SIR,

With reference to the 3d Clause of the Royal Warrant, page 89, regulating the Indemnification for unavoidable Losses sustained by the destruction of Horses or Mules to prevent the spreading of an infectious or contagious disorder, and to the Schedule No. 4 in which such Claims are required to be preferred, I have the honor to acquaint you that the Provisions of the Warrant do not extend to the grant of Compensation for the loss of Horses infected with Glanders or Farcy which may be quartered in isolated Stables, or in any other situation in which there is no danger of communicating the infection to other Horses, but only to the cases of Horses whose destruction is actually necessary to prevent infection to other Horses in the same Stable, or in close proximity thereto, whose loss would be liable to be defrayed by the Public,—and I have therefore to request that in future no Indemnification for Horses destroyed in consequence of being infected with Glanders or Farcy may be granted, unless it be clearly shewn that they were in the situation, above described;—and further that every care had been taken to prevent the Glanders or Farcy, and that the disease had not been in any degree induced by the negligence of the Owners.

2. The Rules contained in the revised Code of Pay and Audit Regulations, will continue to apply to Members of the Medical Board and Superintending Surgeons appointed prior to the date of this General Order, and to the Officers now officiating, or who may be appointed to officiate, for any of them.

2. If lower in amount, he is not entitled to any part of it while officiating as Superintending Surgeon, and is restricted to the Pay and Regimental allowances of his rank for the entire period occupied by him, in reaching his new station, and subsequently joining his original one.

6. General Orders by the Right Honorable the Governor in Council.

FORT ST. GEORGE, 18TH JUNE 1850.

No. 125 of 1850.—The following General Orders by the Hon'ble the President of the Council of India in Council, are republished for the information of the Army.

No. 302 of 1850.

GENERAL ORDERS BY THE HON'BLE THE PRESIDENT OF THE COUNCIL OF INDIA IN COUNCIL.

FORT WILLIAM, THE 23RD MAY, 1850.

The following Rules to amalgamate Regimental Savings' Banks with the Government Savings' Bank, at each of the Presidencies of Bengal, Fort St. George and Bombay, having been sanctioned by the Hon'ble the Court of Directors, in their Military Letter to the Government of India, No. 6, of the 19th March 1850, are promulgated for general information, and are to have immediate effect at the Three Presidencies:

1. Regimental Savings' Banks having been established in every Regiment and Depôt of H. M.'s Troops, whether serving in Great Britain or abroad, under Royal Warrant, dated 11th October 1843, a copy of which is subjoined, and certain Rules connected therewith having been promulgated by His Excellency the Commander-in-Chief in India, in General Order to H. M.'s Troops, dated 27th March 1846, it is expedient that the Regimental Savings' Banks attached to H. M.'s Regiments in the Indian Presidencies, shall hereafter work as Branch Banks of the Government Savings' Banks established at Calcutta, Madras and Bombay, according as the Regiments may be serving in each of the Three Presidencies.

2. Captains or Officers Commanding Troops or Companies, therefore, are authorized to receive sums that Non-Commissioned Officers and Soldiers under their Command may from time to time desire to deposit.

3. On Soldiers' deposits reaching Company's Rupees 500, (five hundred) the amount is to be invested in 4 per Cent. Treasury Notes, in the manner laid down in Government General Orders, dated 10th October 1848, No. 389.

4. The Receiving Officers are to transfer all monies received in deposit to the Regimental Pay Masters who will account for the same to the Pay Master Queen's Troops at the Presidency, by furnishing him with a Statement exhibiting the Name, Rank, Regimental Number and Amount of each Depositor; and the Pay Master to the Queen's Troops will deduct all such receipts in Regimental Pay Masters' Treasuries, from their monthly requirement for Regimental Disbursements. The Pay Master to the Queen's Troops will transmit a consolidated detailed Statement of the deposit of each Regiment as per Form A. to the Government Savings' Bank. From this Statement credit will be passed in the Government Savings' Bank account to the several parties depositing. The Government Savings' Bank will keep a separate Ledger for the deposits of each Regiment.

5. Interest at 4 per Cent. per annum on Soldiers' deposits, referred to in the preceding rule, will be allowed from the 1st of the month in which the deposits are actually made in the Regimental Savings' Bank and up to the last day of the month preceding that in which they shall be withdrawn. No Interest is allowed on fractional parts of a Rupee.

NOTE.—Tables of Interest will be furnished to Regimental Pay Masters through the Pay Master Queen's Troops at the Presidency.

6. In the event of withdrawal from Regimental Savings' Banks, the refund is to be made under the Provisions of the Royal Warrant, referred to, from the Treasury of the Regimental Pay Master. Every Regimental Pay Master will be held responsible for any error of calculation of Interest; and, with a view to his security, he is required to send intimation by the same day's post in which he refunds a deposit with Interest, to the Secretary to the Government Savings' Bank, accompanied by a Statement of the name of the withdrawer, his Regimental Rank and Number, the Amount Principal and Interest paid, all distinctly shewn in separate columns. The Secretary on receipt of this intimation, will, by the same day's post, acknowledge the receipt of the advice, pointing out error for recovery, should any occur.

7. Regimental Pay Masters are required to furnish the Pay Master Queen's Troops at the Presidency with a monthly consolidated Statement of withdrawals during the month, immediately after the close of each month; and the Pay Master Queen's Troops will add at foot of the Monthly Statement he is required by Rule IV. to furnish to the Government Savings' Bank in detail the month's withdrawals, and he will allow Regimental Pay Masters in Account Current with him credit for the aggregate of the amount withdrawn.

8. The year of Account opens on the 1st May and closes 30th April. The Government Savings' Bank closes its Accounts on the 30th April of every year, and the Interest due at that period will be either paid to the Depositor or carried to account thenceforward to accumulate at compound yearly Interest.

9. Commanding Officers of Her Majesty's Regiments will send to the Secretary to the Government Savings' Bank an Account Current of each Depositor from their Regimental Ledgers closing yearly on the 30th April, as soon after the balance shall have been carried forward into the Ledger of the succeeding

year as practicable ; the Government Savings' Bank will then apply the necessary check, and return the Account Current with a certificate of accuracy.

10. In order that a Soldier on quitting India may not be deprived of the advantage of continuous Interest upon his accumulations, after the payment by the East India Company of Interest on his deposits has ceased by his removal from the Indian Presidencies, all deposits in the Savings' Bank belonging to Men of Her Majesty's Service, who may be returning home with their Regiment, will be paid over to the Pay Master to the Queen's Troops, to be included by him in Separate Remittance Rolls, in the manner laid down in Government General Orders, dated 16th October 1848, No. 389, so that the Soldier may receive Interest on his accumulations from his Regimental Savings' Bank from the date following that on which payment has ceased in India, or any other date that the Secretary at War may determine, as contemplated in War Office letter, (extract para. 7 annexed,) dated 18th November 1843 to the Secretary to the Board of Control, copy whereof was received in the Hon'ble the Court of Directors' Military Letter No. 10, of 1844, to the Governor General of India in Council.

11. The Deposits and Effects of Soldiers dying in India and leaving Orphans who are minors, are to be invested in the names of the Officer Commanding the Regiment, the Officer second in Command and the Adjutant of the Regiment, each for the time being as Trustees for the Orphans. Upon the return of a Regiment to England the balances due to Orphan Minors who proceed home with the Regiment are to be transferred in the same manner as Soldiers' deposits, and the balances due to Orphan Minors who remain in India are to be transferred from the Regimental to the Government Savings' Bank to be dealt with according to the rules of the Bank applicable to minors.

12. With exception to the modification necessary to the incorporating of the Rules of Regimental Savings' Bank with those of the Government Savings' Bank, the provisions of the Royal Warrant dated 11th October 1843 for establishing and regulating Regimental Savings' Banks are to have full force and effect in all respects.

13. The spirit of the preceding Rules is alike applicable to the Company's Troops.

WARRANT FOR ESTABLISHING AND REGULATING REGIMENTAL SAVINGS' BANKS.

VICTORIA R. *Dated 11th October*, 1843.

WHEREAS it has been represented to Us that it is expedient to afford to the non-commissioned officers and soldiers of Our army facilities for depositing their savings: Our will and pleasure is, that there be established in every Regiment and Depôt of our regular Cavalry and Infantry a Regimental Savings' Bank for the safe custody and increase of such savings, and that the following regulations shall be observed and obeyed wherever Our Troops may be serving (the territorial possessions of the East India Company alone excepted), as Our sole authority for the establishment thereof, viz. :—

I. That officers commanding troops and companies shall receive as public money, to be applied to the payment of those public services which it is their duty to defray, such sums as the non-commissioned officers and soldiers under their command may from time to time desire, and be entitled, to deposit in the Savings' Bank of the regiment.

II. That the maximum of each soldier's deposit shall be limited to 30*l.* in any one year, and to 200*l.* in the whole.

III. That the rate of interest upon deposits shall be 3*l.* 15*s.* per cent per annum, but that no interest shall be allowed upon any other parts of a pound sterling than 6*s.* 8*d.* and 13*s.* 4*d.*, nor upon any sums that have not remained in deposit for at least one month, to be reckoned from the last monthly muster-day, and that interest shall only be allowed upon sums withdrawn up to the muster-day preceding the day the deposit is withdrawn, unless such day shall be the muster-day.

Interest upon all sums in deposit shall be added to the principal quarterly, and shall thenceforward bear interest.

IV. That when a soldier shall be desirous of withdrawing the whole, or any part of his deposit, he shall give at least seven days' notice to the captain or officer commanding the troop or company to which he belongs, in order that the necessary arrangements may be made for repayment of the amount at the next day of monthly muster; but if such captain or officer commanding shall be satisfied of the urgency of the case, and that the immediate withdrawal of the deposit would be for the advantage of the soldier, he may direct payment to be forthwith made.

Whenever the officer commanding the troop or company shall have grounds for believing that the soldier intends to make an improper use of his money, he will be permitted to withhold the privilege of withdrawing the deposit until the Commanding Officer of the regiment shall determine whether it should be then issued or not; and should the officer commanding deem it essential to the discipline of the regiment to withhold from a soldier the privilege of withdrawing his deposits, he shall report especially to the Commander-in-Chief and to the Secretary-at-War the circumstances under which he has felt himself compelled to exercise this power.

V. That all monies deposited by the soldier in the Regimental Savings' Bank shall be held strictly in trust for his own use and benefit, and shall on no account be transferable to any third party, either by endorsement, conveyance, or otherwise, and shall not be affected by any debts contracted by him, nor be made available for any purpose whatever, except under his

own order, signified to the officer commanding his troop or company: and such monies shall, if possible be paid to the soldier personally, and in all cases his receipt shall be obtained, and shall be attached to the Troop or Company Savings' Bank Ledger.

VI. That upon the discharge of a soldier, his deposits may remain at interest in the Regimental Savings' Bank for a period not exceeding six months, after which time interest shall cease; but, if required by the soldier, the principal may be retained without interest for a longer period for security.

VII. That at the death of a soldier interest on his deposits shall cease from the muster-day next after his death, and the amount of his deposits, with the interest accumulated thereon, shall be added to his other effects, and be reported to Our Secretary-at-War, to be disposed of in the usual manner to the legal representative of the deceased, as prescribed in Our Articles of War.

VIII. That a soldier convicted by a Court Martial of desertion, or recorded by a Board of Officers in the usual manner as a deserter, shall forfeit to the public all monies he may have in the Regimental Savings' Bank, and such forfeiture shall only be remitted by Our authority, signified by Our Secretary-at-War.

IX. That to prevent parties not in military employ from availing themselves of the advantages afforded by these Banks, as well as to prevent larger sums from being accumulated at interest for any one soldier than is permitted by this Warrant, no non-commissioned officer or soldier is, on any pretence whatever, to deposit in his own name the money of another person, whether a soldier or not; and in case any soldier shall so deposit the money of another person, we hereby direct that, in addition to any punishment which a Court Martial may award for the fraud thus committed, all sums so deposited shall be forfeited to the public, and one-half of the amount, not exceeding 5*l.*, shall be allowed to the informer.

X. That a non-commissioned officer shall be selected by the officer commanding to act as clerk to the Regimental Savings' Bank, and that such clerk shall be allowed for keeping the accounts of the depositors such compensation as Our Secretary-at-War shall direct.

XI. That instructions as to the mode of accounting for the deposits made under this Warrant be issued, from time to time, by Our Secretary-at-War.

XII. That during active operations in the field, or whenever circumstances may render it impracticable to attend to the details of the Savings' Banks, the General Officer in command may direct the temporary suspension of this warrant; but all sums then actually in deposit under the provisions of this warrant shall bear interest in the same manner as if this warrant had not been suspended.

XIII. Such special deviations from the foregoing rules and regulations as may appear advisable to Us, will be directed by Our Secretary-at-War, with whom alone it rests to interpret the true intent and meaning of any passage in this warrant upon which a doubt may arise.

Given at Our Court at Windsor, this 11th day of October, 1843, in the Seventh year of Our Reign.

By Her Majesty's Command,

H. HARDINGE.

Instructions referred to in the Warrant for establishing and regulating Regimental Savings' Banks.

I. In the Orderly Room of every regiment or depôt of cavalry and infantry, there shall be kept under lock and key, under the inspection of the Commanding Officer, the Officer second in command, and the Adjutant, a Regimental Savings' Bank Ledger, in which shall be entered the Savings' Bank account of every soldier.

II. The entries shall be made in the Regimental Ledger by troops or companies, so that the amount of each troop or company shall be kept separate, and upon the transfer of a soldier from one troop or company to another, a transfer of his account shall be made in the Regimental Savings' Bank Ledger.

III. The Clerk selected and appointed by the Commanding Officer shall make all the entries in the Regimental Savings' Bank Ledger.

IV. Each Captain or Officer commanding a troop or company shall keep a Savings' Bank Ledger for the accounts of the non-commissioned officers and men of his troop or company.

V. The Regimental Ledger and the Troop or Company Ledger are to be prepared upon the accompanying Form No. 1.

VI. Deposits of Savings (not under one shilling), can only be made, and entered in the Troop or Company Ledgers, and in the Regimental Ledger, once in each month, viz. on the day of monthly settlement, when all sums withdrawn will be also entered. The Captain or officer commanding the troop or company, will, by his signature in the Troop or Company Ledger, acknowledge the receipt of all deposits made, and the soldier will in like manner acknowledge the receipt of all sums withdrawn.

VII. The Captain or officer commanding the troop or company will appropriate to the payment of his men the balance in his hands, and will draw upon the Pay Master for any sums he may require to repay deposits withdrawn, and the credit or debit of the Savings' Bank account will appear in the monthly abstract for each troop or company. Immediately after the monthly muster, the Captain or officer commanding the troop or company will send a statement of his receipts and payments in the Form No. 2, hereunto annexed, to the Orderly Room, that the account of every soldier may be entered in the Regimental Savings' Bank Ledger. From these several statements an account will be prepared of the balance of the total receipts and repayments in each troop or company in the preceding month, and being signed by the officer commanding, the officer second in command, and the Adjutant, will be transmitted by the Commanding Officer to the Regimental Pay Master, or Acting Pay Master, to enable him to compare the same with the receipts and payments stated in the several troop or company abstracts, and as an authority to him to charge or credit the Captains with such sums as they may have received or paid.

VIII. At the end of every quarter the Troop or Company Ledgers are to be compared with the Regimental Ledger by the Officer commanding, the Officer second in command, and the Adjutant, and the Officer commanding will transmit to the Secretary-at-War each quarter a Certificate, in the Form annexed No. 4, that this comparison has been made. Should a Troop or Company be absent from head-quarters, the comparison of the Ledger of that Troop or Company may be deferred until it return to head-quarters; but such delay must be reported upon the Quarterly Certificate, and a Certificate, duly signed, that the comparison has been made, must be transmitted to the Secretary-at-War upon the return of the said Troop or Company to head-quarters.

IX. The Regimental Savings' Bank Ledger, certified by the Commanding Officer, the Officer second in command, and the Adjutant, to have been compared with the several Troop or Company Ledgers, and the monthly statements of each Troop or Company are to be transmitted to the War Office at the end of each year so soon as the balances of each depositor shall have been carried forward into the Regimental Ledger of the succeeding year, but within the time prescribed for the transmission of the Quarterly Pay List to the 31st of March.

X. The Secretary-at-War, after auditing the Savings' Bank Ledger, and satisfying himself that the money has been duly brought to account by the Pay Master, will furnish the officer commanding the regiment with a declaration that the account of the Regimental Savings' Bank, to that date, has been audited and found correct, and will become responsible to the depositors that the amount due to each, with interest, shall be paid out of public money.

The declaration of the Secretary-at-War will be preserved in the Orderly Room; and the Commanding Officer will notify to the officers commanding troops or companies that the account of the Regimental Savings' Bank has been audited to that date, and admitted by the Secretary-at-War to be correct.

7. "In order that the British Soldier, upon his removal to or from India, may not be deprived of the advantage of continuous interest upon his accumulations, and may have the same facility of retaining his money in the Regimental Savings' Bank or of withdrawing it at his discretion which he would have had if his Regiment had not been removed, I am also to urge that arrangements may be made, for transferring from the security and responsibility of the British Government to the security and responsibility of the East India Company the full amount of deposits which may have been made in the Regimental Savings' Bank by a Regiment proceeding to India with the interest due thereupon according to the Regulations of Her Majesty's Warrant, and also upon a British Regiment quitting India, for transferring to the security and responsibility of the British Government the deposits made from his Savings by the British Soldier under the guarantee and security of the Company, together with all interest due thereupon under the regulations that may be agreed upon for the Savings' Banks of the Regiments in India."

Whereas we have judged it expedient to establish Regulations for the more effective Instruction of the Children of Soldiers in our Regiments of Cavalry and Infantry, Our Will and Pleasure is, that from and after the 1st April, 1850, there shall be established in every Garrison or Regiment to which a trained Schoolmaster has already been appointed by our Secretary at War, and from the date of joining of such a trained Schoolmaster in any Garrison or Regiment hereafter:

1. An Infant School, under such regulations as may be promulgated from time to time by Our Secretary at War; such School to consist of the younger Children of both sexes, of which the Schoolmistress shall have sole charge, and in which the said Children shall be instructed in reading and writing until they are sufficiently advanced to receive instruction under the trained Schoolmaster, or Assistant Schoolmaster.

2. An Industrial School, of which the Schoolmistress shall also have sole charge, for the Female Children, in which they shall be instructed in knitting, needlework, and household occupations, and in which the younger Boys may likewise attend for such purpose, if their Parents desire it.

3. Non-commissioned Officers, Drummers, and Privates, who may send their Children to the Infant and Industrial Schools, or to either of them, shall be required to pay for this privilege at such rates as may be fixed by Our Secretary at War, and the amount of such payments, or such portion thereof as Our Secretary at War may decide, shall be appropriated to the use of the Schoolmistress.

4. In consideration of the extra labour which will devolve upon the trained Schoolmaster in instructing the Female Children, he will be allowed £6 per annum in each Regiment of Cavalry, and £1 per Company per annum in each Regiment of Infantry; but no charge shall be made by the Schoolmaster for the instruction of any of the Children.

5. The Schoolmistress will in future only be allowed £14 per annum in each Regiment of Cavalry, and £2 per Company per annum in each Regiment of Infantry, in addition to the amount which may be received by her for instruction given in the Infant and Industrial Schools, out of which she will provide all materials and implements of work.

6. The Children of Barrack Serjeants, of Warders, and Servants of Military Prisons, or of Pensioners or discharged Soldiers holding Civil situations at the Station where a Garrison or Regimental School with a trained Schoolmaster is established, may attend the same on payment to the Schoolmaster, if they attend his classes, or to the Schoolmistress, if they attend one or both of the Schools under her charge, at such rates as may be fixed from time to time by Our Secretary at War.

10. 11. In Regiments to which a trained Schoolmaster may hereafter be appointed, these Regulations will take effect from the date of joining of such Schoolmaster; or, in the case of Soldiers of a Regiment or Depôt to which a trained Schoolmaster is not appointed, attending a Garrison School, the Regulations will take effect from the date of such attendance.

No. 141 of 1850.—The following General Orders by the Most Noble the Governor General of India, are published for the information of the Army.

GENERAL ORDERS BY THE MOST NOBLE THE GOVERNOR GENERAL OF INDIA.

SIMLA, 25*th June* 1850.

With reference to instructions received from the Hon'ble the Court of Directors, the Most Noble the Governor General of India is pleased to republish the Government General Order* No. 7, dated 9th January 1837, and to direct as follows:

2. Every Officer removed from his Regiment on Staff or Civil or other employment, who is subject to the rule laid down in the abovementioned General Order, and who has not already passed the examination therein prescribed, or shall not pass it within six months from the date of this Order, will be remanded to his Corps.

* Published at Fort St. George in G. O. G. 24th January 1837, No. 18.

Government General Order, No. 7, dated 9th January 1837.

The Hon'ble the Court of Directors having in a recent despatch again expressed their anxious desire that a competent knowledge of the Native languages should be generally diffused among the Officers of their Army, and having, at the same time, deemed it necessary to prescribe that a certain degree of proficiency in one or more of those languages be in future considered an indispensable qualification for Staff employ, the Right Honorable the Governor General of India in Council, with a view of giving effect to the wishes of the Honorable Court, without prejudice to the just claims of the many, in other respects highly qualified Officers now in the Service, is pleased to publish the following rules for general information:

1st. No Military Officer, who is now in the Service, or who may enter it hereafter, will be deemed qualified for, or eligible to, the Commissariat Department, or the appointment of Regimental Interpreter, unless he shall have passed the examination in the Native languages prescribed for Candidates for the latter situation.

2d. No Officer who may enter the Service hereafter, will be deemed eligible for any Staff situation (except a temporary one during actual service in the field) or Civil employ, until he shall have passed an examination in the Hindoostanee language.

3d. Notwithstanding that Officers now in the Service are exempted from the restrictive operation of the immediately preceding rule, it is to be distinctly understood, that a competent knowledge of Hindoostanee, though not in their case an indispensable qualification for the situations open to others on the condition of passing an examination in that language, will, as hitherto, be always considered to confer a strong additional claim to nomination to the Staff.

SIMLA, *25th June* 1850.

The Most Noble the Governor General of India, with the concurrence of His Excellency the Commander in Chief in India, is pleased to resolve, that the issue of spirits in the morning to the European Troops in India shall be discontinued, and that the quantity allowed to any one man shall never exceed two drams per diem.

2. That portion of the rule for the government of Canteens, published in General Orders* by the Governor General No. 64 of the 5th March 1835, which directs, "that no man is to be allowed more than one dram before 10 o'clock A. M.," is cancelled, and the following rules, applicable to the three Presidencies, are directed to have effect from the receipt of this order.

3. No spirits are to be issued, on any occasion, before the usual dinner hour.

4. No man is to be allowed more than two drams per diem, and these two drams are never to be issued at the same time.

5. The rule which prohibits spirituous liquors being taken or sent away from Canteens, is to be considered applicable to cases, when it is necessary, from the absence of a Canteen or other cause, to serve out Rum or other spirits. On these occasions, the men must drink their dram at the place of issue, and on no account be allowed to take it away to their Barracks, Tents, or elsewhere.

6. Particular attention is called to the orders directing Tea and Coffee to be always ready at day-break, and Commanding Officers are to see that this rule is strictly attended to on all occasions.

GENERAL ORDERS BY THE HON'BLE THE PRESIDENT OF THE COUNCIL OF INDIA IN COUNCIL.

Fort William, 19th July 1850.

No. 374 of 1850.—The following Paras of a Military Letter, No. 36, dated 5th June 1850, from the Hon'ble the Court of Directors to the Governor in Council at Bombay, are published for general information.

Suggestion by the Commander in Chief, concurred in by Government that Europeans of the Engineer Corps sent back from the Department of Public Works for bad conduct, after a second trial, as irreclaimable, be declared to be liable to be further remanded to the Corps for which they originally enlisted in the rank of Private.

5. The proceeding here recommended may very properly be adopted. The Sappers have all enlisted for the Artillery or Infantry, and if found unfit for the Sappers from unstendiness or other causes, are liable to removal by authority of the Commander in Chief to their former Corps according to the terms of their original enlistment. The power of reducing a Non-Commissioned Officer to the ranks is possessed by the Commander in Chief under the 127th Article of War.

Memorials from certain Officers on the subject of the effect which the recent Brevet promotions for the Punjab Campaign are likely to have upon their prospects of succeeding to Brigade or Divisional Commands.

18. When in the year 1828, the system of granting special Brevets for distinguished services in action with the enemy, was introduced into our Army, with retrospect to the storm of Bhurtpore in January 1826, it was distinctly understood, that, for all purposes of general Military Command, the rank so conferred must be as efficient as rank attained by Regimental rise or by general Brevet. We are not aware of any instance in which this rule has been contravened and we cannot sanction any departure from it.

No. 179 of 1850.—With reference to the G. O. by the Governor General of India in Council, dated 23d May, republished at Madras in G. O. G. 18th June 1850, No. 125, and in furtherance of the provisions therein contained, the following subsidiary Rules are published for the information and guidance of the Officers and Departments concerned.

In the case of Deposits at the Presidency, Captains, or Officers Commanding Troops, or Companies, will receive such sums as the Non-Commissioned Officers and Soldiers under their command may desire to deposit, and the sums thus received will be made over to the Regimental Paymaster for deposit through him, in the Government Savings' Bank, accompanied by Statements exhibiting the Names, Rank and Regimental No. of each Individual, with the amount deposited by each, in the manner laid down in the foregoing General Order, to enable the Secretary to the Bank to pass the sums received, to the credit of the several Depositors.

In the case of Deposits at the Out-stations, the same should be received in like manner, by Captains, or Officers Commanding Troops or Companies, and paid, through the channel of the Regimental Paymaster, into the Treasury of the Division Paymaster, accompanied by Statements similar to those referred to in the preceding para., duplicates of which will be transmitted by the Division Paymaster, through the Accountant General, to the Secretary to the Government Savings' Bank, to enable him to place the sums received to the credit of the Depositors.

When Soldiers, or Regiments quit India, the sums belonging to each Depositor, whether remaining in the Bank, or invested in Treasury Notes, will be remitted to England, on their account, in the manner laid down in General Orders of the 28th November 1848, and in order, in conformity with the 10th para. of the G. O. of the 23d May 1850, now published, the Secretary at War may be enabled to determine from what date, interest, in continuation, is to be allowed on the Deposits thus remitted to England, the lists to be prepared for transmission to this Office, as directed in the General Order of 28th November 1848, should exhibit the interest separately from the principal, and the date up to which, such interest has been calculated.

The spirit of the Rules, as now altered, will be equally applicable to the Deposits of the Hon'ble Company's European Troops, but, in their case, the course to be pursued in the receipt and withdrawal of Deposits will be that pointed out in the Rules, dated 28th, published in the Fort Saint George Gazette of the 30th October 1846, page 1004.

General Orders by the Right Honorable the Governor in Council.

FORT ST. GEORGE, 8TH NOVEMBER 1850.

No. 219 of 1850.—The Right Honorable the Governor in Council directs the publication of the following despatch from the Court of Directors, together with the Circular letter from the War Office, therein mentioned.

Letter dated 11th September 1850.

We transmit herewith three copies of a Circular letter from the War Office, No. 1068, dated the 19th August 1850, directing Commanding Officers of Regiments to record in the Regimental Defaulter Book the name of every offender upon whom they may inflict the forfeiture of pay, with or without imprisonment, under the 30th Clause of the Mutiny Act and 50th Article of War.

Circular No. 1068. WAR OFFICE, *19th August* 1850.

SIR,

93,200 / Genl. No. / 86.

With reference to page 6 of the Royal Warrant of 1st July 1848, in which Commanding Officers of Regiments are strictly enjoined to enter in the Regimental Defaulter Book the name of every Soldier who, in consequence of misconduct, shall have been subjected to any punishment beyond six days' drill, or seven days' confinement to barracks, I am directed to acquaint you, that the Secretary at War has recently communicated further with the Commander in Chief regarding the punishments which the 30th Clause of the Mutiny Act, and the 50th Article of War empower the Commanding Officer to award to the Soldier for absence without leave not exceeding five days, or for any other offence not necessary to be brought before a Court Martial.

These punishments may extend, at the discretion of the Commanding Officer, to the forfeiture of the Soldier's Pay for the day or days of such absence; and further to his imprisonment for a period not exceeding one hundred and sixty-eight hours, (seven days), including of course forfeiture of his Pay for the day or days of such imprisonment.

Considering the importance attached to these punishments by the terms of the Queen's Regulations and Orders for the Army, as adverted to by the Commander in Chief, and with due regard to the view taken by His Grace on the subject as expressed in his communication to the Secretary at War, Mr. Maule deems it necessary to point out to you that every offence for which the Commanding Officer shall inflict forfeiture of Pay, either with or without imprisonment, under the above mentioned Clause of the Mutiny Act, and Article of War, must be considered as imposing upon him the necessity of recording the offender's name in the Regimental Defaulter Book, and that such record must be henceforth duly made accordingly.

I have the honor to be,
Sir,
Your obedient Servant,
L. SULIVAN.

FORT ST. GEORGE, 12TH NOVEMBER 1850.

No. 222 of 1850.—Referring to G. O. G. of the 1st Instant granting leave to Brigadier Patrick Montgomerie, C. B., Commandant of Artillery and President of the Military Board, to resign those appointments and return to England, the Right Honorable the Governor in Council performs a very satisfactory duty by placing on record the deep sense which he entertains of the very distinguished and valuable services of that Officer, who has served forty years, in the course of which he has been, in times of Peace, employed in every variety of situation of the highest trust, and has, in times of War, taken an active and prominent part in every Campaign—foreign or domestic—in which the Madras Army has been engaged throughout the above prolonged and eventful period.

The estimation in which Brigadier Montgomerie's services are already, and have long been, held is—it may be observed—sufficiently denoted by his having been enrolled amongst the Members of the Order of the Bath at Her Majesty's Coronation, and by his being subsequently selected for the high Honor of one of Her Majesty's Aide-de-Camps, as a pre-eminent approval of his services in the Burmese and Chinese Wars, during the whole of both of which, his name is to be found constantly mentioned in the strongest terms of applause in the Public Despatches.

The Government of Madras can only add, as they now desire to do—their cordial testimony to the richly merited distinctions which have marked Brigadier Montgomerie's career in India, and it is with warm sentiments of respect and regard towards him, mingled with feelings of regret at the loss which the Service will sustain by his departure, and with best wishes for his future welfare in his Native Country—that they issue this valedictory Order of which a copy will be specially communicated to the Honorable the Court of Directors.

FORT ST. GEORGE, 6TH DECEMBER 1850.

No. 241 of 1850.—The Right Honorable the Governor in Council is pleased to publish for the information of the Army, the subjoined Act No. XXXVI of 1850.

General Orders by the Right Honorable the Governor in Council.

FORT ST. GEORGE, 6TH DECEMBER 1850.

No. 242 of 1850.—Under instructions from the Honorable the Court of Directors, and the Government of India, the Right Honorable the Governor in Council directs the following arrangement to be established in modification of the system under which Pay is at present drawn for European Non-Commissioned Officers and Soldiers of Her Majesty's and the Company's Services, in this Presidency.

2. Prior to 1846 the Pay of all ranks, Officers and Men, was drawn on the 1st of each month in advance—under which arrangement in the event of an Individual dying or leaving the Service before the expiration of the month, Government incurred the loss of the balance overdrawn, no refund being required.

3. In 1845 it was ordered that this system should be discontinued and that Pay should be drawn, as in the other Presidencies and as in Her Majesty's Service elsewhere, in arrears.

4. G. O. G. 19th December 1845 was accordingly issued directing that from 1st January 1846 the Pay of all ranks should be drawn in arrears.

5. For Officers and Warrant Officers it was arranged that their Pay should be drawn on the 1st January 1846 as in arrears for December 1845, instead of in advance for January 1846, and that they should refund to Government by instalments the amount of one month's Pay.

6. But for the Non-Commissioned Officers and Soldiers it was directed that their Pay, though to be drawn and issued precisely as before, should be termed and considered as paid in arrears,—without providing, as in the case of the Officers, for any refund.

7. Under this arrangement the Non-Commissioned Officers and Soldiers who were on the strength of Regiments on the 31st December 1845 all had Pay for December 1845 *credited* to them in their Account books twice over—once as drawn in advance on 1st December 1845—and a second time as drawn in arrears on 1st January 1846,—though without in any way affecting their actual Pay, which has continued to be issued to them precisely as before,—but whenever an individual has become a casualty and his accounts have had to be closed, this double credit has led to his being actually paid twice over for the same period.

8. Thus, supposing a man to have died on the 20th January 1846—in closing his accounts Pay was drawn for him for twenty days in January, because his book shewed the last entry to be Pay in arrears for December 1845—whereas Pay for the whole of January had actually been drawn on the 1st of that month in advance, though called arrears—and credited as Pay for December—and consequently the man's Estate received Pay a second time for the twenty days up to date of casualty in January, in addition to eleven days remaining of the same month already drawn for, making altogether an overpayment of thirty-one days.

9. In the cases of men to whom a double payment has already actually been made, the amount must be considered irrecoverable, as having once been issued under the operation of the above Order, Government will not require it to be refunded,—but to relieve the Government from this loss in future, the Right Honorable the Governor in Council directs that from the 1st January 1851—the amount required for the payment of Non-Commissioned Officers and Rank and File of Corps during that month shall be taken up on Estimate, instead of being drawn as at present on Abstract, to be adjusted on the 1st February by the regular Abstract for Pay in arrears for January—and so on for the future.

10. Under this arrangement every man will continue to receive his daily Pay precisely as before,—neither more nor less,—in exact conformity with the system under which Her Majesty's Troops are paid every where else,—Pay being drawn in the monthly Abstract in arrears for each man for the whole month, or up to date of casualty as the case may be, in adjustment of the Estimate.

(Signed) C. A. BROWNE, Lieut. Colonel,
Secretary to Government.

ACT No. XXXVI. OF 1850.

Passed by the Hon'ble the President of the Council of India in Council on the 4th October 1850, with the assent of the Most Noble the Governor General of India.

An Act to amend the 113th Article of War for the Native Army.

Whereas it is expedient that Native Soldiers, when imprisoned, should be treated as European Soldiers are in the like case, as respects subsistence and clothing, It is enacted as follows:

I. From and after the First day of December 1850, so much of the 113th Article of War for the Government of the Native Officers and Soldiers in the Military Service of the East India Company as provides for the forfeiture of allowances, and the subsistence of such Officers and Soldiers, when in imprisonment under the sentence of any Court Martial or of any Court of Criminal Judicature, is repealed.

II. From and after the said First day of December 1850, no Native Officer, or Soldier or Public Follower in the Military Service of the East India Company shall be entitled to pay or allowances, when imprisoned under the sentence of a Court Martial or a commuted sentence, or under the sentence of a Court of Criminal Judicature; but shall be clothed and subsisted at such rates, or in such manner, as the Governor General of India in Council may from time to time order.

1. Persons whose enlistment as Boys, Gunners, Privates, Buglers, or Drummers has been sanctioned by the Commander-in-Chief, and Soldiers desirous of re-enlisting or re-engaging themselves for further periods of service, are to be sent to the nearest Justice of the Peace within the Territories under the Government of the East India Company, or to the person holding the Office of British Resident, or performing the duties of such Office, within the Territories of any Foreign State, for the purpose of being enlisted and attested, or re-enlisted or re-engaged.

2. Recruits are to be taken within four days, (any intervening Sunday not included) but not sooner than twenty-four hours, after being enlisted, to the nearest Justice of the Peace or British Resident as above, to be duly attested.

3. The amount of enlisting money to be given to a Recruit, Half-Pay Trumpeter, Bugler, or Drummer on first enlistment is eight annas, which is to be drawn for in a Contingent Bill on the Paymaster and is to be considered in excess of the Bounty money specified in the 2d para. of the Government General Order, No. 351, of the 22d September 1849, as payable to Recruits enlisted under the Army Service Act.

4. Men now in the Army, and originally enlisted *in India* for limited periods, and who are considered fit, and may be desirous of re-engaging for a further period under the Army Service Act, are to be taken before the Justice of the Peace or British Resident for the purpose of making the declaration

* Republished at Madras in G. O. G. No. 190, dated the 12th October 1849.

in the form given in the Schedule marked B. annexed to the said Act, viz., that if they have served *under* 10 years in the Infantry, or 12 years in the Artillery, they will serve such further term as will complete the above periods, receiving Bounty Money at the following rates:

If for 5 years and upwards, ... Rs. 50
" " 3 or 4 years, ... " 40
" " 1 or 2 " ..... " 16

and that if they have completed 10 years in the Infantry or 12 in the Artillery, they will serve 11 more in the Infantry or 12 in the Artillery, or such portion of these terms as will complete a total service of 21 years in the former, and 24 in the latter. Service to be reckoned from the day on which they attained the age of 18 years, if in the service at that period; if not, from the day on which they entered the service.

5. Men originally enlisted in India for limited periods, who have already completed 24 years service in the Corps of Artillery and 21 years in the Infantry, cannot be brought under the operation of Acts X. and XI. Vict. Cap. XXXVII. as regards re-engagements, but will be permitted to renew their contracts upon the regulated bounty, as heretofore, viz., Rupees 50 for 5 years and Rupees 40 for 3 years.

6. Such men, as may have been *primarily* enlisted under the Army Service Act, if willing and considered fit to continue in the service, are to be taken before a Justice of the Peace or British Resident during the last six months of the term of limited service for which they shall have first engaged, or after the completion of such term, for the purpose of re-engaging to serve the further term of 11 years in the Infantry or 12 in the Artillery, and making the declaration in the prescribed form (Schedule B) of the Act of 1847, published in G. G. O.* No. 132, of the 7th April 1848.

7. Men enlisted under the Army Service Act for the Artillery, who may have been transferred to the Infantry, and who are desirous of re-engaging themselves for a further term, will, at the expiration of their original term of service, or during the 6 months preceding, be re-engaged for such periods as will complete 21 years.

8. Men enlisted under the Army Service Act for the Infantry, that is, for 10 years, who may have been transferred to the Artillery, and are desirous of re-engaging themselves for a further period, will, at the expiration of their original term of service, or during the 6 months preceding, be re-engaged for a further period of 12 years, making 22 years service; after the completion of which they can be re-engaged for 2 years to complete the prescribed term of service in the Artillery, viz., 24 years. It is to be distinctly understood, however, that a second re-engagement for the period of 2 years will confer no title to a third bounty.

9. Men belonging to the Town Major's List, or to the Effective Supernumeraries at the other Presidencies, will, as concerns re-enlisting or re-engaging, come under the rules applicable to the branch of the service for which they first enlisted.

10. Such men as may have been *primarily* enlisted *in Europe* for unlimited service, prior to the passing of Acts X. and XI., Victoria Cap. XXXVII. and have not been discharged, are not to be affected by the provisions of the said Act, but will receive, under existing Regulations, gratuity after 12 and a fresh bounty (if certified to be fit for Field Service) after 17 years service, and subsequently as they may be reported fit for field service, and of good character.

11. Those men now in the service, who were *primarily* enlisted in Europe for *limited* service, prior to the passing of Acts X. and XI., Victoria Cap. XXXVII., and who have served a period of 21 years in the Infantry, or 24 years in the Artillery, as specified in that Act, will be permitted to renew their contracts upon the regulated bounty as heretofore, viz., Rupees 40 for 3 years and Rupees 50 for 5 years.

12. All Half-Pay Buglers, of European parentage, and the Sons of Soldiers in the Company's Army, who are already in the service, and have attained their 12th year, are to be enlisted and attested, as directed in paras. 1 and 2, for such periods as will be equal to 10 years in the Infantry and 12 years in the Artillery, counting from the time they will attain the age of 18 years, without Bounty until the second term of enlistment.

13. No boys are to be admitted hereafter into the service without the special authority of the Commander-in-Chief. Those only of European parentage, and the Sons of Soldiers in the Company's Service, not being under 12 years of age, except under very special circumstances to be fully stated when application is made for their admission, can, when fit to bear Arms, be enrolled as Privates or Gunners; all others continuing to serve as Trumpeters or Drummers.

14. All Half-Pay Trumpeters, Buglers or Drummers, who, under very special circumstances, may be admitted into the service before attaining the prescribed age of 12 years, on completing that age, are to be enlisted and attested as directed in paras. 1 and 2.

15. Enlisted boys on attaining their 15th year, may, if vacancies exist, be brought on the strength of Corps as *Trumpeters*, *Buglers* or *Drummers* without reference to Head Quarters; but they are, not to be enrolled as *Gunners* or *Privates* before they have completed 18 years of age, nor until a Medical Certificate, stating their fitness to bear Arms, has been furnished, and the Commander-in-Chief's sanction obtained for their being so enrolled.

16. With reference to the XLVIII. Section of the New Mutiny Act for the East India Company's European Forces, XII. and XIII. Victoria, Cap. XLVIII. the words "Magistrate not being an Officer in the Army" are to be struck out of the 4th para. of the Government General Order, No. 351, of the 22d September 1849, and in lieu thereof the following are to be inserted, "Justice of the Peace within "the Territories under the Government, or any person holding the Office of British Resident, or perform-"ing the duties of such Office, within the Territories of any Foreign State."

Corresponding corrections are also to be made in the Form A. appended to the Government General Order above adverted to.
