FORT ST. GEORGE, 22D JANUARY, 1828.

G. O. BY GOVERNMENT.

The Right Honorable the Governor in Council is pleased to publish in General Orders the following Report of a Committee, appointed to ascertain the proficiency of Lieutenant C. Macleod of the 42d Regiment of Native Infantry in the Hindoostannee Language.

To

The Secretary to Government in the Military Department.

SIR,

We have the honor to report for the information of the Government that, in conformity with the instructions contained in your Letter of the 28th Ultimo, we have examined Lieutenant Macleod of the 42d Regiment N. I. with regard to his proficiency in the Hindoostannee Language.

Two Extracts from the Achlah-al-Mhosani, were translated by Lieutenant Macleod into English with considerable accuracy, although in two or three instances, the exactly corresponding terms were not given.

In the more difficult undertaking of translating from English into Hindoostannee, there was, as might be expected a larger field for remark. We detected a few misspellings, the hand writing was not particularly good, and there were some trifling mistakes of gender. The general execution however was very good, the choice of words exceedingly happy, and the tenor of the style, both elegant and idiomatic.

A Common Urzee or Petition which was given to Lieutenant Macleod for perusal, was read at sight with great facility, and in the colloquial part of the examination, we were much pleased with his readiness of expression and correctness of pronunciation.

After these observations, it is scarcely necessary to add that the general result of the examination, has been exceedingly satisfactory, and that we consider Lieutenant Macleod perfectly qualified to execute the duties of a Translator or Interpreter, whenever required from him by the Public Service.

We have the honor to be,
Sir,
Your most obedient Servants,

MADRAS, *17th January*, 1828.

7th. The Quarter Master Serjeant of a Regiment with the Lascars attached to the Stores are considered to be sufficient for the duties required of them, and the Commander in Chief again repeats, that he will not suffer the employment of an Effective Soldier otherwise than as his duty requires him; and all Individuals now attached to the Stores of Regiments, or in the performance of any other than their Military duties be ordered forthwith to rejoin their Troops and Companies, and His Excellency desires it to be distinctly understood, that this order is equally applicable to Regiments of Cavalry, Battalions and Brigades of Artillery as well as to the Regiments of Infantry on this Establishment.

No. 30.

FORT ST. GEORGE, 8TH FEBRUARY, 1828.

G. O. BY GOVERNMENT.

The Honorable the Court of Directors having determined that not more than five Officers shall be simultaneously absent on Staff employment from any one Corps, whether Cavalry or Infantry; The Right Honorable the Governor in Council is pleased to publish the following Regulations to give effect to the orders of the Honorable Court from this date.

The number of Regimental Captains that may be absent at one time from the same Corps of the Line on Staff, or other public permanent employ, is restricted to two and to obviate all occasion for reference hereafter, it is directed, that when two Captains are absent from a Corps in public situations, and a Subaltern Officer of the same Corps holding also a detached Staff situation, be promoted to the rank of Regimental Captain, the Officer so promoted shall be the individual to vacate his appointment, under the operation of these Orders, which are to be *prospective*, and are not intended to affect the present incumbents of the grade of Captain, unless in such cases of emergency as His Excellency the Commander in Chief may bring to the notice of Government.

The Right Honorable the Governor in Council has further determined, that when an Escort with a Resident at a Foreign Court or with a Political Agent, is furnished from Troops of the Line, or fixed establishment, the Services of a distinct Officer permanently appropriated to the Command of such Escort are unnecessary.

Under the circumstances adverted to above when the Escort, or Guard, furnished to a Resident or Political Agent, is relieved weekly from the Regular Troops cantoned in the immediate vicinity of the Residency, no necessity will exist for detaching a European Officer from his Corps on a tour of duty with it, but when the Garrison or Cantonment, from which the relief is effected is so distant as to render a monthly or longer tour of duty more convenient than a weekly one, the Officer Commanding the Division or the Troops from which the Escort is furnished, will consider it *to be his duty* to meet the wishes of the Resident or Political Agent for the uninterrupted employment of any Regimental Officer (who has served three years with his Corps) on such duty, whilst his Regiment may continue in the Division or at the Station giving the Escort.

The arrangement described in the foregoing paragraphs are prospective, and are not intended to affect Officers Commanding permanent Escorts composed of Men unconnected with the regular Service; from their operation will also be exempted, Escorts whether composed of Troops of the Line, or otherwise, which may be furnished for Missions or occasional Embassies to Foreign Courts beyond the limits of India proper.

By order of the Right Honorable the Governor in Council.
(Signed) R. CLIVE,
Chief Secretary.

18TH FEBRUARY, 1828.

At a General Court Martial held at Belgaum, on the 3d day of January 1828, and continued by adjournments to the 29th of the same month, Lieutenant Josiah Eyles Deere of His Majesty's 41st Regiment of Foot, was arraigned on the following Charge, viz.

Charge preferred against Lieutenant Josiah Eyles Deere, of His Majesty's 41st Regiment.

Charge.—For placing himself in a state of intoxication, at a Gate of the Palace of Kolapoor on the 17th October 1827, and then forgetful of the liberality which should distinguish a British Officer towards a fallen Prince, using a demeanour and language highly insulting to the Rajah of that Country, and his people, particularly in applying to him the word "Banchoot," such conduct endangering the public peace and being highly unbecoming the character of an Officer and a Gentleman, and to the prejudice of good order and Military Discipline.

Upon which Charge the Court came to the following decision.

The Court having most maturely weighed, and considered the whole of the Evidence brought forward in support of the prosecution, as well as what the Prisoner Lieutenant Josiah Eyles Deere of His Majesty's 41st Regiment, hath urged in his defence, and the Evidence in support thereof, is of opinion.

Finding.—That the Prisoner is guilty of placing himself at a Gate of the Palace of Kolapoor, on the 17th October 1827; and then forgetful of the liberality which should distinguish a British Officer towards a fallen Prince, using a demeanour and language highly insulting to the Rajah of that Country and his people, particularly in applying to him the word "Banchoot," such conduct endangering the public peace, and being highly unbecoming the character of an Officer, and to the prejudice of good order and Military Discipline; but the Court is of opinion that the Prisoner is not guilty of any other part of the Charge.

Sentence.—The Court having found the Prisoner guilty to the extent above stated, doth Sentence him the said Lieutenant Josiah Eyles Deere of His Majesty's 41st Regiment, to lose two steps in his Regiment, by being placed immediately below the two Lieutenants, who at present stand next to him, and having his Commission in His Majesty's 41st Regiment, dated one day after the date of the Regimental Commission of Lieutenant John Smith of the same Regiment.

Approved and Confirmed.

(Signed) G. T. WALKER, Lieut. General.

The Court have recommended the Prisoner on account of his Bravery.—This quality unaccompanied with the generosity which should be the characteristic of the British Soldier towards the unfortunate can entitle him to little credit with the Lieutenant General—and so little has the Prisoner known the value of the latter, that not satisfied with being simply reprimanded by the Officer in Command for the gross conduct of which he has been now convicted, but as if doubting of a proper feeling existing elsewhere, he himself called for and dared the Sentence of a Court Martial—It is necessary then when men are not endowed with proper feeling, that they be taught at least to respect public opinion—This sentence must be carried into execution, and though lenient, it is to be hoped, it will be sufficient to mark what is expected from a British Officer.

(Signed) G. T. WALKER, Lieut. General.

The Prisoner Lieutenant Deere is to be released from arrest and will return to his duty.

19TH FEBRUARY, 1828.

Captain Thomas Locke is removed from doing duty with the Seringapatam Local Battalion, and will join the Detachment of the 2d Native Veteran Battalion at Cuddalore.

G. O. BY GOVERNMENT.

The Right Honorable the Governor in Council, with a view to guard against the premature transfer of Native Officers to the Invalid and Pension Lists, which has recently been the case to a great degree, and evidently to the detriment of the Service, is pleased to cancel those parts of the Regulations under the head of "Invaliding and Pensioning," which authorize Native Commissioned Officers being brought before Committees for examination and transfer from the Effective Establishment, and to direct, that the following Rules which are intended to afford a suitable check on recommendations for the transfer of Native Officers to the Non Effective Lists, shall be established.

1. When a Native Officer may from wounds, length of Service, or ill health be considered unfit for the performance of his duties, the Commanding Officers of Regiments will prepare a full and special report of such case (giving a descriptive Register Roll of the Individual in the Margin of his letter) and forward it to the Adjutant General of the Army for submission to the Commander in Chief, who will recommend to Government to dispose of the Individual by transfer, either to the Invalid or Pension List as may appear to His Excellency the fittest provision from the state of health, the services, and character of the Native Officer.

2. The recommendation of the Commanding Officer must state particularly, whether the Individual brought to notice is capable of the performance of Garrison duty or otherwise, and is always to be accompanied by a Medical Certificate and Statement of the case, which is in all practicable instances to be counter-signed by the Superintending Surgeon of the Division or Force, or the Senior Surgeon of the Station; and also by a testimonial of character in like manner as obtains with respect to European Officers—No Native Officer will be transferred to the Invalid List who is not entitled from his services and character for general respectability to enjoy such a privilege.

The Commander in Chief is requested to issue such further instructions for giving effect to the above Regulation as His Excellency may consider necessary.

GENERAL ORDERS,

BY HIS EXCELLENCY THE COMMANDER IN CHIEF.

HEAD QUARTERS : CHOULTRY PLAIN,

29TH FEBRUARY, 1828.

A recent instance having occurred of the misapplication of the intent and meaning of Sect. XXVI. 4 Geo. IV. Cap. 81. by admitting a Person of the lowest Cast to give Evidence, before a Court Martial, *not upon Oath*, His Excellency the Commander in Chief has to call the attention of Courts Martial, hereafter, to the wording of the Act in question and to point out to them that *Solemn Declarations* of Witnesses are only to be admitted as "*circumstances may require*," and are intended to apply to the case of Hindoos of high cast, who from their particular tenets, are incapable of *conscientiously* taking an Oath and would consequently become discredited Witnesses, if compelled to do so against their conscience.—The circumstances influencing a Court to admit a solemn declaration instead of an Oath should always be fully, and explicitly stated upon the record of the Proceedings, and the admission should be founded upon the special application of the Witness and satisfactory proof of his Cast.

The Form of Solemn Declaration employed, in like cases by Civil Courts of Criminal Jurisdiction, under this Presidency, is herewith published for general information and guidance.

"I will true and perfect answer make to all such questions as shall be put to me, touching the matter now before the Court, betwixt the parties A. and B., which shall be the truth, the whole truth, and nothing but the truth, if I declare any thing not warranted by the truth, or conceal any part thereof, I shall be deserving of punishment from Almighty God; and if I break this declaration, I acknowledge myself to be as guilty as if I had killed a Bramin or slain a Cow on the banks of the Ganges at Causee."

Apothecaries Rooney and Mathews, will join and afford Medical Aid to the Detachments of Artillery and Public Followers attached, proceeding from St. Thomas's Mount to Secunderabad and Bangalore, respectively.

1ST MARCH, 1828.

2d Lieutenants W. C. Gordon and T. A. C. Godfrey of the Artillery, are posted to the 3d Battalion of that Corps.

3D MARCH, 1828.

The following Extracts from the Proceedings of an European General Court Martial held at Penang on the 29th day of January 1828, by order of Lieutenant Colonel Snow, C B. Commanding the Madras Troops, serving under the Government of Fort Cornwallis, by virtue of a Warrant of Authority vested in him by His Excellency Lieutenant General Sir George Townshend Walker, G. C. B. and K. C. T. S. Commander in Chief, are published to the Army.

Charges preferred by me against Lieutenant Brooshooft, Quarter Master, Interpreter, and Paymaster, 35th Regiment Madras Native Infantry.

1*st Charge.*—For repeated neglect of duty, disobedience of orders and subversion of Military Discipline, particularly in the following instances.

First.—For entrusting the Keys of the Regimental Cash Chest to the Vakeel of the Regiment, thereby causing a deficiency in the Regimental Cash Chest of about (673) six hundred and seventy three Rupees being Compensation Money in lieu of Rice due to the Men of the 35th Regiment Native Infantry.

Secondly.—For not making out a Roll of the Family Certificates agreeably to positive orders conveyed to him on board the Transport "Cambridge" during the passage from Madras to Penang, until reprimanded in Regimental Orders and made to report daily; and send in the number furnished.

Thirdly.—For frequent neglect of duty, as recorded in Regimental Orders, and letters sent to him more particularly in the Family Certificate Department of his duties.

2d *Charge.*—For irregular and unofficer-like conduct in withdrawing his own personal Family Certificate without my knowledge, or sanction, thereby tending to deceive me, and render the Accounts with the Superintendent of Family Payments confused.

3d *Charge.*—For breach of the Articles of War in misapplying Public Money entrusted to his Charge in the following instance, viz. Not depositing in Regimental Cash Chest agreeably to orders the amount of his Family Certificate after he had written to have it discontinued, thereby making me responsible for any Retrenchments that might be sent in, by the Superintendent of Family Payments on that account.

PRINCE OF WALES ISLAND, 25*th January*, 1828.

(Signed) H. W. SALE, Lieut. Colonel, Commanding 35th Regt. N. I.

(Signed) SAMUEL HICKS, Lieut. Acting Deputy Assistant Adjutant General.

The Court having duly considered the Evidence that has come before it both on the Prosecution and Defence, come to the following decision.

That the Prisoner is guilty of the 1st Charge and the three Counts mentioned therein, but as the money deficient in the Cash Chest has been refunded by the Prisoner agreeable to the letter of His Excellency the Commander in Chief and the Prisoner has received censure for the same, the Court conceive they cannot legally award any further punishment and are also of the same opinion in respect to the 2d and 3d Counts as he has been frequently reprimanded in Regiment Orders, and letters sent to him by the Commanding Officer.

In respect to the 2d Charge, the Court find him guilty of irregular conduct in the manner of withdrawing his own personal Family Certificates tending to render the accounts with the Superintendent of Family Payments confused, but acquit him of every other part of the Charge.

In respect to the 3d Charge, the Court find the Prisoner guilty of not depositing in the Regimental Cash Chest the amount of his Family Certificates, after he had written to have them stopped, although ordered, but acquit him of every other part of the Charge.

The Court having found the Prisoner so far guilty of the Charges laid to him, do sentence him Lieutenant Brooshooft, Quarter Master, Interpreter and Paymaster, of the 35th Regiment M. N. I. to be removed from his Regimental Staff Appointments as Quarter Master, Interpreter, and Paymaster.

(Signed) R. J. NIXON, Lieutenant, Offig. Deputy Judge Advocate General.

(Signed) F. BROWNE, Major, 25th Regiment N. I. President.

Though I approve of the opinion and finding of the Court, I am constrained to refuse my confirmation of the Sentence as it is not legal—A Court Martial having no power to dismiss from a Staff Appointment.

(Signed) G. T. WALKER, Lieut. Genl.
and Commander in Chief.

Remarks by the Commander in Chief.

The Commander in Chief cannot allow the Trial of Lieutenant Brooshooft to pass without the comment called for by the extreme degree of irregularity and carelessness which has throughout characterized the Proceedings thereon.

The Charges are confused and irregular and should never have been sanctioned by the Officer directing the assembly of the Court, they are all without any specification of date whatsoever, and although the third Charge professes to specify particular instances of neglect of duty, yet in the third Count it contains an unspecified and general accusation of frequent neglect of duty.

The first Count of the first Charge alludes to a circumstance previously disposed of and for which the Prisoner had atoned by refunding the Money deficient in the Regimental Cash Chest and by undergoing the censure of the Head of the Army. The second and third Counts refer to neglects which are avowed in the Counts themselves to have been noticed by *reprimand* in Regimental Orders and were consequently no longer legitimate subjects for complaint against the Prisoner.—The Charges are also by an unpardonable neglect falsified in the Record wherein they appear to bear the countersignature of the Public Staff Officer which is not affixed to the original Charges themselves.

As naturally consequent upon the vague and unspecific nature of the Charges, the examinations of Witnesses have been conducted in a confused and unusual mode, and the questions put upon Examinations in Chief have been necessarily almost without exception *leading questions*, for where dates were wanting how could facts of so general a description be deposed to unless actually suggested to Witnesses in the first instance?

The great bulk of documentary Evidence adduced is illegal, Copies of Letters having been admitted when the originals might have been produced (or at any rate, when there was not any proof to the contrary.) On the Defence upon the third Charge several original letters of the Prisoner are admitted without proof of any kind, as also an unsigned extract of a letter and an unattested Copy of a letter from a third Party.

These illegalities and irregularities vitiating to a great degree the Proceedings of the Court combined with the consideration of the delay of communication with Penang have influenced the Commander in Chief to refrain from sending back for Revision a Sentence beyond the competence of the Court to award. He trusts however, that the Officer Commanding the Troops under the Government of Fort Cornwallis will hereafter refuse his furtherance to any Charges made out without due specification of Facts, Time and Place, and that Officers in general will qualify themselves as Members of Courts Martial by making themselves acquainted with the common Rules of Evidence, so that the ends of Justice may not be defeated by want of information in those whose especial duty it is to uphold the Discipline of the Army by the due and correct Administration of Military Law in cases requiring its application.

(Signed) G. T. WALKER, Lieut. Genl.
and Commander in Chief.

Lieutenant Brooshooft is released from arrest and will return to his duty.

6TH MARCH, 1828.

In consequence of the vague and irregular opinions that have occasionally been acted upon in cases where a Prisoner has determined to plead Guilty; the Commander in Chief, in conformity with the practice prevalent at the Horse Guards, directs that, in future, upon all Trials by Courts Martial, in this Army, an *express* plea of *Guilty* or *Not Guilty* shall not be required of the Prisoner; but that the latter shall be *presumed* as the most favorable to the accused. When called upon to enter on his Defence the Prisoner will still have the opportunity, if he knows himself guilty of avowing his Offence, and throwing himself upon the mercy of his Judges or on the other hand, of offering circumstances in *extenuation*, or of bringing forward Evidence to refute the Charge adduced against him as he may think best.

Courts Martial are also required to record on their Proceedings every material point in which they have acted *solely* upon the legal opinion of the Judge Advocate; as well as every protest on his part against what he may consider an illegal proceeding; in which the Court may think proper to persevere; and it will be considered his especial duty so to protest, by which means the question will come regularly before the Commander in Chief for ultimate decision and the responsibility, on so important a point will rest where it ought.

Ensign Richard Stewart Dobbs, is removed from doing duty with the 16th Regiment Native Infantry, and posted to the 29th Regiment Native Infantry, in which Corps he will rank next below Ensign J. Hogarth.

Ensign W. A. Mackenzie, recently arrived and promoted, is appointed to do duty with the 16th Regiment Native Infantry, until further orders.

It has been hitherto too commonly the practice for a Native Officer to be recommended for transfer to the Invalid List, when his Services must be considered useful, for although he may not be sufficiently active for Parade and duties in the Field, yet his presence with a Regiment should be duly estimated from his experience and knowledge of the Service, qualities which must be always advantageous to the younger Soldiers of a Corps.

(Signed) G. T. WALKER, Lieut. General,
and Commander in Chief.

Although the Court Martial held on Shaikh Ally, Subadar of the 46th Regiment Native Infantry, has done its duty in the opinion and Sentence it has given, it is with considerable regret that the Commander in Chief finds attached thereto a Recommendation that would confound all moral principle; a Recommendation in favor of one convicted of a Crime that would not only deprive a European of his Commission, but drive him out of the Society of Gentlemen ever after; must it be necessary to tell the Native Officers that in the honorable Posts they hold, they also cannot be permitted to associate with one who has disgraced and dishonored himself by fraud and falsehood, that by such an association they would themselves be considered tainted? The Commander in Chief trusts that all those who justly reflect will see, that, when the Officers of an Army are not governed by honorable principles, nothing can be expected from the Privates, and that on an Army so constructed no dependance can be had. It is then the duty of the Commander in Chief to uphold among the Native Officers that high character which they have inherited from their Predecessors, and heretofore maintained by their own deeds, and much as he may lament the misfortune to which the Prisoner has reduced himself by his Crime, he must distinctly oppose all recommendation that would again place him in the Society of the honest and the honorable; and that every one may justly appreciate the value of truth and honor, and be made sensible that they are [illegible] which never can be separated. It is hereby directed that the Remarks made by the Commander in Chief, on the Trial of Jemadar Samanah of the 37th Regiment Native Infantry, of August 22d last year, may again be read aloud to every Regiment in the Service, immediately following these, and distinctly explained by every Officer to his Company—Let it then be thoroughly understood that a want of truth must be considered a want of honor, and that a character thus degraded can never be allowed to associate with the Native Officers of this Army.

(Signed) G. T. WALKER, Lieutenant General,
and Commander in Chief.

21ST MARCH, 1828.

The General Court Martial assembled in Fort St. George, of which Lieutenant Colonel C. Hopkinson, C. B. of Artillery is President, is dissolved.

Upon which Charges the Court came to the following decision.

"The Court having most maturely weighed and considered the whole of the Evidence brought "forward in support of the Prosecution, as well as what the Prisoner Matthew Heaphy, hath urged in his "defence, and the Evidence in support thereof, is of opinion."

Finding on 1st Instance.—"That the Prisoner is guilty of the 1st Instance of the Charge."
Finding on 2d Instance.—"That the Prisoner is guilty of the 2d Instance of the Charge."
Finding on 3d Instance.—"That the Prisoner is guilty of the 3d Instance of the Charge."

MADRAS, 12*th March*, 1828.

(Signed) G. T. WALKER, *Lieutenant General.*

It is not but with the deepest concern the Lieutenant General finds himself compelled by his duty to confirm a Sentence that would deprive a fellow creature of existence, and that too an old Soldier of 24 years Service. But the grossness of the act, clearly proved as it is, and marked by the unrelenting barbarity, evinced by the Prisoner in the subsequent declaration of his intention, is such as to demand example. Nor must future Offenders be allowed to hope that Intoxication can be allowed to be pleaded as an excuse for Murder, or indeed for any Crime. A habit of Drunkenness is always an evil great enough in itself, but leading as it frequently does either immediately or in its consequences to the commission of all crimes—let this example stand to young men as a warning on the very onset against excess; but when the habit of it has gained ground, and the judgment already weakened by it, tempts the man, as in this instance, while under the influence of Intoxication, to deeds of Horror, which his better judgment when

sober would make him shudder at—Let that man beware—Let him recollect that every Dram he voluntarily partakes of is a poison involving the risk, not only of his own life, but that of others, and that he thus places himself in a state little better than that of a Mad Dog, against whom every hand is licensed to be raised. How then can such a case be admitted to excuse the consequences which must naturally result from it.

While, however, the Lieutenant General cannot admit the slightest excuse for a Prisoner under such circumstances, he cannot but be struck by an observation made in his defence, which it is right that his Regiment, that the Service at large should reflect upon, viz.

"It is to be regretted, but particularly so by myself, that from the negligence of the Non-"Commissioned Officers, a Soldier is allowed to drink to excess for a number of days, without being "placed under restraint; had I been confined some days previous to the 7th of January, the Court would "not have had the trouble to meet on my account. Many Crimes may be prevented, and it would be a "charity to the Soldier, if, instead of allowing a Drunken Man to roam at large, he was lodged in a secure "place until perfectly sober." It is, however, with the deepest regret the Lieutenant General cannot here confine the blame to *Non*-Commissioned Officers alone. It is the duty of *Commissioned* Officers to be assured that such duty *is done*, and unfortunately the number of Courts Martial, (no less than 92! ! !) that have taken place in His Majesty's 30th Regiment between the last two Inspections, stand up in strong and dreadful Evidence against a due Execution on the part of its Officers to prevent Crime, and of failure in the necessary aid, which their Commanding Officer had a right to expect at their hands.

An early and due attention to these duties might and probably would have prevented the Crime of which the Prisoner has been found guilty---Let not the Prisoner, however, or other Drunkards of the same class, flatter themselves on that account their Crimes are the less deserving Punishment, as every man is and must be answerable for his own—nor can the Lieutenant General regard them with less horror, although from the previous Service of 24 Years rendered to his Country by the Prisoner, he is induced to commute the Punishment of Death, to which he is justly sentenced into that of Transportation beyond Seas for the term of his Natural Life---hereby approving and confirming the opinion and Sentence.

No. 74.

FORT ST. GEORGE, 1st April, 1828.

G. O. BY GOVERNMENT.

Several recent instances having occurred of prolonged absence from their Commands, of Officers Commanding Divisions of the Army, in consequence of which, it has been found necessary to nominate Officers to perform their duties, the Right Honorable the Governor in Council deems it expedient to direct that, on all occasions of absence of General Officers on the Staff, (when not occasioned by public duty,) the extra charges arising therefrom shall be deducted from their allowances, with exception of those payable on a new appointment to the Officer previously in Command, for the interval prior to the notification reaching his Head Quarters.

Previously, however, to any temporary appointment taking place, by which a General Officer on the Staff may become subject to a loss of allowances, the case is to be submitted for the sanction of Government.

On receipt at Division Head Quarters of the General Order or other official notification of the appointment of a General Officer on the Staff to such Command, the Officer who had been previously in Command is to consider himself as relieved, unless otherwise ordered by Government, and the usual reports are to be made by Officers Commanding Stations to the Staff of the Division for the information of the Officer newly appointed who is in all such cases to issue the requisite orders for conducting the duties until his arrival.

The above provisions to be considered *in all respects*, applicable to Officers under the rank of Major Generals, when holding Division Commands whether on the Staff or otherwise—but in the latter case, (the Officer not being on the Staff,) the new Regulation cannot apply until he joins the Head Quarters of his Division, being the date on which his Command allowances (those laid down in the 20th Paragraph General Orders 3d December 1824) commence.

On occasions of temporary Command, in the absence of Officers Commanding Divisions, the Officers succeeding thereto, are to exercise the Command both of the Head Quarter Station, and the Division, except when ordered on tours of duty, when the temporary Command of the Head Quarter Station must devolve on the next Senior Officer.

The above Regulations to be considered as cancelling the General Order by Government No. 257, dated the 28th December last, regarding the allowances of Officers Commanding Divisions of the Army.

By order of the Right Honorable the Governor in Council.

Acting Secretary to Government.

The Garrison Establishment is to be drawn for all Corps stationary in Cantonments including the Subsidiary Force at Nagpoor, the Light Field Division at Jaulnah and the Field Force at Kulladghee. The Field Establishment is only to be drawn when specially authorized under the orders of the Military Board.

The Table No. 6, Page 83, of the Ordnance Regulations is cancelled, and the additional Artificers at present allowed to Detachments are to be discontinued.

When a Detachment is ordered from a Corps it will be discretionary with the Commanding Officers to direct a proportion of the Artificers to move with it, but if from the particular distribution of a Regiment into Detachments, the established number shall not be found sufficient, the circumstances of the case are to be reported to the Military Board, in order that such temporary assistance may be authorized as shall be deemed requisite.

The Establishment of Artificers at present allowed to the Carnatic European Veteran Battalion, is to be discontinued. The Arms will be repaired in the General Store Department at the places where they may be stationed.

When repairs are required to be made to the Arms of a Detachment at an Ordnance Station, they shall be executed in General Store, and an Indent particularly specifying the nature of the work is to be countersigned by the Officer Commanding the Station, as the Commissary's authority for executing the work.

The Monthly Allowance to be drawn by the Native Veteran Battalions for keeping the Arms in repair and preserving the Colour is fixed at 6 Rupees per Mensem for every hundred Men, on the strength of each Corps, the allowance to be drawn by the Adjutant who is to provide for the repair of the Arms of all Detachments.

The allowance thereto granted for preserving the Colour of browned Arms is discontinued to all Corps of His Majesty's as well as the Honorable Company's Service, the Monthly allowance for materials laid down in Table No. 2, being considered as amply providing for every expense including the browning of the Arms which may be incurred on that account.

In consequence of the particular nature of the duties on which the Pioneers are employed, the Detachments of that Corps will retain the same number of Artificers as at present allowed.

This Order will have effect from the 1st Proximo with the following exceptions.

The Establishments at Gooty and Berhampoor to be discharged as soon as the Stores can be removed, which the Military Board will effect at the earliest period reporting the same to the Military Auditor General.

The Supernumerary Lascars to be discharged on the 30th Instant, with a Donation of one Month's Pay to each. The Syrangs, and 1st and 2d Tindals extra to the Establishments to be continued as Supernumeraries and brought on the strength of Companies as vacancies may occur.

Such Lascars as are now discharged will have a prior claim for admission into the Service, and on their re-enlistment they will be allowed to calculate their original periods of Service.

By order of the Right Honorable the Governor in Council.

Chief Secretary.

The following Extracts from the Confirmed Proceedings of an European General Court Martial held at Masulipatam on Thursday the 20th day of March 1828, by virtue of a Warrant from His Excellency Lieutenant General Sir George Townshend Walker, G. C. B. and K. C. T. S. Commander in Chief, are published to the Army.

Charges.—Lieutenant Montagu Ross Taynton of the 1st European Regiment of Infantry, placed in arrest and charged with conduct to the prejudice of good order and Military Discipline, in the following instances.

I.—In disobeying Orders, by absenting himself from his Quarters, without Leave, when on the Sick List, on the night of the 9th and the evening of the 10th January 1828.

II.—In asserting, at Masulipatam, on or about the 10th of January 1828, that "there would be a Row at the Mess" or words to that effect; and, afterwards, on or about the fourteenth of the same month, denying he had ever said so; and, furthermore saying that "he would be a witness for Lieutenant Manning and against Captain Sargent, if it come to a Court Martial," or words to that effect, and drawing a dishonorable distinction between the Oath and the Word of a Gentleman.

III.—In questioning, at Masulipatam, on or about the 14th of January 1828, the authority of me, his immediate Commanding Officer, to order him to the Quarters of a Junior Officer to himself; such Junior Officer being at the time the Acting Adjutant of the Regiment.

The Court having most maturely weighed and considered the whole of the Evidence brought forward in support of the Prosecution, as well as what the Prisoner Lieutenant Montagu Ross Taynton hath urged in his defence, and the Evidence in support thereof, is of opinion.

Finding on the First Charge.—That he is guilty.

Finding on the Second Charge.—The Court is of opinion that the Prisoner is not guilty of "asserting, at Masulipatam, on or about the 10th of January 1828 that "there would been Row at the Mess," or words to that effect;" and, afterwards, on or about the 14th of the same month, denying he had ever said so." The Court further finds that the Prisoner did say "that he would be a witness for Lieutenant Manning and against Captain Sargent, if it come to a Court Martial or words to that effect," as stated in the Charge; but attaches no criminality to that expression. With regard to the last clause of the Charge the Court finds that the Prisoner did draw a distinction between the Oath and Word of a Gentleman; but the Court does not consider that distinction dishonorable; and, therefore, fully acquits him of all criminality thereon.

Finding on the Third Charge.—Not guilty.

Sentence.—The Court having found the Prisoner guilty to the extent above stated, doth sentence him, the said Lieutenant Montagu Ross Taynton, to be *admonished* by His Excellency the Commander in Chief, in such manner as he may deem proper.

(Signed) R. L. HIGHMOOR, Depy. Judge Adv. General.

(Signed) M. L. PEREIRA, Lieut. Col. and President.

Approved and Confirmed.

(Signed) G. T. WALKER, Lieut. General, *and Commander in Chief.*

Lieutenant Taynton is hereby admonished to be in future more attentive to the orders of his Commanding Officer; he is to be informed that the flippancy of the language employed in his defence was disrespectful to the solemnity of the Court before which he appeared; but it is more particularly recommended to him to be in future more careful of the expressions he employs upon so delicate a distinction as that between his word and his oath; for though, in our happy Country, *all* are equal in the eye of the law, and it is therefore necessary, as God the searcher of human hearts can alone distinguish between the worthy and the worthless, that *all*, from the Gentlemen to the Boor, should be equally subject to the oath; Truth is, not the less imperative on the Gentleman; and he cannot claim the character, if, in his conscience, he does not acknowledge the sanctity of this emanation of the Divinity. The Commander in Chief trusts that this is the feeling that *will* guide Lieutenant Taynton: and, after this is read to him in presence of the Officers of his Regiment, he is to be released from Arrest.

The Commander in Chief cannot, however, pass over this case without expressing his regret, that it is one more added to the many that have already come before him where proper investigation on the part of the Commanding Officer might have prevented the inconvenience and disgrace of a public trial; as he cannot persuade himself that the paternal feeling which *should* actuate an Officer, under whose protection the morals, comforts and happiness of so many are placed, could have thought it necessary or proper, on such Evidence, to demand a Court Martial.

(Signed) G. T. WALKER, Lieut. General, *and Commander in Chief.*

The above Crime, Sentence, and General Order, to be read in the presence of the Officers of every Regiment in the Service.

The following Extracts from the Confirmed Proceedings of an European General Court Martial, holden at Bangalore, on Thursday the fourteenth day of February, in the year of our Lord 1828, by virtue of a Warrant from His Excellency Lieutenant General Sir George Townshend Walker, G. Commander in Chief of the Forces serving under the Presidency of Fort St. George; and continued by adjournments until Tuesday the Eleventh day of March, in the Year of our Lord 1828, is published to the Army.

Charge against Private William Boag of the Grenadier Company of the Royal Regiment.

HEAD QUARTERS: MADRAS, 3d *March*, 1828.

(Signed) R. TORRENS, Lieut. Col. D. A. G. His Majesty's Forces.

The Court having most maturely weighed and considered the whole of the Evidence brought forward in support of the Prosecution as well as what the Prisoner William Boag, hath urged in his defence, and the Evidence in support thereof, is of opinion.

Finding.—That the Prisoner is guilty.

Revised Sentence.—The Court having found the Prisoner guilty, doth Sentence him the said Private William Boag, of His Majesty's Royal Regiment, to be hanged by the neck until he is dead.

C. B. and K. C. T. S. Commander in Chief, and continued by adjournments to Tuesday the 25th day of March 1828, is published to the Army.

Lieutenant and Quarter Master William John Manning, of the 1st European Regiment of Infantry, placed in arrest and charged with conduct to the prejudice of good order and Military Discipline, in the following instances.

Charges I.—In unjustifiably accusing Captain Henry Sargent, of the 41st Regiment of Native Infantry, of spreading false Reports; and in otherwise using violent and insulting language, to the said Captain Henry Sargent his superior Officer, at Masulipatam, at the Regimental Mess Table, on or about the 11th January 1828.

II.—In unjustifiably accusing the said Captain Henry Sargent of circulating "a most malignant

and false Report," in an Official Letter, addressed to the Adjutant of the 1st European Regiment, and dated at Masulipatam, on the 11th of January 1828.

MASULIPATAM, 24th *January*, 1828.

(Signed) G. WAUGH, Lieut. Col.
Comg. 1st European Regiment.

By Order.
(Signed) T. H. S. CONWAY,
Adjutant General of the Army.

The Court having most maturely weighed and considered the whole of the Evidence brought forward in support of the Prosecution, as well as what the Prisoner, Lieutenant and Quarter Master William John Manning, hath urged in his defence, and the Evidence in support thereof, is of opinion,

Finding on the First Charge.—That the Prisoner is guilty, with the exception of the words " and in otherwise using violent and insulting language to the said Captain Henry Sargent ;" of which part the Court acquits him.

Finding on the Second Charge.—Guilty.

Sentence.—The Court having found the Prisoner guilty to the extent above stated, doth Sentence him, the said Lieutenant and Quarter Master William John Manning, of the 1st European Regiment, to be suspended from Rank and Pay for the period of Six Calendar Months, from such date as His Excellency the Commander in Chief may please to direct.

(Signed) R. L. RIGHMOOR,
Deputy Judge Advocate General.

(Signed) M. L. PEREIRA, Lieut. Col. and President.

Approved and Confirmed ; but, taking into consideration the whole of the case, The Commander in Chief remits the Suspension, and orders Lieutenant Manning to be released and to return to his duty of Lieutenant.

(Signed) G. T. WALKER, Lieut. General,
and Commander in Chief.

Though Lieutenant Manning has been convicted of accusing Captain Sargent of spreading a *false* report of the nature of a reprimand he had received from superior authority, it nevertheless appears in Evidence that that Officer had allowed himself to express an *exaggerated* opinion, (of that reprimand,) which it was natural Lieutenant Manning should consider offensive. With respect to the 2d Charge, of writing a letter to the same effect, some allowance must be made on the same ground ; especially as it was necessary to assign a reason for the request therein made. It does not appear why, under such circumstances, the request should have been refused ; especially as by furnishing Copy of so much of the Memorandum as related to Lieutenant Manning, opportunity would have been given to him for due consideration of the extent of the displeasure of the Commander in Chief, which does not appear to have been understood either by himself or others ; with whom also it would have cleared up the report in circulation. At all events, the Adjutant, in giving publication to this letter, does not appear to have taken the means he ought to have done for keeping peace in the circle in which a judicious and good Adjutant would prove so important a Member. Upon full consideration, then, of the whole of the Evidence ; the Commander in Chief, (though he thinks the intemperance of Lieutenant Manning's expressions should not go without punishment,) would have deemed the exposure to this Court Martial a sufficient warning for his future conduct, and have forgiven him the punishment awarded ; but, when he finds this Officer so little impressed with the remarks made on former misconduct, that he neither appreciates their force, comprehends their meaning, or even recollects their terms ; when, in his address to the Court, instead of confining himself to a modest defence of his own conduct, he takes up its time with a long and virulent attack upon the conduct of his Commanding Officer ; which, if true, he must know he could only address with propriety to the Officer in Command of the Division ; and that the Court could have no right to listen to, much less to apply a remedy to, what he complained of :—the Commander in Chief must reluctantly come to the conclusion that it is necessary Lieutenant Manning be taught submission and more respect to his superiors ; and that, till he has his mind under better discipline, he is not fit for the duties of a Staff Officer of his Corps : and he must therefore recommend another Officer for the Quarter-Mastership ; and he is hereby ordered to be released and to return to his duty as Lieutenant.

The Commander in Chief cannot, however, close his observations, without again calling, upon Members of Courts Martial to reject all irrelevant and improper Evidence ; much of which has appeared in these Proceedings ; and he must further tell them that it is illegal to allow any thing to be said in defence, against a superior Officer, not before the Court ; were there not even a sufficiently forcible reason for rejecting it, from the injustice of allowing *any* Man to be attacked, where he has not the means of justification. Much blame from this neglect must then attach to this Court ; and still more to the Deputy Judge Advocate General, with whom it was not only a neglect but a disobedience of Orders not to protest against it : and both, it is hoped, will see with regret how much the case of the Prisoner has been injured by it.

(Signed) G. T. WALKER, Lieut. General,
and Commander in Chief.

The General Court Martial directed to assemble at Masulipatam in General Orders of the 31st January last, and of which Lieutenant Colonel M. L. Pereira is President, is dissolved.

The following Extracts from the Confirmed Proceedings of a Native General Court Martial, held at Bangalore, on Saturday the 22d day of March 1828, by virtue of a Warrant from His Excellency Lieutenant General Sir George Townshend Walker, G. Kamptee, 25th March 1828, appointing Gunner John Harris of the A Troop 1st Brigade of Horse Artillery, to the temporary charge of the Cells at Seetabuldee until further orders, is confirmed.

12TH APRIL, 1828.

The Commander in Chief has remarked, with deep regret, the progressive increase of the degrading and demoralizing vice of Drunkenness, in the Native Army; which has so unaccountably and unexpectedly sprung up in its Ranks of late years.

In all Countries, and in all Armies, the practice of Drunkenness has been branded with disgrace and contempt; and Articles of War and other Regulations have provided specific and severe punishment for those addicted to it:—but how especially culpable must the Drunkard be, and how hopeless his reform, in a Country and in an Army where, from the habits of his Forefathers and the Tenets of his Religion, Drunkenness is not merely *disreputable* and *contemptible*, but *infamous* and *impious*;—where, once convicted of a single instance of excess, he must, inevitably and for ever, forfeit the respect, the regard, and the society of his Comrades.

His Excellency has yet another cause for regret. In other Armies, this shameful vice is usually confined to the *lower* Ranks and to the dissipated and incorrigible of them even: but, in the Native Army of Fort St. George, Drunkenness is not *peculiar* to the lower orders, and to the profligate in habits and cast; but, too often, attaches to those whom respectability of connexion and elevated Rank should place altogether beyond its influence.

It is indeed equally to be wondered at and lamented that those who have won preferment by previous good conduct, and who have been elevated as examples of merit, should degrade themselves into patterns of disreputable conduct and character to their Men. If the *Pride of Situation* will not save a Native Officer from such shameful habits, he must *indeed* be altogether worthless.

A salutary example has been afforded, in some recent instances, by the summary removal from the Service, by order of the Right Honorable the Governor in Council, of certain Native Officers *known* to be addicted to Drunkenness, and the Commander in Chief hereby pledges to the Native Army at large that he will invariably, without the slightest consideration for length of Service, Service in the Field, or any previous meritorious conduct whatsoever, recommend to be dismissed, or dismiss any Native Commissioned Officer, Non-Commissioned Officer, or Private, who may be proved to have disqualified himself for the profession of a Soldier by habits of Intoxication.

This Order is to be read and explained, once a month for a year, on Parade, to every Native Corps and Detachment in the Service; and translated Copies of it are to be prepared and hung up in the Barrack of every Troop, Company, and Corps, throughout the Native Army.

The General Court Martial assembled at Bangalore, whereof Lieutenant Colonel Showers is President, is dissolved.

The period of suspension awarded Cornet C. C. Ferrers, of the 5th Regiment of Light Cavalry, in G. O. C. C. of the 29th October 1827, will expire on the 1st of May 1828, and that Officer is directed to return to his duty from the day following.

The undermentioned Officers have obtained Leave of Absence from their Corps and Stations.

Finding on the Sixth Instance of Charge.—Guilty.
Finding on the Seventh Instance of Charge.—Guilty.

Sentence on Revision.—The Court having found the Prisoner guilty to the extent above stated, which conduct amounting to Mutiny, and being highly to the prejudice of good order and Military Discipline, doth, on a most mature re-consideration of the case, sentence him the said Joshua Fletcher, Gunner No. 64, of the A Company 3d Battalion of Artillery, to be shot to death with Musquetry, at such time and at such place as His Excellency the Commander in Chief may please to direct.

(Signed) ROBERT MURCOTT, Captain, Dep. Judge Advocate General,
(Signed) C. HOPKINSON, Lt. Col. Artillery, President.

This Sentence is Confirmed, but acting according to the powers vested in him, the Commander in Chief hereby commutes the punishment of Death awarded to Joshua Fletcher, 3d Battalion Artillery, to that of Transportation beyond Seas for the term of his natural life he being born of European Parents.

(Signed) G. T. WALKER, Lieut. General,
and Commander in Chief.

In publishing this Sentence the Commander in Chief cannot refrain from stating his dissatisfaction at the conduct of the Court—after the ferocious conduct of which the Prisoner was on the fullest Evidence convicted, he certainly could not think that Solitary Confinement to which he was at first Sentenced was an appropriate punishment, but that the nature of his Crime called for Corporal punishment, and as a proper subject of example to others, he recommended a revision of the Sentence; he could not therefore but feel and he thinks that the Army at large must feel with him considerable surprize that the same Court which in the first instance only gave a Sentence of Solitary Confinement (a punishment more properly suited to Prisoners of whose amendment any hope could be entertained) that this same Court has at once substituted for it a Sentence of Death!!!

(Signed) G. T. WALKER, Lieut. General,
and Commander in Chief.

The General Court Martial assembled in Fort St. George, of which Lieutenant Colonel C. Hopkinson, C. B. is President, is dissolved.

28TH APRIL, 1828.

C. B. and K. C. T. S. Commander in Chief, are published to the Army.

Private Jeremiah Twy, No. 52, B Company 2d European Regiment, is arraigned on the following Charge.

Charge.—For wilfully disabling himself from further Effective duty as a Soldier, by discharging the contents of a loaded Musket through the heel of his left foot when a Prisoner in the Barrack Guard, on the morning of the 13th February 1828.

The above being to the prejudice of good order and Military Discipline.

The Court having most maturely weighed and considered the whole of the Evidence in support of the Prosecution, as well as what the Prisoner Jeremiah Twy, Private 2d European Regiment, hath urged in his defence, is of opinion,

Finding on the Charge.—That the Prisoner is "guilty" of the Charge.

Sentence.—The Court having found the Prisoner guilty as above stated, which being to the prejudice of good order and Military Discipline, doth Sentence him the said Jeremiah Twy, Private No. 52, B Company 2d European Regiment, to suffer Solitary Confinement for the period of Eight (8) Calendar Months from such time and in such place as His Excellency the Commander in Chief may be pleased to direct.

(Signed) WILLIAM G. PAGE, Captain, Actg. Dep. Judge Adv. Genl.
(Signed) A. MONIN, Lieut Colonel, 47th Regiment, President.

APPROVED AND CONFIRMED.
(Signed) G. T. WALKER, Lieut. General,
and Commander in Chief.

The Officer Commanding the Nagpoor Subsidiary Force, will take the necessary measures to carry the above Sentence into execution at any place within his Command.

The Division Order by the Officer Commanding the Ceded Districts, dated Bellary, 23d April 1828, appointing Serjeant Richard Scholfield of His Majesty's 48th Regiment, to *act* as Clerk to the Military Chaplain at Bellary, until further orders, is confirmed.

29TH APRIL, 1828.

An erroneous opinion having gone abroad that Soldiers may be *compelled* to send their Children to Regimental Schools; the Commander in Chief feels himself called upon to correct the same as being directly opposed to the spirit of the Institution in question.

Regimental Schools were sanctioned from a motive of benevolence by Government, and are intended to afford comfort and assistance to the Men and their Families, and not to be the means of harshness and coercion. They are to be supported and promoted by all *persuasive* measures, and pointed out as an advantage and an indulgence worthy of gratitude and cheerful acceptance, but in no case could it be tolerated by British Law and Justice, that the Children of the Soldier, any more than the Children of the Citizen, should be coercively taken away from him under any pretext whatsoever.

Lieutenant J. M. Ross of the 5th Regiment Native Infantry, who in General Orders of the 1st February last, obtained Leave of Absence on Sick Certificate to Cannanore, until the 15th June next, is permitted to reside on the Neilgherry Hills, during the remaining portion of his Leave.

GENERAL ORDERS,

BY HIS EXCELLENCY THE COMMANDER IN CHIEF.

HEAD QUARTERS: CHOULTRY PLAIN,

30TH APRIL, 1828.

Lieutenant C. A. Browne of the 15th Regiment Native Infantry, is appointed to Officiate as Deputy Judge Advocate General to the European General Court Martial, directed to assemble at Quilon, in General Orders of the 5th Instant, in the room of Captain C. D. Dun, Deputy Judge Advocate General, reported Sick.

The Native General Court Martial directed to assemble at Bangalore, in General Orders of the 10th Ultimo, and of which Subadar Major Shaik Hoossain of the 29th Regiment Native Infantry, is President, is dissolved.

1ST MAY, 1828.

Recent omissions induce His Excellency the Commander in Chief to desire, that strict attention may be paid in future to the G. O. C. C. of the 11th December 1813, and that part of the General Regulations to which it refers; requiring all Officers Sick Absent to transmit Monthly to their Corps, in sufficient time to accompany its Returns to Head Quarters, a Medical Certificate of their continued indisposition.

Commanding Officers are required to return all Officers of their Corps who fail to furnish them with such Medical Certificates "Absent without Leave," as directed in the General Regulations referred to in the General Order abovementioned.

Although the Commander in Chief directs that the established channel shall *invariably* be attended to, by all subordinates addressing their Superiors:—His Excellency at the same time *expressly desires* that whenever he may deem it necessary to order a direct communication, the Officer, Corps or Department receiving such communication shall reply *direct* to the Officer or Department making it, reporting having done so, to the immediate superior authority.

Captain C. Sinnock, of the 5th Regiment Native Infantry, is appointed to do duty with the 18th Regiment Native Infantry, until further orders.

Lieutenant T. S. Warner, of the 18th Regiment Native Infantry, is appointed to do duty with the 39th Regiment Native Infantry, until further orders.

The following Extracts from the Confirmed Proceedings of an European General Court Martial, holden at Kamptee, on Friday the 18th day of April 1828, by order of Lieutenant Colonel Francis Walker, Commanding the Nagpoor Subsidiary Force, by virtue of a Warrant of Authority, vested in him by His Excellency Lieutenant General Sir George Townshend Walker, G. C. B. and K. C. T. S. Commander in Chief, are published to the Army.

Private Robert Lindsey, No. 41, Grenadier Company 2d European Regiment, is arraigned on the following Charges.

1*st*.—For highly disrespectful and mutinous conduct at Kamptee, on the morning of the 28th March 1828, in making use of the following threatening expressions, addressed to Lieutenant and Quarter Master H. F. Barker, of the 2d European Regiment, who had ordered him to be confined—"If you interfere with the Serjeant of the Guard's Duty, I will blow your Brains out; it is not his fault, and by God Mr. Barker the Regiment is imposed upon, and I will shoot some one, and you shall be the first man I will shoot."

2*d*.—For being in a disgraceful state of Intoxication when on Regimental duty, on the morning of the 28th March 1828.

The above being to the prejudice of good order and Military Discipline, and in breach of the Articles of War.

HEAD QUARTERS,
Nagpoor Subsidiary Force,
CAMP KAMPTEE,
12*th April*, 1828.

(Signed) JOHN GIBSON, Major,
Senior Officer in Charge
2d European Regiment.

BY ORDER.

(Signed) R. J. H. VIVIAN,
Assistant Adjutant General.

The Court having most maturely weighed and considered the whole of the Evidence brought forward in support of the Prosecution, as well as what the Prisoner Private Robert Lindsey, No. 41, Grenadier Company, 2d European Regiment, hath urged in his Defence, is of opinion.

Finding on the First Charge.—That the Prisoner is guilty of the Charge.
Finding on the Second Charge.—That the Prisoner is guilty of the Charge.

Sentence.—The Court having found the Prisoner "guilty" as above stated, which being to the prejudice of good order and Military Discipline and in breach of the Articles of War, it doth Sentence him the

said Robert Lindsey, Private No. 41, Grenadier Company 2d European Regiment, to be placed in Solitary Confinement for a period of Six (6) Calendar Months from such time and in such place as His Excellency the Commander in Chief may be pleased to direct.

(Signed) W. GEORGE PAGE, Captain, Acting Dep. Judge Adv. General.

(Signed) ANTHONY MONIN, Lt. Col. 47th Regiment, President.

Approved and Confirmed.

(Signed) G. T. WALKER, Lieut. General, *and Commander in Chief.*

The above Sentence to be carried into Execution by the Officer Commanding the Nagpoor Subsidiary Force, in one of the Solitary Cells within the limits of that Command.

2D MAY, 1828.

Much inconvenience having arisen to the Public Service from the irregular and unintelligible manner in which Charges are framed for Trial before Courts Martial, the Commander in Chief finds it expedient to give the following directions for general observance in that respect and expects that Commanding Officers will refuse their sanction to all Charges which may not be framed accordingly for, although Military Courts are not subject to the same technical formalities which prevail in Courts of Law, yet it is obviously requisite to the ends of Justice that certain Forms should be preserved; and that all Charges should be so worded as at once to inform the Court of the matter which is to come before it and to enable the Prisoner to defend himself against a *distinct* and *specific* accusation.

All Charges on which Prisoners are to be tried should consist of three parts.

I.—*The commencement*, designating the Prisoner by his Name, Surname, Rank or Station, and Regiment to which he belongs, and showing by whose order he is placed in Arrest or Confinement.

II.—*The Statement of the Offence*, clearly, consistently and succinctly setting forth with a careful avoidance of all trivial or irrelevant circumstances the fact or facts to which criminality is attributed, and invariably specifying the *Time* and *Place* where the offence was committed.

III.—*The Conclusion*, declaring the offence to be either, *generally*, "In breach of the Articles of War" or *specially*, "within the Provisions of Article IV, Section XXI, of the European, or Article VI, Section XII, of the Native Articles of War" as the case may be.

Captain R. Smith of the 18th Regiment Native Infantry having obtained leave to proceed to Europe, in General Orders by Government of the 28th February last, is to be struck off the Returns of the Rifle Corps.

The Leave of Absence granted to Lieutenant W. F. Deas, of the 6th Regiment Light Cavalry, in General Orders of the 19th January, is cancelled from the 15th February last.

3D MAY, 1828.

Recent instances having been brought to the notice of the Commander in Chief wherein the Prosecution upon Trials before European Courts Martial inferior to General, has been irregularly conducted by the Court itself, this practice is strictly prohibited as being unauthorized and contrary to the established mode of conducting Trials before Military Courts.

By the Articles of War a public Prosecutor has been provided upon Trials before General Courts Martial in the person of the Judge Advocate, and with reference to the peculiar constitution of Native Military Courts, a similar Provision has been made upon Trials before Native Courts Martial other than General, by attaching thereto an European Officer to Superintend the Proceedings, but the case is different upon Trials before Minor European Courts Martial, where there is neither Judge Advocate nor Superintending Officer to Officiate as Public Prosecutor, and upon such Trials therefore it is essentially requisite to the regularity of the Courts Proceedings that the Officer signing the Charge should appear in Court to conduct the Prosecution, or failing such Officer, the Regimental, Line, Cantonment, or Fort Adjutant, as the case may be; whose duty it will be to attend Courts Martial for such purpose.

5TH MAY, 1828.

The Leave of Absence granted to Lieutenant Colonel W. Woodhouse of the 20th Regiment Native Infantry in General Orders of the 28th February last, is cancelled from the 26th Ultimo at his request.

6TH MAY, 1828.

The Leave of Absence granted to Captain R. Cozens, of the 49th Regiment Native Infantry, in General Orders of the 28th February last, is cancelled from the 26th Ultimo, at his request.

8TH MAY, 1828.

Corporal George Thorogood of the Carnatic European Veteran Battalion, is transfered to the Effective Supernumeraries, promoted to Serjeant, and appointed Barrack Serjeant of the 2d Class at Rajahmundry, vice Wallis deceased.

Quarter Master Serjeant William Bates, is removed from the 48th to the 39th Regiment Native Infantry.

Commanding the Northern Division of the Army, dated Vizagapatam 26th April 1828, appointing Serjeant John Dean of the Carnatic European Veteran Battalion to *act* as Barrack Serjeant at Rajahmundry from the 21st of that month, vice Wallis deceased, is confirmed.

The following Extracts from the confirmed Proceedings of an European General Court Martial, holden at Kamptee, on Friday the 18th day of April 1828, by order of Lieutenant Colonel Francis Walker, Commanding the Nagpoor Subsidary Force by virtue of a Warrant of Authority vested in him by his Excellency Lieutenant General Sir George Townshend Walker, G. C. B. and K. C. T. S. Commander in Chief, are published to the Army.

Thomas Like, Serjeant of Effective Supernumeraries placed in confinement by order of the Officer Commanding Nagpoor Subsidiary Force, on the following Charge.

Charge.—For the wilful murder of George Stokes, Gunner of the 1st Battalion of Artillery, at Seetabuldee, on the night of the 16th March 1828, by shooting him in the Body with a Gun loaded with Ball, which caused the immediate death of the said George Stokes.

By order of the Officer Commanding Nagpoor Subsidiary Force.

CAMP KAMPTEE, 20*th March*, 1828. (Signed) R. J. H. VIVIAN, *Assistant Adjutant General.*

The Court having most maturely weighed and considered the whole of the Evidence brought forward in support of the Prosecution as well as what the Prisoner Thomas Like, Serjeant of Effective Supernumeraries, hath urged in his defence and the evidence in support thereof is of opinion,

Finding on the Charge.—That the Prisoner is "guilty" of the Charge.

Sentence.—The Court having found the Prisoner "guilty" of the Charge, doth Sentence him the said Thomas Like, Serjeant of Effective Supernumeraries to suffer Death, by being hanged by the Neck until he be dead at such time and place as His Excellency the Commander in Chief, may be pleased to direct.

(Signed) WILLIAM GEO. PAGE, Captain, Acting Deputy Judge Advocate General.

(Signed) ANTHONY MONIN, Lieut. Col. 47th Regiment, President.

Approved and Confirmed.

(Signed) G. T. WALKER, Lieut. General, *and Commander in Chief.*

It is not but with the deepest concern the Commander in Chief feels that his duty to the public obliges him to order this Sentence to be carried into execution, notwithstanding the recommendation of the Court and the previous good Character of the Prisoner, on which it is grounded; for allowing for every irritation which the conduct of an infamous woman may have produced on the feelings of a husband, it appears in Evidence that he had in *her absence* coolly loaded a Gun with the *declared* intention of shooting her on her return, that it was with this very Gun so prepared for the destruction of another that the unfortunate Stokes (without any apparent cause but the suspicion of the Prisoner) was afterwards murdered.—Here therefore is not only the murder of one, but a previous deliberate intention to murder another so decidedly proved that nothing could justify a remission of the Sentence.

In coming however to this painful decision, it is impossible to pass over the Evidence of Henry Leattor, Gunner of the 1st Horse Brigade without animadversion. The chief proof on which the conviction rested was adduced by this Man, and yet privy as he was to the first loading of the Gun, and the declaration of the Prisoner of his intention to shoot his Wife, it does not appear that he took one single step to prevent the threatened mischief either by an endeavour to inform the Wife or by a proper report to any Officer, the criminality of such conduct can hardly be doubted and it must be every one's duty in future to bring such neglect to condign punishment.

In this instance (if this man thinks at all) the consciousness that his gross neglect has been the cause of two persons losing their lives, it is hoped will be punishment sufficient.

(Signed) G. T. WALKER, Lieut. General, *and Commander in Chief.*

His Excellency the Commander in Chief directs that the Sentence awarded Serjeant Thomas Like, of the Effective Supernumeraries, shall be carried into Execution within three days after the receipt of this Order at the Head Quarters of the Nagpoor Subsidiary Force, and in the presence of all the Troops present at Kamptee, agreeable to detailed instructions which will be furnished to Lieutenant Colonel Charles Farran, Commanding the Nagpoor Subsidiary Force, direct from Head Quarters.

His Excellency the Commander in Chief with a view to make the present example more awful, is pleased to direct that every Corps and Detachment of the Army, shall Parade as early as possible after the receipt of these Orders, to hear the present General Order containing the Crime, Sentence and Order for Execution of Serjeant Thomas Like, of the Effective Supernumeraries, read and explained in due form and according to the usual practice.

The following Act of Parliament, VI. Geo. IV. Cap. 61, whereby are rendered more effectual the Provisions of 4 Geo. IV. Cap. 81, and the Articles of War founded thereon, is published for the general information of those concerned.

ANNO SEXTO

GEORGII IV. REGIS.

CAP. LXI.

An Act to amend Two Acts; of the Fifty-eighth Year of His late Majesty, for regulating the Payment of Regimental Debts, and the Distribution of the Effects of Officers and Soldiers dying in Service, and the Receipt of Sums due to Soldiers; and of the Fourth Year of His present Majesty, for punishing Mutiny and Desertion of Officers and Soldiers in the service of the *East India* Company. [22*d June*, 1825.]

WHEREAS an Act was passed in the Fifty-eighth Year of the Reign of His late Majesty King *George* the Third, intituled *An Act for regulating the Payment of Regimental Debts, and the Distribution of the Effects of Officers and Soldiers dying in Service, and the Receipt of Sums due to Soldiers*: and whereas by an Act passed in the Fourth Year of the Reign of his present Majesty, intituled *An Act to consolidate and amend the Laws for punishing Mutiny and Desertion of Officers and Soldiers in the Service of the* East India *Company, and to authorize Soldiers and Sailors in the* East Indies *to send and receive Letters at a reduced rate of Postage*, and by certain Articles of War made in pursuance thereof, Provision is made for the care and application of the Effects and credits of deceased Officers and Soldiers in the said Company's Service: And whereas the Transmission to Regimental Agents or other Persons of the Effects or proceeds of Effects of Officers and Soldiers dying in His Majesty's Service, or in the Service of the said Company, has been found highly beneficial in securing an early Distribution of such Effects among the Relations of such Officers and Soldiers at small Expence, and many Sums are thereby saved to the relations of Soldiers, which would otherwise be, from their small amount, wholly lost; and it is therefore expedient to render the Provisions of the said recited Acts, relating to such matters, more effectual: Be it therefore enacted by the King's most Excellent Majesty, by and with the Advice and Consent of the Lords Spiritual and Temporal, and Commons, in this present Parliament assembled, and by the Authority of the same, That it shall be lawful for all Officers and Persons who may be employed or required by or under the Authority of any Articles of War in force for the Time being, either for the Officers or Soldiers in the Service of His Majesty, or for the *European* Officers or Soldiers in the Service of the said Company, to take care of or collect, or superintend and direct the Collection of the Effects of Officers or Soldiers dying in Service out of the United Kingdom, to ask, demand, and receive any such Effects, and to commence, prosecute, and carry on any Actions or Suits for the Recovery thereof, without taking out any Letters of Administration, either with any Will annexed or otherwise, in like Manner in every Respect as if such Officers or Persons had been appointed Executors, or had taken out Letters of Administration of such Effects; and no Registrar of any Court in the *East Indies*, or elsewhere in any Colonies or Possessions of His Majesty abroad, shall in any Manner interpose in relation to any such Effects, unless required or authorized so to do by any such Officers or Persons under the Provisions of this Act; any Act or Acts of Parliament, Law, Statute, or Usage to the contrary notwithstanding.

Officers and others, authorized under the Articles of War to take care of the Effects of Officers and Soldiers, empowered to collect and receive the same without taking out Letters of Administration, &c.

II. And be it further enacted, That such Effects or proceeds of Effects, when remitted to any Regimental Agent or other Person, under any Order or Regulation of the Secretary at War in that Behalf, or of the Military Secretary to the Government of any of the said Company's Presidencies respectively, shall not, by reason of coming into the Hands of such Agent or Person, be deemed or taken to be Assets or Effects within the Province in which such Agent or Person shall reside, so as to render it necessary that Administration should be taken out in respect thereof in such Province, unless Administration of any other Effects of the Officer or Soldier to whom the Proceeds so remitted shall have belonged shall have been or shall be taken out in such Province; and it shall be lawful for the Secretary at War, in all Cases relating to the Effects of any Officer or Soldier in His Majesty's Service, and for the Military Secretary to the Government of the Presidency to which the deceased Officer or Soldier shall have belonged, in all cases relating to the Effects of any *European* Officer or Soldier in the Service of the said Company, to order that any such Effects or Proceeds of any such Effects shall be remitted to any other Place where the same can be more conveniently paid over to the Person or Persons entitled thereto; and the Obedience to any such Orders by any Agent or Person to whose Hands any such Effects shall come, shall be a sufficient Discharge to such Agent or Person; and no such Agent or Person shall be liable to any Action or Suit by reason of any such Effects or Proceeds of Effects having been in his Hands, and thereafter transmitted under the Order of the Secretary at War or Military Secretary respectively in that Behalf.

Effects remitted to Agents, &c. not to be deemed Assets within the Province in which they reside, so as to render Administration necessary, &c.

Place of Remittance may be changed to suit the Persons entitled to the Effects.

III. And be it further enacted, That it shall be lawful for the Secretary at War, in the Case of any Officer or Soldier in His Majesty's Service, and for the Military Secretary to the Government of the Presidency to which the deceased Officer or Soldier shall have belonged, in the Case of any *European* Officer or Soldier in the Service of the said Company, to order or direct the Payment of any Charges or Expenses attending or relating to the Illness or Funeral of any such Officer or Soldier, out of any such Effects or Proceeds of Effects, or out of any Arrears of Pay or Half Pay, and that such Charges

Surplus only after Payment of Funeral Expences and Debts, &c., to be deemed the Personal Estate of the Deceased.

and Expences, together with all Regimental Debts and Military Payments which may be allowed under the Provisions of any Act or Acts of Parliament, or Articles of War made in pursuance thereof, shall be made out of such Effects or Proceeds of Effects, or Arrears of Pay or Half Pay, and the Surplus only, after such payment, shall be deemed the Personal Estate of the Deceased.

Regimental Officers will, hereafter, be held strictly responsible for proceeding, according to the provisions of the abovementioned Acts of Parliament and Articles of War, to secure, upon the death of any European Officer or Soldier, his Effects then in Camp or Garrison, and to appropriate the same under the directions of the Military Secretary to Government: liquidating Funeral expences and Regimental Debts, in the first instance; and afterwards, paying the Surplus, if any, to the person entitled thereto.

In furtherance of the evident intent of the Provisions of the above recited Acts, and in order to save all needless expence to the Estates of deceased Officers and Soldiers, the Right Honorable the Governor in Council hereby directs that the Military Secretary to Government shall, in no case whatsoever, require or authorize the Registrar of the Supreme Court to administer to the Estate of deceased Officers and Soldiers, except when the supplies of the proceeds of Effects, after payment of Regimental Debts, may exceed Two hundred Sicca Rupees.

It will be the special duty of Officers in Command of Corps, to see and provide that the Officers in Command under them strictly and perfectly perform the duties enjoined by the XVI Section of the Articles of War: and that a Regimental Register is duly kept of the proceeds of the Effects of deceased European Officers and Soldiers, exhibiting an account of all Receipts and Payments, and notifying the appropriation of the surplus, if any, after payment of Regimental Debts.

The Committees are also enjoined to make separate Proceedings for *each Corps, Detachment and Department*, and particularly observing the following points.

G. O. C. C. 3d Nov. 1821.
G. O. G. 26th July 1822.

It should be distinctly stated in the Column headed "*Why Recommended*" against the name of each Individual recommended to be transferred to the *Veteran* Establishment, that he is "*Unfit for Field, but fit for Garrison duty*," and in the case of every Individual recommended to be *Pensioned* that he is "*Unfit for any duty*," and how he became so; and the same as the case may be, respecting Men recommended to be discharged. It is not enough, that disease or injuries should be stated, leaving to be inferred, the *fitness* or *unfitness* of the subjects. It is also of great importance that Attestations of Commanding Officers of Corps to Character, be in no case omitted—cases not entitled under the Regulations, should be sparingly recommended by Committees and *the ground of every special recommendation distinctly stated.*

The practice adopted by General Committees, of retaining their Proceedings till the whole of the Individuals to be brought before them, have been examined, is to be discontinued, and the Commander in Chief directs that General Committees to transmit to Army Head Quarters, through the prescribed channel, their Proceedings by Corps, and Detachments, as soon as possible after the examination of the Men belonging to them is completed.

Officers Commanding Divisions and Forces in which General Committees assemble are requested to dissolve them, as soon as their Proceedings are closed, and they have examined and ascertained, that they are prepared in strict conformity to the orders upon the subject, and the President and Members ordered to return to their duty.

His Excellency the Commander in Chief calls the *particular attention* of Officers Commanding Divisions and Forces to the General Order by Government, dated 1st June 1827, relative to European Soldiers recommended to be Discharged from the Service by Invaliding &c. Committees.

Finding.—The Court having most maturely weighed and considered the whole of the Evidence brought forward in support of the Prosecution, as well as what the Prisoner Kistnamah, Lance Naigue of the H Company of the Fifteenth Regiment of Native Infantry, hath urged in his defence, and the Evidence in support thereof, is of opinion,

That with regard to the First Instance of the Charge, the Prisoner is guilty of striking Jemadar Chinnoo, of the Fifteenth Regiment of Native Infantry, his Superior Officer, with a large Brick or Stone, when in the lines of the Detachment: but, that it is not proved, that he did so designedly. The Court acquits the Prisoner of the remaining part of this Instance.

That with regard to the Second Instance of the Charge, the Prisoner is guilty of threatening to Slipper the said Jemadar, when in the public street. The Court acquits the Prisoner of the remaining part of this Instance.

That with regard to the Third Instance of the Charge, the Prisoner is not guilty, and the Court acquits him thereof.

The Court is of opinion, that the Prisoner is guilty of conduct highly insubordinate and in breach of the Articles of War, but not Mutinous, in the Instances above stated; and it doth Sentence him, the said Kistnamah, Lance Naigue of the H Company of the Fifteenth Regiment of Native Infantry, to be reduced to the Rank of Private, and to receive a Corporal Punishment of Five Hundred Lashes on his bare back, in the usual manner, at such time and place, as His Excellency the Commander in Chief may be pleased to direct.

Approved and Confirmed, but the Sentence remitted.

(Signed) G. T. WALKER, Lieut. General,
and Commander in Chief.

Remarks by His Excellency The Commander in Chief.

The minor degree of guilt attached to the Prisoner by the Finding of the Court, admits of the greatest palliation, considering that the threat, was elicited by abuse, addressed to him by the Jemadar, of a nature so gross, unjustifiable and disreputable, as to degrade the Officer infinitely below the level of the Private, with whom he was disputing.

Under the circumstances of the case, and in consideration of the Recommendation very properly made by the Court, The Commander in Chief remits the Punishment awarded; and Lance Naigue Kistnamah is to be released and to return to his duty.

The conduct of the Prisoner being altogether unconnected with public duty, and exclusively originating in a Family Broil, was evidently not a matter for Investigation by a Court Martial; and had proper inquiry been made by the Commanding Officer of the Corps, previous to preferring the Charge, much inconvenience would have been saved to the Public Service.

The Commander in Chief takes this opportunity of commenting upon those habits of low scurrility and disgraceful language, which too many of the Native Officers of this Army appear to indulge in;

forgetting that they have been raised to a Situation, which calls for respectability of character and conduct, no less in private life than on public duty, and that the Soldier is not likely to afford respectful and becoming obedience on Parade to that Officer, with whom at home he has just been interchanging the low familiarities of a fellow-Private, or the vulgar abuse of the lowest ranks of Society.

This Order is to be read and explained at the head of every Native Regiment in the Service; and the Native Officers informed, that any one of them who may hereafter employ abusive language, or enter into personal disputes of the disgraceful nature above alluded to, will inevitably be brought to Trial for conduct unbecoming the character of a Commissioned Officer.

(Signed) G. T. WALKER, Lieut. General,
and Commander in Chief.

The Native General Court Martial directed to assemble at Quilon, in General Orders of the 31st Ultimo, and of which Subadar Mahomed Esoof of the 20th Regiment Native Infantry, is President, is dissolved.

The following Extracts from the Confirmed Proceedings of a Native General Court Martial, holden at Kamptee on Friday the 6th day of June 1828, by order of Lieutenant Colonel Charles Farran, Commanding the Nagpoor Subsidiary Force, by virtue of a Warrant of Authority vested in him by His Excellency Lieutenant General Sir George Townshend Walker, G. C. B. and K. C. T. S. Commander in Chief, are published to the Army.

Veerasamy, Artificer attached to the Ordnance Department, Nagpoor Subsidiary Force, confined by order of the Officer Commanding Nagpoor Subsidiary Force, on the following Charge.

Charge.—For Manslaughter, in having at Seetabuldee on the night of the 24th May 1828, struck Veeragoo, a Sepoy in the Rifle Corps, a violent blow on the head, which occasioned the death of the said Sepoy Veeragoo, on the morning of the 27th May 1828.

The Court having most maturely weighed and considered the whole of the Evidence brought forward in support of the Prosecution, as well as what the Prisoner Veerasamy, Artificer attached to the Ordnance Department, Nagpoor Subsidiary Force, hath urged in his defence, and the Evidence in support thereof, is of opinion.

Finding on the Charge.—That the Prisoner is "guilty" of the Charge.

Sentence.—The Court having found the Prisoner "guilty" of the Charge, doth sentence him the said Veerasamy, Artificer attached to the Ordnance Department, Nagpoor Subsidiary Force, to be Imprisoned and kept at hard labour for the period of two (2) years, from such time and at such place, as His Excellency the Commander in Chief may be pleased to direct.

Approved and Confirmed, but as there does not appear to have been the slightest malice in this unfortunate case, and there is therefore so much probability of truth in the defence made by the Prisoner, the Commander in Chief is pleased to confine the effect of the sentence, to one month's imprisonment.

(Signed) G. T. WALKER, Lieut. General,
and Commander in Chief.

The Officer Commanding the Nagpoor Subsidiary Force, will be pleased to carry the above Sentence into execution.

GENERAL ORDERS,

BY HIS EXCELLENCY THE COMMANDER IN CHIEF.

HEAD QUARTERS: CHOULTRY PLAIN,

1st JULY, 1828.

The Commander in Chief, with a view of correcting an evil that prevails to a great extent in almost every Regiment in the Service, viz. of Officers Commanding Troops, and Companies permitting the interposition of Subordinate Agents between themselves and their Men, is pleased to direct the following system to be adopted in every Regiment of Light Cavalry, Brigade of Horse Artillery, Battalion of Artillery, Regiment of European and Native Infantry, and Corps of Pioneers belonging to the Establishment of Fort St. George, for the better Interior Discipline and Economy of Troops and Companies, and further that the Regulations now framed shall be entered into the "Standing Orders" of each Corps respectively.

The Records to be kept in each Troop or Company are to be as follows, viz.

A Register of all Ranks, corresponding in every particular with the General Regimental Register, and comprising a Register of Heirs to private property.

A Morning Report Book, with ample space in the Column for Remarks.

Monthly Returns are to be entered in the same Book in due succession.

A Book of Muster Rolls, Abstracts of Pay, Batta and Contingent Bills and Acquittance Roll in regular succession.

In the same Book is to be entered on the 1st day of January of each year, a Roll of all Ranks entitled to Clothing for the preceding year, on the issue of which or compensation in lieu thereof, is to be signed by each Individual, and thereby becoming an Acquittance.

A Book of all Stoppages made on account of Necessaries and Equipments of every description.

A Book divided into three parts, containing Liberty Rolls, Casualty Rolls, and Register of Courts Martial.

A Book of Target Practice.

1st. There shall be no Record kept in any Troop or Company except such as are ordered by the Regulations of the Service, to be in possession of the Officer at the head of it, to which will be added a Book of all Stoppages made on account of Necessaries and Equipments of every description, exhibiting the receipts and deliveries from, and on account of *each* Non-Commissioned, Drummer, Rank and File, in a separate, clear, and distinct manner.

2d. In preparing Accounts, Reports, Returns, and Abstracts, the Officer at the head of a Troop or Company, in addition to the verbal reports which he receives from the Staff of the Troop or Company, may avail himself of any Memoranda which may have been prepared by his Orderly Serjeant or Havildar; but these Memoranda are solely for present use, and are to have no retrospective value.

In the event of a Troop or Company being temporarily deprived of its European Officers, the Adjutant of the Corps is to be charged with the duties of keeping up the Records of the Troop or Company during the absence of its Officers on General or other duty or when by indisposition they may be incapacitated from doing so themselves.

3d. The Regulations of the Service direct, that every Officer at the head of a Troop or Company, shall receive its Pay from the Regimental Paymaster, and disburse it *himself*—the Agency therefore, of any other person interposed between him and his Men, in the discharge of this duty, is strictly prohibited; and the Acquittance Roll being prepared previous to the issue of Pay, will be signed for each individual on receiving the balance due to him, after authorized deductions.

4th. The Commanding Officer of each Troop or Company, will send to the Adjutant of the Regiment every day by — o'clock, A. M. the prescribed Morning Report, which is to exhibit in the Column of Remarks every occurrence which may have taken place in it since last Report; as the Troop or Company No. Rank and Names of all Men who have proceeded on Command, obtained Leave, Admitted or Discharged the Hospital, or become Casualties either Effective, or Non-Effective—From these Reports and Memoranda of daily occurrences, the Officer will be enabled to prepare at pleasure correct Muster Rolls, Monthly Returns, Abstracts of Pay and Allowances, and Batta, or other Bills. He will besides, make all Reports and Returns himself to the Adjutant, Quarter Master, and Pay Master, who are on their part, to communicate *only* with the Commanding Officer of the Company.

5th. As Officers of Companies are to pay their Men and Adjust all their accounts themselves, they will in like manner procure all Necessaries and Equipments provided by Stoppage from the Sepoy's Pay.—The Quarter Master, however, under the authority of the Commanding Officer obtaining and furnishing supplies generally, but then he will deliver them to the Troop or Company Officer, who will distribute the Necessaries or Equipments and arrange the details of the transaction by a Dr. and Cr. Account with the Quarter Master and Soldier.

6th. In the foregoing duties, the Officer will be aided by the Staff of the Troop or Company, viz. one Orderly Serjeant or Havildar, and one Orderly Corporal or Naigue, who are to be present with and available for all duties of the Troop or Company, and not to be detached or put on General Duty during their Orderly tour.

7th. The Orderly Serjeant or Havildar will assist the Officer in making out his Morning Report, detailing the Men for Duty, Command, &c. but no man with the denomination of "Writer," "Writer Major," "Pattern Man," "Fugle Man," Pay Serjeant or Kote Havildar, shall be allowed, neither shall any standing Orderlies be permitted, but every individual perform the duty for which he may be detailed daily, weekly or monthly, as the case be.

If, however, the Orderly Serjeant or Havildar is unable to write, he may employ a man to prepare a Memorandum, but this man is on no account to be excused from any duty, nor is he to have any authority in the Troop or Company.

The Sum hitherto drawn under the head of "Pay Serjeant's or Havildar's Allowance" will enable the Orderly Serjeant or Havildar for the time being, to meet the expense of Stationary and a Writer to make out his Memoranda, should any such person be necessary.

The Orderly Serjeant or Havildar is to collect all Reports of the Troop or Company and deliver them to his Officer. He must attend daily at the Adjutant's Quarters for orders and report to his Officers as usual; he will detail and parade all men for duty unless the Officer does it himself, which he is recommended frequently to do, as a wholesome check, and to make himself known to those he Commands.

The Orderly Serjeant or Havildar will act as Coverer on Parade, and perform all other duties required of him and which are detailed in the Standing Orders of Regiments under the head of "Pay Serjeant or Havildar."

8th. The Orderly Corporal or Naigue is to assist the Orderly Serjeant or Havildar, and his duties are fully detailed in the Standing Orders of Regiments.

9th. The Orderly Serjeant or Havildar, and Orderly Corporal or Naigue are to be relieved on the 15th of each Month, or Twenty-four hours after the issue of Pay; and Officers Commanding Troops and Companies will notify to the Adjutant in writing, the names of the Men who are to act in those capacities for the ensuing Month, that their names may be published in Regimental Orders.

10th. Every Serjeant or Havildar, Corporal, Naigue or Confidential in the Troop or Company is to take his tour of the above duties in regular rotation; and Officers Commanding Troops and Companies in sending to the Adjutant the names of the Orderly Serjeant, Havildar, Corporal, Naigue or Confidential who are coming on duty, will at the same time report the degree of intelligence and activity, or otherwise evinced by those who have been relieved.

11th. The examination of Troop and Company Books by Officers Commanding Regiments is to take place monthly, and immediately after the issue of Pay.

12th. The foregoing System is to be adopted on the 15th day of the month subsequent to the receipt of this General Order at Regimental Head Quarters, and the Commander in Chief expects that at the expiration of two months from its commencement every part of the instructions which have been here detailed, will be fully acted up to, and implicitly observed by all Officers concerned.

13th. Officers Commanding Divisions, Forces, Districts, Garrisons and Cantonments are requested to ascertain that the Provisions of the foregoing Order are carried into effect by each Regiment and Detachment serving under their Command. The Commandant of Artillery will in like manner ascertain that the system now ordered to be adopted is carried into full effect as it regards that branch of the Service, as the Commander in Chief considers its adoption of equal interest to the European portion of the Honorable Company's Service on this Establishment, as to the Native Army.

Form of Acquittance Roll to be observed in the 2d Brigade of Horse Artillery, Regiments of Light Cavalry and of Native Infantry Corps of Pioneers, and of Golundauze, and Gun Lascars attached to the several Battalions of Artillery.

G. O. BY GOVERNMENT.

The following Extracts from Letters from the Honorable the Court of Directors, under dates the 16th January, and 6th, 13th and 29th of February last, are published in General Orders.

Letter dated 16th January, 1828.

8. "In a late Military Dispatch to Bombay, we have approved and sanctioned a proposition made by that Government for granting an allowance of thirty Rupees a Month, for six months to every Officer who shall pass an examination in one Language, and of the same sum for twelve months to every Officer who shall pass an examination in two Languages at that Presidency, and we now authorize you to make a similar allowance to each Officer of your Establishment, who shall distinguish himself in a similar manner.

47. "We have permitted Captain Thomas R. C. Mantell of your Establishment to return to his duty in March next.

48. "We have appointed Mr. Thomas Fair now abroad a Cadet of Infantry on your Establishment, provided he is not the Son of Parents of whom either one or both are of pure unmixed Native extraction, and that he is not under sixteen or above twenty-two years of age, or exceptionable in any other respect; upon your being satisfied as to the above particulars we direct you to admit him a Cadet of Infantry, and administer to him the usual Oath of fidelity to the Company.

49. His order of Rank will be forwarded to you at an early opportunity.

50. "We have appointed Mr. Charles James Elphinstone, now abroad a Cadet of Infantry upon your Establishment, provided he is not the Son of Parents of whom either one or both are of pure unmixed Native extraction, and that he is not under sixteen or above twenty-two years of age, or exceptionable in any other respect; upon your being satisfied as to the above particulars we direct you to admit him a Cadet of Infantry, and administer to him the usual Oath of fidelity to the Company.

4. "In our Letter in this Department under date the 13th September 1820—We had occasion to call your attention to the inconvenience experienced here from the Widows of Officers admitted to Lord Clive's Fund in India, not being furnished with Certificates from the Presidency Paymaster, shewing the dates up to which they had been paid prior to their leaving that Country.

5. "And we have now to advert to the practice of permitting Widows admitted at your Presidency, but who may not have drawn any Pension, to proceed to this Country, without being furnished with any Certificate in proof of the latter fact; on their application for admission here, the Paymaster of the Fund, has not any authority beyond the Statement of the Parties to guide him as to the dates from which payment should be made.

6. We therefore direct that every Person admitted by you to the benefit of the Fund, shall in the event of their not receiving any Pension prior to their quitting India, be furnished with a Certificate from the Paymaster to that effect, and should any Pension have been received, a Certificate stating the date up to which payment has been made, and that you will notify in General Orders, that, unless such Certificates be produced, no person will be received on the Fund in this Country.

7. "We have permitted Assistant Surgeon J. R. Gibb, to return to his duty on your Establishment.

C. B. and K. C. T. S. Commander in Chief, are published to the Army.

Alfred Eugenius Philolethes Limming, Sub-Conductor of the Ordnance Department, placed in confinement by order of Lieutenant Colonel Archibald Campbell, Commanding the Hyderabad Subsidiary Force, on the following Charges.

Charges: 1*st.*—For having while marching in charge of Public Stores from Secunderabad to Jaulnah, at the Village of Puttencherroo, on or about the 9th of December 1827, received the Sum of Seventy Hyderabad Rupees, or thereabouts from Tautiah, Bullock Maistry as a Bribe.

3*d*.—For having abused his authority by causing Baupiah and Lingadoo, Camp Followers, to be beaten in his presence in the vicinity of the Village of Rohina, on or about the 14th January 1828.

HEAD QUARTERS:
HYDERABAD SUBSIDIARY FORCE,
SECUNDERABAD, 5*th May*, 1828.

By Order.
(Signed) A. WALKER,
A. A. General.

The Court having most maturely reconsidered the whole of the Evidence brought forward in support of the Prosecution, as well as what the Prisoner Alfred Eugenius Philolethes Limming, Sub-Conductor, hath urged in his defence, and the Evidence in support thereof, is of opinion.

Finding on the First Charge.—That the Prisoner is guilty of having while marching in charge of Public Stores from Secunderabad to Jaulnah, at the Village of Puttencheroo, on or about the 9th of December 1827, improperly received the sum of Seventy Hyderabad Rupees from Tautiah, Bullock Maistry, but the Court acquits him of taking that sum as a Bribe for want of Evidence.

Finding on the Second Charge.—That the Prisoner is guilty of the Second Charge.

Finding on the Third Charge.—That the Prisoner is guilty of the Third Charge, with the exception of that part of it, in which he is accused of having caused Baupiah, Camp Follower, to be beaten in his presence, of which it acquits him.

Sentence.—The Court having found the Prisoner guilty to the extent above stated, which being to the prejudice of good order and Military Dicipline, and in breach of the Articles of War, it doth Sentence him the said Alfred Eugenius Philolethes Limming, Sub-Conductor of the Ordnance Department, to be dismissed from the Situation of Sub-Conductor, and to be reduced to the rank and pay of a Gunner of Artillery; and to be put under Stoppages, not exceeding the half of his pay and allowances until the sum of Seventy Hyderabad Rupees be recovered from him; the which sum to be placed at the disposal of His Excellency the Commander in Chief.

(Signed) A. MACARTHUR, Captain
Dep. Judge Advocate General.

(Signed) T. H. SMITH, Lieut. Col.
7th Regiment N. I. and
President.

Approved and Confirmed, the Stoppages as recovered to be paid over to the Commissariat Officer at Secunderabad, on account of Government.

(Signed) G. T. WALKER, Lieutenant General,
and Commander in Chief.

Remarks by the Commander in Chief.

The ends of Justice having been answered by the Sentence passed upon Sub-Conductor Limming, the Commander in Chief has confirmed it; but he cannot but comment upon the unadvised perseverance with which the Court has, *upon revision*, continued to acquit the Prisoner, for want of Evidence of taking the Money as a Bribe: whereas, there is ample proof on the Prosecution, that a sum of Money (repeatedly rejected by the Prisoner, as insufficient, and gradually made up by a collection amongst the Bullock people to Seventy Rupees) was received by him as an inducement to keep back a complaint, held out as a threat against the Bullock Maistry, and to "prevent long Marches" while on the Defence there is not an attempt even to controvert the Evidence adduced on the Prosecution. It is difficult to conceive that any Court, upon mature reflection, should believe Money offered for such purposes to be other than a Bribe. The proof of Bribery must always in one sense, be *circumstantial*, as neither the Offerer or the Receiver of a Bribe would be likely to designate it by the direct name; and if the actual mention thereof is to be held by Courts Martial as the requisite proof of guilt, such offenders will in most instances escape with impunity.

The Court has apparently by inadvertence in the revised Sentence, directed the Prisoner to be "*dismissed*" (instead of "*reduced*," the word employed in the original Sentence) "from the situation of Sub-Conductor." This is of little import in the present case as the Prisoner is, by the conclusion of the Sentence, reduced to the Rank and Pay of a Gunner; but the Commander in Chief takes this occasion to point out that, although General Courts Martial have authority to dismiss from the Service, they have not authority to dismiss from any Situation or Appointment whatsoever.

(Signed) G. T. WALKER, Lieutenant General,
and Commander in Chief.

The Officer Commanding the Hyderabad Subsidiary Force will be pleased to order Gunner Limming, to join the 2d Battalion of Artillery, at Secunderabad.

28TH JULY, 1828.

The following Extracts from the Proceedings of an European General Court Martial, holden at Fort St. George, on Thursday the 24th July 1828, by virtue of a Warrant from His Excellency Lieutenant General Sir George Townshend Walker, G. C. B. and K. C. T. S. Commander in Chief, are published to the Army.

Major William Milne, of the 37th Regiment of Native Infantry, placed in arrest by order of the Commander in Chief, upon the complaint of Surgeon Richard Prince, of the 36th Regiment of Native Infantry.

Charge.—For scandalous and infamous behaviour such as is unbecoming the character of an Officer and a Gentleman in the following instances.

First Instance.—In having at Sea on board the Ship *Providence* at the Cuddy Table, on the evening of the 19th of June 1828, used such gross and abusive language to the Cuddy Servants, as to drive from the Table Mrs. Sarah Prince, who was sitting next to him at the time and the other Passengers then and there present.

Second Instance.—In having at Sea on board the Ship *Providence* at the Cuddy Table, on the evening of the 20th of June 1828, without any provocation grossly abused and insulted the said Surgeon Prince.

The above being in breach of the Articles of War.

By Order,

FORT ST. GEORGE, 22d *July*, 1828. } (Signed) T. H. S. CONWAY, *Adjutant General of the Army.*

The Court having most maturely weighed and considered the whole of the Evidence brought forward in support of the Prosecution, as well as what the Prisoner Major William Milne, hath urged in his defence, and the Evidence in support thereof, is of opinion.

Finding on the First Instance of the Charge.—Guilty with the exception of the words "who was sitting next to him at the time" of which it acquits him.

Finding on the Second Instance of the Charge.—Guilty with the exception of the words "without any provocation" of which it acquits him.

The Court is further of opinion that the Prisoner's conduct is not liable to the imputation of being "scandalous and infamous" on either instance of the Charge.

Sentence.—The Court having found the Prisoner guilty to the extent above stated, which being conduct highly intemperate and unwarrantable, and in breach of the Articles of War, doth Sentence him the said Major William Milne, of the Thirty-seventh Regiment of Native Infantry, to be suspended from Rank and Pay, for the space of Six Calendar Months, from such time as His Excellency The Commander in Chief may please to direct.

(Signed) R. L. HIGHMOOR, Captain, Deputy Judge Advocate General.

(Signed) H. FRASER, Colonel, 2d European Regiment, President.

(Disapproved.)

(Signed) G. T. WALKER, Lieut. General, *and Commander in Chief.*

The transaction between Major Milne and Surgeon Prince, whereon the Charge in the present Trial was grounded, being altogether of a personal nature, and having occurred while they were Passengers on board a private Ship, and in a matter totally disconnected with good order and Military discipline; Major Milnes conduct therein can only be subject to the cognizance of a Military Tribunal, in as much as it may be held to be within the Provisions of the 26th Article of the XIV Section of the Articles of War. The Commander in Chief, therefore, must consider the Finding of the Court to be a virtual Acquittal; and Major Milne is, consequently, released from arrest and will return to his duty.

The Commander in Chief trusts that Major Milne will be deterred by the risque he has run from indulging in such coarse and degrading language in future.

(Signed) G. T. WALKER, Lieut. General, *and Commander in Chief.*

The General Court Martial assembled in Fort St. George, of which Colonel Hugh Fraser, is President, is dissolved.

The Committee directed to assemble at the Lines of the Cavalry Details, encamped near the Race Stand in General Orders of the 1st Instant, of which Lieutenant Colonel Foulis, Commanding the 5th Regiment Light Cavalry, is President, is dissolved.

Store Serjeant James Powell, attached to the Arsenal at Fort St. George, is posted to Jaulnah.

Gunner Richard Harman is transferred from the 3d Battalion Artillery, and appointed a Serjeant Instructor in the Corps of Carnatic Ordnance Artificers, from the 3d May 1828, vice Doyle discharged.

GENERAL ORDERS,

HEAD QUARTERS: CHOULTRY PLAIN,

31st July, 1828.

The Right Honorable the Governor in Council having addressed the subjoined Orders to His Excellency the Commander in Chief, to be published to the Army, they are accordingly published in Military Orders.

No. 156.

FORT ST. GEORGE, 22d July, 1828.

G. O. BY GOVERNMENT.

The Right Honorable the Governor in Council is pleased to publish in General Orders, the following Report of a Committee appointed to ascertain the proficiency of Lieutenant Prior of the 23d Regiment Light Infantry, in the Persian Language.

To the Secretary to Government,
Military Department.

Sir,

We have the honor to report for the information of the Right Honorable the Governor in Council, that, in conformity with the instructions conveyed in your Letter of the 4th Instant, we have examined Lieutenant Prior of the 23d Regiment Light Infantry, with regard to his proficiency in the Persian Language.

We confess that we have never been so completely at a loss in giving a decided report, as in the present instance; for, whilst some parts of Lieutenant Prior's exercises were rich in embellishments of no ordinary description, there were occasional errors which could scarcely have been expected from even an indifferent Scholar. In the same extraordinary irregularity of talent, the more difficult task of translating from English into Persian was executed with particular ability, whilst the comparatively easy undertaking of rendering from Persian into English was not free from error. The hand-writing was beautiful, but in the Orthography there were a few failures. In conversation a considerable fluency and command of Language was apparent, but the pronunciation was far from perfect. The explanation of difficult passages was given with readiness, whilst much hesitation was evinced in reading and interpreting a common Urzee. On the whole, our opinion is, that a very short period of additional study and attention to remedying his present defects will render Lieutenant Prior a very accomplished Persian Scholar. The foundation of his acquirements is solid, but the superstructure is not yet complete. We however consider him well entitled to the small remuneration, published in the G. O. by Government of the 1st July last.

Fort St. George, 19*th July*, 1828.

GENERAL ORDERS,

HEAD QUARTERS: CHOULTRY PLAIN,

23D AUGUST, 1828.

The Right Honorable the Governor in Council having addressed the subjoined Orders to His Excellency the Commander in Chief, to be published to the Army, they are accordingly published in Military Orders.

No. 171.

FORT ST GEORGE, 12TH AUGUST, 1828.

G. O. BY GOVERNMENT.

The following Extracts from Letters from the Honorable the Court of Directors under dates the 16th and 25th January and 6th February last, are published in General Orders.

Letter dated 16th January 1828.

43. Having observed that some of our Officers, who have been employed in the Surveying Department, have sent Copies of their Surveys to Europe for publication on private behalf, we desire that you will issue Orders to prohibit such a practice in future.

44. All Surveys made at the public expense are public property, and we direct that no Copies of any Surveys so made be delivered to any persons except those appointed by Government to receive them.

Letter dated 25th January 1828.

7. We have on various occasions received applications from Officers in His Majesty's Service claiming to receive the amount of their passage Money after their arrival in India.

8. As the circumstances which entitle some of His Majesty's Officers to a free passage are only known to Military authorities at the Office at the Horse Guards Whitehall, we direct that all Officers making applications of this nature, be desired to forward them direct from India to the Military Secretary of the Commander in Chief at that Office for consideration, the transmitting them to us in the first instance being productive only of delay.

Letter dated 6th February 1828.

6. We now desire it to be distinctly understood that when, from inability to secure conveyance for Invalids on a Ship to which a Surgeon is attached, you require the services of a Medical Officer who may be returning to England, during the voyage, no claim to Indian Allowances shall arise out of that employment—Under the authority already communicated to you, Medical Officers so employed, are to be granted the passage Money of their Rank, and they receive from us an allowance for each person under their care who may be landed in England. We consider these advantages to furnish an ample compensation for the duties performed in such cases, and we desire that they be never exceeded.

By order of the Right Honorable the Governor in Council.

(Signed) H. CHAMIER,

Secretary to Government.

C. B. and K. C. T. S. Commander in Chief, are published to the Army.

Lieutenant William Henry Clifford, of the First Regiment of Light Cavalry, placed in arrest by order of the Commander in Chief.

First Charge.—For scandalous and infamous behaviour, such as is unbecoming the character of an Officer and a Gentleman, in having, at Arcot, on the evening of the fourth of July 1828, at the Mess Table of the Third Regiment Light Cavalry, struck Lieutenant Bulstrode Whitlocke Cumberlege, of the Seventh Regiment of Light Cavalry, Cantonment Adjutant of Arcot.

Second Charge.—For having, at the same time and place, challenged the said Lieutenant Cumberlege to fight a Duel.

The above being in breach of the Articles of War.

(Signed) T. H. S. CONWAY,

(Signed) J. BRODIE, Lieut. Colonel,
9th Regt. President.

Remarks by the Commander in Chief.

It is with the deepest regret that the Commander in Chief feels that it is his imperative duty to decline complying with the recommendation of the Court appended to the Sentence passed upon Lieutenant Clifford. No provocation whatsoever can ever be admitted as an excuse for an Officer who degrades himself and the Service by striking a Brother Officer—Nor can the Individual who has once so disgraced himself ever again become the fit associate for Officers and Gentlemen.

HEAD QUARTERS, *August* 13, 1828.

(Signed) G. T. WALKER, Lieut. General,
and Commander in Chief.

Mr. Clifford is struck off the strength of the Army from this date, and placed under the orders of the Town Major of Fort St. George.

Lieutenant Bulstrode Whitlocke Cumberlege of the Seventh Regiment of Light Cavalry, Cantonment Adjutant of Arcot, placed in arrest by order of the Commander in Chief.

provoked and entered into a personal altercation with Lieutenant William Henry Clifford of the First Regiment of Light Cavalry, during which blows were exchanged.

The above being in breach of the Articles of War.

HEAD QUARTERS : CHOULTRY PLAIN, 29th July, 1828.

(Signed) T. H. S. CONWAY, *Adjutant General of the Army.*

The Court having most maturely weighed and considered the whole of the Evidence brought forward in support of the Prosecution, as well as what the Prisoner, Lieutenant Bulstrode Whitlocke Cumberlege, hath urged in his defence, and the Evidence in support thereof, is of opinion.

Finding.—That he is guilty of the Charge preferred against him, with the exception of the words, "during which blows were exchanged," of which it acquits him.

Sentence.—The Court having found the Prisoner guilty, to the extent above stated, doth Sentence him, the said Lieutenant Bulstrode Whitlocke Cumberlege of the Seventh Regiment of Light Cavalry, Cantonment Adjutant of Arcot, to be reprimanded in such manner as His Excellency the Commander in Chief may please to direct.

MADRAS, *August 16th*, 1828.

(Signed) G. T. WALKER, Lieut. General, *and Commander in Chief.*

Called upon as I am by the decision of the Court to reprimand Lieutenant Cumberlege, I ought, perhaps, in consideration of all the unfortunate consequences entailed by his conduct, to express myself in strong terms of severity, but if this Officer possesses the proper feeling which I trust he does, and recollects that by the gross and insulting expressions he made use of, in return for an enquiry provoked by himself, he has been the cause and occasion of blotting from the list of the Service and of blighting for ever the prospects of another who but a short time since sat his Companion at the festal board, and was his equal in the career of Military Glory; if he reflects upon all this *as he ought*, I may well spare him any further reprimand.

(Signed) G. T. WALKER, Lieut. General, *and Commander in Chief.*

G. O. BY GOVERNMENT.

The Right Honorable the Governor in Council is pleased to publish for the information of parties concerned the following G. O. by Government at Bombay.

BOMBAY CASTLE, *8th August*, 1828.

General Order by the Honorable the Governor in Council.

No. 217 of 1828.—The Honorable the Governor in Council is pleased to publish in General Orders the following Extract of a Despatch from the Honorable Court of Directors, dated the 27th of March 1827 ; together with His Majesty's Warrant for the distribution of the property captured at Kittoor.

Having made application in the usual form to the Lords Commissioners of His Majesty's Treasury, a Warrant has been issued by His Majesty [of which a copy is enclosed] granting the Booty taken at Kittoor to the East India Company upon trust, to retain one Moiety for their own use, and to distribute the other Moiety among the Captors agreeably to the usage of the Army in India.

3. In accordance with the disposition we have ever entertained to reward the zealous exertions of our Troops we have resolved to grant to the Captors the Moiety of the Booty placed at our disposal.

4. The Lords of the Treasury having referred for our consideration a Memorial of Lieutenant General Sir Charles Colville soliciting to be admitted to share in this Booty as Commander in Chief, we have adverted to the usage of the Army in India, in cases where the Commander in Chief has not taken the Field ; and we are of opinion, that the claim of Sir Charles Colville is inadmissible.

5. We have notified this decision to the Lords of the Treasury, and three months having elapsed since the date of our notification, and their Lordships having issued no order on the occasion, our decision is final.

2d June 1825 (35)
19th September (75)
15th November (15 and 16)
17th February 1826 (89)
The following are the Claims alluded to in the abovementioned Dispatches, viz.—
Claim by Lieutenant Colonel Kennedy, C. B. in behalf of himself and the Detachment under his Command.
Do. by the 6th and 7th Madras Light Cavalry,
Do. by Detachments of 4th Madras Light Cavalry and of the 1st Bombay European Regiment at Belgaum and Vingorla.

6. The several disputed claims which you have submitted with your letters of the dates noted in the Margin, have been deemed by us to be inadmissible. Our decision to this effect has been notified to the Lords Commissioners of His Majesty's Treasury under the provisions of the grant, and we have been informed in reply that it does not appear necessary that their Lordships should give any directions thereon.

7. A Claim to participate has been preferred to us on behalf of the Estate of the late Captain Black of the Madras Horse Artillery who was slain in the first attempt to secure the Fort at Kittoor, and the Treasure contained in it. This claim is preferred on the ground that the proceeding of Captain Black's Detachment, and those of the Forces under Colonel Deacon, were of a continuous nature, for the accomplishment of the same object; and as we presume it to be consistent with Indian usage to include, in the distribution of Prize resulting from the Capture of a Fortified place, an Individual who may have been slain in the operations against that place, we have decided that Captain Black's Estate shall be included in the distribution. The Officers and Men under his Command, will in like manner be admitted to participate.

8. You will take the necessary measures for distributing the Booty immediately on your receipt of this despatch.

9. Interest at the rate of five per cent. per annum is to be allowed on the amount of the Booty deposited in your Treasury from the date of the deposit to the date when the distribution is announced in General Orders.

10. Payments of shares are to be made by the Officers of Government as in the case of the Concan Booty.

GEORGE R.

George the Fourth, by the Grace of God of the United Kingdom of Great Britain and Ireland, King, Defender of the Faith. To all to whom these presents shall come greeting. Whereas the Commissioners of our Treasury have represented unto us that it had been made appear unto them by the report of our Procurator General that in the month of November in the year one thousand eight hundred and twenty four, the Governor in Council of Bombay with the concurrence of the Governor in Council of Fort William in Bengal, made War on the part of the United Company of Merchants of England trading to the East Indies against the Inhabitants of the Town and Fort of Kittoor in the Carnatic, in consequence of an Insurrection which had broken out there shortly after the death of the late Chieftain or Dessie of the State of Kittoor for the purpose of punishing the Ringleaders and restoring tranquillity at the said Fort, and that on the fourth of the month of December following after the Batteries erected against the said Fort of Kittoor had effected a practicable breach in the Fort, the principal of the Insurgent Chiefs surrendered themselves and their followers at discretion.—That considerable Booty consisting of Money and Jewels was found in the Fort on its capture by the Forces engaged consisting of certain of our Land Forces and the Land Forces raised and paid by the said United Company.

And whereas the Commissioners of our Treasury have further represented unto us that the said Booty does of right belong to us in virtue of our Royal Prerogative and that the said Booty should be given and granted in such manner as to us should seem meet and just; and whereas Application has been made to us on the part and behalf of the said United Company of Merchants of England trading to the East Indies and of the Captors, that we would be graciously pleased to grant the said Captured Booty or the Produce thereof to be distributed amongst them in such proportions as to us in our Royal Wisdom might seem meet, we taking the premises into our Royal consideration are graciously pleased to give and grant, and do hereby give and grant the said Captured Booty or the produce thereof unto the said United Company of Merchants of England trading to the East Indies or to such person or persons as they shall appoint to receive the same upon the trust and on the conditions following (that is to say) upon trust to retain and apply one Moiety thereof to the proper use of the said Company and as to the remaining or other Moiety thereof to distribute the same to and amongst our said Forces and the Forces of the said Company employed in the Capture of the said Town and Fort of Kittoor according to the usage of the Army in India and we are graciously pleased further to order and direct that in case any doubt shall arise respecting the claims to share in the distribution of the Moiety hereby granted to the Captors or respecting any demand upon the said Captured Booty the same shall be determined by the said United Company of Merchants of England trading to the East Indies, or by such person or persons to whom they shall refer the same, which determination thereupon made, shall with all convenient speed be notified in writing to the Commissioners of our Treasury and the same shall be final and conclusive to all intents and purposes unless within three Months after the receipt thereof at the Office of the Commissioners of our Treasury we shall be pleased otherwise to order, hereby reserving to ourselves to make such order therein as to us shall seem fit.—Given at our Court at Carlton the 14th day of October 1826, in the seventh year of our Reign.

By His Majesty's Command.

Doubts having arisen in respect to the authority which Civil Magistrates and other Civil Officers acting in a similar capacity are entitled, under the rules laid down in the Proceedings in this Department dated the 25th March 1825, to exercise in cases of emergency; the Right Honorable the Governor in Council deems it necessary to declare, that whenever Military aid is absolutely and immediately necessary for the maintenance or restoration of the public peace, such Magistrates and other Officers are at liberty to call upon any Officer Commanding a Military force adequate to the purpose for the necessary aid; and that it is the duty of the Military Officer to comply with such requisition, the responsibility of judging with regard to the necessity for making it resting with the Civil Officer. and Commander in Chief.

The Commander in Chief deems it necessary to advert to a declaration of the Prisoner on his

defence on this Trial so highly derogatory to the character of his Commanding Officer, that he thinks it but just, that, that Officer should have an opportunity of replying to it. This Man then accused, and now convicted on the clearest evidence of a base and deliberate attempt at Murder has the hardihood to state, "that it is a consolation to him that he had satisfied his Commanding Officer on the subject;" were it possible this could be true he no longer could be fit for a Commanding Officer, it is therefore imperative upon him to clear himself from such an aspersion without delay, when the Commander in Chief will be happy to give every publicity to his denial of so atrocious a calumny.

FORT ST. GEORGE, 17TH OCTOBER, 1828.

G. O. BY GOVERNMENT.

The Right Honorable the Governor in Council deems it expedient to publish, for the information of Officers of His Majesty's Service, serving under this Government, the following Extract of a General Letter from the Honorable the Court of Directors in the Military Department, under date the 14th May 1828.

Para. 2. "We have had repeated occasions to comment on the Resolutions of your Government, granting passage money to the Families of King's Officers, on their return to England, but we regret to find that our Instructions, on this point, have not been attended with their desired effect at your Presidency."

3. "The cases which have arisen divide themselves into two Classes.

1*st*. Widows and Orphans of Officers dying in India.

2*d*. Wives and Children of Officers returning to England."

4. "To provide for the conveyance to England of Widows and Orphans, who are left in destitute circumstances, a Fund was established in the year 1822, by Officers of His Majesty's Regiments serving in India; the principle and objects of this Fund have received our concurrence, and a Subscription of 6,000 Rupees a year has been authorized by us, towards its support."

Memorial of Mrs. ——— *and enclosure transmitted with Military Letter from Madras dated 25th January 1825, Para.* 37.

5. "From the Documents noted in the Margin, we find that this Fund has not been effectual, for all the cases which have arisen since its Establishment, in consequence of the adoption of a rule that, unless two thirds of the Officers of a Regiment subscribe, the whole Regiment shall be excluded from the benefits of the Fund."

6. "We hope that an opportunity will soon occur for revising this Rule, and we are very sorry that its necessity should ever have been suggested by the refusal of any large number of Officers to subscribe to this Humane Institution."

7. "The Officers in our Service, who have been appointed of late years, are all *required* to contribute to the support of the Institutions established for the relief of their Widows and Children; and we would hope that some rule which shall be equally effectual, for the support of this Fund, may be adopted by his Majesty's Officers."

8. "In the subscription we have made, we have done as much, if not more, in proportion for His Majesty's Officers as we have done for the Officers of the Company's Army, in our Subscriptions to their Funds; and, as we never provide for any Individual case of distress, which may arise on the part of the Widow or Children of an Officer of our Service, we must likewise decline to make any such separate provision, in any future case, for the Widow or Children of any Officer of His Majesty's Army."

9. "His Grace the Commander in Chief has observed on this subject, "that, if the Officers "of His Majesty's Army, will contribute, the Fund will be sufficient to remedy the inconveniences "which now exist, if, on the other hand, they decline to subscribe to it, it must be understood that they "are willing to rely, in the event of their death, upon charity for the removal of their Families to "England:" if, therefore, any Widows, or Orphans, of His Majesty's Officers be left destitute, it will be from the fault of their Husbands and Fathers."

10. "We therefore positively prohibit any further advance of Money on your part, to enable such Widows and Orphans to return to England.

2. "Wives and Children of Officers returning to England."

11. "We had contemplated the advantage of including these cases among the objects to be provided for by the Fund, but, on further consideration, we are of opinion that every Officer must be left to make his own arrangements, independent of any charitable Institution, or of the assistance of the state. The Funds to which we contribute, for the advantage of the Company's Officers, make no provision for such cases, and no allowance from the Government is ever granted to defray the private expenses of Officers on this account; we must therefore absolutely prohibit the grant of Passage Money to the Families of King's Officers returning to England."

By order of the Right Honorable the Governor in Council.

The Right Honorable the Governor in Council having addressed the subjoined Orders to His Excellency the Commander in Chief, to be published to the Army, they are accordingly published in Military Orders.

FORT ST. GEORGE, 18TH OCTOBER, 1828.

G. O. BY GOVERNMENT.

During the long period of forty-seven years, Subidar Major Mahomed Ghous has fulfilled the various duties assigned to him, with ardent zeal and perfect fidelity to the Company.

The first distinguished instance of his prompt and steady gallantry as a Soldier was in defending the person of Lord Cornwallis in the War of 1791; his firm attachment to the Government was conspicuous in the active part which he took in 1806; and he has since continued to perform all the duties of a gallant, obedient, and faithful Soldier.

These distinguished services obtained for him, as it was natural that they should obtain, the most gratifying testimonials to his courage and fidelity from the Officers under whom he served.

In consideration of those favorable testimonies, the Right Honorable the Governor General was pleased to bestow on him, in the name of the Honorable Company, a portion of Ground and a Palankeen, and to grant to his nearest Heir the amount of his Pay as a Pension for life, and, at a subsequent period, the Honorable the Governor in Council marked his further approbation of the meritorious conduct of Mahomed Ghous, by presenting him with a Sword and a Horse, with a Horse Allowance, and by pensioning him on the full Pay and Staff Allowance of a Subidar Major.

There remains to the Right Honorable the Governor in Council the agreeable duty of conferring upon Subidar Major Mahomed Ghous that further mark of Honor so gratifying to the feelings of a distinguished Mussulman, the privilege of using the Nobut in the Company's Territories, together with the honorary Symbols of that privilege and its appropriate Establishment.

This Honor is accordingly hereby granted to Subidar Major Mahomed Ghous, and he will henceforth be known by the Title inscribed upon his Nobut, Mahomed Ghous Khan Behauder Shumshire Jung.

The Right Honorable the Governor in Council has the gratification to feel that in doing this act of justice to Subidar Major Mahomed Ghous Khan Behauder Shumshire Jung, he gives to the whole of the Native Officers of the Company's Army an additional pledge of the Honorable Company's disposition to reward their distinguished Services in the Field, and their general good conduct in the manner most gratifying to their feelings.

MADRAS, *October 25th*, 1828.

(Signed) G. T. WALKER, Lieut. General, *and Commander in Chief.*

Messieurs T. Pender and M. R. Taynton are struck off the strength of the Army from this date, and placed under the orders of the Town Major of Fort St. George.

The conduct or rather misconduct of a large proportion of the Officers of the First European Regiment having of late been in so many instances brought within the view of the Commander in Chief, under circumstances most disgraceful to the credit and injurious to the discipline of the Corps, and no less than three of its Officers being now Cashiered by sentence of one Court Martial—The Commander in Chief feels that he should be wanting to the Service, that he should be forgetful of the future prospects of the remaining Individuals of this Corps, if he did not take some step to break up the Nucleus of mischief yet within it. It is therefore his orders that certain of its Officers shall be dispersed to do duty as follows,

Lieutenant Manning to the 29th Regiment N. I.
Lieutenant Jones..... 16th do.
Ensign Nisbet..... 24th do.
Ensign Amsinck..... 37th do.

With these respectable Corps these Officers it is hoped will learn good order and obedience and what one Gentleman owes to another, but above all what he owes to himself and as they will naturally be received with some degree of distrust at first, they will, (it is to be hoped) see the necessity of putting such a constraint upon their passions, and so dressing their manners as to win their way into Society and thus habitually acquire a sense of propriety that may govern the conduct of their future lives—It must not however be concealed from them, that every act of disorder or impropriety they commit will be required to be reported by the Commanding Officer of the Corps with which they are serving, and that it is not probable that any of its Officers will allow their own character to be implicated by sheltering theirs. The Commander in Chief will however fain trust to a better result and most gratifying to him will it be to find himself enabled, on more favorable Reports, to restore these Officers to their Regiment with credit and

honor. In the mean time the following Officers will join and do duty with the First European Regiment.

Captain	A. Inglis.....	48th	Regiment N. I.
Lieutenant	P. Pope.....	24th	do.
Lieutenant	G. D. Clayhills..	40th	do.
Lieutenant	C. A. Roberts....	29th	do.
Ensign	C. F. Compton..	48th	do.

The General Court Martial of which Lieutenant Colonel M. L. Pereira is President, is dissolved.

The following Removals are ordered.

Rank.	*Names.*	*From*	*To*
Lieutenant Colonel	J. Lindsay.....	48th Regiment N. I..	2d Regiment N. I.
do.	J. M. Coombs.....	2d do.	[illegible] do.
do.	H. Bowdler.....	41st do.	48th do.
do.	G. M. Steuart.....	28th do.	1st do.
do.	J. Green.....	1st do.	28th do.

Serjeant James Scanlan of the Carnatic European Veteran Battalion (Key Serjeant at Belgaum) is removed from his situation and directed to rejoin his Corps by the first opportunity.

Gunner John Lynch of the C Company 1st Battalion Artillery is transferred to the Effective Supernumeraries, promoted to Serjeant and appointed Key Serjeant at Belgaum, vice Scanlan.

The following Extracts from the Confirmed Proceedings of a Native General Court Martial held at St. Thomas's Mount on Saturday the 25th day of October 1828, by virtue of a Warrant of Authority from His Excellency Lieutenant General Sir George Townshend Walker, G. C. B. and K. C. T. S. Commander in Chief, are published to the Army.

Assistant Apothecary Charles Maitland of the Madras Medical Establishment, placed in confinement by order of the Commander in Chief.

Charge.—For conduct greatly to the prejudice of good order and Military Discipline in the following Instances.

1*st Instance*—In having at Madras on the 9th of October 1828, refused to attend at the Office of the Adjutant General of the Army, although on the day preceding he had been ordered so to do.

2*d Instance.*—For having in a letter bearing date at Madras on the 15th of October 1828, falsely and insolently denied being in any manner subject to Military Discipline.

3*d Instance.*—In having at Madras on the 15th of October 1828, refused to open a letter addressed to him on the Service under the official signature of the Adjutant General of the Army, and superscribed from his Office, and in having returned the same with a note dated the same time and place, couched in terms of extreme insolence and insubordination.

The above being in breach of the Articles of War.

By order.

ADJUTANT GENERAL'S OFFICE;
FORT ST. GEORGE,
18*th October*, 1828.

(Signed) T. H. S. CONWAY,
Adjutant General of the Army.

The Court having most maturely weighed and considered the whole of the Evidence brought forward in support of the Prosecution, as well as what the Prisoner Assistant Apothecary Charles Maitland of the Madras Medical Establishment, has urged in his defence, is of opinion.

Finding on the first Instance of the Charge.—That the Prisoner is guilty.
Finding on the second Instance of the Charge.—That the Prisoner is guilty.
Finding on the third Instance of the Charge.—That the Prisoner is guilty.

The Court is further of opinion that the Prisoner's conduct as proved in these several Instances, is greatly to the prejudice of good order and Military Discipline, and in breach of the Articles of War.

Approved and Confirmed, but the Sentence is restricted to two hundred lashes.

MADRAS,
October 27th, 1828.

(Signed) G. T. WALKER, Lieut. General,
and Commander in Chief.

The Commander in Chief having found himself under the painful necessity of carrying into execution part of the Sentence given against Assistant Apothecary Maitland for contumacious conduct to the Military Authority under which he is placed, he desires that this Sentence may be read at the head of every Regiment in the Service, and that Commanding Officers will particularly explain to this class of people as well as to all other Indo-Britons under their Command, the penalties to which they are subject for misconduct under the 11th Article of the 12th Section of the Articles of War for the Government of the Native Troops which must at the same time be distinctly read to them. It would seem that these people are not properly sensible of the paternal consideration of Government for them, in thus educating

and employing them in preference in situations where they may honestly earn a respectable subsistence, when there can be no doubt Native Hindoos could be found of equal capability and zeal for the same duties. —So sensible however is the Commander in Chief of the benevolent intention of Government towards these people, that in case of one having completed his professional education, producing Certificates of good conduct from his superiors and convincing him, that he has a reasonable expectation of being able to provide for himself and requesting his discharge in respectful terms, should the public service at the time admit of it, he will feel the greatest satisfaction in granting it.—At the same time he can assure those remaining in the Service whose character and conduct recommend them, that their Services will never be overlooked and that of their conduct the Commander in Chief will have a Monthly Report before him.—In the mean time however as all Armies require people so employed to be attached to them there cannot be a doubt they must be subject to the same discipline as every other class.—They cannot be thrown loosely upon the public upon an insolent or idle demand, it must be understood that nothing will be conceded to clamour and that a disobedient and contumacious conduct will meet with certain punishment.

It having been found that in many cases, Apothecaries, Assistant Apothecaries, and other Attendants in Hospitals have been employed by Surgeons or their Assistants as Domestics and Menials or in other private capacities. The Commander in Chief most positively forbids this practice in future under any pretence whatsoever.

It is equally forbidden to all Pioneer Officers so to employ the Pioneers under their Command or in any manner but for the Public Service and under the authority of their Commanding Officer, and further, it is required of all Officers to whom Dooly Bearers, or other Commissariat Servants or of any other description whatsoever may be temporarily attached that they shall solely be employed as Dooly or Palankeen Bearers or in their proper capacity as the case may be.

It is also strictly forbidden to Officers in charge of Prisoners and Convicts to employ them in any other manner but on the Public Works.

Officers contravening these Orders may be assured whatsoever may be their Rank that the Commander in Chief will not overlook it and that if a single blow be inflicted on any helpless Individual of such classes it will meet with the punishment it deserves.

The Native General Court Martial directed to assemble at St. Thomas's Mount in General Orders of the 23d Instant, and of which Subidar Major Houssainnee of the 4th Battalion of Artillery is President, is dissolved.

The Regimental Order by the Officer Commanding the 50th Regiment Native Infantry, dated Belgaum 15th October 1828, appointing Serjeant Major Richard Sylva, to *act* as Quarter Master Serjeant to that Corps until further orders, is confirmed.

28TH OCTOBER, 1828.

Bradstreet of the 37th Regiment Native Infantry, Members of the Committee for ascertaining the nearest Heirs of deceased Public Followers formerly attached to Corps and Departments employed on the late Foreign Service in Ava.

The Right Honorable the Governor in Council directs that the daily issue of Gram to the Horse Artillery, Dragoons and Regiments of Light Cavalry, shall in future be regulated as follows, and to have effect from the date of the receipt of this order.

Five Seers of *raw* Gram are to be issued per day to each Regimental Horse of the Brigades of Horse Artillery in all cases, except on Field Service, when six Seers will be allowed from the day on which they may actually march under orders for Field Service.

Regiments of Dragoons will also be allowed six Seers of Gram for each Regimental Horse per day, when proceeding on Field Service, and five Seers during the period they may remain in Cantonment, or when marching from one Station to another. Regiments of Light Cavalry will be allowed five Seers of Gram for each Regimental Horse per day both in the Field and Cantonment.

Whenever it may be considered necessary to reduce the feed of Regimental Horses on account of Physic or Sickness, two Seers of Bran will be allowed to be indented for, from the Public Stores, in lieu of each Seer of Gram short drawn.

The Governor in Council further directs, that from the 1st of April to the 30th of September in each year, all Mounted Corps serving in the Carnatic are to be reduced one Seer in the allowance of Gram issued daily for each Horse, and at all other Stations from the 1st of March to the 30th of June; those being the hot months, it is considered that the exercise of the Horses will be proportioned, and that, by attention and foraging, this allowance for their feed will preserve their condition and prevent inflammatory diseases.

Formation of Troops and Companies.

Proper Men for Flank Companies of Infantry are to be selected from the whole Corps, and the remaining Companies are to be made as equal as possible. This will best be done, as in the instance of new Levies, or Recruits, by forming all the Men in Rank entire, by Size, from Right to Left, then taking the Eight right hand Men (when there are Eight Companies) and appointing one to each Company—then the next Eight in like manner, and so on until all are posted. This will equalize all the Companies as nearly as possible in personnel—To size each Company, the whole of its Men should first be accurately sized in Rank entire from *Flanks* to *Centre*, when, being told off into four Sections, the two Centre Sections stepping back will form the Rear Rank and the two Flank Sections closing to the Centre will form the Front. The whole Company will thus be correctly sized and formed.

17TH DECEMBER, 1828.

The repeated occurrence, notwithstanding the Order of the 30th November 1827, of Officers in Command of Corps confirming and carrying into execution the Sentences of Courts Martial contrary to the direct Evidence on the record, obliges the Commander in Chief in the name of Order and Discipline, but above all in the name of Humanity, to call upon Commanding Officers of Corps to fulfil strictly this most important duty of carefully examining all the bearings of "Evidence" in the Proceedings of Courts Martial before they confirm them. He trusts and hopes this call will not be without effect, but he must at the same time declare that, as the protector of the Army under his Command, he shall feel it his imperative duty to make an example of any one who after this further notice shall be found to have occasioned the punishment of any Individual for which he is not supported by the Evidence on record. A Commanding Officer with the paternal feelings he ought to have towards every Individual of the Corps under his Command, should recollect that a Sentence of a Regimental Court is a mere nullity till confirmed by his Signature, and that the best intentioned Native Officer may be frequently misled from ignorance of the law of Evidence and of those general principles of justice which Englishmen have the happiness of imbibing with their earliest ideas, and that there are even some who would think it their duty to convict every one whom their Commanding Officer should think it necessary to bring to trial. In both cases a Commanding Officer should be the mediator, as since the late publication to the Army of the short tract on the Law of Evidence, no European has a right to plead ignorance on the subject. It is not only his duty fully to explain it to his Native Officers, but also to correct every Sentence contrary to it's principles—the Commander in Chief however is most sorry to observe that in a case now before him all these duties have been neglected; a Prisoner before a Regimental Court Martial is charged with "embezzling or misapplying money received on a public account." In the first place, instead of entrusting the money to this man, it was the duty of the Officer of his Company to have paid it himself, and if a deficiency had really arisen from this neglect, he alone should have been made responsible for it. It appears however that 14 Rupees temporarily deficient of the larger sum paid (according to the Evidence of the Complainant himself,) were by his own especial permission allowed to remain as a debt from the Prisoner to himself, which is further confirmed by his express declaration to the Lieutenant of the Company that the whole debt was paid, according to which Evidence the whole charge before the Court was nullified, and the 14 Rupees became a private debt between the Prisoner and the Complainant, of which the Court had no longer cognizance, while it appears that even this debt was actually paid before the sitting of the Court; yet with all this in Evidence before it, has it nevertheless found the Prisoner guilty of the Crime charged and Sentenced him to three hundred lashes, the severest punishment such a Court could inflict and this Sentence so contrary to the Evidence, so contrary to humanity, though it must appear scarcely credible, was actually approved, confirmed, and carried into execution by an Officer of the rank of Lieutenant Colonel Commanding the Regiment, and this alas! is not a solitary instance of the total disregard of those proper feelings which should alone actuate Officers with whom the comfort, happiness and even lives of numbers are entrusted. It becomes then the duty of the Commander in Chief again to express his firm determination to hold all Commanding Officers responsible for the justice of the Sentence they approve, and that their decision be strictly according to the Evidence alone. In this instance he shall confine himself to forbid, till further orders, the confirmation of any Court Martial held in his Regiment or Command, by the Officer in question till approved by the *Officer Commanding the Division* in which he may be placed, and the Adjutant General of the Army will communicate accordingly this decision to *the Officers concerned*, and it must henceforward be considered that a punishment inflicted contrary to Evidence, is the sole act of the confirming Officer who must be alone responsible for it.

Captain Joseph Anthony of the 6th Regiment Native Infantry is posted to the 2d Battalion of Pioneers, vice Wheeler.

Ordered that the following Extract from the Honorable Company's General Letter in the Military Department dated the 16th of June 1815, be re-published in General Orders.

Para. 139. In consequence of the numerous applications, which have been preferred to us by our Servants, on leave of absence in this Country, for advances of money on loans, we think it proper to recal your attention to our Orders in the Military Department of the 26th February 1808, upon this subject. Those Orders declared our determination not to make any pecuniary advances to Officers at Home, beyond what they are allowed by the existing Regulations of the Service, and you were required to publish them in General Orders to the Army, but as a Resolution of this description, in order to be generally known to a body which is continually receiving an accession of new Members should be occasionally republished, and being fully persuaded, that a strict observance of this Resolution, will prevent much trouble and inconvenience, besides loss, to the Company, we direct that our orders above adverted to be in future circulated for the information of the Army in the month of January in every year, and we shall take the necessary steps for reminding Officers, who may arrive in England upon furlough of our determination upon the subject in question.

Preamble.

Whereas it has been found that stripes with a Rattan are a very unequal mode of punishment varying with the size of the instrument and the strength of the person using it, and occasioning serious bodily injury, far beyond the intention of the Law, therefore the Governor in Council has enacted this Regulation, to be in force from the date of its promulgation.

Rattan abolished.

Cat of nine-tails substituted.

III. Henceforward, persons who, under any Regulation heretofore in force, would have been sentenced to receive stripes with a Rattan, shall, in lieu thereof, be sentenced to receive lashes with a Cat of nine-tails.

Proportion of lashes to stripes.

IV. Five lashes with a Cat of nine-tails shall be considered equivalent to one stroke of a Rattan.

Cat of nine-tails how to be supplied.

V. The Cat of nine-tails to be used shall be invariably supplied from the Stores of Government; and no other Cat of nine-tails shall be used but such as shall be so supplied nor shall any additional knot be tied, nor any new material introduced, nor any alteration made in any Cat of nine-tails in use, by way of repair or on any pretence whatever; and any Native Officer offending herein shall be liable to be fined at the discretion of the Criminal Judge or Magistrate to whichsoever he may be subordinate.

FORT ST. GEORGE, 9TH JANUARY 1829.

G. O. BY GOVERNMENT.

The allowance granted in General Orders by Government of the 26th September last, to Officers holding the temporary Command of Regiments, during the absence of Commanding Officers *on duty*, being considerably less than what they were entitled to before that order was issued, the same reason for precluding an Adjutant or Quarter Master, when in temporary charge of his Regiment, from drawing his Staff allowance, in addition to the Command allowance, (namely that the two together would place him in the receipt of larger allowances than belong to the Regimental Command) does not exist. The Right Honorable the Governor in Council is, therefore, pleased to resolve that an Adjutant or Quarter Master, succeeding to the temporary Command of his Corps, in consequence of the absence of the Commanding Officer *on duty*, shall be permitted to retain his personal Staff allowances, in addition to the allowance authorized for the Command in General Orders by Government of the 26th September last, and that the Office allowance shall be drawn by the Officer who performs the duty of the Adjutant or Quarter Master.

2. When the temporary Command of a Corps devolves on an Adjutant or Quarter Master, by the absence *on leave* of the Commanding Officer, the General Order by Government, dated the 21st July 1826, is to be considered (as hitherto) applicable to the case.

By order of the Right Honorable the Governor in Council.

(Signed) G. T. WALKER, Lieut. General,

The General Court Martial directed to assemble at Bangalore of which Lieutenant Colonel E. M. G. Showers of the 2d Brigade of Horse Artillery, is President, is dissolved.

5TH JANUARY, 1829.

The Commander in Chief calls upon Officers in Command of Divisions and Stations, and especially upon Officers in Command of Regiments, to satisfy themselves that the Officers under their orders carefully peruse and make themselves thoroughly acquainted with "the Compendium of the Law of Evidence," which has been expressly compiled and circulated for the purpose of placing easily within the reach of every Officer in the Army a competent knowledge of that which is absolutely necessary to regulate the due Administration of Justice in Military Courts, and ignorant of which, he must be perpetually in danger of becoming a Party concerned in acquitting the Guilty or convicting the Innocent.

At all European Courts Martial, the "Compendium of Evidence" should be in the Hands of the President and Members for ready reference on all doubtful Points which may occur; and the Card containing the Axioms of that Law must invariably be circulated round the Table for general information.

It is still more important that the Members of Native Courts Martial, entirely uninformed as they *must* be from the circumstances of their Education, of the principles which are intended to guide the Proceedings of Military Courts held under British Authority, should be informed and instructed accordingly; and it is the express duty of the Superintending Officer to explain to such Members, through the Interpreter, the bearings of the Law of Evidence upon the particular matter at issue; so that the Court may not, from want of information, arrive at such illegal Sentences as have too frequently been passed in this Army, and have, in too many instances, been carried into effect by Officers in Command of Stations and Regiments.

These Remarks especially apply to Courts Martial inferior to General ; whereupon, considering their more frequent occurrence and their more immediate connexion with the interior Economy of Corps, the Army at large is specially dependant for the due support of its Discipline.

Officers Commanding Divisions and Forces are required at the Annual Inspection of Regiments to report specially, whether or not the foregoing Orders have been duly attended to.

A General Court Martial consisting of a President and Fourteen Members for the Trial of all such Prisoners as may be brought before it will assemble at Vellore, at such time and place as Major General Sir John Doveton, K. C. B. Commanding the Centre Division of the Army may direct.

President.

Lieutenant Colonel James Brodie, C. B. 9th Regiment N. I.

The Troops serving in the Centre Division of the Army will furnish the Detail and an Interpreter to attend the Court.

Captain C. G. Alves Deputy Judge Advocate General, will conduct the Proceedings of the Court Martial to whom the Rank, Names and Dates of Commissions of the Officers ordered for this duty are to be sent.

Prisoners and Evidences to be warned and are hereby ordered to attend.

GENERAL ORDERS,

BY HIS EXCELLENCY THE COMMANDER IN CHIEF.

—o—

HEAD QUARTERS: CHOULTRY PLAIN;

15TH JANUARY, 1829.

The Commander in Chief has had submitted to him since the 1st January 1828, applications from Officers Commanding Regiments of Native Infantry for the Discharge from the Service of Men stated to be under Size, (the Standard height being 5 Feet 4 Inches) of bad character, of *low Cast* and Connexions, or otherwise unfit for the duties of Soldiers, to an extent entirely exceeding all reasonable bounds. Repeated and most peremptory orders have been issued to Officers in Command, prohibiting them from enlisting any but men of the Standard height, of good Cast, strong and healthy, and holding out every promise of becoming active and efficient Soldiers,—yet a great majority of these discharged Men are *Recruits of recent enlistment.* It is, therefore, but too evident that Officers in Command of Regiments have failed in obedience to the instructions so frequently issued to them on this important subject, and as the greater number of these ineligible Men have been approved of and passed by the [illegible] Officers, as well as by the Commandants, Staff and Medical Officers of Stations and Divisions, under whose immediate supervision the various Recruiting parties have been employed, it is equally evident that to these also must attach the charge of unpardonable apathy and neglect in a matter visibly affecting the future efficiency of the Army.

It now becomes an object of the greatest consequence to adopt such measures as shall prevent, in future, the admission into the Service of objectionable Men, as causing a great and unnecessary expense to the State, and giving a fictitious strength to the Army endangering its reputation in the hour of trial.

The Commander in Chief has, therefore, determined that henceforth, in every instance of an Officer enlisting Recruits, or transferring Boys to the Ranks, (unless under special authority from Head Quarters) that are under the standard height, above the prescribed age, or that are not of an active and well proportioned make, and in every respect fitted for the duties of Soldiers,—such ineligible Men shall be discharged from the Service, and all expenses incurred on their account, from the day of their enlistment, shall be charged to the Officer by whom they were enlisted.

A Register of all Recruits, &c. enlisted since the preceding Review countersigned by the Reviewing Officer is to accompany the Annual Inspection Report.

Officers Commanding Corps when authorized to Recruit, are required to pay the strictest attention to the following points.

1.—No Recruit shall be enlisted for the Horse Artillery, Cavalry, or Golundauze, under the height of 5 Feet 6 Inches—nor for the Rifles, Light Infantry, or Infantry of the Line, under the height of 5 Feet 5 Inches, which is to be considered the *present* standard—nor shall his age be under 16, nor above 22 years.

2.—Especial care must be had to the ascertainment of his real Cast, the *precise designation* of which is henceforth to be specified in the Register.

3.—In examining the Recruit he must be made to strip, in order that the full formation of his body and limbs may be observed. He must be well made in proportion to his height, and free from any natural or contracted disorder.

4.—Every Recruit is to be minutely examined by an European Medical Officer, a Certificate from whom, in the subjoined Form, is to be inserted at the foot of the Register in the Monthly Return. This examination is to include the Man's *age.*

5.—Recruit Boys may be transferred to the Ranks on attaining the height of 5 Feet 4 Inches, not being under 16 years of age, provided they are, in other respects, eligible Subjects. They are not, however, to be drilled *with Arms* until of a sufficiently matured strength for their use, nor are they to join the Ranks until perfectly capable of supporting the fatigues of duty.

6.—No Boy is to be enlisted for the Recruit or Pension List unless certified by the Medical Officer to be free from all physical defects, and perfectly eligible in every other respect.

7.—Every Recruit, and Boy, is to be vaccinated, if requisite, on enlistment.

8.—The 1st and 4th Sections of the Articles of War are to be read and *carefully explained* to every Recruit, in presence of the Commanding Officer of the Corps, previous to his enlistment.

9.—The Standard Height for *Gun* and *Regimental Lascars* is fixed at 5 Feet 4 Inches, but in the case of an individual being of a particularly stout and athletic make, he may be taken at the height of 5 Feet 3 Inches. Their age is not to be under 16, nor above 22 years. In their selection, Commanding Officers are not restricted to any particular Cast; they will, however, pay every attention to the instructions contained in Paragraphs 3, 4, 7 and 8,—particularly in the selection of the Gun Lascars, the nature of whose duties as Pioneers requires more especially that they should be of a firm and muscular frame, capable of enduring every species of bodily labor.

Form of Surgeon's Certificate.

I do hereby certify that I have minutely examined every individual enlisted in the Regiment as entered in the above Register, and that, with reference to G. O. C. C. of the 15th January 1829 all are, in my opinion, perfectly eligible for the Service.

The Officers Commanding Regiments of Native Infantry, are authorized to complete to the strength of 650 Privates by enlisting such Individuals as may present themselves at their Head Quarters, and by transferring such Recruit Boys as may be eligible—Until further orders, no transfers are to be made in Regiments exceeding this strength.

No enlistment of Recruits—nor transfer of Boys—can be permitted in Regiments of Cavalry exceeding the strength of 400 Privates, until further orders.

G. O. BY GOVERNMENT.

The Right Honorable the Governor in Council having taken into consideration the serious inconvenience which has been found to attend the Monthly Settlements with the European Soldiers of this Army, has been pleased to direct that the following Weekly Distribution of the Soldier's Pay and Allowances shall take place throughout the Artillery and European Infantry; and that the balance remaining after this arrangement is carried into effect, shall be divided equally and paid *daily* to each Man, on the principle now acted upon in His Majesty's Regiments. The Right Honorable the Governor in Council has been pleased to adopt this arrangement as the most certain mode of securing the Soldier from the temptations, Irregularities, and consequent Punishments which have been found to result from the system of allowing balances to accumulate.

FORT ST. GEORGE, 9TH JANUARY 1829.

G. O. BY GOVERNMENT.

The Right Honorable the Governor in Council having had under consideration the existing system of supplying Liquor to the European Troops, and with a view of relieving the Soldier from the discomfort and inconvenience attending the necessity of receiving his allowance of spirits at stated periods is pleased, at the recommendation of His Excellency the Commander in Chief, to rescind the 2d paragraph of the G. O. dated the 29th December 1812, and the 23d paragraph of the G. O. under date the 20th of December 1814, and to direct that the daily issue of Drams from the Public Stores to European Troops, when not marching or in the Field, shall be discontinued.

Arrack will hereafter be drawn from the Public Stores, on the 1st, 10th and 20th of each Month, upon Indent signed by Quarter Masters of Corps and countersigned by Commanding Officers of Corps and Garrisons in proportion to the strength of Regiments, not exceeding the established allowance of 2 Drams per man per diem, which is to be paid for to the Commissariat and retailed to the men from the Canteen, to that extent only, at the established rate of 3 Pice 40 Cents per dram or 1 Rupee 12 Annas, per Gallon. But Commanding Officers will be careful to exclude from that indulgence (for such periods as they may think proper) all Soldiers who may be undeserving of it.

Any Extra Arrack which may be allowed to the Men, at the discretion of Commanding Officers, on established holidays shall be paid for to the Commissariat and retailed to the Men at the above regulated rate.

Whatever quantity of Arrack, in excess of the above allowance, may be drawn from the Public Stores for the use of Regimental Canteens, shall be paid for to the Commissariat at 2 Rupees, 5 Annas and 4 Pice per Gallon, and retailed to the Men according to the existing Canteen rates, viz. 2 Rupees, 12 Annas, 9 Pice, 60 Cents per Gallon.

All Accounts with the Commissariat for Arrack supplied to Regiments under this Regulation, are to be made up and adjusted Monthly with the Commissariat by Quarter Masters of Corps.

His Excellency the Commander in Chief is requested to issue such Subsidiary Orders regarding the details and arrangements consequent on the introduction of the new system, as he may deem necessary.

GENERAL ORDERS,

BY HIS EXCELLENCY THE COMMANDER IN CHIEF.

HEAD QUARTERS: CHOULTRY PLAIN;

16TH JANUARY, 1829.

In publishing the General Order by Government No. 19 under date 9th January 1829, The Commander in Chief assures himself of the most active co-operation on the part of all Officers towards the attainment of the desirable and important ends proposed.

By its operation the Soldier will be released from the necessity of receiving a certain quantity of Spirits at a fixed time, without reference to his own immediate inclination—and will now enjoy the power of obtaining the same allowance, or such part thereof as he may wish to take, at whatever period may be most convenient to himself at precisely the same rate as before, and in a manner evidently giving much additional respectability to the individual.

He estimates the professional pride and zeal of Officers too highly to imagine that they can require any excitement greater than is afforded by the prospect of ameliorating the character, and contributing to the happiness of those under their Command.

It is, therefore, to the Soldiers themselves that His Excellency now more immediately addresses himself. Deeply interested in the welfare, and feelingly alive to the reputation, of this Army, His Excellency has viewed with pain the frequently recurring necessity for punishment consequent upon the degrading and demoralizing vice of drunkenness, which may with truth be termed the origin of every Crime the Soldier can commit. Of its fatal consequences but too many examples have been afforded—and little advantage can attach to argument, if these have not their due effect.

The orders which have now been promulgated are calculated at once to add to the personal comfort, convenience, and respectability of the Soldier—and to remove from him the temptation to excess to which, under the existing system, he is too much exposed; it is, however, upon the Men themselves that will mainly depend the success of the measures now adopted for their comfort—and the Commander in Chief appeals to their pride as Soldiers, and to their feelings as Britons and as Men, to free themselves from the trammels of this odious vice.

The foregoing orders together with those published by Government herein referred to, are to be read at the Head of each Troop and Company of European Cavalry, Artillery and Infantry on this Establishment at three successive Parades, and entered in the Regimental Orderly Books.

Deputy Adjutant General of the Army.

G. O. BY GOVERNMENT.

The following Extract from a Letter from the Honorable the Court of Directors to the Supreme Government in the Military Department, under date the 23d May 1827, is published in General Orders:

Para. 22 *of Ecclesiastical Letter from Bengal of the* 31*st December* 1824.

In reference to a question submitted by the Government of Bombay relative to the extent of which Military Chaplains are to be held responsible to the Military Authorities and correspondence with the Lord Bishop as to the liability of the Company's Chaplains to Martial Law, Court's Order on the subject are requested.

Para. 2. From the best consideration we have been able to apply to the several documents to which we have been referred in this paragraph, we are induced to think that considerable misapprehension has existed on the subject to which they relate.

3. When our Ecclesiastical Establishment was placed on the footing on which it now stands, it became a necessary part of the arrangement that the Indian Clergy should be submitted to the general Superintendence of the Bishop, and rendered subject to the Ecclesiastical Jurisdiction for all offences of Ecclesiastical cognizance, but it was never intended to except this portion of our Servants from the Jurisdiction of the temporary Courts in the event of their being charged with any offences of a Civil nature, or any crimes against the peace and well being of Society.

4. We wish it therefore to be distinctly understood that the Chaplains on our Establishments are amenable to the Ecclesiastical Tribunals for such offences only as would render the Clergy of the Established Church amenable to the Ecclesiastical Tribunals in England, and for all other offences they are liable to be tried as all other Europeans in India are, by the Ordinary Tribunals of the Country.

5. If however the offence should be committed out of the Jurisdiction of the Ordinary Court, and in places where the rest of the community are subject to Military Law, in such a case, and in such a case alone, we deem it right that our Chaplains should be subject also to Military Law for all offences of temporal cognizance.

By order of the Right Honorable the Governor in Council.

Secretary to Government.

22D JANUARY, 1829.

The Commander in Chief deems it requisite again to call the attention of Officers to the necessity of reducing to the lowest practicable scale, the numbers of the Guards furnished by the Troops under their Command. The instructions which have already been issued on this subject do not appear to have had their due effect. The following Regulations are now, therefore established, and the strictest obedience is required thereto.

GUARDS.

1. No Guard shall be allowed to the Office or Quarter of any Staff Officer, not having permanent Charge of Treasure, such as cannot be lodged in any of the Station Guards.

2. The Honorary Guards of Officers Commanding Divisions or Forces, shall not exceed the strength of one Havildar, 2 Naigues and 12 Privates.

3. Officers Commanding permanent Stations, not under the rank of Field Officers, are permitted to have a Sentry from the nearest Guard or in the event of no Guard being conveniently situated for that purpose, they will be allowed a Guard, not exceeding 1 Naigue and 6 Privates.

4. Officers Commanding Corps, not under the rank of Field Officers, are permitted under the same restriction as in the preceding paragraph, to have a nightly Guard of 1 Naigue and 3 Privates, to mount at Retreat and dismount at Reveillee.

5. The practice which exists of granting small Guards of a Naigue and 3 Privates on every occasion however trifling, must be discontinued.—Nothing tends more strongly to the destruction of discipline than the constant employment of Soldiers upon unimportant duties.—Men by being accustomed to be placed on Guards entirely insignificant in Charge, acquire the most prejudicial habits of carelessness and indifference.—All Guards therefore, at present furnished under the various denominations of "Oil Godown," "Chatty Godown," "Church," "Church Plate," "Minor Bazars," "Medical Stores," "Public Rooms," "Post Office" and many others of a similar description which are at present distributed with the most lavish profusion are to be withdrawn forthwith, as perfectly unnecessary and improper.

ORDERLIES.

1. Officers Commanding Divisions, Forces, or Brigades, are allowed one Serjeant, Havildar or Private *from each Regiment* at their Head Quarters.

2. Divisional Staff of the Adjutant and Quarter Master General's Departments one Private or Recruit Boy.

3. Divisional Staff of the Adjutant General's Department conducting the duties of the Station or Brigade, one Private or Recruit Boy *from each Regiment* and one Drummer or Bugler.

4. Brigade Majors, Fort and Cantonment Adjutants, one Private or Recruit Boy *from each Regiment* and one Drummer or Bugler.

5. The Field Officer or Captain of the Day one Private.

6. No other Orderlies are allowed, otherwise than Regimental, viz. one to the Commanding Officer one to the Adjutant, and one to the Officer of the Day,—

The attachment of Orderly Soldiers to Officers being solely for the performance of *Military Duties*, they are consequently, upon no pretence whatever, to be employed otherwise than upon such duties. They are not to be permitted to look after *Officers Horses*, nor in any manner to be placed on a footing with the Menials of the House. When accompanying Officers they are always to move at the regular Military pace, which is never to be exceeded but on urgent occasions of Service. They are strictly inhibited from running after Horses or Palankeens—It is not considered their duty to carry an Officer's Arms, which can never be so properly disposed of as by his own side.

* Neither Guards nor Orderlies, Boys included, wherever stationed, are on any consideration to receive Orders from Servants of any description, whether Conicopolies, Writers, Butlers, or others, and it will be the duty of the Staff Officer parading Guards especially to warn the Men from receiving, or yielding any obedience to orders so communicated.

* This does not of course refer to the occasion of an Officer being under the necessity of *explaining* his orders through the medium of a servant.

The foregoing orders are to be entered in all Orderly Books.

23D JANUARY, 1829.

27TH JANUARY, 1829.

Recent instances having occurred of Charges having been brought before Courts Martial for Crimes altogether beyond the legitimate Jurisdiction of such Courts and cognizable by the Civil Courts alone, the Commander in Chief calls the attention of Commanding Officers, and especially of Officers Commanding Corps and Stations, to Article I Section IX of the European, and Article V Section XII of the Native Articles of War; and particularly directs that all Military Persons accused of Felonies or other heinous Offences not of a Military description, may, invariably be given over to the Civil Magistrate, except in the cases provided for by Article IV Section XXI of the European, and Article VI Section XII of the Native Articles of War.

Under the *Special* Provisions of the Bazar Regulation, Military Persons being Natives, may be tried by Courts Martial inferior to General for *petty* Thefts and Disorders; and according to Military usage, Commanding Officers, *generally*, have a discretionary Power of describing such Offences as "Conduct to the prejudice of Good Order and Military Discipline" and bringing the Offenders to Trial before Courts Martial accordingly: but such discretion can never be held to extend to Felonies and Criminal Offences exceeding petty Thefts and Disorders: and it is to be clearly understood that such offences can never, under any circumstances whatsoever, fall within the competence of Courts Martial other than General to investigate; and are cognizable by General Courts Martial, even, under the provisions alone of the Articles of War last quoted.

C. B. and K. C. T. S. Commander in Chief are published to the Army.

Cornet Courtney Charles Ferrers of the Fifth Regiment of Light Cavalry, placed in arrest by order of the Commander in Chief.

Charge.—For violent and unmanly conduct in direct disobedience of the orders of the Honorable the Court of Directors of the 14th of April 1813, and greatly to the prejudice of good order and Military Discipline, in having at Arcot, on the 21st of October 1828, violently and illegally kicked and beaten Mooneapah, Post Office Peon, thereby knocking one of the said Mooneapah's Teeth out of his Head.

The above being in breach of the Articles of War.

ADJUTANT GENERAL'S OFFICE,
FORT ST. GEORGE,
3d January 1829.

(Signed) B. R. HITCHINS,
Dep. Adjt. Genl. of the Army.

The Court having most maturely re-considered the whole of the Evidence brought forward in support of the Prosecution as well as what the Prisoner Cornet Courtney Charles Ferrers of the Fifth Regiment Light Cavalry has urged in his defence is of opinion.

Revised Finding on the Charge.—That the Prisoner is guilty of violent conduct in having illegally kicked and beaten Mooneapah, Post Office Peon, thereby knocking one of the said Mooneapah's Teeth out of his Head, but the Court acquits the Prisoner of unmanly conduct in having kicked and beaten the said Peon *violently*.

Revised Sentence.—The Court having found the Prisoner guilty to the extent above stated, doth Sentence him the said Cornet Courtney Charles Ferrers of the Fifth Regiment of Light Cavalry to be severely reprimanded.

(Signed) CHARLES GEORGE ALVES, Captain,
Dep. Judge Advocate General.

(Signed) J. BRODIE, Lieut. Col.
9th Regiment—President.

Disapproved and not Confirmed.

(Signed) G. T. WALKER, Lieut. General,
and Commander in Chief.

Cornet Ferrers was tried under an Order of the Court of Directors of 14th April 1813, which states that an Officer found guilty of violently and illegally beating a Native shall be dismissed the Service. The Court finds him guilty of the Acts charged, admit their illegality, but on some gr duated scale of violence of its own, acquits the Prisoner of so much as would bring him within the meaning of the Order in question on account of the natural weakness of the jaws of the unfortunate complainant out of which a tooth was struck by the violence of the blow. An order for the revision of this Sentence has had no other effect than that of striking out this notable reason for its Sentence, which consequently the Commander in Chief found it impossible to confirm, and he must tell the Court that its decision has done little for the Character of the Army to which it belongs, and what effect such decisions if repeated may have on a new organization of it, it may be as well if not for its credit at least in a prudential point of view to consider.

Cornet Ferrers is to be released and forthwith to join his Regiment, but though he has so frequently escaped, let him beware how he again trusts to such another instance of encouragement as he has here met with.

(Signed) G. T. WALKER, Lieut. General
and Commander in Chief.

C. B. and K. C. T. S. Commander in Chief, are published to the Army.

Ensign George Reade of the Forty-first Regiment Native Infantry, placed in arrest by my order.

Charge.—For scandalous and infamous behaviour, unbecoming the Character of an Officer and a Gentleman, in the following Instances.

First Instance.—In having at Kamptee, on or about the eleventh of December 1828, unwarrantably taken and destroyed, without discharging, when presented to him for payment, a Promissory Note, then due and bearing his Signature, for fifty Rupees, in favor of Verdapah.

Second Instance.—In having at Kamptee, on the thirteenth of December 1828, *falsely* asserted before a Regimental Court of Inquiry that he had retained the Promissory Note, specified in the last Instance of Charge, under an idea that the person who brought it for payment might have stolen it,

whereas he had previously acknowledged to Lieutenant and Adjutant George Logan of the Forty First Regiment of Native Infantry, that he had retained the said Note to prevent its being taken to a Court of Requests.

Third Instance.—In having at Kamptee on or about the 12th of December 1828, forcibly taken from Shaik Moostapha Tailor, and Ramiah Shroff, Camp Followers, certain Articles of Wearing Apparel, and retained the same, without payment of the said Tailor's bill, according to the award of a Court of Requests previously held, of which Lieutenant Colonel Francis Whish Wilson of the Rifle Corps, was President.

Fourth Instance.—In having broken his word of Honor given at Kamptee on the 16th of December 1828, that the claims of the said Moostapha Tailor and Ramiah Shroff, should be paid in two or three days from that date.

BY ORDER,
(Signed) B. R. HITCHINS,
Deputy Adjutant General of the Army.

Finding.—The Court having most maturely weighed and considered the whole of the Evidence which has been adduced in support of the Prosecution, together with what the Prisoner Ensign George Reade, has urged in his defence is of opinion as follows.

Finding on the first Instance of Charge.—That the Prisoner is guilty of the first Instance of Charge.
Finding on the second Instance of Charge.—That the Prisoner is guilty of the second Instance of Charge.
Finding on the third Instance of Charge.—That the Prisoner is guilty of the third Instance of Charge.
Finding on the fourth Instance of Charge.—That the Prisoner is guilty of the fourth Instance of Charge.

The Court is further of opinion that the Prisoner Ensign George Reade, has, in the above Instances, been guilty of Scandalous and infamous conduct unbecoming the Character of an Officer and a Gentleman.

Sentence.—The Court having found the Prisoner guilty to the above extent, does by virtue of the Articles of War, Sentence him, the said Ensign George Reade of the Forty-first Regiment of Native Infantry to be discharged from the Service.

(Signed) S. BULLOCK, Captain,
Deputy Judge Advocate General,
Conducting Proceedings.

(Signed) HENRY BOWDLER, Lieut. Col.
7th Regiment and President.

Without condemning the decision of this Court Martial, I cannot conscientiously bring myself to approve or confirm it, for although some facts are adduced in support of the charges, they do not appear to me to go further than to prove Indiscretion and thoughtlessness, and I cannot but regret that so serious a Charge has been brought forward against this very young Officer on such slight grounds, a Charge, which if Ensign Reade has the proper feeling which I trust he has, will prove a sufficient punishment of itself, for his past conduct and ample warning for the future without any further reprimand on my part. I must even conclude that in this decision, I shall have met the wishes of the Court, for I cannot but conceive, that it must have come to its determination upon some supposed necessity of entailing the whole extent of the charges adduced upon the proof of certain facts—the more particularly as the Sentence has been accompanied by a letter of recommendation which had the Court really considered the Prisoner guilty of Scandalous and infamous behaviour would have been as improper for it to have forwarded as it would have been for the Commander in Chief to have attended to.

The Sentence not being approved or confirmed Ensign Reade will return to his duty.

(Signed) G. T. WALKER, Lieut. General,
and Commander in Chief.

The appointment of Artificer Charles Tibble to act as an Overseer in the Department of the Gun Carriage Manufactory from 1st January 1829, vice Murray deceased, is confirmed.

The undermentioned Officers have obtained Leave of Absence from their Corps and Stations.

Great inconvenience and collision having occurred between the duties of the Medical Board and those of His Majesty's Inspector of Hospitals from the undefined state in which they have hitherto remained. The following Rules for their future guidance in conformity with the instructions received by His Majesty's Inspector recommended by the Commanding in Chief of the Presidency and approved by the Commander in Chief of India, are in future to be strictly attended to. The Superintendance of His Majesty's Hospitals will rest solely with His Majesty's Inspector as to professional practice leaving that however of economical concerns where it has always been with the Superintending Surgeons of the Company's Service. But that such of these Hospitals which may be out of the reach of the visits of the former may not be deprived of the advantage of personal inspection—in such case the professional as well as economical points will come under the examination of the Superintending Surgeons of Divisions, under such instructions as they may receive from His Majesty's Deputy Inspector General of Hospitals and reporting solely through him on professional points for the information of the Commander in Chief, thus adopting the principle long established for the Military Inspection of His Majesty's Regiments where Officers Commanding the Divisions in which they are serving though of the Company's Service report only on Military points through the Deputy Adjutant General of His Majesty's Service.

Medical Officers in Charge of His Majesty's Regiments, will consequently in future be only required to furnish the Medical Board of the Presidency with the Monthly Quarterly and half Yearly numerical Returns of Sick necessary to enable them to judge of the financial concerns of the Hospital, and to furnish the usual Returns to Government. For the Returns required by His Majesty's Inspections they will receive directions from the Deputy Inspector General.

16TH MARCH, 1829.

The following Extracts from the confirmed Proceedings of an European General Court Martial, holden at Belgaum on Monday the 23d day of February 1829, by virtue of a Warrant from His Excellency Lieutenant General Sir George Townshend Walker, G. C. B. and K. C. T. S. Commander in Chief are published to the Army.

Lieutenant Thomas Littleton Green, Quarter Master, Interpreter and Paymaster of the Fiftieth Regiment of Native Infantry, placed in arrest by me.

Charge.—For conduct greatly to the prejudice of good order, and Military Discipline in the following Instances.

First Instance.—In having at Belgaum on the 20th December 1828, made use of the following expressions to Lieutenant George Greig Mackenzie of the same Regiment, with reference to certain Cartridges which had been issued by him, Lieutenant Green, to Lieutenant Mackenzie's Company, "they are not short, but the proper size, and your report to the Colonel to that effect was *false*" or words to that effect.

Second Instance.—In having at the same time and place in continuation of the same conversation, said to Lieutenant Mackenzie "I have said to the Colonel before, while you were present, that your report was *false*, you might then have called on the Colonel if you wished to do so"—or words to that effect.

Third Instance.—In having at the same place on the 21st of December 1828, persisted in refusing to make an apology, suggested by me to Lieutenant Mackenzie for the injurious expressions set forth in the preceding Instances of Charge although that Officer had most handsomely retracted every part of

the expressions made use of by himself which he (Lieutenant Green) had considered as reflecting on him and his Department.

The above being in breach of the Articles of War.

BELGAUM, 21st *December*, 1828.

(Signed) C. ELPHINSTONE, Lieut. Colonel, Commanding 50th Regiment N. I.

BY ORDER.

(Signed) B. R. HITCHINS,
Deputy Adjutant General of the Army.

Finding.—The Court finds the Prisoner did make use of the expressions stated in the First and Second Instances of Charge, but the remark or rather reflection (however unintentional at first in it's application) which was thrown by Lieutenant Mackenzie on the Prisoner and his Department, and the same reflections having been repeatedly made by him to the Prisoner on the following day, although he admits Lieutenant Green had convinced him on the day previous that the Cartridges alluded to were made up in Regimental Store, the Court considers to be a strong provocation to the Prisoner's reply that the Cartridges were not short and the report was false.

In reference to the Third Instance of Charge, the Court finds the Prisoner did refuse to make the apology suggested, but it appearing in evidence and (to the Courts mind) sufficient retraction by Lieutenant Mackenzie and Lieutenant Green of every offensive expression which had been uttered by them mutually took place in presence of the Commanding Officer and the Major on the 21st of December, the Court considers an additional apology from the Prisoner which was not alike required from Lieutenant Mackenzie to be unnecessary, and that this mutual retraction having occurred entirely exonerates the Prisoner accordingly.

The Court therefore on mature consideration of all that is above stated and what has appeared in Evidence before it, acquits the Prisoner Lieutenant John Littleton Green of conduct greatly to the prejudice of good Order and Military Discipline, and in breach of the Articles of War.

(Signed) H. O'BRIEN, Captain, Deputy Judge Advocate General.

(Signed) J. T. TREWMAN, Lieut. Colonel, 5th Regiment and President.

The Commander in Chief entirely concurs in the opinion and decision of the Court and approves and confirms the same.

(Signed) G. T. WALKER, Lieut. General,
and Commander in Chief.

The General Court Martial directed to assemble at Belgaum in General Orders of the 19th January last and of which Lieutenant Colonel J. T. Trewman of the 5th Regiment Native Infantry, is President, is dissolved.

Lieutenant W. Gompertz of the 44th Regiment Native Infantry, is relieved from being a Member of the Committee for the Inspection of Army Clothing and of which Major W. (Baron) Kutzleben, is President.

Surgeon S. M. Stephenson is removed from the 1st Regiment Light Cavalry to the 10th Regiment Native Infantry, and Surgeon J. Wilson is posted to the 1st Regiment Light Cavalry.

The Leave of Absence granted to Lieutenant E. W. Ravenscroft of the 4th Regiment Light Cavalry, in General Orders of the 27th Ultimo, is cancelled from the 1st Instant at that Officers request.

The Division Order by Major General Sir John Doveton, K. C. B. Commanding Centre Division of the Army, dated Cuddalore 11th March 1829, appointing Captain Tolson of the 10th Regiment Native Infantry, to Command the Details of Dismounted Cavalry ordered to proceed to Chittoor for the relief of a Detachment of the 10th Regiment Native Infantry at that Station, is confirmed.

With a view to guard against sickness among the Troops when marching from one Station to another, and to ascertain the most eligible Encamping Grounds on the several routes, His Excellency the Commander in Chief is pleased to direct that the following Rules shall be observed by all European and Native Corps and Detachments.

Particular care must be taken to prevent the Men exposing themselves to the night air by sleeping outside their Tents, and those on night duty should be ordered to wear their Watch Cloaks.

The Tents must not be struck before sun rise, and the Troops are not to commence their March until half an hour after that time, to insure the dissipation by the Sun of all noxious vapours creative of Cholera or other diseases.

In selecting the ground of Encampment, preference should be given to elevated and dry situations which are not immediately in the vicinity of Villages or large Towns, or within the influence of Swamps or Pools of stagnate water.

Short Marches with few or no halts are to be left discretionary with Officers proceeding in Command, who are to forward to the Quarter Master General along with the usual report of progress a Memorandum agreeably to the annexed Form.

The Column of Remarks on Encamping Grounds should notice the several Encamping Grounds upon the route, stating their advantages and disadvantages as regards their salubrity, supplies of Water and Forage together with such observations connected with the health and convenience of the Troops as may be relevant to the desired object.

The Column of Remarks relating to the appearance of Fever, Cholera or any other epidemical disease among the Troops or Followers, should state all the circumstances as to the time and place of such disease breaking out, and remark upon the localities or other causes which may be supposed to have occasioned it.

PRESIDENT.

MEMBERS.

Surgeon J. Henderson, M. D. His Majesty's 89th Regiment.

Assistant Surgeon W. Thompson, M D. His Majesty's 26th Regiment.

The Proceedings are to be recorded in writing previous to the Committee leaving Poonamallee, and delivered to the Officer Commanding the Depôt.

Assistant Surgeon E. W. Eyre is posted to the 50th Regiment Native Infantry, and will proceed to join forthwith.

Junior Medical Apprentices James Connor and Richard Jackson are posted to the Garrison Hospital of Poonamallee.

The Division Order by Lieutenant Colonel Farran, Commanding the Nagpoor Subsidiary Force, dated Kamptee 13th March 1829, appointing Lieutenant C. Mackenzie of the 48th Regiment to do duty with the 47th Regiment Native Infantry until further orders, is confirmed.

28TH MARCH, 1829.

The Commander in Chief is pleased to direct that when Officers arrive at the Presidency from the Interior, on Sick Certificate, they shall report themselves to the Medical Officer of the District in which they reside, or to the Garrison Surgeon; in order that their Names may be entered in the Return of Sick Officers, prepared for His Excellency's information.

When the Sick Officer places himself under the charge of any other Medical Officer than the Garrison or District Surgeon, such Medical Officer is particularly required to send a Weekly Memorandum of the state of the Patient's health, to the Surgeon of the District in which the Patient resides, in order that he may be included in his Weekly and Monthly States, he is also to notify when the Patient is struck off the Sick Report or transferred to the care of another Medical Officer, as inconvenience has been experienced from Sick Officers changing their place of residence, removing into another District and even quitting the Presidency without giving any intimation thereof to their Medical Attendant, to whom Sick Officers are now strictly enjoined to be most particular in future, in reporting all such movements.

In the case of an Officer arriving at the Presidency on Sick Certificate for a specified period, the Monthly Certificate required for the Head Quarters of his Corps or Department is to be signed by the Garrison or District Surgeon *only*; but for an *extension* of leave, for change of the destination recommended in a prior Certificate, and for all new Medical Certificates of every description the *Countersignature of the Superintending Surgeon* must be affixed.

In order that European and Native Soldiers at out Stations affected with diseases of the Eye, may receive timely and appropriate Medical Treatment, The Commander in Chief desires that, as an Apartment in the Garrison Hospital has been appropriated for the reception of European Soldiers affected with diseases of the Eye, all such Patients may be transferred to the Presidency, after being a moderate time under the care of their respective Surgeons, who are directed to furnish a Copy of their cases to the Superintendant of the Eye Infirmary direct, to whom all communications respecting this class of Patients are to be made.

The foregoing Regulations are equally applicable to the Native Troops, and Medical Officers in charge are also directed to furnish a Copy of each case to the Superintendant, on the Individual being transferred to the Eye Infirmary.

In order to ensure immediate assistance for the Sick arriving at the Presidency from Pinang or the Tenasserim Coast, the Quarter Master General is requested to notify to the Garrison Surgeon the intended time of disembarking the Sick, and the Officer or Non-Commissioned Officer in Charge must deliver to the Garrison Surgeon the Nominal Roll and cases of the Men, to be obtained for that purpose from the Medical Officer or Servant in Charge. The Garrison Surgeon by himself or his Establishment will be prepared on the Beach to direct such cases as require immediate Hospital treatment to be conveyed to the Garrison Hospital, and the others to proceed to Chintadrapettah Barracks, or the Mount or Poonamallee, as the case may be.

In all cases the Medical Officer, or Servant, is to land with the Sick, and to deliver them over personally to the Garrison Surgeon.

30TH MARCH, 1829.

With reference to the General Order by Government of the 13th Instant, authorizing the Establishment of a School in each Corps of European Horse and Foot Artillery in the 1st and 2d European Regiments of Infantry, the Veteran Corps, and the Depôt for European Pensioners, His Excellency the Commander in Chief is pleased to direct, that Schools shall be established in those Corps on the 1st May next on which date Officers Commanding are authorized to promote to the Rank of Serjeant the Man they may have selected to be Schoolmaster.

In making this selection, attention must not be given exclusively to the erudition of the Individual but also to his Temper, Morals and General Conduct, for any deficiences in these points must unfit him for an Instructor of Youth.

The advantages expected from the Institution are not confined to the dissemination of knowledge among the Children of the Regiment, but that the same benefit should extend to the Men, Commanding Officers are accordingly called upon to use their influence and give them every encouragement to attend the School by which means many may be rescued from a life of Idleness and Intemperance to become exemplary and useful Non-Commissioned Officers.

As the success of the Institution will materially depend upon the attentive and judicious supervision of the Committees of Management and Commanding Officers of Regiments, especially, the Commander in Chief trusts that they will zealously promote it, by occasionally visiting the School, inquiring into the progress and conduct of the Scholars and bestowing upon them praise or censure according to their merits.

31st MARCH, 1829.

With reference to the Ordnance Regulations Section IX. and Paragraph 8, His Excellency The Commander in Chief directs Officers Commanding Corps to inspect in future personally, or by a Committee of Officers all Blunt Cartridges made up for the Practice of their respective Regiments.

Lieutenant W. Gompertz of the 44th Regiment Native Infantry, is appointed to the 2d Battalion of Pioneers, vice Richardson.

1st APRIL, 1829.

GENERAL ORDERS,

BY HIS EXCELLENCY THE COMMANDER IN CHIEF.

HEAD QUARTERS: CHOULTRY PLAIN;

2d APRIL, 1829.

The Commander in Chief having observed a very great want of uniformity in the practice of different Regiments with regard to various points of Duties in Garrison, the following Regulations are published for general observance, and His Excellency expects that the strictest attention will be paid to them in every particular.

Duties in Garrison.

1. For the convenience of Drill and Exercise, Regimental Guards are to mount from their Private Parades, except on occasions of General Guard Mounting, when they are to join the General Guards. With a similar view General Guards are always to be furnished by *one* Corps, and not by Details from different Regiments, and from the *same Corps* for the *whole week* when practicable.

2. General Guard Mounting is to take place at every Station of the Army once Weekly—the Monday Morning being selected for that purpose, when practicable.

3. As the practice of the Army in regard to the relative use of the Parole and Countersign is not uniform, the following rules are henceforth to be observed on the subject without reference to the General Regulations of 1824.

The Parole, as has hitherto been the custom, is to be published in daily Orders, and communicated to all Guards and Sentinels.

The Countersign may be used in Garrison or Cantonment when deemed necessary, and in the Field. It is to be communicated to Officers Commanding Guards or Picquets, and to such Commanding or Staff Officers as may be thought requisite.

In selecting Words for Paroles it should be observed that they are such as can be readily pronounced by both Europeans and Natives—Want of attention to this point may frequently be productive of serious inconvenience.

4. A Field Officer or Captain of the Day is invariably to mount in all Garrisons or Cantonments at which more than one Regiment may be stationed. The proportion of Officers for the different Guards will be determined by circumstances, but at least *one* European Officer is to be on all Main Guards.

5. At inferior Stations, where not more than one Regiment may be stationed, the Commanding Officer will exercise his discretion in fixing the number and rank of Officers for duty, but, in no case whatever, is the European Officer of the day to be dispensed with.

6. The Men for duty of each Regiment are to be carefully inspected by the Adjutant or other European Commissioned Officer before marching them from the Regimental to the General Parade.

7. It is the duty of the Fort Adjutant in Garrisons, and of the Brigade Major or Cantonment Adjutant in Cantonments, to tell off the Guards, and to inspect the whole.—He is held responsible for the appearance and efficiency of all ranks, with regard to Dress, Arms, Accoutrements, and Ammunition; —and he will, consequently, remand to their Regiments such Individuals, whether Officers or Men, as he may consider in any respect unfit to go on duty.—A quota of all Ranks from each Corps giving the Guards will always parade in waiting, to supply such deficiencies as may be occasioned by the rejection of any of their Men—The Staff Officer having concluded his Inspection will direct these parties to return to their Barracks.—Their Station on the parade is thirty paces in rear of the centre.

8. At stations to which there may not be any *Station Staff Officer* attached, this duty is to be performed by an Adjutant of the day.

9. The Field Officer or Captain of the Day is always to be present at Guard Mounting,—No other Officer under the rank of a General Officer, with the exception, in Garrison, of the Adjutant General or an Officer of his Department, and, in Cantonments, of the Adjutant General or Brigade Major of the Division or Cantonment, has any right to interfere, or to give any Orders, to the Fort Adjutant or other Staff Officer on the Guard Parade.—The Governor or Commanding Officer is, of course, an exception to this order.

Guard Mounting.

10. All Guards are to Parade with Shouldered Arms, and unfixed Bayonets, without any interval between them, and with open Ranks.—The Staff Officer having finished his Inspection of them, will order,—

Officers, and Non-Commissioned Officers Commanding Guards.

TO THE FRONT.

All Officers, and such Non-Commissioned Officers as may be in Command of Guards, will *recover Arms.*

QUICK MARCH.

When they have advanced about forty paces to the front, or to such distance as may be deemed requisite, the word of Command will be given,

INWARDS TURN.

The Non-Commissioned Officers will oblique to the outer hand, clear of the Officers, and the whole having closed to the centre, the word will be given,

HALT—FRONT.

The whole will front towards the Guards, in two Ranks.—Officers in front, Non-Commissioned in Rear. Officers to *Port Swords*—Serjeants Pikes *carried*,—Corporals with *arms advanced*. The Staff Officer having communicated to them the old Parole, and any necessary Orders, will then deliver over the Guards to the Field Officer or Captain coming on Duty. Should it happen that the Staff Officer is of superior rank to the Field Officer or Captain of the Day, his duty as such here terminates—and the Field Officer must himself collect all subsequent Reports, &c.

The Field Officer of the Day, will give the word of Command,

Officers and Non-Commissioned Officers,

OUTWARDS FACE.

On facing outwards, Arms are again to be *recovered*.

Take post fronting your respective Guards.

QUICK MARCH.

Each individual on coming opposite his Guard will Halt,—Fronting towards it.
As soon as they have all taken post, the word of Command will be given,—

Officers and Non-Commissioned Officers;—To your Guards.

MARCH.

HALT.

FRONT.

On fronting, Officers Swords are to be ported—Pikes carried:—The Music is to play during the March, ceasing at the Halt.

The Field Officer will then direct the Parade to

ORDER ARMS.

FIX BAYONETS.

SHOULDER ARMS.

Officers and Non-Commissioned Officers. Inspect your Guards.

The several Officers and Non-Commissioned Officers will then inspect their Guards. When there are two Officers, each is to take a rank, the Serjeants accompanying them.

As soon as the Inspection is over, and the Officers and Non-Commissioned Officers have resumed their posts, the Staff Officer will go down the line, and receive the report of each Guard which he will communicate to the Field Officer.

The Field Officer taking post six paces in front of the centre, will then order,—

THE TROOP.

Drummers call on the right—on which, when there are Colors, the Captain will face inwards and the Lieutenant and Ensign will face to the Right, and march, in *quick time* to the head of the Grenadiers.

The Captain goes to the head of the right of his remaining men.

The Field Officer then orders the Grenadiers to close their Ranks, and to march off in *quick time*, the Lieutenant being *three* paces advanced in front of his Men, and the Ensign *one*.

The Colors will be delivered as usual, and the Grenadiers on the flank of the Guards will file at *slow* time through the ranks, the Lieutenant and the Colors in front of the front rank. The Music will play during this ceremony.

When there are no Colors, the Drummers' Call will be followed by the Music playing the Troop.

The Colors having taken Post, or the Troop being finished, Ranks will be closed, and the Guards breaking into open column of Divisions, will march past the Commanding Officer in slow time.

When there are more Officers than one belonging to the same Guard, the second in rank is to take Command of the last division, instead of being in the rear of it.

As the Divisions of a column of Guards are generally of unequal strength, the particular attention of Division Leaders is required at the second wheel.—Each must judge his own distance with exactness.—A strong division must wheel at a point short of a preceding weak one, by the space of as many files as the strength of the latter is exceeded by it, and a weak division must overpass the wheeling point of its preceding stronger one by the space of as many files as it is deficient.

The line of covering, on the reverse flank, for the saluting side of the square, will thus be correctly taken by each division in succession.

The third wheel will bring the Pivot Flanks again into their proper line of covering.

The column having entered the fourth side of the square, the Field Officer will dismiss the several Guards to their respective posts.

11. When there is an Officer Senior to the Field Officer of the Day, on the Parade, the Guard are to march past and salute him: the Field Officer of the Day in that case receives the orders of the Senior Officer immediately after taking close order, and previous to breaking into column. The Field Officer will march past at the head of the Guards, and will again receive the orders of the Senior Officer previous to dismissing them.

12. The foregoing Regulations are drawn up with reference to the usual daily Guard Mounting. With a few necessary and obvious alterations, they are equally applicable to the General Guard Mounting in Garrison or Cantonment.

13 European Officers for Duty are not required to fall in until the Non-Commissioned have been brought to the front; they are then to assume their station.

14. All Officers not in the Ranks are to place themselves in the rear of the Commanding Officer of the Parade.

15. The attendance of all Officers, not specially exempted therefrom, is required at all General Parades for Guard Mounting.

16. Officers on all Duties under Arms are to have their Swords drawn without waiting for any Word of Command for that purpose.

17. Orderlies are to parade in one or two Ranks according to their number, ten paces in rear of the centre of the Supernumerary Rank.—In marching past in Review, they are to be a similar distance in rear of the whole column of Guards.

Field Officer or Captain of the Day.

18. It is the duty of the Field Officer or Captain of the Day, to march off the Guards from the General Parade.

19. On all occasions when he may deem it necessary to dispense with any part of the prescribed ceremony of Guard Mounting, he will specially note the circumstance in his Report for the information of the Commanding Officer.

20. The Field Officer of the Day is on no account whatever to be absent from the Garrison or Cantonment during his Tour of Duty, and if not at his own Quarters, he must invariably inform the Officer of the Main Guard where he may be found.

21. The Field Officer is to visit all Guards once during the time that Arms are lodged, for the purpose of ascertaining that all are present,—or that, in Guards of Native Troops, not more than the prescribed proportion of one-third are absent:—and that all are in proper order.

22. He is required to visit the Garrison or Cantonment Hospital once during his Tour of Duty, observing whether or not the Hospital Regulations are duly attended to, and noting down any complaints which may be made to him.

23. He is to visit all Guards between the hours of 5 P. M., and Retreat beating; ascertaining that their Commandants are all duly acquainted with the Parole, and with all orders affecting their respective posts, and issuing the necessary instructions relative to visiting Rounds and Patroles.

24. He is to go the Grand Rounds, taking an Escort of sufficient strength from the Main, or any other Guard under his orders.

25 He is required particularly to observe the manner in which Guards and Sentinels perform their respective duties; exacting the greatest accuracy and alertness from all, and enforcing the strictest adherence to the system prescribed for their guidance, any deviation from which he must correct upon the spot.

26. The Barrack Guards and Inlying Picquets only of *Regiments*, are subject to his Inspection: but it will be his duty, at all times to take cognizance of any irregularities which may occur to his notice, without distinction of Guards.

27. In Garrisons it is his duty to ascertain that the gates are shut at the prescribed hours and he is to note in his Report that he has done so.

28. On the Relief of the Guards he is to collect the Reports—which with a general one from himself drawn up according to Form No. 2, he is to transmit, or deliver in person, as may be ordered, to the Governor or Commandant.—A similar report is also to be furnished to the Officer who relieves hi.

Relieving Guards.

29. On the approach of the Relieving Guard, the Officer in Command of the Old Guard will cause his men to stand to their Arms, at open order. The relieving Guard, when within twenty paces, halts—the old Guard shoulders—The relieving Guard advances in *slow time*, and takes post on the *left* of the other, aligning with it. The relieving Guard having taken open order, the old Guard will present Arms—Drummers beating a march—the relieving Guard then presents also.

The Officer of the old Guard gives to the relieving Officer the ordered written Report of the Guard—without which the relieving Officer is strictly prohibited from making the relief. He also communicates such orders as may be necessary. Both Guards will then shoulder and take close order. The requisite number of men from the new Guard being told off, the sentries of the old Guard are to be relieved, a Corporal from each proceeding with the relief.—Both Guards will order and stand at ease. The Serjeant of the new Guard, accompanied by one from the old Guard, will ascertain that the Guard Room, and Utensils in charge of the Guard, are clean and in good order, and he will examine the Furniture, &c. &c. for the condition of which he is responsible to his Officer, to whom he will instantly report any deficiency.

The Relieving Officer is personally to receive charge of all Prisoners and to ascertain that they correspond in every respect with the report.

The relief of the Sentries having been *completed*, both Guards will shoulder, and the relieving Guard will take *open order*.

The old Guard marches off in *slow time* and with carried Arms.

At a distance of twenty paces, it will halt, and will then proceed in quick time with Arms sloped or trailed at convenience.

On the old Guard receiving the word "March" the new Guard will *Present Arms*. Having re-shouldered, and taken close Order, it will march in *slow time*, and take up the ground vacated by the relieved Guard.

30. Previous to dismissing the Men, the Officer will make them acquainted with such parts of the Orders as may particularly require their attention. Arms are then to be piled or lodged according to circumstances.

31. It is the duty of the Officer next to visit all his Sentries accompanied by the Corporal who planted them, and to ascertain *personally* that they have received their proper orders.

Relief and Duty of Sentinels.

32. In relieving Sentinels, *during the day*, the following mode is invariably to be adopted. If the Relief consist of *less than four Men*, it is to be formed in a rank entire, the Corporal on the *left* with his Arms advanced, the Arms of the Men *supported* :—he is to observe that the Men march regularly, are perfectly silent, and that the rear ranks, when the Relief consists of more than four Men, are well locked up.

On approaching within ten or twelve paces of the Sentinel to be relieved, the Corporal will give *in an under tone of voice* ; the word—

HALT—CARRY ARMS.

Which is to be obeyed both by his own party, and by the Sentinel, who will, at the same time, assume his proper front. The Corporal then advances with the relieving Man whom he halts opposite to, and one pace distant from the Sentinel.

PORT ARMS.

Both Men Port Arms, and the old Sentinel in a low tone of voice, so as not to be overheard by any one but the Corporal, communicates to the other the orders of his post. It is the especial duty of the Corporal to see that this is done clearly and correctly—remembering that he will be held responsible should the Sentinel, on being visited by the Officer of the Guard, be unable to give satisfactory answers to his interrogatories.

SHOULDER ARMS.

Both Men Shoulder, and the Corporal marches the relieved Man to the left of his party, the new Sentinel at the same time stepping forward into the other's place, and assuming his proper front.

SUPPORT ARMS.

All will support Arms.

QUICK MARCH.

The Sentinel allows the relief to proceed clear of his Post, and then, facing to the right or left, assumes his walk, which is not to exceed 10 paces to each flank, and which is to be distinctly pointed out to him at the time.

33. A Sentinel is never to be relieved, but in presence of the Corporal. The Corporal who sanctions a relief being made by the Men in his absence, and the Sentinel who permits himself to be so relieved, alike subject themselves to be punished by the Sentence of a Court Martial.

34. All Reliefs are to be marched the whole round of Sentries in perfect silence ; and no Corporal shall allow of the slovenly and unmilitary practice of the relieved Sentinel proceeding by himself to the Guard Room.

35. The Corporal, as well as the relieving Man, is carefully to examine every article in charge of a Sentinel before making the relief.

36. The relief is at all times to be conducted with the greatest smartness and attention. The words of Command should be given in a *decided* manner : but *in an under tone of voice*. The Officer of the Guard will particularly observe the manner in which Corporals perform this essential part of their duty, and he will remark in his report upon such as appear ignorant or inattentive.

37. The Corporal on the completion of the relief is to report to the Officer or a Non-Commissioned Officer of the Guard.

38. Sentinels are *not to quit their Arms for an instant*, nor to suffer any person to touch them on any pretence. They are to keep *their post clear*—allowing no rioting or disturbance of any kind in their vicinity. They are never to converse, loiter, or lounge upon their posts, nor to remain in their Sentry Boxes in good, nor even, in moderate weather,—but are to move about briskly in a soldier-like manner, and not to go beyond the ordered distance of 10 paces to each flank.

39. A Sentinel must on no consideration quit his assigned station before being regularly relieved ; should he find himself incapacitated by sudden illness, or other cause, from the due performance of his duty, he is to call to the Corporal of the Guard ; or, if at too great a distance to be heard by the Corporal, he is to pass the word to the next Sentinel who will pass it on until it reaches the Guard. The Corporal, taking a Private with him, will then visit the Sentinel, and relieve him or otherwise, according to circumstances.

40. Corporals are particularly to instruct Sentinels not to communicate their orders to any but the Officer or Non-Commissioned Officer Commanding the Guard.

41. Whenever it may be necessary to give orders to a Sentinel, it must be done through the Commandant of his Guard. No other Officer, whatever his Rank, can be permitted to give instructions to, or in any manner to interfere with a Sentinel upon his post.

42. Sentinels are permitted to *support* or to *slope* Arms. On the approach of an Officer, or other person entitled to the compliment, they are to halt—assume their proper front—and carry arms—remaining steady in that position, or presenting arms, according to circumstances :—this is not to be done at the instant the Officer passes, but by the time he is within fifteen paces of their post, so that they may be perfectly steady before he comes up. The Officer having passed clear of their post, they will face to the right or left, and resume their walk.

43. Sentinels must be distinctly informed which is to be considered by them as their *proper front*—on Ramparts, or in Batteries, it will be *outwards*, towards the field.

44. When an Officer, or other person to whom the Guard has orders to turn out, approaches within 50 paces, the Sentinel will give the word

Guard, turn out,—
Commanding Officer—or
Field Officer of the Day, &c. &c.
as the case may be.

The Guard must on this turn out although the Officer for whom it was ordered should at the same time decline the compliment. In that case the Guard must be turned in again in a regular manner by word of Command from the Officer. It is requisite for the security of a Guard that the Order from the Sentinel to turn out should at all times be obeyed without delay, or hesitation.

45. To all Field Officers, and to Officers of a superior rank, Sentinels are to *Present Arms* :—to all other Officers, they are to carry arms—Although Guards do not turn out after sun-set to pay compliments, yet Sentinels pay proper attention to all Officers who may approach their posts until it is dark, or until watch-setting. They are not, however to *Present Arms*, but will stand steady, with carried arms, facing to their proper front.

46. All Sentinels are to stand steady, with shouldered arms, facing to their proper front, during Retreat Beating—They pay no compliments to any Officers who may pass them at that time.

47. Double Sentries, in paying compliments, must be careful to *act together*—the left hand man will take the time of each movement from his comrade on the right.

48. Whenever from there not being sufficient room for the Sentinel to move about with his arms shouldered, or from any other cause, it may be found necessary to post him with a Bayonet only, his Musket is invariably to be lodged with the Arms of the Guard.

49. Sentinels posted with Bayonet only, will pay the necessary compliments by standing steady, facing to their proper front, the Bayonet carried erect, close into the *left* side, at the full length of the arm.

50. Sentinels posted over Powder Magazines pay no further compliment than standing steady with carried arms, facing to their proper front.

51. Sentinels are to be relieved every two hours, or, when the number of Men on duty may warrant the measure, or the state of the weather render it expedient—every hour—in which case the circumstance must be mentioned in the report.

52. Running Sentries are strictly prohibited.

53. European Sentinels are to be exposed to the Sun as little as possible and where they can be posted under the shelter of a Veranda or other Cover, they are to be allowed the advantage of it,—except during Saluting hours.

Guards.

54. The Commissioned and Non-Commissioned Officers Commanding Guards, are held responsible for the regularity and good conduct of their Men, as well as for their exact performance, in every particular, of the various duties assigned to them.

55. It is the first duty of an Officer to make himself acquainted with the orders of his Guard, and also *with those which each Sentinel ought to have upon his Post*, and every relief is to be inspected by a Non-Commissioned Officer.

56. The Commandant of a Guard, whether European or Native, whatever may be his Rank, is on no pretence whatever to quit it, except for the purpose of visiting his sentries, or of going the ordered Rounds, and he must then invariably mention his intention, and the probable time of his absence, to the next in Command.

57. No Non-Commissioned or Soldier is to quit his Guard without leave, which is to be granted only upon urgent occasions, and with proper limitation both as to time and distance. The Native Troops are, however, for the purpose of taking their Meals, permitted to be absent from a Guard, in the proportion of *one third of its strength*, between the hours of 9 A. M. and 4 P. M. when the arms are lodged, for a period to be prescribed by the Commanding Officer—but from this indulgence are excepted all Guards over Jails and Treasure, from which none of the Men can be allowed to absent themselves, on any account. In the event of any Officer or Soldier becoming incapacitated by sickness or other cause, from remaining on duty, the circumstance must be reported to the Field Officer of the Day who will apply to the proper Staff Officer for the necessary relief.

58. Neither Officers nor Soldiers are to take off their Clothing or Accoutrements while they are on Guard—They are permitted to open their stocks between saluting hours, but more than that is strictly forbidden.

59. Officers on Guard are strictly interdicted from entertaining Guests at their Guard Rooms—nor are Officers, at any time, to visit others on duty but in their Regimentals, and with side Arms.

60. The Officers and Non-Commissioned Officers of Guards are responsible that no drinking, swearing, gaming or other irregularity, are allowed in their Guard rooms—and the Rolls are to be called at least once in every four hours.

61. Officers and others in Command of Guards, are held responsible that no person shall in any manner deface, or otherwise injure the walls or other parts of their Guard Rooms, or Offices attached, —and Sentries are to have similar instructions concerning any Public Buildings or works over which they may be stationed, as well as their own Sentry Boxes.

62. All Guards are to be under Arms on the appearance of any large body of men, armed or unarmed, and to remain so, until such body shall have passed, or marched out of sight.

63. In Garrisons, the Officers Commanding Guards at the Ports, are to draw up the Bridges, or shut up the Barriers, on the approach of any body of armed men, of which they are to give notice to the Main Guard, and are not to suffer any of them to come into the Garrison, without leave from the Field Officer or other competent authority, unless previous instructions may have been given them on the subject.

64. On occasions of Fire or other alarm, all Guards are to be immediately under arms. In Garrisons, the Barriers are to be shut, or Draw Bridges to be drawn up—and they are so to continue until the Fire is extinguished, or until they may receive orders from the Field Officer of the Day or other competent authority.

65. All Guards are to turn out with shouldered arms, and at *close* order, during Reveillée beating, and they are to remain so until broad day light. The Officers will then carefully inspect them, and cause the men to arrange their dress in as clean and Soldier-like a manner as possible.

66. They are to be under arms, at *open* order, during Retreat Beating, on the conclusion of which, Officers are to make the regular Inspection, and are then to lodge the arms.

67. At Tattoo Beating, the Roll of the Guard is to be called, and Officers are *personally* to ascertain that all are present, and fit for duty.

68. All Guards in the vicinity of the General Parade are to stand to their arms during the Troop at Guard Mounting.

69. The arms of Guards are to be piled from Reveillée till 9 A. M. and from 5 P M. to Retreat Beating—During those hours the ordered compliments are to be paid to all persons entitled to receive them. From 9 A. M, to 5 P. M. Arms are to be lodged, and Guards are not then to turn out to any Officer, *as a compliment*, unless when they may have special orders to do so. Guards are not to *present* to any person not passing within *thirty paces* of their front or flanks, nor are they to get under arms should he be more than fifty paces distant. Whenever an Officer entitled to compliments from a Guard may pass in it's rear, the Guard will remain steady with Shouldered Arms.

70. The Arms of Guards are always to be lodged with *Bayonets fixed*. In *Piling* Arms, Bayonets will be *fixed*. All Guards which are of a less strength than 12 Rank and File are on all occasions of turning out, either for compliment or Inspection, to be formed in a single Rank.

71. The compliment of Presented Arms is not to be paid at the instant the Officer or other person entitled to it, passes the Guard—but by the time he is within fifteen paces of it, so that it may be perfectly steady before he comes up.

72. The Commandants of all Minor Guards are to send a report at 4 P. M. to the Officer Commanding the Main Guard, and at other times also when any thing extraordinary happens on or near their Posts.

73. Officers on Guard are to go their Rounds frequently during the night; specifying in their report, the particular hours at which they performed this duty.. In the Reports of all Guards are to be mentioned, likewise, the hours when visited by Officers, or Rounds of any description. A Non-Commissioned Officer, with a file of Men, is frequently to visit the Sentinels during the day.

74. On any Prisoner being committed to the charge of a Guard, the Commandant is immediately to report the circumstance to the Field Officer of the Day, to whom also he will transmit the charge, when received, after copying it into his own report.

75. No Prisoner once committed to a Guard is to be released but by order of the Field Officer of the Day, unless instructions to that effect may be received from the Commanding Officer, or his immediate Staff, *direct*. In that case, the Officer will of course, yield prompt obedience, at the same time reporting the circumstance to the Field Officer.

76. Whenever a Prisoner may be allowed to quit the Guard for a short time, on any necessary occasion, he must invariably be attended by two or more of the Guard, and it is to be considered as a standing rule that no two Prisoners are ever to go out together.

77. No person whatever is to be permitted to interrogate or hold conversation with any Prisoner without orders from the Field Officer, or other competent Authority.

78. The Drummer on duty with a Guard is never to be absent from it, on any occasion.

79. All orders given to the Commandants of Guards, either verbally, or in writing, by any authorized Staff Officer, are to be obeyed without hesitation—and a corresponding report to be made to the Field Officer.

80. No mob, or assemblage of people, is to be allowed in the neighbourhood of a Guard. On any appearance of one, the Guard is to get under Arms, and the requisite measures are to be taken for its dispersion.

81. Whenever a Civil Magistrate applies for assistance to any Guard, it is to be granted immediately.

82. In all Garrisons, the following rules are to be observed in opening the Gates.

On the approach of the Serjeant with the Keys, the Guard will get under Arms—the Serjeant will then unlock all the Gates with the exception of the outer one, the Wicket of which only is to be opened to give egress to a Corporal and a File or two of Men, who will move out and reconnoitre to some distance from the Barrier. On the Corporal returning and reporting that there is nothing extraordinary, the outer Gate will be unlocked. But should any Body of Men be perceived, the Wicket is to be immediately shut, and a report made to the Field Officer.

During the Opening and Shutting of the Gates, the Guards are to continue under Arms, their Officers being at their head.

83. All Guards on dismounting are to be marched with the utmost regularity to their Regimental Parades where they are to be dismissed.

84. The Officer of the Guard is to make out two Reports agreeably to Form No. I, one of which he will give to the relieving Officer at the time of the relief,—the other he will transmit to the Field Officer of the Day on the relief being completed.

85. Officers making written Reports are to sign them, specifying their Rank, and the Regiment to which they belong.

86. No Guards taken from the regular Troops, wherever posted, are to be exempted from the visitation and control of the Field Officer.

87. Soldiers must never be seen carrying Bundles or Umbrellas when under Arms.

88. Every Regiment in Garrison must have an alarm post assigned to it, to which it will repair in case of Fire, or any other extraordinary alarm, either by day or by night.

89. Guards allotted for the security of Jails are not intended to act as the immediate Keepers of the Prisoners confined there, for whose safe custody the Civil Power is responsible—The Guard is to *support* the Civil Power in the preservation of order, promptly assisting in the repression of any disturbance or attempt at violence, but it is not to furnish details for the purpose of accompanying Prisoners to and fro, nor is it at any time to be employed in the performance of duties pertaining to the Offices of Jailors or of Peons.

90. The Military Officer will decide upon the number of Sentinels required, and upon the proper situations for them, but he is to give no Orders affecting the Prisoners or other persons connected with the Jail, without the sanction of the Magistrate.

91. The Officers in waiting, as next for duty, who are always to be mentioned in the orders of the Day, are constantly to remain within the Garrison or Cantonment, and should they be absent from their own quarters they must leave word where they are to be found.

92. An Officer is not to be placed in *Charge of a Guard* till he is sufficiently acquainted with his duty. Young Officers are invariably to be put on duty for a sufficient time as Supernumeraries, with those of the Senior Officers from whose advice and *example* they may be expected to derive the requisite knowledge.

93. The attachment of Orderly Soldiers to Officers being solely for the performance of *Military Duties* they are, consequently, on no pretence whatever, to be employed otherwise than upon such duties. They are not to be permitted to look after *Officer's Horses*, nor in any manner to be placed on a footing with the menials of the House. They are, when accompanying Officers, always to move at the regular Military pace, which is never to be exceeded but on urgent occasions of service. They are strictly inhibited from running after Horses or Palankeens. It is not considered their duty to carry an Officers Arms, which can never be so properly disposed of as by his own side.

94. Neither Guards nor Orderlies, Boys included, wherever stationed, are on any consideration to receive orders from Servants of any description, whether Conicopolies, Writers, Butlers, or others —and it will be the duty of the Staff Officer parading Guards especially to warn the Men from receiving, or yielding any obedience to orders so communicated.

Honors to be paid by Guards.

95. The prescribed honors are to be paid by all Guards during saluting hours, that is, from Reveillée to 9 o'clock in the morning and from 5 o'clock to Retreat Beating in the evening.

96. The compliments to be paid to Local Authorities will always be specified in the orders of the Station.

97. Guards will turn out to all Military Funeral Processions, and to those of Officers they will present arms.—On such occasions, they pay no compliments to Officers accompanying such Processions, although they might otherwise be entitled to them.—Nor is the drum to beat.

98. Should any Officer entitled to the salute, pass at the time of relieving Guards, the senior Officer will give the word to both Guards.

Rounds and Patroles.

99. Rounds are intended as well for the purpose of preserving order within the boundaries of the Garrison or Cantonment, as of ascertaining that Guards and their Sentries are alert on their posts, and vigilant in the execution of their duty.

100. The ordinary Rounds in Garrison are the Grand, and the Visiting Rounds.

101. The Grand Rounds are to be gone by the Field Officer or Captain of the Day, *only*—and are received by Guards and Sentinels with presented Arms.—They are not to set out before 11 o'clock.

102. The visiting Rounds may be gone by the Field Officer, or by the Officer of the Main Guard, and at any hours between Reliefs, both before and after Grand Rounds. They are received by Guards and Sentinels with carried Arms.

103. Patroles composed of a File or two of Men under a Non-Commissioned Officer, or Corporal, are to be sent out frequently during the night within the district of each Guard, performing the same duties as Rounds with the exception of visiting Guards.

104. Rounds and Patroles are to quell all riots, and to take up, and give in charge to the nearest Guard, any drunken or disorderly people who may be disturbing the peace of the Garrison or Cantonment.

105. Inclemency of the Weather can never be admitted as an excuse for the non-performance of the duties above directed. It is precisely at such times that Guards and Sentinels most require supervision —Lanterns are not to be carried—They are at all times unnecessary, and are obviously calculated to defeat one principal object of the Rounds.

106. Should the Field Officer of the Day be in a Palankeen, he must quit it on coming within

30 paces of the Guard—and it is to be considered a standing Rule, that the Officer visiting a Guard is always to inspect the Men.

107. Officers of Guards going Rounds, are to do so on foot. They are not permitted to be mounted.

108. Officers of Rounds are themselves to answer when challenged, and the practice of deputing that duty to the Non-Commissioned Officer is prohibited. It is to be observed that Rounds are to go at varied and uncertain hours—and not at the same precise time night after night.

109. The following system is established for the guidance of Guards and Sentinels in the performance of their night duties.

SENTINELS POSTED NEAR GUARDS.

110. On its becoming dark, or after watch-setting, all Sentinels will challenge persons approaching their posts. This is not to be done in a loud bawling tone, which is not only unnecessary, but highly improper—it is sufficient that the person challenged should hear the Sentinel, who will modulate his voice accordingly.

111. To Native Troops in particular it should be well explained, that giving words of Command, or challenging, in a louder than necessary extent of voice, are by no means proofs of Military smartness—on the contrary, it is their duty to keep every thing as quiet and tranquil about their posts as possible.

112. The Sentinel on hearing or seeing any one approaching his post, will front to whatever quarter the person may be coming from, and at the distance of about 30 paces give the challenge

Halt!

Who comes there?

at the same instant *porting* his Arms. If answered "Friend," he replies 'Pass Friend,' remaining at the *Port*, with his eye on the Stranger, who having passed clear of his Post, the Sentinel shoulders, and resumes his walk.

113. No Sentinel, whether detached from, or posted near to a Guard, is ever to allow any *Armed Party*, or large body of Men, *Armed or Unarmed*, to pass his Post without due examination—Should such party, on being challenged, answer "Friend" the Sentinel will order

Stand Friend!

Advance one—give Parole—

saying which, he comes to the *Charge*, and, keeping his eye on the party, allows *one* person only to approach, sufficiently near to converse, but not to lay hands upon his Musket. Having received the parole, or any sufficient information as to the nature of the party, &c. he will order

Pass Friend! All's Well,

remaining with *Ported Arms* until the party has passed clear of his Post.

114. To Patroles he will answer

Stand Patrole!

Advance one—give Parole—

which having received, he will order

Pass Patrole—All's Well,

shouldering and assuming his proper front.

115. A Sentinel must allow no one, on any pretext, to approach him sufficiently near to lay hands upon his Musket. Should any person attempt it, the Sentinel will immediately come to the *Charge*, and order him to keep clear of his Post. Nor, having fronted after challenging Rounds or Patroles, must he allow them to pass in his *rear*.

116. If any person answering "Friend" should wish to enter the Guard Room, the Sentinel will stop him, and call for the Serjeant or Corporal of the Guard, who will judge of the propriety of passing him.

117. If answered

"Grand, or Visiting Rounds"

to proceed thus.—

Stand—Grand or Visiting Rounds—

Guard, turn out—

Grand Rounds!

This last must be said loud enough to rouse out the Guard. The Sentinel will remain with his *Arms Ported*, fronting towards the Rounds, from which he will allow no person to move until the reconnoitring party from his guard shall desire one to come forward—On the Commandant of the Guard directing the Rounds to advance, the Sentinel will Shoulder and assume his proper front; "*Presenting Arms*" to Grand Rounds, otherwise "Carrying Arms."

DETACHED SENTRIES.

118. The preceding Regulations are equally applicable to Detached Sentries, with the exception of those referring to the reception of Rounds.

119. When answered "Grand" or "Visiting Rounds,"—detached Sentinels will proceed thus:—

Stand, Grand, or Visiting Rounds.—Advance one, give Parole—proceeding as above directed for "Patroles."

Having received the Parole, he will order

Pass, Grand, or Visiting Rounds.

All's well.

Shouldering, and assuming his proper front. To grand Rounds he will *present Arms*, and to Visiting Rounds he will *Carry Arms*.

120. If answered "Relief" he will order

Stand Relief.

Advance one, give Parole.

Having received which he will answer;

Advance Relief all's Well,

Remaining with *Ported Arms* fronting towards the Relief, which, in other respects, will be conducted in the manner ordered for the day time.

121. All Guards on being ordered to " Turn Out," will do so with the utmost celerity, and *without Noise*, at *Close Order*, and with *Shouldered Arms*.

122. The Commandant will detach a Serjeant or Corporal, according to his strength, with a file of Men to reconnoitre.

The Serjeant advances towards the Rounds, " Halts" his Men at about ten paces from them, orders " Port Arms," and challenges

Who comes there ?

" Grand or Visiting Rounds."

Stand.—Grand or Visiting Rounds—

Advance one—give Parole.

The Serjeant then stepping out two or three paces in front of his Men, comes to the *Charge*. Having received the Parole, he runs back, and reports to the Commandant of the Guard.

He then returns quickly to his Men, who have remained at the *Port*, watching the Rounds and allowing *no person* to move.

The Commandant Orders.

Advance Grand, or Visiting Rounds—and then *takes open order*—On the word " Advance Grand Rounds," the Serjeant orders

" *Shoulder Arms*,"

and wheels back his Men.

He who came from the Rounds with the Parole, now return to his Party.

The Officer of the Rounds leaving his escort halted, advances ; passing in front of the Serjeant's party, which will " Present Arms," &c. according to circumstances. The Guard will receive him with the proper compliments—The Round Officer having finished his Inspection, the Guard Officer orders

" *Advance the Escort*."

The Serjeant *then* permitting the Escort to pass, rejoins the Guard with his Men, and the Rounds passing on, Ranks are closed, and the Guard is dismissed.

123. All Officers going Rounds are to satisfy themselves, by personal observation, that the Men are all present, sober, and properly dressed and accoutred.

124. When a Guard consists of a Corporal and three or four men only, the Corporal himself will advance *with his Sentinel* and reconnoitre.

125. If posted with a guard of six Men, having only one Sentinel, the Corporal will detach two Privates, one of them to act as Corporal,—When there are two Sentinels, he will detach one Private as Corporal with a Sentinel.

126. The reply of Rounds to the challenge will be " *Grand Rounds*" or " *Visiting Rounds*," according to circumstances—and not simply " Rounds."

127. Rounds having occasion to pass Sentinels posted over Guards which they may not intend to visit, will, on being challenged, answer " Friend."

Patroles will answer in the same manner.

128. When two Rounds or Patroles meet in the night, that which challenges first receives the Parole from the other, which it will order to stand.

129. Rounds on being challenged should immediately halt.

130. If no answer be made to the Sentinels challenge, he will repeat it, and demand an instant reply.

131. The Parole, and generally all conversation between Sentinels and others, must be repeated in a low tone of voice.

132. In double Sentries, the right hand man will give the challenge—both will *port Arms*, the left hand man at the same instant falling to the rear of his comrade, uncovering to the right. The right hand man advances two or three paces to receive the Parole, the other keeping his eye on the party challenged.

133. Sentinels must be particularly cautioned not to challenge without occasion. The practice of bawling out to every passer by at whatever distance he may be, and in whatever direction he may be going, is absurd in the extreme—Sentinels are only to challenge persons *approaching their posts*.

134. Every Native Sentinel must be instructed to pronounce his words slowly and distinctly, *their meaning being well explained to him*, and he must be taught always to enforce the orders of his post without respect of persons.

135. Nothing speaks more conclusively to the real state of the Drill and Discipline of a Corps than the manner in which its Guards and Sentinels perform their various duties. Nor let the opinion be entertained that these are but forms, strict adherence to which may safely be dispensed with : Officers have not now to learn that even in the greatest apparent security and tranquillity the most serious evils have occurred, which, had the troops on duty been properly alert and vigilant might have been checked or wholly prevented in the outset.

GENERAL ORDERS.

BY HIS EXCELLENCY THE COMMANDER IN CHIEF.

HEAD QUARTERS: CHOULTRY PLAIN;

18TH APRIL, 1829.

From the reiterated notice which has been given of the necessity of Officers in general making themselves acquainted with the Hindoostanee Language, and of the determination of the Commander in Chief to recommend the removal from the Staff of every one not Master of it, it is with no less pain than astonishment that he has inspected the reports of the late examination, exhibiting out of 42 Names yet before him, only six arrived at a proficiency necessary for the fulfilment of their duties, the great mass only in progress far short of perfection, and eight absolutely incompetent, many of whom have been for years receiving the Pay of Interpreters ! ! ! for which with common abilities there can be no doubt that an assiduous study of six months with a proper and honorable sense of their duty would have rendered them generally capable. For every Officer in the Company's Service, entrusted as they are with the interests of the Native Soldiers under their Command no less than with those of their employers this must be a culpable negligence.

In an Adjutant it is of a darker character. In a Quartermaster and Interpreter it is more than negligence; it is absolute criminality, and if in the course of his duty as such, he has been sworn to interpret fairly and truly before a Court of Justice, what *ought* to be his feelings if his ignorance of the language has brought down an unjust decision upon some innocent person—a circumstance which cannot be considered improbable in a series of 4 or 5 Years during which some of these Officers have held those appointments. All such therefore must be looked upon as incorrigible Cases, and the Commander in Chief will not hesitate to recommend their immediate removal. To those however whose progress toward perfection holds out a reasonable hope of attaining it, and to those of very recent appointment he is willing to allow another six months to complete their Studies, but it must at the same time be understood, that this indulgence ends there, and that if then found wanting—it must indeed be a strong Case that will prevent their removal—for if Officers are not found capable of replacing them in their own Regiments they will be selected from others where more zeal and industry is to be found.

The following is the state of the Reports up to this date. The Commander in Chief thinks it due to the meritorious thus to record their Names, while the Officers who here find theirs respited will, he hopes, be ambitious to emulate them and to stand before the army on a brighter list at the next examination.

The others who have been in the Receipt of allowances for a duty which they have not performed, can have no reason to complain that some service at least is here exacted of them in holding them out as beacons of a danger to be avoided.

It is further deemed necessary on this occasion to call the attention of Officers Commanding Native Regiments to the order of the 19th August 1827, no tittle of which is to be dispensed with. They are required frequently to examine the progress made in the Language by their Officers as they will be held responsible that their reports on this head are strictly correct, as they will be brought to proof by the Official Examination. (Signed) G. T. WALKER, Lieut. General, *and Commander in Chief.*

The long Services of Jemadar Vencatasawmy would have had considerable weight with the Commander in Chief in deciding upon this case, but when he reflects on the distinct notice given in his Order of 6th June 1827, referring as it does to an Order of 8th June 1812 on the same subject; the daring and open violation of both, constitutes a crime in this Instance which the Discipline of the Army and the protection of its Individuals demand to be made an example of, and the Commander in Chief is determined, that the lowest Member of this Service shall feel that he is protected from arbitrary and illegal punishment, and the Officer who inflicts it, that he will not escape the consequence denounced for it. This decision with the Orders above referred to, are to be read at the head of every Regiment in the Service, and particularly explained to every Individual present.

And as there appears to have been some misunderstanding with respect to the necessity of the Staff of the European Regiments making themselves master of the Language, 6 months will be allowed for their further Examination; they should however have known that this was a duty required of every Officer of the Service and consequently more particularly imperative on the Staff, through whom Communications with Native Soldiers and others must frequently be necessary, and they must be aware ignorance of the Language in many situations, but particularly in advance Posts where reports would be required might be fatal. This indulgence therefore must not be trifled with, nor the time allowed be lost by negligence.

The following Officers being found incompetent will be recommended to be removed.

Lieutenant and Adjutant R. E. Boardman 7th Regiment N. I. appointed July 1827.

MADRAS, 9th May, 1829. (Signed) G. T. WALKER, Lieut.-General, *and Commander in Chief.*

The Commander in Chief cannot however pass over circumstances which have been obtruded upon him in the course of this Court Martial on Mr. Assistant Surgeon Ladd, so militating against every principle of Duty and of Honor, as to call for his strongest animadversion. It here appears in Evidence that a Lieutenant Colonel Commanding a Regiment, a Captain Acting as Fort Adjutant, and the Fort Adjutant himself, had all signed Muster Rolls, the Men of which they had not mustered, thereby *wilfully making false Musters.* Now if their own principles did not indicate to those Officers the criminality of negligence in such a case, are they ignorant of the 1st and 2d Articles of the 4th Section of the Articles of War, under which they have rendered "themselves liable to be Cashiered, and to suffer such other penalty as a Court Martial may direct?" But by such neglect not only are they criminal themselves, but hold out an inducement to criminality in others, from the ease and security which they afford to the perpetration of fraud. That this has clearly been the case in this instance cannot be denied. With what propriety then can the Commander in Chief, in the face of this Army, and with such facts before it, let the Sentence of Justice fall alone on the Minor Criminal? when his Superior Officers have by a still higher offence opened the door to his Crime. Justice would indeed demand the Trial of the whole, and no alternative presents itself to the Commander in Chief to avoid the necessity of so serious an example, but that of pardoning the Prisoner, who is but the partaker of their Offence, and he, it is to be hoped from the imminent danger in which he has been placed, will see the necessity of acting hereafter on more honorable principles. That the Commander in Chief has in this instance refrained from making the higher example, is, that he has learned with deep regret that a general laxity has for some time prevailed in the performance of this important duty, and that this negligence, criminal as it is, is not confined to the Officers in question; he has thus been led to hope that with them it has rather been the effect of general bad example, and want of due reflection on the proper light in which such a derilection of principle, should be considered, that their failure should be attributed than to intentional crime; offered however as it now is to the most serious reflection of all ranks of the Army, it must be evident that should any similar instance of criminality be again brought to the notice of the Commander in Chief, it must be his imperative duty to bring it to justice whatever may be the rank of the offender.

As a doubt has been exhibited in the course of these proceedings as to a power of discharging followers, it must be expressly understood that no man liable to muster, whether Sepoy, Lascar, Toty or others, can be discharged the Service but by special orders from Head Quarters, whither all applications for that purpose must be addressed, with every particular necessary for thoroughly understanding the case.

Another irregularity too must here be noticed in the mode of payments adopted by Lieutenant and Paymaster Joy, who instead of making them solely to the Medical Officer in person, has sometimes made them to a Dresser, sometimes to a Vakeel, and at others to an Orderly. Let it then be understood that such a neglect of duty will not be tolerated, and Commanding Officers are called upon to report any future instance of such neglect, and to superintend more strictly the general fulfilment of orders within their Command.

The General Court Martial directed to assemble at Bellary in General Orders of the 5th February last, and of which Lieutenant Colonel Taylor of His Majesty's 48th Regiment is President, is dissolved.

11TH MAY, 1829.

The attention of Officers Commanding or in charge of Corps, Detachments and Departments, is called to the General Orders by Government of the 27th September 1825 and they are directed to forward the measurement Rolls for the Clothing of the year 1829, *without delay* to the Secretary to the Clothing Board.

For Jackets, the Measurement is to be taken *round the Chest*, instead of *across the Chest*, as inserted by mistake in the Order above referred to.

The undermentioned Officers have obtained Leave of Absence from their Corps and Stations.

GENERAL ORDERS,

HEAD QUARTERS : CHOULTRY PLAIN ;

16TH MAY, 1829.

The Right Honorable the Governor in Council having addressed the subjoined Orders to His Excellency the Commander in Chief to be published to the Army, they are accordingly published in Military Orders.

No. 119.

FORT ST. GEORGE, 8TH MAY 1829.

G. O. BY GOVERNMENT.

In re-publishing the following Orders of the Honorable Court of Directors, dated the 27th November 1818, regarding the Pensions granted to Officers on account of Wounds; the Right Honorable the Governor in Council finds it necessary to call the attention of Medical Officers to the certificates thereby prescribed, (particularly those given on examination of the Wounds, after the expiration of three years), which are invariably to be *on honor*; and in all cases (when the parties may not have actually lost an Eye or a Limb) to specify distinctly whether the injury, in their opinion, is or is not *equivalent to the loss of an Eye or a Limb*, so as to enable the Government to give full effect to the orders of the Honorable Court.

Our attention has lately been directed to the subject of the Pensions granted to Officers for wounds received in action, and we find it necessary to revise our orders on that head, in so far as respects the continuance of those Pensions in certain cases.

In all those instances where the injury is of a permanent nature, as for example, where the party has actually lost an Eye or a Limb in action, or has suffered such permanent injury as may be equivalent to the loss of an Eye, or a Limb, from a wound received in action, there can be no doubt of his being entitled to the Pension for life, conformably with the spirit and letter of His Royal Highness the Prince Regent's Regulations, bearing date the 20th June 1812, but cases may occur, where though at the expiration of a year and a day after the wound has been received, the period at which those Pensions commence, the Individual may to all appearance, have sustained an injury deemed equal to the loss of a Limb; yet by a skilful medical treatment, and the efforts of a sound constitution, he may in a few years be restored to his prestine bodily strength.

In instances of this kind, when we consider the liberal scale of allowances granted to the Company's Officers, it is impossible for us to consent to continue the Pensions; and we therefore direct, that in all cases of recovery, if within three years from the injury originally sustained, the Pension shall be discontinued.

In order that this Resolution may be strictly attended to, and that a careful distinction may at the same time be made between such cases and those of Officers laboring under permanent injury from wounds received in action, and equivalent to the loss of an Eye or a Limb, we direct that every Officer of our Army receiving a Pension for wounds, shall be examined at the expiration of three Years, from the time of the wound being received, by two Medical Practitioners who shall certify, upon honor, the actual state of the wound and its remaining effects, to enable you to judge whether, in conformity with the instructions now conveyed to you, the party be justly entitled to a continuance of the Pension; and we further direct, that you will transmit to us regular reports of all such examinations.

By order of the Right Honorable the Governor in Council.

(Signed) ROBERT CLERK,
Acting Secretary to Government.

Whereas it is considered expedient that persons subject to trial by Courts Martial composed of Native Officers, under the Rules and Articles established or which may hereafter be established for the government of the Native Officers and Soldiers of the Army of this Presidency, should have an option of being tried by General Courts Martial composed of European Officers; and whereas it is necessary to define certain classes of persons who are to be governed by those Rules and Articles and subject to trial by Courts Martial, the Governor in Council has therefore made and established the following additional Rules and Articles for the government of the Native Officers and Soldiers in the Service of the East India Company under the Presidency of Fort St. George, to be in force from and after their promulgation.

Finding on the 2d Instance of 1st Charge.—That the Prisoner is guilty of the Second Instance of First Charge, with exception of the word "close," of which it acquits him.

Finding on the 3d Instance of 1st Charge.—That the Prisoner is guilty of the Third Instance of First Charge, with exception of the word "close," of which it acquits him.

Remarks by the Commander in Chief.

The ends of justice having been answered by the *Sentence* awarded, the Commander in Chief will not send back the *Finding* for re-consideration, but he must, at the same time point out to the Court the discrepancy of its Finding upon the Third and Fourth Charges, from the Evidence adduced thereon. It appears that Captain Bell was, at the time set forth in these Charges confined to his Quarters, at any rate, *except* for the purpose of taking air and exercise; and to warrant the Court in its Finding, it must consequently be assumed that beating and striking a brother Officer is a *legitimate mode of taking Exercise.*

The Deputy Judge Advocate conducting this Trial has acted unadvisedly and risked the Prosecution entrusted to him by submitting to the Court an *Extract* merely from an opinion which he had previously obtained from the Judge Advocate General of the Army. As a similar practice might lead to serious misapprehensions and inconvenience to the Public Service, the Commander in Chief directs that, on all future occasions, when Deputies Judge Advocate may find it expedient to submit, for the information of Courts Martial any opinion received by them, respecting points of Military Law, from Army Head Quarters, they will invariably produce before the Court and enter upon the Record the Document containing such opinion *entire* and *uncurtailed.*

There is too much reason to apprehend that Captain Bell was led into his late most atrocious behaviour by an erroneous belief, probably originating in the suggestions of other unadvised Persons, that an Officer under Suspension is not responsible to Military Authority, or amenable to Military Law :—the Commander in Chief, therefore, takes this opportunity of making known to the Army at large, that an Officer while under Suspension is still *an Officer* in every sense of the word, and equally liable to Trial, altho' his *Executive* Functions are for the time suspended.

In further elucidation of this subject the Letter from the Judge Advocate General, which was only partially communicated to the Court by which Captain Bell was tried is herewith published.

MADRAS, *May 25th*, 1829. } (Signed) G. T. WALKER, Lieutenant General, *and Commander in Chief.*

To Captain BULLOCK,
Deputy Judge Advocate General,
Kamptee.

SIR,

I have the honor by order of the Commander in Chief to acknowledge the receipt of your letter of the 9th Instant.

In reply thereto, I have to inform you, that all doubts which might have been entertained as to the legality of bringing an Officer to Trial *when under Suspension* were *(a fortiori)* permanently solved, by the Decision of the 12 Judges, in the case of Lord George Sackville, who unanimously declared that "they *saw* no ground to doubt of the Legality of the Jurisdiction of a Court Martial in those *circumstances.*"

The Legality of bringing an Officer to Trial *for Offences committed while under Suspension*, is also beyond a doubt, for were it otherwise the disorders which might arise from the non-responsibility of Military Persons during the temporary Suspension of their Military Employment, are obvious; as they might commit any Offence, however prejudicial to the Discipline of the Army with Impunity; and then return, of necessity, to burthen and disgrace the Service they belong to.

As but few Officers may be supposed to have been so hardened in their career of insubordination as to have committed Offences, while actually under Suspension for Offences so committed, the Precedents of Officers brought to Trial for Offences so committed are probably few: but the corresponding cases of Soldiers tried for Crimes perpetrated while under confinement by Sentence of Court Martial, which is actually a *Suspension from Military Pay and Employment*, are very numerous.

I cannot agree with you that an Officer under Suspension is "virtually out of the Service," and that "his Commission remains a dead Letter;" for he might at any time, during such suspension at a moments warning by competent authority be called upon to resume the performance of his duties, and this, without any re-admission into the Service or restoration of Commission, neither is Pay "the *only* Symbol of Servitude" as you suppose for it was decided in Parliament in the year 1786, "that Officers holding Commissions by Brevet though receiving no Pay were nevertheless subject to "Military Law" and indeed were the *actual* receipt of Pay an indispensible requisite to Military Liability, then might any Soldier discharge himself by refusing to receive his Pay.

As Captain Bell's Commission wherein he is designated a Captain in the Service, and belonging to the 47th Regiment of Native Infantry, is still in existence and uncancelled, it is impossible that you should have any difficulty in proving that allegation in the charge, and his consequent amenability to the Jurisdiction of the Court, should he himself refuse to admit it.

I annex for your further information and guidance* Extracts from Tytler and Macarthur, explanatory of their opinion as to the point under discussion.

JUDGE ADVOCATE GENERAL'S OFFICE, FORT ST. GEORGE, *21st April*, 1829. } I have the honor, &c. (Signed) H. P. KEIGHLY, Judge Advocate General of the Army.

Mr. Bell will proceed to the Presidency and on his arrival place himself under the orders of the Town Major of Fort St. George.

27TH MAY, 1829.

With reference to the General Order by Government of the 19th Instant, No. 127, the Commander in Chief directs, that two Troops of each Regiment of Light Cavalry shall be reduced from the 5th Proximo, and the Native Officers, Non-Commissioned Officers, Rank and File, Trumpeters, and Farriers, shall be distributed amongst the remaining six Troops, (to be lettered from A. to F. inclusive) and those in excess of the Established strength shall be borne and drawn for as "Supernumeraries," until vacancies occur in the several Ranks to bring them on the Established strength of Regiments respectively.

Officers Commanding Regiments of Light Cavalry are authorized to reduce such Troops as may be considered the least efficient in their respective Corps, reporting to Head Quarters the number and letter of the Troops so reduced.

The Commander in Chief further directs, that from the same date the two Centre Companies of each Regiment of Native Infantry shall be reduced, and the Native Officers, Non-Commissioned Officers, Rank and File, Drummers, and Buglers, shall in like manner as ordered for the Light Cavalry, be distributed amongst the remaining eight Companies, agreeably to the rule laid down in General Orders of the 6th December 1828 (the Companies of the Left Wing being successively re-numbered) and those in excess of the Established strength be borne equally upon the Returns of the remaining Companies and drawn for as "Supernumeraries" until absorbed by Casualties.

The Rifle Corps, Seringapatam Local Battalion, and Pioneers will remain as at present.

The European Officers of Artillery, Cavalry and Infantry, now on the strength of Regiments and who are in excess of the Establishment laid down in General Orders of the 19th Instant, will be returned from and after the 5th Proximo, as "Supernumeraries," till vacancies occur.

The Establishment of each Regiment of Light Cavalry will, under the Orders of Government of the 19th Instant, be 420 Private Troopers, and 522 Horses, and the Native Infantry 640 Privates.

The Troop Havildar Majors and Puckallies of the reduced Troops of Regiments of Light Cavalry, and Colour Havildars and Puckallies of the reduced Companies of Regiments of Native Infantry, are to be continued and drawn for as "Supernumeraries" till vacancies occur to bring them on the Established Strength of Regiments.

The Chowdries, Horsekeepers, and Grass Cutters of the reduced Troops, are to be discontinued from the 5th Proximo.

GENERAL ORDERS,

BY HIS EXCELLENCY THE COMMANDER IN CHIEF.

HEAD QUARTERS: CHOULTRY PLAIN;

28TH MAY, 1829.

The Commander in Chief has learned with much displeasure, that Officers of Mounted Corps not unfrequently prepare their Regimental Chargers for the Turf; His Excellency therefore positively forbids the continuance of a practice so prejudicial to the interests of the Service, and directs that Officers shall not, without the special permission of the Officer Commanding the Regiment, make use of their Chargers for any other purpose unconnected with their duty. Officers Commanding Regiments are however authorized to permit Officers to use their Second Chargers at such times and on such occasions as will not render them liable to be lamed, or otherwise unfitted for immediate Service.

The Remount Horses selected for Officers are not, under any circumstances, to be used for exercise until dismissed from the Riding School, and reported by the Riding Master to the Commanding Officer of the Regiment, fit to join the Ranks. Officers Commanding Regiments are required to give their particular attention to the orders now issued on the subject of Officers Chargers, and are empowered whenever they consider it necessary for the better carrying this order into effect, to order such Chargers to be Picketed with the Horses of the Troop to which Officers may respectively belong.

The Commander in Chief is further pleased to direct, that the practice which appears to have obtained in the Horse Artillery of permanently appropriating certain Horses to the Guns, and others to the Saddle, be discontinued. It is most essential that every Horse should be available for the Guns, and it is therefore ordered that all shall in future be indiscriminately used for the Draught, and in the Saddle in succession.

Remarks by the Commander in Chief.

Upon this Trial, the Court has allowed a Guilty person to escape Punishment; in the first Instance, by a *Finding* in direct opposition to the Evidence; and, afterwards, upon revision, by a *Sentence* which, being illegal, must be held to be null and void.

The Commander in Chief feels himself called upon to express his disapprobation of the culpable neglect of the Deputy Judge Advocate conducting the Proceedings; who, either from ignorance hardly to be supposed in an Officer of his standing in the Department; or from a degree of carelessness unpardonable under any circumstances, has neglected to inform the Court, *a Native one*, that the crime set forth in the Charge, and therein specified as being within the provisions, of Art. VI. Section XII. of the Native Articles of War, could only be met by an Award according to the Laws and Regulations which guide the Civil Courts of Criminal Jurisdiction, under this Presidency, in like cases:—and that a *Military* Punishment could not legally be adjudged for a *Criminal* offence.

The Court has also exceeded its competence by *Sentencing* the Prisoner "to be discharged from the Service." On conviction, upon criminal Trials before Military Courts, the Court may, if it pleases, *recommend* the Prisoner to be discharged:—but the *sentence* must always be simply and strictly such as is provided by Law.

A discharge Certificate for Private Ramasawmy is to be forwarded without delay to Head Quarters.

The following Appointment is ordered in the

8th Regiment Light Cavalry:

Jemadar Syad Emaum to be Native Adjutant.

The undermentioned Officers have obtained Leave of Absence from their Corps and Stations.

G. O. BY GOVERNMENT.

The Right Honorable the Governor in Council is pleased to publish the following Extract of a General Letter, in the Military Department, from the Honorable Court of Directors dated the 18th June 1828.

Para. 37. "We therefore direct that the Officers whose Staff Allowances were revised, in consequence of our Orders of the 25th December 1823, shall in future draw Batta, as a Component part of their Staff Salary, according to the new rates; and the Regulations then in force; and that an addition be made to their former Salaries, equal to the difference between the Extra Batta of the former and new rates, such difference being calculated at a medium rate, according to the ranks respectively eligible to hold each appointment; the sum so augmented is to constitute the permanent revised Staff Salary of the appointment."

38. "Officers, however, who may be in possession of their appointments when these orders are carried into effect, are to receive the difference of the rates of the Extra Batta of their actual rank, if the medium would otherwise occasion a diminution of the allowances to which they would before have been entitled."

O. 3d December 1824; and to authorize, from the 1st Instant, the following permanent encreased Salaries, and temporary allowances to the undermentioned Staff Officers, with the full or superior Staff Batta to which they were formerly entitled.

G. O. C. C. 3d November 1821.
G. O. G. 26th July 1822.

It should be distinctly stated in the column headed "*Why recommended*" against the name of each Individual recommended to be transferred to the *Veteran* Establishment, that he is "*unfit for Field but fit for Garrison duty*;" and in the case of every Individual recommended to be *Pensioned*, that he is "*unfit for any duty*," and how he became so, and the same as the case may be respecting Men recommended to be discharged. It is not enough that disease or injuries should be stated, leaving to be inferred, the *fitness* or *unfitness* of the subjects.—It is also of great importance that attestations of Commanding Officers of Corps to Character be in no case omitted, cases not entitled by the Regulations should be sparingly recommended by Committees, and *the ground of every special recommendation distinctly stated*, and separate proceedings forwarded for each Corps.

The practice adopted by General Committees of retaining their Proceedings, till the whole of the Individuals brought before them have been examined, is to be discontinued, and the Commander in Chief directs that General Committees do transmit to Army Head Quarters, through the prescribed channel, their Proceedings by Corps and Detachments, as soon as possible after the examination of the Men belonging to them is completed.

Officers Commanding Divisions and Forces in which General Committees assembled, are requested to dissolve them as soon as their Proceedings are closed, and they have examined and ascertained that they are prepared in strict conformity to the Orders upon the subject.

His Excellency the Commander in Chief calls the particular attention of Officers Commanding Divisions and Forces to the General Orders by Government, dated 1st June 1827, relative to the European Soldiers recommended to be discharged from the Service by Invaliding, &c. Committees.

Remarks by His Excellency Lieutenant General Sir George Walker.

It is with the deepest regret, the Lieutenant General has confirmed the Capital Sentence awarded upon the Trial of Private Johnson of His Majesty's 54th Regiment, but the nature of the Crime of which the unfortunate Prisoner has been convicted, leaves him without an alternative. The Sentence will be carried into execution at Cannanore at 6 A. M. on the 7th Proximo, under the orders of the Officer Commanding, in Front of the Troops at that Station to be paraded for the purpose, and according to detailed instructions, which will be communicated by the Adjutant General of the Army. At that hour, on the same morning, or as soon after as practicable, every European Corps under this Presidency, will be paraded for the purpose of hearing read the Charge, Finding, and Sentence, upon the trial in question, together with these Remarks; and the performance of this Order will be duly reported to Head Quarters.

In the instance of Private Johnson, another awful example is afforded of the danger of Drunkenness. This unhappy Criminal appears to have been Meritorious as a Soldier, and unexceptionable as an Individual, except from this single vice, under the influence of which he has, without cause or provocation, murdered his unoffending Comrade, and brought himself to the shame and suffering of an early and a violent Death. It is to be hoped that every Soldier, who has the benefit of this dreadful warning, will profit by it, and, if himself a Drunkard, depart from the parade determined to amend.

(Signed) G. T. WALKER, *Lieut.-General.*

HEAD QUARTERS, *27th June*, 1829.

This Order is to be entered in the General Order Book and read at the head of every Regiment in His Majesty's Service on the Establishment of Fort St. George.

At the same time it is in no way intended that this option should be *pressed* upon the Prisoner; or that he should be *called upon* to decide by which Court he will be tried. He is to be warned in due course, for Trial, in the usual manner, by a *Native* Court Martial; and, should he, of *his own accord* desire to be tried, in lieu thereof, by an European General Court Martial, then the claim, should be forwarded to Head Quarters accordingly; due warning being always given to the Prisoner, in all cases when the Native Court intended for his trial may have been *inferior* to General, of the additional degree of punishment awardable by a *General* Court Martial, and to which, he may subject himself by claiming to be so tried.

This claim must, however, always be preferred *previous to Trial*, and no such request of the Prisoner can be attended to *after* his appearance before the Native Court originally appointed for his Trial.

GENERAL ORDERS,

BY HIS EXCELLENCY THE COMMANDER IN CHIEF.

HEAD QUARTERS: CHOULTRY PLAIN;

13TH JULY, 1829.

The following Extracts from the Confirmed Proceedings of a Native General Court Martial, holden at Kamptee on Saturday the 16th day of May 1829, by order of Lieutenant Colonel Charles Farran, Commanding the Nagpoor Subsidiary Force, by virtue of a Warrant of Authority vested in him by His Excellency Lieutenant General Sir George Townshend Walker, G. C. B. and K. C. T. and S. Commander in Chief, are published to the Army.

Ullah Buksh and Dada Sahib, Camp Followers, placed in Confinement by order of the Officer Commanding the Nagpoor Subsidiary Force.

Charge.—For Wilful Murder, in having at Kamptee on the 12th of March 1829, together, of their malice aforethought, assaulted Shaikh Cossim, a Camp Follower, whereupon the said Ullah Buksh held down the said Shaikh Cossim and twisted his left Arm while the said Dada Sahib violently struck with his hands, the said Shaikh Cossim, upon the Head and Neck and inflicted several mortal bruises, whereof the said Shaikh Cossim died on the 14th of the same month.

The above being within the provisions of Articles VI. Section XII. of the Articles of War.

By order of the Officer Commanding the Nagpoor Subsidiary Force.

KAMPTEE, 12*th May*, 1829. } (Signed) J. GARNAULT, Captain, Acting Asst. Adjt. Genl. Nag. Sub. Force.

Having most maturely weighed and considered the whole of the Evidence adduced in support of the Prosecution, together with what the Prisoners Ullah Buksh and Dada Sahib have severally urged in their Defence and the Evidence in support thereof, the Court adverting to the material discrepancies involved in the Evidence for the Prosecution; the interval which elasped between the assault upon Shaikh Cossim and the period of his Death, during a part of which he appeared to suffer no serious inconvenience from the blows he had received, the possibility that he may have swallowed Opium, in consequence of the abusive language he had received; and lastly, the absence of any Inquest upon the Body to ascertain the cause of Death, is of opinion as follows.

Finding on the Charge.—That the Prisoners Ullah Buksh and Dada Sahib, Camp Followers are not guilty of the Charge, and does therefore acquit them of the same.

(Signed) S. BULLOCK, Captain, Deputy Judge Advocate General, Conducting Proceedings.

The Mark X of SHAIK DAOOD, Subadar, and President.

(Signed) H. C. GOSLING, Lieut. 7th Regt. N. I. Interpreter to the Court.

If upon such Evidence as is here recorded a Prisoner can be acquitted, the guilty may always expect acquittal, as from the trifling discrepancies upon which this Sentence is built such must be ever made allowance for among low and ignorant people, especially at a period a little distant from the facts charged—The main facts, the beating and twisting of the Arm, together with the Death that so shortly followed are proved by abundant Evidence.—The very denial of these facts on the part of the Prisoners (so proved as they are) is an Evidence against the truth of their defence, and against that of the manufactured story of the Opium, which is brought forward on hearsay only, and *positively* contradicted by the Mother. This case may indeed not amount to Murder, but though Death may not have been intended, the violence having evidently been such that it followed—the crime necessarily takes a character nearly approaching to Murder, and if it does not receive a corresponding punishment, the example will be most mischievous. I desire then that the Sentence may be again submitted to the consideration of the Court. That the Judge Advocate will point out to it, the extent of the *positive* Evidence on the record, together with the futility of that given on *hearsay*, and the impropriety he was guilty of in admitting it on the face of the Proceedings, especially contradicted and unsupported as it stood, and he will endeavour to impress upon the Members the necessity of eradicating from their minds any impression they may have received from it—when there can be no doubt they will arrive at a judgment satisfactory to their own conscience and to the public welfare.

MADRAS, *June 4th*, 1829. } (Signed) G. T. WALKER, Lieutenant General, and *Commander in Chief.*

Revised Finding.—The Court having in obedience to the orders of His Excellency the Commander in Chief, maturely re-considered the whole of the Evidence adduced on this Trial, sees cause to annul its former decision and is of opinion as follows.

Finding on the Charge.—That the Prisoners Ullah Buksh and Dada Sahib, Camp Followers, are Guilty of having caused the Death of Shaikh Cossim, by assaulting and striking him in the manner set forth in the Charge, with exception of "Malice aforethought," of which it fully acquits them.

Sentence.—The Court having found the Prisoners Guilty to the above extent, does sentence them the said Ullah Buksh and Dada Sahib, Camp Followers, to be Imprisoned and kept at hard Labour for the period of (2) two years, from such time and at such place as His Excellency the Commander in Chief may be pleased to direct.

(Signed) S. BULLOCK, Captain,
Deputy Judge Advocate General,
Conducting Proceedings.

The mark X of SHAIK DAOOD,
Subadar, 47th Regiment N. I.
and President.

(Signed) H. C. GOSLING, Lieutenant,
7th Regiment N. I. Interpreter to the Court.

Confirmed with exception of the "*Hard Labour*" which is not legal in cases of Manslaughter, and is hereby remitted accordingly.

(Signed) G. T. WALKER, Lieut. General, and
Commander in Chief.

The Officer Commanding the Nagpoor Subsidiary Force will take measures to carry the Sentence of Imprisonment against Ullah Buksh and Dada Sahib, Camp Followers, into execution in the usual manner.

General Courts Martial assembled under the Provisions of Article VI. Section XII. of the Native Articles of War are competent to award such Sentences *only* as are in strict conformity to the Laws and Regulations of this Presidency, and Judge Advocates in attendance are required especially to point out to such Courts that, in no case can a punishment be awarded *in excess* of the degree specified for the particular offence in the Table of Crimes and Punishments furnished for their information and guidance.

(Signed) G. T. WALKER, Lieut. General, and
Commander in Chief.

FORT ST GEORGE, 21st JULY 1829.

G. O. BY GOVERNMENT.

The Honorable the Court of Directors having determined that the Contract for keeping up in an efficient state of repair the Harness, Saddles, Horse Appointments, &c. of Horse Artillery and Cavalry shall be vested in Officers Commanding Troops, instead of Officers Commanding Brigades and Regiments; the Right Honorable the Governor in Council is pleased to publish for general information the following Regulations connected with that arrangement.

Officers Commanding Brigades of Horse Artillery and Regiments of Native Cavalry will be prepared to deliver over to Officers in Command of Troops respectively, on the 1st April 1830, the full Compliment of Harness, Saddles, &c. &c. according to the Establishment of the Troop, as it may at that time be fixed by Government.

His Excellency The Commander in Chief will be pleased to order Committees to examine and report on the state of the appointments, &c., and the Adjutant General of the Army will forward their reports to the Military Board, and all repairable Articles must be put into an efficient state or be replaced, at the expense of the Officer Commanding; they are also to correspond minutely with the patterns established on the dates noted in the Margin in every respect, and the existing Regulations are to be considered in every respect equally applicable to Commandants of Troops, as they now are to Officers Commanding Brigades or Regiments.

The Charges against Private Narrainen of the 36th Regiment Native Infantry contain two distinct offences, such as could in no possible case legally be brought forward for Trial together.—The first Charge is for a *Military* offence, punishable according to Military usage :—the second Charge is for a *Criminal* offence, punishable according to the Regulations of Government, cognizable by a Military Court only under the special Provisions of Article VI Section XII of the Native Articles of War, and which, in the present instance, should have been made over for Trial to the Civil Magistrate.—As this circumstance necessarily illegalizes the Proceedings, and renders them null and void, the Prisoner will be released accordingly, and the Court is hereby dissolved.

Disapproved.
(Signed) G. T. WALKER, Lieut.-General,
and Commander in Chief.

Although Soldiers may *legally* be tried for a repetition of offences, and altho' Private Sied Booden might so have been brought to trial for disobedience of orders, in the present case, as set forth in the first Instance of Charge, yet the Commander in Chief is of opinion that his Commanding Officer would have acted more *discretely* in suffering the original Infliction of 250 Lashes by the Regimental Court Martial to have sufficed, instead of driving the Man to desperation by enforcing the few Days of Drill he had left

unperformed; but, independent of the discrepancy of much of the Evidence upon the Prosecution and the great Mass of irrelevant and extraneous matter which has been admitted on the Proceedings, there is another consideration which has influenced the disapproval of this Trial. The Second Instance of Charge is altogether irregular and illegal. It is without any specification of Time or Place; and it appears from the Evidence, to be merely the *first* Instance of Charge preferred *over again*, with the additional Averment, *illegally* adduced in aggravation, of the Prisoner having been *already punished* for a similar offence, by a Sentence of a Regimental Court Martial, in the preceding Month.

Under these circumstances the Prisoner will be released and return to his Duty, and the Court is hereby dissolved.

(Signed) G. T. WALKER, Lieutenant General,
and Commander in Chief.

Subadar Mohun Sing of the Fifteenth Regiment of Native Infantry, placed in Arrest by my order, on the following Charges.

First Charge.—For scandalous and infamous behaviour, such as is unbecoming the Character of an Officer, in having, on the morning of the 14th of March 1829, in front of the Regiment, on the Parade, in Camp, near Narrangaulputty in the Madura District, told me a deliberate Falsehood, viz. that he had no Servant, when he knew that he had one.

Second Charge.—For conduct greatly to the prejudice of good order and Military Discipline, in having at the time and place set forth in the preceding Charge, behaved to me in a disrespectful and insubordinate manner by persisting to importune me for Leave to come up in the rear of the Line, after I had repeatedly refused him, and fully explained to him my reasons for so doing; and by disobeying my repeated orders to fall in with his Company.

Third Charge.—For having about twenty minutes afterwards, on the same morning, on the Line of march, quitted his Company without leave; and in defiance of the immediate orders to the contrary of Lieutenant and Acting Adjutant John Ross of the Fifteenth Regiment of Native Infantry, gone back to his Family on the old ground from which the Regiment had marched that morning.

The above being in breach of the Articles of War.

BANGALORE, 11th *June*, 1829.

(Signed) A. STOCK, Major,
Commanding 15th Regiment N. I.

BY ORDER.
(Signed) B. R. HITCHINS,
Deputy Adjutant General of the Army.

The Court having maturely weighed, and considered the Evidence in support of the Prosecution, as well as what the Prisoner hath urged in his defence, and the evidence in support thereof, is of opinion.

Finding on the First Charge.—That the Prisoner is guilty of so much of the First Charge, as having said "that he had no Servant, when he knew that he had one" but acquits him of the remaining part of the Charge.

Finding on the Second Charge.—That the Prisoner is guilty.

Finding on the Third Charge.—That the Prisoner is guilty.

Sentence.—The Court having found the Prisoner guilty to the extent above stated, doth Sentence him the said Subadar Mohun Sing of the Fifteenth Regiment of Native Infantry, to be suspended from Rank, Pay, and Allowances for (5) Five Months from such date as His Excellency the Commander in Chief may be pleased to direct.

Deputy Judge Advocate General.

(Signed) A. KERR, Captain,
7th Regiment Light Cavalry.
President.

(Signed) E. AMSINCK, Lieutenant,
2d Brigade Horse Artillery,
Interpreter to the Court.

Remarks.—The Court has been induced to acquit the Prisoner of "Scandalous, and infamous behaviour "such as is unbecoming the Character of an Officer," and of having "told a deliberate falsehood" as set forth in the first Charge, in consequence of the only person in his employ having been a *Boy* and consequently incapable of performing the duty for which he required him, viz. to drive his Bandy.

Recommendation.—The Court is induced from the circumstances of the aged Mother of the Prisoner (between eighty or ninety years of age) having been left in so deserted a situation; the good

character given to him by his Commanding Officer; his long Services, with much active Field Service; added to the consideration that he has been nearly (4½) four and a half months in arrest to recommend him to the favourable consideration of His Excellency the Commander in Chief.

(Signed) H. O'BRIEN, Captain,
Deputy Judge Advocate General.

(Signed) A. KERR, Captain,
7th Regiment L. C. President.

Approved and Confirmed, but in consideration of the circumstances above stated, and at the recommendation of the Court the punishment is hereby remitted.

I will not obey your orders, nor the Major's, nor any other person's." GENERAL ORDERS,

BY HIS EXCELLENCY THE COMMANDER IN CHIEF.

HEAD QUARTERS: CHOULTRY PLAIN;

1st August 1829.

Many irregularities in the Discharge from the Service of Native Soldiers and others, and in the preparation of Discharge Certificates, having been brought to the notice of the Commander in Chief, His Excellency is pleased to direct the publication of the following Regulations on the subject, holding Commanding and Staff Officers responsible for the strictest adherence to them in every particular.

DISCHARGES.

Native Troops.

1. No Native Soldier, or other person, being once borne upon the Returns of any Corps, or Department attached to a Corps, shall be discharged from the Service, except by authority of the Commander in Chief expressed by the countersignature of the Adjutant General to each Discharge Certificate.

2. When a Native Soldier is recommended to be discharged by any other but a General Court Martial, and such recommendation may meet with the concurrence of the Commanding Officer, or when circumstances connected with the trial may render the Prisoner's discharge advisable, a Copy of the Crime and Sentence shall be transmitted to Head Quarters with a Discharge Certificate for countersignature.

3. No application for the Discharge of a Native Soldier "*at his own request*," shall be forwarded to Head Quarters, unless such Soldier shall have clearly and explicitly stated to the European Officer in charge of his Troop or Company, in the presence of the Officer Commanding or in charge of the Corps, that his request to be discharged is perfectly voluntary.

4. Unless peculiar circumstances may render immediate application desirable, no application for the Discharge of a Native Soldier "at his own request," is to be forwarded to Head Quarters but through the periodical Invaliding, &c. Committees, or through the Reviewing Officer at his Annual Inspection.

5. Previous to any Soldier being recommended for discharge on account of "incurable disease," the Medical Officer is to make a most circumstantial report according to Form No. 1 to the Superintending or Staff Surgeon of the Division or Force, upon whose opinion alone the case is to be deemed incurable, and the man proposed for Discharge.

6. Every Soldier is entitled to receive Pay up to the date of his receiving his Discharge Certificate inclusive, and no man is consequently to be struck off the strength of his Corps until the Paymaster is prepared finally to adjust his claims.

7. On all occasions of Discharging Soldiers or others in receipt of Clothing and to whom Clothing may be due, the Abstract for compensation in lieu of Clothing, if none be in Store, shall be forwarded to the Clothing Board by the same post by which the Discharge Certificates are transmitted, and the Adjutant General of the Army will apprise the Clothing Board of the Commander in Chief's sanction to the Discharge, in order that the Abstract may be passed, and returned to the Officer Commanding the Corps forthwith.

8. Every Native Soldier or other person borne upon the Returns of the Army is entitled on being discharged from the Service, not at his own request, to a Donation of one Month's Pay of his rank, or when Discharged at Hyderabad, Jaulnah, Nagpoor, or other Station not within the territory of Fort St. George, as specified in the Pay Regulations, two Months Pay,—for the purpose of defraying his travelling expenses to his place of residence.

9. From this indulgence shall be excepted all individuals discharged for theft, desertion, drunkenness, malingering, or other *disgraceful* conduct, or by the Sentence, or at the recommendation, of a Court Martial.

10. Every Soldier on being discharged is to be furnished with a Certificate according to Form No. 2, which shall contain the following particulars, viz.

First. His name written at full length, rank, regimental number, the place of his nativity, the place and date of his enlistment.

Second. A Certificate of the exact period of his service, specifying in what Corps, and the time if any, employed on Foreign Service.

Third. The Authority for his Discharge, the Cause, whether in consequence of having been deemed unfit for the Service and from what specific disability, whether at the recommendation of a Court Martial, whether in consequence of misconduct, or whether at his own request.

In the instance of a Soldier discharged on account of unfitness for Military Service, the origin and nature of his disability are to be particularly explained:—if he has lost an eye, or limb, or has been wounded, or in any manner disabled, it must be stated when, where, and how, such disability took place, and whether it is considered to have been the effect of Service. The countersignature of the Medical Officer is to be attached to the Certificates of all Men discharged on account of disease.

Fourth. A Certificate of his general Character and behaviour during the period of his Service. If he has been wounded, or has distinguished himself in any particular manner it is to be here recorded.

Fifth. A Certificate that he has received all just demands of Pay, Clothing, &c. from the period of his entering into the Service to the date of his Discharge, and that he has, or has not, received donation.

Sixth. An acknowledgment to the above effect which is to be signed by the Soldier himself and corroborated by the Signature of the Captain or Commanding Officer of his Troop or Company, or of the Officer in charge of the Depôt or Department from which the Soldier is discharged.

Seventh. His age, height, and personal description, the place and date of his discharge, seal of the Regiment, and signature of the Colonel or Commanding Officer, to be affixed.

11. All Discharge Certificates are to be transmitted to Head Quarters through the channel of Officers Commanding Divisions or Forces, who will be held responsible that they are made out according to the prescribed Form, and that they are most fully and accurately filled up.

12. Every Discharge Certificate shall be read and fully explained to the Man for whom it is intended in the presence of the Commanding Officer who is to sign it, and whose duty it is to question the Man particularly whether he is satisfied that the Statement of Service is correct.

13. No Soldier who may be discharged for theft, desertion or other *disgraceful* cause, shall be allowed to retain in his possession any badges of honor granted to him for former Services.

In all such cases the Officer Commanding the Corps shall return to the Adjutant General's Office any Medals, &c. which the discharged Man may have obtained.

14. It is to be distinctly explained to each individual on his discharge, that he is strictly forbidden, thereafter, on any account, to wear the Military Jacket or Turband.

G. O. BY GOVERNMENT.

The Right Honorable the Governor in Council is pleased to publish for the information of the Army the following G. O. by the Governor General in Council, and in advertence to the concluding Para., to rescind the G. O. by this Government of the 6th of January last No. 5 ; and to declare the G. O. of the 8th of February 1828, to be again in operation.

No. 105 OF 1829.

General Orders by the Right Honorable the Governor General in Council.

FORT WILLIAM, 15*th May* 1829.

The Governor General in Council is pleased to direct the publication in General Orders of the following Extracts of General Letters from the Honorable the Court of Directors, under dates the 26th November and 3d December 1828, and to declare their provisions alike applicable to the three Presidencies.

General Letter, 26th November 1828.

Para. 2. " We think it necessary to desire that no Officer be withdrawn from his Regiment for the purpose of being appointed an Extra or Supernumerary Aid-de-Camp.—Any Officer so withdrawn, and who does not hold an authorized Staff appointment will be directed to rejoin his Corps, and in no case is any Officer, not of the regular and established number of Aides-de-Camp, to be granted any allowance as such."

General Letter, 3d December 1828.

Para. 17. You are aware of our great anxiety that the demands for the Staff should be supplied equally from all the Regiments in the Service.—Our Orders limiting the numbers to be withdrawn from any one Regiment to five, were dated on the 25th November 1823, and we are glad to perceive from your General Order of the 17th of August 1827, arising out of a valuable suggestion by Lord Combermere, that those Orders have been made more precise in their application—We fully approve of the new Regulation as published by you on that occasion, and we desire that it be strictly enforced at our several Presidencies.

18. The number of Officers in each Regiment placed at your disposal for the Staff, being more than adequate for all the demands which have ever been made for the services of Officers on detached duty, we think it advisable still further to contract the limits of selection laid down in our Letter of the 25th November 1823, and we accordingly desire that no Regiment of Cavalry or Infantry shall have three Officers withdrawn for detached employment until all Regiments have two, nor four until all have three.

20. Sufficient time has now elapsed since our Orders of the 25th November 1823 were received and promulgated, to allow of their having been brought into complete operation in every Regiment, but, if at the date of the receipt of these Orders, any Regiment shall have more than Five Officers absent from it on detached employment, we desire that all in excess to that number be immediately relieved from their Staff Employ and directed to rejoin their Corps.

21. In any future case, when four Officers shall have been withdrawn from one Regiment on detached duties, and the number allowed for as being absent on Furlough (namely four) shall be complete, we desire that if an additional Officer shall require to proceed to England on Sick Certificate one of the four absentees on detached duty (the last withdrawn) be required to rejoin his Corps.

22. We have fixed the number at four, because by the operation of our present orders no more than this number can be withdrawn for Staff employment, the number absent appearing by the last Returns to average rather less than four per Regiment.

The Honorable Court having expressed their entire approval of the Regulation published to the Army under date the 17th August 1827, and desired that it be strictly enforced at their several Presidencies, the General Orders of the 23d February 1829, No. 52 notifying the Regulation above referred to, are accordingly cancelled.

No. 185.

FORT ST. GEORGE, 14TH AUGUST 1829.

G. O. BY GOVERNMENT.

The Right Honorable the Governor in Council is pleased to establish the following Regulations, regarding Commissioned and Warrant Officers, and Non-Commissioned Ordnance, Medical and Commissariat Servants, proceeding to, or returning from the Eastern Settlements on duty, and the same rules will apply, in every respect, to the different ranks equally when returning from those Settlements on Sick Certificate, as when proceeding again to join their Corps or Departments.

When proceeding on Board the Company's Ships or Hired Transports.

2. In these cases, the Commanders of the Ships will be entitled to Table Allowance at the rate of 8 Rupees per diem, for each Commissioned Officer, and for the higher grades of Warrant Officers, viz. Commissaries, Deputy Commissaries, Assistant and Deputy Assistant Commissaries :—4 Rupees per diem, for all other Warrant Officers ; and 2 Rupees per diem for each Non-Commissioned Officer of the above Departments.

3. The Commissioned Officers, and the higher grades of Warrant Officers in the above cases, will be subject to a stoppage of 2 Rupees each per diem, for the number of days they may be on Board, but no stoppages to be made from the inferior ranks.

4. His Excellency the Commander in Chief is requested to make such arrangements, as shall admit of Officers, &c. as abovementioned, destined for Penang and the Tenasserim Coast, being embarked, either in the Honorable Company's Ships, or on Ships occasionally hired for the transport of Military, or Commissariat Stores ; and also to require the Officers Commanding at the Eastern Settlements to provide in like manner for the return of Officers to this Presidency.

When proceeding on private Ships by public arrangement.

5. When Ships of the description specified under the preceding head may not be available, passages will be provided by the Marine Board, upon the application of the Quarter Master General of the Army, and at Out Ports of this Presidency, or at the Eastern Settlements, by the Officers Commanding.

6. In the cases provided for under this head, Commissioned Officers, and the higher grades of Warrant Officers (as defined in the 2d Para.) will not receive either full batta, or house rent for the period of being on board Ship, and of course will not be subject to stoppages. Certificates from the Commanders of the Ships, specifying the period the parties were on board will be required.

When Officers proceed under private arrangement.

7. In all cases, in which Commissioned Officers and the higher grades of Warrant Officers (as above) may make their own arrangements for the passage, they will be entitled to Full Batta and Table Allowance at the rate of 6 Rupees each per diem, without being subject to stoppages ; the Bills to be discharged by Paymasters on Certificates from the Commanders of the Ships, specifying the period the parties were on board.

8. Frequent applications having been made for Passages at the Public expense, for the Wives and Children of Officers and others, proceeding by Sea on duty ; the Governor in Council deems it proper to notify, that no public Charge can be sanctioned on that account, and the parties concerned must therefore make their own arrangements for the Accommodation and Passage of their Families, but as it may be found necessary in some cases, that the expense of the passage of families shall in the first instance be paid by the public, the parties concerned will, in such cases, be subject to a stoppage of the whole amount so paid, from their personal allowances.

9. The passages of Officers returning from Prince of Wales Island or its Dependencies to be fixed, in all cases, with the concurrence of the Government at that Presidency.

10. The Bills for passage Money and Table Allowance, if at the Presidency, will be passed by the Military Auditor General, on Bills countersigned by the Quarter Master General of the Army, in verification of the charges ; and at Out Ports of this Presidency or at the Eastern Settlements, the Bills will be discharged by Paymasters on Certificates (at the foot of each Bill) by the Officers Commanding, that the periods, if for Table Allowance, are correct ; and if for Passage Money, the sums charged are those agreed on ; and when the payments are not to be made where the agreements are entered into, the Commanders of the Ships are to be furnished with the prescribed Certificates.

MADRAS, *August 30th*, 1829. } (Signed) G. T. WALKER, Lieut. General, *and Commander in Chief.*

Although the actual fact of Orders having been given to prevent smoking in the Barracks has been proved by several witnesses, yet no record to that effect has been brought against the Prisoner from the Orderly Book, consequently there is no proof of his necessarily being made acquainted with such an Order, I must therefore consider that the conviction on the part of the Court has been built on insufficient Evidence and therefore disapprove it and its Sentence is not confirmed. The neglect of a succession of Commanding Officers and Adjutants of the 1st Regiment Native Infantry in omitting to enter in the Regimental Books an Order so imperatively called for, appears to the Commander in Chief far more culpable than the simple Crime of the Prisoner which is chargeable to it.

To prevent however the possibility of such neglect in future it must be considered as a General Standing Order that no Fire or Light of any kind, on any pretence whatsoever, is to be allowed within the Depot of Arms of any Corps in the Service.

To be entered on every Order Book and to be annually renewed and read to the Men in Regimental Orders.

(Signed) G. T. WALKER, Lieut. General,
and Commander in Chief.

2. In all cases of absence from their Corps of Officers who if present would be entitled by seniority of rank to Command them, whether such absence may arise from being detached on duty from furlough, being placed on duty while on furlough, or removal from one Corps to another, in all such, or other cases, the allowances of the Officers for the period of absence are to be governed by the general Regulations of the Service without reference to the Regimental Command Allowance to which as above provided, they can under those circumstances, have no claim.

3. The above provisions to be considered applicable to the allowances of Artillery Commands, authorized by General Orders 21st July 1826.

4. It is to be understood that the Regimental Command Allowance for an Effective Corps is never payable to a Colonel in receipt of Off-reckonings, when the latter, therefore, become payable in arrear for any period for which the former may have been drawn, the Command Allowance for such period is to be refunded.

GENERAL ORDERS,

BY HIS EXCELLENCY THE COMMANDER IN CHIEF.

HEAD QUARTERS : CHOULTRY PLAIN ;

28TH OCTOBER, 1829.

The Commander in Chief with a view of simplifying the Correspondence of the Army as connected with Regiments, is pleased to direct the publication of the following "Extract" Regulations for the General information and guidance of the Army.

CORRESPONDENCE OF THE ARMY.

1. Letters, &c. from Corps and Detachments addressed to Head Quarters for transmission through the channels of Stations and Divisions, *being such as require no explanation*, shall, on being received by the Brigade or Station Commandant, be countersigned by him, and passed on to the Officer Commanding the Division, who will also affix his signature, and forward them to Head Quarters. *One envelope* only is necessary, the last being that from the Division to Head Quarters. Communications so transmitted to Head Quarters will be understood to have the sanction of the authorities through which they have passed—and letters will not in that case be required to accompany them. Letters from those authorities will be necessary only in the event of such communications not meeting with their approval.

2. Periodical Reports and Returns, to whatever Department addressed, being properly endorsed, may be forwarded without the addition of Letters accompanying them.

3. All Applications from Regimental Officers must, in the first instance, be submitted to the Commanding Officers of their Regiments.

4. Commanding Officers are to forward for the Commander in Chief's information, such applications from the individuals under their Command as are deemed to be correct and reasonable, stating the grounds on which they are induced to recommend that the request may be granted. In the instance of references or appeals to superior authority which the Commanding Officer may consider objectionable, it will be his duty to inform the party of his opinion on the subject, but should the appeal be still desired, it is to be forwarded by the Commanding Officer, accompanied by his remarks in explanation.

5. The preceding rule is equally applicable to memorials, &c. transmitted to the Medical Board, and the Commander in Chief directs that it be accordingly observed in all future instances.

6. All enclosures in letters are to be endorsed with a clear and succinct summary of their contents.

7. The number of a letter from any public Department is always to be mentioned when acknowledging its receipt.

8. The Commander in Chief further directs that the principle of the foregoing Regulations be extended to the conduct of correspondence *within* Divisions, &c.

LEAVE OF ABSENCE.

Officers.

1. Applications from Regimental Officers for leave of absence, whether to Europe or otherwise, are, in the first instance, to be made to their Regimental Commanding Officers, by whom their requests will be communicated in a letter of recommendation to the Adjutant General of the Army, through the channel of the General or other Officer Commanding the Brigade or Division.

2. Applications from Officers serving with the Corps of Pioneers are to be made as directed in the preceding paragraph, but transmitted to the Adjutant General *through the Quarter Master General.*

3. The recommendatory letters from Officers Commanding Regiments on the subject of leave of absence, are to contain, in the margin, the Rank and Name of the Officer in whose behalf the application is made—the period of leave he solicits, and the particular cause on account of which the leave is requested—likewise a distribution of the Officers of the Regiment showing the manner in which they are employed, and the number who are absent, according to the Form in the Margin.

Distribution of the Officers of the ——— Regiment of ———

		Field Officers.	Captains.	Subalterns.	Staff.

	Without Leave....				
	Vacant.....				
	Establishment....				

This space is to contain a letter from the Commanding Officer of the Regiment, to the Adjutant General, stating the grounds on which he is induced to recommend the request for favorable consideration.

4. When application is made for leave of absence for an Adjutant, Riding Master, Quarter Master, Surgeon, or Veterinary Surgeon, it must be stated what provision has been made for the performance of the duties of those Appointments during the absence of the Officers who hold them, in the event of leave being granted.

5. When the leave is solicited on account of ill health, the "Distribution" statement is dispensed with, and a Medical Certificate is to accompany the application.

6. Officers who receive leave to be absent from their Regimental duty are expected to be present with their Regiments on the day on which the periods of their leave terminate, and Monthly Returns are required to specify the date on which such Officers re-join their Corps.

7. Officers holding Commands or other appointments under the immediate nomination of Government, requiring leave of absence, shall make application to the Adjutant General for the Commander in Chief, who will submit their request to the Governor in Council.

8. Officers serving at any Station, other than in the Centre Division, requiring leave of absence to Europe and intending to embark at Madras, will, in the first instance, make application for leave to proceed to the Presidency, specifying it to be "*preparatory to applying for leave to proceed to Europe*" and the subsequent application for the latter leave may then be made to the Adjutant General direct.

9. The practice of forwarding a second application to Head Quarters for an extension of leave creates much unnecessary inconvenience, and, unless necessitated by very urgent circumstances, it is prohibited.

Native Commissioned Officers, European and Native Non-Commissioned, &c. &c.

1. Commanding Officers of Regiments or Stations are empowered to grant leave of absence to the Native Commissioned, Non-Commissioned Officers and others of the inferior ranks under their command for such period, and to such number, as they may deem proper, subject to the control of the Officer Commanding the Division or Brigade who is empowered to interfere whenever he may be of opinion that the number of men on furlough, as noted in the Returns, has reached or exceeds the proper bounds.

Passports are not required to bear the countersignature of the Station or Divison Staff.

SICK ABSENT.

1. All Sick Certificates, otherwise than to Europe, must distinctly specify the period for which the Surgeon is of opinion that the Officer's state of health requires that leave of absence should be granted to him, and no farther Certificate will be necessary during that period. The transmission of Monthly Certificates as at present required is consequently dispensed with.

2. Should continued indisposition preclude Officers from re-joining at the expiration of the original leave, they are authorised to make application through the regular channels, supported by the prescribed Medical Certificate, for an extension, specifying to what period, as ordered in the preceding paragraph.

3. In particular cases where circumstances prevent the possibility of such applications being received at Head Quarters, through the regular channel, in sufficient time for the decision of the Commander in Chief being notified previous to the expiration of the leave originally granted, Officers are permitted to forward *duplicates* direct to the Adjutant General of the Army.

4. Medical Certificates are to be counter-signed by the Superintending Surgeon, or, in his absence, by the Senior Surgeon present, the subjoined Forms being strictly attended to.

FORM No. 1.

I do hereby Certify that A. B. is in a bad state of Health, and that I think it necessary he should proceed to ————————, and that he should be permitted to be absent from his duty until ————————.

The Court having most maturely weighed and considered the whole of the Evidence brought forward in support of the Prosecution, as well as what the Prisoner has urged in his Defence, and the Evidence in support thereof is of opinion.

Finding on the Charge.—That the Prisoner is guilty of the Charge.

Finding on the Additional Charge.—That the Prisoner is guilty of the Additional Charge but that he has already been punished for the offence by a severe Reprimand in Regimental Orders, and and therefore does not award any punishment for the same.

Sentence.—The Court having found the Prisoner Guilty as above stated, doth Sentence him the said Ensign John Young Wilkinson of the Ninth Regiment of Native Infantry, to be suspended from Rank and Pay for six Calendar Months.

APPROVED AND CONFIRMED.

MADRAS, October 20, 1829.

(Signed) G. T. WALKER, Lieutenant General,
and Commander in Chief.

The Commander in Chief would in this instance have been disposed to restrict the suspension to half the period of the Sentence, had the Prisoner in his Defence shewn a proper consciousness of the wanton disrespect shewn to his superior Officers, and of the gentlemanly and proper conduct of Lieutenant Longworth on the occasion that gave rise to it.—The Court in declining to pass Sentence on the Charge upon which the Prisoner had already received a strong Reprimand in Regimental Orders, has held out a lesson to the Commanding Officer who gave it in, which he has but too much merited, and the Commander in Chief trusts that it will in future be felt by the Army at large as one of the first principles of justice that no man should be twice punished for the same offence.—It is lamentable that it should be necessary to repeat this so often in Public Orders but so it has been—If however common charity does not hereafter impress it upon all, it must be upheld by stronger measures—The suspension to take place from the receipt of this Order.

(Signed) G. T. WALKER, Lieutenant General,
and Commander in Chief.

The General Court Martial of which Lieutenant Colonel Pearse of the Artillery is President, is dissolved.

The Court having most maturely weighed and considered the whole of the Evidence brought forward in support of the prosecution as well as what the Prisoner James Carrod, Gunner of the B Troop of the First Horse Brigade of Artillery, has urged in his Defence, and the Evidence in support thereof is of opinion.

MADRAS, 26th October 1829.

(Signed) G. T. WALKER, Lieutenant General,
and Commander in Chief.

Drunkenness is certainly no excuse for the Commission of other crimes, the Prisoner must consequently abide the penalties it has entailed upon him, but an observation thrown out by him on his Defence that if he had been Confined for being Drunk at the proper Roll Call previous to his being put on duty all his other crimes would have been prevented, is so worthy of the consideration of every Commanding Officer who has a proper and paternal feeling for those under his Command, that the Commander in Chief cannot but call the most serious attention to it although he must at the same time express his regret that this is not the first time he has found it necessary to make a similar observation.

(Signed) G. T. WALKER, Lieut. General,
and Commander in Chief.

The Officer Commanding Light Field Division Hyderabad Subsidiary Force will take measures to carry into execution the Sentence of imprisonment against Gunner James Carrod, in one of the solitary Cells at Jaulnah.

Captain J. W. Moncrieffe of the 4th Native Veteran Battalion has permission to reside on the Neilgherry Hills for the benefit of his health till further orders.

Ensign W. M. Wahab of the 44th Regiment is appointed to do duty with Captain Wigan's Detachment of the 36th Regiment N. I. and accompany it to Bangalore, from whence he will proceed and join his Regiment at Cannanore.

GENERAL ORDERS,

BY HIS EXCELLENCY THE COMMANDER IN CHIEF.

HEAD QUARTERS : CHOULTRY PLAIN ;

30TH OCTOBER, 1829.

It has been with feelings of the deepest regret that the Commander in Chief has, on several occasions, had his attention called to instances of coarse language and of unbecoming epithets used by Officers to those under their Command, but a very aggravated case of this nature having lately occurred in the Artillery which has demanded his serious animadversion, he feels it his duty without further delay to call upon the Army at large to check an abuse, not only most disgraceful to the Character of those who use it, but in the highest degree injurious to the Service, inasmuch as it must disgust all who are subjected to it, and be destructive of all confidence and good will towards those in authority. But as the Commander in Chief cannot hope to express his sentiments on this important subject in the forcible and impressive language employed by Lord Hill [the Commander in Chief of all His Majesty's Armies] in one of the paragraphs of his Instructions to Inspecting Generals ;—He trusts he shall be excused for the publication of this document which, emanating as it does from the highest authority, and it may be truly said from the very feelings and practice of that distinguished Officer, will, it is to be hoped, be received as it merits by the Madras Army.

HORSE GUARDS, 1ST DECEMBER, 1828.

" The General Officer will take every opportunity of impressing upon the Commanding Officer, " and through him upon those of every Rank, the advantage which they, individually, the Corps, and the " Service at large, will derive from the adoption towards the Non-Commissioned Officer, and Soldier, of " a system of Command and treatment which shall be free from the coarse and offensive language, too " often used in reproving the Soldier for trifling irregularities, or for accidental omissions. They should " be told that the use of gross language and offensive terms, upon any occasion, is not only unbecoming " their own Character and Station, as Officers and Gentlemen, but degrading to the Soldier ; Whereas it " is desirable to keep up in *all* Ranks of the Army a proper feeling, and high sense of honour, by which " the correct discharge of duty will be best ensured."

" The gross abuse which is often lavished on a Soldier for a trifling fault, an accidental mistake, " or an unintentional omission, produces irritation or sulk, and to this cause, more than to any other, may " be traced acts of insubordination which entail the necessity of severe Punishment."

" If reproof be necessary, it should be conveyed in such a manner, and in such terms, as will " make a lasting impression, without hurting the feelings of the Individual, and lowering him in his own " estimation.—The Officers should, not only themselves, observe this injunction, but they should " require it to be observed by the Non-Commissioned Officers; and indeed their example will very soon " have the effect of checking the use of improper and offensive terms, on the part of the Non-Com- " missioned Officers towards the Soldiers. If acts of intentional neglect, and of insubordination " should take place, although wholly unprovoked by any treatment received, the means of correction " and punishment which are authorized by the Regulations of the Service must be resorted to, and they " will have double effect if not preceded by coarse and abusive language:—indeed it will probably be " found, that they will become comparatively rare, as the Duty will be done more cheerfully and " zealously.

The foregoing Order to be entered in all Orderly Books, read at the Head of every Regiment under this Presidency, and be particularly explained to Officers, Non-Commissioned Officers, and Soldiers, whether European or Native.

Deputy Adjutant General of the Army.

Major J. Mallandaine of the 35th Regiment Native Infantry, is permitted to remain at the Presidency until an opportunity offers for his re-joining his Regiment at Prince of Wales Island.

5TH NOVEMBER, 1829.

The Commander in Chief in his Order of the 20th October, on the Court Martial on Ensign Wilkinson of the 9th Regiment N. I. having stated he would have been disposed to restrict his Sentence to half the period, had the Prisoner on his defence shewn a proper consciousness of the wanton disrespect he had exhibited to his Superior Officers—he could have little expected that in the face of such an observation, this ill-advised young Man should have had the presumption to address the Commander in Chief by letter not only attempting further to justify such Conduct, but complaining of the decision of the Court which tried him in throwing out of their Proceedings 34 Paragraphs of his speech in Defence, of which he has had the hardihood to send Copies to Head Quarters.

Of the libellous matter, of the idle reports therein descanted upon, in fact of all the irrelevant trash contained therein, there can be but one opinion beyond the dangerous circle in which this young Man must have been buoyed up. Nor can there be any doubt but that the Court's rejection of it was in tenderness to the youth and ignorance of the Prisoner as well as in a due sense of propriety. But though the Commander in Chief will in the same feeling refrain from dwelling further on these most objectionable papers, this young Man must be told that if he expected that the step he has taken would lead to a diminution of his Sentence, he has made a most erroneous calculation and has much mistaken the nature of the Profession he has adopted. That a perseverance in the self-sufficiency that can set him up against the opinions of his Superior Officers; against the better judgment of a Court of Justice, must ultimately snatch from him definitively that Sword of which, as a lesson of forbearance and Discipline, he has now been only temporarily deprived. The Commander in Chief is however unwilling to believe that so young and inexperienced a Man can have adopted a Conduct so ruinous to his future prospects without the mischievous advice and encouragement of more hardened confederates who shelter themselves under his weakness. Let him then if he hopes to prosper, avoid all such in future as he would a pestilence, and let them beware, if such there are, that they do not in their vanity commit themselves when least they imagine it!

Captain W. S. Hele is removed from the 1st to the 3d Battalion Artillery.

The Commander in Chief is pleased to confirm the undermentioned Appointments.

6TH NOVEMBER, 1829.

A General Court Martial consisting of a President and Fourteen Members for the trial of all such Prisoners as may be brought before it will assemble at Bellary, at such time and place as the Officer Commanding the Ceded Districts may direct.

The Troops serving in the Ceded Districts will furnish the Detail and an Interpreter to attend the Court.

Captain H. O'Brien, Deputy Judge Advocate General, will conduct the Proceedings of the Court Martial, to whom the Rank, Names and Dates of Commissions of the Officers ordered for this Duty are to be sent.

GENERAL ORDERS,

BY HIS EXCELLENCY THE COMMANDER IN CHIEF.

HEAD QUARTERS: CHOULTRY PLAIN;

7TH NOVEMBER 1829.

The Commander in Chief is pleased to publish the following Memoranda for the guidance and disposal of the Proceedings of Military Courts of Requests assembled under the Provisions of Act IV. Geo. IV. Cap. 81.

I. The Court having met, the President and Members are to be duly sworn, *upon each Trial separately.*

II. If the Plaintiff fail to appear, a *Nonsuit* is entered upon the Record and the Court closes its Proceedings on the case.

III. If the Defendant fail to appear;—after evidence upon oath (to be duly recorded) that personal notice of the day and hour of the Court's Assembly has been served upon the said Defendant, the Court proceeds to hear the cause *exparte*, receiving and recording such proof as the Plaintiff may have to adduce, and giving judgment thereon accordingly.

IV. The Plaintiff and Defendant being both in Court, the Court inquires of the Plaintiff (not upon oath) what the nature of his demand is:—and, on this being stated, interrogates the Defendant (not upon oath) as to whether he owns the debt and acquiesces in the statement of the Plaintiff, or not. This preliminary examination of the Parties is to be conducted by the Court to such extent as may appear to be desirable; and it is to be remembered that such declarations as either Party may make *against his own interest*, altho' *not upon oath*, are good evidence against himself.

V. Should the Defendant acknowledge the debt, a decree is then passed and recorded accordingly; and the Court closes its Proceedings on the case.

VI. Should the Defendant deny the debt, the Plaintiff is called upon for his proofs; and his witnesses, being produced, are examined, on oath, by the Court, subject to cross-examination by the Defendant, and their evidence recorded.

VII. The Defendant is then, in like manner, called upon; and the evidence of the witnesses on the defence, subject to cross-examination by the Plaintiff, is duly recorded.

VIII. The Court then decides according to the evidence before it; and the decision is entered upon the record. Special attention being given, in the event of finding any debt or damage due, to the Provisions of Section LVII. of 4 Geo. Cap. 81, and to the mode of proceeding therein prescribed.

☞ *In all places where the said Company's Forces now are or may be employed, or where any Body of His Majesty's Forces may be serving with the Forces of the said Company, situate beyond the Jurisdiction of the Court of Requests established at the Cities of* Calcutta, Madras, *and* Bombay *respectively, Actions of Debt and all personal Actions against such Officers, Non-Commissioned Officers, or Soldiers, all Persons licensed to act as Sutlers to any Corps or Detachment, or at any Station or Cantonment, or other Persons amenable to the Provisions of this Act, or resident within the Limits of a Military Cantonment, shall be cognizable before a Court of Requests composed of Military Officers, and not elsewhere; provided the Value in question shall not exceed Four hundred Sicca Rupees, and that the Defendant was a Person of the above Description when the Cause of Action arose; which Court the Commanding Officer of any Station or Cantonment is hereby authorized and empowered to convene, and the said Court shall in all practicable Cases consist of Five Commissioned Officers, and in no instance of less than Three, and the President thereof shall not be under the Rank of a Captain; and every Member assisting at any such Court, before any Proceedings to be had before it, shall take the following Oath upon the Holy Evangelists; which Oath shall be administered by the President of the Court to the other Members thereof, and to the President by any Member having first taken the said Oath; (that is to say,)*

'I swear, That I will duly *administer Justice, according to the Evidence, in the Matter that shall be brought before me.*

So help me GOD.'

IX. Although neither Party can be sworn, in support of his own cause, at his own desire; yet either Party may be required by the other to give answer upon oath, or be ordered by the Court so to do. But it is only usual for the Court to resort to such a measure when a decision is about to be pronounced upon the statements of the Parties only, without evidence of any kind; or when the evidence adduced is altogether insufficient and unsatisfactory: in such cases the Court directs *such* Party to be sworn as it may deem best.

X. If either Party, being sworn at the request of the other, make such answer as may be prejudicial to the cause of the adverse Party, such Evidence must nevertheless be received and recorded and due weight given to it accordingly.

XI. If a Party refuse to be sworn, when requested by the other Party or ordered by the Court, such refusal is to be deemed contumacious, and tantamount to a confession against himself; and Judgment is to be passed and recorded against him accordingly.

XII. One Party having been sworn, at the request of the other or by order of the Court, the other Party should not, *in any case*, be sworn. The Plaintiff may, if he please, require the Defendant to be sworn in support of the Prosecution: and this would preclude the Defendant from making a like demand on the defence.

XIII. A Court of Requests cannot, in any case, decide Suits touching Land or Houses: neither can it, on any pretence, direct such to be

And every Witness before any such Court shall be examined on Oath, which such Courts are hereby authorized to administer, or if Natives of the East Indies, on Oath or solemn Declaration, as the Circumstances of the Case may require; and it shall be competent for such Courts, upon finding any Debt or Damage due, either to award Execution thereof generally, or to direct that the Whole or any Part thereof shall be stopped and paid over to the Creditor out of any Pay or public Money which may be coming to the Debtor in the current or any future Month; and in case the Execution shall be awarded generally, the Debt, if not paid forthwith, shall be levied by Seizure and public Sale of such of the Debtor's Goods as may be found within the Camp, Garrison, or Cantonment, under a written Order of the Commanding Officer, grounded on the Judgment of the Court, and the Goods of the Debtor, if found within the Limits of the Company's Garrison or Cantonment to which the Debtor shall belong at any subsequent Time, shall be liable to be seized and sold in satisfaction of any Remainder of such Debt or Damages; and if sufficient Goods shall not be found within the Limits of the Camp, Garrison, or Cantonment, then any public Money, or any Sum not exceeding the Half Pay accruing to the Debtor, shall be stopped in liquidation of such Debt or Damage; and if such Debtor shall not receive Pay as an Officer or Soldier, or from any public Department, but be a Sutler, Servant, or Follower, he shall be arrested by like Order of the Commanding Officer, and imprisoned in some convenient Place within the Military Boundaries, for the Space of Two Months, unless the Debt be sooner paid.

seized or sold in satisfaction of its Judgments or Decrees.

XIV. A Court of Requests is essentially a Court of Equity and Conscience; not bound down by the same strictness of Rule and Form which attaches to Courts of Law generally; and the Members thereof are to recollect that they are to make such Inquiry as may enable them, *according to their conscience*, to do entire Justice to both Parties. A claim for money due, for Instance, might be met by a counter-statement of damage done by the adverse Party; and the Court would then make inquiry and decide according to the Equity of the case. A. being servant of B., claims wages due: B. admits that the wages are due; but states that certain Articles, entrusted to the said A. his servant, of equal or greater value than the wages due, have been wantonly lost or destroyed by him:—the Court would thereupon require evidence, first as to the *actual* entrusting of the articles in question to A., and secondly as to their value and the manner in which they were lost or destroyed:—and then pronounce Judgment accordingly.

XV. No creditor can be allowed to *divide his demand* against the same person *into several suits*, for the purpose of reducing it within the Jurisdiction of a Court of Requests; but, if he be willing to limit and restrict his *entire demand* to the sum of 400 Rupees, and to quit claim to the surplus of the debt over and above the said sum, then his suit may be so admitted accordingly.

XVI. The Proceedings having been concluded on the particular case, are to be submitted in the usual manner for the approval of the Commanding Officer of the Station; who will send back the same to the Court, for reconsideration, should the decision be in opposition to the evidence adduced.

XVII. In the event of a *Nonsuit* being recorded, or of Judgment given upon *exparte* hearing; and of the Plaintiff, or Defendant, as the case might be, afterwards shewing sufficient cause for his non-appearance on the day fixed;—and, in like manner, in the event of the Court persevering, upon revision, in a decision palpably unjust and contrary to the evidence;—then the Officer by whose authority the Court assembled will forward the Proceedings thereof, with such opinion as he may have to give thereon, through the Adjutant General of the Army, to the Commander in Chief; who will, if he see sufficient cause, direct a new Trial of the matter in question by another Court of Requests to be assembled for the purpose.

XVIII. The Proceedings of Military Courts of Requests are to be recorded *separately* upon each Trial, and the record made up in the same form and size as the records of other Military Courts inferior to General.

Deputy Adjutant General of the Army.

The Court having most maturely weighed and considered the Evidence brought forward in support of the Prosecution, as well as what the Prisoner, Kaut Rajoo, Private in the Twenty-seventh Regiment Native Infantry has urged in his Defence, and the Evidence in support thereof, is of opinion.

and Commander in Chief.

The several offences set forth in the Section of Articles of War headed "*Mutiny*" have usually been described, in Charges as "*Mutiny*" or "*Mutinous conduct*" which was done accordingly, in framing the charge against Private Kaut Rajoo of the 27th Regiment of Native Infantry. The Court, however, has allowed itself to be swayed to a different conclusion, as to the expediency of such Averment being inserted in the Charge, by the *opinions* of a *Native Officer* and a *Non-Commissioned Officer*, unadvisedly called for by the Judge Advocate on the Prosecution : as tho' the matter were not rather for the deduction of the Court from the Facts sworn to before it, than for the decision of witnesses. As,

however, the offence of the Prisoner, within the limitation of the Court's Finding, is actually specified and provided for by Article V. Section I. of the Native Articles of War;—and as the Sentence is commensurate;—the Commander in Chief has confirmed the same. The necessity for employing the Judge Advocate elsewhere rendering a reconsideration of the finding inexpedient.

and Commander in Chief.

General Orders by the Right Honorable the Governor General in Council.

FORT WILLIAM; *30th October*, 1829.

Inconveniences having been found to result from the Organization of the Honorable Company's European Infantry as at present constituted, the Governor General in Council has been pleased to resolve, that the Non-Commissioned Officers, Drummers and Privates of the two Regiments at each Presidency, shall be incorporated into a single Regiment of 8 Companies, each Company to consist of 5 Serjeants, 5 Corporals, 2 Drummers and 80 Privates.

The Commissioned Officers as at present established for both Regiments will also be consolidated and associated in all duties under the same Commanding Officer, as if belonging to one Corps, but they will continue to advance by two separate lines of promotion, as they would have done had the two Regiments remained entirely distinct.

The Commissioned Officers of the 1st Regiment will be attached, in so far as the convenience of the service may render advisable to the Right Wing, and those of the 2d Regiment to the left Wing of the European Infantry Corps at each Presidency, under its new organization.

The Non-Commissioned Officers, Drummers and Privates in excess to the establishment prescribed, will be returned as Supernumerary, till vacancies occur, or until they be otherwise provided for, and all Commissioned and Non-Commissioned Staff extra to the complement herein detailed, will be reduced from the date of re-organization, under such arrangements, as His Excellency the Commander in Chief in Bengal, and the Governments of Madras and Bombay respectively may be pleased to direct.

GENERAL ORDERS,

BY HIS EXCELLENCY THE COMMANDER IN CHIEF.

HEAD QUARTERS : CHOULTRY PLAIN ;

25TH NOVEMBER, 1829.

Adverting to the reiterated Orders which have been issued relative to the Study of the Hindoostanee Language, and to the results of the late Examinations of Regimental Staff Officers, it would seem unnecessary for the Commander in Chief to repeat his sentiments on this subject—anxious, however, to be spared the pain of adding to the List of those removals which have been already made necessary by the failure of various Officers, His Excellency has directed the publication to the Army of the subjoined Memorandum exhibiting the course of examination which Interpreters and Adjutants are severally required to undergo, and in conformity with which the ordered examinations in January next are to be conducted.

INTERPRETERS.

It will be sufficient that the hand writing is clear and legible, and, in the case of Adjutants, that a general knowledge of idiom and grammar as applicable to the Madras Hindoostanee be evinced. From Interpreters a greater degree of correctness will be expected, in all particulars :—the Madras Grammar, however, being allowed in their Translations.

The Committees are to be composed as directed in General Orders of 22d September, 1828.

Their Reports are to be made separate for each Officer, and are to specify the particular exercises given.

Officers, other than Regimental Staff, desirous of being examined, are permitted to appear before these Committees, who will report upon them as above directed, and the same opportunity is offered to those Officers who have been removed from Staff Appointments in consequence of the former examinations.

Officers Commanding Divisions and Forces will direct the assembly of Committees as soon after the 1st of January 1830 as convenient, and will transmit the whole of the Reports on the completion of the examination of the Officers serving in their respective Divisions. They are at the same time to forward a Return accounting for the whole of the Regimental Staff, and such other Officers as have passed examinations, according to the subjoined Form.

No. 273.

FORT ST. GEORGE, 4TH DECEMBER 1829.

G. O. BY GOVERNMENT.

Doubts having arisen as to the channel through which applications for Grants of Land situated within Forts and Military Cantonments should be submitted to the Government, the Right Honorable the Governor in Council is pleased to declare Paragraphs 34 to 42 of the Quarter Master General's Regulations to be still in force, with the exception of that part of the 37th Clause which restricts the terms of leases to a period of 21 years, and the portion of the 42d Paragraph, which, in reference to the General Order by Government of the 8th May 1812, prescribes the Military Board as the channel through which applications for Grants should be submitted to Government.

Applications for Grants of Land within the limits of Forts and Military Cantonments will be made hereafter, in the first instance to Officers Commanding, who on having satisfied themselves as to the propriety of each particular Grant, will forward the applications to the Quarter Master General of the Army, who having received His Excellency the Commander in Chief's orders, will submit them for the approval or rejection of Government. In the event of their being sanctioned, the resolution of Government will be communicated to the Military Board, by whom the usual Lease will be prepared.

To give proprietors of Land situated within Military limits a more permanent interest in the property, and a stronger inducement to construct good Houses, the Right Honorable the Governor in Council is pleased to declare, that grants shall hereafter be made for a period not exceeding 50 Years, and that they shall be renewable at the expiration of every 10th Year on the conditions of the original Deed, on payment of a small fine of Ten Rupees.

As it is desirable that all Grants of Land by the Government should be registered in one Office, it will be the duty of the Military Board, previously to the delivery of Leases for Land within Fortresses and Cantonments, to send such Deeds for Registry to the Office of the Register of Government Grants, who will return them without delay, with his countersignature attached, in acknowledgment of their having been recorded in his Office, making no charge for fees thereon.

This order is to be considered applicable to all Military Stations, with the exception of that on the Neilgherry Hills. The grants for buildings constructed there will receive the separate consideration of the Right Honorable the Governor in Council.

By order of the Right Honorable the Governor in Council.

Secretary to Government.
