CHOULTRY PLAIN, *6th January* 1826.

The Honorable the Governor in Council having addressed the subjoined Orders to Lieutenant General Bowser, Commanding the Army in Chief, to be published to the Army, they are accordingly published in Military Orders.

No. 1.

FORT ST. GEORGE, *3d January* 1826.

G. O. BY GOVERNMENT.

Ordered that the following Extract from the Honorable Company's General Letter in the Military Department dated the 16th June 1815, be re-published in General Orders.

Para. 139. In consequence of the numerous applications, which have been preferred to us by our Servants, on leave of absence in this Country, for advances of money on loans—We think it proper to recal your attention to our Orders in the Military Department of the 26th February 1808, upon this subject. Those Orders declared our determination not to make any pecuniary advances to Officers at home beyond what they are allowed by the existing Regulations of the Service, and you were required to publish them in General Orders to the Army; but as a Resolution of this description, in order to be generally known to a body which is continually receiving an accession of new members should be occasionally republished, and being fully persuaded that a strict observance of this Resolution will prevent much trouble and inconvenience, besides loss to the Company, we direct that our orders above adverted to be in future circulated for the information of the Army in the month of January in every year, and we shall take the necessary steps for reminding Officers who may arrive in England upon Furlough of our determination upon the subject in question.

By order of the Honorable the Governor in Council.

GENERAL ORDERS,

BY LIEUTENANT GENERAL BOWSER,

COMMANDING THE ARMY IN CHIEF.

HEAD QUARTERS: CHOULTRY PLAIN,

11TH JANUARY 1826.

The following Extract from the Confirmed Proceedings of a General Court Martial assembled at Trichinopoly on the 28th day of December 1825, by Virtue of a Warrant from Lieutenant General Thomas Bowser, Commanding the Army in Chief, is published to the Army.

Crime. "Private Thomas Flanagan, of Captain Brooke's Company confined by Lieutenant Colonel Taylor, Commanding His Majesty's 48th Regiment, under the following Charges, viz.

1st. "For highly improper and unsoldier-like conduct to his Commanding Officer, on the morning of the 24th November, in manner and gesture, when admonishing him with a view to his future conduct, and remitting a part, the remainder of a sentence of Imprisonment, awarded him by a Regimental Court Martial; such conduct being in breach of Military Discipline."

2d. "For highly insubordinate and mutinous conduct, on the parade ground, on the morning of the 24th November, in disobeying the orders of his Commanding Officer repeatedly, and after having been ordered away from him with a file of the Guard, he suddenly faced about and approached his Commanding Officer, in the most daring and outrageous manner; such conduct being in direct violation of the Articles of War."

3d. "For highly mutinous conduct on the said morning of the 24th, in striking the Adjutant with his clenched hand a violent blow in the face, when in the execution of his duty, and in the immediate presence of his Commanding Officer; such conduct being subversive of all subordination, and Military Discipline, and in breach of the Articles of War."

Upon which Charges the Court came to the following decision.

Finding and Sentence.—"The Court finds the prisoner guilty of all the Crimes charged, and the Court does therefore by virtue of the Articles of War, sentence and adjudge the Prisoner, Thomas Flanagan, Private H. M.'s 48th Regiment, to be shot to Death with Musketry, at such time and place, and in such manner as the Officer Commanding the Army in Chief shall be pleased to direct."

Approved and Confirmed.

(Signed) T. BOWSER, Lieut. General,
Commanding the Army in Chief.

It is painful to Lieutenant General Bowser, Commanding the Army in Chief, to order the infliction of the extreme and awful Penalty of the Law on any Soldier, particularly on one belonging to a Regiment so justly esteemed as His Majesty's 48th, requiring no example, and as distinguished for its exploits in the Field, as for its excellent conduct in Quarters; but the Lieutenant General considers it imperative on him to wave all personal reluctance in the discharge of a public duty, as he cannot discover one extenuating circumstance in the Prisoner's conduct. So outrageous, and flagrant an act of Mutiny has seldom occurred in any Army. In such a case it is mercy to do justice. The strong Arm of Power must be exerted to put

down Crimes of so enormous a magnitude ; and the interests of the Service must not be sacrificed to the dangerous consequences of pardoning so turbulent an offender.

The dreadful responsibility attached to the crime of *Mutiny* is *Death*, and when it occurs in so aggravated a form, it would be incompatible with the due maintenance of discipline and subordination to mitigate the Punishment.

The sentence awarded against Private Thomas Flanagan, will therefore be carried into execution, at such time and place as shall hereafter be communicated in General Orders to the Army on this Establishment.

This Order is to be entered in the General Order Book, and read at the head of every Regiment in His Majesty's Service, on the Establishment of Fort St. George.

By order of Lieutenant General Bowser.

(Signed) R. TORRENS, Lt. Col.
Dep. Adjt. Genl. His Majesty's Forces.

The Officer Commanding the Army in Chief directs, that the Sentence awarded Private Thomas Flanagan of His Majesty's 48th Regiment, shall be carried into execution on the morning of Monday the 30th Instant, in front of the Troops at Trichinopoly, agreeable to detailed instructions which will be furnished to the Officer Commanding at that Station, direct from Head Quarters.

Lieutenant General Bowser, Commanding the Army in Chief, with a view further to impress upon the minds of the soldiery under his Command, the awful example he has been compelled to order, in the execution of Private Thomas Flanagan, His Majesty's 48th Regiment, is pleased to direct, that every European Corps and Detachment on the Establishment shall be under arms from 6 till 7 o'clock on the morning of the 30th Instant, the period at which the Sentence is to be carried into execution, when the above Crime, Sentence and General Order shall be distinctly read twice to every Corps and Detachment, in front of the Parade.

The due execution of the above Order, is to be reported to the Head Quarters of the Army, through Officers Commanding Divisions and Forces.

Adjutant General of the Army.

GENERAL ORDERS,

BY LIEUTENANT GENERAL BOWSER,

COMMANDING THE ARMY IN CHIEF.

HEAD QUARTERS: CHOULTRY PLAIN,

16TH JANUARY 1826.

It is with feelings of attachment and regret cheered by the pride of honorable recollections, that *Lieutenant General* BOWSER for the last time addresses the Army of Fort St. George.

The ties of more than half a Century during which the *Lieutenant General* has had the honor of being associated in the interests of the Officers and Soldiers of that Army must necessarily be strong, and in offering them the tribute of his sincere admiration and the gage of his perfect regard and esteem, he can temper the painful feeling of permanent separation, by the knowledge and recollection alone, that this gallant and distinguished Army is at the very zenith of its glory and its reputation, and that the same Army which aided the exploits of a COOTE and witnessed the dawn of a WELLINGTON'S career, should, at this epoch, be proving itself equally zealous, devoted and efficient in a new and unusual service, wherein the strong ties of Cast and prejudices of habits and customs have vanished beneath the touch of Discipline and attachment to the Service, and that valour which had hitherto been almost limited to the narrow confines of a Country, has proved itself of general application wherever required or directed. With the proud consciousness of having shared the dangers and honors of such an Army and being the oldest Soldier serving in India, *Lieutenant General* BOWSER now bids his Comrades a last, a heartfelt, and an affectionate Farewell! acknowledging with a grateful recollection the zeal, ability, and public spirit by which he has been aided in his duties, by all the Staff and Departments, who are alike distinguished for a high Military Pride and Ambition, to maintain the distinguished reputation of the Army in all its branches.

Adjutant General of the Army.

Accurate Register Rolls of all Native Officers, Non-Commissioned, Drummers, Privates, &c. transferred from Corps respectively, must be sent with each detail to the Regiments to which they are removed. Duplicates of these Rolls to be sent at the same time to the Adjutant General's Office, at the Presidency. The transfers to take place from the 1st Instant, from which date the above drafts are to be struck off the strength of their respective Corps, and are to be brought on the Returns of the Extra Regiments from that date. All accounts of Pay, Clothing, Family Stoppages, &c. &c. are to be cleared before the drafts are detached and each individual is to be furnished with accurate Certificates of any claims he may have, not adjusted, to Prize Money, Donation or other demand. *Copies of which* are to be furnished by Officers Commanding Corps to the Officer Commanding the Extra Regiment to which the individual is drafted.

Recommendation Certificates for promotion of the above drafts, numerically detailed, to the Commissioned Ranks are to be forwarded immediately in the usual form by Officers Commanding Corps, to which they at present belong, to the Adjutant General's Office.

All drafts to be sent to join without Arms or Accoutrements.

Drafts *nominally* detailed, belonging to Regiments on Foreign Service, are to be sent to join the Regiment to which they are posted from the Depôt at Wallajahbad, and such as are detained by temporary sickness must be accounted for to the Regiments, and a monthly report made of their state to Regimental Head Quarters.

All Registers and Accounts to be furnished with these drafts from the Depôt, as far as practicable, and the Officers Commanding the Regiments on Foreign Service, from which they are transferred will complete the deficient Records and information as early as possible.

The Drafts from Regiments on Foreign Service, *numerically* detailed are to be sent to the Coast by the first favourable opportunity to join the Regiment to which the individuals are removed, and Brigadier General Cotton is requested to give the necessary orders to this effect, and to direct the required Registers and Accounts to be sent with each detail.

The undermentioned Privates of Regiments on Foreign Service now at the Infantry Recruiting Depôt are drafted as follows, and are to be sent to join and furnished with Registers, Pay Certificates and other vouchers as above directed.

1. The Honorable the Governor in Council deems it expedient to cancel the 24th Paragraph of the Regulations for the Family Certificate Department, published in General Orders dated 22d July 1814, concerning losses occasioned by payments made to Families for periods between the dates of Casualties, and of reports thereof reaching the Superintendent ; and to direct, that the following course shall be observed in future regarding those charges.

2. The Superintendent's Bills, prepared in every respect as heretofore,

are to be sent to the Adjutant General's Department, in order that it may be certified on the face thereof that no improper delay appears to have occurred in the notification of the Casualties—the Bills so authenticated are to be sent by the Superintendent to the Military Auditor General, who is authorized to pass them for payment.

3. In cases when it may appear, by communications received by the Adjutant General from the Corps or Departments on whose account the charges are made, that the Notifications of Casualties to the Superintendent have been improperly delayed, and that payments on the Family Certificates of the deceased Troops have been occasioned thereby, which would not otherwise have taken place, the Adjutant General is to withhold his Certificate, noting on the Superintendent's Bills the date on which the communications from the Corps or Departments reached his Office, and the Superintendent is to call on the parties to account for their neglect in not reporting the Casualties at an earlier period, holding them responsible for the excess charges arising therefrom.

4. On receipt of the replies, or explanations of the parties, the Superintendent is to transmit them with the Bills to the Military Auditor General who is authorized to pass the charges, if he considers the delay satisfactorily accounted for, that is, as having been occasioned, by circumstances over which the parties had no control—otherwise the Bills are to be rejected, and the Superintendent is to proceed to the recovery of the amount, in the manner directed by General Orders 16th April 1822—adhering also to the rules prescribed by that Order, in the case of appeals to Government being desired.

G. O. C. C. 28th November 1805 is republished for general information, and the attention of Commanding Officers of Corps particularly called thereto.

"The benefit to be derived by the Native Branch of the Army from "Vaccination induces the Commander in Chief to desire, that Commanding Officers "will recommend to the Soldiers of their Corps, and to the Followers of them, who "have not had the Small Pox to be vaccinated; and, for the purpose of Vacci- "nating Soldiers and Followers, Medical Officers of Corps are directed to apply for "Vaccine Fluid either to the Superintendent of Vaccination at the Presidency, or "to the nearest European Vaccinator."

"A Return of the numbers vaccinated shall be made Monthly by Medi- "cal Officers to the Superintendent."

With reference to the existence of Small Pox amongst the Sepoys and Followers of the Army it is directed, that every Recruit, on being entertained for the Service shall be specially examined by the Medical Officer; and, if it shall not satisfactorily appear that he has either had the Small Pox or been vaccinated, he shall be required to submit to the Vaccine Inoculation—The Medical Officer can always be supplied with Vaccine Matter on application to the Local Superintendent at the Station, or in its neighbourhood, or to the Superintendent General as the case may be. It is recommended that, where the Sepoy may evince any dislike to the operation from prejudice of Cast, the Native Vaccinators in the employ of Government when at hand, may operate under the Inspection of the Medical Officer.

Great inconvenience having occurred to the Public Service from the optional removal of Writers employed on Public Pay in the Offices of Officers in the Staff and in the Departments both Divisional and Regimental; these individuals are hereafter invariably to be considered as Public Servants not removable at the option of Officers in charge of such Offices without communication with the Commanding Officer or Head of the Department, who will be the best judge of the expediency of such removal, and who is responsible for the efficiency of every branch of the Department under his Command. Although such Writers are not enrolled and mustered as followers, they are nevertheless supported by an allowance granted by Government for that especial purpose, and their removal at the option of Subordinate Staff or Departmental Officers has been an innovation upon the spirit of the Regulations of the Service.

G. O. BY GOVERNMENT.

FORT ST. GEORGE, 9TH MAY, 1826.

The Honorable the Governor in Council has much satisfaction in publishing to the Army of Fort St. George the following General Order by the Right Honorable the Governor General in Council.

FORT WILLIAM, 11TH APRIL, 1826.

General Orders by The Right Honorable The Governor General in Council.

The Relations of Friendship between the British Government and the State of Ava having been happily re-established by the conclusion of a Definitive Treaty of Peace, the Governor General in Council performs a most gratifying act of duty, in offering publicly his cordial acknowledgments and thanks to Major General Sir Archibald Campbell, and the Army in Ava, by whose gallant and persevering exertions the recent contest with the Burmese Empire has been brought to an honorable and successful termination.

In reviewing the events of the late War, the Governor General in Council is bound to declare his conviction that the achievements of the British Army in Ava have nobly sustained our Military reputation, and have produced substantial benefit to the national interests.

During a period of two years from the first declaration of hostilities against the Government of Ava, every disadvantage of carrying on War in a distant and most difficult country has been overcome, and the collective Forces of the Burman Empire, formidable from their numbers, the strength of their fortified positions, and the shelter afforded by the nature of their Country, have been repeatedly assailed and defeated. The persevering and obstinate efforts of the Enemy to oppose our advance having failed of success, and his resources and means of further resistance having been exhausted, the King of Ava has, at length, been compelled to accept of those terms of Peace, which the near approach of our Army to the Gates of his Capital enabled us to dictate. Every object, the Governor General in Council is happy to proclaim, for which the War was undertaken, has been finally and most satisfactorily accomplished.

With sentiments of the highest gratification, His Lordship in Council further declares his persuasion, that the result of the contest, by teaching the Burman Nation to know and respect the Power which it had for a series of years insulted, by its haughty demands and unprovoked aggressions, will prevent the interruption in future of those friendly relations, which it is the interest of both States to maintain, will pave the way, for a freedom of intercourse hitherto unknown, and promises to open to Commerce new and advantageous sources, calculated to promote the interest and the prosperity of both Countries.

To the consummate Military talents, energy and decision manifested by Major General Sir Archibald Campbell, to the ardour and devotion to the Public Service, which his example infused into all ranks, and to the confidence inspired by the success of every Military operation which he planned and executed in person, the Governor General in Council primarily ascribes, under Providence, the brilliant result that has crowned the gallant and unwearied exertions of the British Troops in Ava. Impressed with sentiments of high admiration for those eminent qualities so conspicuously and successfully displayed by Major General Sir Archibald Campbell, His Lordship in Council rejoices in the opportunity of expressing to that distinguished Soldier, in the most public manner, the acknowledgments and thanks of the Supreme Government for the important service he has rendered to the Honorable East India Company, and to the British Nation.

The thanks of Government are also eminently due to the Senior Officers, who have so ably and zealously seconded Major General Sir Archibald Campbell in his career of victory. Brigadiers General Cotton, MacBean, and MacCreagh deservedly hold a high place in the estimation of his Lordship in Council, who has repeatedly had occasion to notice, with applause, the gallantry, skill, and promptitude displayed by those Officers in the execution of the various important operations entrusted to their direction.

Animated by the same noble spirit, Brigadiers Miles, Shaw, Elrington, Armstrong, Smelt, Hunter Blair, Brodie, Pepper, Parlby, Godwin, Hopkinson and Sale, have entitled themselves to the distinction of receiving from the Governor General in Council, on this occasion, the renewed expression of the sense entertained of their eminent services, for which they have on various occasions received the thanks of Government through Major General Sir Archibald Campbell.

Amongst those zealous and gallant Officers, some have been more fortunate than others in enjoying opportunities of performing special services. The ability with which Lieutenant Colonel Godwin, of His Majesty's 41st, achieved the conquest of the fortified Town of Martaban, and its dependencies, appears to confer on that Officer a just claim to the separate and distinct acknowledgments of the Governor General in Council. In like manner, Lieutenant Colonel Miles, and Brigadier General MacCreagh, have entitled themselves to the special thanks of Government for their services, the former in the capture of Tavoy and Mergui, and the latter in that of the Island of Chedúba.

The limits of a General Order necessarily preclude the Governor General in Council from indulging the satisfaction of recording the names of all those Officers, whose services and exploits at this

moment crowd upon the grateful recollection of the Government, by whom they were duly appreciated and acknowledged at the time of their occurrence. His Lordship in Council requests that those Officers will, collectively and individually, accept this renewed assurance that their meritorious exertions will ever be cordially remembered.

The frequent mention in the Public Dispatches of the gallantry and zeal of Lieutenant Colonel Sale deservedly marks that Officer as one who has established peculiar claims to the distinguished notice of His Lordship in Council; the services of the Bengal and Madras Foot Artillery under Lieutenant Colonel Hopkinson and Lieutenant Colonel Pollock, and of the Bengal Rocket Troop and Horse Artillery under Captains Graham and Lumsdaine, demand also the special acknowledgments of Government. The Governor General in Council acknowledges, with peculiar approbation, the gallant and indefatigable exertions of that valuable Corps the Madras Pioneers, under Captain Crowe. His Lordship in Council desires further to express the high sense which Government entertains of the zealous and meritorious services of Lieutenant Colonel Tidy and Major Jackson and the Officers of the Adjutant General's and Quarter Master General's Departments and of Captain Snodgrass, Military Secretary and Captain John Campbell, Personal Staff of the Commander of the Forces in Ava. The services of Superintending Surgeon Heward and the Officers of the Medical Department, and of Captain Fiddes and the Officers of the Commissariat, are fully appreciated by his Lordship in Council.

The Governor General in Council finds himself at a loss for adequate terms to describe the satisfaction with which the Government regards the general good conduct of the Troops, European and Native, who have served in Ava. Their patient endurance of the fatigues, privations and sickness to which they were unavoidably exposed in a hostile country, and in an inclement season, subsequent to the Capture of Rangoon, was not less conspicuous and praiseworthy than the spirit and determined resolution with which they maintained, during that period, an incessant and most harassing warfare of posts. Their irresistible gallantry in storming the Burmese Stockades, however strong their defence by nature or art, and the success which crowned their repeated encounters with the enemy, reflect equal credit on the Troops who achieved those exploits, and on their Leaders, who justly confiding in British energy, discipline, and courage, were never deterred by the most formidable disparity of numbers or difficulties of position from assaulting the enemy whenever the opportunity could be found.

While the Governor General in Council enumerates, with sentiments of unfeigned admiration the 13th, 38th, 41st, 89th, 47th, 1st or Royals, 87th and 45th Regiments, the Honorable Company's Madras European Regiment, and the Bengal and Madras European Artillery, as the European Troops, who have had the honor of establishing the renown of the British Arms in a new and distant region, His Lordship in Council feels, that higher and more justly merited praise cannot be bestowed on those brave Troops than that amidst the barbarous hosts whom they have fought and conquered, they have eminently displayed the virtues and sustained the character of the British Soldier.

To the Native Troops of the Honorable East India Company, who have so often successfully emulated their European Comrades in Arms, the highest meed of approbation and applause is not more cheerfully accorded than it has been honorably won. The Madras Sepoy Regiments, destined for the Expedition to Ava, obeyed, with admirable alacrity and zeal, the call for their services in a foreign land, involving to them many heavy sacrifices and privations. This devotion to their Government reflects the highest credit on the character of the Coast Army, not more honorable to themselves than it is doubtless gratifying to the Government of Fort St. George, as affording unequivocal proof of the sentiments of gratitude and attachment with which that Army acknowledges the paternal anxiety and care that ever watches over and consults its best interests and welfare. The detachments of the Bengal Native Troops employed in Ava, consisting of a portion of the Governor General's Body Guard, Commanded by Captain Sneyd, and details of Native Artillery, have been animated throughout by the noblest spirit of gallantry and zeal; the former, more especially, are in a peculiar degree, entitled to the warmest thanks of the Supreme Government for their voluntary offer of Service beyond Sea, and for their distinguished conduct in the Field under their native as well as European Officers.

The conduct of that portion of the Naval branch of the Expedition which belongs to the East India Company has been exemplary and conspicuous for gallantry and indefatigable exertion, and it has fully shared in all the honorable toils and well earned triumphs of the Land Force. The Governor General in Council experiences the most sensible gratification, in offering to Commodore Hayes, to Captain Hardy, Senior Captain of the Bombay Marine, and to the several Commanders and Officers of the Bombay Cruizers, which have been employed in the Irrawuddy, and to the Officers in Command of the Armed Brigs and Divisions of Gun Boats, the cordial thanks of Government for their zealous and meritorious services. Although not Commanding in person the Honorable Company's Naval Force in the Irrawuddy, Commodore Hayes has amply entitled himself to the special notice and consideration of Government on this occasion, since it was mainly owing to his professional and unremitting exertions that the Armed Flotilla from this Port was so efficiently equipped, and thus enabled to acquit itself in a manner which has repeatedly been honored with the approbation of His Excellency the Naval Commander in Chief of His Majesty's Squadron in the East Indies, and the Officers of the Royal Navy, under whose orders they have been employed, in conjunction with the Armed Boats of His Majesty's Ships. The Governor General in Council has not overlooked the spirit and bravery characteristic of British Seamen, manifested by several of the Masters and Officers of Transports and Armed Vessels in various actions with the Burmese in the vicinity of Rangoon.

It belongs to a higher authority than the Government of India to notice, in adequate and appropriate terms, the services of His Majesty's Squadron, which has co-operated with His Majesty's and the Honorable East India Company's Land Forces, in the late hostilities with the Government of Ava. The Governor General in Council, however, gladly seizes this opportunity of expressing the deep sense of obligation with which the Supreme Government acknowledges the important and essential aid afforded by His Excellency Commodore Sir James Brisbane in person, as well as by the Officers, Non-Commissioned Officers, Seamen and Marines of His Majesty's Ships, which have been employed in the Irrawuddy. Inspired by the most ardent zeal for the honor and interests of the Nation and the East India Company, His Excellency the Naval Commander in Chief, lost no time in proceeding with the Boats of the Boa-

dicea to the Head Quarters of the British Army at Prome, and directing in person the operations of the River Force, rendered the most essential service in the various decisive and memorable actions which, in the month of December last, compelled the Burmese Chiefs to sue for Peace.

But, while recording his gratitude to those who have partaken of, and survived this arduous contest, the Governor General in Council must also advert to the early and deep regret occasioned by the death of Commodore Grant, under whose personal direction the ships of the Expedition first proceeded against Rangoon. The heartfelt satisfaction arising from the success of the British Arms in the Burman Dominions, must now also be tempered with feelings of sorrow for the loss of the many brave Officers and Men who have fallen in the course of the War. Their Memory will ever be associated with the heroic deeds, and splendid triumphs of the British Army in Ava, and will be regarded with affection and respect by their Sovereign and their Country.

In testimony of the brilliant services achieved by the Army under the Command of Major General Sir Archibald Campbell, the Governor General in Council is pleased to resolve, that all the Corps, European and Native, in the service of the Honorable the East India Company, who have been employed in the Burman Country, including the Corps which were detached by that Officer from his more immediate command, for the conquest of the Enemy's possessions of Cheduba, Negrais and Bassein on the one side, and Martaban, Ye, Tavoy and Mergui on the other, shall bear on their Regimental Colors the word "Ava," with the words "Rangoon," "Donabew," "Prome," "Malloon," and "Pagham," as they may have been respectively present at one or more of the actions at those places. With respect to the King's Regiments, the Governor General in Council will recommend to His Majesty through the proper channel, to grant the same distinction to them. Medals also, bearing a suitable device, are to be distributed to all the Native Troops which at any period during the War were employed under the Command of Major General Sir Archibald Campbell, including the Officers and Men of the Flotilla and Gun Boats serving in the Irrawuddy.

The Governor General in Council cannot conclude these General Orders, expressive of his high approbation of the merits and services of the Army, under Major General Sir Archibald Campbell, without intimating, at the same time, his entire satisfaction with the conduct of the two divisions of British Troops, intended to penetrate into Ava from our North-Eastern and South-Eastern Frontiers, and also of the British Force employed in the expulsion of the Enemy from the country of Assam.

The latter service, namely, the conquest of Assam, was achieved by the Force under Lieutenant Colonel A. Richards, with the most complete success, the Capital, Rungpore, having surrendered on terms, and the Burmese Troops having been entirely expelled from that Country.

On the side of Cachar, physical difficulties of an insurmountable nature having arrested, at its very outset, the progress of the Army under Brigadier General Shuldham, no opportunity was afforded to that Army of displaying those qualities of courage, perseverance, and zeal, which the Governor General in Council is satisfied it possessed in common with its more fortunate brethren in Ava.

Similar and no less serious impediments, ultimately opposed the advance of the fine Army under Brigadier General Morrison over the mountains of Arracan into the valley of the Irrawuddy; but the capture, by the Detachment under Brigadier W. Richards of the Fort and Heights of the capital of Arracan, afforded an earnest of what would have been effected, had opportunities offered, by the judgment, prudence and skill of the Commander and Officers of that Division, and by the valor, zeal, and intrepidity of the Troops of which it was composed. The Governor General in Council deeply laments the general sickness which attacked, and utterly disabled for further effective service, the South Eastern Division of the Army, and the loss of many brave Officers and men, who fell victims to the noxious climate of Arracan.

In testimony of the high sense entertained by Government of the services of the Troops, by whom the Provinces of Assam and Arracan were conquered, the Governor General in Council is pleased to order, that the several Native Corps who were employed in those countries, shall respectively bear on their colours the words "Assam" and "Arracan" as the case may be, and His Majesty will be solicited to grant to the 44th and 54th Regiments the same distinction. In further proof of the approbation with which the Government regards the meritorious conduct of its Native Troops serving in foreign countries, Medals, with an appropriate device, shall be presented to the Troops which assisted at the conquest of Assam and Arracan.

By Command of the Right Honorable the Governor General in Council.

The Commander in Chief is pleased to publish to the Army the following General Order by His Excellency the Right Honorable the Commander in Chief in India.

Sir George Walker is particularly gratified to find, that the Madras Army has on all occasions merited, the Soldier's best reward—the approbation of his Superiors! and His Excellency trusts, that they will be confident, he participates in every sentiment which marks the Military qualities that distinguish them as an Army.

General Orders by His Excellency The Right Honorable The Commander in Chief.

Head Quarters: Calcutta, 14th April, 1826.

The Services of the Army lately employed against the State of Ava having been successfully terminated by the conclusion of an honorable Peace dictated to that Power; The Right Honorable the Commander in Chief in India embraces the happy occasion, to express to the Troops of His Majesty and of the Honorable Company from the Presidencies of Fort William and Fort St. George, who were employed in the late war, his best thanks, and acknowledgements for their highly praiseworthy conduct on every occasion which presented itself for distinguishing themselves.

The difficulties met with by the Troops during the progress of hostilities, in every quarter in which the war was carried into the Enemy's Country were of a nature surpassing what has ever before been

experienced in India, while the baneful effects of the extremely noxious climate in which the Troops had to maintain their positions, added to the severe privations and fatigues to which they were unavoidably exposed throughout the whole period of their Service have been borne without a murmur.

Owing to these causes, the losses sustained by the Army during two years of hostility have been great beyond example, and cannot be remembered, without the deepest sympathy and regret, whilst the zealous devotion and fortitude manifested by those who have borne up against such aggravated distresses, must ever be a theme of applause and admiration.

His Excellency is also highly gratified in having to observe, that the conduct of the several Corps and Detachments, on every occasion, where the Enemy gave them an opportunity of engaging, was fraught with that spirit of Gallantry and Courage which ever distinguishes a British Soldier, and through which they invariably overpowered and defeated the Enemy ; the successful results of their Services are to be appreciated by the terms upon which the war has happily been brought to a conclusion.

To Major General Sir Archibald Campbell, K. C. B. Lord Combermere has to offer the expression of his high admiration of the manner in which the Service in Ava has been achieved ; and His Excellency does not fail to recollect with applause the services of Brigadier General Morrison, C. B. in the reduction of the Province of Arracan as well as of Lieutenant Colonel A. Richards, in reducing the Enemy's power in the Province of Assam.

Amidst the great variety and extent of successful operations which have marked the progress of the war, it would be difficult to enumerate the several occasions or to particularize the names of the many Officers who, in the Command of Divisions, Brigades, Corps and Detachments, or of those who employed on the Staff of the several Armies, have had opportunities of bringing themselves into notice ; yet His Excellency feels it due to the following Officers to acknowledge with applause and approbation the sense he entertains of the important services performed by them.

Brigadier General MacBean, C. B. Second in Command with the Army in Arracan, and Commanding the Expedition against Ramree.

Brigadier General Willoughby Cotton, Second in Command under Sir Archibald Campbell, and Commanding the Madras Division in Ava.

Brigadier General M. MacCreagh, C. B. Commanding the Bengal Division in Ava, and at the reduction of Cheduba.

Brigadier E. Miles, C. B. Commanding at the reduction of Tavoy and Mergui.

Brigadier H. Godwin, Commanding at the Capture of the Fortified Town of Martaban.

Brigadier W. Smelt, Commanding the Lower Provinces and at Rangoon, who by the report of Sir Archibald Campbell has distinguished himself by the zeal and judgement with which he conducted the arduous and difficult duties of his Post in co-operation with the Army in advance.

To these Officers, Lord Combermere offers his cordial thanks and acknowledgements.

It will be a most pleasing duty to His Lordship to render justice to the above meritorious Officers, as well as to many more of His Majesty's and the Honorable Company's Services, who have been specially reported, as having availed themselves of opportunities of acting a distinguished part, by bringing them to notice for such marks of favor as His Majesty may be graciously pleased to consider their services merit.

There are, likewise, many other Officers whose names could not be included in the above enumeration, who have been reported to the Commander in Chief for favorable consideration—To them, Lord Combermere desires to offer his assurance that their merits and claims will be held in recollection, and that their future prosperity and advancement will form an object of His Lordship's anxious desire.

By order of His Excellency The Commander in Chief.

Confirmed.

(Signed) G. T. WALKER, Lieut. Genl.
and Commander in Chief.

The Commander in Chief has confirmed, though he does not approve the finding of the Court, which acquits the Prisoner Marriapah of the entire Charge upon which he was arraigned. The contradictory Evidence given by some of the witnesses, as well as the fact to which testimony is given that no malice existed between the Prisoner and the Deceased, might justly influence the Court to acquit him on the first Charge; but it is clear the Prisoner knew it was his duty not to quit his Post, and it is established by Evidence, that the deceased Cundapah *persuaded* but did not *order* him to do so. The prisoner Marriapah is therefore guilty of the Charge of quitting his Post, the consequence of which breach of order was, a murder, of which though he might not be the author, yet the consequences which followed that breach of duty magnified the Crime, and his acquittal is at variance with the Evidence and facts proved.

(Signed) G. T. WALKER, Lieut. Genl.
and Commander in Chief.

GENERAL ORDERS,

BY HIS EXCELLENCY THE COMMANDER IN CHIEF.

HEAD QUARTERS: CHOULTRY PLAIN,

2D MAY, 1826.

The following Extracts from the Confirmed Proceedings of a General Court Martial assembled at Bangalore on the 3d day of April 1826, and continued by adjournments by virtue of a Warrant from His Excellency Lieutenant General Sir G. T. Walker, G. C. B. and K. T. S. are published to the Army.

"GENERAL ORDERS."

"HEAD QUARTERS: MADRAS, 1*st May*, 1826.

"Major J. F. Paterson of His Majesty's 13th Light Dragoons was arraigned on the following "Charges, viz.

"For highly unofficer-like and disrespectful conduct towards me, his Senior Officer, in the "following instances.

1st. "In stating on or about the 16th Instant with a view to justify the breach of a Regimental Order, that he had directed the assembly of a Regimental Court Martial for the trial of "Private John Brown, His Majesty's 13th Dragoons, in consequence of information obtained from "Adjutant Rosser—whereas the Order for the assembly of the said Court, was issued before the "information (falsely said to have occasioned it) had been communicated to him, or words to the "same effect."

2d. "In evading repeated applications made by me for an explanation of the apparent contradiction expressed in the first Charge."

BANGALORE, *20th February*, 1826.

(Signed) S. BOYSE, Lieut. Col. H. M. 13th Drags. Comg. Bangalore.

Upon which Charges the Court came to the following decision.

Lieut. Colonel Paterson's promotion to his present Rank was officially announced, subsequently to these Charges being preferred.

"The Court find the Prisoner Lieutenant Colonel Paterson, His Majesty's "13th Light Dragoons, guilty of the first Charge, with the exception of the word "falsely," the mis-statement appearing to have been inadvertently, not wilfully made, nor was it made with a view to justify the breach of a Regimental "Order."

"The Court find the Prisoner guilty of the second Charge, viz. In evading repeated applications made by Lieutenant Colonel Boyse, C. B. for an explanation of the apparent contradiction "expressed in the first Charge—such conduct being unofficer-like and disrespectful."

"The Court having found the Prisoner Lieutenant Colonel Paterson, His Majesty's 13th "Light Dragoons, guilty as above stated, which being in breach of the Articles of War, do "sentence him the said Lieutenant Colonel Paterson, *to be reprimanded*, in such manner as His "Excellency The Commander in Chief may deem fit."

"The Court re-assembles in obedience to orders from His Excellency The Commander in "Chief as conveyed in a letter from the Deputy Adjutant General His Majesty's Forces to "revise their former Sentence.

Revised Opinion.—"The Court having taken into mature deliberation the preceding Letter of His Excellency The Commander in Chief, feel themselves bound to adhere to their former opinion."

On the reasons assigned by the Court, I confirm the Finding and Sentence.

(Signed) G. T. WALKER,
Lieutenant General.

The Reprimand which it is Lieutenant General Sir George Walker's duty here to communicate to Lieutenant Colonel Paterson, will, he hopes, admonish him to be more particular in future, in all explanations required by his Senior Officer, and to bear always in mind, that, however severe the terms in which they may be addressed, it is a duty to the Service of his Country that he is fulfilling, and not to be considered an act of subserviency to the Individual.

The Lieutenant General cannot however but regret that it should have been found necessary to assemble a Court Martial at so great an expense and inconvenience, both to the Individuals and Government, and to have placed an Officer of Rank in a situation so painful to his feelings on a trifling misunderstanding which five minutes personal conversation, with a due suavity of manner, might have cleared up. He cannot but deprecate communication by Letter between Officers in the succession of Command, where personal explanation can be obtained, independent of great waste of time that might be more usefully employed; it must be in every one's observation, that a gentlemanly manner and tone of voice (always to be expected between Officers) will often give a moderate and proper expression to a phrase, which may, in a letter, appear harsh and offensive; and when it is recollected how much the public service suffers by such misunderstandings, and what bad example they hold out—the Lieutenant General must require personal communication to be adopted, when practicable, on all matters of duty between Officers in the immediate succession of Command, when it is necessary to enter into explanation or detail.

The Lieutenant General must at the same time desire that Officers in superior Command may abstain as much as possible from interfering in the interior details of Regiments. Nothing but repeated irregularities can excuse this, as it must evidently imply negligence or incapacity on the part of the actual

Commander, and in so much weaken the respect necessary to his authority—and when irregularities or mismanagement really requiring such interference, do actually occur, the case is of such a nature as necessarily to form a report to the Superintending General for the information of the Commander of the Forces. In the mean time the chain of responsibility must be kept up in all its links, giving as well as taking the respect due to each, and the Lieutenant General will feel bound to notice any breach of it. Lieutenant Colonel Paterson is now released from his arrest and is to re-assume his Command.

This Order is to be entered in the General Order Book, and read at the head of every Regiment in His Majesty's Service on the Establishment of Fort St. George.

By order of His Excellency Lieutenant General Sir George Walker, G. C. B. and K. T. S.

(Signed) R. TORRENS, Lieut. Col.
Deputy Adjutant General His Majesty's Forces.

HEAD QUARTERS: CHOULTRY PLAIN, 10*th May*, 1826.

HEAD QUARTERS:
MADRAS, 9*th May* 1826.

GENERAL ORDERS.

Lieutenant George Berwick of His Majesty's 13th Light Dragoons was arraigned on the following Charges, viz.

"For conduct unbecoming an Officer and a Gentleman, in involving himself in pecuniary "transactions with the Non-Commissioned Officers under his immediate command, calculated to "weaken the ties of authority and respect which are essential to the due preservation of military "discipline.

"In the following instances, viz.

1st. "In having borrowed from a Mr. Cormack during the month of May last, through the "instrumentality, and upon the security of Troop Serjeant Major M'Naughton, His Majesty's "13th Dragoons the sum of Fifteen-hundred Rupees, or thereabout, upon the plea, that his Com- "mission was at stake, and undertaking to repay the same by certain specified instalments within a "stated period, which engagement he did not fulfil, having at the expiration of the given time paid "only Five hundred Rupees, thereby rendering Serjeant Major M'Naughton responsible for the "payment (with interest) of the remaining part of the debt, or in case of failure, subject to the "Penalties of the Law."

2d. "In having during the month of September last borrowed the sum of Two thousand Four "hundred and fifty Rupees, or thereabouts from the said Serjeant Major Alexander M'Naughton, "to purchase a House from Quarter Master Minchin, which House he falsely represented for a "considerable time as his own bonâ fide property, although he had previously stipulated that it "was immediately upon its purchase to become the property of the said Serjeant Major M'Naugh- "ton, and though upon the Title Deeds a legal transfer thereof to Serjeant Major M'Naughton "is subscribed by Lieutenant Berwick dated 16th September 1825, the day following that on "which he purchased it from Quarter Master Minchin.

3d. "In having agreed to hire the said House from Serjeant Major M'Naughton at a Monthly "Rent of 12 Pagodas, the terms of which agreement he has not fulfilled, being now indebted to "Serjeant Major M'Naughton on that account in the sum of One hundred and fifty Rupees or "thereabout.

4th. "In having borrowed, on or about the beginning of December last, from Troop Ser- "jeant Major Richard Baxter, His Majesty's 13th Dragoons, the sum of Eleven-hundred "Rupees or thereabout, promising to repay the same by transferring to Serjeant Major Baxter "monthly, the surplus that might remain of the money to be received on account of the Troop "Contract after discharging the cost of such line articles as might be provided by the Serjeant "Major, thus rendering the duty of the Serjeant Major inimical to his interest, and violating "the spirit of Regimental Orders."

5th. "In having neglected to fulfil the above engagement, entered into for the gradual liqui- "dation of his debt to Serjeant Major Baxter, and having on the contrary increased the same by "not paying even for the whole of the line articles furnished by the Troop Serjeant Major since "the agreement was made."

"The whole of such conduct being in breach of the Articles of War, and subversive of disci- "pline, as especially set forth in General Orders by the late Commander in Chief in India, "General The Honorable Sir Edward Paget, G. C. B. and republished at Madras on the 30th "April 1824."

Upon which Charges the Court came to the following decision.

Finding.—"The Court having maturely weighed the Evidence on the prosecution, together with what the "Prisoner has urged in his defence, is of opinion that he, Lieutenant Berwick, His Majesty's "13th Light Dragoons, is guilty of the first part of the first Charge, viz.

"In having borrowed from a Mr. Cormack during the month of May last, through the instru- "mentality of Troop Serjeant Major Alexander M'Naughton, the sum of Fifteen-hundred Rupees "or thereabout; but do acquit him of all the remaining part of the first Charge."

"The Court fully and honorably acquit the Prisoner of the second Charge."

"The Court fully and honorably acquit the Prisoner of the third Charge."

"The Court find the Prisoner guilty of that part of the fourth Charge, viz.

"In having borrowed on or about the beginning of December last from Troop Serjeant Major "Richard Baxter, His Majesty's 13th Dragoons, the sum of Eleven-hundred Rupees, or

" thereabout, promising to repay the same by transferring to Serjeant Major Baxter monthly,
" the surplus that might remain of the money to be received on account of the Troop Contract
" after discharging the cost of such line articles, as might be provided by the Serjeant Major, but
" acquit him of the remaining part of the fourth Charge."

" The Court fully and honorably acquit the Prisoner of the fifth Charge."

" The Court acquit the Prisoner of ungentleman-like conduct, but having found him guilty,
" as above stated, which conduct being unbecoming an Officer, subversive of discipline, and in
Sentence " breach of the Articles of War, do sentence him, the said Lieutenant Berwick, His Majesty's
" 13th Dragoons, to lose one step, by being placed immediately below the Lieutenant, who, at
" this date, stands next to him in the list of Officers of His Majesty's 13th Dragoons."

" The Court having reassembled for the purpose of revising their Finding and Sentence, if
" there should appear grounds for so doing, in obedience to the Orders of His Excellency The
Revised " Commander in Chief, as conveyed in the Deputy Adjutant General's Letter of the 24th April
Finding " last, do after mature deliberation abide by their former opinion on the first Charge."

" The Court acquit the Prisoner of the second Charge."

" The Court abide by their former opinion on the third Charge."

" The Court abide by their former opinion on the fourth Charge."

" The Court fully acquit the Prisoner of the fifth Charge."

" The Court acquit the Prisoner of ungentleman-like conduct, but having found him guilty,
" as above stated, which conduct being unbecoming an Officer, subversive of discipline, and in
" breach of the Articles of War, do sentence him, the said Lieutenant Berwick, His Majesty's
" 13th Dragoons, to lose one step, by being placed immediately below the Lieutenant, who,
" at this date, stands next to him in the List of Officers of His Majesty's 13th Dragoons."

The Finding and Sentence of the Court (as on the last page) is hereby confirmed.

(Signed) G. T. WALKER,
Lieutenant General.

After the patient investigation and attention with which the Court has gone through the accompanying proceedings, however different the opinion of the Lieutenant General may be on the result, it is with great regret that he feels his duty to the public service will not allow him to attend to its recommendation, in favour of the Prisoner. Under the generally known principles of the Service, it would be imagined that every Military, every gentlemanly feeling, would revolt at the idea of a pecuniary obligation to a Non-commissioned Officer or Private, and that the most ignorant, would be aware how much it must strike at the root of subordination, and discipline; but in this instance, obligations of this nature have been contracted in the very face of a clear and distinct Order upon the subject, by the late Commander in Chief of India (General Sir Edward Paget) published to this Army April 30th, 1824. There cannot then be found the slightest colouring of an excuse for the conduct of the Prisoner, and he may think himself most fortunate in the charitable construction of the Court and the slight sentence it has awarded for a crime of so mischievous a tendency. This sentence is to be carried into execution, and the Prisoner released from arrest.

The Lieutenant General cannot, however, pass over this occasion of expressing his great surprise at the prevalence of so degrading a custom in one of His Majesty's Regiments as has been developed in these proceedings, a custom grown to such an extent as to be quoted even in extenuation. Is it possible that this can have existed without the knowledge of the Commanding Officer, if he fulfils his duty to the Corps placed under his Command, and thus no less under his moral protection.? The Lieutenant General must consider that it bespeaks great inattention on his part, and he must hold him responsible that it shall be eradicated. A Band of Money Lenders must be very unfit for the duties of Non-Commissioned Officers—and Officers, who borrow of them, as unfit to Command, and he can have little doubt of the consequences which such a state of degradation will bring upon the Corps, should any further example of it appear.

This Order is to be entered in the General Order Book, and read at the head of every Regiment in His Majesty's Service on the Establishment of Fort St. George.

GENERAL ORDERS.

Lieutenant Colonel Boyse, 13th Light Dragoons, Commanding the Cantonment of Bangalore, was arraigned on the following Charge preferred against him by Major General Sir Theophilus Pritzler, K. C. B. Commanding the Mysore Division of the Army.

" For disrespect to me as the Officer Commanding the Division in treating my orders with
" contempt, by issuing a Regimental Order, bearing date 7th February 1826, in direct opposition to
" the instructions conveyed to him personally by me on that day, before the Commanding Officer
" and Officers of His Majesty's 13th Dragoons assembled for that purpose, and in communicating
" the same through the Adjutant of the 13th Dragoons in direct and immediate disobedience of those
" my orders."

" Such conduct on the part of Lieutenant Colonel Boyse, being unbecoming his character as
" an Officer, prejudicial to His Majesty's Service, and subversive of all order, and Military regu-
" lation and discipline.

Bangalore, 15*th April*, 1826.

(Signed) T. PRITZLER, Major General,
Commanding Mysore Division.

Upon which Charge the Court came to the following decision.

Opinion.—" The Court having taken in mature consideration the Evidence on the prosecution, together " with what Lieutenant Colonel Boyse, C. B. has adduced in his defence, is of opinion, that he " Lieutenant Colonel Boyse, C. B. His Majesty's 13th Light Dragoons, is not guilty of the crime " laid to his charge—and do therefore most fully and most honorably acquit him of all and every " part thereof."

The above Finding and Sentence is Confirmed.

(Signed) G. T. WALKER,
Lieutenant General.

Although the Lieutenant General has thought it expedient to confirm the Finding and Sentence of the Court; taking notwithstanding a very different view of the course of its proceedings, he cannot add his approval—and should certainly have sent them back for revision, had it not appeared useless, after the Court had allowed its opinions to be biassed by the admission of a mass of papers and other matter, totally irrelevant to the subject before it, and thence, among other irregularities, licensing the prisoner to place upon the face of its proceedings a most unjustifiable and wanton attack upon the character of an Officer of Rank not under its cognizance, and leaving him therefore without the means of justification. In fact, instead of confining itself to the sole evidence connected with the Charge, viz. the instructions of Major General Sir Theophilus Pritzler, and the Regimental Order issued by the Prisoner; instead of giving its own unbiassed opinion upon the subject submitted to its consideration, it appears to have surrendered its post to the Subalterns of the 13th Light Dragoons, and allowed them to sit in judgement between their General of Division and the Prisoner—The natural consequence of which has been that the facts in issue, facts most important to the discipline of the Army, however distinctly proved, have been lost sight of—viz. That Major General Sir Theophilus Pritzler had given instructions to Lieutenant Colonel Boyse and the Officers of the 13th Dragoons, defining the Command of the *Regiment* as vested in *Lieutenant Colonel Paterson*, who in all respects was to be obeyed as such, forbidding at the same time any other channel of communication to the Officers, either to Lieutenant Colonel Boyse or to himself, but through him—Now as Military Discipline has never yet admitted of the anomaly of two Commanding Officers of the same Corps, this might have been thought sufficiently explanatory, especially to an Officer of 23 years standing—Nevertheless, after hearing these instructions, and on the very same morning, as if in defiance of them, it is proved and admitted that Lieutenant Colonel Boyse took home with him the Adjutant of the Regiment, and this Officer whom he had just heard forbidden to have any communication with him but through the channel of his Commanding Officer (Lieut. Colonel P.) was actually employed by him in the issue of a *Regimental Order*, contrary to the authority just defined by the Major General, as vesting in Lieutenant Colonel Paterson—An order even going to the extent of weakening and degrading the power and respect necessary to the situation, by taking from it all means of reward and leaving with it all the odium of punishment—An order as if intended to keep up that spirit of party, which the instructions of the Major General were specifically intended to overset—An order above all totally disregarding His Majesty's Regulations which strictly defines all the restrictions necessary for Officers in Temporary Command, in forbidding any change of Orders and Regulations previously established by the more permanent Commanding Officers, without superior authority, but no where providing for the double interference of both at the same time.

Mem. That Officer having signed the Returns and being in actual command of the Corps, while Lieutenant Colonel Boyse had held that of Commandant of Bangalore with a Salary for that Duty for upwards a year.

As to the remark of the Major General that Lieutenant Colonel Boyse was the Commanding Officer of Lieutenant Colonel Paterson, as the latter was of the Regiment, it could admit but of one Military sense, that of his Command of the Cantonment, which gave him all necessary authority over the 13th Dragoons as of all other Corps within it, and it can hardly be doubted that all proper instructions issued by him to its Commanding Officer for its welfare would be attended to, or if neglected, he had always the power of reporting that neglect to superior authority, though not of arbitrary interference with the internal management of his inferior, who by signing the Returns, became at once the only acknowledged and responsible Commander, and of course vested with all the power necessary to fulfil his Duties.

The Court however has honorably acquitted the Prisoner Lieutenant Colonel Boyse of all this—He is consequently to be released from arrest and to return to his duty and Command—The Major General of the Division is [redacted] desired to have the order in question expunged from the Regimental Books of the 13th Dragoons as trammelling the authority of the Commanding Officer, and contrary to the spirit and meaning of His Majesty's Regulations, to which *his* attention must however be particularly called—at the same time that, not losing sight of the probable return to Command of his Senior, he will of course be expected to consult with and attend to his recommendations on all important concerns of the Corps, not inconsistent with his responsibility and the due authority necessary to his Command.

These instructions will be entered in the Orderly Books of all His Majesty's Regiments on this Establishment, and will be taken as the Rule of Duty on all similar situations in future.

By order of His Excellency Lieutenant General Sir George Walker, G. C. B. and K. T. S.

Dept. Adjt. Genl. His Majesty's Forces.

HEAD QUARTERS: Choultry Plain, 24*th May*, 1826.

As from some late examples it appears there have existed doubts with some individuals of this Army with respect to the meaning of certain Orders for the guidance of Officers who being Seniors of their Corps may hold at the same time superior Commands at the same Stations—and as the possibility of two persons interfering at the same time in one Command must be attended with the most mischievous effects to Military Discipline, in the creation of parties, the encouragement of trivial complaints, and the lowering of the proper authority—It is for the future to be distinctly understood as the Rule of Duty throughout

this Army, that Officers accepting or executing Superior Commands with or without salaries attached thereto, the duties of which require the Signature of Returns and the Details of their own Corps to be left to the next in rank—resign thereby all authority to interfere personally in the internal management of it for the time being—The immediate and complete Command of which is vested in the Officer who, by his Signature to the Returns, is rendered alone responsible for its Discipline and Character—Junior Officers however so situated being expected to consult and attend to the recommendations of their Seniors in all important concerns of their Regiments not inconsistent with their own responsibility or the due authority necessary to the maintenance of their Commands, keeping always in view the spirit as well as letter of the principles laid down by His Majesty's Regulations of not allowing during his temporary absence any change in the written Orders and Regulation laid down by the more permanent Commanding Officer, in which as all wholesome and necessary restriction is included, no further interference on the part of the Senior can be allowed than what is given by his Superior Command over that Corps in common with all others in his Cantonment, as in the case of a Brigadier General or Colonel on the Staff, where in case of any failure of Discipline or inattention to his proper instructions he has always in his power to report that neglect to superior authority, but in no case can be allowed an arbitrary interference in its internal management.

This Regulation is not however to be construed to extend to the temporary changes of Command arising out of the chance meeting of Corps, or to any temporary Command indeed that does not require the abandonment on the part of the Senior of the Signature of Returns and of the superintendence of the usual details and duties—and to prevent all doubts upon the subject all previous orders inconsistent with the principle here laid down are hence forward to be considered null and void.

The European General Court Martial directed to assemble at Bangalore in General Orders of the 8th March last, and of which Lieutenant Colonel Campbell is President, is dissolved.

The following Extracts from the Confirmed Proceedings of a Native General Court Martial held at Cannanore on Saturday the 13th day of May 1826, are published to the Army.

Charges.—Mootoo, Private No. 36, A. Company 50th Regiment N. I. confined to the Station Guard by order of the Officer Commanding, for disobedience of orders, disorderly and mutinous conduct, on the morning of the 4th Instant, in the following instances.

1st.—For taking off his Regimental Turband and Jacket without orders, on the date stated above, and throwing them in a daring and insulting manner on the ground in presence of the Regiment assembled to witness the formal execution of a Regimental Order issued on the preceding day depriving the said Mootoo of the rank of Havildar, thereby resisting the authority and subverting the purpose of his Commanding Officer to remove his distinguishing stripes from the Jacket, while it was on his person for a better example to the Troops.

2d.—For using on the same occasion, time, and place, language daring and insulting to the authority of his immediate Commanding Officer while in the execution of his duty at the head of the Troops, after being repeatedly ordered and peremptorily commanded to desist.

3d.—For perseveriency in the same mutinous language and disorderly conduct in the presence of the Troops, on the aforesaid occasion, after the Commanding Officer had summoned the Native Officers to the centre of the square for the purpose of forming a Drum Head Court Martial to try him on the spot for irregular conduct, vociferating for trial by a General Court Martial, or immediate death, exclaiming "what sort of a Duryaft is this by Gora admee" or words to the same effect, thereby rendering it expedient for the Commanding Officer to relinquish the advantage of an immediate example, by a course of conduct on the part of the Prisoner that called for his being arraigned before a higher Tribunal.

The whole of these instances being subversive of good order and Military Discipline, and in breach of the Articles of War.

MANGALORE, 4th April, 1826.

(Signed) G. WAUGH, Lieut. Colonel, Comg. 50th Regiment.

By order.

(Signed) T. H. S. CONWAY,
Adjutant General of the Army.

Finding.—The Court finds the Prisoner guilty of so much of the 1st Charge as accuses him of "taking off his Regimental Turband and Jacket without orders" on the day stated in the Charge, but acquits him of the remaining part thereof.

2d Charge—Not guilty.

The Court finds the Prisoner guilty of so much of the 3d Charge as accuses him of calling (not vociferating) for trial, by a General Court Martial, or immediate death, exclaiming "what sort of Duryaft is this by Gora admee," or words to the same effect; but does not attach any criminality to the expression—the Court acquits the Prisoner of the remaining part of the Charge.

Sentence.—The Court not having attached any criminality to the acts of which the Prisoner has been found guilty in the First and Third Charges does not of course award any punishment.

REMARKS.

The Court having disposed of the Charges, cannot consistently with a due discharge of its duty close its Proceedings without calling the attention of His Excellency The Commander in Chief to the following observations, fully aware that they are treading on delicate ground when thus commenting on the conduct of their Superiors; but at the same time remembering that they have sworn duly to administer justice without partiality, favor or affection, and conceiving that it is through such a channel the grievances of the Native Soldiery can find its most legitimate redress.

From the Evidence on record it will appear, that the Prisoner was reduced from the rank of Havildar (which situation he held for eight years, and after a Service of twenty years without being once brought to trial or even confined in the Guard save in the present instance) on the complaint of a young Ensign, Mr. Mackenzie, who had so far forgotten himself and the General Orders which were to be his guide as to strike the Prisoner, then an acting Colour Havildar in front of his Company, on the day on which he was reduced to the Ranks; it does not appear on the Proceedings what the Crime imputed to him was, and the Court does not presume to judge whether he was or was not deserving of being reduced to the Ranks.

On the morning of the 4th April at the Regimental Parade when the Prisoner feeling himself greatly aggrieved, appealed to the decision of a General Court Martial, his Commanding Officer Lieutenant Colonel Waugh, instead of attending to his request repeats the provocation by striking him himself in front of the Regiment, and then sends in Charges against him for mutinous conduct.

The Court feels itself more imperatively called on to make these observations from the circumstance of the Regiment to which the Prisoner belongs having been so locally situated as to prevent his seeking redress from any other quarter at the time than that of his own immediate Commanding Officer.

The Prisoner is now desirous of making an appeal to a General Court Martial to ascertain whether he has justly been degraded from the Rank of Havildar, except His Excellency should be graciously pleased to restore him in consequence of what appears on the face of the above Proceedings.

and Commander in Chief.

The Commander in Chief has deeply to regret the undue severity with which the Prisoner Mootoo, Private in the 50th Regiment Native Infantry has been punished by an unjustifiable exercise of an authority not vested in the Commanding Officer of a Regiment, and altho' His Excellency gives Lieutenant Colonel Waugh full credit, for supposing, that he did, in virtue of a delegated power by his Colonel, possess the right, yet justice, which must at all times be equally administered to all Ranks and Classes of the Army demands that the unauthorized award should be reversed—Lieutenant General Sir George Townshend Walker, G. C. B. and K. C. T. S. therefore directs the immediate restoration of Mootoo to the rank of Havildar in the 50th Regiment Native Infantry without prejudice to his date of rank or standing in the list of Non-Commissioned Officers of that Regiment.

The Native General Court Martial directed to assemble at Cannanore in General Orders of the 28th Ultimo, and of which Subadar Ramaswamy of the 39th Regiment N. I. is President, is dissolved.

Commander in Chief, are published to the Army.

Charges preferred against Captain H. Sargent by Lieutenant Colonel H. Bowdler, Commanding 41st Regiment Native Infantry.

1st. For conduct unbecoming an Officer and Gentleman in having falsely and unwarrantably aspersed the character of Lieutenant and Adjutant Langford (during his absence) by declaring on the 1st Instant, in presence of most of the Officers of the Regiment, that he (Lieutenant Langford) supported Sepoy Chendah Ban in all his evil doings, and connived at his irregularities, he (Captain Sargent) having previously enumerated a number of infamous acts said to have been committed by the said Chandah Ban, such declaration tending to render Lieutenant Langford despicable in the eyes of his brother Officers, and unworthy to hold the situation of Adjutant of the Regiment.

2d. For refusing to sign an apology when allowed the option of so doing, although the matter had been fully investigated by a Court of Inquiry, and my opinion expressed as to the propriety of his amply apologizing to Lieutenant Langford, and which apology had been framed by the Court.

3d. For highly disrespectful conduct towards Captain Keating on Monday the 13th Instant, when sitting as President of a Court of Inquiry assembled by my order to investigate a complaint made by Lieutenant Langford against Captain Sargent, although cautioned by the Court against persisting in such language as he was using.

4th. For writing me his immediate Commanding Officer a most insubordinate and disrespectful letter dated 15th March 1826, in which he arraigns my authority and conduct in having interfered with his Company, and comments in a most improper and insulting manner on my orders, issued on the 14th Instant.

The whole of such conduct being subversive of good order (Military discipline), an evil and most dangerous example to the junior Officers and Men of the Regiment.

KAMPTEE, 18*th March*, 1826. (Signed) H. BOWDLER, Lieut. Col. Comg. 41st Regt. N. I.

By order.
(Signed) F. HUNTER,
Asst. Adjt. Genl. N. S. F.

Additional Charge preferred against Captain H. Sargent by Lieutenant Colonel Bowdler, Commanding 41st Regiment N. I.

Charge.—For writing me his immediate Commanding Officer, most insubordinate and grossly insulting letters bearing date the 24th March 1826 and 18th April 1826; and in the former letter commenting on the severe punishment, viz. one day's confinement, inflicted on Omeedsing Naigue of his (Captain Sargent's) Company, and in the latter letter intended by Captain Sargent to be laid before Colonel M'Dowell, C. B. Commanding Nagpore Subsidiary Force, asserting that I joined in an attack upon his character and approved of the false oath of Jemadar Shaik Sultan, said by Captain Sargent to have been taken before a Regimental Court Martial by that Native Officer, also commenting in the letter of the 18th Instant on my orders issued on the 15th Instant in the Regimental Orderly

Book, and declaring them to be *altogether unnecessary*—and further asserting in the said letter of the 18th Instant, that a cruel and vindictive punishment was awarded to, and executed on, Omeedsing Sepoy, thereby implicating the President and Members of the Regimental Court Martial by whom the said Omeedsing was tried (in an act of injustice) and me for approving and carrying into effect the Sentence of the Court.

The above assertions, with a variety of other impertinent matter contained in the letters of the 24th March and 18th April 1826, being totally subversive of good order and Military discipline, and a most pernicious example to the junior Officers of the Regiment.

CAMP KAMPTEE, 19th *April*, 1826.

(Signed) H. BOWDLER, Lieut. Col.
Commanding 41st Regiment N. I.

By Order.
(Signed) F. HUNTER,
Asst. Adjutant General.

Finding and Sentence.—The Court having maturely considered the Prosecution, as well as what the Prisoner Captain Sargent has urged in his defence, is of opinion as follows.

On the 1st Charge—That he Captain Sargent is guilty of unofficer-like conduct in having unwarrantably used the expressions in the Charge tending to injure Lieutenant Langford (with the exception of the words "and connived at his irregularities"); but the Court acquits him of all other parts of the Charge.

On the 2d Charge—The Court is of opinion that Captain Sargent did refuse to sign the apology offered to him; but it does not attach any criminality to his so doing, as an option was allowed him.

On the 3d and 4th Charges—The Court is of opinion that Captain Sargent is guilty.

On the additional Charge—The Court is of opinion that Captain Sargent is guilty to the full extent, with the exception of the letter bearing date the 24th March 1826—which it considers to be only "improper."

The Court having found the Prisoner Captain H. Sargent of the 41st Regiment N. I. guilty of part of the 1st Charge, of the whole of the 3d and 4th Charges, and part of the Additional Charge, it does Sentence him, the said Captain Sargent, to be suspended from Rank, Pay and Allowances for the period of (6) Six Calendar Months.

Deputy Judge Advocate General.

(Signed) F. WALKER, Lieut. Col.
8th Light Cavalry, President.

FORT ST. GEORGE, 13TH JUNE, 1826.

G. O. BY GOVERNMENT.

The Honorable the Governor in Council is pleased to publish to the Army the following letter from Brigadier General Cotton, on his retiring from the Command of the Madras Division of Troops in Ava.

To DAVID HILL, Esq.
Chief Secretary to the Government at Fort St. George.

SIR,

The command of the Madras Troops in Ava, which I had the honor to hold during the greater part of the War, having terminated by the ratification of Peace between the British Government and the King of Ava, it is impossible for me to take a final leave of the distinguished body with whom I have been associated without expressing to His Excellency the Honorable the Governor in Council my sense of the zeal, gallantry, and discipline which the troops from Fort St. George have displayed throughout a long course of arduous service.

2. It is not within the confined limits of a report possible to do justice to individual merit, but the exemplary conduct of every Officer and Soldier who has been employed, whether of His Majesty's Regiments, or of the Honorable Company's European and Native troops, has been so conspicuous as to preclude the necessity of selection, and to deserve that I should solicit to place my grateful acknowledgment of their services upon the records of Government.

3. The fatigues of the various campaigns, and their uncommon privations, have been cheerfully shared by all indiscriminately; but the patient endurance by the Native Regiments of the vicissitudes of so novel a service, waving the prejudices of caste, and the customs by which they have been influenced by ages, are beyond the measured terms of praise, and evince how well they have deserved the truly paternal care and indulgence of an enlightened Government, which have been extended with equal liberality to the European and the Native Soldier.

4. The support which I have universally derived from Lieutenant Colonels Armstrong, C. B. Brodie, Pepper, Godwin, and Parlby, has been only equalled by the gallantry with which they have led their Brigades whenever opposed to the Enemy, and I hope I may be permitted to pay the tribute of regret for the loss of Lieutenant Colonel Commandant Macdowall, Lieutenant Colonel Coury, and the remaining brave Officers and men who have fallen in the execution of their duty.

5. I have had repeatedly occasion to bring to the favorable notice of the Honorable the Governor in Council the zeal and ability with which their respective Departments have been conducted by Captain Hitchins, Deputy Adjutant General, and Captain Steel, Deputy Quarter Master General; and I beg to repeat that they have always deserved my confidence.

6. The indefatigable exertions which have been exemplified by Superintending Surgeon Dr. Heward, and the Subordinate Medical Officers; the regularity which has been preserved in the hospitals; and the professional skill which has been evinced, call for my best acknowledgments.

7. The Madras Commissariat under Captain Tulloch, Assistant Commissary General, has been remarked for its efficiency in all emergencies; and I mention him to Government as an able and zealous Officer.

8. To Major Stock, and subsequently to Captain Tod, Paymasters, I am indebted for the attention and regularity with which the duties of the Pay Departments have been carried on.

9. Lieutenant Colonel Hopkinson, Commanding the Artillery, and Lieutenant Underwood, Commanding Engineer, having been always employed with the Officer Commanding the combined forces, the acknowledgment of their valuable services rests with higher authority.

10. Having gone through the pleasing duty of expressing my sentiments of the gallantry and meritorious exertions of the Madras Division of Troops, I beg respectfully to offer my sincere thanks to the Honorable the Governor in Council for the proud distinction of having been entrusted with so important a command; and to assure His Excellency that the height of my ambition will be to find myself placed upon any future occasion in a post so flattering and so honorable.

I have the honor to be,

Sir,

Your most obedient humble Servant,

(Signed) WILLOUGHBY COTTON,

Brig. General.

CALCUTTA,
May 20th, 1826.

The Governor in Council deems it proper to repeat in G. O. the acknowledgments of Brigadier General Cotton's distinguished services in Ava, which have already been often conveyed to that Officer. To zeal, judgment and gallantry and to the most active and unremitting attention to all the duties of his arduous and important command, Brigadier General Cotton has united in a remarkable degree the faculty of carrying other men's minds along with him, and has thus brought the Division under his orders to act with one heart and hand. The Governor in Council is persuaded that the sentiments expressed in the foregoing letter will be peculiarly gratifying to every individual both of the Staff and in the line who served in that Division.

The troops of this Presidency who were engaged in Foreign Service against the dominions of the King of Ava have already been honoured by the approbation of the Governor General in Council, and, though this Government is sensible that its praise cannot add any weight to that distinction, yet it is a grateful duty which it gladly discharges to follow the example of the Supreme Government in acknowledging the admirable military spirit displayed throughout the Service in Ava and Arracan, by every officer, non-commissioned officer and private of His Majesty's and the Honorable Company's Troops, European and Native.

The Expedition to Ava has been distinguished from every former Expedition sent from India, by its duration, by its great privations, by difficulties of every kind arising from the climate and the nature of the country, by its constant harassing duties, and by its frequent conflicts with the Enemy. The European troops, in meeting and overcoming all these obstacles have nobly sustained the character of the British Army. The Native troops have proved themselves worthy of fighting in the same ranks with European Soldiers.

In many former instances the Native troops of this Presidency have cheerfully gone on Foreign Service; but in none has the spirit of enterprise been so high and the devotion to the service so universal as, in the late war. No less than seventeen Regiments (the 1st, 3d, 7th, 9th, 10th, 12th, 16th, 18th, 22d, 26th, 28th, 30th, 32d, 34th, 36th, 38th, 43d,) besides the head quarters and two squadrons of the 1st Light Cavalry, detachment of Golundauze and of Gun Lascars, the head quarters and four Companies of the 35th Native Infantry and the head quarters and seven Companies of the 1st Battalion Pioneers, actually proceeded to Ava and Arracan: two Regiments more (the 24th and 31st) and the remainder of the 35th were in readiness to follow; the orders for foreign service were received by all of them with enthusiasm: whole Regiments embarked without the deficiency of a man; and repeated instances occurred of extraordinary forced marches of parties absent from the Head Quarters of a Regiment about to embark, in order that they might not be left behind. Conduct so honourable to the Native Army, so gratifying to the Government, does not cease to be of use with the occasion which called it forth; its influence will reach to future times; and it will long be regarded, both in India and in Europe, as a memorable example for imitation to the sepoys, and for emulation to the successors of those European officers who have made them what they are.

It is directed that this General Order be translated and carefully explained to the Native officers, non-commissioned officers and sepoys of every Native Regiment in the service.

By order of the Honorable the Governor in Council.

Chief Secretary.

No. 116.

FORT ST. GEORGE, 16TH JUNE, 1826.

G. O. BY GOVERNMENT.

The Honorable the Governor in Council has been pleased to resolve, that the enlistment of Recruits for the Dooly Corps shall cease, and that another Corps, the strength of which, will be determined hereafter, shall be gradually formed under the following Regulations.

2. That able bodied Dooly Bearers not younger than 18 nor older than 40 years shall be entertained under the orders of the Commissary General, in numbers as nearly equal to the Casualties, which occur in the existing Corps, as may be found convenient.

3. That this new Corps shall be formed into Companies of 90 Men each, with one Head and three Petty Maistries.

4. The Head Maistries, Petty Maistries and Bearers of this Corps, shall receive the same pay and batta as the existing Dooly Corps; the batta being drawn under the same circumstances which now entitle the Dooly Corps to that allowance. The subjoined table will regulate the pay and batta of both Corps according to the Currency now adopted for the Military Accounts. The Maistries are not to be allowed any thing extra for keeping the Companies complete; a duty which will belong to the Officers of the Commissariat under the orders of the Commissary General.

5. The pay of the new Corps to be drawn and adjusted until further orders in the Commissariat accounts, supported by regular Abstracts and Muster Rolls.

6. These Bearers will be entitled to benefit by the regulations for the issue of grain or compensation in lieu of it, the same as other public *followers*, as also by the regulations for the grant of Family Certificates, but are to have no claims to prize money. They shall also be entitled to medical aid the same as the men of the existing Dooly Corps.

7. That each man on the returns on the 31st of December every year, shall be entitled to receive a good serviceable Cumbly, but shall have no claims for Clothing. The Officers of the Commissariat will however see, that the Maistries and Bearers provide themselves, and maintain in good order, at their own expense, two Jackets of stout white Cotton cloth, also one Turband and one Cummerbund; the Head Maistries, Petty Maistries, and Bearers being distinguished from each other by such marks as the Commissary General may think proper to establish.

8. That these Bearers when permanently disabled by the enemy on Service, and the next heirs of men killed in Action, shall be entitled to pensions according to the rules applicable to Native Troops under similar circumstances.

9. That the Bearers entertained under the above regulations shall not be liable to be discharged without the sanction of the Commissary General, or the sentence of a Court Martial. Men of this Corps discharged at a distance from their Homes will be allowed 3½ Annas for every twenty miles of the distance to enable them to return: But if the discharged Bearers should be in an infirm state of health, the same allowance shall be given to them for every twelve miles, at the discretion of the Commissary General; the same allowance under similar circumstances being extended to the existing Corps.

10. When men of the existing Corps become unfit for the Service or request to be discharged, the Commissary General will be the judge of the grounds on which the discharge is recommended or applied for, his countersignature being required to the discharge certificates. And when Bearers of the existing Corps are brought before General Invaliding, Pensioning, &c. Committees, extracts of the Proceedings are to be furnished to the Commissary General, who is required to refer such points to Government as may be necessary.

11. A reasonable leave will be allowed to the Bearers of the new Corps when not in the Field, never exceeding six months, during which time they will receive no pay; but their pay, together with all other advantages will be granted only to the substitutes temporarily engaged in their room, by the Officers of the Commissariat, in immediate charge.

12. The Head and Petty Maistries shall also be entitled to a similar leave; but receive during their absence, the pay of a Bearer only, the difference being drawn for the men appointed to act for them; the reduced pay of Maistries during their absence will not however be drawn until their return; and if they overstay their leave, it will be forfeited and remain undrawn; such circumstance, when it occurs, being explained in a note at the foot of the Abstract. Any Maistry or Bearer overstaying his leave, will be considered a deserter, and liable to be dismissed the Service.

13. These regulations are not in any way to diminish the advantages already allowed to the existing Corps of Dooly Bearers; but as their numbers will gradually decrease, and as the Head and Petty Maistries would thus be liable to lose by the progressive reduction of the strength of the Companies, there will be no deductions made from their present allowances in consequence of vacancies not being filled up. The remaining Companies will be reformed from time to time as circumstances may permit; and any Maistries who may become Supernumerary, will be drawn for as such until otherwise disposed of.

14. The exchanging of Bearers from one Company to another, can be sanctioned only under authority from the Commissary General; the Maistries of Companies and Petty Maistries of divisions are therefore held responsible for a strict observance of this order, by the men of their respective Companies and divisions; and in the event of its being discovered that the Maistries have connived at Bearers exchanging from one Company to another, without proper authority so to do, the Maistry of the Company and the Petty Maistry of the division to which the Bearers exchanging respectively belong, shall be liable to be dismissed the Service or reduced to the rank of a Bearer. This rule is also ordered strictly to apply to the existing Corps of Dooly Bearers.

15. No stationery is specially allowed on account of these Bearers, and the Officers in charge in making out their Abstracts, &c. will be entitled to use the public stationery supplied for the ordinary purposes of the Commissariat; the same rule being also observed with regard to the accounts, &c. of all other Dooly Bearers.

16. The existing Corps shall be denominated the 1st Corps of Dooly Bearers, and the new Corps the 2d Corps of Dooly Bearers, and the same Returns, &c. which are now required to be made of the former Corps will also be required of the latter.

17. With respect to the Hired Bearers for occasional service in the Provinces, it will be proper that they should be engaged on the terms most advantageous to the public, in the manner already in practice by the Commissariat. The full hire, however, shall in no instance exceed 7 Rupees monthly, and it is expected that in various situations the hire of Bearers, especially in their own district, or for local duties, will be considerably less.

18. All Hired Dooly Bearers when employed on actual Field Service beyond the frontiers of the Honorable Company's Territory, shall be entitled indiscriminately to the same *pay* and *batta* as the Corps of Dooly Bearers on whatever terms they may have been engaged originally, and on no occasion whatever will hired Bearers receive higher wages than the pay and batta of the Dooly Corps.

19. When Hired Dooly Bearers are collected at any Military Station from the neighbouring Country, they will receive an allowance to be regulated by the Commissary General from the date of their leaving their villages until delivered over to Corps, &c. on the presentation of Indents, or if collected for the purpose of being sent on service to another part of the Country, they will receive that allowance as above provided until they are mustered and brought upon monthly pay.

20. Hired Bearers discharged at the conclusion of any *Field Service* to enable them to return to the places at which they were entertained for that service, will be allowed 3½ Annas for every twenty miles of the distance. The Hire of all Bearers engaged for temporary service by the Commissariat will continue to be adjusted in the accounts of that Department.

21. Hired Dooly Bearers are already entitled to benefit by the regulations for the issue of grain or compensation in lieu of it, as public followers, as also to medical aid. It is now resolved, that they shall also be entitled to benefit by the regulations for family Certificates when in the Field in time of War, or on *Foreign Service*.

22. The next heirs of Hired Dooly Bearers in the public Service who may be killed in Action on Foreign Service beyond Seas: the next heirs of any Hired Dooly Bearers who may die on Foreign Service beyond Seas: Hired Dooly Bearers permanently disabled by the enemy whether on Foreign Service or in India, and the next heirs of those killed in Action in India will all be eligible to the pension list, each case being specially disposed of according to circumstances by the Honorable the Governor in Council.

23. The Officer of the Commissariat in engaging Hired Dooly Bearers for Field or Foreign Service temporarily, will fully explain to them the advantages to which they become entitled under these regulations.

24. The Sick Soldiers, whether Europeans or Natives, at Stations where Bearers are maintained, are always expected to benefit by their services in being carried out to take air when recommended by the Medical Officers and ordered by Commanding Officers. The Medical Officers to whom they are thus furnished, will be responsible that they are not otherwise employed; and regular Indents will be required for the Bearers whether they are wanted for the day, week or month. Dooly Bearers attached to

Hospitals or kept up for the conveyance of Sick from the Barracks to the Hospitals, are on no account to be employed in any other manner, than in carrying the Sick.

25. When Public Bearers are required for working parties in Cantonments, either for the Commissariat or any other Department, Indents will also be required, specifying particularly the service for which they are wanted.

26. When Public Bearers are unemployed, Officers, or families arriving at, or leaving the Stations where they are maintained, may be assisted with Bearers at the discretion of the Commanding Officer, who will be at liberty to post sets at places from whence they can be readily recalled, if required for the Public Service. In such cases, however, the Batta of the Bearers, when travelling to and fro, and while posted (equal to what is allowed to the Dooly Corps), must be borne by the parties employing them; and paid into the Office of the Commissariat.

27. Families and individual Officers at Stations where public Bearers are maintained may be allowed the use of sets occasionally, at the discretion of Officers Commanding; such sets of Bearers not being subject to any other employment than the conveyance of Palanquins or Doolies, the parties paying into the Office of the Commissariat a sum equal to the Batta of the Bearers during the time they may be kept. Persons supplied with Bearers under this rule, will on no account take them beyond the distance of 10 miles, such Bearers being considered to be always in readiness for employment with the Troops.

28. Staff Officers proceeding post upon *duty* or returning, may have Bearers (when not required for public purposes) posted for them to a reasonable distance, at the discretion of Officers Commanding, without being chargeable for the Batta, provided the Bearers are already in receipt of that allowance.

29. Public Bearers, however, are not to be supplied for any purpose whatsoever without Indents, and all such Vouchers, are required to accompany the monthly returns rendered to the Commissary General. All Indents for Bearers required under the operation of the five foregoing paragraphs, besides the usual signature of the Officer of the Quarter Master General's Department on the spot, are required to be countersigned by the Officer Commanding.

30. Dooly Bearers in whatever manner employed, are not to be subjected to ill-treatment or punishment by the persons to whom they may be attached for the time being. If guilty of any irregularity, a complaint in writing is required to be made to the Commissariat Officer in charge, who will take the orders of the Commanding Officer on the case reported.

31. That part of the 10th paragraph of the VIIth Section of the Commissariat Regulations allowing certain Arms for the Bearers of the Dooly Corps is hereby cancelled, and this Order is directed to be considered as a Supplement to that Section.

No. 135.

FORT ST. GEORGE, 21st July, 1826.

G. O. BY GOVERNMENT.

The Honorable the Governor in Council considering it improper that any Officer serving regimentally should, under any circumstances, be entitled to higher personal allowances (on account of

regimental duties) than those which are attached to the Command of his Corps—it is directed that when an Adjutant, or Quarter Master, may become Senior Officer, and entitled to the Command allowance, he shall temporarily transfer his regimental Staff duties to the next Senior, or other Officer who may be regimentally present with the Corps at the same station; but, if it should happen that no other Officer is available, the Personal Staff allowances are not to be drawn, in addition to the Command allowance by the same Officer—he is however permitted, in such cases, to receive the Office allowances of his Staff appointment, in order to defray the charges of Writers and Stationery incidental to the vacant Staff Office.

By order of the Honorable the Governor in Council.

(Signed) R. CLIVE.
Secretary to Government.

No. 136.

FORT ST. GEORGE, 21st JULY, 1826.

G. O. BY GOVERNMENT.

1st. The Honorable the Governor in Council has deemed it expedient to cancel that part of the General Order of the 5th August last, by which Rupees 600 and Rupees 500 per month were authorized for Artillery Commands, and to direct that the following Allowances be established in lieu thereof.

2d. Officers Commanding Corps of Artillery regimentally, being in receipt of the established allowance of Rupees 400 per month, are not to receive any additional allowance on account of extra Details of Artillery, which may be placed under their Command, whether in the Field or in Garrison.

3d. When the Command of the Artillery of a Field Force, or at a field, or full batta Station consisting of more than a Troop or Company, shall devolve upon an Officer not in the Command of a Corps, he is to receive, if a Regimental Field Officer, Rupees 300; if of inferior Rank, Rupees 200 per month; but these allowances are not to be payable to Officers Commanding Detachments therefrom.

4th. The Senior Officer of Artillery in a Brigaded Force, if a Regimental Field Officer, will be allowed a Brigade Major, and the allowances of an Officer Commanding a Brigade.

5th. When Troops of Horse Artillery, whether European or Native, may be detached, an Acting Troop Adjutant will be allowed to each, on the allowance of Rupees 70 per Month laid down in General Orders 9th March 1819.

6th. When a Troop or Company of Artillery may be serving at the same Station with the Head Quarters of a Brigade of Horse or Battalion of Foot Artillery, the Regimental Adjutant or Quarter Master, as may be directed by the Officer Commanding, is to execute the Staff Duties of the whole, receiving an extra allowance of Rupees 35 per Month for Writers and Stationery on account of the extra duty; in such cases, therefore, no separate Staff will be allowed for the Artillery at such Stations.

7th. When a Troop of Horse Artillery may be at a Station with a Company or Detail of Foot Artillery, not being the Head Quarters of a Corps, the Acting Troop Adjutant is to act as Staff to the Senior Officer Commanding, and to execute the duties of the whole; receiving an extra allowance of Rupees 35 per Month on that account, as provided in the preceding Paragraph.

8th. At Stations not being the Regimental Head Quarters of any Corps of Artillery, and where there may be no Horse Artillery, or a Detail only (less than a Troop) with a party of Foot Artillery, the necessity of a Staff Officer for such inferior Artillery Commands will be taken into consideration, in each case, by Government; and if such an appointment be deemed requisite, an Acting Adjutant will be nominated on the allowance of Rupees 70 per Month abovementioned, without reference to the Details being composed of Native or European Artillery.

9th. Regarding the extra pay and allowances of Artillery Officers appointed to the Horse Brigades, the following rules are to be observed in future. On the appointment of Officers to the Horse Artillery, their extra pay and allowances are to be governed by the Regulations applicable to Staff appointments—that is, they are to be payable from the date on which the Officers join for the performance of Regimental duty; and on removal by promotion or otherwise, they are to receive the extra pay and allowances until relieved—it is to be understood from this Regulation, that no Officer can have any claim to Horse Artillery pay and allowances, who has not joined the Corps for Regimental duty.

10th. In regard to the absence of Horse Artillery Officers from their Corps, the rules laid down in General Orders 24th July 1819, are to be adhered to, which provide "that Officers of the "Brigade of Horse Artillery, when absent on furlough in Europe, or when appointed by Government to "permanent Staff situations and Commands, are not entitled to Horse Artillery pay in the one case, or "pay and allowances in the other; but *temporary* Staff employ, or detached duty, is not to deprive them "of the pay and allowances of the Horse Artillery, while they remain on the strength of that Corps."

11th. The temporary detached duties above alluded to, which are not to deprive Horse Artillery Officers of the extra pay and allowances of that Corps, are to be understood in a strict sense, such as being detached as a Member of a Court Martial or Committee, being nominated pro-tempore, by a subordinate authority to act in a Staff situation, until an appointment by Government takes place, &c.; but a Horse Artillery Officer ordered to take the Field for Foot Artillery or Staff duty, succeeding to a Command (either as Senior Officer or by appointment), or appointed *Acting* Commandant of Artillery during the absence of the Senior Officer in Europe, in these or any similar cases, Horse Artillery Officers are to be considered as coming under the above provision regarding *permanent* Command or Staff duty, and therefore not entitled to Horse Artillery pay and allowances—should any cases however occur in which these provisions may appear to warrant an exception in favour of the parties concerned, the Government will take them into consideration on the representation of His Excellency The Commander in Chief.

12th. The Officers who may have Commanded Corps of Artillery in addition to the Command of Divisions being those to whom the allowances specified in the 1st Paragraph were payable, are authorized to draw them up to the 31st Instant; but, in other respects, the foregoing provisions are to operate

with regard to all unadjusted claims connected with the General Order 5th August last, equally as regards Artillery Commands, as Horse Artillery pay and allowances.

By order of the Honorable the Governor in Council.

Secretary to Government.

The following extracts from the Confirmed Proceedings of an European General Court

Martial held at Bellary on Monday the 17th day of July 1826, and continued by adjournments by virtue of a Warrant from His Excellency Lieutenant General Sir George Townshend Walker, G. C. B. and K. C. T. S. Commander in Chief, are published to the Army.

Bombardier Edward Leake, D. Company 1st Battalion Artillery, confined to the Barrack Guard by my order on the 5th June 1826.

Crime—For Manslaughterin having struck several blows at Gunner Patrick Leary of the same Company, one of which caused his death in the Artillery Barracks on the forenoon of Monday the 5th June 1826.

BELLARY, 28*th June*, 1826. (Signed) T. H. HOCKLEY, Captain, Comg. Arty. at Bellary.

By order.
(Signed) T. H. S. CONWAY,
Adjutant General of the Army.

Finding—Guilty of Manslaughter; but the Court acquits the Prisoner of having been the immediate cause of the death of Gunner Leary by a blow, as stated in the Charge, which in their opinion was occasioned by a fall in which his head came in contact either with a box or on the flags, and which fall was in consequence of a blow received from the Prisoner in a fight in which the deceased was in a state of intoxication and the aggressor.

Sentence—The Court having found the Prisoner guilty of Manslaughter as above stated, but it appearing that no malice whatever existed, the Prisoner having tried to avoid the contest, and having been already confined in Irons six weeks, they do not award any further punishment.

(Signed) H. O'BRIEN, Captain, Dep. Judge Advocate General. (Signed) THOS. WILLSHIRE, Lieut. Col. H. M. 46th Regiment, and President.

Under all the circumstances of the case and as the finding is virtually an acquittal, I confirm the Proceedings.

(Signed) G. T. WALKER, Lieut. General, *and Commander in Chief.*

Remarks by His Excellency The Commander in Chief.

The Court finds the Prisoner "guilty of Manslaughter," but, it appearing that "*no malice whatever* existed," and the said Prisoner "having already been confined in Irons six weeks," it "does not award any further punishment."

1st.—The *finding* of the Court involves an anomaly, in as much as that the only difference between Murder and Manslaughter is that Murder is upon *malice aforethought*, and Manslaughter upon *a sudden occasion*; so that the *absence of all malice* is of the very *nature* of Manslaughter, and cannot be received in extenuation thereof.

2d.—The Court having found the Prisoner guilty of a Felony in Manslaughter, does not award any punishment thereupon. It was not within the competence of the Court to pretermit the penalty of the Crime proven: but it was within the discretion of the Court, after awarding punishment, to submit to The Commander in Chief the expediency of remitting the same, under all the circumstances of the case, and in consideration of the confinement in Irons suffered by the Prisoner previous to trial.

The Prisoner to be released and to return to his duty.

Gunner James Symonds, D. Company 1st Battalion of Artillery, confined to the Barrack Guard by my order on the 5th June 1826.

Crime.—For aiding and abetting Bombardier Edward Leake, D. Company 1st Battalion of Artillery, in striking several blows at Gunner Patrick Leary, of the same Company, whereby he (the said Gunner Patrick Leary) lost his life in the Artillery Barracks on the forenoon of Monday, the 5th June 1826.

BELLARY, 28*th June*, 1826. (Signed) T. H. HOCKLEY, Captain, Commanding Artillery at Bellary.

By Order.
(Signed) T. H. S. CONWAY,
Adjutant General of the Army.

Finding.—Not Guilty.

(Signed) H. O'BRIEN, Captain, Dep. Judge Advocate General. (Signed) T. WILLSHIRE, Lieut. Col. H. M. 46th Regt. and President.

Approved and Confirmed.
(Signed) G. T. WALKER, Lieutenant-General,
and Commander in Chief.

By the Right Honorable the Governor General in Council.

FORT WILLIAM, 3*d August*, 1826.

No. 170 A. of 1826.—The Right Honorable the Governor General in Council having taken into consideration the heavy losses and expenses incurred by the Troops, European and Native, who were employed in the late War in Ava, Arracan and the Sea Coast of the Burmese Territory, has been pleased to resolve, that a donation of Six Months Full or Field rate of Batta shall be granted to all the Officers, Non-commissioned Officers, and Privates, of Corps, Detachments and Staff, (including permanent Establishments, not in receipt of encreased rates of Pay for this special Service,) who were so employed for a period of not less than 12 Months. This period to be calculated from the date of landing in the Burmese Territory until the final termination of Hostilities on the 24th February 1826, or re-embarkation, whichever may have occurred first.

2. To the Officers and Men of the Ava and Arracan Forces, whose period of actual Service within the Burmese Territory fall short of twelve Months, the Governor General in Council is pleased to grant a donation of three Months' Batta.

3. His Lordship in Council is further pleased to grant the donation of Six or Three Months' Batta respectively, as the case may be, to such of the Officers and Men of the Flotillas employed in the Irrawaddy, and on the Coasts of Tenasserim and Arracan, as may not have drawn the Batta awarded by the Resolution of Government in the Secret Department, dated the 19th November 1824. This indulgence of Batta to the Officers and Crews of the Flotillas, who may not have been included in the benefit of the Resolution of the 19th November 1824, is limited to Individuals on the regular Establishment of the Honorable Company. For those who were temporarily employed, suitable rates of pay or special allowance were fixed with reference to the nature of the Service for which they were engaged.

4. The donation of Six and Three Months' Batta granted by these Orders, is extended to the Heirs or Assigns of Individuals entitled to receive it, who died or were killed on Service during the War; with exception to those of the Native Troops, for whom a special provision already exists, whereby the families of deceased Sepoys on foreign Service receive a Pension from Government.

5. The rate of Batta to be regulated according to the Regimental Rank in which the Individuals

served at the conclusion of the War, death or period of re-embarkation as the case may be; unless entitled to a higher rate annexed to Staff employment.

6. Corps, Detachments, or Individuals who may have landed for the first time in the Burmese Territory subsequent to the termination of Hostilities, are to have no claim to the Batta donation.

7. Individuals who may have been employed with each Division of the Army, are to have the benefit of their collective actual Service in claiming the higher rate of donation, and Corps, &c. which may have been employed on more than one occasion during the War, (as in the case of His Majesty's 45th Foot,) are to regulate their claims accordingly.

8. Officers and Staff who may have quitted the Army on Medical Certificate, or on public duty, and subsequently rejoined it before the conclusion of Hostilities, are as a special indulgence to have the benefit of the time of their absence taken into account, in claiming the larger share of Batta.

9. The claims of all deceased Officers and Men, likewise all Absentees, are to be included in the Abstracts of Companies, Detachments or Departments. If Heirs, Assigns or Agents are in India, the amount will be paid over accordingly under the order and responsibility of the Commanding Officer; otherwise the amount of all claims of this nature will be lodged in the General Treasury until legally claimed.

10. The Batta Bills for the donation of six and three Months respectively, will be referred for audit and adjustment to the Public Departments of the Presidencies to which Corps, Departments or Individuals respectively belong.

11. Each Bill will be accompanied by a Nominal Roll of all Ranks drawn for in it, agreeably to the following Form; and Officers, &c. who may have been employed on the Staff, and whose Regiments were not serving with the Army, will prepare and submit separate Bills.

12. A Nominal Acquittance Roll of each Corps, Detachment and Department, will be prepared within one Month after the issue of the donation, shewing the manner in which the distribution has been made, and the appropriation of all Shares of Absentees or Casuals.

13. These Rolls will be deposited in the Military Audit Office, for future reference, in the event of disputed or additional claims being preferred to the donation.

14. The amount of the Batta donation will be debited to "War Charges in Ava."

15. Any Extra Batta already paid or payable under orders of the Government of Fort St. George, to the Troops of that Presidency, must be considered as forming part of the Batta donation intended by these orders, and be deducted accordingly.

G. O. C. C. 3d November, 1821.
G. O. G. 26th July, 1822.

It should be distinctly stated in the Column headed "*Why Recommended*," against the name of each Individual, recommended to be transferred to the *Veteran* Establishment, that he is "*Unfit for Field, but fit for Garrison Duty*;" and in the case of every Individual recommended to be *Pensioned*, that he is "*Unfit for any Duty*;" and how he became so; and the same, as the case may be, respecting Men recommended to be Discharged. It is not enough, that disease, or injuries should be stated, leaving to be inferred, the *fitness* or *unfitness* of the subjects. It is also of great importance that attestations of Commanding Officers of Corps to Character, be in no case omitted—Cases not entitled under the Regula-

tions, should be sparingly recommended by Committees, and *the ground of every special recommendation distinctly stated.*

The Committees are also enjoined, to make separate Proceedings, for *each Corps, Detachment, and Department;* and are also directed to prepare separate Proceedings for Natives attached to Regiments of Europeans, as the blending of the Names of Europeans, with those of Natives, creates much confusion, and can on no account be admitted.

The practice adopted by General Committees, of retaining their Proceedings till the whole of the Individuals to be brought before them, have been examined, is to be discontinued, and the Commander in Chief directs, that General Committees do transmit to Head Quarters, through the prescribed channel, their Proceedings by Corps, and Detachments, as soon as possible after the examination of the Men belonging to them is completed.

Officers Commanding Divisions, and Forces, in which General Committees assemble, are requested to dissolve them, as soon as their Proceedings are closed, and they have examined and ascertained, that they are prepared in strict conformity to the orders upon the subject, and the President and Members ordered to return to their duty.

FORT ST. GEORGE, 10TH OCTOBER, 1826.

G. O. BY GOVERNMENT.

The Honorable the Governor in Council is pleased to publish the following extract from a General Letter from the Honorable the Court of Directors in the Military Department to the Supreme Government, and to resolve that the instructions therein contained be considered applicable to the Presidency of Fort St. George.

General Letter, dated 30th December, 1823.

Letter from 16th September 1824, Paras. 5 to 12. On the death of Major General Thomas, Government was obliged under the Regulations of 1796 to re-appoint a Major General (Martindell) who had already had a tour on the Staff. Adverting to the Non-issue of His Majesty's Brevets, owing to a state of Peace, and to the general inexpediency of re-appointing the same Officers to the general Staff, it is earnestly submitted that the Senior Colonels should be declared eligible to the same advantages in regard to the Staff as Major Generals, when there are in India no Officers of the latter rank who have not already served their tour of Staff duty. The Colonels thus appointed will vacate the situation on the arrival of a General Officer from Europe, and the time of their Service as Colonels will be ultimately considered as so much of their Service on the Staff. Another vacancy having occurred by the addition of a fifth General Officer on the Staff, Colonel Shuldham the Senior Officer of that rank has been appointed to fill it.

Para. 2. We are satisfied of the expediency of the measure proposed in these Paragraphs.

3. We accordingly authorize you, when no General Officers shall be present, except such as shall have had a tour on the Staff or shall be unfit for such a Command, to nominate Colonels to the Staff on the allowances of Major Generals.

4. A Colonel so nominated to the Staff, will however, be expected to vacate his appointment on the arrival of a General Officer eligible to replace him, and the time during which a Colonel shall have served on the Staff shall be reckoned as part of the four years' Staff tour prescribed by the Regulations, so that no Officer shall serve more than four years on the Staff except under the special circumstances provided for in our Orders of the 20th April 1803.

By order of the Honorable the Governor in Council.

FORT ST. GEORGE, 10TH NOVEMBER, 1826.

G. O. BY GOVERNMENT.

The Regulations relative to the Victualling of Sick Europeans, contained in the 4th Paragraph of the G. O. G. dated 15th August 1826, are hereby cancelled, and the following Table is instituted to regulate the Diet of Soldiers both of His Majesty's and the Honorable Company's Service in all Hospitals throughout this Establishment.

DIET

DIET TABLE.

	Full.	Half.	Fowl.	Low.	Spoon.	REMARKS.
Breakfast.	One Pint of Tea.	One Pint of Tea.	One Pint of Tea or of thin boiled Arrow-root.	One Pint of Tea or of thin boiled Arrow-root.	One Pint of Tea, or Ginger Tea, or thin boiled Arrow-root.	The fowl diet and low diet of this table have been framed with the particular view of affording a proper diet for convalescents from acute diseases; much injury probably arises from patients passing at once from spoon or fever diet, to a full or even half diet of beef or mutton, and it is hoped that the present forms will be applied with a particular view to avoiding the risk of sudden changes in such cases.
Daily Allowance of Bread.	Twelve Ounces.	Twelve Ounces.	Eight Ounces.	Eight Ounces.	Left to the discretion of the Surgeon.	
Dinner.	A pint of broth and twelve ounces of mutton, or beef, four ounces of rice boiled.	A pint of broth and eight ounces of mutton or beef.	A Chicken, or one half of a Fowl either made into Soup, or boiled with a portion of rice and black pepper in the form of pish pash.	Half a Chicken, or one third of a Fowl, made into soup, or one pint of Sago.	One Pint of boiled Arrow-root or four ounces of bread made into panada.	The spoon diet introduced in this table is considered the most appropriate that can be used in the acute stages of almost all diseases, and it may be accommodated to particular cases of severe and lingering illness by substituting rice or sago pudding, or some other extra for dinner, instead of arrow-root.
Supper.	Tea, or good thick Congee one pint.	The same as in full diet.	The same as the breakfast.	The same as the breakfast.	The same as the breakfast.	When it is wished to put any patient on a milk diet, this also may be done by ordering a pint of milk morning and evening instead of the breakfast and supper that are laid down in this description of diet.
						With these exceptions it is expected that the forms of diet, here exhibited will be undeviatedly adhered to.

Explanations.

The proportions of ingredients to a pint of Tea, are, a quarter of an ounce of tea, half an ounce of sugar, and a Soldier's dram measure of milk. A like proportion of sugar and milk is to be allowed, when ginger tea, arrow-root, or congee are given for breakfast and supper.

Each pint of broth to be made with $\frac{1}{4}$ of an ounce of barley and a due portion of greens, onions, black pepper and salt. Greens to be omitted in the broth for such patients as they may not agree with.

In cases where arrow-root or sago form the dinner, the quantity ordered, may be either given at once, or at different times in the course of the day, with a proportion of milk or wine at the discretion of the Surgeon.

The specified quantity of meat is to be understood to refer to its weight in an undressed state, including bones, and the broth is to be made from the quantity laid down in each diet. The quantity of rice to its weight before being boiled.

Toast water, barley water, milk and water, very thin arrow-root, or other diluents will be furnished for common drink, according to the judgment of the Surgeon in cases and forms of disease in which they are considered preferable to rice congee, which is to be kept in readiness at all times for the common use of the patients in general.

The Honorable the Governor in Council is pleased to order, that bread, and provisions of every description, shall be furnished to the Sick by the Surgeons holding contracts for these supplies, in conformity to the above regulation of diet, and invariably of the best quality. Any modification of the prescribed forms of diet that tends to lessen the cost of them to the Surgeon is in an especial manner prohibited.

Should it happen on any occasion that the articles specified cannot be procured, the best substitutes are to be provided in lieu of them, for the time; the circumstances which led to such substitutions being always particularly reported to the Superintending Surgeon in the first instance, and by him to the Medical Board.

Commanding Officers of Corps, and Superintending Surgeons of Divisions, are ordered to enquire particularly into the conduct of Medical Officers in reference to every point of duty connected with these orders, and to report to their respective superior authorities in every instance when there appears to be a want of due regard to the fulfilment of their contracts, in order that the same may be brought to the notice of His Excellency the Commander in Chief and Government.

Printed Copies of the above Diet Table with the explanatory remarks are to be hung up in all Hospitals and renewed as often as may be necessary.

By order of the Honorable the Governor in Council.

The following Extracts from the Confirmed Proceedings of an European General Court Martial, held at Fort St. George on Wednesday the 1st day of November 1826, by virtue of a Warrant of authority from His Excellency Lieutenant General Sir George Townshend Walker, G. C. B. and K. T. S. Commander in Chief, are published to the Army.

Lieutenant Oliver Frederick Sturt of the 16th Regiment of Native Infantry, placed in arrest by me, upon the representation of Lieutenant Richardson and Lieutenant Coles of the same Corps, on the following Charges.

1st.—That he, Lieutenant Oliver Frederick Sturt of the 16th Regiment of Native Infantry, did on the public drive at Vellore, on the evening of Tuesday the 19th September 1826, traduce the character of Lieutenant Richardson of the same Corps, by falsely and maliciously asserting that he, Lieutenant Richardson had said "that those who tiffed or dined with Mrs. Dyer were Gentlemen, and the rest were Blackguards," or words to that effect.

2d.—That he, the said Lieutenant Oliver Frederick Sturt, did, on Wednesday the 20th September 1826, falsely deny having used the above expression.

3d.—That he, the said Lieutenant Oliver Frederick Sturt, did, on the 20th September 1826, in a note of that date, addressed to Lieutenant Richardson, use these expressions, "The report which has been made to you is the most wanton act of mischief I ever heard on the part of the person who made it, the whole being a shameful falsehood from beginning to end;" the expressions specified above, tending to stigmatize the character of Lieutenant Coles, as Lieutenant Richardson's informer.

4th.—That, throughout the above named transactions, and up to the present date, he the said Lieutenant Oliver Frederick Sturt has, by subterfuge and evasion, denied Lieutenant Coles any satisfactory explanation of, or redress for, the aspersions thrown upon his character.

The whole or any part of the above conduct being scandalous, infamous and unbecoming the character of an Officer and a Gentleman.

VELLORE, 25*th September*, 1826.

(Signed) J. ANDERSON, Major,
Senior Officer, in charge 16th Regiment N. I.

By Order,
(Signed) T. H. S. CONWAY,
Adjutant General of the Army.

Revised Finding and Sentence.—The Court having most maturely weighed the whole of the Evidence brought forward in support of the Prosecution, as well as what the Prisoner Lieutenant Oliver Frederick Sturt hath urged in his defence, and the Evidence in support thereof, is of opinion:

Finding on First Charge.—Guilty of uttering the words specified in the charge erroneously, but not falsely or maliciously, or with the intention of traducing the character of Lieutenant Richardson.

Finding on Second Charge.—Guilty of having erroneously denied the words, but not falsely as set forth in the Charge.

Finding on Third Charge.—Guilty of writing the note to Lieutenant Richardson on the date specified, but not with a view of stigmatizing the character of Lieutenant Coles, as it does not appear that at the time of writing the aforesaid note, the Prisoner was aware of Lieutenant Coles being the informer.

Finding on Fourth Charge.—Not guilty.

The Court is further of opinion, that the conduct of the Prisoner does not, in any of the instances proved, appear liable to the imputation of being scandalous, infamous or unbecoming the character of an Officer and a Gentleman.

Sentence.—The Court having found the Prisoner guilty to the extent before recited, which conduct being irregular, doth Sentence him the said Lieutenant Oliver Frederick Sturt, to be reprimanded in such manner and at such time and place, as His Excellency The Commander in Chief may deem proper.

(Signed) ROB. MURCOTT, Captain,
Deputy Judge Advocate General.

(Signed) CHARLES DEACON, Lt. Col. and President.

This Sentence is not confirmed.

(Signed) G. T. WALKER, Lieut. General,
and Commander in Chief.

The Commander in Chief cannot but remark upon the extraneous evidence offered upon the Prosecution on the 4th Charge, and admitted by the Court, without regard to the representation made thereupon by the Deputy Judge Advocate conducting the Proceedings, founded on an opinion, upon a similar point, by the Judge Advocate General, admitted and acted upon by the Court in a previous part of the Trial. Had the proof held, the Prisoner must have been found guilty, on the 4th Charge, upon evidence not applicable to the accusation preferred against him. It is the special duty of the Judge Advocate to inform the Court of any attempt to bring forward extraneous evidence, and such representation having been made by him, the full responsibility of such undue admission must rest with the President and Members of the Court themselves.

Of the other Charges Lieutenant Sturt is found guilty. On the first of repeating certain injurious expressions, as originating in another, (which appear nevertheless from the evidence to have been mainly contrived by himself;)—and again on the second charge of *denying* that he had used these expressions—such conduct is characterized as *erroneous* and *not false*, a distinction which not only appears to be in direct opposition to the evidence before the Court, but also to involve a positive contradiction in the Finding upon the first and second Charges.

The Commander in Chief therefore finds himself under the necessity of declining to confirm the Sentence of this Court; as consistent with his own ideas, he could not find terms to carry it into execution. He cannot allow the degrading imputation upon the character of the Madras Army, that mischievous falsehood and prevarication *can* be considered by it as merely trifling errors worthy only of a common reprimand. How it has happened that the Court, finding the Prisoner guilty of the facts on the three first Charges, should so have changed the character of them is inconceivable: but, while the Commander in Chief is inclined to attribute this to a charitable leaning on the part of the Court to the Individual and his Family, he is compelled to notice that the Members of a Court are bound to *do justice* and can only *recommend for mercy*. He is bound to remind them that it is their duty to support, not only the Discipline but the character and honor of the Army to which they belong. How far this object has been held in view in the definition here resorted to, it is not for him to dilate upon.

The Sentence not being confirmed, the Prisoner is to be released and return forthwith to his duty.

The General Court Martial directed to assemble in the Court Martial Room of Fort St. George in General Orders of the 24th ultimo, and of which Lieutenant Colonel C. Deacon, C. B. of the 40th Regiment Native Infantry is President, is dissolved.

A General Court Martial will assemble in the Court Martial Room in Fort St. George on Friday next the 24th Instant, at 10 o'clock, for the trial of all such Prisoners as may be brought before it.

12TH DECEMBER, 1826.

His Excellency The Commander in Chief having recently remarked several instances of irregularity in the Dress and Appointments of Officers, in direct opposition to, and neglect of the Regulations of the Service, hereby again calls their general attention to the G. O. C. C. 8th December 1823, and intimates that his severe displeasure will attend any fanciful deviations hereafter from the Rules and Orders therein established, and which are too ample and explicit to be misunderstood, or to need explanation here. His Excellency however, has thought it advisable to impress upon the minds of Officers, by repetition, the following brief Memoranda of Dress as Axioms never to be departed from.

1. A mixture of Costumes is of all habits the most unmilitary. The particulars of Undress, Dress, and Full Dress, have been specified in General Orders; and the occasions upon which they are to be worn; and Officers must appear in them, accordingly. The Trowsers, or Overalls, attached to the Undress, are not, on any occasion, to be worn with the Dress Coat; neither can Shoe-Buckles ever be made use of except with Knee Breeches. When Boots are worn, the Sash should always be worn also, except in the Undress of Horse Artillery and Light Cavalry, who do not wear the Girdle in "Undress." The Sash is never worn with Silk Stockings, and the Facings of the Frock Coat of Staff Officers are never buttoned back when worn with the Sash.

2d. An Officer's Sword is never so well disposed of as when by his side, and is never to be omitted when dressed for Duty, or upon occasions of Ceremony.

3d. A perfect similiarity of Dress, in all particulars, is *especially* requisite in Officers of the same Department, or Regiment, and the appearance of Officers, in different Costumes upon the same occasion, implies a defect in the economy of the Corps, and the supervision of the Senior and Commanding Officers.

While His Excellency is willing, on the one hand, to afford every indulgence to Officers, which the climate may require, when they are *off duty* and on occasions *unconnected with ceremony*; he expects, on the other, a strict and perfect adherence to Regulation in every particular when they appear in Military Costume, either on duty or on occasions of Etiquette and Ceremony.

The following Extracts from the confirmed Proceedings of an European General Court Martial, held at Fort Saint George, on Friday the 24th day of November 1826, by virtue of a Warrant from His Excellency Lieutenant General Sir George Townshend Walker, G. C. B. and K. T. S. Commander in Chief, are published to the Army.

Lieutenant Thomas Dallas of the 3d Regiment, or Palamcottah Light Infantry, charged with scandalous and infamous conduct, such as is unbecoming the character of an Officer and a Gentleman, in the following instances.

1st.—That, at Kemmendine, in the Kingdom of Ava, during the month of August 1824, he the said Lieutenant Thomas Dallas, did use indecent and unwarrantable liberties with the person of Lieutenant Percy Lorenzo Harvey, of the 3d Regiment, or Palamcottah Light Infantry, with intent to commit an unnatural crime; and that, the said Lieutenant Thomas Dallas, did repeat the same, or similar liberties, with the same intent, with the person of the said Lieutenant Percy Lorenzo Harvey, during the month of September, in the same year, on two occasions, at Tackly in the kingdom aforesaid.

2d.—That, at Sea, during the month of November 1824, in the Ship Kurreem Khan, he the said Lieutenant Thomas Dallas, did repeatedly use indecent and unwarrantable liberties with the person of Ensign (now Lieutenant) Thomas John Adams of the 3d Regiment or Palamcottah Light Infantry, with intent to commit an unnatural crime.

3d.—That at Martaban, in the Kingdom of Ava, on the evening of the 31st December 1824, he, the said Lieutenant Thomas Dallas, did repeatedly use indecent and unwarrantable liberties, with the person of Ensign (now Lieutenant) George William Watson of the 13th Regiment Native Infantry, then doing duty with the 3d Regiment or Palamcottah Light Infantry, with intent to commit an unnatural crime.

4th.—That, at Martaban, in the Kingdom of Ava, during the month of December 1824, he, the said Lieutenant Thomas Dallas, did, repeatedly, use indecent and unwarrantable liberties with the person of Ensign Horatio Clarke Beevor, of the 13th Regiment Native Infantry, then doing duty with the 3d Regiment, or Palamcottah Light Infantry, with intent to commit an unnatural crime.

5th.—That, at Martaban, in the Kingdom of Ava, on the evening of the 5th of May 1825, he, the said Lieutenant Thomas Dallas, did, repeatedly, use indecent and unwarrantable liberties with the person of Lieutenant John Johnstone, of the 3d Regiment or Palamcottah Light Infantry, with intent to commit an unnatural crime.

ADJUTANT GENERAL'S OFFICE,
FORT ST. GEORGE,
9th December, 1825.

By order of His Excellency The Commander in Chief.
(Signed) T. H. S. CONWAY,
Adjutant General of the Army.

The promotion of Captain Dallas to his present rank has taken place subsequently to this Charge being preferred.

The Court having, most maturely, weighed the whole of the Evidence brought forward in support of the Prosecution, as well as what the Prisoner, Captain Thomas Dallas, 3d Regiment Native Infantry, hath urged in his Defence, and the Evidence in support thereof, is of opinion:

Finding on First Instance of Charge.—Guilty of taking indecent and unwarrantable liberties with the person of Lieutenant Percy Lorenzo Harvey, in the months of August, and September 1824, on two occasions, at Kemmendine, and at Tackly, but *not* with the intent to commit an unnatural crime; Guilty, on one occasion, at Tackly, in the month of September 1824, of taking indecent and unwarrantable liberties, with the person of the aforesaid Lieutenant Harvey, and *with* the intent to commit an unnatural crime.

Finding on Second Instance.—Not Guilty.

Finding on Third Instance.—Not Guilty.

Finding on Fourth Instance.—Guilty, but not repeatedly, nor with the intent to commit an unnatural crime.

Finding on Fifth Instance.—Guilty, but not repeatedly, nor with the intent to commit an unnatural crime.

Sentence.—The Court having found the Prisoner guilty, to the extent before recited, which being conduct, scandalous, and infamous, such as is unbecoming the character of an Officer and a Gentleman, it doth, by virtue of the Articles of War, adjudge him, the said Captain Thomas Dallas, to be discharged the Service.

(Signed) ROBERT MURCOTT, Captain,
Deputy Judge Advocate General,
Centre Division.

(Signed) WILLIAM SMELT,
Lt. Col. His Majesty's 41st Regt.
President.

The Finding and Sentence is approved and confirmed, and to be carried into execution from the 10th of December 1826, this day of its date.

(Signed) G. T. WALKER, Lieutenant General,
and Commander in Chief.

As it is difficult to conceive that the Crime, of which the Prisoner has been convicted, can any where exist but from the distorted propensities of an insane imagination, the Commander in Chief would, in this instance, have given that interpretation to the present case; but that, unfortunately, although this may be actually the fact, (many persons being insane on one subject alone,) nothing, excepting the Prisoner's venturing to stand a trial under such circumstances, can be found to justify Insanity being here taken as a ground of acquittal. Whether, however, it be Insanity or Crime, as the Commander in Chief cannot imagine the existence of another instance, of such a nature, in the Service; and that, consequently, the publication of such a conviction, at the head of Regiments, must, for the sake of example, be unnecessary; he directs it may be only entered on their Orderly Books. Should, however, contrary to all probability, such a circumstance again occur, the false delicacy shewn by some of the Evidence on this occasion, induces the Commander in Chief to express his hopes, that, however disgusting it may be to Gentlemen, so situated, to have their names mixed up with such odious subjects, they will not hesitate to chuse the least evil of the two, and not allow their own character to be implicated by continued familiarities and concealment. Concealment, for an hour, for an instant even, in such a case, is criminal: and a declaration of the facts, giving immediate means of Inquiry, is equally due, in justice to themselves and to the accused.

Mr. Dallas is placed under the charge of the Town Major of Fort St. George.

The General Court Martial assembled in Fort St. George, and of which Lieutenant Colonel Smelt of His Majesty's 41st Regiment is President, is dissolved, and the President, Members and Evidences, will return to their duty.

Finding.—The Court having most maturely weighed and considered the whole of the Evidence brought forward in support of the Prosecution, as well as what the Prisoner hath urged in his Defence, and the Evidence in support thereof, is of opinion that he, Captain William Binny of the 19th Regiment Native Infantry, is guilty of conduct, scandalous, and unbecoming the character of an Officer and a Gentleman, in having, at Secunderabad on Tuesday the 24th day of October 1826, at the Quarters of Ensign Pyper, of the same Corps, drank to an extreme excess of Intoxication, thereby rendering himself senseless, and setting a bad example to, and disgracing himself in the presence of, his Junior Officer, and the Court considers his conduct, as above, to be to the prejudice of good order and Military Discipline.

But the Court is of opinion, that the Prisoner's conduct on the occasion under consideration was not infamous, and therefore acquits him of that part of the charge.

Sentence.—The Court having found the Prisoner guilty of the Charge against him, to the extent above specified, does therefore by virtue of the Articles of War, sentence him, Captain William Binny of the 19th Regiment of Native Infantry, to be Discharged from the Service.

Interpreters, when in attendance upon European Courts Martial, are not, on any account or under any circumstances, to be considered as forming an integral part of the Court, to be present when the Court is closed, or to sign the proceedings as, in the case of Native Courts Martial. They are merely to *attend* the Court and to afford their services, if required so to do.

The Proceedings of all General Courts Martial, whether European or Native, are invariably to be made out upon "*Demi*" Paper, leaving a blank margin of two inches, in addition to the usual margin for the Rubrick, with a view to such Proceedings being ultimately bound up in Volumes, and thereby affording greater security and facility of reference thereto.

With reference to the Promotions of the Commissioned and Non-Commissioned of the Native Ranks, His Excellency The Commander in Chief calls the attention of Officers Commanding Corps to the expediency of encouraging the acquirement of Reading and Writing by the Men of their Corps.

Every Individual above the rank of a Private Soldier who cannot read and write, must at times be in the predicament of impeding the Public Service; and, among Natives especially, the habits of study

necessary to the acquisition, must afford a favorable presage of future sobriety, industry and respectability of character and conduct.

It is, however, expressly to be understood, that this is by no means to supersede other claims of a weightier nature, or to be in itself a sufficient recommendation for promotion when such are wanting.

The Court having most maturely weighed and considered the whole of the Evidence brought forward in support of the Prosecution, as well as what the Prisoner, Ensign William Berry Pyper, of the 19th Regiment of Native Infantry, hath urged in his defence, is of opinion.

The Court in finding the Prisoner guilty, to the extent specified, considers his conduct as proved in evidence to be scandalous, infamous, and unbecoming the character of an Officer and a Gentleman.

Sentence.—The Court having found the Prisoner guilty, as above stated, doth therefore by virtue of the Articles of War, Sentence him, the said Ensign William Berry Pyper of the 19th Regiment of Native Infantry, to be Discharged from the Service.

G. O. BY GOVERNMENT.

Ordered that the following Extract from the Honorable Company's General Letter in the Military Department dated the 16th June 1815, be republished in General Orders.

Para. 139. "In consequence of the numerous applications, which have been preferred to us by our Servants on leave of absence in this Country, for advances of Money on loans, We think it proper to recal your attention to our Orders in the Military Department of the 26th February 1808 upon this subject—Those Orders declared our determination not to make any pecuniary advances to Officers at Home, beyond what they are allowed by the existing Regulations of the Service, and you were required to publish them in General Orders to the Army; but as a Resolution of this description, in order to be generally known to a body which is continually receiving an accession of new Members should be occasionally republished, and being fully persuaded, that a strict observance of this Resolution, will prevent much trouble and inconvenience, besides loss to the Company; we direct that our Orders above adverted to, be in future circulated for the information of the Army, in the month of January in every year, and we shall take the necessary steps for reminding Officers who may arrive in England upon furlough of our determination upon the subject in question."

FORT ST. GEORGE, 2D FEBRUARY, 1827.

G. O. BY GOVERNMENT.

Para. 1. The Honorable the Governor in Council is pleased to publish for the general information of Officers serving under this Presidency, the following General Order by the Supreme Government.

General Orders by the Right Honorable the Governor General in Council.

FORT WILLIAM, 12*th May*, 1826.

In conformity with the rule prescribed by the Honorable the Court of Directors in their General Letter in the Military Department to the Government of Fort St. George under date the 25th of April 1809, the Right Honorable the Governor General in Council is pleased to direct that all Military Officers of the Bengal, Madras, and Bombay Establishments, who may proceed by permission of their respective Governments from any Subordinate Station under the Presidency to which they belong to the seat of Government of another Presidency for the purpose of finding a passage to Europe, shall be permitted to draw Indian Allowances until their departure from the Presidency to which they have so proceeded, provided no unnecessary delay in their embarkation at such Presidency shall take place.

It is to be distinctly understood, however, that this indulgence is restricted to Officers, who, from the proximity of the seat of Government of another Presidency and the remoteness of that of their

own would suffer unnecessary inconvenience and delay if compelled to proceed to the latter for the purpose of embarking to Europe.

As it is not intended that this Order should disturb the operation of that of the 21st January 1825, No. 21, with exception to the special case above provided for, the allowances, hereby granted, are invariably to be drawn by the Agent of the absent Officer at the Presidency to which the latter belongs.

(Signed) W. CASEMENT, Lt. Col.
Secretary to Govt. Military Department.

2. In giving effect at this Presidency to the above General Order, the Governor in Council has resolved that the Officers to whom it may apply, shall be considered entitled to the whole of their Indian allowances, until their departure from the Presidency, to which they may proceed, provided that no unnecessary delay shall take place in their embarkation at such Presidency.

3. It being necessary, however, for the guidance of the Pay Department, to specify the period to which the allowances will be payable without objection, it is determined that three months from the date of the General Order announcing the furlough shall be limited, beyond which the allowances are not to be drawn without the special sanction of Government.

4. Officers desirous of availing themselves of the provisions of the above Regulation, are to leave with the persons whom they may nominate to act as their Agents, a written authority to receive their arrears when due, including the usual advance of six months subsistence, and passage money if entitled thereto, with a last Pay Certificate, and the requisite instructions to adjust their accounts in the Pay Department, so as to enable their Agents to obtain from the Accountant General, the usual documents required by the Honorable Court of Directors when issuing Pay to Officers in England.

5. The Officers are also to transmit to the Agents from Bengal, Bombay, or Prince of Wales Island, (as the cases may be), Certificates from the Public Staff Officer of their being alive, without which their arrears of Pay and Allowances will not be payable; and also Certificates of the date of embarkation, in order to regulate the periods to which they may be entitled to Indian Allowances.

By order of the Honorable the Governor in Council.
(Signed) R. CLIVE,
Secretary to Government.

GENERAL ORDERS,

BY HIS EXCELLENCY THE COMMANDER IN CHIEF.

HEAD QUARTERS: CHOULTRY PLAIN,

1st February, 1827.

The following Extracts from the Confirmed Proceedings of Native General Courts Martial held at Kamptee on Monday the 18th, and on Wednesday the 27th days of December 1826, respectively, by order of Lieutenant Colonel Thomas Pollok, C. B. Commanding the Nagpoor Subsidiary Force by virtue of a Warrant of Authority vested in him by His Excellency Lieutenant General Sir George Townshend Walker, G. C. B. and K. C. T. S. Commander in Chief, are published to the Army.

Charges.—Fuzzil Khan Trooper in the D. Troop of the 8th Regiment Light Cavalry confined to the Guard on the following Charges.

1*st.* For unsoldierlike, and disgraceful conduct, in obtaining leave of absence under a false pretence on the 25th of June 1826.

2*d.* For availing himself of the leave thus granted the better to effect his object of Deserting, which he accordingly did, on or about the 12th of July last, with the infamous intention, of joining the Ex-Rajah, Appah Saib, an Enemy of the State, and not returning to it, till brought back by a Guard, on the evening of the 22d Instant—The whole of such conduct being in breach of the Articles of War, and subversive of every principle of Military Discipline.

By order of the Officer Commanding the Force.

Camp Kamptee, 24*th November*, 1826. (Signed) F. HUNTER, Assistant Adjutant General.

The Court having most maturely weighed and considered the whole of the Evidence brought forward in support of the Prosecution, as well as what the Prisoner Fuzzil Khan hath urged in his defence, and the Evidence in support thereof, is of opinion.

Finding on the 1*st Charge.*—That the Prisoner is guilty of the First Charge.

Finding on the 2*d Charge.*—That the Prisoner is guilty of the Second Charge.

Sentence—The Court having found the Prisoner guilty to the extent above stated, doth Sentence him, the said Fuzzil Khan Trooper in the D. Troop 8th Regiment Light Cavalry to receive (700) Seven Hundred Lashes upon his bare back in the usual manner, and afterwards to be drummed out of the Service, the whole at such time and place as His Excellency the Commander in Chief may be pleased to direct.

(Signed) J. R. ARDAGH, Depy. Judge Advocate General.

(Signed) In Tamil Character, MOOTIAH, Subadar and President.

(Signed) H. J. DALLAS, Lieutenant, Interpreter to the Court.

1*st Charge.*—The Court has found the Prisoner guilty on the 1st Charge, that is to say "of obtaining leave &c. *on* the 25*th of June*," while it appears by the only Evidence who *can give* a date, viz. the Havildar Major of his Troop that this leave was obtained *on* the 16*th June*---The Commander in Chief cannot but here remark on the great carelessness of the Commanding Officer in drawing up this Charge; the ignorance exhibited on this occasion by the Officer of the Troop in being unable to attach any date to his Evidence and the no less neglect on the part of the Court in deciding contrary to the date given by the Havildar Major, the consequence of all which is, that this Charge is nullified, and must be rejected altogether.

2*d Charge.*—On the second Charge so much of it being rendered nugatory by the negligent wording of the first, and no satisfactory evidence having been adduced of the intention of the Prisoner to join Appah Saib, nothing beyond the simple fact of desertion remains on proof, and for this the Commander in Chief confirms the Sentence; but desires that the Punishment may be confined to one hundred Lashes.

(Signed) G. T. WALKER, Lieut. General, *and Commander in Chief.*

Charges.—Havildar Major Narsimooloo of the 41st Regiment Native Infantry, Private Kotapah of the D. Company of the 41st Regiment of Native Infantry and Private Vencapah of the A. Company 41st Regiment of Native Infantry placed in confinement on the following Charge, viz.

For repeated acts of conspiracy between the 1st April and 13th May 1826, tending to the prejudice and injury of Lieutenant and Adjutant Langford, Jemadar Kistnamah and Writer Major Appanah, all of the said Regiment—The above being to the prejudice of good order and Military Discipline.

Camp Kamptee, 19*th Dec.* 1826. (Signed) H. BOWDLER, Lieut. Col. Commanding 41st Regiment.

By Order.

(Signed) T. H. S. CONWAY, *Adjutant General of the Army.*

The Court having most maturely weighed and considered the whole of the evidence brought forward in support of the Prosecution, as well as what the Prisoners, Havildar Major Narsimooloo, and Privates Kotapah, and Vencapah have urged in their Defence and the Evidence in support thereof, is of opinion.

Finding.—That the Prisoners are "Guilty" of the Charges preferred against them.

Sentence.—The Court having found the Prisoners guilty as above stated, doth sentence the said Havildar Major Narsimooloo of the 41st Regiment Native Infantry to be reduced to the Ranks, and to do the duty and receive the pay of a Private Sepoy, and it doth Sentence the said Kotapah Sepoy in the D. Company 41st Regiment Native Infantry to receive (300) Three Hundred Lashes, and the said Vencapah Sepoy in the A. Company 41st Regiment Native Infantry to receive (500) Five Hundred Lashes,

each with a Cat of Nine Tails upon his bare back, at such time and place as His Excellency the Commander in Chief may be pleased to direct.

(Signed) In Tamil Character, HUSSAIN KHAN, Subadar Major and President.

(Signed) M. G. FITZGERALD, Lieut. 41st Regiment, Interpreter to the Court.

Approved and Confirmed—the Havildar after serving one Month as Private to be Discharged the Regiment, the two Privates Kotapah and Vencapah to receive One Hundred Lashes each and to be Discharged the Regiment.

MADRAS, 30th *January*, 1827.

(Signed) G. T. WALKER, Lieut. General, *and Commander in Chief.*

The following Extracts from the Confirmed Proceedings of a Native General Court Martial held at Bangalore on Friday the 12th day of January 1827, by virtue of a Warrant from His Excellency Lieutenant General Sir George Townshend Walker, G. C. B. and K. C. T. S. Commander in Chief, are published to the Army.

Charges.—Subadar Narrainah, Seringapatam Local Battalion placed in Arrest by my order for gross neglect of duty, disobedience of orders, and disgraceful conduct, unbecoming the character of a Native Officer, in the following instances.

First.—For having some time between the Months of October 1825 and November 1826, appropriated to his own purposes, by lending to some of the Men of the Battalion, at exorbitant interest, part of a sum of money collected from themselves, to pay for articles they had received from a Dookandar in the Bazar of the Battalion, and which under the instructions he had received from his then Commanding Officer, should have been, on recovery paid over to the Dookandar, such conduct being in disobedience of his Commanding Officer's orders, and in direct violation of the Standing Orders of the Service and Battalion.

Second.—For having pledged himself in a written paper to pay the Dookandar the sum of (128) One hundred and twenty-eight Rupees, twenty-four of which only have been paid, although he promised to pay the whole two months after his arrival at Manantoddy, and now a period of twelve months, from November 1825 to November 1826, has transpired since he became responsible for the said sum, the whole, or any part of which has been collected from the Sepoys of his Company.

Third.—For neglecting to report to me after his return from Detachment, that any money was due to the Dookandar by the men of his Company which he now holds out to be the case, the whole of the above conduct being subversive of all good order, and rendering him unworthy the trust necessarily reposed in him as a Subadar, and Senior Officer at the head of a Company.

Additional charge against Subadar Narrainah B Company Seringapatam Local Battalion.

Additional Charge—For having between the 10th and 15th of November last, attempted to defraud the estate of Jungum deceased, late a Private in the B Company, by possessing himself of certain articles of property which were ordered to be sold by public outcry for the benefit of the Heir of the deceased.

FRENCH ROCKS, 20th *December*, 1826.

BY ORDER.

(Signed) T. H. S. CONWAY, *Adjutant General of the Army.*

The Court having most maturely weighed, and considered the whole of the evidence brought forward in support of the prosecution, as well as what the Prisoner Subadar Narrainah hath urged in his defence, and the evidence in support thereof, is of opinion.

Finding on the First Charge.---That the Prisoner is not guilty of the first charge.

Finding on the Second Charge.---That the Prisoner is guilty of having pledged himself in a written paper to pay the Dookandar the sum of (128) One hundred and twenty-eight Rupees, twenty-four of which have been paid, although he promised to pay the whole two months after his arrival at Manantoddy, which pledge he has not fulfilled; but it does not appear in evidence that the Prisoner received more than twenty-four Rupees from the Men of his Company after he had granted his bond.

Finding on the Third Charge.---That the Prisoner is guilty of not having reported to his Commanding Officer after his return from Detachment that money was due by the Men of his Company to the Dookandar, but acquit him of the remaining part of the charge.

Finding on the Additional Charge.---That the Prisoner is guilty of the additional charge.

Sentence.---The Court having found the Prisoner guilty to the extent above stated, doth sentence him, the said Subadar Narrainah, Seringapatam Local Battalion to be suspended from Rank and Pay for the period of (2½) two and a half Calendar Months, and to make good his engagement to the Dookandar by paying the balance due on his bond, viz. (104) One hundred and four Rupees.

(Signed) H. O'BRIEN, Captain Dep. Judge Advocate General.

(Signed) NARRAINAH, his X mark Subadar Major 52d Regt. President.

(Signed) THOMAS BAYLES, Lieutenant, Interpreter to the Court.

Remarks.

The Court cannot conclude its proceedings without submissively recommending to His Excellency the Commander in Chief the removal from the service of Naigue Gabriel, it having been clearly proved that he did receive Interest on money lent by him to Sepoys of the Company the blame of which he now wishes to throw on Subadar Narrainah, also that in giving his evidence before the Court he has not only prevaricated, but palpably perjured himself.

The Court having performed the duty incumbent on it, humbly beg to recommend the Prisoner Subadar Narrainah to the gracious clemency of His Excellency the Commander in Chief on the following grounds.

The Prisoner not being able to keep his own accounts was thrown into the hands of two artful, designing characters, viz. Bulramdoo, at that time Cote Havildar and writer to the B Company, and Orderly Naigue Gabriel; the former has since been reduced to the Ranks for taking interest from the Men, and the conduct of the latter has been such as to induce the Court to recommend his removal from the Service.

Secondly.—It appears from the evidence on record, though not positive, that the Officer Commanding at Manantoddy did give an order that the Sepoys' pay should not be stopped on account of the Dookandar without their own free consent, thus preventing the Prisoner from realizing the money due by the Men, and for which he became security. In this recommendation the Court do not intend that the Prisoner should be exonerated from the payment of the Bond.

(Signed) H. O'BRIEN, Captain,
Dep. Judge Advocate General.

(Signed) NARRAINAH, his X mark,
Subadar Major, 52d Regt. President.

(Signed) THOMAS BAYLES, Lieut.
Interpreter to the Court.

1st Charge.—The Court has acquitted the Prisoner on the 1st Charge and justly so.

2d Charge.—On the 2d it appears that the Prisoner thoughtlessly, though goodnaturedly, bound himself in a certain bond for payment of the debts of the Men of his Company, and that not having received the amount from the Men, he has not paid this Bond. This however, being his own act, he is bound by it, and must pay the balance due upon it; but it is expected that his Commanding Officer will give him every facility in recovering what is yet due from the Men.

3d Charge.—On the 3d Charge he is found guilty of neglect of duty in not having reported the debts of the Company to his Commanding Officer, this certainly was a neglect, but as it has brought upon him all the difficuties under which he has since laboured, it will, it is to be hoped, be sufficient warning to him to keep his Commanding Officer in future fully informed on every part of the conduct of his Men.

Additional Charge.—On the additional Charge the Court has found the Prisoner guilty, The Commander in Chief however cannot be brought to believe that the same Man who so disinterestedly took upon himself the debts of his Men to the amount of 128 Rupees could even have descended to a defraud of the petty value of one and half Rupee, and the cause assigned for laying the articles aside at the sale, viz. " his intention of purchasing them, when he was suddenly called away by the Adjutant" seems fully entitled to belief, and that no fraud could have been intended.

The Commander in Chief approves the recommendation of the Court in this instance; but it is, as an act of justice to the Subadar, that he removes the 2 and ½ months suspension to which he has been sentenced, that his character may receive no taint from the last Charge, and he may return to his duty with credit. The Proceedings in other respects confirmed.

The Court acted properly in bringing the conduct of Naigue Gabriel to the notice of the Commander in Chief, but in pointing out to him the line he was to adopt, it went *beyond its duty*; the conduct however of this person has been so infamous, that the Commander in Chief will not allow him any longer to disgrace the Service, and desires that he may be forthwith discharged in front of the whole Corps.

(Signed) G. T. WALKER, Lieut. Genl.
and Commander in Chief.

HEAD QUARTERS: CHOULTRY PLAIN,

[☞ The following Instructions are substituted for the G. O. C. C. 22d May 1817, which is hereby cancelled.]

INSPECTIONS AND CONFIDENTIAL REPORTS UPON THE STATE OF REGIMENTS.

It being essential to the good of the Service that the Commander in Chief should be made acquainted with the actual state of every Regiment, as well with regard to its Field Exercise as to its Interior Economy and good Order, and that he should, as far as possible, have a personal knowledge of the merit and capacity of Officers, and more especially those in Command of Regiments, every General or other Officer in Command of a Division, Field or Subsidiary Force is required to make a Confidential Report in the early part of the Month of January in each Year, or as soon afterwards as the circumstances of the Service will permit, of what has fallen within his observation on those important subjects since the previous Inspection.

These Reports are, as far as practicable, to be the result of continued intercourse and observation, and not to be confined to an Inspection at any particular time. The Commander in Chief expects that every Officer entrusted with such Command, will make himself so conversant with the Interior Economy and actual state of every Corps of which it is composed, and so acquaint himself with the talents and exertions of every Officer under his Command, that he shall be prepared at any time, and on the shortest notice, to furnish, from his own personal knowledge and observation, any information which may be required on subjects connected with the Corps confided to his superintendence.

The Commander in Chief trusts that Officers holding such Commands, being apprized of this very essential part of their duty, will be prepared to answer his inquiries in a manner which may evince their own attention to their duty and capacity for command.

These Confidential Reports and Returns are to be transmitted, through the Adjutant General, as soon as possible after they are completed, as any delay in their transmission may very much diminish their utility.

The Reports must be made separately of each Corps or Detachment and forwarded under distinct and separate Covers.

In these Confidential Reports of the State of Regiments or Detachments, the General or other Officer in Command, will report on the particular heads herein pointed out, and with a view to the facility of reference the heads of Information are to be inserted in the Margin of the Reports and in the succession herein detailed, *viz.*

GENERAL OBSERVATIONS.

It being the duty of the Commanding Officer of Corps to take care that the Clothing, Arms and Accoutrements and every article of Equipment are kept complete and in a constant state of fitness for Service, the General or other Officer on inspecting Corps and on perceiving any deficiency in these articles, will require an explanation of the cause of the deficiency from the Commanding Officer, and the measures which have been taken to obtain a supply of the articles deficient. The Inspecting Officers will then themselves give such further Orders as are requisite to ensure the deficiency being speedily replaced.

The several heads as pointed out in these Regulations are to be *separately* reported on and not blended together. Each Inspection Report should contain in itself every possible information respecting the Corps reported on. Such observations as may have been made in former reports are to be *repeated*, if necessary, and those reports are not to be *referred* to merely for the particulars on which the several remarks are founded.

It is the duty of the General or other Inspecting Officer fully and faithfully to report without reserve, and to make such observations and animadversions as they may consider necessary on the several heads to which their attention is directed, not failing to bestow on every description of Officers, and particularly on the Field Officers and Captains, (on whom the discipline most materially depends) the due proportion of commendation or censure which the conduct of each, in his respective station, shall appear to deserve. If they perceive that the Officers or Men, or both, are careless, inaccurate, or ill-instructed in their Field Exercises, they are not only to state the particulars in their reports, but, they are also to order such a course of Drill, in reference both to Officers and Men, conformably with the Regulations, as they may judge best calculated to remedy what they may have occasion to censure.

In all instances wherein the Inspecting Officer may have occasion to point out any defects, they are to mention in their Reports what directions they have given in consequence. They will direct that their Orders, on such occasions, shall be inserted in the Order Book of the Regiment, and they will transmit a copy of them, with their reports, to the Adjutant General. The General, or other Officer next inspecting the Regiment, will in his report, state in what manner and with what effect the orders issued at the previous Inspection appear to have been obeyed.

INSPECTION RETURN.

The Annual Confidential Report of every Regiment is to be accompanied by a *Return* according to the annexed Form, to be signed by the Officer Commanding the Regiment and countersigned by the General or other Inspecting Officer.

9.—Detachment of Cavalry.

☞ The Confidential Reports and every Document connected therewith are required to be made on Demi-Paper, to Correspond in Size with the Inspection Returns. A margin must also be left for the purpose of binding, exclusive of that which is intended to contain the Heads of the Reports.

GENERAL ORDERS,

BY HIS EXCELLENCY THE COMMANDER IN CHIEF.

HEAD QUARTERS: CHOULTRY PLAIN,

2D MARCH, 1827.

The Commander in Chief, at the recommendation of the Medical Board, is pleased to direct,

Para. 1*st.*—That in all cases in which a transfer of the Medical charge of a sick Officer may take place, a detailed Statement shall be furnished by the Medical Officer, who conducted the first part of the treatment, for the information of the succeeding Medical Attendant.

2*d.*—On occasions where it is not known what Medical Officer is next to have charge, this Statement is to be enclosed in a sealed cover, and given to the patient himself for delivery to the Medical Officer, by whom he may next fall to be attended.

3*d.*—Each succeeding Medical Officer is to add his own Statement of the case, to the Statement of his predecessors, which is to be enclosed in like manner for the information of the Medical Officer on whom the charge may next devolve, so that a connected view may be given of the history and progress of the case, from its commencement to the time of each transfer.

4*th.*—In the event of any Medical Officer being hereafter required to attend a sick Officer, without being furnished with the information that is herein required, an immediate report must be made of the circumstance to the Superintending Surgeon, for the information of the Board.

5*th.*—In cases of transfer of sick Soldiers and Sepoys, an account of the history and progress of their cases, and the remedies that have been used is directed to be sent along with them, for the information of the succeeding Medical Attendant, and where this is neglected, a report of the circumstance is to be immediately made, as directed in the preceding paragraph.

6*th.*—Duplicate copies of the Statements of cases of sick Officers, and of the Certificates grounded on them, must in all instances be forwarded to Superintending Surgeons of Divisions, and a complete copy of the series of Statements forming the history of each case must be forwarded by the Medical Officer last in attendance for the information of the Medical Board, whenever a case terminates in Death, or the Officer is ultimately necessitated to proceed to Sea or to Europe for the benefit of his health. In other cases the transmission of these Statements to the Board will be dispensed with.

7*th.*—In the event however of Superintending Surgeons having reason to doubt the propriety, or necessity of particular Certificates, they will call for such further information, as they may deem necessary from the Medical Officer who granted them; and should such not prove satisfactory, they will ultimately submit the same to the Medical Board if requisite, when, the latter will adopt such further measures as circumstances may render expedient.

8*th.*—Should at any time the Executive Medical Officer consider the removal of his Patient absolutely necessary for the recovery of his health, and the Superintending Surgeon not concur in the same opinion, the form of countersignature to the Certificate is to be dispensed with, to obviate any delay injurious to individuals; and in like manner, should the Superintending Surgeon at any time consider the removal of an Officer necessary, and the Executive Medical Officer decline to furnish the usual Certificate, the Superintending Surgeon in such case is to grant one, reporting to the Medical Board his reasons for having done so.

9*th.*—When a sick Officer arrives at any Station he is to deliver the Statement of his case, if furnished with it as above directed, to the Medical Officer, under whose care he is to be, at the first visit he receives from him; and the Superintending Surgeon, if present, is expected to take an early opportunity of visiting the patient, and affording his professional advice and instructions to the Medical Practitioner who attends him.

No. 48.

FORT ST. GEORGE, 20TH MARCH, 1827.

G. O. BY GOVERNMENT.

The Honorable the Governor in Council having approved of an arrangement for the better instruction of Natives in Medicine and Surgery, and for fitting them to fill the situation of Dressers in the Civil and Military Departments, is pleased to direct that the following rules shall be observed in the formation and conduct of the establishment.

1st. The establishment shall consist of fifty Native Youths, who are to be denominated "Native Medical Pupils." The Pupils are to be entertained on the selection, and recommendation of the Medical Board. They are to be of various casts, and not be under 15 years, nor above 20 years of age, and capable of reading and writing English, and one of the Native languages.

2d. The pay of a Native Medical Pupil is fixed at 7 Rupees per mensem, for the first two years of their service, and at 10 Rupees per mensem after that period, with batta of 1 Anna and 3 Pice per diem when in the Field. When the Native Medical Pupils are reported qualified for promotion, and are desirous of continuing in the Service, they are to be promoted to the grade of Second Native Dresser, as vacancies occur, and appointed to Regiments of European or Native Infantry, and to Garrison or other Hospitals, whether in the Civil or Military Department. Native Second Dressers shall be eligible for promotion to the grade of Native First Dresser, but it is to be understood, that they are to be employed in the latter grade in the Civil Department only, and not to be eligible for promotion to First Dresser in the Military Department.

3d. The entertainment of the Native Medical Pupils; their allotment to Hospitals; their prescribed course of education, and their subsequent promotion and appointment, will be conducted on the principles which regulate the establishment of Medical Pupils and Dressers of European descent.

4th. The Non-commissioned Medical Servants of all Civil Hospitals are intended to be furnished, as soon as practicable, from the Public Establishments of Native Dressers, and it is to be considered as general rule, that they shall pass at least 10 years in the grade of Second Dresser, 5 of which in a Military Hospital, before they can be promoted to First Dresser, in a Civil Hospital, Zillah, Collectorate, or other Native Doctors, at present in employ, who may possess particular claims and qualifications, entitling them to admission into the Public Service, shall be admitted to it, on the recommendation of the Medical Board, as First or Second Native Dressers, according to their merits.

5th. Native Medical Pupils shall bind themselves to serve for five years, but they are to be subject at any time to dismissal, on account of bad conduct, or unfitness in any way, for the Public Service. At the end of five years, Medical Pupils may obtain their discharge, for the purpose of following up their profession as Native Doctors; but if once promoted to the situation of Native Dresser, they are to be considered as having enlisted for fifteen years from the date of their entrance in the Service.

6th. Second Native Dressers who have been 15 years in the Service will be entitled to their discharge, for the purpose of following up their profession as Native Doctors, provided their Corps are not at the time on Field Service, or preparing for it. In cases of particular merit, certified by the Medical Board, a monthly pension of Rupees eight will be allowed by Government to Native Dressers, obtaining their discharge after 15 years service as abovementioned.

Native Dressers of both grades shall be entitled under the restriction abovementioned as to their Corps being on Service or preparing for it, to their discharge after twenty years actual service, receiving a pension equal to one half of the nett pay of their rank with the view of their practising as Native Doctors; but unless a discharge is wished for on this ground, substantiated to the satisfaction of the Medical Board, they will be subjected to the same rules with respect to pensions as are now in force. The time of service is to be computed from the date of their entrance in the Service.

By order of the Honorable the Governor in Council.

Secretary to Government.

BY ORDER.
(Signed) T. H. S. CONWAY,
Adjutant General of the Army.

The Court having most maturely weighed and considered the whole of the Evidence brought forward in support of the Prosecution, and the Prisoner, Cornet Ferrers, having urged nothing in his defence, is of opinion:

Finding.—That the Prisoner is guilty of the Charge in both instances.

Sentence.—The Court having found the Prisoner guilty as above stated, doth sentence him, the said Cornet Charles Courtney Ferrers of the 7th Regiment Light Cavalry, to be Dismissed from the Service.

(Signed) H. O'BRIEN, Captain,
Deputy Judge Advocate General.

(Signed) S. MARTIN, Lieut. Colonel,
4th Regiment Light Cavalry and President.

Approved and Confirmed, but at the benevolent recommendation of Lieutenant Colonel Welsh, the Officer in Command of the Force, and in consideration of the youth and inexperience of Cornet Ferrers, and the contrition he has expressed for his offences in a Memorial to the Commander in Chief, the Sentence is remitted, and it is earnestly hoped that the danger to which this young man has here exposed himself, and the disgrace it would have brought upon his family, will operate in future to produce in him a proper command of his temper and that due sense of subordination and respect for his Superior Officers, without which he can command none towards himself or even be suffered to take command of others.

The same Court after passing sentence of Dismissal from the Service upon this Officer, having in a most extrordinary manner proceeded to a second trial of this person, who, if the first were confirmed, was beyond the power of Military authority, the Commander in Chief is necessarily obliged to disapprove and does not confirm the same, and the Proceedings, Finding and Sentence are hereby quashed and of non effect.

(Signed) G. T. WALKER, Lieut. Genl.
and Commander in Chief.

FORT ST. GEORGE, 17TH APRIL, 1827.

G. O. BY GOVERNMENT.

Para. 1st. Lieutenant Colonel Morison, C. B. being about to vacate the office of Commissary General, the Honorable the Governor in Council gladly seizes the opportunity of publishing to the Army the sense of his services and character which has uniformly been entertained by the Government and by the Honorable the Court of Directors, and which has obtained for him the highest testimonies of approbation from those authorities.

2d. Several years before the formation of the Commissariat, the qualifications of that Officer had pointed him out as a fit person to introduce and superintend such an Establishment; and, under a different Government, the choice afterwards fell upon him, when it was esteemed essential to the success of so new, extensive and intricate a system that it should be entrusted to the hands of an Officer at once of eminent abilities and character and possessed of an intimate acquaintance with all the branches and departments of the Service.

3d. The expectations of Government have not been disappointed. The admirable order and efficiency of the arrangements adopted by Lieutenant Colonel Morison ensured their success. They have been tried in peace and in war and under every variety and exigency of the public service, and have invariably been attended with the most beneficial results. The saving of expense which they have produced, vast as it has been, is even less to be valued than their promptitude and unerring precision. Their efficacy is manifest from the fact that, since the Commissariat was instituted, there is no instance, during the most extensive and active hostilities and under the most trying circumstances, of the movement of any body of Madras troops having been either delayed or altered on account of supplies.

4th. The Government will be well served if the successors of Lieutenant Colonel Morison and all Officers acting under their orders only emulate his zeal, vigilance, capacity, application and high sense of honour, and if, each in his proper station, they strive to uphold the vigour and the character of that system which he has established.

5th. The Governor in Council has been pleased to resolve, in compliment to Lieutenant Colonel Morison's distinguished merits, that he shall retain the official rank of Lieutenant Colonel, which was conferred upon him as Commissary General.

By order of the Honorable the Governor in Council.

A General Court Martial consisting of a President and Fourteen Members for the Trial of all such Prisoners as may be brought before it, will assemble at Bangalore at such time and place as Major General Sir Theophilus Pritzler, K. C. B. Commanding the Mysore Division of the Army may direct.

PRESIDENT.

Lieutenant Colonel W. C. Fraser, 52d Regiment N. I.

The Mysore Division of the Army will furnish the Members and the Interpreter, and Captain H. O'Brien, Deputy Judge Advocate General, is directed to conduct the Proceedings of the Court, to whom the Names and Rank of the Officers ordered for this duty, with the dates of their respective Commissions are to be sent.

Prisoners and Evidences are to be warned, and are hereby ordered to attend.

The Division Orders by Major General Sir John Doveton, K. C. B. Commanding the Centre Division of the Army, dated the 5th and 12th April 1827, appointing Captain Williams of the 3d Regiment Light Cavalry, President, and Captains Wahab and White of the 16th Regiment Native Infantry, Members of a Court of Enquiry, ordered to assemble at Arnee on the 20th of that month, are confirmed.

His Excellency the Commander in Chief considers it requisite to correct a misapprehension which very generally prevails as to the power of Commanding Officers to *commute* the Punishments awarded by Courts Martial inferior to General.

The power of *commuting* punishment is afforded to the Commander in Chief only in one single instance by Section VIII. of IV. Geo. IV. Cap. 81, that power therefore cannot be held to exist in any other Individual of the Army, or in any other instance, for the *special* authority given argues the absence of such *generally*.

The several Orders and Instructions which have from time to time been issued to this Army touching the adoption of measures for the *prevention* of Crime and the *avoidance* of punishment appear to have produced an undue inclination on the part of Officers, either to mitigate or remit the awards of Courts Martial.

This is a mistake in principle, and does not uphold the fear and respect in which an appeal should be held by every Soldier to Military Law. *Trial* should be resorted to as seldom as possible, never except for serious Offences requiring example or to correct depraved and incorrigible Individuals; but when the Soldier of such habits has once been convicted and Sentenced and suffered the degradation of Confinement and Trial, the infliction of that Sentence should generally speaking be equally prompt and certain, for the aim of all punishment is example, and the hope of escape is the greatest of all incitements to Crime. It must therefore be the object of all Officers to avoid as much as possible bringing Soldiers to Trial, but when the necessity does arise, there is *no power* to *Commute* punishment, and the Commanding Officer's authority is limited to Confirming, Mitigating or Remitting.

1ST MAY, 1827.

Several instances having lately come to His Excellency The Commander in Chief's notice, of great deficiencies in Regimental Records and Books of Instruction, and Officers Commanding Corps having been unable to account for them, or to state, when and where they were lost, or destroyed:—His Excellency is pleased to direct, that whenever any part of the Records, or Books of Instruction of a Corps may be lost, or destroyed, a Court of Enquiry shall be immediately assembled to ascertain the cause, and its Proceedings transmitted through the regular channel to Head Quarters. In the event of this Order being neglected, Officers Commanding Corps for the time being, will be held responsible for all deficiencies at the time they may be discovered.

The Books of Instruction supplied for the use of Officers belonging to Corps and Departments are to be examined Monthly by Commanding Officers of Corps before making out the Returns, and are on no account to be taken away from the Corps when Officers proceed on leave or Sick absent, and Commanding Officers signing the Returns will be held responsible for any losses not duly reported and accounted for.

Ensign J. W. G. Kenny is removed *at his own request* from the 36th to the 13th Regiment Native Infantry in which he will rank next below Ensign C. Gordon.

The following Extracts from the Confirmed Proceedings of a Native General Court Martial held at Quilon on Thursday the 19th day of April 1827, by virtue of a Warrant of Authority from His Excellency Lieutenant General Sir George Townshend Walker, G. C. B. and K. C. T. S. Commander in Chief, are published to the Army.

Finding and Sentence.—The Court having most maturely weighed and considered the whole of the Evidence brought forward in support of the Prosecution, as well as what the Prisoner has urged in his Defence and the Evidence adduced by him in support thereof, is of opinion, that he Jemadar Veeragoo, 17th Regiment N. I. is guilty of conduct unbecoming the character of an Officer, and habitual Drunkenness, in the several instances charged against him, and the Court does therefore, by virtue of the Articles of War, sentence him, Jemadar Veeragoo, 17th Regiment N. GENERAL ORDERS,

BY HIS EXCELLENCY THE COMMANDER IN CHIEF.

HEAD QUARTERS: CHOULTRY PLAIN.

7TH MAY, 1827.

His Excellency The Commander in Chief, has much satisfaction in publishing to the Army, the following Extracts from the Proceedings of a Board of Officers, assembled in Camp at Padshapoor for the examination of Lieutenant Prior of the 23d Regiment or Wallajahbad Light Infantry, in the Hindoostanee Language.

Lieutenant Prior was required to read two Stories in the Goolistaun, and to render a written Translation of one of them in English.

He was next required to read and translate a Hindoostanee letter containing a Report from a person upon the nature of Ground for Encampment, Water supplies and other Military subjects.

The Preamble, Crime, and Sentence of a Native General Court Martial of recent occurrence was next in course to be translated and written in the Persian Character.

Lieutenant Prior was now required to converse with a Moonshee in Hindoostanee upon general subjects.

This was done with apparent ease, the Translation was in good language and style, and strictly correct with one trifling exception.

The letter was read and a free Translation of its entire purport was expeditiously afforded evincing familiarity with the Idiom and Character of the language.

This was effected in a very creditable manner, and, with some trifling exception in the arrangement of the Sentences, was very correct; the writing was excellent.

In this Colloquial Examination he evinced a command of language and readiness of expression, but failed a little in Pronunciation which is only to be attained by long and continued intercourse; he perfectly understood all that was said, and his replies were given without hesitation in appropriate terms.

The result of this Examination enables the Committee finally to report upon Lieutenant Prior's attainment of the Hindoostanee language in the most favorable terms; he writes the Nustalik in a bold, free and beautiful style, equal, if not superior, to the common order of Native Moonshees; neither Dictionary, Grammar or other Book of reference was employed to assist him in the Translations, and the Committee consider him fully qualified to enter upon the duties of an Interpreter to a Native Corps.

Taking into consideration the imperfect and inefficient supervision at present existing with respect to Regimental and other Courts Martial inferior to General, whereupon nevertheless the Army at large is principally dependant for the administration of Justice and the support of its discipline, and with a view to insuring to such Courts a greater regularity in their conduct and a strict adherence therein to the Law of Evidence, His Excellency the Commander in Chief is pleased to establish the following Regulations.

I. Officers, upon confirming, or otherwise, the Proceedings of Regimental or other Courts Martial inferior to General, assembled by their authority, will immediately forward such *(original)* Proceedings to the Commanding Officer of the Division, Detachment or Field Force who will refer them for examination to the Deputy Judge Advocate General of the Division.

II. It will be the special duty of the Deputy Judge Advocate to examine carefully and minutely all such Proceedings noting that all Forms have therein been strictly observed, that the Law of Evidence has been adhered to, and that the Finding and Sentence are legal and apposite; and, in the event of any irregularity or illegality, to communicate his opinion thereupon to the Commanding Officer who will duly notice it to the Officer by whose authority the Court was assembled—The Deputy Judge Advocate General will also forward a Duplicate of his opinion and report to the Judge Advocate General of the Army for the Commander in Chief's information.

III. It will be in the discretion of Divisional Commanding Officers to take such measures as may be requisite for the future avoidance of similar irregularities or illegalities in like cases.

IV. The Original Proceedings of all such Courts Martial shall, after examination, be returned by the Deputy Judge Advocate General, as Records to the Garrison or Regimental Officers to which they may belong.

V. The Proceedings of all Regimental or other Courts Martial inferior to General, shall be uniformly and fairly made out, without erasure, upon Foolscap Paper with a Margin of one inch in addition to the usual Margin for the Rubric, in order that they may be bound in half yearly Volumes and thereby afford greater facility of reference and certainty of their preservation.

VI. In Field Forces or special Commands unattached to any Division to which there may not be any Deputy Judge Advocate General appointed, it shall be the duty of the Assistant Adjutant General or Brigade Major generally to provide for the due observance of these Regulations, under the authority of the Commanding Officer of such Force.

VII. The provisions of this Order are solely and specially intended to produce future regularity by bringing past irregularity to notice and animadversion, and it is expressly to be understood that they are not in any instance, to authorize the delay of the infliction of Punishments awarded by Courts Martial, or to remove the responsibility of Officers approving the Sentences of such; which Punishments will be carried into prompt execution and which responsibility will continue to exist as heretofore.

Serjeant R. Watson of the 2d European Regiment is transferred to the Effective Supernumeraries and placed under the orders of the Town Major of Fort St. George, as a Private.

FORT ST. GEORGE, 29th May, 1827.

In order to possess the means of ascertaining with perfect accuracy how long Remount Horses last, with the view of comparing their services with their cost, and Horses of one description with those of another, The Honorable the Governor in Council has been pleased to establish the annexed form of Individual Registry No. 1, for all Horses now in the Horse Artillery, Dragoons and Native Cavalry, and for all which may hereafter be received. These Registers are to be forwarded by Officers Commanding Regiments of Cavalry and Brigades of Horse Artillery to the Military Board as soon as they can be prepared, and copies of them to the Commissary General, and reports of alterations and casualties during the preceding Quarter according to the annexed form No. 2, are to be transmitted Quarterly to the Military Board, and copies of them to the Commissary General.

In compiling these Registers which are required to correspond with those received from the Commissariat, all Horses at present in the Service are to be numbered Regimentally from one upwards, and on the admission of Horses to replace casualties the numbers are to be progressively continued : for example—if there be 100 Horses in a Regiment, and No. 2 has died, the Horse received in his place is to be numbered 101 ; the same rule is to be observed with Brigades of Horse Artillery ; while to preserve the correctness of these Registers, it is also directed that no Remount Charger be returned to the Ranks without a Certificate from the Commissary General of the season of his having been provided for the Remount, nor sold out of the Regiment without being first offered to the Commissary General for the Public Service at a price not exceeding the fixed rate of 700 Rupees.

Charges.—Ensign Charles Wake Walker of the 29th Regiment of Native Infantry, placed in Arrest by me, on complaint of Assistant Surgeon Duncan Munro in Medical charge of the above Corps, and is charged as follows, viz.

1*st.*—With having at Bangalore on the 9th of April 1827, treated Assistant Surgeon Duncan Munro of the 29th Regiment Native Infantry, indecorously, when that Gentleman waited upon Ensign Charles Wake Walker, in the execution of his duty as his Medical Attendant, in having when remonstrated with on the impropriety of his drinking Brandy and Water at 7 o'clock in the morning, answered in an impertinent and rude manner that he would take Brandy and water when he chose, or words to that effect.

2*d.*—With having at Bangalore in an Official letter addressed to the Adjutant of the 29th Regiment Native Infantry, and dated 9th April 1827, asserted that the greater part of an Official written complaint made by Assistant Surgeon Duncan Munro to me as his Commanding Officer, against Ensign Charles Wake Walker, was "False," that assertion being unfounded, malicious, and grossly insulting, and which Ensign Charles Wake Walker, has refused to retract.

The above being unbecoming the character of an Officer and a Gentleman.

BANGALORE, 13*th April*, 1827. (Signed) JOHN SCOTT, Major, Comg. 29th Regt. N. I.

BY ORDER.

(Signed) T. H. S. CONWAY,
Adjutant General of the Army.

The Court having most maturely weighed and considered the whole of the Evidence brought forward in support of the Prosecution, as well as what the Prisoner Ensign Walker hath urged in his defence, and the Evidence in support thereof, is of opinion:

Finding on the First Charge.—That the Prisoner is guilty of so much of the first Charge as accuses him of acting "Indecorously" towards Assistant Surgeon Munro, but acquit him of the remainder of the Charge.

Finding on the Second Charge.—That the Prisoner is guilty of that part of the second Charge which accuses him of having asserted in a letter to the Adjutant, that Assistant Surgeon Munro's complaint was "false" and of refusing to retract the same, but they acquit him of "malicious" or "grossly insulting" motives in making that assertion, it not being proved to the satisfaction of the Court, that Assistant Surgeon Munro did promise to send the Medicine as stated.

The Court finds the Prisoner guilty of un-officerlike, but not un-gentlemanlike conduct in the above named instances.

Sentence.—The Court having found the Prisoner guilty to the extent above stated, doth Sentence him, the said Ensign Charles Wake Walker, 29th Regiment Native Infantry, to be severely reprimanded in such manner as His Excellency the Commander in Chief may direct.

(Signed) H. O'BRIEN, Captain, Dep. Judge Advocate General.

(Signed) W. C. FRASER, Lieut. Col. and President.

Approved and confirmed, and Ensign Walker is hereby reprimanded.

(Signed) G. T. WALKER, Lieut. Genl. *and Commander in Chief.*

Ensign P. T. Marrett is removed *at his own request* from the 1st European Regiment to the 8th Regiment Native Infantry, in which he will rank next below Ensign J. Grimes.

Lieutenant J. Byng of the 6th Regiment Light Cavalry, will join and do duty with the Detail of that Regiment at Arcot till further orders.

In all cases where it may be considered requisite to direct the assembly of Native Courts of Inquiry, a Superintending Officer and an Interpreter are invariably to be attached to the same, in like manner as to Native Courts Martial inferior to General.

5TH JUNE, 1827.

Ensign W. G. Johnstone is removed *at his own request*, from the 38th to the 12th Regiment Native Infantry, in which he will rank next below Ensign George Freese.

A recent Court Martial and several other circumstances having brought to the knowledge of the Commander in Chief the great prevalence in this Army of an unmanly and barbarous practice with both Europeon and Native Officers and Non-commissioned Officers striking Soldiers under their Command, he desires that it may henceforward be distinctly understood, that any blow or stripe so given after this notice, without the authority of a Court Martial, is positively forbidden; and so odious and disgraceful does the Commander in Chief consider this offence, that he is determined to make an immediate example of whoever shall in future be convicted of it whatsoever may be his Rank.

It is to be remembered that this is not the first time that this practice has been forbidden in public Orders; but the Reprimand given on the 8th June 1812, on a conviction for this Crime is so full of good sense and proper feeling, that the Commander in Chief here repeats it in the hope it may carry conviction and improvement with it.

"REPRIMAND."

"You have been found guilty of very un-officer-like conduct in striking a Soldier, which your "duty to the Service, your feelings towards a brave Man whose profession would seem to forbid so igno-"minious an act ought to have restrained you, and the Commander in Chief views with great displeasure, "both the act and the motive; your future conduct His Excellency hopes will be more guarded, and that "with reference to your own feelings you will learn to appreciate those of every other Soldier, even those

" serving in the Ranks, and that you will remember, that their valour, their pride, and fidelity to their " King and Country can only be maintained by preserving with unblemished purity, the principles that " dictate those virtues which enable their Officers to reap honors and distinctions at their head."

" It is the duty of every Officer to keep in mind, that discipline and subordination is to be main- " tained without severity, that the faults of Soldiers more frequently arise from relaxation of discipline " than from bad disposition; the remedy therefore is not severity, it rests with the Officers, whose " characters are to be traced by the state of their Corps and Companies."

" The Commander in Chief takes this opportunity of directing, that the use of Rattans at Drill " may be abolished, and that no Officer or Non-commissioned Officer is ever, on pain of being tried *for* " *disobedience of orders*, to strike or cause any Soldier to be struck without the previous Sentence of a " Court Martial."

The Commander in Chief thinks it however necessary further to add to this, that all Canes or Sticks of any kind are henceforward positively forbidden to be carried on any Parade or assembly of Troops whatsoever by any one under the Rank of Field Officer of the Corps, and that Commanding Officers will be held strictly responsible, that this Order is in no manner evaded.

The following Extracts from the confirmed Proceedings of an European General Court Martial, held at Secunderabad on Friday the 25th day of May 1827, by order of Colonel Andrew M'Dowell, C. B. Commanding the Hyderabad Subsidiary Force, by virtue of a Warrant of Authority, vested in him by His Excellency Lieutenant General Sir George Townshend Walker, G. C. B. and K. C. T. S. The Honorable the Governor in Council, having taken into consideration certain inconveniences connected with the existing system observed in sending discharged European Soldiers of the Honorable Company's Service to England, is pleased to authorize the following Regulations.

Men recommended to be discharged by Invaliding, &c. Committees, are to remain with their Corps until all claims, as far as may be practicable, have been adjusted at Regimental Head Quarters; all vouchers connected with such claims as may not admit of regimental adjustment, are to be forwarded, by Commanding Officers without delay by Tappall, and *not by the Individuals*, to the Town Major of Fort St. George.

All men so discharged are to remain upon the strength of their respective Corps, in receipt of their full Pay until embarked for Europe; the date of such embarkation to be notified by the Town Major of Fort St. George, to the Adjutant General of the Army, when the Individuals will be struck off the returns of Corps respectively, by orders from that Department.

All discharged Men are, hereafter to be placed in charge of a Commissioned Officer, in the Company's Service, returning to England on Furlough. It will be the special duty of the Officer in charge to see justice done to his Men on the passage home with respect to their Provisions as well as the Medical Comforts, and treatment of the Sick, and finally to attend at the India House, furnished with the necessary vouchers of the complete adjustment of their claims upon Government.

The Court having most maturely weighed and considered the whole of the Evidence brought forward in support of the Prosecution, as well as what the Prisoner Ensign Campbell, hath urged in his Defence, and the Evidence in support thereof, is of opinion.

Finding on the First and Second Charges.—That the Prisoner is Guilty of "disobedience of orders at Bangalore on the 10th April 1827, in not having attended at the Quarters of the Adjutant of the Regiment as directed," but the Court acquit the Prisoner of any culpability in so doing, he having been very unwell at the time, and it having been beyond the power of Assistant Surgeon Munro to give a correct opinion as to the state of his health, he not having visited him since the forenoon of the preceding day.

Finding on the Third Charge.—That the Prisoner is Guilty of having sent to the Adjutant two *informal*, but not *indecorous* official written communications.

The Court acquit the Prisoner of unofficer-like, and insubordinate conduct to the prejudice of, and subversive of good order and Military Discipline.

Finding on the Additional Charge.—That the Prisoner is Guilty of the Additional Charge.

Sentence.—The Court having found the Prisoner Guilty to the extent above stated on the original Charges and in full on the Additional Charge, doth Sentence him, the said Ensign John Campbell of the 29th Regiment N. I. to be Cashiered.

(Signed) H. O'BRIEN, Captain,
Dep. Judge Advocate General.

(Signed) W. C. FRASER,
Lieut. Colonel, and President.

Approved and Confirmed, but in consideration of the Recommendation of the Court and the youth and inexperience of the Prisoner Ensign Campbell, the Sentence passed upon him is hereby remitted; and the Commander in Chief earnestly hopes that this Officer will now use his utmost exertions to prove by his future conduct that he is not undeserving of this indulgence.

(Signed) G. T. WALKER, Lieut. General,
and Commander in Chief.

It is with deep regret that the Commander in Chief feels himself constrained to observe thus publicly, that this is but one out of many cases that have occurred of young Officers having been brought to Courts Martial without sufficient *previous enquiry* into the origin and *solidity* of the Charges against them, thus subjecting them, even if acquitted, to a certain degree of stain on their character through life, and to unmerited confinement in the first instance. Officers in Command must reflect, that the duties required of them are not confined to the judgment with which they may move men in the field, but that they are extended through all the previous stages of preparation of them for it, among

which stands foremost the study of the characters of their Officers, the knowledge of which can only be acquired by familiar intercourse; they should consider that, in proportion to the number over whom their authority is extended, a paternal Charge is also entrusted to them of the morals, comforts, present happiness and future prosperity of every individual so situated, and that upon their care and kindness, on their watchfulness or neglect depends not only the fate of Individuals, but the Character of the Army itself, which, unless based on morality, must soon become worthless. Officers in Command of every Rank, whether of a Division, Cantonment or Regiment, but more particularly of the latter, which should be considred but as one family should feel it an imperative duty to enquire into the character and conduct of all under their care, to advise and check the young and giddy by kind suggestions, to controul with authority the impetuous, and to punish seriously only the dissolute and incurable—trying (with the young particularly) every possible previous measure to avoid public exhibition, but if that should unfortunately become necessary, strictly ascertaining by full enquiry on all sides every fact necessary to be brought in evidence before a Court Martial is required. But what has been the case in the present instance? A young Officer not a year in the Service, on the *unexamined* statement of an Assistant Surgeon, is placed in Arrest on two Charges, of both of which he has now been clearly and *most properly* acquitted by a Court Martial—this is not all—in the face of the evident intention of the Legislature as expressed in the 21st Article of the 14th Section of the Articles of War for Confining the period of Arrest to eight days, a *close* Arrest, and that too in a hot climate, is here inflicted from the 10th April, to 15th May for what, if duly enquired into at the time, the sufferer would have been found innocent—necessity may have occasioned the lengthened period and this the Article itself justifies, but what except the abuse of such limitted liberty as is usually permitted in open Arrest can possibly justify a close Arrest, particularly in this Climate after the eight days at most? But even this is not all. At the earnest request of the Prisoner some relaxation of this severity was permitted from the 15th of May, and by a careless note of the Adjutant without any specification of the hours he is allowed to walk for Exercise in the Morning and Evening, and after all this undeserved Confinement, grounded on this, a new Charge is tacked to the others of a breach of this *indulgence*, the thoughtless youth having extended his walk *one hour* beyond the literal sense of the word Morning; now the words thus used are very vague terms and understood in various senses, the whole period before Dinner being often understood by the former—it would have been but charitable to have substituted a little explanation or even admonition if necessary in lieu of such a Charge; such however, as it was brought farward, the Court was bound by the letter to condemn, though considering the spirit of this order, it was evidently with regret that it did so.

In this case and in one too much resembling it, lately disposed of, it is possible the young Officers in question may have been idle and addicted to excesses; on *these grounds* then, if good advice and proper admonition have failed and all due enquiry has established the facts of the case, it should be brought forward; but every other idle frailty should not be snatched at, and every malicious report credited without examination; and the Service may be assured, that whenever hardened Crime may be brought forward, youth will not ensure it from punishment; but the Commander in Chief once more entreats that every possible means may first be tried before the publicity of a Court Martial, that no Officer be kept in Arrest one day beyond what necessity demands, that except in atrocious cases or for punishment, no Officer be kept in close Arrest unless he abuse the limited liberty to which his Commanding Officer may have thought proper to confine him, but it will be expected above all, that it shall be made evident that no Officer has been kept unnecessarily *one* day in Arrest before full and ample enquiry is made into his case.

"Resolved, That the Thanks of this Court be given to the Right Honorable Lord Amherst, "Governor General, for his active, strenuous, and persevering exertions, in conducting to a successful issue, "the late War with the Government of Ava, which was provoked by the unjust aggression of the Enemy, "prosecuted amid circumstances of very unusual difficulty, and terminated so as to uphold the character of "the Company's Government, to maintain the British ascendant in India, and to impress the bordering "States with just notions of the National Power and Resources.

"Resolved unanimously, That the Thanks of this Court be given to Major General Sir Thomas "Munro, Bart. K. C. B. for the alacrity, zeal, perseverance and forecast, which he so signally manifested "throughout the whole course of the late War, in contributing all the available Military and Territorial "Resources of the Madras Government, towards bringing it to a successful termination.

"Resolved unanimously, That the Thanks of this Court be given to Major General Sir Archibald "Campbell, K. C. B. for the skill, gallantry, and perseverance so conspicuously displayed by him in conduct- "ing the operations of the Forces throughout the late arduous War, and which enabled him to surmount "difficulties of no ordinary character, as well as for his judgment and forbearance in availing himself of "every opening for Negotiation, which finally led to the happy termination of Hostilities.

"Resolved unanimously, That the Thanks of this Court be given to the Brigadiers General, "Brigadiers, Field and other Officers of His Majesty's and the Company's Forces, both European and "Native, for their gallant and meritorious conduct in the Field throughout the late operations against the "State of Ava.

"Resolved, That the Thanks of this Court be given to the Governor General in Council for his "forbearance in not resorting to measures of coercion against the Usurper of Bhurtpore as long as hopes

" Resolved unanimously, That the Thanks of this Court be given to General Lord Combermere, " G. C. B. Commander in Chief in India, for the judgment and skill with which he planned the Siege of " Bhurtpore, the operations of which conducted by His Excellency in person, ended in the Capture by " Storm of that Fortress, before deemed impregnable by the Natives; an achievement whereby the reputa- " tion and influence of the British Power in India have been not only confirmed, but most materially " augmented.

TRIVANDRAM, 12th *June*, 1827.

(Signed) W. WOODHOUSE, Lieut. Colonel, Commanding 20th Regiment N. I.

BY ORDER.

(Signed) T. H. S. CONWAY,
Adjutant General of the Army.

Finding.—The Court after most maturely deliberating on the evidence adduced in support of the prosecution, as well as upon what the Prisoner has brought forward in his defence, is of opinion, that he Ensign Henry Dawson, of the 20th Regiment N. I. is guilty of conduct unbecoming the character of an Officer and a Gentleman, in the following instances.

1st.—In being in a disgraceful state of intoxication on the evening of the 28th April 1827.

2d.—In having in the Mess Tent, about 11 o'clock on the night of the same day, without any provocation, while intoxicated, seized Captain John Macartney of the same Corps, by the Collar, at the same time making use of opprobrious and insulting language towards him.

The Court acquits him of the remaining part of the Charge.

Sentence.—The Court sentences the Prisoner Ensign Henry Dawson, to be suspended from Rank and Pay for the period of six Calendar Months, commencing from such date as His Excellency the Commander in Chief, may be pleased to direct.

(Signed) C. A. BROWNE, Lieutenant, Officiating Deputy Judge Advocate General.

(Signed) R. WEST, Lieut. Colonel, President.

Disapproved and Annulled, the Court having awarded a Sentence which the law does not justify.

(Signed) G. T. WALKER, Lieut. General,
and Commander in Chief.

It is the general principle of the Articles of War, to leave the graduation of the scale of penalties to the judgment of the Members of a Court Martial, and the spirit of this is founded in mercy, as it is not probable that Officers will bear two heavily on a Brother Officer in whose conduct there must be a common feeling, and who is again to return to their Society, chastened but not tarnished by the penalty—the thoughtless, the idle, and even the dissipated probably only require different degrees of correction to see the danger if not the folly of persevering in their faults; but as no correction can cure the Ungentleman-like, the man thus convicted can never be re-admitted into Military Society, it being essential that the Character of a Gentleman should ever be united to that of an Officer, and it is on this ground that no discretion is left with a Court Martial, in such a case, the 26th Article of the 14th Section, of the Articles of War, very properly providing expressly that any Officer convicted of Ungentlemanly behaviour *shall be dismissed* the Service.

As this a subject with which it seems extraordinary that any body of Officers should be unacquainted, the Commander in Chief can only account for the error which has been here committed by supposing that the Court had in the course of their Proceedings seen much to account for, perhaps even to diminish the criminality of the Prisoner below the scale at which it was stated—a Captain of the Regiment drinking for eight hours at a sitting with young Subalterns, till by his own subsequent acknowledgments, he knew nothing of what was passing, and after allowing liberties to be taken with him natural to such a disgraceful state of intoxication, unmercifully beating the poor Boy whom his example had thus entrapped into his debauch, and after all this, holding up his head the following day as if above associating with him; such things appearing in Evidence may certainly tend to blind the judgment of a Court, or to diminish the Crime of the Prisoner in its eyes, but this feeling should have been fully expressed in its *opinion*, which, to be in concert with *the Sentence* that followed, should have been that the Prisoner rather appeared to have been temporarily led away by bad example, than corrupted by ungentlemanly habits.

As the Prisoner however, at all events, has the advantage of this mistake, it is earnestly to be hoped that he will think deeply and seriously on the danger he has escaped, and omit no opportunity of impressing upon his Brother Officers, by the correctness of his conduct, that he his worthy of their esteem and of the society of Gentlemen.

The Commanding Officer of the Station where this has occurred, is requested to have these observations read in his presence to the assembled Officers, as much for the consideration of the Senior as of the Junior Classes, and to remind Commanding Officers of Corps of the proper objects for example.

The General Court Martial directed to assemble in Travancore in General Orders of the 23d May last, and of which Lieutenant Colonel R. West of the 51st Regiment Native Infantry, is President, is dissolved.

The Cantonment Order by Lieutenant Colonel Pereira, Commanding Berhampore, dated 26th April 1827, appointing Lieutenant Bradstreet of the 37th Regiment Native Infantry, President, and Lieutenant and Quarter Master Duff, and Lieutenant Simpson of the 37th Regiment Native Infantry, Members, of a Committee to assemble at Allyporam on the following morning, to inspect and report on certain Public Buildings, is confirmed.

The Cantonment Order by Lieutenant Colonel Pereira, Commanding Berhampore, dated 12th June 1827, directing the Committee of which Lieutenant Bradstreet of the 37th Regiment Native Infantry, is President, to re-assemble at Allyporam on the following Morning, is confirmed.

2D JULY, 1827.

Russell of His Majesty's 89th Regiment, are appointed Members of the General Court Martial, which assembles to-day in Fort St George, and of which Major General Sir John Doveton, K. C. B. is President, vice Captain J. Cole of His Majesty's 45th Regiment and Lieutenant R. Lewis of His Majesty's 89th Regiment, reported Sick.

That he is guilty of the 2d Charge.

The European General Court Martial directed to assemble at Bangalore, in General Orders of the 22d May last, and of which Lieutenant Colonel W. C. Fraser, of the 52d Regiment Native Infantry, is President, is dissolved.

It is with considerable regret, that the Commander in Chief is obliged to observe that on frequent occasions when he has thought revision of the opinion and Sentence of Courts Martial necessary to the pure principles of justice, he has been rather met by a quibbling defence of the errors complained

of, than a real desire to establish the law, or equity, of the Case, and thereby the true interests of the Service; it is often the misfortune of a Court Martial to have a Member possessing a smattering of law sufficient to lead himself and others astray, and several unauthorized works having of late led many to imagine that a few hazarded quotations from them might enable them to shine in their own opinion before a Court, however inapplicable to the context of the case. Nothing can be more dangerous to the character of the Service than giving encouragement to these legal quibblers, and the Commander in Chief hopes that Officers will only trust to their own good common sense to put down such pretensions, and so simple is Military Law, that nothing more is required to interpret it in justice and equity. Should a Law difficulty however occur, reference to the Officiating Judge Advocate is always a safer means, as he is responsible to his superiors for his opinions, which can be corrected on a revision without putting the Court to an ill-judged feeling of Defence on an error of its own—on this head the Commander in Chief cannot do better than to adopt an extract of an Order of His late Royal Highness dated the Horse Guards December 27th, 1826, and it is hereafter to be observed in this Army, viz.

"His Royal Highness has reason to apprehend, that these erroneous impressions have their "origin in the opinions promulgated in unauthorized Treatises and Commentaries upon Military Law, "and His Royal Highness must therefore desire, that Officers will look only to the Mutiny Act and "Articles of War, for the guidance of their conduct in carrying into effect the Regulations of the Service."

It is necessary here also to correct a false notion that has obtained, very inimical to justice, that an Officiating Judge Advocate may ask questions, &c. in his own name, even though the Prosecution is carried on by another; this practice is hereafter positively forbidden in this Army. When not Prosecutor the duty of the Judge Advocate must be confined to advice to the Prosecutor, to the important duty of warnings to the President against admission of illegal or irrelevant matter, and to the giving assistance to the Prisoner when he comes upon his Defence, in the course of all which he may suggest to each every question he may think it necessary should be put, though he has no right to put them in his own person, and should a legal question be put to him on any difficulty, his answer, or suggestion, should be distinctly recorded by the Court to enable his Superiors to judge of its correctness.

It is also required, that every President of a Court Martial shall have recorded on the Proceedings any protest that may be made by a Judge Advocate against the illegality or irrelevancy of the testimony offered.

Ensign J. C. A. Durand, is removed *at his own request* from the 27th to the 28th Regiment Native Infantry, in which he will rank next below Ensign J. H. Manly.

Ensigns E. Stevenson, and Robert Mackenzie, recently arrived and promoted, are appointed to do duty, the former with the 21st, and the latter with the 43d Regiment Native Infantry.

Ensign H. Pereira, is appointed to do duty with the 37th Regiment Native Infantry.

Serjeant W. M'Murray, of the 2d European Regiment is transferred to the Effective Supernumeraries as Serjeant, and appointed Serjeant Major of the Rifle Corps, from the 22d Ultimo, vice Marshall.

6TH JULY, 1827.

Officers upon receiving charge of Books, Papers, documents or records of whatever description, are to report without delay any deficiencies or defacements which may appear therein, and will hereafter be held strictly responsible accordingly should they fail so to do.

In reference to the General Orders of the 26th June 1827, His Excellency the Commander in Chief is pleased to direct that the Proceedings of Courts Martial inferior to General shall be transmitted from the Ceded Districts to Captain H. O'Brien, Deputy Judge Advocate at Bangalore, and from the Dooab to Captain A. Macarthur, Deputy Judge Advocate General to the Hyderabad Subsidiary Force, for examination and report.

7TH JULY, 1827.

With reference to the General Orders of the 29th Ultimo, the Committee of which Lieutenant Colonel H. Durand of the 29th Regiment Native Infantry, is President, will assemble on Friday next the 13th Instant, at 11 o'clock in the forenoon, at the Court Martial Room, in Fort St. George, instead of on Monday the 9th Instant.

Lieutenant A. R. Alexander of the 33d Regiment Native Infantry, is to be struck off the strength of the Rifle Corps, and is appointed to the 1st Battalion Pioneers, vice Hutchings.

Lieutenant T. M'Clellan of the 33d Regiment Native Infantry, is appointed to do duty with the 35th Regiment Native Infantry, and will join forthwith.

9TH JULY, 1827.

The following Extracts from the Confirmed Proceedings of an European General Court Martial, held at Bangalore, on Tuesday the 22d day of May, and continued by adjournment until Monday the 25th day of June 1827, by virtue of a Warrant of authority by His Excellency Lieutenant General Sir George Townshend Walker, G. C. B. and K. C. T. S. Commander in Chief, are published to the Army.

Charges.—Mr. Assistant Surgeon Duncan Munro, of the 29th Regiment N. I. placed in arrest by order of the Commander in Chief, on the following charges.

1*st.*—For neglect of his duty in reporting Ensign John Campbell, of the 29th Regiment N. I. capable of going to the Adjutant's Quarters on the 10th April last, without having first seen him on that day.

2*d.*—For equivocation and falsehood in the evidence given by him on the trial of Ensign Campbell, in first asserting that, that Officer might have put on a Shoe, or Boot, notwithstanding the Sores

on his feet, and afterwards in continuation of his evidence declaring that, with the bandages he had himself ordered, he could not do so, if, of an ordinary size; being naturally aware that he was not likely to be possessed of any but those he usually wore. Having by the first statement occasioned a false impression with his Commanding Officer against Ensign Campbell and the subsequent long confinement of the latter, and in both cases, exhibited conduct unworthy of a Gentleman and of the Commission he holds.

ADJUTANT GENERAL'S OFFICE,
FORT SAINT GEORGE,
21st June, 1827.

BY ORDER.
(Signed) T. H. S. CONWAY,
Adjutant General of the Army.

The Court having most maturely weighed and considered the whole of the evidence brought forward in support of the prosecution, as well as what the Prisoner Assistant Surgeon Duncan Munro, hath urged in his defence, and the evidence in support thereof, is of opinion.

Finding on the 1st Charge.—That the Prisoner is guilty of the First Charge, but divested of that degree of criminality that apparently attaches to it.

Finding on the 2d Charge.—That the Prisoner is not guilty of equivocation or falsehood, and does therefore fully, and honorably acquit him of the same; but the Court finds the Prisoner guilty of having given an apparently contradictory evidence on the trial of Ensign Campbell "in first asserting that, "-that Officer might have put on a Shoe, or Boot, notwithstanding the sores on his feet;" and afterwards in continuation of his evidence declaring that, "with the bandages he himself had ordered, he "could not do so, if of an ordinary size," but the Court influenced by the Prisoner's explanation, viz. "that although Ensign Campbell could not go with the bandages on to the Adjutant's Quarters, he "could have easily gone without them; a Stocking which he was unwilling to wear, answering all the "purposes for which the bandages were recommended to be worn," divest the Charge of criminality, further than the unintentional discrepancy given in evidence under the agitation of the moment.

The Court finds the Prisoner not guilty of making a "false impression," but of having in some measure influenced the mind of Ensign Campbell's Commanding Officer.—Not guilty of having occasioned the subsequent long confinement of that Officer, other causes having co-operated to induce a resort to that measure, and the Commanding Officer being aware previous to placing Ensign Campbell in arrest, that Mr. Munro had not then visited him on that day.

The Court fully and honorably acquits the Prisoner of "exhibiting conduct unworthy of a Gentleman, and of the Commission he holds" as set forth in the conclusion of the Charges.

Sentence.—The Court having found the Prisoner guilty to the extent above stated, doth Sentence him, the said Assistant Surgeon Duncan Munro of the 29th Regiment N. I. to be privately reprimanded.

(Signed) H. O'BRIEN, Captain,
Dep. Judge Advocate General.

(Signed) W. C. FRASER, Lieut. Col.
and President.

Though the Commander in Chief is willing to make great allowance for the good feeling of the Court towards a young man whose general respectability of character appears to have been so well supported by the testimony of his Brother Officers; yet as all the recorded testimony against him appears unanswered, but by his own statements and explanations, and the Court having admitted on its Proceedings much irrelevant and some improper matter, the Commander in Chief feels obliged to differ materially from the conclusion to which it ultimately has come; but as he cannot formally disapprove of its opinion without leaving some slur on the character of the Prisoner who, he hopes (from the situation in which he has lately been placed) has learnt to feel a proper degree of Charity towards others.—Unwilling to press heavier upon him than may be necessary to a right sense of his duty in future, hoping enough has been done for example, and recommending him never again to lose sight of the suavity and good feeling which generally distinguishes his profession—the Commander in Chief, under all the circumstances, ventures to confirm the Sentence.

(Signed) G. T. WALKER, Lieut. General,
and Commander in Chief.

Mr. Assistant Surgeon Munro is released from arrest.

Sub-Conductor G. Montgomery is removed from Gooty to Masulipatam.

The undermentioned Officers have obtained leave of Absence from their Corps and Stations.

No. 136.

FORT ST. GEORGE, 6TH JULY, 1827.

G. O. BY GOVERNMENT.

The following Regulations for carrying into effect the details of the arrangement announced in G. O. No. 62, of the 3d April last, having received the sanction of the Honorable the Governor in Council, are published for general information.

1. The Diet, Clothing, Bedding, Servants, Wine, and whatever may be required for the use of European Sick in Hospital, not hereinafter specified to be furnished by Surgeons, or from the Medical Stores, will be provided at the expense of Government, under the management of the Commissariat Department.

2. The diet for the Sick in Hospital is to be regulated by the G. O. dated 15th August 1826. Articles of "extra diet" deemed necessary by the Surgeon, are to be always entered in the Medical Diaries, and being inserted in the Diet Rolls, they will be duly supplied by the Commissariat. Patients receiving these Articles are always to appear in the Diet Rolls under the head of spoon diet. Wine or Spirits, however, when thought necessary, are to be supplied to Patients on any diet, at the discretion of the Surgeon.

3. Wines and Spirits for the Sick in Hospital are to be issued and accounted for by measures, 40 of which are to be equal to one Gallon. Proper Wine Measures will be supplied by the Commissariat Department accordingly. It will be the duty of Superintending Surgeons to regulate the quantity of Wine expended in Hospitals under their Superintendence, according to the number of Sick, and the nature of the diseases under which they labour. In the event of any abuse, waste, or profusion in the expenditure of Hospital Wine, it will be the duty of the Superintending Surgeon to report the subject immediately to the Officer Commanding the Corps or Station, who will forthwith cause a Court of Enquiry to investigate and report thereon.

4. Daily Diet Rolls, in the form annexed, A, are to be made out by the Surgeon in charge and hung up in each Ward of the Hospital. These rolls are to commence with the first and end with the last day of the month, and are to be changed weekly. At the end of the week they are to be signed by the Surgeon and delivered to the Commissariat Servant of the Hospital as vouchers for the expenditure of that department. Patients are to be dieted in Hospital from the time they enter it, till the time they leave it, and the patients are to be subjected to hospital stoppages for the day on which they are discharged from Hospital, but not for that on which they are received into it.

5. A Roll prepared according to the form B, exhibiting the aggregate number of sick under the different heads of Diet as nearly as can be determined, will also be furnished by the Surgeon the previous evening, as a guide to the Agents of the Commissariat in providing the supplies for the succeeding day.

6. Cooking Utensils, Plates, Spoons, Earthern Ware Vessels, and all other necessary Articles connected with the diet of the Sick in Hospital, will be provided by the Commissariat department, in such proportions, as, on experience, may be found to be requisite and useful. In the mean time, whatever has been customary in these respects on the former system of supply, will be continued till further orders in the respective Hospitals, under the management of the Commissariat.

7. Should it happen in the Field or during the march of Troops, that any of the Articles, specified in the Diet Table, cannot be procured, the best substitutes are to be provided by the Commissariat in lieu of them, in communication with the Officer Commanding, and the Senior Medical Officer present.

8. The several Articles of Hospital Clothing and Bedding, as hereafter described, are to be provided and constantly kept up in good and serviceable condition by the Commissariat Department, for the Hospitals of Corps, or Divisions of Corps, in the proportions undermentioned.

9. The Articles of Bedding and Clothing are the following.

A Painted Wooden Cot with Tape.

A Paillasse when Marching or in the Field.

Two quilts of Gingham, both lined, and one of them quilted with Cotton; one blanket, and two pillows, a bed gown, trowsers and cap of gingham, lined, and a white cotton shirt. Also when thought necessary by the Surgeon, a flannel banyan and flannel drawers, a pair of short worsted stockings or flannel socks, and a cap lined with flannel.

10. A proportion of Gingham bed gowns lined with flannel, and of pillows, extra to the numbers specified, to be always in readiness for such cases as they may be ordered for by the Surgeon. The Paillasses are to be stuffed with straw, which should be frequently renewed, and pillows for supporting the limbs in cases which require it, to be also stuffed with straw, but pillows for the head to be stuffed with cotton or coir, excepting in the field, when straw may be substituted if circumstances require it.

11. Every patient to be furnished with a clean shirt every second morning, and with bed gown, cap, and long drawers twice a week, and clean quilts once a week. The Surgeon, however, will order changes of bedding and clothing at any intermediate times, when really necessary.

12. Of the foregoing articles of bedding and clothing, the stock is to be kept up at the rate of 60 Shirts, 40 Quilts, 30 Gowns, 30 Caps, 30 Banyans, and 30 pair of long Drawers, for every 100 men, composing the numerical strength of a Regiment or Detachment.

13. Musters of the foregoing, as well as of the necessary clothing, &c. are to be prepared without delay under the inspection of the Medical Board, for all European Hospitals, and as soon as ready, they are to be stamped with the seal of the Medical Board, and dispatched to every Station at which European Hospitals are, or may be hereafter established, and according to these musters, the Commissariat will prepare and submit for survey, from time to time, such supplies of the several articles as may be required for hospitals respectively.

14. Whenever any addition to those articles may be necessary or likely to become so, they are to be forthwith provided by the Commissariat on the requisition of the Superintending Surgeon, or where there may be no Superintending Surgeon on the spot, the requisition of the Medical Staff in charge of the Sick, countersigned by the Officers Commanding the Regiment, and the Station, or Detachment, is to be immediately complied with. These requisitionary applications will be the Commissariat Officer's vouchers, for the articles supplied on them.

15. The requsite Establishments of Attendants and Servants for the Hospitals of Corps and Detachments, are to be provided and paid, by the Commissariat in the same manner as the other servants of that Department.

16. The Hospital Servants to be provided by the Commissariat will be determined hereafter when the requisite proportion has been ascertained by experience. In the mean time such an Establishment will be furnished as may appear to be sufficient by the department of supply, in communication with Superintending Surgeons of Divisions.

17. In the case of a Detachment from a European Corps, a proportion of Hospital Establishment, according to the scale abovementioned, is, to be furnished, by the Commissariat in communication with the Superintending Surgeon, or in his absence, the Regimental Surgeon. Specific application is to be made to the Commissariat for such additional persons to be entertained as may be necessary in such cases and as cannot be spared from the permanent Hospital Establishment.

18. These applications are to be made by the Regimental Surgeon, countersigned by the Superintending Surgeon when present, and when that Officer is absent, by the Commanding Officer of the Corps or Station, from which the Detachment is sent, which applications so countersigned, will constitute a voucher for the Commissariat of the necessity of the provision which it is called upon to furnish.

19. Under any peculiar circumstances that may render it absolutely necessary, an orderly comrade may be allowed to attend on a Sick Soldier in Hospital, at the requisition of the Surgeon, under the sanction of the Commanding Officer.

20. Monthly nominal Returns of the Expenditure of Wine and Spirits for the use of sick of Hospitals will continue to be made as at present by the Surgeon in charge for the information of the Medical Board, and a general Monthly Return of the Hospitals, Clothing, furniture and servants in use with all the Hospitals on the Establishment shall be sent by the Commissary General to the Medical Board.

21. The carriage of all Hospital Stores, inlcuding Medicines and Instruments, will be provided for by the Commissariat, at the expense of Government, upon Indents countersigned by the Superintending Surgeon, or in his absence, by the Officer Commanding. Duplicates of these Indents shall be forwarded by the Superintending Surgeon to the Medical Board, and the responsibility will rest upon the Indenting Officer until his requisition has received the sanction of that authority. The Duplicate Indent when sanctioned shall be returned to the Superintending Surgeon for the purpose of being delivered to the Commissariat Officer and will be the proper voucher for the supply, and no allowance will in future be drawn by Surgeons in charge of European Troops for the carriage of Hospital Stores, or public property of any description.

22. Surgeons of European Troops are to draw a per diem allowance at the rate of twelve Madras Annas per mensem for each European, sick and well, under his charge, whether Effectives, Invalids, or Pensioners, for which they are constantly to furnish such quantities of the undermentioned Articles as may be necessary for the use of all the sick and wounded Officers, Men, Women, and Children, of their respective charges, viz. all bazar, country, or other medicines, not included in the supplies issued from the Public Stores or at the Public expence, Oil, Spirits, and Vinegar for external applications, materials for Poultices and Fomentations, Bandage Cloth, Plantain leaves, country lint, articles required in the dispensary, such as Lamp, Oil, Candles, Jars, Goglets, Chatties, Firewood, or Charcoal, and every other article that may be required for perparing Medical Prescriptions, also articles for fumigation when required.

23. When parties of European Troops do not exceed in number twenty-four men, the Surgeon in Medical charge will draw the same per diem allowance as hitherto for each man, sick and well, and he will provide for the sick in all respects as was required by the Regulations under the former system of supply. This rule, however is not to operate in cases of temporary or accidental fluctuations of numbers above or below 24, but only when the intended strength of the party is permanently fixed above or below that number.

24. The Surgeon of the Presidency General Hospital, in lieu of his present emoluments, which cease from the 1st of May, will draw in future a fixed salary of Rupees 600 per mensem, and one permanent Assistant, who will be appointed to the General Hospital, shall, under the denomination of Hospital Storekeeper, have the charge and custody of all Medical Stores, and will supply the requisite Country and Bazar Medicines, and such other articles as are specified in the 22d Clause of these regulations; and for these duties, and such personal Medical Attendance as he may be required to give to the sick at all times by the Surgeon in charge of the Hospital, he shall be entitled to a personal allowance of Rupees 250 per mensem in addition to the Garrison Pay and Allowances of his Rank.

25. The expense that may be incurred by the Hospital Storekeeper in furnishing Country and Bazar Medicines, &c. is to be charged in a contingent bill, monthly verified in the usual manner. Statements in the form of Indents, setting forth the several Articles furnished by the Hospital Storekeeper and charged for in the contingent Bill are invariably to accompany the Bill for payment.

26. All other Garrison and Cantonment Surgeons and Assistants will continue to draw the same Garrison or Cantonment Allowance as at present, also the same per diem allowance as at present, for the Europeans stationed in their respective Garrisons or Cantonments, provided the permanent strength do not

exceed 24; but where the strength is greater than this number, the supply and allowances for them will be on the principle laid down in the 21th paragraph, it being understood, that no per diem Allowance is to be drawn by these Officers for the Sick in their respective Hospitals, who are unattached, or left behind their Corps; the per diem Allowance being intended to be strictly a sick and well allowance, to be drawn for Europeans forming the strength of Garrisons, Regiments or Detachments.

27. It is to be clearly understood that the above mentioned Allowances are to be drawn by the Medical Officer in actual charge for the time being.

28. The Wives and Children of European Soldiers are to be attended by the Medical Officers of the Corps to which they belong, without any additional allowance on their account, and when needful for the proper treatment of their cases, they will be received into, and dieted in, the Regimental Hospital at the expence of Government.

29. The Soldiers Wives and Children of His Majesty's Regiments in the Garrison of Fort St. George and of Corps stationed at St. Thomas's Mount, are to be attended by the regimental Medical Officers as prescribed in the 28th paragraph, and are not to be under the charge of the Surgeon of the General Hospital.

30. In the case of European Soldiers occasionally left sick under the charge of Garrison Surgeons, they are to be clothed and dieted like other patients,—but no per diem allowance is to be drawn for them, Garrison Surgeons having a fixed allowance to provide for contingencies of that nature. In cases however where no Public Hospital establishment is kept up at the expence of Government, Medical Officers in charge of European Sick belonging to absent Corps or Stations will draw for them a per diem Allowance, at the rate of two rupees per man per month, for which they are to provide every thing requisite for their treatment as under the 22d paragraph.—This rule is applicable equally to the cases of Soldiers' Wives when treated in Hospital. In cases where there is no Commissariat Department to victual the men, the Surgeon will provide them with diet and clothing and wine, for which he will submit a contingent bill verified in the usual manner.

31. European Sick whether male or female who may be destitute are to be received into the Garrison Hospital under the regulations heretofore existing.—They will be clothed and victualled at the expence of Government, and are to be designated as Paupers in the admission tickets and Diet rolls.

32. Seamen of His Majesty's Navy and of Private Ships will continue to be received into the Garrison Hospital of Fort St. George under the regulations heretofore existing, but the regulated allowance paid for them by the Naval agents and owners of ships are to be brought to the credit of Government in the same manner as the stoppages for the Soldiers.

33. The stoppages from the European Sick in Hospital are to be the same precisely as at present, and are to be recovered by Paymasters in the same manner as the stoppages from Troops when victualled in the Field, or at Field Stations—the Commissariat Officers are accordingly to furnish Paymasters with reports of Men victualled in Hospital, in the same manner, at the same periods, and containing the same particulars, as they furnish of Men victualled in the Field, &c.

34. The Commissariat Reports to Paymasters to be headed "*Hospital supplies*;" the stoppages to be credited in the accounts current of Paymasters under the Head of "*Hospital stoppages*" and the *Quantities* of the supplies issued to be checked, and audited by the Military Board.

35. The Hospital stoppages from European Women, being the Wives or Widows of European Non-Commissioned Rank and File, are to be made at the rate of Rupees 3 8 0 per month, the supplies to be reported by Commissariat Officers to Paymasters, and recovered by the latter, under the rules above prescribed regarding the stoppages from Soldiers—and the same rate of stoppage is to be made from the Women, when victualled by the Commissariat on marching with their Corps, &c., and brought to account in the usual manner.

36. In the Field, or Field Stations, dry Batta is not, in future, to be drawn on account of Men in Hospital.

37. The supply of Medicines and Instruments for the use of the European Sick will be conducted as heretofore, with reference at the same time to the G. O. No. 196, dated the 7th November 1826.

38. The preceding regulations are to apply to the European Troops whether in Garrison or in the Field, as well as to Troops proceeding on Foreign Service, or from one place to another by Sea. A Table of diet for Troops in the latter situation will be published hereafter.

39. All Correspondence between Medical Officers of Corps or Hospitals with the Commissariat Officers, respecting the supplies made by the Commissariat is prohibited. If the Medical Officers should consider the supplies in any respect exceptionable, it will be their duty to make their representation to the Superintending Surgeon, who will then communicate with the Commissariat Officer, when such steps as may appear proper on the occasion will be taken.

40. An Hospital Serjeant upon the Staff pay of ten Rupees per mensem in addition to his Military allowances to be appointed to each European Regiment of Dragoons and Infantry, and Battalion of Artillery, and to each principal Garrison Hospital.

41. It will be the special duty of Superintending and Staff Surgeons minutely and scrupulously to enforce the most strict and undeviating execution and observance, by all concerned, of the rules and regulations now established, and the responsibility thus vested in them will be best appreciated by contemplating the extensive benefits that will result to the public service, and to the interests of humanity, from a strict, constant and minute exercise of their Superintending control and authority. These duties requiring much writing and a great expenditure of Stationery, each Superintending and Staff Surgeon is to be allowed from this date one writer at 15 Rupees per mensem and 20 Rupees per Month for Stationery in all situations. These sums are to be drawn for in the Superintending and Staff Surgeon's abstract, and the Writer is not to be removeable at the Superintending or Staff Surgeon's option, but to be considered as a Public Servant, attached to the Office, on the principles laid down in G. O. G. No. 56, dated 10th March 1826.

By order of the Honorable the Governor in Council.

FORT ST. GEORGE, 10TH JULY, 1827.

G. O. BY GOVERNMENT.

The Honorable the Governor in Council directs that the following Order be published in General Orders, and that Minute Guns, Sixty-five in number, be fired at all the Military Stations under the Presidency of Fort St. George on the occasion therein mentioned.

With sentiments of the deepest concern, the Government announces the decease of The Honorable *Sir* THOMAS MUNRO, Baronet, Knight Commander of the Most Honorable Order of the Bath, Governor of the Presidency of Fort St. George. This event occurred at Putteecondah near Gooty on the evening of Friday the 6th instant.

The eminent person, whose life has been thus suddenly snatched away, was on the eve of returning to his native country, honored with signal marks of esteem and approbation from his Sovereign, from the East India Company which he had served for more than forty-seven years, from every authority with which he had occasion to co-operate, from the public at large and from private friends. From the earliest period of his service, he was remarkable among other men. His sound and vigorous understanding, his transcendent talents, his indefatigable application, his varied stores of knowledge, his attainments as an oriental scholar, his intimate acquaintance with the habits and feelings of the Native soldiers and inhabitants generally, his patience, temper, facility of access and kindness of manner, would have ensured him distinction in any line of employment. These qualities were admirably adapted to the duties which he had to perform in organizing the resources and establishing the tranquillity of those Provinces, where his latest breath has been drawn and where he had long been known by the appellation of *Father* of the people. In the higher Stations, Civil and Military, which he afterwards filled, the energies of his character never failed to rise superior to the exigencies of public duty. He had been for seven years at the head of the Government, under which he first served as a Cadet and afterwards became the ablest of its Revenue Officers and acquired the highest distinction as a Military Commander. He had raised its character and fame to a higher pitch than it ever enjoyed before. His own ambition was more than fulfilled, and he appeared to be about to reap, in honorable retirement, the well-earned rewards of his services and his virtues, when these have received the last stamp of value from the hand of death.

Though sensible how feeble and imperfect must be any hasty tribute, like the present, to *Sir* THOMAS MUNRO's merits, yet the Government cannot allow the event which they deplore to be announced to the public, without some expression of their sentiments.

The Flag of Fort Saint George will be immediately hoisted half-staff high and continue so till sun-set.

Minute guns, sixty-five in number, corresponding with the age of the deceased, will be fired from the ramparts of Fort Saint George.

Similar marks of respect will be paid to the memory of *Sir* THOMAS MUNRO at all the principal Military Stations and Posts dependant on this Presidency.

He formed the Corps of Horse Artillery in 1805. He was in the Field under Colonel Close in 1810, and Colonel Doveton in the years 1815, 1816 and 1817. He Commanded the Horse Artillery at the Capture of Java in 1811. He Commanded the Artillery with the Head Quarters of the Army of the Deckan, and was present at the battle of Mahidpore.

Full of professional ardour, this Officer sought every opportunity of active employment in the Field, and had a Share in almost every Service of importance while he was in the Army. He was early brought into Public notice for his superior qualities, and honored with the marked confidence, and thro' after-life with the friendship, of his Grace the Duke of Wellington. No allurements had charms for him in comparison with the calls of duty. He was beloved as much as he was admired and respected by all who served under him. He enjoyed the unlimited confidence of his Superiors. He may be held up as the Model of a perfect Soldier ; and to the Government, the Army and his own Corps, in particular, his death may be regarded as a public misfortune.

GENERAL ORDERS,

BY HIS EXCELLENCY THE COMMANDER IN CHIEF.

HEAD QUARTERS: CHOULTRY PLAIN,

16TH JULY, 1827.

The following Extracts from the Proceedings of an European General Court Martial held at Bangalore, on Tuesday the 22d day of May and continued by adjournments until Wednesday the 4th day of July 1827, by virtue of a Warrant of Authority from His Excellency Lieutenant General Sir George Townshend Walker, G. C. B. and K. C. T. S. Commander in Chief, are published to the Army.

Charges.—Captain John Napleton Beaver of the 6th Regiment Native Infantry, placed in arrest by me on the following Charges.

1st.—For publickly declaring, on coming out from having given his testimony before an European General Court Martial, at Bangalore, on the 8th June 1827, that circumstances were known to that Court which ought never to have been so, and whoever told Major Harris what he said at the Mess, was a damned, low, mean, Blackguard, and he would not mind telling him so, or words to that effect, thereby tending to intimidate the witnesses present.

2d.—In having, on the following morning, applied the above expressions to Lieutenant and Adjutant William Gordon of the 6th Regiment Native Infantry, in the hearing of Lieutenant Howard Rawstorne of the same Regiment.

The abovementioned conduct being to the prejudice of good order, Military Discipline and impartial justice, and derogatory to the character of an Officer and a Gentleman.

BANGALORE, *14th June*, 1827.

(Signed) J. HARRIS, Major,
Comg. 6th Regiment N. I.

BY ORDER.
(Signed) T. H. S. CONWAY,
Adjutant General of the Army.

The Court having most maturely weighed and considered the whole of the Evidence brought forward in support of the Prosecution, as well as what the Prisoner Captain Beaver hath urged in his Defence, and the Evidence in support thereof, is of opinion.

Finding on the First Charge—That the Prisoner is Guilty of the First Charge.

Finding on the Second Charge—That the Prisoner is Guilty of the Second Charge.

Sentence—The Court having found the Prisoner Guilty as above stated, doth Sentence him the said Captain John Napleton Beaver of the 6th Regiment N. I. to be suspended from Rank and Pay for (4) four Calendar Months.

(Signed) H. O'BRIEN, Captain,
Depy. Judge Adv. Genl.

(Signed) W. C. FRASER, Lt. Col.
and President.

The Commander in Chief disapproves and cannot confirm the opinion and Sentence of the Court on the trial of Captain Beaver, because there does not appear to him to be on the record of Evidence, one title to support the guilt insinuated in either of the Charges, and further, because, if they had been proved to the extent found by the Court, it had no right to award any other Sentence than the penalty specifically assigned by the 26th Article, of 14th Section, of the Articles of War. Captain Beaver is then to be released from Arrest, and it is to be expected that he will have learnt to be more guarded in future in his expressions whether at the Mess or elsewhere.

and Commander in Chief.

BY ORDER.
(Signed) F. HUNTER,

This appears to have been a wicked conspiracy; but proves in the strongest manner the value of a good character, that of the Subadar Major has borne him through the trial with honor and the Commander in Chief entirely approves and confirms the opinion and Sentence of the Court.

24TH JULY, 1827.

The practice of awarding by Sentence of a Court Martial a certain number of lashes to be inflicted in a *divided manner* in different places of the Station, is prohibited as irregular.—It is usual to leave the time and place of infliction to the approving Officer, and it is altogether contrary to present usage to inflict further punishment after a Prisoner has *once* been taken down from the Halberts.

The practice of awarding suspension to Non-Commissioned is also prohibited, that punishment being, by the Articles of War, specially applied to the Commissioned Ranks of the Army, and in no way suitable to the circumstances and conditions of others.

The attention of the Commander in Chief having been attracted to the number of Men returned by Regiments "Appointed but not joined" and "Sick Absent" in their respective Monthly Returns, and regarding whom Officers Commanding on many recent occasions, could not afford the least information;

His Excellency directs that hereafter, nominal Registers of all such Individuals shall accompany the Monthly Returns of Regiments, particularly stating, from whence they have been received, or the Station at which the individuals may be, or have been at in Hospital, as the case may be.

The Commander in Chief takes this opportunity of requiring the attention of Officers Commanding Divisions and Field Forces to the examination of all papers and Proceedings of Committees that they may pass to Army Head Quarters; and the Staff Officers attached to each must be held responsible for their correctness; as considerable delay is experienced by the necessity of their being returned, as incorrectly prepared, vouchers required, &c. &c. and which would be prevented by previous examination, as the Regulations under which all Committees are assembled, have been published in General Orders, and can be referred to at Division Head Quarters with the most beneficial effect.

In addition to the reports required by General Orders of 10th August 1810, in regard to Soldiers prevented by Sickness from returning to their Corps at the expiration of their leave, it is directed, that Commanding or Staff Officers of the Stations at which Soldiers may have been detained, shall report to the Commanding Officer of the Regiment to which such individual shall belong, the date of his recovery and dismissal from Hospital and departure to rejoin his Regiment.

The undermentioned Officers have obtained Leave of Absence from their Corps and Stations.

MEMORANDUM.

Adjutant General's Office, Fort St. George,
27th July, 1827.

THE Adjutant General of the Army has the honor, by order of the Commander in Chief, to publish the following Memorandum by His Excellency together with the Documents to which it alludes; and requests that Officers Commanding Divisions, Stations, and Regiments, and in Charge of Departments, will give it the utmost publicity to those under their Command.

HEAD QUARTERS; 26TH JULY, 1827.

The Commander in Chief having just received a letter from the Committee of Management for the Monument of *His late Royal Highness* THE DUKE OF YORK, of which the following is a Copy, and having no doubt of the desire that must be extensively felt among the Members of this Army, to record their deep and sincere grief for his loss and their high sense of respect and admiration for a Prince as exalted for his tried firmness in public life, as for his judgment and perseverance as a Commander in forming and establishing the Discipline of the British Army, at the height of character at which it is now admired in every part of the world, at the same time that he never failed equally to study the interests and comforts of the Soldier. The Commander in Chief takes the earliest opportunity of publishing it to the Army of this Presidency together with the Speech, of which he has been fortunate enough to obtain a Copy of His Grace the DUKE OF WELLINGTON as addressed to the Meeting on the same occasion, confident it will be grateful to the Army to be made acquainted with it, especially as he can say nothing so much to the purpose, and as it will best represent his own feelings and he has little doubt that of the service at large. Subscriptions will be received at Messrs. Binny and Scott's, and Commanding Officers are requested to transmit the Nominal Lists of their respective Corps when complete to the Adjutant General of the Army as early as possible, as will the Assistant Adjutant General of Divisions, &c. for the Staff, as it appears to be only intended that the Subscription shall be kept open for one year.

(Signed) G. T. WALKER, Lieutenant General,
and Commander in Chief.

DUKE OF YORK'S MONUMENT.

COMMITTEE ROOM, HORSE GUARDS; WEDNESDAY, *28th February*, 1827.

THE very anxious desire universally displayed at the Meeting held at Freemason's Hall on Monday the 26th of February, to forward the measure there proposed of erecting a Monument to the Memory of *His Royal Highness* THE DUKE OF YORK AND ALBANY; induces the Committee then appointed to inclose a Statement of the Proceedings which took place upon that occasion, together with a Subscription paper, in order to give those who may be so disposed, an opportunity of affording their aid in promoting this object, and in carrying into effect this expression of the National gratitude for the Services rendered to his Country by His late Royal Highness.

At a General Public Meeting held at Freemason's Hall, on Monday, the 26th February, 1827.

His Grace THE DUKE OF WELLINGTON, in the Chair.

It was unanimously Resolved,

1st. That strongly impressed with a sense of that respect and regard which have been universally manifested for the Memory of *His late Royal Highness* THE DUKE OF YORK AND ALBANY.

A Prince admired and beloved for his private and his public virtues, for his kindness and affability in social life, for his loyalty as a subject, and for his uniform firmness as a public character. This Meeting is most anxious to transmit to posterity a record of that feeling of gratitude which pervades the breasts of his Contemporaries for the eminent Services which he rendered to his Sovereign and his Country in the thirty-two years he held the Chief Command of the Army, during which by the discipline he established and maintained as well as by the high spirit with which he inspired our Officers and Soldiers, His Royal Highness enabled this Country in the course of a twenty years War, amidst the wreck of surrounding Nations, to uphold that high Military reputation, for which it has always been renowned.

2d. That to effect this object, it is the opinion of this Meeting, that a Monument, or Statue, ought to be erected by public Subscription, to the Memory of *His late Royal Highness* THE DUKE OF YORK AND ALBANY.

3d. That a Committee be appointed consisting of the following Noblemen, Gentlemen, Generals, Admirals, and others, to conduct this Subscription: and that they be instructed when the Amount of the Fund is ascertained, to call upon the most eminent Artists for Designs or Models of a Statue or Monument, to be erected to the Memory of His late Royal Highness.

(Signed) FRED. MAITLAND, *General,*
Hon. Secretary.

The Duke of Wellington addressed the Meeting to the following effect:—Gentlemen, we all are witnesses to the anxiety felt by the public during the long and painful illness of *His late Royal Highness* THE DUKE OF YORK, an illness which

so fatally terminated in the event that has given occasion to this Meeting. We are likewise all witnesses of the sincere grief which pervaded the public mind, from the highest to the lowest, when that lamentable event occurred. It was not surprising; for His Royal Highness, during the entire of his long life, and the long period of his public Services, had established the strongest claims to the gratitude, respect, and regard, of the public. (*Hear, hear, hear.*) Some Men, who had enjoyed the honor of His Royal Highness's acquaintance, and friendship, lamented the loss of a friend, endeared to them by many amiable and tender recollections, while the public, at large, lamented the loss of a Prince, who, on account of his public and private virtues, by reason of his justice, integrity, and the steadiness of his character, afforded the Nation the best hope and safe-guard, in case Providence should, unfortunately, deprive the Country of the paternal care of his present Most Gracious Majesty. (*Applause.*) Under such circumstances, it is not astonishing—it is not extraordinary, that many men should feel a strong and laudable anxiety to give some testimony of their grief and sorrow at the loss, and their respect for the memory of His late Royal Highness in a manner, which, if not adequate to the merits of its illustrious object, might at least in some degree, convey to posterity the high honour and admiration with which the present age contemplated his memory. (*Hear, hear, hear.*) Such a proceeding was the natural consequence of his private and public virtues, but above all, of the Services which His late Royal Highness had rendered the public during the 32 Years he had held the command of the Army, twenty of which were years of War, of a War of unexampled difficulty and exertion. (*Applause.*) Gentlemen, I shall not attempt to detain you with a detail of these Services, to which I must confess myself unequal to do adequate justice. I am sure there is not a man at this moment in the room, who does not entertain a due sense, and a lively recollection of His Royal Highness's exertions. (*Applause.*) During the whole of the period to which I have alluded, and more particularly during the continuance of the War I have described, His Royal Highness's conduct in the discharge of his high and important trust, gave equal satisfaction to the Government, the Public, and the Army; thus combining in its favour the suffrages of three bodies, among which an union of sentiment on such a subject is, under most circumstances, rare. (*Hear.*) Gentlemen, there are some points of His Royal Highness's conduct, respecting which, perhaps I am able, more than any other man in the country, to give satisfactory testimony to. (*Hear, hear.*) One of these is, that during the entire course of the long and painful illness under which His Royal Highness suffered, and which terminated so fatally, His Royal Highness continued, up to almost the latest moment of his life, to perform every one of his duties with the greatest care and anxiety, and even to its utmost detail. The consequence of this, added to his previous official conduct, was that His Royal Highness delivered to his successor, the Army over which he had so long continued to preside, in the highest possible state of discipline and order, and I will add, of efficiency as far as its numbers go. Perhaps I may be permitted to add, that during the services I performed under His Royal Highness's command, I have been invariably excited, supported, and encouraged, by His Royal Highness's direction and assistance. (*Great applause.*) All that time I never recommended an Officer to the Commander in Chief as deserving of promotion who was not rewarded and promoted. (*Hear.*) From all these circumstances I think myself justified in coming to the conclusion that there never existed a character, in this or any other country, who merited, better than His late Royal Highness that the memory of his virtues and services should be transmitted to Posterity with that respect and regard which their magnitude and importance deserve. (*The delivery of this sentence was followed by three distinct rounds of applause.*) Gentlemen I think after what has been said, I may take the liberty of proposing the following resolutions (*Applause*).

The resolutions were then severally put and agreed to with acclamation.

PUBLIC MEETING *in aid of the Subscriptions for a National Monument to the Memory of His late* ROYAL HIGHNESS THE DUKE OF YORK AND ALBANY, *&c. &c. &c. Freemason's Tavern, February* 26, 1827.

GENERAL ORDERS,

BY HIS EXCELLENCY THE COMMANDER IN CHIEF.

HEAD QUARTERS: CHOULTRY PLAIN,

19TH AUGUST, 1827.

The following Extracts from the Confirmed Proceedings of a Native General Court Martial, held at Wallajahbad, on Friday the 10th day of August 1827, by Virtue of a Warrant of Authority from His Excellency Lieutenant General Sir George Townshend Walker, G. C. B. and K. C. T. S., Commander in Chief, are published to the Army.

Jemadar Bava Sahib, 9th Regiment Native Infantry, placed in arrest on Charges preferred by Ensign Jackson, 9th Regiment Native Infantry, and is charged as follows, viz.

CRIME.—1st. For appearing on the night of the 12th May 1827, at the Barracks where the Collector's Treasure Guard was stationed at Cuddalore, in a state of Drunkenness, and then and there, creating a disturbance, although repeatedly warned away by the Sentry on duty.

3d. For entering on the night of the 12th May 1827, Sepoy Ramasawmy of the 9th Regiment Native Infantry Hut, when he was out, and attempting by bribery, or other means, to seduce Peroonaavy, a person attached to his family.

4th. For Drunkenness on the nights of the 22d and 24th May 1827, while on route to Madras, he being at the time attached to a Treasure Escort.

Such conduct being unbecoming the Character of an Officer, prejudicial to good order and Military Discipline, and in direct violation of the Articles of War.

WALLAJAHBAD, 10*th June*, 1827.

(Signed) J. CLEMONS, Captain,
In charge 9th Regiment Native Infantry.

BY ORDER.

(Signed) T. H. S. CONWAY,
Adjutant General of the Army.

The Court having most maturely weighed and considered the whole of the Evidence brought forward in support of the Prosecution, as well as what the Prisoner Jemadar Bava Sahib, 9th Regiment Native Infantry, hath urged in his defence, is of opinion.

Finding on the First Charge.—Guilty, of appearing on the night of the 12th of May 1827, at the Barracks, where the Collector's Treasure Guard was stationed, at Cuddalore, in a state of Drunkenness, but the Court acquits the Prisoner of the remainder of the Charge.

Finding on the Second Charge.—Guilty.

Finding on the Third Charge.—Not Guilty.

Finding on the Fourth Charge.—Guilty, with the exception of the precise dates which have not been sufficiently proved.

SENTENCE.—The Court having found the Prisoner Guilty, to the extent set forth in its finding, which being conduct unbecoming the character of an Officer, prejudicial to good order and Military Discipline, and in direct violation of the Articles of War, doth Sentence him, the said Jemadar Bava Sahib, 9th Regiment Native Infantry, to be dismissed the Service.

Subadar Major, 18th Regt. N. I.
and President.

The Proceedings of the Court Martial on Jemadar Bava Sahib, are approved and confirmed, but under the recommendation of the Court, the Commander in Chief is willing to give the Jemadar the advantage of the small portion of Evidence produced against him, and he is hereby restored to his Rank, the duties of which it is hoped he will more carefully fulfil in future.

(Signed) G. T. WALKER, Lieut. General,
and Commander in Chief.

As it appears on the Proceedings of the Court Martial on Jemadar Bava Sahib of the 9th Regiment Native Infantry, that a single European Commissioned Officer was sent on Command of a Detachment who could not speak any Native Language, together with a Jemadar unable to speak English, the Commander of his Corps must either have acted with very little judgment, or a very bad practice must prevail in the Service which cannot too soon be put a stop to. It is the interest and the duty of every Officer in the Company's Service to learn the Native Languages as extensively as his abilities and opportunities will admit, but the Hindoostanee is absolutely necessary to enable him to fulfil his common duties, and it is expected that at the end of one year at furthest after his arrival in India, every Officer will be completely master of it for all colloquial purposes; during that period he will not be put on any Detachment duty unless under the Command of another of the same Corps, but he is expected to attend on all Regimental Courts Martial and on all General ones also at the Station of his Corps. A strict examination is then to take place, and if found duly qualified in Hindoostanee, he is thereafter to take his Tour of all duties in common with other Officers—should he not however prove qualified, the next Officer

who is, must take his place when called upon for Detachment, and for *every day's* duty so taken for him he must take the Regimental and other duties as they successively come to the Tour of that Officer, and as the orders of the Court of Directors for half yearly examinations will in future be strictly enforced, the Commander in Chief is fully determined to attend to no recommendations for Staff Appointments that are not supported by the proficiency in one Language at least; and should an Officer be found deficient hereafter on a second Examination after his year of probation, his name will be put down as incorrigible, for the further decision of the Court of Directors.

There is also another point in these Proceedings which the Commander in Chief finds it necessary to notice. The 3d Charge is avowedly introduced for the protection of the property of an Individual in a hired Prostitute. Now it is a principle common to all Courts that a complainant must plead with clean hands, and no Court, at least none under British influence, can be empowered to protect an immoral action; it must then be understood that hereafter no such Charge is ever to be admitted on any Court Martial.

(Signed) G. T. WALKER, Lieut. General,
and Commander in Chief.

20TH AUGUST, 1827.

That portion of the General Orders of the 10th August 1810, is cancelled, which requires Officers Commanding Divisions and Forces to report to Head Quarters, the re-admission of Deserters upon the Strength of their respective Regiments, except in cases when such Deserters are in excess of the established complement, for which special authority is required, and will be applied for, to the Commander in Chief, through the Adjutant General of the Army.

The Medical Committee directed to re-assemble at Poonamallee, on Wednesday the 22d Instant, in G. O. C. C. of the 18th Instant, is countermanded until further orders.

The leave of absence granted to Ensign W. H. Yarde of the 11th Regiment Native Infantry, in General Orders of the 18th Instant, is cancelled at that Officer's request.

The Cantonment Order by Lieutenant Colonel Armstrong, C. B. Commanding Bangalore, dated 15th May 1827, appointing Barrack Serjeant Lawton, to continue to *act* as Quarter Master Serjeant to the 31st Regiment or Trichinopoly Light Infantry, from the 12th May 1827, until relieved, is confirmed.

22D AUGUST, 1827.

The following Extracts from the Confirmed Proceedings of a Native General Court Martial, held at Wallajahbad, on Friday the 10th day of August 1827, and continued by adjournments, by virtue of a Warrant of Authority from His Excellency Lieutenant General Sir George Townshend Walker, G. C. B. and K. C. T. S., Commander in Chief, are published to the Army.

Jemadar Samanah of the 37th Regiment Native Infantry, placed in arrest upon the following Charges.

CHARGES.—1st. For having at Nellore on the 12th May 1827, advised Shaik Emaum, Recruit entertained by himself, to desert from the Service.

2d. For having at the same place and on the same day, caused to be written, while the said Shaik Emaum was actually present, and to be dispatched, an official report of his Desertion to the Adjutant of the Infantry Recruiting Depôt at Wallajahbad.

3d. For having at the same place, and on the same day repeatedly struck Recruit Shaik Emaum with his slippers.

The above being unbecoming the character of an Officer, and to the prejudice of good order and Military Discipline.

BY ORDER.

Finding on the Second Charge.—Guilty.

Finding on the Third Charge.—Guilty.

APPROVED AND CONFIRMED.

(Signed) G. T. WALKER, Lieut. General,
and Commander in Chief.

It is always with considerable regret that the Commander in Chief declines attending to the recommendation of a Court Martial, but he is in this instance called upon by an imperious duty to confirm the Dismission of Jemadar Samanah; he has been found guilty of making a false report and consequently his word as an Officer never could again be depended upon. The moral evil of falsehood and the numerous mischiefs arising out of it ought alone to render it odious to every man of proper feeling, but it cannot be too generally understood that it is totally incompatible with the Rank and Character of an Officer, which being at all times a Post of trust and confidence as well as of example to inferiors, he who can descend to the meanness of falsehood, totally incapacitates him for the Rank he holds, and if the fact is proved, no cause can be received as an excuse for it and it must *ensure* his dismission.

It is necessary that the Service at large should duly learn to esteem the value of truth, and if not for its own innate excellence, at least for their own true interests; it is then hereby directed, that in all future recommendations for the rank of Officers, it must be certified as the first and most essential point, that the Native Soldier has been distinguished for his practice of the truth, and that his word may be entirely depended upon; and without such declaration on the part of his Commanding Officer no recommendation will be attended to.

(Signed) G. T. WALKER, Lieut. General,
and Commander in Chief.

1*st.*—In being repeatedly in a shameful state of Intoxication at Hyderabad between the 13th and 21st April 1827.

2*d.*—In entering the Tents of the European Soldiers under Lieutenant Justice's Command, at Hyderabad, on or about the 20th or 21st April 1827, and applying to them for Liquor.

3*d.*—In quitting Lieutenant Justice's Detachment (with which he had been ordered to do duty by the Officer Commanding the Hyderabad Subsidiary Force) on the 25th April 1827, and absenting himself from it, without leave, until the 1st May 1827, on which day he was brought into the Camp at Decchoopulle, on a Country Bullock Cart, in a most disgraceful state of Intoxication.

CAMP AT KAMPTEE, 7*th July*, 1827. (Signed) J. LINDSAY, Lt. Col. Commanding 48th Regt. N. I.

By order.

(Signed) ST. JOHN B. FRENCH,
Actg. Asst. Adjt. Genl.

The Court having most maturely weighed and considered the whole of the Evidence brought forward in support of the Prosecution, as well as what the Prisoner Lieutenant Peter Mellish of the 48th Regiment Native Infantry, hath urged in his Defence, and the Evidence in support thereof, is of opinion.

Finding on the First Charge.—That the Prisoner is guilty of the first Charge, with the exception of the words "Repeatedly," and "Shameful."

Finding on the Second Charge.—That the Prisoner did go into the Tents of the European Soldiers at Hyderabad, but not for the purpose stated in the Charge.

Finding on the Third Charge.—That the Prisoner did quit Lieutenant Justice's Detachment, but the Court does not attach any Criminality thereto, in as much as that it does not appear that he Lieutenant Mellish was ordered to do duty with that Detachment, but merely accompany it as a convenient opportunity for joining his Corps, and further that the Prisoner had the permission of Lieutenant Justice to proceed as he pleased.

On the second part of the Charge the Court finds that the Prisoner came into Camp at Decchoopulle on a Country Bullock Cart in a state of Intoxication, but it acquits him of every other part of the Charge.

Finding on the Additional Charge.—That the Prisoner did not stray about the Lines of the Cantonment of Kamptee on or about the first, second and third of June 1827, in a disgraceful state of Intoxication, but the Court finds that the Prisoner was drunk when waited upon by the Adjutant of the Regiment as stated in the Charge.

The Court acquits the Prisoner of conduct scandalous and infamous, but finds him guilty of conduct unbecoming the character of an Officer and a Gentleman.

Sentence.—The Court having found the Prisoner guilty to the extent above stated doth Sentence him, the said Lieutenant Peter Mellish of the 48th Regiment of Native Infantry, to be discharged from the Service.

(Signed) J. R. ARDAGH, Captain, Deputy Judge Advocate General.
(Signed) A. MONIN, Lieut. Colonel, 47th Regiment N. I. President.

Approved and Confirmed, notice thereof to be given to Lieutenant Mellish by his Commanding Officer, from the date of which communication he is to be struck off the Establishment.

(Signed) G. T. WALKER, Lieut. Genl.
and Commander in Chief.

The ends of Justice and the character necessary to the Army being in a certain degree upheld by the ultimate decision of this Court Martial, the Commander in Chief has not deemed it necessary that it should be sent back for re-consideration; but aware as he is of the importance that must be attached to the opinions of a body of Officers (among which many are of rank and experience) thus given on a solemn

occasion where the use or rejection of a single phrase may more influence the young and thoughtless than the absolute peril of life, the Commander in Chief finds it impossible to pass over the very extraordinary opinions on the several Charges, without some observations to correct the dangerous effect they are calculated to produce.

1*st Charge.*—In the very face of the positive Evidence of Lieutenants Justice and M'Kenzie to two separate acts, the Court, though it finds the Prisoner guilty of Intoxication, acquits him of being *repeatedly* in that state. It goes on to declare that a Man, an Officer so drunk at six o'clock in the morning, as to roll on the ground nearly in a state of nudity, (for such is the Evidence), *is not in a disgraceful state.!!*

2*d Charge.*—The Evidence of Serjeants Woodcock and Legg and of Gunner Whitmore is positive not only to the fact of the Prisoner (an Officer) going to the Tents of the Soldiers (as found by the Court), but that he did also there ask for Liquor, although of this latter fact, so proved, the Court have most unaccountably registered an acquittal.

3*d Charge.*—Although as to this Charge it may be fair to give the Prisoner the advantage of any doubt which may have arisen as to the extent of the permission asserted to have been received from Lieutenant Justice as to the mode of his proceeding on the route to Nagpore as respects the first part, yet when the Court *find* in the latter part "that he did rejoin the Detachment on a Country "Bullock Cart in a state of Intoxication," and nevertheless acquits him of every other part of the Charge, that is to say of the phrase "disgraceful and shameful,"!!! standing as it does on record that he was brought into Camp in a state of insensibility and with his Breeches about his knees!!! To what has the Court exposed itself by such a decision? Will it not be natural to enquire who were the Members of a Court, of whom a Majority could be found thus desirous of sheltering the vice of Intoxication (under even so coarse an exemplification of it) from that character of disgrace and shame which ought naturally to attach to it, a character which would go further even as a remedy to the Evil than the unfortunate fate to which the Prisoner is actually condemned; and let not these Gentlemen lay the flattering unction to their souls that they have only so acted in mercy to the accused; towards whom they should not forget that they have solemnly sworn to decide according to the evidence only before them, and should also recollect that towards the Army at large they have the high and important duty to perform of the protection and support of its character, which, if such decisions as the present are allowed to pass uncorrected, must soon become totally demoralized, or at all events so pass in the opinion of the world.

4*th Charge.*—Upon this, though open to some similar observations, it is not further necessary to remark.

After the notice the Commander in Chief has thus been obliged to take of the opinion and decision of the Court, it will be aware that differing so totally as he does from it on so many points of evidence, it can neither be consistent with what he owes to his own character or that of the Army, to allow a recommendation so founded as that superadded to its proceedings to have any weight with him, and deeply as he regrets to see a young Man so lost to the situation he held in Society, the example is one he considers it an imperious necessity to make.

and Commander in Chief.

The Court having most maturely weighed and considered the whole of the Evidence brought forward in support of the Prosecution as well as what the Prisoner Nuigue Chokalingum, hath urged in his Defence, and the Evidence in support thereof, is of opinion.

Finding.—That the Prisoner is guilty of the charge preferred against him.

Sentence.—The Court having found the Prisoner guilty as above stated, doth Sentence him the said Naigue Chokalingum to be reduced to the rank of a Private Soldier, and to receive four hundred lashes on his bare back, in the usual manner, at such time and place, as the Officer Confirming these Proceedings may please to direct.

The Commander in Chief desires to express his approbation of the judgment evinced by the Court in this instance in strictly deciding according to the evidence before it, and its Finding and Sentence is hereby confirmed. But as it appears that all the parties concerned are nearly connected by Marriage, and that the circumstances complained of took place in the heat of a family squabble, within the house of the Jemadar who at the time had not upon him any distinguishing mark of an Officer, The Commander in Chief at the particular recommendation of the Court is pleased to remit the sentence, and the Naigue Chekalingum will return to his duty.

and Commander in Chief.

G. O. BY GOVERNMENT.

FORT ST. GEORGE, 26TH OCTOBER, 1827.

The Right Honorable the Governor in Council is pleased to publish in General Orders, the following Report of a Committee appointed to ascertain the proficiency of Lieutenant J. R. Fennell of the 10th Regiment of Native Infantry, in the Hindoostanee Language.

To

THE SECRETARY TO GOVERNMENT,
Military Department.

SIR,

We have the honor to report that, in obedience to the orders of Government, conveyed in your Letter of the 28th Ultimo, we have examined Lieutenant Fennell, of the 10th Regiment Native Infantry, with regard to his proficiency in the Hindoostanee Language, and that the result has proved very creditable to his talents and assiduity.

Two Hindoostanee Stories not of very easy execution, were given to him for translation into English, and except in some few instances were rendered with great fidelity. In the more arduous task of translating from English into Hindoostanee, a printed version of a Story from the Goolistan was given by him in Hindoostanee with much idiomatic propriety and command of Language. There were some trifling Orthographical errors and a few mistakes of gender, but the translation was uniformly true to the sense, and in some instances aspired to elegance of execution.

A common Hindoostanee paper was then given for perusal at sight, and was read and translated with much facility.

In the colloquial part of the Examination, Lieutenant Fennell expressed himself with sufficient readiness, though his pronunciation, is capable of improvement.

On the whole, we consider Lieutenant Fennell's acquirements in Hindoostanee, as above the common standard ; and we have no doubt, but that he would execute with credit to himself, and advantage to the Public, any duties of either translation or interpretation that might be confided to him in that Language.

MADRAS,
16th October, 1827.

We have the honour to be,
Sir,
Your most obedient Servants,
R. B. OTTO,
H. P. KEIGHLY,
H. HARKNESS,
H. B. DOVETON.

By order of the Right Honorable the Governor in Council.

Charges.—Lieutenant John Edwards, of His Majesty's 46th Regiment of Foot, placed in Arrest by me upon the following Charges.

1st.—For conduct unbecoming an Officer and a Gentleman, in having at Sea on board the Honorable Company's Ship *Warren Hastings*, on the evening of the 20th September 1827, grossly insulted Mrs. Marion Rose, a Passenger on the same Ship.

2d.—For conduct subversive of good order and Military Discipline at the same place and on the same evening, in refusing to obey the orders of his Commanding Officer, Captain James Skirrow, of His Majesty's 48th Regiment of Foot to go below, and in continuing in high altercation with Captain Mason, Commanding Officer of the same Ship.

3d.—For conduct subversive of good order and Military Discipline, at Sea in the Cuddy of the Honorable Company's Ship *Warren Hastings*, on the 4th September 1827, in saying that "the Commanding Officer of the Troops had neither the Character nor the Dress of a "Gentleman" and that, "if he, the Commanding Officer had spoken to him, the Prisoner, in the way "that he had done to another Officer, he would have kicked him off the Quarter Deck," or words to that effect.

FORT ST. GEORGE, 5th *November*, 1827.

(Signed) J. SKIRROW, Captain, H. M. 48th Regiment.

The Court having most maturely weighed and considered the whole of the evidence brought forward in support of the Prosecution, as well as what the Prisoner Lieutenant John Edwards, of His Majesty's 46th Regiment of Foot, hath urged in his Defence, and the Evidence in support thereof, is of opinion.

Finding on the 1st Charge.—That the Prisoner is not Guilty on the 1st Charge.
Finding on the 2d Charge.—That the Prisoner is not Guilty on the 2d Charge.
Finding on the 3d Charge.—That the Prisoner is Guilty of the 3d Charge.

Sentence.—The Court having found the Prisoner Guilty to the extent above stated, doth Sentence him, the said Lieutenant John Edwards, of His Majesty's 46th Regiment of Foot, to be placed at the bottom of the list of the Lieutenants of the Regiment to which he belongs, as they stand at this date, the 14th day of November, 1827.

(Signed) H. P. KEIGHLY, Judge Advocate General of the Army.

(Signed) W. G. PEARSE, Lieut. Col. and President.

APPROVED AND CONFIRMED
(Signed) G. T. WALKER, Lieutenant General, *and Commander in Chief.*

It must be always a subject of considerable regret to him when the Lieutenant General feels it his duty to decline acceding to the recommendation of a Court Martial; but although he has in this instance officially approved and confirmed the Finding and Sentence of the Court, in the hope that the risk to which the Prisoner has been subjected by the trial and the lenient punishment awarded to him may be found sufficient to deter him and others from similar conduct in future—The Lieutenant General is yet bound to say that on the first charge the Prisoner was acquitted in the face of the positive Evidence of three respectable witnesses supported even in essential points by two adduced on the Defence—now although the Lieutenant General admits that there may be some reason from part of the Evidence in Defence to think, that this insult to a Lady was not the gross and premeditated one it first appeared to be, yet it is so clearly proved that the Lady in question was *actually insulted by the Prisoner*, that the Lieutenant General is obliged to recall to the remembrance of this Court and trust that it may be impressed upon the minds of the Members of all future Courts Martial, that they are under solemn oath to judge only of the *facts* charged by *the Evidence before them*, and if in pursuance of this it becomes their painful duty to sentence to a severe punishment, a recommendation founded on any alleviating circumstances may very properly be forwarded together with the Finding and Sentence, but in no case is the Finding to be dependent but on actual Evidence to the facts charged.

On the 2d Charge, among conflicting Evidence it may be fair that the Court should lean to the lenient side; but when on the 3d Charge of which the Prisoner is convicted, the Court recommends him to mercy "in consideration of the peculiar circumstances under which the expressions were made use of by him"—when the expressions charged were uttered in the *Public Cuddy* of the Ship before the very Servants whence they might be, and probably were repeated even to the Soldiers under Captain Skirrow's command; under what circumstances then, unless actually on the Parade, could they have been more criminally uttered? as to whether this Evidence was brought forward vindictively or not, however it may affect the character of the Reporter, it can in no manner alter the *case* of the Prisoner.

Adverting then to the Evidence on the First Charge and the untenable ground taken for the recommendation of the Court, it must not create surprize that the Lieutenant General desires that the Sentence may be carried into execution, and Lieutenant Edwards may think himself most fortunate under all the circumstances of the case that he has been subjected to a Court so leniently disposed.

(Signed) G. T. WALKER, Lieutenant General, *and Commander in Chief.*

20TH NOVEMBER, 1827.

The Commander in Chief has recently noticed with great dissatisfaction the unmilitary style of Dress in which some Officers have indulged notwithstanding His Excellency's prohibition of "fanciful deviations" from the Rules and Orders laid down for the Costume of the Army in General Orders of the 8th December 1823.

G. O. 12th December, 1826.

White Jackets and White Cravats, are forbidden to be worn by an Officer at any time out of Quarters, and he is strictly prohibited from appearing publicly in any other Dress than is authorized by the Regulations of the Service. Silk or Crape Jackets or Trowsers are also prohibited—Broad Cloth being the established material of which Officers' Clothing is to be made, and all deviations from established Regulation whether in quality or fashion are prohibited. The Dress of every Officer in the Army, whether Staff or Regimental, has been fixed in General Orders, and what he is to wear on all occasions is defined. Officers are therefore required to conform to the *particulars of the Costume*, as described for each occasion. Should Officers disregard these orders and appear again in White Cotton Jackets, or Fancy Clothing of any kind, the Commander in Chief will prohibit the Shell Jacket and Forage Cap being worn, and order them to appear at all times in the Uniform established for the Parade.

All Applications for submission to the Commander in Chief are to be forwarded through the prescribed channel of Communication, and Officers are prohibited from addressing Head Quarters direct.

In all letters the subject of which is connected in any way with the Public Service, passing between Military Officers, the Rank with the Regimental or Official designation of the person writing the letter must be attached.

Several Instances having recently been brought to the notice of the Commander in Chief, of Sentences of Courts Martial inferior to General, passed in direct opposition to the Evidence before the Court and nevertheless confirmed and carried into execution, His Excellency feels himself called upon to intimate to Commanding Officers that he will hereafter hold them strictly responsible for the confirmation of such illegal Proceedings, that it is their especial duty to send back for revision all Trials whereon the Finding or Sentence may be evidently contrary to the Evidence adduced and that in cases of unjust conviction particularly, he expects them to stand between the Prisoner and the ill consequence of that want of information as to the commonest principles of the Law of Evidence, which too frequently prevails in such Courts especially when composed of Native Officers, who too frequently receive insufficient information from the Officer conducting the Proceedings.

Whenever Soldiers are brought to Trial *not* under the Provisions of Article IV. Section XXI. of the European or of Article VI. Section XII. of the Native Articles of War, and for Offences not specified in any other of them, it is requisite that the same should be declared in the Charge to be "to the prejudice of good order and Military Discipline."

FORT WILLIAM, *19th October*, 1827.

It affords the Right Honorable the Governor General in Council peculiar pleasure to announce

that the discipline, energy and gallantry, manifested by the European and Native Troops employed in the late Operations against the State of Ava, have been highly and justly appreciated by the Honorable the Court of Directors, and that as a token of the favourable sentiments they entertain of the brilliant services achieved by those who had special opportunities of distinguishing themselves, and as a proof of the approbation with which they regard the zeal, courage and patient perseverance, evinced by all in a manner so eminently calculated to sustain the character of the British Arms, the Honorable Court have been pleased to award to the Troops which served in Ava and Arracan, a further Donation of equal amount to that which was conferred by the Supreme Government in General Orders, No. 170 A. of the 3d August, 1826, and in the same proportions, viz. Six Months Full Batta for a service in those Territories of one year and upwards, and Three Months Full Batta for a service of any period less than a year.

In giving effect to this Resolution of the Home Authorities, the Governor General in Council is pleased to declare that the benefits of this further Donation spontaneously granted by the Honorable Court are extended to all who were entitled to the indulgence conceded in the above cited General Orders, the provisions of which are to be considered applicable in all their specifications, to the issue now sanctioned.

The General Invaliding, &c. Committee directed to assemble in Fort St. George, in General Orders of the 29th June 1827, and of which Lieutenant Colonel H. Durand of the 29th Regiment Native Infantry is President, is dissolved.

The Commander in Chief with reference to the General Orders of the 8th December 1823, 12th December 1826 and 30th November 1827, directs a strict observance of all Regulations upon the subject of Dress, and to require that the *Dress*, *Full Dress* and *Undress* may be punctually appropriated to the occasions specified.

The only exceptions which the Commander in Chief can admit of in the Costumes of Officers laid down by Regulation, and published to the Army, is, that in consideration of the Climate, Officers of the Staff, of Artillery, Cavalry and Infantry are permitted (except when dressed for Duty or Parade) to wear White Trowsers in *Dress*, and *Undress* throughout the year.

When taking Exercise before 8 o'clock in the Morning, Officers are permitted to wear a Shell Jacket (as established) with Forage Cap or round Hat *without* Sword or Sash; but though the same Jacket is allowed throughout the day when not on public Duty, at Review or other occasions of Ceremony or Dress, it must be invariably accompanied with the Regulation Hat or Cap, Sash and Sword—This order is not meant however to prevent Officers *when engaged in Field Sports* from wearing a Dress or Hat more suitable to the purpose, but on every other occasion the Staff and Commanding Officers of Corps are called upon to take notice of any Officer who may make his appearance out of Quarters in an unauthorized Dress, and for the strict execution in every respect of this order.

The Costume in which Officers are to appear on particular occasions is regulated by the General Orders on Dress, and to ensure an uniformity, and avoid mistakes it will always be notified in Orders or Memoranda previous to a Review or Inspection or other *Dress occasion*, the order in which Staff and Regimental Officers are to appear.

Regimental Officers are permitted to attend *public* Entertainments of ceremony, in *Review Order* "Dress," and at all such Balls, or Evening Dress occasions, the Dress Coat must be invariably worn by Staff Officers; but instead of Pantaloons and Hessian Boots, or Silk Stockings, and Shoes, the White Overall with Wellington Boots, or loose Trowsers and Shoes, may be worn on occasions of Ceremony, but the Sash is on *all occasions* to be worn *with* Boots and *never with* Shoes.

Officers of Departments and Commanding Officers of Corps will regulate the particulars of Dress respectively so as that all may be Uniform and Departmentally and Regimentally appointed.

As Breeches with Silk Stockings and Shoes have been dispensed with by His Majesty on all Dress occasions, but at His Majesty's Drawing Room for the reception of Ladies; they are also dispensed with in this Army.

Officers in Mourning are to wear the Crape invariably *above the elbow* on the left Arm.

The undermentioned Officers have obtained Leave of Absence from their Corps and Stations.
