SECUNDERABAD, 6th *October*, 1829. } (Signed) G. W. WHISTLER, Lieut. D. A. C. G.

Upon which Charge the Court came to the following decision.

Finding on the Charge.—"The Court having most maturely weighed and considered the whole of the Evidence brought forward in support of the prosecution, as well as what the Prisoner, Anthony M'Canna, Private of the letter E or Captain Alexander Campbell's Company of His Majesty's Forty-sixth Regiment of Foot, hath urged in his defence and the Evidence in support thereof, is of opinion, that the Prisoner is not guilty of the charge exhibited against him, and the Court doth accordingly acquit him of the Charge."

"The Court has during its investigation seen much to render the Prisoners conduct very suspicious, yet in consequence of the contradictory Evidence which appears on the face of the Proceedings, the Court considered it to be its duty to find the Prisoner not guilty."

SECUNDERABAD, 21*st December*, 1829.

"The Court met pursuant to adjournment and a Division Order directing it to re-assemble being read together with His Excellency Lieutenant General Sir George Walker's observations on it's finding, the Court proceeds to deliberate thereon."

"The Court having most maturely weighed and re-considered the whole of the Evidence brought forward in support of the prosecution, as well as what the prisoner Anthony M'Canna, Private of the letter E or Captain Alexander Campbell's Company of His Majesty's Forty-sixth Regiment of Foot, hath urged in his defence, and the evidence in support thereof, is of opinion,"

Revised finding on the Charge.—" That the Prisoner is not guilty of the Charge, and the Court doth accordingly acquit him, the said Anthony McCanna, Private of the letter E or Captain Alexander Campbell's Company, of His Majesty's Forty-sixth Regiment of Foot, of the Charge exhibited against him."

" The Court sees much in its Proceedings to render the Prisoners conduct very suspicious, yet, in consequence of the contradictory evidence which is before it, the Court cannot conscientiously find the Prisoner guilty."

His Excellency Lieutenant General Sir George Walker, finds it impossible to approve or confirm the Proceedings, and finding of the Court Martial on Private McCanna of His Majesty's 46th Regiment, although he will not allow himself to doubt, but that the Court has acted conscientiously notwithstanding the arguments addressed to it for a revision of the Sentence, notwithstanding it has admitted an Alibi evidently trump'd up for the occasion in the face of the most respectable and positive evidence, circumstantially confirmed. It is however to be hoped that the next Court Martial, which sits at Hyderabad, will, with equal good consciences, square them more to the dictates of common sense, and with some zeal for the character and discipline of the Army, of which it forms a part, which by another such decision must be seriously endangered—till however a proper impression is made upon that part of the Force, by some future decision more consonant to the ends of public justice, every possible step must be taken by the Officer in Command to rescue the Country from the mischief, and the Troops from the character of Robbers, which a Miscreant, thus protected, will naturally stamp them with in the eyes of the Inhabitants. He is to order Patroles from His Majesty's 46th Regiment, every hour from 4 to Retreat Beating to scour the Country, to the extent of 2 miles around the Barrack—to have the Rolls of the E Company of that Regiment called every two hours in the day, in presence of one of its Officers, punishing all absenties; and he will order Private McCanna, to be confined to the Barracks for 12 months from the date of this order—The Gun found in his possession to be restored to the Owner, Shaikh Alli, and the Officer Commanding that Corps to be called upon to make special search for any other fire arms in possession of any Soldier in the Corps, beyond the Musket with which he is armed by Government, all other are forbidden throughout the Service and the very fact alone of such being found in the possession of a Non-Commissioned Officer or Soldier, without special permission for that purpose from the Commanding Officer of his Corps is hereafter to be deemed sufficient to convict him as a Rouber.

The Prisoner is to be released and return to his duty.

MADRAS, December 31, 1829. (Signed) G. T. WALKER, *Lieutenant General.*

This order is to be entered in the *General Order Book*, and read at the head of every Regiment in His Majesty's Service on the Establishment of Fort St. George.

No. 7.

FORT ST. GEORGE, 5TH JANUARY 1830.

G. O. BY GOVERNMENT.

With reference to the General Order by Government No. 117, dated the 5th of May 1829, abolishing contract allowances for Medical Supplies ;—The Right Honorable the Governor in Council is pleased to sanction the purchase, at the public charge, of such Surgical Instruments, the property of Medical Officers of this Establishment, whether of His Majesty's or the Honorable Company's Service as may be found, on examination, to be in a strictly serviceable condition.

2. Medical Officers, who have purchased Surgical Instruments from the Public Stores, under the operation of the G. O. G. of the 7th November 1826, No. 196, will submit them along with the Medical Storekeeper's bills for them, to the Superintending or Staff Surgeon of the Division, for his examination.—The Superintending Medical Officer will Certify, on the face of the bill, as the result of his examination, that the Instruments submitted to him correspond with those described in the bill, and are in a serviceable condition, with such exceptions, if any, as he may have observed. For all Instruments thus Certified to be serviceable, the Officer possessing them will be entitled to receive the sum originally paid as stated in the bill.

3. In instances where the Storekeeper's bills or authenticated copies of them cannot be procured, as well as in cases where Instruments not originally received from the Public Stores are tendered for purchase, a Committee of three Medical Officers, of which, in all practicable cases, the Superintending Surgeon will be President and the Deputy Medical Storekeeper a Member, will be appointed to examine and value the Instruments and will transmit their reports to the Medical Board. At remote Stations and Posts where suitable Committees cannot be constituted, the Medical Board will be pleased to make such arrangements for ascertaining the value and condition of Instruments, as will enable them to pass a decision on bills before they are presented for payment.

4. For such amount as may be admitted agreeably to the 2d and 3d Paragraphs, the Medical Officers concerned will prepare bills to be transmitted by Superintending Surgeons to the Medical Board for countersignature, and Paymasters of Divisions and Forces are hereby authorized to discharge the amount of such bills, when duly countersigned by the Medical Board.

5 Medical Officers who may wish to tender their Instruments for purchase, under the above provisions, are required to do so with as little delay as possible, and at the latest before the 1st of May 1830.

6. Executive Medical Officers will retain as public property, the Instruments purchased from them under this order, and either in this manner, or by issue from the Public Stores, every Officer of the Honorable Company's Service will be supplied with the assortment of instruments prescribed by the G. O. G. of the 7th November 1826, and will be held responsible for their proper preservation. These Instruments are hereafter to be considered as attached to the Officer, and not to the charge which he holds; and consequently when an Officer is removed, he will carry his instruments along with him ; a cooly being supplied for their conveyance by the Commissariat, on indent countersigned by the Superintending Surgeon. In the case of Medical Officers of His Majesty's Service, however, the Instruments will not be considered attached to the Officer, but will be supplied in the same manner as previously to the publication of the G. O. of 7th November 1826.

7. Every Medical Officer, of the Honorable Company's Service, proceeding on leave beyond the limits of this Presidency, will deliver over his Instruments, with a list of them in duplicate, to the Medical Storekeeper at the Presidency, if he takes his departure from thence, or if otherwise to the Deputy Storekeeper of the Division in which he may be serving. The Medical or Deputy Medical Storekeeper, having ascertained that the list is correct, will enter in a column of remarks a particular notice of the condition of the Instruments, and affix his Signature to both Copies of the list. The Officer delivering over the Instruments will retain one Copy and transmit the other to the Medical Board, or the Superintending Surgeon of the Division, as the case may be.

8. When a Medical Officer dies it will be the duty of the Superintending Surgeon immediately to take measures to secure and deliver to the Medical or Deputy Storekeeper the Instruments which were in the possessions of the deceased Officer, and to make, as soon as possible, a special report of their condition to the Medical Board.

9. The Medical Board will give such Subsidiary directions in the Medical Department as may be necessary in regard to the preceding regulations.

By order of the Right Honorable the Governor in Council.

MADRAS, *January* 18, 1830. (Signed) G. T. WALKER, Lieutenant General, *and Commander in Chief.*

Although they cannot be approved—for gratifying as it is to the feelings of the Commander in Chief that a fellow Soldier should be spared from the Penalty and Disgrace attached to the Crime imputed to the Prisoner, it is nevertheless his duty to express his deep regret that under the Solemn Pledge given by Members of a Court Martial, they should in this have allowed themselves to have been guided rather by their feelings, however humane, than by the evidence before them.—It is not the first time he has endeavoured to arouse a sense of Duty on a subject of such vital importance, and he must say the breach of it is endangering the best interests of Society, and holding out security to Crime wherever partiality or the passions can be enlisted in its favor. Nothing could well be stronger or more circumstantial than the evidence in this case against the Prisoner—He must attribute his escape rather to the humanity of the Court than to their duty, and it is to be hoped that a due sense of the awful situation in which he has been placed will so humble him in his own eyes as to purify his future conduct, that the cry of offence and of blood may not hereafter rise against him before that more perfect seat of judgment where error can have no place.

Lieutenant Babington will be released and return to his duty.

GENERAL ORDERS,

BY HIS EXCELLENCY THE COMMANDER IN CHIEF.

HEAD QUARTERS: CHOULTRY PLAIN;

19TH FEBRUARY 1830.

The following Extracts from the Confirmed Proceedings of an European General Court Martial, holden at Fort St. George on Friday the 12th of February 1830, by virtue of a warrant of authority from His Excellency Lieutenant General Sir George Townshend Walker, G. C. B. and G. C. T. and S. Commander in Chief, are published to the Army.

Captain James Fullarton of the Seventeenth Regiment of Native Infantry, placed in arrest, by order of the Commander in Chief.

Charge.—For scandalous and infamous behaviour, such as is unbecoming the Character of an Officer and a Gentleman, in the following Instances.

First Instance.—In having, at Madras, on the Sixth of January one Thousand Eight Hundred and Thirty, when in the Disguise of a Postman, at a Masked Ball given by the Honorable James Taylor, Esquire, Member of Council, delivered to Mistress Eliza Macleane, the wife of Major Thomas Macleane, of the European Regiment, and Secretary to the Military Board, an open writing, scurrilously and abusively addressed, and containing scurrilous and abusive matter, thereby deliberately and intentionally offering, when in disguise, a premeditated Insult to a Lady.

Second Instance.—In having at Palaveram, on the Seventh of February One Thousand Eight Hundred and Thirty, in an official Letter of that date to the address of the Deputy Adjutant General of the Army, notwithstanding his acknowledgment of having personally delivered the open writing alluded to in the First Instance of Charge, and notwithstanding his having been informed of the distress he had thereby occasioned, positively refused either to disavow his knowledge of the *Contents* of the writing in question, or to make the appropriate apology prepared and transmitted to him in an official Letter of the same date, by Major Benjamin Robertson Hitchins, Deputy Adjutant General of the Army; which apology, as a Gentleman, it was his, (Captain Fullarton's,) duty to have made, as the only reparation he could then offer.

The above being in breach of the Articles of War.

FORT ST. GEORGE, 9th *February* 1830. (Signed) B. R. HITCHINS, *Deputy Adjutant General of the Army.*

The Court having most maturely weighed and considered the whole of the Evidence brought forward in support of the Prosecution, as well as what the Prisoner Captain James Fullarton of the Seventeenth Regiment of Native Infantry, has urged in his Defence, and the Evidence in support thereof, is of opinion.

Finding on the first Instance of Charge.—That the Prisoner is guilty of delivering a note to Mistress Eliza Macleane at a Masked Ball, scurrilously and abusively addressed, and containing scurrilous and abusive matter; but acquits him of deliberately and intentionally offering when in disguise a premeditated Insult to a Lady, as it does not appear that he was either acquainted with the objectionable part of the address or its contents.

Finding on the second Instance of Charge.—That the Prisoner did decline the disavowal of the Contents of the note in question, and to make the proposed apology; but the Court attaches no criminality to the same.

The Court is further of opinion that the Prisoner is not Guilty of scandalous and infamous behaviour, such as is unbecoming the Character of an Officer and a Gentleman.

Sentence.—The Court having found the Prisoner guilty to the extent above stated, doth Sentence him the said Captain James Fullarton, of the Seventeenth Regiment of Native Infantry, to be Reprimanded in such manner as His Excellency the Commander in Chief may think fit.

(Signed) R. T. WELBANK, Lieutenant, Deputy Judge Advocate General Conducting the Proceedings. (Signed) E. M. G. SHOWERS, Lieut Col. 2d Horse Brigade, President.

The Finding and Sentence having been returned to the Court for revision from the illegality of the latter, after the acquittal of the criminal part of the Charge, and for further consideration of the Evidence—The following is the Revised Finding.

Revised Finding on the Charge in both Instances—"That the Prisoner is not Guilty; and the Court does therefore acquit him of the same."

(Signed) R. T. WELBANK, Lieut. Deputy Judge Advocate General Conducting the Proceedings. (Signed) E. M. G. SHOWERS, Lieut. Col. Commanding 2d Horse Brigade, President.

"The Court wishes to represent to His Excellency the Commander in Chief that it is still of the same opinion as stated in the former Finding, but as it is now aware that the offence ascribed to the Prisoner, as not being in any degree of a nature affecting good order and Military Discipline, can only fall

within the cognizance of a Court Martial in as much as such offence may be held to be within the Provisions of Article XXVI, of Section XIV of the Articles of War, it considers the Prisoner entitled to an acquittal generally.

(Signed) E. M. G. SHOWERS, Lieut. Col.
Comg. 2d H. B. President.

CONFIRMED.

MADRAS,
February 18, 1830. } (Signed) G. T. WALKER,
Lieutenant General.

The Prisoner Captain Fullarton having been thus acquitted he will forthwith join his Regiment. It will however be satisfactory to the injured party to learn, that this acquittal proceeded from the conviction that this Gentleman was not acquainted with the contents of the insulting note he delivered—and as the cowardly projector has not yet dared to acknowledge the authorship, it is but rational to suppose (what is indeed borne out by the vulgarity of the language) that it must be the production of some very low and ignorant person who took advantage of the innocent mode of procuring letters adopted by the Prisoner, and he must be thus viewed as beneath the consideration of the respectable family thus assailed, and it must be so far further satisfactory to them to be relieved from the supposition, that any one in their own society could descend to an act so unbecoming the Character of a Gentleman.

(Signed) G. T. WALKER,
Lieutenant General.

The General Court Martial of which Lieutenant Colonel Showers is President, is dissolved.

G. O. BY GOVERNMENT. FORT ST. GEORGE, 26TH FEBRUARY 1830.

The Right Honorable the Governor in Council has received with great satisfaction, advices from the Supreme Government enclosing a report from Major Burney, Deputy Commissioner for the affairs of the Tenasserim Provinces, in which he ascribes the suppression of the insurrection at Tavoi to the prompt and judicious measures adopted by the late Captain Cuxton of the 19th Regiment Native Infantry, and to the steady conduct of the Detachment under his Command, aided by the gallant services of Sub Conductor Corley, Staff Serjeant Richardson, and Sub Assistant Surgeon Bedford, who, in the absence of the Artillery, manned and served the Guns in the most spirited and effectual manner.

The subsequent death of so valuable an Officer as Captain Cuxton is an event of deep regret, but it is a great gratification to the Right Honorable the Governor in Council to express his high approbation of the Services of the whole Detachment, and, at the recommendation of His Excellency the Commander in Chief, to promote the following Individuals who particularly distinguished themselves on that occasion.

Sub Conductor T. C. Corley of the Ordnance Department, to be a Conductor.

It having been brought to the notice of Government, that instances have occurred where Pensioners have been exposed to inconvenience and distress, in consequence of having been permitted by Officers in charge of them to proceed to Stations beyond the limits of this Government, for the purpose of residing and drawing their Stipends, without having obtained the requisite authority of Government.

The Commanding Officer of the Station or Corps, or the Staff Officer in charge of Pensioners, will make an application to the Superintendent of Pensions for the indulgence being allowed, and forward at the same time, a Copy of the Pension Certificate held by the Party, in which he will insert in the column of Remarks, in the English and Persian character, the name of the place the Stipendiary wishes to reside at, with that of the nearest Military Station thereto. The Superintendent will then make the necessary application on the subject to Government, and communicate the result to the Officer in charge of the Pensioners.

In the event of Government being pleased to grant the indulgence, the Officer in charge will then provide the Pensioner with the requisite Passport and Certificate of last Pay, and carefully explain to him the necessity of his repairing to the Station he may have selected to reside at, in order that he may be identified by the Public authorities.

The General Courts Martial of which Lieutenant Colonel E. Purdon of His Majesty's 41st Regiment, and Lieutenant Colonel J. T. Trewman of the 17th Regiment of Native Infantry, are Presidents, are dissolved.

The Court having most maturely weighed and considered the whole of the Evidence, brought forward in support of the Prosecution, as well as what the Prisoner Subadar Burree Khan of the First Regiment of Light Cavalry, has stated in his Defence, is of opinion,

and President of the Court.

(Signed) THOMAS LITTLETON GREEN, Lieutenant,
50th Regt. N. I.—Interpreter to the Court.

Approved and Confirmed, but although justice to the public service has rendered this a necessary duty with the Commander in Chief, yet is it in this instance but justice to the Individual to acknowledge at the same time his long, faithful, and valuable services, the remembrance of which he cannot allow to be erased by a single error. It would have been gratifying to the Commander in Chief to have conceded his pardon to the warm and humane recommendation of the Court alone, supported as it is by such strong testimony, in favor of the Prisoner, but that in pardoning him for the merit of his former Services he trusts the Army at large may understand the high value of a good Character—Subadar Burree Khan is then hereby pardoned and the Commander in Chief will not entertain a doubt but that his future conduct will in every respect justify the lenity now shown to him.

MADRAS,
6th March 1830.

and Commander in Chief.

The Native General Court Martial of which Subadar Cawder Butchee, of the 18th Regiment of Native Infantry is President, is dissolved.

For the investigation of all complaints connected with criminal offences, and for the adjustment of all claims whatsoever, the several Courts Civil and Military have been established; to which recourse can be had for justice in all imaginable cases: and nothing would be more likely to produce confusion and inconvenience to the Public Service, than connivance at Courts of this anomalous description, which are equally deficient in authority for their constitution, information to guide them, or supervision as a restraint upon the errors they may commit.

HEAD QUARTERS OF THE ARMY;

BANGALORE, 23*d* APRIL, 1830.

With reference to General Orders by Government 6th April 1830, No. 70, the Commander in Chief directs the publication of the subjoined instructions for general information.

Two Schools are to be established in each Corps—One Moosulman, and One Hindoo.

The allowance of 21 Rupees granted by Government, not being more than sufficient for the purpose, is to be appropriated to the payment of two Masters, to be regularly engaged for the Schools, at the rate of 10 Rupees each, and the extra Rupee monthly to be paid to the School Fund.

It is permitted to continue the employment of two of the Regimental Lascars, as under Masters, or Ushers—One in each School.

The Schools are to be under the immediate management and Supervision of a Committee, to be composed of the Commanding Officer, or Major, as President, with the Interpreter, and another Officer as Members.

The Interpreter will officiate as Secretary to the Committee, and the accounts of the School Fund will be kept in his Office.

Each Member of the Committee will have the Superintendence of one of the Schools under the general direction of the President.

All Regimental Boys are to be required regularly to attend the Schools, which will also be free to all Boys whose Fathers or other relations are, or may have been, in the Ranks of the Regiment, to such number as may be determined by the Commanding Officer.

Such Men of the Regiment also, particularly Recruits, as may wish to attend shall be permitted to do so under similar limitation.

No Individual other than above described shall, on any account, be received into the Regimental Schools.

No Scholar shall be admitted but by order of the Commanding Officer.

No Corporal punishment shall be allowed in the Schools but under the personal authority and supervision of the European Superintending Officer, who is permitted to award its infliction to the extent of Six Cuts on the hands with the Regimental Cat of Nine Tails.

When more severe punishment may be deemed necessary, a report must be made to the Commanding Officer, who will order such as is necessary on his own responsibility—No Rattan is to be allowed to be made use of on any account.

Neglect of duty or other offence on the part of the Masters, or Ushers, which may call for punishment, will subject them to fine, by order of the Committee, to an extent not exceeding one eighth of their pay monthly.

All Fines are to be carried to the Credit of the School Fund.

All Subsidiary rules for the internal economy of the Schools are to be framed by the Committee, and established in Regimental Orders.

The Masters engaged in accordance with the preceding Orders, are not required to be borne upon the Muster Rolls—Commanding Officers being held responsible for their being regularly kept up.

The Commander in Chief considers the institution of well ordered Schools to be of the highest import to the best interests of the Native Army, and he confidently anticipates the cordial co-operation of Officers in giving effect to their Establishment.

His Excellency is aware that the Allowances authorized for their support may not probably be fully adequate to the object, yet very much may be done, if sufficient care be had to the Establishment of the Schools upon efficient principles, and to the active and steady supervision of their progress.

Lieutenant G. Middlecoat is removed from the 3d to the 2d Battalion Artillery.

The Division Order by the Officer Commanding the Mysore Division of the Army, dated Bangalore 24th April 1829, directing Lieutenant Briggs of the 1st Brigade of Horse Artillery to be detached from the Garrison of Bangalore to Oossoor, to march from thence to Madras, on the 1st May following, in charge of the Remount Horses of the Right Honorable the Governor's Body Guard, is confirmed.

The Commander in Chief notices for general information that no Warrant or Non-Commissioned Officer, tho' European, can command a Native Commissioned Officer. His Excellency is surprised at this late period that so obvious a principle requires to be defined, but a recent reference seems to call for this declaration and order.

The Commander in Chief requests that Officers Commanding Corps may be desired to have this order fully explained to Warrant and Non-Commissioned Officers, &c. &c.

With reference to General Orders by Government of the 19th March 1830, the Commander in Chief directs the publication of the following regulations for general observance.

Commanding Officers of Corps from which men may be transferred to the Pension Establishment, will transmit to the Officer Commanding the General Depôt at Cuddalore, Registers and Certificates of all kinds, Communicating to him every necessary information regarding them.

All individuals transferred to the Pension List, are to be ordered to Cuddalore by the *most direct* route, and, when their numbers require it, a steady Non-Commissioned Officer is to be placed in charge. The date of their march to join is to be reported to the Depôt.

Commanding or Staff Officers of Stations, Trippasore excepted, will immediately transmit to the Officer Commanding the Depôt, Rolls of all Pensioners now residing at such Stations, and regular Monthly Returns of them are in future to be made, particularly noting all alterations and Casualties. These Returns to be seperate for King's and Company's Pensioners, and to commence from the 1st June next.

All Applications regarding such Pensioners, whether for Change of Station or otherwise, are to be made to the Commandant of the Depôt.

Commanding Officers of Corps and Stations are required to afford every information in their power to the Commandant of the Depôt, with whom they are to place themselves in communication on all subjects connected with the Pensioners.

Assistant Surgeon D. F. Macleod will afford Medical Aid to the Warrant and Non-Commissioned Medical Officers and other public servants proceeding to Penang on board the Brig *William*.

GENERAL ORDERS,

BY HIS EXCELLENCY THE COMMANDER IN CHIEF.

HEAD QUARTERS OF THE ARMY;

BANGALORE, 21st MAY 1830.

In publishing the result of the last Examination in Hindoostanee, feeling as he sincerely does a strong Interest in the Character of this Army. The Commander in Chief cannot but express his deep regret, that so few Officers have been able to pass the Ordeal and still fewer with that claim to the pecuniary reward which implies perfection. It has nevertheless afforded him some gratification to find that since the former examination much progress has been made by some, and that few have entirely failed, he has consequently been induced where circumstances could plead any fair excuse for want of greater progress to grant a prolonged period for further exertion promising however that the examination then fixed must be considered as final, as he can foresee no case that will then admit of further reprieve.

He must then urge it in the strongest manner on the honor and credit of the Officers of this Army, to exert their utmost industry and talent to make themselves fit for their duties with the Native Army by acquiring a knowledge of at least this one Language—without it they are not fit to perform their duty. They are in disobedience and under breach of contract to the Company whose orders require it in all their Servants. They may rest assured that no Staff Officer will hereafter be appointed without it—whilst the proficiency in it will do credit to their Industry and Talent and recommend them for future employment and confidence; and as the Commander in Chief has now reason to hope, in addition to the present pecuniary rewards—that the Court may be induced to grant a much more considerable one, he earnestly trusts that no Officer whatever progress he may have made will stop short in his studies, till he has insured that proficiency which will command it.

GENERAL ORDERS,

ADJUTANT GENERAL'S OFFICE;

FORT ST. GEORGE, 19TH MAY 1830.

The Right Honorable the Governor in Council having addressed the subjoined Orders to His Excellency the Commander in Chief, to be published to the Army, they are accordingly published in Military Orders.

A.

No. 80.

FORT ST. GEORGE, 27TH APRIL 1830.

G. O. BY GOVERNMENT.

The following Extract from a Letter from the Honorable the Court of Directors, under date the 18th November 1829, is published in General Orders.

Para. 2. We have had under our consideration the System of Diet adopted on board of our Ships for the Crews and the Troops that may be embarked on them, and we have been enabled to adopt a change which by reducing the quantity of salt meat and giving a proportionate encrease of other Articles, and by giving also one meal in each week of the preserved, (or fresh) Meat, will we hope be found to be more conducive to the health of the Troops than the former system.

3. We enclose in the Packet the new scale of victualling which is to be in use from the commencement of the present Shipping Season.

4. You will adopt a similar scale for Ships which the necessities of the Service may occasionally require you to engage for the conveyance of Invalids and Troops to England, instead of the Scale established by the orders conveyed in our Military Letter dated 8th August 1827.

5. Supplies of the Preserved Meats will no doubt be sent to the several Presidencies for purchase by the Government, or by Individuals; when these Meats are not procurable in sufficient quantities Salt provisions of the best quality must be substituted.

6. As this system of victualling includes an ample allowance of Tea, Sugar and Lime Juice, you will revise the Regulations established by your Government for the separate provisions of comforts in which those Articles are included.

7. We have found it necessary to desire that the several Articles composing the Bedding of each Soldier, or Recruit, should be marked distinctly in several places with the number of the Recruit on the Roster, before the Bedding is sent on Board.

8. We have likewise desired that care may be taken that the Recruits do not give away or dispose of their Bedding upon reaching India, but that it may be landed with them for their use on their first arrival.

9. We have also arranged that Cots, with Mattrasses and Sheets, for the use of the Sick, shall be supplied in the proportion of Five for every hundred Men embarked, and that a space abreast the after Hatchway on the Orlop Deck shall be set a part for Sick Births.

10. You will take similar measures in providing for Troops and Invalids returning to England.

11. When Great Coats are supplied for the use of Recruits on the voyage they will be placed in charge of the Officers in Command of the Troops, to be issued during cold weather for the use of the Men on watch, and the convalescent Sick, and be delivered into Store on arrival at their destination. The Great Coats so received at our several Presidencies will be returned as occasion may require for the use of Invalids.

12. The arrangement we have made with respect to Diet renders it unnecessary that any portion of the Recruit's Pay should be appropriated to the purchase of separate supplies of Tea and Sugar as has been hitherto the practice.—The amount of the balance of Cash due to each Recruit on his landing in India will therefore be encreased, and we think it necessary to desire that arrangements may be made for appropriating the amount of this balance to the purchase of necessaries for the Soldier.

13. The Officer who may have charge of the Recruits will be furnished with 5*s.* on account of each Man under his care for Refreshments in case of touching at an intermediate Port, and to be accounted for to the Town Major on arrival at their destination.—He will also be furnished with a Statement of the sum remaining due to each Recruit out of his Ship Money, for the purpose of enabling you to make the necessary payment on his account. The sum remaining unspent out of the advance of 5*s.* will be appropriated in a similar manner.

14. You will take particular care that no portion of the Money due to the Recruits is given to the Men themselves. It is our desire that the whole may be appropriated to the purpose we have specified, under the Orders of the Captains of Companies to which the Recruits may be posted.

15. This arrangement will enable you to reduce the amount of the advance now made for each Recruit, and deducted from his Pay for the provision of necessaries.

(Signed) S. PESHALL, Lieutenant,
Interpreter to the Court.

The Court beg strongly to recommend the case of Subadar Kistun Sing of the Fifty-first Regiment of Native Infantry, to the favorable consideration of His Excellency the Commander in Chief, in consequence of his long Services, as well as the peculiar origin of his quarrel with Puckally Shaikh Boodun.

(Signed) S. PESHALL, Lieutenant,
Interpreter to the Court.

As it appears by the late examination of Lieutenant Peshall, who has acted as Interpreter on this Court Martial, that he is yet very far from fit for that duty, and, under the recommendation of the Court in favor of the Prisoner, the Commander in Chief does not think fit to approve the Finding and Sentence—and the Prisoner who is to return to his duty, will, it is hoped, take serious warning by the near escape he has had.

GENERAL ORDERS,

BY HIS EXCELLENCY THE COMMANDER IN CHIEF.

HEAD QUARTERS OF THE ARMY:

BANGALORE, 25TH JUNE 1830.

The Commander in Chief directs the publication of the following Orders on the subject of Dress.

Staff Officers are permitted to wear Undress Trowsers of the Oxford Mixture, with a red stripe (corresponding in width with the Lace on the blue Trowsers,) down the outward seam. The blue Trowsers to be continued, agreeably to existing orders, for occasions of Dress.

With reference to G. O. C. C. 31st December 1827, Staff Officers are permitted to wear Forage Caps of the established Staff Pattern, with the Blue Frock, or Undress Jacket, except when actually on Parade Duties.

Staff Officers are also to wear with the Blue Frock or Undress Jacket, Black leather Waist Belts 1½ inch broad, with gilt mountings, fastened by a clasp lion's head encircled by a wreath of laurel, buckles and all other parts of the mountings, plain.

The Cloth Trowsers of Officers of mounted and dismounted Corps to remain until further orders as regulated in G. O. C. C. 26th March 1828.

The Commander in Chief further directs the publication, for general information and guidance, of the following copies of Circular Memoranda dated Horse Guards 18th and 24th June 1829.

CIRCULAR. HORSE GUARDS, *18th June* 1829.

Memorandum.

It having been represented to the General Commanding in Chief, that a deviation has already been made from the approved Patterns in the size of the Bullion of the respective Officers Epaulettes, Lord Hill calls the immediate attention of General Officers Commanding Districts to this circumstance, and desires that Commanding Officers of Regiments may be held strictly responsible for this deviation wherever it may exist, and that all Epaulettes found contrary to Regulation may be instantly prohibited.

The same observation applies to the great variety of Sashes now worn by the Infantry of the Army, and His Lordship Commands, that the Sealed Pattern Sashes, for Infantry and Light Infantry as well Officers as Non-Commissioned Officers, deposited at the Office of Military Boards, may be the sole guides for the regulation of future supplies, and further, that all Sashes not according with these Patterns, may as far as regards the Officers be forthwith discontinued.

By Command of the Right Honorable General Lord HILL,
Commanding in Chief.
(Signed) H. TAYLOR,
Adjutant General.

CIRCULAR. HORSE GUARDS, *24th June* 1829.

The General Commanding in Chief considers it necessary to call the attention of the General Officers in Command and through them of the Commanding Officers of Regiments, to the necessity of prohibiting, most strictly, the practice which has crept more or less, into some Regiments of Infantry, and especially among the Officers, of suffering the Mustachio, or the Beard on their Chin to grow.

This practice has never been sanctioned by competent authority in any Regiment of Infantry, and it ought never to have obtained by sufferance.

The General Commanding in Chief avails himself of this opportunity of stating to the General Officers, and Commanding Officers of Regiments, that he has been informed, that the Officers of many Regiments have taken upon themselves to appear in their Quarters not dressed according to His Majesty's Regulations, but in Uniform and Equipments of various form and fancy, and that they have not scrupled to appear in the streets, and at public places, in Uniform *without Swords*.

The attention of the Inspecting General Officer, and of Commanding Officers of Regiments, is particularly directed to the prevention of practices so slovenly and unmilitary, and to the importance of enforcing a due observance of His Majesty's Regulations on the part of those, who are called upon to maintain them by precept and example in the subordinate ranks.

By Command of General the Right Honorable Lord HILL,
Commanding in Chief.
(Signed) H. TAYLOR,
Adjutant General.

Lord Hill directs that the due observance of this instruction be adverted to in the half yearly Confidential Reports.

(Signed) H. T.

His Excellency the Commander in Chief calls the particular attention of General and other Officers in command to enforce observance of the foregoing orders and desires their *particular* attention to the following points.

G. O. C. C. 23d September, 1829.

The majority of the Officers who have lately arrived from England having provided themselves with the Uniform as recently established by His Majesty and the Appointments received from England by the Tradesmen at this Presidency being also generally of the new pattern. The Commander in Chief, with the sanction of the Right Honorable the Governor in Council is pleased in consideration of the great expence which would otherwise be incurred by them, to permit those Officers already provided with it to wear the new Uniform as described in a Memorandum furnished to Regiments respectively, and His Excellency is further pleased with the sanction of Government to authorise its gradual adoption by Officers requiring to replace their present Equipments pending a reference to the Court of Directors upon the subject.

The strictest adherence is required to the size and fashion of Bullion prescribed for the Epaulettes of different Ranks whether on Staff or Regimental Uniforms—Officers Commanding Regiments and Heads of Departments will be held responsible for any deviation which may be found to exist in the Dress or Appointments of those who have provided themselves with the new Uniform under the permission granted in General Orders of the 23d September 1829 noted in the Margin, and it is directed that all Epaulettes now worn contrary to Regulation, be instantly prohibited.

Sashes of Corps must be strictly uniform in every respect.—All mounted Corps to wear the Crimson and Gold Girdle, and all dismounted Corps the Crimson Net Silk Sash, to go twice round the body and tie according to His Majesty's Regulation.

The Commander in Chief considers it necessary to explain, that the provisions of the Circular Memorandum dated Horse Guards 24th June 1829 are to be equally applicable to all European Officers and Troops of this Army, whether belonging to the Staff, the Cavalry, Artillery, or Infantry ;—and that *neither Mustachios nor the Beard on the Chin* are to be allowed to be worn, unless by the Native Troops.

Finally the Commander in Chief desires it may be understood, that in the instance of any Officer absent from his Regiment on leave at the Presidency or other Station, being observed to deviate in any respect from the established costume of his Rank and Corps, such Officer's leave will forthwith be cancelled, and he will be ordered to rejoin his Corps.

Officers are cautioned against appearing out of their Quarters in white Jackets.

59. *Officers on Guard are strictly interdicted from entertaining Guests at their Guard Rooms, nor are Officers, at any time, to visit others on duty but in their Regimentals and with side Arms.*

The attention of Officers is further required to Paragraph 59 of G. O. C. C. 2d April 1829, quoted in the Margin, and the Commander in Chief directs that it be strictly obeyed.

Officers Commanding Divisions, Districts, and Forces, are required to report to the Adjutant General of the Army for the Information of the Commander in Chief, within two months from this date, that the foregoing orders have been duly obeyed by all Officers whether of the Staff or Regimental.

G. O. BY GOVERNMENT.

1. The Right Honorable the Governor in Council has been pleased to resolve that the Regulation published in General Orders, 6th November 1821, regarding the allowances of Officers on leave of absence, shall be applicable to those absent *within*, as well as beyond, the limits of this Presidency.

2. When an Officer at the head of a Department, or an Officer holding the appointment of Deputy in a Department, shall proceed on leave of absence, the Individual nominated by Government to officiate in the superior grade shall, if in the same Department, be entitled to draw one half of his own salary and the forfeited moiety of the salary of the absentee, and when under such circumstances it may be deemed necessary by Government to bring an Extra Officer into the Department, the Officer thus temporarily employed shall be allowed the undrawn half salary of the Deputy, or Assistant, as the case may be. In those cases when it may not be considered necessary to employ any extra Officer in the Department the undrawn half salary becomes a saving to the State.

3. The period during which Officers, whether Regimental or Staff, when absent on Sick Certificate, are permitted to draw allowances is restricted to two years, which is not in any case to be exceeded, if the absence should be prolonged beyond that period the parties will be entitled to the subsistence only of their Regimental Rank, without any allowances either Regimental or Staff.

4. The following exception from the general rule is authorized, viz. when an Officer obtains leave of absence on his private affairs to a Station 500 Miles distant, the period during which he is permitted to draw allowances is extended from six to seven Months, and if to a Station 600 or more Miles distant, to eight months, but this rule is not to apply to absence off the Coast or to other Presidencies.

5. The above provisions are not to apply to Officers now on leave of absence until their *present* furloughs expire, but in case any of these furloughs should be extended without the party returning to his duty, the past period of absence is to be included in the limits to which the payment of allowances is restricted.

The Proceedings of the Committees to be conducted in strict conformity with the Regulations of the Service,—the General Orders noted in the margin, and agreeably to the Forms laid down in General Orders dated 22d September 1822, adding thereto a Column for *General Number* after the Column of "Rank," and particularly observing the following points.

It should be distinctly stated in the Column headed "*Why Recommended.*" against the name of each Individual recommended to be transferred to the *Veteran* Establishment, that he is *Unfit for Field but fit for Garrison Duty*, and in the case of every Individual recommended to be *Pensioned* that he is *Unfit for any Duty*, and how he became so, and the same as the case may be respecting Men recommended to be Discharged It is not enough that disease or injuries should be merely stated, leaving to be inferred, the *fitness* or *unfitness* of the subjects,—and Officers in Command will especially provide that Medical Certificates for each Individual case brought before Committees, be prepared in as full and distinct a manner as possible by Medical Officers in Charge.—It is also of great importance that attestations of Commanding Officers of Corps to character be in no case omitted; and they are further required to grant Certificates of character to such Europeans as may be removed from under their Command to the Invalid or Pension Establishment, or discharged from the Service, pointing out, at the same time, the necessity of these Documents being carefully preserved by the Individuals in the event of their being required to produce them at any future period.—Cases not entitled by the Regulations should be sparingly recommended by Committees, and *the ground of every Special recommendation distinctly stated*, and separate Proceedings forwarded for each Corps.

Officers Commanding Divisions and Forces in which General Committees assemble, are requested to dissolve them as soon as their Proceedings are closed, and they have examined and ascertained that they are prepared in strict conformity to the Orders upon the subject.

His Excellency the Commander in Chief calls the particular attention of Officers Commanding Divisions and Forces to the General Orders by Government, dated 1st June 1827, relative to the European Soldiers recommended to be discharged from the Service by Invaliding, &c. Committees.

C. B. and G. C. T. and S. Commander in Chief, are published to the Army.

Captain Carpenter Smith Buxton of the 3d Regiment of Light Infantry, placed in arrest by order of His Excellency the Commander in Chief, for having behaved in a scandalous and infamous manner, unbecoming the character of an Officer and a Gentleman, in the following Instances.

Having, while discharging a public Office at Mergui, on the Coast of Tenasserim, fled from that place, on the night of the twenty-first of August One thousand Eight hundred and Twenty-nine, in the most cowardly and ignominious manner, tending to disgrace the character of his country and the honor of a Soldier; and having some days subsequently, basely abandoned, or not used his utmost means to prevent the abandonment, at Sea, of a number of Madras Troops, who had been commanded to share his flight, and who had been placed in a boat, and towed by a Vessel in which he, Captain Buxton, fled.

The Court having most maturely weighed and considered the whole of the Evidence brought forward in support of the prosecution, as well as what the Prisoner, Captain Carpenter Smith Buxton, of the Third Regiment of Light Infantry, has urged in his defence, is of opinion.

Deputy Judge Advocate General.

(Signed) C. A. VIGOUREUX, Colonel,

The Court in acquitting the Prisoner of the Charge begs respectfully to explain, that though it is clearly proved in Evidence that the Prisoner fled from Mergui, yet, that being employed exclusively in a Civil capacity, it attaches no criminality to the act in consequence of the steps taken by the Officer in Command for abandoning the Place.

Letter dated the 3d March 1829, Para. 16, forwarding copy of the proceedings of a General Court Martial on the trial of Cornet Courtney Charles Ferrers.

1. From this Paragraph, and from your Military Letters of the 13th of July, 1827 [Para. 15] and 22d of February 1828 [Para. 16] we observe that Cornet Ferrers has been no less than four times since his arrival in India, in 1826, brought to trial by Court Martial,—that he has been twice sentenced to be dismissed the Service though the Sentence was remitted, and that on more than one occasion, it was proved he had beaten and maltreated the Natives in a most shameful and outrageous manner.

4. We must also express our strong disapprobation of the unjustifiable lenity of the Sentence passed on Cornet Ferrers by the Court Martial of which Lieutenant Colonel Brodie was President, and our concurrence in the censure passed by the Commander in Chief on the proceedings of that Court, and we desire that these our sentiments be published in General Orders to the Army.

5. In conformity with the Resolution contained in our Military Letter of the 14th April 1813, that we should "Dismiss from our Service every Officer who shall be proved to have been guilty of cruelty to any Native, either by violently and illegally beating or otherwise maltreating him," We now direct that Cornet Ferrers be discharged from our service and sent to England without delay.

By order of the Right Honorable the Governor in Council.

GENERAL ORDERS,

BY HIS EXCELLENCY THE COMMANDER IN CHIEF.

HEAD QUARTERS OF THE ARMY;

BANGALORE, 20*th August* 1830.

Adverting to G. O. C. C. 10th July last, on the subject of Regimental Lascars, the Commander in Chief desires it to be understood that these Men are never to be employed on any but *strictly public* duties.—The Camp Color Men are available for every description of Work pertaining to the Office of Pioneers, or connected with the Regimental Stores, but it is no part of their duty to assist at the Artificers Forge or Workshop, and their employment for the purpose of preparing or procuring Charcoal or fuel is prohibited, these being Articles of private supply for which Quarter Masters receive an adequate allowance from Government.

General and other Officers Commanding are required to observe that this order be strictly obeyed in all Corps serving in their Divisions.

The following Extracts from the Confirmed Proceedings of an European General Court Martial holden at the Judge Advocate General's Office, Madras, on Monday the 2d day of August 1830, by virtue of a Warrant from His Excellency Lieutenant General Sir George Townshend Walker, G. C. B. & G. C. T. & S., Commander in Chief, are published to the Army.

Captain Archibald Milne of the Ninth Regiment of Native Infantry placed in arrest by order of Major Charles Augustus Elderton, Senior Officer in charge of the same Regiment.

Charge.—For scandalous and infamous behaviour such as is unbecoming the character of an Officer and a Gentleman, in having at Saint Thomas's Mount on the Seventh of July One thousand eight hundred and Thirty, when on the Sick list, appeared on the Public Road in a state of intoxication.

The above being in breach of the Articles of War.

SAINT THOMAS'S MOUNT,
The Eighth of July, One thousand eight hundred and Thirty.

(Signed) C. A. ELDERTON, Major,
Senior Officer in charge of the
Ninth Regiment of N. I.

By Order,
(Signed) T. H. S. CONWAY,
Adjutant General of the Army.

The Court having most maturely weighed and considered the whole of the Evidence brought forward in support of the Prosecution, as well as what the Prisoner Captain Archibald Milne of the Ninth Regiment of Native Infantry, has urged in his Defence, and the Evidense in support thereof is of opinion.

Finding on the Charge—That the Prisoner is not guilty of the Charge, and the Court does therefore fully and honorably acquit him of the same.

The Court further considers that the words "scandalous and infamous" are uncalled for and vexatious.

(Signed) R. T. WELBANK, Lieutenant,
Deputy Judge Advocate General,
Conducting the Proceedings.

(Signed) JAMES HENRY FRITH, Lieut. Col.
3d Battalion Artillery—President.

Approved and Confirmed.

BANGALORE;
August 20th, 1830.

(Signed) G. T. WALKER, Lieutenant General,
and Commander in Chief.

I feel it, however, necessary to observe that the concluding remark of the Court is uncalled for and unnecessary; the full and honorable acquittal of Captain Milne sufficiently implying that it considered the charge to be vexatious: but, supposing the *facts* of the charge to have been capable of proof, *that the Prisoner* "*when on the Sick list appeared on the Public road in a state of intoxication*" they then *could* only have been brought to the cognizance of a Court Martial under the 26th Art. of 14 Section of the Articles of War, which renders the terms "Scandalous and Infamous" necessary: a necessity which must, of course, render it a subject of deep regret that any Officer on slight grounds should be subject to such a Charge.

(Signed) G. T. WALKER, Lieutenant General,
and Commander in Chief.

Captain Milne of the 9th Regiment N. I. is to be released from Arrest and will return to his duty.

Letter from—dated the 3d March 1829, para. 16, forwarding copy of the Proceedings of a General Court Martial on the trial of Cornet Courtney Charles Ferrers.

From this paragraph, and from your Military Letters of the 13th of July, 1827, [*para* 15] *and 22d of February* 1828, [*para.* 16] *we observe that Cornet Ferrers has been no less than four times, since his arrival in India in* 1826, *brought to trial by Court Martial, that he has been twice sentenced to be dismissed the Service, though the sentence was remitted, and that on more than one occasion, it was proved he had beaten and maltreated the Natives in a most shameful and outrageous manner.*

5. *In conformity with the resolution contained in our Military Letter of the 14th April* 1813, *that we should "dismiss from our Service every Officer who shall be proved to have been guilty of cruelty to any Native, either by violently and illegally beating or otherwise maltreating him," we now direct that Cornet Ferrers be discharged from our Service, and sent to England without delay.*

Secretary to Government.

The Commander in Chief has to call the special attention of all Officers of the Madras Army to the Decision of the Honorable the Court of Directors upon the case of Cornet Ferrers, contained in the General Orders by Government of the 13th Instant: which, for greater convenience of reference, is here republished in the Margin.

It has so happened that, pending the decision of the Honorable Court, Cornet Ferrers has been dismissed the Service by the Sentence of a *fifth* Court Martial, assembled to try him for subsequent offences: but, had this been otherwise, Cornet Ferrers *would* have been discharged the Service, by the Honorable Court's order, notwithstanding the mistaken lenity of the Sentence previously passed by the Court Martial by which he was tried on the 19th of January 1829.

His Excellency takes this opportunity of reminding Officers that, *not even the imperfect Judgment* of Courts Martial will hereafter save them from due Punishment, in the event of their Maltreatment of Natives;—an offence equally to be deprecated as cruel, with reference to the physical weakness of Natives; as ungentlemanly, considering the decorum of conduct which *should* characterize Officers; and as impolitic, recollecting the particular Tenure of our Eastern Empire.

Upon receipt of this order, Officers Commanding Corps will immediately assemble the European Officers under their Command, and read it to them, with such comment as the previous conduct of Individual Officers may, in their opinion, render necessary.

In pursuance of the orders contained in the annexed Extract from a General Letter from the Honorable the Court of Directors in the Public Department dated 10th February 1830 No. 4 of 1830, The Right Honorable the Governor in Council is pleased to direct that all Military Functionaries in addressing the Government shall annex to each Letter a brief Abstract of its contents and that they shall observe a similar course in all Public Correspondence with each other.

Extract from a General Letter from the Honorable the Court of Directors in the Public Department, dated 10th February 1830 No 4 of 1830.

Para. 4. The great length of many of your General Letters, and the number of subjects which they embrace, tend materially to retard our Correspondence. To obviate this cause of delay, you are directed to instruct all your subordinate functionaries in the several Departments, Civil and Military, as well in their Correspondence with each other, as with their respective Governments, to write separate Letters upon separate subjects, and on a paper annexed to each Letter, to make a short abstract of its contents. This division of subjects may not be practicable to an equal extent in every Department, and in all cases, but it is desirable that it should be acted upon as far as circumstances will permit. The practice of making abstracts, besides facilitating references, will lead, we hope, to a condensation of the correspondence, which is often most unnecessarily expanded. It should be understood throughout our Service, that the Letters which contain the most useful information and pertinent suggestions or instructions within the shortest compass, are the most valuable, and will be held by the superior authorities in highest estimation.

HEAD QUARTERS: CHOULTRY PLAIN;

The following General Order issued to His Majesty's Troops serving under this Presidency, is published for the general information of the Army.

HEAD QUARTERS:
BANGALORE, *6th October* 1830.

GENERAL ORDERS.

At a General Court Martial holden at Fort St. George, on the 27th day of September 1830, Private William Cunningham, of His Majesty's 89th Regiment of Foot, was arraigned on the following Charges.

Charge —For conduct to the prejudice of good order and Military Discipline in the following Instances.

First Instance —For having at Trichinopoly, on the Twentieth day of June, one thousand eight hundred and thirty, absented himself from Eleven o'Clock Roll Call, and not returning until brought back from the Bazar in a drunken and irregular state, between Eleven and Twelve o'Clock in the forenoon of the same day.

Second Instance—For having, at the same place, and on the same day, grossly abused Serjeant George Edgar, Color Serjeant James Crawford, and Serjeant William Culbert, of the 89th Regiment, on his (the Prisoner's) way to the Guard Room, by saying, "he would have Serjeant Edgar's life before he left the Country, there was a very good time coming;"—or words to that effect.

Third Instance.—For having, at the same place on the 30th June, one thousand eight hundred and thirty, struck Lance Corporal John Creighton, and kicked Private Charles McMurtha, of the Grenadier Company, Eighty-ninth Regiment, who were then and there in the execution of their duty, as a fatigue party, to convey him, the Prisoner to the Barracks.

Fourth Instance—For having, on the Twenty-ninth day of August, one thousand eight hundred and thirty, whilst a Patient in the Regimental Hospital, made use of threatening language to Serjeant John Bell, Hospital Serjeant of the 89th Regiment, by saying, "he would kick Serjeant Bell out of the Hospital Tent," he the said Serjeant being at the time in the execution of his Office.

The above being in breach of the Articles of War.

CAMP NEAR ST. THOMAS's MOUNT, *3d September* 1830.

(Signed) JOHN M'CASKILL, Lieut. Colonel, Commanding 89th Regiment.

Upon which Charge the Court came to the following decision.

The Court having most maturely weighed and considered the whole of the Evidence brought forward in support of the Prosecution as well as what the Prisoner has urged in his Defence, is of opinion.

Finding on the First Instance of Charge.—That the Prisoner is guilty of the First Instance of the Charge.

Finding on the Second Instance of Charge.—That the Prisoner is guilty of having grossly abused Serjeant George Edgar on his (the Prisoner's) way to the Guard Room, and saying he would have Serjeant Edgar's life before he left the Country, or words to that effect; but it acquits the Prisoner of the remainder of the Instance, as the expressions set forth in the Charge, cannot in any way be construed to apply to Color Serjeant James Crawford, and Serjeant William Culbert.

Finding on the Third Instance of Charge.—That the Prisoner is guilty of the Third Instance of the Charge, but that the offence was committed on the Twentieth of June 1830, not on the Thirtieth.

Finding on the Fourth Instance of Charge —That the Prisoner is guilty of the Fourth Instance of the Charge.

GENERAL ORDERS,

BY HIS EXCELLENCY THE COMMANDER IN CHIEF.

HEAD QUARTERS : CHOULTRY PLAIN;

27TH NOVEMBER 1830.

The following General Orders issued to His Majesty's Troops serving under this Presidency are published for the general information of the Army.

GENERAL ORDERS.

HEAD QUARTERS:
MADRAS, *15th November* 1830.

At a General Court Martial held at Moulmein on the 17th day of September 1830, Serjeant Christopher Dawson of the Light Infantry, or Captain Frederic Charles Ebhart's Company of His Majesty's 45th Regiment of Foot, was arraigned on the following Charges, viz.

Charge 1st.—" For having, at Moulmein on the Evening of the 27th of August 1830, between the hours of Seven and Eight o'Clock or thereabouts, feloniously, maliciously and unlawfully, attempted to Stab with his Sword, Mary Ann Dawson, his Wife, with intent to Murder her."

Charge 2d.—" For having, at the time and place aforesaid, while in the act of making a thrust with his Sword at the said Mary Ann Dawson, unlawfully Stabbed and Wounded therewith in the Groin, Mary Chantry, Wife of Colour Serjeant William Chantry, of No. 2, or Captain Edward Caufield Archer's Company, His Majesty's 45th Regiment."

" The above being within the Provisions of the 93d Article of the Articles of War."

MOULMEIN, *September* 11, 1830.

(Signed) H. T. SHAW, Lieutenant Colonel, Commanding 45th Regiment.

Upon which Charges the Court came to the following decision.

The Court having most maturely weighed and considered the whole of the Evidence brought forward in support of the Prosecution, as well as what the Prisoner Serjeant Christopher Dawson of the Light Infantry, or Captain Frederic Charles Ebhart's Company, of His Majesty's 45th Regiment, has urged in extenuation of his Offence, and the Evidence in support thereof, is of opinion.

Finding on the 1st Charge.—" That the Prisoner is Guilty of the First Charge."

Finding on the 2d Charge.—" That the Prisoner is Guilty of the Second Charge."

Sentence.—The Court having found the Prisoner Guilty as above stated, does therefore Sentence him the said Serjeant Christopher Dawson, being a British Subject, and of the Light Infantry, or Captain Frederic Charles Ebhart's Company His Majesty's 45th Regiment, to be Hanged by the Neck till he be Dead.

This Sentence is Approved and Confirmed.—The Passion that yet admitted of reflection sufficient to seek for a Sword in another apartment, and even the effect of an accident while, in pursuance of an unlawful act, must equally condemn the Prisoner; but taking into fair consideration the declaration he has made that he had no further intention than to frighten a very worthless Woman who had greatly provoked him, that he did not actually wound her and the probability that the interposition of Mary Chantry brought the Sword in contest with her which might not have reached Mrs. Dawson, together with his previous good character and the recommendation of the Court, the Commander in Chief is inclined to believe the Prisoner and is therefore pleased to remit the punishment, but he trusts that this near escape from the consequence of unbridled passion will make a proper impression no less on the Prisoner than on all his Comrades.

MADRAS, *November* 12, 1830.

(Signed) G. T. WALKER, *Lieutenant General.*

At a General Court Martial held at Moulmein, on the 23d day of September 1830, Private James Brooks of No. 2, or Captain Edward Caufield Archer's Company, of His Majesty's 45th Regiment of Foot, was arraigned on the following Charges.

Charge the 1st.—" For discharging his Musket loaded with Ball, in the Barrack room of the said Company at Moulmein, about half an hour after tattoo beating, on the night of the 17th of September 1830."

Charge the 2d.—For making away with one Round of Balled Ammunition served out to him for the public Service, at the same time and place abovementioned.

The above being in breach of the Articles of War.

MOULMEIN, *September* 18, 1830.

(Signed) H. T. SHAW, Lieut. Colonel, Commanding 45th Regiment.

Upon which Charges the Court came to the following decision.

The Court having most maturely weighed and considered the whole of the Evidence brought forward in support of the Prosecution as well as what the Prisoner Private James Brooks of No. 2 or Captain Edward Caufield Archer's Company, His Majesty's 45th Regiment, has urged in his defence, and the Evidence in support thereof, is of opinion,

Finding on the 1st Charge.—That the Prisoner is guilty of the First Charge.

Finding on the 2d Charge.—That the Prisoner is guilty of the Second Charge.

Sentence.—The Court having found the Prisoner guilty as above stated, and which being in breach of the Articles of War, does by virtue thereof Sentence him the Prisoner, Private James Brooks, of No. 2, or Captain Edward Caufield Archer's Company, His Majesty's 45th Regiment, to undergo a Solitary Confinement of four calendar months, at such place, and commencing from such time, as His Excellency the Commander in Chief may be pleased to direct.

Approved and Confirmed, and to be carried into execution at Moulmein by the Officer there in Command, the Sentence to date from the day the Court Martial closed.

MADRAS, *November 6*, 1830.

(Signed) G. T. WALKER,
Lieutenant General.

These Orders are to be entered in the General Order Books, and read at the head of every Regiment in His Majesty's Service on the Establishment of Fort St. George.

By order of His Excellency Lieutenant General Sir George Walker, G.C.B. and G.C.T. and S.

(Signed) JOHN KITSON,

(Signed) J. FORBES, Lieutenant,
20th Regiment, Interpreter to the Court.

Using my discretion conscientiously I must disapprove the finding and Sentence of this Court Martial: as, though supported by some *Negative* Evidence, it is decidedly contrary to the *positive* Evidence before it, which is too clear to be disallowed—while, on the other hand, I am bound to remark that the same Evidence is equally positive against Subadar Shaik Modeen; who may consider himself fortunate in not having himself been tried under it. His Inebriety, however, and the ill effects of his bad example, as well in the impropriety of his Dress, when a Dress Parade was ordered, as in the improper use of his hands, require that his conduct should be brought under the strict Inspection of his Commanding Officer, who is required to report upon it specially at the two next Yearly Inspections of the Corps, when should any such farther instance of misconduct appear strict notice will be taken of it.

C. B. and G. C. T. and S. Commander in Chief are published to the Army.

Lieutenant David Bogue Humphreys of the Twenty-third Regiment, or Wallajahbad Light Infantry, doing duty with the Twenty-fourth Regiment of Native Infantry, placed in arrest by my order, on complaint of Lieutenant Francis Charles Scott of the latter Regiment, on the following Charges.

First Charge.—For scandalous and infamous behaviour, such as is unbecoming the character of an Officer and a Gentleman, in the following Instances.

First Instance.—In having at Hurryhur, at about ten o'clock on the night of the Thirteenth of September, One Thousand Eight-hundred and Thirty, entered the hut of Francis, a Horsekeeper in the employ of Lieutenant Francis Charles Scott of the Twenty-fourth Regiment of Native Infantry, after having forced his way through the hedge of the said Lieutenant Scott's compound; and, then and there, violently pushed Mary Anne the Wife of the said Francis, whereby she received a severe blow on the Forehead, and was otherwise injured in the Elbow.

Second Instance.—In having, at the same place, and immediately after the occurrence stated in the First Instance of Charge, proceeded to the House of the said Lieutenant Scott, violently demanding to be admitted therein; and upon being refused admittance by the said Lieutenant Scott, who was at the time sick in bed and in a very weakly state, unwarrantably saying, "Then let me tell you, Sir, that I consider your conduct most ungentlemanlike;" or words to that effect.

Second Charge.—For conduct to the prejudice of good order and Military Discipline, in having at the same time and place, and on the occasion set forth in the last Instance of the First Charge, said to the said Lieutenant Scott, "I will come here to-morrow to demand satisfaction: look to the consequences;" or words to that effect: thereby plainly intimating his intention of Challenging the said Lieutenant Scott, his superior Officer, to fight a Duel.

BY ORDER,

(Signed) B. R. HITCHINS,

The Court having most maturely weighed and considered the whole of the Evidence brought forward in support of the Prosecution, as well as what the Prisoner Lieutenant David Bogue Humphreys of the Twenty-third, or Wallajahbad Light Infantry hath urged in his defence, and the Evidence in support thereof, is of opinion.

Finding on Charge.—That the Prisoner is "not guilty" of scandalous and infamous behaviour such as is unbecoming the character of an Officer and a Gentleman and therefore acquit him of the same.

Finding on the first Instance of Charge.—That the Prisoner is not guilty of the first Instance of Charge with the exception of having entered the Horsekeeper's Hut.

Finding on the second Instance of Charge.—That the Prisoner is guilty of that part of the second Instance of Charge which accuses him of having proceeded to the House of Lieutenant Scott, and making use of the words "Then let me tell you, Sir, that I consider your conduct most ungentlemanlike;" or words to that effect.

But the Court are further of opinion that these facts as detailed have been proved, yet that the conduct of Lieutenant Humphreys does not appear liable to the imputation ascribed to it in the Charge.

Finding on the second Charge.—That the Prisoner is "not guilty" of the second charge.

The Court doth therefore acquit him accordingly.

The Officers posted to the Carnatic European Veteran Battalion and 1st Native Veteran Battalion will join the Head Quarters of those Corps respectively. The Officers removed to the 2d Native Veteran Battalion will join the Stations they are appointed to do duty at—and those *now present* will remain with the Companies they are attached to; all others to join Head Quarters at Chingleput.

The following Removals are ordered to take effect from the 10th Proximo.

do.	H. Raynsford.....	1st do.....	4th do.
do.	P. Cameron.....	4th do.....	6th do.

Lieutenant T. Sewell of the 50th, will do duty with the 27th Regiment 'till further orders.

In order to obviate hereafter any undue Accumulation of Claims or Complaints, a Court of European Officers will assemble Monthly, as soon after the issue of Pay as convenient, at the Head Quarters of every Corps, European or Native, throughout the Army, for the purpose of investigating such Claims or Complaints as any Individual, Private or Non-Commissioned, of Corps, may have to prefer.

Such Courts are to be composed of three Officers, detailed from such only as are in Command or charge of Companies, and will report to the Commanding Officer upon each case separately.

In cases which may admit of Regimental arrangement, it will be sufficient to record the Matter of Claim or Complaint, and the opinion of the Court thereupon, after due Investigation and Examination of Witnesses; but, in cases requiring reference to Army Head Quarters, the Evidence of Witnesses is to be duly *recorded* in the usual manner.

Officers Commanding Detachments will report all claims Monthly to Regimental Head Quarters, unless there may be a second Officer available, in which case they will form a Detachment Court, forwarding the Proceedings to the Regiment.

It is clearly to be explained that all Claims or Complaints which may be *wilfully* withheld from Investigation and *subsequently* preferred, will be considered as disposed of: every Soldier present with his Corps is to prefer such Claim or Complaint as he may have to make before the next Monthly Court; and, if absent at the time of the cause occurring, then before the next Court which may assemble after his return.

It is also to be clearly explained that this order is intended for the *Disposal* of Complaints and not for their *encouragement*: and that any Individual preferring an *unfounded* Complaint before such Courts will be held strictly responsible for his conduct as heretofore.

A Report of the assembly of the Courts now ordered is to be entered in the Monthly Return to the Adjutant General of the Army, stating whether any Claims or Complaints have, or have not, been brought forward. When such may have been settled Regimentally it will not be necessary to specify them.

This Order is to be read at three following Parades at the Head of every Corps and Detachment in the Army.

Native Medical Pupil Mahomed Fukhurodeen is removed from doing duty under the Staff Surgeon in the Dooab, to do duty under the Superintending Surgeon Centre Division.

The Order by the Officer Commanding the 23d Light Infantry, dated Madras 9th December 1830, appointing Serjeant Major H. Fox to *act* as Quarter Master Serjeant to that Corps, vice Mason deceased, till relieved, is confirmed.

The undermentioned Non-Commissioned Officers, recently returned from Prince of Wales Island, will reside at the Presidency and draw Pay as Serjeants of Effective Supernumeraries until otherwise provided for.
