Remarks by His Excellency Lieutenant General The Honorable Sir R. W. O'Callaghan, K. C. B.

The Court will re-consider its Sentence, so as to make it conformable to the Provisions of the 39th Article of War, whereby it is directed that " any Soldier convicted of Desertion shall thereupon, forfeit all advantage as to additional Pay and to Pension on Discharge"—implying the *limited* Forfeiture of all advantage of *former* service as to additional Pay and to Pension on Discharge, not the heavier Penalty of *unlimited* Forfeiture of all claim to Pension on Discharge, and of all additional Pay *whilst serving*, which, by Article 50, is provided as a Punishment for disgraceful conduct *only*. It is important, in all Instances where punishment is specially described and provided in the Articles of War, that the *very* words of the Article should be made use of in preparing the Record of Sentences.

"*This is very bad! very bad indeed! but no wonder, the Corps has not been properly Drilled for the last Sixteen (or six) years :*" or words to the same effect; thereby reflecting upon me, his immediate Commanding Officer, and the Discipline of the Regiment under my command.

Second Charge.—For scandalous and infamous behaviour, unbecoming the character of an Officer and a Gentleman in the following Instances.

First Instance.—In having at Salem on the Thirtieth of November, One thousand Eight hundred and Thirty-one, in an Official Letter, bearing his Signature, and addressed to the Adjutant of Eighteenth Regiment Native Infantry *falsely* denied having made use of the words set forth as made use of by him in the First Charge.

Second Instance.—In having at the same time and place, in the same Letter made the following assertion.—"*Major Ross will recollect at the last interview I had with him, before taking charge of the Detachment, desiring me to be particular with the Men, as they required Drilling; and to have them out for that purpose whenever the strength of the Detachment would admit of it.*" Such assertion being altogether contrary to the fact, and *fabricated* in order to screen himself from responsibility and censure.

The above being in breach of the Articles of War.

DINDIGUL,
The Twenty-third of December, One thousand Eight hundred and Thirty-one.

(Signed) D. ROSS, Lieut.-Colonel,
Commanding the Eighteenth Regiment
of Native Infantry.

By Order.
(Signed) B. R. HITCHINS,
Acting Adjutant General of the Army.

The Court having most maturely weighed and considered the whole of the Evidence brought forward in support of the Prosecution on the Charges, as well as what the Prisoner, Captain Thomas Styan Warner, of the Eighteenth Regiment of Native Infantry, has urged in his Defence, and the Evidence in support thereof, is of opinion;

Finding.—That the Prisoner is "not Guilty" of the First Charge.

That the Prisoner is not Guilty of the First Instance of the Second Charge.

The Court acquits the Prisoner of the Second Instance of the Second Charge, with the exception of the words, "as the Men require drilling," but attaches no criminal intention in the using of these words, as they appear to have been written under a false impression.

The finding of the Court being as above specified, the Prisoner Captain Thomas Styan Warner, of the Eighteenth Regiment of Native Infantry, is acquitted of the First Charge, also of the First Instance of the Second Charge, and of the Second Instance of the Second Charge, with the exception set forth in the finding, and further, the Court doth fully and honorably acquit the Prisoner, the said Captain Thomas Styan Warner of all scandalous and infamous behaviour unbecoming the character of an Officer and a Gentleman.

The Court gives no award, as the words which the Prisoner is found to have used in the finding on the Second Instance of the Second Charge, were written without any criminal intention.

(Signed) RICHARD BUDD, Captain,
Offg. Deputy Judge Advocate General.

(Signed) C. BISHOP, Colonel,
28th Regiment N. I.—President.

(Signed) C. H. WARREN, Lieutenant,
25th Regt. N.I. Interpreter to the Court.

Approved and Confirmed.—The Record of the Judgment upon this Trial is erroneous *in point of Form*. The Court being of opinion that the Prisoner was not Guilty of any criminal act, a finding of acquitttal should have been entered, accordingly, in the usual manner, and any Remarks in explanation of such finding should have been kept distinct and inserted separately. As the intention of the Court, however, with which I concur, cannot be mistaken, I have not thought it requisite, to inconvenience the Public Service by sending back the Proceedings for Revision.

MADRAS,
The 26th of January 1832.

(Signed) R. W. O'CALLAGHAN, Lieut.-General,
and Commander in Chief.

FORT ST. GEORGE, 31ST JANUARY 1832.

G. O. BY GOVERNMENT.

Superintending Surgeon Scot having obtained permission to return to Europe, The Right Honorable the Governor in Council has great satisfaction in recording his opinion of the services rendered by that gentleman to the Company during a period of nearly thirty years. After serving with every branch of the Army on Garrison, Field and Foreign Service for eighteen years, Mr. Scot was selected to hold the Office of Secretary to the Medical Board ; and in that situation, his laborious, persevering and able exertions were considered to have been highly creditable to himself and of great public utility, and accordingly obtained for him the approbation of the Board, the Government and the Honorable the Court of Directors.

While employed as Secretary to the Medical Board, Mr. Scot, besides collating and condensing with great labour, in an able and perspicuous report, all the most valuable information on the records of the Board respecting Cholera, discharged also the duties of Superintendent General of Vaccination and was greatly instrumental in extending the benefits of Vaccination amongst the Natives by his vigilant attention to the Department and the care with which he sought to make the object and advantages of the Institution generally understood and appreciated.

In the Medical Store Department, while Secretary to the Medical Board, and subsequently as Superintending Surgeon, Mr. Scot has rendered important services to the Public ; and it is to his indefatigable zeal and the many valuable rules introduced by him with a view to promote the comfort of the Sick and to establish order, regularity and economy in the Hospital supplies, and to his temper and judgment in the exercise of the Superintending Office, that the state of efficiency to which the Hospitals of the Presidency Division have been brought, is mainly to be ascribed.

His Highness the Naib-i-Mookhtar has expressed to Government his sense of Mr. Scot's kind attention and valuable services as Physician at the Durbar of His Highness the Newaub of the Carnatic, his readiness to afford gratuitously his able assistance to the Dependants of His Highness, and his highly praiseworthy conduct in abstaining from all interference in matters unconnected with his professional duties.

By order of the Right Honorable the Governor in Council.

and President.

Previous to recording my disapprobation of these Proceedings, I consider it right to afford the Court an opportunity of reconsidering its Finding.—It is proved in Evidence, by three Witnesses, and by the Prisoner's own admission, that, on the occasion set forth in the Charge, when the dispute had been declared to be adjusted by the Friends of both Parties, Ensign Hiern, deliberately, and without provocation called Mr. Thomas a *Scoundrel.* It is also proved, by the testimony of the only person present at the time, and by the indirect admission of the Prisoner, (for the Court will recollect that in Ensign Hiern's letter of denial entered upon the Proceedings, he only disclaims the *more* objectionable of the two Epithets attributed to him in the Second Instance of the Charge,) that he, in like manner, without apparent provocation, called his own friend and adviser a Damned *Blackguard.* It is also shewn by the long investigation, into which the Court has thought fit to enter, regarding the previous dispute between the Parties, that it was one of a most trivial description, so that the Prisoner can in no sort be allowed the advantage of unavoidable excitement, from previous ill usage, at the time of the transactions referred to in the Charge.—Under these circumstances, the Court will reconsider how far a person, who has wantonly called his adversary a Scoundrel, and his own friend a Blackguard, after submitting his cause to adjustment, is worthy to remain a Member of this Army, bearing the Commission of an Officer and a Gentleman.

MADRAS,
23d *January* 1832.

and Commander in Chief.

The Court having most maturely reconsidered and weighed the whole of the Evidence in support of the Prosecution, with the Remarks of His Excellency the Commander in Chief, as well as what the Prisoner, Ensign Maurice Henry Hiern of the Forty-first Regiment of Native Infantry, has urged in his Defence, and the Evidence in support thereof, is of opinion :

Revised Finding on the First Instance of the Charge.—That the Prisoner is not Guilty of the First Instance of the Charge.

Revised Finding on the Second Instance of the Charge.—That the Prisoner is not Guilty of the Second Instance of the Charge.

(Signed) RICHARD S. M. SPRYE,
Deputy Judge Advocate General.

(Signed) H. ROSS, Lieut. Colonel,
and President.

In thus adhering to their original Finding, the Court feel it imperative on them to append some remarks explanatory of their reasons for so doing, in order that it may not be inferred, that the directions of His Excellency the Commander in Chief, for a revision, and the Remarks contained therein, have been received otherwise than with the greatest deference; or, that the Court's second decision has proceeded from any inclination to defend error of judgment.

First, they beg most respectfully to state to His Excellency, that in permitting the Prisoner's entering into a detail of the circumstances which originated the meeting at which he forgot himself, they granted nothing beyond what they considered he was fairly entitled to; nor admitted any thing beyond what they deemed it absolutely necessary they should be informed of, in order to be enabled to come to a correct judgment on his conduct.

In support of their Finding on the First Instance of the Charge, they beg, with respectful submission to His Excellency, to offer the following reply to his remarks. It is undoubtedly clearly proved that the Prisoner did call Mr. Thomas a Scoundrel; and the Court so found; but when called on to decide that his so doing was an act of scandalous and infamous conduct unbecoming the character of an Officer and a Gentleman, the Court expressed their opinion that it was not so: such opinion being founded on the following facts of the case before them, viz. that it was *spoken in a moment of irritation and excitement*, to one, who was believed by the Prisoner to have seduced a private Servant from his family, in a place where it was impossible to replace her,—who, on being pressed to restore her, went back to a note he had already received without any offence, and replied to in a friendly manner, for a cause of complaint against him—who after sending to him for explanation thereof, and receiving the assurance that no offence was intended by the chance word complained of, voluntarily insulted him, by causing him to be informed that he should discontinue acquaintance with him—who, on the Prisoner's consequent recall of the explanation he had offered, went so far as to demand a hostile meeting, on the fictitious ground of original complaint—and who, in consequence of an accident at such meeting which prevented its object being carried into effect, *persevered to gratify his vindictive feelings by insisting on a second meeting*, &c. &c. The whole forming, in the Court's opinion, a chain of circumstances sufficiently provoking and irritating to cause one of a sensitive temper to forget himself; and such as, united to the Prisoner's immediate contrition and acknowledgment of his error, and repeated spontaneous offers to all concerned to atone for it in any way they should decide, put it entirely beyond the Court's power to designate his conduct (highly reprehensible as it was,) as laid in the Charge before them. Wherefore, relying on the Law delivered by the Judge Advocate, and entered on the Proceedings at the conclusion of his reply to the Prisoner's Defence, they acquitted him generally.

In support of their Finding on the Second Instance, the Court beg equally respectfully to observe to His Excellency in reply to his remarks thereon, that *the only witness in support of it* would not positively depose, that he was called a Damned Blackguard; and that he was equally unable positively to swear that he was called a Damned Bugger. Epithets so very dissimilar, the Court conceives it would be difficult to mistake: and the sole witness to the point being thus uncertain, may not the Court, with the knowledge before it that he was at the moment riding *at speed* from the Prisoner in a state of angry excitement, justly infer, that he altogether mistook that to which he can only so imperfectly depose—more particularly when the extreme improbability of any man's so addressing his own friend, and the solemn denial given to it by the Prisoner in his Defence, are taken into consideration: for the Court cannot perceive in his letter of denial entered on the Proceedings, that indirect admission which His Excellency has therefrom inferred, of his having misbehaved towards Lieutenant Harrison individually; and indistinct as the letter is, they consider, that their view of it is not a little supported by the fact, that it was voluntarily produced to the Court by the Prisoner himself, in proof, that whatever he uttered to another, he did not offer *insult* to his own Friend. To shew that Lieutenant Harrison might easily have misunderstood what he did hear, it is only necessary to *imagine*, that in reply to his remonstrances for the behaviour towards Mr. Thomas, the Prisoner may have said "surely you'll allow he has acted as a Blackguard"—or any thing of like import, equally resembling what Lieutenant Harrison considered him to have said. In such extreme doubt, the Court decided according to their Conscience, and the best of their understanding; and much as they regret that His Excellency's deductions from the Proceedings, and his opinion of them, are so very different from their own, they must state that they see nothing to shake the integrity of their verdict.

They consequently hope, that with the explanation thus appended to it, in reply to His Excellency's remarks, His Excellency will not believe them to have felt careless of the honour of the Army to which they belong, or indifferent to the correct performance of the duty for which they were assembled: for their consideration of the Proceedings, was not partial, nor their decision hasty: but the unanimous conscientious result of their best judgments in full recollection of, and most scrupulous regard to, the Oath by which they were sworn to act.

(Signed) RICHARD S. M. SPRYE,
Deputy Judge Advocate General.

(Signed) H. ROSS, Lieut.-Colonel,
and President.

Disapproved.—Ensign Hiern will be released from arrest, and proceed to reside at Cuddalore, pending a reference to The Honorable the Court of Directors.

It would be impossible *fully* to illustrate the Remarks passed by the Court upon Revision, unless it were practicable to publish therewith the *whole* of the Proceedings.—To enable the Army of Fort St. George to appreciate the *spirit* with which the Court has entered upon the duty assigned, it may, however, be sufficient to particularize the following passages.

The Court assumes that the abuse vented by the Prisoner was "*spoken in a moment of Irritation and Excitement*:"—it is proved on Oath that the Prisoner, at the Meeting in question, called Mr. Thomas a Damned Scoundrel "*without provocation*."

The Court assumes that Mr. Thomas "*persevered to gratify his vindictive feelings by insisting on a second Meeting.*" The Court alone can be aware whence its knowledge on *this* Point proceeded, as *the circumstance does not appear in Evidence.*

The Court assumes that Lieutenant Harrison, when spoken to by Ensign Hiern, was riding "*at speed.*" —It is proved on Oath that he was riding "*in a gentle canter.*"

The Letter addressed by the Prisoner to Lieutenant Harrison, and which is assumed by the Court *not* to contain "*an indirect admission of his having misbehaved towards Lieutenant Harrison,*" contains a denial of having employed towards Lieutenant Harrison, "*the appellation of Damned Bugger,*"—with *a careful avoidance* of denying that he had called him "*a Damned Blackguard.*"

Finally, the Court has had recourse to its "*Imagination,*"—a singular quality to become the Guide of Jurors upon Oath,—and substituted for the words which Lieutenant Harrison swears the Prisoner employed towards him, other words which the Prisoner *himself* never, either directly or indirectly, pretends to have used.

GENERAL ORDERS,

By His Excellency The Commander in Chief.

HEAD QUARTERS ; CHOULTRY PLAIN :

6TH FEBRUARY 1832.

The following Extracts from the Confirmed Proceedings of an European General Court Martial holden at Bangalore, on Thursday the 5th day of January 1832, by virtue of a Warrant from His Excellency Lieutenant General The Honorable Sir Robert William O'Callaghan, K. C. B., Commander in Chief, are published to the Army.

Captain James Charles Street of the Seventh Regiment of Light Cavalry, placed in arrest by order of Major General Thomas Hawker, Commanding the Mysore Division of the Army.

Charge.—For scandalous, and infamous behaviour, unbecoming the character of an Officer and a Gentleman, in the following Instances.

First Instance.—In having, at Bangalore, on the First of June One thousand eight hundred and thirty-one, *falsely* and maliciously, informed Captain Arthur Watkins of the Seventh Regiment of Light Cavalry, that Lieutenant William Wyndham of the same Regiment was a Tale Bearer to him the said Captain Street, then Senior Officer in charge of the Seventh Regiment of Light Cavalry, against the other Officers of the Regiment.

Second Instance.—In having, at the same place, on the Twelfth of July One thousand eight hundred and thirty-one, *falsely* and maliciously, informed Lieutenant George Hudleston Thomas of the Seventh Regiment of Light Cavalry, that the said Lieutenant Wyndham, had made him, Captain Street, then Senior Officer in charge of the Regiment, acquainted with Cornet Henry Basil Blogg, and Cornet Robert Thorpe Onslow, of the same Regiment, having gone to the Artillery Mess, on the preceding Saturday, when on the Sick Report.

Third Instance.—In having, at the same place, on the Twenty-eighth of July, One thousand eight hundred and thirty-one, in a letter addressed to the said Lieutenant Wyndham, retracted the aspersions set forth in the previous Instances of Charge ; in a manner the most humiliating to his, Captain Street's, character, as a Gentleman, and the most derogatory to his Office, as Commanding Officer of the said Lieutenant Wyndham.

Fourth Instance.—In having, at the same place, on the day last mentioned, said to Veterinary Surgeon John Frederick Jennings, of the Seventh Regiment of Light Cavalry, "*If the worst comes to the worst, I have told a lie to screen my Adjutant*"—meaning the said Lieutenant Wyndham, "*and what of it*"—or words to the same effect, notwithstanding that he, Captain Street, either had then written, or was in the immediate intention of writing, on the very same day, to the said Lieutenant Wyndham, the letter of Retraction set forth in the last Instance of Charge.

Fifth Instance.—In having, at the same place, on or about the Twenty-sixth of August One thousand eight hundred and thirty-one, told Subadar Shaikh Emaum of the Seventh Regiment of Light Cavalry, *falsely* and with intent to obtain the Evidence of the said Subadar against Lieutenant George Hudleston Thomas, and Lieutenant Alexander William Lawrence, both of the same Regiment, that he, Captain Street, had been previously made acquainted, by Pensioned Subadar Major Tippoo Khan, formerly of the same Regiment, with certain Irregularities assumed to have been committed by the said Lieutenants Thomas and Lawrence, when in attendance upon a Regimental Court Martial ; such assertion regarding the said Subadar, being altogether unfounded in fact.

Sixth Instance.—In having, at the same place, on or about the Twenty-sixth of August One thousand eight hundred and thirty-one, *falsely*, and with a like intent, made a communication similar to that set forth in the last Instance of Charge, to Jemadar Shaikh Madar of the Seventh Regiment of Light Cavalry.

Seventh Instance.—In having, at the same place, on the Tenth of September One thousand eight hundred and thirty-one, endeavoured to suborn Jaffer Khan, Trooper of the Eighth Regiment of Light Cavalry, doing duty with the Cavalry Details, as a Witness against Captain Arthur Watkins of the Seventh Regiment of Light Cavalry, Commanding the Cavalry Details, and his, the said Jaffer Khan's immediate Commanding Officer : further humiliating himself by desiring the said Jaffer Khan to sit down in his presence.

Eighth Instance.—In having, at the same place, on the Seventh of October One thousand eight hundred and thirty-one, endeavoured to suborn Syed Emaum, Trooper of the Seventh Regiment of Light Cavalry, doing duty with the Cavalry Details, as a Witness against the said Captain Watkins, the said Syed Emaum's immediate Commanding Officer.

The above being in breach of the Articles of War.

and thirty-one.

Dep. Asst. Adjt. Genl. of the Mysore Division.

By Order.
(Signed) B. R. HITCHINS,
Acting Adjutant Genl. of the Army.

The Court having most maturely weighed and considered the whole of the Evidence, brought forward in support of the Prosecution, as well as what the Prisoner Captain James Charles Street of the Seventh Regiment of Light Cavalry, has urged in his Defence, and the Evidence in support thereof, is of opinion:

Finding on the First Instance of Charge.—That the Prisoner is not Guilty of the First Instance of Charge.

Finding on the Second Instance of Charge.—That the Prisoner is Guilty of the Second Instance of Charge, with the exception of the word "Malice."

Finding on the Third Instance of Charge.—That the Prisoner is not Guilty of the Third Instance of Charge.

Finding on the Fourth Instance of Charge.—That the Prisoner is Guilty of the Fourth Instance of Charge.

Finding on the Fifth Instance of Charge.—That the Prisoner is not Guilty of the Fifth Instance of Charge.

Finding on the Sixth Instance of Charge.—That the Prisoner is not Guilty of the Sixth Instance of Charge.

Finding on the Seventh Instance of Charge.—That the Prisoner is not Guilty of the *first* part of the Seventh Instance of Charge, but Guilty of humiliating conduct, by desiring Trooper Jaffer Khan to sit down in his presence.

Finding on the Eighth Instance of Charge.—That the Prisoner is not Guilty of the Eighth Instance of Charge.

The Court finds the Prisoner Guilty of scandalous conduct, such as is unbecoming the character of an Officer and a Gentleman, but acquits him of the word Infamous.

Sentence.—The Court having found the Prisoner Guilty to the extent above stated, doth Sentence him the said Captain James Charles Street of the Seventh Regiment of Light Cavalry, to be Discharged from the Service.

(Signed) C. W. NEPEAN, Captain,
Deputy Judge Advocate General.

(Signed) R. LACY EVANS, Lieut.-Colonel,
15th Regiment Native Infantry, and President.

The Court cannot avoid noticing the fact of an Officer retaining in his possession a private apology, which though not formally received was considered by him as ample from one individual to another. The Court is borne out by the invariable custom of Military Society in declaring that when the injured party cannot consistently receive the apology it should be returned,—and it is to prevent so novel a proceeding from becoming a Precedent by their silence on the subject, that they feel it imperative to record their opinion on a fact so extraordinary and so destructive of the object for which an apology is first dictated.

(Signed) C. W. NEPEAN, Captain,
Deputy Judge Advocate General.

(Signed) R. LACY EVANS, Lieut.-Colonel,
15th Regiment Native Infantry, and President.

Confirmed.—The Court has drawn a Distinction *without* a Difference; scandalous and infamous being synonimous terms and employed, as such, *together*, in the Article of War, to designate *one and the same* circumstance, *i. e.* behaviour unbecoming the character of an Officer and a Gentleman.

I cannot *approve* of these Proceedings, because the Court has, in direct opposition to uncontroverted Evidence, acquitted the Prisoner of certain facts of the Charge; but I have confirmed them, because the Court, through its Finding however imperfect, has relieved the Service of an individual altogether unworthy to remain therein.

The remark, which the Court has thought fit to append to its judgment, would seem to imply that Lieutenant Wyndham had, unwarrantably, retained in his possession and made public use of a *private* apology unconditionally tendered to him. It is but justice to make known to the Army the Facts of the case, and thereby remedy so unmerited an accusation. Captain Street voluntarily addressed a Letter to Lieutenant Wyndham containing Retractions, avowed by Captain Street in the very Letter itself to be *humiliating*, of certain aspersions which Captain Street had fabricated against his character: immediately after the receipt of this Letter, Lieutenant Wyndham was made aware that Captain Street, *on the very same day*, had declared the Retractions in question to be themselves *false and invented in order to screen him, (Lieutenant Wyndham:)* upon what principle then, either of Honour or of Equity, could Lieutenant Wyndham be expected to proffer the return of the written proof of the base Duplicity exercised towards him? That the Court, *after* the admission made by its Finding on the Fourth Instance of Charge, should have recorded such an opinion, is altogether unaccountable.

There is a circumstance, connected with this case, which cannot be passed by without reprehension. Two Officers, detailed as Members of the Court, subjected themselves to a challenge, very properly made by the Judge Advocate, on the part of the Crown, as *private* Advisers, Counsellors, and Associates of the Prisoner to be tried up to the very day of trial. One of them had the discretion to request to withdraw: the other, however, thought fit to persevere, until removed by order of the Court, and was desirous, under such circumstances, to "*swear to administer Justice without Partiality, Favour or Affection.*"—It is to be hoped that, as this is believed to be the *first* Instance of the kind on record in the Madras Army, so it will prove the *last*.

FORT ST. GEORGE, 17TH APRIL 1832.

G. O. BY GOVERNMENT.

The orders contained in the following Extracts from Military Letters to Bengal from the Honorable the Court of Directors, under dates the 10th February, 10th March, and 9th June 1830, Nos. 19, 33, and 60, are published for the information of the Army, and declared applicable to this Presidency.

Extract Military Letter to Bengal, dated 10th February 1830, (No. 19.)

Letter from —— 12th Dec. 1828. 3. Forward Memorial from Captain James Blair, 30th N. I. praying that Mr. (late Captain) J. F. Hyde may be struck off the strength of that Corps, from the expiration of 2 years after his arrival in England instead of from the date when his five years absence from India expired.

V. By our Regulation of the 25th November 1823, Officers retiring from the Service shall be considered to have retired from the date of their "application to that effect, or from the expiration "of two years from the date of their landing in the United King-"dom whichever shall first happen, and all Casualties by death in "Europe, after the expiration of the same period of two years from "the date of landing, shall be considered to have occurred from the date when that period expired; not-"withstanding in both cases the Officers may have received an extension of furlough."

VI. We consider this Regulation to be equally applicable to the cases of Officers excluded from the Service by failing to return to India within the prescribed period.

Extract Military Letter to Bengal, dated 10th March 1830, (No. 33.)

Letter from —— 27th Sept. 1828. 3. Forward a proposition by the Commander in Chief on the subject of modifying Court's recent instructions prohibiting the grant of Pensions to Non-Commissioned Officers and Soldiers whose period of service in the King's Army may exceed that in the Company's before becoming non-effective.

VII. On full consideration we do not desire that the instructions conveyed to you in paras. 96-8 of our Letter in this Department dated 4th August 1827, which instructions were communicated in the General Orders No. 19, 1828, should have a retrospective effect and should apply to persons who entered our Army relying on the established usage of the Service sanctioned by the express authority of your Government, that time served in India in a King's Regiment should be reckoned as service to us. We are willing that, that usage so sanctioned should continue, but then, we positively enjoin that Men entering our Army from that of His Majesty shall be most carefully examined previously to their being enlisted and shall only be enlisted when from their age and health, there may appear every reason to expect from them a long period of service.

VIII. We are satisfied by the Letter of the Adjutant General which you have transmitted to us that it is essential to the efficiency of our Army that we should obtain Men from His Majesty's; but, when we consider the very early age at which Recruits for His Majesty's Regiments are sent to India, we feel assured that, if you issue and enforce the observance of strict Regulations respecting the admission of Men from His Majesty's Service into ours, in conformity with the direction we have given you above, the cases will be very rare in which the time passed by such Men in our Army will not equal that which they may have passed in the King's.

IX. We desire that you will make such Men thoroughly acquainted with the Regulations of our Service as to pensions before they are enlisted.

X. This is the more necessary because a pension from the King, gives His Majesty a permanent claim upon the service of the Man pensioned; and the enlistment of a Man into our Service places it out of his power to perform the condition on which alone he can hold a pension from the King.

XI. What we have said applies to the cases of Men claiming pensions for length of Service, Men disabled in our Service, by accidents, and circumstances occurring in the course of their duty will, whatever may have been the time passed by them in our Army, receive our favourable consideration. But we enjoin that you place under very strict Regulation the discharge of Men for disability. It is a matter liable to gross abuse, and which must be most closely looked into by you, and will be at all times by us.

Military Letter to Bengal dated 9th June 1830, No. 60.

Letter from —— 18th April 1829. Forwarding Minutes by the Members of Council recommending an alteration in the present table of precedence between Military and Civil Servants, and proposing that henceforward, Lieutenant Colonels rank with Senior Merchants, Majors with Junior Merchants, Captains with Factors, and Subalterns (Lieutenants) with Writers, according to the dates of admission, and their respective grades.

I. We now reply to your Separate Letter dated 18th April 1829, recommending a revision of the rules of precedence among our Civil and Military Servants.

II. We very willingly accede to the proposition which you have made to us in behalf of our Military Servants, and we accordingly direct that Lieutenant Colonels shall rank with Senior Merchants; Majors with Junior Merchants; Captains with Factors, and Subalterns with Writers, according to the dates of their respective Appointments and Commissions.

III. Brevet Commissions will be valid in fixing the comparative rank of Military with Civil Servants.

By order of the Right Honorable the Governor in Council.

First Charge.—For having at Tinnevelly, on the Thirteenth of February, One thousand Eight hundred and Thirty-two, been Drunk when on duty with, and in Command of the Guard over the Treasury at the Collector's Cutcherry.

Second Charge.—For having at the same place on the Fourteenth of the same month, been Drunk when on the same duty.

The above being in breach of the Articles of War.

PALAMCOTTAH,

(Signed) R. WEST, Lieut.-Colonel,
Commanding 1st Regiment N. I.

By Order.
(Signed) B. R. HITCHINS,
Acting Adjutant General of the Army.

The Court having most maturely weighed and considered the whole of the Evidence brought forward in support of the Prosecution on the Charges as well as what the Prisoner Veerasawmy, Jemadar in the 1st Regiment of Native Infantry, has urged in his Defence, and the Evidence in support thereof, is of opinion:

Finding on the First Charge.—That the Prisoner is Guilty of the First Charge.
Finding on the Second Charge.—That the Prisoner is Guilty of the Second Charge.
Finding on the Third Charge.—That the Prisoner is Guilty of the Third Charge.

Sentence.—The Court having found the Prisoner Guilty as above stated, doth Sentence him, the said Veerasawmy, Jemadar in the First Regiment of Native Infantry, to be dismissed the Service.

Officiating Deputy Judge Advocate General.
(Signed) F. A. REID, Lieutenant,
Interpreter to the Court.

The X Mark of SHAIK TIPPOO,
Subadar Major, and President.

Approved and Confirmed.

In this case an example is most especially required in order to reform the Discipline of a Corps which has furnished, on one and the same occasion, a Native Officer in command of a Treasure Guard and two Havildars Drunk, together, on Duty, for three days continuously.

It is much to be regretted, that a Court, composed of *Native* Officers, should, under any considerations of past Services, have recommended to Mercy an Individual convicted of an Offence which is, in its nature, equally repugnant to Native Ideas of Propriety and at variance with the Military Principles which their long experience as Soldiers should have taught them to hold inviolable.

This Order, together with the General Orders of the 14th February 1823, and 12th April 1828, to be translated and read at the head of every Native Corps and Detachment in the Service, at three successive Parades.

MADRAS,
The 30th of April 1832.

The following Order by the Right Honorable the Governor, is published for general information.

OOTACAMUND, *14th May* 1832.

The Right Honorable the Governor upon inspecting the new Pass from the Khoondah Ghauts into Malabar, where the Pioneers are now employed, was much gratified to see the rapid progress which has been made during the short time they have been engaged on that work.

From the 1st of January last up to the present time, a Road has been made down the rugged sides of the mountain to the length of 6½ miles, being a descent of 6,000 feet, and it is so skilfully and uniformly completed, that no inconvenience is felt in the passage down the Ghaut.

In addition to this great work a road of three miles has been made up to the Avelanche Hill and of six miles in the most difficult parts from thence to the top of the Khoondah Ghaut. The passage across the Hills from Coimbatore to Malabar is thus become practicable for laden Bullocks and Palankeens.

The top of the Khoondah Ghaut is about sixty miles from the Sea Coast at Calicut, of which thirty miles may be passed in Boats up the Beypore river —and the village of Woondoor in Malabar and the intermediate

line of Country are now distinctly visible a mile above the point at which the work on the Khoondah Ghaut is completed, and the products of the low Country are already brought by the inhabitants for market to the top of the Pass.

For the successful use of the means placed at Captain Murray's disposal to open a nearer communication with the Western Coast, that Officer is entitled to the warm approbation of the Government, and the Right Honorable the Governor desires that Captain Murray will convey to all the Officers and Men under his Command and especially to the Adjutant of the Corps Lieutenant Le Hardy, the great gratification he has derived from the success of their skilful labours.

It will afford the Right Honorable the Governor great satisfaction to have an opportunity of testifying his sense of Lieutenant Le Hardy's professional merits in a more substantial manner.

The Right Honorable the Governor is pleased to direct that, upon this occasion, the usual extra batta for the day of inspection of the Khoondah Ghauts, be issued to the Corps of Pioneers now on duty upon the Neilgherry Hills.

By order of the Right Honorable the Governor in Council.

(Signed) R. J. H. VIVIAN,
Asst. Adjt. Genl. Lt. Field Division Hyd. Sub. Force.

The Court having most maturely weighed and considered the whole of the Evidence brought forward in support of the Prosecution on the Charge, as well as what the Prisoner, William Chapman, Serjeant Major of the Fifth Regiment of Light Cavalry, has urged in his Defence is of opinion.

Finding on the Charge.—That the Prisoner is Guilty of the Charge.

Sentence.—The Court having found the Prisoner Guilty as above stated, doth Sentence him the said William Chapman, Serjeant Major of the Fifth Regiment of Light Cavalry, to be reduced to serve in the ranks as a Private Soldier, to be put under stoppages not exceeding one-third of the amount of his Monthly Pay and Allowances until the deficiency specified in the Charge shall be made good, and further to be imprisoned for the space of (1) one Calender Month, at such place, and commencing from such time, as His Excellency the Commander in Chief shall be pleased to direct.

28th Regiment and President.

Confirmed.—The Imprisonment, to which Private Chapman has been Sentenced, to be carried into effect under the orders of the Officer Commanding at Jaulnah.

The Punishment awarded in the present instance is altogether inadequate to the deliberate and unjustifiable act of Embezzlement of which the Prisoner has been Convicted: and the Court's recommendation to Mercy is still more objectionable, as assuming that the Dishonesty of one Individual may be rendered immaterial by the neglect of duty on the part of others.

Whenever a Non-Commissioned Officer may have been employed as Auctioneer to sell the Effects of deceased Officers and Soldiers and to collect the proceeds of such Sales,—it will be the express duty of the Commanding Officer under whose orders he may have been so employed, to satisfy himself that such collections are not allowed to accumulate in the hands of the Auctioneer: and that all sums collected are invariably deposited in the Regimental, or Station, Chest, on the first of each Month for the Month preceding; there to await the disposal of the Military Secretary to Government, after Payment of Regimental Debts and Funeral expenses.

GENERAL ORDERS,

By His Excellency The Commander in Chief.

HEAD QUARTERS OF THE ARMY;

CAMP OOTACAMUND, 9*th July* 1832.

Instances having occurred wherein the Officer *Signing the Charge has been detailed to conduct the Proceedings* before Native Courts Martial inferior to General, the practice is strictly prohibited as irregular. When the Officer signing the charge happens to be the aggrieved Party, such Proceeding is manifestly contrary to justice: and, in cases where his Signature is merely official, it is still objectionable, in point of form and usage, that the complainant should likewise be the legal adviser of the Court, and remain present during the deliberation of the Court as to its Finding and Sentence.

All Proceedings of Detachment Courts Martial held, *within Frontier*, under the Provisions of Article XIV Section XIV of the Articles of War, on the trial of Warrant Officers, are invariably to be forwarded, by the President, to the Judge Advocate General of the Army, for submission and report to the Commander in Chief, in like manner with the Proceedings of General Courts Martial.

Assistant Apothecaries J. Purcell, T. Murray, J. P. T. Burgess and R. Francis are appointed to do duty in the Superintending Surgeon's Department Presidency Division, and directed to join forthwith.

12TH JULY 1832.

With reference to the supervision of Courts Martial inferior to General, the Tenasserim Coast, Penang, Singapore and Malacca, will hereafter be considered as constituting the X District: and all Proceedings of Minor Courts held therein will be sent, in the usual manner, for Examination and Report, to "the Deputy Judge Advocate General Saint Thomas's Mount," who, until further orders, will conduct the duties of the X District in addition to those of his own.

Lieutenant Chalmers of the 22d Regiment of Native Infantry, is appointed to *act* as Deputy Judge Advocate General, during the absence of Lieutenant Roberts on Foreign Service, without prejudice to his appointment as Cantonment Adjutant.—Lieutenant Chalmers will conduct the Duties of the VII and X Districts.

Lieutenant Chalon of the 33d Regiment of Native Infantry is appointed to *act* as Deputy Judge Advocate General, during the absence of Captain Macarthur on Sick Certificate, and will place himself under the orders of the Judge Advocate General of the Army.

GENERAL ORDERS,

By His Excellency The Commander in Chief.

HEAD QUARTERS OF THE ARMY ;

CAMP OOTACAMUND, 20*th July* 1832.

Committees for the Examination of the Honorable Company's European and Native Troops, who may be deemed fit objects for removal from the strength of Garrisons and Corps by transfer to the Invalid and Pension Establishments, or by being discharged from the Service, are to be assembled as soon after the receipt of these Orders as possible, under detailed orders from Officers Commanding Divisions and Forces of the Army respectively as hereafter directed.

At Fort St. George, for the Troops serving at the Presidency.

At Saint Thomas's Mount, for the Troops serving in that Cantonment, at Poonamallee and Palaveram ; and at Vellore for the other Troops serving in the Centre Division.

At Trichinopoly, for the Troops serving in the Southern Division.

At Palamcottah, for the Troops serving at that Station and in Travancore.

At Bangalore, for the Troops serving in the Mysoor Division.

At Cannanore, for the Troops serving in Malabar and Kanara, including Paulghautcherry.

At Masulipatam, for the Troops serving in the Northern Division, South of the Godavery.

At Vizagapatam, for the Troops serving in the Northern Division, North of the Godavery.

At Bellary, for the Troops serving in the Ceded Districts.

At Secunderabad, for the Troops serving with the Head Quarters of the Hyderabad Subsidiary Force.

At Jaulnah, for the Troops serving with the Light Field Division of the Hyderabad Subsidiary Force.

At Kamptee, for the Troops serving with the Nagpore Subsidiary Force.

The requisite Garrison and Regimental Committees are to be previously assembled.

The Proceedings of the Committees to be conducted in strict conformity with the Regulations of the Service, the General Orders noted in the Margin, and agreeably to the Forms laid down in General Orders dated 22d September 1822, adding thereto a Column for the General Number after the column of "Rank," and also a Column for the Country and Village to be inserted immediately after the Column of "Personal appearance and particular marks," and observing the following points.

G. O. C. C. 3d November 1821.
G. O. G. 26th July 1822.
G. O. G. 30th December 1828.
G. O. C. C. 5th July 1828.

It should be distinctly stated in the Column headed "*Why Recommended*" against the name of each Individual recommended to be transferred to the *Veteran* Establishment, that he is "*Unfit for Field but fit for Garrison Duty*," and in the case of every Individual recommended to be Pensioned, that he is "*Unfit for any Duty*," and how he became so, and the same as the case may be, respecting Men recommended to be Discharged. It is not enough that disease or injuries should be merely stated, leaving to be inferred, the *fitness* or *unfitness* of the subjects, and Officers in Command will especially provide that Medical Certificates for each Individual case brought before Committees, be prepared in as full and distinct a manner as possible by Medical Officers in charge. It is also of great importance that attestations of Commanding Officers of Corps to Character be in no case omitted ; and they are further required to grant Certificates of Character to such Europeans as may be removed from under their Command to the Invalid or Pension Establishment, or Discharged from the Service, pointing out at the same time the necessity of those documents being carefully preserved by the Individuals in the event of their being required to produce them at any future period.

In the Column of Remarks opposite to the name of each European Soldier recommended in the Proceedings of Committees for transfer to the Pension Establishment, it is to be distinctly stated whether he wishes to return to England or reside and draw his Stipend in India ; in the latter case the reasons and claims which each Individual may advance for soliciting the indulgence are to be fully and clearly inserted in the Proceedings.

The practice adopted by General Committees of retaining their Proceedings, till the whole of the Individuals, brought before them have been examined, is to be discontinued, and the Commander in Chief, directs that General Committees do transmit to Army Head Quarters, through the prescribed channel, their Proceedings by Corps and Detachments, as soon as possible after the Examination of the Men belonging to them is completed.

Officers Commanding Divisions and Forces in which General Committees assemble, are requested to dissolve them as soon as their Proceedings are closed and they have been examined and ascertained that they are prepared in strict conformity to the orders upon the subject.

His Excellency the Commander in Chief calls the particular attention of Officers Commanding Divisions and Forces to the General Orders by Government dated 1st June 1827, relative to European Soldiers recommended to be Discharged from the Service by Invaliding, &c. Committees.

The Right Honorable the Governor in Council is pleased to publish in General Orders, the following Extract of a letter in the Ecclesiastical Department from the Honorable the Court of Directors dated the 14th March last, and to direct, that in future the travelling expenses of Chaplains at this Presidency be regulated in conformity thereto.

"The amount of grants to Chaplains appointed to visit Out-stations periodically has lately come under "our consideration, in consequence of a communication received from the Bengal Government, and as our "decision is equally applicable to your Presidency, we will here transmit it."

"The practice of periodical visitations by District Chaplains is, we think judicious, being calculated "to make the Services of our Ecclesiastical functionaries more extensively useful than they would otherwise "be. But whilst for this reason we sanction the grant of an extra allowance to each Chaplain for the period "of such visits, we are of opinion that 360 Rupees per month, the amount paid by you, is excessive and we "desire that it be immediately reduced to 200 Rupees per mensem which we think amply sufficient.

"We direct that you will immediately adjust all the allowances granted by you upon the principle "now explained."

The documents required in support of the travelling expenses of Chaplains will be 1st, the order or authority of the Venerable the Arch-Deacon for proceeding on their periodical visitations, and 2dly, their own declaration upon honor of the actual period of absence from their proper station, provided the distance exceeded eight miles.

Separate Letter from ——— dated 25th April 1829.
Proposed Establishment of a Military Retiring Fund.

I. We are very solicitous for the comfort of our Officers upon retirement and are therefore disposed cordially to encourage the institution of Funds in furtherance of that desirable object.

II. Schemes of a nature similar to that which you have submitted, though differing from it in some points of detail, have been proposed at Madras and at Bombay, and we think it desirable that the Funds which may be formed at the three Presidencies should be constituted upon a uniform principle in all respects.

III. We regret that in the present state of the Company's affairs it is not possible for us to aid the Funds by a direct contribution, but we are willing not only to bear the increased charge of Retired Pay that will be consequent upon their Establishment, but also to sanction the grant of an Interest of 6 per cent per annum on the balances of the several Funds, and the remittance of the Annuities which they may grant through our Treasury at the rate of 2*s.* the Sicca Rupee.

IV. The only conditions we require are, that the Regulations shall be submitted to us for our approbation, that the aggregate amount of the Annuities to be granted in each year shall not exceed £7,750, in the proportion of

£3,850 Bengal
2,700 Madras, and
1,200 Bombay

£7,750

which are the amounts contemplated in the several Schemes, and that the number of Annuities granted in each year shall not exceed 24, in the proportion of 12 at Bengal, 8 at Madras and 4 at Bombay. These amounts and numbers are of course fixed by us with reference to the Establishments as they now exist.

V. We shall transmit a copy of this Dispatch to the Governments of Madras and Bombay, with instructions to them to communicate with you upon the subject.

By order of the Right Honorable the Governor in Council.

Reprimand.

LIEUTENANT STUART,

You have been convicted, after due Investigation of the Charge preferred against you, of deliberate and disrespectful disobedience towards your Commanding Officer: and it further appears, on Evidence, that your offence was aggravated by wilful *Perseverance* in Error, after the opportunity of remedying the same, by a sufficient apology, had been repeatedly afforded you.

It remains for me to carry into effect the award of the Court, and to provide for the support of discipline in the Corps to which you belong, by thus severely reprimanding you, and by publicly holding you up as an example to your Comrades.

It is to be hoped that, with a due sense of the merciful treatment you have experienced at the hands of the Court, you will remember, that obedience to authority is among the qualities most requisite for a Soldier;

and that you will never for a moment lose the recollection of the blot upon your Military Character, which nothing but long continued and consistent good conduct on your part hereafter can possibly efface.

GENERAL ORDERS,

HEAD QUARTERS: CHOULTRY PLAIN;

10TH NOVEMBER 1832.

The Right Honorable the Governor in Council having addressed the subjoined Orders to His Excellency the Commander in Chief, to be published to the Army, they are accordingly published in Military Orders.

No. 278.

FORT ST. GEORGE, 9TH NOVEMBER 1832.

G. O. BY GOVERNMENT.

The Right Honorable the Governor in Council has been pleased in the Ecclesiastical Department, under date the 2d Instant, to publish the following revised Rules, for the guidance of Chaplains in their official duties.

FORT ST. GEORGE, *November* 2, 1832.

The Right Honorable the Governor in Council is pleased to direct that the following revised Rules for the guidance of Chaplains in their official duties, be published for general information.

1. Every Chaplain shall report his arrival to the Secretary to Government in the General Department, as well as to the chief Ecclesiastical Authority at the Presidency.

2. The Archdeacon, having received his name and academical degree, his letters of orders, his nomination or appointment, and such other testimonials as he may have, will then appoint a day for the Chaplain to attend to make the usual subscriptions and take the necessary oaths, previous to his being licensed.

3. Every Chaplain must report his arrival at his station to the Civil Auditor, and to the Archdeacon, and also to the chief Civil or Military authority of the station, as the case may be.

4. The Bishop's (or Commissary's) license is to be read by the Chaplain (together with a declaration of conformity to the Liturgy of the Church of England) immediately after the 2d lesson in the morning service, on the first Sunday after his arrival at his station, a certificate of which, signed by two or more of the persons present, is to be forwarded to the Registrar of the Archdeaconry.

5. Every Chaplain shall read divine service every Sunday morning to the Europeans, Civil and Military, residing in the garrison to which he is appointed, when the whole of the morning prayer is to be read, and a sermon to be preached. The evening service, with a sermon, shall also be read wherever suitable provision can be made for that purpose.

6. The Chaplain is to apply to the Commanding Officer, or the chief Civilian in authority, to allot any convenient room which can be spared, for the purpose of divine worship, should no regular Church be established at the station or garrison, to which a Chaplain is appointed; and if no such building or room can be spared, he is to apply to the Commanding Officer, requesting that a range of tents may be pitched for this express purpose every Sunday morning.

7. Should the Clergyman receive any hinderance in the discharge of his duty; should the Europeans not attend divine service, or shops be opened on the sabbath day, the Clergyman is to make the same known, (according as the case may be of a civil or a military nature), to the Commanding Officer or senior Civil Servant in writing, and request his interference to prevent such irregularity in future; and, in the event of such complaint not being duly noticed by the Commanding Officer or senior Civil Servant, he is to forward a copy of his complaint to the Archdeacon, to be laid before the Right Honorable the Governor in Council.

8. If from indisposition or other causes, divine service should not be performed by the Clergyman at the appointed times, a letter is to be addressed to the Archdeacon accounting for the omission.

9. The practice of baptizing in private houses is to be avoided by the Chaplain as much as possible, and the Clergyman is to attend at the place appointed for divine service on some fixed day and hour in each week, for the purpose of baptizing Soldiers children; however, this is not to be considered as authorizing the Clergyman to decline attending *at any time or place* to administer private baptism to such Infants as may be in a weak, or precarious state of health.

10. Clergymen, having obtained the Right Honorable the Governor's permission to marry those in the higher ranks of life, and that of the chief Civil or Military Officer on the spot, to marry those in the inferior orders, are to direct the attendance of the parties at the Church or place allotted for divine service in *canonical hours*; and at such time and place, the marriage ceremony is to be performed, except in cases of emergency, and in all such cases, the cause for deviating from this regulation is to be noted on the back of the marriage certificate forwarded to the Archdeacon.

11. In all cases in which a license is not obtained, the publication of banns must be considered as indispensably necessary. The prohibition of a Clergyman of the Church of England from marrying without either banns or license, does not depend upon the marriage act; but upon the 62d canon of the Church.

12. The permission to marry granted by Commanding Officers to Privates under their command, as connected with the military discipline shall be required as heretofore, in such cases, previous to the publication of banns; but such permission cannot be admitted as superseding the necessity of publishing banns, or as justifying the Chaplain in performing the marriage ceremony without such publication, in any case where a license from the Right Honorable the Governor is not obtained.

13. The publication of such banns must be regularly entered in a register for that purpose, in the following form: The banns of marriage between A. and B. were published for the 1st (2d or 3d) time in this Chapel (or at this station) on Sunday the day of in the year of our Lord .

14. Funerals are to be appointed either at ½ past 6 in the morning or 5½ o'clock in the afternoon, ex-

cept during the hot weather, when they shall be at ½ before six in the morning and the same hour in the evening; and the Clergyman is to attend at the latter time if he receives notice of a funeral before 3 o'clock P. M., but if the notice arrives after that hour the interment is to take place on the morning following: cases however may occur, which may require a deviation from this general rule.

15. Attention is to be paid by Clergymen to those seasons set apart for the fasts, festivals and other solemnities appointed by the Church, and they are particularly to use their influence in preventing public amusements in the holy week (commonly called Passion week.)

16. It is a bounden duty of every Clergyman to make frequent visits to the sick Europeans in the hospital, to pray by those who wish for such consolation in their last moments, and (where it may seem proper) to administer the Sacrament of the Lord's Supper.

17. All entries in the Registers of Baptisms, Marriages and Funerals are to be made by the officiating Minister in his own hand, and on the day when the office is performed.

18. All marriage certificates of Europeans, being Soldiers, or persons employed in the Military department, under the rank of Commissioned Officer, shall specify distinctly the birth of the female, whether European, Indo-Briton, Native, &c.

19. Attested copies of the Registers of Baptisms, Marriages and Funerals, must be transmitted regularly every half year, to the Registrar of the Archdeaconry, viz. up to the 31st May and the 30th November in each year.

20. The Chaplain of every station where any of His Majesty's Regiments are stationed, must forward to the Registrar of the Archdeaconry for transmission to the Chaplain General's Office, half yearly and for any broken period that may occur previous to his leaving the station on which he is employed, a copy duly signed by himself and by the Officer in command of the station, of the Regimental Registers of Marriages and Baptisms now kept in conformity with the general regulations on this subject.

21. The size of Monuments hereafter to be erected in the burial ground of any out-station, shall be limited to seven feet in length by three and a half in breadth.

22. All communications from the Clergy, are to be addressed to Government thro' the Archdeacon, in order that he may make such remarks thereon as he may think proper.

23. A Chaplain, when directed to visit the out-stations of his district periodically, is permitted to draw a travelling allowance at the rate of 200 rupees per mensem, to be calculated at the rate of one day's allowance for every ten miles, allowing for a halt on the 7th day: provided however, that the allowance drawn on this account shall in no case exceed 200 rupees per mensem. The documents required in support of the travelling expenses of Chaplains will be—1st, the order or authority of the Venerable the Archdeacon for proceeding on their periodical visitations; and 2dly, their own declaration on honor that the journey so authorized has been performed.

24. A Chaplain attached to a Military station on applying for leave of absence must state that the Officer Commanding concurs in the measure, but the application must in every case be made thro' the Archdeacon to the Government.

25. No Clergyman, appointed to officiate as a Chaplain to any particular station, shall on leave of absence, from that station or otherwise, indirectly take upon himself the professional duties belonging to a Clergyman of a different station, while such Chaplain resides on the spot or is near enough to be communicated with (as occasion may require), and is capable of performing such duties, unless his consent be previously obtained.

26. Any Chaplain who may be absent from his station without leave, shall be considered to have forfeited the whole of his allowances for the period of his unauthorized absence, unless the penalty be expressly remitted by Government; and any Chaplain exceeding his leave, shall be held by the Civil Auditor to be absent without permission for the time of such excess.

27. Any Chaplain leaving his station, whether with or without the orders of Government, shall be bound to report the circumstance to the Civil Auditor.

28. Any Chaplain who may be removed from his station to another, shall in like manner report to the Civil Auditor, the dates of his departure from the one and of his arrival at the other, and the Civil Auditor is restricted from passing the Bill of any Chaplain appointed to a new station for the allowances belonging to such station (without the special orders of Government) until he shall have received a report of his arrival at the place of his appointment.

29. Leave of absence, when solicited for the purpose of visiting any place on the continent of India, shall not be granted for a longer period than six months, but will be extended at the discretion of Government, on due and sufficient cause being shewn.

30. Any Chaplain desiring to visit the Presidency with the intention of making a voyage to sea, for the benefit of his health, or otherwise, shall be required distinctly to specify, in his application the period of leave necessary for the first purpose, at the expiration of which renewed leave shall be given, for periods not exceeding one month, until he finally avails himself of the further permission to quit the Presidency, on which occasion the vessel on which he embarks must be duly reported.

31. Any Chaplain arriving at the Presidency, whether from the interior of the country or from abroad, shall report his arrival to the Secretary to Government, in the General Department, as well as to the Chief ecclesiastical authority at the Presidency.

32. Any Chaplain returning to the Presidency after having made a sea-voyage, for the recovery of his health, or otherwise, shall (unless the contrary is specially sanctioned by Government) be required to rejoin his station within the time that may be prescribed for travelling to the station to which he stands appointed.

33. One day will be allowed for every ten miles of distance as recorded in the Office of the Quarter Master General, a week being given over and above this allowance for preparation for the Journey. If under special circumstances a longer period shall be found necessary, an application may be made to Government for an increased allowance of time or leave of absence for the excess.

34. Chaplains absent from their station with the leave of Government, whether on account of sickness, or of their private affairs, for a period not exceeding one month in the year, shall not be subject to any deduction from their allowances.

35. Chaplains absent from their station on account of private affairs for a continuous period exceeding one month in the year, shall forfeit ½d of their allowances during the whole time of their absence.

36. Chaplains absent from their stations on certificates of ill health for a continuous period exceeding one month in the year, if within the limits of the Presidency shall forfeit ⅓th of their allowances during the whole time of their absence; Chaplains proceeding to sea, or beyond the limits of the Presidency, on certificates of ill health for a continuous period exceeding one month in the year, shall forfeit ½th of their allowances for one year and ⅓th for the next six months of their absence.

37. Chaplains absent from their station, whether on account of sickness or private affairs, for a period exceeding 18 months, shall forfeit their appointment, and thereafter receive only an allowance of 244 rupees per mensem, until they obtain a new appointment.

38. A Chaplain officiating for an absentee will receive the allowances stopped from the absentee, when the stoppage does not exceed 200 rupees per mensem; but in all cases when the deductions exceed that sum, the surplus will be credited to the account of civil charges.

39. All applications for change of station must be made direct to the Right Honorable the Governor, or his Private Secretary.

40. The Chaplains are amenable to the Ecclesiastical tribunals for such offences only as would render the Clergy of the Established Church amenable to the Ecclesiastical tribunals in England, and for all other offences they are liable to be tried as all other Europeans in India are, by the ordinary tribunals of the country. If however, the offence should be committed out of the jurisdiction of the ordinary court, and in places where the rest of the community are subject to Military law, in such a case, and in such a case alone, they are subject also to Military law, for all offences of temporal cognizance.

41. On leaving the Archdeaconry, it is the duty of every Chaplain to apply to the Archdeacon for testimonials under the Episcopal seal. If testimonials are also obtained from two Clergymen in the Archdeaconry, they should be countersigned by the Archdeacon.

MADRAS,
The 18th of December 1832.

(Signed) R. W. O'CALLAGHAN, Lieut. General,
and Commander in Chief.

The Commander in Chief has much gratification in communicating to the Army the result of the Investigation into the recent mutinous proceedings at Bangalore.

These Proceedings would appear to have originated with certain obscure Individuals, of desperate Fortunes, Civil Inhabitants of the Pettah, who for their own ends, squandered such money as they could command in tampering with the Native Soldiers in their neighbourhood.

It is gratifying to place on record that in a Force comprising 3500 Men, two Havildars and twelve Privates alone are known to have been corrupted. All large bodies must contain *some* unworthy members, open to corruption, and the Corps composing the Mysore Division of the Army may justly feel proud that they have been found to be so singularly exempt. Not the breath of *Suspicion* even has attached to any one of the Native Officers of the Army: they have throughout this affair, upheld their high and long established character for Honor and Fidelity. The attempts of the Instigators of this Mutiny succeeded with a trivial number of the lower Ranks of the Army only, Persons overwhelmed with Debt and given up to Debauchery: and when these attempts were carried further, the Result was the immediate disclosure of the Plot by good and faithful Soldiers, whose services the Commander in Chief has not failed to bring to the special notice of Government.

The General Order, containing the Crime, Sentence, and order for the Execution of the Mutineers is to be read at the Head of every Corps and Detachment in the Army to be Paraded for that purpose.

B. R. HITCHINS,
Acting Adjutant Genl. of the Army.

FORT ST. GEORGE, 19TH DECEMBER 1832.

G. O. BY GOVERNMENT.

After the severe but necessary example which His Excellency the Commander in Chief has been compelled to make of a few Native Soldiers who were concerned in a Conspiracy against the British Interests, it is a matter of great satisfaction to the Right Honorable the Governor in Council to know that, the Plot was discovered, and defeated, through the instrumentality of other individuals of the Native Army, that not one Commissioned Native Officer was implicated in the crime; and that the character for fidelity and attachment which has always distinguished the Native Troops of this Presidency remains untarnished.

To mark the sense which the Government entertain of the conduct of Naigue Nagapah and Private Nutter Cawn of the 48th Regiment of Native Infantry, and Private Muttra Pursad of the Horse Artillery, who by their prompt and early intelligence rendered nugatory any attempt which might have been made by the Conspirators, the two former are promoted to the rank of Jemadar and the latter to the rank of Havildar, with a donation of 500 Rupees each.

The undermentioned Commissioned, Non-Commissioned Officers and Privates of the 48th Regiment of Native Infantry, who likewise evinced their fidelity and attachment to the Company on the occasion, by less early but timely information of the existence of the Conspiracy are promoted.

Havildar Shabbash Khan to be Jemadar,
Lance Naigues Sheikh Mhoodeen and Isoof Beg, and Naigue Mahomed Kassim to be Havildars,
