No. 6.

FORT ST. GEORGE, 7TH JANUARY 1831.

G. O. BY GOVERNMENT.

The Officers and Men of His Majesty's 89th Regiment being on the eve of embarkation for their Native Country; The Right Honorable the Governor in Council performs a pleasing part of his duty in bearing Public testimony to the merits of that Corps.

During the last 21 years there has been scarcely a service of importance performed by the Army of this Establishment in which His Majesty's 89th Regiment has not borne a prominent and distinguished part. At the capture of the Isle of France; at the reduction of the Island of Java; in the Deccan, in the Southern Concan, and in Ava, their gallantry and steadiness were the admiration of their Companions in Arms, and obtained for them the thanks of the highest authorities, and the Right Honorable the Governor will always have particular gratification in reflecting that their conduct in Garrison, which has ever been as exemplary as in the Field, has been latterly under his own immediate observation.

The cordiality with which the Officers and Men have at all times acted with the Company's Troops, is deserving of his warmest acknowledgments; and although he is precluded from granting to His Majesty's 89th Regiment on its quitting India a donation of batta similar to that which has been conferred on other Regiments whose conduct has not been more meritorious, he will not fail to bring to the notice of the Court of Directors the high claims which the Regiment has established to every mark of their favorable consideration.

*14th January* 1831.

The following Extracts from the Confirmed Proceedings of an European General Court Martial holden at Masulipatam on Monday the 3d day of January 1831, by virtue of a Warrant from His Excellency Lieutenant General Sir George Townshend Walker, G. C. B. and G. C. T. and a. Commander in Chief, are published to the Army.

James Maguire, Private, Number Nine hundred and eight, in the Light Company, of the Madras European Regiment, placed in confinement by my order.

*Charge.*—For having, at Masulipatam, on the eighth of November One thousand Eight hundred and Thirty, feloniously, wilfully, and of his Malice aforethought, made an assault upon John Jameson, Serjeant in the Light Company of the Madras European Regiment, and then and there unlawfully and maliciously stabbed, cut and wounded with a Bayonet, the said John Jameson, in and upon the left side of the Belly, with intent in so doing to do him, the said John Jameson, some grievous bodily harm.

The above being within the Provisions of the fouth Article of the Twenty-first Section of the Articles of War.

MASULIPATAM, *Nineteenth November, One Thousand Eight Hundred and Thirty.*

(Signed) H. KYD, Major,
Commanding Madras European Regiment.

By Order.
(Signed) B. R. HITCHINS,
*Deputy Adjutant General of the Army*

The Court having most maturely weighed and considered the whole of the Evidence brought forward in support of the Prosecution, as well as what the Prisoner, James Maguire, Private in the Light Company of the Madras European Regiment, has urged in his Defence, and the Evidence in support thereof, is of opinion.

*Finding on the Charge.*—That the Prisoner is guilty of the Charge.

*Sentence.*—The Court having found the Prisoner "guilty" as above stated, doth Sentence him the said James Maguire, Private in the Light Company Madras European Regiment, to suffer "Death" by being hanged by the neck until he be dead, at such time and at such place as His Excellency the Commander in Chief may be pleased to direct.

(Signed) J. KERR, Lieutenant,
Officiating Depy. Judge Adv. Genl.

(Signed) M. L. PEREIRA, Colonel
and Pres

Approved and Confirmed—but in consequence of the strong recommendation of the Officer under whom the Prisoner has served founded on previous good conduct—The Commander in Chief is pleased to commute the Sentence to Transportation for Life to New South Wales,—as, however, he could only have been induced thus to diminish the Punishment awarded and due to so great a crime from a consideration that the act appeared to be one of temporary insanity. Yet as it must have been produced by intoxication, had the Prisoner been in such habits he could not have been allowed to escape. The Commander in Chief trusts that he will ever keep this in Memory, and that after such a proof of the evil effects of excessive drinking upon his Constitution that he will shun it hereafter with the same horror as he would the act of Murder itself—to which it might lead—and for which he would then deserve to be punished.

MADRAS, *January* 12, 1831.

(Signed) G. T. WALKER, Lieutenant General, *and Commander in Chief.*

The Commander in Chief directs that the above Crime, Sentence, and General Order shall, on the receipt thereof, be read to every European Regiment and Detachment of the Army, on the Parade, where they will be assembled for that purpose in Parade Order.—At Stations where there are more than one Corps the Parade is to be General.

(Signed) W. G. PEARSE, Lieut. Colonel,
Artillery, President.

Approved and Confirmed,—but in consequence of the youth and inexperience of Lieutenant Coles, the Commander in Chief ventures in this instance to remit the Punishment which otherwise this Officer has too decidedly merited. He must however be now aware to what he will expose himself by a repetition of the course of conduct which he has heretofore adopted, and if he does not now use all his exertion to crush the refractory spirit that has led him to it, he must not a second time expect to escape if brought into a similar situation; for, though the Commander in Chief is unwilling to blight for ever the prospects of a young Man with whom there may be yet hope of improvement, he will not suffer a perseverance in error—and, if after this escape, Lieutenant Coles does not feel that his conduct ought to be exemplary, he will not be worthy to remain in the Service and had better quit it before he is dismissed from it with disgrace. To give him however an opportunity of recovering himself, out of the range of bad habits, or of prejudice, he will till further orders join and do duty with the 13th Regiment Native Infantry—the Commanding Officer of which is desired to report upon his conduct in every Return.

MADRAS,
*February* 10, 1831.

# GENERAL ORDERS,

## *BY HIS EXCELLENCY THE COMMANDER IN CHIEF.*

## HEAD QUARTERS, : CHOULTRY PLAIN;

14TH FEBRUARY 1831.

The following General Orders issued to His Majesty's Troops serving under this Presidency are published for the general information of the Army.

HEAD QUARTERS:
MADRAS, 24*th January* 1831.

GENERAL ORDERS.

At a General Court Martial holden at Bangalore on the 5th day of January 1831, Private Ashley Harris of His Majesty's 13th Light Dragoons, was arraigned on the following Charges, viz.

*Charge.*—For conduct to the prejudice of good Order and Military Discipline, in having at Bangalore on the Morning of the Twenty-eighth day of November One thousand Eight hundred and Thirty, drawn his Sword in the Barrack room of his Troop, while in charge of Lance Corporal Joseph James, for the purpose of being conveyed a Prisoner to the Guard Room; and using at the same time most menacing language; all which conduct and language was evidently applied to Serjeant James M'Coffrey; and further for making use of most abusive and threatening expressions, as well as personally conducting himself in the most mutinous manner towards the said Serjeant James M'Coffrey on the same morning, whilst in the execution of his duty.

The above being in breach of the Articles of War.

BANGALORE:
*The First of December One thousand Eight hundred and Thirty.*

(Signed) J. F. PATERSON, Lieut.-Col.
Commanding 13th Dragoons.

Upon which Charge the Court came to the following decision.

The Court having most maturely weighed and considered the whole of the Evidence brought forward in support of the Prosecution, and the Prisoner Private Ashley Harris, of the F Troop of His Majesty's 13th Light Dragoons, declining to make any defence, is of opinion.

*Finding on the Charge.*—That the Prisoner is guilty of the Charge.

*Sentence.*—The Court having found the Prisoner guilty of the Charge, and taken into its consideration his former convictions as proved by the Regimental Records, does sentence him the said Ashley Harris, Private in the F Troop of His Majesty's 13th Light Dragoons, to Solitary Confinement for a period of six Months (6), at such place and commencing from such time as His Excellency The Commander in Chief may be pleased to direct, and further that he shall forfeit all advantages as to Additional Pay and to Pension on Discharge.

*Remarks by His Excellency Lieutenant General Sir George Walker.*

The Court in this case, has illegally admitted upon the Record evidence of *previous* offences. If it was intended to accuse the Prisoner of such, mention thereof *should have been made* in the *usual manner, at the conclusion of the Charge*: and *previous notice given* to the Prisoner of the intention to adduce evidence in support of the same, as required by the 84th Article of War. As a Court cannot go *beyond* the subject matter of the Charge before it, and no man can legally be convicted of that whereof he has not been accused—The Court will, therefore, reconsider its Finding and Sentence, leaving out of consideration the evidence irregularly recorded, and awarding such punishment as may, in its judgment be commensurate with the single offence with which the Prisoner has been charged.

HEAD QUARTERS:
MADRAS,
12*th January* 1831.

(Signed) G. T. WALKER,
*Lieutenant General.*

BANGALORE, 19*th January* 1831.

The Court re-assembles pursuant to Orders from His Excellency The Commander in Chief to revise its Finding and Sentence.

The Court having most maturely weighed and re-considered the whole of the Evidence brought forward in support of the Prosecution, and the Prisoner, Private Ashley Harris of the F Troop of His Majesty's 13th Light Dragoons, declining to make any defence, is of opinion:

*Revised Finding on the Charge.*—That the Prisoner is guilty of the Charge.

*Revised Sentence.*—The Court having found the Prisoner guilty as above stated, doth Sentence him, the said Private Ashley Harris of the F Troop of His Majesty's 13th Light Dragoons, to suffer Solitary Confinement for three Months (3), at such time and place as His Excellency The Commander in Chief may be pleased to direct.

Approved and Confirmed,—and to be carried into execution by the Officer Commanding at Bangalore.

MADRAS;
22*d January* 1831.

(Signed) G. T. WALKER,
*Lieutenant General.*

At a General Court Martial holden at Bangalore on the 8th day of January 1831, Private Evan Kinsey of His Majesty's 13th Light Dragoons, was arraigned on the following Charge, viz.

*Charge.*—For absenting himself without leave when on Standard Guard at Bangalore, between the hours of Seven and Eight o'Clock on the Evening of the 28th day of November One thousand Eight hundred and Thirty, and not returning until between the hours of Eleven and Twelve o'Clock on the morning of the Thirtieth of the same Month.

The above being in breach of the Articles of War.

BANGALORE,
*The Second day of December One thousand Eight hundred and Thirty.*

(Signed) J. F. PATERSON, Lieut. Colonel,
Commanding 13th Dragoons.

Upon which Charge the Court came to the following decision.

The Court having most maturely weighed and considered the whole Evidence in support of the Prosecution, and the Prisoner Private Evan Kinsey of the A or Captain Sir John Gordon's Troop, of His Majesty's 13th Light Dragoons, declining to make any defence, is of opinion.

*Finding on the Charge* —That the Prisoner is guilty of the Charge.

*Sentence.*—The Court having found the Prisoner guilty as recorded, and taken into its consideration his former convictions, does Sentence him, the said Private Evan Kinsey of the A Troop of His Majesty's 13th Light Dragoons to suffer Solitary Confinement for a period of Six Months (6), at such place and commencing from such time as His Excellency The Commander in Chief may be pleased to direct, and further, that he shall forfeit all Claim to Pension on Discharge, and of all Additional Pay whilst serving. —The Court likewise feel it their duty to recommend that the Prisoner be discharged with ignominy from His Majesty's Service.

*Remarks by His Excellency Lieutenant General Sir George Walker.*

The Court, upon this trial, has illegally convicted the Prisoner of offences with which he has not been charged. If it was intended to bring the Prisoner forward for former Convictions, due mention of such should have been made, in the usual manner, at the conclusion of the Charge; and, this not having been done, it was beyond the Court's competence to investigate that which had not regularly been brought before it. The Court will therefore revise its finding and sentence, leaving out of consideration the evidence illegally adduced, and awarding such punishment, as in its opinion, may be called for by the offence with which the Prisoner has been charged.

HEAD QUARTERS;
MADRAS,
*14th January* 1831.

(Signed) G. T. WALKER,
*Lieutenant General.*

GENERAL ORDERS.

HEAD QUARTERS:
MADRAS, *3d February* 1831.

At a General Court Martial holden at Trichinopoly, on the 22d day of January 1831, Private William Moran of His Majesty's 41st Regiment of Foot, was arraigned on the following Charge, viz.

*Charge.*—For conduct to the prejudice of good order and Military Discipline in the following Instances.

*Fourth Instance.*—In having at the same time and place, and in the presence of the said Court employed threatening language towards the said Lieutenant Arata.

The above being in breach of the Articles of War.

TRICHINOPOLY, *28th October, One thousand eight hundred and thirty.* } (Signed) E. PURDON, Lieut. Colonel, Commanding H. M. 41st Regiment of Foot.

Upon which Charge the Court came to the following decision.

The Court having most maturely weighed and considered the whole of the Evidence brought forward in support of the Prosecution as well as what the Prisoner, Private William Moran, of the Grenadier Company of His Majesty's 41st Regiment of Foot, has urged in his Defence, and the Evidence in support thereof, is of opinion

*Finding on first Instance of Charge.*—That the Prisoner is guilty.

*Finding on second Instance of Charge.*—That the Prisoner is not guilty.

*Finding on third Instance of Charge.*—That the Prisoner is guilty.

*Finding on fourth Instance of Charge.*—That the Prisoner is guilty.

The Court having found the Prisoner guilty to the extent above stated, doth Sentence him, the said William Moran, Private in the Grenadier Company of His Majesty's 41st Regiment of Foot.

*Sentence.*—To Solitary Confinement for the period of Eight Calendar Months at such place and commencing from such time as His Excellency The Commander in Chief may please to direct."

MADRAS, *February* 1, 1831.

It appears that the Crimes with which the Prisoner stands charged arose out of a mere drunken fit, for which he should have been immediately confined and brought *when sober* to a Regimental Court Martial, instead of which, before he could possibly become so, he was on the very same morning dragged before a Court, with his brain yet inflamed with spirituous liquors—what is this but to put a Madman on trial? But here is a Man to whose good character his Officers bear strong testimony, in which even his Prosecutor joins, can a Commanding Officer reconcile this to the paternal care due from him to all those placed under his charge? How is it consistent with the kind and judicious course pointed out for the guidance of Officers by The Commander in Chief of His Majesty's Armies in the Circular of the Adjutant General of 24th of June last? To this Circular then the Lieutenant General desires that much more serious consideration may be given—He cannot confirm a Sentence under such circumstance, and as the Prisoner has already had sufficient Punishment, in his long confinement, for his actual Crime—he must now be released and return to his duty.

(Signed) G. T. WALKER,
*Lieutenant General.*

These Orders are to be entered in the General Order Books, and read at the head of every Regiment in His Majesty's Service on the Establishment of Fort St. George.

By order of His Excellency Lieutenant General Sir George Walker, G. C. B. and K. T. S.

(Signed) R. B. FEARON, Colonel,
*Deputy Adjutant General His Majesty's Forces.*

FORT ST. GEORGE, 25TH FEBRUARY 1831.

G. O. BY GOVERNMENT.

The Right Honorable the Governor in Council cannot permit His Majesty's Royal Regiment to quit India, after forming a part of the Army of this Presidency for 23 years, without publicly recording his high sense of its distinguished services.

During the Mahratta War, the Royal Regiment was more than three years in the Field. It nobly maintained the character of British Soldiers at the battle of Mahidpore, and after gallantly sharing in other conflicts of that eventful period in the Peninsula, it embarked for Rangoon and assisted in maintaining the honor of the British Arms and in establishing Peace with the Ava Dynasty.

The Right Honorable the Governor in Council has only further to add that the conduct of the Officers and Men of His Majesty's Royal Regiment when in Garrison has been such as to meet with the entire approbation of the Government, and that his best wishes for their continued welfare and fame will accompany them in whatever part of the World the national interests and honor may call for their services.

## HEAD QUARTERS: CHOULTRY PLAIN;

*28th February* 1831.

Major General Sir Theophilus Pritzler, K. C. B., having obtained leave to return to England, the Commander in Chief cannot allow that distinguished Officer to quit an Army with which he has so long and so honorably served, without the public expression of the high sense entertained of his merits.

In the repeated eulogies of the highest authorities in India, and the honors conferred upon him by his Sovereign, Sir Theophilus Pritzler has obtained a just acknowledgment of the gallantry and zeal by which he has ever been characterized—To these the Commander in Chief can add nothing—It only remains for him to offer the Major General his cordial good wishes and farewell.

---

The following Extracts from the Confirmed Proceedings of an European General Court Martial holden at the Judge Advocate General's Office, Fort St. George, on Friday the 11th day of February 1831, by virtue of a Warrant from His Excellency Lieutenant General Sir George Townshend Walker, G. C B. & G. C T. & S. Commander in Chief, are published to the Army.

Lieutenant John Aylmer Shennan of the Forty-sixth Regiment of Native Infantry, placed in confinement by order of the Commander in Chief, on the following Charges.

*First Charge.*—For having on the March from Palaveram to Madras, on the morning of the Thirty-first of December One thousand eight hundred and thirty, when in Command of a Detachment of the Forty-sixth Regiment of Native Infantry, been drunk on duty.

*Second Charge.*—For conduct to the prejudice of good order and Military Discipline in the following Instances.

*First Instance.*—In having, on the March from Palaveram to Madras, on the morning set forth in the first Charge, when in Command of a Detachment as therein stated, irregularly and on frivolous pretences, ordered the reveillé to be beaten after day break.

*Second Instance.*—In having at Madras, on the Tenth of January One thousand eight hundred and thirty one, defaced and falsified the Order Book of the Detachment under his Command, by tearing out the Orders inserted therein, from the first of the same month, and re-writing and in part altering the same after publication and circulation.

*Third Instance.*—In having at the same place on the Fifteenth of January One thousand eight hundred and thirty one, irregularly and unadvisedly, kept the Detachment, under his Command, at Drill, until after dark, although a great proportion of the said Detachment had only been relieved from duty on the morning of the same day; although the remainder thereof was warned for duty on the following morning, and although the whole of the Detachment had been in attendance to receive Pay, from nine in the forenoon until three in the afternoon of the day in question: thereby exciting and causing discontent and a disorderly spirit in the Men under his Command, to the manifest injury of the Service.

*Fourth Instance.*—In having at the same time and place, on the occasion last set forth, shamefully and in neglect of his duty, abandoned the Parade of his Detachment, leaving the Men thereof in a state of tumult and insubordination.

*Fifth Instance.*—In having at the same place, on the same day, while drilling the Detachment under his Command as above stated, appeared upon the Parade improperly dressed, without Sword or Belt, with his Jacket unbuttoned, and with a large stick in his hand.

The above being in breach of the Articles of War, and the latter Instance in disobedience of General Orders by His Excellency The Commander in Chief under date Sixth June One thousand eight hundred and twenty-seven.

HEAD QUARTERS;
CHOULTRY PLAIN,
*7th February* 1831

By Order.
(Signed) T. H. S. CONWAY,
*Adjutant General of the Army.*

The Court having most maturely weighed and considered the whole of the Evidence brought forward in support of the Prosecution, as well as what the Prisoner Lieutenant John Aylmer Shennan of the 46th Regiment of Native Infantry, has urged in his Defence, and the Evidence in support thereof, is of opinion.

*Finding on the First Charge.*—That the Prisoner is not guilty of the First Charge.

*Finding on the First Instance of the Second Charge.*—That the Prisoner is not guilty of the First Instance of the Second Charge.

*Finding on the Second Instance of the Second Charge.*—That the Prisoner is guilty of the Second Instance of the Second Charge, in having defaced the Order Book of the Detachment under his Command, by tearing out the Orders inserted therein from the first of the same month, and re-writing and in part altering the same after publication and circulation, but without the intention of falsifying the Order Book.

*Finding on the Third Instance of the Second Charge.*—That the Prisoner is not guilty of the Third Instance of the Second Charge.

*Finding on the Fourth Instance of the Second Charge.*—That the Prisoner is guilty of the Fourth Instance of the Second Charge, in having indiscreetly quitted the Parade of his Detachment leaving the Men thereof in a state of tumult and insubordination, but not of having shamefully and in neglect of his duty abandoned the said Parade.

*Finding on the fifth Instance of the Second Charge.*—That the Prisoner is guilty of the Fifth Instance of the Second Charge.

*Sentence.*—The Court having found the Prisoner guilty to the extent above stated, doth Sentence him the said Lieutenant John Aylmer Shennan of the Forty-Sixth Regiment of Native Infantry, to be reprimanded in such manner as His Excellency The Commander in Chief may be pleased to direct.

(Signed) C. G. ALVES, Captain,
Deputy Judge Advocate General.

(Signed) H. RAYNSFORD, Lieut.-Col.
6th Regiment Light Cavalry, President.

The Commander in Chief desires that these Proceedings be again distinctly read to the Court, and the evidence on each Charge clearly pointed out by the Judge Advocate, when he thinks it impossible but that with such clear, distinct and respectable testimony before it, a different conclusion must be come to than that here recorded—the Proceedings are then returned for revision, and with every fair consideration for the Prisoner, it is expected that the Court will yet fulfil the duty it owes to the Service.

MADRAS,
*February* 23, 1831.

(Signed) G. T. WALKER, Lieut.-General,
*and Commander in Chief.*

The Court having most maturely reconsidered and weighed the whole of the Evidence brought forward in support of the Prosecution, as well as what the Prisoner Lieutenant John Aylmer Shennan has urged in his Defence, and the Evidence in support thereof, is of opinion.

*Revised finding on the first Charge.*—That the Prisoner is not guilty of the First Charge.

*Revised finding on the first Instance of the Second Charge.*—That the Prisoner is not guilty of the first Instance of the Second Charge.

*Revised finding on the second Instance of the Second Charge.*—That the Prisoner is guilty of the second Instance of the second Charge, in having defaced the Order Book of the Detachment under his Command by tearing out the Orders inserted therein from the first of the Month, and re-writing and in part altering the same after publication and circulation, but without the intention of falsifying the Order Book.

*Revised finding on the Third Instance of the Second Charge.*—That the Prisoner is not guilty of the Third Instance of the Second Charge.

*Revised finding on the Fourth Instance of the Second Charge.*—That the Prisoner is guilty of the Fourth Instance of the Second Charge in having indiscreetly quitted the Parade of his Detachment, leaving the Men thereof in a state of tumult and insubordination, but not of having shamefully and in neglect of his duty abandoned the said Parade.

*Revised finding on the Fifth Instance of the Second Charge.*—That the Prisoner is guilty of the Fifth Instance of the Second Charge.

*Revised Sentence.*—The Court having found the Prisoner guilty to the extent above stated, doth Sentence him the said Lieutenant John Aylmer Shennan of the Forty-Sixth Regiment of Native Infantry, to be reprimanded in such manner as His Excellency The Commander in Chief may be pleased to direct.

(Signed) C. G. ALVES, Captain,
Deputy Judge Advocate General.

(Signed) H. RAYNSFORD, Lieut. Col.
6th Regiment Light Cavalry, President.

The Commander in Chief is totally at a loss to conceive what ground even after a revision of the Sentence the Court can have taken for the acquittal of the Prisoner in the teeth of the most positive and respectable evidence on charges involving the risk of Discontent and Mutiny among those under his command, and consequently of their lives and of the public safety. He feels it therefore extremely difficult to comply with the Sentence to reprimand him, even in such manner as he may deem proper, as he can find no phrase sufficiently strong to express his opinion of his misconduct, which, under the most favourable view of the case, cannot be otherwise denominated than as gross negligence and wanton disobedience of Orders, issued expressly for the protection of the Native Soldier. Under whatever mistaken lenity however Lieutenant Shennan may this time been allowed to escape, he may depend upon it that in case of a repetition of such conduct his name shall go at once before the Court of Directors as unfit for their Service. The Sentence is however confirmed, and will be read to him in the presence of the Officers of his Corps.

MADRAS,
*February* 25, 1831.

(Signed) G. T. WALKER, Lieut. General,
*and Commander in Chief.*

Lieutenant J. A. Shennan of the 46th Regiment N. I. is to be released from arrest and directed to return to his duty.

*10th March* 1831.

As there appears to be some extraordinary misunderstanding in this Service on the nature of a Court of Enquiry, and that an Officer has a right to withold from it at his pleasure any intelligence he may possess. It is necessary to state that Courts of Enquiry are in most instances ordered in the nature of a Grand Jury, to enable the Commander in Chief to judge whether or not, there is matter to render a Court Martial necessary, as it must always be an object with every Commander in Chief of good feeling, and of proper consideration for those submitted to his Command, to avoid such an occurrence as much as possible,—as however free an Individual may escape from conviction, it must be rare that some suspicion or stain does not thereby rest upon his Character. It is then the imperative duty of every Officer in the Service to aid the Commander in Chief in this important search for truth, and to come forward with all the information in his power to give on such occasions, provided it does not militate against his own personal Character or Conduct, which of course must always be received as a sufficient reason for withholding it—When, however, this plea cannot be put in it must be understood that at all Courts of Enquiry, the whole truth will be required, and the Officers or Soldiers concerned are hereby ordered to give it, and their refusing so to do must be considered a gross neglect of duty, contempt of authority and acting in direct disobedience of Orders.

FORT ST. GEORGE, 18TH MARCH 1831.

G. O. BY GOVERNMENT.

The Right Honorable the Governor in Council has been much gratified by intelligence received from the Resident in Mysore of the conduct of Lieutenant Rochfort, with the Troops of the Rajah in storming the Hill Fort of Caman Droog.

Considering the Strength of the Place, the extreme difficulty of approaching it, the number of the Defenders, the imperfect means of Offence present with the Mysore Troops, and the nature of their discipline, the result of this attack reflects the highest credit upon the Gallantry and professional knowledge of Lieutenant Rochfort. To the exemplary manner in which he displayed these qualities before any part of the regular Forces of this Army had been ordered to Caman Droog, the Right Honorable the Governor in Council attributes the success of the Assault and the early return of the tranquillity in the Nuggar Province.

*Para* 2. "Having carefully considered the several Memorials from the Surgeons and Assistant Surgeons of your Establishment, which you have transmitted to us with your Letter of 23d October 1829, together with the observations of the several Members of your Government upon them, we have come to the following Resolutions.

3. " That every Surgeon in charge of a Regiment of Cavalry or Infantry, European or Native, or of a Battalion of Artillery, Horse or Foot, be allowed, in addition to the Pay and Regimental Allowances of a Captain in the Corps with which he may serve, a consolidated Medical Staff Salary of Three hundred Rupees (300) per month, which is to cover the expence he may incur in visiting Patients.

6. " That every Surgeon or Assistant Surgeon in charge of European or Native Soldiers not attached to his own Regiment be granted an allowance of twenty-five (25) Rupees per month for every hundred Europeans and twelve Rupees eight Annas (12 8) per Month for every hundred Natives.

7. " We also authorize you to grant to Surgeons and Assistant Surgeons of Civil Stations, a proportionate allowance for the number of Irregular Troops under their charge, in addition to their present Civil Salaries.

8. " These Resolutions are equally applicable to the Establishments of Madras and Bombay; and we desire that they be brought into operation at all the Presidencies on the same day within two Months of your receipt of this dispatch.

9. " The consolidation of Staff Salary we have directed in this letter puts an end to all discussion upon the subject of allowances for visiting Patients; but we think it right to say, that we entirely approve of your instructions to the other Governments to limit the grant of the allowance of the means of visiting Patients to Thirty (30) Rupees per Month, as directed by our orders of 26th August 1818."

A very erroneous construction having been put upon the General Orders dated 10th November 1828, His Excellency the Commander in Chief, deems it necessary to observe, that it was not his intention by that Order, to confer on individuals a right to exact professional attendance other than that expressly provided for them, or to interfere with established usage in the case of their selecting particular attendance: neither was it his intention to impose, *permanently* on the Medical Officers of the Establishment, any duty foreign to that which their respective appointments in the Civil or Military Department specially imply. The Commander in Chief merely intended by that order to warn Medical Officers, that when their services should be required on emergencies, or in consultation, they were to be cheerfully and readily rendered without reference to any consideration but the welfare of the patient, and the good of the Service.

FORT ST. GEORGE, 15TH APRIL 1831.

G. O. BY GOVERNMENT.

The Right Honorable the Governor in Council being always disposed to reward the Native Officers of this Army in the manner most acceptable to their customs and feelings, has resolved to confer on Sied Hussain, Subadar Major of the Body Guard, in the name of the Company, the honor of the Nobut.

This Officer's testimonials of Military Service are a brief abstract of the great actions fought in the Peninsula for nearly half a century, and his services in Persia and at Asseerghur, under Sir Halford Jones and Sir John Malcolm, prove that he has been no less distinguished for the ability and fidelity of his political services to the Company than for his Military Career.

These testimonials are expressed in the strongest language of respect and attachment by all the Officers under whom he has served, and the observations of the Government fully confirm all that has been said of his merits, which are as extraordinary as the modesty with which he has forborne to urge them.

In token of his services Sied Hussain has already received from this Government a grant of Land in Jaggire, a Palankeen with the usual allowance for its support, also a Sword and a Horse, with a promise that his nearest Heir after his decease shall be allowed a pension equal to the full pay of a Subadar of Cavalry; it now affords to the Right Honorable the Governor in Council the highest gratification to add to those honors by conferring on him the privilege of using the Nobut in the Company's territories together with the honorary symbols of that privilege and its appropriate Establishment.

Subadar Major Sied Hussain will henceforth be known by the Title inscribed upon his Nobut, Sied Hussain Khan Bahadur Nusrut Jung.

## HEAD QUARTERS : CHOULTRY PLAIN ;

*7th May* 1831.

The following Extracts from the Confirmed Proceedings of an European General Court Martial, holden in Fort St. George, on Monday the 14th day of March 1831, by virtue of a Warrant from His Excellency Lieutenant General Sir George Townshend Walker, G. C. B. and G. C. T. and S. Commander in Chief, are published to the Army.

I charge Cornet Edward John Stephenson, Quarter Master and Interpreter of the Sixth Regiment of Light Cavalry, with highly disgraceful conduct, unbecoming the character of an Officer and a Gentleman, in the following Instances.

*First Instance.*—For having with long premeditated malice and without the least provocation, conveyed through Lieutenant Edward Arthur Humffreys of the Eighth Regiment of Light Cavalry at Arcot, on the twenty-eighth day of January One thousand Eight hundred and Thirty-one, a challenge to me to fight a Duel.

*Second Instance.*—For having to a paper written by Lieutenant Edward Arthur Humffreys of the Eighth Regiment of Light Cavalry, dated the twenty-eighth day of January One thousand Eight hundred and Thirty-one; in which it is falsely stated that I had refused him, Cornet Edward John Stephenson, an amicable explanation, and which contained scurrilous language affecting my character, annexed the following most opprobrious expressions, and his signature thereto, viz. "In consequence of the cir-"cumstances above mentioned I hereby post Captain Litchfield as a Coward and unworthy the Society "of Gentlemen," which said paper was addressed to the Mess of the Eighth Regiment of Light Cavalry Arcot, and was presented to Captain John Charles Wallace, Senior Officer in charge of the Eighth Regiment of Light Cavalry at the said place, on the Thirtieth day of January One thousand Eight hundred and Thirty-one, by an orderly Trooper of the sixth Regiment of Light Cavalry.

The above conduct being in breach of the Articles of War and subversive of good order and Military Discipline.

(Signed) W. E. LITCHFIELD, Captain,
6th Regiment Light Cavalry,
Doing duty with 8th Regiment Light Cavalry.

ARCOT,
*the Third of February* 1831.

By Order.
(Signed) T. H. S. CONWAY,
*Adjutant General of the Army.*

The Court having most maturely weighed and considered the whole of the Evidence brought forward in support of the Prosecution, as well as what the Prisoner has urged in his Defence, and the Evidence in support thereof is of opinion.

*Finding on the First Instance.*—That the Prisoner is Guilty of having without due provocation conveyed through Lieutenant Edward Arthur Humffreys of the Eighth Regiment of Light Cavalry at Arcot on the Twenty-eighth day of January One thousand Eight hundred and Thirty-one, a challenge to Captain Litchfield to fight a Duel, but it acquits him of the remainder of the Instance, and of highly disgraceful conduct unbecoming the character of an Officer and a Gentleman.

*Finding on the Second Instance.*—That the Prisoner is Guilty of the Second Instance of the Charge with the exception of the averment "falsely stated," and of highly disgraceful conduct unbecoming the character of a Gentleman.

*Sentence.*—The Court having found the Prisoner Guilty to the extent above stated, doth Sentence him, the said Prisoner Cornet Edward John Stephenson, Quarter Master and Interpreter of the Sixth Regiment Light Cavalry to be Cashiered.

(Signed) C. G. ALVES, Captain,
Deputy Judge Advocate General.

(Signed) E. M. G. SHOWERS, Lieut. Col.
President.

The Court taking into consideration the youth of the Prisoner, together with his extreme inexperience in the Service, and also the apparent impression on his mind of having been deeply injured in his private character, however erroneous that impression might be, respectfully, recommends the Prisoner to the lenient consideration of His Excellency the Commander in Chief.

The Court cannot close its proceedings, without bringing to the notice of His Excellency, the wide distinction existing between the Sentence to be awarded in a case of this nature, by the last Articles of War for the better Government of the Honorable Company's Forces, published in 1823 ; and those published last year for the Troops of His Majesty's Service ; a distinction which in the present case has left the Court no alternative in passing its Sentence.

The Court begs further respectfully to explain to His Excellency, that it has been led into an unusual length of proceeding, partly from the indefinite averment in the charge of "long premeditated malice," and the great difficulty of knowing what evidence was, directly or indirectly, relevant to this accusation until investigated; and partly from the difficulty of rejecting such evidence as appeared to the Court irrelevant, after it was given and recorded so as to satisfy all parties.

(Signed) E. M. G. SHOWERS, Lieut. Col.
President.

Under all the circumstances of the case, I feel it my duty to confirm this Sentence; but honorably acquitted as is the Prisoner of all the degrading part of the charges, for which there does not appear, on the record, a tittle of evidence—Honorably zealous of his character, which there appears no doubt had been falsely and basely aspersed by some one who had not the courage to avow the libel, (a character the more precious to him under the pressure of heavy family misfortunes with which he has been long known to be struggling) is it wonderful that he should apply for explanation to the Person pointed out to him as the author, however innocent that person might in reality be, of so infamous an act:—and in the ratio of that innocence, would not a frank and determined disclaimer of the malignity imputed, with every liberal offer of aid to detect it, have rather been to be expected, even by a man more experienced in human nature than this young man appears to be—Much then as it is to be lamented that, on whatever principle of prudence; a refusal of all explanation was here given to a young man under such peculiar circumstances, entitled to the most charitable consideration of every honorable man, smarting as he yet was under the stroke of a secret assassin, though it cannot surprise, yet must it be lamented that he should not have remembered that the sending a challenge is forbidden by the Military Law under which he was serving; the respect for which, has been so strictly adhered to, by his adversary—But inexperienced and imprudent as he was himself, could he have expected, even in Captain Litchfield, so great a Command of his feelings, so large a share of Prudence, as, even by his own Evidence on the records of the Court, he appears to have possessed, under such repeated trials—was it not, on the contrary, natural for him to expect the usual explanation to which a Brother Officer was entitled, and which Gentlemen jealous of their honor seldom refuse?

The honor of the Prisoner having however, by the just discrimination of the Court, come out clear and bright from the fiery ordeal to which it has been subjected, I cannot but bend to the liberal consideration taken of his case, after due examination of even his imputed crimes by that Court; and I feel that I shall best serve the Company by restoring this Honorable young Man to its Service.— He will then be forthwith released from arrest and rejoin his Regiment; and I trust that, by his late experience, he will have acquired a sufficient knowledge of mankind to discriminate in the choice of his associates; and so much of the striking prudence and respect for the Laws which he has witnessed, as not to subject himself to another such danger, as a Court Martial.

MADRAS,

(Signed) G. T. WALKER,
*Lieutenant General.*

---

I charge Lieutenant Edward Arthur Humffreys of the Eighth Regiment of Light Cavalry with highly disgraceful conduct, unbecoming the character of an Officer and a Gentleman in the following Instances.

*First Instance.*—For having in a paper written by himself and bearing his Signature, dated the Twenty-eighth day of January One thousand Eight hundred and thirty-one, and addressed to the Mess of the Eighth Regiment of Light Cavalry Arcot, asserted the following falsehood, viz. "I do hereby certify "that I this day called upon Captain Litchfield, by desire of Cornet Stephenson for an explanation "relative to some circumstances between those Officers, which he refused, I then * * * * demanded "a meeting which he also refused."

*Second Instance.*—For having in the paper alluded to in the first Instance of the Charge, without any provocation, aspersed my character by calling me an ungentlemanly Coward.

*Third Instance.*—For having at Arcot on the Twenty-eighth day of January One thousand Eight hundred and thirty-one been the bearer of a challenge to me to fight a Duel with Cornet Edward John Stephenson of the Sixth Regiment of Light Cavalry, and which was conveyed in the following words "Stephenson will post you if you don't come out with him."

The above conduct being in breach of the Articles of War and to the prejudice of good order and Military Discipline.

ARCOT,
*The third of February* 1831.

6th Regiment Light Cavalry,
Doing duty with 8th Light Cavalry.

By Order.
(Signed) T. H. S. CONWAY,
*Adjutant General of the Army.*

The Court having most maturely weighed and considered the whole of the Evidence brought forward in support of the Prosecution, as well as what the Prisoner has urged in his Defence and the Evidence in support thereof, is of opinion.

*Finding on the First Instance.*—That the Prisoner is not Guilty of the First Instance.

*Finding on the Second Instance.*—That the Prisoner is Guilty of improper conduct unbecoming the character of an Officer and a Gentleman in having in the paper alluded to in the first Instance of the charge without adequate provocation aspersed Captain Litchfield's character by calling him an ungentlemanly Coward, but the Court acquits the Prisoner of highly disgraceful conduct.

*Finding on the Third Instance.*—That the Prisoner is not Guilty of highly disgraceful conduct, unbecoming the character of an Officer and a Gentleman, but that he is Guilty of having at Arcot on the Twenty-eighth day of January One thousand Eight hundred and Thirty-one, been the bearer of a challenge to Captain Litchfield to fight a Duel with Cornet Edward John Stephenson of the Sixth Regiment of Light Cavalry and which was conveyed in the following words, "Stephenson will post you if you "don't come out with him."

*Sentence.*—The Court having found the Prisoner Guilty to the extent above stated, doth Sentence him the said Lieutenant Edward Arthur Humffreys of the Eighth Regiment of Light Cavalry to be Cashiered.

(Signed) CHAS. GEO. ALVES, Capt.
Deputy Judge Advocate General.

(Signed) JOHN BRIGGS, Lieut. Colonel,
31st Regiment Light Infantry,
President.

The Court having acquitted the Prisoner on the 1st Charge it needs no remark.

On the second Charge the Court disagrees with itself, inasmuch as in the beginning it finds him "guilty of conduct unbecoming the the character of a Gentleman," and ends by acquitting him "of highly disgraceful conduct."—With this then before me, and not seeing any thing on the record to support the first part, it is impossible not to imagine but that there has been some mistake in recording this finding and I am, therefore, necessarily obliged to disapprove it altogether :—especially as, on the third Charge, he is fully acquitted of all the accusations that can be conveyed in the language of either of those phrases.

That he did, however, convey a Challenge is too clear for denial : and, to check the progress of this illegal practice of Duelling, the Law for the Government of the Company's Troops has fixed for it a certain Penalty—which the Court in its Sentence has been bound to declare : and, generally speaking, the Man who coolly carries a Challenge has more to answer for, in it, than his Principal, in whose irritated feelings more excuse may be found ; while, from the Second, if every attempt at accommodation has not been tried by him, deep must be his responsibility—Here, however, in the first instance, such an attempt does appear to have been made. Fair explanation was demanded, which, had it candidly followed, as might reasonably have been expected, might have effaced every shade of offence, much therefore, even in a Second, may, in human frailty, be allowed, when such a demand is only met with personal insult.

As I have then deemed it my duty to absolve the Principal in this affair from the penalty of the Law, so must I think that, in this instance, there is sufficient reason also to treat the Second with the same Lenity : and, it is to be hoped he will, in future, learn to respect the Law ! ! that "he will go and sin no more."

The opinion and Sentence being then only so far confirmed as above stated—The Prisoner is released from the penalty of the Sentence, and, forthwith, from arrest, and will rejoin his Regiment without delay.

## HEAD QUARTERS : CHOULTRY PLAIN ;

24TH MAY 1831.

The following General Order issued to His Majesty's Troops serving under this Presidency, is published for the general information of the Army.

GENERAL ORDERS.

HEAD QUARTERS :
MADRAS, *3d May* 1831.

At a General Court Martial, re-assembled at Moulmein, on the 19th day of November 1830, Private James Redding of His Majesty's 45th Regiment of Foot, was arraigned on the following Charges, viz.

*First Charge.*—In making use of the following expressions, or expressions to the following purport, when ordered to the Guard Room, for being Drunk, by the Color Serjeant of his Company, Serjeant Robert Johnston, at Moulmein on the evening of the 15th November 1830 ; " I'll follow Luke " Neagle, I intended to do it before, but the first opportunity I get after this I will do it ; I am " going to the Guard Room, I wont leave it until I follow Luke Neagle, we all know he is an Orange- " man," (alluding to the said Serjeant Johnston,) " as soon as I am out of the Guard Room I'll " make an Orangeman of him."

*Second Charge.*—In disobeying the lawful command of his Commanding Officer, Lieutenant Colonel Henry Thomas Shaw, Commanding His Majesty's 45th Regiment, when brought before him for the foregoing Crime, at his Quarters, at Moulmein, on the morning of the 17th November 1830, in refusing in the most mutinous manner to take the Punishment awarded by him, for the said Crime, " ten days " punishment Drill ;" and for making use of the following expressions, or expressions to the follow- ing purport, addressed to or in the presence of his said Commanding Officer : " You may as well " bring me to a Court Martial at once, for I wont do the punishment for you, or any body else, I " wont do it for you or any other man,—I had rather be tried by a General Court Martial and trans- " ported, than be without my Arrack."

*Third Charge.*—In having made use of the following threatening language towards the said Color Serjeant Johnston, when on the said morning of the Seventeenth of November 1830, he was taken back to the Guard Room, and told he must go to the punishment Drill Room ; " You had better not put me " in the punishment Drill Room, for if I can get a Firelock, I will shoot Serjeant Johnston."

The whole of the foregoing being in breach of the Articles of War.

MOULMEIN, *17th November* 1830.

(Signed) H. T. SHAW, Lieut. Colonel, Commanding 45th Regiment.

Upon which Charges the Court came to the following decision.

*Opinion.*—The Court having most maturely weighed and considered the whole of the Evidence brought forward in support of the Prosecution as well as what the Prisoner, Private James Redding, of No. 7 Company, His Majesty's 45th Regiment, has urged in his Defence is of opinion.

*Finding on the First Charge.*—That the Prisoner is Guilty of the First Charge.

*Finding on the Second Charge.*—That the Prisoner is Guilty of the Second Charge.

*Finding on the Third Charge.*—That the Prisoner is Guilty of the Third Charge.

*Sentence.*—The Court having perused the four Convictions set forth, and having previously found the Prisoner Guilty as before stated ; which being in breach of the Articles of War, does by virtue thereof, Sentence him, the said Private James Redding of No. 7, or Captain Richard Moore's Company, His Majesty's 45th Regiment, to be Shot to Death with Musketry, at such time and place, as His Excellency the Commander in Chief may think fit.

---

*Remarks by His Excellency Lieutenant General Sir George Walker.*

In this Case, the Court has not only illegally admitted Evidence, regarding former Convictions, of which no mention has been made with the Charges : but it has also illegally admitted this Evidence *unproved on Oath*, under which circumstances it must be considered as null and void in a double sense. If it was intended to have brought the Prisoner forward for previous convictions, he should have been so accused, accordingly, in the usual manner, immediately after the conclusion of the charge preferred against him. The Court having thus *gone beyond* the matter for its investigation, will reconsider its Finding and Sentence, leaving out of consideration the evidence, illegally recorded, and awarding such degree of punishment, as may, in its judgment, be fitting the offence of which the Prisoner actually stands accused in the Charges.

The Remark appended to the Finding and Sentence proves that the Court has been under an erroneous impression, inasmuch as Clause 7 of X Geo. IV, (as well as Clause 7 of XI Geo. IV, now in operation,) so far from *restricting* General Courts Martial to *Capital* Punishments, affords to such Courts the widest possible scope of award, from Death to simple Imprisonment.

MADRAS, *January* 21, 1831.

(Signed) G. T. WALKER, *Lieutenant General.*

The Court having re-assembled pursuant to orders from His Excellency the Commander in Chief.

The Proceedings having been read over, and the Court having most maturely weighed and re-considered the whole of the Evidence brought forward in support of the Prosecution, as well as what the Prisoner, Private James Redding, has urged in his Defence, is of opinion,

"*Revised Opinion.*"

*Finding on the First Charge.*—That the Prisoner is Guilty of the First Charge.

*Finding on the Second Charge*—That the Prisoner is Guilty of the Second Charge.

*Finding on the Third Charge.*—That the Prisoner is Guilty of the Third Charge.

*Revised Sentence.*—The Court having found the Prisoner Guilty, as above stated, which being in breach of the Articles of War, does by virtue thereof, Sentence him, the said Private James Redding, of No. 7, or Captain Richard Moore's Company, His Majesty's 45th Regiment, to suffer Solitary Confinement for a period of two years, at such time and place, and commencing from such period, as His Excellency the Commander in Chief may be pleased to direct; and further that the said Prisoner Private James Redding of his Majesty's 45th Regiment, shall forfeit all advantages as to additional Pay while serving, or to Pension on Discharge.

*Revised Sentence.*—Approved and Confirmed.

(Signed) G. T. WALKER,
*Lieutenant General.*

*Remarks by the Right Honorable the Commander in Chief.*

The Court having presented a recommendation to Mercy in favour of the Prisoner, the Commander in Chief feels it necessary to express his surprize, that the Court could perceive any circumstances in the Proceedings of this Trial, that could be imputed to inexperience or youthful ignorance. The impression is very different upon the mind of the Commander in Chief, the Proceedings and circumstantial evidence have most clearly shewn a Character utterly unworthy of the honor to hold His Majesty's Commission, and impose upon His Excellency, the painful duty to reject the recommendation.

By order of the Commander in Chief.

*Adjutant General His Majesty's Forces in India.*
