The Court having most maturely weighed and considered the whole of the Evidence brought forward in support of the Prosecution, together with what the Prisoner, Private Frederick Monks, D Company of the Madras European Regiment, has urged in his Defence, and the Evidence in support thereof, is of opinion.

Finding on the Charge.—That the Prisoner is not Guilty of the Charge, and it therefore acquits him of the same.

The General Court Martial of which Lieutenant Colonel Wight of the 42d Regiment N. I. is President, is dissolved.

The following Extracts from the Confirmed Proceedings of an European General Court Martial, holden at Bangalore on Monday the 23d day of May 1831, by virtue of a Warrant from His Excellency Lieutenant General Sir George Walker, G. C. B. and G. C. T. and S. Commander in Chief, are published to the Army.

Thomas Baldwin, Gunner, Number Seventy-nine, in the A Company of the Second Battalion of Artillery, placed in confinement by my order on the following Charge.

Charge.—For having, at Bangalore, on the Fourteenth of April One thousand Eight hundred and Thirty one, repeatedly struck, with his Fist, his Superior Officer, Division Serjeant Major Charles Stanley of the Second Battalion of Artillery, when in the execution of his Office as a Non-Commissioned Officer.

The above being in breach of the Articles of War.

BANGALORE,
The Fifteenth of April One thousand Eight hundred and Thirty-one.

(Signed) M. CAMPBELL, Captain,
Commanding A Company,
2d Battalion Artillery.

By Order,
(Signed) B. R. HITCHINS,
Deputy Adjutant General of the Army.

The Court having most maturely weighed and considered the whole of the Evidence brought forward in support of the Prosecution, as well as what the Prisoner, Thomas Baldwin, Gunner, Number Seventy-nine in the A Company of the Second Battalion of Artillery, has urged in his Defence, and the Evidence in support thereof, is of opinion.

Finding on the Charge.—That the Prisoner is Guilty of the Charge, but that he has already been punished for the offence by having been sent to punishment Drill three times a day, with his Arms and Accoutrements, for some time while under confinement on the present Charge and therefore does not award any punishment for the same.

(Signed) C. W. NEPEAN, Captain,
Deputy Judge Advocate General.

(Signed) J. F. PATERSON, Lieut.-Col.
and President.

The Court will reconsider its finding.—Through the unsupported testimony of Corporal Bradshaw, the Court has arrived at a conclusion that the Prisoner has already been punished for the *same* offence: it is to be remarked, however, that, although the Evidence in question goes to prove that the Prisoner was drilled, three times a day, for some time, while in confinement, previous to Trial, it in no sort proves that such was intended as a Punishment *for the Offence before the Court*: at any rate the Court should have required more conclusive and more ample proof on this point, before it had allowed itself to be swayed in so important a consideration. Even *had* there been sufficient Evidence before the Court that the Prisoner had already been punished, and was, consequently, not legally amenable to trial for an offence which had already been disposed of, the regular mode would have been for the Court to have *stayed* its proceedings, and reported the circumstance for the information of the Commander in Chief,—but, having once proceeded to judgment and arrived at a finding of *guilty*, the Court according to its Oath "duly to administer justice according to the Articles of War," has not, *legally*, any option but to award punishment, as provided, in the particular Instance, by Article V. Section II. of the Articles of War. Any circumstances which may incline the Court to recommend a remission of punishment should be separately stated, after Sentence has been duly recorded by the Court in the necessary fulfilment of its duty.

MADRAS,
29*th June* 1831.

(Signed) R. W. O'CALLAGHAN, Lieut.-General,
and Commander in Chief.

The finding having been returned to the Court for revision, the following is the revised finding and Sentence.

The Court having most maturely weighed and re-considered the whole of the Evidence brought forward in support of the Prosecution as well as what the Prisoner, Thomas Baldwin, Gunner, Number Seventy-nine in the A Company of the Second Battalion of Artillery has urged in his Defence and the Evidence in support thereof, is of opinion.

Revised finding on the Charge.—That the Prisoner is Guilty of the Charge.

Sentence.—The Court, having found the Prisoner Guilty, as above stated, doth Sentance him the said Thomas Baldwin, Gunner, Number Seventy-nine, in the A Company of the Second Battalion of Artillery, to suffer Solitary Confinement for the period of (3) Three Calendar months, at such place and commencing from such time as His Excellency the Commander in Chief may be pleased to direct.

(Signed) C. W. NEPEAN, Captain,
Deputy Judge Advocate General.

(Signed) J. F. PATERSON, Lieut. Col.
13th Dragoons, and President.

Approved, but under all the circumstances of the case the punishment is remitted.

MADRAS,
11*th July* 1831.

(Signed) R. W. O'CALLAGHAN, Lieut.-General,
and Commander in Chief.

The General Court Martial of which Lieutenant Colonel Paterson of the 13th Light Dragoons is President, is dissolved.

Assistant Apothecary Christopher Johnson of the 6th Regiment Light Cavalry is discharged, his bad character and misconduct rendering him unfit for the Service.

FORT ST. GEORGE, 26TH JULY 1831.

G. O. BY GOVERNMENT.

The Right Honorable the Governor in Council is pleased to direct the publication in General Orders of the following Extract from a letter from the Honorable the Court of Directors, dated the 16th of February last, (No. 14 of 1831,) with the Regulations therein alluded to.

Para. I. "With reference to our Military Letters of 28th March 1815, and 27th November 1818, we have now to transmit a new Set of Regulations for the grant of Pensions and Allowances to Officers Wounded in Action, lately established in His Majesty's Service, and we desire that the same may be promulgated at your Presidency with the modifications which we shall proceed to mention in lieu of the existing rules on the subject, from the date of your receipt of this Dispatch.

II. By these Regulations certain Gratulties are payable to Staff Officers having reference to the pay of their Appointments, and if the Officers of our Service were to receive Gratuities calculated according to their Staff Salaries, they would receive a higher rate of remuneration than Officers of His Majesty's Service similarly circumstanced, contrary to our intention, which is to put the two Services on an equal footing in respect to Gratuities as well as to Pensions.

III. We have therefore resolved that the Gratuities payable to Officers of our Service, both Staff and Regimental, under this Regulation, shall be those which a King's Officer, similarly circumstanced, would receive from His Majesty's Government, and they are therefore to be calculated according to the rates of pay, both Staff and Regimental, now in use in His Majesty's Service.

IV. It is, however, to be distinctly understood, that we have been induced to authorize the King's rates of pay, in this instance, because it would not otherwise be practicable to maintain that perfect equality between the two Services, which it is our wish to preserve, and in the case of the ordinary pay of the Indian Officers is accomplished by a deduction from so much of the Indian allowances of a King's Officer, as his pay exceeds that of an Officer of the same rank in our Service."

Warrant regulating the Grant of Pensions and Allowances to Officers of the Land Forces for Wounds received in Action.

GEORGE R.

Whereas We think it expedient to consolidate and amend the several Rules and Orders under which Pensions and Allowances are granted on account of Wounds received in Action, by Officers of Our Land Forces, and to establish certain additional Regulations relative thereto: Our Will and pleasure is, that, from and after the date hereof, the Regulation annexed to this Our Warrant shall be the sole Rule on this head, and that the cases in which Pensions and Allowances may be recommended to Us to be granted to Officers, shall be limited to Wounds and Injuries received in Action, and shall be established by the production of such Certificates and Reports of Medical Boards as shall be required by Our Secretary at War.

Given at Our Court at Windsor this 14th day of November, in the Tenth Year of Our Reign.

By His Majesty's Command,

(Signed) HENRY HARDINGE.

REGULATION.

I. If an Officer shall receive a Wound in Action, which shall occasion the loss of an Eye, or a Limb, or the total use of a Limb, or shall receive Bodily injury fully equal to the loss of a Limb he may be eligible to receive a Gratuity in money of One Year's Full Pay of the Regimental Rank, or Staff Appointment, held by him at the time he was wounded.

II. If an Officer shall be wounded in Action, and it shall appear upon an inspection made of him by a Board of Army Medical Officers assembled by order of the Secretary at War, that such Officer has in consequence of his wound, lost a Limb, or an Eye, or has totally lost the use of a Limb, or that he has sustained a severe injury in Action, fully equal in every respect to the loss of a Limb, he may be recommended to His Majesty for a Pension at the rate fixed in the annexed Scale, for the Rank held by him when he was wounded, and commencing one year after the Wound was received; the continuance of which shall depend upon subsequent examinations before the Military Medical Board.

III. If the Officer shall have lost more than one Limb or Eye, he may be recommended for a Pension for each Limb or Eye, so lost in Action.

IV. If the Wound received by an Officer in Action shall be so severe in its permanent effects as to be nearly equal, but not fully equal to the loss of a Limb, such Officer may be recommended for a Gratuity of Eighteen Months Full Pay of his Regimental Rank, or Staff Appointment, held by him when wounded, in which case no Pension shall at any subsequent time be granted to him under this Regulation.

V. If any Wound received in Action shall be certified to be severe and dangerous, but in its permanent effects not equal to the loss of a Limb, the Officer receiving such Wound may in consideration of the expense attending the cure thereof, receive a Gratuity varying according to the nature of the case, or from Three to Twelve Months Full Pay of the Regimental Rank, or Staff Appointment, held by him at the time he was wounded.

VI. If an Officer shall have held a Pension for a Wound received in Action for a term of Five Years, and shall have been examined, twice at the least, before a Board of Army Medical Officers, he may be recommended for the permanent continuance of such Pension; but if the Officer before the expiration of the term of Five Years, shall have so far recovered that his wound or injury is not fully equal to the loss of a Limb, then he shall cease to receive such Pension, and shall have a Gratuity of Full Pay according to the degree of his injury, as laid down in Article V.

VII. If within the period of Five Years after a Wound has been received, an Officer does not apply for the Pension, or applying for it, the Wound shall not have been proved to be fully and permanently equal to the loss of a Limb, such Officer's claim to a Pension shall not, at any subsequent period, be entertained.

VIII. No Gratuity or Allowance for any Wound shall be granted after the lapse of Five Years from the time the Wound was received.

IX. No Pension for the loss of one Eye, from a Wound received in Action, shall be granted, unless the actual loss of Vision shall have occurred within Five Years after the Wound was received, and be solely attributable to such wound.

X. As a General Rule, the Pension shall be granted according to Regimental Rank, but in cases in which Officers with Brevet Rank shall have been employed at the time they were wounded, in discharge of duties superior to those attached to their Regimental Commissions, the Pensions shall be given according to the Brevet Rank.

XI. These Pensions, being granted as a compensation for the permanent disability sustained by Wounds received in Action, may be held together with any other Pay and Allowances to which an Officer may be entitled, without any deduction on account thereof.

(Signed) HENRY HARDINGE.

G. O. BY GOVERNMENT.

The Right Honorable the Governor in Council is pleased to publish the following General Order by the Right Honorable the Governor General for the information of the Army.

GENERAL ORDER BY THE RIGHT HONORABLE THE GOVERNOR GENERAL.

SIMLA, 4TH JULY 1831.

A specific reference having been made to the Governor General upon the subject of the right of Military Men employed in any Civil branch of the Army, or under the Civil Administration of Government, to take Military Command by virtue of their Commissions when entitled by Seniority to claim the same, it has been deemed necessary to lay down a general rule applicable to the Services of the three Presidencies. The following Order has accordingly been passed with the concurrence of His Excellency the Commander in Chief of His Majesty's and of the Honorable Company's Forces in India.

Military Men when holding situations in any Civil branch of the Army, or under the Civil Administration of Government, cannot be allowed to claim or exercise the right of Command as Senior Officers by virtue of their Commissions without first resigning and relinquishing their Civil employ, or situations.

The distinctions and advantages of Command are claimable only by those who are in the exercise of their profession, may be called upon for Military duties, and are liable to the privations and hardships of active Service. By accepting a Civil employ a Military Man obtains present exemption from the severer duties of his profession, and generally superior emoluments, he cannot therefore be permitted to unite with the advantages of this line of Service the privilege of asserting a claim to supercede those who in the routine of duty and of promotion become entitled to a Military Charge, or Command.

The above Order is not intended to apply to Officers placed with Detachments, or otherwise in the temporary Charge of Districts by Military Authority pending operations, although performing Civil duties in consequence of such an appointment. Employment of this description may fall to any Officer in the course of his professional service, and cannot therefore be considered to involve any forfeiture of Military privileges.

By Command of the Right Honorable the Governor General.

(Signed) H. T. PRINSEP,
Secy. to the Governor General.

By order of the Right Honorable the Governor in Council.

The Court having most maturely weighed and considered the whole of the Evidence brought forward in support of the Prosecution as well as that the Prisoner Daniel Fitzgerald, Gunner, Number Ninety-seven in the B Troop of the Horse Artillery, has nothing to urge in his Defence, is of opinion.

(Signed) R. S. M. SPRYE,
Deputy Judge Advocate General.

(Signed) S. S. GUMMER, Lieut.-Colonel,

The Court will reconsider its Sentence which is insufficient to support Discipline in a Corps requiring a more immediate example to check the Mutinous and disorderly spirit of late evinced therein,—and which is further inadequate to the Offence committed, wherein the Prisoner has threatened the lives of two Non-Commissioned Officers with a drawn Sword.—The Court will also take into its consideration that Solitary Confinement can only be beneficial in cases where a hope remains of reclaiming the Prisoner, who in the present Instance has been unable to produce any proof of good Character to qualify the atrocious nature of the Crime he has committed, and that by Sentencing Offenders invariably to confinement they necessarily entail severe additional duties upon others and thereby punish the well behaved Soldier for the act of the bad.

MADRAS, *27th August* 1831.

(Signed) R. W. O'CALLAGHAN,
Lieut.-General and Commander in Chief.

The Sentence having been returned to the Court for revision, the following is the revised Sentence.

Approved and Confirmed.

I cannot admit the recommendation of the Court.—In the *particular Instance*, it is obvious, from the tenor of the defence, that the prisoner *was* acquainted with the intent and meaning of the Petition he forwarded against his Commanding Officer;—but, on the *general* principle, I consider it important to prove to the Native Army, by an example, that every one must be held responsible for the contents of papers to which he affixes his Signature: and that he cannot shield himself under pretended ignorance of the Language in which the Paper is made out; as there is not any necessity for Petitions being written in English, and every Petitioner has the choice if he pleases, of having his Statement prepared in his own Language; were this responsibility not strictly upheld, encouragement would be afforded to evil-disposed Soldiers to bring false accusations against their superiors, with every probability of escaping Punishment.

At Fort Saint George, for the Troops serving at the Presidency.

At Saint Thomas's Mount, for the Troops serving in that Cantonment, at Poonamallee and Palaveram; and at Vellore for the other Troops serving in the Centre Division.

At Trichinopoly, for the Troops serving in the Southern Division.

At Bangalore, for the Troops serving in the Mysore Division.

At Cannanore, for the Troops serving in Malabar and Kanara, and in Travancore.

At Masulipatam, for the Troops serving in the Northern Division, South of the Godavery.

At Vizagapatam, for the Troops serving in the Northern Division, North of the Godavery.

At Bellary, for the Troops serving in the Ceded Districts.

At Secunderabad, for the Troops serving with the Head Quarters of the Hyderabad Subsidiary Force.

At Jaulnah, for the Troops serving with the Light Field Division of the Hyderabad Subsidiary Force.

At Kamptee, for the Troops serving with the Nagpore Subsidiary Force.

The requisite Garrison and Regimental Committees are to be previously assembled.

The Proceedings of the Committees to be conducted in strict conformity with the Regulations of the Service,—the General Orders noted in the Margin, and agreeably to the Forms laid down in General Orders, dated 22d September 1822, adding thereto a column for *General Number* after the column of "Rank," and particularly observing the following points.

G. O. C. C. 3d November 1821.
G. O. G. 26th July 1822.
G. O. G. 30th December 1828.

It should be distinctly stated in the column headed "*Why Recommended*" against the name of each Individual recommended to be transferred to the *Veteran* Establishment, that he is *unfit for Field, but fit for Garrison Duty*, and in the case of every Individual recommended to be *Pensioned*, that he is *unfit for any Duty*, and how he became so, and the same as the case may be respecting Men recommended to be Discharged. It is not enough that disease or injuries should be merely stated, leaving to be inferred, the *fitness* or *unfitness* of the subjects, and Officers in Command will especially provide that Medical Certificates for each Individual case brought before Committees, be prepared in as full and distinct a manner as possible by Medical Officers in Charge. It is also of great importance that Attestations of Commanding Officers of Corps to Character be in no case omitted; and they are further required to grant Certificates of Character to such Europeans as may be removed from under their Command to the Invalid or Pension Establishment, or Discharged from the Service, pointing out at the same time the necessity of those documents being carefully preserved by the Individuals in the event of their being required to produce them at any future period.

In the column of Remarks opposite to the name of each European Soldier recommended in the Proceedings of Committees for transfer to the Pension Establishment, it is to be distinctly stated whether he wishes to return to England or reside and draw his stipend in India; in the latter case the reasons and claims which each Individual may advance for soliciting the indulgence are to be fully and clearly inserted in the Proceedings.

Officers Commanding Divisions and Forces in which General Committees assemble, are requested to dissolve them as soon as their Proceedings are closed, and they have examined and ascertained that they are prepared in strict conformity to the orders upon the subject.

His Excellency The Commander in Chief calls the particular attention of Officers Commanding Divisions and Forces to the General Orders by Government dated 1st June 1827, relative to the European Soldiers recommended to be Discharged from the Service by Invaliding, &c. Committees.

T. H. S. CONWAY,
Adjutant General of the Army.

GENERAL ORDERS,

By His Excellency The Commander in Chief.

HEAD QUARTERS : CHOULTRY PLAIN ;

9TH SEPTEMBER 1831.

The following Extract from the Confirmed Proceedings of an European General Court Martial, holden at the Judge Advocate General's Office Fort St. George on Monday the Twenty-second day of August in the year of our Lord One thousand Eight hundred and Thirty-one, by virtue of a Warrant from His Excellency Lieutenant General The Honorable Sir Robert William O'Callaghan, K. C. B., Commander in Chief of the Forces, serving under the Presidency of Fort St. George, is published to the Army.

Cornet Edward John Stephenson, Quarter Master and Interpreter of the Sixth Regiment of Light Cavalry, placed in arrest by order of Major General Andrew McDowell, Companion of the Bath, Commanding the Centre Division of the Army, upon the complaint of Captain Malcolm McNeill, Senior Officer in charge of the said Regiment.

Charge.—For scandalous and infamous behaviour, unbecoming the character of an Officer and a Gentleman, in having at Madras, on the Thirtieth day of June, One thousand Eight hundred and Thirty-one, in a Pamphlet purporting to contain Proceedings before Courts Martial, upon the Trials of himself, the said Cornet Stephenson, and of Lieutenant Edward Arthur Humffreys of the Eighth Regiment of Light Cavalry, inserted, caused to be printed, and circulated, *extraneous matter*, not on the record of the said Proceedings, tending to hold up as objects of Infamy and Scandal certain Officers of the Sixth and Eighth Regiments of Light Cavalry and especially, to throw odium, obloquy and slander, upon his, the said Cornet Stephenson's Commanding Officer, as specified in the following Extracts, namely;

At Page Seventy-five, of the first part of the said Pamphlet, at the foot of the Page

" *As false as Hell*"

(alluding to calumny assumed to have been uttered by Captain William Edmund Litchfield of the Sixth Regiment of Light Cavalry).

At Page Eighty-three, of the first part of the said Pamphlet, beginning at the tenth line,

" To tell what they"

(meaning Lieutenant John Reid Brown of the Sixth Regiment of Light Cavalry, and Cornet Kyrle Erule Awbery Money of the Eighth Regiment of Light Cavalry, the third and fourth Witnesses in support of the Prosecution upon the Trial of the said Cornet Stephenson)

" had heard, and tales devise,"

" Each fiction still improved with added lies."

At Page Eighty-three, of the first part of the said Pamphlet, beginning at the thirteenth line,

" To the honor of that sex, I cannot omit declaring, that from every one of whom I have asked the question,
" I have received answers of the same unvarying import, viz. that so far from making *voluntary disclosures*
" of such matters, they would feel it their imperative duty to decline speaking of them, even if called on ;
" *and should ever spurn the mean individual ;*" (meaning the abovementioned Captain Litchfield) " *who*
" *could require it of them.*"

At Page Eighty-seven, of the first part of the said Pamphlet, beginning at the twenty-first line.

" After *such* a specimen of his," (meaning the abovementioned Captain Litchfield's) " skill in withholding
" all that is true, and substituting for it, *nothing but* the most corrupt fiction."

At Page One hundred and two, of the first part of the Pamphlet, beginning at the twelfth line.

" To which I would reply that I consider the evidence of the Matee's far the preferable to be relied
" on, of the two ; if but from the one circumstance, that I have ascertained the entire truth of their
" declaration, on a point, on which Captain Litchfield," (meaning the abovementioned Captain Litchfield)
" was perfectly silent, namely that of his having, in temporary forgetfulness of the " good soldier maxim,"
" always to keep an " enemy in sight," during the attack on his Gate pillars in front, taken post in the
" necessary in the rear. From whence I am informed, he did not emerge, until the thoughtless party
" had taken their departure, and commenced their freaks on his next neighbour."

At Page Thirteen, of the second part of the said Pamphlet, beginning at the tenth line.

" And I can give you, Gentlemen, the best proof possible, that none ever has occurred ; viz. that Captain
Litchfield" (meaning the abovementioned Captain Litchfield) " has never in any way, either by word or
" deed, hinted to me, of my having made a misrepresentation, which it is but natural to believe he would
" have done, had he *felt* that I had ever made a misstatement, however trivial, to his prejudice. It is pos-
" sible however that my statement *of the truth* of what passed between him and myself, on one or two
" occasions, may have been displeasing to him, for I must admit, the matters were not such as
" redound much to his honor or credit, among men, who never hear of any thing done or said by another,
" to the injury of their fair fame, without promptly taking measures for its protection ;—and since there
" is a charge of misrepresentation, I will here relate the particulars of the affair, to which I imagine
" Captain Litchfield alludes ; for I know of no other. On the 1st of January last, when I was suffering,
" under the three heavy calamities," (to one in my small receipts) " of the total loss of Six Months Pay
" and Allowances, the death of my only remaining Charger, and the presence of a person from Madras,
" with a heavy pecuniary demand on me ; a lot of Arab Horses was exhibited for Sale in the Cantonment :

" and it being imperative on me to replace my Charger immediately, I sent my Servant down to the Lot, on " that evening, to make an offer for one, which I thought would suit me: my Servant (who has lived " with me since my first arrival in the Country and who thoroughly understands English,) returned and " told me that *Captain Litchfield had much abused the Horse I wished to purchase; and had (among* " *other uncalled for impertinences,)* asked, if I was going to pay ready money for him? Such unfeeling " heartlessness for the difficulties, he knew I was involved in; and want of decorum in jeering my Servant " regarding them; roused my feelings for the time beyond what I can now describe:—I immediately mount- " ed a Poney, and rode to the Lot. Captain Litchfield, on seeing me approach walked away: I followed " him, and on overtaking him pulled up and said, " *So Sir, my Servant tells me that you have been talking* " *to him impertinently at the Lot of Horses about me and my affairs. Now let me tell you that if* " *you ever again dare to meddle with a Servant of mine, or say any thing about my private affairs,* " I will take a Stick and break every bone in your Skin," to which Captain Litchfield replied after " some hesitation (during which he held up a large Stick he was walking with, as if he expected I was " then going to chastise him) " *that he had never meddled with my Servant in any way,*" on which I " turned and left him, *saying* " *I should make further enquiries,*" but, expecting he would notice " the threat I had in my extreme excitement uttered to him, I immediately mentioned the circumstance " to Cornet King, (whose Quarters were in my way home,) and also to Mr. Prescott on the same evening " at the Mess. Captain Litchfield, however, *took no notice whatever of the matter to me,* or to any other " person that I know of, save in some efforts he has made in two visits to Mr. King, since Mr. Stephen- " son and myself were placed in arrest on the present affair, *to confound his Mr. King's recollection,* and " *to get him to admit* that what I had communicated to him *was only a declaration,* that I would have " broken a Stick over him, had he not denied it. But whether this or that, it quickly *went round* " *the Cantonment as the latter,* after it was perceived he neglected to take steps to resent it. As to " my certain knowledge it reached Captain Litchfield's own ears, from more than one Quarter, *that* " *I had repeated my having so threatened him*; yet, *he never called on me to explain, or to contradict* " *it.* Pretty positive proof, I think, that he *felt,* I had only reported *the truth.* As otherwise, in a " matter so degrading to his character, he could not have contented himself with his own simple " denial of it only."

At Page Sixteen of the second part of the said Pamphlet, beginning at the twenty eighth line.

" And now" (meaning Captain Malcolm McNeill, of the Sixth Regiment of Light Cavalry, his, the said Cornet Stephenson's immediate Commanding Officer) " mischoosing the least of evils, denies it in the " presence of Captain Litchfield, who of course must know exactly what was told him, and what he " authorized to be said in reply to me."

The above being in breach of the Articles of War.

GENERAL ORDERS,

By His Excellency The Commander in Chief.

HEAD QUARTERS : CHOULTRY PLAIN ;

30TH SEPTEMBER 1831.

The following Extracts from the Confirmed Proceedings of an European General Court Martial holden at Secunderabad, (being an appeal to an European Court under the Provisions of Regulation III of 1829.) on Wednesday the 14th day of September 1831, and continued by adjournments, by order of Colonel Archibald Campbell, Commanding the Hyderabad Subsidiary Force, by virtue of a Warrant of Authority vested in him by His Excellency Lieutenant General The Honorable Sir R. W. O'Callaghan, K. C. B. Commander in Chief, are published to the Army.

Meer Mugdoom Ally, Trooper Number Thirty-three, in the F Troop of the Fifth Regiment of Light Cavalry, placed in Confinement, by my order.

Charge.—For conduct to the prejudice of good order and Military Discipline, in having, at Bowenpilly, on the Third of July, One thousand Eight hundred and Thirty-one, written an Urzee, purporting to be an Urzee of the Sixth Troop of the Fifth Regiment of Light Cavalry, of a highly insubordinate nature representing "the Horse Exercise in the Regiment to be beyond measure, and the Punishment in the Regiment to be Severe," he, the said Meer Mugdoom Ally thereby endeavouring to excite a spirit of insubordination in the Regiment.

The above being in breach of the Articles of War.

BOWENPILLY;
The Seventh of July,
One thousand Eight hundred and Thirty-one.

(Signed) J. WATKINS, Major,
Commmanding 5th Regiment Light Cavalry.

By Order.

(Signed) A. WALKER,
Assistant Adjutant General.

The Court having most maturely weighed and considered the whole of the Evidence brought forward in support of the Prosecution, as well as what the Prisoner Meer Mugdoom Ally, Trooper Number Thirty-three in the F Troop of the Fifth Regiment of Light Cavalry, has urged in his Defence, and the Evidence in support thereof, is of opinion.

Finding on the Charge.—That the Prisoner is Guilty of the Charge, with the exception of the words "beyond measure," which the Court finds to be "unusual," and with the further exception of the words "thereby endeavouring to excite a spirit of insubordination in the Regiment," of which latter part of the Charge the Court acquits the Prisoner.

Sentence.—The Court having found the Prisoner Guilty to the extent above stated, doth Sentence him the said Meer Mugdoom Ally, Trooper Number Thirty-three in the F Troop of the Fifth Regiment of Light Cavalry to Suffer a Corporal Punishment of One hundred Lashes on his bare back with a Cat o' nine Tails, in the usual manner, at such time and place as His Excellency The Commander in Chief may be pleased to direct.

(Signed) A. MACARTHUR, Captain,
Deputy Judge Advocate General.

(Signed) ILTID GWYNNE, Major
43d Regiment Native Infantry,
President.

(Signed) WILLIAM ANTHONY HALSTED, Ensign,
11th Regiment N. I., Interpreter to the Court.

Confirmed.—The Sentence awarded to be carried into execution, under the orders of the Officer Commanding the Hyderabad Subsidiary Force.

In this case, the Court has, most unadvisedly, and contrary to the representation made by the Judge Advocate, received Evidence irregularly tending to criminate Persons *not* before the Court, upon the mistaken Principle that the illegal acts of an Individual may be justified by Proof of Instigation or evil advice on the part of others :—whereas, every one is, obviously, *himself* responsible for the Offences he commits, however much a distinct liability to Punishment may attach to Aiders and Abettors.

I do not consider the Prisoner deserving of the Recommendation of the Court :—the more especially as he has, wilfully, endeavoured to exculpate himself by criminating an innocent Person.

MADRAS,
The 29th of September 1831.

(Signed) R. W. O'CALLAGHAN,
Lieutenant General and Commander in Chief.

Charge.—For conduct to the prejudice of good order and Military Discipline, in having at Bowenpilly, on the Fifth of July, One thousand Eight hundred and Thirty-one, delivered to Subadar Abdool Guffoor, of the Fifth Regiment of Light Calvary, for the purpose of being transmitted to Government, a written Paper, purporting to be an Urzee of the Sixth Troop of the same Regiment, of a highly insubordinate nature, representing "the Horse Exercise in the Regiment to be beyond measure, and the Punishment in the Regiment to be Severe:" notwithstanding that a Regimental Order had, previously on the same day, been issued by me, and publicly read on the Regimental Parade, pointing out the impropriety of Soldiers complaining in a body, and directing complaints by individuals to be made to Officers Commanding Troops, in a respectful manner; he the said Mahomed Esoph, thereby encouraging and promoting a spirit of insubordination in the Regiment.

First Charge.—" For having at Bangalore, on the Eighth of July, One thousand Eight hundred and Thirty-one, at the Regimental Canteen, offered violence against Corporal Henry Hamilton, of His Majesty's Sixty-second Regiment of Foot, his Superior Officer, then and there, in the execution of his office, by seizing him, the said Corporal Hamilton, from behind, by tearing his Jacket, and by repeatedly striking him with his clenched Fists."

Previous Offences.—" He, the said Private Beavin, having been previously three times drunk within Twelve Months, namely."

First Instance.—" At Bangalore, on the Sixteenth of December, One thousand Eight hundred and Thirty, drunk in Barracks."

Second Instance.—" At Bangalore, on the Sixth of February, One thousand Eight hundred and Thirty-one, drunk in Barracks."

Third Instance.—" At Bangalore, on the Sixteenth of June, One thousand Eight hundred and Thirty-one, drunk in the Barrack square of his Regiment."

BANGALORE, *The Tenth of July, One thousand Eight hundred and Thirty-one.* (Signed) J. REED, Lieutenant Colonel, Commanding H. M. 62d Regiment.

Upon which Charges the Court came to the following decision.

" The Court having most maturely weighed, and considered the whole of the Evidence, brought forward in support of the Prosecution on the Charges, as well as what the Prisoner George Beavin, Number Seven hundred and Thirty-two, Private in Captain Edward Pender's, or Number Three Company of His Majesty's Sixty-second Regiment of Foot, has urged in his Defence, is of opinion."

Finding on the First Charge.—" That the Prisoner is Guilty of the First Charge."

Finding on the Second Charge.—" That the Prisoner is Guilty of the Second Charge."

Sentence.—" The Court having found the Prisoner Guilty as above stated, and having furthermore taken into consideration the Proof of his former offences, which constitute habitual Drunkenness, doth Sentence him, the said, George Beavin, Number Seven hundred and Thirty-two, Private, in Captain Edward Pender's or Number Three Company, of His Majesty's Sixty-second Regiment of Foot, to suffer Solitary Confinement for the period of (6) Six Calendar Months, at such time and place, and commencing from such *time* as His Excellency The Commander in Chief may be pleased to direct, and further, that he shall be deprived of the allowance in lieu of Beer for a period of (2) two years."

MADRAS, *1st September* 1831.

The Court will re-consider its Sentence, which is in part a nullity as there is not in this Country any allowance in lieu of Beer.

(Signed) R. W. O'CALLAGHAN, *Lieutenant General.*

BANGALORE, *8th September* 1831.

" The Court having re-assembled pursuant to orders."

" The Remarks of His Excellency The Commander in Chief as recorded on the Proceedings directing the Court to revise its Sentence are read."

Revised Sentence.—" The Court having in obedience to the Orders of His Excellency The Commander in Chief, fully weighed and re-considered their former Sentence, adhere to the same.

Remarks.—" The Court, with all deference to His Excellency's remark, regret, that it could not conscientiously substitute any other Sentence in lieu of the original award."

" The Fifty-first Article of War, expressly enjoins the penalty of deprivation of allowance in lieu of Beer, or, of that of additional Pay for the offence of which the Prisoner is found Guilty and it appearing, that the Prisoner was not entitled to any additional Pay, the Court in considering itself imperatively bound to express one or other of those penalties in its Sentence, fixed on the former, as one that might come into effect in the event of the Prisoner's leaving India."

" The Court begs further respectfully to submit to the consideration of His Excellency, that the General Orders of the late Most Noble The Marquis of Hastings, under date the Twenty-sixth of January, One thousand Eight hundred and Twenty, seem to prescribe the same course, in the case of Major Matthews, wherein, His Lordship, decided that when a Prisoner is convicted under a particular Article, the Court is bound to pronounce the letter of the law, whatever may be their opinion of the adequacy, or their conception of the inutility of the Provision."

Confirmed :—with exception of the deprivation of allowance in lieu of Beer, which is necessarily null and void.—The confirmed Sentence to be carried into execution by the Officer Commanding at Bangalore.

(Signed) R. W. O'CALLAGHAN,
Lieutenant General.

Remarks by His Excellency Lieutenant General The Honorable Sir R. W. O'Callaghan, K. C. B.

The Court, while admitting the impossibility of Sentencing the Prisoner to the loss of *Pay, to which he was not entitled*, has, unaccountably decided upon Sentencing him to the loss of *Beer-Money to which in like manner he was not entitled.* This Inconsistency of Judgment is not, in any way, qualified by the Remark, which the Court has annexed, in as much, as the Prisoner would *more probably*, fall into the receipt of additional Pay by continued service in this Country, that into the receipt of Beer-Money by return to England. Furthermore, an award of *prospective* Punishment, which might, or might not, become capable of infliction, during the lapse of years, would, under any possible circumstances, be illegal.

The Marquis of Hastings, in the Remarks quoted, reprehended the Court for *substituting* one Punishment for another, in a case where Punishment was not, in any degree, discretionary, and where the award prescribed was obviously *practicable.*—In the present Instance, the Court has persevered in recording an impracticable award, without reflecting that Provisions of law *can* only be binding in as much as their Performance may be *possible* :—and that, upon a Trial where the Punishment prescribed in part by the 51st Article of War was rendered void by the circumstances of the case, the ends of Justice could alone be met by a proper application of the remaining Power of discretionary Punishment provided by the same Article.

HEAD QUARTERS;

Lieutenant General.

At a General Court Martial holden at Bangalore, on the 30th day of August 1831, Private Kerrin Cummins, of His Majesty's 62d Regiment of Foot, was arraigned on the following Charges.

First Charge.—" For conduct to the prejudice of good order and Military Discipline, in the following Instances."

First Instance.—" In having, at Bangalore, on the night of the Twelfth of August, One thousand Eight hundred and Thirty-one, been drunk in the Barracks of his Regiment."

Second Instance.—" In having, at the same time and place, been riotous in the Barracks of his Regiment."

Third Instance.—In having, at the same time and place, violently and insubordinately resisted a File of Men ordered by Color Serjeant Samuel Brogden Ryan, of His Majesty's Sixty-second Regiment of Foot, to take him to the Guard House of the said Regiment, as a Prisoner."

Second Charge.—" For having, at the same time and place, offered violence against the said Serjeant Ryan, his superior Officer then and there in the execution of his office, by seizing him by the Body and shaking him in a violent manner."

Previous Convictions.—" He, the said Private Cummins, having been, twice previously convicted of habitual Drunkenness, namely."

First Conviction.—" By a District Court Martial held at Bangalore on the 3d of March, One thousand Eight hundred and Thirty-one."

Second Conviction.—" By a District Court Martial held at Bangalore on the Fourth of July, One thousand Eight hundred and Thirty-one."

The above being in breach of the Articles of War.

Finding on the First Instance of the First Charge.—" That the Prisoner is Guilty of the First Instance of the First Charge."

Finding on the Second Instance of the First Charge.—" That the Prisoner is Guilty of the Second Instance of the First Charge."

Finding on the Third Instance of the First Charge.—" That the Prisoner is Guilty of the Third Instance of the First Charge.

Finding on the Second Charge.—" That the Prisoner is Guilty of the Second Charge."

Sentence.—The Court having found the Prisoner Guilty as above stated, and having also taken into consideration the two previous convictions as set forth in the Charges, and established by Evidence, doth Sentence him, the said Kerrin Cummins, Private, Number Four hundred and Eighty-nine in Captain William Guards' or Number Four Company of His Majesty's Sixty-second Regiment of Foot, to suffer Solitary Confinement for the period of (12) Twelve Calendar Months, at such place, and commencing from such time, as His Excellency The Commander in Chief may be pleased to direct, and further, that he shall be deprived of the allowance in lieu of Beer and one Penny a Day of his regular Pay for the period of (2) two Years."

The Court will re-consider its Sentence.—As the Prisoner was not *actually* under trial for habitual Drunkenness it was out of the Court's competence to Sentence him to be deprived of Beer Money and of one Penny a Day of his regular pay :—further, the Soldier does not receive allowance in lieu of Beer in this country.

T. H. S. CONWAY,
Adjutant General of the Army.

GENERAL ORDERS,

By His Excellency The Commander in Chief.

HEAD QUARTERS : CHOULTRY PLAIN ;

15TH OCTOBER 1831.

The Commander in Chief has noticed, with much regret, the spirit of Insubordination and of contempt for Authority, which has in too many instances of late pervaded the *younger* Members of the Regimental Staff of the Army of Fort Saint George, and which affords so marked an exception to the high Military Character of the Army in general.

It is essential that the Staff Officer should strive to set an example to his Comrades, and to the Men of his Regiment, in all those qualities and acquirements which become the Officer and the Soldier : and it is *most especially*, so that he should be pre-eminent in *subordination* and afford to his Commanding Officer that honest and cordial support without which the economy of the Regiment must necessarily fall into disorder.

His Excellency trusts that the Punishment which has already befallen such of the Offenders in this respect as have been brought more prominently to his notice may have the salutary effect of *cautioning* others:—and he hereby tenders his assurance to Officers in Regimental Command that so long as they continue to deserve his confidence, they shall never be denied, from Head Quarters, such aid as may be requisite, to enable them to maintain their authority within the Commands entrusted to them.

T. H. S. CONWAY,
Adjutant General of the Army.

10TH NOVEMBER 1831.

Upon Trials of Private Soldiers, and others who from their rank in life are not usually in possession of that acquaintance with the Forms of Courts Martial and that information generally which are required to guide them on there Defence, it frequently happens that the Prisoner, when called upon to defend himself against the Charge, makes a statement which *if supported by Evidence* would ensure his acquittal; and yet, through Ignorance or Neglect, does not call any Witnesses on his Defence. In all such cases, it is but Justice to the Prisoner to suggest to him the expediency of calling Witnesses in support of the Allegations he has made, which, while uncorroborated by Proof, cannot benefit him; and, in the event of his still refusing so to do, it should be distinctly entered upon the Record that "*the Prisoner declines calling any Witnesses*;" in order that the Officer to whom the Proceedings are submitted may be satisfied that the Inquiry has been *complete*; and that an innocent Man has not been Condemned because he was unacquainted with the Means of defending himself.

The undermentioned Officers have obtained Leave of Absence from their Corps and Stations.

28TH NOVEMBER 1831.

The following Extracts from the Confirmed Proceedings of an European General Court Martial, holden at Masulipatam on Friday the 28th day of October 1831, by virtue of a Warrant from His Excellency Lieutenant General The Honorable Sir Robert William O'Callaghan, K. C. B., Commander in Chief, are published to the Army.

Lieutenant Charles Woodfall, in the Forty-seventh Regiment of Native Infantry, placed in arrest by order of Major John Russell Ardagh, Commanding the same Regiment.

Charge.—For Scandalous, infamous behaviour, unbecoming the character of an Officer and a Gentleman, in having at Samulcottah, on the Twenty-third of August, One thousand Eight hundred and Thirty-one, at a Meeting of the Officers of the Forty-seventh Regiment of Native Infantry, declared, that he would not associate with Lieutenant Charles Bond of the same Regiment, at the same time declining to State his reasons for so doing :—and thereby unjustifiably attempting to vilify the Character of a Brother Officer and seeking to promote discord and evil feeling amongst the Officers of the Corps generally.

The above being in breach of the Articles of War.

(Signed) J. R. ARDAGH, Major,
Commanding 47th Regiment N. I.

SAMULCOTTAH,
The Fourteenth of October, One thousand Eight hundred and Thirty-one.

By Order.

(Signed) T. H. S. CONWAY,
Adjutant General of the Army.

The Court having most maturely weighed and considered the Evidence in support of the Prosecution, as well as what the Prisoner, Lieutenant Charles Woodfall of the 47th Regiment of Native Infantry, has urged in his Defence, and the Evidence in support thereof, is of opinion.

Finding on the Charge.—That the Prisoner is "Not Guilty" of the Charge, and it doth "honorably" acquit him of the same.

(Signed) J. KERR, Lieutenant,
Officiating Deputy Judge Advocate General.

(Signed) M. L. PEREIRA, Colonel,
and President.

Confirmed.—The Prosecution upon this Trial has been greatly neglected. The Officer entrusted with the conduct thereof has contented himself with proving the Single *Fact* only of the Prisoner's declaration, that he would not associate with Lieutenant Bond ; without, in any way, seeking to acquaint the Court with the *circumstances*, under which such declaration was made, in further proof of the Prisoners attempt to vilify the character of a Brother Officer, and of his endeavour to promote discord and evil-feeling amongst the Officers of the Corps, as set forth in the Charge. The Officer charged with the Prosecution has, also, altogether neglected to make use of the means at his disposal for refuting and replying to the long Series of Aspersions against Lieutenant Bond's character, constituting the Prisoner's Defence, which occupy the Record almost *exclusively*, and which have been left unduly to impress the minds of the Court, without explanation or comment on the part of the Prosecutor ; who has afforded an Instance unprecedented, probably, in the History of Military Courts, either of incapacity or of unwillingness to prosecute, by restricting his exertions to a *Solitary Question to a single Witness !*

As Evidence cannot be received on revision, Lieutenant Woodfall must have the benefit of the Imperfections of his Trial, and will be released and return to his duty :—but he will do well to benefit by the narrow escape he has made—to recollect that, had the Prosecution been otherwise conducted, the award of the Court would, in all probability, have been widely different ; and to bear in mind that, although an Officer has assuredly the right to select his own Intimates and private associates, yet that he can never be justified in entertaining hidden and malicious enmity, and in seeking opportunities of *whispering* away the character of a Comrade ; instead of stepping forward publicly and honestly to declare and substantiate the matter of accusation against him.

MADRAS,
The 21st of November 1831.

(Signed) R. W. O'CALLAGHAN, Lieut.-General,
and Commander in Chief.

C. B., Commander in Chief, are published to the Army.

Lieutenant Daniel Birley, and Ensign George Edward French, both of the Twenty-seventh Regiment of Native Infantry, placed in arrest by order of Major Henry Munn, Commanding the same Regiment.

Charge.—For scandalous and infamous behaviour, such as is unbecoming the character of an Officer and a Gentleman, in having at Madras, on the Fifth of November, One thousand Eight hundred and Thirty-one, entered the enclosure of the Dwelling House of James Pembroke Cropley, Inhabitant of Madras and School Master, and then and there violently beaten the said James Pembroke Cropley, and employed towards him disgraceful and indecent language.

The Court having most maturely weighed and considered the whole of the Evidence brought forward in support of the Prosecution, as well as what the Prisoners, Lieutenant Daniel Birley, and Ensign George Edward French both of the Twenty-seventh Regiment of Native Infantry, have urged in their Defence, and the Evidence in support thereof, is of opinion—

Finding on the Charge.—That the Prisoners are not Guilty of the Charge.

(Signed) CHAS. GEORGE ALVES,
Deputy Judge Advocate General.

(Signed) E. M. G. SHOWERS, Lieut.-Colonel,
Horse Brigade, President.

Confirmed.—The Court has, evidently, been induced to an acquittal by the consideration that Mr. Cropley, the complainant, was the *first* to employ *manual* violence, whereupon the aggression complained of took place ; and, under the same consideration, I refrain from sending back the proceedings for revision. I cannot, however, allow the result of this trial to go forth to the Army, without pointing out the extreme impropriety of Gentlemen and Officers intruding upon the privacy of Persons in a different grade of society to themselves ; thereby incurring the risque of personal altercation with their inferiors :—and I must particularly regret that, in the present instance, under any possible provocation, expressions of abuse *reflecting upon Color and Caste* should have been made use of by Gentlemen and Officers :—a proceeding equally injurious to the Service, objectionable in itself, and degrading to the person capable of employing it.

MADRAS,
The 14th of December 1831.

(Signed) R. W. O'CALLAGHAN, Lieut. General,
and Commander in Chief.

Lieutenant D. Birley and Ensign G. E. French, are to be released from arrest and directed to return to their duty.

The General Court Martial of which Lieutenant Colonel Showers of the Artillery, is President, is dissolved.

Consequent upon the recent Trial of Ensign Pope and the several Investigations connected therewith, The Commander in Chief has had painful occasion to be aware of the baneful party spirit existing in the 27th Regiment of Native Infantry, whereby the spirit of Unanimity and Cordiality which *should* prevail among Brother Officers has been entirely destroyed in that Corps.

The conduct of Lieutenants Joy, Birley, and Losh, is alike reprehensible and calls for animadversion—Lieutenant Losh has neglected his duty as an Acting Staff Officer, in permitting two Officers of the Regiment, to proceed to personal violence in his presence without interference or notice on his part ; and the conduct of all these Officers is more especially subject to censure and reproach for continuing, for upwards of Six Months, to associate, on terms of Intimacy, with Ensign Pope, *after* their knowledge of an occurrence which they *subsequently* brought forward to the prejudice of his character.

Lieutenant Losh is removed from his Acting Staff Appointment and directed to rejoin the 9th Regiment N. I.

His Excellency the Commander in Chief takes this opportunity of marking with his disapprobation, a practice the most unmilitary and the most unjust, which unhappily has prevailed of late, to a very undue extent, amongst the Officers of this Army,—he alludes to the system of Officers forming themselves into Regimental Factions to sit in judgment upon their Comrades, and to assume an unjustifiable right of decision, where complaint and respectful representation only can be admitted.—The Commander in Chief therefore calls upon the Officers of this Establishment, individually and collectively, to recollect, that *each one* among them has, to a certain extent, in his keeping the Honor and the Reputation of the Corps and Service he belongs to,—that sending a Brother Officer *to Coventry* will neither afford *him* the opportunity of clearing his Character nor *them* the relief they seek,—that in a Military Community, there can be no deliberative body—and that the character and conduct of their Comrades can never be privately assailed, without incurring the penalty so justly attaching to an unworthy and ungentlemanlike proceeding;—but, where there are grounds of complaint or cause of charge, within the knowledge of any individual Member of a Regimental Society, it is his bounden duty in an open, manly, and Soldierlike spirit, to submit the subject to his Commanding Officer, that prompt and legitimate means may be adopted for investigation, and to obtain for the accused either merited punishment or honorable acquittal.

Actg. Adjutant General of the Army.
