Remarks by His Excellency The Most Noble The Commander in Chief.

The Commander in Chief has approved the sentence on Deenah Khan, who indubitably appears by the evidence to have been an accomplice in the deliberate murder of his comrade—His Excellency, however, observes that encouragement was held out to Deenah Khan of safety for himself if he would come forward with a discovery of the actual perpetrator of the murder: In reliance upon which assurance the Prisoner gave evidence against Bisram Khan. Unauthorised as was the hope so given, the Commander in Chief cannot overlook what he gathers from the proceedings on Bisram Khan's trial, namely, that there would have been little chance of bringing the crime home to Bisram Khan but for the testimony of Deenah Khan in delivering which the latter furnished proofs of his own participation of the guilt not likely to have been otherwise attainable. His Excellency therefore, cannot order the execution of Deenah Khan, but directs that he (Deenah Khan) shall be ignominiously turned out of the service and be led out of the Cantonment with a Halter round his neck.

BY COMMAND.
J. MACRA, Lieut. Col.
Military Secretary.

T. H. S. CONWAY,
Adjutant General of the Army.

GENERAL ORDERS,

HEAD QUARTERS OF THE ARMY:

CHOULTRY PLAIN, 12*th February* 1823.

GENERAL ORDERS BY THE COMMANDER IN CHIEF.

In consequence of certain changes in the Uniforms, having been ordered for His Majesty's Army, the Commander in Chief, with a view to preserve the corresponding Uniformity of Dress, which as far as practicable it has always been considered desirable to observe, is pleased to publish to the Army the following Memorandums for the Dress of the General and Staff Officers, and for all Officers belonging to the Establishment of Fort Saint George.

His Excellency General Sir Alexander Campbell, Bart. and K. C. B. therefore directs, that all orders and regulations heretofore issued on the subject of Dress, and which militate against those now published, are hereby annulled.

All Officers *on duty* are expected to be dressed in strict conformity to the costume which has been laid down.

In order to protect Officers from incurring any immediate or unnecessary expense, while they may not be in want of new appointments; The Commander in Chief leaves them the option, of postponing the adoption of any change, specified in this order, until the 1st of January next, when none but the new Uniforms herein prescribed, will be permitted to be worn—It is at the same time to be understood, that all Officers, on coming into the Service, shall provide themselves according to the New Patterns.

When Officers wear Great Coats, they must be according to the Uniform Pattern, and always with the Sword and Sash over them—The only exception, is, when Officers are taking exercise, or engaged in sporting, or amusements in the open air.

The Commander in Chief holds General Officers, and Commanding Officers of Stations and Corps, responsible, that these orders for regulating the Dress in all its particulars, shall be punctually obeyed.

Should information be required respecting any particular parts of Dress, reference is to be made to the *Adjutant General's Office.*

The following extract from the confirmed Proceedings of a Native General Court Martial assembled in Camp at Secunderabad on the 6th day of January 1823, by order of Colonel Thomas Boles, Commanding the Hyderabad Subsidiary Force, by virtue of a warrant of authority vested in him by General Sir Alexander Campbell, Baronet, and K. C. B. Commander in Chief, are published to the Army.

CHARGE.—Abdul Cawder, Subidar Light Company 2d Battalion 20th Regiment Native Infantry, placed in arrest by order of Captain Baker, Senior Officer in charge of the Corps, on complaint of Goorawah, Private in the same Company, on the following Charges.

1st—For conduct disgraceful and unbecoming a Native Officer in attempting to seduce the wife of the aforesaid Sepoy.

2d.—For entering the house of the aforesaid Goorawah Private, betwixt the hours of 7 and 8 o'clock on the night of the 30th November 1822, with the intent of cohabiting with the wife of the same Goorawah—subjecting himself to be beaten, tied up, and exposed in that situation—such conduct being disgraceful to the character of a Native Officer.

SECUNDERABAD, 8th December 1822.

(Signed) JAMES TAYLOR, Captain, Commanding Light Company.

(Signed) B. BAKER, Captain, Senior Officer in Charge 2d Bat. 20th Regt.

BY ORDER.

(Signed) T. H. S. CONWAY, Adjutant General of the Army.

FINDING AND SENTENCE.—The Court are of opinion that the Subidar Abdul Cawder, Light Company 2d Battalion 20th Regiment Native Infantry, is not guilty of the first charge.

The Court are further of opinion that the Subidar Abdul Cawder, Light Company 2d Battalion 20th Regiment Native Infantry is not guilty of the second charge, and do therefore acquit him of the same.

The Court cannot close its proceedings without remarking—that the complaint instituted by the Sepoy Goorawah against his Company Subidar does not appear to have emanated from the wish to obtain redress of private wrongs, but to have originated in ill-will; and the Court cannot forbear expressing their sense of the impropriety of conduct, disrespect, and want of subordination evinced by the Sepoy Goorawah towards his immediate superior, the more to be reprehended as redress is open to all ranks.

General Sir Alexander Campbell, Baronet and K.C.B. regrets it has not been in his power to pay attention to the recommendation of the Court in favor of Subadar Mahomed Ally; and His Excellency pledges himself to the Army, that during the period he may hold the Command, he will in no instance extend his pardon to any Native Officer who may be convicted of drunkenness, before a General Court Martial, and adjudged to be cashiered.

His Excellency further directs Officers Commanding Corps will report to Head Quarters any Native Officer under their command who may be addicted to the disgraceful crime of drunkenness, that measures may be adopted if necessary, for their removal from the Service.

The foregoing crime, and sentence with the Commander in Chief's remarks, will be furnished to Corps respectively in the Native Languages; and Officers Commanding are directed to have it read, and explained to their Men at three successive Parades to be ordered for that purpose; after which the Native Officers of each Corps, are to be required to affix their signatures or marks to the translation, that no excuse may be offered for not knowing the orders now published.

After the signatures of all the Native Officers belonging to Corps are affixed to the translation (which must be done in presence of the Commanding Officer) it is to be returned to the Adjutant General's Office, for the information of the Commander in Chief.

The Honorable the Governor in Council is pleased to direct the following modification of the Regulations of the Military Pay Department, to have effect from the 1st of May next.

Replies to Retrenchments, are to be forwarded thro' the Paymasters from whose accounts the retrenchments were made, if the Officers continue within their range of payment—otherwise thro' the Paymasters of the stations where the Officers happen to be.

When documents or explanations forwarded, (as above directed) by an Officer, in reply to a retrenchment, shall be found to warrant the admission of the charge, the Military Auditor General (in lieu of passing the amount on reaudit as heretofore, to the credit of the Paymaster from whose accounts the retrenchment was made) is to direct the Paymaster, who forwards the reply, to pay the amount on a Bill, or Abstract, and receipt of the claimant; and to enter the charge in his accounts disbursements of the month in which the payment takes place.

When appeals to Government are desired, the above course is, in every respect to be observed, the periods within which both replies and appeals are to be forwarded remaining as heretofore.

It is to be fully understood that payments of charges retrenched, are never to be made without the previous authority of the Military Auditor General, and that the circumstance (should it occur) of the party not having refunded the amount, is not in any manner to affect the course of proceeding above directed.

The proceedings both of Officers and Paymasters in regard to objectionable charges, are not in any manner affected by the above provisions.

In cases when it may be necessary to recover sums that have been disbursed under special authority, (as in the case of an Officer, who after receiving passage money to proceed to Europe, declines to avail himself of his furlough,) the Military Auditor General, in place of retrenching the amount, is to direct it to be recovered by stoppages in the manner prescribed, in regard to retrenchments.

The Military Auditor General will issue such subsidiary instructions to Paymasters, as may be necessary for giving full effect to these orders.

Under the foregoing provisions the resaldjts heretofore transmitted to the Accountant General in the Military Pay Department, and to Paymasters, will become unnecessary, and are to be discontinued accordingly.

By order of the Honorable the Governor in Council.

G. MARLAY, Lieut. Col.
Military Secretary.

The Commander in Chief in making known to the Army the finding and sentence of the above Court Martial with his approval and confirmation of it, is happy to have it in his power to mark distinctly his approbation of the conduct of Lieutenant (then Ensign) Phillott, who, under circumstances of extreme provocation, had the courage and good sense manfully to discharge a public duty, instead of seeking redress for a private wrong.

It may be gratifying also to Lieutenant Phillott to be thus publickly assured that the Commander in Chief is perfectly satisfied that the insinuations which were thrown out in the course of the Proceedings of the General Court Martial impeaching the motives of his conduct and intimating that his evidence was influenced by views of personal advancement, are altogether groundless and vexatious.

(Signed) A. CAMPBELL, Lt. Col. 46th Regiment, President.

APPROVED AND CONFIRMED.

(Signed) A. CAMPBELL, General and Commander in Chief.

The Commander in Chief cannot publish the foregoing sentences to the Army, without declaring his full concurrence in the remark which the Court has attached to the proceedings on Lieutenant Weller's trial, the nature of the evidence is in many instances so glaringly contradictory, that His Excellency cannot reconcile to himself, how witnesses on their oath, and professing the principles of Officers, and Gentlemen, could in a simple matter of fact, so pervert the acts they had witnessed, at a moment they had the responsibility, and moral obligations of an oath before them.

The example which both the foregoing trials have exhibited of indecency of language, contempt of decorum, want of respect towards superiors, irregular and intemperate habits and familiarity, unrestrained by respect, are of rare occurrence in this Army; but even any such instance in a community tenacious of character, and conduct, cannot pass without animadversion and warning; and the Commander in Chief reluctantly, but compelled by a sense of duty, warns the Officers he now alludes to, that unless the examples before them, tend to reform their conduct, the fate of Lieutenants Weller and Armstrong must overtake them.

Lieutenant G. M. Annesley of the 22d Regiment Native Infantry is removed from the Pioneers, and ordered to join his Corps forthwith.

The General Court Martial of which Lieutenant Colonel Campbell, His Majesty's 46th Regiment is President, is dissolved

Assistant Surgeon R. H. England of the 1st Battalion 23d Regiment, is permitted to proceed to the Shevaroy, and Chendamunglum Hills in the vicinity of Salem, and Trichinopoly; and directed to place himself under the orders of the Medical Board.

1st July 1823.

The Commander in Chief has great satisfaction in publishing the annexed Extract from the Minutes of the Honorable the Governor in Council, and His Excellency requests Lieutenant Colonel Munro will accept his acknowledgments for the zealous exertions he gave in preserving the uniform good conduct of the Detachment under his command, composing the Escort of His Highness the Nuwaub of the Carnatic during his late tour.

Major Edwards, Commanding the 2d Battalion 8th Regiment, and Captain Jeffries, Commanding the Detachment of the 6th Regiment Light Cavalry (which Troops composed the Escort) are also entitled to the Commander in Chief's approbation for the unremitted attention displayed by those Officers respectively, in furtherance of the instructions given to them, on the occasion now alluded to.

Extract from the Minutes of the Honorable the Governor in Council, dated 10th June 1823.

Read the following letter from the Government Agent at Chepauk.

To

The Chief Secretary to Government.

Sir,

I have the honor to convey to you at the request of the Nuwaub,

his entire satisfaction with the uniform good conduct of the Troops composing his Escort during his late tour to the Southward. From the commencement to the termination of the journey, not a single complaint was made to His Highness against any of the men either Cavalry or Infantry, while to their steady behaviour and attention to discipline he chiefly ascribes the peace and good order which at all times prevailed in his camp. These circumstances you will, he trusts, do him the favour to bring under the early notice of Government.

I have the honor to be,

&c. &c.
