our desire that the receipts and affidavits be accompanied with a list of the Pensioners, the amount of payment to each and the total amount issued, with a column of remarks containing such particulars as it may appear necessary to state, with a view to obviate any difficulty in the adjustment of the account in this country. Instructions for the information and guidance of the persons who may be appointed by the Honorable the East India Company to pay the Out-Pensioners of Chelsea Hospital resident *in India.*

Lists will be furnished to the Secretary of the Honorable the East India Company by the Secretary of Chelsea Hospital, of all Out-Pensioners of that Establishment to be paid in India, wherein a description of

each Pensioner together with every particular of his service will be given as taken from his discharge with the view to his identity when he applies for his Pension.

The first payment to be made as soon as convenient after the arrival of the lists; these lists to be the guide for all future quarterly payments, which must be made in strict conformity with the accompanying Scales or Tables for the different quarters.

When any Pensioner is to be paid for any period less than a quarter, care must be taken to deduct five per cent from the gross amount of his Pension as is required upon all issues of Out-Pension by an act passed in the 28th year of the reign of His Majesty George the Second.

Every quarter's payment is to be made in advance, immediately after the commencement of each quarter, viz. on the 25th of March, the 25th of June, the 25th of September, and the 25th of December, upon the Pensioner producing an affidavit drawn up and attested according to the form set forth in his Paper of Instructions which will prove his existence and identity.

The Pensioners are to sign the Receipts according to the printed form herewith sent, which are to be properly witnessed and filled up with the rate of Pension, Regiment or Corps, amount, number of days and period, and with the name of the person making the payment, the receipts and affidavits to be taken in triplicate in order to remedy any loss by miscarriage or otherwise.

One set of such Receipts and Affidavits together with a list or account of the payments to be transmitted to the Secretary of the East India Company by the earliest opportunity, duplicates thereof by the next conveyance, and the triplicates to be retained by the person making the payments.

Particular care must be observed in paying the Pensioners themselves, as no other person or persons can legally receive the same under any pretence whatever if the Pensioner be living.

As the Out-Pension is paid quarterly in advance, if any Pensioner dies even on the first day of the quarter his Widow or other representative is entitled by the rules and regulations of Chelsea Hospital to receive the amount of Pension for such quarter; if the Widow make the application she must produce a certificate of her marriage, also a full and sufficient certificate that the Pensioner died after the termination of the quarter for which he had received his Pension.—If there be no Widow but the next of Kin applies, and the sum due be under five pounds, an authentic certificate that the applicant is the next of Kin must be furnished, upon which document the Pension due may be issued; if the sum be five pounds or upwards, the person so applying must produce Letters of Administration or such other document as the laws of the Country require from representatives recovering monies due to their deceased relatives; and in every case of demand for Pension due to deceased Pensioners certificates of death and the necessary documents before-mentioned must be annexed to the receipt. It will be also necessary to report for the information of the Lords Commissioners of Chelsea Hospital the death of any Pensioner, in order that his name may be struck off the Hospital Books.

BRITISH SCALE of the RATES of OUT-PENSIONS PAYABLE to the OUT-PENSIONERS of CHELSEA HOSPITAL for the Quarters to the 24th June and September, after the deduction of five per cent. as required by the Act of 28th George the Second.

The following Extract from the Proceedings of a Native General Court Martial assembled at Bangalore on the 20th May 1822, by virtue of a warrant from His Excellency General Sir Alexander Campbell, Baronet and K. C. B. Commander in Chief, are published.

CRIME.—I charge Vencatarow, Vakeel 2d Battalion 9th Regiment, with scandalous, and fraudulent conduct, in the following instances.

1st.—For having fraudulently kept back sums of money, belonging to the Officers and Men of the Corps, by issuing the Rajah and Soorty Rupee, at a higher rate of exchange, than he received them from the Pay Office; with a view of appropriating the surplus, to his own use.

2d.—For endeavouring to deceive me, with regard to the rate of exchange, by falsely stating, that, he received the Rajah Rupee, at 16 Annas 3¼ Pice, and the Soorty Rupee, at 15 Annas 2½ Pice from the Garrison Pay Office.

Nundidroog, 22d April 1822.

(Signed) T. H. SMITH, Major,
Commanding 2d Battalion 9th Regiment.

"By Order."
(Signed) T. H. S. CONWAY,
Adjutant General of the Army.

The Court after maturely deliberating on the evidence adduced in support of the prosecution, as well as what the Prisoner, has proved in his defence, come to the following opinion, viz.

FINDING.—That with respect to the 1st Charge, the fraudulency is not proved, but it appears that the Rajah, and Soorty Rupees, were issued at a higher rate of exchange, by the Prisoner, than he received them, from the Pay Office, but to what amount, the Court have not the means of ascertaining, beyond thirty three Rupees, and from which the Court regret, the small balances, due to the writers of Companies, had not been paid, and the remainder deposited in the Battalion Cash Chest, when tendered by the Prisoner; and that the latter part of the Charge is not proved, and that he is consequently not guilty.

That with respect to the 2d Charge, the Court conceive the Prisoner acted from ignorance, and being misled, by the system of gross imposition, which appears to have existed in the distribution of Pay to the 2d Battalion 9th Regiment, and that he is consequently not guilty.

The Court feeling that the Prisoner, is from age, and length of service, become unfit, to have charge of intricate accounts, of money transactions, do with all respect, venture to recommend, that he Vencatarow Vakeel, be (after depositing the thirty three Rupees he admits to be in his possession,) removed from his situation of Vakeel to the 2d Battalion 9th Regiment.

Deputy Judge Advocate General.
