Commanding 20th Regiment N. I.

TRIVANDRAM,
12th June, 1827.

BY ORDER.
(Signed) T. H. S. CONWAY,
Adjutant General of the Army.

Finding.—The Court after most maturely deliberating on the evidence adduced in support of the prosecution, as well as upon what the Prisoner has brought forward in his defence, is of opinion, that he Ensign Henry Dawson, of the 20th Regiment N. I. is guilty of conduct unbecoming the character of an Officer and a Gentleman, in the following instances.

1st.—In being in a disgraceful state of intoxication on the evening of the 28th April 1827.

2d.—In having in the Mess Tent, about 11 o'clock on the night of the same day, without any provocation, while intoxicated, seized Captain John Macartney of the same Corps, by the Collar, at the same time making use of opprobrious and insulting language towards him.

The Court acquits him of the remaining part of the Charge.

Sentence.—The Court sentences the Prisoner Ensign Henry Dawson, to be suspended from Rank and Pay for the period of six Calendar Months, commencing from such date as His Excellency the Commander in Chief, may be pleased to direct.

(Signed) C. A. BROWNE, Lieutenant,
Officiating Deputy Judge Advocate General.

(Signed) R. WEST, Lieut. Colonel,
President.

Disapproved and Annulled, the Court having awarded a Sentence which the law does not justify.

(Signed) G. T. WALKER, Lieut. General,
and Commander in Chief.

It is the general principle of the Articles of War, to leave the graduation of the scale of penalties to the judgment of the Members of a Court Martial, and the spirit of this is founded in mercy, as it is not probable that Officers will bear too heavily on a Brother Officer in those conduct there must be a common feeling, and who is again to return to their Society, chastened but not tarnished by the penalty—the thoughtless, the idle, and even the dissipated probably only require different degrees of correction to see the danger if not the folly of persevering in their faults; but as no correction can cure the Ungentlemanly like, the man thus convicted can never be re-admitted into Military Society, it being essential that the Character of a Gentleman should ever be united to that of an Officer, and it is on this ground that no discretion is left with a Court Martial, in such a case, the 26th Article of the 14th Section, of the Articles of War, very properly providing expressly that any Officer convicted of Ungentlemanly behaviour *shall be dismissed* the Service.

As this a subject with which it seems extraordinary that any body of Officers should be unacquainted, the Commander in Chief can only account for the error which has been here committed by supposing that the Court had in the course of their Proceedings seen much to account for, perhaps even to diminish the criminality of the Prisoner below the scale at which it was stated—a Captain of the Regiment drinking for eight hours at a sitting with young Subalterns, till by his own subsequent acknowledgments, he knew of nothing of what was passing, and after allowing of liberties to be taken with him natural to such a disgraceful state of intoxication, unmercifully beating the poor Boy whom his example had thus entrapped into his debauch, and after all this, holding up his head the following day as if above associating with him; such things appearing in Evidence may certainly tend to blind the judgment of a Court, or to diminish the Crime of the Prisoner in its eyes, but this feeling should have been fully expressed in its *opinion*, which, to be in concert with *the Sentence* that followed, it should have been that the Prisoner rather appeared to have been temporarily led away by bad example, than corrupted by ungentlemanly habits.

As the Prisoner however, at all events, has the advantage of this mistake, it is earnestly to be hoped that he will think deeply and seriously on the danger he has escaped, and omit no opportunity of impressing upon his Brother Officers, by the correctness of his conduct, that he his worthy of their esteem and of the society of Gentlemen.

The Commanding Officer of the Station where this has occurred, is requested to have these observations read in his presence to the assembled Officers, as much for the consideration of the Senior as of the Junior Classes, and to remind Commanding Officers of Corps of the proper objects for example.

The General Court Martial directed to assemble in Travancore in General Orders of the 23d May last, and of which Lieutenant Colonel R. West of the 51st Regiment Native Infantry, is President, is dissolved.

The Cantonment Order by Lieutenant Colonel Pereira, Commanding Berhampore, dated 26th April 1827, appointing Lieutenant Bradstreet of the 37th Regiment Native Infantry, President, and Lieutenant and Quarter-Master Duff, and Lieutenant Simpson of the 37th Regiment Native Infantry, Members, of a Committee to assemble at Allyporam on the following morning, to inspect and report on certain Public Buildings, is confirmed.

The Cantonment Order by Lieutenant Colonel Pereira, Commanding Berhampore, dated 12th June 1827, directing the Committee of which Lieutenant Bradstreet of the 37th Regiment Native Infantry, is President, to re-assemble at Allyporam on the following Morning, is confirmed.

Captain John Howison of the 6th Regiment Native Infantry, is released from arrest and will return to his duty.

The European General Court Martial directed to assemble at Bangalore, in General Orders of the 22d May last, and of which Lieutenant Colonel W. C. Fraser, of the 52d Regiment Native Infantry, is President, is dissolved.

It is with considerable regret, that the Commander in Chief is obliged to observe that on frequent occasions when he has thought revision of the opinion and Sentence of Courts Martial necessary to the pure principles of justice, he has been rather met by a quibbling defence of the errors complained

of, than a real desire to establish the law, or equity, of the Case, and thereby the true interests of the Service; it is often the misfortune of a Court Martial to have a Member possessing a smattering of law sufficient to lead himself and others astray, and several unauthorized works having of late led many to imagine that a few hazarded quotations from them might enable them to shine in their own opinion before a Court, however inapplicable to the context of the case. Nothing can be more dangerous to the character of the Service than giving encouragement to these legal quibblers, and the Commander in Chief hopes that Officers will only trust to their own good common sense to put down such pretensions, and so simple is Military Law, that nothing more is required to interpret it in justice and equity. Should a Law difficulty however occur, reference to the Officiating Judge Advocate is always a safer means, as he is responsible to his superiors for his opinions, which can be corrected on a revision without putting the Court to an ill-judged feeling of Defence on an error of its own—on this head the Commander in Chief cannot do better than to adopt an extract of an Order of His late Royal Highness dated the Horse Guards, December 27th, 1826, and it is hereafter to be observed in this Army, viz.

"His Royal Highness has reason to apprehend, that these erroneous impressions have their "origin in the opinions promulgated in unauthorized Treatises and Commentaries upon Military Law, "and His Royal Highness must therefore desire, that Officers will look only to the Mutiny Act and "Articles of War, for the guidance of their conduct in carrying into effect the Regulations of the Service."

It is necessary here also to correct a false notion that has obtained, very inimical to justice, that an Officiating Judge Advocate may ask questions, &c. in his own name, even though the Prosecution is carried on by another; this practice is hereafter positively forbidden in this Army. When not Prosecutor the duty of the Judge Advocate must be confined to advice to the Prosecutor, to the important duty of warnings to the President against admission of illegal or irrelevant matter, and to the giving assistance to the Prisoner when he comes upon his Defence, in the course of all which he may suggest to each every question he may think it necessary should be put, though he has no right to put them in his own person, and should a legal question be put to him on any difficulty, his answer, or suggestion, should be distinctly recorded by the Court to enable his Superiors to judge of its correctness.

It is also required, that every President of a Court Martial shall have recorded on the Proceedings any protest that may be made by a Judge Advocate against the illegality or irrelevancy of the testimony offered.

Ensign J. C. A. Durand, is removed *at his own request* from the 27th to the 28th Regiment Native Infantry, in which he will rank next below Ensign J. H. Manly.

Ensigns E. Stevenson, and Robert Mackenzie recently arrived and promoted, are appointed to do duty, the former with the 21st, and the latter with the 43d Regiment Native Infantry.

Ensign H. Pereira, is appointed to do duty with the 37th Regiment Native Infantry.

Serjeant W. M'Conaway, of the 2d European Regiment is transferred to the Effective Supernumeraries as Serjeant, and appointed Serjeant Major of the Rifle Corps, from the 22d Ultimo, vice Marshall.

6TH JULY, 1827.

Officers upon receiving charge of Books, Papers, documents or records of whatever description, are to report without delay any deficiencies or defacements which may appear therein, and will hereafter be held strictly responsible accordingly should they fail so to do.

In reference to the General Orders of the 26th June 1827, His Excellency the Commander in Chief is pleased to direct that the Proceedings of Courts Martial inferior to General shall be transmitted from the Ceded Districts to Captain H. O'Brien, Deputy Judge Advocate at Bangalore, and from the Doaab to Captain A. Macarthur, Deputy Judge Advocate General to the Hyderabad Subsidiary Force, for examination and report.

7TH JULY, 1827.

With reference to the General Orders of the 29th Ultimo, the Committee of which Lieutenant Colonel H. Durand of the 29th Regiment Native Infantry, is President, will assemble on Friday next the 13th Instant, at 11 o'clock in the forenoon, at the Court Martial Room, in Fort St. George, instead of on Monday the 9th Instant.

Lieutenant A. P. Alexander of the 33d Regiment Native Infantry, is to be struck off the strength of the Rifle Corps, and is appointed to the 1st Battalion Pioneers, vice Hutchings.

Lieutenant T. M'Clellan of the 33d Regiment Native Infantry, is appointed to do duty with the 35th Regiment Native Infantry, and will join forthwith.

9TH JULY, 1827.

The following Extracts from the Confirmed Proceedings of an European General Court Martial, held at Bangalore, on Tuesday the 22d day of May, and continued by adjournment until Monday the 25th day of June 1827, by virtue of a Warrant of authority by His Excellency Lieutenant General Sir George Townshend Walker, G. C. B. and K. C. T. S. Commander in Chief, are published to the Army.

Charges.—Mr. Assistant Surgeon Duncan Munro, of the 29th Regiment N. I. placed in arrest by order of the Commander in Chief, on the following charges.

1*st.*—For neglect of his duty in reporting Ensign John Campbell, of the 29th Regiment N. I. capable of going to the Adjutant's Quarters on the 10th April last, without having first seen him on that day.

2*d.*—For equivocation and falsehood in the evidence given by him on the trial of Ensign Campbell, in first asserting that, that Officer might have put on a Shoe, or Boot, notwithstanding the Sores

on his feet, and afterwards in continuation of his evidence declaring that, with the bandages he had himself ordered, he could not do so, if, of an ordinary size; being naturally aware that he was not likely to be possessed of any but those he usually wore. Having by the first statement occasioned a false impression with his Commanding Officer against Ensign Campbell and the subsequent long confinement of the latter, and in both cases, exhibited conduct unworthy of a Gentleman and of the Commission he holds.

ADJUTANT GENERAL'S OFFICE,
FORT SAINT GEORGE,
21st June, 1827.

By Order,
(Signed) T. H. S. CONWAY,
Adjutant General of the Army.

The Court having most maturely weighed and considered the whole of the evidence brought forward in support of the prosecution, as well as what the Prisoner Assistant Surgeon Duncan Munro, has urged in his defence, and the evidence in support thereof, is of opinion.

Finding on the 1st Charge.—That the Prisoner is guilty of the First Charge, but divested of that degree of criminality that apparently attaches to it.

Finding on the 2d Charge.—That the Prisoner is not guilty of equivocation or falsehood, and does therefore fully, and honorably acquit him of the same; but the Court finds the Prisoner guilty of having given an apparently contradictory evidence on the trial of Ensign Campbell "in first asserting that, "that Officer might have put on a Shoe, or Boot, notwithstanding the sores on his feet;" and afterwards in continuation of his evidence declaring that, "with the bandages he himself had ordered, he "could not do so, if of an ordinary size," but the Court influenced by the Prisoner's explanation, viz. "that although Ensign Campbell could not go with the bandages on to the Adjutant's Quarters, he "could have easily gone without them; a Stocking which he was unwilling to wear, answering all the "purposes for which the bandages were recommended to be worn," divest the Charge of criminality, further than the unintentional discrepancy given in evidence under the agitation of the moment.

The Court finds the Prisoner not guilty of making a "false impression," but of having in some measure influenced the mind of Ensign Campbell's Commanding Officer.—Not guilty of having occasioned the subsequent long confinement of that Officer, other causes having co-operated to induce a resort to that measure, and the Commanding Officer being aware previous to placing Ensign Campbell in arrest, that Mr. Munro had not then visited him on that day.

The Court fully and honorably acquits the Prisoner of "exhibiting conduct unworthy of a Gentleman, and of the Commission he holds" as set forth in the conclusion of the Charges.

Sentence.—The Court having found the Prisoner guilty to the extent above stated, doth Sentence him, the said Assistant Surgeon Duncan Munro of the 29th Regiment N. I. to be privately reprimanded.

(Signed) H. O'BRIEN, Captain,
Dep. Judge Advocate General.

(Signed) W. C. FRASER, Lieut. Col.
and President.

Though the Commander in Chief is willing to make great allowance for the good feeling of the Court towards a young man whose general respectability of character appears to have been so well supported by the testimony of his Brother Officers; yet as all the recorded testimony against him appears unanswered, but by his own statements and explanations, and the Court having admitted on its Proceedings much irrelevant and some improper matter, the Commander in Chief feels obliged to differ materially from the conclusion to which it ultimately has come; but as he cannot formally disapprove of its opinion without leaving some slur on the character of the Prisoner who, he hopes (from the situation in which he has lately been placed) has learnt to feel a proper degree of Charity towards others.—Unwilling to press heavier upon him than may be necessary to a right sense of his duty in future, hoping enough has been done for example, and recommending him never again to lose sight of the suavity and good feeling which generally distinguishes his profession—the Commander in Chief, under all the circumstances, ventures to confirm the Sentence.

(Signed) G. T. WALKER, Lieut. General,
and Commander in Chief.

Mr. Assistant Surgeon Munro is released from arrest.

Sub-Conductor G. Montgomery is removed from Gooty to Masulipatam.

The undermentioned Officers have obtained leave of Absence from their Corps and Stations.

Finding on the 2d Charge.—That the Prisoner is not guilty of equivocation or falsehood, and does therefore fully, and honorably acquit him of the same; but the Court finds the Prisoner guilty of having given an apparently contradictory evidence on the trial of Ensign Campbell "in first asserting that, "that Officer might have put on a Shoe, or Boot, notwithstanding the sores on his feet;" and afterwards in continuation of his evidence declaring that, "with the bandages he himself had ordered, he "could not do so, if of an ordinary size," but the Court influenced by the Prisoner's explanation, viz. "that although Ensign Campbell could not go with the bandages on to the Adjutant's Quarters, he "could have easily gone without them; a Stocking which he was unwilling to wear, answering all the "purposes for which the bandages were recommended to be worn," divest the Charge of criminality, further than the unintentional discrepancy given in evidence under the agitation of the moment.

The Court finds the Prisoner not guilty of making a "false impression," but of having in some measure influenced the mind of Ensign Campbell's Commanding Officer.—Not guilty of having occasioned the subsequent long confinement of that Officer, other causes having co-operated to induce a resort to that measure, and the Commanding Officer being aware previous to placing Ensign Campbell in arrest, that Mr. Munro had not then visited him on that day.

The Court fully and honorably acquits the Prisoner of "exhibiting conduct unworthy of a Gentleman, and of the Commission he holds" as set forth in the conclusion of the Charges.

Sentence.—The Court having found the Prisoner guilty to the extent above stated, doth Sentence him, the said Assistant Surgeon Duncan Munro of the 29th Regiment N. I. to be privately reprimanded.

Dep. Judge Advocate General.

and President.

Though the Commander in Chief is willing to make great allowance for the good feeling of the Court towards a young man whose general respectability of character appears to have been so well supported by the testimony of his Brother Officers; yet as all the recorded testimony against him appears unanswered, but by his own statements and explanations, and the Court having admitted on its Proceedings much irrelevant and some improper matter, the Commander in Chief feels obliged to differ materially from the conclusion to which it ultimately has come; but as he cannot formally disapprove of its opinion without leaving some slur on the character of the Prisoner who, he hopes (from the situation in which he has lately been placed) has learnt to feel a proper degree of Charity towards others.—Unwilling to press heavier upon him than may be necessary to a right sense of his duty in future, hoping enough has been done for example, and recommending him never again to lose sight of the suavity and good feeling which generally distinguishes his profession—the Commander in Chief, under all the circumstances, ventures to confirm the Sentence.

and Commander in Chief.

Mr. Assistant Surgeon Munro released from arrest.

Sub-Conductor G. Montgomery is removed from Gooty to Masulipatam.

The undermentioned Officers have obtained leave of Absence from their Corps and Stations.

No. 136.

FORT ST. GEORGE, 6TH JULY, 1827.

G. O. BY GOVERNMENT.

The following Regulations for carrying into effect the details of the arrangement announced in G. O. No. 62, of the 3d April last, having received the sanction of the Honorable the Governor in Council, are published for general information.

1. The Diet, Clothing, Bedding, Servants, Wine, and whatever may be required for the use of European Sick in Hospital, not hereinafter specified to be furnished by Surgeons, or from the Medical Stores, will be provided at the expense of Government, under the management of the Commissariat Department.

2. The diet for the Sick in Hospital is to be regulated by the G. O. dated 15th August 1826. Articles of "extra diet" deemed necessary by the Surgeon, are to be always entered in the Medical Diaries, and being inserted in the Diet Rolls, they will be duly supplied by the Commissariat. Patients receiving these Articles are always to appear in the Diet Rolls under the head of spoon diet. Wine or Spirits, however, when thought necessary, are to be supplied to Patients on any diet, at the discretion of the Surgeon.

3. Wines and Spirits for the Sick in Hospital are to be issued and accounted for by measures, 40 of which are to be equal to one Gallon. Proper Wine Measures will be supplied by the Commissariat Department accordingly. It will be the duty of Superintending Surgeons to regulate the quantity of Wine expended in Hospitals under their Superintendence, according to the number of Sick, and the nature of the diseases under which they labour. In the event of any abuse, waste, or profusion in the expenditure of Hospital Wine, it will be the duty of the Superintending Surgeon to report the subject immediately to the Officer Commanding the Corps or Station, who will forthwith cause a Court of Enquiry to investigate and report thereon.

4. Daily Diet Rolls, in the form annexed, A, are to be made out by the Surgeon in charge and hung up in each Ward of the Hospital. These rolls are to commence with the first and end with the last day of the month, and are to be changed weekly. At the end of the week they are to be signed by the Surgeon and delivered to the Commissariat Servant of the Hospital as vouchers for the expenditure of that department. Patients are to be dieted in Hospital from the time they enter it, till the time they leave it, and the patients are to be subjected to hospital stoppages for the day on which they are discharged from Hospital, but not for that on which they are received into it.

5. A Roll prepared according to the form B, exhibiting the aggregate number of sick under the different heads of Diet as nearly as can be determined, will also be furnished by the Surgeon the previous evening, as a guide to the Agents of the Commissariat in providing the supplies for the succeeding day.

6. Cooking Utensils, Plates, Spoons, Earthern Ware Vessels, and all other necessary Articles connected with the diet of the Sick in Hospital, will be provided by the Commissariat department, in such proportions, as, on experience, may be found to be requisite and useful. In the mean time, whatever has been customary in these respects on the former system of supply, will be continued till further orders in the respective Hospitals, under the management of the Commissariat.

7. Should it happen in the Field or during the march of Troops, that any of the Articles, specified in the Diet Table, cannot be procured, the best substitutes are to be provided by the Commissariat in lieu of them, in communication with the Officer Commanding, and the Senior Medical Officer present.

8. The several Articles of Hospital Clothing and Bedding, as hereafter described, are to be provided and constantly kept up in good and serviceable condition by the Commissariat Department, for the Hospitals of Corps, or Divisions of Corps, in the proportions undermentioned.

9. The Articles of Bedding and Clothing are the following.

A Painted Wooden Cot with Tape.

A Paillasse when Marching or in the Field.

Two quilts of Gingham, both lined, and one of them quilted with Cotton; one blanket, and two pillows, a bed gown, trowsers and cap of gingham, lined, and a white cotton shirt. Also when thought necessary by the Surgeon, a flannel banyan and flannel drawers, a pair of short worsted stockings or flannel socks, and a cap lined with flannel.

10. A proportion of Gingham bed gowns lined with flannel, and of pillows, extra to the numbers specified, to be always in readiness for such cases as they may be ordered for by the Surgeon. The Paillasses are to be stuffed with straw, which should be frequently renewed, and pillows for supporting the limbs in cases which require it, to be also stuffed with straw, but pillows for the head to be stuffed with cotton or coir, excepting in the field, when straw may be substituted if circumstances require it.

11. Every patient to be furnished with a clean shirt every second morning, and with bed gown, cap, and long drawers twice a week, and clean quilts once a week. The Surgeon, however, will order changes of bedding and clothing at any intermediate times, when really necessary.

12. Of the foregoing articles of bedding and clothing, the stock is to be kept up at the rate of 50 Shirts, 40 Quilts, 30 Gowns, 30 Caps, 30 Banyans, and 30 pair of long Drawers, for every 100 men, composing the numerical strength of a Regiment or Detachment.

13. Musters of the foregoing, as well as of the necessary clothing, &c. are to be prepared without delay under the inspection of the Medical Board, for all European Hospitals, and as soon as ready, they are to be stamped with the seal of the Medical Board, and dispatched to every Station at which European Hospitals are, or may be hereafter established, and according to these musters, the Commissariat will prepare and submit for survey, from time to time, such supplies of the several articles as may be required for hospitals respectively.

14. Whenever any addition to those articles may be necessary or likely to become so, they are to be forthwith provided by the Commissariat on the requisition of the Superintending Surgeon, or where there may be no Superintending Surgeon on the spot, the requisition of the Medical Staff in charge of the Sick, countersigned by the Officers Commanding the Regiment, and the Station, or Detachment, is to be immediately complied with. These requisitionary applications will be the Commissariat Officer's vouchers, for the articles supplied on them.

15. The requsite Establishments of Attendants and Servants for the Hospitals of Corps and Detachments, are to be provided and paid, by the Commissariat in the same manner as the other servants of that Department.

16. The Hospital Servants to be provided by the Commissariat will be determined hereafter when the requisite proportion has been ascertained by experience. In the mean time such an Establishment will be furnished as may appear to be sufficient by the department of supply, in communication with Superintending Surgeons of Divisions.

17. In the case of a Detachment from a European Corps, a proportion of Hospital Establishment, according to the scale abovementioned, is, to be furnished by the Commissariat in communication with the Superintending Surgeon, or in his absence, the Regimental Surgeon. Specific application is to be made to the Commissariat for such additional persons to be entertained as may be necessary in such cases and as cannot be spared from the permanent Hospital Establishment.

18. These applications are to be made by the Regimental Surgeon, countersigned by the Superintending Surgeon when present, and when that Officer is absent, by the Commanding Officer of the Corps or Station, from which the Detachment is sent, which applications so countersigned, will constitute a voucher for the Commissariat of the necessity of the provision which it is called upon to furnish.

19. Under any peculiar circumstances that may render it absolutely necessary, an orderly comrade may be allowed to attend on a Sick Soldier in Hospital, at the requisition of the Surgeon, under the sanction of the Commanding Officer.

20. Monthly nominal Returns of the Expenditure of Wine and Spirits for the use of sick of Hospitals will continue to be made as at present by the Surgeon in charge for the information of the Medical Board, and a general Monthly Return of the Hospitals, Clothing, furniture and servants in use with all the Hospitals on the Establishment shall be sent by the Commissary General to the Medical Board.

21. The Carriage of all Hospital Stores, inlcuding Medicines and Instruments, will be provided for by the Commissariat, at the expense of Government, upon Indents countersigned by the Superintending Surgeon, or in his absence, by the Officer Commanding. Duplicates of these Indents shall be forwarded by the Superintending Surgeon to the Medical Board, and the responsibility will rest upon the Indenting Officer until his requisition has received the sanction of that authority. The Duplicate Indent when sanctioned shall be returned to the Superintending Surgeon for the purpose of being delivered to the Commissariat Officer and will be the proper voucher for the supply, and no allowance will in future be drawn by Surgeons in charge of European Troops for the carriage of Hospital Stores, or public property of any description.

22. Surgeons of European Troops are to draw a per diem allowance at the rate of twelve Madras Annas per mensem for each European, sick and well, under his charge, whether Effectives, Invalids, or Pensioners, for which they are constantly to furnish such quantities of the undermentioned Articles as may be necessary for the use of all the sick and wounded Officers, Men, Women, and Children, of their respective charges, viz. all bazar, country, or other medicines, not included in the supplies issued from the Public Stores or at the Public expence, Oil, Spirits, and Vinegar for external applications, materials for Poultices and Fomentations, Bandage Cloth, Plantain leaves, country lint, articles required in the dispensary, such as Lamp, Oil, Candles, Jars, Goglets, Chatties, Firewood, or Charcoal, and every other article that may be required for preparing Medical Prescriptions, also articles for fumigation when required.

23. When parties of European Troops do not exceed in number twenty-four men, the Surgeon in Medical charge will draw the same per diem allowance as hitherto for each man, sick and well, and he will provide for the sick in all respects as was required by the Regulations under the former system of supply. This rule, however is not to operate in cases of temporary or accidental fluctuations of numbers above or below 24, but only when the intended strength of the party is permanently fixed above or below that number.

24. The Surgeon of the Presidency General Hospital, in lieu of his present emoluments, which cease from the 1st of May, will draw in future a fixed salary of Rupees 600 per mensem, and one permanent Assistant, who will be appointed to the General Hospital, shall, under the denomination of Hospital Storekeeper, have the charge and custody of all Medical Stores, and will supply the requisite Country and Bazar Medicines, and such other articles as are specified in the 22d Clause of these regulations; and for these duties, and such personal Medical Attendance as he may be required to give to the sick at all times by the Surgeon in charge of the Hospital, he shall be entitled to a personal allowance of Rupees 250 per mensem in addition to the Garrison Pay and Allowances of his Rank.

25. The expense that may be incurred by the Hospital Storekeeper in furnishing Country and Bazar Medicines, &c. is to be charged in a contingent bill, monthly verified in the usual manner. Statements in the form of Indents, setting forth the several Articles furnished by the Hospital Storekeeper and charged for in the contingent Bill are invariably to accompany the Bill for payment.

26. All other Garrison and Cantonment Surgeons and Assistants will continue to draw the same Garrison or Cantonment Allowance as at present, also the same per diem allowance as at present, for the Europeans stationed in their respective Garrisons or Cantonments, provided the permanent strength do not

exceed 24; but where the strength is greater than this number, the supply and allowances for them will be on the principle laid down in the 24th paragraph, it being understood, that no per diem Allowance is to be drawn by these Officers for the Sick in their respective Hospitals, who are unattached, or left behind their Corps; the per diem Allowance being intended to be strictly a sick and well allowance, to be drawn for Europeans forming the strength of Garrisons, Regiments or Detachments.

27. It is to be clearly understood that the above mentioned Allowances are to be drawn by the Medical Officer in actual charge for the time being.

28. The Wives and Children of European Soldiers are to be attended by the Medical Officers of the Corps to which they belong, without any additional allowance on their account, and when needful for the proper treatment of their cases, they will be received into, and dieted in, the Regimental Hospital at the expence of Government.

29. The Soldiers Wives and Children of His Majesty's Regiments in the Garrison of Fort St. George and of Corps stationed at St. Thomas's Mount, are to be attended by the regimental Medical Officers as prescribed in the 28th paragraph, and are not to be under the charge of the Surgeon of the General Hospital.

30. In the case of European Soldiers occasionally left sick under the charge of Garrison Surgeons, they are to be clothed and dieted like other patients,—but no per diem allowance is to be drawn for them, Garrison Surgeons having a fixed allowance to provide for contingencies of that nature. In cases however where no Public Hospital establishment is kept up at the expence of Government, Medical Officers in charge of European Sick belonging to absent Corps or Stations will draw for them a per diem Allowance, at the rate of two rupees per man per month, for which they are to provide every thing requisite for their treatment as under the 22d paragraph.—This rule is applicable equally to the cases of Soldiers' Wives when treated in Hospital. In cases where there is no Commissariat Department to victual the men, the Surgeon will provide them with diet and clothing and wine, for which he will submit a contingent bill verified in the usual manner.

31. European Sick whether male or female who may be destitute are to be received into the Garrison Hospital under the regulations heretofore existing—They will be clothed and victualled at the expence of Government, and are to be designated as *Paupers in the admission tickets and Diet rolls.*

32. Seamen of His Majesty's Navy and of Private Ships will continue to be received into the Garrison Hospital of Fort St. George under the regulations heretofore existing, but the regulated allowance paid for them by the Naval agents and owners of ships are to be brought to the credit of Government in the same manner as the stoppages for the Soldiers.

33. The stoppages from the European Sick in Hospital are to be the same precisely as at present, and are to be recovered by Paymasters in the same manner as the stoppages from Troops when victualled in the Field, or at Field Stations---the Commissariat Officers are accordingly to furnish Paymasters with Reports of Men victualled in Hospital, in the same manner, at the same periods, and containing the same particulars as they furnish of Men victualled in the Field, &c.

34. The Commissariat Reports to Paymasters to be headed "*Hospital supplies*; the stoppages to be credited in the accounts current of Paymasters under the Head of "*Hospital stoppages*" and the *Quantities* of the supplies issued to be checked, and audited by the Military Board.

35. The Hospital stoppages from European Women, being the Wives or Widows of European Non-Commissioned Rank and File, are to be made at the rate of Rupees 3 8 0 per month, the supplies to be reported by Commissariat Officers to Paymasters, and recovered by the latter, under the rules above prescribed regarding the stoppages from Soldiers—and the same rate of stoppage is to be made from the Women, when victualled by the Commissariat on marching with their Corps, &c., and brought to account in the usual manner.

36. In the Field, or Field Stations, dry Batta is not, in future, to be drawn on account of Men in Hospital.

37. The supply of Medicines and Instruments for the use of the European Sick will be conducted as heretofore, with reference at the same time to the G. O. No. 196, dated the 7th November 1823.

38. The preceding regulations are to apply to the European Troops whether in Garrison or in the Field, as well as to Troops proceeding on Foreign Service, or from one place to another by Sea. A Table of Diet for Troops in the latter situation will be published hereafter.

39. All Correspondence between Medical Officers of Corps or Hospitals with the Commissariat Officers, respecting the supplies made by the Commissariat is prohibited. If the Medical Officers should consider the supplies in any respect exceptionable, it will be their duty to make their representation to the Superintending Surgeon, who will then communicate with the Commissariat Officer, when such steps as may appear proper on the occasion will be taken.

40. An Hospital Serjeant upon the Staff pay of ten Rupees per mensem in addition to his Military allowances to be appointed to each European Regiment of Dragoons and Infantry, and Battalion of Artillery, and to each principal Garrison Hospital.

41. It will be the special duty of Superintending and Staff Surgeons minutely and scrupulously to enforce the most strict and undeviating execution and observance, by all concerned, of the rules and regulations now established, and the responsibility thus vested in them will be best appreciated by contemplating the extensive benefits that will result to the public service, and to the interests of humanity, from a strict, constant and minute exercise of their Superintending control and authority. These duties requiring much writing and a great expenditure of Stationery, each Superintending and Staff Surgeon is to be allowed from this date one Writer at 45 Rupees per mensem and 20 Rupees per Month for Stationery in all situations. These sums are to be drawn for in the Superintending and Staff Surgeon's abstract, and the Writer is not to be removeable at the Superintending or Staff Surgeon's option, but to be considered as a Public Servant, attached to the Office, on the principles laid down in G. O. G. No. 56, dated 10th March 1826.

By order of the Honorable the Governor in Council.

Secretary to Government.

No. 137.

FORT ST. GEORGE, 10TH JULY, 1827.

G. O. BY GOVERNMENT.

The Honorable the Governor in Council directs that the following Order be published in General Orders, and that Minute Guns, Sixty-five in number, be fired at all the Military Stations under the Presidency of Fort St. George on the occasion therein mentioned.

With sentiments of the deepest concern, the Government announces the decease of The Honorable *Sir* THOMAS MUNRO, Baronet, Knight Commander of the Most Honorable Order of the Bath, Governor of the Presidency of Fort St. George. This event occurred at Putteecondah near Gooty on the evening of Friday the 6th instant.

The eminent person, whose life has been thus suddenly snatched away, was on the eve of returning to his native country, honored with signal marks of esteem and approbation from his Sovereign, from the East India Company which he had served for more than forty-seven years, from every authority with which he had occasion to co-operate, from the public at large and from private friends. From the earliest period of his service, he was remarkable among other men. His sound and vigorous understanding, his transcendent talents, his indefatigable application, his varied stores of knowledge, his attainments as an oriental scholar, his intimate acquaintance with the habits and feelings of the Native soldiers and inhabitants generally, his patience, temper, facility of access and kindness of manner, would have ensured him distinction in any line of employment. These qualities were admirably adapted to the duties which he had to perform in organizing the resources and establishing the tranquillity of those Provinces, where his latest breath has been drawn and where he had long been known by the appellation of *Father* of the people. In the higher Stations, Civil and Military, which he afterwards filled, the energies of his character never failed to rise superior to the exigencies of public duty. He had been for seven years at the head of the Government, under which he first served as a Cadet and afterwards became the ablest of its Revenue Officers and acquired the highest distinction as a Military Commander. He had raised its character and fame to a higher pitch than it ever enjoyed before. His own ambition was more than fulfilled, and he appeared to be about to reap, in honorable retirement, the well-earned rewards of his services and his virtues, when these have received the last stamp of value from the hand of death.

Though sensible how feeble and imperfect must be any hasty tribute, like the present, to *Sir* THOMAS MUNRO's merits, yet the Government cannot allow the event which they deplore to be announced to the public, without some expression of their sentiments.

The Flag of Fort Saint George will be immediately hoisted half-staff high and continue so till sun-set.

Minute guns, sixty-five in number, corresponding with the age of the deceased, will be fired from the ramparts of Fort Saint George.

Similar marks of respect will be paid to the memory of *Sir* THOMAS MUNRO at all the principal Military Stations and Posts dependant on this Presidency.

FORT ST. GEORGE, *9th July*, 1827.

By order of Government.

FORT ST. GEORGE, 24TH JULY, 1827.

G. O. BY GOVERNMENT.

The Honorable the Governor in Council has received with concern the report of the death of Lieutenant Colonel John Noble, C. B. of the Artillery. He was returning to his duty on board the Ship Roxburgh Castle, and died on the 16th Instant, the evening before the Ship anchored in Madras roads. His remains were landed and interred with Military honors the following day.

Lieutenant Colonel Noble arrived in India in the Year 1795. He was employed in the Mysore War in 1799, and was present at the fall of Seringapatam. He served in the Ceded Districts when they were occupied by our Troops in 1800 and 1801. He was present at the Battles of Assaye and Argaum under his Grace the Duke of Wellington. He formed the Corps of Horse Artillery in 1805. He was in the Field under Colonel Close in 1810, and Colonel Dovetou in the years 1815, 1816 and 1817. He Commanded the Horse Artillery at the Capture of Java in 1811. He Commanded the Artillery with the Head Quarters of the Army of the Deckan, and was present at the battle of Maliidpore.

Full of professional ardour, this Officer sought every opportunity of active employment in the Field, and had a Share in almost every Service of importance while he was in the Army. He was early brought into Public notice for his superior qualities, and honored with the marked confidence, and thro' after-life with the friendship, of his Grace the Duke of Wellington. No allurements had charms for him in comparison with the calls of duty. He was beloved as much as he was admired and respected by all who served under him. He enjoyed the unlimited confidence of his Superiors. He may be held up as the Model of a perfect Soldier ; and to the Government, the Army and his own Corps, in particular, his death may be regarded as a public misfortune.

By order of the Honorable the Governor in Council.

Chief Secretary.

T. H. S. CONWAY,
Adjutant General of the Army.

GENERAL ORDERS,

BY HIS EXCELLENCY THE COMMANDER IN CHIEF.

HEAD QUARTERS: CHOULTRY PLAIN,

16TH JULY, 1827.

The following Extracts from the Proceedings of an European General Court Martial held at Bangalore, on Tuesday the 22d day of May and continued by adjournments until Wednesday the 4th day of July 1827, by virtue of a Warrant of Authority from His Excellency Lieutenant General Sir George Townshend Walker, G. C. B. and K. C. T. S. Commander in Chief, are published to the Army.

Charges.—Captain John Napleton Beaver of the 6th Regiment Native Infantry, placed in arrest by me on the following Charges.

1*st.*—For publickly declaring, on coming out from having given his testimony before an European General Court Martial, at Bangalore, on the 8th June 1827, that circumstances were known to that Court which ought never to have been so, and whoever told Major Harris what he said at the Mess, was a damned, low, mean, Blackguard, and he would not mind telling him so, or words to that effect, thereby tending to intimidate the witnesses present.

2*d.*—In having, on the following morning, applied the above expressions to Lieutenant and Adjutant William Gordon of the 6th Regiment Native Infantry, in the hearing of Lieutenant Howard Rawstorne of the same Regiment.

The abovementioned conduct being to the prejudice of good order, Military Discipline and impartial justice, and derogatory to the character of an Officer and a Gentleman.

BANGALORE, 14*th June*, 1827.

(Signed) J. HARRIS, Major, Comg. 6th Regiment N. I.

BY ORDER.

(Signed) T. H. S. CONWAY, *Adjutant General of the Army.*

The Court having most maturely weighed and considered the whole of the Evidence brought forward in support of the Prosecution, as well as what the Prisoner Captain Beaver hath urged in his Defence, and the Evidence in support thereof, is of opinion.

Finding on the First Charge—That the Prisoner is Guilty of the First Charge.

Finding on the Second Charge—That the Prisoner is Guilty of the Second Charge.

Sentence—The Court having found the Prisoner Guilty as above stated, doth Sentence him the said Captain John Napleton Beaver of the 6th Regiment N. I. to be suspended from Rank and Pay for (4) four Calendar Months.

(Signed) H. O'BRIEN, Captain, Depy. Judge Adt. Genl.

(Signed) W. C. FRASER, Lt. Col. and President.

The Commander in Chief disapproves and cannot confirm the opinion and Sentence of the Court on the trial of Captain Beaver, because there does not appear to him to be on the record of Evidence, one title to support the guilt insinuated in either of the Charges, and further, because, if they had been proved to the extent found by the Court, it had no right to award any other Sentence than the penalty specifically assigned by the 26th Article, of 14th Section, of the Articles of War. Captain Beaver is then to be released from Arrest, and it is to be expected that he will have learnt to be more guarded in future in his expressions whether at the Mess or elsewhere.

(Signed) G. T. WALKER, Lieut. General, *and Commander in Chief.*

The Garrison Order by the Officer Commanding Trichinopoly, dated 18th June 1827, appointing Serjeant Major Bloomfield of the 5th Regiment Light Cavalry to *act* as Key Serjeant at Trichinopoly from the 14th of that Month, and until further orders vice Thompson deceased, is confirmed.

Subadar Major Shaik Muctoom, and Subadar Muckrum Sing, both of the 47th Regiment N. I. placed in arrest by order of His Excellency the Commander in Chief.

Charge.—For scandalous and infamous conduct unbecoming the character of Officers in Conspiring together, on or about the 8th October 1826, to falsify and alter the Proceedings of the Native Court of Enquiry of which Subadar Muckrum Sing was President.

(Signed) A. MONIN, Lieut. Col.
Commanding 47th Regiment N. I.

CAMP KAMPTEE,
25th June, 1827.

BY ORDER.
(Signed) F. HUNTER,

Finding.—The Court having most maturely weighed and considered the whole of the Evidence brought forward in support of the Prosecution, as well as what the Prisoners Subadar Major Shaik Muctoom and Subadar Muckrum Sing have urged in their defence and the Evidence in support thereof, is of opinion, that the said Prisoners Subadar Major Shaik Muctoom and Subadar Muckrum Sing are not guilty of the Charge preferred against them, and it doth therefore acquit them accordingly.

Subadar Major, and President.

(Signed) ROBERT WALLACE, Lieut.
Interpreter to the Court.

This appears to have been a wicked conspiracy; but proves in the strongest manner the value of a good character, that of the Subadar Major has borne him through the trial with honor and the Commander in Chief entirely approves and confirms the opinion and Sentence of the Court.

(Signed) G. T. WALKER, Lieut. General,

24TH JULY, 1827.

The practice of awarding by Sentence of a Court Martial a certain number of lashes to be inflicted in a *divided manner* in different places of the Station, is prohibited as irregular.—It is usual to leave the time and place of infliction to the approving Officer, and it is altogether contrary to present usage to inflict further punishment after a Prisoner has *once* been taken down from the Halberts.

The practice of awarding suspension to Non-Commissioned is also prohibited, that punishment being, by the Articles of War, specially applied to the Commissioned Ranks of the Army, and in no way suitable to the circumstances and conditions of others.

The Proceedings of Courts Martial inferior to General will be referred to Judge Advocates for Examination from Divisions, Subsidiary and Field Forces and Stations according to the following arrangement.

	To	*From*
I.	Captain Ardagh	The Nagpore Subsidiary.

The attention of the Commander in Chief having been attracted to the number of Men returned by Regiments "Appointed but not joined" and "Sick Absent" in their respective Monthly Returns, and regarding whom Officers Commanding on many recent occasions, could not afford the least information;

His Excellency directs that hereafter, nominal Registers of all such Individuals shall accompany the Monthly Returns of Regiments, particularly stating, from whence they have been received, or the Station at which the individuals may be, or have been at in Hospital, as the case may be.

The Commander in Chief takes this opportunity of requiring the attention of Officers Commanding Divisions and Field Forces to the examination of all papers and Proceedings of Committees that they may pass to Army Head Quarters, and the Staff Officers attached to each must be held responsible for their correctness; as considerable delay is experienced by the necessity of their being returned, as incorrectly prepared, vouchers required, &c. &c. and which would be prevented by previous examination, as the Regulations under which all Committees are assembled, have been published in General Orders, and can be referred to at Division Head Quarters with the most beneficial effect.

In addition to the reports required by General Orders of 10th August 1810, in regard to Soldiers prevented by Sickness from returning to their Corps at the expiration of their leave, it is directed, that Commanding or Staff Officers of the Stations at which Soldiers may have been detained, shall report to the Commanding Officer of the Regiment to which such individual shall belong, the date of his recovery and dismissal from Hospital and departure to rejoin his Regiment.

The undermentioned Officers have obtained Leave of Absence from their Corps and Stations.

GENERAL ORDERS,

BY HIS EXCELLENCY THE COMMANDER IN CHIEF.

HEAD QUARTERS: CHOULTRY PLAIN,

19TH AUGUST, 1827.

The following Extracts from the Confirmed Proceedings of a Native General Court Martial, held at Wallajahbad, on Friday the 10th day of August 1827, by Virtue of a Warrant of Authority from His Excellency Lieutenant General Sir George Townshend Walker, G. C. B. and K. C. T. S., Commander in Chief, are published to the Army.

Jemadar Bava Sahib, 9th Regiment Native Infantry, placed in arrest on Charges preferred by Ensign Jackson, 9th Regiment Native Infantry, and is charged as follows, viz.

CRIME.—1st. For appearing on the night of the 12th May 1827, at the Barracks where the Collector's Treasure Guard was stationed at Cuddalore, in a state of Drunkenness, and there and there, creating a disturbance, although repeatedly warned away by the Sentry on duty.

2d. For disobedience and neglect of duty, in not visiting the Treasure Bandies at 12 o'clock at night, on the 12th May 1827, as ordered by Ensign Jackson.

3d. For entering on the night of the 12th May 1827, Sepoy Ramasawmy of the 9th Regiment Native Infantry Hut, when he was out, and attempting by bribery, or other means, to seduce Peroonaavy, a person attached to his family.

4th. For Drunkenness on the nights of the 22d and 24th May 1827, while on route to Madras, he being at the time attached to a Treasure Escort.

Such conduct being unbecoming the Character of an Officer, prejudicial to good order and Military Discipline, and in direct violation of the Articles of War.

WALLAJAHBAD, 10*th June*, 1827. (Signed) J. CLEMONS, Captain, In charge 9th Regiment Native Infantry.

BY ORDER.

(Signed) T. H. S. CONWAY,
Adjutant General of the Army.

The Court having most maturely weighed and considered the whole of the Evidence brought forward in support of the Prosecution, as well as what the Prisoner Jemadar Bava Sahib, 9th Regiment Native Infantry, hath urged in his defence, is of opinion.

Finding on the First Charge.—Guilty, of appearing on the night of the 12th of May 1827, at the Barracks, where the Collector's Treasure Guard was stationed, at Cuddalore, in a state of Drunkenness, but the Court acquits the Prisoner of the remainder of the Charge.

Finding on the Second Charge.—Guilty.

Finding on the Third Charge.—Not Guilty.

Finding on the Fourth Charge.—Guilty, with the exception of the precise dates, which have not been sufficiently proved.

SENTENCE.—The Court having found the Prisoner Guilty, to the extent set forth in its finding, which being conduct unbecoming the character of an Officer, prejudicial to good order and Military Discipline, and in direct violation of the Articles of War, doth Sentence him, the said Jemadar Bava Sahib, 9th Regiment Native Infantry, to be dismissed the Service.

(Signed) ROBERT MURCOTT, Captain, Dep. Judge Advocate General.

(Signed) J. ROBERTSON, Lieut. 9th Regiment, Interpreter to the Court.

(Signed) ABDUL NURBY, his X mark
Subadar Major, 18th Regt. N. I. and President.

The Proceedings of the Court Martial on Jemadar Bava Sahib, are approved and confirmed, but under the recommendation of the Court, the Commander in Chief is willing to give the Jemadar the advantage of the small portion of Evidence produced against him, and he is hereby restored to his Rank, the duties of which it is hoped he will more carefully fulfil in future.

(Signed) G. T. WALKER, Lieut. General,
and Commander in Chief.

As it appears on the Proceedings of the Court Martial on Jemadar Bava Sahib of the 9th Regiment Native Infantry, that a single European Commissioned Officer was sent on Command of a Detachment who could not speak any Native Language, together with a Jemadar unable to speak English, the Commander of his Corps must either have acted with very little judgment, or a very bad practice must prevail in the Service which cannot too soon be put a stop to. It is the interest and the duty of every Officer in the Company's Service to learn the Native Languages as extensively as his abilities and opportunities will admit, but the Hindoostanee is absolutely necessary to enable him to fulfil his common duties, and it is expected that at the end of one year at furthest after his arrival in India, every Officer will be completely master of it for all colloquial purposes; during that period he will not be put on any Detachment duty unless under the Command of another of the same Corps, but he is expected to attend on all Regimental Courts Martial and on all General ones also at the Station of his Corps. A strict examination is then to take place, and if found duly qualified in Hindoostanee, he is thereafter to take his Tour of all duties in common with other Officers—should he not however prove qualified, the next Officer

who is, must take his place when called upon for Detachment, and for *every day's* duty so taken for him he must take the Regimental and other duties as they successively come to the Tour of this Officer, and as the orders of the Court of Directors for half yearly examinations will in future be strictly enforced, the Commander in Chief is fully determined to attend to no recommendations for Staff Appointments that are not supported by the proficiency in one Language at least; and should an Officer be found deficient hereafter on a second Examination after his year of probation, his name will be put down as incorrigible, for the further decision of the Court of Directors.

There is also another point in these Proceedings which the Commander in Chief finds it necessary to notice. The 3d Charge is avowedly introduced for the protection of the property of an Individual in a hired Prostitute. Now it is a principle common to all Courts that a complainant must plead with clean hands, and no Court, at least none under British influence, can be empowered to protect an immoral action; it must then be understood that hereafter no such Charge is ever to be admitted on any Court Martial.

(Signed) G. T. WALKER, Lieut. General,
and Commander in Chief.

20TH AUGUST, 1827.

That portion of the General Orders of the 10th August 1810, is cancelled, which requires Officers Commanding Divisions and Forces to report to Head Quarters, the re-admission of Deserters upon the Strength of their respective Regiments, except in cases when such Deserters are in excess of the established complement, for which special authority is required, and will be applied for, to the Commander in Chief, through the Adjutant General of the Army.

The Medical Committee directed to re-assemble at Poonamallee, on Wednesday the 22d Instant, in G. O. C. C. of the 18th Instant, is countermanded until further orders.

The leave of absence granted to Ensign W. H. Yarde of the 11th Regiment Native Infantry, in General Orders of the 18th Instant, is cancelled at that Officer's request.

21ST AUGUST, 1827.

Ensign G. G. Browne is removed *at his own request* from the 40th to the 29th Regiment Native Infantry, in which he will rank next below Ensign O. W. Broomwick.

The Garrison Order by Lieutenant Colonel Kenny, Commanding Masulipatam, dated 8th August 1827, directing Lieutenant Woodfall of the 45th Regiment Native Infantry, to take charge of the young Officers who accompanied him in the Ship Protector, and to proceed with them to Secunderabad, and appointing Assistant Apothecary Anderson, to proceed as far as Secunderabad in Medical charge of the Party, is confirmed.

The Cantonment Order by Lieutenant Colonel Armstrong, C. B. Commanding Bangalore, dated 15th May 1827, appointing Barrack Serjeant Lawton, to continue to *act* as Quarter Master Serjeant to the 31st Regiment or Trichinopoly Light Infantry, from the 12th May 1827, until relieved, is confirmed.

22D AUGUST, 1827.

The following Extracts from the Confirmed Proceedings of a Native General Court Martial, held at Wallajahbad, on Friday the 10th day of August 1827, and continued by adjournments, by virtue of a Warrant of Authority from His Excellency Lieutenant General Sir George Townshend Walker, G. C. B. and K. C. T. S., Commander in Chief, are published to the Army.

Jemadar Samanah of the 37th Regiment Native Infantry, placed in arrest upon the following Charges.

CHARGES.—1st. For having at Nellore on the 12th May 1827, advised Shaik Emaum, Recruit entertained by himself, to desert from the Service.

2d. For having at the same place and on the same day, caused to be written, while the said Shaik Emaum was actually present, and to be dispatched, an official report of his Desertion to the Adjutant of the Infantry Recruiting Depôt at Wallajahbad.

3d. For having at the same place, and on the same day repeatedly struck Recruit Shaik Emaum with his slippers.

The above being unbecoming the character of an Officer, and to the prejudice of good order and Military Discipline.

WALLAJAHBAD,
1st *August*, 1827.

(Signed) G. LEGGATT, Captain,
Comg. Infantry Recruiting Depôt.

BY ORDER.
(Signed) T. H. S. CONWAY,
Adjutant General of the Army.

The Court having most maturely weighed and considered the whole of the Evidence brought forward in support of the Prosecution, as well as what the Prisoner Jemadar Samanah of the 37th Regiment Native Infantry, hath urged in his defence together with the Evidence in support thereof, is of opinion:

Finding on the First Charge.—Guilty, with the exception of the date which the Court finds to have been the 13th of May 1827.

Finding on the Second Charge.—Guilty.

Finding on the Third Charge.—Guilty.

SENTENCE.—The Court having found the Prisoner Guilty to the extent before stated, which being conduct unbecoming the character of an Officer, and to the prejudice of good order and Military Discipline, doth Sentence him the said Jemadar Samanah, to be dismissed the Service.

(Signed) ROBERT MURCOTT, Captain, Dep. Judge Advocate General.
(Signed) ABDUL NUBBY, his X mark, Subadar Major, 18th Regt. N. I. and President.
(Signed) J. U. COLEBROOKE, Lieutenant, and Interpreter to the Court.

APPROVED AND CONFIRMED.

(Signed) G. T. WALKER, Lieut. General, *and Commander in Chief.*

It is always with considerable regret that the Commander in Chief declines attending to the recommendation of a Court Martial, but he is in this instance called upon by an imperious duty to confirm the Dismission of Jemadar Samanah; he has been found guilty of making a false report and consequently his word as an Officer never could again be depended upon. The moral evil of falsehood and the numerous mischiefs arising out of it ought alone to render it odious to every man of proper feeling, but it cannot be too generally understood that it is totally incompatible with the Rank and Character of an Officer, which being at all times a Post of trust and confidence as well as of example to inferiors, he who can descend to the meanness of falsehood, totally incapacitates him for the Rank he holds, and if the fact is proved, no cause can be received as an excuse for it and it must *ensure* his dismission.

It is necessary that the Service at large should duly learn to esteem the value of truth, and if not for its own innate excellence, at least for their own true interests; it is then hereby directed, that in all future recommendations for the rank of Officers, it must be certified as the first and most essential point, that the Native Soldier has been distinguished for his practice of the truth, and that his word may be entirely depended upon; and without such declaration on the part of his Commanding Officer no recommendation will be attended to.

(Signed) G. T. WALKER, Lieut. General, *and Commander in Chief.*

The Native General Court Martial directed to assemble at Wallajahbad, in General Orders of the 21st June last, and of which Subadar Major Abdul Nubby, of the 18th Regiment Native Infantry, is President, is dissolved.

Assistant Surgeon D. Munro is removed from the 29th to the 5th Regiment Native Infantry.

CAMP AT KAMPTEE, 7*th July*, 1827. (Signed) J. LINDSAY, Lt. Col. Commanding 48th Regt. N. I.

By order.

(Signed) ST. JOHN B. FRENCH,
Actg. Asst. Adjt. Genl.

The Court having most maturely weighed and considered the whole of the Evidence brought forward in support of the Prosecution, as well as what the Prisoner Lieutenant Peter Mellish of the 48th Regiment Native Infantry, hath urged in his Defence, and the Evidence in support thereof, is of opinion,

Finding on the First Charge.—That the Prisoner is guilty of the first Charge, with the exception of the words "Repeatedly," and "Shameful."

Finding on the Second Charge.—That the Prisoner did go into the Tents of the European Soldiers at Hyderabad, but not for the purpose stated in the Charge.

Finding on the Third Charge.—That the Prisoner did quit Lieutenant Justice's Detachment, but the Court does not attach any Criminality thereto, in as much as that it does not appear that he Lieutenant Mellish was ordered to do duty with that Detachment, but merely accompany it as a convenient opportunity for joining his Corps, and further that the Prisoner had the permission of Lieutenant Justice to proceed as he pleased.

On the second part of the Charge the Court finds that the Prisoner came into Camp at Decchoopulle on a Country Bullock Cart in a state of Intoxication, but it acquits him of every other part of the Charge.

Finding on the Additional Charge.—That the Prisoner did not stray about the Lines of the Cantonment of Kamptee on or about the first, second and third of June 1827, in a disgraceful state of Intoxication, but the Court finds that the Prisoner was drunk when waited upon by the Adjutant of the Regiment as stated in the Charge.

The Court acquits the Prisoner of conduct scandalous and infamous, but finds him guilty of conduct unbecoming the character of an Officer and a Gentleman.

Sentence.—The Court having found the Prisoner guilty to the extent above stated doth Sentence him, the said Lieutenant Peter Mellish of the 48th Regiment of Native Infantry, to be discharged from the Service.

(Signed) J. R. ARDAGH, Captain, Deputy Judge Advocate General.
(Signed) A. MONIN, Lieut. Colonel, 47th Regiment N. I. President.

Approved and Confirmed, notice thereof to be given to Lieutenant Mellish by his Commanding Officer, from the date of which communication he is to be struck off the Establishment.

(Signed) C. T. WALKER, Lieut. Genl. *and Commander in Chief.*

The ends of Justice and the character necessary to the Army being in a certain degree upheld by the ultimate decision of this Court Martial, the Commander in Chief has not deemed it necessary that it should be sent back for re-consideration; but aware as he is of the importance that must be attached to the opinions of a body of Officers (among which many are of rank and experience) thus given on a solemn

occasion where the use or rejection of a single phrase may more influence the young and thoughtless than the absolute peril of life, the Commander in Chief finds it impossible to pass over the very extraordinary opinions on the several Charges, without some observations to correct the dangerous effect they are calculated to produce.

1st *Charge.*—In the very face of the positive Evidence of Lieutenants Justice and M'Kenzie to two separate acts, the Court, though it finds the Prisoner guilty of Intoxication, acquits him of being *repeatedly* in that state. It goes on to declare that a Man, an Officer so drunk at six o'clock in the morning, as to roll on the ground nearly in a state of nudity, (for such is the Evidence), *is not in a disgraceful state.!!*

2d *Charge.*—The Evidence of Serjeants Woodcock and Legg and of Gunner Whitmore is positive not only to the fact of the Prisoner (an Officer) going to the Tents of the Soldiers (as found by the Court), but that he did also there ask for Liquor, although of this latter fact, so proved, the Court have most unaccountably registered an acquittal.

3d *Charge.*—Although as to this Charge it may be fair to give the Prisoner the advantage of any doubt which may have arisen as to the extent of the permission asserted to have been received from Lieutenant Justice as to the mode of his proceeding on the route to Nagpore as respects the first part, yet when the Court *find* in the latter part "that he did rejoin the Detachment on a Country "Bullock Cart in a state of Intoxication," and nevertheless acquits him of every other part of the Charge, that is to say of the phrase "disgraceful and shameful."!!! standing as it does on record that he was brought into Camp in a state of insensibility and with his Breeches about his knees!!! To what has the Court exposed itself by such a decision? Will it not be natural to enquire who were the Members of a Court, of whom a Majority could be found thus desirous of sheltering the vice of Intoxication (under even so coarse an exemplification of it) from that character of disgrace and shame which ought naturally to attach to it, a character which would go further even as a remedy to the Evil than the unfortunate fate to which the Prisoner is actually condemned? and let not these Gentlemen lay the flattering unction to their souls that they have only so acted in mercy to the accused; towards whom they should not forget that they have solemnly sworn to decide according to the evidence only before them, and should also recollect that towards the Army at large they have the high and important duty to perform of the protection and support of its character, which, if such decisions as the present are allowed to pass uncorrected, must soon become totally demoralized, or at all events so pass in the opinion of the world.

4th *Charge.*—Upon this, though open to some similar observations, it is not further necessary to remark.

After the notice the Commander in Chief has thus been obliged to take of the opinion and decision of the Court, it will be aware that differing so totally as he does from it on so many points of evidence, it can neither be consistent with what he owes to his own character or that of the Army, to allow a recommendation so founded as that superadded to its proceedings to have any weight with him, and deeply as he regrets to see a young Man so lost to the situation he held in Society, the example is one he considers it an imperious necessity to make.

(Signed) G. T. WALKER, Lieut. Genl.
and Commander in Chief.

Quarter Master Serjeant E. Damerum of the 1st Native Veteran Battalion is removed from that Corps and placed under the orders of the Town Major of Fort Saint George, as Serjeant, but will continue to do duty with it until relieved.

Gunner J. Stevens of the Carnatic European Veteran Battalion is appointed Quarter Master Serjeant of the 1st Native Veteran Battalion, vice Damerum.

23D OCTOBER, 1827.

Lieutenant J. F. Musgrove of the 36th and Lieutenant H. E. C. O'Connor of the 32d Regiments are directed to proceed to Wallajahbad and place themselves under the orders of Captain Leggatt of the 41st Regiment Native Infantry.

Sub-Conductors J. Ryan and J. Adams are posted, the former to Cooty and the latter to Bangalore.

Serjeant Major Young of the Infantry Recruiting Depôt is appointed Serjeant Major of the 10th Regiment Native Infantry.

Quarter Master Serjeant Powell of the Infantry Recruiting Depôt, is appointed Quarter Master Serjeant of the 39th Regiment Native Infantry.

The following Extracts from the Confirmed Proceedings of a Native General Court Martial held at Palamcottah on Friday the 12th day of October 1827, by virtue of a Warrant of Authority from His Excellency Lieutenant General Sir George Townshend Walker, G. C. B. and K. C. T. S. Commander in Chief, are published to the Army.

Chokalingum, Naigre No. 1. of the I Company 3d Regiment or Palamcottah Light Infantry, confined by my order.

Charge.—For having, at Palamcottah on the evening of the 30th July 1827, when intoxicated, struck Jemadar Venkatram of the same Regiment a blow on the neck, the said Jemadar being at the time Native Officer of the Day.

Commanding 3d L. I.

By Order.
(Signed) T. H. S. CONWAY,
Adjutant General of the Army.

The Court having most maturely weighed and considered the whole of the Evidence brought forward in support of the Prosecution as well as what the Prisoner Naigre Chokalingum, hath urged in his Defence, and the Evidence in support thereof, is of opinion.

Finding.—That the Prisoner is guilty of the charge preferred against him.

Sentence.—The Court having found the Prisoner guilty as above stated, doth Sentence him the said Naigue Chokalingum to be reduced to the rank of a Private Soldier, and to receive four hundred lashes on his bare back, in the usual manner, at such time and place, as the Officer Confirming these Proceedings may please to direct.

Interpreter to the Court.

(Signed) In Persian Character,
HUSSAIN KHAN, Subadar Major,
3d Regt or P. L. I.
President.

The Commander in Chief desires to express his approbation of the judgment evinced by the Court in this instance in strictly deciding according to the evidence before it, and its Finding and Sentence is hereby confirmed. But as it appears that all the parties concerned are nearly connected by Marriage, and that the circumstances complained of took place in the heat of a family squabble, within the house of the Jemadar who at the time had not upon him any distinguishing mark of an Officer, The Commander in Chief at the particular recommendation of the Court is pleased to remit the sentence, and the Naigue Chokalingum will return to his duty.

(Signed) G. T. WALKER, Lieut. General,
and Commander in Chief.

Much impediment to the ends of Justice having arisen from the Prosecution in Trials by General Courts Martial being conducted by a private Prosecutor, frequently unacquainted with the Law of Evidence and the mode of examining Witnesses; His Excellency the Commander in Chief finds it expedient to direct as a general Rule in this Army, and more especially upon all Trials for the cognizance of a Breach of the public Military Law, that the Prosecution shall according to the Provision of the Article of War, be sustained by the Judge Advocate; who must be supposed from his Professional experience and acquirement to be better qualified for the task.

FORT ST. GEORGE, 26TH OCTOBER, 1827.

G. O. BY GOVERNMENT.

The Right Honorable the Governor in Council is pleased to publish in General Orders, the following Report of a Committee appointed to ascertain the proficiency of Lieutenant J. R. Fennell of the 10th Regiment of Native Infantry, in the Hindoostanee Language.

To

THE SECRETARY TO GOVERNMENT,
Military Department.

SIR,

We have the honor to report that, in obedience to the orders of Government, conveyed in your Letter of the 28th Ultimo, we have examined Lieutenant Fennell, of the 10th Regiment Native Infantry, with regard to his proficiency in the Hindoostanee Language, and that the result has proved very creditable to his talents and assiduity.

Two Hindoostanee Stories not of very easy execution, were given to him for translation into English, and except in some few instances were rendered with great fidelity. In the more arduous task of translating from English into Hindoostanee, a printed version of a Story from the Goolistan was given by him in Hindoostanee with much idiomatic propriety and command of Language. There were some trifling Orthographical errors and a few mistakes of gender, but the translation was uniformly true to the sense, and in some instances aspired to elegance of execution.

A common Hindoostanee paper was then given for perusal at sight, and was read and translated with much facility.

In the colloquial part of the Examination, Lieutenant Fennell expressed himself with sufficient readiness, though his pronunciation, is capable of improvement.

On the whole, we consider Lieutenant Fennell's acquirements in Hindoostanee, as above the common standard ; and we have no doubt, but that he would execute with credit to himself, and advantage to the Public, any duties of either translation or interpretation that might be confided to him in that Language.

MADRAS,
16th October, 1827.

We have the honour to be,
Sir,
Your most obedient Servants,
R. BY OTTO,
H. P. KEIGHLY,
H. HARKNESS,
J. B. DOVETON.

Charges.—Lieutenant John Edwards, of His Majesty's 46th Regiment of Foot, placed in Arrest by me upon the following Charges.

1st.—For conduct unbecoming an Officer and a Gentleman, in having at Sea on board the Honorable Company's Ship *Warren Hastings*, on the evening of the 20th September 1827, grossly insulted Mrs. Marion Rose, a Passenger on the same Ship.

2d.—For conduct subversive of good order and Military Discipline at the same place and on the same evening, in refusing to obey the orders of his Commanding Officer, Captain James Skirrow, of His Majesty's 48th Regiment of Foot to go below, and in continuing in high altercation with Captain Mason, Commanding Officer of the same Ship.

3d.—For conduct subversive of good order and Military Discipline, at Sea in the Cuddy of the Honorable Company's Ship *Warren Hastings*, on the 4th September 1827, in saying that "the Commanding Officer of the Troops had neither the Character nor the Dress of a "Gentleman" and that, "if he, the Commanding Officer had spoken to him, the Prisoner, in the way "that he had done to another Officer, he would have kicked him off the Quarter Deck," or words to that effect.

FORT ST. GEORGE, 5th *November*, 1827. (Signed) J. SKIRROW, Captain, H. M. 48th Regiment.

The Court having most maturely weighed and considered the whole of the evidence brought forward in support of the Prosecution, as well as what the Prisoner Lieutenant John Edwards, of His Majesty's 46th Regiment of Foot, hath urged in his Defence, and the Evidence in support thereof, is of opinion.

Finding on the 1st Charge.—That the Prisoner is not Guilty on the 1st Charge.
Finding on the 2d Charge.—That the Prisoner is not Guilty on the 2d Charge.
Finding on the 3d Charge.—That the Prisoner is Guilty of the 3d Charge.

Sentence.—The Court having found the Prisoner Guilty to the extent above stated, doth Sentence him, the said Lieutenant John Edwards, of His Majesty's 46th Regiment of Foot, to be placed at the bottom of the list of the Lieutenants of the Regiments to which he belongs, as they stand at this date, the 14th day of November, 1827.

(Signed) H. P. KEIGHLY, Judge Advocate General of the Army. (Signed) W. G. PEARSE, Lieut. Col. and President.

APPROVED AND CONFIRMED.

(Signed) G. T. WALKER, Lieutenant General, *and Commander in Chief.*

It must be always a subject of considerable regret to him when the Lieutenant General feels it his duty to decline acceding to the recommendation of a Court Martial; but although he has in this instance officially approved and confirmed the Finding and Sentence of the Court, in the hope that the risk to which the Prisoner has been subjected by the trial and the lenient punishment awarded to him may be found sufficient to deter him and others from similar conduct in future—The Lieutenant General is yet bound to say that on the first charge the Prisoner was acquitted in the face of the positive Evidence of three respectable witnesses supported even in essential points by two adduced on the Defence—now although the Lieutenant General admits that there may be some reason from part of the Evidence in Defence to think, that this insult to a Lady was not the gross and premeditated one it first appeared to be, yet it is so clearly proved that the Lady in question was *actually insulted by the Prisoner*, that the Lieutenant General is obliged to recall to the remembrance of this Court and trust that it may be impressed upon the minds of the Members of all future Courts Martial, that they are under solemn oath to judge only of the *facts* charged by *the Evidence before them*, and if in pursuance of this it becomes their painful duty to sentence to a severe punishment, a recommendation founded on any alleviating circumstances may very properly be forwarded together with the Finding and Sentence, but in no case is the Finding to be dependent but on actual Evidence to the facts charged.

On the 2d Charge, among conflicting Evidence it may be fair that the Court should lean to the lenient side; but when on the 3d Charge of which the Prisoner is convicted, the Court recommends him to mercy "in consideration of the peculiar circumstances under which the expressions were made use of by him"—when the expressions charged were uttered in the *Public Cuddy* of the Ship before the very Servants whence they might be, and probably were repeated even to the Soldiers under Captain Skirrow's command; under what circumstances then, unless actually on the Parade, could they have been more criminally uttered? as to whether this Evidence was brought forward vindictively or not, however it may affect the character of the Reporter, it can in no manner alter the *case* of the Prisoner.

Adverting then to the Evidence on the First Charge and the untenable ground taken for the recommendation of the Court, it must not create surprize that the Lieutenant General desires that the Sentence may be carried into execution, and Lieutenant Edwards may think himself most fortunate under all the circumstances of the case that he has been subjected to a Court so leniently disposed.

(Signed) G. T. WALKER, Lieutenant General, *and Commander in Chief.*

20TH NOVEMBER, 1827.

The Commander in Chief has recently noticed with great dissatisfaction the unmilitary style of Dress in which some Officers have indulged notwithstanding His Excellency's prohibition of "fanciful deviations" from the Rules and Orders laid down for the Costume of the Army in General Orders of the 8th December 1823.

G. O. 12th December, 1826.

White Jackets and White Cravats, are forbidden to be worn by an Officer at any time out of Quarters, and he is strictly prohibited from appearing publicly in any other Dress than is authorized by the Regulations of the Service. Silk or Crape Jackets or Trowsers are also prohibited—Broad Cloth being the established material of which Officers' Clothing is to be made, and all deviations from established Regulation whether in quality or fashion is prohibited. The Dress of every Officer in the Army, whether Staff or Regimental, has been fixed in General Orders, and what he is to wear on all occasions is defined. Officers are therefore required to conform to the *particulars of the Costume*, as described for each occasion. Should Officers disregard these orders and appear again in White Cotton Jackets, or Fancy Clothing of any kind, the Commander in Chief will prohibit the Shell Jacket and Forage Cap being worn, and order them to appear at all times in the Uniform established for the Parade.

All Applications for submission to the Commander in Chief are to be forwarded through the prescribed channel of Communication, and Officers are prohibited from addressing Head Quarters direct.

In all letters the subject of which is connected in any way with the Public Service, passing between Military Officers, the Rank with the Regimental or Official designation of the person writing the letter must be attached.

Several Instances having recently been brought to the notice of the Commander in Chief, of Sentences of Courts Martial inferior to General, passed in direct opposition to the Evidence before the Court and nevertheless confirmed and carried into execution, His Excellency feels himself called upon to intimate to Commanding Officers that he will hereafter hold them strictly responsible for the confirmation of such illegal Proceedings, that it is their especial duty to send back for revision all Trials whereon the Finding or Sentence may be evidently contrary to the Evidence adduced and that in cases of unjust conviction particularly, he expects them to stand between the Prisoner and the ill consequence of that want of information as to the commonest principles of the Law of Evidence, which too frequently prevails in such Courts especially when composed of Native Officers, who too frequently receive insufficient information from the Officer conducting the Proceedings.

Whenever Soldiers are brought to Trial *not* under the Provisions of Article IV. Section XXI. of the European or of Article VI. Section XII. of the Native Articles of War, and for Offences not specified in any other of them, it is requisite that the same should be declared in the Charge to be "to the prejudice of good order and Military Discipline."

1ST DECEMBER, 1827.

The undermentioned Officers are to be struck off the Strength of Regiments, with which they are now doing duty, and directed to hold themselves in readiness to proceed to join their respective Regiments, agreeably to orders that will be communicated to them, from the Officer Commanding the Centre Division of the Army.

The Commander in Chief with reference to the General Orders of the 8th December 1823, 12th December 1825 and 30th November 1827, directs a strict observance of all Regulations upon the subject of Dress, and to require that the *Dress*, *Full Dress* and *Undress* may be punctually appropriated to the occasions specified.

The only exceptions which the Commander in Chief can admit of in the Costumes of Officers laid down by Regulation, and published to the Army, is, that in consideration of the Climate, Officers of the Staff, of Artillery, Cavalry and Infantry are permitted (except when dressed for Duty or Parade) to wear White Trowsers in *Dress*, and *Undress* throughout the year.

When taking Exercise before 8 o'clock in the Morning, Officers are permitted to wear a Shell Jacket (as established) with Forage Cap or round Hat *without* Sword or Sash; but though the same Jacket is allowed throughout the day when not on public Duty, at Review or other occasions of Ceremony or Dress, it must be invariably accompanied with the Regulation Hat or Cap, Sash and Sword—This order is not meant however to prevent Officers *when engaged in Field Sports* from wearing a Dress or Hat more suitable to the purpose, but on every other occasion the Staff and Commanding Officers of Corps are called upon to take notice of any Officer who may make his appearance out of Quarters in an unauthorized Dress, and for the strict execution in every respect of this order.

The Costume in which Officers are to appear on particular occasions is regulated by the General Orders on Dress, and to ensure an uniformity, and avoid mistakes it will always be notified in Orders or Memoranda previous to a Review or Inspection or other *Dress occasion*, the order in which Staff and Regimental Officers are to appear.

Regimental Officers are permitted to attend *public* Entertainments of ceremony, in *Review Order* "Dress," and at all such Balls, or Evening Dress occasions, the Dress Coat must be invariably worn by Staff Officers; but instead of Pantaloons and Hessian Boots, or Silk Stockings, and Shoes, the White Overall with Wellington Boots, or loose Trowsers and Shoes, may be worn on occasions of Ceremony, but the Sash is on *all occasions* to be worn *with* Boots and *never with* Shoes.

Officers of Departments and Commanding Officers of Corps will regulate the particulars of Dress respectively so as that all may be Uniform and Departmentally and Regimentally appointed.

As Breeches with Silk Stockings and Shoes have been dispensed with by His Majesty on all Dress occasions, but at His Majesty's Drawing Room for the reception of Ladies; they are also dispensed with in this Army.

Officers in Mourning are to wear the Crape invariably *above the elbow* on the left Arm.
