FORT ST. GEORGE, 2d *July* 1824.

G. O. BY GOVERNMENT.

The following Extract from a letter from the Honorable the Court of Directors to the Supreme Government under date the 8th of October last, is published for general information.

Para. 10th. In our Letter of the 11th December 1816, in the Military Department, we called your attention to a subject seriously affecting under the then existing Post Office Regulations, the Relations in this Country of the Non-commissioned Officers and Private Soldiers of His Majesty's and the Company's Army serving at the different Presidencies in India, and we stated that in consequence of an irregularity in the transmission of Letters from Non-commissioned Officers and PrivatesEuropeans to their relatives at home, a heavy expense for Postage had been incurred by the individuals to whom the Letters were addressed, that several instances of the kind had then occurred, and that upon application for relief being made at the Post Office the answer uniformly was, that none could be afforded where the provisions of the Act had not been complied with.

14th. The payment of one penny which was at that time required to be made in India on each letter from a Soldier being put into the Post Office, and which was in a great measure the cause of the above inconvenience has been discontinued, and by the Act of 4 Geo. 4, Cap. 81, Sec. 73, Seamen and Soldiers in His Majesty's Service whilst actually employed in His Majesty's Service in the East Indies and at St. Helena, and Soldiers in the Company's Service may send under certain regulations and restrictions, single letters provided that the party in Great Britain or Ireland receiving the same shall pay one penny for the Inland postage, and two pence for Sea Postage, unless such letters be put into one of His Majesty's Post Offices free of all expense to Government (this alludes to the expense of two pence for Sea Postage which by 54 Geo. 3, Cap. 169, Sec. 6, or other Acts the Post Office pay to Captains of Ships bringing Ship Letters to England) and may receive (under similar regulations and restrictions) single letters, free of Postage, except one penny to be paid for each single letter upon its being put into any Post Office in Great Britain or Ireland.

12th. The regulations and restrictions referred to in the present Act are contained in the Act 46 Geo. 3, Cap. 92, and prescribe, That upon all single letters sent from Soldiers, the name of the Soldier, his rank (whether Serjeant, Corporal, Trumpeter, Drummer, Fifer, or Private) and the Regiment, Corps, or Detachment to which he belongs shall be superscribed.

13th. That upon all such single letters shall be written in the hand-writing of and signed by the Officer in the actual Command of the Regiment, Corps, or Detachment, his name, rank and the Regiment, Corps or Detachment commanded by him.

14th. It is to be clearly understood that this indulgence is limited to single letters.

15th. The Act (of 46 Geo. 3, Cap. 169 before mentioned) also directs, that if any Officer having the command of a Regiment, Corps or Detachment, shall wilfully and knowingly write his name upon any letter that is not from such Soldier and upon his private concerns only, such Commanding Officer shall forfeit and pay the sum of five pounds.

16th. That a similar penalty shall attach to any person who shall (with an intent to evade the full rate of Postage) obtain the signature of the Officer Commanding, to letters not on the private concerns of Soldiers.

17th. Further that if any Officer not having at the time the command of the Regiment, Corps or Detachment shall write his name upon a Soldier's letter, he shall forfeit and pay the sum of five pounds.

18th. As the indulgence in the present Act (of 4 Geo. 4, Cap. 81, Sec. 73.) extends to Seamen in His Majesty's Navy whilst actually employed in His Majesty's Service subject to the same regulations and restrictions as before mentioned, it is requisite that upon every letter to be sent the name of the Writer

and his class or description in the Ship or Vessel to which he shall belong shall be superscribed, and that upon every such letter, there shall be written in the hand writing of, and signed by the Officer having at the time the command of the Ship of Vessel, his name and the name of the Ship or Vessel commanded by him.

19th. The Act does not extend to Seamen in the Company's Service.

20th. It appears necessary in order to avoid the expense of Sea Postage (mentioned in Act 54 Geo 3, Cap. 169, Sec. 6) on letters from Seamen and Soldiers in His Majesty's Service and Soldiers in the Company's Service in India and at St. Helena, that the letters from those persons should be sent to England in the Company's Regular or Extra Freighted Ships, or in such other Ships only in which Company's Dispatches are forwarded and not in any Ship without Company's Dispatches whose Packets or Bags of Letters may be required to be delivered at the Post Office, and in order that these several classes of Individuals may in future, be relieved from expense from which the Legislature in contemplation of their inability to bear it, intended they should be exempt, we direct that you will immediately on receipt of this dispatch issue orders for strict attention being paid to the regulations which we have now expressed, and particularly those respecting the address of letters from Soldiers and the Officers' signatures on the same.

21st. And to prevent Officers and others from incurring the penalties prescribed by the Act of Parliament, we direct that the utmost publicity be given to the clauses on the subject.

By order of the Honorable the Governor in Council.

G. O. BY THE COMMANDER IN CHIEF.

The following Extracts from General Orders issued by His Excellency The Commander in Chief in India, are by His Excellency's Orders published to the Army serving under this Presidency.

Extract from the Proceedings of an European General Court Martial assembled at Cawnpore on Monday the Seventeenth day of May 1824, by virtue of a Warrant from Colonel F. Newbery, Commanding the Cawnpore Division of the Army, bearing date the 15th day of May 1824, being thereunto authorized by a Warrant from His Excellency General The Honorable Sir Edward Paget, G.C.B. Commander in Chief of all the Forces in India, &c. bearing date the third day of March 1823, for the trial of Ensign George Cox of the 1st Battalion 30th Regiment Native Infantry, and all such Prisoners as shall be brought before it.

President.—Lieutenant Colonel G. M'Gregor, His Majesty's 59th Regiment.

Judge Advocate General.—Captain J. B. Pratt, 2d Battalion 4th N. I. Officiating Deputy Judge Advocate General.

CHARGES.—Ensign George Cox, 1st Battalion 30th Regiment Native Infantry, placed in the first instance, under arrest; and secondly under close arrest, by Brevet Captain and Adjutant Campbell, of the same Corps, on the 20th March 1824, which arrest is confirmed and continued by Lieutenant Colonel Fast, Commanding the Battalion, upon the following charges, viz.

For conduct most shameful and disgraceful in the following instances.

1st.—Outrageous conduct on the night of the nineteenth March 1824, between the hours of eight and eleven, at Brevet Captain and Adjutant Campbell's quarters, in having struck and grossly abused several officers present, and having threatened to stab them with a table knife, which he had seized, and held clenched in his hand.

2d.—For breaking his arrest between the said hours, and returning to Brevet Captain and Adjutant Campbell's quarters, with a loaded fowling piece and sword, and threatening death to some or all the Officers present, by presenting the fowling piece at them, exclaiming "By God, I'll shoot you," or words to that effect.

3d.—For using threatening language addressed to Brevet Captain and Adjutant Campbell on the morning of the 20th March 1824, by repeatedly saying "what right have you to confine me, by God I'll make you all remember this as long as you live," or words to that effect.

BANDA, 21st March 1824.

(Signed) J. W. FAST, Lieut. Colonel, Commanding 1st Bat. 30th N. I.

(Signed) J. CAMPBELL, Brevet Capt. and Adjt. 1st Bat. 30th N. I.

By order of Colonel Newbery, Commanding the Cawnpore Division of the Army.

(Signed) J. C. B. PARKE, Major of Brigade.

FINDING AND SENTENCE.—The Court having duly weighed and considered the evidence produced, is of opinion on the charges as follows.

That the Prisoner Ensign George Cox is guilty of the 1st charge, with exception of having threatened to stab them with a knife, of which he is acquitted.

That he is guilty of the 2d charge, with exception of the words "and sword," and "presenting the fowling piece at them, of which he "is acquitted."

That he is guilty of the 3d charge, and that such conduct is most shameful and disgraceful, which being in breach of the Articles of War, the Court doth therefore sentence him, the said Ensign George Cox, of the 1st Battalion 30th Regiment Native Infantry, to be Cashiered.

(Signed) JOHN B. PRATT, Captain, Officiating Deputy J. A. Genl. Conducting the Proceedings.

(Signed) GEORGE M'GREGOR, Lieut. Col. 59th Regt. President.

G. MARLAY, Lieut. Col. Military Secretary.

Grave as are the charges proved against Ensign George Cox, of the 60th late of the 1st Battalion 30th Regiment Native Infantry, and calling for the severest reprobation and punishment—The Commander in Chief is yet inclined to hope, that the just judgement pronounced by the Court, will operate as a sufficient warning of the consequences which must ensue from the perpetration of such acts of intemperance and violence as the Prisoner is found guilty of, without dooming him to irretrievable ruin and disgrace by carrying into effect the Sentence of the Court—Under the circumstances therefore of the Court having expressed "*Its conviction that the Prisoner's intoxication (which was the cause of his misconduct) was accidental,*" and "*that contrition for his Crime is fully expressed in the letter written by him on or about the 22d March,*" and the Court having further submitted to favorable consideration "*His extreme youth and inexperience, as well as the very satisfactory Evidence produced of his good conduct and abstemious habits previous to the 19th March,*" The Commander in Chief is pleased to remit the Sentence, and to direct Ensign Cox to return to his duty.

By Command.

G. MARLAY, Lieut. Col. Military Secretary.

Extract from the Proceedings of a Native General Court Martial assembled at Meerut on Monday the 26th day of April 1824, by order of Major General Thomas Reynell, C. B. Commanding the Meerut Division of the Army, and in virtue of a Warrant under his hand and seal, being thereunto duly authorized by a Warrant from His Excellency The Commander in Chief for the trial of Assah Bhuggut, Subadar of the 2d Battalion 8th Native Infantry, and all such Prisoners as shall be brought before it.

President.—Purrumbode Sing, Subadar Major 1st Battalion 12th Native Infantry.

Judge Advocate.—Captain W. P. Cooke, Deputy Judge Advocate General Meerut Division.

Interpreter.—Lieutenant, Interpreter and Quarter Master, Joseph Bunyon, 1st Battalion 12th N. I.

CHARGES.—Assah Bhuggut, Subadar of the 2d Battalion 8th Regiment Native Infantry placed in arrest on the following Charges, viz.

1st.—For gross neglect of duty and un-officer-like conduct when Commanding a guard in the Fort of Hansi in not having taken the proper measures necessary for ensuring the safe custody of the persons, of two Prisoners confined in Irons for murder, under his immediate charge, who in consequence of such neglect effected their escape from the Guard Room, and one of them from the Fort on or about the night of the 7th or morning of the 8th March 1824.

2d. For conduct disgraceful and unbecoming the character of an Officer, in having when on duty as aforesaid, permitted several Non-Commissioned Officers and Sepoys of another Guard under his command, to quit their posts on the night of the 7th March 1824, and to be admitted into the Guard Room where the said Prisoners were confined, and in allowing revelry, singing and music in the said Guard Room for several hours, he the said Subadar Assah Bhuggut, being present and associating with the Non-Commissioned Officers and Privates in such revelry; in consequence of such disorder and confusion in the Guard Room at night the said Prisoners were enabled to file through and to separate the Iron Fetters and Chains from their legs without being heard or detected.

HANSI, 14th April 1824. (Signed) W. COMYN, Lieut. Col. 8th Native Infantry Commanding Hansi.

Finding The Court having maturely weighed and considered the whole of the Evidence for the Prosecution, and what the Prisoner hath urged in his defence, do find him the said Subadar Assah Bhuggut of the 2d Battalion 8th Native Infantry guilty of the whole and every part of the Charges preferred against him; which being in breach of the Articles of War, the *Sentence* Court do adjudge him the said Subadar Assah Bhuggut to be suspended from rank and pay, for the period of eight calendar months.

(Signed) W. P. COOKE, Captain, Dep. Judge Advocate General, Meerut Division.

(Signed) In Nagree character, PURRUMBODE SING, Subadar, President.

The Commander in Chief is of opinion, that the first charge exhibited against Assah Bhuggut, Subadar of the 2d Battalion 8th Native Infantry is not fully proved by the Evidence recorded on the Proceedings, he therefore disapproves the finding thereon.

The finding on the second charge appears to His Excellency to be perfectly correct, but an attentive consideration of the circumstances of the case leads to a conculsion, that the penalty awarded is more than commensurate with the offence proved, he is therefore pleased to remit a portion of the Sentence passed by the Court and limit the suspension of Subadar Assah Bhuggut from rank and pay to three months, to commence from the date of the promulgation of this order at the Head Quarters of the Regiment.

DISAPPROVED.

(Signed) A. CAMPBELL, General,
Commander in Chief.

Circumstances have occurred to prevent His Excellency General Sir Alexander Campbell from re-assembling the above Courts Martial, and it only remains for him to pronounce his disapprobation of the sentence and to dissolve the Court.

Lieutenant Stuart has been found guilty of using highly disrespectful and insubordinate language, in a Letter addressed to his immediate Commanding Officer, Captain Edwards, and for contumaciously persisting in such conduct. For this Crime, so subversive of military discipline and the well being of the service, he is sentenced to be placed one step lower in the List of Lieutenants, a sentence, under any circumstance, inadequate to the crime; but in the present case not involving the slightest punishment; for besides, the Officer next below whom the Prisoner is placed having gone to England for the avowed purpose of being placed on half pay, the 8 Junior Lieutenants of the 69th Regiment, will, on their arrival in England be reduced to the same state, thus rendering it immaterial to Lieutenant Stuart, whether he is for the present to be junior of that rank, or standing one higher on the List.

His Excellency General Sir Alexander Campbell trusts, that had an opportunity been afforded him of pointing out these circumstances to the Members of the Court Martial, they would on revision have passed a Sentence commensurate to the serious offence of which the Prisoner has been convicted.

His Excellency takes this occasion of promulgating to the Army, that if Courts Martial composed as this was, principally of Senior Officers, will not support their own authority by duly estimating such transgressions, and marking them by adequate punishments, they must not look to him for aid. His exertions must prove ineffectual, and his interference unnecessary, when even the appeal to such tribunals is, as in the present case, futile and unavailing---these remarks apply equally to the Court Martial on Ensign O'Halloran.

The Sentences awarded to Ensign O'Halloran and to Lieutenant Stuart of the 69th Regiment are remitted, and those Officers will return to their duty---His Excellency considering it less injurious to the Service that Crime should go unpunished, than that he should sanction what is held up as a punishment, though in fact only an evasion of acquittal.

11TH AUGUST 1824.

Gunner John Stokes of the Horse Brigade is removed to the Effective Supernumeraries.

The following Extract from the Confirmed Proceedings of a Native General Court Martial assembled at Secunderabad on Monday the 12th July 1824, by order of Colonel Thomas Boles, Commanding the Hyderabad Subsidiary Force, by virtue of a Warrant of authority vested in him by General Sir Alexander Campbell, Baronet, and K. SIR,

We have the honor to report, that in conformity with the orders of Government communicated to us in Mr. Clive's Letter of the 2d Ultimo, we have examined Lieutenant Babington of the 17th Regiment of Native Infantry with regard to his proficiency in the Hindoostanee language. Lieutenant Babington was given the usual papers for translation both into Hindoostanee, and, from that language into English, and we have great satisfaction in bestowing our unqualified approbation on both performances; Lieutenant Babington's Hindoostanee version was not only free from every kind of grammatical or orthographical errors, but was remarkable for elegance of style and freedom of expression: and we consider him to rank amongst the best scholars who have appeared before us. His translation into English was as might have been expected from his previous execution of the severe and difficult task of translating into Hindoostanee, perfectly correct and accurate, and his conversation was liable to no objection either with regard to pronunciation or command of language. Under all these favorable circumstances, we have no hesitation in stating our opinion, that Lieutenant Babington is perfectly competent to perform the duties of either Translator or Interpreter in any situation in which such services may be required.

We have, &c. &c.

Remarks by His Excellency The Commander in Chief.

The foregoing Sentence is approved of by the Commander in Chief, because His Excellency does not consider it, in point of severity, by any means to exceed the atrocity of the offence (accompanied as it was by acts of barbarous cruelty) for which it has been awarded; and, in that view of the case, he would willingly direct its infliction to the fullest extent.

It is only in part, however, that the Law will permit him to confirm it as was decided by the Attorney and Solicitor Generals, in England, upon a reference made to them by His Excellency's predecessor respecting the power of a Court Martial to award a double punishment, as in the instance now before him---That opinion was published for the information of the Army, but in consequence of the promulgation of a new Mutiny Act, and its variation in some respects from the former enactments, the Commander in Chief considered it advisable to obtain the opinion of the Advocate General in the present instance, and that likewise is that the two punishments, ought not to have been awarded.---Under these circumstances His Excellency is pleased to confirm so much of the sentence as directs that each of the Prisoners shall endure hard labor in irons for the space of eight years.

The sentence is to be carried into execution agreeably to the instructions that will be transmitted to the Officer in command of the Nagpore Subsidiary Force.

By Command.

BY ORDER OF THE COMMANDER IN CHIEF.

T. H. S. CONWAY,
Adjutant General of the Army.

GENERAL ORDERS,

By His Excellency the Commander in Chief,

HEAD QUARTERS: CHOULTRY PLAIN.

20TH SEPTEMBER 1824.

The Commander in Chief is pleased to publish to the Army the following Charges which have been preferred against Ensign Edwards of the 32d Regiment N. I.—His Excellency will not on the present occasion submit that Officers conduct to investigation before a General Court Martial, but directs (with the sanction of the Honorable the Governor) that he be reprimanded by the Officer Commanding the Palaveram Cantonment, in presence of all the Officers off duty, for his repeated neglect of duty, disobedience to orders and contumacious conduct, after which Ensign Edwards is to be released from arrest and return to his duty.

The character which has marked Ensign Edwards during his short career of Military Service, will, if this admonition does not reclaim him to a just sense of the obligations of his Commission, oblige the Commander in Chief to recommend to superior authority, his removal from the Service, as being unfit for the honorable profession he has already tainted by his pernicious examples.

Ensign Edwards, of the 32d Regiment Native Infantry placed in arrest by my order, on the following charge, viz.

For highly irregular conduct in absenting himself without leave, from the Parade of the Regiment on the evening of the 23d August 1824, such conduct being also in contempt of authority, and aggravated from the circumstance of his having very recently been warned by me, of the consequence of such behaviour, when he was guilty of a similar offence.

PRESIDENCY CANTONMENT, 24th *August* 1824. (Signed) GEORGE JACKSON, Lt. Col. Commanding 32d Regt. N. I.

Additional Charges preferred by Lieutenant Colonel Jackson against Ensign Edwards of the 32d Regiment N. I.

1st.—Highly unofficerlike conduct, in having asserted a deliberate falsehood, in a letter to the Adjutant of the Regiment under date 24th August 1824 in reply to a letter from that Officer, requiring him to state the reason of his absence from Parade the preceding evening.

2d.—Disobedience of orders and contempt of authority; in visiting Madras without leave, between the evening of the 22d and morning of the 24th August 1824, although he had been expressly told by me, sometime before, that such leave was indispensable, to authorize an Officer to visit Madras, from the Presidency Cantonment.

PRESIDENCY CANTONMENT, 27th August 1824. (Signed) GEORGE JACKSON, Lt. Col. Commanding 32d Regt. N. I.

Further Additional Charges preferred against Ensign Edwards, by Lieutenant Colonel Jackson, Commanding 32d Regiment N. I.

1st.—For being absent without leave, while the Regiment was marching from the Presidency Cantonment, to the Presidency, on the 7th September 1824, such conduct being further in contempt of authority, as he, (Ensign Edwards) was expressly told by the Adjutant, that he was to accompany the Regiment, although under arrest.

2d.—For assigning a false reason for his absence from the Regiment, at the time alluded to in the foregoing Charge, in a note addressed to the Adjutant, dated 7th September 1824.

MADRAS: 10th September 1824. (Signed) GEORGE JACKSON, Lt. Col. Commanding 32d Regt. N. I.

Corporal George Stevens of the 1st Battalion Artillery is removed to the Effective Supernumeraries, promoted to Serjeant, and placed under the orders of the Commissary General.

Lieutenant T. Clendon of the 41st Regiment (late 1st Battalion 21st Regiment) and Lieutenant A. J. Ormsby, of the 24th Regiment (late 2d Battalion 12th Regiment) are appointed to the 2d Battalion Pioneers.

21st September 1824.

The Honorable the Governor in Council having lately been pleased to award a gratuity of Five Hundred Rupees to Lieutenant and Brevet Captain W. N. Pace, Quarter Master and Interpreter to the 25th Regiment Native Infantry as a mark of its approbation of the essential aid he rendered to the Collector of Bellary on a recent service at Kurnool, by his knowledge of the Persian and Hindoostanee Languages, His Excellency the Commander in Chief feels it due to Captain Pace as well as advantageous to the Service, thus publicly to mark His Excellency's sense of Captain Pace's merits, and to call the attention of the Officers of the Army to the advantages which must, in various ways result to such as by perseverance and study, qualify themselves to be useful to the Service, and conspicuous in discharging in a creditable manner, the duties of their profession.

GENERAL ORDERS,

HEAD QUARTERS: CHOULTRY PLAIN,

27TH SEPTEMBER, 1824.

G. O. BY THE COMMANDER IN CHIEF.

The following Extracts from General Orders issued by His Excellency the Commander in Chief in India, are by His Excellency's orders published to the Army serving under this Presidency.

Extract from the Proceedings of an European General Court Martial assembled at Nagpore on the 23d of June and re-assembled on the 19th of July by order of Colonel Adams, C. B. Commanding the Nagpore Subsidiary Force, and by virtue of a Warrant from His Excellency General Sir Edward Paget, G. C. B. Commander in Chief of all the Forces in India, for the Trial of Private William Maxwell of the Honorable Company's European Regiment and such other Prisoners as may be brought before it.

President.—Lieutenant Colonel Gall, 8th Light Cavalry.

Deputy Judge Advocate General.—Lieutenant Weston.

Interpreter.—Brevet Captain Skipton, 8th Light Cavalry.

Charges.—Private William Maxwell of the Bengal European Regiment attached to the Band of that Corps, confined by me for highly insubordinate and mutinous conduct in the following instances, viz.

1st.—For having soon after he had been released from solitary confinement awarded him by the Sentence of a Regimental Court Martial told Lance Serjeant Stowell, that he would not go to the Knapsack Drill awarded him, and which the Sentence of the said Court had directed him to bring up, using at the time disrespectful and threatening language towards myself in the hearing of Lance Serjeant Stowell and Lance Corporal Harris.

2d.—For insolent language to Lance Corporal Harris when he was parading him for the above mentioned Knapsack Drill on the morning of the 15th Instant.

3d.—For making his escape on the same morning from Lance Corporal Harris after he had been in my presence, and from there ordered by me to the Guard, and entering the Barrack brandishing there a drawn Sword, saying, that if the Lance Corporal Harris came near him he would run him through or words to that effect, and which sword was taken from him by Lance Serjeant Stowell's closing in upon him, and wresting it from his hand.

(Signed) J. AURIŒL, Major,
European Regiment,
President Band Committee.

NAGPORE,
July 15, 1824.

Finding and Sentence.—The Court having duly weighed what has appeared before it on the part of the prosecution, and what the Prisoner has stated in his defence, is of opinion, that he, Private W. Maxwell is guilty of all three of the Charges exhibited against him, with the exception of that part of the 3d Charge, "For making his escape on the same morning from Lance Corporal Harris," and Sentence him to six (6) months solitary confinement at such place as His Excellency the Commander in Chief may please to direct.

(Signed) G. H. GALL, Lieut. Col.
Commanding 8th Light Cav.
and President.

(Signed) H. WESTON,
Deputy Judge Advocate Genl.

CONFIRMED.

(Signed) E. PAGET, General,
Commander in Chief in India.

A True Extract

(Signed) G. MARLAY, Lieut. Col.
Military Secretary.

Remarks by His Excellency The Commander in Chief.

The Commander in Chief has to observe upon this Court Martial that the finding is perfectly correct, and that the Sentence awarded by no means exceeds the amount of Crime—He has confirmed it, and directs that the Prisoner may be subjected to three months solitary confinement.

He has further to observe in reference to the facts on which the first charge is founded, that it would be more prudent for Courts Martial in awarding punishments, to confine themselves to the strict letter of the Mutiny Act than to impose penalties unauthorised by that statute. Commanding Officers are perfectly competent to order Extra Drills for the correction of minor offences; but Courts Martial quite mistake their province in having recourse to these punishments.

By Command.

(Signed) G. MARLAY, Lieut. Col.
Military Secretary.

Extract from the Proceedings of a Native General Court Martial assembled at Kamptee on the 9th of July, and re-assembled on the 6th August 1824 by order of Colonel Adams, C. B. President,—Shaik Sumshoodeen, Subadar, 17th N. I.
Deputy Judge Advocate,—Lieutenant Weston.
Interpreter.—Lieutenant Bastow, 37th N. I.

Crime.—Audeen Sing, Sepoy 8th Company of the 17th Native Infantry, confined by order of the Commanding Officer of the Forces, on the following Charges, viz.

1st. For shameful neglect of duty in allowing a Prisoner (Deserter from the 51st N. I.) to escape, over whom he was particularly placed as Sentry between the hours of 3 and 4 o'clock on the morning of the 2d Instant.

Asst. Adjt. Genl's. Office,
Kamptee,
2d August 1824.

(Signed T. WORSLEY,

a Pay and Batta are per diem allowances.
b The same for any Month.
c Colonels in Regimental Rank, are allowed full Batta at any Station.
N. B.—Tent Allowance is not allowed to the Chief Engineer.
N. B.—The Officers of European Infantry in Garrison will draw the same Tent Allowance as those of Native Infantry in Garrison, until the arrangements with the rate at which their Tent Allowance in Garrison is fixed in the foregoing Table have been formed and published in G. O.

3. The Officers of the Veteran Battalions are not to receive Tent Allowance, but to be furnished with Camp Equipage from the Public Stores when ordered to move.

4. An allowance of Rupees 30 per Month for Stationary is authorized, for the Command of each Troop and Company of all regular Corps, including the Rifle, and Pioneer Battalions, but not the Governor's Body Guard.—It is also granted to the Veteran Battalions, and is to be drawn equally by the Effective Officers, who, in consequence of vacancies are occasionally placed in charge of Companies of these Corps.—This allowance which is to commence with the new scale of Regimental Pay and Allowances, is to cover all charges for Stationary on account of Detachments and absent Details; and the allowances heretofore authorized on the same account, are to be discontinued.

5. The Regimental Pay and Allowances of all Staff and Warrant Officers are to be regulated in conformity to the above scale.

Tent Allowance & House Rent.

6. As Officers stationed in Fort St. George and at Poonamallee have heretofore been furnished with Public Quarters *gratis*, their occupation of them in future, is not to preclude their drawing House Rent; but they are hereafter to pay for such Quarters at the rates already established for their respective ranks, with exception of broken periods of a month for which they will not be required to pay. At all other Stations an Officer occupying Public Quarters (whether on payment or otherwise) is disqualified from drawing House Rent.

Rates of Regimental Subsistence payable to Officers of the Honorable Company's Service when in England.

7. All Officers of the Honorable Company's Service, who quit India on Furlough after the date of these orders, shall for the period during which, by the existing Regulations they receive pay, be allowed at the following rates per diem respectively.

Major	0	19	3	0	16	0	0	13	11

Lieutenant	0	9	0	0	6	6	0	6	10
Cornet, Ensign or 2d Lieutenant	0	8	0	0	5	3	0	5	7

8. This arrangement is not to occasion any alteration in the issue of Pay or Allowances in India except in the payment of the regulated advances to Officers of the Honorable Company's Service quitting India on Furlough.

Advances of Subsistence to Officers of the Honorable Company's Service proceeding to Europe, &c.

9. The advance of Regimental Subsistence to Officers of the Honorable Company's Service proceeding to Europe is not to commence at the Europe rate, until the 1st of the month following that in which they embark.

10. The advance of Regimental Subsistence to Officers of the Honorable Company's Service proceeding to Sea or to other Settlements and eventually to Europe is to be made at the Europe rate commencing on the 1st of the month following that in which they embark, subject to retrenchment if they return, without having proceeded to Europe.

Advances of Subsistence to Officers of His Majesty's Service proceeding to Europe, &c.

11. Officers of His Majesty's Service, when proceeding to Europe, or on leave to Sea or other Settlements, and eventually to Europe, are to receive the regulated advances of pay at the same rates as at present.

12. The subsistence and allowances of Officers of His Majesty's Service are to be drawn at the same rates as the corresponding ranks of European Corps in the Honorable Company's Service, but the rule heretofore observed of separate abstracts for the subsistence and Company's allowances of the King's Troops is to be continued.

Regimental Staff Allowance to Officers Commanding Regiments of the line, &c.

14. All Officers in Command of Regiments of Cavalry and Infantry whether King's or Company's European or Native or Battalions of Foot or Brigades of Horse Artillery and Pioneers are to draw a Staff Allowance of 400 Rupees per mensem (including stationary) in addition to Regimental Pay, Full Batta, &c. being in lieu of all other allowances (Peace or Field) heretofore drawn by them, in virtue of their Commands; but this allowance is not authorized to any Colonel or Lieutenant Colonel Commandant who is, or may become, a sharer in the Off-reckoning Fund; it not being intended that the two allowances should ever be united—This prohibition is not, however, to apply to the Staff Allowance of Brigadiers.

15. The Off-reckonings heretofore drawn by Officers Commanding Battalions of Pioneers are to be discontinued from the date on which the Allowances authorized in the preceding Paragraph commence.

Regimental Staff Allowance to Officers Commanding Veteran Battalions.

16. A Staff Allowance of 200 Rupees per month will be drawn by all Officers Commanding Veteran Battalions from the 1st of August 1824 in addition to Regimental Pay, Full Batta, &c. and their shares of Off-reckonings as at present authorized until further orders.

Horse Allowance to Commanding and Staff Officers.

23. Commanding and Staff Officers, both of His Majesty's and the Honorable Company's Service, to whom Regimental Horse Allowance has been already authorized, are to continue in receipt of it.

24. Officers of His Majesty's and the Honorable Company's Corps of Cavalry, under the rank of Major General, being entitled to a continuance of their Regimental Horse allowance, when holding Staff appointments, or Commands, unless specially ordered otherwise (as when exercising the Command of a Division of the Army), it is to be understood that, whenever the Regimental Horse allowance may exceed that to which an Infantry Officer, in the same situation, would be entitled, they are to draw no additional Horse allowance—a Cavalry Officer under such circumstances may draw the highest, but not both allowances.

25. All Staff Officers, not drawing full Batta, or provided with Public Quarters for their personal accommodation, are to receive both Tent Allowance and House Rent.

26. An Allowance of Rupees 20 per month for Stationary is authorized to all Officers Commanding Divisions of Artillery exclusive of the Allowance of 30 Rupees, of which, if under the rank of Field Officer, they may be in receipt regimentally, on account of a Troop or Company.

Abolition of Senior List, &c.

29. All Officers, who may have been on the Senior Lists of the three Presidencies on the 1st May 1824, shall only draw from the Off-reckoning Fund the sum of £543 15 0 per annum, the

Honorable Court of Directors undertaking to pay to those Officers the difference between that sum, and the annual accruing full share; and the fund in consideration of this arrangement, shall admit as full sharers from the same date, all those Officers who were then on the Junior Lists.

30. As casualties occur among the Officers on the Senior Lists of the three Presidencies, and among those still remaining on the Old Retired List, the sum of £543 15 0 per annum respectively drawn by them from the Fund will go to the encrease of the General Fund, and will thereby augment the amount of Shares.

BANGALORE, 15th December 1824.

G. O. BY LIEUTENANT GENERAL BOWSER,

Commanding the Army in Chief.

BANGALORE, 15th December 1824.

Lieutenant General BOWSER succeeds to the Command of the Madras Army, with no common feelings of pride, and satisfaction; its long established character and encreasing fame, he has witnessed through every rank. The high principles of military pride and devotion to the Service, which have long characterized this Army, and which were supported and impressed by the late lamented and distinguished Commander in Chief, His Excellency General SIR ALEXANDER CAMPBELL, *Bart.* and K. C. B. with such energy, as justly to mark the value and ability of that gallant Soldier, who was so devotedly attached to his profession, and so true a friend to the Madras Army: an Army in which he had served with such enviable reputation, that the Lieutenant General cannot but express his hope, that these principles will be strictly attended to, and he pledges his assurance that he will not fail in his best endeavours to unite with SIR ALEXANDER CAMPBELL'S professional pride, and zeal, his never ceasing anxiety for the honor, and interest of the Madras Army, which will long deplore the irreparable loss of SUCH A MAN AND SUCH AN OFFICER.

Lieutenant General BOWSER desires that all orders issued by His late Excellency General SIR ALEXANDER CAMPBELL, *Bart.* and K. C. B. may be strictly obeyed, and he feels every confidence in the zealous support and unceasing attention of the Officers of the Army, to maintain its character, for discipline, efficiency and obedience.

The late brilliant successes of the Army under the Command of Brigadier General Sir Archibald Campbell, K. C. B. in defeating the Burmese Army, in successive attacks on its position at Rangoon, affords Lieutenant General BOWSER, a pleasing opportunity to congratulate his Brother Officers and Soldiers on the gallant conduct displayed by their comrades employed on that service.

To

The ACTING SECRETARY to GOVERNMENT,

Military Department.

SIR,

We have the honor to report, for the information of the Honorable the Governor in Council, that in conformity with the instructions contained in your letter of the 9th Instant; we have examined Lieutenant Chalmers of the 22d Regiment N. I. with regard to his proficiency in the Persian language, and that the result has completely realized the expectations entertained from the distinguished manner in which he passed his previous examination in Hindoostanee.

The portion of a Story from the Goolistan was rendered by him into English, with perfect accuracy; and the more difficult task of translating from that language into Persian was executed by him in a manner, which would have reflected credit on a Native Moonshee.—A very simple English translation of a Story from the Buhar-Danjsh was paraphrased by him into Persian with remarkable elegance and felicity of expression and in a style so perfectly idiomatic as to

indicate a very extensive knowledge of the language.—The value of these high attainments was not impaired by a single deficiency in either orthography or grammar, and the hand writing was liable to no exception.

Lieutenant Chalmers expressed himself in the colloquial part of the examination, with great fluency and a good pronunciation : and we have great satisfaction in stating, as the result of our entire examination, that we consider this Officer as eminently qualified to execute the duties of either Interpreter or Translator, in any situation in which they may be confided to his charge.

FORT ST. GEORGE, 29th November 1824.

We have the honor to be,
Sir,
Your most obedient Servants.

(Signed) T. H. S. CONWAY, Adjutant General of the Army.

Finding and Sentence.—The Court after due deliberation of the Evidence which has been brought before it on the part of the Prosecution, and also of the

Prisoner's statement on his defence, finds him guilty of the charge exhibited against him, and does therefore by virtue of the Articles of War for the better government of the Honorable Company's Forces, sentence him Jemadar Russool Khan H. Company 3d or Golundauze Battalion Artillery to be dismissed from the service of the Honorable Company.

Commander in Chief, are published to the Army.

Crime.—Jemadar Syed Abdullah, 2d Company 31st Regiment or Trichinopoly Light Infantry placed in arrest by me on the following Charges, viz.

1st. For neglect of duty when in the Command of the Barrack Guard on or about the morning of the 23d of July 1824 in suffering it to proceed under charge of a Havildar, instead of accompanying it himself, and for disgraceful conduct in telling me a most deliberate falsehood, when questioned by me, regarding the neglect of duty above alluded to.

2d. For conduct highly insubordinate, contemptuous, and very unbecoming a Native Officer in addressing me on the public parade of the Regiment, in presence of several of the Native Officers and Men on the evening of the 26th July 1824, in a most insolent and disrespectful manner, and tone of voice, when I reproved him for having committed what I considered a breach of military discipline, thereby tending to lessen my authority as Commanding Officer of the Regiment.

Quilon, 26th July 1824.

(Signed) J. PERRY, Captain, S. O. in charge 31st Light Inf.

By Order.

(Signed) T. H. S. CONWAY, Adjutant General of the Army.

Finding.—Not guilty of the first charge, it appearing to the Court that the mode the Prisoner followed in the relief of the Barrack Guard, was in a certain degree the custom, that then prevailed in the 31st Regiment or Trichinopoly Light Infantry, and therefore acquit him of the same.

The Court find the Prisoner so far guilty of the second charge, as having put himself in an improper posture, and for having in a very improper tone of voice addressed Captain Perry, his Commanding Officer, which being to the prejudice of good order and military discipline, the Court does therefore, by virtue of the Articles of War, sentence and adjudge the said prisoner, Jemadar Syed Abdullah of the 31st Regiment or Trichinopoly Light Infantry to be suspended from Rank and Pay for the space of three (3) calendar months, from the date of confirmation of this sentence.

(Signed) JOHN FULTON, Deputy Judge Advocate Genl.

The parties, when the articles can be supplied being thus informed of the charges, are to transmit the Indents again to the Agent, accompanied by the money if at the Presidency, or if at Out-Stations by Transfer Receipts for the amount, and without such payment, or remittances, the Indents are not to be complied with.

3. Letters from Commanding and Staff Officers to the Agent for Army Clothing having reference to the above supplies, are to pass free of postage.

MADEIRA WINE. 4. The above rules are also to be observed, in regard to supplies of Madeira Wine, which are in all cases to be paid for in full before delivery or dispatch, and the letters of Commanding and Staff Officers to the Superintendent of the Import Ware-house having reference thereto, are permitted to pass free of postage.
